

A Killer 3021

Chapter 3021: Revenge of Fury

I saw that Bai Ru had died tragically, and the originally beautiful face had turned pale at this moment... There was a terrible blood hole in his chest, and the white dress under his body was also stained with layers of blood. .

"Sister Bai Ru... Bai Ru!" After seeing the tragic death of Bai Ru on the ground, Qingluan cried out in sorrow for an instant, and then quickly threw away the long sword in his hand and took away Bai Ru's The corpse was hugged tightly.

"Sister Bai Ru, you can't die... You can't die!" Qing Luan cried out in pain while holding Bai Ru's body in tears.

It's a pity that Bai Ru has been dead for a long time. No matter what Qingluan calls in front of him, Bai Ru has no reaction at all.

Holding the cold Bai Ru corpse in his arms, Qing Luan in front of him suddenly screamed like crazy.

"How could this be? How could this be?"

"Who... killed my sister?"

"Is that bastard?"

A scream of anger came out from that Qingluan's mouth, but looking around the wilderness, there was no ghost.

A gloomy cool breeze blew, but I saw that Qingluan was holding Bairu's body in pain.

...

Besides, the eldest sister and another sister are still looking for Na Bairu.

As they were searching, they suddenly saw a light in the east sky, and then heard a sound of "swords".

It turned out that this was the "sword ming" signal sent by Qingluan.

After the eldest sister and another sister saw the signal, they all smiled.

"Found it! It seems that Qingluan's little girl has found Bai Ru."

Having said that, they hurried to go round with that Qingluan!

Soon, when the eldest sister and another beautiful lady in white flew over quickly, they also saw Qingluan in front of them in an instant.

I saw that Qingluan was sitting there limply, still holding Bairu's dead body in her arms...

what?

When seeing such a scene, the eldest sister and another beautiful woman in white screamed in surprise.

Then all ran over.

"Qingluan, what's the matter?"

"Bai Ru...what's wrong with her?" The eldest sister asked in surprise while flying over quickly.

But seeing that Qing Luan Qiao's face was full of tears, when she saw the eldest sister and the others rushing, she said hoarsely: "Sister Bai Ru...she...she...dead!"

"What?" When Qing Luan said that, the eldest sister and the other beautiful woman in white all exclaimed!

Then he hurriedly went to see Bai Ru, but saw the blood red all over Bai Ru...The corpse was lying in Qingluan's arms.

When he saw that his good sister Bai Ru was dead, this eldest sister and another sister were stunned for a moment.

"How could this happen? How could this happen? Who is it... that **** killed Sister Bai Ru?" Suddenly the eldest sister exclaimed.

Her beautiful eyes were also red, and her whole body trembled violently because of excessive anger.

But seeing Qingluan holding Bai Ru's body, she shook her head in pain and said, "I don't know! Sister Bai Ru...has been dead for a long time when I arrived!"

Hearing what Qing Luan said, the eldest sister and the other beautiful woman in white were suddenly taken aback.

At this moment, the three beauties were looking at Bai Ru's body, and all of a sudden, the eldest sister said with tears, "Bai Ru, my poor sister! Why were you suddenly murdered?"

"Sister swears before you! I must kill the person who killed you! I must crush him and avenge my younger sister!" The eldest sister bit her teeth and shouted with red eyes.

At this moment, the three daughters were extremely sad, and finally buried the body of Bai Ru.

After burying Na Bai Ru's body, the three girls bowed before Na Bai Ru's grave with a heavy heart!

"Forget it, let's go." The eldest sister said hoarsely.

The other Qingluan and the others all glanced sadly at Bai Ru's tomb, wiped their tears, and then nodded.

"Sister Bai Ru will not die in vain! We will definitely avenge her."

The eldest sister held the long sword in her hand tightly, in that way.

"Eldest sister, Sister Bai Ru seems to have been harmed by a terrible illusion...her chest was shot with a blood hole...presumably she must have encountered a terrible bastard." Qingluan said there.

After listening, the eldest sister nodded silently and said: "I can see it!"

"No matter who the other party is, she actually killed Sister Bai Ru, even if we chase him to the end of the world, we will break him into pieces! Our Qian Xuefeng is definitely not a bully!"

"Go, let's go back to Qianxue Peak and tell the goddess!"

After the eldest sister finally uttered these words, her figure was shown, and then she flew in the air.

Qing Luan behind him, and another beautiful woman, followed very quickly! They return to Qianxuefeng! ! !

...

Qian Xuefeng, when the eldest sister came back with Qingluan and the others, the goddess was still in the cave.

"Qingluan, you two stay here first, I'll go to the goddess!!!" Only the elder sister said.

After listening, Qing Luan nodded.

Then the eldest sister quickly went to find the goddess.

At this moment, the goddess retreats in the "misty cave" among the nine caves and thirteen caves.

After the eldest sister quickly came to this "Mission Cave", she saw a huge stone gate outside the Misty Cave. The stone gate was tightly closed at this moment, and the so-called goddess Xue Ji was inside the stone gate.

He glanced at the tightly closed Shimen, but saw that the eldest sister suddenly kneeled outside the Shimen.

"The slave and the maid saw the goddess!! A major incident occurred in Qianxuefeng, and the goddess was asked to leave the customs as quickly as possible!" I heard the older sister kneeling outside Shimen and saying.

After the elder sister's sweet voice suddenly entered the grotto, suddenly a rumbling sound came from the grotto!

At the moment that sound came, the huge stone gate suddenly opened rumblingly.

But at the moment that the stone gate rumblingly opened, a fiery red figure flew directly out of the grotto. Look carefully, but it was the Shennong Xueji that flew out.

Chapter 3022: Find wood god

But he said that after the stone door was suddenly opened, a red figure suddenly shot out from the "Mission Cave".

The goddess Xue Ji.

I saw the goddess Xue Ji with a layer of frost on her face, and at the moment she flew out, she suddenly asked coldly, "What's the so-called?"

After the goddess Xue Ji asked all of a sudden, the eldest sister hurriedly knelt to the ground.

"Return to the goddess, Bai Ru... Bai Ru... was killed." A word came out from the big sister in front of her.

After the eldest sister called out for a moment, the goddess Xue Ji in front of her was stunned.

"What are you talking about?" The cold words roared out of the goddess Xue Ji's mouth for an instant.

Immediately after that, a terrible killing intent appeared from the whole body of the goddess Xue Ji!

The eldest sister said there again, "Bai Ru...Bai Ru... was killed."

After the elder sister repeated that sentence again, the goddess Xue Ji in front of her suddenly flashed, and she suddenly reached the elder sister's side directly.

"Bai Ru was killed? How could it be possible?" the goddess Xue Ji yelled suddenly.

"Who would dare to kill people in my Qianxuefeng site? Impatient to live?" The goddess shouted angrily.

But seeing the eldest sister there quickly replied: "It's true, Goddess!!!"

When the elder sister really said that Bai Ru was killed, the goddess in front of her was taken aback.

"Who is it? Who did it?" The goddess Xue Ji in front of her was exuding a terrible air of death.

The elder sister said: "We don't know... Only that Bai Ru's body was punched with a blood hole... and the devilish energy around him... It's very evil."

"Where?" Suddenly the goddess Xue Ji asked angrily.

The eldest sister replied, "Just below Qianxue Peak."

"Take me there!" Suddenly the goddess Xue Ji said.

After the goddess Xue Ji finished saying that, the eldest sister in front of her hurriedly nodded and said, "Yes!"

Then she quickly took the goddess Xue Ji in front of her and flew down towards the Qianxue Peak.

They are going to see how Bai Ru died!

I saw two figures rushing down the Qianxue Peak quickly!

One is a white figure... the other is a figure that looks like a ball of fire, just like that, flying down from Qianxuefeng.

The eldest sister in front of her flew all the way with the goddess Xue Ji!

Soon he reached the place where Bai Ru died!

After arriving at the place where Bai Ru died, the eldest sister shot down from the sky.

"Goddess, sister Bai Ru... just... just die here."

After the eldest sister in front of her had finished speaking, the goddess Xue Ji, who had shot down from the sky, suddenly glanced at the situation before her coldly.

Then she saw the dark ground...and the wild grasses and flowers that were surrounded by innocent death and withered...

When seeing all this, the face of the goddess Xue Ji suddenly showed an extremely ugly look.

"What an evil aura!" Suddenly a weird word came out of the goddess Xue Ji's mouth.

After the goddess Xue Ji finished speaking, she suddenly saw her slowly walking over, and then squatting down slightly and stroking the withered flowers with her delicate hands.

After touching, her face was startled, and she suddenly said: "Damn! It's them!!!" The goddess Xue Ji suddenly turned extremely ugly.

The eldest sister asked, "Goddess, who is it?"

"It's the Nine Palaces!!! The demons in the Nine Palaces broke in."

what?

When the eldest sister heard the words "Nine Palaces", she was stunned for an instant.

"Nine Palaces? Goddess, are you talking about the demons in the Nine Palaces?" The eldest sister was horrified in that instant.

But seeing that goddess Xue Ji said with an ugly face: "Not bad!"

"The one who can release such terrible and evil aura is definitely the Three Demons of the Pluto in the Nine Houses! I just don't know, who is among the Three Demons of the Pluto this time?" The goddess Xue Ji said coldly.

When the eldest sister heard it, her entire face became pale.

"Nine Palaces?"

"Goddess, but, don't we have a heavenly barrier blocking the Nine Palaces?" The eldest sister suddenly said.

After she finished speaking, she saw the goddess suddenly raised her head, looking at the sky enchantment covering the temple in the sky, and suddenly muttered in her mouth: "Maybe, the sky enchantment has not stopped The invasion of the Jiugong!"

As the goddess Xueji said this all of a sudden, the elder sister said: "Goddess, you mean Sister Bai Ru was killed by the demons in the Nine Palaces?"

"En! There should be nothing wrong!" said the goddess Xue Ji.

After the eldest sister heard this, she was taken aback for a while, and then she stood there without saying a word.

But what about that goddess Xue Ji? At this moment, he suddenly raised his head and looked at the enchantment that day, and then said in his mouth: "You quickly return to Qianxuefeng and tell others that you must not leave Qianxuefeng during this time!!! I will go to the temple.

The goddess Xue Ji actually wants to go to that temple now?

But she said that the eldest sister in front of her was slightly startled when she heard the goddess Xue Ji say this.

"Goddess, then you go to the temple?" The eldest sister asked.

The goddess Xue Ji said: "Yes!"

"It shouldn't be too late, you can return to Qianxuefeng as soon as possible."

After the goddess Xue Ji coldly uttered these words, the fiery red figure suddenly rolled up, and flew towards the temple as fast as a beam of light.

That eldest sister stood there alone, staying for a long time, only to see that eldest sister hurried back to Qianxue Peak!

...

But she said that the goddess Xue Ji flew towards the temple by herself at this moment.

A firelight figure flew straight towards the direction of the temple.

After reaching the temple, suddenly the red figure of the goddess Xue Ji fell from the sky.

At the moment it flew down, 56 white and black guards stood outside the temple.

The guardian among the 56 temples hurriedly bowed down at the moment they saw the goddess Xue Ji, and said, "See the goddess!"

But she said that the goddess Xue Ji didn't even look at them, and walked quickly towards the temple.

After the goddess entered the temple directly, she saw her walking straight to the room where the "Wood God" lived.

After reaching the room, the old man in white shirt Xuantian who was patrolling outside saw the goddess Xue Ji at the moment.

"Goddess..." When that Xuantian saw the goddess Xue Ji, he couldn't help saying respectfully.

The goddess Xue Ji glanced coldly at the Xuantian Dao; "Where is the Wood God?"

"Return to the goddess, Wood God is resting in the room."

After Xuantian finished speaking, he saw the goddess Xue Ji and said: "Go and report him! I want to find him for something!"

Chapter 3023: Hei Jue is here

After the old man Xuantian wearing a white shirt heard what "Goddess" Xue Ji said, he did not dare to violate his will.

After all, the "Goddess" in front of her was of the same level as the Wood God and White God.

So the old man in white shirt "Xuan Tian" quickly said, "Yes!"

Then he entered the room of the wood ***** to report.

After a while, he saw the wood ***** walking out of the room.

At the moment when the wood god's gray figure appeared, the goddess Xue Ji raised her beautiful eyes and took a look.

"Xue Ji, you are here." Wood God asked while looking at the goddess Xue Ji in front of her with a smile.

At the moment when Gu Mu Xijue appeared, the goddess Xue Ji said directly: "Wood God, has the barrier of heaven been breached?"

As the goddess Xue Ji suddenly said such a word, the Gu Mu Xijue in front of her was slightly startled!

He didn't expect that the goddess Xue Ji already knew, and at this moment he said in surprise: "Xue Ji, how did you know?"

You know, no one had notified the goddess Xue Ji before! Because no one dared to step into the territory of Qianxuefeng.

After that Gu Mu Xijue suddenly said such a sentence, the goddess Xue Ji showed a frosty cold color on her face, and then said coldly, "My maidservant was killed by the three demons of the underworld. , How can I know?"

When the goddess Xue Ji suddenly said this, Gu Mu Xijue was stunned.

Then he shouted in horror, "What?"

"Your maidservant was killed?" Gu Muxi asked incredulously.

But seeing that goddess Xue Ji had an angry face, she said: "That's it!"

Then the goddess Xue Ji explained the death of Bai Ru... and all the things she saw withered flowers under the Qianxue Peak and the black ground.

After speaking out, the Gu Mu Xijue in front of him was suddenly stunned.

"Damn it! I didn't expect the Three Demons of the Underworld to really break in." Hearing Gu Mu Xijue's shocked words.

After that Gu Mu Xijue said so, and then only listened to that Gu Mu Xijue said in that slight: "It's true that yesterday afternoon, the barrier of heaven was invaded by the Nine Palaces! Although I saw that The devilish energy tore through the barrier of the sky, but I also quickly blocked the invasion of the nine palaces! But I didn't expect the three demons of the underworld to invade."

When the goddess Xue Ji heard this, she said in a cold voice, "Wood God, since the evil spirits in the Nine Palaces have already invaded the scope of the temple, why not notify us?"

When Gu Muxi heard this, she smiled awkwardly and said: "Xue Ji, I have already sent someone to inform you! But, have you forgotten? Your Qianxue Peak is not allowed to enter by any man... So... ..They don't dare to step into your Qianxue Peak site!"

It turns out that the goddess Xue Ji's Thousand Snow Peak Holy Land is forbidden to be entered by anyone! Even people in the temple cannot enter! Those who enter must die!

This is the rule set by the goddess Xue Ji herself!

After the goddess Xue Ji heard Gu Mu Xijue's words all of a sudden, she was stunned.

She wanted to question that Yuzue Gu Mu? But it suddenly occurred to me that I did establish this rule before, so at this moment, I could only snorted.

Seeing that Gu Mu Xijue didn't mind, she just smiled faintly and said: "Xue Ji, it seems that the Three Demons of the Underworld should have broken into your Qianxue Peak area."

"En!" But seeing the goddess Xue Ji replied coldly.

Gu Muxi said, "Should I send some people to help you?"

But seeing the goddess Xue Ji suddenly said coldly: "No need!"

Hearing what the goddess Xue Ji said, that Gu Mu Xijue didn't speak too much.

"Wood God, since the three underworld demons have broken into the scope of our temple, presumably, the demons in the nine palaces will soon come! I think the battle of the gods is about to begin."

After the goddess Xue Ji said so, Gu Mu Xijue nodded slightly and said, "What you said is not bad!"

"Hey, I didn't expect the things we were worried about all the time, but finally happened." Gu Mu Xijue sighed slightly.

But seeing the goddess Xue Ji said coldly, "What are you afraid of? We don't necessarily lose to Jiu Gong! Who is dead and who lives is not necessarily?"

After hearing the goddess Xue Ji say this, Gu Mu Xijue smiled bitterly, and then said nothing more.

"Wood god, the three demons of the Pluto have already broken into the temple area! Let your people be careful..."

Suddenly the goddess Xue Ji said.

After speaking, her fiery red figure suddenly flashed and flew away toward the sky.

The Gu Muxi in front of him desperately looked at the figure of the goddess Xue Ji to leave, and suddenly said loudly there, "Xue Ji, where are you going?"

"Find the **** of the Three Demons of the Underworld, and avenge my maidservant." The goddess Xue Ji, who flew into the air, dropped a word, and then flew into the distance.

The Gu Muxi in front of him desperately looked at the figure of the goddess Xue Ji leaving. At this moment, he could only sigh slightly, "Hey!"

...

The thirteenth heaven.

The Sky Tower that stood in the sky was still standing there.

At this moment, I saw a terrible black python gas, which suddenly flew from a distance.

The terrible and weird black python gas, wherever it went, the death gas was permeated, and even some strange flowers and weeds became withered.

But he said that this terrible black python gas is one of the three demon of the underworld: Hei Jue!

Just after Hei Jue came to the periphery of the Thirteenth Heaven, Hei Jue's figure appeared in a "swish".

There was a faint black aura permeating his body, which was steaming there like a flame.

He lifted the pair of brown pupils and glanced at the Sky Tower in the Thirteenth Heaven, and suddenly smiled grimly: "Is this the so-called Thirteenth Heaven?"

"Hehe, it seems I found it in Heijue."

After the words were spoken, Hei Jue's figure quickly flew towards the Sky Tower on the thirteenth layer as soon as he showed.

But he said that just as the Heijue figure was about to fly over the lake, suddenly a quiet lake, a terrifying current suddenly rolled towards the Heijue body.

Hei Jue never expected that there was a stream of water in this tranquil lake that suddenly wrapped his entire body, and he was taken aback for a moment.

Then the water flow issued a restraining force, and Heijue gave a cold drink, and an endless black breath erupted from his body. Then there was a bang, and all the water around him exploded. Then Heijue figured out. Flash, the whole person landed safely on the shore of the lake.

Chapter 3024: Sword of Burning Heaven

But he said, what is the weird thing about the water that intercepted him just now?

When I took a closer look, I saw that in the middle of the lake, I don't know when a "water man!" more than two meters high appeared.

It turned out to be the "water man" who guarded the temple.

This water man appeared once when blocking Li Tian, but he did not expect to appear again now.

But he said that after Na Hei Jue saw a "water man" suddenly appear in the middle of this tranquil lake and blocked him, that Hei Jue's face showed a strong killing intent.

"Damn thing! I didn't expect something like you in this lake to block the deity."

After that Heijue finished speaking coldly, suddenly a mark quickly condensed in his hand.

"Black Fire Seal!"

With a cold drink, suddenly Hei Jue stretched out his right hand, and a black steaming aura like flames flew towards the water man.

Let's also say that when the "water man" saw such a flame-like black aura flying in, his two-meter-long body suddenly shrank, and then blocked the black "black fire mark". .

Then a water flow arm suddenly extended, rolling towards the black jue with a swish.

Na Heijue glanced at it, sneered, his right hand cut into a palm, and then attacked the water man.
puff! puff! puff!

The Hei Jue's cut palm directly cut off the water man's extended arm, and then shouted angrily, the "black fire mark" that had just been cast flooded the water man.

Although the "water man" is extremely supernatural, he is not a human being after all!

So it doesn't know about blocking at all.

There was a bang, but the "black fire mark" cast by Hei Jue suddenly surrounded the body of the water man.

Facing the flame-like black steaming aura, the water man suddenly uttered a painful cry of "creak".

"Blast!" Then he roared, but when he saw the water man "boom", his body burst directly.

Then the whole body turned into a cloud of black water, scattered in the lake!

The "Waterman" couldn't stop the black jue before him.

However, he said that after that Hei Jue killed the "water man" who was blocking him, he didn't even look at it again, but flew in the air to the thirteenth heaven.

What does the Hei Jue of the Three Hades want to do?

He, why come to the thirteenth heaven?

No one knows all of this.

...

Within 13 days.

There are many, many cultivators...how many are there? No one knows.

They all practiced peerless illusion in these thirteen days. Some people practiced for a lifetime, while some people died of old age in these thirteen days.

What about Li Tian?

What level has he cultivated now?

Within the seventh heaven, the flames of the sky were burning in the room of the seventh heaven.

I saw the flames being manipulated by a shirtless man.

Look carefully, the person operating this golden flame is the same Li Tian.

It turned out that Li Tian cultivated on the seventh day: the sword of burning sky.

"The fire of burning the sky, the sword of flames!"

After Li Tian suddenly uttered these eight words, from the golden flame, a sword light of fiery rays was suddenly shot out.

This is: Sword of Burning Heaven! ! !

The magic of light illusion.

Look carefully at this refined "Sword of Burning Heaven", but see this sword floating in the air, golden light permeates all around the body, and the flames are biting. In the process of Li Tian waved slightly, this one "The Sword of Burning Heaven" immediately flew out to the left as if breaking the wind.

There was a bang, but he saw this "burning sky sword" directly hit a huge bluestone over two meters high.

At the moment of impact, that huge bluestone turned directly into pieces!

The raised scum flying in the air...

"What a strong sword!!!"

"It really deserves to be an immortal technique!" Suddenly Li Tian exclaimed in horror.

It turned out that this "Sword of Burning Heaven" was created by magical power from people, and once transformed, it will be used for life.

There was an indescribable excitement in Li Tian's eyes looking at the "Sword of Burning Heaven" he had refined.

"Come!"

Under Li Tian's loud shout, suddenly I saw the "burning sky sword" flew towards Li Tian with a whistling sound. After reaching Li Tian's side, the whole sword body turned into nothingness. The light then penetrated into Li Tian's body.

Li Tian has already practiced the magical technique of light: Xianshu!

Sword of Burning Heaven.

It's just that he still doesn't know how effective this "Sword of Burning Heaven" is? How powerful is it?

Li Tianzai in front of him was delighted, because he had clearly felt his physical strength continued to grow stronger! As for how strong he is now? He doesn't even know.

Just when Li Tian had cultivated the "Sword of Burning Heaven", suddenly a pair of brilliant eyes in the darkness looked at him with relief.

When he saw Li Tian finally put away the sword of Burning Heaven, those shining eyes shouted in a low voice, "This kid is good, good!!"

After murmured these words in his mouth, suddenly his figure disappeared within the seventh day.

But he said that Li Tian didn't notice that he had a pair of eyes that had been staring at him during the seventh day.

He was just happy there.

Just when Li Tian was happy that he had cultivated the "Sword of Burning Heaven", suddenly, a huge explosion sounded from below the thirteen days.

Boom!

The violent explosion made the entire "Sky Tower" tremble.

After Li Tian felt the sound of an "explosion" in the following several days, he was not only stunned for an instant.

"Huh? What's the matter? What exactly was the explosion sound just now?"

Just as Li Tian was wondering in his heart like this, suddenly there was a "violent explosion sound" from below.

Boom!

The explosion was stronger than before, causing Li Tian's body to shake uncontrollably.

Feeling such an explosion, Li Tian felt very strange.

"What seems to be happening down here? I'll take a look."

After Li Tian felt that something strange appeared in the next few heavens, he was ready to go down and take a look.

After thinking this way in his heart, Li Tian flew out directly from the window of the seventh heaven!

He didn't directly descend from the top of the ladder, but directly flew out from the window on the seventh day.

Chapter 3025: The death of the old dean

But he said that after Li Tian flew out all of a sudden, he then blinked and looked down. .

I looked at it from this glance, but in the next few days, gunpowder smoke filled the sky... A white transpiring breath was rising to the sky!

It was as if there was a huge explosion in the next few days.

Li Tian was not only surprised when he saw this situation at first glance.

"Hey, what is going on down here?"

While Li Tian was wondering like this in his mind, he quickly flew down.

Soon, he saw that Li Tian's figure had been shot down from the sky.

After flying below, Li Tian quickly entered the first heaven.

The smoke of gunpowder came from the first heaven, the second heaven, and the third heaven.

Therefore, Li Tian could only check the situation layer by layer.

After Li Tian quickly reached the first heaven, the smell of a sulfur bomb filled the inside of Li Tian's nose.

"What's the smell?" Li Tian wondered.

He pinched his nose, and then entered the first heavy sky filled with smoke.

After arriving in the first heaven, Li Tian suddenly saw that a huge explosion had happened here! Moreover, this first heaven originally had many, many stone walls, and those stone walls were all engraved with intermediate-level illusion secrets, but now to see?

I saw the stone walls that were originally engraved with magic tricks, all exploded! Turned into rubble!

All the magic tricks above were also scrapped.

"Ah? Is anyone going to damage the cultivation secrets of these thirteen days?" Li Tian looked at the broken stone wall, and couldn't help but said in a daze.

Looking around, then Li Tian hurriedly ran towards the second heaven.

He is going to see the situation on the second day.

Let's say that with that Li Tian quickly came to the inside of the second heaven, he blinked, but saw that the situation on the second day was exactly the same as the first! The stone walls that practiced magic tricks were all blown up!

All the secrets for practicing illusion techniques have all been scrapped.

Looking at this situation, Li Tian was stunned for an instant.

"Who? Who did this?"

Just when Li Tian was shocked, suddenly there was a very weak gasp from the gunpowder on the left.

"Someone?" Li Tian quickly flew past after hearing a weak gasp.

After reaching the left, Li Tian saw through the layers of gunpowder smoke that there was a figure lying there.

After seeing the figure lying in the corner, Li Tian was taken aback, and quickly walked over.

After walking past, Li Tian took a closer look, huh? It turned out to be the old Dean Hollis.

When he saw that it was the old Dean Hollis, Li Tian was startled.

Then quickly yelled there.

"Old Dean? How could it be you?" Li Tian was horrified, and hurriedly helped the old Dean Hollis.

But seeing that the old dean received a fatal and serious injury, his face had turned purple and black, and the whole body also showed a breath of death.

Obviously, the old dean was seriously injured.

It turned out that the old Dean Hollis had been practicing on this second day... It's a pity that he was attacked inexplicably just now.

When Li Tian saw that the old Dean Heris turned into such a painful appearance, he was stunned for an instant, and he quickly helped the old Dean Heris's body, while asking in surprise: "Old Dean, what's wrong with you? Who hurt you?"

But seeing the old dean blinking weakly, a purple-black hand held Li Tian's arm tightly there.

"Li Tian...Li Tian..." He yelled twice in pain, and then spit out a mouthful of black blood from his mouth "Wow".

"Old Dean, your injury is serious!"

"I will heal you."

As soon as Li Tian saw the dying expression of the old dean, he couldn't help but heal the old dean Hollis.

But when Li Tian was preparing for treatment, the old dean suddenly said in a very weak voice: "No...no need...I already...have...can't live anymore!"

"No! Old Dean, you can't die!" Li Tian looked at the face of the old Dean Heris, and said in pain.

But seeing the old dean smiled miserably, and then spit out a black blood from his mouth: "Stupid boy, my body, am I still not sure? I...I...no longer do it."

When Li Tian heard it, his heart felt like a knife cut!

There are very few people he knew in the Spirit Earth Continent, and the old dean Heris was one of them! The old Dean Heris had taken good care of him for a long time, so seeing that the current old Dean Heris was about to die, Li Tian was naturally heartbroken.

But seeing that Li Tian showed an angry look in his eyes, he exclaimed: "Old Dean, who caused you to be killed? Who destroyed everything here?"

The old dean Heris said weakly: "I...I...I don't know who he is! I only know...I only know that he is strong! And evil..."

After hearing the old Dean Hollis say so, Li Tian was stunned.

"Old Dean, don't worry, I, Li Tian, swear in front of you, I will avenge you." Li Tian said in front of you.

The old dean smiled miserably, grabbed Li Tian's hands tightly there, and said: "Li Tian...I...I...I..."

After uttering three words "I" in a row, the old dean suddenly began to convulse violently.

Immediately afterwards, a big puff of black blood came out of his mouth, then his eyes widened, and the whole person died.

The old dean hadn't said the last words, and he was already dead.

"Old Dean...Old Dean..." Li Tian yelled a few times in pain.

It's a pity that the old dean's person is dead! Li Tian did not understand the half sentence that was not finished.

At this moment, he was just looking at the body of the old Dean Heris in pain, and in the fiery eyes with his fists tightly clenched, there was infinite ferocious anger.

In this way, the old dean Heris died in front of Li Tian.

Li Tian doesn't know now, who killed the old dean Heris! I don't know who it was, and broke the secrets of these 13 days!

At this moment, he just had endless anger in his eyes, and finally glanced at the body of the old dean Heris.

"Old Dean, Li Tian will avenge you!"

After speaking, Li Tian slowly put down the corpse of the old Dean Heris, and then moved directly to the third heaven!

He was looking to find out who killed the old dean.

Chapter 3026: War black

However, after Li Tianfei flew to the third heaven.

This third heaven is exactly the same as the second heaven, with gunpowder and smoke in it, and rubble from the explosion scattered around the room.

Moreover, in the third day, there were many, many corpses!

These corpses are the corpses of the old people who were practicing here before!

Looking at it roughly, there are not 67 corpses lying here. It is obvious that all these elders were also killed. But as for who? Li Tian couldn't figure it out either.

Looking at these corpses, Li Tian was taken aback, and quickly walked over.

"Old predecessor..." Li Tian looked at an old predecessor who fell on the ground, and hurriedly helped him up and shouted.

But he saw this old man's face turn black, and the purple-black death air was also exposed all over his body! died!

Their deaths were exactly the same as the old Dean Heris of the second heaven before, all of them were killed by extremely powerful black illusions!

After the last Li Tian checked all these corpses, he stayed there.

"All dead! All killed!"

Li Tian murmured in horror.

Looking at the corpses of so many poor old men, Li Tian suddenly roared, "Who did this?"

The thunderous voice sounded during the third day of the smoke-filled atmosphere! But the surrounding silence was like death, and there was no sound at all.

Just when Li Tian was very angry, suddenly a very small movement was heard in the smoke on the left.

That sound is very small, very small!

But Li Tian's current strength is too strong, so his senses are particularly strong!

Upon hearing this, I noticed that there seemed to be movement on the left side.

"Who?"

Li Tian shouted angrily, and suddenly waved his right hand, and a powerful Qi illusion surged from his hand.

Following the qi illusion technique flying past, but seeing the surrounding area filled with gunpowder smoke, it was instantly shaken by the qi illusion technique, and then everything around it flashed clearly.

But just after Li Tianzhen opened up the gunpowder around him, he found that there were no figures in sight.

"Huh? No one? Did you feel that something went wrong just now?" Li Tian looked at the empty place on the left, and couldn't help thinking about it.

Just when Li Tian thought that his feelings were wrong, a terrible sound of breaking the wind suddenly came from behind Li Tian.

Whizzing!

Suddenly, two black auras attacked Li Tian's back like poisonous snakes.

However, when Li Tian felt that two terrible wind-breaking auras were attacking him suddenly, he said with a cold mouth: "I thought I felt wrong! It turns out there is a thief! "

After an angry shout, Li Tian suddenly twisted his body quickly.

After seeing the two black viper-like auras sweeping toward him, Li Tian directly displayed the "Wind Mystery Step" under his feet, and then quickly avoided the black aura.

However, the two black auras didn't hit Li Tian's body, but instead shot on the cold slate ground.

There was a sound of "puff, puff", blasting the hard floor tiles into two huge potholes.

When Li Tian saw the opponent so powerful, he muttered: "No wonder the old dean is dead... and these seniors in the third heaven are also dead! It turns out that they have met a powerful opponent!"

After thinking this in Li Tian's mind, he suddenly shouted angrily: "Come out!"

Li Tian, who burst into a loud shout, directly displayed the "Thunder and Lightning Magic".

Although this thunder and lightning illusion is a five-line illusion, and it is not as powerful as the illusion of another dimension, it must be said that the lethality of this thunder and lightning is still very strong.

Once it was used, a purple thunder mark was quickly condensed in Li Tian's hands!

Then suddenly there were two terrifying purple lightning lights in the sky, and then bang and bang, the two terrible purple thunder and lightning shot towards the other side.

After Li Tian showed the "Purple Thunder Seal" crit, the other party suddenly filled out a black air.

Then, like a violent wind swept through, the purple thunder seal of Li Tian was suddenly broken.

Then a hoarse voice came from the corner.

"Boy, isn't it? The spiritual power is very strong!" The voice was harsh and unpleasant, and it passed into Li Tian's ears at this moment.

Li Tian listened to the harsh voice, and suddenly asked, "Who are you?"

After Li Tian asked, the smoke that filled the front began to gradually dissipate.

After dispersing, suddenly a black python aura gradually turned out and became a person!

A weird man in a black cloak!

His face was so pale and terrifying, and the word "Ming" clearly visible on his forehead penetrated people's hearts! Looks terrifying and weird.

Black absolutely!

One of the three demons of Hades: Heijue!

When his figure suddenly appeared, Li Tian was slightly startled.

Secretly: Who is he? Why have you never seen it in the temple? And his outfit is different from anyone in the temple? Could it be that he is not in the temple?

But he said that at the moment when Hei Jue showed his true body, he raised the purple-brown pupils and looked at Li Tian up and down.

"Hey, the deity came out." Na Hei Jue looked at Li Tiandao there.

Li Tian looked at that Hei Jue and asked sharply: "You **** who killed the old dean? Why did you do this?"

When Na Hei Jue heard Li Tian say this, he frowned, looked at his skinny hands there, and said: "Eh? Why should I do this? I don't know... hehe, maybe It's because my hands want to get too much blood!!!"

Hearing that Hei Jue suddenly said so strangely, Li Tian only felt that he was a pervert.

"You are simply a pervert."

Hei Jue heard that Li Tian in front of him said so, and laughed rampantly there.

"Really?" That Hei said with a smile, disapproving.

Li Tian in front of him looked at him and said, "Tell me, why did you destroy the magical secrets of the temple? Kill so many people? Why on earth?"

Suddenly, Heijue smiled strangely: "The deity killed only some waste! With these wastes, even staying in this thirteenth heaven will have no effect at all, so I might as well do good deeds and let them It's great to die early!"

Chapter 3027: court death? Fulfill you!

Hearing what Hei Jue said in front of him, Li Tian said coldly: "You thieves are extremely cruel, killing so many people! Today, I want you to die here."

When Na Hei Jue heard Li Tian say this, he burst into laughter suddenly.

"Young man, isn't it? Dare to talk to me like this?" Hei Jue whispered.

Then Li Tiandao: "If you don't believe me, you will know if you try."

"well!!"

After that Hei Jue finished speaking, suddenly Li Tian had already started.

Because of the tragic death of the old dean... and for the lives of so many innocent people, today he wants to kill this Hei Jue.

But he can deal with one of the three Hades: Heijue?

At this moment, Li Tian had already shot.

The first thing he used was slavery! This is also the first illusion he learned.

I saw that Li Tian stretched out his hand, and suddenly the two huge bluestones on the left were controlled by Li Tian.

Then with a wave of his hands, the two huge bluestones flew directly towards that Hei Jue.

Hei Jue sneered at the corner of his mouth when he saw Li Tian's display of this "slavery technique", "Dare you even dare to show off in front of the deity?"

With a cold drink, Hei Jue suddenly waved his right hand, and a black air appeared, directly ramming the two large blue stones controlled by Li Tian!

Boom!

Boom!

There were two explosions, and then the two large bluestones displayed by Li Tian were directly crushed.

After the two large bluestones controlled by Li Tian were suddenly smashed, then Li Tian performed another trick of water system illusion.

This water system illusion, but the true biography of that Shura!

So once it is used, the skill is very strong.

"Ten Thousand Water Flow Technique!"

What Li Tian uses is a high-level illusion in the water system illusion.

After performing this "Ten Thousand Water Flow Technique", a raging water flow suddenly surged toward the Hei Jue.

Hei Jue didn't even look at it. He just sneered: "Young man, do you think that the five low-level illusions you have learned can deal with me?"

It turned out that Hei Jue could see that what Li Tian was performing was only the most common illusion in the Spirit Earth Continent: wind, fire, thunder and lightning, water, and air! So he looked down on Li Tian's illusion at all.

Hei Jue let out an angry roar when he spoke, and suddenly he flicked his hands, and a huge black net was condensed from his hands.

After the black net was condensed, it covered the sky and covered the earth directly towards Li Tian. The terrifying black net not only swallowed Li Tian's ten thousand water flow technique at once, but also directly covered the eyes. Li Tian.

Li Tian was stunned, looking at the black net, and quickly dodged with the "Mysterious Wind Step" under his feet.

After the black net was in the air, Li Tian approached closely behind that Hei Jue.

"Take my palm!"

The right hand broke the soul palm and shot directly, mixed with the powerful spiritual power of the body, and hit that Heijue with one move.

Hei Jue's left hand shook slightly, and then surrounded by black energy, he slapped Li Tian!
boom!

With two palms facing each other, Li Tian and Heijue retreated together.

After stepping back, Na Hei Jue looked at Li Tiandao weirdly: "Young man, what is your skill with this trick? Isn't it good?"

Of course Li Tian would not tell him that his "broken soul palm" was a martial skill he learned while on earth!

At this moment, just staring at the Heijue in front of him coldly: "Monster, don't care what effort I use! I just need to kill you today!"

"Hahahaha, what a big tone! Come on, this place is too small, let's fight outside!"

When the words were spoken, Hei Jue suddenly turned into a black shadow, and then flew directly out of the thirteenth heaven.

Then Li Tian saw that Hei Jue flew out of the thirteenth heaven, and at this moment the figure showed off and quickly followed.

At this moment, I saw that Heijue had reached the ground outside.

His whole body was covered with a layer of black death air, looking at that Li Tian gloomily.

As for Li Tian, he also flew out at this moment.

"Boy, what was your kung fu just now? It's a bit strange!" Hei Jue in front of him asked after seeing the Li Tianfei coming out.

Then Li Tian sneered when Hei Jue asked, "I said, what effort do I use to control your affairs?"

Hei Jue heard it, and said with a grimly smile: "Okay! Very good!"

"You are the first one who dares to speak this way in front of the deity!!! However, I think your kid has some patience. It is better to enter the gate of my Nine Palaces and I will accept you as my gatekeeper. Are you willing?" Hei Jue suddenly said .

what?

"Nine Palaces?" When Li Tianzai heard that Hei Jue suddenly said that he was from the "Nine Palaces", Li Tian was stunned.

He had heard that the wood **** once talked about the "Nine Palaces" before, and also said that the enchantment of the sky in the sky was used to stop the evil demon in the Nine Palaces!

Unexpectedly, Li Tian now met a guy who claimed to be from the nine palaces.

"You...you...are you from the Ninth Palace?" Li Tian in front of him asked in shock.

But seeing that Heijue smiled gloomily: "Nonsense! This deity is Heijue, one of the three demons of the underworld, of course from the Nine Palaces!"

After hearing that Hei Jue had reported his family, Li Tian in front of him was suddenly surprised.

The three demons of Hades?

Before, he also heard the wood **** talk about the three demon of the underworld, but now he didn't expect to see it.

"Are you one of the three demons of the Hades?" Li Tian said in a daze.

But seeing that Hei Jue gloomily smiled strangely: "It's the deity!"

"Boy, how about it? Now that I know my name, would you like to join me in the Nine Houses? If you want, I can spare you not to die! And let you follow me back to the Nine Houses." Hei Jue looked at that with a strange smile Li Tiandao in front of him.

Li Tian suddenly laughed when he heard it.

When Hei Jue saw that Li Tian laughed so loudly, an extremely ugly look suddenly appeared on his face.

"Boy, what are you laughing at?" Hei Jue looked at Li Tianan and asked.

Then Li Tian laughed loudly and said: "I laugh at you foolishly talking about dreams! I laugh at you so stupid!"

"Want me to join your Nine Houses? Are you dreaming? Just relying on your demon to kill the old dean, and with so many innocent lives, you will definitely die today." Li Tian said angrily.

After hearing what Li Tian said, that Hei Jue suddenly showed endless murderous intent on his face!

"Boy, since you are looking for death, then I will fulfill you!" Hei Jue is already ready to do it.

Chapter 3028: Fog Illusion

Hei Jue's hands suddenly crossed and transformed. .

Then the black breath revealed among the ten fingers.

"Phantom Ghost Claw Technique."

The moment he burst into mouth, his ten fingers seemed to skyrocket for a long time.

The black breath also became extremely terrifying as the fingers soared.

Then the black jue ten fingers like electricity grabbed Li Tian's face...the faint devilish energy also attacked Li Tian.

Li Tian watched Hei Jue hit him, and his right hand quickly condensed a "water escape technique".
boom!

A water escape technique that resembled a curtain of water turned out, and then covered Li Tian as a whole to block the terrible move of Hei Jue.

Seeing Li Tian's "Water Escape Technique", Na Hei Jue suddenly increased his spiritual power.

"Boy, watch me break your water escape."

With a loud shout, Hei Jue suddenly hit the "curtain of water" with his ten fingers quickly.

Zi Zi Zi!

When the black jue's soaring fingers hit Li Tian's "water escape technique", a weird sound was made.

But he said that Hei Jue's "Phantom Ghost Claw Technique" was extremely powerful. After encountering Li Tian's "Water Escape Technique", that Li Tian's "Water Escape Technique" had begun to be somewhat invincible! !

Li Tian saw that his "water escape technique" was about to be cracked, and he was shocked, and then quickly displayed a trick "Xuantian Fingering" with his right hand.

A swish of fingers shot out, and then Li Tian quickly backed away.

Na Hei Jue saw Xuantian's **** shot, and with a wave of his right hand, a black aura gently blocked Li Tian's Xuantian fingering.

Then ten fingers suddenly grabbed to that Li Tian.

The soaring black magic energy also enveloped Li Tian in an instant.

Li Tian was slightly surprised. At this moment, his whole body was enveloped by the black air, and he suddenly shouted.

"L Dragon Fist!"

Accompanied by Li Tian's shouting, he saw Li Tian's whole body turned into a fire dragon, and then flew straight into the sky with a "boom", the force of the breaking fist then directly hit the Hei Jue.

This Shenglongquan is the most powerful illusion among Qi illusions.

Once displayed, Li Tian's whole body turned into a fire dragon, and his power was naturally not small.

However, Na Hei Jue was slightly startled when he saw Li Tian's "Rising Dragon Fist".

"L Dragon Fist?"

Na Hei Jue knew this Shenglong Fist unexpectedly.

After Na Hei Jue saw Li Tian displaying the Dragon Fist, he suddenly smiled eerie and weird.

Then his hands quickly condensed a curse mark.

"Mist Hidden Destruction Technique!"

Alien Space Illusion?

Yes, what Heijue is currently performing is the illusion of a different dimension, because the "Mist Hidden Slashing Technique" he is currently using is a mist illusion of a different dimension.

It is the same as the "Light Element and Earth Element" practiced by Li Tian in the thirteenth heaven, and it is an alien space illusion.

Having said that, at the moment that Hei Jue suddenly displayed the "Mist Concealed Slashing Technique", a gray mist suddenly rose up throughout the audience.

Immediately afterwards, the surrounding area was instantly filled with a strange thick fog.

What about Li Tian?

Just now, the Shenglong Fist instantly lost the target of its attack, and the surrounding body was completely filled with the thick fog.

what?

"Why is there such a big fog suddenly? Is this also an illusion?"

Li Tian said in that horror.

Then he hurriedly flew to one side, trying to avoid the huge fog, but after Li Tian jumped, there was still a thick fog around him!

It seemed that the entire space was completely diffused by the dense fog...It completely made Li Tian completely unable to see anything around him.

Li Tian couldn't escape the dense fog around here at all.

Just when Li Tian didn't know how to crack the "dense fog", suddenly a howling sound came directly from Li Tian's back.

Li Tian was taken aback, in the thick fog, he couldn't see the opponent's tricks clearly.

At this moment, I was shocked, I could only quickly display the "Wind Mystery Step" and then dodge.

Whizzing!

A terrible energy slid across Li Tian's waist, and Li Tian's waist only felt a gloomy domineering energy rubbing his skin.

Li Tian secretly sighed.

"Damn it, if I had been hit just now, I'm afraid I would have been injured very seriously!"

Li Tian murmured there.

At the moment when Li Tian said this sentence, suddenly two extremely terrifying auras shot from the left and right sides.

This terrifying vigor from left to right completely sealed Li Tian's retreat.

After Li Tian felt this situation, he was suddenly shocked.

"What should I do?"

Time does not allow Li Tian to think too much! He must first break the mist in front of the opponent.

Li Tian thought this in his heart, and quickly tried his best to dodge.

The body flew quickly in the thick fog, avoiding a terrible energy on the left side, but the energy on the right side had already shot towards Li Tian's arm.

Li Tian couldn't avoid it at all at this moment.

Hearing a puff, Li Tian's arm suddenly felt a terrifying tingling pain.

I took a closer look, but saw that Li Tian's entire arm had five purple-black blood stains...horror and strange.

The bloodstain was so deep that the bones on Li Tian's arm were almost exposed.

After seeing the wound on his arm, Li Tian was shocked and angry immediately!

"Damn bastard! How should this fog be broken?" Li Tiantian roared in the thick fog.

After Li Tian finished speaking, the Heijue who was invisible in the thick fog suddenly heard a harsh and unpleasant voice.

"Hey, kid, you think you can deal with this deity's illusion of fog? Hurry up and die."

As Hei Jue finished speaking in front of him, a terrible cold breath suddenly appeared again from all directions.

What about Li Tian? He was taken aback when he heard that Hei Jue suddenly said "Mist Hidden Illusion Art".

"Uh? Is it an alien space illusion?"

"No wonder, this misty illusion technique, I have never seen it!!! And it is so powerful."

After thinking this in his heart, Li Tian suddenly changed his mind.

Then suddenly the spiritual power of the body was activated, and then at that moment, an extremely rare golden light suddenly appeared all over the body.

The weird golden light shining light on Li Tian's whole body... Then, his body flashed for an instant, and the whole figure disappeared in an instant.

"Moment of Light!"

It turned out that what Li Tian showed was the "light moment technique" that he had learned from the technique of alien space.

This "moment of light technique" is that the heart moves at will, the shape follows the heart! Therefore, his movement speed is beyond the scope of human imagination... and the Heijue attack naturally fell through.

Chapter 3029: stop

At the moment Li Tian performed the "Moment of Light Technique", his body turned into a cloud of golden light and suddenly disappeared into the mist.

The speed is so fast that the follower can't see clearly with the naked eye.

All you can see is a cloud of golden light whizzing past.

What about Heijue, whose body is hidden in the thick fog?

At the moment when he saw Li Tian's figure turned into a cloud of golden light and disappeared, his face suddenly froze, and he said, "Light Element? Light Element Illusion?"

"Boy, I didn't expect you to be able to use Alien Space Technique!"

After Na Hei Jue finished speaking, he suddenly found the figure of Li Tian, and then launched a surprise attack again.

But this time, Li Tian heard the sound of strong wind attack in his ears, and then quickly cast the "Moment of Light Technique". There was a sudden flash and a whistling sound. Li Tian reached behind the strong wind at an unparalleled speed. Just when he reached behind the strong wind, Li Tian suddenly took a palm.

The terrible palm power emerged directly in the mist.

Although Li Tian couldn't see the figure of Hei Jue, he still slapped him based on his feelings.

When the strong palm power hit it, only a loud bang came from the thick fog.

Then Hei Jue, who was invisible in the thick fog, made a heavy "muffled" sound.

"injured?"

"That Heijue was hit by Li Tian?"

Li Tian thought about it happily.

Yes, the palm of Li Tian just now is really good!

After facing the dense fog, the strength of the tyrant's palm hurt the black jue with a palm.

I saw that after a palm in the dense fog, that face instantly became ugly and pale...Although he is one of the three demons of the underworld, he was hit by Li Tian's terrifying palm. He couldn't bear the strength.

"Damn boy, you wait for the old man!! I Hei Jue will definitely kill you!" A roar came from Hei Jue's mouth in the thick fog.

Just at the moment that Hei Jue came out, the surrounding black air suddenly enveloped, accompanied by those strange thick fog! Suddenly, there was a scream, and then a black python figure directly rose into the air, and then shot straight into the air.

After the terrifying black python suddenly disappeared, the dense fog surrounding it also began to disappear gradually.

At this moment, Li Tian watched that Hei Jue disappear, his eyes still showing anger and hatred.

Looking down at the wound on his arm, Li Tian murmured, "The Three Demons of the Underworld are really well-deserved! If it weren't for the luck to win today... I'm afraid there is still a fierce battle today!!!"

"Hey, it's a pity, let this **** devil run away!" Li Tian murmured there.

After speaking, Li Tian moved his figure and flew back to the thirteenth heaven again.

Looking at the illusion secrets that were destroyed in the thirteen days... and the corpses of those "predecessors" who were killed, Li Tian had an indescribable feeling in his heart.

He gathered the bodies of the dead elders one by one for the last time, and even the body of the old Dean Heris also took them over and put them together.

Looking at the bodies of the dead old men, Li Tian muttered: "Old dean, and seniors...I hope you all go well! Don't do this kind of cultivator again in your next life. "

Li Tian said this in his mouth, and stretched out his right hand, and then activated the spiritual power of his body.

Whoosh!

A ball of flame emerged from the palm of his hand, and then Li Tian waved his arm slightly, and the flame burned towards the corpses of the old dean Heris and the old seniors!

Suddenly, those corpses were all burned.

In the billowing fire, the bodies of the old dean Heris and other dead old men all turned into a pile of ashes.

After "cremation" the dead old men, Li Tian raised his head slightly to look at the damaged stone wall.

I saw all the magic secrets on the stone walls were destroyed.

After reading it, Li Tian suddenly said in a weird way: "Why did the three demons of the Pluto in the nine houses suddenly come to destroy the secret books in these 13 days? What do they want to do?"

Just as Li Tian was thinking like this in his mind, suddenly there was the sound of walking on the wind.

When Li Tian heard this, he knew someone was coming.

At this moment, he looked up, but saw a gray figure... and another white figure suddenly flew towards the thirteenth heaven.

Take a closer look, it is the White God in the temple that flies by quickly! There is also wood god!
Second old.

However, Li Tian frowned slightly after seeing clearly that it was their figure, and then waited there.

When the White God and Wood God saw the thick smoke here, the two of them flew directly.

After the shot came, with a swish, their two figures fell within the thirteenth heaven.

"Huh? Your kid?"

At the moment when the White God and Wood God saw Li Tian standing in this room, they were not only shocked and surprised.

Then Li Tian raised his eyes and glanced at the Gu Mu Xijue in front of him, as well as the White God, standing there coldly, without saying any words.

"Boy, why are you here? What are you doing here?" The White God suddenly asked coldly.

The White God didn't know about Li Tian's entry into the thirteenth heaven, so he asked in a cold voice at this moment.

Then Gu Mu Xijue hurriedly said, "Lao Bai, this young man has been practicing in these thirteen days!!!"

After hearing that Baishen, he glared at Li Tian.

At this moment, he suddenly looked at the burned dead bodies in front of him... and the ruined illusion cheats on the walls, his face became extremely ugly at that moment.

"Damn, what the **** happened here? Why is this... all the illusions on the stone wall have been destroyed? And... these people who were burned... what happened?"

The White God said while questioning Li Tian there.

As if he meant it, everything was done by Li Tian.

Then Li Tian suddenly said coldly after hearing that White God said, "Are you old man asking me?"

When the White God heard that, Li Tian called him that, and immediately shouted angrily:
"Ignorant boy, you are looking for death!"

With a loud shout, his sleeves rolled up, and a terrible wind rushed directly towards Li Tian.

Li Tian didn't even look at it, his right hand swayed slightly, and then with a surging spiritual power, he directly solved the white god's trick.

"you!!!"

Seeing this moment when Li Tian dared to fight back, Bai Shen was furious, and he was ready to shoot again, but just as he was about to shoot, Gu Mu Xijue in front of him suddenly spoke.

"stop!"

Chapter 3030: Get slapped

The White God was already ready to make a move, but after hearing Gu Mu Xijue's anger, his raised hand stopped slightly in the air.

After the White God was stopped, I saw Gu Mu Xijue standing there and saying: "Old Bai! Don't make it difficult for this young man..."

"I am embarrassed by him? I am embarrassed by this stinky boy?" The White God seemed to be particularly dissatisfied, exclaiming angrily.

But Gu Mu Xijue ignored him.

I saw that Gu Mu Xijue just turned her head slightly, and then looked at Li Tian in front of her.

Then smiled and asked him: "Young man, why are you here? And what happened here?"

Gu Mu Xijue looked at Li Tianwen there with a gentle smile.

Li Tian's impression of this Gu Mu Xijue is not bad.

So at the moment, he said: "The seniors who practiced here were killed."

After hearing Li Tian's words suddenly, the expression of Gu Mu Xijue in front of him changed...The white **** on one side also became strange now.

"Killed?"

"By whom?" Gu Mu Xijue asked in shock.

But seeing Li Tian replied there: "He is a guy who claims to be Heijue."

"Hei Jue? One of the Hades Three Demons: Hei Jue?" After hearing the name of that Hei Jue, the expression of Gu Mu Xijue in front of him changed slightly.

Then Li Tian nodded and said: "Yes."

After hearing this, Gu Mu Xijue suddenly murmured: "It seems that it was really the **** Hei Jue who did it!!! Presumably... the maid of Qian Xuefeng was also killed by the **** Hei Jue. Damn it..." Gu Mu Xijue roared.

The White God on the other side also said: "No wonder we heard a loud noise coming from here just now!!! Hey, it's a pity that we were late... didn't personally catch that Heijue."

Gu Muxi thought about it for a while, looking at that Li Tian and asked, "Did you see that Heijue?"

Li Tian nodded and said, "En."

"I still fought him." Li Tian added.

After hearing that Li Tian was fighting against that Heijue, Gu Mu Xijue in front of him was taken aback by the White God.

"Have you played against each other?" Gu Mu Xijue asked in astonishment.

Then Li Tian nodded and said, "Yes!"

"The result?" Gu Muxi asked in shock.

Li Tiandao: "He ran away!"

what?

"You mean... you defeated Hei Jue? He ran away?" Gu Mu Xijue in front of him suddenly looked at Li Tian in disbelief.

Li Tian replied indifferently: "En."

"Bringing! I'm rubbing, you braggart is too bragging... Who do you think you are? With your strength, you still want to defeat Heijue?" The White God before Li Tian arrived at the temple, But I have personally seen Li Tian's strength! So he didn't believe that Li Tian could defeat that Hei Jue.

So after hearing what Li Tian said, he only felt that Li Tian was bragging.

But he didn't know how high Li Tian had cultivated in this temple in this more than a month!

But what about Li Tian? After hearing the white **** in front of him saying he was bragging, he sneered, and did not refute the explanation.

At this moment, Gu Mu Xi Jue, the **** of wood, looked at Li Tian with a pair of shocked eyes.

Then he said in that incredible way: "Young man...you...you...your strength has really broken through the 8th heaven? Did you really defeat Heijue?"

Li Tian did not break through the eighth day!

To be precise, Li Tian did not have time to break through the eighth heaven! He just cultivated the "Sword of Burning Heaven" and heard the sound of an explosion coming from below, so he came down and took a look!

"Actually, I don't know how much strength I have in the end." Li Tiandao.

The Gu Mu Xijue in front of him said: "If you can defeat that Heijue, your strength must be above 8th Heaven!"

That Gu Mu Xi must be there.

When Li Tian heard it, he slightly touched his nose with his hand and thought about it there: "Then maybe... I have broken through the eighth heaven."

What he said was an understatement, as if it was a simple thing that was obvious to break through the eighth day.

The White God on the other side really couldn't listen anymore, and shouted there, "Wood God, are you so gullible about this kid's nonsense? His strength still wants to break through the 8th heaven? He even broke through the 3rd heaven. No, you still brag about breaking through the 8th layer? You kid thinks that the 8th layer is so easy to break through? You have to know how many people want to break through for thousands of years? But what is the result? Some people die all their lives in these 13 days. Can't break through? Just rely on you?"

The Baishen questioned Li Tiandao in front of him with a full face.

What Baishen said was not wrong at all! For thousands of years, only a few dozen people have broken through the 8th heaven! But now that Li Tian said so lightly...so he was depressed! He felt that Li Tian was simply bragging.

After hearing that the white **** in front of him suddenly said this, Gu Mu Xijue suddenly said coldly: "Lao Bai, what are you talking about?"

"Do you know that this young man... reached the fourth heaven in just one day?"

Suddenly the Gu Mu Xi Juedao in front of him.

After hearing that Gu Mu Xi absolutely said so suddenly, the White God was stunned.

Shouted: "What? God of Wood, what did you say?"

Gu Muxi said: "I said...I saw with my own eyes this young man once broke through the fourth heaven in one day!!!"

what?

This time the White God screamed in surprise.

He widened the eyes of Li Tian who looked at him in disbelief.

"Really...really?" White God asked twice in a row.

But seeing that Gu Mu Xijue replied there, "Of course it is true! Is it true that I have seen it with my own eyes?"

When the white **** in front of him heard it, he was completely beaten in the face!

At this moment, a sophisticated and hot one... just feels like being slapped several times! I couldn't stand there anymore.

On the contrary, Li Tian sneered on the side... He didn't have much good feelings towards Bai Shen.

So at this moment, seeing that Baishen looked embarrassed, he didn't say anything.

"By the way, young man, everything here is done by the Black Jue?" Gu Mu Xi Jue ignored the White God in front of him, looking at Li Tian and asked.

Li Tian nodded, and said: "Yes!"

"That guy killed these cultivating elders... and also destroyed all the magic secrets on the stone wall." Li Tiandao.

After hearing what Li Tian said, the face of Gu Mu Xijue in front of him became more and more ugly.

"Damn!!!"

"It seems that the people in the Nine Palaces really came for the thirteenth heaven!" A word came out from the mouth of Gu Mu Xijue before her

Li Tian was taken aback for a moment, looked at that Gu Mu Xijue and asked, "Mu Shen, may I ask, that Hei Jue...why did you destroy the cultivation secrets in these 13 days?"
