

## A Killer 3051

Chapter 3051: There are people outside, there are heaven outside

After seeing Li Tian's powerful "combination" illusion, the goddess Xue Ji's beautiful eyes still contained a shocking surprise.

"I understand... I finally understand!" The goddess Xue Ji said suddenly.

For so many years, the goddess Xue Ji has been trapped in this ninth day with difficulty breaking through... This is the most depressing thing about the goddess Xue Ji.

Now after seeing that Li Tian actually realized the meaning of the pictures and texts on the stone wall, and combined ordinary illusion with alien space illusion, she finally felt the extremely powerful power.

After saying this, the goddess Xue Ji suddenly displayed her own illusion.

Before the goddess Xue Ji did not practice the alien space illusion, what she had practiced was the "water system illusion" and the flying "wind system illusion". She was not as powerful as Li Tian and could be used for the five-system plenum! She only knows those two!

The alien space illusion technique practiced by the goddess Xue Ji is the "ice heart illusion technique."

At this moment, the goddess Xue Ji used the ordinary "wind illusion technique" she had practiced, and then added the "ice heart illusion technique" to combine.

At this moment, after seeing the goddess Xue Ji performing these two illusions together, she controlled the wind with one hand and the ice technique with the other.

Suddenly evoked illusion.

Suddenly, the entire space was suddenly surrounded by a violent wind... At the moment of being surrounded, the goddess Xue Ji suddenly performed the "Ice Heart Frost Sword Technique", and then the two were combined.

Whoosh whoosh!

In the endless gust of wind, but seen in that gust of wind mixed with the terrifying "Ice Heart Frost Knife" flying towards the stone wall in front.

Bang bang bang!

The violent wind swept through, blowing the rocks on the ground into flight, and the "Ice Heart Frost Knife" was also torn by the violent wind, all nailed to the extremely hard rock wall in front of it like a nail.

There are cold ice skates in the wind.

Unexpectedly, under the experiment, the goddess Xue Ji combined the two powerful illusions.

"Great, I also combined the two illusions." Suddenly the goddess Xue Ji laughed with excitement and flushed like a little girl.

She already possessed the peerless beauty of the country and the city. At this moment, coupled with the slight blush on her pretty face, she was truly an incomparable beauty! It's exciting.

Even when Li Tian looked at the charming face of the goddess Xue Ji, his heart not only thumped violently.

"She is so demon! So beautiful." Li Tian muttered in his mouth, swallowing deeply.

At this moment, the goddess Xue Ji was extremely happy.

There shouted: "I finally understood the meaning of this! I finally have a chance to break through the ninth heaven... Great."

The goddess Xue Ji said while she was happy there.

Although Li Tian was extremely happy, he was not as crazy as the goddess Xue Ji.

He just stood there slightly, looking at the slender body of the goddess Xue Ji... as if she looked crazy.

Just when Li Tian was so obsessed with the plump body of the goddess Xue Ji, he suddenly felt that there was a sharp eye behind him peeping at him!

The cold light made Li Tian feel uncomfortable all over his body subconsciously.

At the moment Li Tian felt it, Li Tian suddenly shouted: "Who?"

Then he turned around abruptly, and at the same time, the spiritual power accumulated in his body seemed to be ready to explode in an instant.

But the moment Li Tian suddenly turned around... there was nothing behind!

When he saw that there was nothing behind, Li Tian was taken aback.

"What about people?"

"Could it be that I felt something went wrong?"

Just as Li Tian was thinking like this in Li Tian's mind, the goddess Xue Ji, who was startled by Li Tian's scream, suddenly turned her beautiful face and looked at Li Tian, "Hey, what's wrong with you? ?"

Li Tian's face was gloomy, and while looking at the empty place behind, he said in his mouth: "Just now, I seemed to notice someone looking at us from behind!"

what?

When the goddess Xue Ji heard this, she was surprised at the moment.

Quickly turned her pretty face and looked around...

I saw that after looking around the empty environment, there was no trace.

"Where is anyone? Are you too sensitive? Feeling wrong?" The goddess Xue Ji looked at Li Tiandao there.

Li Tian didn't speak, but just raised those cold eyes and looked around.

Then Li Tian suddenly stepped forward and walked towards it. After walking over, Li Tian felt an extremely powerful aura permeating this area! The strength of that breath... is stronger than the wood god... than the goddess... the breath exuding from the body!

At the moment when he felt that extremely powerful aura that could be said to have reached its peak state, Li Tian suddenly said, "I didn't feel wrong!"

"There was definitely someone behind us just now!" Suddenly a word came out of Li Tian's mouth.

After the goddess Xue Ji heard Li Tian say so firmly, Liu eyebrows not only wrinkled slightly.

He quickly walked over, and blinked beautiful eyes and looked around and said, "But...no one! If there are people, they should be able to detect them instantly with your skills."

The goddess Xue Ji seemed to be very confident in her own strength.

But Li Tian didn't think so.

I saw him looking at the empty surroundings and said: "No! There are definitely people! And the strength of that person is definitely beyond your imagination...I can feel it! It will never be wrong."

After hearing what Li Tian said, the goddess Xueji in front of her stopped talking.

Because she knows that Li Tian is very strong, it can be said that she has completely surpassed her now!

Since Li Tian could feel that someone really appeared behind them just now, there should be nothing wrong.

But, who else is in these thirteen days? Who can surpass Li Tian in strength? Beyond Goddess?

Is it Wood God?

Do not!

It is absolutely impossible to be a \*\*\*\*\* of wood!

As for the white god, not to mention.

But, who is the man who appeared behind them just now?

Li Tian didn't know and didn't dare to think about it! Because he couldn't imagine that if such a powerful figure wanted to harm them just now, I'm afraid Li Tian and the goddess Xue Ji would not even have room to fight back! Will be killed...

After thinking about it this way, Li Tian felt a cold sweat appearing all over his body.

Looking at the empty surroundings, Li Tian had only one feeling in his heart at this moment.

That is, there are people outside people, and there are heaven outside the sky.

Chapter 3052: Break through the nine heavens

But he said, did anyone actually show up behind Li Tian just now?

it is true? Still fake?

In fact, Li Tian feels right at all.

You know, Li Tian has reached the realm of the ninth layer of the 13th layer!

Any disturbance within a few miles can be noticed as long as Li Tian wants to listen.

And just now, Li Tian also relied on his powerful strength to feel that someone behind was peeping at him and the goddess.

But who is that mysterious figure?

At this moment, I saw a rickety figure standing motionless in that dark corner that no one could have imagined.

His weird one-eyed eye with endless light was staring coldly at the place where Li Tian and the goddess stayed.

"This kid really suits my taste! He is getting stronger and stronger!"

"Even the aura hidden in my body can be detected...very good, good!"

Accompanied by this weird rickety old man after finishing these words, he suddenly turned around that extremely ugly face, and saw that when he looked carefully at this moment, there were sword marks on the old man's face... that face was full. Jianhen's Jianhen ruined his old face, and blinded one of his eyes, giving people a very fierce feeling.

It turned out to be the rickety old man who claimed to be sweeping the thirteenth world before.

It's him?

At this moment, the rickety old man glanced at that Li Tian and the goddess slightly, suddenly his figure flashed and disappeared out of thin air like that.

No one knows where he went.

...

Besides, what about Li Tian and the goddess Xue Ji?

Still observing these four weeks at the moment.

After looking around again and making sure that there was no one, Li Tian's nervous heart suddenly relaxed slightly at this time.

"It seems that the expert has already left." Li Tian murmured there.

The goddess Xue Ji stood aside without speaking.

Li Tian turned his head slowly, and then said: "No matter what, the other party doesn't seem to want to harm us anyway! If it is critical, he should have already taken action just now."

The goddess Xue Ji heard Li Tian say this, so she nodded there.

Following that Li Tian and the goddess Xueji slowly turned their heads, the goddess Xueji suddenly spoke.

"We have now cracked the pictures and texts on this stone wall... Do you want to try to see if you can break through the ninth heaven?" Suddenly the goddess Xue Ji said in front of her.

Yes, the current Li Tian and the goddess have understood the meaning of the pictures and texts on the stone wall, and they have also realized the terrifying power of the combination of various

illusions! Compared to before, it can be said that the strength of both of them has increased even more.

Can they break through the ninth heaven before them?

After Li Tian heard what the goddess Xue Ji said, he said: "Okay! We can try."

After Li Tian said this, he and the goddess Xue Ji were ready to try to break through the ninth heaven.

The goddess Xue Ji had been paused on the ninth heaven before... Now with the help of Li Tian, she finally understood the meaning of the pictures and texts on the stone wall. Of course, she was very excited.

So at this moment, she was full of excitement in her heart, and then she hurriedly came to the ladder and made a breakthrough.

If they break through the ninth heaven, then they will enter the tenth heaven.

The tenth heaven is a critical point!

It is said that a strong person who can cultivate to the tenth heaven can achieve a thousand-year immortal body...to put it bluntly, it is like a god.

And now Li Tian, can he really enter the tenth heaven smoothly?

But he said that Li Tian in front of him, and the goddess quickly came to the cloud ladder illusion barrier.

The goddess suddenly said there: "Let me break through first!"

"I have been trapped in this ninth heaven for so many years...I can't make progress! It's all because I can't comprehend the meaning of the pictures and texts. Now, with your help, I understand everything...I hope this time, I can break through the ninth heaven." The goddess Xue Ji said slightly in that.

After Li Tian heard what the goddess Xue Ji said, so he stood there nodded and said, "Okay!"

After Li Tian in front of him finished speaking, the goddess Xue Ji began to make preparations to break through the ninth heaven.

I saw her walking towards the lotus step, slightly walking to the front of the illusion technique barrier.

Then a slender hand suddenly stretched out, in the palm of the hand, a group of ice crystals appeared in Qianqian's palm. When the ice heart appeared, the goddess Xue Ji's slender hand turned over, and she suddenly directed towards the magical barrier. Hit it.

When that terrifying illusion formation encountered the illusion of the goddess Xue Ji, a huge rebound force suddenly occurred.

With that powerful force, the snow-white arm of the goddess Xue Ji in front of her was slightly numb...it hurts.

However, the goddess Xue Ji did not back down, but clenched her teeth there.

Then the other hand stretched out quickly, and then accumulated the "wind system illusion", and then combined these two illusions, and then hit the illusion enchantment.

The goddess Xue Ji merged the two illusions this time.

When the goddess Xue Ji merged the two illusions, she started to hit the illusion barrier, suddenly a light flashed, and the two terrible illusions mixed, directly producing a strange energy... and then He only heard a muffled sound in the illusion barrier, followed by a click, like a cracking sound.

Then the illusion barrier was cracked.

The goddess Xue Ji finally broke through the ninth heaven.

"I broke, I finally broke."

Meisou watched the illusion barrier in front of her being broken, and the goddess Xue Ji in front of her suddenly yelled frantically.

She was so excited, so excited.

As a result, she almost hugged Li Tian.

After all, for so many years... she has been trapped in the ninth day, unable to make progress! Now that she finally broke through, she was naturally happy and crazy.

Li Tian looked at the crazy happy goddess Xue Ji, and now smiled slightly.

There said: "Congratulations!" Li Tian said sincerely.

The goddess Xue Ji suddenly turned her charming eyes and looked at Li Tiandao: "You are really a talent... Mu Shen really didn't mistake you."

Then Li Tian heard the goddess in front of him complimenting himself so, and immediately smiled indifferently: "Thank you for the compliment..."

"I'm telling the truth!" The goddess Xue Ji suddenly said.

"A man like you...If I were younger, I'm afraid I might really like you and be your woman." The goddess Xue Ji suddenly focused on her beautiful eyes and said with light.

Chapter 3053: The embarrassment of the goddess

what?

This goddess Xue Ji actually said to be Li Tian's woman?

However, when Li Tian heard the goddess Xue Ji suddenly say this, he couldn't help but screamed "Ah".

Raising her eyes, she silently looked at the goddess Xue Ji who had the beauty of the country and the city.

But seeing that goddess Xue Ji smiled suddenly: "Fool, I was joking with you."

This goddess Xue Ji said suddenly again.

After Li Tian heard that goddess Xue Ji added something like this, he not only felt a faint disappointment in his heart.

"Hey, what's the matter with me? Why is there still a feeling of loss?"

"Is Li Tian...really a layman? It is also difficult to resist the peerless beauty of the goddess Xue Ji...and the plump body?" Li Tian said in his heart.

Just when Li Tian was facing this way, the goddess Xue Ji in front of him suddenly smiled and said, "What are you thinking?"

When Li Tian heard it, he quickly said in embarrassment, "No...nothing..."

"Hehe, you don't have to take what I said just now! I said it, I was just kidding! Besides, I'm so old...how can a young person like you fall in love with a half-aged \*\*\*\*\* like me What?" The goddess Xue Ji suddenly laughed at herself slightly.

After Li Tian heard this, he almost said: You are not old...

Yes, how could the goddess Xue Ji be old?

Her smooth skin is as tender as water...and the face that is all over the country, and the plump body that is as charming as a demon... No matter what, no woman can compare.

If she said she was old, then all the women in the world might have committed suicide by cutting their wrists.

But Li Tian didn't say it.

The goddess Xue Ji glanced at Li Tian's face, and suddenly said there, "Forget it, let's not talk about such a boring topic."

"Since we have now broken through the ninth heaven, we should go to the tenth heaven and see."

"This tenth heaven is the place I have dreamed of all my life... Unexpectedly, I finally broke through today." The goddess Xue Ji said with excitement on her face.

Li Tian also wanted to see the situation of the tenth heaven.

So there he nodded and said: "Okay, let's go to the tenth heaven."

Following that Li Tian finished saying this, the two of them moved towards the tenth heaven.

Tenth Heaven!

The biggest change in the pattern of the thirteenth heaven is in the tenth heaven.

And now, Li Tian and the goddess Xue Ji have already come.

Rumors say that as long as you enter the tenth heaven, you can reach a thousand-year-old immortal body... Is this true or false? No one knows, because from beginning to end, they know that the goddess, the wood gods, and their teachers have reached the tenth heaven! There is also the terrifying guy called Yang Shen who has also reached the tenth heaven.

As for now, no one has been able to enter the realm of the tenth heaven.

Finally, Li Tian and the goddess entered the tenth heaven.

When the two reached the tenth heaven on the ladder together, suddenly a golden "tenth heaven" appeared in their eyes at the top.

The three characters are like a rainbow, and the pen is extremely vigorous, engraved on it like a tiger on a dragon.

Then Li Tian and the goddess Xue Ji looked at the three characters, and felt a sense of unprovoked blood rushing to their hearts.

The tenth heaven in this legend is different.

Just after Li Tian and the goddess Xueji stepped on the tenth heaven, they saw that there was no stone wall for practicing secrets in the tenth heaven... there was not a single piece.

The whole room is so empty!

Only in the front was a huge pool with white mist, exposed in the eyes of Li Tian and the goddess Xue Ji.

"Hey, this tenth heaven is very strange...Why is there nothing? Just a pool?" Li Tian murmured there.

But what about that goddess Xue Ji? At this moment, she blinked her beautiful eyes and looked at the white hot water pool in the front and said, "That pool looks strange!"

"Go, let's go over and take a look."

The goddess Xue Ji who said this, followed that Li Tian and walked quickly towards the pool.

After the goddess Xue Ji and Li Tian came to this steaming water pool, they were not only taken aback.

I saw the pool, it was very strange, there was no edge around it, the water in the pool was silver, very weird... and the cloud of white steam came out from inside.

"Hey, what the \*\*\*\* does this pool do?" The goddess Xue Ji suddenly asked in surprise there.

Just when the goddess Xue Ji was surprised, Li Tian suddenly saw that there was a row of ancient fonts on the edge of the pool.

"There are words here!" Li Tian suddenly pointed to the ground.

When the goddess Xue Ji heard this, she quickly lowered her head and went to see.

I saw a few vigorous ancient fonts carved on the cold slate floor.

I saw it said: Tianchi!

There is also a row of small characters adorned with: washing bones, strengthening tendons, building bodies, transforming gods!

Write eight characters behind that.

The moment Li Tian and the goddess Xue Ji saw these eight characters, they were stunned.

"amount?"

"Bone washing? Refining muscles? Building body? Transforming gods?" The goddess Xue Ji muttered these eight words, not only was she taken aback at this moment.

Looking at Li Tian there and asking: "What does this mean?"

After taking a look there, Li Tian replied: "I understand! It turns out that this pool is called Tianchi, and the so-called bone washing, tendon strengthening, body building, and \*\*\*\* transformation should mean to enter this Tianchi. After taking a bath, you can get this effect."

"What? Bathing? Here?" The goddess Xue Ji was completely speechless when she heard it.

Then Li Tian nodded there at the moment: "It should be."

When the goddess Xue Ji heard this, she was immediately embarrassed.

She, how can she bathe here?

Besides, there is Li Tian here!

Is she going to take off her clothes in front of Li Tian, and then enter this Tianchi to take a bath?

Thinking of this situation, the goddess Xue Ji became embarrassed at that moment.

What about Li Tian? At this moment, the embarrassment of the goddess Xue Ji was also seen.

After thinking for a while and saying: "Goddess, this should be the Tianchi for bathing! You and I should bathe here."

"what?"

"I and you... take a bath?" When the goddess Xue Ji heard this, an unacceptable expression appeared on that beautiful face.

Then Li Tian rubbed his nose and said, "Then... Then what do you say? We can't just give up this opportunity, right?" Li Tian said badly.

The goddess was extremely embarrassed when she heard that,

"I...I...I..."

"I'll wash first! You turn around...Don't look at me!" The goddess Xue Ji suddenly shouted with a blushing face.

Chapter 3054: Bone washing

After the glamorous goddess Xue Ji suddenly said this, Li Tian was depressed.

what?

Make him turn around?

And let the goddess Xue Ji bathe first?

Just as Li Tian was thinking like this in his heart, the goddess Xue Ji suddenly raised her eyebrows, and her red lips were there and said, "Don't you turn your head quickly?"

When Li Tian heard this woman say so, he could only mutter to himself: Humph, who wants to see you more.

Although Li Tian was thinking this way, he turned his head slowly.

"Well, I turned my head." Li Tian said in his reluctant mouth.

When the goddess Xueji heard Li Tian say this, she looked back at Li Tian cautiously, and then said: "You are not allowed to look back... If you dare to peek at my body, I, I will kill you. ."

When Li Tian heard it, he sneered there and said, "Don't worry, Li Tian won't do such nasty things."

After hearing what Li Tian said, the goddess Xue Ji was slightly relieved.

Seeing her gently stepping on the lotus step, she reached the side of the "Tianchi", blinked her beautiful eyes and glanced at the steaming hot water in the "Tianchi", the goddess began to prepare to take off her skirt .

What about Li Tian?

At this moment, she stood there like a gentleman, with her back facing the goddess Xue Ji.

Never turn your head from start to finish.

The goddess Xue Ji stopped at the day pool for about a few minutes before she suddenly began to gently take off her skirt.

Her figure is so beautiful, so graceful.

She stretched out her delicate hand and gently removed the fiery red veil on her shoulders, gradually revealing the white, smooth skin. The skin that can be broken by a finger is so tender, hundreds of times softer than the skin of a girl.

The gauze slowly fell, revealing the pair of towering pairs and peaks gradually, and she covered the front part with her delicate hands... and her face was shy.

Then she slowly faded the veil, and gradually she began to fade the skirt yarn below, and two slender legs appeared in the line of sight. The legs were slender and round, which made people even nosebleed.

As she dropped piece by piece of veil, gradually the perfect tube appeared in front of her.

Stripped and naked.

When the goddess Xue Ji was taking off and bare her fiery red tunic, she slowly stretched out her jade and legs, and slowly walked towards the front Tianchi to take a bath.

But what about Li Tian behind?

Just now I heard the sound of taking off and clothes in his ears. At that moment, he felt an uncomfortable feeling all over his body. At the same time, his throat became extremely dry, as if there was a mass in his body. The fire was burning with him, making him extremely uncomfortable.

After all, Li Tian is a man!

A few meters behind him, it is the most beautiful woman in the world taking off her clothes... Then how could Li Tian not be excited? If he is not excited, he might be broken.

At this moment, Li Tian tried hard to endure his own guilt.

Take a deep breath there, and then keep calm.

At this moment, he suddenly heard the sound of the goddess Xue Ji coming into the water again in his ears...The sound of the water echoed in Li Tian's ears.

I saw that the perfect body of the goddess had entered the pool of the day.

The beauty in the bath is really beautiful.

The goddess Xue Ji in the pond that day, her whole body was immersed in the water, only her head and the black silk were exposed... the snow-white shoulders were looming, and she was full of confusion.

But she said that after the goddess Xue Ji was soaked in the "Tianchi" to take a bath, she suddenly blinked her beautiful eyes and looked at the back of Li Tian who was really motionless, and then secretly said: This guy is really good! Unexpectedly, I can really hold myself.

The goddess Xue Ji who thought this way didn't say anything, and then she was slightly soaked in the pool of the day.

The water flow in this Tianchi was very strange. When the goddess Xueji's delicate body entered inside, a very strange breath suddenly came out, and then followed the goddess Xueji's ankles, and then began to move towards her thighs... go with.

It seemed as if an energy flooded the body of the goddess Xue Ji.

After the goddess Xue Ji felt the weird energy that filled her whole body, she was startled for an instant, her beautiful eyes blinked and said: "Uh? Why is this pool of water so strange?"

Just as she was thinking like this in her mind, a tingling sensation suddenly came from the bones of her whole body.

The tingling pain seemed to be dislocation of bones, and bursts of severe pain continued to be transmitted to the whole body of the goddess Xue Ji.

"what!"

Suddenly the goddess Xue Ji couldn't help screaming in pain.

What about Li Tian with his back to the goddess Xue Ji? After hearing a scream of "stinging" from the mouth of the goddess Xue Ji, she was startled.

"What's wrong? Goddess?" Li Tian asked in surprise.

With this question, his body almost turned around.

But seeing the goddess Xue Ji soaking in the white mist of Tianchi, the moment she saw Li Tian trying to twist her body, she quickly exclaimed: "You... don't turn around... .."

When Li Tian heard the goddess Xueji say this, he wanted to turn around to see what happened to her, but after the goddess Xueji said this, he didn't turn around again.

But what about the goddess?

At this moment, there were bursts of intense tingling from the bones of the body.

This sting is because of bone washing, so it produces such terrible pain.

To put it bluntly, this is to change the muscles and bones of the whole body, so it is extremely painful. The goddess Xue Ji in front of her is trembling and enduring the huge pain.

The bones are painful like ants eroding bones, more painful than a sharp knife stuck in the heart.

what!

Another cry of pain came from the sakura lips of the goddess Xue Ji, but seeing her delicate body soaked in the Tianchi, at that moment, there was a violent convulsion.

pain!

The piercing pain was deeply torturing the goddess Xue Ji.

But he said that Li Tian didn't know what happened to the goddess Xueji, he wanted to turn his head to see the situation...but he was afraid that the goddess Xueji would be angry, so Li Tian was very anxious at the moment.

"Goddess...what's the matter?" Li Tian asked the goddess Xueji extremely worriedly with his back. After he asked, the goddess didn't react at all.

"Goddess? Goddess?" Li Tian yelled twice again... but still didn't hear the voice of the goddess.

At this moment, Li Tiantian became worried.

"Should something happen to this goddess, right?" Li Tian called out in shock.

But now the goddess Xue Ji did not let Li Tian turn around, Li Tian was anxious and worried...

"Forget it, I can't care about that much, I'll see what happened to her." Li Tian finally made up his mind in that mind.

He was about to turn around.

Chapter 3055: anger

Just after Li Tian thought this way, he suddenly turned his head around.

The moment Li Tian turned his head, he saw the blue silk, the beautiful goddess Xue Ji lying in the pond that day.

A pale and pretty face was full of pain...At the same time, the snow-white tender, slippery body was still trembling.

When Li Tian saw the appearance of the goddess, he was shocked.

With a leap, he flew directly towards the pond.

"goddess!"

With a crash, as that Li Tian jumped, his body jumped directly into the Tianchi in front of him.

The splashed pool water was directly scattered on the ground outside.

What about Li Tian? Just like this jumped into the pool of the day.

After jumping into the pool of the day, he quickly reached out and hugged the fainted goddess Xue Ji, and then quickly shouted: "Goddess, goddess..."

But the goddess Xue Ji didn't react at all.

It seemed to faint in pain.

Seeing the goddess Xue Ji fainted like this, Li Tian immediately hugged her up.

With a loud bang, as Li Tian picked up the goddess Xue Ji, a beautiful \*\*\*\*\* appeared in Li Tian's eyes.

Her snow-white body...slender jade, legs...and the fierce towering in the wind, Li Tian was stunned for an instant.

nice!

So beautiful.

Her body is more attractive than that of a girl.

what?

Li Tian exclaimed.

At that moment, he only felt a burst of fire from his lower body directly rushing up, and a pair of fiery eyes could not help but stare at her delicate body.

Frozen, dull.

This guy was dumbfounded for almost a minute, and a rush of blood rushed straight into his forehead... It almost made him want to commit a crime.

"Damn it, how can I do this? At the risk of others?"

"The goddess is in a coma now... and I... and my... mind is thinking of her body? I'm such a bastard!"

Li Tian hurriedly figured out his sanity there, and then secretly scolded himself.

After scolding himself, but seeing him jump, he suddenly put one arm around the delicate waist of the goddess Xue Ji, then swished up from the pool that day.

At the moment when Fei Zong came up, Li Tian raised his right hand, and then suddenly used slavery to \*\*\*\*\* up the fiery red dress sand of the goddess Xue Ji, and then gave the goddess Xue Ji's delicate body that was exposed in front of him for a moment. Tightly wrapped.

The plump and attractive body was quickly wrapped tightly by Li Tian with the fiery red skirt sand.

After wrapping the goddess' body, Li Tian then gently laid the goddess Xueji on the ground, then stretched out a palm, and then pressed the goddess Xueji's back, inside the body His internal strength began to pour into the body of the goddess Xue Ji!

Treat her.

As Li Tian's powerful internal force began to continuously enter the body of the goddess, the pale face of the goddess improved slightly.

In fact, Li Tianda doesn't have to enter the true spirit for her!

Because the current goddess is going through the bone washing stage, this bone washing stage is originally an extremely painful, as long as it passes through this pain, it will soon enter the second stage, and the remaining links will not be so painful.

But Li Tian didn't know the situation. He was worried about the safety of the goddess Xue Ji, so he saw the goddess fainting in pain at the moment, and he quickly poured his own internal energy into the body of the goddess Xue Ji.

After that Li Tian input a strong internal force into the body of the goddess Xue Ji, Li Tian Weiwei released his hands, and then slowly put the goddess Xue Ji who was still in a coma down there. Let her lie down quietly.

At the moment, the goddess Xue Ji was still in a coma.

Li Tian stayed quietly beside her just like that.

With a pair of eyes, looking at her snow-white smooth tender shoulders, and the beautiful face covered with water drops, even Li Tian couldn't help but marvel at that moment.

"Hey, this woman is so beautiful!"

After Li Tian finished saying this, he began to sit silently beside the goddess Xue Ji, and then guarded her motionlessly.

Time passed by every minute.

I don't know how long it has been... Suddenly the voice of "Baby" came from the goddess Xue Ji's mouth, and then her beautiful eyes opened for an instant.

She is sober.

Li Tian, who was on the side, saw that the goddess Xueji suddenly awake before him, suddenly shouted in excitement: "Goddess, are you awake?"

Besides, the goddess Xue Ji, who had just woke up, was startled after hearing Li Tian's voice.

Then she raised her beautiful eyes and looked at Li Tian beside her in disbelief... Then she looked at her body wrapped in a fiery red dress. At that moment, the goddess Xue Ji's head was "stunned".

"I...I... how could I be here?" The goddess Xue Ji asked suddenly there.

Then Li Tian said, "I rescued you from Tianchi! You were unconscious just now."

When the goddess Xue Ji heard this, she was stunned, looking at Li Tian in front of her, she suddenly thought of her naked body... remembering that she was rescued by Li Tian?

what?

Suddenly a scream came out from the mouth of the goddess Xue Ji.

Then Li Tian saw the goddess Xueji suddenly screamed, and was startled, and was about to ask her what happened?

But before the words were asked, the goddess Xue Ji suddenly raised a slender hand and slapped Li Tian on the cheek.

This palm is fierce! Directly punched five red fingerprints on Li Tian's face!

Li Tian was slapped by the goddess and was immediately taken aback.

"What are you doing? Why are you hitting me?" Li Tian never thought that this goddess Xue Ji slapped herself just after she woke up. He was very inexplicable, so he furiously said at the moment.

The goddess Xue Ji Liu raised her eyebrows, and said in an extremely angry voice: "You bastard...who asked you to save me?"

When Li Tian heard this, he was immediately depressed.

This Nima, being a good person by herself, rescued her, but she suddenly complained about herself?

"Are you crazy? Shouldn't you thank me for saving you?" Li Tianzai exclaimed angrily.

The goddess Xue Ji said angrily: "I thank you? I just want to kill you now!"

"You are crazy...You are really crazy..." Li Tianyi heard the goddess Xue Ji say this, and yelled depressed right now.

The goddess Xue Ji said: "You bastard... don't you know that I am not wearing clothes all over? Who asked you to save me?" The goddess Xue Ji said with a blushing angrily at the moment.

what?

Li Tianyi was completely depressed.

Chapter 3056: Be my one

After Li Tian heard the goddess Xue Ji say this all of a sudden, he instantly understood.

It turned out that the goddess Xue Ji hadn't been dressed in the Tianchi just now, and she had a delicate body, and Li Tian rescued her at this moment. It was obvious that Li Tian had seen her body.

Thinking of this picture... how could the goddess Xue Ji not be angry? Not angry?

Then Li Tianyi thought, it turned out that this woman beat herself for this matter.

Depressed and said: "Okay... I'm nosy, I shouldn't save you."

The goddess Xue Ji's delicate body was trembling slightly, her beautiful eyes staring at Li Tiandao: "What is the use of what you say now? I ask you, are you bastard...look...look...look My body?" The goddess Xue Ji bit her lip and looked at Li Tiandao.

When Li Tian heard this, he frowned slightly, thinking how to answer.

If he said that he saw the body of this goddess, then it is estimated that this woman would definitely kill himself.

But if he said that he didn't look at that goddess Xue Ji's body, maybe even a fool would not believe it?

So now Li Tian is very entangled.

"Say? Have you watched it?" The goddess Xue Ji asked Li Tian with her beautiful eyes staring at the moment.

Li Tian hesitated for a long time and said: "I...I...that is to save you, I have to do it!"

"You bastard... so you looked at my body?" The goddess Xue Ji suddenly revealed a murderous voice.

When Li Tian heard this, he quickly stood up, staying away from her, and said bitterly, "I...I...I just watched a little bit."

"Asshole! I killed you."

Following the roar of the goddess Xue Ji, her beautiful body suddenly flew over, and then directly hit Li Tian with a palm.

Li Tian saw the goddess Xue Ji hit him at once, and quickly backed away.

"Hey, hey, hey, calm down!"

After the words were spoken, he directly displayed the "Wind Mystery Step" and quickly dodged the attack of the goddess Xue Ji.

But how can the goddess Xue Ji calm down?

She can be described as a head of fire now!

No one outside the world has ever seen her body! But now that Li Tian is full of eyes, she is of course ashamed and angry.

This will only want to kill Li Tian.

"You bastard, don't run!" The goddess Xue Ji screamed while showing her beautiful shadow, chasing Li Tian there.

Li Tian is not a fool, of course he would not stand there and fight her.

At this moment, while running away, he said, "I'm not a fool, why don't I run?"

"You..." The goddess Xue Ji just wanted to grab Li Tian and smash him into pieces.

Her innocent body was unexpectedly seen by Li Tian. Of course she was very angry.

But her strength is not as strong as Li Tian! So no matter how much she displayed, she couldn't catch up with Li Tian who was running away.

After chasing it, I don't know how long it took, and finally the goddess Xue Ji was tired.

She stood there, panting, her delicate body trembling slightly, the towering twin peaks trembling there, and she looked at Li Tian in front of her angrily.

Then Li Tian was also standing in front of the goddess Xue Ji.

"Goddess, calm down! I, Li Tian, really didn't have the intention to... peek at your body! I just want to save you..." Li Tian explained bitterly.

But how could the goddess Xue Ji be able to listen at this moment?

"Who let you \*\*\*\* save me?" Goddess Xue Ji said angrily.

When Li Tian heard what the goddess Xueji said, he not only said in a very depressed voice: "Then what do you want?"

"I just want to kill you! Even if I don't kill you... I will dig out your eyeballs." Goddess Xue Ji said bitterly.

Li Tianyi called out "Ah".

"Are you so cruel?" Li Tiandao.

The goddess Xue Ji said: "I told you long ago that anyone who peeks at my body must die!"

Then Li Tian touched his nose and said, "Don't we have another solution?"

The goddess Xue Ji said: "I once swore that any man who dares to peek at my body will die under his hands! You are absolutely no exception..."

"But, I...I...I am responsible! Am I responsible?" Li Tian suddenly shouted there.

He saw that the goddess Xue Ji seemed to have completely lost her rationality, so he could only say so at this moment.

"Are you responsible?" The goddess was slightly startled.

Then Li Tian nodded vigorously and said, "Yes, yes, I am responsible."

"How are you \*\*\*\*\* responsible?" the goddess Xue Ji asked angrily.

Then Li Tian's head turned rapidly, and then said: "I...I...I...I'm your man! In this case, I take your body for granted, right?"

what?

When Li Tian said these words, the goddess in front of her screamed.

The beautiful eyes of anger that widened and stared coldly at Li Tian in front of him.

Li Tian also felt that he had said something wrong... How could Nima take this woman away?

This woman is extremely cruel and has such great skill! If he treats her badly, then it is worth it?

"What are you \*\*\*\*\* talking about?" The goddess heard that Li Tian was going to be her own man at the moment, she was angry and ashamed.

Li Tiandao: "I can only be so responsible! If you agree, you will be my woman from now on, Li Tian's woman... If you don't agree, then I can't help it, I can only run away ..."

After Li Tian finished speaking, he was ready to escape.

"Wait!" Suddenly, a soft drink came out from the mouth of the goddess Xue Ji.

After hearing the cry of the goddess Xue Ji, Li Tian turned his head slightly and looked at the goddess Xue Ji and said: "How? Are you thinking about it? If you still want to kill me...then we are nothing. Nice talk."

Li Tian said like a splash of skin.

The face of the goddess Xue Ji was ashamed and angry.

What can she do?

In fact, she also has an inexplicable feeling for Li Tian! That kind of feeling is hazy and can't explain clearly, even she herself can't believe it.

After all, she has never been moved by a man for hundreds of years!

Any man is stinky and dirty in the eyes of the goddess Xue Ji!

And now, since she was with Li Tian, she felt that Li Tian was pretty good.

So at this moment, the goddess Xue Ji looked at that Li Tian in her beautiful eyes...

"Hmph, why do you make me your woman?" The goddess Xue Ji said coldly.

A high above, like a queen.

Li Tiandao: "For nothing, just rely on me to look at your body, hehe, and isn't it true that women are born to be loved by men?"

When the goddess Xue Ji heard this, her pretty face was shy and angrily said: "Nonsense."

Chapter 3057: I will kill her

Then Li Tian heard that the goddess Xueji suddenly roared in surprise: "Goddess, you have never been moved by a man before, right?"

Li Tian was horrified at that.

That goddess Xue Ji was indeed like this. Li Tian said it at the moment, and said furiously at that moment: "Just take care of you bastard."

When Li Tian heard this, he immediately understood.

"My goodness, it turns out that it really is!"

The goddess shouted angrily and said: "Asshole, you are not allowed to talk anymore."

Li Tian quickly closed his mouth tightly and stopped talking.

"Okay, you said, let me be your woman, right?" The goddess Xue Ji suddenly looked at Li Tiandao coldly.

Li Tian smiled and nodded there, "Yes."

Of course Li Tian wants her for such a stunning beauty, and she is pure and pure!

Can that man not want it?

After Li Tian said it, he only listened to the goddess Xue Ji said: "But even if I am willing to be your woman, do you dare to want me?"

The goddess has a majestic posture, like a queen holding a whip, looking down at Li Tian in front of her.

Li Tian did have a headache.

He already has a woman in love! And there is also Situ Ningbing. At this moment, there is such a terrible goddess as her own woman? Li Tian would indeed be overwhelmed for a while.

But how can he, who is machismo, show weakness in front of the goddess?

So I saw that Li Tian said: "Of course I dare! You are such a peerless woman, which is the fantasy of every man! Of course Li Tian wants you."

"Well, this is what you said! Don't regret it." The goddess Xue Ji said coldly there.

Li Tian smiled and said: "A fool will regret it."

The goddess Xue Ji sneered when she heard it.

At this moment, the delicate hand slightly put his fiery red dress on the white and tender shoulders, and then looked at Li Tiandao: "Since I have become your woman, then you should tell me how many women are there outside of you. Right?"

what?

Li Tian was stunned when he heard the goddess Xue Ji suddenly ask such a question.

she was?

Why did she suddenly ask such a question?

Li Tian was depressed there.

The goddess Xue Ji saw Li Tian hesitate, and suddenly said coldly, "Say? How many women are there outside of you?"

"No...no...ah! Except for Ningbing!" Li Tiandao.

After the goddess Xue Ji heard Situ Ningbing's name, a cold light flashed in her beautiful eyes.

"Really? Is Bing'er alone?"

Angel Li nodded vigorously and said, "Yes, yes."

"it is good!"

"I'm going to kill Binger now!"

As the goddess Xue Ji said so, a fierce light flashed from the goddess Xue Ji's eyes.

When Li Tian heard this, he was shocked.

What is she saying?

She said she wanted to kill her apprentice? Kill that Situ Ningbing?

When Li Tian heard this, he was surprised and cried out.

"Wait...what did you just say? Are you going to kill Ningbing?" Li Tian asked the goddess Xue Ji who couldn't believe it.

But when the goddess Xue Ji said, "Yes!"

"Why?" Li Tianyi asked, completely speechless.

Li Tian couldn't believe his ears.

But seeing the goddess Xue Ji said coldly, "Because I never share men with other women! Absolutely not."

"So Binger must die." The goddess Xue Ji said coldly.

When the goddess Xue Ji said so, Li Tian almost jumped up.

what?

"You...you... don't you?"

"Ningbing is your apprentice!" Li Tian exclaimed there.

The goddess Xue Ji sneered and said: "What's wrong with my apprentice? Don't you want to be my Xue Ji's man? Since you become my man, Bing'er must die! Although I like her very much, I can't share her with her. Share with you."

When Li Tian heard it, the egg was completely broken.

He finally understood one sentence now, that is, the most poisonous thing in the world is always a woman's heart! Especially the heart of beautiful women.

So at this moment Li Tian must be speechless, how speechless.

"Do not!"

Li Tian suddenly shouted there.

"Goddess, you can't hurt Ningbing?" Li Tian said there.

When the goddess heard this, she said angrily: "What? Are you distressed?"

Li Tian nodded and said, "Yes! I will never allow you to hurt Ningbing..."

When the goddess heard it, her anger soared and said: "Since you won't let me kill her! Then I will kill you bastard."

After speaking, the goddess was ready to attack Li Tian.

Of course Li Tian would not allow the goddess Xue Ji in front of him to hurt Situ Ningbing... For so long, Situ Ningbing can be said to have occupied Li Tian's entire heart! So how could he let the goddess in front of him hurt her?

Seeing that the glaring goddess Xue Ji was about to kill Li Tianxia, at this moment, a "buzzing" sang bell suddenly came from the direction of the temple.

The bell was very strange, it struck very fast, very loud!

It's as if something terrible happened in the temple.

However, the goddess Xue Ji who was at this moment... and Li Tian couldn't help being stunned at the moment when he heard the weird "bell sound".

But seeing that the goddess Xue Ji heard such a weird bell, a strange color suddenly appeared on the beautiful and flawless face, and at the same time she muttered in her mouth: "No. , Something big happened to the temple."

When Li Tian heard that, when he was about to ask the goddess in front of him what was going on, he saw the goddess Xue Ji suddenly facing Li Tiandao: "I don't have the time to accompany you to fool around! I want to hurry to the temple...the temple is now Something must have happened."

After the goddess suddenly said this, her beautiful body suddenly jumped out of the window of the tenth heaven, and then her whole body turned into a fiery red figure, and then disappeared. Inside the field of vision.

But when she said that she was watching that goddess Xue Ji suddenly left in such a panic, Li Tian was not only slightly startled.

Looking at the shadow of the departed goddess Xue Ji, she murmured in her mouth: "Oh my God, this woman is too terrible! I really can't provoke!!!"

"If I, Li Tian, really marry such a woman by his side in the future... I'm afraid I will feel restless!"

Li Tian thought about it this way, so he felt very lucky.

Fortunately, the goddess Xue Ji has left.

Just as he was thinking about it in his heart, suddenly there was a loud "buzzing" bell from the temple.

The sound was extremely ear-piercing, as if something terrible had really happened in the temple.

Listening to the bell from the direction of the temple, Li Tian frowned and muttered, "Could it be that something really happened to the temple?"

Chapter 3058: He is most important

What happened to the temple?

But she said that after the goddess Xue Ji flew out of the thirteenth heaven, the sky was overcast!

And accompanied by the howling cold wind blowing from the distance.

Looking up at the sky, I saw that above the sky covered by black clouds, the barrier that day was completely broken.

A gust of black demon air shot down from the sky.

At the moment when the goddess Xue Ji saw the black demon energy shooting down from the air, a weird look of horror suddenly appeared on her pretty face.

"The barrier of heaven was actually broken?"

"It seems that the demons in the nine palaces are really coming!!!"

After she finished speaking, her body suddenly turned into a ball of Hokage, and then flew towards the temple very quickly.

She wants to find the wood \*\*\*\*\* and white \*\*\*\*\* quickly!

...

At the moment when the goddess Xue Ji flew to the temple, she saw all the people in the temple standing on the outside square, and then everyone looked serious and vigilant, glaring at the sky. The black magic in it.

Standing at the forefront were the wood \*\*\*\*\* and the white god.

The two of them were also standing there.

At this moment, the figure of the goddess swept over, and then flew over, and reached the side of the white \*\*\*\*\* and the white \*\*\*\*\* with a whistle.

"White God, Wood God, I'm here." The goddess said after her arrival.

After seeing the goddess coming, the wooden \*\*\*\*\* and the white \*\*\*\*\* nodded silently.

Then he just listened to the wood \*\*\*\*\* who raised his head and looked at the sky barrier that had been completely torn apart in the sky and said: "He has broken the sky barrier! I thought, The God Realm War is coming soon."

As the wood \*\*\*\*\* finished speaking, everyone raised their heads and looked towards the gloomy sky.

Following their eyes, indeed, they saw that the barrier of heaven that was originally used to block the "Nine Houses" had really been broken.

A stream of black magic energy permeated toward the temple.

Looking at the waves of demonic energy, the Wood God in front of him suddenly said: "From today, we must be ready to fight!"

"Goddess, Baishen, I hope you two can work together with me to win this war."

After the goddess and Baishen heard Mu Shen say this, they nodded silently and said, "En."

"By the way, goddess, can you be with that Li Tian's boy?" The wood \*\*\*\*\* in front of me suddenly looked at the goddess Xueji.

When the goddess Xue Ji heard Li Tian's name, she wanted to scold her!

But when she thought about it in her mind, she held it back, so she said: "Yes..."

"The current Li Tian...how many times has it broken through?" The Wood God in front of him quickly asked.

The goddess said: "At present he has reached the tenth heaven!"

"Ah? The tenth heaven?" When the goddess in front of him suddenly said this, the white \*\*\*\*\* in front of him suddenly screamed.

"Ten Heaven? He has reached the realm of transforming gods? So fast?" The white \*\*\*\*\* looked at the goddess in disbelief and said.

White God was surprised.

Because he only reached the eighth day.

But seeing the goddess Xue Ji nodded silently and said: "Yes."

When the wood \*\*\*\*\* heard what the goddess Xue Ji said, he said with great excitement: "Great! Great."

"It seems that I really did not misunderstand him, he is really a rare wizard in thousands of years!"

"Ten Heaven, if Li Tian has reached the Ten Heaven Realm now, then he should be able to fight him." Suddenly the Wood God said there.

When the goddess Xue Ji and Bai Shen listened to them, they were slightly startled, and looked at the wood \*\*\*\*\* said: "Mu Shen, do you mean to let Li Tian fight him?"

The Wood God nodded and said: "It can only be so! At present, only Li Tian's strength can fight him!"

After the goddess heard it, she immediately said there: "But Li Tiancai only reached the tenth heaven! And the strength of the junior brother had already broken through the eleventh heaven three hundred years ago. If you let Li Tian go, then Didn't you let him die?"

As the goddess said so, the wood \*\*\*\*\* suddenly became extremely ugly.

"Don't mention the name of that rebellious person! He is no longer our junior!" The Wood God roared.

When the goddess heard Mu Shen say this, she stood there without speaking.

It turned out that since that Yang God betrayed the temple, the Wood God, White God, and Goddess were all heartbroken! They vowed not to mention his name again from now on, and now the goddess called out the little junior, so the wood \*\*\*\*\* in front of them was very angry.

However, how could the Wood God let Li Tian deal with the Yang God?

You know, Li Tian has just reached the realm of the tenth heaven!

And what about Yang Shen? The strength reached the eleventh heaven three hundred years ago, and now three hundred years have passed, how powerful is the horror guy called the sun \*\*\*\*\* now? Who knows.

Obviously, if that Li Tianzhen fought against that Yangshen, he would definitely lose! It must be dead!

It is definitely not the opponent of that Yang Shen.

Therefore, after the goddess Xue Ji and Bai Shen listened to them, they all looked at the wooden \*\*\*\*\* in front of them in surprise.

"Mu Shen, you are clearly asking Li Tian to die! He is not his opponent at all now." The goddess Xue Ji suddenly said there.

After the goddess said so, just listen to the wood \*\*\*\*\* saying: "I can't control that much! Now I can only do this...or else, our temple will be destroyed."

"But, you are hurting Li Tian!" Goddess Xue Ji reluctantly said.

The wooden \*\*\*\*\* suddenly said angrily: "Xue Ji, the temple is important? Or is that kid important?"

When the goddess Xue Ji heard this, her beautiful face suddenly trembled, and then she said, "He is important!"

what?

When the goddess Xueji suddenly said such a sentence, the Wood God and White God in front of them were stunned for a moment.

No one thought that the goddess Xue Ji would say so.

"Goddess, why are you speaking for that kid like this?" Mu Shen asked angrily there.

But seeing that goddess Xue Ji said there: "Because I am his woman!"

The audience was shocked by the words.

what?

At the moment when the goddess Xue Ji uttered a word, the white gods, wood gods, and the temple messengers present all turned their weird faces and looked at the goddess Xue Ji as the most beautiful goddess in the world. .

No one thought she would say so...

Is she Li Tian's woman?

Chapter 3059: Jealous

Accompanied by the horrified words of the goddess Xue Ji, it was no doubt that it exploded in the crowd like a "bomb". .

That Gu Mu Xijue, as well as the White God in front of him, were all shocked, including the guardians in the surrounding temples.

None of them knew that the goddess Xue Ji would actually say such a sentence.

"Xue Ji...what are you talking about?" Gu Mu Xijue in front of her suddenly looked at the goddess Xue Ji in surprise.

His eyes widened, as if he had heard the thing that surprised him the most.

The White God on the other side was also looking at that Xue Ji in shock.

But seeing the goddess Xue Ji said coldly, "I said, from today onwards, I am Li Tian's woman!"

what?

When her words were spoken again, Yuzue Koki, Shiraito, and the guardians around them all yelled out.

Gu Mu Xi Jue was stunned for a long time, then suddenly smiled.

"Xue Ji, you...are you... are you kidding?" Gu Mu Xijue said in disbelief.

The White God also said: "Goddess, are you talking and laughing?"

When they asked, suddenly the goddess Xue Ji turned her glamorous and unparalleled face and said, "Do you think I am joking?"

Hearing what the goddess Xue Ji said suddenly, the White God and Gu Mu Xijue were speechless for a moment.

"Really?" Gu Mu Xijue asked in surprise.

The goddess Xue Ji replied: "Of course!"

"So, if you ask him to die, I absolutely don't allow it." The goddess Xue Ji said.

When that Gu Mu Xijue heard the goddess say this, she was speechless for a moment.

Bai Shen also widened his eyes, looking at the goddess Xue Ji and said, "Sister San, don't you be kidding! For so many years, I...I...never saw you like a man... Could it be...do you really like that...smelly brat?"

It turns out that this goddess Xue Ji is the third child! Therefore, the white \*\*\*\* in front of her called her: Third Junior Sister.

After the white \*\*\*\* in front of him said so, the goddess Xue Ji said coldly, "Can't I like him?"

The white \*\*\*\* was choked by the goddess Xue Ji, and quickly replied: "Yes...you can...but...but...this is too abrupt."

After the White God said so, the goddess Xue Ji said: "Not abrupt at all!"

"Anyway, that's the end of my story! I have said all that should be said. If anyone wants my man to die in vain and want me to be a widow... then don't blame me for being impolite."

After the goddess Xue Ji suddenly finished speaking like this, she suddenly flew away as soon as she showed off.

"Three Junior Sisters..." Bai Shen shouted from behind.

But the goddess Xue Ji flew towards the distance without even looking back.

Watching the goddess Xue Ji leave like this, the Gu Mu Xijue and the White God in front of them were suddenly speechless.

Everyone also stood there with dull faces.

Once upon a time, the goddess Xue Ji was the goddess in the minds of every man in the temple!

But now, the goddess said, she turned out to be Li Tian's woman? This made the male comrades on the temple start to be jealous and hate!

Everyone thought to himself, what is so good about that kid named Li? They had only come to the temple for just over two months before they took away the goddess in their hearts?

It's incredible.

At this moment, the White God suddenly looked at the disappearing figure of the goddess Xue Ji, and turned her head to look at the Gu Mu Xi in front of him and said: "Wood God, do you think the Third Junior Sister... are you kidding?"

Facing the White God's question, Gu Mu Xijue suddenly smiled bitterly and shook his head and said, "How would I know?"

"This is impossible! How is this possible? The third junior sister...how...how...would you like that kid?" Baishen said silently.

"I think back then, I chased the Third Junior Sister for decades...and I didn't get her heart. The stinky boy had only conquered the Third Junior Sister after coming to the temple for less than two months? This Nima, it's impossible. Absolutely impossible!" Just listen to the depressed white \*\*\*\* yelling.

It turns out that this white \*\*\*\* had pursued the goddess Xue Ji many years ago!

But the final outcome was coldly rejected!

Now I heard that the goddess Xueji actually said that she was the woman of Li Tian...Of course, this made the white \*\*\*\* who once admired the goddess Xueji feel jealous.

Hearing what the White God said, Gu Mu Xijue in front of him burst into laughter.

"Lao Bai, are you jealous of that kid?" Gu Mu Xijue in front of her smiled and looked at the white gods in front of her.

When the white \*\*\*\*\* heard it, he said, "I won't be jealous of that stinky boy!"

"Really? But the tone of what I listened to is clearly a jealous smell..." Gu Mu Xizue laughed loudly.

The White God screamed depressed: "I'm not jealous anyway! I just think it's incredible! How could the third junior sister be ruined by that stinky boy... It's really... violent!"

The Gu Mu Xijue in front of her said slightly, "Xue Ji's personality is extremely changeable. You and I are unpredictable!"

"Hey, if Xue Ji really finds a man she likes, I actually feel happy for her. After all, she has been alone for so many years!" Gu Mu Xijue said slightly.

The White God didn't think so... He only felt that if the goddess Xue Ji really became Li Tian's woman, it would be a violent thing.

So now he is extremely depressed.

"Forget it, Lao Bai, stop thinking about you and me! I believe Xue Ji will take care of her private affairs." Gu Mu Xijue said slightly.

After he finished speaking, he suddenly raised his head and looked at the torn "Enchantment of Heaven", and then suddenly a very worried expression flashed in his eyes, and he muttered: "There are demons in the nine palaces. Broke into the temple!"

After speaking, he suddenly looked at everyone present with a solemn expression, and then said loudly, "From now on, I want every three of you to form a team! Then start from the temple and continue to the east. I searched... and remembered, once you encounter the demons in the Nine Houses, you must send a signal before you fight."

However, after hearing the words of the wood \*\*\*\*\* Gu Mu Xijue, nearly a hundred guardians of the temple heard that all the guardians said in unison: "Yes!!!"

Then, all the guardians began to retreat slowly!

Every three of them, three of them formed a team, and then began to search for the demons in the nine houses.

Looking up at the sky, I saw that the whole sky was getting darker and darker...One after another, fierce black demon energy descended straight from the sky, as if something terrible was falling.

There is no doubt that the demons in the Nine Palaces have opened the way to the temple!

Now, they can enter the temple at any time.

Chapter 3060: Mysterious \*\*\*\*\* man

The thirteenth heaven. .

After the goddess Xue Ji left, Li Tian stayed alone in these thirteen days.

Looking closely at the situation in the tenth day... Then Li Tian stepped forward to the day pool.

I saw the steaming heat in the pool that day...

After Li Tian walked to the side of the Tianchi, he not only frowned slightly, but muttered there, "What's the matter with this Tianchi? How could the goddess Xueji faint here before?"

"Could it be that the water in this Tianchi is a little weird?" Li Tian thought secretly there.

He still didn't understand that the goddess Xue Ji fainted because of the pain of "bone washing". Any strong person who wants to break through the tenth heaven must go through this stage!

Because Li Tian still doesn't understand the situation, he still doesn't know the pain of washing the bones.

Looking at the steaming Tianchi, Li Tian muttered in his secret mouth: "I'll go in and try! See if there is really a problem with the water in this pool..."

Just when Li Tian was about to take off his clothes and enter this Tianchi, suddenly, a strange and melodious flute sound came from that distant place.

The sound of the flute is from the wind...

The sound of the flute is tactful, like gurgling water, winding endlessly, and it really sounds like an extremely smooth feeling in people's ears, making the whole person's heart shocked.

"What a wonderful flute sound!" Suddenly, after hearing the extremely melodious flute sound in Li Tian's ears, he yelled in surprise.

"Where did the flute sound come from? Why is it so beautiful?"

Li Tian said curiously.

As his ears listened carefully, Li Tian suddenly discovered that the sound of this extremely melodious flute came from the "West".

Melodious and melodious, it is really beautiful.

Although Li Tian didn't have much research on the flute, he couldn't help being a little obsessed with the extremely pleasing sound of flute at this moment.

"Who the \*\*\*\* is this? Can you play such a beautiful note in the world? Melody?" Li Tianzai murmured in shock.

The melodious flute sound is still floating gently in the wind!

Then a little bit passed into Li Tian's ears, and Li Tian seemed to be a little fascinated by it! Drunk in the sound of the flute.

The weird and melodious sound of the flute carries a terrifying attraction... even Li Tian at this moment seems to be sucked!

Not only did he subconsciously want to see who it was, playing such a nice sound of flute.

This beautiful flute sound made Li Tian even delay his cultivation!

He wanted to go and see...see who played such a beautiful flute?

After thinking that in Li Tian's mind, he was going to take a look.

"I'm going to see... to see who is playing such a beautiful flute!" Li Tian murmured.

After he made up his mind so determined, he was really ready to go and see... Li Tian belongs to the kind of people who just do what they say, and will never procrastinate.

Therefore, after making up his mind at this moment, his figure suddenly flew out towards the window of the tenth heaven.

That melodious and beautiful flute sound came from the west...

So after Li Tian flew out, he flew directly to the west.

The place to the west, but I saw an ancient virgin forest...it was extremely barren, there was nothing...at this moment, Li Tian listened to the fingerprints of the flute sound in his ears, and then flew to the flute sound extremely fast go with.

After passing through a thicket of towering old trees, Li Tian got closer and closer to the sound of the flute.

He wanted to see who was the one who played such a beautiful flute?

As Li Tianfei was getting closer and closer to the sound of the flute, suddenly, the sound of the flute that was still beautiful just now suddenly stopped at this moment!

No more... The sound of the flute suddenly disappeared.

But he said that Li Tian originally flew over according to the sound of the flute, and after the sound of the flute suddenly stopped at this moment, he was stunned.

"Stop? Why did the flute suddenly stop?"

As Li Tian thought, he shot straight from the air and flew down.

Without the fingerprints of Xiaosheng, Li Tian suddenly lost his direction.

I saw him standing in the woods very depressed at this moment, looking up at the barren surroundings, and muttering in his mouth: "This is unfortunate...what can I do?"

Li Tian, who was thinking this way, waited quietly for a while again.

He hoped to hear the flute sound again... but after waiting for a long time, there was no flute sound again.

Li Tian is not only depressed at this moment.

However, he just could feel it, he is getting closer and closer to the sound of the flute...If nothing else, the person who plays the flute should be somewhere near here.

"I'll look for it... If I'm lucky, I might be able to meet him!" Li Tian at this moment thought slightly in his heart.

After Li Tian thought this way, he walked towards the dense forest in front of him.

Then began to search slowly.

After searching for a long time, Li Tian suddenly saw the figure of a middle-aged man appearing in the dense forest in front.

Look closely, the figure is tall and burly, wearing a navy blue robe, sitting there slightly.

A head of dark hair was scattered on the shoulders... and there was a strange breath in the whole body. As for how that breath felt? Li Tian couldn't tell at this moment.

Not far in front of him, there was a blazing bonfire, and a fragrant hare was grilling on the bonfire!

The most important thing is that he also holds a black hole flute in his hand.

"Huh? Is he the one who played the beautiful melody just now?" Li Tian suddenly said with his eyes on the man in front of him.

After Li Tian thought so, he walked over quickly.

When he walked to the mysterious middle-aged man wearing a navy blue robe, Li Tian glanced at him, then said politely: "Hello..."

After hearing the sound, the man in navy blue lifted his head slightly.

It was a handsome contoured face, a tall nose, thin lips, and a pair of shining eyes.

The eyes are like distance light, giving people a sense of insight into the human heart, very bright, very bright.

After the weird middle-aged man raised his head, he looked at Li Tian in front of him slightly.

"In the mountains and wilds, I didn't expect to meet someone destined... Ha ha, hello." Suddenly the handsome middle-aged man with the black flute in his hand was smiling and looking at Li Tiandao.

Li Tian heard his extraordinary conversation, and at this moment, he had a slight feeling of favor with this middle-aged man.
