

## **A Killer 1611**

Chapter 1611: Fairy Baihua is here

No one spoke in the dull elevator.

Finally, after about ten seconds, the elevator reached the eighth floor position, and after a soft ding-dong, they finally arrived.

When they first stepped out of the eighth floor, they smelled a \*\*\*\*\* smell.

Fairy Baihua's complexion changed on that delicate face.

And Ouyang Zhengtian, Xu Fan and others also seemed to smell the \*\*\*\*\* smell. After their faces suddenly became ugly, they hurriedly walked inside.

"Senior Dugu... Patriarch Situ!"

Ouyang Zhengtian yelled as he walked with Baihua Fairy and others behind him.

He vaguely felt that something bad had happened here.

Following Ouyang Zhengtian's yelling, he suddenly saw a figure coming out of the room!

Ghost servant!

When the ghost servant suddenly appeared on the corridor, Ouyang Zhengtian, Baihua Fairy and others saw him at a glance.

"Four brother..." Fairy Baihua exclaimed excitedly when she saw the ghost servant.

The ghost servant also saw Fairy Baihua, and suddenly shouted excitedly: "San Jie... why are you here?"

While talking, the ghost servant quickly walked over.

"I miss you...so come from the North China Field Army to see you!" Fairy Baihua said.

With a smile on his face, the ghost servant held Fairy Baihua's hand affectionately.

"Fourth brother, second brother? Is he okay?" Baihua Fairy looked at the ghost servant and asked.

The ghost servant said: "Second brother is in the room!"

Following the ghost servant said, Fairy Baihua nodded quickly, and then walked towards the room over there.

Ouyang Zhengtian also came over here, looking at the ghost servant and asked in a low voice:

"Ghost servant, why is there not even a guard downstairs? If I hadn't seen you, I thought something happened here. ."

Ouyang Zhengtian said while looking at the ghost servant, he still didn't know that something big had happened here.

After Ouyang Zhengtian said this, the ghost servant suddenly turned cold.

"Patriarch Ouyang, here... something big has indeed happened here!"

what?

After the ghost servant suddenly uttered such a sentence, Ouyang Zhengtian suddenly felt a little in his heart.

Looking at the ghost servant, "What's wrong? What happened here?"

The ghost servant stayed for a while, and then said silently: "We were attacked... a lot of brothers died! And those king tigers who helped you... also all were killed."

As the ghost servant said this, Ouyang Zhengtian in front of him was stunned!

With those horrified eyes widened, he grabbed the ghost servant's shoulder with both hands: "What? What did you say..."

"You said Wang Huo those people... are all dead?"

The ghost servant nodded silently!

"Not only did they all die, but even the Situ family also killed and injured a lot of people..." the ghost servant continued.

After hearing this terrible news suddenly, Ouyang Zhengtian was shocked there, and Xu Fan, the thunderbolt behind him, was also dumbfounded.

How could this be?

How could this happen?

"Who did it? Who attacked us? Could it be that demon again? Old Demon Yin and Yang?" Ouyang Zhengtian asked with red eyes.

But the ghost servant shook his head this time and said, "No!"

"It's from the gate of hell!"

When the ghost servant talked about the gate of hell, Ouyang Zhengtian was speechless!

"The gate of hell?"

"How could it be from the gate of hell? I and the gate of \*\*\*\* have no grievances and no grudges... he... how can they put such a murderous hand on us?" Ouyang Zhengtian said with endless anger. ,

The ghost servant said: "Patriarch Ouyang, you have to know that the gate of \*\*\*\* has always been our greatest enemy!"

"He is our true greatest enemy!"

After the ghost servant said these words coldly, he suddenly turned and left.

Then Ouyang Zhengtian was suddenly stunned there!

All the people he asked for help died...all were killed...how could this not shock Ouyang Zhengtian!

Originally, Ouyang Zhengtian only wanted to deal with the old yin and yang demon who ruined his family, but he did not expect that the mysterious and huge gate of \*\*\*\* suddenly appeared at this time... why? Why is this happening? Ouyang Zhengtian looked unwilling and angry. ,

When the beautiful Ouyang Shiqing next to her saw that strange change in her father's complexion, she walked over and asked worriedly, "Dad, what happened?"

But seeing Ouyang Zhengtian's tall body trembled slightly, then looked at his daughter and said, "No...nothing..."

"Shiqing, you first take Miss Duanmu... go to the room to rest! Dad still has big things to do." Ouyang Zhengtian said.

Ouyang Shiqing could feel that something was happening here. When she heard her father say this, she couldn't ask too much, so she said to Duanmu Ying behind her: "Miss Duanmu... let's go first. In the room."

Duanmuying didn't speak, she nodded silently, and then followed that Ouyang Shiqing towards that way.

At this moment, there were only Ouyang Zhengtian in front of him in the corridor and Xu Fan, the shocked thunderbolt!

The two of them were speechlessly shocked there!

Suddenly, Ouyang Zhengtian said, "Go, let's go to Patriarch Situ... Just ask, what happened here!"

Xu Fan nodded quickly, so Ouyang Zhengtian hurriedly took that Xu Fan to find Situ Xiong.

Here, the fairy Baihua had arrived in the room of Duguxie and the brothers.

When her Qianli figure walked in, Du Guxie saw her at a glance.

"Sanmei?"

"Why are you here?" An excited cry came out from Duguxie's mouth.

Fairy Baihua came over at once, clutching Duguxie's hand tightly, her beautiful face was full of caring.

"Second brother...I miss you, so I am here!" Baihua Fairy said softly.

"Hey, brother, you are getting thinner..." Fairy Baihua suddenly whined.

When the brothers over there saw Fairy Baihua coming, they all blinked at her.

After Duguxie saw Fairy Baihua, her heart was hot...

"You guys, why do you all look like this? Did something happen?" Fairy Baihua felt that something was wrong with the brothers after coming in. At this moment, seeing the sad expressions on their faces, he asked even more puzzled. .

As Fairy Baihua asked, Du Guxie turned his head and said nothing!

Fairy Baihua looked at his brothers in surprise.

I only heard the ghost servant who walked in suddenly saying: "The third sister... Yesterday, we...we were attacked by people from the gate of hell... a lot of people died... and even the two brothers. died!"

Chapter 1612: Determined to fight

As the ghost servant said this, Baihua Fairy screamed out!

what?

"The gate of hell?"

"Did the people from the gate of \*\*\*\* also come to Binjiang?" Baihua Fairy asked incredulously.

The ghost servant in front of him nodded silently and said: "Yes!"

"Damn \*\*\*\* gate! Unexpectedly, I still refuse to let us go..." Fairy Baihua said angrily.

The brothers were silent there, not talking.

"Sister, sooner or later, our hatred with the gate of \*\*\*\* will be reported! And now, we just want to avenge Xuehen for the young master and the two dead brothers." The ghost servant said with red eyes.

When I mentioned Li Tian's name, the ghost servant's eyes were red.

Li Tian's name is like a poison. When it is mentioned, everyone in the brothers feels pain!

It's been more than two months. In these two months, the brothers rarely mentioned Li Tian's name, because when he mentioned his name, the brothers' hearts were cut like a knife. They hurt, make them hurt!

Now, finally Li Tian's name was said again.

When I said it, everyone's eyes were red...They missed Li Tian... missed him!

Fairy Baihua has crystal clear tears in her beautiful eyes!

Muttered there, "Tian'er..."

"It's all our fault... we didn't protect the sky well..."

"How will we explain to the eldest brother and the elder sister in the future... Even if we are dead, how can we have the face to see the elder brother and the sister-in-law in the Yin Cao Mansion?" Baihua Fairy said in pain.

Duguxie's cold eyes were also red at this moment!

He turned his head slightly, then wiped his eye sockets with his only left hand, and said: "The third sister...Even if she is dead, I will go and make amends with the eldest brother! I am useless, I have not protected the young master. ."

"Second brother, don't say that... it's me, it's my ghost servant's fault, it's that I shouldn't have told the young master about the past grievances... If it weren't for me, the young master wouldn't be involved in the dispute... ..And it won't be in the hands of that \*\*\*\* bastard." The ghost servant also said to himself!

If time can return, I believe they will definitely use their lives to protect Li Tian! He could even use his life instead of Li Tian to die!

But now? Is everything too late! ! !

Li Tian's "news of death" at least so far, brothers thought he was indeed dead.

"The third sister, the fourth brother, this time we finally got together...for the hatred of the young master, for the hatred of the elder brother and the sister-in-law, I believe that this time we should have one with the dragon and \*\*\*\* gate It's the result!" Duguxie said suddenly in that blood.

When Fairy Baihua and the ghost servant in front of him heard Du Guxie say this, they nodded deeply together.

Yes, it's been so long!

For a long time, Duguxie, the ghost servant, and Baihua Fairy lived for revenge... Twenty years, more than twenty years have passed, this time Duguxie really intends to end with the gate of hell! Even if it's dead... they don't want to live like this!

Seeing that the brothers and relatives around him were taken away one by one by the cruel gate of hell, who knows their pain?

This time, they are determined to fight to the death, even if they die, they have no regrets or hatred.

The gate of hell!

A terrifying and mysterious organization that suddenly emerged more than 20 years ago, who is the owner?

What kind of figure dominates the world can gather so many top masters in the arena? Then drive them, enslave them?

And how are those top-level masters used by him?

Everything is still a mystery to the outside world!

The only thing I know is that inside the gate of hell, the masters are like clouds, and everyone has special skills, cold-blooded and merciless!

Ruan Zixiong.

The hair is half black and half a hundred, maybe this name has long been forgotten by the people of the rivers and lakes, but if you mention it more than 20 years ago, this name is definitely a well-known character!

Although his strength is not comparable to the previous three death guardians of the Hell Gate, Ruan Zixiong can also be regarded as a top-notch master in the Hell Gate!

And it was this guy who led the \*\*\*\* gate master to attack the Haocheng Hotel! The tragic death of Ah Qiu and Old Monster Ge... and the heavy injury of the Situ family.

Next to Ruan Zixiong, there is a fellow named Hei Zai!

No one of this black boy knows his real name, even in the gate of hell, almost no one knows what his real name is... Maybe he has no name at all! The only thing I know is that this black boy is the gate of \*\*\*\* that he joined ten years ago! He is one of the late people who entered the gate of hell!

But this dark-skinned guy is indeed notoriously vicious and ruthless.

He is even more cruel and poisonous than the older generation of quack figures in the gate of hell.

This is also the real reason why Heizi can progress so fast in the gate of hell, and can quickly climb to such a high position.

right now?

After yesterday's attack on the Haocheng Hotel, Binjiang City, where the Hell Gate hides, is still heavily guarded!

Inside and out, there are masters of \*\*\*\* gates in black robes guarding them.

Inside, Ruan Zixiong, with half black hair and half a hundred hair, was sitting at a table in the hall drinking alcohol, and sitting opposite him was the black boy.

A wine glass was placed in front of each of them, and a bottle of old wine was placed on the table.

"In the battle yesterday, I think Duguxie and the ghost servants will hate us very much after they come back and see them." Ruan Zixiong suddenly said in that gloomy voice, and while speaking, he suddenly grabbed the wine glass beside him and drank it.

"What about hate?"

"Huh... they will die sooner or later anyway!" Hei Zai said coldly there.

Hearing what Hei said, Ruan Zixiong in front of him suddenly said, "Hei, don't underestimate the two evil swords and ghost servants...If those two were there, you and I might not have been so smooth this time. "

"Really? Why don't I think?" Heizi said with a sneer.

It seemed that he looked down on Duguxie and ghost servants very much.

Ruan Zixiong heard Hei Zai saying this with disdain, and said there: "Hei Zai, you have been in the gate of \*\*\*\* for a short time. Of course, I don't know that the evil sword and the ghost servants were powerful... more than 20 years ago. , The battle that night is still fresh in my memory...The Evil Sword of Heaven, the immortal servant, is definitely not what you can imagine!"

"Twenty years ago, that night... we dispatched hundreds of masters to kill the evil \*\*\*\* and his brothers... but the result? Didn't they escape?" Ruan Zixiong recalled the events of the year, and said while drinking. Spirits.

Chapter 1613: Ugly woman

The black boy in front of him said coldly: "Don't tell me what happened 20 years ago..."

"Hmph, I don't believe in evil gods, and Duguxie... If I can join the gate of \*\*\*\* in advance, I will definitely meet these legendary characters in person!"

Ruan Zixiong sneered when he heard Hei Zai's words so loudly, "Why, do you really think your strength can compete with them?"

Hei Zi said: "Do you think I Hei Zi is not worthy?"

Ruan Zixiong laughed out loud!

"You will know then..." Ruan Zixiong didn't want to argue too much with the cruel young man in front of him, so he didn't talk too much, just kept drinking there.

That Heizi was really coaxing, and his eyes were full of ambition, as if he was really planning to fight the Duguxie and the ghost servant, and he was suffocating and drinking.

Just as they were drinking, there was a strange cry from outside the door!

Ruan Zixiong and Heizi frowned at the moment when they heard the weird cry, their bodies flew up quickly, and then they showed their way to reach the door of the room in a swift manner.

"Who?" A cold shout came out from the mouths of the two of them, and then the two of them stared at the door in front of them!

The old wooden gate suddenly slammed and cracked with a huge energy...

Then I saw five people wearing black robes standing motionless outside the door.

"Sneak in the dark, there is no way to hell, Buddha and demons are like me, the world is unified!"

The weird sixteen words came out from the mouths of a few people in black robes standing outside, and the voice was like the voice of a dead body in hell. When it was heard in human ears, it made people feel creepy, cold and terrifying. .

Especially the words they read out of their mouths are more like a terrifying curse!

After the terrible and weird voice was pronounced, the expressions of Ruan Zixiong and Heizi in front of them changed instantly...then they knelt directly on the ground with a thump!

What's going on?

Why did Ruan Zixiong and Heizi suddenly kneel down when they heard these sixteen characters, and who were the black robe men in front of them?

Look carefully, but see the four black robe men at the door with cold faces, like dead bodies, everyone is expressionless, cold-blooded and cruel.

And the fifth is a woman who wears inconsistent with her physique! An ugly-looking woman, this woman is very short, with a strange and terrible feeling on her face, those cold eyes seem to have lost their humanity, and they are open coldly there.

Who is she?

What do the sixteen characters just now mean?

In the gates of hell, the declaration of death is just the sixteen words just now! As long as the people at the gate of hell, everyone knows the meaning of the sixteen characters. Because he represents the terrible identity of the master of the gate of hell, so Ruan Zixiong and Hei Zai just now heard the sixteen characters. Not only knelt down together

In other words, who is this ugly and short black-robed woman?

Obviously, this ugly woman is much higher than the other four black-robed men next to her, because she is the only one with so cold eyes, so arrogant, she didn't even look at her kneeling on the ground. Hei Zi and Ruan Zixiong.

If you remember clearly, you must remember that this woman is the sitting servant girl of the master of the gate of hell!

In the gate of hell, the sitting servant girls of the master have a very special and weird identity. They often speak and do things on behalf of the master...So to some extent, the identity of the ugly woman in front of him is far more black than Ruan Zixiong. It's even scary

But how could the servant girl of the master of the gate of \*\*\*\* suddenly arrive in this city of Binjiang?

But after saying that Ruan Zixiong and Heizi knelt down together, they then said in a low voice respectfully: "Subordinates damn, I didn't know that Miss Lan'er was coming, really \*\*\*\* it!" The two said in unison.

But seeing that the ugly woman called Miss Lan'er didn't even look at the two of them, she just made a faint snort in her mouth, and then said nothing, and walked towards the room in front of her.

Ruan Zixiong and the black boy, like a dog, quickly got up from the ground when they saw Miss Lan'er walk in, and then followed in.

In the hall, I saw the master of the \*\*\*\* gate sitting down and the maidservant Lan Er sitting alone in the center, while Ruan Zixiong, the black boy and the people at the \*\*\*\* gate stood far away, with a look of great respect on their faces. .

In the end, it was Ruan Zixiong who spoke first!

He arched his tall and thin body and said, "Miss Lan'er...Why did you come to Binjiang City in person this time?"

The ugly woman called Lan'er raised her mouth slightly, and said coldly: "The master commanded, how can I not come?"

Hearing what the ugly woman said, Ruan Zixiong was shocked.

"I don't know if Miss Lan'er is here this time... Is it to convey the task to us? Or have other instructions?" Ruan Zixiong asked again.

But seeing the ugly woman said slightly, "Is it..."

"However, before that, I will tell you two things on behalf of our sect master!" The ugly woman said suddenly

When Ruan Zixiong and Heizi heard that, they both knelt on the ground, lowered their heads and said, "Subordinates take orders..."

The ugly woman glanced at the two of them, a weird smile appeared on the corner of her mouth, and then said slightly: "The master of the door has Yu, you two were successful in the battle yesterday, so I sent me to send you two for three months. Antidote to the poison of bone-corrupting heart!"

The poison of bone-corrupting heart?

Antidote?

Yes, if you look carefully, you can see that Ruan Zixiong and Heizi have a strange red birthmark on their left arms! That birthmark is the mark of the poison of bone-corrupting heart!

Once the birthmark becomes more and more red, it will become very poisonous, and then the whole body will rot and die...

On the other hand, when Ruan Zixiong and Heizi in front of them heard that this ugly woman was sending an antidote, they let go of their rejoicing, knelt on the ground and thanked, "Thank you, Ms. Lan'er..."

The ugly woman sneered and said, "Receive the medicine!"

Following her words, she saw her slender fingers move without knowing how, and suddenly two porcelain white medicine bottles were thrown from the air...

The tossed porcelain bottle drew a perfect arc in the air, as if someone was holding it, and slowly delivered it to Ruan Zixiong and Heizi.

It can be seen that the sitting servant girl of the \*\*\*\* gate master also has the power of shocking the world.

After the black boy and Ruan Zixiong took the antidote, they were overjoyed!

The two quickly knelt on the ground and couldn't help thanking them! Know that this antidote is their life-saving antidote... Under normal circumstances, only the top masters in the gate of hell, and the person who completes the task can get the antidote... Otherwise, you will definitely suffer from bone corruption. Toxic pain...

Ruan Zixiong once saw a well-known master who died from ulceration due to the onset of bone-corrupting heart poison. That death state can be said to be the most vicious and painful way of death in the world, so Ruan Zixiong is taking it. After the antidote, I was very happy.

However, after the two people got the antidote, the ugly woman suddenly said, "Now it's up to you..."

"Subordinates obey..." Ruan Zixiong and Heizi said in unison.

"The master commanded that within five days, you must take down the heads of Duguxie and the ghost servant." The gloomy words suddenly came out of the ugly woman.

When he heard this ugly woman say this, Ruan Zixiong in front of him not only shook his heart, but he said quickly, "Subordinates take the orders!"

"well!"

"I hope you can help organize this matter as soon as possible..." the ugly woman suddenly said in a weird way.

Heizi next to him said at the moment: "Miss Lan'er, please tell the master, please don't worry... Within five days, we will give Duguxie and the ghost servants their heads."

"Hmph, I hope you can do what you say. If you can't, I believe you should know the terrible consequences." The ugly woman said coldly.

Hearing her say so, the black boy and Ruan Zixiong nodded helplessly at this moment.

After nodding, Ruan Zixiong suddenly couldn't help asking: "Miss Lan'er, did the master tell me about the old yin and yang demon? Don't we monitor the actions of the old yin and yang demon and the mysterious silver-faced man? ?"

Just listen to the ugly woman saying coldly: "The master has made arrangements, so you don't have to worry about these things!"

"Also, I want to tell you... the sect master will personally come to Binjiang City in a few days. This is the third time that the sect master has been born in more than 20 years... I hope you can solve

your immediate problems as soon as possible. ...I definitely don't want to see any trouble blocking our sect master from doing things, do you understand?"

As the ugly woman in front of him said so, Ruan Zixiong and the black boy in front of them were completely taken aback!

My God, the main door is born!

For more than 20 years, for more than 20 years, the master of the gate of \*\*\*\* has almost been born less than three times. He has been in retreat...including most masters in the gate of \*\*\*\* have hardly seen the gate of hell. The true face of the Lord.

Chapter 1614: Mystery note

Could it be said that the master of the gate of \*\*\*\* is really going to be born?

Ruan Zixiong and the black boy in front of them were shocked after hearing the ugly woman say this. Look at me there, and I look at you!

"I have told you everything that I should say, and the next thing depends on how you do it." The ugly woman in front of her said coldly.

Ruan Zixiong and Heizi not only nodded together.

He was finally born.

The horror figure who once killed the evil god, the figure who once dominated the world and enslaved the world master, is now born again, and no one knows what kind of turbulent waves will hang on the whole rivers and lakes at this moment.

The Lord Vengeance was worried about Situ Ningbing every moment of this day!

Because he didn't know if Situ Ningbing was in hiding? Or he was caught by the old yin and yang demon... At this moment, he was walking around in the room uneasily.

Thinking of the terrible nightmare I had yesterday, the current Prince Vengeance is still in a cold sweat.

I don't know how long it took. There was a knock on the door outside. After opening the door, I saw the smiling Buddha and Jiang Dashan standing outside the door.

When seeing these two people, Lord Vengeance was still more relieved, because they were both pretty good to him.

"Master." After opening the door at this moment, I saw that Jiang Dashan and the smiling Buddha not only shouted there.

The Lord Vengeance looked at Jiang Dashan and the smiling Buddha said: "How are your two injuries?"

The smiling Buddha and Jiang Dashan said at this moment: "It's okay."

"It's okay." The Revenge Master said.

"My son, did that \*\*\*\* demon escape yesterday?" Suddenly the smiling Buddha asked at this moment.

The Vengeful Master nodded there with an ugly expression.

"His grandmother, that disheveled monster... It's \*\*\*\*\* fucking. If you have a chance to catch him, you have to teach that bastard." Jiang Dashan grinned and said.

The Lord Vengeance smiled slightly and said nothing.

"It is not easy to catch that demon." Smiling Buddha muttered there.

Jiang Dashan said: "Then \*\*\*\*\* kill our brother...Aren't we taking revenge?"

"revenge,"

"I have blood and deep hatred with that demon! You two don't worry, one day I will get revenge." The Vengeful Master said.

Hearing the words of Lord Vengeance, Jiang Dashan and the smiling Buddha smiled.

"My son, there is nothing wrong with the two of us, just come over and see you... Hey, since it's okay, then both of us will retreat first." Jiang Dashan said aside.

Lord Vengeance nodded, so Na Jiang Dashan retreated with the smiling Buddha in front of him.

In the empty room, only the Vengeful Master was left at this moment.

The Lord Vengeance stayed alone in this room at the moment, looking very boring, and at the same time he couldn't help worrying about Situ Ningbing. After staying for a while, he walked outside alone.

Lord Vengeance walked out of Cuiweiju's restaurant alone, and then went to the bustling street outside, looking at the crowds on the street, his eyes slowly became confused.

The sun was basking on his body warmly, and he stood outside like that.

At this moment, suddenly a naive voice rang from the back of Lord Vengeance.

"uncle....."

After this voice came, Lord Vengeance was not only taken aback, he turned his head, and saw behind him was a 45-year-old girl with a ponytail and a round face. There are also big dazzling eyes looking at him unblinkingly at this moment.

When seeing this cute little girl, Prince Vengeance was not only shocked, and asked: "Little sister, what's wrong?"

I saw the 45-year-old girl stretch out a small white hand, holding a note in her hand, and handed it to Lord Vengeance.

"Uncle, someone told me to give you this." The little girl said there.

Listening to the little girl saying this all of a sudden, Lord Vengeance was taken aback, then frowned at the weird note in the little girl's hand.

what? He not only underlined,

Then he stretched out his hand and took it slowly.

After receiving the hand, Lord Vengeance quickly stretched out his hand and opened it, and after opening it, several horrified fonts appeared in his eyes.

But he said that when Lord Vengeance suddenly saw the weird note, his face suddenly changed dramatically... it became pale and ugly, and then he suddenly turned his head to look at the little girl in front of him.

"Little sister...who gave you this note?" Prince Vengeance asked immediately.

The 45-year-old girl pointed her finger at the corner of the street and said, "It's an uncle over there..."

The Lord Vengeance immediately raised his eyes, but saw that there was no one at the corner of the street in front of him. Then he didn't ask too much, apart from anything else, his body rushed towards that corner.

But when he came here, the place was empty, only occasionally two strange pedestrians walked past him.

What's going on?

Why did Prince Vengeance suddenly look so ugly when he saw this weird note! What happened?

Look carefully at the piece of paper in the hands of Lord Vengeance, but see that a few blood-red words are clearly written on it.

"If you want to save Situ Ningbing, see you in the ruined village tonight."

A few \*\*\*\* and terrifying words appeared on the white piece of white paper, and it was marked on the back of the note: Dragon!

Long?

Long Yin?

This note was conveyed by the demon surnamed Long! !

Holding this note in his hand, Lord Vengeance's entire arm trembled.

"Ningbing was really caught!"

"She has really been caught by the two \*\*\*\* of Old Yin Yang and Long Yin!"

Thinking of this in his heart, Lord Vengeance suddenly panicked.

"Save Ningbing!"

"I want to save Ningbing!" A voice in the Vengeful Young Master's heart called out.

He is now anxious to leave immediately to the ruined village, because he is too worried about his favorite!

He didn't know how much Situ Ningbing had suffered, and he didn't know if the two demon heads tortured her... Now his heart only wants to save Situ Ningbing back.

With an extremely ugly look, Lord Vengeance strode into Cuiweiju like crazy, his heart was painful and messy, he didn't care about anything at the moment, he just thought about Situ Ningbing.

Chapter 1615: he came

When Yun Canghe, who was passing by, saw the ugly face of Lord Vengeance walk in, he was taken aback and couldn't help asking in surprise, "What's wrong with you?"

But Lord Vengeance didn't even pay attention to him, went straight back to his room, and then closed the door tightly with a bang.

Seeing the actions and expressions of Young Master Vengeance, Yun Canghe didn't need to think about it to know that something must have happened! But he didn't dare to disturb the murderous young man of revenge at this moment.

However, after returning to his room, Lord Vengeance kept staring at the \*\*\*\* note in his hand with infinite anger in his eyes!

The terrifying killing intent that emerged from his body enveloped the entire room at this moment.

"Long Yin! Long Yin! You bastard!" The roaring words came out word by word from his mouth.

Then it appeared in his mind that Situ Ningbing had been arrested, and Situ Ningbing had been arrested. These words appeared in the mind of the vengeful master repeatedly like a spell.

The only thing he has to do now is to wait! When it gets dark, no matter what, he will go to save Situ Ningbing.

This afternoon was destined to be the most painful one for Lord Vengeance. Staying in the room was almost restless. No one was more worried about Situ Ningbing than him.

But what about Situ Ningbing?

In the gloomy room, at this moment, she still saw her hands and feet tied with heavy iron chains, and the ecstasy on the other side was still ashamed, insisting, alive...

His blood had solidified, and his whole weak body was leaning against the cold wall, only the inside of his nose was breathing faintly.

Situ Ningbing stared at the dark and damp room with blank eyes. She didn't know if she could escape this time, let alone whether her life would survive this time, but all this was for her. It doesn't matter...because she only pays attention to one person in her heart, that is Li Tian!

She didn't know if what the \*\*\*\* Long Yin said to her was fake?

But she wished that Long Yin told her the truth! Because she really missed Li Tian and wanted him alive, but is he really alive?

"Ning Bing..." Suddenly the ecstasy made a weak cry at this moment.

After Situ Ningbing heard his brother's voice, he quickly turned to look at him.

"Brother..." she shouted distressedly.

I saw that ecstasy crippled body moved slightly, then opened his weak eyes and looked at Situ Ningbing and said, "Ningbing...you have to escape...you must escape... "

"Otherwise...or else... both of us will die here!" Ecstasy said.

Situ Ningbing's beautiful eyes turned red, and she looked at her weak and dying brother and said, "Brother, don't worry, we will not die!"

"Silly girl...Could it be...Do you really believe that someone will come to save us? Hey..." the Ecstasy said desperately.

Situ Ningbing was actually comforting herself!

She knew that almost no one in the world could save her and her brother!

Not only because the people outside didn't even know that she was locked up with the ecstasy here, even if Du Guxie still had his father knew it, what could it be?

There are two world-wide demon guards here, and the yin and yang old demon alone is extremely powerful, and now there is a terrifying and perverted Dragon Yin, let alone!

Therefore, if Situ Ningbing and the Ecstasy wanted to escape from here, it was simply wishful thinking.

"Brother... Do you think Li Tian is really still alive?" Situ Ningbing said suddenly with tears.

Ecstasy, who was weak and leaning against the cold wall, heard his sister's sobbing, and he sighed long without speaking.

"I dream of him every night... dreaming that he is still alive... dreaming that he is walking towards me with a smile..." Situ Ningbing said with tears.

"If he is really alive... that would be great!" said the infatuated Situ Ningbing stupidly.

Ecstasy listened to his sister's words, heartbroken.

"Ningbing... Maybe, you should learn to forget him!"

"After all... he... he is dead," the ecstasy exhorted his sister!

But what about Situ Ningbing?

She immediately denied the ecstasy's words decisively.

"Do not!"

"I can't forget... I will never forget... I love him, even if he is really dead, I love him."

The Ecstasy heard Situ Ningbing say this, and said, "Silly girl...why bother...why torturing yourself like this?"

"Brother, you don't understand! You don't understand the love between me and him."

As Situ Ningbing said, tears dripped from her beautiful eyes.

Hot tears hit the cold ground...

Her love has no regrets!

One afternoon, for many people, it may be just a snap, but for the Vengeful Lord at this moment, it is like a year!

Because he really wanted to save that Situ Ningbing too much.

He didn't even think about everything, he didn't think about his own safety, and the only thing he wanted to do now was to save his favorite her, even if it was death! He is not afraid.

Finally, the whole afternoon was spent in a long period of suffering!

When the sky gradually darkened, Lord Vengeance went directly out of the door in front of him. When the men at the door saw Lord Vengeance walking out with extremely ugly face, they couldn't help but stunned slightly.

Because they could all feel the terrible aura of the son, it was a terrible dark feeling that was swallowed.

However, those subordinates did not dare to speak too much, and could only watch their son leave like this.

The village of ruins is the collective name of the old town of Binjiang City, because after the old town was moved, all the buildings are basically demolished now, and the remaining buildings that have not been demolished are also dangerous buildings and cannot be occupied at all.

Could it be said that the place where the old demon of Yin and Yang and the surnamed dragon has been lurking is in the old city of Binjiang?

After the Lord Vengeance came out of Cuiweiju, he directly called a car and hurried to the old town.

He can't wait to have a pair of wings on his body now, and he can't wait to fly to the old city right away.

The old city is extremely desolate, and there are almost no street lights on the surrounding roads!

Some are just the faint light from inside a house occasionally...

Those high-rise buildings that were half demolished stood upright like monsters in the dark, giving people a gloomy feeling. There were also huge stones and garbage on both sides of the street, piled up there!

At this moment, I saw a night-moving vehicle quickly approaching this gloomy old town.

he came.

Chapter 1616: exchange

In the dark and deserted old city, at this moment, I saw the car coming from the night. .

After reaching the old town, the car stopped, and then a figure walked out of the car. After the figure walked out of the car, the car in the night turned and drove away!

The only person who got out of the car was the only one in the dark old city at this moment.

But who is that person?

Of course it was the revenge young man who came to save Situ Ningbing.

After getting out of the car, Lord Vengeance looked at the dark surroundings coldly, and then after taking a look, he stepped forward and walked forward.

In the desolate night full of dead silence, there was no sound around, the only thing that could be heard was the sound of his foot on the ground.

Damn Long Yin and the old yin and yang demon?

Where are they?

When the Vengeful Master was puzzled, a sly grinning voice suddenly came from the night.

"Unexpectedly you really came."

"Courage... worthy of being the son of an evil god." The voice said with a wicked smile.

Horrible sounds came from all directions in the darkness, and it was impossible to tell from which direction the sound came from.

But what about Lord Vengeance? But he didn't care about his terrifying voice at all, just stood there coldly, and shouted coldly, "Damn Long Yin...you come out!"

Following the roar of Lord Vengeance, a black shadow suddenly appeared out of thin air at this moment, and it suddenly arrived in front of Lord Vengeance.

He stood motionless in front of Lord Vengeance with his straight body, with a terrifying silver mask on his face, and the other half of his face was that of Long Yin.

It is indeed him,

Long Yin really appeared.

After he appeared, he looked at the Vengeful Prince in front of him with a treacherous smile, and at the same time, those cold eyes looked up and down at the Vengeful Prince in front of him, looking at his old face...

"It turns out that you boy borrowed another identity to be born... No wonder... No wonder, everyone thought you were dead, and even I was almost fooled by you." Long Yin suddenly stared at the face of the Vengeful Prince and sneered. .

"Don't tell me, your fake face looks a lot like... If the old demon of Yin and Yang didn't recognize you, I'm afraid I wouldn't recognize you even when I saw you. By the way, I heard that you are now called Master Vengeance ...Haha, I finally understand. No wonder some time ago I heard that some revenge boy appeared. It turned out that that person has always been you! Good boy, you are really cunning!!" Long Yin continued, while saying While smirking,

"Asshole, stop talking nonsense to me and let Ningbing go!" The Vengeful Master suddenly roared.

He couldn't wait to hope that this surnamed Long let go of that Ningbing now.

But what about Long Yin? But he sneered: "Don't worry...what's the rush?"

"The kid surnamed Li, we still have so many accounts to settle..." Long Yin said suddenly.

When Prince Vengeance Li Tian heard this demon Long Yin say so, endless murderous aura burst out all over his body.

"I'll say it again, hurry up and release Ningbing... Otherwise, I will kill you by myself today." Li Tian's anger surged.

The terrible qi surrounding him has become more and more prosperous!

He and this Long Yin have a hatred that cannot be shared with him, so he is angry, he hates.

Na Long Yin also felt the fierce qi emanating from Li Tian, his eyes suddenly changed, and his heart was secretly lined: It seems that this kid has indeed increased his skill after two months of absence! No wonder the yin and yang old demon would lose and be severely injured by him.

"Can you kill me?" Long Yin suddenly sneered.

Li Tian was already furious, his murderous aura was getting heavier and heavier, as if he was about to take a shot immediately.

"The kid surnamed Li, I advise you to curb your murderous aura...or else how much torture your charming little girlfriend might suffer... Hey, you should know what that perverted yin and yang devil is. I can do it all...Hey!" Long Yin said while looking at Li Tian at the moment.

Li Tianye's eyes were red when he heard this Long Yin saying this, and the red one seemed to be bleeding, but he couldn't do it...because his favorite was in his hands! He was afraid that this \*\*\*\* would really kill Situ Ningbing. If Ning Bing really encounters something unfortunate, I am afraid that Li Tian will not forgive himself in his life, so he can only endure... endure! !

Li Tian, who endured the endless anger in his chest, roared at the moment: "You bastard, what do you want to do?"

Long Yin sneered and said, "I don't want to do anything...I just want to make a deal with you." transaction?

Hearing what Long Yin said, Li Tian in front of him gave a squeak in his heart, staring at the man named Long in front of him, and said in his heart: What the \*\*\*\* is this damned \*\*\*\* playing? He wants to make a deal with himself? What deal?

"I want to know if your heavenly book pill scroll is still on your body? If it is, then you can take your little girlfriend away smoothly today... and I only want your heavenly book Pill roll." Long Yin looked at Li Tiandao in front of him with a smile.

When Long Yin suddenly said this, Li Tian finally understood!

It turned out that this \*\*\*\* wanted to be the Heavenly Book Pill scroll among the ancient relics.

"How is it? Is the Heaven Book Pill Scroll among the ancient relics in your hands?" Long Yin suddenly stared at Li Tian in front of him and asked.

Hearing what Long Yin said, Li Tian didn't speak, but just looked around with cold eyes.

"The kid surnamed Li, I advise you to tell the truth honestly...or I will let you see with your own eyes how your little girlfriend died in front of you today." Long Yin said cruelly.

After a few seconds, Li Tian finally spoke.

He raised his blood-red eyes and stared at Long Yin in front of him, and said: "Do you want the Heavenly Book Pill Roll?"

"Yes!" There was already a fever in Long Yin's eyes.

"Is the Tianshu Danju in your hands?" Long Yin asked suddenly excitedly.

But seeing Li Tian glanced at Long Yin and said, "You are right, the Tianshu Danju is indeed on my body."

"Give it to me..." Suddenly, Long Yin's eyes were fierce and excited. It can be seen that this guy really wanted the book pill scroll that day.

But seeing that Li Tian heard this Long Yin saying this, he sneered: "First put the ice on..."

"As long as you release Ningbing, I will give you the Heavenly Book Pill Roll." Li Tiandao.

Long Yin's treacherous eyes rolled, and he smiled and said: "How do I believe that you have a heavenly book pill scroll?"

Chapter 1617: Vicious words

Li Tiandao: "Whether you believe it or not!"

As Li Tian said so coldly, that Long Yin groaned.

"it is good!"

"I promise you... I will take you to see your little girlfriend now..."

"But, if you let me know that you dare to lie to me... I will let you and your girlfriend all die here today, and I will let the old Yin Yang demon dig out her heart alive, hehe."

Accompanied by Long Yin's extremely cruel sneer, Long Yin in front of him suddenly turned and walked towards the black street in front.

Li Tian followed him closely, and while walking, he looked around the surrounding situation with his eyes, and at the same time kept thinking of various ways in his mind to deal with the situation today.

Now Li Tian didn't know what was going on with Situ Ningbing, and he didn't even know if she was injured... His heart was just worried and distressed.

Finally, Long Yin took Li Tian to a house that looked like deserted.

When I walked into the desolate courtyard, I saw weeds and \*\*\*\*\* all over the courtyard, and in the middle room there was a dim light bulb emitting a slight light.

The moment Long Yin brought Li Tian in front of him, a gloomy energy suddenly attacked from Li Tian's back.

"I killed you!"

A terrible ghost shout also roared from the mouth of the figure in the darkness.

Just as this horrible blow came towards Li Tian, Li Tian was in danger, his footsteps flashed suddenly, and then he lifted his breath all over his body, and hit the terrifying figure in the dark with a mighty palm of his right hand!

Two palms struck each other, and there was a violent bang... and then I saw the guy in the dark suddenly retreat!

And Li Tian was also shocked by the sudden attack palm. He took a step back and looked at the guy in front of him with his eyes raised, but he saw his disheveled hair, a pair of \*\*\*\* and violent eyes staring at him.

Yin and Yang old demon!

It turned out to be this demon!

The old demon of Yin and Yang was severely injured by Li Tian's Ten Jue Sword Qi before, and his heart was full of hatred, so now that he saw Li Tian just appearing, he wanted to slap Li Tian alive and well.

"Yin and Yang Old Demon?" Li Tian screamed in surprise.

But seeing Long Yin on the other side was as if watching a good show, with both hands reciprocating, sneered at the duel between the two.

The yin and yang old demon was enveloped in darkness, his face was pale and ugly, coupled with the image of a disheveled, at this moment, like a ghost in hell, staring at Li Tian with a pair of devouring eyes.

"You \*\*\*\* kid... I hurt me last time. Today, I must eat your flesh and dig your heart!"

Accompanied by the yin and yang old demon's sharp roar, his claws suddenly grabbed Li Tian in terror.

When Ghost Claw was grabbing towards Li Tian, Li Tianyun was full of vigor, and then stretched out his hand to block.

After blocking the terrifying blow of the old Yin and Yang demon with both hands, then the left hand backhand was a palm attack. The old Yin and Yang demon did not dare to take Li Tian's palm, his body suddenly retreated.

Li Tian then used Xuantian's fingering, and the sound of breaking wind's fingers swish like a bullet at the old Yin and Yang demon.

The old devil Yin Yang avoided Li Tian's \*\*\*\* like a ghost, and then roared, attacking Li Tian like a dark hurricane.

Li Tian didn't evade or retreat at this moment, yelling, the moment his palms lifted his true energy, the strength of the universe filled his body, and the whole body seemed to be enveloped by golden light.

Even Long Yin in one place not only frowned slightly when he saw Li Tian's aura suddenly changed.

"This...what is this technique?" Long Yin murmured there.

His words just fell, I saw that the hurricane-like dark figure of the yin-yang old demon swept toward the Li Tian, Li Tian flipped his hands, and the endless vigor that emerged from his palm slammed toward the old yin-yang demon The body hit like a hurricane.

The collision of strength seemed to completely tear the surrounding air, but after hearing a loud bang... Then I saw the body of the old demon of Yin and Yang was instantly shaken by that

terrifying internal power of Li Tian. Take a few steps back...Each step makes a deep footprint on the ground.

What about Li Tian? He stood there motionless.

That old yin and yang demon fruit is no longer Li Tian's opponent!

His face was pale and ugly, and the yin and yang old demon with a completely distorted face roared with endless hatred...

"Old monster...you are not this kid's opponent! Don't waste your effort." Long Yin suddenly sneered on the side.

The yin and yang old devilish man seemed to be going crazy, screaming there, but at the moment he didn't make any more moves.

Long Yin turned his head slightly to look at Li Tian in front of him and said slightly: "The kid surnamed Li... I didn't expect to see you in two months... You learned such a high level of martial arts, it is really rare, rare. "

"Can you tell me what kung fu you are using?" Long Yin smiled wickedly while looking at Li Tian in front of him.

Li Tian glanced at him coldly and said, "Don't talk nonsense... or take me to see Ningbing."

When Long Yin heard Li Tian say this, he burst into laughter immediately.

"Ok!"

"Since you don't want to say, I won't ask more."

Long Yin said as he walked towards that simple room.

The dim light inside was still swaying...with a very strange aura.

After Li Tian walked in, he saw that Long Yin turned his head and said to him: "You wait here first, I will call your little girlfriend out immediately, haha."

Following Long Yin's words, he suddenly turned and quickly swept towards a hidden door on the side.

And Li Tian stayed in the room with the old yin and yang demon with the disheveled hair.

The old yin and yang demon glared at Li Tian with those \*\*\*\* and terrifying eyes from beginning to end... He couldn't help screaming in a low voice, but he did not dare to fight Li Tian again.

Li Tian didn't bother to talk to this demon again, because the only thing he wanted to do now was to save Ningbing!

As long as Situ Ningbing can be rescued, everything will be resolved.

"Boy, do you think you can leave here alive today?"

"You will die, you must die here..."

"At that time, I will eat your people alive, I will gouge your eyes, cut your throat, and I will take all your intestines out of your belly."

"Not only will I eat you, but I will also eat your women together...hehe."

...

Outside, the old yin and yang demon kept stimulating Li Tian with words.

Chapter 1618: Intimidate

But if Li Tianzhi heard on the Internet, he didn't even look at the old yin and yang demon. The only thing he cares about now is his favorite.

But what about Long Yin?

After Long Yin arrived in the dark room, he saw that Situ Ningbing and the Ecstasy Fruit were really lying on the ground... Situ Ningbing's hair was a little messy, and the beautiful face was also paler, and the Ecstasy next to him It seemed as if he had fainted halfway through, lying motionless with blood stains there.

After Na Long Yin walked in, Na Situ Ningbing saw him all at once.

When she saw this Long Yin walking towards her step by step with a treacherous smile, Situ Ningbing was immediately shocked.

"You...what do you want to do?" Situ Ningbing said in surprise.

I saw that Long Yin suddenly stretched out a hand to grab Situ Ningbing, sneered there and said, "Take you out to let the wind out!"

"Also, your man is here to rescue you... he is outside." Long Yin said as he grabbed Situ Ningbing and walked out.

When Situ Ningbing heard this Long Yin saying this, he was not only taken aback, what man? But he still couldn't help struggling physically, cursing, "You bastard, let me go... let me go..."

At this time, the ecstasy on the other side also woke up from the coma. When he saw that Long Yin grabbed his sister, his eyes were red with blood and his body was struggling to rush to rescue that Situ Ningbing...

"Let go of me... sister... let go of her..."

"You bastard..." The ecstasy used the last bit of strength and grabbed Long Yin's leg with his left hand... trying to stop him.

But how can he stop Long Yin now? Long Yin snorted coldly, kicked on the chest of the ecstasy in front of him, and screamed, the body that had been kicked directly by the ecstasy flew backwards, and fell on the cold ground with a plop.

"Brother..." Situ Ningbing shouted out heartily.

But that Long Yin had already caught her, and at this moment he suddenly lifted Situ Ningbing and walked outside.

And what about the ecstasy? With blood in his mouth, his body trembling convulsively on the ground, he was in pain, he was angry, but he couldn't do anything.

But he said that Li Tian outside was still waiting, eager to see his favorite.

Finally at this time, he slightly heard the struggling yelling.

After listening to that voice carefully, Li Tian was stunned.

"Ningbing... is it really Ningbing?"

Excited in his heart, he ran to the side, and at the same time exclaimed: Ningbing...

Just when he wanted to go to the dark room, the old demon of Yin and Yang suddenly swept over.

"stop!"

He stood in the door of the dark room and said.

Li Tian was full of murderous intent at this moment, glaring at the old Yin Yang demon in front of him.

"Devil, get away, if you stop me again, I will kill you first today." Li Tian roared.

The yin and yang old demon was waiting to speak, only to see that Long Yin's figure had flashed out at this moment.

"The kid surnamed Li, look, who's here?" With the voice of Long Yin's treacherous smile, he suddenly grabbed the neck of Situ Ningbing and flashed out of the dark room.

At this moment, Situ Ningbing was pinched by Long Yin's neck with one hand... The whole pretty face became pale and ugly... Struggling there.

"Ningbing!!!" Li Tian exclaimed suddenly.

At the same time, he stepped suddenly and wanted to walk over.

But that Long Yin suddenly said: "Don't come... if you want to come one step further, I'll squeeze her throat." He said, smiling evilly.

What about Li Tian? At this moment, I can only watch my favorite with heartache!

His eyes were red and blood red, and his whole body trembled violently due to excessive anger.

Looking sadly at his favorite: Ningbing...Ningbing...

But what about Situ Ningbing who said this? See him in front of you?

"Prince Revenge..." she cried out unbelievably!

Then a hundred questions flashed in my heart...

How come this Vengeful Lord appears here?

Why would he call himself frozen...

And why is his voice so familiar?

...

All the questions came to Situ Ningbing's heart at this moment, she stared at him stupidly in front of him with a pair of unbelievable eyes.

"Haha, it turns out that even your woman doesn't know who you are? It seems that you did hide deep enough." Suddenly Long Yin laughed when he heard Situ Ningbing call out a vengeance son.

"The kid surnamed Li, are you still unwilling to reveal your true face of Lushan?" Long Yin said suddenly.

As Long Yin said this, Situ Ningbing, who was being held by him, suddenly felt a little choked.

Li's kid?

What is Long Yin talking about?

Could it be that he...he...he is Li Tian? Situ Ningbing looked at the "Prince Revenge" in front of him with his eyes wide open.

But what about Li Tian?

He was finally about to reveal his true face. He looked at Situ Ningbing who was stunned in front of him. Suddenly he stretched out a hand on his face, then stretched out his hand and pulled, and a handsome young face appeared on Situ Ningbing. In the eyes.

He is more handsome than before, and his breath is more masculine.

He is Li Tian!

Li Tian?

When Li Tian's true face appeared, Situ Ningbing was completely stunned and horrified.

"Li...Li...Li Tian?"

"Really...really it's you...are you alive?" Situ Ningbing murmured as she dreamed.

But seeing Li Tian in front of him looking at his lover, his eyes turned red.

"Ningbing, it's me, it's me, I'm alive." He said excitedly there.

What about Situ Ningbing? At this moment, I don't know if it was shock, or why... I stayed there completely dumbfounded, looking at him who he was thinking about without blinking.

"How could this be?"

"How could this be,"

"I thought... I thought... you are dead..." Situ Ningbing said in pain.

But seeing that at that moment, Long Yin suddenly laughed wildly at Situ Ningbing in front of him and said, "Now you know what I said to you, it's not fake!"

"It is said that this kid named Li wants to use fake death to lie to us... It can be said that he is very scheming. He named Master Vengeance to revenge... Tsk tsk, but I think all your plans are in vain.

Listening to Long Yin's wild laugh in front of him, Li Tian yelled angrily: "Asshole, let go of Ningbing."

"Let her go!"

With a roar, he wanted to go and save Situ Ningbing.

When Na Long Yin saw that he wanted to come and save Situ Ningbing, he immediately pinched Situ Ningbing's neck in front of him, and said coldly, "Boy, if you dare to take a step forward, I will let her die. !"

Chapter 1619: you go first

Situ Ningbing's pinched pretty face paled, asphyxiated.

Li Tian endured the anger in his heart, but dared not take a step forward.

Those bloodshot eyes looked at Long Yin in front of him like crazy: "What do you want? How do you want to let her go?"

Just listen to that Long Yin laughed wildly: "Didn't I already say it?"

"Give me the Celestial Book Pill scroll from the ancient relics. As long as you give it to me, I will release her immediately."

After Long Yin finished so treacherously, Li Tian didn't say anything. He directly took out the Heavenly Book Pill scroll that had always been on him from his arms, for the sake of Situ Ningbing, it seemed that Li Tian didn't care about anything! Not to mention it is a heavenly book pill scroll, even if it is his own life, it is estimated that Li Tian will change it.

When Li Tian escaped from the Heavenly Book Pill Scroll, Long Yin's eyes became hot.

His eyes stared with excitement at the heavenly book pill scroll in Li Tian's hand.

"Give it to me..." Suddenly, Long Yin yelled, and he wanted to reach out.

But how could Li Tian just give him the Heavenly Book Pill scroll?

I saw Li Tian coldly looking at Long Yin in front of him and said, "As long as you let go of the ice, I will give you the Heavenly Book Pill Roll!"

"You give me the Heavenly Book Pill scroll first, and I will let her go..." Long Yin said evilly.

"Do not!"

"You release people first." Li Tian insisted.

Na Long Yin wanted to get the Book Pill Scroll of that day, because he knew that there were peerless secrets hidden in the Book Pill Scroll, and now that secret book was in front of him, how could he not want it?

Originally, he was dismissive of small characters like Situ Ningbing. Now that Li Tian insisted on saying this, he saw Long Yin suddenly smirk and said, "Okay!"

"Then we will hand in the book with one hand, and I will let go!"

Listening to Long Yin saying this, Li Tian knew that this was the only way so far, so he had to nod his head coldly.

Then, he took a deep look at his lover... I saw Situ Ningbing's beautiful eyes with tears of excitement watching her... She became thinner, and she became haggard after such a long time. Li Tian couldn't help his heartache when he saw her haggard, her favorite.

The exchange has begun!

Li Tian held his Heavenly Book Pill Scroll in his hand, and then slowly stepped forward.

And what about Long Yin? It was Situ Ningbing's neck cruelly with one hand, and at the same time, he slowly walked towards Li Tian.

Neither of them dared to be careless.

Finally, they came together.

Li Tian slowly stretched out his hand and then handed it to the book that day, while at the same time, Long Yin slowly let go of Situ Ningbing in front of him...

One second, two seconds...

Finally Li Tian grabbed Situ Ningbing's delicate hand!

And what about Long Yin? Also caught the Heaven Book Pill scroll he had always wanted.

The exchange is complete!

At the moment when Li Tian grabbed his beloved Situ Ningbing's slender hand, that Long Yin also got the Heavenly Book Pill Scroll at the same time.

A loud shout suddenly came out from the old Yin Yang demon on the side.

"go to hell!"

The violent roar suddenly attacked from behind Li Tian...

No one thought that at this moment, the old yin and yang demon would suddenly kill!

And his target is clearly that Situ Ningbing, he wants to kill Situ Ningbing?

Old Demon Yin and Yang knew that he was not Li Tian's opponent, so he aimed his blow at that Situ Ningbing. He wanted to kill Li Tian's favorite alive under the palm of his poison, because in that case, he would see Li Tiansheng is not as good as dead alive.

Situ Ningbing saw the surging palm strength on his back attacking him, but he couldn't avoid it at all. There was no way, the old yin and yang demon's shot was too fast! There was no chance for her to react quickly.

Seeing that Situ Ningbing was about to be shot to death by the old yin and yang demon, Li Tian suddenly embraced Situ Ningbing in front of him with both hands, and then used his own flesh and blood body. Stop the terrifying blow of the old yin and yang demon!

With a loud bang, the deadly poisonous palm of the yin and yang old demon hit Li Tian's back hard.

Li Tian was holding Situ Ningbing in his arms and was shocked by the force of his palms and flew backwards, bleeding from his mouth.

Then the two fell heavily to the ground.

"Li Tian!" Situ Ningbing yelled in horror as he watched his lover take a palm for him.

But seeing Li Tian's face pale and falling to the ground... the corners of his mouth were covered with scarlet blood, and at the same time the entire chest was uncontrollably rising and falling. It can be seen that the horrible blow of the old Yin and Yang demon really hurt Li Tian just now .

"Li Tian, how are you?"

"Don't scare me..." Situ Ningbing shouted in distress while holding Li Tian in tears.

But seeing Li Tian slightly raised his hand to wipe the blood on the corner of his mouth, resisting the hot tingling in his chest, looking at Situ Ningbing in front of him, said with compassion, "Don't worry, Ningbing, I'm fine."

He stood up stubbornly as he said, but obviously his body couldn't help shaking...

Li Tianyun's body was strong enough to suppress the undulating blood, and then slightly protected the injured chest, and then took a step forward and blocked Situ Ningbing with his whole body, his eyes were blood-red and he looked at the old Yin Yang demon and Long Yin in front of him. .

"Damn boy, see where you are running today!" Old Demon Yin Yang stared at Li Tian before him with a venomous smile on his face.

And what about Long Yin? Since getting the Heavenly Book Pill Scroll that he has obtained, he can't help but raise his fiery eyes while looking at the Heavenly Book Pill Scroll in his hand.

After watching for a while, he suddenly turned his head around, looked at Li Tian and smiled evilly.

Li Tian knew he was in trouble today! Because he is about to face two masters.

After feeling that he was in danger, Li Tian whispered to Situ Ningbing behind him: "Ningbing, promise me one thing..." Suddenly Li Tiandao said.

Situ Ningbing was slightly startled when Li Tian said this, raising her beautiful eyes and looking at him.

"Promise me...no matter what happens to me, you will leave here alive!"

"Wait a minute, I will stop these two monsters, you take the opportunity to escape!!!" Li Tian said there.

He knew that in today's battle, it would be difficult for him to resist the two monsters in front of him, so now his only idea is to let Situ Ningbing escape.

But why is Situ Ningbing willing to escape? After hearing Li Tian say this, she shook her head suddenly.

"No! No, I won't go!"

"I want to be with you..." Situ Ningbing said.

Li Tian held Situ Ningbing's hand tightly and said, "Fool, only if you go first can I have a chance to escape from here."

Listening to what Li Tian said, Situ Ningbing certainly understood what his words meant.

First, her martial arts are simply not enough to help Li Tian deal with the two monsters in front of him.

Second, if Ningbing was here, Li Tian could not devote himself to the battle, and it would indirectly drag Li Tian, so Situ Ningbing had to leave first.

Chapter 1620: Life and death

After Situ Ningbing thought this way, she finally nodded with endless grief.

"But I want to save my brother." Situ Ningbing said with red eyes suddenly.

Upon hearing Situ Ningbing's words, Li Tian suddenly became depressed.

"Your brother? Ecstasy? Is he also caught?" Li Tian asked with a frown.

Situ Ningbing nodded there and said, "My brother was seriously injured and is currently trapped in the dark room..."

Li Tian didn't expect it to be like this? It turns out that both Ningbing and the Ecstasy were caught by the demon!

Taking a look at his beloved Ningbing, Li Tian finally nodded helplessly and said: "Okay...but you have to pay attention to your safety! Leave these two monsters to me."

After Li Tian finished saying this, Situ Ningbing looked at her favorite stupidly. Suddenly, at that moment, Situ Ningbing hugged Li Tian tightly in front of her, and she hugged him tightly. .

The moment Situ Ningbing with red eyes hugged Li Tian, she leaned against his ear and said with red eyes, "Promise me, I must live... I must be with me."

After Situ Ningbing uttered these words in tears, Li Tian nodded deeply, and then Situ Ningbing in front of him gave Li Tian a last look, then suddenly turned and ran towards the dark room with the Ecstasy. Go to save his seriously injured brother.

The old yin and yang demon here saw that Situ Ningbing ran into the dark room, and immediately flew to pursue it.

"Want to run?" The yin and yang old demon who roared out of his hand struck him.

But seeing Li Tian suddenly shouted, his body style was like a mad dragon, sweeping the yin and yang old demon in front of him.

"The Devil..."

With a bang, Li Tianqiankun's vast true energy was like the sea, and the strength of the waves attacked the yin and yang old demon.

Of course, the old yin and yang demon could not withstand Li Tian's horrible palm, his body flew back abruptly, and after flying out quickly, he took a few steps back before holding his footsteps. Li Tian's vast palms throbbed.

"Devil, today's battle is either you or me!" Li Tian suddenly roared with terrible murderous intent.

His eyes have become violent and cruel... The terrible murderous intent that exudes from his whole body has completely suppressed the old Yin and Yang demon in front of him.

The old yin and yang demon roared in his mouth at this moment and stopped making moves. I wonder if it was because he didn't dare? It's because he was looking for an opportunity.

"Come on." Li Tian yelled furiously.

But the yin and yang old demon didn't dare to go up like a tortoise with a shrunken head, just glaring at Li Tian with his eyes that were like eating people.

Long Yin, who had not had an exit, suddenly stood up at this moment.

He looked at Li Tian in front of him with a sly smile on his face.

"The kid surnamed Li... don't make it difficult for this old monster."

"Hey, you should leave it to me to clean up." Long Yin said as he walked over.

He is finally about to make a move, this terrifyingly abnormal Long Yin is really going to fight Li Tianjue to the death.

At this moment, Li Tian slowly turned his eyes and glared at Long Yin in front of him. He also knew in his heart that his biggest enemy was the perverted guy in front of him, and it was him Long Yin.

"Back then, I abolished the legs and hands of the Heretic God, hehe, now, if I kill you again, I must finally reunite you father and son." Long Yin said with a wicked smile.

Yes, in the battle of the gates of hell, the evil god's hands and feet were broken, and it was the most vicious dragon in front of him who did it!

Now, when he heard him say this, Li Tian's whole person seemed crazy.

"Asshole, I am going to avenge my father today, and I want to pay the blood of your dragon."

That Long Yin laughed wildly: "Vengeance?"

"Then I want to see if you have this capability."

Following Long Yin's roar, his body suddenly flashed in front of Li Tian like a ghost, and then a hand suddenly grabbed Li Tian's face, so fast that he couldn't see it with the naked eye. .

Li Tian took a wrong step back, and the real energy of his body suddenly enveloped his whole body, and then his right hand quickly blocked. ,

In less than ten seconds, the two had each attacked each other more than 20 moves.

All moves are peerless martial arts.

And the old demon of Yin and Yang stood on the side all the time, he didn't help anyone, just raised his gloomy eyes to observe the situation in front of him.

After hearing a loud shout, Long Yin swept towards Li Tian with a whirlwind leg.

Li Tianshan stepped back, palms on his chest, and quickly attacked two palms. With a wave of Long Yin's arm, an invisible energy emanated from his arm, and then he gave Li Tian's palm energy to all Resolved.

After seeing that his strong palm strength was silently resolved by this dragon, Li Tian was taken aback, and then he quickly retreated.

"Why is this Dragon Yin so powerful? It's so much higher than the old demon of Yin and Yang?" Li Tian said secretly while facing the enemy.

Of course he didn't know the degree of abnormality of Long Yin's strength!

After sucking the five masters, Long Yin is slowly digesting the strength of the five masters. Now Long Yin can be said to be super abnormal!

After all, every master who was sucked by him with the magic absorption method is a demon-level character who has been famous for decades. Now those people's decades of strong internal strength

are all poured into Long Yin's body, and you can imagine the present How abnormal is Long Yin's strength!

However, when Li Tian was fighting this Long Yin, Situ Ningbing had already sneaked into the dark room at this moment.

The badly injured Ecstasy lying inside was still lying dying.

"Brother..." Situ Ningbing who ran in called out immediately.

After she yelled out, the ecstasy suddenly woke up from the coma, and looked at Situ Ningbing before him with his weak eyes in disbelief.

"Ningbing...you...you...?" The Ecstasy was full of surprise, especially when he saw that Situ Ningbing who ran in was not bound at all, he was even more puzzled.

"Why...how... escaped?" Ecstasy asked incredulously.

But seeing Situ Ningbing hurriedly running towards her, she said, "Li Tian has come to save us." what?

After Li Tian uttered the words, the ecstasy was completely stunned.

"Li... Li Tian? He... he... alive?" The Ecstasy looked at Situ Ningbing in disbelief and asked.

But seeing Situ Ningbing in front of him quickly nodded there, and then helped the Ecstasy to unlock the iron chain on his body.

The ecstasy was completely in the dream world, completely stunned.

With those eyes that I could not believe, he muttered in that: Is he alive? Li Tianzhen is still alive? Gosh... it's incredible.

"Brother, it's too late, I don't have time to explain so much to you... Now I have to take you out of here." Situ Ningbing helped her brother untie the iron chain on her body, and while supporting her weak body. Said the ecstasy of blood.
