

A Killer 3101

Chapter 3101: Goddess is back

The moment the black flute in his hand was shaken off, the Yang Shen in front of him suddenly stunned. .

Then looking at the broken flute, he burst into laughter in an instant.

"So strong! So strong."

"The strength of the master... really has almost reached the illusory state of the thirteenth heaven."

Suddenly, Na Yang Shen laughed with a helpless expression.

"I just don't know, why didn't the master always break through the thirteenth heaven, but just avoid it in these thirteen days? Was it because he couldn't break through? Or was it another reason?" The Yang Shen suddenly muttered in the cold wind Muttered in there.

His voice was like talking to himself, no one answered at all.

Yang Shen stood alone in the thirteenth heaven for a long, long time...

In the end, he glanced at the Thirteenth Heaven, and muttered: "Master, I will wait for you! I will wait for you to come out. I will never allow you to break the balance of the restricted zone... Never let you. Ambition succeeded!"

After speaking, the Yang Shen in front of him suddenly jumped and disappeared into the thirteenth heaven.

he's gone.

After the Yang Shen in front of him disappeared slightly, suddenly a hunched figure suddenly appeared in the cold wind.

The figure looked vaguely in the wind... but he could vaguely see his outline.

He just squatted back and watched the evil ***** disappear, then smiled slightly and disappeared into the cold wind.

...

Li Tian had already followed the goddess Xue Ji flying towards Qianxue Peak.

They still don't know that the Wood God and White God are also in Qianxue Peak.

Soon, I saw that Li Tian and the goddess Xue Ji had reached the foot of Qianxue Peak.

"Finally back." The goddess Xue Ji sighed slightly.

That Li Tian just followed behind the goddess Xueji silently, and from beginning to end he was looking forward to seeing Situ Ningbing quickly.

Soon, I saw the goddess Xue Ji with Li Tian in front of her, skimming towards the Qianxue Peak.

Immediately after flying for a hundred meters, two white-clothed figures suddenly shot out from the dense forest, blocking their way.

"Who dares to trespass Qianxue Peak?" With a cold shout, he saw a sword light of "brush" being pulled out of the hands of Qianying in white clothes.

Then the two shadows in white clothes suddenly stopped in front of them.

Qingluan, and another woman in white.

It turned out to be them.

But it was said that at the moment when Qingluan and another woman in white flew out with a long sword, the goddess Xue Ji suddenly saw them.

"Qingluan?"

After the goddess Xue Ji yelled out, the Qing Luan who appeared over there and the other woman in white were all stunned for a moment.

"Huh? Goddess?"

"It's a goddess..." The moment that Qingluan and another woman in white saw that it was the goddess Xue Ji who broke into Qianxue Peak, they suddenly cried out there with excitement.

"Knock to the goddess." The Qingluan and the woman in white hurriedly said.

The goddess Xue Ji waved her hand slightly: "You are welcome, get up."

"Goddess, you are finally back." After that Qingluan got up, the expression of excitement appeared on her pretty face right now.

The goddess said: "How are you doing during this time of my absence?"

Na Qingluan replied: "We...we are fine."

"How about Qian Xuefeng?" The goddess Xue Ji asked again.

Qingluan replied: "Qianxue Peak is safe up and down...especially after the White God and Wood God have all come, we haven't encountered any threats yet."

The goddess Xueji suddenly heard that Qingluan was talking about the White God and the Wood God, her eyebrows wrinkled, and her face was surprised: "Ah? What did you say?"

Li Tian over there was suddenly depressed, looking at Qingluan over there with his eyes open.

What did she say just now? She said that the **** of wood and the **** of white... are they in this temple?

impossible? Li Tian was surprised at that.

The Qingluan in front of him quickly replied: "Return to the goddess, the temple...the temple...is occupied by the nine palaces!"

The goddess Xue Ji said: "I know this."

"Tell me, White God and Wood God, are they really in Qianxue Peak now?" The goddess Xue Ji asked.

The Qing Luan in front of him nodded and said: "Yes, since the temple was occupied, the White God, Wood God, they have been driven out of the temple! Right now, they are all on the top of Qianxue Peak."

The goddess Xue Ji was taken aback when she heard it.

Li Tian was also speechless.

"It turns out, Wood God and White God, they are in Qianxue Peak! Great, if this is the case, we don't need to look for them." Just listen to the goddess Xue Ji suddenly saying happily there.

The goddess Xue Ji and Li Tian already knew about the occupation of the temple, and even more about the white **** and the wood **** being driven away.

It's just that she never expected that this Gu Mu Xijue would be on her own Qianxue Peak.

At this moment, I was really happy.

"Now they are on it?" said the goddess Xue Ji.

Qingluan nodded and said, "En, yes."

"Okay, take me to see them." Goddess Xue Ji said.

The Qing Luan in front of him nodded and said, "Okay!"

Then he took the goddess Xue Ji... and Li Tian quickly walked towards the Qianxue Peak.

Qingluan looked back inadvertently and saw Li Tian at the moment. She was taken aback by this look.

"Huh? It's you...?"

"You...you...you...you have fallen from Qianxuefeng and died?" Qingluan looked at Li Tiandao behind the goddess Xueji in amazement.

When Li Tian heard this, his brows suddenly wrinkled, and he smiled awkwardly while touching his nose.

Then turned her head to look at the goddess Xue Ji in front and said: "This...thanks to your goddess's mercy, otherwise, I will definitely fall off Qianxue Peak and die."

When the goddess heard Li Tian say this, she not only turned her head and gave Li Tian a beautiful eye.

Li Tian quickly closed his mouth.

Qingluan looked at the expressions of the goddess and Li Tian, and at that moment, his heart swelled and it was darkly lined: God, what happened to this? Why is the goddess with this guy? And look at their expressions and movements... so weird?

What happened to this?

To be honest, Qing Luan in front of him didn't understand the situation.

At the moment, he can only lead the way in front of that in confusion!

Soon, I saw that Qingluan and another woman in white took the goddess Xue Ji and Li Tian to Qianxue Peak.

Several figures quickly flew towards the top of the Qianxue Peak.

I saw that on the Qianxue Peak, there were more than a dozen guardians of the temple, standing in a row to guard, and among them was the eldest sister in a white dress.

Chapter 3102: Yangshen's only opponent

At this moment, after seeing the two white-clothed shadows flying over the Qianxue Peak, they all said, "Qingluan and the others are back."

"Yes."

"Hey, there seems to be other people beside Miss Qingluan..." Suddenly the guardian of one of the temples blinked and looked at the figure flying up in front of him.

Yes, looking at the eyes at this moment, besides the Qingluan, there are two other faster figures.

Of those two figures, one of them was completely red!

The other is a beam of light! Faster than Aurora.

The eldest sister opened her beautiful eyes, looking at the fiery red shadow, and another guy who quickly couldn't see the figure. At this moment, she was stunned and said: "It seems to be a goddess!"

goddess? Xue Ji?

When the guardian of the temple on the other side heard it, he was not only taken aback.

Then the eldest sister hurriedly took a closer look, and she saw it clearly.

"Yes, it's the goddess, the goddess is back, the goddess is back." The eldest sister suddenly screamed with excitement.

Following her surprise cry, the guardians around him all raised their eyes and looked down.

Soon, the four figures have all flew up.

Looking at it right now, these four people are Li Tian, the goddess Xue Ji, and Qing Luan.

"goddess?"

When the eldest sister saw the appearance of the goddess Xue Ji, she suddenly became extremely excited on her pretty face, and said quickly: "Goddess, you are finally back."

The goddess Xue Ji, who flew up, glanced at the elder sister and the other guardians slightly, and said softly, "I'm back."

"Great, goddess, all of us have been looking for you lately." Just listen to the big sister in front of you with a smile.

The goddess Xue Ji said: "Wood God, White God, are they there?"

"Yes, here, here, the **** of wood and the **** of white are inside." said the eldest sister.

When the goddess Xue Ji heard it, she said, "Oh."

"Show me the way, I'm going to see Wood God and White God now." The goddess Xue Ji said.

The eldest sister in front of her immediately nodded and said, "Yes!"

Then he quickly took the goddess Xue Ji in front of her and walked quickly towards the Shuilian Cave of Qianxue Peak.

While walking quickly towards the Shuiliandong, I saw the eldest sister saying: "The wood god, the white god, our goddess is back."

The White God who was quietly cultivating inside and the Wood God were all taken aback when they suddenly heard the sound from outside the Shuiliandong.

"Xue Ji is back?" Gu Mu Xi's wrinkled old face showed a slight surprise.

Then he slid and flew down from above.

And the White God in front of him quickly flew over at this moment.

After Gu Mu Xijue and Bai Shen quickly walked to the entrance of the Shuilian Cave, then they really saw the goddess Xue Ji who walked in.

"Xue Ji, you are finally back." Gu Mu Xi Jue said at the moment the goddess Xue Ji who looked at him with a sense of relief on her face.

There was a slight smile on the face of the goddess Xue Ji Qiao, then she looked at Gu Mu Xi Jue in front of her and said, "Wood God, White God, so you are all in Qianxue Peak."

When Gu Mu Xi heard it, his old face suddenly showed endless embarrassment, and said: "Hey! The temple has fallen! The temple has been occupied by Jiugong."

After the goddess Xue Ji heard it, she said, "I already know."

Gu Muxi said: "Your maidservant told you, right?"

The goddess Xue Ji bit the girl and replied, "No, it's not. I saw it with my own eyes."

When the goddess Xue Ji suddenly said that she saw it with her own eyes, Gu Mu Xijue was taken aback and said: "Eh? Did you see it with your own eyes?"

The goddess Xue Ji nodded and said; "Yes."

Then the White God said in shock: "So, you have already been to the temple?"

The goddess Xue Ji said: "En."

"Have you seen that little bastard? Have you seen Chi Yang?" Bai Shen said suddenly.

The goddess Xue Ji nodded again and said: "I saw it."

After hearing that the goddess Xue Ji had seen the Yang God, the White God in front of her was stunned for an instant.

"You...you...you fought him?" Suddenly Gu Mu Xijue asked curiously.

The goddess Xue Ji said: "No."

"No?"

The goddess Xue Ji said: "Well, he let us go."

"Huh?" When the goddess Xue Ji said so, Gu Mu Xi Jue was startled.

The White God was shouting there, "What the ***** is that ***** Chi Yang doing?"

At this moment, the goddess Xue Ji raised her beautiful eyes and looked at that Gu Mu Xijue and the white god's way: "Didn't you two also let him go?"

When she heard the goddess Xue Ji suddenly say this, the white god... and the wood god... suddenly looked ugly.

The two of them froze for a long time... but they didn't say anything.

Yes, the two of them were also let go by the Yang God.

"I'm getting more and more confused now... I really don't know what tricks that ***** Chi Yang is playing." Just listen to the white ***** yelling there.

Gu Muxi sighed deeply and said: "No matter what, the temple has fallen. The only thing we need to do now is to do our best to retake the temple."

"Taking it back? Can the three of us be that little bastard's opponent?" The White God in front of him yelled.

After the White God said so, Gu Mu Xijue's old face wrinkled deeply at this moment.

indeed!

The three wooden gods, the white gods, and the goddess Xue Ji, I am afraid they will not be able to defeat the sun god!

What's more, there are three demons of the Pluto beside the Yang God?

Thinking of this, the Mu Shen and Bai Shen's faces were full of distress.

At this moment, the goddess Xue Ji spoke.

She said suddenly there, "I know who can be Chi Yang's opponent."

When the Gu Mu Xijue and the White God heard it, they turned their heads and said to the goddess Xue Ji who was looking in front of him, "Who? Who can be the opponent of the Sun God?"

"he!"

Suddenly the goddess Xue Ji pointed at the human being who had been standing outside the Shuilian Cave.

That Gu Mu Xijue and Baishen didn't know who was standing outside Shuiliandong. At this moment, when the goddess Xueji said this, they not only turned their heads to look at them.

They all wondered in their hearts: Who is it?

At this moment, the goddess Xue Ji spoke.

"Li Tian, come out."

As the voice of the goddess Xue Ji fell, then Li Tian slowly walked out of the water curtain cave.

Yes, it was Li Tian who came out at this moment.

Chapter 3103: Major announcement

At the moment that Yang Shen and Bai Shen both saw Li Tian, the two of them couldn't help being stunned at the same time.

what?

"Is it him?" The White God exclaimed in an instant.

Gu Mu Xijue also saw Li Tian there at the moment.

But he said that after Li Tian walked out, he looked at the White God and Wood God and smiled slightly, and then said: "Wood God, White God, hello."

"Li Tian? Are you with Xue Ji?" Gu Mu Xijue asked in surprise.

Then Li Tian smiled and replied: "Yes."

"Strange, too strange." That Gu Mu Xijue said there.

The goddess Xue Ji suddenly interrupted and said: "What's weird?"

"I tell you, the only thing we can deal with Yang Shen right now, I'm afraid he is the only one." The goddess Xue Ji said so while pointing at Li Tiandao.

After hearing what the goddess Xue Ji said, the White God in front of her cried out: "Just him?"

"Can he beat Yang Shen? Are you kidding?" Bai Shen said with a face full of dissatisfaction.

When the goddess Xue Ji heard this, she sneered: "What? Do you still think that your skill is better than Li Tian? Have you forgotten how you defeated Li Tian some time ago?"

When Bai Shen heard it, his face suddenly became extremely ugly and embarrassed, and he shouted: "I, I, I lost to him, but this doesn't mean that he can be Yang Shen's opponent. "

"You know, Yang Shen's strength was so terrible three hundred years ago, not to mention, so many years have passed now." The Bai Shen in front of him said with a face full of dissatisfaction.

The goddess Xue Ji suddenly snorted, and Liu Mei raised her eyebrows: "Then you know, how fast is his entry?"

When Baishen heard it, he looked at Li Tiandao obliquely: "He? How fast can he go? Is it possible that he has reached the tenth heaven?"

The goddess Xue Ji suddenly laughed hahaha.

"White God, you are really blind! I tell you, now he has broken through the eleventh heaven." Goddess Xue Ji said.

When the goddess Xue Ji suddenly said that Li Tian's strength had broken through the eleventh heaven, the White God and Wood God couldn't help screaming at this moment.

"what?"

"He... he... has broken through the eleventh heaven?" The white ***** in front of him yelled as if he heard a "ghost".

In addition to unbelievable in the eyes, the rest still didn't believe it.

What about Yuzue Gu Mu? The whole person was completely stunned there.

"Break through the eleventh heaven?"

"In such a short time?"

"Gosh?"

Even Gu Mu Xijue not only screamed in surprise, but also Li Tianwen who was looking in front of him at that moment with a pair of unbelievable eyes.

I saw the goddess Xue Ji smiled and said, "Are you not convinced?"

The White God looked at Li Tian with eyes wide open, shook his head there, and nodded suddenly.

"It's kind of, I really can't believe it." The White God cried out truthfully.

When the goddess Xueji heard it, she said: "If you don't believe it, then forget it. Anyway, I have already said all that should be said."

After hearing that Gu Muxi listened, looking at Li Tian's spiritual light, her brow furrowed deeply, and said: "I believe it! I believe it."

"Although the old man has never reached the realm of the eleventh heaven, I can feel the terrible level of the spiritual power of Li Tian's body." Gu Mu Xijue has already felt the invisibly domineering aura of Li Tian's body. . So he is there at the moment.

When the goddess Xue Ji heard it, she smiled and said, "The eyes of the God of Wood are still bright."

After speaking, he did not forget to glance at the white **** in front of him contemptuously.

"Li Tian, it seems that our responsibility to save the temple is up to you." Just listen to that Gu Mu Xijue suddenly looking at Li Tiandao.

After hearing this, Li Tian said: "Uh? I'm afraid I can't afford this important task."

Gu Mu Xi Jue said: "You can do it right now, and only you can do it right now."

"Li Tian, please help us, help us regain the temple, if you can help us, our temple up and down, from now on, all will listen to you." Gu Mu Xijue said suddenly.

what?

When Gu Mu Xijue said so, even the goddess Xue Ji was not only shocked by the words of Gu Mu Xijue.

Of course, the White God in front of him is even more needless to say.

After hearing what Gu Mu Xijue said, Li Tian smiled and said: "Mu Shen, don't be so polite, the only thing I can promise you is that I will try my best to help you, okay?"

"Okay, okay, great." After hearing Li Tian's words for the last time, Na Gu Mu Xijue suddenly became excited there.

The White God did not speak anymore.

Although he was very angry with Li Tian in his heart, but now the overall situation is important. In order to regain the temple, the white **** is also there: "Yes, if your kid can really lead us back to

the temple, then my old white will also Will take orders with you! No matter what you ask me to do, I will do it."

When the White God said so, Li Tian showed a slight smile at the corner of his mouth.

However, the Yang God came to mind in his mind, and Li Tian was silent again.

I don't know why, in Li Tian's mind, he always feels that Yang Shen doesn't look like a bad person...

...

In the end, after Gu Mu Xijue and the White God knew Li Tian's terrifying speed of entry, they completely convinced them.

"The speed of this kid's entry has completely surpassed Chi Yang, who was known as a genius back then." I saw the White God in the stone cave shouting there.

Gu Mu Xijue also showed a beam of relief on her face, looking at Li Tiandao: "Yes, yes."

"White God, hurry up, hurry up and summon all of us, I have something important to announce." Gu Mu Xijue said suddenly.

After hearing Gu Mu Xijue say this, the white ***** in front of him was startled for a moment, then nodded quickly and said, "Okay!"

Then he really left the water curtain hole in front of him, and then summoned the remaining guardians.

Soon, all the hot guardians were summoned.

There are still more than 40 guardians left, all of which are summoned into this water curtain cave at this moment.

Everyone is there. Look at me, I look at you, staying there with a look of surprise, no one knows what big things that Gu Mu Xijue is about to announce.

I saw that in this water curtain cave, in addition to the guardians, there were also Qingluan, the eldest sister, and another woman in white clothes, but Situ Ningbing was missing.

After taking a look at Li Tian, not only did he chuckle in his heart, he frowned and said, "Isn't Ningbing in Qianxuefeng? Why are so many people here, but can't see her? Where is she?"

Li Tian thought.

Chapter 3104: miss her?

Just when Li Tian was still blinking his eyes and looking for his lover Situ Ningbing, suddenly there was a roaring voice in the crowd.

"Why did God Wood gather us for what?"

"do not know."

"Is it to regain the temple?"

Just listen to the guardians standing in the water curtain cave, asking each one with a surprised look on their faces, saying that they still don't know why the wood ***** summoned them all.

Just as they were talking here, suddenly Gu Mu Xijue spoke at this moment.

"Just be quiet, everyone be quiet."

After that Gu Mu Xijue said this, the originally noisy water curtain cave immediately became quiet.

After they calmed down, everyone was looking at Gu Mu Xijue at the moment, waiting for his speech.

I saw that Gu Mu Xijue cleared his throat slightly, and then said: "Now, I call everyone here, mainly to tell you one thing."

"What's the matter? Wood God?" After Gu Mu Xijue said such a sentence, the guardians in front of him were not only asking about it.

Following their inquiries, I saw that Gu Mu Xijue preached there and said: "What we are going to say today is about whether we can save the temple! About the fate of all of us."

Hearing that Gu Mu Xijue said so seriously, the surrounding guardians stood there with extremely serious expressions.

"From now on, we must unite as one and elect a representative! He will lead us all to regain the temple."

Gu Mu Xijue suddenly said loudly.

what?

"Pick a person?"

"Who to choose?"

"Isn't it the wood god?" I saw the guardians around me said in surprise.

After the guardians around said so, I saw that Gu Mu Xijue suddenly said, "This is the one chosen to lead us."

Following that Gu Mu Xi's exit, suddenly, he raised his hand and pointed at Li Tian in front of him.

what?

"Is it him?" When everyone saw that Mu Shen pointed at Li Tian in front of him.

Even Li Tian was slightly startled at this moment.

what?

"Choose me?" Li Tian cried out depressed.

He thought that the Wood God was joking before, but he didn't expect that the Wood God now gathered everyone together and announced the matter in public? This made Li Tian not only depressed all of a sudden.

The guardians of the temple were also puzzled one by one, and no one thought that the wooden **** chose Li Tian as their leader.

"Yes, from today, I announce that we will listen to Li Tian for everything! Li Tian will lead us all to regain the temple." Suddenly the wooden **** was there.

When the surrounding crowd heard this, they were all surprised, and said: "Wood God... can he do it? Can he lead us back to the temple?"

"Yeah, God of Wood, why don't you lead us?" The guardians around you all asked Gu Mu Xijue who was looking at him.

That Gu Muxi heard it, and said: "Of course!"

"At present, only Li Tian can lead us! Only he can help us regain the temple! Therefore, from now on, we will all obey Li Tian." Gu Mu Xijue's voice sounded in the audience at this moment. Up.

Just after Gu Mu Xijue finished saying this, the White God suddenly stood up and said: "I agree with the Wood God! If anyone is not convinced, who can leave now..."

The moment the white **** screamed coldly, the guardians in the water curtain cave were silent.

It seems that everyone has acquiesced.

At this moment, Li Tian was frowning and looking at Gu Muxi and said: "Wood God, I...I...I'm afraid it's wrong to take this important task?"

"What's wrong?" Gu Mu Xi Jue said.

"I, Baishen, and Goddess agree with you, that's all right." Gu Muxi said.

The goddess Xueji on one side and the white **** are all saying, "Yes, we all believe in you."

After hearing what they said, Li Tian suddenly showed a helpless smile.

"Well, since everyone believes me so, then I, Li Tian, will do my best and I will do my best to help you regain the temple." Li Tian said.

Hearing Li Tian's words, Gu Mu Xijue and Baishen all smiled.

...

In this way, Li Tian became their leader.

Even the current Gu Mu Xijue, the White God, and the Goddess must follow Li Tian's arrangements.

"Li Tian, do we have any plans now?" I saw Gu Mu Xi Jue in front of him looking at Li Tian and asked.

Li Tiandao: "Take a rest, wait for the opportunity."

Li Tian only uttered eight words.

After Li Tian said this, Gu Muxi nodded silently and said, "Okay."

So Gu Mu Xijue and White God retreated.

In the water curtain cave at this moment, only the goddess and Li Tian were left.

Li Tian stood in the water curtain hole, with a look of hesitation in his eyes... how clever the goddess Xue Ji was, after seeing Li Tian's expression, he instantly understood his intentions.

At this moment, the goddess Xue Ji suddenly snorted coldly, "Hey, what are you thinking?"

Chapter 3105: You're not dead?

Looking at the goddess Xue Ji leaving like this, Li Tian could only smile bitterly.

The goddess Xue Ji is gone.

After the goddess Xue Ji left, Li Tian hurriedly searched for Situ Ningbing.

He had been missing Situ Ningbing from the moment he entered the Thousand Snow Peaks, and now he finally had a chance. Of course he wanted to see his favorite her quickly.

It's just that Li Tian still doesn't know where Situ Ningbing is.

I saw Li Tian quickly walked out of the water curtain cave, and then looked to the west.

On the way, several guardians of the temple greeted him, and Li Tian just responded with a smile.

When he quickly came to the west of Qianxue Peak, Li Tian searched for it, but he did not find the shadow of Situ Ningbing.

"Hey, where is Ningbing?" Li Tian thought depressed in his heart.

At this moment, suddenly only a pleasant voice came from behind him.

"Hey!"

At the moment when the voice came, I looked up, but it was one of the servant girls of the goddess Xue Ji who was speaking: Qing Luan.

The moment Li Tian saw Qingluan appear, he was slightly startled, then turned his head and smiled at that Qingluan: "Girl Qingluan..."

"What are you doing here?" Qing Luan suddenly looked at Li Tian and asked.

Li Tian thought about it for a while, then said the truth: "I'm looking for someone."

"Looking for someone? Who are you looking for?" Qing Luan suddenly blinked her beautiful eyes and asked.

Then Li Tian said, "It's true that I am looking for Ningbing, Situ Ningbing."

When Li Tian said this, Qing Luan in front of him was startled.

amount?

"Are you looking for Sister Bing?" Qing Luan asked with a hint of curiosity on her face.

Then Li Tian heard that Qingluan said so, so he hurriedly said there; "Yes. Qingluan girl, do you know where Ningbing is now?" Li Tian hurriedly asked there.

After Li Tian asked, Qing Luan in front of him suddenly smiled and said, "Of course I know."

When Li Tian heard this Qingluan say this, he was immediately overjoyed in his heart, and quickly asked: "The troublesome girl, Qingluan, tell me quickly."

Qingluan glanced at Li Tian, then smiled and said, "You want to see Sister Bing so quickly?"

"Yes, yes." Li Tiandao.

Na Qingluan said, "You can see that you care about Sister Bing."

Li Tian smiled and said nothing.

"Well, seeing you care about her so much, I'll tell you, it's not worth our Bing sister miss you."

As Na Qingluan said, he was about to tell Li Tian about the whereabouts of Situ Ningbing.

Li Tian listened carefully.

"Sister Bing is cultivating in a stone cave at the far west. You walk along here... Keep going and you will see her soon."

Qingluan finally said it.

After listening, Li Tian said in his mouth: "Thank you."

Then the figure flew straight up and flew directly towards the westernmost direction! The body turned into a ball of light... and disappeared in a swish.

Looking at the quick figure of Li Tian, Qingluan couldn't help wondering there: "This guy's strength is really getting stronger and stronger."

...

But he said that Li Tian had reached the westernmost place within an instant.

After Li Tian quickly flew here, he blinked his eyes and looked around, and then he saw a stone cave not far in front for an instant.

"It should be that." After seeing the stone cave, Li Tian made a secret lining in his mouth, then pulled up and flew past quickly.

Soon, but seeing that Li Tian had already come to this cave.

Looking up at the narrow stone cave, Li Tian then turned and walked in.

After entering this cave, the light inside was not very full, it was dark... but I could faintly feel the cold sword aura coming from the deep cave.

what,?

"Is there really ice in this cave? Her strength seems to be improving very quickly." Li Tian said while feeling the cold sword aura there.

Because he knew Situ Ningbing and knew Situ Ningbing's strength.

Now, after feeling such a strong sword aura coming from the cave, Li Tian naturally felt very surprised.

Because Li Tian still didn't know what Situ Ningbing had been focusing on during this period of time, in his impression, Situ Ningbing's strength was not so strong.

Just as Li Tian was thinking this in his mind and walking forward, suddenly there was a sweet drink from the dark cave.

"Who?"

With an angry shout, suddenly I saw a very cold sword light pierced from the depths of this cave.

It's fast, accurate and scary.

The terrifying sword move directly pierced Li Tian in front of him.

When Li Tian saw a poisonous sword technique suddenly stab at him, he suddenly frowned, then his body flashed slightly, and then used his left hand to use his Qi illusion technique, a gas barrier blocked the opponent's sword. Move the offensive.

"Don't do it... I'm Li Tian."

Li Tian said while blocking the opponent's sword move.

Besides, the opponent who originally issued the sword move was stunned for an instant after hearing the voice of the opponent's forehead.

what?

"Li Tian?"

When he exclaimed, Li Tian could already hear that the voice was his lover, Situ Ningbing.

At this moment, the cavern that was originally dim suddenly lit up suddenly.

I saw that on the stone wall, a torch lighted up instantly, illuminating the entire dark cave all at once.

At the moment when the light was shining in this cave, Li Tian saw it and saw the beautiful figure of Situ Ningbing.

I saw that Situ Ningbing was wearing a white dress, standing in the depths of the cave.

The curvaceous figure plus the white skirt, stood like a fairy on that slim, her beautiful face showed an extremely surprised look, and Li Tian looked at this moment in disbelief. .

What about Li Tian? Also looking at his lover with excited ruddy eyes.

The eyes are facing each other, and at that moment, time seems to have stopped.

They are there. You look at me, I look at you...

"Ning Bing..." Finally, Li Tian called out softly.

His voice was trembling, and there was endless excitement in his eyes.

And what about Situ Ningbing?

In those eyes, except for the unbelievable... all that was left was excitement.

"You... Are you... Li Tian?"

"Aren't you... are you... already dead?" Situ Ningbing in front of him looked at Li Tiandao in disbelief.

Chapter 3106: Find goddess

Situ Ningbing thought Li Tian was dead.

Now that she saw Li Tian standing in front of her alive, she was naturally shocked.

The voice was trembling slightly...Looking at Li Tian in front of him.

"I'm not dead, I'm not dead." Li Tian explained to Situ Ningbing there.

After hearing the news that Li Tian in front of him was not dead, Situ Ning's delicate body suddenly trembled there.

Then I saw Li Tian saying: "Ningbing, I finally found you."

Having said that, Li Tian ran over all of a sudden, and then put the stunned Situ Ningbing into his arms.

He hugs so tightly! As if afraid that Situ Ningbing would be thrown away again.

He held it tightly like that.

After that Situ Ningbing was hugged tightly by Li Tiangi, she was also slightly dazed, and then her pretty face turned red in an instant.

After a long, long hug, Li Tiancai loosened his hands slightly.

Looking at the beautiful Situ Ningbing at this moment, Li Tian said: "Ningbing, I'm sorry, I worry you."

Situ Ningbing shook his head and looked at Li Tiandao: "No."

"I know the reason why you left us is because of my headache." Situ Ningbing said.

Li Tian smiled.

"Ning Bing, I have found a way to cure your headache... and it can also remind you of the past and restore your memory." Li Tiandao.

After hearing what Li Tian said, Situ Ningbing in front of him was surprised: "Why do you always say that I am amnesia?"

Then Li Tian smiled bitterly: "Because you really have amnesia."

Situ Ningbing still wanted to talk, but seeing that Li Tian suddenly said, "Ningbing, you believe me! Believe me once, when I cure your amnesia...you will naturally think of it in your mind." Everything before."

To tell the truth, Situ Ningbing was half-believing in his heart.

Because she didn't believe that she had amnesia at all.

But she saw that Li Tian said so sincerely, and then she thought about it for a while: "Could it be that what he said is true? I am really amnesia?"

"Then tell me, how can I recall my previous memories?" Situ Ningbing asked.

Then Li Tiandao: "You are going to find the goddess with me now! Just let her nine-tailed phoenix blood... let you drink, you should be able to restore your memory."

When Situ Ningbing heard it, he was not only startled there: "Huh? Nine-tailed Fengluan's blood?"

"Yes." Li Tiandao.

Situ Ningbing in front of him gave Li Tian a dubious look.

"Really?" Situ Ningbing said.

Then Li Tiandao: "How could I lie to you? If you don't believe me, we can go to the goddess now."

"Find my master" Na Situ Ningbing said.

After hearing this, Li Tian was taken aback. Yes, the goddess Xue Ji is the master of Situ Ningbing.

After thinking about it this way, Li Tiandao: "Well, yes, I'm looking for your master."

"My master, has she returned to Qianxuefeng?" Situ Ningbing said excitedly.

Because Situ Ningbing had been cultivating in this stone cave, he didn't even know the news that the goddess Xue Ji had returned...So at this moment when he heard that the goddess Xue Ji had returned to Qianxue Peak, he was naturally excited.

"Well, the goddess came back with me." Li Tian said truthfully.

Then Situ Ningbing said, "Okay, I will go to my master with you."

After hearing that Situ Ningbing finally agreed, Li Tian laughed and said quickly, "Okay."

Then I saw Li Tian in front of him, leading Situ Ningbing and flew quickly in the direction of Qianxue Peak.

Soon, I saw that Li Tian brought Situ Ningbing back to Shuilian Cave.

I only saw the goddess Xue Ji in the water curtain cave, but only the eldest sister... there was another maid in white standing there.

When the eldest sister saw Li Tian and Situ Ningbing, she was not only startled, she smiled and shouted: "Sister Bing... are you out of customs?"

Situ Ningbing also saw the eldest sister at this time, and said: "Yes, eldest sister."

"Excuse me, where is the goddess?" Li Tian quickly looked at the older sister and asked.

After Li Tian asked, the eldest sister was taken aback and then replied: "Goddess and Mu Shen are with them."

Hearing what the eldest sister said, Li Tian suddenly understood, so he said "Oh" in his mouth, and then quickly took the arm of Situ Ningbing and said: "Ningbing, I know the goddess is now Over there... follow me."

When he said that, Li Tian directly grabbed Situ Ningbing's slender arm, and flew towards the outside.

The eldest sister watched Li Tian and Situ Ningbing leave in a panic, and couldn't help but furrow her brows in the dark lining: Hey, what are these two people doing?

...

Let's say that Li Tian took the arm of Situ Ningbing and galloped all the way, and soon came to another cave in Qianxue Peak.

Outside the cave, there are guardians of the temple guarding there.

After Li Tian quickly flew over with Situ Ningbing, he quickly asked the guards standing at the door of the stone cave and asked: "Wood God, are the goddesses in the cave?"

"Yes!" the guardians replied.

When Li Tian heard it, he smiled and said, "Thanks!"

Then he walked in with that Situ Ningbing.

As he walked in quickly, Li Tian still shouted there, "Goddess...Goddess..."

Inside the stone cave, the goddess Xue Ji was discussing important matters with the Wood God and the White God. At this moment, after hearing Li Tian's voice suddenly, Liu brows suddenly frowned.

"Li Tian is here?" The Wood God said with a smile.

Following the words, he had seen Li Tian's figure quickly walk in from outside the cave.

It's just that there is another shadow beside Li Tian... That shadow is undoubtedly the beautiful Yan Wushuang Situ Ningbing.

Besides, after Li Tian and Na Situ Ningbing entered the cave, the goddess Xue Ji saw them both at once.

There was a sense of anger on those beautiful eyes... and stared at Li Tian coldly.

"Li Tian, we are just about to find you... Unexpectedly, you came by yourself... just right, just right." The Mu Shen said over there and smiled.

After Li Tian listened to it, he said: "Wood God, I want to talk to the goddess about private matters first... so shall I talk to you later?"

When the wood **** heard this, he was stunned for a moment, and then looked at the goddess Xue Ji in front of him. He immediately understood, so he smiled there and said, "It's easy to say, easy to talk."

"Well, Lao Bai, let's go out first... We will discuss major issues with Li Tian later." Gu Mu Xijue said while facing the White Shinto Dao nearby.

Baishen is naturally also a smart person. After hearing Gu Mu Xijue's words, he smiled and nodded and said, "Okay."

Chapter 3107: Blood of Nine-Tailed Phoenix Luan

After the White God finished saying this, then the Wood God left the cave with the White God.

At this moment, there were only Situ Ningbing, Li Tian, and the goddess Xueji left in the cave.

Situ Ningbing saw that when she saw the goddess Xue Ji, she said: "Tui'er knocks on the master and welcomes the master back to Qianxuefeng."

Li Tian stood aside and said nothing.

The goddess Xue Ji raised her cold beautiful eyes and glanced at Situ Ningbing at the moment. In her beautiful eyes, apart from anger... it was jealousy.

"Get up first," the goddess Xue Ji said coldly.

After the goddess Xue Ji said so, Situ Ningbing stood up.

"Master, where have you been during this period of time? Tu'er has been looking for you for a long time... and haven't found it?" Situ Ningbing asked suddenly there.

After that Situ Ningbing asked such a sentence, the goddess Xue Ji suddenly glared at that Li Tian. Li Tian was embarrassed.

Because everyone knows that the goddess Xue Ji has been with that Li Tian this time!

"I, I, I'm going to do something else." The goddess Xue Ji didn't tell the truth, but randomly found an excuse.

After speaking, he suddenly said coldly: "Why are you two looking for me?"

After the goddess Xueji asked, Li Tian hurriedly said: "Goddess, I want you to use the blood of Nine-tailed Fengluan to heal Ningbing's injury."

what?

When Li Tian said this, the goddess Xue Ji suddenly cried.

There was anger in the beautiful eyes, Li Tian staring at the moment.

"Save her?" The goddess Xue Ji pointed to Situ Ningbing.

Then Li Tiandao: "Yes, haven't you promised me before?"

The goddess Xue Ji suddenly sneered: "When did I promise you?"

"You...you forget, when we were in the thirteenth heaven, you said that you would help Ningbing?" Li Tiandao in front of him.

When the goddess Xue Ji heard this, she sneered and said: "Nonsense."

Hearing a cold shout from the goddess Xue Ji, Li Tian immediately became depressed.

But now he couldn't forcefully persecute the goddess Xue Ji, so he could only be speechless for a while.

After the goddess Xue Ji gave a cold drink, she continued to stare in front of Li Tiandao: "That's how you treat me?"

When Li Tianyi heard it, he said silently, "What's wrong with me?"

"Have you forgotten your previous promise?" The goddess Xue Ji said angrily.

Li Tiandao: "I...I...I just want you to save Ningbing! If you save her, I will promise you everything."

"Is this serious?" The goddess Xue Ji suddenly said coldly.

Li Tiandao: "Yes, as long as you can restore all the memories of Ningbing, even if it makes me die, I am willing."

"Well, this is what you said, don't regret it." Goddess Xue Ji said.

Li Tiandao: "Never regret it."

When the goddess Xue Ji heard that Li Tian wanted to rescue Situ Ningbing without her life, her body trembled.

"Okay, I will save her! I will save her!"

"Hmph, when I save her, I will let you die again."

"You bad stinky man." The goddess Xue Ji in front of her suddenly furiously said.

While talking, the goddess Xue Ji suddenly summoned her Nine-Tailed Phoenix Luan.

After displaying the "Summoning Seal" in his hand, he heard a strange sound... and then saw that behind the goddess Xue Ji, a group of fiery red light emerged directly.

At the moment when the weird fiery red light emerged, I saw a huge wing that was the first to be transformed. The wing was more than two meters long, extremely huge, and the feathers were fiery red, like Like a ball of flames.

Then another wing also turned out.

Gradually, I saw that the nine-tailed phoenix really appeared.

"Karma!"

A long cry came from the mouth of the nine-tailed Fengluan of the ancient beast.

Following the sound of the strange croak, he then saw the nine-tailed phoenix full of flames summoned by the goddess Xue Ji.

I saw the huge body of the nine-tailed phoenix, and the goddess Xue Ji who coiled in front of her...this was her ***** beast.

Looking at the nine-tailed Fengluan, not only a slight excitement rose in Li Tian's heart.

I saw that this nine-tailed phoenix had nine tails, and each tail was extremely weird, beating there like a flame.

At the moment when Nine-Tailed Fengluan appeared, the goddess Xue Ji in front of her suddenly said, "Binger, come here."

As the goddess Xue Ji said so, Situ Ningbing was not only shocked: "Master, I..."

"Come here quickly." The goddess Xue Ji said coldly.

Situ Ningbing couldn't help but walked over slowly at this moment.

"I will use the blood of Nine-tailed Fengluan... to heal your injuries." Suddenly the goddess Xue Ji said.

When Situ Ningbing heard, "Master, I..."

"Don't talk."

After the goddess Xue Ji spoke so coldly, suddenly her hand did not know when, there was a bright ice blade.

After suddenly taking out the blade of the ice blade in her hand, the goddess Xue Ji gently comforted the Jiuwei Fengluan beside her and said, "Fengluan, I'm sorry."

At the moment that words were uttered, the blade of the goddess Xue Ji's ice blade suddenly slashed the thick leg of the nine-tailed phoenix.

After the Jiuwei Fengluan had his leg cut, a weird cry came out from his painful mouth, but his body did not move.

The goddess Xue Ji couldn't bear to hold the Jiuwei Fengluan in front of her, and said in her mouth: "I'm sorry...I'm sorry..."

Saying this, she took a small container while she started to collect the blood of the nine-tailed phoenix.

I saw the blood flowing from the legs of the nine-tailed phoenix... it turned out to be golden.

This golden blood was like golden water, looking very strange, and soon, it poured into nearly half a bowl.

The goddess Xue Ji stopped her hand after receiving half of the bowl, and then raised her slender hand to touch the head of the nine-tailed Fengluan, and said distressedly: "Fengluan, my pet beast!! I am sorry for you. "

Nine-tailed Fengluan seemed to be able to feel the master's apology, and shook his huge head twice.

Then the goddess Xue Ji turned her head coldly!

She first glared at that Li Tian angrily...

Li Tian saw her glaring gaze, not only a slight humiliation rose in his heart, and he lowered his head silently.

Then the goddess Xue Ji looked at Situ Ningbing next to her and said, "Binger, drink this!"

"If you drink this bowl of phoenix blood, all of your symptoms will be eliminated."

Chapter 3108: Restore memory

When Situ Ningbing heard the goddess Xue Ji say so all of a sudden, he was stunned.

Blinking those beautiful eyes, staring at the golden bowl of "blood" in front of him, this "blood" is the blood of the nine-tailed Fengluan.

Legend has it that after drinking its blood, it can cure all diseases.

"Drink it!" The goddess Xue Ji suddenly said coldly.

Situ Ningbing looked at the golden bowl of "blood" and not only hesitated.

She doesn't know what she will be like after drinking it? Do you really recall everything before? Is it really amnesia?

Just as Situ Ningbing was thinking like this in his heart, he saw Li Tian on the other side also speak, his eyes full of expectation and Situ Ningbing who was looking in front of him said: "Ningbing, quickly drink... drink After you go down, you will remember everything."

Hearing what Li Tian said, Situ Ningbing hesitated.

But in the end, she stretched out her delicate hand, took the bowl of "golden blood" in the hands of the goddess Xue Ji, and drank it.

Putting it to his mouth, and then grunted, Situ Ningbing really drank with his neck up.

The moment I drank it, I only felt a scorching sensation in my mouth, and then the warm current like "fire" instantly spread into the belly of Situ Ningbing.

...

Li Tian and the goddess Xue Ji at the other side were all blinking at the moment Situ Ningbing who was drinking.

Everyone is watching her reaction.

What about Situ Ningbing? After drinking it, it seemed that there was not much reaction, and Liu frowned slightly there.

"Huh? Why is there no response?" Li Tian said curiously.

Just after saying this, a rush of heat suddenly rushed to the head of Situ Ningbing.

Situ Ningbing suddenly felt a dizziness on his head, and immediately called out "Ah".

Her hands were holding her head there... it seemed painful.

Seeing how painful his lover was, Li Tian became worried at the moment, and quickly ran over, holding that Situ Ningbing there and saying: "Ningbing, what's wrong with you? What's wrong with you?" He shouted worriedly.

At this moment, the goddess Xue Ji said coldly: "Don't worry, she can't die. All her head pains now are because the blood of Nine-Tailed Fengluan is working."

After hearing what the goddess Xue Ji said, Li Tian suddenly let go of his hanging heart.

"Thank you." Li Tian turned his head and looked at the goddess Xue Ji with gratitude.

The goddess Xue Ji sneered: "You don't need to thank me, don't forget, you said, you will promise me to do anything."

That Li Tian did say so, and he was a man who said he must do it!

So at this moment, he nodded there and said: "Don't worry, as long as Ningbing can restore his memory, I will do everything."

After the goddess Xue Ji sneered, she didn't say anything.

What would she let Li Tian do?

Who can know?

However, after Situ Ningbing drank the nine-tailed Fengluan's blood at this moment, his body began to react greatly.

First, a very powerful stream of heat hits her head, and then she felt her head exploding.

She held her head tightly with her hands, enduring... enduring this extremely strong pain.

Suddenly some weird pictures began to appear in her mind one by one.

In those pictures, there are many strangers...and herself! Talking in a completely unfamiliar world... There are tall buildings... There are cars, airplanes... There are even things she doesn't even recognize.

"Oh my God, what are those pictures? Why... why have I never seen it before?" Situ Ningbing suddenly exclaimed there.

Then another scene after scene of pictures and images began to appear in Situ Ningbing's mind.

"Dad... Mom..."

"brother....."

Suddenly strange words came out from Situ Ningbing's mouth.

"Li Tian... Xiaolong... Qiao Zhi... Duanmu Ying..."

Scene after scene began to appear in Situ Ningbing's head like a movie.

Situ Ningbing only felt that her head was about to explode.

Pain...remembrance...everything came to her head.

what! ! !

Suddenly a screaming cry came from Situ Ningbing's mouth.

After that screaming scream, her body fell to the ground with a plop and fainted.

After watching Situ Ningbing's faint, Li Tian suddenly became worried: "Ningbing?"

Then hurriedly ran over, and immediately helped Situ Ningbing up.

But seeing that Situ Ningbing passed out in a coma, Li Tian took her in his arms and couldn't help shouting with concern: "Ningbing...Ningbing..."

After shouting a few times, Situ Ningbing suddenly blinked slightly.

She seemed sober.

At the moment when her beautiful eyes were difficult to open, she saw Li Tian's face.

"Ningbing, how are you?" Li Tian asked, looking at Situ Ningbing with great worry.

Situ Ningbing's lips opened slightly, and crystal tears suddenly appeared in those beautiful eyes, looking at Li Tian there.

"Lee... Lee... I remember... I remember..."

After that Situ Ningbing uttered these words with difficulty, suddenly she fainted again.

Hearing Situ Ningbing in front of him said for an instant, the moment she remembered everything, he was suddenly excited there.

"Oh my God, Ning Bing finally remembered! She remembered everything."

Li Tian yelled happily there.

Then he quickly put that Situ Ningbing aside... let her rest.

In addition to excitement, Li Tian was still excited.

After so long, Situ Ningbing finally remembered. She remembered everything and everything on the earth.

Li Tian, who was full of excitement, was watching Situ Ningbing in front of him.

And what about the goddess Xue Ji? The face was cold from beginning to end.

Because she was jealous, she was angry.

"I ask you, where did you meet her?" Suddenly the goddess Xue Ji looked at Li Tian coldly and asked.

When Li Tian heard the goddess Xue Ji asked, he suddenly smiled bitterly: "In a place you don't even know."

"Nonsense, I don't know where in Lingtu Continent?" said the goddess Xue Ji.

Then Li Tian suddenly said: "We didn't meet on the Spirit Earth Continent, we met in another world."

Chapter 3109: Jealousy of Goddess

what? In another world?

The goddess Xue Ji was stunned when she heard Li Tian say this. .

She stared at that Li Tiandao: "What are you talking about? What other world?"

Then Li Tiandao: "I said you don't know."

"What I can tell you is that Ningbing and I didn't belong to this world originally. We traveled from another world called Earth. It is completely different from Spirit Earth Continent, and they are also two completely different. world."

After hearing Li Tian suddenly say this, the goddess Xue Ji's beautiful eyes were full of disbelief.

"Do you think I will believe you?" said the goddess Xue Ji.

Li Tian waved his hand and said, "If you don't believe it, I can't help it."

When the goddess Xueji heard Li Tian say this, she grunted angrily, but she didn't know what to say.

"I don't care about your nonsense, but you will remember to me, I will quickly let you do what you should do."

After the goddess Xue Ji said these words coldly, then she turned and left.

Li Tian watched the goddess Xue Ji leave, and could only smile bitterly.

Then he came to the side of Situ Ningbing, and then squatted there, just like that accompanied the unconscious Situ Ningbing.

...

Waiting for a minute and a second.

Li Tian was there waiting for Situ Ningbing to wake up.

I don't know how long it has passed, but suddenly the fainted Situ Ningbing shouted there as if he was dreaming.

"Li Tian...Li Tian..."

After hearing Situ Ningbing's scream, Li Tian quickly put the nightmare Situ Ningbing in his arms and said: "Ningbing, don't be afraid, I am here."

The moment Situ Ningbing heard the sound, suddenly her beautiful eyes slowly opened.

The moment he opened his beautiful eyes, Situ Ningbing saw Li Tian.

"Li..." A soft cry came out of Situ Ningbing's mouth.

It can be seen from her affectionate beautiful eyes that she has indeed remembered everything, the bits and pieces of the past.

Li Tian was holding that Situ Ningbing excitedly: "Ningbing, are you awake?"

"Yep."

"Have you remembered everything? Did you remember me?" Li Tian did not know why his eyes were slightly ruddy at this moment.

Suddenly, Situ Ningbing stretched out a slender hand and gently stroked Li Tian's handsome cheek.

"I remember it, remember everything." Situ Ningbing said.

Hearing what Situ Ningbing said, Li Tian held the Situ Ningbing deeply in his arms, his building was so tight.

"Great, great, you finally remembered everything." Li Tian held Situ Ningbing in his arms excitedly.

Situ Ningbing murmured in Li Tian's arms: "Sorry, for me... you have suffered."

"Fool, don't say that." Li Tian said in front of him.

"Hey, I don't know why. After passing through the gate of the restricted area, I suddenly lost all my memories... and I became the saint of the demons." Situ Ningbing muttered all memories at this moment. Things said.

Then Li Tiandao: "It should be an accident when crossing."

"Well, it should be." Situ Ningbing said.

Then Li Tiandao: "Forget it, don't think too much, you have just recovered your memory now, you should take more rest."

"But Li Tian, shall we go back? Back to Earth?" Situ Ningbing suddenly asked.

Yes, this world does not belong to their world.

Although Li Tian has been acquiesced in this world, he is still not a person in this world, so here is a lot of inconvenience.

Besides, there are many people on the earth who care about Li Tian...people who love Li Tian deeply.

Including Duanmu Ying...including Ouyang Shiqing...These girls should still be waiting for Li Tian on the earth.

Thinking of this, Li Tian suddenly felt a pain in his heart, and said, "Go back! We will definitely find a way to go back."

When Situ Ningbing heard Li Tian say this, he gently nestled his head in Li Tian's arms and said, "Yes, we want to go back."

"On the earth, there are also Miss Duanmu... and sister Ouyang... are still waiting for you."

Hearing these familiar names, Li Tian suddenly felt a pain in his heart.

On the earth, he still has a woman whom he loves deeply.

There are also some brothers...Tang Xiaolong, Chen Qiaozhi, etc...Although most of them have died in battle! But Li Tian must go back! Because their grave is still on the earth.

He is going back to pay homage to his brother! Even if it's a glass of wine on the brother's grave...

...

In the water curtain cave of Qianxuefeng.

I saw the wood god, the white god, and the goddess there.

"We should be doing something now... We can't always hide in this Qianxue Peak like a turtle with our heads down?" Suddenly, the voice of the White God came from there.

After listening to that, Gu Mu Xijue nodded slightly and said, "Lao Bai said well."

"Xue Ji, what do you think?" After listening to Gu Mu Xijue's words, the goddess Xue Ji who was looking to one side said.

The goddess Xue Ji said: "I have no opinion."

"If you want to attack the temple, I can go with you now." The goddess Xue Ji said.

The White God said: "But, we always have to take that kid named Li, right? Where is he?"

Baishen knew that it was impossible to hit his own strength at all! So at this moment they can only pin their hopes on that Li Tian.

After the White God called out, Gu Mu Xijue also said: "Yes, we should take Li Tian, after all, he is our leader now."

"He?" The goddess Xue Ji suddenly sneered.

"He is embracing a beauty now, how can he help us with leisure time." Only the goddess Xue Ji said mockingly.

Gu Mu Xijue, and the white **** in front of him, were depressed.

"What? Embracing a beauty? What do you mean?" The White God asked in surprise.

The goddess Xue Ji said coldly: "You will know if you go and see for yourself."

After speaking, the goddess Xue Ji left alone.

The White God and Gu Mu Xijue stayed there speechlessly.

"Let's go, Lao Bai, let's go and see Li Tian." Suddenly Gu Mu Xi Jue said.

The White God said in his mouth: "Okay!"

Then he quickly followed the Gu Mu Xijue in front of him to find that Li Tian.

Soon, I saw that Gu Mu Xijue and White God found Li Tian.

At this moment, Li Tianzheng stayed with that Situ Ningbing in the cave.

Chapter 3110: How can I like him?

After Gu Mu Xijue and Bai Shen came into this cave, they saw Li Tian and Situ Ningbing in front of them.

Gu Mu Xijue "cough cough cough cough" a few times.

"Wood god...White god..." Li Tian turned his head slightly after hearing the sound of coughing, and shouted there.

Situ Ningbing also saw these two old men at this moment.

"Li Tian, we have something we want to talk to you." Gu Mu Xijue looked at Li Tiandao with a smile.

Li Tiandao: "Okay."

But seeing that Gu Mu Xijue smiled awkwardly, she glanced at that Situ Ningbing and said, "We want to chat with you alone."

After listening to that, Situ Ningbing said cleverly: "Okay, then you guys talk here first, I'll go out first."

Situ Ningbing who was talking left the stone cave.

Li Tian didn't mind that Situ Ningbing stayed here, but since that Situ Ningbing was leaving, he didn't say anything.

After that Situ Ningbing left, Li Tiancai in front of him asked, "Mu Shen, what do you want me to do?"

Gu Mu Xijue smiled slightly, and then sat down slowly with the white **** on the stone stool next to her.

After sitting down, the two of them blinked their eyes and looked at Li Tiandao: "Li Tian, we want to attack the temple! Take the temple back again, so we want to ask your opinion."

After hearing Gu Mu Xi Jue suddenly say this, Li Tian was silent for a while, then raised his head and looked at Gu Mu Xi Jue, "Are you all ready?"

After asking a word, that Gu Mu Xijue and Baishen were stunned for a moment, and then replied: "It's ready."

"Well, since you are ready, I have no objection." Li Tiandao.

"Well, we are relieved to hear you say that." Gu Mu Xijue said with a smile suddenly there.

The White God also said in the same way: "We think so, attack the temple, let us lead us, and then defeat the Underworld Three Demons, and then we will unite your strength to deal with the Yang God."

Then Li Tian nodded and said: "Yes."

"It's just that I have a question I want to ask you." Li Tian said suddenly.

After hearing this, Gu Mu Xijue said: "Please tell..."

"I want to ask, is that Yang Shen a bad person? Or... a good person?" Li Tian asked a very inexplicable question.

This question stunned that Gu Mu Xijue and White God for a moment.

Just listen to that Gu Mu Xijue said: "Red Sun occupies our temple... and once killed our master, he is of course the bad guy among the bad guys."

The White God was also there at the moment: "Yes, that kid has a good talent, but he has a cruel temperament, so he must be eliminated."

After hearing this, Li Tian was silent for a while and said, "But, since he has a cruel temperament and extremely heavy killings, why did he let you go before?"

Li Tian's question is critical.

Yes, when the Sun God occupied the temple before, it can be said that the Wood God and the White God in front of him can be easily slaughtered with just a gesture.

But he didn't kill these two people...but Fang them left.

What is all this?

After Li Tian asked this question, the Gu Mu Xijue and Bai Shen in front of him were silent for a moment.

"Maybe it's because he wants to humiliate us." Gu Mu Xijue finally found a more absurd reason there.

The White God closed his mouth and said nothing.

Li Tian smiled, and did not comment on that reason for that Gu Mu Xijue.

"Oh, don't worry about what the little **** Chi Yang wants to do... Anyway, as long as he occupy the temple, he will die!"

"We slaughtered him together and took the temple back." The White God said there.

Li Tian didn't speak after listening.

"Let's make that decision."

"Choose a day, we will start to attack the temple when we turn around." Finally, the white **** said.

Gu Muxi nodded in disapproval and said, "Well, yes."

"Li Tian, if you have no objection, then we will leave first." Gu Mu Xijue said while looking at Li Tian.

Although Li Tian has too many doubts in his mind, but now, he does not have the slightest evidence to prove that Yang Shen is good? Still bad?

So he can only nod his head.

"By the way, Li Tian, just now Situ Ningbing... is that really your lover?" Suddenly, when Gu Mu Xi Jue was leaving, he asked Li Tian a very strange question.

After listening, Li Tian smiled calmly and said: "Yes."

After hearing Li Tian say this, Gu Mu Xijue suddenly smiled weirdly and said: "Oh, it turned out to be true."

After speaking, he left with the white god.

...

After Li Tian saw that Gu Mu Xijue and White God had left, he quickly walked out to look at Situ Ningbing.

But when he came outside the cave, he found that Situ Ningbing was not at the entrance of the cave.

"Hey, where did Ningbing go?" Li Tian said in surprise.

After thinking about it, Li Tian flew away from here... and then hurriedly went to look for Situ Ningbing.

But what about Situ Ningbing?

Just now after she got out of the cave, she found the goddess Xue Ji.

At the moment, she was staying in a room with the goddess Xue Ji.

Both beauties are in this cave.

One is the glamorous woman, the goddess Xue Ji.

One is pretty and unparalleled, just like Situ Ningbing who descended from heaven.

They are in this cave.

"Master, thank you for helping me restore my memory!" A word suddenly came out of Situ Ningbing's mouth.

When the goddess Xue Ji heard this, she sneered: "I didn't save you, but Li Tian saved you."

Situ Ningbing said: "No matter what, I have to thank the master."

The goddess Xue Ji said: "Don't thank me."

"Master, did I make you angry?" Situ Ningbing saw the cold expression on the face of the goddess Xue Ji.

The goddess Xue Ji snorted coldly: "Nonsense."

"I was wrong, but I don't know where it was wrong?" Situ Ningbing said.

The goddess Xue Ji said: "The mistake lies in it. You shouldn't be the woman Li Tian likes."
what?

When she heard the goddess Xue Ji say this, Situ Ningbing was stunned.

Then she raised her incredible pair of eyes and looked at the goddess Xue Ji in front of her.

"Master, what do you mean?"

"Don't...you...you...you also like...for Li Tian?" Situ Ningbing said in disbelief.

The goddess Xue Ji's pretty face suddenly blushed, and said angrily: "How can I like that stinky man!"

The goddess Xue Ji denied.
