

## **A Father 247**

Chapter 247: My Daughter Can No Longer Be Defined as a Divine Child, Prototype of Divine Powers (4)

Not to mention the high-rank Method of the Godly Statue, for many small sects, just one Method of the Godly Statue is enough to support the foundation of the sect!

"Harvest?"

Xi Xi blinked her large eyes, pondered for a while, and remembered her father's instructions in her dream not to casually mention the little spear she had hidden.

So, she could only mention a different harvest.

In her mind, there was another Dharma that could be cultivated to reach Godly Statue.

"The Five Elders Level 'Extreme Grief Wind Fire Subdue Dragon Third Prince' is the cultivation method that Xi Xi received in her mind,"

Xi Xi said.

The moment she talked about this, Xi Xi's emotions fell, and she thought of the pitiful little boy in her dream.

At this thought, Xi Xi's heart trembled. She rubbed her chest, pouting her lips, unable to contain her sorrow, and tears inevitably overflowed.

Nan Lihuo was slightly shocked; this was the influence of Divinity.

He quickly spread his Divine Sense to soothe Xi Xi's emotions.

"Indeed, it's a Five Elders Level Method of the Godly Statue, encompassing Nurturing Nature, Divine Foundation, Void Aspect, all the way to Godly Statue!"

Nan Lihuo felt satisfied.

However, what puzzled him was how this 'Extreme Grief Wind Fire Subdue Dragon Third Prince' seemed somewhat different from the 'Eight-Armed Prison Lotus Furious Third Prince' in the Four Royal Mysterious Temples.

Third Crown Prince... could there be other Seven Emotions Divine Methods?

This was indeed a new discovery, a good direction for research.

"With a Five Elders Level Method of the Godly Statue, at the very least, you will have no worries on the path before Godly Statue. Once you cultivate to the Five Elders Godly Statue, looking over the vast Golden Light Prefecture City, you will be able to easily suppress many Godly Statues."

Nan Lihuo patted Xi Xi's head, feeling very happy and satisfied.

This little disciple truly brought him a great surprise.

"Xi Xi, there is about one year left before you go to the 'Eight-Armed Prison Lotus Furious Third Prince' Mysterious Temple for the Temple God Resonance trial. In this year, you need to complete the transformation into Divinity, and completely transform into the Divinity of 'Extreme Grief Wind Fire Subdue Dragon Third Prince,'"

Nan Lihuo said gently.

"Do you believe you can accomplish this, Xi Xi?"

Hearing of the challenge, Xi Xi immediately puffed up her chest and stomach excitedly, saying, "Xi Xi will definitely be able to complete it!"

"Sect Master, can Xi Xi take the little butterfly with her? Let it play with Xi Xi!"

Xi Xi pointed to the little butterfly on her shoulder and said.

"Certainly, of course, you can,"

Nan Lihuo said with a gentle smile, rubbing Xi Xi's head.

"Have you also obtained any Divine Secret Techniques or Divine Martial Arts?"

Xi Xi shook her head.

Nan Lihuo's smile grew even thicker.

He raised his hand, and a booklet interwoven with black and red appeared in his hand.

"As for the Method of the Godly Statue, you have quite the fate to receive it yourself, surely it's extremely compatible with you. This 'Prison Fire Glazed Body' is a Divine Secret Technique that your teacher shall impart to you."

"Also, as for Divine Martial Arts, which type do you want to learn?"

Upon hearing this, Xi Xi tilted her head, thinking of the little spear hidden in her arm, her eyes lit up: "Xi Xi wants to learn spear techniques!"

Spear techniques?

Nan Lihuo nodded. It was indeed more suitable to learn spear martial arts while cultivating the Third Crown Prince Godly Statue.

"No problem, your teacher will impart this to you."

...

...

Li Che clenched the Thunder Chess Piece, instantly moving.

He returned to the workshop courtyard.

Night, silent and dark.

All around was quiet, the bright moon hung high in the night sky, and the cool moonlight spread all around heaven and earth.

Li Che stood in the tranquil courtyard, slowly exhaling a breath, sounding like rolling thunder.

All over his body, muscles and bones sang in unison, as if dark red currents of electricity moved at an extreme speed, his blood as swift as lightning!

He's back...

Li Che opened his eyes, his entire person loosened up, appearing somewhat languid.

From setting off to meet up with Li Qingshan and Lin Xiu for the hunt of Shangguan Zhengheng to learning about Xi Xi's great opportunity and hurrying to assist her,

Li Che had been so busy he hadn't had a moment's rest.

But the harvest was rich and rewarding.

He couldn't help but smile slightly.

The biggest gain... was the Six Ministries Divine Phase Method he obtained in the Heavenly King's Golden Pagoda, and... the Heavenly King Temple God Chess Piece he extracted through contact with the Temple God!

That was a Heavenly King Temple God Chess Piece!

Even if it's not the complete Heavenly King's Golden Tower...

Just one of the three pagodas, the power of its Temple God was absolutely formidable!

That Temple God Divinity Chess Piece...

If he used the Heavenly King Temple God Chess Piece to execute 'Ascending the Tower,' how powerful would it be?!

Just the thought of it made Li Che's feelings tremble slightly.

Could it be...

As if...

The Heavenly King has descended?!

I'm invincible!

Li Che simply couldn't suppress the smile at the corners of his mouth.

However, he quickly controlled his emotions.

He sat cross-legged in the courtyard, the night deep and the breeze cool.

Breathe in—

Breathe out—

With each breath, Li Che adjusted his condition, whether it was his vitality or his Divinity, he brought it back to perfection!

With a thought,

He was about to use the Chess Saint's Dao Fruit to expand and capture the Heaven and Earth chessboard.

But...

At the thought,

Li Che abruptly opened his eyes!

A hint of surprise flashed at the bottom of his eyes!

Reflected in his pupils was the information.

[Dao Fruit: Immortal Artisan (lv3,80%), Dragon Elephant Vajra (lv3,25%), Pure Heart (LV3,25%), Chess Saint (LV3,0%)]

Hm?!

[Dao Fruit: Chess Saint (LV3,0%)]

In front of him, the golden light suddenly flickered!

[Dao Fruit LV3, further transformation, obtained the prototype of Divine Powers "Chess Saint - Great Avalanche"]
