

A Killer 3001

Chapter 3001: Wood ***** came

"Senior, what about you? Where are you going?" Li Tian suddenly asked the rickety old man in front of him.

But seeing the rickety old man twisting his unrecognizable face, he suddenly smiled strangely there, "Me?"

"I'm an old rubbish... for years and years I just cleaned here! Haha!" The rickety old man said in his voice with self-deprecating.

Li Tianyi listened and looked at the weird old man in front of him. For some reason, when Li Tian saw this rickety old man, he could always feel that this rickety old man had an extremely domineering and weird aura!

That breath makes most people dare not look directly at it.

"Well! Since the senior said so, the junior will leave." Li Tian said slightly there.

The rickety old man in front of him smiled slightly and said, "Go, go!"

As he said, the rickety old man took the broom in his hand while slowly walking forward.

Li Tian turned his head, thought for a while, just remembered a question in his heart, ready to turn his head and ask the rickety old man!

"senior....."

But when Li Tiangang turned his head, the rickety old man who was standing beside him just now disappeared out of thin air.

"Huh? So fast?"

Li Tian said in shock.

"Senior... Senior..." Li Tian shouted quickly!

Then he started to fly over, looking for the empty place in front of him... but he could no longer see the figure of the rickety old man.

The weird rickety old man is like air... come and go without a trace! In this way disappeared out of thin air in front of Li Tian!

Even Li Tian didn't notice the slightest! ! ! You must know that Li Tian has been able to hear all the wind and grass around hundreds of meters since his spiritual power has improved... and he can even hear the sound of dropping the needle! But what about the rickety old man just now? Li Tian didn't even notice it at all! The rickety old man has disappeared...too fast! It was incredible fast.

Looking at the empty room in front of him, Li Tian stayed there completely at that moment.

"It seems that the rickety senior just now is really an expert in a high school!!!"

"If my guess is correct, then the strength of the rickety old man is definitely better than the wood god... the white god... even more terrifying than them!"

"Hey, I really don't know. Under the world, how can such a strong man have such a terrible face? And who is it that destroyed his face? Who is it that destroyed one of his eyes? "

With these questions in his mind, Li Tian began to move forward step by step.

The fourth heaven! He has now completely broken through!

And now Li Tian also mastered two different illusions, "light" and "earth".

Although Li Tian hasn't started practicing yet, he is still very excited!

But when he stepped from the fourth heaven to the fifth heaven, Li Tian did not experience the "advanced illusion barrier" again.

I saw Li Tian just stepped onto the "cloud ladder" and then stepped onto the fifth heaven! ! !

...

Fifth Heaven!

When Li Tian set foot on it, he saw that the fifth heaven was very small and very small compared to the first four.

I saw that in the fifth day, there were several stone carvings...On those stone walls, densely packed runes and words were carved.

Li Tian approached and saw that all the engraved on it were magic secrets.

It's just that these illusion techniques are different from each other, there are "crystal illusion techniques" and "mist hidden illusion techniques" and so on...

After Li Tian saw these illusion art secrets, he secretly lining in his heart.

"These are not what I want to learn! All I am looking for is light and soil!"

So Li Tian looked at each stone sculpture one by one.

On the last stone sculpture, he finally found the light system illusion.

I saw a few large characters engraved on the stone sculpture like white jade.

"Light illusion!"

Looking at the four characters, Li Tian felt an excitement in his heart.

Now what he wants to cultivate is this light system illusion.

Seeing that he found these cheats, Li Tian hurriedly wanted to read the following cheats.

I saw the practice methods of light system illusion written on it in turn!

"Starting from the lowest Jie Yin, first condense the mark of light, and then make the body emit a faint light! Then start practicing the illusion of light...from low to high, reaching the peak state in turn!"

Li Tian whispered the content on the stone sculpture.

After taking a look, Li Tian murmured in his mouth and said: "It seems that this time I will be practicing for a long time!!!"

Just as Li Tian said this in his mouth, he suddenly heard the sound of his clothes flying in his ears.

Li Tian is now extremely spiritual, so his perception ability is particularly strong!

After he heard the voice, the strength of the people who came was absolutely very strong.

"Someone is coming!" Li Tian murmured.

Then he turned his head slightly, and waited while looking at the dancing clothes.

After a few seconds, suddenly I saw a gray-robed figure flying in here at an incredible speed.

I took a closer look, but saw that the "Wood God" of the temple that was flying by, Gu Mu Xijue.

After seeing the old man Gu Mu Xijue, Li Tian was slightly startled.

"Wood God?"

Li Tian said curiously.

What about Gu Mu Xijue? The moment I saw Li Tian, I was stunned.

"Ah? It's you...? You... You... Didn't you hear that you went to Qianxuefeng to find the goddess Xue Ji? Why... why are you here?" Gu Muxi looked at Li Tiandao in disbelief .

Li Tian smiled slightly and said, "It's true that I did go to Qianxuefeng! It's a pity that the goddess Xueji is so unreasonable! Before I could say anything... he took me down Qianxuefeng! Junior! It's not her opponent... so... so I had to come here again."

Gu Muxi looked at Li Tian in surprise.

"Could it be...could it be that you broke through the fourth heaven in just one day?" Gu Mu Xijue looked at Li Tiandao in astonishment.

Li Tianqian smiled and nodded silently, and then admitted.

After seeing Li Tian nodding and confessing, Gu Mu Xijue's eyes suddenly showed a fiery light.

"The younger generation is terrifying...really the younger generation is terrifying...!!!"

"Before, the old man had been thinking that if you didn't enter the Lingshui Spring soaking, it was a big loss! I didn't expect that you would be able to break through the 4th Heaven in one day! What a genius! "Gu Mu Xijue exudes light in those eyes.

Obviously, he was completely shocked by Li Tian's astonishing speed.

Then Li Tian smiled, and wanted to tell the story of the fairy fruit he ate, but after thinking about it, Li Tian didn't say it!

"Wood God, how did you reach the thirteenth heaven?" Li Tian asked the Wood God at this moment.

Chapter 3002: doubt

After Li Tian in front of him asked, the wood **** in front of him said: "I made a special trip to see you!"

amount?

Li Tian was slightly startled after hearing this, and said: "Look at me?"

"Yes!"

"Why?" Li Tiandao.

"For thousands of years...very few people have been able to break through the four heavens in one day! Even the old man only broke through the three heavens in one day...!!! Unexpectedly, you, such a young boy, would actually Can reach such a level! Of course the old man has to come and take a look." That Gu Mu Xijue said.

It turned out that even the Wood God back then did not break through the Fourth Heaven.

It is conceivable that Li Tian's advanced speed.

After Li Tian heard this, he smiled slightly and said, "The God of Wood has praised him."

But seeing that Mu Shen gazed at Li Tiandao in front of him with satisfaction: "You kid...not bad! Not bad...if you can help our temple! Our next God Realm battle should not be afraid of Jiugong Up!"

Li Tian heard the word "Nine Palaces" mentioned in the Mu Shen in front of him, and did not speak.

Because Li Tian is not very clear about the "Nine Houses", who are the people in the Nine Houses? Is it bad? Li Tian is also not clear!

Li Tian is unwilling to express his attitude casually when he is not clear about the enemy.

I saw that Wood God was very pleased to see Li Tiandao in front of him: "By the way, you have chosen your own natal star?"

Li Tian said after hearing, "Well, yes!"

"You guy is amazing! You can enter the fourth heaven so quickly, and you can find your own natal star in such a short time! Hehe, you know, most people have to enter the black hole to find their natal star Teng... at least it will take a few months! It took me more than a month before I found my destiny."

When Li Tian heard this, he smiled indifferently: "I don't lie to each other, I have an expert to help me."

amount?

"Expert help? What do you mean?" Suddenly, Gu Mu Xijue's face showed a surprised look.

Obviously, he is not clear about the expert Li Tian said! I don't know what he meant.

I saw that Li Tian said, "I was actually brought into that black hole by an old senior."

"Old predecessor? What old predecessor?" After hearing this, Gu Mu Xi said with eyes full of doubt.

Li Tiandao in front of him said: "Actually, I don't know the old man either! I only know that he is very weird... and... and... his appearance is a bit special."

"Special appearance? What do you mean?" Just hearing that Gu Mu Xijue felt more and more strange.

Then Li Tian said, "The old man's face seems to have been ruined! The left cheek is covered with severely wounded sword marks! Even the left eye has become blind! Only one eye remains... and ...The old man is still hunched."

After listening to that, Gu Mu Xijue frowned for a moment.

"Really there is such a person?" Gu Mu Xijue asked.

Li Tiandao: "It is true."

"Impossible! The old man has been in charge of the temple for hundreds of years, but I never knew that there was such a man!" Gu Mu Xi Jue said in front of him.

Then Li Tian thought for a while and said, "Maybe you don't know God of Wood!"

"No! Absolutely impossible! Up and down the temple, the old man knows all! Even if you are the strong from the Spirit Earth Continent, I know it! There is absolutely no such old man as you said." That Gu Mu Xi said with absolute certainty.

Because every hundred years, the strong from the Lingtu Continent, Wood God will personally receive!

So Wood God knows them!

But Gu Mu Xi absolutely didn't know that there was such a rickety character with a ruined face?

However, Li Tian frowned after hearing Gu Mu Xijue's words in front of him, and said, "Hey, that's weird!"

"Oh, yes... the old man... is the old man who has swept the thirteenth heaven! When I saw him, he said he was only cleaning the thirteenth heaven." Li Tian suddenly remembered that he was there. Tao.

When Gu Muxi heard this, her face suddenly changed.

Standing alone in that weird face, his face was uncertain.

Li Tian saw that Gu Muxi's weird expression, and couldn't help asking, "God Mu, did you recognize it?"

"No! I don't know!"

"I can guarantee that I have never seen the person you mentioned!" Gu Muxi said absolutely.

Li Tianyi was depressed.

"It's impossible! I was still chatting with that old man just now..."

Gu Muxi said: "What about people now?"

Li Tian said depressed: "As soon as the old man's figure turned, he suddenly disappeared out of thin air."

When Gu Muxi heard this, a doubtful look appeared on his face.

"Weird! It's weird." Suddenly Gu Mu Xijue was there.

Li Tiandao: "What's weird?"

"Just now you said that the rickety old man swept the floor in these 13 days, didn't you?" Gu Mu Xi Jue said.

Li Tiandao: "Yes."

"Impossible! First of all, within the thirteenth day, all those who come in are cultivators! No one will clean here! And the most important point is that the thirteenth day, every day, only breakthrough strength can enter The next heaven! And the old man you mentioned, actually cleaned the sanitation of the thirteenth heaven...Do you mean that he has already passed the thirteenth heaven?" Gu Muxi said.

When Li Tian heard this, he was immediately stunned.

Yes, why didn't he expect it just now!

He only heard the old enough old man say that he was going to clean other floors... and then the figure disappeared out of thin air.

After Li Tian suddenly remembered it, he stayed for an instant!

"Yes! Why didn't I think about it" Li Tian said in astonishment.

"But, I was really with that rickety old man just now!" Just listen to Li Tiandao.

Gu Muxi looked desperately at Li Tian, he didn't think Li Tian was lying.

However, Gu Mu Xijue really didn't know that in these thirteen days, there was still such a profound practitioner hidden?

"Could it be...Could it be... him?"

"He is not dead yet?" Suddenly a weird word came out of Gu Mu Xijue's mouth.

When he said that sentence, a layer of strange shock appeared on his face! It was as if I recalled a very powerful character in my heart.

Li Tian heard the faint exclamation voice of Gu Mu Xi Jue, and couldn't help but ask: "Mu Shen, who are you talking about?"

But seeing that Gu Mu Xijue turned an ugly face and said: "This... the old man can't tell you yet!!!"

"Young man, you should cultivate here first! The old man will come to see you later!"

"I have something important now... I have to go there first!"

Suddenly, Gu Mu Xijue said in a flustered expression.

Li Tian saw that Gu Mu Xijue's face was full of panic, so he nodded there and said, "Okay!"

After Li Tian said "OK", that Gu Mu Xijue's figure suddenly flashed, and the whole person flew out of the thirteenth heaven... and then flew straight down.

Looking at the distant back of Gu Muxi, Li Tian had a lot of questions.

"How is this Gu Mu Xijue strange?"

"And who is the weird, rickety old man I saw with my own eyes just now? How strange?"

Chapter 3003:

However, after that Gu Mu Xijue flew out of the thirteenth heaven, a gray shadow flew directly towards the temple.

After arriving at the temple, suddenly his gray shadow turned and did not go directly to the temple, but to the vast ocean of blue waves like water.

After the gray shadow of Gu Mu Xijue reached the tranquil sea, suddenly his body swept down slightly, and then his feet gently stepped on the sea.

Both feet were on the surface of the sea, and the calm sea surface was only slightly rippled.

Then I saw that Gu Mu Xijue glanced at the extremely quiet sea, and then suddenly said slightly in his mouth: "Lao Bai, come out quickly."

The sound was small, but it was shocking!

The voice spread directly from above to the blue water-like sea.

Old white?

Just after the thick voice of Gu Mu Xizue in front of him suddenly passed from the surface of the sea, suddenly I saw that the originally calm sea suddenly began to turbulent.

Then I saw the sea suddenly churn up, and then a huge vortex appeared on the sea, and as the vortex rapidly rotated, a column of water with a width of more than ten feet directly rose into the sky.

At the moment when the water jet rushed up, a "humming" came out from the bottom of the sea.

The sound resembles an earthquake, and there are rumbling, rumbling, rumbling, and rattling sounds.

Shattered!

Then I saw a huge tortoise shell emerging from the deep seabed.

The moment the turtle shell emerged, then the giant appeared.

Yi turtle beast!

One of the four ancient beasts: Yi turtle beast.

At the moment when the "Yi turtle beast" appeared, I suddenly saw a white-clothed old man on the huge turtle shell, holding a weird fishing rod in his hand, and then sitting leisurely on the Yi turtle beast. On the tortoise shell.

"The **** of wood... why come to me with leisure and elegance today?" Suddenly the old man in white sitting on the shell of the "Yi Turtle Beast" asked with a smile.

He is that white god, one of the three main gods of the temple.

But seeing that the wooden **** heard what Baishen said, his face was cautiously there: "Lao Bai, there is a big deal today."

After hearing Gu Mu Xijue's words "big event", the white **** was slightly startled, then turned his head and looked over, looking at the Gu Mu Xijue floating on the sea and said: "Uh? The big event? Could it be heaven? Turbulence in the barrier?"

"No!" Just listen to the solemn expression of the wooden **** Gu Mu Xijue.

When the White God heard this, he wondered: "Since it wasn't the turbulence in the barrier of the sky, what could be the big thing?" The White God didn't care.

After he finished speaking, Gu Mu Xijue suddenly said coldly: "Lao Bai! I can't tell you clearly now! You will follow me to a place... and then I will tell you!"

After speaking, Gu Mu Xi Jue didn't even look at the White God again, then rolled the gray robe, and the whole person flew towards the left side like a meteor.

What about the White God?

Seeing that Gu Mu Xijue flew away, her brows were slightly wrinkled, but she still slightly closed the weird fishing rod in her hand, and then touched the shell of the Yi turtle beast with her hand and muttered Said: "Old man, you are waiting here for the old man...I first go and see what is the matter with Mu Shen?"

After speaking, the White God suddenly showed his figure, and the whole person followed the wood God's figure and shot out like a meteor.

Two shadows that were as fast as electric lights hurriedly flew towards the back of the temple.

But behind the temple, it was a piece of yellow land.

There are huge rocks and weeds, and you can see ancient beasts shuttle through the stone forest!

How did this Gu Mu Xijue suddenly bring the White God to this strange place?

Let's say that after Gu Mu Xi Jue Fei reached the back mountain of this temple, he suddenly flew towards a square in front.

The square seems to have been developed by man...you can still see the neat stone walls that have been built...but, it seems that only half of the construction has not been completed.

This huge square is about a few hundred square meters, and in the center of the square, there is a statue of a **** who stands tall!

Look carefully at the idol... It is a person who is sculpted!

A statue of a character with a gleaming face.

The statue is very tall and mighty, and its eyes are shining like life and domineering.

Who is this statue

Why is it that half of the construction has not been completed?

Besides, after that Gu Mu Xijue flew, the figure flew straight down from the air.

And what about the White God who followed closely? At this moment, it quickly flew over.

One after the other, the two main gods on the temple, the white god, and the wood **** all reached the square,

After arriving here, the White God glanced at Gu Mu Xijue curiously, then looked at everything around him with a pair of weird eyes, and suddenly mumbled at Gu Mu Xijue and asked, "Wood God, what are you doing? Brought me here? You and I know that we shouldn't be here again."

But seeing that Gu Mu Xijue replied, "Because what I am about to say...has a great relationship with this."

When Baishen heard it, his brows suddenly frowned.

"Wood god, what do you mean?"

Gu Mu Xi Jue said: "Wait, I will naturally tell you everything."

After Baishen listened, he was puzzled, but he didn't speak too much, just slightly looking at Gu Mu Xijue in front of him.

"Lao Bai, so many years have passed, let's worship him first."

After speaking, Gu Mu Xijue suddenly walked step by step towards the towering idol.

After reaching the towering stone sculpture, Gu Mu Xijue in front of her suddenly bowed respectfully three times.

Then he murmured: "The first teacher is here, the unfilial student Gu Mu comes to see you are old!!!"

Suddenly a weird word came out of Gu Mu Xizue's mouth. After saying it, Gu Mu Xizue bowed three times to the huge statue.

First teacher?

Could it be that the statue that Gu Mu Xijue worshiped was his teacher?

But he said that after the Gu Mu Xijue worship, the White God stood there with a weird light flashing in his eyes, then glanced at the towering stone statue, and then quietly walked over.

"The first teacher is here, and the students will kowtow to you for nothing."

After speaking, the white **** suddenly knocked three heads at the stone statue.

student?

Could it be that the white god, and the ancient wood Xijue in front of him, were all students of this stone statue?

But he said that when the white **** kowtow, he stood up slightly.

Then suddenly turned a pair of eyes to look at the Gu Mu Xi Jue in front of him: "God Mu, say, why did you call me here today? You should know that since that incident a thousand years ago, we have all Promise, absolutely not allowed to step here!"

Chapter 3004: Thousand Years of Past

After the White God suddenly uttered these words weirdly, Gu Mu Xijue in front of him suddenly sighed deeply.

A cold yin wind came from a distance, and then it blew on the body of the second elder.

I saw that Gu Mu Xijue sighed slightly, and then suddenly raised her eyes, looking at the towering stone statue, and suddenly muttered: "Lao Bai, for so many years, have you ever thought about our teacher? ?"

When Bai Shen heard this, he was taken aback, his eyes turned weirdly, and then said: "Wood God...what do you mean by this?"

But seeing that Gu Mu Xijue turned his head and looked at the white god's eyes and said: "I mean, did the four of us do the right thing back then? Do we really have no regrets in treating the teacher like that?"

Hearing what Mu Shen said, the White God was suddenly taken aback.

His mouth opened, as if he wanted to say something, but when the words reached his throat, he swallowed again! I don't know what to say.

However, a very strange light flashed in those eyes.

A long time ago, the temple! A place called the realm of gods! It is a land outside the world, where everything in the world has been abandoned, but it is a land in another world in the land of the Spirit Earth!

A long time ago, suddenly a young man came across the ocean to this pure land! Legend has it that the young man found this piece of pure land aimlessly in a lonely boat.

After finding it, he saw a Sky Tower!

That Sky Tower is the so-called: Thirteenth Heaven.

Then, by chance, the young man entered the thirteen heavens.

I don't know how long the cycle of years has passed. The young man who entered the thirteenth heaven by chance at that time was born suddenly. When he was born, the wind and waves screamed and thunder continued, and he flew out from the thirteenth day.

Since then, the young man has become the most powerful person in the world.

No one can guess his strength, and no one knows how strong he is... The only thing he knows is that after he was born, looking at everything around him, he suddenly made up his mind to rebuild this place! Then, after spending many years, he built the temple!

When the construction of a temple was completed, he felt very relieved!

But in such a place outside the world, he felt too lonely. Therefore, he traveled across the ocean by himself and began to look for the most qualified children in the world... and then brought those children to this temple.

The white god, wood god, goddess Xue Ji, and another **** who didn't know his life were brought to this temple.

After bringing them in, the four children worshipped him as a teacher.

Not only did he teach Kung Fu himself, but also everything!

After many years, the four children grew up slowly, and their strength became very strong and strong... Then they entered the thirteenth heaven and began to practice.

During this period? Their teacher has been practicing in the cave.

I don't know how long time has passed. Suddenly, the teacher became crazy...because it is said that the day he left the customs, he was born with a natural vision, and darkness suddenly broke out!

And the crazy teacher started to say that he would destroy everything he built by himself!

He wants to destroy the temple! Destroy these thirteen heavens!

When his crazy words were uttered, his four students were shocked, and then they began to stop him!

The four people tried to persuade the teacher, but they couldn't persuade them at all, so they fought each other.

4 students, although their skills are already strong, they still can't beat their teachers, and in the end 4 of them lost!

After the defeat, the teacher said that he would destroy the entire temple. Just as he was about to do it, one of the students suddenly displayed the strongest swordsmanship. This swordsmanship was a combination of the illusion of thirteen days. After training, even his teacher did not expect that the student would have practiced so powerful in thirteen days. He had cultivated such a high level of amazing swordsmanship. Therefore, he was suddenly attacked by a pungent sword. Half of his face was ruined, and one eye pupil was pierced immediately... After the student sneaked up on his teacher, the four students quickly locked up the teacher! ! !

In order to prevent the teacher from going crazy again, they imprisoned him for thirteen days!

His hands and feet were locked with iron ropes made of thousand-year-old stainless steel... They couldn't be opened at all, just like that, the teacher was imprisoned.

Time travels!

Unconsciously, that teacher seemed to have died in the thirteenth heaven!

Because the last time these four students went to see it, they saw a pile of bones...

Since then, the four students vowed not to mention this matter again.

Time is long!

The past thousands of years ago, just like that, one after another appeared in the minds of the White God and the Wood God Yuzue Furuki.

The white gods and wood gods of the two so-called temples were once two of the four children! ! !

Having said that, when smoke-like past events appeared in their hearts one by one, the white god's face suddenly twitched violently.

"Wood God, the four of us have already vowed to never mention the things of the past? I don't understand, why are you bringing me here today?" Only the White God asked with an angry face.

Obviously, this painful past had a big knot in their hearts! Knot!

After the white **** uttered his anger, Gu Mu Xijue in front of him suddenly said slightly, "Because...because...I feel...our teacher...as if not dead!!!"

"what?"

When the wooden **** in front of him said this sentence, suddenly, the white **** screamed as if he had seen a ghost.

Then he raised the pair of unbelievable eyes and looked at Gu Mu Xijue in horror.

"Wood god...what are you talking about?"

"What do you mean... he... he... doesn't seem to be dead?" Baishen's face changed greatly in surprise.

I saw that Wood God turned his head slightly and looked at the Baishendao in front of him: "You stay in the deep sea all year round and have a leisure time fishing...Of course I don't know what happened in the 13th Heaven."

Upon hearing this, Baishen asked in surprise, "What happened to the thirteenth heaven?"

"Do you still remember the group of mortals who came some time ago?" Mu Shen said suddenly.

Then Bai Shen said: "Of course I know."

"One of them once said in thirteen days that he saw a rickety old man!"

"He also said that the old man's face was totally unrecognizable... one eye was lost... the cleaning was done in those thirteen days."

"Furthermore... the rickety old man who was unrecognizable, his arms with both hands... also wore broken steel cords!!!"

Chapter 3005: Weird roar

"What? Impossible! Impossible! He can't be alive..."

When he heard what the wood **** said, the white **** suddenly cried out strangely, his voice harsh and unpleasant.

It's like hearing the most incredible things in the world.

But seeing that Gu Mu Xijue there said, "I don't think it's possible... But, this kid saw it with his own eyes!"

"Who? Who is it?" Hearing the white **** suddenly shouting.

Then Gu Mu Xijue said, "It's a young man from the Spirit Earth Continent."

When the White God heard it, the whole person was stunned.

After a long, long time, suddenly the White God said, "He is there? I'm going to ask!"

The White God in front of him eagerly wanted to know who on earth saw their former teacher and the strange man who once created this "temple"!

After the White God said so, the Gu Mu Xijue in front of him said slightly, "Lao Bai, don't worry about it!"

"Aren't you in a hurry?" Hearing that Baishen looked at Gu Mu Xi Jue with an ugly face.

Gu Mu Xi Jue secretly set it off, then shook her head.

"Yes, I'm not in a hurry."

"Lao Bai, I'm just thinking, if our teacher is really alive...Why didn't he kill the three of us with his own hands?" Just listen to Gu Mu Xi said slightly.

"Hey, we treated him like that...!!!" Gu Mu Xijue suddenly sighed again.

After he said that, those memories of the year were like tides, and they began to slowly flow into his mind.

Thinking of it, the four of them fought against the teacher back then! Thinking of... Finally, the teacher's face was destroyed... The painful roar after one eye was pierced...

All this made Gu Mu Xijue feel a slight pain in her heart.

After the White God heard Gu Mu Xijue's words, his face suddenly trembled violently.

"I...I...I..." The White God who uttered three "I" words in his mouth didn't say the following words.

He also thought of the past, and his heartache intensified.

"Are we really doing something wrong?" Suddenly Gu Mu Xijue said in that sadness.

The White God did not speak, but raised his eyes and looked deeply at the huge stone statue!

That one-foot-high carved stone statue was their teacher back then.

The white **** and the wood **** stood there blankly at the moment, then blinked at the statue of the former teacher... what was in their hearts at that moment... no one knew.

...

Qianxuefeng!

Under the Qianxuefeng Peak, which stood with towering ancient trees, only two figures were walking hard at that moment.

Take a closer look, the two who walked hard in this wild, densely covered barren forest, turned out to be Situ Ningbing and Yang Tong.

It turned out that Situ Ningbing and Yang Tong had been searching for Li Tian.

They heard that Li Tian had come to Qianxue Peak, so they started searching along the way.

They don't know how far Qian Xuefeng is... They don't know how many dangers are in front of them, but they hold a belief in their hearts, that belief is that they must find Li Tian.

With dense thorns, this Situ Ningbing dragged the young boy along with difficulty step by step.

In this wild jungle, towering old trees made them both lost their way, but they were still walking there.

"Sister Situ, I'm so tired!!!" Suddenly the Yang Tong shouted in a weak voice.

Two consecutive days of walking has made the young boy who is less than ten years old a little unbearable.

I saw that his round face was covered with dust and dirt! Lips are chapped...

A lot of blood blisters were formed on both feet!

Looking at the little yang boy at the moment, Situ Ningbing, who was walking in front, paused slightly and glanced at him.

"Tired?" Situ Ningbing looked at the young boy with concern and asked.

Yang Tong nodded silently.

Situ Ningbing said: "Okay, then let's rest."

Situ Ningbing who was talking quickly walked over from the front, and then sat beside the young boy.

Looking at the little young boy with chapped lips at the moment, Situ Ningbing took out the water bag and handed it to the young boy.

"Here, you have some water."

Yang Tong took the water bag, took a few sips, then looked at Situ Ningbing and said, "Thank you Sister Situ."

Situ Ningbing smiled faintly, stretched out his hand to wipe the dirty dirt on the young boy's face, and said distressedly: "Little guy, isn't it tired? Is the foot hurt?"

Yang Tong heard Situ Ningbing asking herself so concerned, and said: "I'm fine!"

When Situ Ningbing saw that Yang Tong was so sensible, he couldn't help touching his little face.

"Sister Situ, how long will we have to find the big brother?" Suddenly, Yang Tong asked Situ Ningbing in front of him in a tender voice.

After Situ Ningbing heard the little guy's question, he suddenly felt a little in his heart.

For some reason, her beautiful eyes are a little sour at the moment... The crystal teardrops are also spinning in her eyes.

But in the end, Situ Ningbing managed to endure it. She looked at Yang Tong firmly in front of her and said, "Come on! We should find your big brother soon."

"En! That's good! I want to find Big Brother soon." Yang Tong said there.

Situ Ningbing smiled bitterly after hearing this, and said nothing.

After the two people rested here for a long time, they were ready to continue on the road.

"Sister's water bag is almost out of water... I'll go there to find that water! You will wait for me here first... OK?" Situ Ningbing looked at the shriveled water bag, now facing the Yang beside him. Childhood.

After hearing Situ Ningbing's words, Yang Tong nodded quickly and said, "En!"

After that Yang Tong nodded and agreed, Situ Ningbing in front of him quickly went to the place there, and then looked for water.

But seeing her passing through an area full of weeds, and then looking for a water source to the left.

After walking for several tens of meters, I suddenly saw a clear stream among the wild grass in front.

Looking at the stream, Situ Ningbing was agitated, and then walked over quickly.

After walking over, she squatted down quickly, and then wiped that beautiful face with clean water... After washing, she only felt extremely comfortable.

"So comfortable." Situ Ningbing said there.

Then she held some clean water with two delicate hands and drank a few sips. After drinking, she started to fill her own water bag.

Just as Situ Ningbing filled the water bag with water, a "roar" suddenly came from her left side!

The sound...like something screaming, it was terrifying.

Chapter 3006: Moment of panic

But he said that after Situ Ningbing suddenly heard the terrible sound, Situ Ningbing was shocked. .

"Who?"

Situ Ningbing retreated while holding her water bag tightly, and suddenly exclaimed there.

Two beautiful eyes stared wide there, and then looked at the deep grass.

Here, the ancient trees are towering to the sky, and the surrounding flowers and plants are also extremely luxuriant... In such a wild forest, no one knows what exactly is in the grass just now.

But he said that at the moment when Situ Ningbing screamed out, suddenly there was a loud noise from the bushes again!

what?

Situ Ningbing was scared enough this time! The body quickly backed away.

While retreating quickly, he exclaimed, "Who, where is who?"

After that Situ Ningbing just called out, the sound of "huh, huh," suddenly came from the grass.

It was as if something was gasping.

At this moment, the extremely dense grass in front suddenly "rustled" movement.

It's as if something is moving inside.

Then, when Situ Ningbing's beautiful eyes widened, two sturdy ankles suddenly emerged from the bushes. Upon closer inspection, a huge lizard-like monster appeared on Situ Ningbing's. before.

The monster's body was the size of a crocodile, and there was a disgusting scaly layer all over the body!

The two pupils are blood-red, with long pointed fangs, there are mucus, the limbs are sturdy and strong, at this moment, they drilled out of the grass, and then raised the bloodthirsty eyes, unblinking He stared at Situ Ningbing in front of him.

Alien?

Not bad!

In the wilderness forest under the Thousand Snow Peaks, there are indeed many strange beasts!

These strange beasts are all carnivores and they are extremely cruel. I really didn't expect that Situ Ningbing would encounter one now.

But he said that Situ Ningbing suddenly screamed when he saw such a cruel beast appeared in front of him.

"what?"

With an exclamation, Situ Ningbing quickly began to back away.

As soon as she retreated, three or four more came out of the grass!

Those three or four monsters were about the same size as the strange beasts in front of them. After the "huh, huh" crawled out, they lifted the blood-red eyes and stared at the Situ Ningbing... the sharp fangs still in that ghastly stretched out.

When Situ Ningbing suddenly saw that she had met so many ferocious monsters at once, at that moment, her heart was about to jump out.

Scared!

Who can see these 45 huge beasts in this wilderness, who can't be afraid?

Besides, after Situ Ningbing felt the fear, then Situ Ningbing began to run away, and she ran towards the Yang Tong like crazy.

But he said that after Situ Ningbing ran out, the four or five strange beasts behind him suddenly "roared", opening the mouth full of fangs, and then chasing after him.

The limbs of these beasts are extremely developed, and their running speed is very fast, very fast...

At this moment, he soon chased after that Situ Ningbing!

Besides, Situ Ningbing screamed while running...The voice of fear echoed throughout the jungle.

...

The young boy who was waiting for Situ Ningbing to receive the water was taken aback after hearing Situ Ningbing's screaming sound from the front.

"Sister Situ has an accident!"

After Xiao Yangtong noticed it, he suddenly ran to Situ Ningbing quickly.

"Sister Situ?" Yang Tong, who ran over to support, shouted there.

Just a few meters out, I saw Situ Ningbing running towards him in horror.

But seeing that Situ Ningbing suddenly saw Yang Tong at the moment, he suddenly shouted: "Yang Tong, run...Run..."

The young boy was still depressed, and he didn't know what happened. So at this moment there is not only a slight hesitation.

Just when the young boy wanted to ask what was going on, he suddenly roared, and one of the terrifying beasts that was about to catch up suddenly rushed to the Situ Ningbing.

The mouth opened, the big blood-red mouth full of fangs, biting at Situ Ningbing.

Situ Ningbing saw the strange beast bite from behind, and immediately screamed, one hand hurriedly performed the "water polo technique" subconsciously, only to see a water-condensed water ball hit the strange beast all at once. On the head.

The strange beast was hit, and its body fell to the ground with a splash, without the slightest injury.

Then he roared again, chasing Situ Ningbing, extremely brutal.

The young boy finally saw the strange beast, and was shocked there at the moment.

"Yangtong, run!" After Situ Ningbing rushed over, he grabbed the young boy's little hand and called.

Unfortunately, it is too late.

Because those terrifying and cruel beasts have completely surrounded the two of them.

The five alien beasts all held up their blood-red pupils, and then opened a big mouth full of fangs to surround Situ Ningbing and Yang Tong in front of them.

Situ Ningbing and Yang Tong were surrounded by them. Their faces were ugly and pale, and their eyes showed horror.

"Sister Situ, these...what are these... beasts?" Yang Tong said in fear.

After all, he was still a child, and of course he would be scared after seeing such a few brutal beasts.

Situ Ningbing stared at the beasts in front of him in horror, while comforting the young boy there and said: "Don't be afraid, don't be afraid... there is a sister, my sister is protecting you."

"But... but... can we resist these beasts?" Yang Tong asked fearfully there.

Situ Ningbing also felt cold!

indeed!

The strength of the two of them is really not comparable to the ancient alien beast in front of them... because these alien beasts have hard scale armor to block damage, and their speed and strength are very fast.

As far as Situ Ningbing and Yang Tong are somewhat weak, they are indeed in great danger now.

"Don't worry, elder sister will take her life to protect you!" Situ Ningbing finally looked at the young boy there.

Yang Tong hid behind Situ Ningbing, trembling with fright.

At this moment, the beasts surrounding them began to attack.

I saw that the first one to attack was the biggest ferocious beast. The beast opened its fangs and bit at Situ Ningbing in front of him.

Situ Ningbing let out an exclamation, swept up slightly, and then released a water arrow from the air!

With the sound of piercing through, the small water arrow shot towards the alien beast.

With a bang, but seeing that the water arrow hit the alien beast's body fiercely, the alien beast blocked the water arrow with its scale armor! Then the water arrow was scrapped... but the strange beast showed no signs of injury.

Chapter 3007: Do you know Li Tian?

Seeing that the alien beast showed no signs of injury, Situ Ningbing's heart shook for an instant.

"Could it be that we are really so unlucky today? We are going to die in the mouths of these ferocious beasts?" Situ Ningbing suddenly thought pitifully in his mind.

At this moment, he saw several ferocious beasts around him rushing towards the Situ Ningbing and Yang Tong.

They opened their mouths full of fangs one by one, and then bite at the Situ Ningbing and Yangtong.

Seeing that Situ Ningbing and Yangtong were about to be buried in the mouths of these alien beasts, suddenly at this moment, a "whistling" sound came from the jungle.

Whoosh!

With the sound of the breaking wind, a cold light came directly.

Take a closer look, it turned out to be a flying sword!

There was a faint light on the flying sword, as if illusion was added to the flying sword.

Following that flying sword hurriedly flew out from the jungle, but seeing that terrifying flying sword, it directly pierced the head of a foreign beast...The foreign beast let out a scream, and then The huge body fell to the ground with a plop.

Immediately afterwards, bloody, disgusting mucus and blood flowed from that head.

When Situ Ningbing and Yangtong, who had been waiting for death, suddenly saw a flying sword shoot, they were stunned.

Opened his eyes to look.

Then I saw that suddenly a few beauties in white skirts flew out of the jungle.

Four beauties in white! All of them were wearing white sand skirts, graceful and delicate bodies, after being wrapped in that light veil, they looked so charming and charming.

However, of the four beauties in white clothes, three of them were still carrying unsheathed swords in their hands, and the other beautiful woman in white clothes took a cold look at the situation.

"Sisters, get rid of the beast in front of you!"

Following the sweet voice of the beautiful woman in white clothes, the three beautiful women in white clothes standing next to them with long swords nodded quickly and said: "Yes!"

Then these three beauties took out their swords together, and then stabbed at the beast that surrounded Situ Ningbing and Yangtong.

Although the beasts are extremely cruel, they are much weaker in the face of these three beauties in white with outstanding sword skills.

In a blink of an eye, those wild beasts with fangs that were extremely cruel just now died one by one under the swords of these beauties in white, and all of them died in an instant.

Situ Ningbing and Yang Tong stared at the peerless swordsmanship of these four beauties in white, and their beautiful faces.

There was an uncontrollable shadow in my heart: Who are they?

But it said that after the beasts died one by one under the swords of these beauties in white, one of the beauties in white who had just issued the order suddenly raised that pair of incomparable beautiful eyes and looked at Situ Ningbing... ..And that young boy.

Situ Ningbing stood there silently...but Yang Tong took a step back and hid behind Situ Ningbing.

"Thank you...Thank you for saving us." Situ Ningbing looked at the beautiful woman in white and said.

The beautiful woman in white did not speak, but gave Situ Ningbing a cold look.

Then suddenly coldly said: "Who are you? You dare to trespass into the Thousand Snow Peak Holy Land?"

Suddenly hearing the cold drink of the beautiful woman in white, Situ Ningbing quickly explained: "We...we are here to find someone!"

"Huh? Looking for someone?"

"Looking for someone to find Qianxuefeng? It's really funny." The beauty in white said coldly.

But seeing that Situ Ningbing quickly said: "This girl, I'm really here to find someone! I hope you can help us..."

Situ Ningbing and Yangtong, in this ancient forest at this moment, can't even figure out the direction! At the moment, I can only ask these beauties in white to help.

After hearing what Situ Ningbing said, the beauties in white suddenly looked at Situ Ningbing and the young boy with dirt on his face.

I saw one of the tall and tall beauties in white suddenly whispering there: "Sister, they look very pitiful...Would you like to ask who they are looking for?"

After all, girls are more kind in their hearts!

But seeing the beautiful woman in white clothes who was called the eldest sister, she thought about it, and glanced at Situ Ningbing, who looked pitiful in front of him, and the little young boy, so she gave an "en" in that mouth and raised her head. Looking at that Situ Ningbing and asked: "Okay! Since you said you are here to find someone? Tell me, who are you looking for?"

After the white-clothed beauty asked, Situ Ningbing in front of him hurriedly said: "We... look for... Li Tian."

"Li Tian?"

When the four beauties in white heard that Situ Ningbing said Li Tian's name, they all shook their heads and said, "We don't know Li Tian..."

When Situ Ningbing heard this, his heart suddenly became cold.

But Xiao Yangtong, who was seen behind Situ Ningbing, suddenly said: "Sisters, my eldest brother has indeed come to Qianxue Peak... so we want to find him."

When the four beauties in white heard what Yang Tong said, Liu eyebrows not only wrinkled slightly.

I saw the tall beauty next to the elder sister in a low voice: "Elder sister, did they look for before...before...that man?"

When the eldest sister heard it, she felt strange! "Could they just look for him?"

The eldest sister who thought about it, looked at that Situ Ningbing and asked: "What is the shape of Li Tian you are looking for, and at what age?"

Seeing that Situ Ningbing was there and quickly said: "He is very young, he looks... also handsome! He has a clear outline and a high nose... the complexion is yellow..."

Na Situ Ningbing explained all the features of Li Tian.

After Situ Ningbing in front of him told Li Tian's appearance, the four beauties in white were not only slightly startled.

amount?

"It's really him!"

"It seems that these two people are indeed looking for the man..." Just listen to the whispers of those beautiful women.

They all know now.

When Situ Ningbing heard them whispering there, he immediately asked excitedly: "How many, please tell me? Do you know Li Tian? Have you seen him?"

After that Situ Ningbing asked, the beauty in white suddenly said coldly: "I have seen it!"

After the white-clothed beauty suddenly said that, Situ Ningbing became excited.

"Great! Great! Thank you for telling me! Thank you!"

"Tell me a few girls, where is Li Tian now?" Situ Ningbing asked impatiently there.

She eagerly wanted to know the whereabouts of Li Tian now.

Chapter 3008: Subordinate

When Situ Ningbing was eager to know where Li Tian was, all of a sudden, she only heard the white-clothed beauty suddenly said coldly, "Are you really here to find him?"

Situ Ningbing was taken aback, and said quickly: "Yes!"

"No need to look anymore!" Suddenly the beautiful woman in white left a word coldly.

After hearing that the beautiful woman in white clothes suddenly dropped such a cold word, the Situ Ningbing in front of him and the Yang Tong behind him suddenly stunned.

"Why?" Situ Ningbing in front of me asked suddenly.

I only heard that the beautiful woman in white suddenly said coldly, "Because he is dead!"
what?

When Situ Ningbing and Yang Tong heard that Li Tian was dead, she stayed there for an instant.

And what about the young boy? At that moment, his unbelievable pupils widened.

"No! No! No!"

"You lie...My big brother will not die!"

"You lie!" Yang Tong shouted there all of a sudden.

What about Situ Ningbing? The beauties in white who were also staring blankly in front of them said, "You...you...how did you know...Li Tian is dead?"

After that Situ Ningbing asked, but the beauty in white clothes suddenly said coldly, "Because we saw it with our own eyes!"

When the words "saw with my own eyes" were uttered, Situ Ningbing only felt dizzy in his head!

She tried hard to hold back her tears, and asked in a trembling voice: "He...he...he really died?"

"Yes! He was shot down by our goddess Qianxuefeng! Of course he will die! Although we have not found her body yet... but I believe that he must be dead!" The white-clothed beauty said coldly.

When Situ Ningbing heard these four beauties in white suddenly say this, she suddenly felt black in front of her eyes, and her whole person suddenly fainted.

"Sister Situ... Sister Situ..."

In the exclamation of the young boy, Situ Ningbing seemed to be unable to withstand the blow of Li Tian's death, and suddenly fainted here.

After Situ Ningbing fainted in front of him, the young boy called Situ Ningbing pitifully.

But Situ Ningbing couldn't wake up.

Looking at the four beauties in white clothes in front of them, not only everyone showed sympathy.

"You are bad guys...you are bad guys...my big brother will not die! Definitely will not die!" Suddenly the young boy rushed towards the four beauties in white clothes like crazy!

As if wanting to hit these four beauties in white.

Who knows, Yang Tong just rushed up, the beautiful woman in white clothes, who was called the eldest sister, suddenly stretched out her hand quickly, and lightly hit that Yang Tong's "Tiantu Point", followed by Yang Tong His eyes went dark and he fainted.

This "Tiantu Point" is the faint point of the human body. There is nothing serious about Yang Tong being knocked out! After a while, you should be sober.

Looking at the fallen Situ Ningbing, and the young boy... the beauties in white at this moment all frowned slightly.

"Sister, what can I do?" Just listen to a beautiful woman in white in front of her asking.

But seeing that elder sister thought for a while and said: "What do you mean?"

The other beautiful woman in white clothes thought about it for a while, then glanced sympathetically at the fainted young boy and Situ Ningbing and said, "They both look very poor! We have to ignore their words. They will be eaten by wild beasts if they are thrown in this wilderness! It is equivalent to killing them indirectly..."

The eldest sister said: "Then you mean, take them to Qianxue Peak?"

The beauty said: "En!"

The elder sister thought for a while, and her beautiful eyes blinked twice and said: "Hey! Qianxuefeng is not allowed to enter by strangers! Forget it, today, for their pitiful sake, let's take them back first! Hope the goddess will not Will blame us for it."

That eldest sister can be regarded as kind hearted after all! In the end, Situ Ningbing and the young boy were not left behind.

After she said that, the other three beauties in white around her also laughed.

"Sister, please don't worry! If the goddess really blames me for waiting, I can just be willing to be punished when I wait!!!"

As they were talking, they quickly helped Situ Ningbing... and the young boy in front of them.

Then just listened to the big sister saying: "Let's go!"

Then four stunning figures in white clothes brought Situ Ningbing... and the young boy in front of him flew up towards the top of Qianxue Peak.

...

Qianxuefeng! Peak!

I saw that the waterfall falling from the top of the Tao Peak was still flowing with rapid water.

And through the water, you can see the water curtain hole.

I saw that in the water curtain cave, the four beauties in white were standing motionless.

Beside them, lying down was the fainted Situ Ningbing...and another Yangtong.

However, these four beauties in white clothes are all standing in this cave with their heads down.

In the cave of the Shuiliandong, it is the beautiful and incomparable goddess Xue Ji.

The goddess Xue Ji was wearing a red dress, sitting slightly on the stone altar, blinking her beautiful eyes and looking coldly at the four beauties in white clothes in front of her.

"The four of you are really bold. Have you forgotten the previous instructions of this palace? I said that no strangers are allowed to enter this Thousand Snow Peaks Holy Land! Do you take my words as the wind?" I saw it in the stone altar. The goddess Xue Ji sitting above suddenly said in anger.

Obviously, the goddess Xueji in front of her was angry because they brought the two strangers "Situ Ningbing and Yang Tong" in front of them back to Qianxue Peak.

After the goddess Xue Ji in front of her suddenly uttered these words in anger, the four beauties in white immediately all knelt to the ground.

"The subordinate knows wrong!" said the four beautiful women in white knelt on the ground together.

The goddess Xue Ji said coldly: "Since you know that you are wrong, then quickly throw these two strangers down Qianxue Peak..."

Hearing what the goddess Xue Ji said, the four beauties in white were stunned.

what?

Want to throw Situ Ningbing and Yang Tong down Qianxuefeng? This clearly meant to kill that Situ Ningbing and Yang Tong!

I saw the four beauties in white clothes suddenly stunned.

"Goddess, these two people...actually...actually...very pitiful! They came to Qianxuefeng just to find the man before." Only when the elder sister heard the begging goddess Xueji said .

As soon as the goddess Xue Ji heard that piece of the beauty of Qing Guo Qingcheng, a layer of freezing frost suddenly appeared.

"Unexpectedly, you four girls, all of you are kind-hearted!" When the goddess Xue Ji heard that eldest sister said, she suddenly said coldly.

The four beauties in white immediately lowered their heads, and did not dare to say too much.

Chapter 3009: Keep them

At this moment, the goddess Xue Ji suddenly flew slightly from the stone altar.

At the moment she flew down, she slowly walked towards the Situ Ningbing who was fainting on the ground in front of her...and the Yang Tong.

After walking to the fainted Situ Ningbing, the beauty of the goddess Xue Ji's peerless Qingcheng was slightly startled, and she looked at Situ Ningbing curiously.

Looking at Situ Ningbing's delicate and flawless face.

The straight bridge of the nose... the thin eyebrows like willow leaves, and the red and moist fragrance.

At that moment, the goddess Xue Ji not only showed a slight movement in her beautiful eyes.

"Unexpectedly, there are such beautiful women under the sky..." Suddenly the goddess Xue Ji in front of her said while looking at Situ Ningbing.

It turned out that she was shocked by the beauty of Situ Ningbing.

This goddess Xue Ji is naturally beautiful and unparalleled! I consider myself the number one beauty in the world! But after seeing this peerless face of Situ Ningbing, this not only surprised her slightly.

It turns out that Situ Ningbing's beauty is almost equal to that of the goddess Xue Ji!

And Situ Ningbing is still young...

Although the goddess Xue Ji has the appearance of an overwhelming country, there is no doubt that she is still a bit old!

So at this moment, the goddess Xue Ji was not only moved.

"Forget it, since the four of you saved these two strangers... Then take it to your resting place first!" Suddenly a word came out of the goddess Xue Ji's mouth.

The goddess Xue Ji did not even ask that Situ Ningbing and Yang Tong be thrown down the Qianxue Peak, but left them both!

After suddenly hearing what the goddess Xue Ji said, the four beauties in white were all taken aback at the same time!

They didn't seem to think that the goddess Xue Ji would agree to this.

At this moment, after a little stunned, the 4 beauties in white clothes hurriedly said, "Thank you Goddess!!"

After speaking, he hurriedly helped the fainted Situ Ningbing... and the young boy arrived at the resting place.

...

Time doesn't know how long has passed.

Finally, Situ Ningbing, who was overly sad and fainted, suddenly became sober.

At the moment she was awake, she suddenly opened her beautiful eyes, and then looked around.

But seeing her sleeping on a soft bed surrounded by all kinds of beautiful exotic flowers and plants, the fragrance was pleasant.

Situ Ningbing looked around with her beautiful eyes wide open.

"Here...what's the place?" she muttered there.

While talking, I looked around, but I saw that there were icy stone walls around! She seems to live in a stone cave, with women's clothes and various utensils, all neatly arranged.

Looking at everything around him, Situ Ningbing was there in a daze.

She doesn't know what exactly is this place in front of her? Don't know where she is?

Suddenly when Situ Ningbing was very surprised, the sound of footsteps came from outside, and there were also voices of women talking and laughing.

When Situ Ningbing heard this, he was startled, and quickly stepped off the soft bed, and then looked carefully.

At this moment, two beauties in white suddenly walked out of the cave.

When she saw these two beauties in white clothes at first glance, Situ Ningbing was momentarily startled: "Is it them?"

Situ Ningbing knew these beauties in white.

But he said that just when Situ Ningbing was very surprised, the two beauties in white who suddenly walked in also suddenly saw Situ Ningbing in front of them.

"Huh, are you awake?" Just listen to one of the tall beautiful women in white looking at Situ Ningbing with a smile.

Situ Ningbing looked at them cautiously, then nodded slightly and said: "En..."

"Who are you? Why am I here?" Situ Ningbing asked quickly.

After that Situ Ningbing asked slightly, the two beauties in white clothes suddenly smiled and said: "My name is Qingluan! My name is Bairu!"

Two beauties in white introduced themselves there.

After hearing the self-introduction of these two beauties in white, Situ Ningbing continued to ask: "I... why am I here?"

"Have you forgotten? You were unconscious, we rescued you." One of the tall girls named Qingluan smiled there.

When Situ Ningbing in front of him heard it, he suddenly remembered.

Yes, she was indeed in a coma before...

Thinking of everything before, Situ Ningbing suddenly woke up.

"You... You... saved me?"

The beauty in white clothes in Qingluan smiled and said, "Well!"

"Where is the young boy? Where is the young boy?" Suddenly, Situ Ningbing thought of the young boy and couldn't help asking.

The beautiful Bai Ru said: "Are you talking about that kid? He is resting!"

After the two beauties in white clothes said so, Situ Ningbing finally understood.

It turned out that these beauties in white really saved them.

After thinking about it, Situ Ningbing looked at them and said, "Thank you."

Bai Ru smiled and said, "You're welcome!"

"By the way, are you hungry? We brought you some snacks." Only one of the white-clothed girls said kindly.

While talking, he really reached the place over there, and then brought some exquisite snacks.

Situ Ningbing looked at them kindly, and said: "Thank you, but I am not hungry now."

"Well, that's okay! Then I will put the snacks here first...when you are hungry, then eat." Qingluan said.

Situ Ningbing looked around for a while and wanted to ask: "Two girls, may I ask, where am I now?"

"Qianxuefeng, the top of the peak!" said the tall Qingluan.

When Situ Ningbing heard it, he was suddenly startled.

"Qianxuefeng?"

"You...you...you told me before...say...say...Li Tian is dead? Is it true?" Situ Ningbing's voice was trembling suddenly at Qingluan and Bai Ru who were looking in front Tao.

When the two beauties in white clothes heard what Situ Ningbing said, they were all startled, then looked at each other, then turned their heads to look at Situ Ningbing in front of them.

"Actually... he... the man you were talking about... seems... as if he is indeed dead." Qing Luan said slightly.

When Situ Ningbing heard this, he suddenly felt as if he had a knife stabbed in it!

pain! Distorted pain!

"How could this happen? How could this happen?" Suddenly Situ Ningbing said in pain.

The crystal clear tears in the beautiful eyes also all dripped down.

Chapter 3010: Goddess Summoned

The two beauties in white saw Situ Ningbing in front of them suddenly showing such a sad and painful expression.

Not only a trace of sympathy appeared on the two pretty faces at this moment.

"Don't be sad!" Qing Luan slightly persuaded Situ Ningbing.

Another beauty, Bai Ru, also persuaded: "Yes! Don't be sad anymore."

"By the way, who is that man yours? Is he your man?" Bai Ru suddenly asked curiously.

Situ Ningbing did not answer these words.

Because she didn't know either.

She only knew that the time to know Li Tian was very short...but Li Tian could not be erased in her memory! As if Li Tian occupies a very important position in his heart, that position is even more important than Situ Ningbing himself.

But now, she heard the news of Li Tian's death? This made her somewhat unacceptable anyway.

"He died for me! I am sorry for him..." Suddenly Situ Ningbing said in tears.

The Qingluan and the Bairu girl in front of them heard Situ Ningbing's words, and they all looked at her sympathetically. At this moment, they didn't know what to say to comfort Situ Ningbing.

Sad for a long time!

Suddenly, Situ Ningbing wiped the tears on Qiao's face, then suddenly raised his head and said: "How did Li Tian die?"

After Situ Ningbing in front of him asked, Qingluan and Bairu looked at each other, and then only listened to Qingluan's answer and said, "That man is...because of falling I got off the Qianxue Peak! That's why I died."

"Yes, yes, he dropped Qianxuefeng himself." Bai Ru suddenly said there too.

These beauties in white did not tell the truth!

I didn't say anything about the situation between Li Tian and the goddess Xue Ji that day!

Actually, is Li Tian dead? These beauties in white also don't know!

They only knew that Li Tian fell down the Qianxue Peak... and then they didn't know the remaining things, so they guessed that Li Tian was dead now for no reason.

But is Li Tian really dead or alive? Who knows?

But she said that after Situ Ningbing heard Bai Ru and Qingluan suddenly say so, she stood there blankly, feeling cold and helpless... At that moment, it seemed as if the sky was collapsing. She lost everything.

"Li Tian is dead... Li Tian is dead..." Her mouth just kept repeating these four words, as if she was silly.

Qingluan and Bai Ru in front of them looked at Situ Ningbing's appearance, although they were sympathetic, but after all, they didn't know what to say.

In the end, after the two beauties in white clothes glanced at that Situ Ningbing, they left silently.

Situ Ningbing, who had flowed down in front of him, sat in the cave alone like that!

A gust of mountain wind blew by, blowing off a drop of crystal tears from Situ Ningbing.

...

Qianxuefeng, in the water curtain cave.

But seeing the goddess Xue Ji standing there slightly, looking at the fantastic scenery below the mountain.

After a few glances, the goddess Xue Ji said slightly, "Qingluan!"

Following her voice, Qing Luan, the beautiful woman in white clothes, hurried over and said, "Goddess!"

"How is that woman?" Suddenly the goddess Xue Ji asked.

After she asked, Qing Luan was stunned slightly. Obviously, she didn't expect that the goddess Xue Ji would suddenly care about Situ Ningbing.

At this moment, Qingluan replied there: "Return to the goddess, that woman is already sober."

After hearing this, the goddess Xue Ji said slightly on Leng Ruohanshuang's face: "Oh."

"Call her! This goddess has something to ask her..." The goddess Xue Ji suddenly said.

Qingluan said: "Yes!"

Then he walked out quickly.

When I walked out of this water curtain cave, I just met the other three sisters.

"Qingluan, what are you going to do?" The three good sisters asked curiously after seeing Qingluan walk out of the water curtain cave.

I saw Qing Luan there and replied: "The goddess asked me to call that woman over."

"amount?"

"Why did the goddess suddenly want to see that woman?" The three beauties in white clothes all asked with surprise on their faces.

Qing Luan waved his hand and said, "I don't know about that."

After hearing the three beauties in white clothes, they said, "Well, you can call her quickly."

"Yep!"

Qing Luan who was talking hurried to find Situ Ningbing.

Besides, since Situ Ningbing heard the news of Li Tian's death, he felt hopeless and helpless... There are no relatives beside her, only Li Tian, but now even Li Tian is "dead", which makes her What else?

Staying silently in the cave, she shed tears.

Suddenly at this moment, Qingluan walked into the cave.

"Girl..." After the Qingluan walked in, looking at Situ Ningbing who was still crying silently, he couldn't help but yell.

When Situ Ningbing heard someone call her, he wiped the tears on his face slightly, then raised his head and looked at the Qingluan.

"What's the matter?" she asked.

Na Qingluan said: "Our goddess wants to see you."

"Goddess?" Situ Ningbing was not only startled when he heard "Goddess".

She didn't know any goddess, nor who she was.

"Who is the goddess? I don't know her." Situ Ningbing said.

Qingluan smiled slightly, two shallow dimples appeared on her pretty face, very beautiful, and said: "The goddess is the master of our Qianxuefeng! It is also one of the three main gods of the temple! Now you should always you got it?"

Hearing Qingluan's introduction, Situ Ningbing was slightly startled: So he was one of the three main gods in the temple?

After thinking about it, Situ Ningbing nodded there and said: "But I don't know the goddess! Why does she want to see me?"

"This...I don't know." Qing Luan said there.

Situ Ningbing thought for a while, but did not speak.

"Girl, don't worry, our **** woman is very good! Before, she promised to let you stay in Qianxuefeng...Otherwise, you would have been eaten by those wolves, tigers and leopards under Qianxuefeng!" Qingluan Road in front of you.

Hearing Qing Luan's words, Situ Ningbing said, "Well then, I'll go see her."

"Well, I will show you the way."

Qingluan, who was speaking, took Situ Ningbing to see the so-called goddess Xue Ji.

After Qingluan led Situ Ningbing through several winding stone roads, he came to Shuilian Cave.

After arriving at the Shuilian Cave, when Situ Ningbing saw Situ Ningbing, he saw that in the middle of the Shuilian Cave, there was a huge stone altar...On the left side, there was a beautiful and unparalleled figure standing!

It was the goddess Xue Ji.

Looking at the back of the goddess Xue Ji Qianqian, Situ Ningbing only felt an invisible pressure...

I saw Qingluan leading Situ Ningbing into the Shuilian Cave, and then Qingluan respectfully bowed aside and said, "Slavery Qingluan, see the goddess!"

Following Qingluan's words, Situ Ningbing who stood aside was somewhat restrained, but did not make any moves.
