

A Killer 2031

Chapter 2031: not worried

"Big brother, why are you with Qiaozhi and the others? When were you born? In the past twenty years, where are you, big brother?" At this moment, Baihua Fairy has too many questions to ask the person in front of him. Cthulhu.

But what about Cthulhu?

The fairy Baihua said to the face in front of him: "Sanmei, let me tell you these things slowly in the future."

Fairy Baihua nodded after hearing the evil ***** say this.

"How about the second brother and the fourth brother? How about them? I want to see them?" Just listen to the evil ***** at the moment asking.

His heart is looking forward to seeing that Duguxie and the ghost servant.

After all, those two are also the best brothers of Cthulhu.

When the Cthulhu suddenly asked the Duguxie and the ghost servant, the pretty face of the fairy Baihua suddenly became sad.

When the Cthulhu saw the pretty face of Baihua Fairy suddenly change, he couldn't help but asked in confusion, "Sanmei, what's wrong? Did something happen?"

Fairy Baihua was full of self-blame on her pretty face, and said there, "Big brother, it's all my fault, I didn't take care of my second and fourth brothers!"

"An hour ago, the second and fourth brothers were kidnapped by the black shadow old man." Fairy Baihua then told all the terrible things an hour ago.

The Cthulhu in front of him was stunned when he heard Fairy Baihua say this.

"what?"

"The old man broke into the North China Field Army and robbed the Dugu and the ghost servants?" Cthulhu asked in disbelief.

Just listen to Fairy Baihua saying: "Yes."

"At that time, I was wiping my hands and feet with my second and fourth brothers, and suddenly felt the surging energy coming, so I rushed out to check the situation, but I never expected that the old man was extremely terrifying. The son arrived in the room... I didn't even react. The old man directly grabbed the second brother and the fourth brother and drove away. I wanted to stop it, but unfortunately the old man's skill was too great. I've never seen such a high level of martial arts in the world. He didn't even turn his head back at the time. He directly dispelled my celestial daughter by dispersing flowers, and then hijacked the second brother and the fourth brother. That way, when I think about chasing him, the old man's body has disappeared under the sky and the earth with two ups and downs."

As Fairy Baihua said so, the evil ***** and the brothers in front of him were all shocked here.

It turns out that Duguxie and the ghost servant were hijacked like this!

And it was hijacked by a very skilled old man.

After Cthulhu heard this, his eyes suddenly brightened.

He knows how his third younger sister's martial arts... and he knows the power of Baihua Fairy to mobilize the goddess to disperse flowers. A person can drag two people with both hands, and with his back to Baihua Fairy, he directly resolves Baihua Fairy's unique skills. How can anyone in the world have this ability?

Except for the old Wuji, maybe he is the only one.

Cthulhu thought of him directly in his mind.

"Could it be him? Could it be that he took away the second and fourth brothers?" The evil **** in front of him suddenly muttered to himself.

I saw Fairy Baihua in front of him suddenly stunned after hearing the murmur of the Cthulhu.

"Brother, do you know who kidnapped the second and fourth brothers?" Fairy Baihua asked in disbelief.

But seeing Cthulhu thought for a while and said: "Maybe..."

"I only know that there can be people with such profound skills in the world. So far, there are only two people!"

"One of them is my master Wuji, and the second is him." Cthulhu Dao in front of him.

When the fairy Baihua heard that the shock was there, the brothers were all shocked. They only now know that the legendary old man is the master of the evil god?

No wonder Cthulhu's skill can dominate the world! !

It turns out that everything is like this!

Just listen to the fairy Baihua said: "Big Brother, then you mean that Senior Wuji took away the second and fourth brothers, right?"

The Cthulhu stood there and shook his head silently and said, "No, it can't be my master! Master and his old man have closed down under the Tianshan Ice Cave..."

"There is only one person who is possible..." Cthulhu said.

Fairy Baihua asked, "Who?"

"Kui!" a weird name came out of Cthulhu's mouth.

Brothers and the fairy Baihua, when they heard the name "Kui", not only felt a coolness rushing up from his body instantly.

Kui?

Who is Kuai?

They certainly don't know the name.

The fairy Baihua couldn't help but curiously asked, "Big Brother, who is Kui? Why is this guy kidnapping the second and fourth brothers?"

After Fairy Baihua said so, Cthulhu said: "Sanmei, that Kui is a senior in the first generation...Don't be insulted by words!"

Hearing this evil ***** said, Fairy Baihua was taken aback, but nodded there anyway.

"I listen to Big Brother." Fairy Baihua said.

He only listened to the evil ***** and said: "If Senior Kui really took away the second and fourth brothers, I believe that this must be a good thing."

"Good thing?" Fairy Baihua was confused for a moment.

The character named Kui hijacked Duguxie and the ghost servants? Still a good thing?

"Brother, I didn't understand your words." Just listen to the fairy Baihua in front of you.

Just listen to the evil ***** laughing and saying: "Sanmei, there are some things you may not know. Senior Na Kui is an expert in the first generation... I believe that there must be other reasons for taking away the second and fourth brothers, but it is not the main reason. they."

"If Senior Kui wants to kill, I am afraid that no one can stop it...I am afraid that even my Master Wuji can't stop it. Of course Senior Kui won't do it again, and will take away the second and fourth brothers. "The Cthulhu Road in front of you.

After hearing the words of Cthulhu, Fairy Baihua in front of her was completely stunned!

what?

Even Wuji can't stop Na Kui? Does this mean that even the old Wuji who has lived for nearly three hundred years in the legend can't defeat Kui?

My God, what kind of enchanting character is Kuai?

At this moment, not only the fairy Baihua in front of him was completely astonished, but even the brothers were all dumbfounded.

They originally thought that Cthulhu's skill was enough to overwhelm the world, but then they discovered that Old Man Wuji... and now? Suddenly another Kui appeared?

What kind of legend is that strangely named Kui-sen? The brothers are all wondering curiously.

After hearing the evil ***** say this, Fairy Baihua could finally let out a sigh of self-blame.

I saw her saying there, "If it's like what the big brother said, then I can rest assured..."

Cthulhu said: "Second sister, don't worry...the second and fourth brothers will never be okay."

Chapter 2032: The sadness of Fairy Baihua

After hearing the evil ***** say so, everyone can finally rest assured.

After all, judging from the current analysis, the lives of Dugu and the ghost servant will never be in danger. On the contrary, the two of them may be a blessing in disguise.

After Baihua Fairy recognized the evil god, she was also very excited.

After decades of friendship, now they finally get together, of course they are happy and excited.

"Brother, you should see Tian'er, right?"

"He looks exactly like you...just like the older brother when he was young."

"Furthermore, Tian'er has grown up now, and the skill and attainments are completely beyond our expectations..." Fairy Baihua smiled at the Cthulhu Dao in front of him.

When Cthulhu heard Fairy Baihua mention Li Tian, his face instantly became a bit bitter and ugly.

Where are the brothers on one side? Can't help but lower his head sadly at this moment.

Fairy Baihua stunned for a moment after noticing the weird expressions of the evil ***** and the brothers.

"Big brother? What's the matter with you?" Baihua Fairy couldn't help asking.

After Baihua Fairy asked in surprise, the evil ***** in front of him slowly raised his eyes, glanced at Baihua Fairy in front of him, and said, "Sanmei, I have seen Tian'er."

"Then...then...why is the big brother so unhappy?" Fairy Baihua asked extremely puzzled.

After Fairy Baihua said so, she suddenly remembered, why didn't Tian'er come back this time? Why did Chen Qiaozhi and the others come back? And what about Jiang Dashan and Situ Xuan? Just now because of excessive excitement and the Cthulhu's gathering, the Baihua Fairy almost ignored Li Tian. After suddenly remembering it, he quickly asked, "Big Brother, Tian'er? Since Big Brother has already seen Tian'er, why is he still? did not return?"

After Fairy Baihua asked, there was a slight sadness on Cthulhu's face.

The sadness was obvious. The Fairy Baihua in front of her saw it at a glance. After seeing the sad expression on the Cthulhu's face, her heart suddenly thumped, and an extremely bad premonition instantly surged from her body.

"Big Brother?" Fairy Baihua shouted in shock.

I saw the sad face of Cthulhu slowly turning around.

"Something happened in Tian'er!" Just like that, a sentence came out of the Cthulhu's mouth.

After Cthulhu said so suddenly, the fairy Baihua in front of him was stunned for a moment! shocked.

"Big brother... Tian'er... Tian'er? What happened?" The fairy Baihua in front of her was unbelievably horrified, her heart throbbing and throbbing, looking at the evil ***** in front of her. .

The evil ***** in front of him sighed deeply sadly.

Then I explained everything that happened in Binjiang City during this time.

The Cthulhu told the vampire matter, the key of fate, and the devil dragon Yin.

Finally, Li Tian spoke out all about the vampire and the demon-headed Long Yin.

The Fairy Baihua in front of him was already stunned when he heard the "vampire", especially when he heard Li Tian's last ***** fight against the vampire, he was even more stunned.

"Big brother...you said...you said... Tian'er was bitten by a vampire? He's dying?" When the fairy Baihua in front of her heard it, she trembled in horror.

But seeing the Cthulhu said: "Tian'er is very dangerous now, but I believe that Mary should heal Li Tian."

"How could this happen? How could such a thing happen?" The fairy Baihua was there suddenly. There were tears of pain in her beautiful eyes, and she seemed to be stupid.

She can say that apart from Li Tian's parents, she is the person who loves Li Tian the most!

Now when she hears this bad news, how can she not feel sad? Especially now that Li Tian is unclear about his life and death, and he may become a dark monster.

"Sanmei, Tian'er will be fine." The evil ***** persuaded Fairy Baihua in front of him.

Fairy Baihua said with tears in her beautiful eyes: "Brother, but I am worried...I am worried about Tianer..."

"Big brother, you said Tian'er went to a foreign country now... to Italy? Is he safe alone? Is the woman named Mary reliable? What if something happens?" Fairy Baihua was obviously a little worried Then Li Tian.

The Cthulhu couldn't help sighing long after hearing the words of Fairy Baihua.

Hey.

"Sanmei, in fact, why don't I worry about what you said? But now, I can't help it... At present, there is only one way to save Tianer. Even if I am worried, what can I do? "

After hearing this, Fairy Baihua also stayed there blankly.

"However, Sanmei, don't worry, I believe in Tianer."

"Moreover, the reason why I was born this time is to find you and your second and fourth brothers. I want to take you to Italy with me." Cthulhu said.

To Italy?

Cthulhu actually wants to take his three brothers and sisters to Italy?

"Big brother, do you mean, let's go to Italy too?" Baihua Fairy was suddenly excited.

But seeing Cthulhu said: "Yes."

"Fool, how can I rest assured that Tian'er is alone in another country?" Cthulhu murmured.

The love between father and son is deep, no one will leave his own son in a strange country!

"This time, I'm going to take you to Italy. Even if there is Longtan and Tiger's Den, we have to smooth it... and bring Tian'er back safely." The evil ***** in front of him said with a mighty domineering voice.

Listening to the evil ***** saying so and so, the fairy Baihua in front of him nodded vigorously and said: "Good, good, good,"

"After we find the second and fourth brothers, we will immediately go to Italy and bring Tian'er back." Fairy Baihua said happily.

When the brothers here heard that they were about to go to another foreign country, an indescribable impulse rose in their hearts.

"But second brother and fourth brother, when can they come back?"

"That guy named Kui, why should he take away the second and fourth brothers?" Fairy Baihua said depressedly.

After Fairy Baihua asked so, but listened to the Cthulhu Dao in front of him: "I'm afraid no one knows this."

"But I don't think there will be anything wrong with the second and fourth brothers."

After Baihua Fairy finally learned that Li Tian had been bitten by a vampire, her heart became confused.

She wished to give birth to a pair of wings now, and then flew to Li Tian's side.

What about Cthulhu?

At this moment, he was standing in the reception room of the North China Field Army, with deep eyes looking at the barracks outside, and suddenly there was an indescribable meaning in his eyes.

"Sanmei, I want to go out and walk alone...you stay here." Suddenly a sentence came out of the evil god's mouth.

After Cthulhu said this, Fairy Baihua was taken aback. Although he didn't understand what happened to his elder brother, he still obediently said, "Okay, elder brother."

Then he saw the evil ***** walking out of the military reception room in front of him.

At this moment, Fairy Baihua and the brothers didn't know what the evil ***** was going to do... Seeing his gradually leaving figure, the brothers didn't ask too much.

Chapter 2033: Two men

"Commander-in-chief, we have now strengthened the defenses of the military region, and the search force is also ready... Immediately began a carpet search within 5 kilometers of the opponent." I saw a major with a three-star bar on his shoulder. The soldier stood motionless and reported to Commander Mu in the military command headquarters.

Sitting there, the one with a map in front of him was Mu Yunlong, Commander Mu.

After hearing what his subordinates said, Commander Mu roared: "In the dignified military area, there are gangsters breaking in and I don't know? And one of the guards has been locked down. What are you doing? What? A bunch of trash!"

The major officer who was scolded in front of him stood there with an ugly face, his head down, and he dared not speak at the moment.

"Go and search for me... I can't find anyone, you guys don't come back to me."

"Yes!" The man stood there.

Then he retreated quickly.

It turned out that Commander Mu was still annoyed by Kui's intrusion into the military area.

Think about it, after all, in such a large military area, someone blatantly broke in and took away two good friends of Li Tian from the North China Field Army. How could this not make the old commander angry?

At the moment, the old commander was sitting in the commander-in-chief's office with a beard and staring.

At this moment, suddenly a burly figure with loose hair slowly walked in.

Commander Mu didn't even raise his eyes. He thought he was a soldier from the military area, so he said there, "Didn't I tell you, no one is allowed to come in without my order!"

But after Commander Mu's roar, the burly figure in front of him was still standing there, motionless.

When Commander Mu saw this person not leaving, he was upset and furious for a moment. He immediately raised his angry eyes and stared at the guy in front of him, ready to curse.

But the moment Commander Mu raised his eyes, his eyes were suddenly there.

Because the old commander Mu saw his figure.

That is a figure that is absolutely impossible to appear... that is a shadow of a "family" that has not been seen for more than 20 years... currently standing motionless in front of him.

His hair was scattered there, the Dragon Sword on his back, and a smile on his domineering face, he was smiling there, standing, looking at the old Commander Mu in front of him.

And what about Commander Mu? Looking at him with those unbelievable eyes...

His expression was shocked, and he looked at the burly man standing in front of him like that.

The two stared blankly...none of them spoke first...

"Father-in-law, hello..." After the two men were finally silent for about 5 minutes, he finally said a word.

More than twenty years ago, Commander Mu had heard him call himself this once! But only once, because since then, they have severed any relationship.

After more than 20 years, he appeared, he was still alive, and he called out the same two words as before.

Cthulhu! Commander Mu.

The two men looked at each other silently.

The grievances between them...all the misunderstandings and understandings...have slowly faded away in these two decades of ruthless years. Now, the two have met...what will happen to their meeting?

Look at each other.

Suddenly, Commander Mu spoke with a trembling voice.

"Father Li Kua?" There were slight doubts and shock in his voice, and even his voice was trembling slightly, as if it was hard to believe that what happened was true.

As Commander Mu in front of him called out Cthulhu's name, a smile appeared on Cthulhu's face.

"My father-in-law... is your health okay after so many years?" He asked, looking at the old Commander Mu before him.

Commander Mu suddenly woke up from a dream, he suddenly knew that everything was real, and it was him who stood in front of him!

I saw Old Commander Mu whispering in a trembling voice and said, "I...I... okay, okay."

"So you haven't died for more than 20 years? Are you still alive?" Commander Mu asked with a trembling voice.

His twin dragons and old eyes turned red at this moment...

This stubborn temper, the iron-blooded commander, who had been like steel for a lifetime, knew why his eyes suddenly became cloudy and moist.

Is it feeling? Still sentimental? unknown.

Cthulhu stood there and nodded silently: "I'm not dead!"

"Even though I almost died more than 20 years ago... But luckily the sky did not kill me, so I survived." Cthulhu said.

The old Commander Mu suddenly turned his trembling face, gently raised his hand to wipe his muddy eyes, then turned his head, smiled and said, "It's good if you don't die...just if you don't die..."

"My father-in-law, although I have been your half son for so many years, I haven't done any filial piety. Here, my father Li Kua apologizes to my father-in-law first!"

After speaking, the evil **** knelt straight in front of the old commander Mu.

Commander Mu's muddy eyes trembled slightly, looking at the evil **** who was kneeling on the ground before him.

More than 20 years have passed, and he who wanted to be aggressive and domineering at the time has now changed and become so vicissitudes of life.

I saw the old Commander Mu in front of him slightly stood up with his trembling body and slowly walked over from the front place.

Arrived in front of the evil **** in front of him.

"Get up..."

"I, Mu Yunlong, is physically strong, and I don't need anyone to take care of it in this life." Commander Mu said with a bitter smile, but the laughter was so weak.

Cthulhu slowly stood up.

"Where is Qiu'er? Where is Wanqiu? Why didn't she come with you?" A word came out of Commander Mu's mouth.

There was endless expectation and longing in his voice. The Qiu'er he was talking about was naturally his daughter Mu Wanqiu.

At the moment Mu Wanqiu's name was mentioned, the tall body of the evil **** in front of him trembled violently.

"My father-in-law...I'm sorry...I didn't...I didn't protect Wanqiu..." a sentence came out sadly from the evil god.

After Commander Mu heard that Cthulhu suddenly said this, his whole person was stunned.

"You, you, what are you talking about?" Commander Mu's old body suddenly jumped to the evil **** in front of him, and his two old hands tightly grasped the evil god's clothes, and roared there.

There were tears in his muddy eyes, and the evil **** glared at him.

But seeing Cthulhu revealed an extremely sad face.

"Did my daughter...daughter...dead?" Commander Mu's body in front of him trembled suddenly, and then his eyes went dark, and he almost fell to the ground.

I saw Cthulhu suddenly supporting Commander Mu in front of him.

"Father-in-law!" He exclaimed, and supported the old Commander Mu in front of him!

But seeing the old Commander Mu at the moment two veteran hands firmly grasped the evil spirit in front of him: "Tell me, Wanqiu...Wanqiu...Is it dead?" He asked like crazy there. .

The Cthulhu said in grief: "Wanqiu is not dead, but is missing..."

Chapter 2034: wake

Li Tian's mother is missing?

After hearing the Cthulhu suddenly say this, Commander Mu used his hands to firmly grasp the Cthulhu at this moment and asked, "What is missing? How could Wanqiu disappear?"

Cthulhu stood there sadly recalling the night of the **** battle more than 20 years ago.

That night, the Cthulhu alone faced dozens of masters at the gate of **** and fought back and forth. He was still holding the infant Li Tian in his hands, and behind him was his favorite woman Mu Wanqiu.

But the constant **** battle caused the evil **** to ignore that Mu Wanqiu.

When Cthulhu was fighting with those masters in blood, Mu Wanqiu was missing! In the chaos, no one knows where the beautiful Mu Wanqiu went that day... was he killed? Or was it robbed? Or was it buried in piles of corpses?

All of these evil gods do not know.

He only knew that when he turned his head back when he was fighting **** battles, only to find that his woman was missing... At that time, he called Mu Wanqiu's name like a madman, and fought fiercely with the **** gate master around him.

Unfortunately, everything is too late.

Mu Wanqiu just disappeared like that.

In the endless flames and blood corpses, I never saw Mu Wanqiu again.

That battle was Cthulhu's most painful battle, and it was also the last battle in which he lost his family. After that battle, Mu Wanqiu disappeared completely, and it seemed that she could no longer be found in the sky and the earth.

What about Cthulhu? Also caught alive by the people at the gate of hell!

...

When Commander Mu in front of him heard that the evil ***** in front of him told all the deeds of the ***** night more than 20 years ago, Commander Mu was stunned.

He had grasped the old hand of the evil ***** and slowly released it, and the whole person retreated stupidly as if stuck.

"Wanqiu is missing...My daughter is missing..." His mouth was trembling and the voice said loudly.

Cthulhu looked at the sad Commander Mu and said: "Father-in-law, I'm sorry Wanqiu, I'm sorry her!"

"My life has not taken her to enjoy any blessings... Instead, I ended up hurting her... Maybe you were right at all what you said back then... Wan Qiu followed me, it was destined to be a mistake." There, drops of tears flowed from his eyes.

More than 20 years ago, the evil ***** was domineering the world. At that time, the old commander Mu stopped his daughter's love with the evil god, so he finally broke off any relationship with them!

Now that the years and months have passed, twenty years have passed in a hurry, now? Does Commander Mu still think so?

At this moment, Commander Mu just walked towards the chair over there with deep sadness, staggering step by step, and then sat down with difficulty.

Suddenly found out that Commander Mu was really old!

The hair on his temples is all white.

"Father-in-law, I'm sorry, I'm sorry Wanqiu." Cthulhu said regretfully standing there.

Commander Mu did not speak, but just sat there blankly, using one hand to gently wipe his muddy eyes.

Is he angry with evil spirits? Do you still hate him?

The two men were silent for a long time in such a room. For a long time, Commander Mu suddenly wiped his muddy eyes and opened his mouth.

"Father Li Kua, Father Li Kua, Wanqiu is too pitiful to follow you!" A deep sigh came out of Commander Mu's mouth.

When he said this, the evil ***** in front of him stood there full of guilt, without any explanation.

"My child... unexpectedly disappeared like this..."

"Where is she?"

"Is it dead? Or alive? As a father, I don't even know it!!!" Old Commander Mu said with a heartache.

His voice was sad and sad.

Cthulhu said: "Father-in-law, my father Li Kua swears in front of your old man today, in my lifetime, I will do my best to find Wanqiu... even if I die... I swear I will do everything possible to find her..."

"Even if she...she...dead...I will find her bones." Cthulhu said in pain.

Commander Mu didn't speak, but was very sad there.

"You go out, I want to be alone!" Just listen to the last Commander Mu facing Cthulhu Dao.

The Cthulhu nodded sadly, then glanced at the old Commander Mu, and he walked out silently.

In the room full of sadness, at this moment, only Commander Na Mu was left alone... staying for a long time...

His face was so solemn and sad, and his turbid eyes stared at a place blankly, just looking at it as if he was fascinated.

...

Cthulhu finally recognized Commander Mu.

Although the acquaintance this time made them feel deeply saddened by the disappearance of Mu Wanqiu, from the attitude of Commander Mu, he has forgotten the worldly grievances of twenty years ago, and he has become as if accepting. Like this "son-in-law".

After all, the situation has changed for more than 20 years...

Does that old man miss his relatives when he is dying? Commander Mu is also a human and has deep feelings, so when he saw the evil ***** is still alive, his heart was full of joy, but the pain of losing his beloved daughter is far more happy than seeing the evil ***** at this moment. More intense, that's why it leads to the current situation.

However, after the Cthulhu left Commander Mu's room, he stood alone in the middle of the courtyard.

With endless loneliness on his face, he stood there...

A gust of cold wind blew on him, and his scattered hair fluttered.

...

A few miles from the North China Field Army is a deserted dense forest.

This place is overgrown with weeds, trees and shrubs are luxuriant, and tall and upright trees are one after another.

But in such a deserted dense forest, I saw two dead men lying motionless there.

There was no expression on their faces, and their bodies were stiff, lying down there.

Is dead? Still alive?

Looking at the two of them carefully, they found that they weren't actually dead... It's just that the two of them lay down here as if unconscious.

Who are these two people?

Looking carefully at the bodies of the two, it turned out that the two were shocked to be the Duguxie and the ghost servant!

Haven't the two people in front of them been sucked out of the puppet poison in their bodies? Why haven't you woken up yet?

Besides, at this moment the two of them were lying quietly in the dense forest. Suddenly a cold wind blew on them. At this moment, the body of the unmoving Duguxie shook suddenly.

Moved!

Duguxie really moved.

At the moment Duguxie's body began to move, he suddenly began to breathe...Although his breath was very weak, he did come back to life.

Chapter 2035: Woke up

After about a few minutes of breathing, Duguxie's eyes suddenly opened slowly.

The moment his eyes saw the light again, he stared blankly at the sky in front of him.

A slight cool breeze blew, and Duguxie suddenly realized the cold... the moment he felt the cold, he instantly knew that he was still alive.

The moment he felt that he was still alive, Duguxie was shocked.

He lifted his horrified eyes and slowly straightened his body from the ground. His body was still very weak, as if he hadn't eaten for a long time, and was weak and weak, but Du Guxie still sat up slowly. .

There was a barren wood in front of me, surrounded by thick weed bushes.

When he saw the scene before him, Du Guxie couldn't believe it.

"Where is this? Why am I here?" All the questions suddenly began to flood into Duguxie's mind like a mystery.

In his chaotic memory, the memory he still retains is the memory from a few months ago... At that time Duguxie was captured by the master of the gate of hell... and then forced him to eat a very vicious The name of the poison was: Puppet. After taking that weird poison, Duguxie's mind became completely blank...Since then, he didn't know anything anymore.

And now? Why am I here?

Wasn't you caught by the master of the gate of **** before? Why are you now in the wilderness?

Duguxie in front of him thought this way while slowly standing up.

After Duguxie slowly stood up his weak body, he suddenly glanced around and found that there was a person lying beside him.

Duguxie blinked to see who was that person?

"Ghost servant..."

Astonished that man was his fourth brother Ghost Servant.

When he saw the ghost servant lying here, Du Guxie was stunned.

Hurrying down, he looked at the ghost servant and shouted, "Ghost servant... Ghost servant...you wake up... wake up..."

Why is the ghost servant here? How could he be with himself?

Could it be that the ghost servant was also caught by the master of the gate of hell? But why is something wrong? Since they were caught, why would they stay in this barren mountain now?

All the questions suddenly poured into Du Guxie's mind.

I saw that the ghost servant also gradually breathed, and then the ghost servant slowly awoke.

The ghost servant's sobriety was exactly the same as that of Duguxie, first he was dazed, opened his eyes blankly, and then weakly saw the Duguxie in front of him.

"Second brother?..." a scream came out from the ghost servant's mouth.

"Second brother, this, this, where is this? Why am I here?" At this moment, the ghost servant also blinked his unbelievable eyes and said while looking at the surrounding environment.

Everything around is so unfamiliar to the two who are currently waking up, as if everything is extremely novel.

After the ghost servant asked, but seeing the Duguxie here, he shook his head depressedly and said, "I don't know exactly what this place is..."

When the ghost servant heard the moment's speechlessness, he asked, "But second brother, why am I here? And you, why are you here? Second brother, don't I remember that you left me with Tian'er before? ?" The ghost servant in front of him said.

His memories are exactly the same as Duguxie's, but they are only a few memories from the past.

And now, they were sober just now, and of course they didn't know what happened in the past few months.

"It seems to be remembered in my head...remember..." The ghost servant thought, while slamming his embarrassed head hard.

"By the way, I remember...I was caught by that **** gate master, and Tian'er, he was also caught." The ghost servant in front of me was shocked for an instant.

After hearing the ghost servant say so, that Duguxie was also shocked there.

What is going on all this?

Why are the two of them here? In addition to the extreme weakness of the two of them, their other bodies were intact... they didn't suffer any injuries at all.

"Fourth brother, I am just like you. Just now when I was sober, I was stunned here! I don't know where this is, let alone why we were thrown here!" Duguxie said.

The ghost servant blinked his horrified eyes and said, "Then, who on earth threw us here?"

"Is that the **** gate master? Or is there someone else?"

The minds of the two people in front of them were constantly turning.

As they thought, they blinked and looked at the deserted dense woods and the surrounding wild weeds.

"Let's go, fourth brother, let's go out of this woods first. After we go out, we will find someone to ask where this is." Duguxie said in front of him.

The ghost servant thought for a while that this is the only way at the moment, so he nodded there and said, "Okay, brother, let's get out of this jungle first."

The ghost servant who said this, then followed the Duguxie, the two of you supported me, I supported you, and walked weakly towards this dense forest step by step.

"Second brother, have you seen the young master?" The ghost servant asked as he walked over there.

That Duguxie said: "After I was sober, I found you lying next to me...I didn't see Tian'er."

After Duguxie said this, the ghost servant in front of him not only sighed deeply: "Hey, the young master doesn't know if he escaped... He was caught by the master of the gate of **** just like me." The ghost servant said there.

Where did the ghost servant know that what he said now has been a long, long time...

How is Li Tian now? As well as what the outside world has become, it is estimated that both of them are still in confusion.

Having said that, the two people who had just awakened just staggered out of the rugged forest road in front of them step by step.

After finally walking out of this dense jungle with great effort, both of them were very tired...

I saw the ghost servant bending over, panting for breath.

At the same time, the energy of the whole body couldn't help it.

He seemed to be paralyzed asleep for a long time, even his bones became soft...

"How could my body be so weak?" The ghost servant in front of him said while he was struggling with his body's inner strength.

"Second brother, how about you? How is your body?" The ghost servant asked while looking at Duguxie.

Duguxie sighed deeply and said, "Like you, I am sore and weak, so I can't get any strength."

"How could this be? Second brother, are we poisoned by something?" The ghost servant in front of you said there.

But seeing that Duguxie shook his head slightly and said, "It's not like...I feel as if we have recovered from a serious illness."

Chapter 2036: came back

"Then why are we so weak?" Ghost servant asked while panting. .

Duguxie glanced at the dense forest in front and shook his head in confusion.

Now his mind is blank, he doesn't know anything, and at the same time he regrets, how could he and the ghost servant be here?

Thinking like this in their minds, the two of them started walking towards the dense woods in front of them.

After leaving for a long time, I saw that Duguxie and the ghost servant finally walked out of this deserted dense forest.

After walking out, I saw that the place in front was a familiar place.

The military district buildings were built one mile away, and the scenery of the back mountain looked so familiar.

After seeing the familiar scene in front of them, the Duguxie and the ghost servant of this hand were instantly stunned.

"In front... In front... is the North China Field Army? The Field Army Military Region?" He asked with an unbelievable horror in his voice, and at the same time his eyes widened as he looked there.

The ghost servant here, after hearing what Du Guxie said, was also immediately confused.

Raising his eyes to look ahead, this look... his whole person was also stupid there like an electric shock.

"Oh my God, this is really the North China Field Military Region? Binjiang City?" The ghost servant in front of him said in disbelief.

How could this be? They were taken away by the **** gate master?

How could it suddenly appear in the North China Field Army Military Region? What exactly is going on?

"we are back?"

"Second brother, did we return to the North China Field Military Region?" The ghost servant here was completely speechless.

Duguxie was also confused at this moment, and he didn't understand what was going on.

Why did he and the ghost servant suddenly come back?

Why would the two of them wake up in this place? What happened to all this?

After all the questions came to my mind, I saw Duguxie first calmed down his doubts, and then looked at the ghost servants beside him.

"Too weird, too weird..."

"I feel as if nothing is right... Now, we have to go to the North China Field Army quickly, find the young master, find Xiaolong and the others... Then ask, what is going on?"

Listening to Duguxie's words, the ghost servant asked, "But the young master and Xiaolong are in the military area?"

"do not know!"

"After we ask, we should understand." Duguxie said in front of him.

Ghost servant thought for a while, this is the only way at present, so after thinking about it, he said, "Well, brother."

So the ghost servant at this moment followed the Duguxie and started walking towards the North China Field Army step by step.

Their bodies seemed to be hollowed out, extremely weak.

Although it was only a short distance of more than one kilometer from the North China Field Military Region, Duguxie and the Ghost Servant had walked for nearly an hour.

Fortunately, the two have walked this way.

Now they can already see the gate of the North China Field Army Military Region.

At this moment, the ghost servant was panting heavily in his mouth, bent over, and looked at the soldier in the North China Field Army not far in front. There was a fever in his eyes and said: "Second brother, We are here... finally here."

The Duguxie in front of him was also quite excited, and nodded there.

"Let's go."

The two who were talking began to walk towards the gate of the military area with difficulty step by step.

At the gate of the military area stood several soldiers, fully armed, holding cold automatic rifles in their hands.

When seeing Duguxie and the ghost servants coming step by step like this, one of the soldiers standing in the front stepped forward quickly, and then stopped the Duguxie and the ghost servants in front of them.

"No entry...the military area heavy ground, all idlers and others are free from entry." The soldier said coldly, looking at Duguxie and the ghost servants.

After seeing that the soldier said this, the Duguxie in front of him said all about his identity, his knowledge of the commander-in-chief and the commander of the military area Wang Zhen.

"...How about it, can we go in?" I saw the ghost servant looking at the soldier and asked.

The soldier saw that these two people were very powerful. Although the two of them were a little sick at the moment, their expressions, speech and demeanor were by no means ordinary people. Furthermore, they heard Duguxie and knew so many leaders of the military district .

So the soldiers in this meeting said, "Since you said that, wait a moment here, I will go in and report..."

"Ok."

"You tell them that our names are Duguxie and Ghost Servant." Duguxie finally faced the soldier.

The soldier nodded, and hurried to report to the place inside the military area.

Because Wang Zhen, the brigade commander of the 39th Army Brigade, had already died, the soldier could only report to the political commissar of the brigade and Zhou.

At the moment, the political commissar Zhou is also with his brothers.

When the soldier quickly found Zhou's political commissar, that week's political commissar was talking to his brothers.

"Report!" Only the soldiers who ran in were shouting.

As he shouted, the political commissar slowly turned his head that week, glanced at the soldier at the door and said, "What's the matter?"

He only listened to the soldier and said: "Report to the political commissar. Two people at the door claim to know our brigade commander. They also said they know the commander-in-chief... you know the political commissar..."

After the soldier uttered such a sentence, the political commissar Zhou in front of him was taken aback.

Chen Qiaozhi, Tang Xiaolong, Baihua Fairy and others who were sitting in the room were also looking at the soldier in front of them in doubt.

Just listen to Zhou's political commissar saying: "What did you say? Know me? Know the commander-in-chief?"

"Yes, political commissar."

"The two claim that one is called Duguxie and the other is called Ghost Servant..." the soldier stood there and continued.

what

When the soldier had just spoken out like this, the fairy Baihua in front of him suddenly screamed.

"What? My second brother and fourth brother?" The fairy Baihua immediately looked at the soldier with an expression of unbelievable excitement.

Tang Xiaolong here also jumped up in an instant.

"My master?"

"My master, is he back?" Tang Xiaolong yelled and couldn't control his emotions.

Xue Wuhen and Chen Qiaozhi were also dumbfounded when they heard the words of being a soldier in front of them.

The young soldier was also taken aback when he saw the brothers and Fairy Baihua in front of him so excited.

"This little brother, are you really sure that it is Senior Dugu and Senior Ghost Servant outside?" Chen Qiaozhi asked in surprise.

Do you know that the former Duguxie and the ghost servant were poisoned? But now the soldiers said that the two had already stood outside the military area. How could this not make the brothers confused and excited?

The soldier said, "I don't know their true identity, but one of them has an arm, and the other is dressed in black with a terrible grimace mask. They are both in the military area. Standing outside the door.

As soon as the soldiers said, one of them had one arm and the other was wearing a grimace mask... the brothers suddenly became excited.

"It's my master... Senior Dugu!"

"Oh my God, they really came back!"

Tang Xiaolong in front of him screamed excitedly.

Fairy Baihua was also completely stunned, and said happily: "Go, take me to see my second brother and fourth brother..."

Chapter 2037: Can't remember anything

As the fairy Baihua said so, the soldier quickly took the fairy Baihua and the brothers in front of him to the gate of the military area.

At this moment, their hearts are filled with unspeakable excitement, because so far no one knows whether the doorway is really Duguxie and ghost servants?

After all, that Duguxie and the ghost servant had been poisoned by extremely terrifying puppets before? And they haven't been sober for a long, long time.

Now, the soldier in front of him said that Duguxie and the ghost servant were not only sober, but also standing outside the military area gate of the North China Field Army. Of course, the brothers in front of him and the Baihua Fairy were unbelievable.

Soon, but when I saw my brothers, I saw the gate of the North China Field Military Region.

From a distance, you can see two tall figures standing at that doorway.

One of them is burly, with a face like steel, only one hand is exposed outside the sleeve, and the other hand is empty... Obviously, he has only one hand.

The other man standing beside him gave a black feeling all over. His face was covered with a terrible grimace mask, and a pair of bright and sharp eyes were exposed on the mask, standing motionless. One hand behind the burly man.

Who are these two people?

They are the Duguxie and ghost servants.

They said that the brothers were originally with a look that was not convinced, but when they reached the gate of the North China Field Army and saw two figures in the doorway and ears, they were stunned for a moment and stunned.

"My master... Senior Dugu?" Tang Xiaolong was the first to call out in disbelief.

He saw it, saw Duguxie and the ghost servant in that far place.

Besides, with Tang Xiaolong's scream, the Fairy Baihua and Chen Qiaozhi and Xue Wuhen were all shocked there.

Everyone gazed at it, and really saw the figure of Duguxie and the ghost servant in the front.

At the moment he saw it, Fairy Baihua was equally excited and cried out.

"Second brother, fourth brother..."

"Oh my god, my second and fourth brothers are finally back... they really come alive..." Fairy Baihua's whole expression was so excited... so happy.

When Chen Qiaozhi and Xue Wuhen also watched this scene, their faces showed stunned expressions.

I didn't expect it to be true.

Duguxie and ghost servants just appeared suddenly! ! !

And the two are actually sober...! ! !

What happened to them? Who saved them? All of this is a huge question for my brothers.

I saw Tang Xiaolong running towards this side quickly while shouting in his mouth: "Master, Senior Dugu..."

With the familiar voice of Tang Xiaolong in front of him, it suddenly spread into the ears of Duguxie and the ghost servant standing at the gate of the military area, but seeing that ghost servant and Duguxie petrified there instantly.

"Xiaolong,?" The same shocking words came out of the ghost servant and Duguxie's mouth.

They never expected Tang Xiaolong and his brothers to be here.

When they saw Tang Xiaolong all of a sudden, they were surprised to find that behind Tang Xiaolong not only Chen Qiaozhi but also Xue Wuhen, even the Baihua Fairy was there.

"Three sisters?"

"Second brother, my third sister is also here?" The ghost servant looked at the flying fairy Baihua in disbelief.

I saw that Duguxie was also completely shocked, and his eyes were stunned, looking at the brothers and Fairy Baihua who had arrived at the moment.

"Xiaolong... Wuhen... Third Sister?" Duguxie said in front of him, completely excited.

"Master, Senior Dugu!"

I saw that Tang Xiaolong had already run over here first, his eyes were almost crying with excitement.

After rushing out of the military zone, he picked up the weak ghost servant in front of him.

"Master... I want to kill you!"

Tang Xiaolong in front of him tightly hugged the ghost servant in front of him.

The ghost servant also hugged Tang Xiaolong tightly at this moment, with indescribable excitement in his heart.

I saw Fairy Baihua walking over here with red eyes, looking at the incredible Duguxie at this moment.

"Second brother...fourth brother...is it really you?" The fairy Baihua in front of him was speechless with horror.

That Duguxie looked at Fairy Baihua and said, "Sanmei, what happened? How come you are in the North China field army?"

"Second brother, you are poisoned, don't you know?"

"There are four younger brothers... he is also poisoned... You two have been in a coma after being poisoned for a long time... Second brother, how did you wake up? Which expert rescued you?" The fairy Baihua was also in front of him. Asked there.

When Duguxie and the ghost servant in front of him heard it, they were completely dumbfounded.
what?

"Sister, what are you talking about? You said that my second brother and I were poisoned?" Ghost servant looked at the fairy Baihua in disbelief.

The fairy Baihua said in a daze, "You, you, don't you know anything?"

I saw that Duguxie stunned and said, "Sanmei, you can make it clear, what happened..."

"The fourth child and I are so dizzy... Can't remember anything... The only thing we remember is that everyone is in Binjiang City... And... And... We have to deal with the gate of hell." evil ways.

After hearing Duguxie and the ghost servant say this, Baihua Fairy instantly understood.

"Second brother...fourth brother, it turns out...it turns out that you don't know anything about it for almost two months!!!" Fairy Baihua said in shock.

At this moment, Tang Xiaolong looked at the ghost servant in total astonishment and said: "Master, don't you remember that you were poisoned? You were poisoned by that **** gate master?"

The ghost servant turned his mind and thought about it with his dizzy head there: "I...I...I only remember that the young master and I were caught by that **** gate."

"After that, I don't know anything..."

"By the way, Xiaolong, where is Young Master?"

"Did the young master escape the gate of hell?" The ghost servant in front of him was still worried about Li Tiandao.

After hearing the words of the ghost servant and the Duguxie, the brothers and Fairy Baihua were all stunned.

Gosh!

They don't know anything!

It seemed that they had been in a coma for more than two months, and their heads were completely blank... They didn't even know about Li Tian.

Chapter 2038: Guess it!

"Second brother, fourth brother, it seems that you really don't remember anything!"

"Do you know that you have been in a coma for almost two months before." The fairy Baihua in front of him was looking at the confused Duguxie and the ghost servant.

When the ghost servant and Duguxie were shocked to hear the fairy Baihua in front of them that they had been in a coma for more than two months, they were all of a sudden.

"what?"

"Sister, what are you talking about? You said that my fourth brother and I have been in a coma for almost two months?" Duguxie said with a horrified face.

But seeing Duguxie's face in horror.

He could hardly believe the words of the Baihua Fairy before him, saying that he and the ghost servant had been in a coma for more than two months! ! !

Just listen to the fairy Baihua in front of her: "Yes, brother."

"You were poisoned before, poisoned by the puppets of the master of the gate of hell... It's Tian'er. Tian'er rescued you from the lair of the gate of hell." Fairy Baihua said.

what?

When the Duguxie and the ghost servant in front of them heard what Baihua Fairy said, they were completely stunned.

"Did the young master save us?" The Duguxie and the ghost servant in front of them were unbelievably surprised.

I saw that fairy Baihua nodded vigorously and said: "Yes, it is Tian'er who saved you."

"It's a pity that you two had already been poisoned by the puppets at the gate of hell, and both fainted..." Fairy Baihua continued.

"During the period of poisoning, your body remained motionless, just like a dead person. This has been going on for almost two months. Until the day before yesterday, when I was taking care of you, a mysterious incident suddenly appeared. The expert robbed you..." Fairy Baihua said.

When Duguxie and the ghost servant heard it, his head became even more confused.

"We were robbed?"

"Who is it?" they asked in front of them.

But seeing Fairy Baihua said: "Actually, I don't know exactly who that person is, but that person's skill is extremely high, so he took the two of you away because of his eye-catching skills... For this reason, I am still worried about myself... .."

After listening to the words of Fairy Baihua in front of him, the Duguxie and the ghost servant were completely stunned.

"Oh my God, second brother, have we really been in a coma for almost two months?" The Ghost Servant asked with horrified eyes.

Duguxie looked at the sky and nodded suddenly.

"Maybe it's true!"

"Hey, no wonder my body is so weak... I just fell apart... Unexpectedly, I have been in a coma for more than two months." Du Guxie also sighed.

The current Duguxie and the ghost servant finally knew that they had been in a coma for such a terrible time.

"Second brother, fourth brother, tell us, how did you wake up? Who saved you?" Fairy Baihua asked strangely.

But seeing that Duguxie and the ghost servant shook their heads and said, "We don't know!"

"When we were awake, we were in the dense forest behind the mountain... We don't remember anything, and we didn't see any figure... The only thing we saw was the two of us." The ghost servant in front of us said.

After the fairy Baihua heard what the two said, Liu frowned.

"How did that happen?"

"Could it be that the predecessor rescued the injuries of the two of you, and then left on his own?" Baihua Fairy asked in a muttered voice.

When the Duguxie and the ghost servant heard the puzzled words of Fairy Baihua, they couldn't help asking, "Sanmei, what are you talking about?"

But seeing the fairy Baihua said: "It's nothing, I'm just wondering who saved you..."

"It doesn't matter anymore... the important thing is that the second and fourth brothers are finally safe, and the poison of the puppets in the body is finally relieved." The fairy Baihua said with joy.

"Yes, Master, it would be great if you are all right." Tang Xiaolong here also said happily.

After Duguxie and the ghost servant finally knew the cause and effect of the incident, they all rushed to incomparable shock.

Although the two of them didn't know why they were sober, and they didn't know who brought them to the wilderness, but now it doesn't matter anymore. The important thing is that their people are still alive... they are still alive there. .

"Second brother, fourth brother, come in with me..." Just listen to Fairy Baihua.

The Duguxie and the ghost servant were both excited at this moment, so they nodded their heads weakly, and then hurriedly followed Baihua Fairy towards the inside.

"Master, Senior Dugu, I will help you." Tang Xiaolong and Xue Wuhen here saw that the newly sober Duguxie and the ghost servant were extremely weak, so they hurried forward to support them.

In this way, in the excitement of everyone's hearts, the brothers helped the Duguxie and the ghost servant at this moment and walked towards the innermost place step by step.

"Second brother, fourth brother, you may not be clear about something important..." Fairy Baihua walked forward, with indescribable excitement on her face, looking at the back of Duguxie and the ghost servant.

The Duguxie and the ghost servant were not only shocked when they heard Baihua Fairy say this.

"Sister, what's the matter?" Ghost servant asked.

Baihua Fairy Maiguanzi smiled and said, "I say it, I'm afraid you two are too excited... you will go crazy if you are excited."

As Fairy Baihua said so, the Duguxie and the ghost servant looked at each other, and then turned to look at Fairy Baihua in front of him and said, "San Jie, you can speak quickly..."

"What the **** is it?" Ghost servant asked impatiently at this moment.

But seeing Fairy Baihua pursed his lips, he said slightly: "Guess who is waiting for you in the North China Field Military District..."

After hearing Baihua Fairy's words, the Duguxie and the ghost servants froze for a while.

"Who?"

Fairy Baihua said: "Guess what..."

"Young Master?" The ghost servant in front of him said.

That Duguxie also thought it was Li Tian, and not only blinked at the Baihua Fairy.

But what about Baihua Fairy? But he shook his head slightly: "No, no! It's not Tian'er... It's someone who will excite you more than Tian'er."

After listening to the Duguxie and the ghost servant, they were all stunned. In their minds, Li Tian is the most important thing. They were born to protect Li Tian, but The current fairy Baihua actually said that it was not Li Tian.

that? Who can it be?

Who can be more important to Duguxie and the ghost servant than Li Tian?

After that Duguxie was stunned for a few seconds, suddenly there was an incredible strange look in his eyes, and he stared at Fairy Baihua in front of him suddenly.

Chapter 2039: brothers

"The third sister... what you said... won't... won't it be... Big Brother?" A shocking word suddenly came out of Du Guxie's mouth.

The world is so big, besides their eldest brother, who can be worthy of Li Tian in the eyes of Duguxie and the ghost servant?

But that Baihua Fairy actually said that he was a more important person than Li Tian...

Apart from their closest eldest brother Cthulhu, who else can there be in the world? Who else?

When Duguxie said the words "Big Brother", the ghost servant was stunned for an instant.

"what?"

"Big brother?"

"No...no...no?" The ghost servant stayed there blankly, looking at Duguxie in disbelief, and the smiling sweet Baihua Fairy.

I saw Fairy Baihua just smiling there... smiling so happy and excited.

"My God, Third Sister, is it true that I'm talking about it? You...you...have you found your eldest brother? Is your elder brother really still alive in this world?" Duguxie's eyes suddenly turned red, he was too He was so excited that he couldn't believe that all of this was true.

The ghost servant over there is exactly the same as Du Guxie.

But after the speculation about Duguxie and the ghost servant, that Baihua Fairy was no longer embarrassed by the two, and said with a smile: "Second brother, fourth brother, you guessed it right... The eldest brother is still alive. dead!"

"Big Brother has now come back out of the rivers and lakes...Big Brother who has disappeared for more than 20 years has finally returned to us." Fairy Baihua stood there and said happily.

After Baihua Fairy uttered the words, the Duguxie and the ghost servant barely reacted for a moment.

To tell the truth, this exciting news came too suddenly...too unacceptable, especially for Duguxie and the ghost servant who have just been in a coma for more than two months. The two of them did not know that they had been in a coma for more than two months. In the time, what happened here, so when I heard Fairy Baihua said that the evil **** came back, I was so excited.

"Sanmei, what you said is true? Big brother is really still alive? Big brother is there now?" I saw Duguxie step forward suddenly and grabbed the Baihua Fairy.

His expression was so agitated... His eyes were trembling violently.

The ghost servant at the back also looked closely at the fairy Baihua in front of him.

Fairy Baihua said, "Big Brother is in the current military area..."

"You will see Big Brother soon." Fairy Baihua said.

What Fairy Baihua said, that Duguxie and the ghost servant can no longer tolerate the excitement in their hearts...

"Big brother!" a brother shouted.

But seeing Duguxie and the ghost servants seemed to be excited and going crazy, they ran toward the military area very quickly.

Two people who were already extremely weak, after such a run, both of them were breathless and panting... but they couldn't take care of that much now.

The only thing they want now is to see the evil **** and their big brother.

For more than 20 years, for more than 20 years, the four people who were once all-powerful can now get together again.

I saw the Duguxie and the ghost servant in front of me quickly approaching the courtyard here, suddenly I saw a tall figure standing motionless...

His figure is so generous, so familiar and tall.

A loose hair was draped there in such a mess, and his back was still carrying the sword that was famous in the world twenty years ago: the dragon sword!

The whole person stood there like a king, and the raging unstoppable momentum surged towards the surroundings.

Between heaven and earth, perhaps only this man who once stood on the top can emit such a powerful and terrifying aura.

He is no one else, but the evil **** who was once invincible in the world.

Just when the Duguxie and the ghost servant ran into the courtyard madly, they saw him, saw his back, and saw the sword on his back.

Dragon Sword?

Familiar figure!

"Big Brother..." An exclamation suddenly trembling from the mouths of Du Guxie and the ghost servant.

Their voices were so unbelievable, they seemed to feel that everything was dreaming, as if everything that happened was just a dream.

But, is this true? Still a dream of nothingness!

Do not!

This is not a dream, it is real and real.

Cthulhu stood in front of Duguxie and the ghost servant, and his people turned their backs to the brothers in front of them.

I saw Duguxie and the ghost servant who rushed in as fast as they were mad, and were shocked when they saw the familiar figure with their backs to them.

Is it really him?

Is it really their eldest brother?

More than twenty years!

More than 20 years have passed since the years have changed.

His prowess is still unabated, and his domineering is still so turbulent.

"Brother, is it really you?" Duguxie and the ghost servant trembling voices looking at the back.

Fairy Baihua and the brothers here have ran in quickly at this moment, looking at Duguxie and the ghost servant with a smile on their faces.

What about the evil god?

The moment he heard the familiar voices of the two brothers, his body trembled twice in the cold wind.

"Second brother, fourth brother! It's been a long time!" A familiar voice came from his mouth.

I saw his figure slowly turned around.

The unyielding face appeared in the eyes of Duguxie and the ghost servant, the invincible evil **** in the world.

After seeing it, they finally saw the evil **** who had been thinking about it for 20 years, and saw their closest brother.

At this moment, the eye sockets of the two men were all wet.

At this moment, they are all excited and don't know what to say...

"Big brother!" An affectionate call came from the mouths of the two good brothers, and then the two of them all knelt before the evil **** with a thump.

Is it excited? what is this else? Nobody knows.

At this moment, the fairy Baihua looked at Duguxie and the ghost servant and knelt down in front of the evil **** like that, and her beautiful eyes turned red again.

"Second brother, fourth brother, get up quickly!" The evil **** in front of him saw his good brothers kneel down in an instant, he hurried to help them.

"Brother, you sacrificed yourselves for us back then, even the sister-in-law and the young master...just to help us escape danger, brothers, this kindness, this affection, I don't know how to repay you big brother in this life! "Just listen to Duguxie's painful way.

The ghost servant was also kneeling deep there, his eyes were red, and tears fell one by one from his grimace mask.

Chapter 2040: Brothers get together

It turned out that the evil **** fought the world more than 20 years ago. He covered Duguxie's escape and the ghost servant's escape. In the end, he also let Fairy Baihua escape, but it was himself and his favorite woman, Mu Wan. Qiu, as well as his newly born child Li Tian, were caught in a sea of flames, besieged by so many **** gate masters. .

All this, now that Duguxie and the ghost servants think about it, they feel heartache and blame themselves.

"Big brother, in fact, we can't sorry you, sorry you, sister-in-law, and young master." The ghost servant in front of you also said there.

The years and winds appeared in their hearts scene by scene.

This kneeling, kneeling is the grace of the year, kneeling is the love of the year! Also kneeling is the knot in the hearts of brothers for so many years.

What about the evil god? Facing the unbearable past of the year, he just swayed casually.

"Stupid brothers, it's been so many years...you still keep it in your heart?"

"Get up quickly..."

"Our brother hasn't seen each other for so many years. Now let me, Father Li Kua, take a good look at you and see if it has changed!" The Cthulhu said with a big laugh.

Duguxie and the ghost servants had to stand up at the insistence of the Cthulhu.

Both of these figures had wet eyes, standing there like a child, with joy and excitement on their faces, just looking at the evil god.

What about Cthulhu? He also looked at his brothers carefully.

changed!

Everyone has changed.

The evil **** back then was domineering in the world, handsome and extraordinary, now he has become a little pale, a little lonely, like a master who has been alone in the mountains for many years.

And what about the former evil sword Duguxie? Now there is only one arm left! His other empty arm was floating there against the cold wind.

Looking at Duguxie who lost his arm, the evil **** sighed slightly.

Fortunately, neither the ghost servant nor the Baihua Fairy changed much... but the vicissitudes of the years still made them look a little blessed.

"It hasn't changed... It hasn't changed... It's still my brother Li Kuafu..."

"You are the same as you once." The Cthulhu looked at the three people in front of him and said with a gratified smile.

His smile is the happiest smile.

"Brother, brothers miss you... Brothers have been thinking of you every night for more than 20 years!" Du Guxie said.

The ghost servant also said: "Yes, big brother, we know you will not die, there will be no accident! No one in the world can harm your big brother."

The Cthulhu laughed, and said vertically: "Yes, I am indeed not dead!"

"I have always wanted to focus on being out of the world for so many years!"

"Now, our time has come again... Starting today, my evil **** will lead you to recreate the glory of the year." His people shouted in the cold wind.

The domineering words shook the yellow leaves all over him slowly.

Duguxie and Ghost Servant and Baihua Fairy stood beside the evil god.

The former four-person group is now re-emerged in the world, how big changes will the whole arena take?

...

"Brother, have you been there for so many years?" In the room, everyone was sitting there and said to Cthulhu.

That Duguxie and the ghost servant even sat in the closest position of the evil god.

No one can describe their inner excitement, and no one knows how happy they are now.

I saw the Cthulhu saying after hearing the brothers' questions, "I almost died for so many years... I was cut off by the guys at the gate of hell... Fortunately my master saved me! That allowed me to escape the biggest catastrophe in my life."

The brothers already knew that the evil god's master was the legendary old man Wuji, and they were shocked there when they heard the evil **** say this.

"I have been frozen under the ice for thousands of years, and my body has been completely abandoned..."

"Although my body is similar to a dead person, my heart is not dead! My master and his old man, in order to save me, have stayed on the top of the Tianshan Mountains for more than 20 years...for those two strange flowers, snow lotus "When the evil **** said this, his words were full of gratitude.

After the brothers heard this Cthulhu said, they also felt 10,000 respects and admiration for the old man Wuji.

"It is precisely because of the extraordinary Hua Xuelian that healed my lingering body and allowed my father Li Kua to survive."

"My life was given to me by my old master... and his old man rewarded me."

"In my whole life, I'm sorry, I'm sorry, I'm sorry, I'm sorry to anyone...but I can't sorry my master." Cthulhu said just like that.

His words were heard word by word in everyone's ears.

The brothers finally knew why the Cthulhu disappeared for more than two decades, why he died like death, and there is no trace again!

It turns out that everything is because the evil god's body was abolished back then...

"Big brother, we are all brothers and I can't sorry you." Only listen to Duguxie's words of guilt after hearing the pain of the evil **** that has been frozen in ice for twenty years.

The Cthulhu slightly waved his hand and said, "Brothers, no one will ever be sorry for anyone..."

"For so many years, I know your thoughts!"

"You have been doing your best to take care of Tian'er for more than 20 years and protect him secretly... To say thank you, brother actually has to thank you." Cthulhu looked at them.

"Brother, you are too polite."

"We should do this for the young master." Du Guxie said.

"Yes, big brother." The ghost servant was also there.

The Cthulhu sighed, and looked at Duguxie's broken arm and muttered: "How can you know what you have suffered? Didn't your arm be destroyed for the sake of heaven?"

Duguxie's arm was indeed destroyed by Li Tian back then, but now I saw Duguxie said: "Big brother, what is my arm...for the young master, even if it's my life!!!"

Listening to the two men obliged to say this, the evil **** laughed in relief.

This is his brothers, this is the brother of his evil god.

"Well, no matter what it used to be, from now on, our brothers are together again." The evil **** in front of him said boldly.

"Yes, eldest brother." Duguxie, Servant Ghost and Fairy Baihua also said in unison.

Getting together is happy anyway.

All the faces of everyone present at the moment were filled with warm happiness.

But what is behind happiness?

"Big Brother, Young Master? Why didn't he see Young Master coming here?" The Duguxie at this moment suddenly asked Li Tian.

Because from entering the North China Field Army to now, neither Duguxie nor the ghost servants have seen Li Tian.
