

A Killer 3031

Chapter 3031: Test?

Li Tian didn't know why the evil demon in the nine palaces would destroy the secret books of the thirteen days, so he couldn't help but wondering about Gu Mu Xijue at this moment.

But after Li Tian asked, that Gu Mu Xijue did not directly answer Li Tian's words, his old face showed a strange look.

Then he set it back for a while, and then said with a smile: "This...this matter, the old man is not too clear."

Li Tian can hear something unspeakable in his mouth, which seems inconvenient to say.

Since Gu Muxi would never say anything, then Li Tian didn't ask too much.

"White God, let's go! Young man... you continue to practice well in these thirteen days." Gu Mu Xijue said suddenly.

Just when Gu Mu Xijue was about to lead the White God to leave, Li Tian suddenly looked at the White God said, "Wait."

After hearing Li Tian say this, Gu Mu Xijue was slightly startled, "Young man, what else is there?"

Li Tian stared at the white **** and said: "Where is the yin girl? Where is the yin girl now? I hope you will return her to me!"

amount?

Yin girl?

When Li Tian asked about that cute little girl and pubic girl, Gu Mu Xi Jue was taken aback, and then he looked at the White God in front of him.

"What yin girl?" Suddenly Gu Mu Xijue asked, blinking at the white **** in front of him.

Gu Mu Xijue didn't know what happened when the White God took the yin girl away, so she couldn't help asking at that moment.

Following the Gu Mu Xijue's questioning, the White God glared at Li Tian and said, "You mean that little girl?"

"Exactly!" Li Tiandao.

The White God smiled and said: "Don't worry, that little girl is fine... She is playing in my palace."

"What?" Li Tian was taken aback when he heard it.

The white **** said coldly: "What? Don't you kid still believe in the old man?"

When Li Tian heard the White God speaking like this, he was about to speak, but Gu Mu Xijue smiled and spoke.

"Young man, rest assured, since Baishen said that the little girl is okay, then she must be okay! I can't guarantee anything else, but I can guarantee the character of Baishen, he will never hurt a child. "That Gu Mu Xijue was there to make a round.

Li Tian in front of him heard that Gu Mu Xijue said so, he thought about it.

"Okay! If that's the case, please ask the White God to take care of the yin girl! When I finish my training, I will personally go to you to pick her up." Li Tiandao.

Hearing that Li Tian said so, the white ***** in front of him gave a cold snort, and then said nothing.

As soon as the figure unfolded, it suddenly turned into a flying rainbow and shot directly into the distance.

After seeing the white ***** leaving, Gu Mu Xijue smiled and said to Li Tiandao: "Young man, don't worry about everything, just practice well in the thirteenth day!!!"

After speaking, Gu Mu Xijue suddenly stretched out and flew away.

After that Li Tian looked at the Gu Mu Xijue and the White God after leaving, he then walked towards Thirteenth Heaven.

...

The front of the temple is a huge square.

At this moment, only the figure of Gu Mu Xijue and the figure of White God arrived here quickly.

After the two elders arrived at the square, the White God in front of them directly asked.

"Mu Shen, why are you so good to that ordinary kid?" Bai Shen said with an unconvincing expression.

When Gu Muxi heard this, suddenly he laughed hahaha.

"Ordinary? No, no, no, Lao Bai, you are wrong! He is not an ordinary person." Gu Mu Xijue said while laughing.

When Bai Shen heard this, he said, "What? Is he still very good?"

"Yes." Gu Mu Xijue turned her head and said seriously.

"Lao Bai, do you know that he can break through the four heavens in one day... and he can also manipulate two alien space arts at the same time! One is the strongest and most difficult to practice, the magical light technique! The other It is an earth-based illusion with extremely explosive power, which is enough to show that he is definitely not an ordinary person." The face of Gu Mu Xijue in front of him showed a very pleased look.

When the white ***** heard it, the wrinkled old face was blue and white at the moment.

In that disbelief, he said: "How is it possible? That kid... doesn't seem to be that strong! I clearly remember that when he first came to the temple, I could easily squeeze him to death with one hand."

It seemed that Baishen couldn't believe Li Tian's speed of advancement.

But seeing that Gu Mu Xijue laughed and said, "This is not what it used to be!"

"Lao Bai, how many times has your crystal illusion broke through?" Suddenly Gu Muxi asked the white ***** in despair.

What Baishen cultivates is the crystal illusion technique of alien space illusion technique.

Following that Gu Mu Xijue's question, the white ***** in front of him replied, "Break through the 8th heaven! I am now entering the 9th heaven."

After hearing that White God said so, Gu Mu Xijue smiled slightly: "If I guessed correctly, the strength of the young man should now be higher than you."

what?

When Baishen heard it, his face appeared extremely unconvinced.

"How is it possible? Wood God, you look down on me too much, right?" Bai God said with an angry face.

Gu Mu Xijue said with a smile on her face, "Lao Bai, don't you believe me?"

"Of course I don't believe you! Humph! Just relying on a nasty kid who only came to the temple for less than three months, he wants to be stronger than me? Do you think he really is a god?" White God angrily said.

You know, the strength of the White God is second only to the Wood God in the temple.

His alien space illusion "crystal illusion" was extremely terrifying, and now he heard the wood ***** say this to him, of course he was not convinced.

He was angry.

But seeing that Gu Mu Xijue smiled and shook his head and said: "Lao Bai, if you don't believe me, you can go and compete with that kid..."

"it is good!"

"Mu Shen, this is what you said, if I beat that kid to death with a single palm, don't blame me when that happens!" Bai in front of him showed the extremely cold killing intent on his face. .

Hearing the venomous words of the White God, the Wood God smiled lightly: "It doesn't matter, as long as you can kill him, I won't say a word."

When Bai Shen heard it, his whole body was stimulated.

"Wood god, wait for me, I will let that kid die in my palm immediately."

With a loud shout, the White God in front of him did not stop at all, but his body was shocked, suddenly turned into a white light and flew towards the thirteenth heaven again!

He was really going to try that Li Tian.

Chapter 3032: Just forcing you

Besides, what about Gu Mu Xijue?

His pair of pupils gleaming brilliantly watched the White God leave, but he did not stop him.

He just raised those profound eyes and looked at the figure of the White God flying by.

"Boy, if you can really defeat the White God, then the temple will really count on you! The God Realm battle, it seems that only you can stop him."

When Gu Mu Xijue said these words faintly, his figure suddenly flew towards the distance.

...

What about the White God?

It can be said to be full of anger at the moment.

He has a strong temper, how could he be so stimulated by others.

In addition, he was originally one of the three main gods of the temple, but now he was told by the wood ***** that he could not even beat a young man who had just entered the temple for less than three months? How could this make him suffer?

He was going to come to the test, he wanted to slash that Li Tian, and then to relieve his hatred.

At this moment, the White God quickly returned to the thirteenth heaven, and then fell on the open ground outside the thirteenth heaven.

Suddenly displaying spiritual power, his voice roared.

"Boy, get out of the old man!!!" With a loud shout, it shook the sky, causing the surrounding woods to rustle...The leaves were all shaken to the ground.

What a powerful roar.

But it was said that when the white god's dragon chants entered the entire thirteenth day, Li Tian, who was in the thirteenth day, suddenly heard the roar.

"Huh? This voice is like the voice of the White God? Why did he come back again? Why are you shouting there?"

Thinking like this in Li Tian's heart, he stepped to reach the window and looked down.

At this glance, he saw the White God standing angrily on the bottom of the thirteenth heaven.

"Could it be that you are calling me?" Li Tian asked in surprise.

At this moment, Li Tian kept on watching while thinking about it.

"Smelly boy, get out of the old man!" A loud shout suddenly roared out of the white god's mouth.

Then Li Tianyi heard that he was clearly calling himself!

He had a bad impression of the White God at first. Hearing the White God clamoring under the thirteenth heaven at this moment, his expression became extremely ugly.

"What does this old man want to do?"

Li Tian, who had thought so in his heart, suddenly couldn't help the anger in his heart, and suddenly flew straight down from the window of the thirteen days.

In the sky, suddenly the figure of Li Tian jumped down.

The moment he flew down, he only heard his mouth yelling: "Old man, are you calling me?"

With the voice coming, Li Tian's figure flew down like a ray of light to the thirteenth heaven!

He is down!

The body fell straight to the opposite side of the white god, staring at the white ***** in front of him with anger.

After that Li Tian flew down all of a sudden, the white ***** in front of him suddenly roared: "Smelly boy, the old man is going to compete with you in martial arts! I will hit you on the ground so that your old lady won't recognize you. !"

A roar came out of the white god's mouth.

When Li Tian heard it, he was speechless for a moment.

He originally thought that the White God came to find him for other things, but he didn't expect that this weird old man would actually want to try him? What's the situation with this Nima?

"You want me to compete?" Li Tian said very depressed.

The White God roared there, "Of course! I want to defeat you, and I want your boy to be submissive."

"Why? Why should I compare with you?" Li Tian asked depressed.

But seeing the white ***** in front of him said angrily: "Some people say that the old man is not your opponent! The old man just wants to prove and see how awesome your kid is?"

When Li Tian heard the reason for being so boring, he sneered: "Boring!"

"Fucky boy, what are you talking about?" The White God yelled out of breath.

Li Tiandao: "Old man, listen to me. Li Tian, I don't want to do it with you, and I don't want to compete with you. If you want to compete, find someone else. Li Tian is not interested."

Li Tian was not willing to do something with the White God inexplicably, he felt that this was completely stupid.

When the white ***** heard it, as if he had been insulted, he yelled: "You brat dare to talk to me like this, are you looking for death?"

"Old man, I have already said that, I am not interested in trying to compete with you!" Li Tian said coldly again. After finishing speaking, Li Tian directly turned around and walked towards Thirteenth Day.

As if he was not going to pay attention to the white spirit in front of him again.

When the White God saw that Li Tian was so "despite" himself, he just left.

Furious now.

"Smelly boy, do you dare to go?"

"Do you think you can't compete if you say it today?"

Accompanied by the white ***** in front of him with an angry shout, his white sleeves suddenly rolled up, and a tyrannical "qi" directly attacked Li Tian's back.

The terrifying qi qi rolled up the dust on the ground and whizzed towards Li Tian.

With his back facing the white god, Li Tian heard the sound of "Gong Feng" attack at the moment, he snorted in his mouth, raised his right hand, and a Qi illusion was directly displayed.

With a bang, Qi Illusion Technique formed a barrier, and then blocked the terrifying "Gong Feng" of the White God.

After blocking the extremely powerful wind of the White God's trick, Li Tian suddenly turned his head angrily, and stared at the White God said coldly in front of him: "Old man, don't deceive people too much!!!"

When Bai Shen heard it, he sneered and said, "I forced you, how about it? Brat boy, do you dare to fight with me?"

Li Weather's fist suddenly clenched tightly at this moment, and the veins on one of his arms exploded at this moment.

He was angry.

This white ***** is simply bullying!

"Boy, are you still a little bit bloody? Are you so scared? If you don't dare to fight the old man, you will obediently knock your head in front of me and give up! I will stop pestering you." The White God said, While sneering there.

When Li Tian heard that the White God in front of him said so, he couldn't bear it anymore.

He didn't want to fight against this white ***** for no reason, but now that people have been forced to him... can he bear it?

Do not! He can't stand it!

So he suddenly said angrily, "Old man, do you really want to compete with me?"

"Nonsense." White Shinto.

"The old man will hit you on the ground and let you know what bragging is." The white ***** said.

Li Tianyi in front of him heard an angry voice: "Okay, then I will fight you today!"

Chapter 3033: Can you fight

war!

At this moment Li Tian was really angry.

At the moment when Li Tian said it out, the white ***** in front of him sneered: "You stinky boy is not a tortoise at last, hahaha."

"Stop talking nonsense! Old man, come on." Li Tian shouted.

The White God snorted coldly: "Okay, boy, I will let you see how good an old man is today."

With a loud voice, the White God suddenly rolled his sleeves, and an extremely arrogant energy rolled directly towards Li Tian.

Li Tian didn't even look at it, stretched out his right palm, and then scored a palm.

The palm strength collided with the domineering energy, and there was a loud bang, which made the surrounding tremble violently.

At this moment, the white ***** in front of him screamed angrily, his body turned into a long rainbow.

Then his right hand grabbed Li Tian's chest directly.

"Boy, take my trick."

With a loud shout, the figure of the White God quickly flew to Li Tian's side.

Li Tian saw the white god's paw prints, and suddenly greeted him with his hands.

Indirectly, Li Tian had already made 45 moves against the White God in the air.

These 45 moves, both of them were issued instantly, it was impossible to see their moves clearly, the only thing they could see was their two figures shaking in the air.

After these moves, the White God suddenly sneered: "Boy, is the martial arts good! It's a pity that you will still lose."

Then Li Tiandao: "Old man, don't be so boastful? It's not always certain who wins and who wins?"

When the White God heard this, he blew his beard and stared: "Smelly boy, it seems that you won't be convinced if you don't let you see my true strength."

When the White God yelled out, suddenly I saw that White God's hands quickly made a cumbersome mark on his chest.

"Furious Wind and Fury!"

At the moment when the White God uttered, a terrifying hurricane suddenly surged around the body of the White God.

But I saw the terrible hurricane spinning there like a black tornado.

The whirring black air current mixed with the hurricane began to spread... spread, and soon the black hurricane became wider and wider. The surrounding huge bluestone... the branches... the dust was all rolled up and sucked into it. Within the black hurricane, it instantly turned into powder.

A terrible trick.

The raging black hurricane suddenly rushed towards that Li Tian.

Li Tian was not only slightly taken aback when he saw the white **** suddenly cast this weird "wind system" illusion.

He has seen wind illusion on the land of Lingtu, but he has never seen such a terrifying "wind illusion". Seeing that the white god's "violent wind and fury" black hurricane has the aura of devouring the world, then Li Tian at this moment I had to say in shock and praise: It really deserves to be the White God! The same wind system illusion has a different power to reach that worshiper.

But he said that while thinking like this in Li Tian's heart, he suddenly hurriedly performed the "moment of light technique", and then his body "swished" into a golden light, directly avoiding the tyrant "squall and fury."

When Li Tian performed the "Moment of Light Technique", Baishen's eyes were slightly startled.

"Light illusion?"

"Boy, you are still a little capable. I didn't expect to learn the light system illusion of the alien space technique."

As soon as the White God spoke, suddenly the White God's mouth uttered a formula.

"Four Shadows Clone!"

call!

I saw that the white **** suddenly changed into four figures.

These four figures were exactly the same as his entity, and at the moment of the change, only the White God began to seal the seal together.

Then "hu, hu, hu," four black hurricanes suddenly rose around his body.

No one thought that White God's phantom could also release illusion!

What's more, it is the powerful "Furious Wind Fury" that was released.

Four black hurricanes rose in the audience in an instant, and they really had the terrifying power of devouring the world...The terrible hurricane raged and shattered everything around.

The huge bluestone was sucked into the black hurricane, and instantly turned into pieces.

Then Li Tian saw that the White God had turned into four figures, and he was speechless after summoning the terrifying black hurricane at the same time.

"Four Ways?"

Li Tian was slightly surprised.

At the moment his words were uttered, four black hurricanes suddenly swept towards Li Tian with an aura that swallowed the world.

Li Tian quickly cast the "Light Moment Technique" and then dodged.

Now he can only avoid...

A fool will enter the range of this black hurricane! If it really enters the attack range of these four hurricanes, I am afraid that it will really be swallowed by the black hurricane.

But he said that Li Tian's body turned into a cloud of golden light, just like this, using the "light moment technique" to move quickly in this space.

This "moment of light technique" can be said to be the fastest dodge illusion technique in the entire Lingtu continent! It is also the fastest movement technique.

Therefore, no matter how many phantoms and hurricane illusions that the white **** casts, he can't hurt that Li Tian.

Seeing that Li Tian turned into a golden light to dodge around there, the White God was completely depressed.

His four black terrifying hurricanes can only be displayed in the air...

"Smelly boy, can your sister still fight? Do you mean a bird when you always run away like this?" At this moment, the White God roared in anger.

Seeing that Li Tian used the "moment of light technique" to evade, he almost vomited blood in anger.

But what about Li Tian? His body suddenly showed his true body, and smiled bitterly there, "I'm not stupid? Don't you avoid it and be attacked by you?"

"Ah ah ah ah ah, what does it mean for you to always dodge like this? Do we still have to pay for three more days and three nights in this one?" Bai cried out in a huff.

Li Tian thought for a while, then said: "Then what do you want?"

White God yelled angrily: "You **** boy, what you display is the world's most shameless evasion technique!!! If you have the ability to fight with the old man, don't always hide and run away like a tortoise... .."

When Li Tian heard it, he said: "Okay! I won't dodge, I'll fight you."

"Smelly boy, you are convinced? You must not lie to me?" Baishen said coldly.

Then Li Tiandao: "Don't worry, old man, I have never regretted what Li Tian said."

Hearing Li Tian's words, the White God suddenly grinned and said, "Okay! You said this yourself! Come on, let's see how you stop the old man's Siying clone!"

This Li Tian actually said that he would not avoid it.

He really wanted to fight against Baishen face to face.

I just don't know whether he can break the "Four Shadows" of the White God before him.

At this moment, I saw that the white **** in front of him once again launched the "violent wind and fury", and the four figures simultaneously surrounded Li Tian in the middle, and then four black hurricanes swallowed towards that Li Tian with the aura of destruction of the world.

Chapter 3034: Crystal Mirror

But he said that Li Tian didn't know how to deal with the Four Shadows clone of White God.

And still not dodge?

Seeing that the White God controls the four black and terrifying hurricanes, and surrounds the Li Tian like a ruining heaven and earth, suddenly Li Tian shouted.

The "Four Elephant Vertical Qi Surgery" was suddenly performed by Li Tian.

It turns out that what Li Tian is currently performing is the "four-image vertical qi technique" he has learned in those thirteen days.

After Li Tian learned the four-image vertical qi technique, there was no time to use it.

Now that he saw the four clones of the White God, he remembered, so it happened to be displayed at this moment.

This "four-image vertical qi technique" is a heavenly technique among Qi illusions, and it is also very powerful.

At this moment, Li Tian quickly condensed the curse mark.

"tiger!"

Following Li Tian's shout, he suddenly turned into a "tiger" phantom form in front of Li Tian's body.

The tiger roared when it turned out, its huge body was more than two meters long, its strong limbs stepped on the ground, and it was staring at the white god's figure.

"leopard!"

After Li Tian transformed into the "tiger form" among the four elephants, he then began to transform into the second "leopard form". This cheetah form was also extremely terrifying, but he saw the cheetah with variegated spots and long pointed lobsters. The teeth were stretched there, and the two claws stretched slightly forward, glaring at the white **** in front.

Originally, it took a lot of spiritual power to transform these four elephant forms, but Li Tian's current spiritual power is too strong, so Li Tian didn't need to waste it at all, and once again transformed into this "leopard form."

"eagle!"

"snake!"

Immediately after that, the remaining two elephant forms were completely transformed into one.

A strong tiger! An agile and terrifying cheetah!

A soaring eagle, and a crawling black snake.

Four elephants!

Tiger, leopard, eagle, snake!

When all the four beast forms were transformed, Li Tian directly controlled the four pictographic forms and then attacked the white god.

When the White God saw the four kinds of "tigers, leopards, eagles, and snakes" all attacking him, he was depressed for a moment.

"How do you summon four beasts, this brat?"

While talking, the tiger rushed over with a roar first.

But seeing the extremely strong tiger scream, two tiger claws frightfully grabbed one of the white god's phantoms.

The tiger's claw mark was faintly radiant, and the force of the grasp was powerful and terrifying.

But he said that the white god's phantom was not covered, and when his sleeves rolled up, he hit the fierce tiger.

In this way, a phantom fought against a beast.

The scene suddenly became lively.

The four elephants wrestle with the four phantoms of the white god.

Seeing this scene become complicated and cumbersome, then White God finally got a little impatient.

He is one of the three main gods in the Temple of Gods, and now he is entrusted here by Li Tian in front of him, and he is really hot right now.

"Bastard boy!!!"

With a roar, the White God suddenly took away the four elephants and the "violent wind and rage".

He didn't use this illusion anymore.

Because he didn't want to delay any longer.

"It seems that the old man must use my ultimate illusion."

The ultimate illusion?

What trick does the White God want to use?

"Crystal Mirror Technique."

When the white **** screamed out, suddenly he saw that the white **** used his alien space technique "Crystal Illusion Spell".

Crystal, the same shape as ice.

But it is harder and more terrifying than ice forms.

I saw that with the loud shout of the White God, suddenly, the White God's hands rose, and then the spiritual power of the whole body began to float strangely.

As the spiritual power of the whole body continued to float, suddenly the entire space was completely surrounded by a layer of white crystals.

The white crystal was like overwhelming the sky, the surroundings changed into four dazzling crystalline walls, and then Li Tian was surrounded in an instant.

Li Tian was enveloped in the white crystal wall at this moment.

The refracted light of the crystal made Li Tian's eyes pierced and unable to open for an instant...The rays of light inside simultaneously exudes terrifying hot light.

"What kind of illusion is this?"

"How could this be?" Li Tian was surrounded by the white crystal wall, completely lost.

Seeing that all the surroundings are like a mirror... and the white god's figure is scattered in that mirror, one, two, three, four... dozens, hundreds.

As long as there are crystals, everything is surrounded by the figure of the white god.

Li Tian couldn't tell who was the real one!

Who is fake!

Seeing that Li Tian was inside this crystal wall, the dazzling light around Li Tian dazzled Li Tian, and the light with extremely terrifying burning power gave Li Tian a scorching feeling of falling into the boiling water.

"Haha, brat, are you still awesome now?"

"I see how you brat to break my crystal realm technique." The white god's rampant laughter came from around.

But seeing his figure in the white crystal, forming thousands of figures, those figures mixed with his body and laughed together.

Li Tian looked at the sneer of the White God and suddenly shouted angrily.

Gather your palms and strike a palm.

The terrible palm power hit the white crystal wall, but it didn't have any effect at all.

I saw the wall of white crystals, and I don't know what the reason was. Li Tian could destroy the terrible palm power like a rock... Unfortunately, after hitting it, there was no reaction at all! This made Li Tian extremely depressed.

"How could this happen? This crystal... why is it so hard?" Li Tian said in shock.

Li Tian thought to himself, accumulating the powerful spiritual power in his body again, and then fiercely attacked a few more palms.

boom!

boom!

boom!

One palm and one palm Li Tian slammed against the surrounding white crystal wall, but no matter how hard Li Tian tried, he couldn't destroy the crystal wall in front of him.

This crystal wall is like a copper wall and an iron wall, without moving.

"Boy, you want to destroy this crystal wall? It's just a wishful thinking."

The mocking voice of the White God came from around.

Li Tiancai ignored the mocking voice of the White God, he was just frowning tightly now, and then thinking of the way to crack it.

Just as he was enduring the dazzling light around him...and the burning tingling sensation, a terrible wind suddenly struck him.

Because the surrounding light was too dazzling, coupled with the extremely small range of the crystal wall, when Li Tian felt that the strong wind hit him, it was already too late.

He snorted, but saw a fierce energy that suddenly cut Li Tian's arm.

Looking closely, a scarlet blood stain appeared on Li Tian's arm.

Hot pain.

"Boy, admit defeat? If you don't give up now, it's still too late." Suddenly, the laughter of the White God resounded again.

Chapter 3035: Still fight

At this moment, Li Tian has fallen deeply into that "crystal mirror technique".

Seeing the white crystals around him exuding dazzling scorching rays of light, coupled with the so many White God shadows that morphed out of the crystals, it dazzled Ye Chen.

"Smelly boy, admit defeat?" A loud shout came out of the white god's mouth.

At the moment when the white **** yelled out, Li Tian in front of him yelled angrily: "Don't admit defeat!"

"Well, you have a seed! I see how long you can last!"

After the White God said it, suddenly two wind-breaking sounds came from the dazzling and hot "crystal mirror technique" again.

Whizzing!

Two terrible energy shot at Li Tian.

One shot on Li Tian's cheek, one shot on Li Tian's calf.

After Li Tian's cheek and calf were shot by that terrible energy, blood flowed out immediately, and there was a deep tingling sensation.

The pain tortured Li Tian deeply.

He endured it there.

While enduring the endless pain of the body, while thinking about how to crack the "crystal magic" in front of him.

When Li Tian endured the pain so much, the White God had already shot again.

The terrible breaking wind energy made Li Tian's whole body covered with wounds.

The pain that went deep into the bone marrow caused his painful body to tremble violently.

Seeing that Li Tian seemed to be unable to support it anymore, suddenly at this moment, Li Tian's whole body spiritual power suddenly increased, and then the whole body turned into golden light at the moment when that spiritual power gathered. Like the rays of the sun.

That terrifying golden light filled Li Tian's entire body in this way.

"The Magic of Light".

After Li Tian was caught in this "crystal mirror technique", he performed the "light illusion technique" again.

"Sword of Burning Heaven."

Suddenly there was a violent roar from the sky and the earth, and then he saw that Li Tian suddenly displayed the magical magic of light he had learned.

Sword of Burning Heaven.

Once the sword of burning the sky is used, it will consume a lot of physical and spiritual power... Ordinary people can't use spiritual power to urge this "sword of burning sky". At this moment, even Li Tian used his whole body All spiritual power.

Li Tian's whole body urged his spiritual power. When he used the Sword of Burning Heaven, his hands quickly formed a mark on his chest. After the mark was formed, suddenly Li Tian had one hand. "Boom" hit the ground.

With a click, the entire hard ground "cracked" at this instant.

The crackling sound of thunder and cracking seemed like an earthquake.

After the entire crust of the earth cracked, suddenly a golden light of flame shot out from the cracked ground.

A loud rumbling sound rang out, and a sword light burning with endless flames flew out of the crust.

"The sword of burning sky, the fire of blazing flames."

When this Sword of Burning Heaven was summoned by Li Tian's full spiritual power, it can be said that the sky thunders constantly...

Even the white **** who performed the "crystal mirror technique" was completely stunned at this moment.

"This kid... kid... hasn't he also cultivated into the fairy art of the light system?" The white **** said in his voice with extreme surprise.

The moment he said this, Li Tian in front of him had already activated the "Sword of Burning Heaven."

I saw Li Tian waving a hand slightly, and suddenly the sword light filled with endless flames in the air suddenly flew like a arrow to the white crystal in front of him.

Boom!

The huge crystal wall was violently shaken by the sword of flame...

When he didn't break the crystal wall all at once, Li Tian activated the "Sword of Burning Heaven" again.

The Sword of Burning Sky, which was burning with flames, carried more powerful energy this time, and then hit the wall of crystals.

Boom!

There was a huge loud noise, and the originally terrifying and hard "crystal mirror technique" was suddenly pierced by the sword of burning sky!

broken!

Li Tian finally used the Light Element's Celestial Burning Heaven Sword to break the frontal crystal mirror technique of worshipping God.

After suddenly breaking through a hole in the "crystal mirror technique", Li Tian suddenly used the sword of burning sky to slash the crystal wall in front of him!

Boom! Boom!

Accompanied by a loud explosion, the entire wall of the Crystal Mirror Technique was cut to pieces by Li Tian's "Sword of Burning Heaven" in an instant.

At the moment when Li Tian suddenly broke the White God's crystal mirror technique.

The White God suddenly screamed in the void.

"Smelly boy, the old man fights with you."

With a loud shout, the white ***** suddenly turned into a distance light, and suddenly rushed towards Li Tian.

This white ***** is crazy! Is it necessary to fight Li Tian desperately?

At the moment when the White God turned into a ball of light and shadow, Li Tian in front of him suddenly performed the "Moment of Light Technique" and his body flashed directly to eliminate the missing shadow. Then Li Tian urged the "Burning Sky sword".

Break through the air!

The "Sword of Burning Heaven" that was burning with endless flames suddenly slashed straight down from the air like a giant axe, slashing towards the body of the White God.

A terrifying cut, with the power of destroying the world.

The White God was unwilling to retreat... In his heart, one of the three main gods of his grand temple? How can I be defeated by this Li Tian?

So he bit the bullet and went to pick up Li Tian's move! He insisted on Li Tian's "Sword of Burning Heaven".

Boom!

A loud noise came out.

I saw that the "burning sky sword" that was burning with flames suddenly slashed on the white god's figure.

What about White God?

The whole person was completely suppressed by the flame aura of the Burning Heaven Sword, and his body was slashed out by the terrifying sword aura.

Boom! ! !

Baishen's body fell heavily from the air, and then fell to the ground.

However, Li Tian's sword of burning the sky smashed into the last ground, and the entire ground was instantly opened by a crack in the ground more than ten feet long.

Lost!

The White God was finally defeated by Li Tian.

At this moment, the white ***** who fell heavily to the ground, a "wow" shot of blood from his mouth, then his fallen body quickly got up.

His pale beard was covered with scarlet blood, and the muscles on his old face were twitching violently at the moment.

At this moment, Li Tian suddenly flew down from the air.

A layer of golden light was shrouded in Li Tian's whole body... The "Sword of Burning Heaven" that was burning with endless flames whirled around Li Tian's body at this moment.

This "Sword of Burning Heaven" Li Tian controlled it with his mind... so Li Tian controlled the sword around his body at this moment.

Then coldly glanced at the white god.

"Old man, do you want to fight again?" Li Tian said coldly.

Chapter 3036: I surrender

Li Tian is now looking at the White God Dao that is vomiting blood with his cold eyes.

White God's face was pale and ugly, and his gray beard was covered with blood.

At this moment, he raised his skinny hand, wiped the blood from the corner of his mouth, and said furiously: "Hit!!!"

The White God even wanted to fight.

After the white **** yelled out, then his whole body suddenly moved towards Li Tian in front of him, and he was still going to fight.

At the moment when Li Tian saw the white **** in front of him rushing forward again, he coldly waved his right hand, and the "burning sky sword" that surrounded him with flames turned towards the white **** like a meteor. Fly away.

boom!

The hilt of the "burning sky sword" hit the white god's chest.

Li Tian's men were merciful.

He didn't use the blade to pierce the white god's chest directly, but only hit the white god's chest with the hilt.

With a wow, Baishen's body was directly knocked off and retreated. He spouted blood from the sky, and then fell to the ground again.

This time the White God was injured more severely and fell to the ground, his whole body convulsing slightly.

Facing Li Tian's "Sword of Burning Heaven", the White God in front of him had no blocking ability at all.

"Old man, are you still fighting? Can you still stand up?" Li Tian said coldly after knocking down the white **** at this moment.

Baishen fell there, supporting the icy ground with one hand while clutching his seriously injured chest.

"Fight...I don't believe...I...I...I will lose to you!!!"

Seeing that the stubborn white **** still got up.

"Do you have to die in my hands today?"

Li Tian was angry at that moment.

He didn't expect this White God to be so stubborn? Does he have to die under his own hands today?

Seeing that the White God was about to stand up stubbornly and continue the fight, suddenly a fiery red figure flew over from a distance.

Then there was a soft drink in the void, saying: "White God, don't overpower yourself!"

With the sound of the cold, tender drink coming, I suddenly saw a beautiful and beautiful woman flying over from the sky in the void.

A fiery red dress made her look like a ball of fire.

The bumpy and plump body is so beautiful that it makes men obsessed.

Goddess: Xue Ji!

Unexpectedly, at this moment, the goddess Xue Ji came.

When the goddess Xue Ji flew here, Li Tian in front of her was not only slightly startled.

He raised his eyes and glanced at the goddess Xue Ji, who has unparalleled eyebrows in front of him and dressed in a red-hot tunic. He remembers her! It was this unparalleled beauty, but the most venomous woman who said nothing, she also knocked herself down Qianxuefeng...

When Li Tian saw this goddess Xue Ji, his eyes were filled with a sense of anger.

He is cruel, goddess Xue Ji.

But what about the goddess Xue Ji at this moment? He raised those beautiful eyes and glanced at Li Tian coldly, and then at the seriously injured Baishen.

Immediately afterwards, the delicate body showed off, and flew to the side of the white **** like a flying.

Looking at the white god's mouthful of blood and trembling body, suddenly the goddess Xue Ji sighed slightly: "White god, you have lost, you have lost! You lost to him."

The white **** was trembling with his body... at that moment, his entire face became ashen as dead.

Although he was very reluctant to accept this fact, he did not change the result.

"I'm defeated... Am I really defeated?" His eyes suddenly showed a miserable feeling that was more painful than death.

I saw the goddess Xue Ji said in front of her: "White God, your biggest mistake is to take victory or defeat too seriously."

"Don't you see, did that kid show mercy to your subordinates just now? If he wants to kill you, I'm afraid you have become a cold corpse now." Just listen to that goddess Xue Ji said slightly.

After hearing what the goddess Xue Ji said, the white god's face suddenly turned gray, his mouth half open, as if he wanted to say something... but in the end he couldn't say anything.

The final Baishen stayed there for a long time, and suddenly sighed: "Nothing...nothing!!! I lost! I gave up."

A painful word came out of his mouth.

As he said, he stood up slowly from the ground with difficulty, his face was full of despair, and then he looked at Li Tian in front of him.

"Boy...I have never admired only one person in my life! But now, I have added another person! That is you!!! I admire you, you are so young, and can rise to such a high level in a short period of time in thirteen days The realm of...under the world, I am afraid that only he can contend with you! I surrender, and I am defeated." Suddenly the white **** said in that gray face.

Hearing the words of the White God in front of him, Li Tian didn't say much.

Although this old man was a little unreasonable to make trouble, he was not a treacherous person after all, so Li Tian didn't think about causing him any harm from the beginning!

At this moment, when he heard the White God admit defeat again, Li Tian thought about it and said: "White God, in fact, I Li Tian is not willing to fight with you! This time, I just got lucky...I hope White God will not mind. There was a slight sense of humility in Li Tian's words.

But the white **** is of the character of a donkey. He shouted there: "Victory is victory, defeat is defeat, I have nothing to say! Your kid doesn't need to comfort the old man, the old man is so old, yet You don't need a nasty kid to comfort me."

Li Tian was speechless after hearing the words of the White God in front of him.

On the other hand, the goddess Xue Ji, who wore a fiery red dress and had the beauty of a country and a city, suddenly smiled.

Seeing the goddess Xue Ji smiling there, Bai Shen gave her a fierce look.

Coughing coughing, coughing violently, the white **** in front of him was looking at the goddess Xue Ji and said; "How come you suddenly appear here?"

The goddess Xue Ji said: "I came here to chase the murderer."

"Um? Chasing the murderer?" Baishen was filled with puzzlement when he heard it.

But seeing the goddess Xue Ji did not explain too much, she just said coldly: "Forget it, White God, you should take care of your own affairs! You are so injured now, I have a blood-melting pill here. How about helping you treat your injury? Would you like?"

After the goddess Xueji said this slightly, suddenly her slender hand swayed gently in the wind, and a small transparent pill that looked like ice crystals stretched out from the goddess Xueji's slender hand.

Looking at the "blood-changing pill" in the hands of the goddess Xue Ji, the white **** in front of him suddenly coughed twice and said: "I want it, of course I want it."

After speaking, he quickly grabbed the blood-melting pill in the hands of the goddess Xue Ji.

Chapter 3037: The Confusion of Goddess

After the white **** quickly snatched the "blood-changing pill" from the goddess Xue Ji's slender hand, he swallowed it quickly.

This White God knows that Qian Xuefeng's "Blood Resolving Pill" is a miraculous medicine, and it recovers extremely fast! So of course he will not refuse.

At this moment, after the White God swallowed the "Blood Resolving Pill" in one bite, White God took a deep breath.

"Shame! The old man is a shame today."

"Unexpectedly, I was defeated by this kid."

The white **** suddenly muttered to himself with the blood rubbing the corner of his mouth.

After speaking, the White God suddenly raised his head and looked at that Li Tiandao: "Hey, boy, you have to cultivate within thirteen days! The God Realm war is about to begin, and everything counts on you. ."

After the White God finished speaking, his figure suddenly unfolded, turned into a ball of white light, and then disappeared.

Listening to the words that the White God said before leaving, Li Tian not only frowned deeply at this moment.

"Um? What is the White God talking about?"

"God war? Count on me?"

Li Tian was still depressed, but it was a pity that the White God in front of him had already flown away.

Watching the white **** fly away, Li Tian turned his eyes slightly and looked at the goddess Xue Ji beside him.

I saw that goddess Xue Ji was wearing a glamorous red robe, and then staring at Li Tian unblinkingly in her beautiful eyes with a pair of water spirits... it was like looking at a rare treasure.

Then Li Tian didn't have much feeling for this alluring woman.

In his heart, he hated her a little bit.

So at this moment, Li Tian looked at the goddess Xue Ji's eyes, still with a hint of indifference.

At this moment, the goddess Xue Ji suddenly smiled and spoke.

"Unexpected...unexpected...you kid not only fell to Qianxuefeng and didn't die, but entered the thirteenth heaven and began to practice!! And the strength increased so fast." The goddess Xue Ji suddenly muttered there. Looking at that Li Tiandao.

Li Tian snorted and said to the goddess Xueji: "Hmph, thanks to you, I am a big man, and I haven't fallen to death yet."

Hearing what Li Tian said, the goddess Xueji suddenly giggled.

Her smile turned all beings upside down! It's really an indispensable thing of beauty! !

The bumpy body trembled slightly, and even a man with strong control like Li Tian not only moved in his heart.

Not only a secret: this goddess Xue Ji is really the number one beauty in the world!

"Gluck!" A silver bell-like laugh came from the cherry lips of the goddess Xue Ji.

Then I saw the goddess Xue Ji blinking her beautiful eyes like water mist, looking at Li Tian weirdly: "What's the matter? Are you still angry with the goddess?"

Then Li Tian sneered without speaking.

"Hey, are you really angry?" The goddess Xue Ji suddenly faced Li Tiandao in a provocative manner.

Li Tiandao: "Of course I am angry, if I am not angry, am I not a fool? Stupid?"

When the goddess Xue Ji heard this, she suddenly giggled.

"Do you know how many men in the world are willing to be the fools under my skirt? Stupid?" The goddess Xue Ji suddenly stared at that Li Tian's eyes with beautiful eyes.

Such hot beautiful eyes have a huge seductive power.

At this moment, even when Li Tian was looking at the beautiful eyes of the goddess Xueji, his heart suddenly jumped.

He is a man!

Moreover, he is still a man with a strong personality. Which man can be unmoved when he meets such a stunning beauty?

Li Tian almost lost himself, as if this goddess Xue Ji had a terrible attraction.

"Fairy!"

"Oh my god, this woman is really a fairy." Li Tian said secretly.

While he was talking, he quickly turned his head around, not daring to look at the goddess Xue Ji again, and then adjusted his body's internal strength to suppress the "fire" in his heart.

After Li Tian turned his head and refused to look at the goddess Xue Ji, the goddess Xue Ji suddenly smiled and said, "Why don't you dare to look at me?"

Then Li Tian heard this goddess Xueji say so, immediately shouted coldly: "I don't want to see you!!"

"Really? Ha ha ha ha." The goddess Xue Ji suddenly showed her figure, and the plump and attractive body suddenly reached the front of Li Tian.

An extremely refreshing female fragrance passed from the body of the goddess Xue Ji into Li Tian's breath.

Li Tian tried hard to suppress his own mind, then turned his head and didn't even look at the goddess Xue Ji.

"I think you seem to be afraid of me? Don't you dare to look at me?"

As the goddess Xue Ji said, her entire body suddenly wrapped around Li Tian's body.

Li Tian wanted to turn her head here, but the goddess Xueji suddenly flashed a seductive look, and she directly reached Li Tian's eyes, and Li Tian turned her head over there... but the goddess Xueji suddenly followed.

Li Weather snorted.

"You terrible woman...what do you want to do?" Li Tian raised his head angrily.

This time his eyes were on the goddess Xue Ji who stared in front of him.

The goddess Xue Ji giggled, the towering snow-white peaks on her chest trembled, spitting fragrance in her slight mouth, and looked at that Li Tiandao: "This goddess, I just want you to see me... "

When the words were spoken, suddenly the figure of the goddess Xue Ji began to dance.

Phoenix dance.

Her figure is so graceful. When she dances, her long skirt wiggles slightly, and her two slender legs are swaying with her beautiful body and dancing there.

Like a fairy dancing.

Attracting Li Tian in front of him.

What about Li Tian? While suppressing the "raging fire" in his heart with powerful internal force, while staring at the figure of the goddess Xue Ji.

"This fairy woman, I don't believe Li Tian, I really dare not look at you?"

While talking, Li Tian looked at the goddess Xue Ji with his eyes open.

In front of me is the goddess who is like a nine-day fairy dancing... the light and swaying figure is all over the country.

With such a beautiful dance, I don't know who can feast my eyes. Unexpectedly, Li Tian was watching at this moment.

Watching, watching, Li Tian's eyes suddenly turned red.

For some reason, some blurred hallucinations appeared in his eyes... The goddess Xue Ji suddenly seemed to be fading off her skirt... As the fiery red dress sand slowly fell off, revealing her white and smooth skin. .

Seeing such a scene, at that moment Li Tian seemed to be unable to hold it anymore, and his tall body suddenly trembled violently.

Then his hands suddenly raised up uncontrollably...as if he wanted to embrace the beautiful image of the goddess Xue Ji in front of him.

Seeing his eyes...began to become blurred, his whole body has lost his mind! Suddenly at this moment, the spiritual power of his body suddenly floated tremendously.

"No...no...no..."

"How did I become like this? How could I see her so...obsessed?"

While talking in such a panic, Li Tian hurriedly put his hands down, and then suddenly began to transport out the powerful spiritual power of the body... all the terrible hallucinations in his head were removed!

As the body's spiritual power continued to increase, gradually, the sense of confusion and temptation that had occurred in the eyes just now began to disappear instantly.

Chapter 3038: Li Tian's embarrassment

After Li Tian hurriedly activated the spiritual power of his body, the image of the goddess Xue Ji in his eyes began to slowly disappear.

What about the goddess Xue Ji at this moment?

She actually stood motionless in front of Li Tian.

It turned out that she didn't dance! ! !

She didn't move from start to finish! ! !

It's just that there are layers of seven-color light around the body of the goddess Xue Ji.

Just now, it was this seven-color light that surrounded Li Tian's body, which also made Li Tian obsessed with it.

Seeing that Li Tian actually restrained his mind, a look of surprise appeared on the cold face of the goddess Xue Ji.

"Yes, yes!! No wonder the White God will lose to you!!! You can still maintain such a mind under the seven-color temptation and surgery of this goddess. It seems that your strength is really strong! Very strong." Suddenly A weird word came out from the mouth of the goddess Xue Ji.

what?

Seven-color seduction and deceit?

It turned out that no one had thought that the goddess Xue Ji just now displayed her extremely powerful illusion technique silently, and this illusion technique was the seven-color seduction and deceit technique.

This kind of illusion has an irresistible and terrifying effect on men.

Once confused by the illusion, she will be slaughtered by the goddess Xue Ji!

Even a person with strong skills can hardly resist this move of the goddess Xue Ji.

However, he never thought that Li Tian, when he was almost obsessed just now, could actually mobilize his spiritual power and hold his mind.

After hearing the goddess's words in Li Tian's ears suddenly, he was stunned for an instant.

"What? Did you use illusion on me?" Li Tian said in astonishment.

Li Tian remembered the fairy-like beautiful face of the goddess Xue Ji just now... and the dancing and graceful figure, when he put it on his body, he still felt his heart hot, but now he heard this The goddess Xue Ji actually said that she was using illusion...Li Tian suddenly felt ashamed! !

The goddess Xue Ji suddenly raised her cold beautiful eyes and looked at Li Tiandao: "Otherwise, what do you think?"

Li Tian suddenly became embarrassed at this moment.

Yes, what does he think?

Does he think this goddess Xue Ji is really such a stray?

How can this be! This frost-like peerless woman died of thirst like ice.

"Hmph, there really isn't a good man in the world!" Suddenly the goddess Xue Ji said coldly.

Li Tian was a little ashamed.

I saw cold sweat on my forehead at this moment... even the clothes on my back were wet by that cold sweat!

I have to say that just now Li Tian was almost crazy in order to stop him from falling into obsession! Fortunately, he finally mobilized spiritual power...If not, he would really become a prisoner under the skirt of the goddess Xue Ji.

"Hey, let me ask you, what is your name?" Suddenly the goddess Xue Ji turned her glamorous face to Li Tian and asked.

Li Tian was still a little embarrassed at the moment, thinking about it and replied: "Li Tian."

"Li Tian? What a weird name." The goddess Xue Ji murmured there.

"However, I have to say that your strength is really strong!" The goddess Xue Ji suddenly showed relief and looked at Li Tiandao there.

Li Tian stood there and did not speak, because when he recalled the scene just now, he still blushed! It's too embarrassing... the goddess Xue Ji didn't move, watching her obsessive state! What a shame! If I didn't hold back just now, and really did something nasty by holding the phantom in his mind like a fool, then Li Tian would really be hit to death! What a shame!

The goddess Xue Ji at this moment can guess Li Tian's thoughts at that moment without looking at it.

Suddenly smiled and looked at Li Tiandao: "Are you still blushing because of the matter just now?"

When Li Tian heard this, he felt a little embarrassed, silent, and did not answer.

The goddess Xue Ji giggled suddenly, and then looked at Li Tiandao there and said, "Actually, you don't need to blush! I can tell you, in the world, no one can avoid me except you. Even the wood gods and the white gods can't use the seven-color seduction and deceit techniques!"

"I can tell you what a shame the White God... was so embarrassing!" The goddess Xue Ji recalled that white God... embracing her phantom when she was obsessed, not only laughed at this moment.

The smile is seductive, and the smile is all over the country upside down all beings.

After hearing what the goddess Xue Ji said, Li Tian was stunned for a moment.

what?

"Even the White God and the Wood God can't escape you...your...the seduction and deceit skills?" Li Tian asked in surprise.

But seeing the goddess Xue Ji suddenly smiled and said: "As long as it is a man! No one has ever been able to resist my seven-color seduction and deceit."

Li Tianyi was speechless.

The goddess Xue Ji said these words crazy.

No man in the world could evade her seduction and deceit.

Isn't he a man?

Li Tian thought so depressed, but when he thought of the picture just now, Li Tian felt a little guilty.

However, I have to say, who can resist that normal man meets such an enchanting woman?

Coupled with the confusion of illusion... I am afraid that a man has to kneel.

"Forget it, let's not talk about this." Suddenly the goddess Xue Ji said slightly.

Li Tian also didn't want to talk about this extremely embarrassing topic.

"By the way, I ask you, have you been cultivating in these thirteen days?" Suddenly the goddess Xue Ji asked Li Tiandao there.

Li Tian nodded and said, "Yes."

"Have you ever seen a very suspicious guy passing here?" The goddess Xue Ji suddenly asked with a layer of frost on her pretty face.

When Li Tian heard this, he was slightly startled, and said in surprise, "Suspicious person? What do you mean?"

"Huh! A ***** demon, invaded into the scope of the temple from the nine palaces, and killed a maidservant of me! So I want this person to take revenge." There was a cold murderous aura in the voice of the goddess Xue. That said.

It turns out that the reason why the goddess Xue Ji came here was to follow the trace of the "Black Jue"! Just as she came, she happened to see the duel between Li Tian and the White God, and then came.

Li Tianyi frowned when he heard that the goddess Xue Ji had mentioned the "Nine Palaces" and that the man had killed a maidservant of Qian Xuefeng.

"You... the person you are talking about is wearing black clothes? There is a very evil character on his forehead, and a guy with extremely high skill?" Li Tian suddenly remembered that Hei Jue was there.

Chapter 3039: Divine War

"deep?"

"Pluto Three Demons! It is him, it is him." Suddenly the goddess Xue Ji shouted after hearing what Li Tian said in front of her.

"Where is that **** guy now?" The goddess Xue Ji suddenly said with endless murderous aura from her body.

After Li Tian in front of him confirmed that it was Hei Jue, he replied, "He ran away."

"What?" The goddess Xue Ji yelled when she heard it.

"What caused him to run away?" The goddess Xue Ji asked in shock and depression.

Li Tian then explained all the things that black jue had come to destroy the "Thirteenth Heaven".

And also said that the **** black lore killed a lot of senior cultivators in those thirteen days...

"...Finally, I fought against the **** who claimed to be Heijue!!! It's a pity that I didn't catch the Heijue in the end and let him run away." Li Tiandao.

After hearing Li Tian finished all the things, the goddess Xue Ji in front of her instantly understood.

"It turns out that you have fought with that Hei Jue?" The goddess Xue Ji asked with surprise in her beautiful eyes.

Li Tian nodded and said, "Yes!"

"But, unfortunately, I didn't catch him." Li Tian added another sentence.

The goddess Xue Ji looked at Li Tian in front of her, her beautiful eyes suddenly turned twice there and said: "Hey! That Hei Jue ran away, and it's only natural! Although the Three Demons of the Underworld are extremely terrifying, they only rely on Heijue alone Strength, I am afraid it will be difficult to fight with you." The goddess Xue Ji said.

The goddess Xue Ji already knows Li Tian's powerful strength! Not only was able to defeat the White God, but also resisted his own seven-color temptation and deceit. This ability looks at the world, how many people can really do it?

Li Tian stood there without speaking.

"It seems that you really have to count on you in the battle of the gods." Suddenly the goddess Xue Ji said slightly.

After Li Tian heard the God Realm War once again, he couldn't help but ask.

"Goddess, just ask, what do you mean by the God Realm War?" Li Tian couldn't help asking.

The goddess Xue Ji Liu frowned and said, "Don't you know?"

Li Tian shook his head and said, "I don't know."

"Depressed, didn't Wood God tell you anything?" the goddess Xue Ji asked.

Li Tiandao: "The God of Wood has never told me about this battle in the God Realm."

"Well, I thought Wood God told you before. Since you want to know, then I will tell you now." The goddess Xue Ji said suddenly.

Then Li Tian heard that the goddess Xue Ji wanted to tell him, so he stood there and began to listen to her.

I saw the goddess Xue Ji, opening her lips slightly, and preaching there: "The so-called battle of the gods is just a battle between our temple and the nine palaces! This battle has been going on for thousands of years... So, we Call it the battle of the gods."

"Where is the Jiugong?" Li Tian asked suddenly curiously.

The goddess Xue Ji suddenly raised her head and looked at the sky, saying: "On top,"

When Li Tian heard this, his brows suddenly frowned, and then he raised his head and looked at the gray sky, not only depressed for a moment.

"Upper? What do you mean? Don't the people in the nine palaces still live in the sky?" Li Tian asked depressedly there.

After Li Tian asked in front of him, the goddess Xueji suddenly smiled there and said, "Yes."
what?

When Li Tian heard the goddess in front of him suddenly say this, he was speechless.

"Isn't it?" Li Tian yelled, very depressed.

I saw the goddess Xue Ji saying: "Don't you believe what I said?"

Li Tiandao: "It's not that I don't believe you, I just think that the nine palaces...in the sky, some...some are too incredible."

The goddess Xue Ji said: "Actually, from our perspective, the Nine Palaces are indeed in the sky! But if you look at us from the Nine Palaces, our temple is actually in the sky, because it is relative."

When Li Tian heard it, he was puzzled and said: "Relative? What do you mean?"

Just listen to the goddess Xue Ji explaining there: "When you came, didn't you watch it? How did you get to the temple?"

Li Tian shook his head and said, "I don't know! I sat in that ghost ship all the way... I didn't see anything."

Indeed, Li Tian had been sitting in the ghost ship when he arrived at the temple, and he didn't know how he arrived at the temple! So after the goddess Xue Ji suddenly asked such a question, she answered depressed.

"Oh, it turned out to be like this! Okay, since you don't know, then I will tell you, in fact, the location of our temple is in the ethereal and void! This place is a pure land, completely different from the spiritual land. The location of the Spirit Earth Continent is now under our feet!" The goddess Xue Ji suddenly said.

what?

After hearing what the goddess Xue Ji said, Li Tian in front of him was completely shocked.

"What? The Spirit Earth Continent is under our feet?" Li Tian cried out in shock.

But seeing the goddess Xue Ji nodded seriously and said, "Yes."

"Do you understand now?" The goddess Xue Ji looked at Li Tiandao there.

Li Tian was completely depressed at this moment, he never thought that this temple was actually above the Spirit Earth Continent!

So if you put it like this, isn't the temple also in the "heaven", exactly the same as the nine palaces?

"Actually, the nine palaces back then were very close to our temple, but unfortunately, after the war, we used illusion barriers to block the way to communicate with the nine palaces!!!" The goddess Xue Ji continued to be there. Talking to Li Tian.

Li Tian in front of him asked, "Could it be the barrier that day?"

"En, yes." The goddess Xue Ji replied there.

Li Tiandao: "According to what you said, Hei Jue reached the temple after breaking through the barrier that day and attacked your servant girl?"

"Yes." The goddess Xue Ji said.

"The barrier of heaven is now insecure...Although it still seems to be blocking the Nine Palaces on the surface... But in reality, the wood god, white god, and they all know in their hearts that the barrier of heaven in front of them can't stop it at all. The Nine Palace Demons have invaded."

"Soon, the barrier of the sky will be broken! At that time, the passage from the Nine Palaces to the temple will be opened... The battle of the gods is about to begin." The goddess Xue Ji said.

After hearing the explanation from the goddess Xue Ji, Li Tian finally understood.

It turns out this so-called "God World War" is like this! ! !

"Among the Nine Palaces, are the Three Demons of the Pluto in your mouth very powerful? Are they stronger than the powerhouses of your three temples?" Li Tian asked suddenly there.

Chapter 3040: Yangshen

Li Tian had already fought Na Hei Jue.

Although the strength of that Hei Jue is indeed terrifying, Li Tian felt that if the strength of that Hei Jue was really to be compared with the white god, wood god, and goddess of the temple, it would be a bit inferior!

After all, today Li Tian personally fought the White God who broke through the eighth heaven.

Li Tian had to admit that the strength of the White God had reached an unimaginable level.

If it were not for the final use of the fairy technique of the light system illusion: the sword of burning sky, this battle, I am afraid he would not be able to defeat the white god.

Therefore, Li Tian felt that the so-called Pluto Three Demons in the Nine Palaces should not be the opponent of the three main gods of the temple.

Why are the powerhouses in this temple afraid of the Underworld Three Demons in the Nine Houses? It's so strange.

So Li Tian couldn't help asking curiously.

After Li Tian asked, the goddess Xueji in front of her suddenly said: "We are not afraid of the Three Demon of the Nine Palaces! What we are afraid of is another person!"

A word came out strangely from the mouth of the goddess Xue Ji.

When the goddess Xue Ji suddenly said this, Li Tian was startled.

"Um? Another person? Who?" Li Tian couldn't help asking.

Suddenly, the goddess Xue Ji had a strange look on her beautiful face, as if mentioning this person made her feel cold.

"A weird person, a person whose strength has broken through the eleventh heaven! A man who can be called the most powerful man in the world so far." The goddess Xue Ji said.

Break through the eleventh heaven?

The most powerful man on the Spirit Earth Continent?

After Li Tian listened, the blood all over his body suddenly boiled.

This is the feeling of the strong after hearing the strong.

So I saw Li Tianzai, whose blood was boiling at the moment, and asked quickly: "Who is he? So powerful? He broke through the eleventh heaven?"

You know, in the thirteenth heaven, it is more difficult to cultivate one by one!

Li Tian has only reached the seventh heaven until now!

If you want to reach the eleventh heaven, I am afraid it will take a lot of time! However, now Li Tian actually heard that guy, he has already broken through the Eleventh Heaven? So his entire talent was not only shocked there.

After Li Tian said this, suddenly the goddess Xueji smiled and said: "I just said that he broke through the eleventh heaven! That was already more than 300 years ago! As for the current strength of his To what extent...hehehe, I can't predict it anymore."

When the goddess Xue Ji suddenly added such a sentence, Li Tian immediately screamed.

what?

Three hundred years ago?

"Three hundred years ago, that guy had already broken through the Eleventh Heaven? So powerful?" Li Tian said in shock.

But seeing the goddess Xue Ji gleaming in her eyes, nodded and said: "Yes! That's why we are afraid..."

After Li Tianyi heard it, he was completely speechless.

A terrifying guy who broke through the eleventh heaven three hundred years ago, how terrifying his strength should be after three hundred years of cultivation?

"Could it...could it be... he has already cultivated to the peak? Has reached the thirteenth heaven?"

Suddenly Li Tian asked in surprise there.

Li Tian in front of him suddenly said so, the goddess Xue Ji suddenly shook her head and said, "No! This is not possible yet!"

"Why are you so sure?"

"It has been three hundred years, he should have cultivated to the peak, right?" Li Tiandao said.

Just listen to the goddess Xue Ji said: "No! Absolutely impossible! Because my teacher once said that no one in the world can cultivate the thirteenth heaven to Consummation!!! My teacher also said, if you really practice If you reach Consummation, then the thirteenth heaven will be destroyed, and at that time, the entire thirteenth heaven will disappear from here! So I dare to conclude that he has definitely not cultivated to the thirteenth heaven."

After Li Tian thought about it this way, his whole body was stunned.

Three hundred years!

For three hundred years, he hasn't cultivated to the peak yet?

My God, are the remaining two heavens really so difficult to break through?

Li Tian was surprised to think about it.

"By the way, you have been talking about him, who is he?" Li Tian suddenly couldn't help asking curiously.

After Li Tian asked so suddenly, only to hear that the goddess Xue Ji in front of her suddenly flashed a strange look in her eyes.

The look seemed to be scared.

After being silent for a long time, the goddess Xue Ji in front of her suddenly said slightly: "He... he... is my little brother!!!"

Suddenly a word came out of the goddess Xue Ji's mouth.

After the goddess Xue Ji suddenly said this, Li Tian in front of her suddenly screamed.

what?

"You...you...your junior?" Li Tian was stunned.

Lifting those unbelievable eyes widened there, looking at the goddess Xue Ji in front of her.

I saw the goddess Xue Ji nodded silently and said: "Yes!!"

"At the beginning, he was in the temple together like us! He was named: Yang Shen! It's a pity... Later... Later... his temperament changed and became evil, so that he gave up the temple and went to the nine palaces. ."

"Now he has become the master of the Nine Houses! He has become the master of the Underworld Three Demons."

"This time, it should be his will that Hei Jue broke into the barrier of heaven." The words of the goddess Xue Ji revealed a helpless sigh...and this feeling of emotion.

Yang Shen?

Li Tian stayed there for an instant after listening.

Before, he had heard the wood ***** say that their previous temple had four main gods! Except for the wood god, the white god, and the goddess, Li Tian has never heard of the fourth main god.

Suddenly, from the mouth of the goddess Xueji, Li Tian was stunned for an instant when he learned that the fourth main ***** was originally the little junior of the goddess, and was once named the "Yang Shen".

It turns out that the four of them have a common teacher! The four of them are brothers.

"It turns out to be like this!!! I finally understand." Li Tian suddenly muttered in front of him.

When the goddess Xue Ji heard Li Tian say this, she suddenly smiled bitterly: "Now you finally understand?"

"Yes!" Li Tiandao.

"It's just that I didn't expect... the person who frightened you... turned out to be your little junior." Li Tiandao.

The goddess Xue Ji suddenly sighed slightly, "Yes! My junior brother has been enemies with the three of us since he betrayed the temple! Thousands of years have passed, and we should have a break." The goddess Xue Ji in front of her said while she suddenly raised her beautiful eyes, looking at the distance weirdly.
