...

That's... Corpse Qi!

On Xu Jiuqing's body, there was actually the distinctive Corpse Qi exclusive to the evil people of the Corpse God Cult!

In this instant, Nan Lihuo understood.

Xu Jiuqing, this elder of the Enforcement Hall of the Qian Yuan Divine Sect's Golden Light Sub-sect...

Was the hidden betrayer within the Divine Sect, a high-ranking evil person of the Corpse God Cult!

The very evil person who had acted against his precious True Successor disciple!

"How preposterous!"

"Absolutely unforgivable!"

Nan Lihuo's eyes seemed to ignite with golden flames, his fury surged forth like a rising tide in an instant.

He was truly... furious!

It could be described as a great humiliation.

If it had been anyone else, Nan Lihuo wouldn't have been so angry, but Xu Jiuqing... he was an elder of the Enforcement Hall!

He represented the authoritative judgement of the Divine Sect!

And now this authority...

Had been corroded!

Nan Lihuo's expression was icy cold, golden flames slowly leaped out from his skin.

One wisp, two wisps, three wisps...

At first small flames, then countless little flames gathered together, forming a cluster of fiercely burning divine heavenly fires!

Nan Lihuo took a step forward and in a flash, turned into supreme radiance, shooting towards the direction of Flowing Sword Peak.

At the same time.

After Nan Lihuo sensed the Corpse Qi on Xu Jiuqing.

On several other Elder Peaks, powerful Divine Senses of Divine Ministers also surged into the sky, sweeping over!

On Twin Sleeves Peak, Zhang Qing Zheng, wearing a tattered Confucian robe, had his angry brows furrowed upside down, his scowling face rolling with indignation, looking both stinky and furious!

"Damned Xu Jiuqing!"

"What audacity!"

On Red Cloud Peak, Zhu Hong Dou summoned the Fire God's visage, her eyes streaming with red fire, clenching her spear and rising into the air on the spot.

On Nanshan Peak, an elderly man with a cane, shook his head.

"Previously, you all suspected me one by one, causing me not to dare to make a sound... Now the thunder has exploded, hasn't it."

Weng Wuyu smiled helplessly.

He didn't really care; after all, he was already one foot in the grave and didn't fuss over much.

His peach wood cane struck the ground fiercely, and in a moment, he stepped out, his powerful Divine Minister aura also erupted.

Covering towards Flowing Sword Peak!

This guy who had made him carry the suspicion for so long!

Had to pay a price, right?

...

Zheng Lei Peak.

Li Qingshan had just returned in front of the Divine Temple, entering the Divine Observation state, but his Divine Sense was still spreading outside.

The powerful energy erupted at Flowing Sword Peak was too intense, alerting Li Qingshan immediately.

He instantly understood what had happened.

"Shit!"

"Li Che, that kid... hogging all the action!"

"Capturing a traitorous evil person from the Corpse God Cult, why didn't you call me?"

Li Qingshan beat his chest and stamped his feet, heart-wrenchingly.

He had missed out on such a big event!

But he was helpless, who told him he couldn't hold back?

...

Feeling the restless Divine Likeness, Li Che could only calm himself down, not to let his emotions fluctuate wildly, and maintain his composure.

Observing the Divine Likeness was crucial!

...

...

"Bull Demon?!"

Staring at that Cute Bull Mask amidst the raging storm!

Xu Jiuqing recognized it at a glance—it was the Bull Demon's symbol, a cute Cute Bull Mask!

But beneath this cute mask hid an extremely fierce face, which had almost single-handedly toppled the Fishing Gang!

Xu Jiuqing gripped the Divine Sword nurtured in his hand, as his emotions churned like surging waves!

He could already be certain that it was Li Qingshan who had uncovered his identity and learned that he was from the Corpse God Cult!

Therefore, he had hired the Bull Demon and Horse Face, two infamous villains within the Golden Light Prefecture City, to strike simultaneously!

Damn it!

Xu Jiuqing could not contain his anger!

Li Qingshan!

The emergence of the Bull Demon did not concern Xu Jiuqing too much.

Compared to Horse Face, who attacked from a distance with his horrifying skills, launching invisible and lethal Divine Arrows.

A straightforward martial brute like the Bull Demon was much easier to deal with.

After all, Xu Jiuqing himself possessed a body akin to the Vajra Indestructible Copper Corpse!

Li Che watched Xu Jiuqing indifferently.

Weng bang!

In an instant, his chest fiercely stimulated the Dragon Elephant Vajra Dao Fruit!

Activating the state!

Angry Vajra!

In a flash, his already monstrous body expanded further, swelling up as if a lump of modeling clay had been suddenly stretched out!

Veins bulged beneath the skin, quivering as if enraged dragons were roaring!

In his eyes, divine light shone brightly, with faint golden frankincense-like smoke curling out!

Ascending Stance!

His hair grew wildly, falling to his waist, his blood surging like a fierce wind, resembling a fluttering cape!

His fingers clenched, and he crushed the essence of the Three-eyed Wrathful True Lord Lingying Temple God!

The Temple God Divinity turned into smoke, instantly absorbed by Li Che in the Ascending Stance!

The blood and qi furnace exploded!

The True Intent Ultimate Study, Dragon Elephant True Force, was unleashed in an instant, targeting Xu Jiuqing who had just glanced back at him, aiming a fierce blow at his head!

He wanted to shatter his skull in the blink of an eye!

Clang!

An ear-piercingly terrifying collision sounded!

The scorching hot body clashed with the cold corpse!

Xu Jiuqing turned and used his cursed copper body, now a bronzelike color, to toughly clash with the Bull Demon's formidable Dragon Elephant True Force!

Immense and terrifying power emerged from the Dragon Elephant silhouettes behind the Bull Demon, the power of one dragon and one elephant!

Instantly pouring into the Bull Demon's fist!

Bull Demon Great Strength!

Boom!

The ground bounced, violently shaking as if an earth dragon was turning over, and the ground beneath Xu Jiuqing instantly exploded, resembling lit black powder, blasting up clouds of dust and stones!

In an instant, countless shattered rocks and bricks were blasted in all directions from the force of the impact!

Xu Jiuqing's eyes narrowed...
