Chapter 3061: Weird flute

Li Tian raised his eyes and looked at the handsome middle-aged man in front of him.

For some reason, he felt an extraordinary bearing from this man.

That kind of demeanor seemed unparalleled.

"Hello, excuse me, you played the flute just now, right?" Li Tian said as he walked over slowly.

The middle-aged man wearing a navy blue robe nodded with a smile at the moment.

"It's my fellow!" the middle-aged man in navy blue said lightly.

After Li Tianyi heard that it was him, he said, "What a beautiful flute!" Li Tian couldn't help but exclaimed.

The handsome middle-aged man suddenly smiled and waved his hands there and said, "Thank you for the compliment!"

Then Li Tiandao said: "I'm telling the truth, I just rushed here after hearing your flute sound just now."

The handsome middle-aged man suddenly said indifferently, "I didn't expect that I would get a destined person for a rough song! Good, good."

After the middle-aged man in the navy blue robe finished speaking, he suddenly looked at Li Tian with a smile: "Are you a person in the temple?"

After hearing this, Li Tian wanted to answer no!

But at last he thought about it, he nodded there and said: "Yes!"

The middle-aged man in the navy blue robe smiled and said, "Sure enough, there are all heavenly wizards in the temple."

Then Li Tian smiled lightly when he heard the handsome middle-aged man say this.

He thinks this middle-aged man is a little strange... but what is strange? He couldn't tell again.

"What about you? Where do you come from?" Li Tian suddenly looked at the middle-aged man curiously and asked.

Li Tian can conclude that this middle-aged man is definitely not a person in the temple!

But where is he from? Li Tian didn't know, so he couldn't help asking.

After he asked, the handsome middle-aged man suddenly smiled and said, "Me?"

"Yep!"

"Why do you know each other before? When you and I meet today, do you have to ask vulgar roots?" The middle-aged man suddenly avoided this topic.

After Li Tian heard the middle-aged man say this, he suddenly laughed and said, "Why have we met before! Since you don't want to say it, I won't ask!"

Li Tian was also a refreshing person... Seeing that the other party was unwilling to speak out, he certainly wouldn't force others to ask questions.

The handsome middle-aged man laughed at this moment when Li Tian said this.

Then he said to Li Tiandao: "Come, come, come, you and I get together, today is the best fate! It's better to chat with me for a while and eat some barbecue!"

When Li Tian heard this, he said: "Okay!"

Then Li Tian unceremoniously sat down beside the middle-aged man.

Two big men sat together.

The middle-aged man leaned his hand on the fragrant rabbit meat, then divided it into two and handed it to Li Tian.

"Eat!" the middle-aged man said.

Li Tian then reached out and took it, and then ate a few bites.

"How? How does it taste?" The middle-aged man asked Li Tian with a smile.

Li Tiandao: "It's delicious! So fragrant!"

"Hahahaha." The middle-aged man laughed a few words, and then he ate himself.

After Li Tian ate with the middle-aged man for a while, he saw that the middle-aged man suddenly looked at the Li Tian and asked, "Do you still want to listen to my flute?"

Li Tiandao: "Yes!"

"Okay, then I will play another ugly song! I hope you don't laugh!" the handsome middle-aged man said suddenly.

After speaking, the middle-aged man suddenly reached out and took the black flute in his hand.

But it's strange to see the black flute...it doesn't look like bamboo...it doesn't look like pig iron, hard steel...it looks like it is made of a natural material.

This flute is also two inches longer than the ordinary flute. It is held in the hands of the handsome middle-aged man with a strange force.

After the middle-aged man held the flute in his hands, he began to play slightly beside his mouth.

With the playing, an elegant flute sound slowly passed into Li Tian's ears.

The flute sound is extremely pleasant, like gurgling water, sultry!

Hearing this extremely beautiful flute sound in Li Tian's ears, he not only felt more and more strange that the mysterious middle-aged man in front of him.

Just when Li Tian listened carefully to the peaceful and beautiful flute sound, suddenly the flute sound suddenly changed.

The originally quiet tune suddenly became weird and rose up.

Moreover, the sound of the flute turned weirdly and tactfully, sometimes high and sometimes low, like a rolling tide rushing into Li Tian's ears.

When Li Tian heard the flute sound suddenly changed, he was shocked.

"Why this flute sound suddenly changed? It was so peaceful just now... suddenly it became such a powerful force?"

Just when Li Tian felt this way, a weird energy instantly surged into Li Tian's head! Li Tian's head felt "stunned" instantly!

pain!

I felt a sharp pain in my entire head.

Li Tian was shocked after a sudden pain in his head.

"what happened?"

"Why does this sound of flute make my head so painful?" Li Tian cried out in shock.

But seeing the middle-aged man who is still playing the flute, at this moment a pair of eyes exuding endless light is watching the changes on Li Tian's face unblinkingly, while watching, while continuing to play that Weird flute sound.

As the sound of the flute became higher and higher...a terrifying force suddenly surged towards Li Tian's body.

At this moment, Li Tian not only started to have severe pain in his head... even his entire chest began to become stuffy, as if there was something blocking his chest.

"What the **** is wrong with me?"

"Could it be that this flute sound is at work?" Li Tian suddenly felt it.

When it suddenly became apparent that the sound of the flute was doing something strange, Li Tian was immediately shocked.

Then quickly urge the spiritual power of the whole body... and then use it to resist the terrifying sound of the flute.

As Li Tian urged the whole body's spiritual power, and then began to block the terrible sound of the flute, the feeling of chest tightness began to slowly ease!

At this moment, the middle-aged man suddenly raised the flute sound again.

The piercing sound of the flute began to continue into Li Tian's ears!

Even though Li Tian has such a powerful spiritual body... but still feels that his eardrums are about to rupture... it hurts!

My chest is beginning to feel tight!

Li Tian endured hard... the whole forehead began to shed cold sweat! The body also began to tremble due to the pain.

Chapter 3062: Shadow of Black Python

Seeing that Li Tian already seemed to be unable to sustain the moment!

Suddenly the weird and harsh sound of the flute suddenly stopped!

However, at the moment when the extremely weird sound of flute suddenly stopped, Li Tian's painful head... and the panic in his chest... began to slowly fade away!

Suddenly at this moment, a loud laugh came from the middle-aged man's mouth.

"Not bad!"

"In the past few hundred years, the temple has never expected... it really has gathered a group of new talents!!!"

At this moment, the handsome middle-aged man in a navy blue robe suddenly spoke.

The moment he said it, Li Tian's painful head healed in an instant.

Li Tian shook his head fiercely at this moment, then took a violent breath, raised his pale face covered with cold sweat, and looked at the strange smiling middle-aged man in front of him with that incredible forehead.

"You...you...are you testing my skill just now?" Li Tian said suddenly in that horror.

The handsome middle-aged man suddenly faintly smiled there and said, "I'm just curious about you, so I played a song from the soul."

Hearing this middle-aged man said so, of course Li Tian understood.

Yes, this handsome middle-aged man is indeed testing his skills.

After listening to Li Tian, he was shocked.

The middle-aged man wearing a navy blue robe in front of him secretly looked at him and said: What on earth is this guy? Actually relying on a song of Xiaoyin... almost plunged myself into endless pain? And even if I used my whole body's spiritual power to stop the terrible pain... it was still hard to stop! How could he be so strong?

Li Tian thought about that with horror.

"Who is your excellency?" Li Tian suddenly asked, looking at the mysterious middle-aged man with his cold eyes.

But seeing that middle-aged man smiled there and said: "I said, why do you know each other before! You don't need to know my name."

After hearing the middle-aged man say this, Li Tian thought for a while, then didn't ask any more.

"Forget it, since your Excellency is unwilling to say your name, then I don't want to ask more!"

"I think I should go." Li Tian was suddenly ready to leave here.

Because Li Tian had already noticed that the seemingly peaceful middle-aged man in front of him was absolutely extraordinary!

The sound of a flute just now almost put Li Tian in extreme danger.

If it weren't for the middle-aged man to stop the flute...I am afraid the consequences would be really unimaginable, so Li Tian is a little surprised now!

He didn't know who the middle-aged man in front of him was... how strong he was... and he couldn't tell whether he was the enemy? Still a friend... So Li Tian didn't dare to stay here anymore.

After hearing that Li Tian said he was leaving, the middle-aged man suddenly showed a sense of regret on his face and said slightly, "I'm leaving so soon?"

Then Li Tiandao: "Yes!"

"Well, since you decide to leave so, then I won't stop you... you go." The middle-aged man sat on the ground slightly and said slightly there.

Then Li Tian slightly hugged his fists at the middle-aged man, then turned and left.

Li Tianzhan didn't dare to stay for a moment when he started.

The body turned into a long rainbow, and suddenly it flew away like a fly!

While flying, Li Tian sighed lightly.

"Damn it! I was almost killed just now..."

"Who is that person? He can beat me with a flute sound? It's...it's...can't imagine!" Li Tianzai said in astonishment.

Li Tian has now reached the tenth level of skill, but he did not expect to meet such a terrible person!

At this moment, Li Tian only felt cold sweat all over his body...

He feels that this place is getting more and more unusual! More and more powerful mysterious characters exist!

...

But he said that just after Li Tian left, the handsome middle-aged man wearing a navy blue robe slightly stood up from the ground.

At the same time, the aura of destruction hidden in him suddenly emerged from his body.

When that breath came out, suddenly all the birds and beasts within a few miles were frightened and fled around!

Even the flying birds hidden in the ancient woods... seem to have been terribly frightened... they fluttered and quickly spread their wings and flew away.

Who is he?

Can the whole body exude such a destructive power?

I saw that the middle-aged man who stood up slightly, his domineering face, suddenly flashed a weird smile.

"I haven't entered this temple for hundreds of years...Unexpectedly, a young man who can reach the tenth level of strength actually appeared here...Hehe, interesting! It's interesting!" Suddenly the middle-aged man said with a smile.

Ten heaven?

Could it be that Li Tian's strength is what he said! !

My God, this guy actually knows Li Tian's strength level?

So powerful?

Just as he was talking so slightly in his mouth, suddenly a weird sound suddenly came from the dense forest.

As the voice rang out, I suddenly saw three violent black pythons shooting at the handsome middle-aged man in the deserted jungle behind.

The three black python devil qi, terrifying extremely, flew towards this side with an aura of destruction.

Wherever he went... the flowers and plants that were originally green grass instantly withered.

Even the old towering trees are slowly beginning to appear withered.

But he said that after the three black pythons flew quickly towards the middle-aged man, the weird middle-aged man didn't even look at the three black pythons behind him, but still stood there silently. !

But it said that after all the three black pythons' aura came in, they suddenly stopped a few meters away from the middle-aged man.

Then the three black pythons swish all at once into a human form!

three people!

Three weirdos in black capes!

The first man is tall and has red hair... A face is as hideous as a beast... His burly limbs make him look like a brown bear!

The hideous face like a beast is even more weird.

The blood-red word "Ming" clearly printed on his forehead made him look even more terrifying!

The second man is like a zombie! Application is dull, pale face! A faint green light radiated from the corpse-like pupils... There was also a word "Nether" printed on the forehead!

The third person, wearing a cloak, looks cunning and gloomy! It was the guy who killed the Bairu girl before... Hei Jue!

Chapter 3063: Meet the Goddess

But said that these three people are not the three demons of Pluto?

No one thought that they would appear behind this weird middle-aged man.

The three demons of the Underworld suddenly appeared behind the weird middle-aged man, and the eyes of the three of them suddenly looked at the middle-aged man wearing a navy blue costume with a sense of infinite respect. , And then said respectfully, "Knock to the Sun God!"

Yang Shen?

It turned out that no one could imagine that this man wearing a navy blue robe and holding a weird flute in his hand turned out to be the master of the nine palaces! Yang God!

He is Yang Shen?

The strong man who broke through the eleventh heaven three hundred years ago?

No wonder! It's no wonder that Li Tian just now got a headache from his song "Song of the Soul", and the pain in his chest was endless!

But he said that after the Underworld Three Demons came and bowed down before the Yang God, the Yang God turned his handsome face slightly, and then waved his big hand.

The Pluto Three Demons stood up separately.

After they stood up, Na Yang Shen suddenly asked.

"Hei Jue, that young man just now, was the one who defeated you before?" Suddenly, Yang Shen asked Hei Jue, who was looking at the Three Demons of the Underworld.

But seeing that Hei Jue hurriedly replied, "Return to the Yang Shen, it's the stinky kid just now."

When Na Yang Shen heard it, he suddenly smiled.

"interesting!"

Hei Jue in front of him suddenly asked: "Yang Shen...Why didn't you take the opportunity to get rid of that ***** kid?"

After that Hei Jue asked so, a cold light flashed in the eyes of the Yang God in front of him.

"Do I need you to teach me to do things?"

Following the sudden cold voice of the Yang God, Hei Jue in front of him hurriedly lowered his head and said, "Subordinates dare not!"

After he finished speaking, the Yang Shen said slightly: "That young man has an extraordinary talent... able to break through to the tenth heaven in such a short time... It must be a rare sight in a thousand years! Haha, from now on At the beginning, I want you to stop worrying about that young man's affairs, just concentrate on dealing with the temple."

"Yes!" After hearing Yang Shen's words, the three demons nodded there quickly.

Yangshen's words, for them, are commands.

Dare to defy the order to kill.

"Yang Shen, what if that young man wants to stop us?" Hei Jue, who just listened to the three demons of the underworld, asked.

But seeing the handsome face of Yang Shen, he smiled faintly and said: "Don't worry, I will deal with him."

"En! Subordinates understand." Na Hei Jue hurriedly said.

Yang Shendao: "When can the army of the Nine Palaces enter the temple?"

At the exit of the Yang God, the Underworld Three Demon quickly replied: "Fast is tomorrow! Slow is the day after tomorrow... No matter what, within these two days, all the Nine Palaces will flood into the temple."

"it is good!"

"When the army bullies it, we will eradicate the temple! Destroy the thirteenth heaven." The sun ***** was suddenly incomparable.

After hearing the three demons of the Hades, they immediately said, "Yes!"

"You can retreat!" Just listen to that Yang Shen said slightly.

After hearing the three demons of the Underworld, he said, "Subordinates retire."

After that, the three demons of the Underworld suddenly turned into a thick black energy and disappeared into the endless wilderness.

After the Pluto Three Demons retreated, the Yang God in front of him glanced at the temple sitting on the isolated island in the distance, and then muttered: "Three hundred years, three hundred years. ...I don't believe it, this time, I can't force you out yet!"

Following the strange words of the Yang God, suddenly a strange color appeared on his handsome face, and then the whole person flashed and disappeared here without a trace.

...

But he said that Li Tian was hurt by the "Yang Shen" song from the soul just now.

Although Li Tian used the powerful spiritual power in his body in time to block the damage from the Li Soul Song, he still felt a tingling pain in his head at this moment.

While Li Tian flew back towards the Thirteenth Heaven, he couldn't help thinking in horror.

"Who is that handsome middle-aged man just now? How could he have such a powerful strength? It's really terrifying?"

"I thought that after I had cultivated to the tenth heaven, my gong power would be able to stand up to the world, but now it seems...I am still too weak!" Li Tian said depressedly.

While Li Tian was thinking like this, he quickly left this place.

Just as he was flying, he suddenly saw a fiery red figure flying over from the temple.

The moment Li Tian saw her fiery red shadow, he immediately recognized it, the goddess Xue Ji.

It turned out that the goddess Xue Ji hurried back to the thirteen heavens after leaving the Wood God and the White God.

But he said that at the moment Li Tian saw the goddess Xue Ji, he shouted out quickly.

"Goddess..." Li Tian yelled in the void while flying quickly.

The flaming goddess Xue Ji, when she heard Li Tian's voice, she was not only slightly startled, but then turned her head and saw Li Tian.

"Li Tian?"

When the goddess Xue Ji saw him, she was slightly curious, and then she flew over with a flash.

Whoosh!

The two all shot down from the air.

"Why are you here?" The goddess Xue Ji looked at Li Tiandao curiously after flying over.

Li Tian touched his nose, not only a little embarrassed... he thought about it, and then hid it and said: "I was bored just now... so I wanted to relax."

When the goddess Xue Ji heard Li Tian say this, she was dubious, blinking her frosty beautiful eyes at Li Tian who was in front of her.

Li Tian was afraid that the goddess Xue Ji could see through her lie, so she hurriedly split the subject and said: "Where are you? Where did you go?"

"Temple." The goddess suddenly replied coldly.

Then Li Tian heard that the goddess had gone to the temple, so he asked, "Is there something wrong with the temple?"

The goddess Xue Ji nodded coldly with her beautiful face.

Li Tianyi took a look and asked quickly: "What happened?"

I saw the goddess Xue Ji said: "Look up and see for yourself..."

When the goddess Xueji said this, Li Tian frowned slightly, and then quickly looked up, but saw that the sky was filled with black air...The barrier of heaven that originally covered the temple and blocked the Nine Palaces was out of thin air. Disappeared.

what?

"The barrier of heaven has disappeared?" Li Tian looked at it and asked in shock.

But seeing the goddess Xue Ji replied: "Yes."

"So...have the demons in the Nine Palaces broke into the temple?" Li Tian asked in surprise.

Chapter 3064: past

Li Tian knew that the enchantment that day was the only channel used to isolate the Nine Palaces from the temple.

Now I looked up and saw that the enchantment of that day had disappeared, which obviously showed that the enchantment of that day was destroyed by the powerful strength of the Nine Palaces.

"Did the demons of the Nine Palaces invade the temple?" So Li Tian asked quickly.

After Li Tianwen exited, he saw the goddess Xueji in front of him saying: "It's not yet certain. I only know that some devilish energy has invaded the area of the temple. If the guess is good, it should be in the nine palaces. Someone has already invaded in."

Li Tian frowned when he heard this.

"Then what to do?"

The goddess Xue Ji replied coldly: "What else can I do? There is only war."

Li Tiandao: "But can the temple compete with the nine palaces? Can you fight it?"

"If we can't fight, we will fight! Even if we die, we will never give up the temple." Goddess said.

After hearing what the goddess Xue Ji said, Li Tian didn't speak any more.

He was not very clear about this battle of the gods.

I don't know, who is right or wrong? I don't understand, why did the nine palaces occupy the temple?

"I have a question to ask you...?" Li Tian suddenly looked at the goddess Xue Ji and said.

After hearing this, the goddess Xue Ji said: "Let's talk."

Li Tiandao: "What kind of hatred does your temple have with Jiugong? Why does Jiugong want to occupy your temple? And... the little junior named Yangshen that you said? Why did he betray the temple in the first place? He chose to stand there. Where is the Jiugong?"

Li Tian asked a crucial question.

After Li Tian asked, the goddess Xue Ji said, "Do you really want to hear this ancient story?"

Li Tiandao: "Of course."

"Well, then I will tell you."

Li Tian then raised his ears and began to listen carefully.

He wanted to know what kind of grievances exist between the temple and the nine palaces.

Only when the goddess Xue Ji blinked twice in her beautiful eyes, she began to preach: "If this ancient story is to be told... it must be told from a thousand years ago... At that time our teacher was still alive, and later because of the teacher's great temperament. After the change, he said that he would destroy the entire thirteenth heaven and everything he had built by himself. So our four brothers joined forces and injured his old man... and then imprisoned him in thirteenth heaven. Within days."

When Li Tianyi heard this, he said: "These things, the God of Wood actually told me on the thirteenth heaven! He also said that it was the little brother Yangshen that hurt your teacher, right?"

The goddess Xue Ji nodded and said: "Yes."

"Among the four of us, only the junior junior is extremely talented and has the fastest cultivation speed, so he is the most respected by our teacher."

Li Tian then continued to ask, "Then why did Yang Shen betray the temple?"

The goddess Xue Ji said: "Because he said he would kill our teacher! He was executed by himself." what?

When the goddess Xue Ji said so, Li Tian was stunned.

"Yang Shen... Yang Shen... Want to kill his teacher?" Li Tian said in shock.

The goddess Xue Ji nodded silently.

"Since we were in that battle, we stabbed one of the teacher's eyes and trapped the teacher for 13 days. The four of us were adopted by the teacher from childhood to most of us. Although we imprisoned him, we still I didn't have the heart to hurt him! But one day, the little brother suddenly ran and said that he wanted to kill the teacher! He also said that he must be executed, otherwise, the entire temple will be destroyed. After the three of us listened, we won't Promise! After all, the teacher has the grace to nurture us!"

"However, the junior brother insisted on killing our teacher... In the end, there was no way, we fought a battle with him! It's a pity that the strength of the three of us was combined and none of us defeated him..."

When Li Tianyi heard it, he not only felt more and more strange to that Yang God, but also secretly said: How powerful is that guy named Yang God?

"What about the last? After the three of you lost, did the Yang Shen really kill your teacher?" Li Tian asked hurriedly.

Following Li Tian's question, she saw the goddess Xue Ji answering there, "No! He didn't!"

"He didn't kill the teacher?" Li Tian listened to this tortuous story, not only getting more and more depressed.

Just listen to the goddess Xue Ji preaching: "Yes."

"In fact, we all thought at the beginning that he would kill the teacher... After he defeated the three of us, he carried the sword in his hand to the thirteenth heaven and threatened to kill the teacher, but since he entered the thirteenth heaven, Suddenly the situation changed."

Li Tian quickly asked: "What has changed?"

The goddess preached: "I don't know why, that junior brother suddenly suffered a very serious injury... escaped in embarrassment from thirteen days!"

what?

Li Tianyi was extremely depressed.

He was actually injured?

"Who did it?" Li Tian asked.

The goddess Xue Ji shook her head there and said, "We don't know from beginning to end."

"Could it be your teacher? Your teacher hurt that Yang God?" Li Tian asked.

The goddess Xue Ji said: "Impossible! After one of the teacher's eyes was pierced blind, the skill was sealed by us with illusion... and his hands, feet, and thousands of years of pig iron in the deep sea were tied up... he How could it hurt that junior brother?"

When Li Tian heard this, he was very puzzled.

"What's going on? Who hurt Yang Shen?"

The goddess Xue Ji said: "I have already said, we don't know from beginning to end."

"I only know that after the little brother was seriously injured and escaped from the thirteenth heaven, suddenly he flew up, looked up to the sky with a tragic laugh, and shouted there: One day, he will return to the temple! Destroy everything! With After his words were finished, his figure soared into the sky... and then one person reached the nine houses in the isolated land! As a result, he occupied the nine houses and became the master of the new generation in the nine houses."

After the goddess Xueji suddenly said so, Li Tian was stunned.

Chapter 3065: Is it really Yang God?

"Then according to what you said, who on earth hurt the Yang God?" Li Tian asked with a surprised face.

Since it is not their "teacher", it is not someone else? Who can it be?

The goddess Xue Ji shook her head silently and said: "No one knows, for more than three hundred years, no one knows this issue yet."

After hearing the goddess Xue Ji say this all of a sudden, Li Tian in front of him was speechless.

"Since then, the younger brother has been to the Nine Palaces alone, and then became the master of the Nine Palaces." The goddess Xue Ji said slightly in front of her.

Li Tian listened silently... and then said nothing.

Thinking of the Yang God in his mind, he felt extremely curious.

Who is the so-called Yang Shen? How powerful is it? Can anyone know?

"What I should say, I have told you everything." The goddess Xue Ji in front of her suddenly muttered to Li Tiandao.

Li Tian let out a slight "graciousness".

Then he raised his eyes and looked at the goddess Xue Ji and said: "Goddess, I actually concealed one thing from you just now."

The goddess Xueji suddenly heard Li Tian say this, not only Liu frowned, she asked, "Hid me? What is it?"

"Just now you asked me why I am here... Actually... Actually... I am not bored to relax! It is because I heard a very strange sound of a flute, so I flew out to check the situation." Li Tian truthfully Said in that way.

"What? The sound of Dongxiao?" After the goddess Xueji heard Li Tian say this, not only Liu frowned and looked at Li Tian in surprise.

But seeing Li Tian said silently, "Yes."

"Who played the flute?" The goddess Xue Ji suddenly asked with a strange color on her pretty face.

Li Tiandao: "He is a handsome middle-aged man in a navy blue robe."

"Middle-aged man?" The goddess Xue Ji asked in confusion.

Li Tian nodded and said, "Well! He has a black hole flute in his hand... just in the deep forest ahead."

When the goddess heard this, her pretty face suddenly became weird.

"Where is that person?" Suddenly the goddess Xue Ji asked in shock.

Li Tian saw the shock on the face of the goddess Xue Ji, not only wondering in his heart: How did the goddess look so ugly after hearing the man who played the flute?

Li Tiandao: "It's not far ahead."

"Oh my God, could it be him? Is he really here?" An inexplicable and deliberate word suddenly screamed from the mouth of the goddess Xue Ji.

After hearing the suddenly shocked voice of the goddess Xue Ji, Li Tian was not only slightly startled.

"What's wrong with you?" Li Tian asked curiously.

But seeing that goddess Xue Ji suddenly turned that extremely ugly face, Li Tiandao, who was staring in front of him unblinkingly at the moment, said: "I forgot to tell you! My little brother...I once liked the most Xiao! At the same time, his sound is also the most terrifying."

what?

When Li Tian heard what the goddess Xue Ji said suddenly in front of him, his eyes widened at that moment.

"what did you say?"

"Yang Shen... like Xiao Xiao the most?" Li Tian asked in shock.

The goddess Xue Ji nodded seriously and said, "Yes."

Li Tian is completely speechless at this time...

"Could it be that the middle-aged man I just met was the so-called Yang God?" Suddenly a terrifying thought suddenly rose from Li Tian's heart.

Then a huge chill rose inexplicably all over his body.

Really? Still fake?

But Li Tian remembered the terrifying sound of the flute again... remembering that the middle-aged man effortlessly used a song from the soul to almost make his head explode... At this moment, Li Tian couldn't help but hit one. Shivering.

"My goodness! Is the middle-aged man I saw really a terrible Yang God?" Li Tianzai exclaimed in horror.

But seeing the goddess Xue Ji hurriedly looked at Li Tian and asked, "Is he still in this dense forest now?"

Li Tian looked back at the dense forest behind and said, "It should be there."

"Take me to see! Hurry up." The goddess Xue Ji shouted there.

Li Tian didn't think too much, nodded quickly and said, "Okay!"

Then, Li Tian quickly took the goddess Xue Ji and flew towards the dense forest.

They were looking for, and quickly found the middle-aged man!

Then take a look to see if he is the so-called Yang God.

At this moment, the goddess Xue Ji closely followed the Li Tian and flew towards the dense woods in front.

Soon, but under the leadership of Li Tian, the two people's opinions flew to the place where the "Yang Shen" just appeared.

I saw Li Tian quickly flew down from the air, and then pointed his finger in front of him and said: "This is it!"

After hearing this, the goddess Xue Ji flew down quickly at this moment.

After all of them flew down from the air, they found that there was no sign of anyone here...

The middle-aged man with the "dongxiao" in his hand has long since disappeared.

"What about people?" The goddess Xue Ji asked in surprise with a surprised face.

Li Tian frowned and looked at the surrounding areas and said, "I was still here just now!"

"Look...this bonfire...I was sitting here with him just now! I've eaten some burnt rabbit meat." Li Tian looked at the extinguished bonfire next to me and said slightly.

When the goddess Xue Ji heard this, she said, "What? You still sit with him for a while?"

Li Tian nodded and said: "Yes!"

"He didn't shoot at you, right?" The goddess Xue Ji asked quickly.

Li Tian shook his head and said, "No!"

"However, he let me listen to a piece of music!" Li Tiandao.

"Quzi?" The goddess Xue Ji asked suspiciously.

Li Tiandao: "Well! The song is called Li Hun Song. When I first listened, it was very pleasant! But after listening...my head got a headache... and my chest became stuffy. If it wasn't for the middle-aged man to stop the flute deliberately in the end...I'm afraid, I'm really in danger." Li Tian told the whole truth.

After Li Tian said so, the goddess Xue Ji in front of her said with wide ugly eyes: "It's him! It's really him!"

"Under the heaven and earth, only he can play that terrible Lihun Song!" Suddenly the goddess Xue Ji said.

When Li Tian heard it, he only felt a chill on the spine of his back.

what?

"Really Yang Shen? Is it him?" Li Tian exclaimed.

Although Li Tiantian had already begun to have some doubts in his mind just now... but he was not sure yet. At this moment, after hearing the goddess Xueji suddenly say this, he was really speechless.

It turned out to be a Yang God! !

Chapter 3066: Domineering masculine

"Yes, it's him, it must be him."

The goddess Xue Ji's face showed a frosty color in that way.

Li Tian never expected that he would have eaten wild rabbit meat with that terrifying "Yang Shen"... and even sat there with him and chatted for a while?

Thinking of this, Li Tian only felt a chill on his back spine.

After all, the "Yang Shen" is the master of the Nine Palaces! A man called a demon.

Moreover, the strength of the "Yang Shen" was said to have reached the "Eleventh Heaven" three hundred years ago.

"I'm grass! He didn't even make a move on me..." Li Tian said with a pale face in shock.

The goddess Xue Ji said with great curiosity at the moment: "I'm so surprised that he didn't even shoot you! According to the truth, he should kill you."

Li Tian stood there without speaking.

Thinking back to the middle-aged man's smile... and his words and deeds... I don't know why, Li Tian always felt that Yang Shen didn't look like that kind of person.

"Then now that you have determined that the man is the Yang God, what should we do next?" Li Tian asked.

The goddess Xue Ji shook her head there and said: "I don't know..."

"If he goes out of the mountain himself... I'm afraid... I'm afraid... the temple is really doomed." The goddess Xue Ji murmured.

Yes, a terrifying man whose strength broke through the eleventh heaven three hundred years ago, who can handle it?

Wood god? White God? Or is it Li Tian?

Do not!

Probably none of them are the opponents of that Yang God!

Therefore, the present goddess Xue Ji held an extremely desperate attitude in her heart.

After Li Tian heard what the goddess Xueji said, he stood there, looking at the goddess Xueji in front of him.

"Don't worry, I will protect you." A word suddenly came out of Li Tian's mouth.

While talking, he smiled and looked at the beautiful and unparalleled goddess Xue Ji Dao.

When the goddess Xue Ji heard Li Tian say this, she was surprised for a moment, turned her peerless face, and looked at Li Tian curiously: "You protect me?"

"Of course, you are my Li Tian's woman! I will naturally protect you." Li Tian smiled.

When the goddess Xueji heard Li Tian say this, a slight blush appeared on the pretty face covered with frost, but then disappeared.

"Thank you for saying that, but you should hurry up and practice. With your current strength... I am afraid that even my little junior brother's ten moves can't stop it!" The goddess Xue Ji said there.

When Li Tian heard this, he touched his nose depressedly, and said in his heart: Grass, look down on me too much, right? Can't handle ten tricks?

But then he remembered in his mind, that Yang Shen just played a song of Li Soul, and almost killed himself, Li Tian subconsciously closed his mouth.

"Okay! I will go back to the thirteenth day to practice... I Li Tian swears, I will protect you."

Li Tian said there.

After Li Tian finished speaking, the goddess Xue Ji in front of her suddenly turned her head and smiled at Li Tian.

Allure!

Her smile, like a spring flower blooming, is unparalleled.

At that moment, smiling Li Tian almost couldn't control himself.

seductive!

"What are you doing there? Why don't you go to the thirteenth day to practice?" The goddess Xue Ji looked at Li Tian at this moment, and looked at her cheek stupidly, unable to help Li Tiandao with a white look. .

Only then did Li Tian react and realized that he was really a little gaffe... So he hurriedly said there: "Oh, oh, oh, let's go back to the thirteenth heaven."

After saying this, then Li Tian took the goddess Xue Ji and flew quickly towards the thirteenth heaven.

...

Soon, Li Tian followed the goddess Xue Ji to the thirteenth heaven.

As always, they came to the tenth heaven that had not yet broken through.

After reaching the tenth heaven, Li Tian looked at the goddess Xue Ji and said: "This tenth heaven is divided into four stages: bone washing, muscle strengthening, body building, and ***** transformation! And you entered before Soaking in this Tianchi... should be the so-called bone-washing stage! You should continue to practice...complete the remaining three stages of training, strengthening the body, and transforming the gods."

After hearing what Li Tian said, the goddess Xueji nodded silently and said, "I know."

Li Tiandao: "Okay, then you practice here first... I went to bath in the pool that day."

Li Tian, who was speaking, walked towards the day pool.

The goddess Xue Ji did not speak any more, but found a secluded place and began to sit down quietly, and then began to practice.

What about Li Tian?

After walking to the side of the day pool, he then slightly took off his clothes.

Of course he is not shy!

A big master would naturally not be afraid of the goddess Xue Ji peeping at him!

So he took off very chic...In a short while, he took off all his upper body clothes.

After taking it off, his bronze-colored firm body was revealed!

Look carefully, the fortitude of Li Tianhun's body...there are scars on it! Those scars have sword wounds...stab wounds...and gunshot wounds...These scars are like totems printed on Li Tian's terrifying body.

The goddess Xueji heard that Li Tian was ***** and undressed. At this moment, she not only squinted her beautiful eyes curiously, and then observed Li Tian's body through the gap... She almost screamed at this sight. stand up.

She saw the scars on Li Tian's body! Saw one brand after another!

At that moment, her beautiful eyes trembled slightly.

I couldn't help but secretly shocked and asked: What has this guy experienced before? Why are there so many scars all over the body?

Yes, the goddess Xue Ji did not know what Li Tian had experienced before!

If he wants to know all the things about Li Tian, I am afraid Li Tian can't finish it even if he sits there and tells her for three days and three nights!

However, the goddess Xue Ji at this moment is just beautiful eyes full of horror, surprise...Looking at the totem-like back of Li Tian! It has to be said that although Li Tian's body is covered with scars, it is full of a man's masculine wildness...and also makes his body have a certain positive attraction.

Even after seeing the goddess Xue Ji at this moment...not only did her heart beat slightly.

"Damn, how could I... take a peek at a man's body? And so crazy in my mind?" The goddess Xue Ji suddenly blushed in her pretty face.

After saying that, the goddess Xue Ji quickly closed her beautiful eyes, and then began to practice.

But when her beautiful eyes were closed, all that appeared in her head was the masculine body of Li Tianxiong...

Chapter 3067: Strengthening

Li Tian had already jumped into the "Tianchi" at this moment, and then began to bathe.

As for the goddess Xue Ji?

It was upset and silently practicing with his eyes closed.

After that Li Tian entered the Tianchi and began to practice, bursts of energy began to spread along his muscles and bones, from top to bottom, starting from the ankles, and extending directly around his body.

After a while, this feeling began to slowly transform into a tingling sensation.

And this tingling sensation began to get stronger and stronger.

When Li Tian felt the strange tingling sensation coming from the bones, he couldn't help but frowned: "Huh? Why do I feel severe pain in the bones of my whole body? Could it be that the water in the Tianchi Lake is causing trouble? ?"

"Before, the goddess Xue Ji had fainted...Could it be that she should suffer the same situation?"

As Li Tian thought about it slowly in his mind, Li Tian gritted his teeth and silently endured it.

Li Tian still doesn't know that this is the pain of "bone washing", and it is the necessary place to break through the tenth heaven.

After the severe bone pain became stronger and stronger, Li Tian suddenly became depressed.

He doesn't want to soak now...because of the deep bone washing pain, his whole body has begun to tremble slightly.

Just when Li Tian's heart was impetuous... when he was about to give up this soaking, suddenly a faint voice came into his ears.

I don't know where the voice came from... Anyway, it just entered Li Tian's ears.

But seeing that weird voice, he said slightly to Li Tiandao: "The pain of washing the bones, the pain enters the bone marrow, once you endure it, the bones of your body will undergo new changes! Don't be impetuous! Don't be vain... .."

At the moment the weird voice came, Li Tian almost opened his mouth and shouted at who?

But the moment his mouth was about to open, the weird voice suddenly disappeared slightly.

Li Tian was taken aback for a moment, and then secretly surprised: "Who is talking to himself?"

"Why does he tell me this...?"

After thinking about it for a while, Li Tian looked at the empty surroundings with his eyes open, and then secretly said: "Forget it, now I can't manage that much..."

"The voice just told myself that this pain is a pain to wash the bones, and that I must endure it!"

Then Li Tian said after thinking about it, "No matter what, I will listen to the voice and try to see what happens."

After Li Tian thought about it this way, he suddenly gritted his teeth and endured it there!

Although the pain in the bone was strong, Li Tian's endurance was not bad!

So, soon after the pain came... Li Tian actually survived the pain.

At that moment when Li Tian was shaking his body, giving all the pain of washing the bones to bear...Suddenly Li Tian felt lucky.

And I felt that my whole body bones had indeed undergone earth-shaking changes.

He could clearly feel that his whole body bones seemed to become harder.

"Wow!"

With a sound, suddenly Li Tian screamed, and the whole person rose into the sky from the pond, and then flew up.

The goddess Xue Ji, who was practicing with her eyes closed, suddenly opened her beautiful eyes after hearing the voice.

"Ah? Are you out?" The goddess Xue Ji couldn't help but look at Li Tiandao with excitement at the moment she saw Li Tian rush out of Tianchi.

But seeing that Li Tian was covered in water, and then smilingly looked at the goddess Xue Ji in front of him and said, "En."

"How is it? Has your body ever had any severe pain?" The goddess Xue Ji asked curiously.

After the goddess Xue Ji asked, Li Tian nodded and said, "There are too!"

"Oh, that's right." The goddess Xue Ji said slightly.

She thought it was her own problem...At this moment, after hearing that Li Tian said that she also had a pain in her bones, she understood it.

"This should be the pain of washing the bones... but it is normal." Li Tian said slightly.

When the goddess Xue Ji heard Li Tian say this, she curiously said: "How did you know?"

"A mysterious voice told me just now." Li Tian said truthfully.

what?

When Li Tian in front of him said this, the goddess Xue Ji was speechless.

"What did you say? A voice just told you?" The goddess Xue Ji said in amazement.

But seeing that Li Tian nodded there and said: "Yes."

"No...Who told you? Why didn't I hear it?" The goddess Xue Ji asked very depressed.

Just now she has been sitting still in this tenth day! There is no sound around at all...Where is the sound coming from? This made the goddess Xue Ji very depressed, because she did not hear anything at all!

Then Li Tian raised his eyes there at the moment, and then looked around in astonishment and said: "I'm not very clear...but I'm sure that someone has just used extremely strong secret techniques to speak to me."

When the goddess Xue Ji heard this, she was also looking around suspiciously with her beautiful eyes...

Really? Still fake?

The two of them looked around carefully during the tenth empty day. After making sure that there were no people, they slowly turned their heads around.

"Forget it, no matter if the voice is real? Or fake? It doesn't seem to have a bad effect on us... Let's practice as soon as possible." Li Tian said slightly there.

After hearing what Li Tian said, the goddess Xueji in front of her nodded quickly and said, "Well, you are right! Cultivation is now a top priority."

After speaking, the two of them didn't bother about the mysterious voice anymore, but found a place to sit cross-legged and practice.

Washing the bones, this first stage, Li Tian and the goddess Xue Ji have already broken through.

The remaining second stage is that: training muscles!

The third and fourth stages are: body building! God!

The current Li Tian and the goddess Xue Ji have only reached the stage of "training muscles".

At this moment, after sitting on the ground, they began to slowly wander their spiritual power in their own veins in turn... and then continuously let the whole body's veins absorb the inner spirit of the body little by little. Power...As long as you focus on this spiritual power and the veins... then this second stage of strengthening the muscles can be considered a great success.

Chapter 3068: Meet the Three Demons

Then Li Tian and the goddess Xue Ji continued to practice in the tenth day.

Qianxuefeng, below the peak.

The ancient and lush towering trees stood there, surrounded by densely packed strange flowers and weeds, and occasionally we could see the strange-looking beasts running around in the dense forest.

At this moment, I heard the sound of footsteps of "簌簌簌".

Following the voice, he took a closer look and saw four beauties in white dresses walking in front of them.

The leader was the unparalleled Situ Ningbing.

She was wearing a white skirt, wrapped her whole body tightly, with slender legs and graceful posture, walking towards this side step by step with Lian.

She also held a crystal clear sword in her hand. The sword was personally given to her by the goddess Xue Ji, named "Ice Death".

Behind that Situ Ningbing followed the three maids of the goddess Xue Ji.

The eldest sister, Qingluan, and another beauty in white.

At this moment, they are coming here step by step.

"Sister Bing, are we really looking for the goddess?" Suddenly the big sister on the other side blinked her beautiful eyes and looked at that Situ Ningbing curiously.

Situ Ningbing nodded silently and said, "Yes."

"At the moment, Sister Bai Ru is dead...The master now doesn't know where...We can't just sit there! We must first find the master." Situ Ningbing said.

After the elder sister heard this, Liu frowned slightly and said: "But... the goddess personally ordered you to cultivate in the cave."

Situ Ningbing smiled slightly and said: "It's okay, the Bingxin Shenju that the master taught me, I've almost cultivated it."

"Furthermore, if the master really blames it, I will bear the consequences alone."

After the eldest sister heard Situ Ningbing say so, she nodded silently at this moment, and then said, "Okay!"

As a result, the three maids followed Situ Ningbing and started walking along the winding mountain road towards the front.

They turned out to be looking for the goddess Xue Ji.

Just when Situ Ningbing was leading the three maids to walk forward, suddenly he heard the sound of "whooping" in his ears.

At the moment when Situ Ningbing heard the sound of the howling "strong wind", Liu brow frowned suddenly and said, "Someone!"

"Everyone, be careful!"

After that Situ Ningbing exclaimed, the eldest sister, Qing Luan, and the other beauty in white all around him were taken aback at the same time, and then everyone was holding the sword in their hands tightly.

"The sound seems to be coming from the front."

"Go, let's go over and take a look."

Following Situ Ningbing's order, and then under the leadership of Situ Ningbing, all three beauties quickly followed the beautiful figure of Situ Ningbing, and then their figures exploded and flew forward.

After all of them flew over, they hid in a thick tree, and then blinked their beautiful eyes to observe the situation there.

Look carefully, the sound of the "whooping" strong wind turned out to be three black auras...flying towards the east at a very fast speed.

When suddenly seeing the three black terrifying auras, Situ Ningbing, the eldest sister, and Qing Luan were all startled for an instant.

"What's that?" Qingluan asked in surprise.

But seeing that eldest sister frowned deeply on her brows and said: "It looks like it is the evil demon of Jiugong."

what?

"Nine Palaces?" When the Qingluan and another girl in white heard the words "Nine Palaces" in the eldest sister's mouth, not only a slight panic appeared on her pretty face.

I saw that elder sister raised her eyes and said: "It should be! It seems that the barrier of heaven has really been broken by the demons of the Nine Palaces."

After hearing the elder sister's words, Qingluan looked at the elder sister in surprise and said, "Then what should we do now?"

The eldest sister Liu frowned tightly, did not speak, but turned her gaze to Situ Ningbing in front of her.

"Sister Bing, we listen to you now, what do you say we should do?"

At this moment, Situ Ningbing raised his eyes to look at the three fast flying black terrifying auras, thinking about it there, "Nine Palaces? Was Sister Bai Ru killed by them?"

After that Situ Ningbing suddenly asked, but saw that the eldest sister and Qing Luan were there and nodded silently.

"Yes."

"Damn bastard." Situ Ningbing gave a low voice.

"Stop them and avenge Sister Bai Ru." Suddenly Situ Ningbing said sharply.

After hearing that Situ Ningbing said so, the eldest sister, Qing Luan, and the other beauty in white nodded quickly.

"Good!" they said in unison.

Originally, they all wanted to avenge Sister Bai Ru... Now they just met the demons in the nine palaces... Of course they were very happy.

Under the order of that Situ Ningbing, her beautiful body suddenly flew out first.

The "Ice Death" in his hand was taken out first.

warehouse!

The sound of the sword rang out, and an extremely cold chill instantly enveloped the entire sword body.

"Evil thief, don't go." With a loud shout, Situ Ningbing's body flew out of the dense forest, and then the "Ice Death" in his hand quickly stabbed a sword.

But seeing the cold sword aura, he directly attacked the three black auras flying in the air.

But who are those three flying terrifying black qi?

Yes, they are the three demons of Hades.

At this moment, the Three Demons of the Underworld saw a few female dolls suddenly blocking their way, and the corners of the Three Demons of the Underworld suddenly showed a grinning smile.

"The three little girls dare to block the way of our Pluto Three Demons... something that doesn't know whether they live or die." Suddenly, one of the blood-red hair and extremely burly figure said in that gloomy voice.

Another guy with a pale face and a pair of venomous eyes suddenly sneered: "These girls should be the servant girls of the goddess..."

"Lao San, didn't you kill one of the servant girls of the goddess Xue Ji before?" Suddenly the blood-red haired fellow was looking at the person called the youngest.

The one called the youngest is exactly that of the three underworld demons: Heijue.

At this moment, Heijue smiled grimly; "Yes."

"Okay, now I'll give you a chance... to kill all the remaining little girls." The scary guy with long blood-red hair said there.

After hearing that Hei Jue, a cruel smile flashed in a pair of insidious eyes, and then said: "Okay!" When the words were spoken, his black figure suddenly turned abruptly, and shot directly at Situ Ningbing, Qing Luan, and the older sister.

And the other three Hades, the boss, the second, and the dark shadows were hidden in the endless dense forest, as if they didn't want to waste time here.

Chapter 3069: War black

Besides, just after the black shadow suddenly flew over.

Suddenly, his body turned out with a "swish" sound.

A black cloak, a vicious and cruel face.

On the forehead, a blood-red "ming" character looked scary and dazzling.

Black absolutely!

At the moment that Hei Jue showed his figure, Situ Ningbing, the eldest sister, and Qing Luan all flew over.

The eldest sister was not only shocked for a moment when she saw the blood-red "ming" on the black forehead.

what?

"Ming...Oh my God, could it be the Three Demons of the Pluto?" Suddenly the eldest sister said in shock.

Situ Ningbing still didn't know who the Underworld Three Demons were. At this moment, Liu Mei couldn't help but wrinkle there as he was about to ask... Suddenly, the Black Jue of the Underworld Three Demons had spoken grimly.

His voice was extremely harsh, as if he was about to pierce the eardrum when listening to people's ears.

"Hey, a few little girls... I didn't expect to know the deity." Suddenly Na Hei Jue showed a cruel smile at the corner of his mouth.

The eldest sister, Qing Luan, suddenly changed her pretty face after hearing it.

"Damn it, it turns out to be the Three Demon of Hades."

"Oh, bad luck today." Suddenly the eldest sister said secretly.

Situ Ningbing didn't know who the three underworld demons were...and how powerful the three underworld demons were.

At the moment, he just glared at him and said, "You thief, did you kill Sister Bai Ru?"

After that Situ Ningbing suddenly shouted out angrily, the black Jue's cruel eyes slammed on Situ Ningbing's body.

"Hey, what are you talking about the other day, the girl in white who died under the deity?" Hei Jue sneered.

When Hei Jue talked about a white-clothed female doll, the eldest sister, Qing Luan, felt a little in his heart.

"You **** who killed Sister Bai Ru?" Suddenly the older sister said angrily.

But seeing Hei Jue in front of him with a gloomy smile: "So what?"

After Hei Jue's acknowledgment at once, an anger rushed directly to the hearts of the elder sister, Qing Luan and others.

Although they were afraid of the power of the Pluto Three Demons in front of them, when they heard that Sister Bai Ru was dead in the hands of this bastard, they suddenly became angry. After all, Sister Bai Ru was in the same siblings with them! At this moment, when they really saw the enemy, their eyes were red.

"Asshole! Today, we want to avenge Sister Bai Ru." The eldest sister drew out the long sword in her hand with a "brush" and shouted there.

Qing Luan standing beside him and another beautiful woman in white also quickly drew out the long sword in his hand.

The three long swords pointed at the terrible Heijue in front of them.

Hei Jue, who had a cruel face in front of him, glanced at the eldest sister in front of him, Qingluan and the others, and suddenly smiled strangely: "Just because of you three little girls, you still want revenge? Come on. ...This deity just wants to taste your blood..."

After that Hei Jue said cruelly, the eldest sister and Qing Luan could no longer stand it.

"Do it, kill this **** together."

Following the elder sister's order, her body quickly flew past.

The long sword in his hand suddenly drew a circle in the air, and then slammed it directly at that Heijue.

Hei Jue didn't even look at her tricks, his right hand shook slightly, and suddenly a black breath emerged from the palm of his hand, and then he pushed forward...Boom! The terrible black breath directly countered the big sister.

The eldest sister saw a sudden attack from the black magic energy, and the long sword in her hand shook in the air, and then quickly displayed a sword curtain!

But seeing that the sword curtain blocked the black energy attack of Heijue.

And the elder sister's beautiful body was also forced to fly back.

Qingluan, who was standing on the other side, and another beautiful woman in white clothes, after seeing the eldest sister's body being pushed back, they suddenly attacked one by one.

The forehead sword in his hand pierced towards the body of Heijue from different directions.

"Cross Sword!" What Qing Luan displayed in his hands was the cross sword.

This cross sword is driven by illusion.

I saw that once it came out, suddenly one after another sword light pointed towards that Hei Jue.

And that other beautiful woman in white also displayed Gao Dynasty's swordsmanship, attacking that Hei Jue from another angle.

Hei Jue saw the attack of the two women, a cold smile appeared at the corner of his mouth, and then his body suddenly turned into a cloud of black air, "swish" and disappeared without a trace.

The sword moves of the Qingluan and the beautiful woman in white were all stabbed in the air.

"What about people?"

Looking at the disappearing Hei Jue, this Qingluan and the other beautiful woman in white were all startled slightly.

Just when the two girls were surprised, suddenly the black figure of Hei Jue suddenly appeared behind them, the speed was so fast that both girls could not react.

At the moment when Hei Jue appeared behind Qingluan and the girl in white, the eldest sister standing on the side and Situ Ningbing couldn't help but let out an exclamation.

"Be careful!" Suddenly the eldest sister exclaimed.

I saw that Qingluan and the beautiful woman in white also felt someone behind him... At the moment when he felt it, he suddenly felt a little in his heart, and then hurriedly danced his sword with his hands, and stabled back.

It's a pity that even though they are quick to react, they are still a bit slower!

After all, their opponent is one of the three demons of the Hades!

The moment that Qingluan and another beautiful woman in white turned his head, that Hei Jue had already made a violent shot.

Suddenly, the Heijue's hands slightly condensed, and a hideous "skeleton" emerged from the palm of his hand.

Then his hands suddenly pushed, the ferocious "skeleton" filled with black magical energy directly hit the Qingluan and the other girl in white.

There was a boom.

The hideous skull, with an endless terrifying devilish energy, hit the Qingluan and the beauty in white.

The two women screamed "Ah"...then their bodies were knocked down and flew out.

Plop, Qingluan and another beautiful woman fell heavily to the ground.

"Qingluan..."

The eldest sister and Situ Ningbing couldn't help shouting at the moment when they saw Qingluan and another beauty in white who were seriously injured.

I saw that Qingluan's face was as gray as death, and a handsome face, but now it was as pale as paper. At the moment when he was supported by the older sister, he suddenly vomited blood in a "wow".

The other girl's injuries were also very serious.

Chapter 3070: Mist Hidden Lore

"Qingluan, how are you?" The eldest sister asked in a worried voice.

Situ Ningbing on one side also looked at Qing Luan who was as gray as death.

I saw Qing Luan, who was seriously injured, shaking his head hard and saying, "I...I...nothing."

"Stupid girl, you are so hurt, and you say it's okay?" The eldest sister said sadly.

After speaking, the eldest sister suddenly raised her head, glaring at Hei Jue in front of him, and roared there, "Asshole, I'm fighting with you."

When the word fell, her shadow flew over desperately.

The long sword in his hand draws a few sword flowers in the air, and then stabs at that Heijue.

Hei Jue dodges slightly, avoiding the elder sister's sword moves.

With a sneer: "Today, all of you girls will die."

After speaking, he suddenly attacked the eldest sister in front of him.

At this moment, after Na Hei Jue fought against the eldest sister, Situ Ningbing glanced at the injured Qingluan and another girl in white.

"Two sisters, you stay here first, I will help the eldest sister."

Situ Ningbing could see that Hei Jue's skill is really very high, and that eldest sister alone cannot be that Hei Jue's opponent, so she must help now.

The injured Qingluan and the beautiful woman in white nodded with difficulty after hearing Situ Ningbing say this...

Then Situ Ningbing picked up the "Ice Sorrow" in his hand, and his figure stretched out, and at this moment he quickly attacked that Hei Jue.

"Evil thief... I want your life."

Situ Ningbing flew quickly, and the "Ice Sorrow" in his hand suddenly slashed forward, and a terrifying icy meaning directly rushed to that Hei Jue.

After feeling the coldness, Na Hei Jue was slightly startled subconsciously.

Then his body retreated suddenly...

Click!

The "Ice Death" in Situ Ningbing's hand fell on a dead tree on the left.

When the dead tree was chopped by Situ Ningbing's "Ice Death", the whole tree instantly became ice...

What a terrible sword!

Unexpectedly, I didn't expect this "Ice Death" to completely freeze that huge dead tree.

The Hei Jue, who had stepped back a few meters, was slightly startled after seeing the "Ice Death" in Situ Ningbing's hand, and said in a vicious way: "Little girl, the sword in your hand is quite interesting. Yes! Yes, yes, it's a sword."

That Situ Ningbing didn't have the time to speak with him. At this moment, he stood with a sword and suddenly said to the elder sister beside him: "Big sister, you attack him for the last game, I attack him for the second game, and we will jointly kill this bastard."

When the eldest sister heard Situ Ningbing say this, she said quickly: "Okay!"

Then the eldest sister and Situ Ningbing attacked the Black Jue's upper plate, and the other attacked the Black Jue's bottom plate.

Although the eldest sister's sword skills were not as powerful as Situ Ningbing's, she was also superb with her sword skills, and at this moment, she quickly stabbed towards the black face door.

And Situ Ningbing?

After more than a month of cultivation, she had already mastered all the "Bing Xin Shen Jue", but she had never actually battled it.

Now that she finally had this opportunity, of course she had to perform well.

After Situ Ningbing had poured his spiritual power into the "Ice Sorrow" in his hand, the crystal-clear sword body was now brighter.

Huhuhu!

With a terrible cold breath of suffocation, he pierced towards the black legs.

Facing the up and down attack, Na Heijue was a little bit reluctant at this moment.

I saw him using illusion techniques to resist the tricks of these two men while backing away slightly.

At this moment, Situ Ningbing and the eldest sister had the upper hand.

...

But he said, just when Situ Ningbing joined forces with the big sister to attack the terrible Heizie, in the dense woods, suddenly I saw a middle-aged man with a handsome face holding a black hole flute in his hands. At this moment Leaning against the tree, he watched the battle unblinkingly.

There was a look of interest in his piercing eyes.

Yang God!

No one had thought that this legendary Yang God would suddenly appear here.

I saw the Yang God wearing a navy blue robe at the moment, leaning back there, watching the battle.

His eyes, for some reason, have been staring at Situ Ningbing... as if it were strange.

"she was.....?"

Suddenly, the Yang Shen spit out a word, and then he didn't continue speaking, but stared at the beautiful figure of Situ Ningbing unblinkingly.

Situ Ningbing was trembling with that Heijue at the moment, with a graceful posture, flying with the shadow like a butterfly spreading its wings and dancing, her posture is so light and beautiful, as if even the Yang Shen was stunned.

But he said, here, Hei Jue has been forced back again and again by Situ Ningbing and the eldest sister.

"Puff!"

Suddenly one inadvertently, that Hei Jue's right leg was suddenly slashed by Situ Ningbing's "Ice Death".

Suddenly, a cold tingling sensation came to Heijue's entire leg in front of him.

Hei Jue was struck with a sword on his leg, and the blood flowed long. At this moment, he roared and flew back more than ten meters.

Lifting those **** eyes, he suddenly lowered his head to look at the injury on his leg... A roar hoarsely came out of his mouth.

"Smelly girl, I want your life!"

Hei Jue was angry.

Him: One of the three demons of the Hades, at this moment, was hit by two unknown little girls, which of course made him furious.

After Hei Jue's roar, Hei Jue's hands quickly formed a strange curse on his chest.

"Mist Hidden Killing Technique!" A loud roar yelled from the dark sky.

When this curse seal was cast out, in an instant, the entire space was filled with a gloomy mist... That Situ Ningbing, and the eldest sister, in a blink of an eye, the eyes were filled with fog... ... Everything around has disappeared in sight.

Among the alien space art: misty illusion art.

After Na Hei Jue suddenly displayed his tricks, this Situ Ningbing and that eldest sister were all depressed for a moment.

"Damn, there is so much fog around... completely obstructing the line of sight..." Situ Ningbing cried out from the gray fog looking around.

The eldest sister also said in fear at the moment: "This is the illusion of fog...Sister Bing, you and I must be careful!"

"Yep!"

Situ Ningbing said something in his mouth, then tightly squeezed the "Ice Death" in his hand and observed the movement around him.
