

A Killer 3291

Chapter 3291: How could it be him?

"Red blood?"

Li Tian turned his head abruptly, but saw that Scarlet Blood was also looking at Li Tian. Scarlet Blood was already polite and smiled at Li Tian.

This person is Scarlet Blood? The legendary blood is inexcusable, killing countless people?

Had it not been for Ander, Li Tian would have thought that Scarlet Blood was just a fan of him.

"Doesn't look like it? Don't be fooled by his appearance. Before the end of the world, he was 100%, the purest scum, do you know how he got into prison?" Ander asked.

"I don't know!" Before Li Tian returned to Earth, he didn't even know who Red Blood was, how could he know how Red Blood got into prison.

"Red Blood is arguably the most perverted person. There is no one. Before the end of the world, the crime of Red Blood was mixed news. The news said that Red Blood was a serial murderer who shocked the whole country. Before the incident, Scarlet Blood tried to force his mother. After being hit by his father, Scarlet Blood actually killed his parents, then divided the body and frozen it in the refrigerator! After this pervert was caught, he was already in prison waiting for the execution, who knows The apocalyptic crisis broke out, making this scumbag alive!" Ander said angrily.

"It's not just a pervert, it's a beast, and calling him a beast is an insult to the beast!"

Li Tian only regarded Red Blood as just an ordinary criminal, a murderer at best, but how could Li Tian think that Red Blood would be so perverted that even his biological parents would not let it go.

Parents, what a sacred name for Li Tian who is almost an orphan.

Li Tian couldn't figure out how could there be such a beast, and could do such a beast?

kill!

kill!

Li Tian is not a defender of justice, but seeing such a beast, Li Tian still can't help but start to get angry.

Seeing that Scarlet Blood became more polite, the anger in Li Tian's heart grew higher, and Li Tian couldn't help but began to release a murderous aura.

The murderous aura released from Li Tian immediately alarmed many people in the banquet hall.

"Oops, Li Tian, an idiot, was still angered by the red blood! He Zhizhuo, you took Li Tian out of the venue in the past! You can't let Li Tian continue to be angry." Jia Youlong didn't expect that Li Tiangang entered the venue for a long time. Moved murderously.

Before Jia Youlong's words were finished, Jia Youlong found that Scarlet Blood had reached Li Tian.

"Li Tian, hehe, do you want to kill me? I'm afraid you are not qualified! Oh, by the way, you know that I like to collect the bodies of women, the bodies of beautiful women. Your women Situ

Ningbing and Xue Ji are both Excellent, if you can bring them both...tsk!" Scarlet Blood walked to Li Tian and said in a low voice.

Li Tian's grip became tighter and tighter, and Li Tian wanted to draw out "Red Slash" now so that Scarlet Blood could feel the power of "Red Slash" well.

But Li Tian was not an idiot. He knew that Scarlet Blood wanted to irritate him, so although he was angry, he still maintained some sense.

"I killed Fan Taisui!" Li Tian simply said such a sentence.

The corners of Scarlet Blood's mouth twitched slightly, and then showed a contemptuous expression, and continued: "Don't worry, I won't favor one another. And your subordinates Xinyan and Bai Jing are also good, and I won't let it go. Theirs, even the captain, although she is just an underage zombie, to me who likes corpses, what does it matter?"

"I killed the Red Wolf too!" Although Li Tian was angry, he attacked the Red Blood with another simple sentence.

"you....."

At this moment, He Zhizhuo and Shelipuding were inserted between the red blood and Li Tian.

Shelipu Ding is strong and sturdy, like a wall, blocked in front of Scarlet Blood, looking down at Scarlet Blood.

He Zhizhuo pushed aside and said to Li Tian, "Li Tian, our boss Jia Youlong, please leave the venue!"

"Hey, Jia Youlong, is that **** that can't even beat the Red Wolf? The mourning dog usually ran to the sunset fortress to recognize Yang Qingyun as the master. What qualifications do you have to dictate in front of a real man like Li Tian?"

A cold voice with scarlet blood came from behind He Zhizhuo.

"What are you talking about?" Shelipuding slammed the giant axe in his hand, glaring at the scarlet blood, and asked angrily.

"Who are you? Xiaoyu, just stay!" Scarlet Blood completely ignored the anger of Shelipuding and said lightly.

"Hello?" Shelipu Ding is the third-ranked Sheriff Sword in the Seven Swords, second only to Jia Youlong and He Zhizhuo in the Seven Swords. Even if he joins the Sunset Fortress, he is still a core cadre. Scarlet blood's mouth turned into a little girl, and Shelipuddin really wanted to chop the scarlet blood into meat sauce with a giant axe.

Shelipuddin moved his gaze on He Zhizhuo and Li Tian, only to find that the two of them seemed to agree with the views of Red Blood, and at the same time they nodded slightly.

Shelipuding directly abandoned the scarlet blood. Instead, he turned to Li Tian and He Zhizhuo and asked angrily: "What do you two mean, do you think I am Xiaoxiao too?"

He Zhizhuo nodded, as long as Shalipuding followed her on the mission, Shalipuding was really no different from Xiaoyu.

Li Tian twisted his head and turned to talk to Ande.

"Li Tian, speak clearly!" Sheli puding reached out and grabbed Li Tian.

But Li Tian ran to the mysterious female Lily's side, just reached out his hand to take a picture of the mysterious female Lily's plump ass, and was glared by Lily, Li Tian quickly threw his hand to the head and said: "Your figure is really too big. Great, hehe, my paw can't help but want to touch your butt! But luckily my concentration is pretty good, hehe!"

The corners of Scarlet Blood's mouth twitched a few times, and he said to himself coldly, "These three bastards, they ignore my Scarlet Blood so much. I will definitely make you pay for your unreasonableness!"

Seeing that Li Tian, Sheli puding and He Zhizhuo did not clash with Scarlet Blood, Jia Youlong couldn't help but breathe a sigh of relief.

At this moment, the great beauty of the corpse kingdom walked into the venue accompanied by Yang Qingyun.

Yang Qingyun was wearing a chemical protective suit and completely wrapped his body in the chemical protective suit. Through the glass mask, only Yang Qingyun's eyes could be seen.

And the big beauty of the corpse kingdom, tall, wearing a black evening gown, with one hand supported by Yang Qingyun, slowly stepped into the venue.

Behind the great beauty, a tall man was extremely eye-catching. The man was wearing an armor and holding a huge sword, as if this man was a great swordsman from the Middle Ages.

Seeing this man, Li Tian's head was big, how could it be him?

When he shifted his gaze to the woman, Li Tian only felt his body almost fell.

How could it be her?

Chapter 3292: How could this be?

The man carrying the giant sword that appeared in the venue was Ouyang Man, a silly man!

The woman in the black dress is Li Tian's woman, Ouyang Shiqing.

Stepping through the iron shoes and finding nowhere to look, Li Tian never thought that he would actually meet Ouyang Shiqing in this situation.

Seeing Ouyang Shiqing slowly walking towards herself with Yang Qingyun's support, Li Tian's heart began to beat wildly involuntarily.

"Poetry, poetry!" Li Tian kept whispering the name of Ouyang Shiqing.

But to Li Tian's surprise, Ouyang Shiqing walked past Li Tian, as if he hadn't seen Li Tian at all.

"How could this happen? Have I changed so much in just three years? Ouyang Shiqing can't recognize me?" Li Tian looked at Ouyang Shiqing's back in disbelief.

It was a silly man, watching Li Tian stunned in the same place, turning his head to look at Li Tian, showing a smirk at Li Tian, and then took a few steps and followed Ouyang Shiqing.

"Silly Maner!" Li Tian called out loudly and handed over Ouyang Man's name.

However, Li Tian's cry did not attract the attention of Ouyang Man and Ouyang Shiqing.

However, Jia Youlong gave Li Tian angrily.

"How could this happen? Even the stupid man can't recognize me anymore! Is it because I have changed so much or because they both have some difficulties and dare not recognize me?" Li Tian only felt that his heart was already in a mess.

"No, I came back to Earth, isn't it just to love Ouyang Shi, to be with Duanmuying, to reunite with my family and friends! I must figure out what the reason is."

Li Tian woke up in an instant, took a few steps, and caught up with Yang Qingyun.

"Boss, when I met you last time, didn't I, Li Tian, express my opinion with you? I should give Li Tian to this job of taking care of women. How can I bother your boss?" Li Tian directly shamelessly He took Ouyang Shiqing's hand from Yang Qingyun's hand and put it on his hand and said.

Yang Qingyun expressed anger at Li Tian's unreasonableness, but he was wearing chemical protective clothing, and Li Tian did not see his anger.

"Two distinguished guests, this is my right-hand man, Mr. Li Tian, this time the two activities in the sunset fortress will be accompanied by Li Tian throughout!"

Yang Qingyun's voice from the chemical protective clothing was a bit different, and Yang Qingyun's emotional color was not heard.

Ouyang Shiqing's expression was numb, and he hardly reacted to Li Tian's unreasonableness. He just scanned Li Tian's body with his eyes for a while, and then naturally fell back to the front.

"Shiqing, it's me, don't you know me?" Li Tian was very anxious, but seeing that there was almost no emotional fluctuation in Ouyang Shiqing's eyes, Li Tian felt distressed.

How could this be? How could my Ouyang poetry become like this?

"Li Tian, this is Lord Ouyang Shiqing from the Kingdom of the Corpse, and behind her is Ouyang Man, the special guard of the Kingdom of the Corpse, who is also the bodyguard of Master Ouyang Shiqing." Yang Qingyun said.

"Sure enough, it's them! But what happened? How come they don't recognize me?" Li Tian now wants to find a place to have a good talk with Ouyang Shiqing, wanting to throw away all the questions in his heart. Come out, let Ouyang Shiqing tell him well.

However, since Ouyang Shiqing does not recognize Li Tian, in this case, Li Tian cannot take the initiative to recognize Ouyang Shiqing, otherwise, things may become more complicated.

"Everyone!" Yang Qingyun followed Ouyang Shiqing, Li Tian, and Ouyang Man onto a table set up in the banquet hall, then took a microphone from Jia Youlong, looked around, and said: " First of all, I welcome all the guests who come from afar, and those who have taken time out of their busy schedule, thank you for coming to the Miss Ouyang Banquet in the Land of the Dead in the Sunset Fortress."

"Presumably you are also full of doubts. Why is the Kingdom of Corpses invited you to the Sunset Fortress? Yang Qingyun is just as curious as you all! I will ask Miss Ouyang to answer this question for you!"

Said Yang Qingyun stepped back a few steps, and Jia Youlong had already handed another microphone to Ouyang Shiqing.

Ouyang Shiqing expressionless, and accompanied by Li Tian took a step forward, holding a microphone in one hand, scanning the faces of the audience, and then slowly said: "I came to the sunset fortress on behalf of the kingdom of corpses. I want to talk about cooperation with all of you present."

Those who were invited by the corpse kingdom on the scene were considered to have some strength in the entire northwest. Even the weakest strength was almost equal to the previous Seven Swords.

"Cooperation? A bounty hunter association like ours has nothing to cooperate with the corpse kingdom. Your zombie research technology is of no use to us!" Ander, the old dwarf, whispered first.

"It turned out to be cooperating with the corpse kingdom! Our organization must seize this opportunity. As long as we seize an opportunity, our organization may also be among the top few in the Northwest region." An organization leader said.

"Cooperate! Hey, it turned out to be cooperating with all organizations! It seems that there is no need to specifically destroy the cooperation between the Sunset Fortress and the Kingdom of the Dead. This time I can still get the top spot! As long as I get the zombie research technology of the Kingdom of Zombies again this time Support, the strength of our Scarlet Blood will become the king of the northwest region! At that time, the Ten Great Legions..." Scarlet Blood thought in his heart, and then Scarlet Blood moved his sight on Li Tian, sneered and whispered: "Li Tian, I will soon let you know how terrible it is to provoke Scarlet Blood!"

Ouyang Shiqing saw everyone talking, and paused for a while. When he reached out to the back, Ouyang Man immediately handed a skin bag to Ouyang Shiqing's hand.

"This time, our corpse kingdom is full of sincerity. There are a hundred eighth-level corpse crystals and one ninth-level corpse crystal in my skin bag!" Ouyang Shiqing continued.

"What? One...a hundred eighth-level corpse crystals? And...nine...ninth-level corpse crystals!"

With a "coax", the whole banquet hall immediately boiled. Such a large handwriting is unheard of and unseen by everyone present.

There are not only one hundred eighth-level corpse crystals, but even one ninth-level corpse crystal.

You must know that just a hundred seven-level corpse crystals are enough to make dozens of bounty hunter teams in the Sunset Fortress take a risk and go to Fancheng to hunt the Red Wolf.

What's more, there are a hundred eighth-level corpse crystals.

This is not too much, it is a ninth-level corpse crystal.

After hearing these words from Ouyang Shiqing, Jia Youlong, He Zhizhuo, Shelipuding, Baihe, the people at Yinyangmen, and all the core cadres in the sunset fortress swallowed their saliva involuntarily.

Chapter 3293: Red Blood Ability

"It seems that we are going to pass this news to the sect master as quickly as possible. The last time we missed the ninth-level corpse crystal, we must not miss it again this time!" The fat pig woman and the thin monkey man in the Yin Yang gate As soon as people exchange their sights, they immediately know what each other thinks.

"Nine-level Corpse Crystal..."

He Zhizhuo and Shelipuding both cast their sights on Li Tian.

This lucky guy, while others were still going crazy for a ninth-level corpse crystal, this guy has already merged with a ninth-level corpse crystal, and I really don't know how strong this guy will be in the future.

"This belongs to my scarlet blood! Haha, if my scarlet blood is fused with a ninth-level corpse crystal, it is entirely possible for me to develop the scarlet blood into one of the top ten legions comparable to the Yin and Yang gate! Hahaha!" The nine-level corpse crystal has been positioned in his pocket in his heart.

"This is just a reward! If you are not interested in this reward, our corpse kingdom also provides a technical support that allows anyone in your organization to have the ability to control level 8 zombies!" Ouyang Shiqing is rare Said with a smile from the corner of his mouth.

"What? The ability to control level 8 zombies?"

"Oh my God, if only one person in an organization possesses this ability, isn't he invincible?"

"This phase ability is more attractive than the ninth-level corpse crystal just now!"

Speaking of this ability, Yang Qingyun's eyebrows in chemical protective clothing began to jump involuntarily, and then gradually calmed down.

"The ability to control the eighth-level zombies, the ability to control the eighth-level zombies! Isn't this what I have always wanted? Sure enough, the kingdom of corpses is the backer I want to find, hehe, this time, I will occupy the sunset fortress. The time and the place are right, even if the entire Sunset Fortress and Seven Swords are taken in, I will have this ability!"

Ender felt that his little heart could no longer bear it.

The two heavy bombs thrown by Ouyang Shiqing in succession have already exploded Ander's soul.

"This ninth-level corpse crystal is mine! Hahaha!"

With a wild laugh, suddenly, a person flew out of the crowd, a sword, and this person directly aimed at Ouyang Shiqing, and this person reached out to grab the skin in Ouyang Shiqing's hands!

"Bold!" Yang Qingyun and Jia Youlong saw this scene and were immediately furious.

If Ouyang Shiqing really had two shortcomings in the sunset fortress, even if Yang Qingyun killed this person on the spot, it would not be possible to eliminate the anger of the corpse kingdom.

Jia Youlong had already drawn out a Dragon Sword.

Li Tian blocked Ouyang Shiqing behind him for the first time, and pulled out "Red Zhan" to stand in front of him.

However, the man made a sudden move, and the speed was extremely fast. When everyone made a defensive posture, the sword in his hand was less than a foot away from Li Tian.

"Humph!"

Following a cold snort from a man in the crowd, the man who had already flown out with a sword started to retreat again and again.

Only in a moment, the man retreated into the crowd, as if it was filmed with a backward lens in the movie.

After the man returned to the crowd, an arm had grabbed the back of his neck.

Li Tian saw that the owner of this arm turned out to be Scarlet Blood.

Everyone could see clearly, it turned out that Scarlet Blood was the first to save Ouyang Shiqing.

The man also turned his head, saw Scarlet Blood's face clearly, and stammered, "Chi... Scarlet Blood..."

"Crack!" With a cry, Scarlet Blood broke the man's neck directly, and then he slammed it, slamming the man hard against the wall, leaving a cloud of blood on the wall.

"Dare to be unreasonable to Miss Ouyang Shiqing! It's really looking for death!" Scarlet blood said with a sneer.

Including Li Tian, everyone present was shocked by Scarlet Blood's sudden shot, and immediately everyone started to talk.

"What a powerful strength! The man who shot just now is the boss of the Wolfsmoke organization. I heard that the old Dalian seventh-level zombies of the Wolfsmoke organization didn't look at him. I didn't expect that the red blood would directly break his neck!" A leader The expression on his face was still shocked by Scarlet Blood, and he said in surprise.

A leader beside him nodded and said, "Yes, Scarlet Blood should be one of the strongest in the Northwest region, right? Did you see it clearly? How did Scarlet Blood ***** the wolf smoke boss back? It's so weird. What is the ability of Scarlet Blood?"

"It seems that Li Tian did provoke a very powerful opponent." Ande said with some anxiety in his heart.

Next to Ande, Shelipuding was also shocked by the scarlet blood, nodded, and said angrily: "Yes, Li Tian can use the Qi sword to attack the opponent from a distance, and this ability of the scarlet blood can destroy the opponent Suck it directly in front of you. It's also very strong!"

Jia Youlong's face burned fiercely. His strength was far greater than what he showed now, but he did not kill the assassin in the first time. Instead, he let Qi Sword's dead opponent, Chi The blood took the lead.

Seeing the provocative gaze of Scarlet Blood, Jia Youlong really wanted to find a place to get in.

Yang Qingyun's face on the stage was also very ugly. At the home court of the Sunset Fortress, something like this happened. Someone dared to assassinate Ouyang Shiqing and ***** the ninth-level corpse crystal.

This has already made Yang Qingyun's expression difficult to see.

What made Yang Qingyun even more embarrassed was that this person was actually taken first by Scarlet Blood. Such a comparison is like the so-called elites raised in the sunset fortress, and the so-called core cadres are just like waste.

But because Yang Qingyun was wearing a protective suit, no one could see his face.

Yang Qingyun gave Li Tian and Jia Youlong a fierce look.

Then, Yang Qingyun really wanted to slap Li Tian to death.

I saw Li Tian hugged Ouyang Shiqing tightly with one hand and "Hong Zhan" in the other. He kept whispering in his mouth: "It's okay, it's okay, don't worry, there is Li Tian brother, I will definitely not let you have anything!"

As for Ouyang Shiqing, Li Tian obediently hugged her, with neither anger nor resistance on her face.

"Could it be that Li Tian and Miss Ouyang Shiqing knew each other before? This is impossible. Ouyang Shiqing is a corpse country, how could it be possible to know Li Tian!" Yang Qingyun thought.

"Li Tian! Enough of you!" Jia Youlong could no longer suppress the anger in his heart and shouted to Li Tian.

Jia Youlong shouted so, everyone immediately shifted their sights from Scarlet Blood to Li Tian on the stage, and saw that Li Tian was holding Miss Ouyang Shiqing, and Miss Ouyang Shiqing did not resist at all, obediently. Being hugged by Li Tian, as long as it is a man in his heart, he invariably cursed: "Beast!"

Chapter 3294: The purpose of Ouyang's poetry (1)

Beauty is in his arms, Li Tiancai doesn't care if others call him a beast or not.

Li Tian embraced Ouyang's poetry, with mixed feelings in his heart, wishing to be old at this time, even Li Tian couldn't help but want to put his face in close contact with Ouyang's poetry.

Li Tian thought so, and did so.

Ouyang Shiqing is his Li Tian's woman, and Li Tian admits that this is nothing but indecent opinions.

"Shameless, shameless!" Jia Youlong thought so.

"Beasts, beasts!" Some men think so.

"Let go of that girl, let me have the ability!" Even some men think so.

"Can you let go? When do you want to arrive?"

Suddenly a cold voice came and Li Tian woke up immediately. What surprised Li Tian was that this voice was actually spoken by Ouyang Shiqing in his arms.

Moreover, at this time, Ouyang Shiqing did not have the slightest expression of joy, anger, sorrow, and joy.

At the moment Li Tian hesitated, Ouyang Shi sent Li Tian abruptly.

"Li Tian, do I know you very well? If you want to protect me, I can forgive you for your unreasonableness, but if you have other purposes, huh, our corpse country is not a waiting generation." Ouyang Shiqing snorted coldly. Said.

"Unfamiliar?"

After Li Tian was pushed away by Ouyang Shiqing, his heart faintly hurt. What happened to Shiqing? Is it amnesia? And silly man, what happened to him?

Did they both lose memory at the same time?

This is impossible, there must be something hidden! Li Tian froze in place, thinking about the possibilities of Ouyang Shiqing and Ouyang Man changing into what they are now.

Ouyang Shiqing snorted coldly, and immediately made Yang Qingyun hate Li Tian.

"Useless waste, if it weren't for your role in dealing with the scarlet blood, I would definitely make you dead. If you can kill the scarlet blood, I will leave you a way to survive. Even the scarlet blood can't be killed, so it's useless to keep you at that time." Yang Qingyun said coldly in his heart.

At this moment, Li Tian felt the silent nine-color corpse crystal on his chest suddenly beating frantically. The "Red Zhan" in Li Tian's hands was also ready to move.

"Zombie?"

Is it really Yang Qingyun?

However, when Yang Qingyun was wearing chemical protective clothing, Li Tian could not see Yang Qingyun's face and expression at all.

After shaking off Li Tian, Ouyang Shiqing gave the leather bag in his hand to Ouyang Man, and then took a step forward. Ouyang Shiqing immediately handed over a paper scroll wrapped in a black leather bag to Ouyang Shiqing. Hands.

"The remuneration that I said on behalf of the corpse country just now must have been heard clearly, and you know the attractiveness of this remuneration. Then, I will announce the content of our cooperation this time to the public!" Ouyang Shiqing Leng Said coldly.

"Huh!" With a cry, Ouyang Shiqing took the scroll in her hand from the black skin and opened it completely.

The scroll was completely opened. It was a scroll more than 1.5 meters long, with the heads of four old men painted on it.

After opening the picture scroll, Ouyang Man immediately took a step forward, took the end of the picture scroll handed over by Ouyang Shiqing, and lifted the picture scroll. This way, even a person a little further away from the picture scroll could see the whole picture clearly.

"What is this? Is it because you want to auction the picture scroll? How come there are four old people's heads! Not the banknotes of the previous four great men's heads, who would want this thing."

"Idiot, how could it be an auction? It should be a missing person notice! It should be let us find these four people."

"If it is to find people, then the bounty hunters branch, Sunset Fortress and the Scarlet Blood Organization have the highest probability of winning."

"It shouldn't be that simple. Think about the rewards of this mission. I guess it should be like a reward mission. Let us find these four old men and give their heads to the corpse kingdom!"

Looking at the audience, many leaders talked about it one by one. Ouyang Shiqing did not interrupt their discussion, but waited for everyone in the audience to discuss about it, then said lightly:

"These four old men used to live in seclusion. The four elephant elders on the Tianshan Mountains, these four old guys had severely injured the master of our corpse kingdom in the past three years. Of course, these four old guys should have been beaten to death by the masters of our corpse kingdom. "

"What? The old man of the four elephants?" Li Tian immediately yelled in surprise involuntarily after hearing Ouyang Shiqing's name.

"How is this possible? The old man of the four elephants was the strongest man on the earth when Li Tian left the earth, right? They would actually fight with the owner of the corpse kingdom and lose both. Then what kind of power does the owner of the corpse kingdom have? What?"

Li Tian was completely shocked.

After the end of the world came, Li Tian knew that a lot of changes had taken place in the world, and many people's strength had been improved by leaps and bounds, and even some people had genetic mutations and some strange abilities.

However, no matter how powerful these people are, Li Tian has never put them in his eyes, and even Li Tian once thought that as long as his strength is restored to its peak state, he can completely kill the ninth-level zombies and return to the world again. The pinnacle.

Become the most powerful man in this world, but now after hearing what Ouyang Shiqing said, Li Tian realized that the changes in this world had far exceeded his expectations.

The four elephant old man, that is such a powerful existence, who has guarded the gate of the restricted area for thousands of years and despised all the masters in the world.

But with such an invincible existence, it was even defeated by the owners of the Kingdom of the Corpses. It is no wonder that when Li Tian returned to the earth, he did not see the old man of the four elephants.

Ouyang Shiqing's words also solved part of Li Tian's confusion about Ouyang Shiqing.

The current Ouyang Shiqing and the current Ouyang Man, although the body is still the body of Li Tianchuan before, but they have long lost their own consciousness, without their own memory, and have become puppets of the corpse kingdom.

Heartache, Li Tian is really heartache!

Whether it is Ouyang Shiqing, Situ Ningbing, Duanmuying, Xueji, or the women before Li Tian, Li Tian wants to protect them and live happily with them forever.

But now, Li Tian is close to Ouyang Shiqing, but it is far away, not because Li Tian and Ouyang Shiqing have no feelings, but Ouyang Shiqing is no longer the old Ouyang Shiqing.

puppet! To be precise, the current Ouyang Shiqing should be a high-level zombie more accurately everything.

Li Tian did not hesitate to control the Nine-color Corpse Crystal, allowing the Nine-color Corpse Crystal to release countless transparent threads, reaching out into Ouyang Shiqing's brain.

Chapter 3295: The purpose of Ouyang's poetry (2)

Countless transparent silk threads entered Ouyang Shiqing's brain, like a stone sinking into the sea, without any news.

"How could this happen?" Li Tian had forgotten how many times he had said this sentence in his heart that night.

But Li Tian really couldn't understand it. Whether it was encountering zombies or dogs, even advanced zombies that Li Tian could not control temporarily, advanced zombie dogs, the transparent silk thread released by Nine Colors Corpse Crystal There will be some information reflected.

Never encountered such a situation.

Ouyang Shiqing seemed to have noticed Li Tian's behavior, turned his head and gave Li Tian a vicious look.

what's the situation? Could she feel the transparent thread that I released?

Li Tian is not sure.

If Ouyang Shiqing is a zombie, then Ouyang Man should also be a zombie!

Li Tian controlled the nine-color corpse crystal and began to release the transparent silk thread, allowing the transparent silk thread to penetrate into Ouyang Man's armor and into Ouyang Man's brain.

As soon as the transparent silk thread entered Ouyang Man's mind, Li Tian immediately felt a "boom!" from the transparent silk thread. A huge energy was transmitted from Ouyang Man's mind and rushed in along the transparent silk thread. Among the nine-color corpse crystals on Li Tian's chest.

Li Tian only felt that the nine-color corpse crystal that had just recovered had some cracks, and after being attacked by this power, the nine-color corpse crystal appeared to be sluggish, and all the transparent silk threads released were carefully retracted.

Ouyangman also turned his head and glanced at Li Tian, Ouyangman under the armor showed a silly smile.

Ouyang Shiqing ignored Li Tian's small movements and continued to say to the guests in the audience: "Our master of the kingdom of corpses, after three years, the body has fully recovered, and even our master is about to recover to its peak. Time. Therefore, it is also time for our master to start revenge."

"The task of all of you is to find these four-elephant elders in the Tianshan area. As long as you can find the four-elephant elders and tell me the exact location of the four-elephant elders, you can get these rewards!"

After Ouyang Shiqing finished talking about her purpose of coming to the Sunset Fortress, the whole banquet hall went crazy.

"Haha, it turned out to be just looking for someone! Looking for four old men," the leader of a small organization said with a smile.

A leader with a large organization of people around him sneered, and said with some disdain: "It's just looking for people. You said it is really easy. I think I know how big the Tianshan area is. I want

to find four people in the vast Tianshan. It's like finding a needle in a haystack. A small organization like yours is better to give up. Don't get lost in the Tianshan area, hahaha!"

"Idiot, no matter how large the Tianshan area is, there is always a limit. The real danger is the cold wind, blizzards and avalanches that may occur anytime and anywhere in the Tianshan Mountains. I advise you to give up the subtleties of organizations with little strength!" There was an organization leader with stronger personal strength who expressed contempt for the two in front, and said mockingly.

"I'm really ashamed of your ignorance. Don't forget that the current Tianshan area is the territory where Scarlet Blood and Sunset Fortress are competing. If you want to enter the Tianshan area, you must first ask Scarlet Blood!" The little dwarf Ande looked helpless. To say.

Ander is the president of the Bounty Hunter Association branch, and he has no ability to organize people to participate in this mission. However, as the branch president, Ander naturally has the right to release this mission for Ouyang Shiqing.

As Ander said so, everyone's eyes were fixed on Scarlet Blood and Yang Qingyun.

With the winner's smile on Scarlet Blood's face, the Tianshan area that Scarlet Blood now controls, but Scarlet Blood snatched it back from many organizations bit by bit. The red blood grabbed the largest territory from Qi Jian.

"Unintentionally inserting the willow, hehe, I didn't expect to have such additional benefits when annexing Seven Swords, but I really didn't expect it! If you want to enter the area controlled by my Scarlet Blood, I first asked the 50,000 people under my Scarlet Blood. Say it again!" Scarlet blood sneered a few times and said loudly.

Sure enough, in the face of such a tempting reward, it was impossible for Scarlet Blood to let go of the area they controlled.

Hearing what Scarlet Blood said, many of the leaders in the room gritted their teeth fiercely and hated Scarlet Blood.

To be a man of fortune is tantamount to making money and killing. Although the strength of the scarlet blood is strong, the power of the scarlet blood organization is also strong, but if you want to monopolize the entire Tianshan area and want to monopolize this task, other people with a little strength and power The chief didn't want to agree yet.

"Everyone, the Tianshan Mountains are vast. Finding four people is like looking for a needle in a haystack. Our Sunset Fortress is willing to allow you to enter the mountains from the Tianshan area controlled by the Sunset Fortress and enter the Tianshan Mountains to find these four old people together. But I have something to say, Yang Qingyun. You can enter Tianshan from the area controlled by our sunset fortress, but if you want to find four old people and complete this task, then you have to rely on your own ability." Yang Qingyun said.

"Thank you City Master Yang..."

"City Lord Yang is still broad-minded"

"That's natural, and being able to enter the Tianshan Mountains naturally depends on their own abilities. After all, this reward is only one!"

Li Tian secretly called out a good method, and he was a little more defensive against Yang Qingyun.

Li Tian knows Yang Qingyun too well. In order to achieve his goal, this person can say that he is unscrupulous, otherwise he would not be invited to Li Tian to join the Sunset Fortress, and he specially summoned Li Tian to tell Li Tian how to deal with the scarlet blood.

On the bright side, it seems that Yang Qingyun has a broad mind, but Li Tian knows that the Tianshan Mountains are vast, not to mention the Scarlet Blood and Sunset Fortress another organization, even if the organizations of all these people add up, it is impossible to completely block Tianshan.

And among these organizations, those who really enter the Tianshan Mountains and can enter the final fighting circle are nothing more than a few organizations.

The Sunset Fortress is so generous, other organizations will naturally think about the benefits of Sunset Fortress, and the Red Blood will naturally be less polite.

Yang Qingyun is clearly killing three birds with one stone. He established his own prestige, wooed other organizations, and isolated the blood.

But Li Tian knew that Yang Qingyun must have returned without success.

Even if the old man of the four elephants is seriously injured, dealing with such a few ordinary people is not a matter of grasping. Moreover, if the Sixiang elders don't want to see these people, even if they turn Tianshan upside down, they will probably return without success.

"Li Tian, you don't need to go to Tianshan! You are responsible for accompanying Miss Ouyang. Miss Ouyang has a special task to complete when she comes to Sunset Fortress." Yang Qingyun glanced at Li Tian and said with a sneer.

Li Tian nodded immediately and said: "Please don't worry, boss, I will guard Miss Ouyang personally for 24 hours!"

Chapter 3296: Secret mission (1)

At midnight at Sunset Fortress, it was exceptionally quiet. Because of the limited energy, the city immediately stopped power supply as soon as Sunset Fortress passed ten o'clock in the evening. .

Therefore, the sunset fortress at midnight is completely covered by the dark wheel, almost integrated with the night.

In the dark city, the two lights of a car became the only bright spot in the city.

Li Tian's car was speeding along the wide road of the Sunset Fortress. In the passenger seat was the woman Li Tian used to be. Now the frosty Ouyang Shiqing, sitting in the back seat is Ouyang Man carrying a huge sword.

This time the banquet did not last long. After receiving Ouyang Shiqing's mission, almost all the leaders of the organization wanted to leave the Sunset Fortress immediately.

After Li Tian proposed to guard Ouyang Shiqing personally for twenty-four hours, Yang Qingyun did not object, nor did Ouyang Shiqing object. As a result, it was logical that Li Tian now became the driver of Ouyang Shiqing and Ouyang Man.

"Li Tian, I seem to know you! I feel a cordial feeling when I see you! But it seems to be a long time ago, and now I can't remember you anymore." Ouyang Man sitting in the back row suddenly said , Broke the tranquility of the night.

Li Tian was startled.

Li Tian knew that even if it was a zombie, as long as it was a level 3 or higher zombie, it would retain a part of human memory. And the zombies of level eight and nine have almost all human memories.

"Stupid man, because we knew each other! It's just that we haven't seen each other for three years!" Li Tian said excitedly.

Li Tian hopes to use his words to stimulate Ouyang Shiqing and Ouyang Man, and to stimulate their hidden memories of Li Tian under the cortex.

Li Tian turned his head to Ouyang Shiqing, hoping to hear a little bit of Li Tian's memory from Ouyang Shiqing's mouth, but Ouyang Shiqing glared at him.

"I don't know you!" Ouyang Shiqing said coldly.

"It doesn't matter, even if you don't know me, as long as I know you! Even if you become a zombie, you Ouyang Shiqing is still my Li Tian's girlfriend. I Li Tian will never give up. I will never give up. Until you can remember me, Li Tian." Li Tian said vowedly.

Li Tian can only pin his hopes on Liu Yihui, hoping that Liu Yihui's research will be successful soon.

But this hope is still very slim for the time being.

The car continued to drive in the dark. Following Ouyang Shiqing's instructions, the car kept changing directions. At first, Li Tian thought that Ouyang Shiqing and Ouyang Man were going to return to their residences, but as the car moved forward, But Li Tian's heart became more and more disturbed.

As soon as the car turned and drove on Shouguang Road, Li Tian's anxiety became even stronger when he arrived on this road.

This road is already quite remote, and there are only the Zombie Research Institute and Cai Longquan's residence on this road. What can you do here?

Zombie Institute? Isn't the kingdom of corpses the most famous for controlling zombies and studying zombies? Do they still need to be in the Zombie Institute? And it's midnight, and it's not the time to visit and study at the Zombie Institute.

Then there is only one possibility, that is, coming towards Cai Longquan.

Sure enough, when the car was driving near Cai Longquan's residence, Ouyang Shiqing spoke.

"Stop!" Ouyang Shiqing said suddenly.

Li Tian stopped the car immediately, when the car stopped right in front of Cai Longquan's residence.

Ouyang Shiqing and Ouyang Man directly got out of the car and walked into the building where Cai Longquan lived. Li Tian was puzzled and did not dare to neglect, and immediately followed.

Ouyang Man wore heavy armor and carried a giant sword, but Ouyang Man didn't look bloated, but walked vigorously. He went upstairs quite fast, and he reached the second floor in three steps and two steps.

The whole building is quite quiet, except for the footsteps of Li Tian and others in the dark corridor.

"What are we doing here? It has been abandoned for a long time!" Li Tian asked tentatively.

Coming here, Li Tian had already guessed what Ouyang Shiqing and Ouyang Man's so-called secret mission were. If they didn't guess wrong, they must have come for Cai Longquan.

Although Li Tian and Cai Longquan didn't have much friendship, Li Tian admired the love of the two old people in this building who never left behind and the white prime minister relied on. Even if one of them is already a zombie, this can't stop their direct feelings.

Both Ouyang Shiqing and Ouyang Man did not speak. At this time, Li Tian felt that the expressions of both Ouyang Man and Ouyang Shiqing had changed a little. Li Tian saw that their faces were full of concentration and he had completely ignored Li Tian's existence. .

Ouyang Man walked to the door of Cai Longquan's room, without any hesitation, suddenly waved the giant sword in his hand and slashed towards the door of Cai Longquan's room.

"Boom!" With a loud noise, this anti-theft door weighing several jins was chopped off by Ouyang Man with a sword.

But the moment Ouyang Man cut the anti-theft door, a black figure immediately attacked Ouyang Man from the room.

Bai Sensen's bone claws blasted heavily on Ouyang Man's giant sword, but Ouyang Man didn't change his face, but only made a counterattack in this instant.

The giant sword in Ouyang Man's hand sank, then he lifted it forcefully, blasting the owner of the bone claw out.

The owner of Bone Claw stepped back several steps and hit the wall before stopping.

"Ouyang Man, who doesn't lose his natural power, even if he is a zombie without much consciousness now, this terrible strength is still surprising!" Li Tian exclaimed in his heart.

When Li Tian exclaimed, the owner of Bone Claw had already attacked Ouyang Man like a wind. This time Li Tian could clearly see that it was the hostess who had received him and the man who had attacked Ouyang Man.

"How could this mistress be a zombie?" Li Tian was quite surprised.

When Li Tian was leaving here, the male host broke out, and it was at that time that Li Tian felt the feeling of a zombie. For a long time, Li Tian thought that the male lead here was a zombie, but what surprised Li Tian was The hostess here is also a zombie!

So who is Cai Longquan? Li Tian suddenly had some doubts.

The hostess's figure is very fast, and the bone claws between the flashing stones have already attacked Ouyang Man's face. The speed of the hostess is fast, and the speed of Ouyang Man is not slow.

Ouyang Man didn't dodge, he directly waved the huge sword in his hand and attacked the bone claws. The giant sword has no front, but its strength is quite huge. The giant sword and the bone claws intersected, making a metal-like crash, and the hostess was not unexpectedly blasted out.

But the moment the hostess's body leaned against the wall, she immediately folds out again, her claws constantly attacking Ouyang Man, and Ouyang Man's giant sword is blocked from the left and the right, and the attack and defense of the bone claw is not leaking. .

After the hostess was bombarded by Ouyang Man again, she didn't immediately attack, but began to change. A few bones drilled out of the hostess's body, making a "click!" "click!"

Chapter 3297: Secret mission (2)

"Oh, are you finally about to start transforming? Are you just that little strength? It's really disappointing!" Seeing the mistress start to transform, Ouyang Man's expression did not change at all, and he said defiantly.

The hostess has no time to pay attention to Ouyang Man's provocation, and is still changing.

"Crack!"

"Crack!"

Li Tian only felt that both "Red Slash" and Nine Color Corpse Crystal had begun to react, and this reaction was stronger than when he encountered a red robe zombie in Fancheng.

"puff!"

A white bone tail that was more than three meters pierced through the flesh and bloodshot from behind the hostess's body. After the white bone tail was drilled out, it kept swaying from side to side.

Seeing this tail, Li Tian immediately felt a sense of déjà vu. Li Tian quickly rang. This change of the hostess was exactly the same as the change of the middle-aged and elderly zombies in Elim Village.

This hostess is a level nine zombie!

At the moment when Li Tianxia decided to judge, the hostess suddenly let out a scream, and with the hostess's scream, the hostess's changes also stopped completely.

The hostess supported the ground with both hands, panting heavily, as the hostess gasped, Li Tian could see the hostess's changed head fluctuate one after another, as if something was about to come out of it. It seems.

"Is it an incomplete level 9 zombie? Just like the original captain was an incomplete level six zombie?" Li Tian wondered in his heart.

Seeing the mistress's painful expression, Ouyang Shiqing took a few steps forward, with a strange expression on her face, and she couldn't wait to roar angrily: "Why is this? Why not only did you not evolve, but you degenerate instead. ?"

Once a zombie becomes a high-level zombie, its level will be permanent, and it will not degenerate casually. As long as it keeps hunting and killing low-level zombies, swallowing the corpse crystals of the zombies, and absorbing the power of the original corpse in the corpse crystals, The level of zombies will continue to improve and evolve.

Ouyang Shiqing understands that the level of the mistress zombie in front of him should be 9th level, but now the mistress zombie can't even complete the most basic level 9 zombie transformation. This only shows that the mistress has degraded to 8th level. Between level and ninth.

The hostess zombies still panted heavily, raised her head, and looked at Ouyang Shiqing contemptuously and said: "This world has begun to change, and all kinds of capable people and strangers have emerged in large numbers. They are no longer your masters. Time to dominate the world! Want to know the answer?"

The hostess's zombie suddenly stretched out her voice, screaming: "After you die, I will naturally tell you!"

The hostess zombie suddenly opened her mouth and rushed towards Ouyang Shiqing.

"Huh! Zombies who are less than level 9 dare to make a mistake. Since you want to die, then I will fulfill you!" Ouyang Shiqing said with a sneer.

Ouyang Shiqing does not dodge or dodge, does not retreat, but advances. Amidst the electric light and flint, Li Tian saw that Ouyang Shiqing's palm changed into a sharp bone knife, which faced the hostess's zombie head. .

Seeing the bone knife sticking out of Ouyang Shiqing's palm, this also confirmed Li Tian's judgment, Ouyang Shiqing had indeed become a zombie.

And seeing this scene, the hostess's zombie's eyes showed a horrified expression, not only did not continue to pounce on Ouyang Shiqing, but also quickly retreated, and in the process of retreating, the hostess's zombie kept controlling her bone tail to attack Ouyang. Poetic.

"Huh!"

"Huh!"

"Huh!"

The bone knife transformed into the palm of Ouyang Shiqing's hand blocked left and right dismantling, unexpectedly chopped melons and vegetables, and cut the mistress's zombie's bone tail into segments.

"what!"

"what!"

Ouyang Shiqing cut off a piece of the bone tail of the hostess's zombie every time, and the hostess's zombie would scream.

Li Tian was dumbfounded.

Even if the hostess zombies are not ninth-level zombies, they are at least the eighth-level peak zombies. They are as sharp as "Red Slash" and cannot break the defense of the ninth-level zombies. Even if they encounter the eighth-level red-robed zombies, "Hong Zhan" will not chop off these white bone tails like Yang Shiqing's white bone knife.

Soon, Li Tian could see clearly. It turned out that Ouyang Shiqing was very familiar with the mistress's white-bone tail. Every cut was cut exactly at the bone joints of the white-bone tail. Therefore, every cut of this cut almost didn't require any effort. This bone tail can be cut off easily.

"Ouyang Shiqing, you are just a dog of your master, why do you have to embarrass me like this? I just want to live a human life, why don't you even let me go!" The hostess zombie is obviously not Ouyang Shi The opponent of love immediately howled and begged for mercy.

Ouyang Shiqing was expressionless, and said with a sneer: "Naturally want me to let you go, why are you betraying the master?"

"Betrayed the master? I didn't, I didn't!" The hostess zombies backed away while defending.

"Cai Longquan, if it weren't for the master's move, you might have already become food in the mouths of other zombies, but did you repay the master like this? Why didn't you follow the tasks the master gave you? Isn't the order of betrayal?" Ouyang Shi pressed harder and sneered.

Cai Longquan, did not expect that this hostess zombie was actually Cai Longquan. This quite surprised Li Tian.

"No..., no..., I have left an eighth-level zombie guardian in Fancheng, and there are a large number of sixth-level zombies around the Rising Sun Building..." Cai Longquan retreated and said.

"The eighth-level zombies in Fancheng, I don't know if they are talking about red robe zombies, red robe zombies were killed by me, Li Tian!" Li Tian was still thinking about this question in his heart.

"How can an eighth-level zombie take on the responsibility of guarding the owner's baby? It seems that you are really degenerating and leaving, and you don't even know that the red robe zombie is dead!" Ouyang Shiqing said coldly.

"Red robe zombie, really red robe zombie!" Li Tian was startled.

It turned out that the red robe zombie, the eighth-level zombie, has been controlled by Cai Longquan, but for some reason, Cai Longquan began to degenerate, and his level fell back to the eighth-level peak. Therefore, Cai Longquan lost his love for the red robe zombie. Control, I don't know that the red robe zombie has been beheaded by Li Tian.

"Dead? How could it be dead? Then the owner's bug..." Cai Longquan suddenly felt the fear of death at this moment.

If the owner's insects are also dead, let alone Cai Longquan hiding in the sunset fortress, even if hiding in the top ten legions, her master will definitely kill her!

"Dead! The owner's insects died earlier than the red robe zombies! Now you should understand why we came to Sunset Fortress?" Ouyang Shiqing turned and turned to look at Li Tian, asking with a sullen smile

Chapter 3298: Secret mission (3)

Li Tian shuddered suddenly, but at this time Li Tian pretended to be serious and said with a wry smile: "Haha, it should be here to eradicate the traitor!"

"Cai Longquan, do you want to know who killed the owner's bug?" Ouyang Shiqing turned to look at Li Tian and asked.

"It's you? I should have thought of it long ago! It is certainly not easy for someone to find the folder in the Fancheng Xuri Building, but I didn't expect you to kill a red robe zombie!"

"It's all my fault, I'm all the rush when I left Fancheng, and didn't bring out our Cai family's genealogy. Only then did I release a ***** mission!"

"No, don't blame me, blame you ***** fellow! I'm going to kill you!" Cai Longquan roared and rushed towards Li Tian.

Li Tianzhen wanted to scold his mother. Originally, he was only accompanying Ouyang Shiqing and Ouyang Man to perform their secret missions, but in the end how could the matter involve Li Tian himself.

But at this time, Li Tian couldn't tolerate any more thoughts. Li Tian suddenly raised his internal strength, facing Cai Longquan's bone claw with a palm, breaking his soul palm.

With a "boom", Li Tian only felt that his palm was hitting a steel plate. After this palm, Li Tian's palm hurt and numb.

And Li Tian stepped back three or four with this palm.

"Hong Zhan" had already appeared in Li Tian's hands with a clattering sound. As Li Tian's fingers danced, "Hong Zhan" immediately understood and attacked Cai Longquan.

Li Tian didn't talk about his attack power, but his aura surprised Ouyang Shiqing, Ouyang Man, and Cai Longquan.

"Improve sword with Qi?" Ouyang Shi said with emotion.

Although Cai Longquan was surprised, he didn't shrink back at all. The tail that had been cut off by Ouyang Shiqing a few knots was drawn toward "Red Cut" again!

Li Tian did not flinch, and controlled "Hong Zhan" to chop Cai Longquan's bone tail.

After several months of absorbing the corpse crystal, the appearance of "Red Slash" has undergone some changes, and Li Tian believes that the power of "Red Slash" has also improved.

Moreover, Cai Longquan at this time is not a level 9 zombie after all, even if he is a level 8 peak zombie, he is also level 8.

As expected by Li Tian, "Hong Zhan" didn't have golden flowers splashing after cutting the white bone tail. Instead, he simply chopped the white bone tail into two pieces.

"what!"

Cai Longquan let out a scream and withdrew a few steps back.

"Damn it, what kind of weapon is this? Why is it so sharp? Why?" Cai Longquan roared and screamed.

Li Tian sneered in his heart, Cai Longquan, one of the so-called sunset fortress tridents, was nothing more than that.

The performance of "Red Slash" also confirmed Li Tian's guess. Li Tian now even wants to fight with the ninth-level zombies. Under the attack of the changed "Red Slash", it is the bones of the ninth-level zombies. Hard or "Red Cut" is sharper.

Li Tian controlled the "Red Zhan" and took a step forward with great majesty. He smiled and said to Cai Longquan: "Cai Longquan? I didn't expect that we would meet again in this way! Last time we met, thank you very much, thank you Let the barbarian get a weapon he likes, but this time when we meet, we actually want swords to face each other, it's really ironic!"

"But it is really unpleasant to be called the Trident of the Sunset Fortress at the same time as your zombie! What happened to Yang Qingyun in this Sunset Fortress? I can't even see you as a zombie, and let you be the same The second person!" Li Tianbian said as he raised his question.

"Li Tian, it turns out that you are Li Tian! Hahaha, you really are a young hero! But I don't want to see Yang Qingyun before me, if it weren't for him, I wouldn't have fallen to this point! Damn Yang Qingyun, if I had a chance , I must bite his neck and turn him into a zombie!" Cai Longquan said angrily.

After that, Cai Longquan drilled two thin and long white bone spurs at the same time from his left and right palms. The two white spurs were more than two meters in length. The sharp bone spurs made people shudder. In this way, it is entirely possible for Cai Longquan to attack Li Tian, and Cai Longquan immediately stabbed Li Tian.

"Wow!"

"Wow!"

For two consecutive times, the white bone spurs were rubbing Li Tian's cheeks. If Li Tian hadn't been prepared, this one would be enough to hurt Li Tian.

"Hmph!" Li Tian moved his fingers slightly, and while avoiding the bone spurs, he immediately controlled "Red Zhan" and slashed towards Cai Longquan's head.

Zombies and their heads are their fatal flaws. Even if Li Tian shaved off their bones one by one, if the heads were not broken and the corpse crystals were not broken, then the life of the zombie would end.

Feeling the light of "Red Slash", Cai Longquan immediately retracted the bone spurs, and the left and right bone spurs crossed in front of his head.

With a "click", two sharp bone spurs were cut directly by "Red Cut", making a crisp sound of bone breaking.

"No!" Cai Longquan let out a scream again.

However, Li Tian's "Red Slash" did not stop, instead, after winning the pursuit, he continued to chop down on Cai Longquan's head.

Li Tian is now a member of Liming, and it is Liming's duty to kill zombies and mix into human society.

And when "Red Slash" was about to cut Cai Longquan's head, the nine-color corpse crystal also released countless transparent threads in an attempt to **** Cai Longquan's corpse crystal.

"Enough! Li Tian, you can stop!" Ouyang Shiqing suddenly stopped.

Moreover, Ouyang Shiqing has released a white bone from his palm, which is between "Hong Zhan" and Cai Longquan at an incredible speed.

Although Li Tian had already tried his best to withdraw "Red Zhan" after hearing Ouyang Shiqing's words, "Hong Zhan" was still cut on the bones of Ouyang Shiqing.

"Zheng!" With a sound, "Hong Zhan" immediately made a metallic sound after cutting on the bone.

Li Tian was startled, Ouyang Shiqing's bones could actually withstand the attack of "Red Slash". It seems that Ouyang Shiqing's zombie level should definitely be above level 9.

Ouyang Shiqing took back the bone spurs indifferently, as if completely ignoring Li Tian's "Red Slash", and said to Cai Longquan: "You know the fate of betraying your master!"

"Definitely!" Cai Longquan nodded and changed back to a human form, saying sadly.

"Very good! But the master is very curious about you giving up the immortal zombies, and asked me to make a special trip to ask why you gave up this opportunity." Ouyang Shiqing asked.

"Immortal? Hahaha... This kind of inhuman and ghostly appearance, even if you live to the end of the world, what can you do?" Cai Longquan said with a miserable smile: "Like the master who doesn't know the warmth of the world and the world. How does the guy know the true meaning of human beings?"

Chapter 3299: Secret mission (4)

Cai Longquan's story is actually very simple. After the apocalyptic crisis broke out, Cai Longquan became a zombie and was selected by a master of the corpse kingdom to help Cai Longquan grow into a ninth-level zombie, and Cai Longquan's duty was to serve this one. The owner guards the growth of the insects. .

However, although Cai Longquan became a zombie, and although her husband was not immune, he managed to escape the attack of the zombie virus and was a normal person.

In order to live a normal life, Cai Longquan came to the Sunset Fortress three years ago, assisted Yang Qingyun to lay a piece of the country, and settled down in the Sunset Fortress.

However, destiny seems to have made a joke with Yang Qingyun.

The zombie escape incident that broke out in the Zombie Research Institute made the home of Cai Longquan, who was full of straightedges, the first to be attacked, and Cai Longquan's husband unfortunately also became a zombie.

Fortunately, with Cai Longquan's position and strength in the sunset fortress, Cai Longquan's husband will not lack food and resources.

In less than two years, Cai Longquan's husband has become a sixth-level zombie.

From the beginning to the end, Cai Longquan didn't explain why her zombie level fell.

"The story is touching, I'm almost crying!" Ouyang Shiqing said blankly, "However, you always have to pay for your betrayal!"

As soon as Ouyang Shiqing's words fell, Ouyang Man and carrying the giant sword slowly walked towards Cai Longquan.

Cai Longquan looked dead and slumped on the ground, muttering to himself: "I knew that there would be such a day. I could spend three years with my husband. I died without regret! But I Husband is innocent. Before I die, can you agree to one of my requests? Let my husband go!"

Cai Longquan asked crying, but the zombies had no tears. In Li Tian's eyes, Cai Longquan's crying was more like a performance.

Ouyang Shiqing nodded and said, "The master just asked me to punish you!"

Cai Longquan waited for his death, did not resist at all, lowered his head, waiting for Ouyang Man's trial.

Ouyang Man slowly raised the giant sword, his face was neither happy nor sad, without the slightest feeling of emotion, mechanically brandishing the giant sword and cutting it down heavily.

Ouyang Man's giant sword has no edge. When this giant sword goes down, with a "click", Cai Longquan's head blossoms directly, and his dark brain splashes all over the ground.

After Cai Longquan received Ouyang Shiqing's reply, a satisfied smile was put on his face, and he fell softly to the ground.

Seeing that the legendary Cai Longquan of the Sunset Fortress ended her life in this way, Li Tian couldn't help but sigh.

"Do not!"

With a scream, "Boom!", Cai Longquan's husband broke the door and rushed out of the bedroom, and fell in front of Cai Longquan's body.

Cai Longquan's husband has ragged clothes, dark skin, and red pupils. This all means that he is a zombie, and his limbs are locked with heavy iron chains at the same time. These iron chains make a clattering sound along with his movements. .

"Longquan, Longquan, why are you so stupid?" Cai Longquan's husband knelt down in front of Cai Longquan's corpse, howling dryly, holding Cai Longquan's corpse.

"We shouldn't have come here..., now that you have left me, why should I continue to live in this world?"

Cai Longquan's husband suddenly turned around, looked at Li Tian, Ouyang Shiqing and Ouyang Man, and said angrily: "Why? Why do you treat us like this."

Ouyang Shiqing and Ouyang Man were expressionless. They were zombies, and they were zombies controlled by other people. Naturally, they didn't feel much about this kind of emotional matter.

But Li Tian is different, life and death is a very sad thing.

"You, why did you bring the two of them here? Longquan has been kind to people throughout his life, and has never killed anyone indiscriminately. Moreover, when you were here last time, Longquan also spoke to remind you to leave the Sunset Fortress early. The land. But what about you? You actually avenge your grievances and bring two people from the corpse kingdom to trouble Longquan!" Cai Longquan's husband pointed at Li Tian and said accusingly.

Li Tian was speechless.

Li Tian saw Ouyang Man's face gradually showing some anger, he was already ready to move with the giant sword in his hand, and he was ready to lift the sword several times, but he controlled it all.

"And you two! Your master is not human at all, he just has been using you. Immortality, immortality, these are all deceiving you. Stone is immortal, is there any point in being a stone? Cai Longquan You can see this through, don't you guys see it?"

"Keep on being obsessed, Longquan is your end! Hahaha" Cai Longquan's husband slowly stood up and laughed while holding Cai Longquan.

"Huh!"

Ouyang Man suddenly raised the giant sword in his hand and aimed the tip of the sword at Cai Longquan's husband's head.

"Hahaha, I don't want to miss you anymore, so why have you ever been afraid of you?" Cai Longquan's husband sneered at this huge sword facing Ouyang Man.

Suddenly, Cai Longquan's husband held Cai Longquan's corpse and ran forward a few steps, hitting his head against the wall, trying to kill himself.

"Boom!" With a sound, the hit wall collapsed in half. Cai Longquan's body was pressed underneath by the collapsed wall, and Cai Longquan's husband was covered with black plasma mucus, but he was not killed. Instead, he stared blankly at the wall that had been knocked down and the scattered bricks.

"How can this be? Is it that being a zombie does not even have the right to commit suicide?" Cai Longquan's husband said with a miserable cry.

Li Tian took a few steps forward slowly, and at the same time controlled "Hong Zhan" and slashed at Cai Longquan's husband's head.

"Puff!" With a sound, "Hong Zhan" directly chopped his head, and then "Hong Zhan" quickly absorbed the corpse crystal in his head.

At this moment, the nine-color corpse crystal on Li Tian's chest immediately released countless transparent threads at the same time, and got into the brick pile.

These transparent thin threads directly penetrated into Cai Longquan's head, who had been chopped by the giant sword, and wound around Cai Longquan's corpse crystal.

Once again absorbed an eighth-level peak, close to a ninth-level corpse crystal, the nine-color corpse crystal was extremely active, and Li Tian could even feel the joy of the nine-color corpse crystal.

The strands of light blue corpse origin power were sucked into the nine-color corpse crystal by the nine-color corpse crystal through the transparent thread, and the color of the nine-color corpse crystal was even more gorgeous.

"Li Tian! You injured one of your master's bugs, and killed another of your master's bugs. Now, it's up to you to pay for your behavior!" Behind Li Tian, Ouyang Shiqing's cold words suddenly came.

Chapter 3300: Because I love you

Li Tian turned around abruptly, but saw Ouyang Shiqing's palm sticking out of a white bone spur. The bone spur was in the shape of a hammer with the tip as thin as a steel needle.

At the moment when Li Tian turned around, Ouyang Shiqing had already strode towards Li Tian's right chest.

Bai Sensen's bone spurs were extremely sharp, even sharper than a sharp knife. "Puff!" A sound had already penetrated Li Tian's chest.

The bone spur penetrated Li Tian's chest and strung out from Li Tian's back.

"Tick!"

"Tick!"

The red blood flowed slowly to Ouyang Shiqing's palm along the bone spurs, and splattered to the ground, forming blood blossoms.

The moment Ouyang Shiqing stabbed Li Tian, there was a slight change in the expression on his face, which was a painful expression.

"Why don't you avoid it!" The expression on Ouyang Shiqing's face became more and more painful, and at this time she finally seemed to think of Li Tian, with a heartbroken expression on her face.

Seeing Ouyang Shiqing's painful expression, all Li Tian's mind showed was the smile of Ouyang Shiqing's heroic face three years ago. He smiled and made every move.

In Li Tian's mind, it was as if Li Tian had never left the earth, and Ouyang Shiqing had never changed.

Li Tian can completely avoid Ouyang Shiqing's attack, and even Li Tian can control "Red Zhan" to counterattack.

But Li Tian did not, because the woman in front of Li Tian was not a zombie, zombie Ouyang Shiqing. In the face of Ouyang Poetic Love, how could Li Tian make the move?

"Because I love you!" Li Tianqiang endured the pain, slowly walked towards Ouyang Shiqing, let the bone spurs continue to penetrate the body, and then hugged Ouyang Shiqing in his arms, and said.

Is there any other reason?

no need!

It is because Li Tian loves Ouyang Poetry, and Li Tian feels distressed for Ouyang Poetry. As long as Li Tian still maintains the human sanity, it is impossible for Li Tian to "Red Cut" against Ouyang Poetry.

The blood continued to drip down the bone spurs, and the moment Ouyang Shiqing was hugged by Li Tian, her body began to tremble.

"Because I love you...Because I love you..." Ouyang Shiqing kept repeating the words Li Tian said mechanically.

The painful expression on Ouyang Shiqing's face became more and more serious. At this time, it was like a bug crawling in Ouyang Shiqing's body, slowly creeping under Ouyang Shiqing's skin.

The worm moved up from Ouyang Shiqing's body, step by step, moved to the neck, to the cheek, and continued to move up.

"Li Tian! You're back..." Ouyang Shiqing seemed to have suddenly returned to normal. She hugged Li Tian tightly, crying and said, "It's a pity it's too late! It's a pity it's too late! Ah!"

Ouyang Shiqing suddenly let out a scream, and at this time the bug had already climbed to Ouyang Shiqing's forehead, and was still climbing!

"Li Tian..., go to Tianshan and save Xiaolong!"

Tianshan? Xiaolong? Li Tian was shocked suddenly.

Isn't Tang Xiaolong dead? Li Tian could hardly believe his ears, but if Tang Xiaolong was not dead, then why would he be on the Tianshan Mountain?

Li Tian had countless doubts in his heart, and wanted to find the answer from Ouyang Shiqing.

However, Li Tian had not had time to ask. After Ouyang Shiqing suddenly said this, her body began to shake crazily, and her whole body began to sweat, as if she was suffering from huge pain.

"Poetry! Poetry! What's wrong with you?" Li Tian let go of Ouyang Shiqing, holding Ouyang Shiqing's arms in both hands, and asked while looking at Ouyang Shiqing.

"Ah! Li Tian..., save me! Save me!" The muscles on Ouyang Shiqing's face were about to twist together, and she asked Li Tian for help in pain.

Li Tian saw a meat bun popping up on Ouyang Shiqing's head, and the meat bun was still digging into Ouyang Shiqing's head.

"Do not!"

Li Tian gave a furious rage and immediately urged the Nine Color Corpse Crystal, and the Nine Color Corpse Crystal immediately released countless transparent threads. More than half of them rushed into Ouyang Shiqing's mind, and the other half went directly into Li Tian's. In the wound.

I saw some transparent silk threads frantically devouring the bone spurs that Ouyang Shiqing had pierced into Li Tian's body, and some transparent silk threads penetrated into Li Tian's skin and merged with Li Tian's skin.

At Li Tian's wound, strips of flesh-like insects wriggled around the wound, and the wound that had been penetrated began to heal slowly.

It's just that Li Tian's heart at this time is all on Ouyang Shiqing, after more than half of the transparent silk thread entered Ouyang Shiqing's mind, he immediately found the target, and all flocked to the target.

Sure enough, in Ouyang Shiqing's head, a small bug the size of a little finger was found on the transparent silk thread. This bug was almost the same as the bug Li Tian had seen in the open-pit coal mine of Eji Village and the Xuri Building in Fancheng, except for the size of the bug. Smaller, there are more light blue crystals in this bug.

After seeing the transparent silk thread released by the nine-color corpse crystal, the little bug immediately turned around and threw the transparent silk thread.

And the little bug is like eating rice noodles, swallowing the transparent silk thread released by these nine-color corpse crystals frantically.

"Li Tian, don't do it in vain! I'm controlled by a ghou with a corpse insect, you can't untie it at all, unless you kill the ghou!" Ouyang Shiqing said in pain.

Corpse bug! The **** corpse worm was in Ouyang Shiqing's body. Even if Li Tian had "Red Slash" who desperately wanted the corpse worm, he couldn't deal with the corpse worm in this situation.

And Ouyang Shiqing also mentioned a name ghou here!

"Ghouls? Is it your so-called master?" Li Tian asked impatiently.

Ouyang Shiqing nodded painfully, and said: "Li Tian, promise me that the ghou is powerful. If you don't return to the peak, don't come to rescue me! Otherwise, you will be in danger!"

Li Tian's heart ached faintly, Ouyang Shiqing was still considering Li Tian's safety in this situation, but Li Tian was currently powerless to Ouyang Shiqing.

Ghou! What the **** is this! He has such a powerful ability.

But Li Tian was holding a wave of anger in his heart, not to mention that you are a ghou, even if you are the king of heaven, I dare to touch my Li Tian's woman, I will crush you to pieces!

Before Li Tian had no ambitions, he just wanted to live a happy life with his woman. But now Li Tian found that his little hope was suddenly shattered.

Li Tian's woman, Ouyang Shiqing, was actually controlled by a ghou!

Is it tolerable or unbearable!

This made Li Tian had to work hard to be strong even if he had no ambitions!

"Shiqing, wait for me! I will surely smash the ghou and save you!" Li Tian said fiercely.
