

A Killer 3521

Chapter 3521: Panic in the city

Unexpectedly, the panic came, and the calls of the director of the Kyoto City TV station were blown up.

Originally, the TV station wanted to use this news to attract attention and increase ratings, but it did not expect to bring such results.

Although three years have passed since the end of the world, people have not yet escaped from the panic when the end of the world came. Although the city of Kyoto has its own high-level zombies, the citizens of Kyoto are well aware of it, but as long as there are ten major legions, as long as there are two major associations, their hearts are still safe.

But this sudden news broke their peace of mind and plunged them into panic again.

It cannot be said that Kyoto City is the lifeblood of the whole country, but Kyoto City is after all the headquarters of the six major legions and two major associations, and now Kyoto City is the largest city inhabited by humans in the country.

The chaos in Kyoto City will inevitably involve six major legions and two major associations, which will have an extremely serious impact on the entire human society.

At ten o'clock in the morning, all the heads of the ten major legions and the two major associations gathered together and held an emergency meeting.

These corps who still had some contradictions during their visit to Japan did not have a quarrel in the face of human justice.

The meeting was short, and the participants reached a consensus in the shortest time and came up with a solution.

At twelve o'clock at noon, thousands of soldiers from the Kyoto City Coalition Force directly entered the TV station and forcibly took over the Kyoto City TV station.

All TV programs that were on the air were cut off, and it was only a few minutes later that they resumed broadcasting.

However, the citizens of Kyoto City discovered that the commanders of the Tenth Legion appeared on the TV.

The commanders of these corps reassure the people one after another, telling the people that the news that was made early today is that the TV station is being used by unscrupulous people, and that a series of related responsible persons of the TV station have been dealt with.

But the panic has already been caused, and it is not just a matter of disposing of a few people, and it can be eliminated with a few words of comfort.

At this time, the Agricultural Industry and Commerce Association directly opened a warehouse to distribute grain, took out their reserve of grain, and began to sell it without restrictions, in order to restore the fear of zombies among the citizens of Kyoto City.

At two o'clock in the afternoon, the fifth game of the Forbes Power Contest was going on normally, but very few people came to watch the game.

In the fourth group of the game in the morning, 200,000 spectators retired one after another, which affected the fourth group of the game, and the fifth group of the afternoon might be even more affected.

The audience with a few people made the contestants somewhat unenthusiastic.

At this time, these spectators were even more envious of the third group of games. At that time, the entire auditorium was full of seats, and there were also leaders from the top ten legions and two major associations.

This is also helpless.

Although the TV station has been controlled by the coalition forces, the TV is also continuously broadcasting interview videos of the commanders of the ten major legions. The coalition forces want to use the strength of the ten major legions to appease the people, but the effect is limited, but the panic has not passed.

It is still unrealistic to eliminate this panic in a short time.

...

Li Tian went to Jun Hun's office in Kyoto, but he had a closed door. Mu Yunlong was not in the office, but like the commanders of the other ten legions, he was still on the Kyoto TV station. .

Kyoto City TV Station, meeting room.

In this conference room that can hold nearly a hundred people for a meeting, there are only a few dozen at this time.

But these dozens of people are those who really stand on the top of the country.

All the commanders and some super-core cadres of the ten legions such as Mu Yunlong of the Army Soul Legion, Huangfu Kunpeng, Duanmuying of the Sakura Legion, and Yin Yang of the Yin Yang Gate are all listed. In addition, the five members of the Bounty Hunter Association Members of the old association, as well as Chairman Tang of the Agricultural and Commercial Association are also there.

There are two others who do not belong to these organizations and legions, but they are equally noble. They are the Vice President and Secretary General of the Organizing Committee of Forbes Power Contest.

These elites gather here and are discussing one thing, which is to restore the confidence of the people in Kyoto.

If this panic continues, then sooner or later, there will be riots in the entire Kyoto city, and even high-level zombies will take advantage of it. I am afraid that there will be a zombie invasion at that time. Is Kyoto City still safe? The big problem.

It was not someone else who presided over the meeting, it was the little lady who was the core cadre of the army soul.

The little lady turned on the projector, linked the notebook on his desk to the projector, and then said: "Dear army commanders, heads of the two major associations, and heads of the competition organizing committee, hello. What happened in Kyoto last night The zombies attacking the Army

Soul Legion must be clear to everyone, so I won't repeat it here. Let me talk about the results of the Army Soul Legion's investigation into this matter from last night to today's noon!"

"After investigation, we found that the defensive area around Kyoto City is heavily guarded, and the city walls have not been damaged. Therefore, it is certain that the level 12 zombies that suddenly appeared did not enter through the city walls and gates of Kyoto City. "

The little lady paused, and then said: "Since we did not enter from the city wall, we focused our attention on the sky and underground. However, according to the information from the Kyoto City Air Defense Command, there was no appearance over Kyoto City last night. We've never been to bereavement. So, we finally locked the target underground. Please see everyone!"

A picture appeared on the big screen of the conference room. In the picture, countless zombies were piled up together, but the picture was a bit gloomy. It seems that the shooting place should belong to a sealed area with poor lighting.

"This is the zombies we found in the sewage and drainage channel underground in Kyoto City last night. A total of 153 zombies were found. Among them, there were 30 zombies at level 12 and 27 zombies at level 11. , The rest of the zombies are all level 9 to level 10. These zombies have been wiped out by us without exception."

The little lady reacted to the ppt every few seconds and kept playing all the pictures on the ppt. Then she continued: "Unfortunately, our Army Soul Corps has limited manpower and time is relatively short. After a night of investigation , We have not found where these zombies entered this underground passage. But it is basically certain that the underground passage in Kyoto City is no longer safe, and it is not ruled out that there will be more zombies from here. Pouring into the earth's world through the passage."

The little lady finished her story, and the big screen was frozen on a beautiful night view of the new Kyoto city.

However, this night view is not beautiful in everyone's eyes, as if countless zombies are rushing into Kyoto City through the underground passage of Kyoto City in the endless darkness.

Chapter 3522: Schedule changes (1)

The source of the zombies has been found, and the underground zombies have also been eliminated, but the follow-up work has not been completed. ,

"Everyone, although level 12 zombies sneaked into our army soul this time, there is still no evidence to prove that these zombies came for our army soul. Then according to the recent incidents of zombies attacking human bases in the south. , We can even suspect that this incident of zombies entering Kyoto City is entirely possible a tentative attack launched by zombies against us humans." Mu Yunlong said.

Tyrant Gao Gang sneered and said: "This is impossible. This Kyoto city is the strongest protection for mankind. The result of their trial is the same as last night. If you want to probe, these zombies should also find some Go to the small city to test."

"If you find a small city to test, it can't be called a temptation, but a corpse tide massacre. In the south, are there few things like this kind of corpse tide massacre happening this year? I suspect that this is a high-level zombie Test the strength of our Bounty Hunters Association and the Ten

Legions. If this is the case, then I am afraid that things are complicated." An elder of the Bounty Hunters Association said.

This Bounty Hunter Association sent Jing Tao, Mo Jianyuan, and Xiao Qiuman to investigate several cities in the south. The final result found that these corpse tides seemed to be guided by something.

After investigation, it was found that in the south, several cities that were previously captured by humans were taken back by these zombies, and these corpse tides continue to spread to the north.

"We don't rule out the possibility of testing our top ten legions and two major associations. We must know that these three corpses have appeared on the earth three and a half years ago. Although they have not completely disappeared, they are also very low-key."

"In the past three years, our top ten legions have been invincible except for the original Kyoto city and the magic city and other mega cities. It can be said to be invincible. But after these three years, the zombies have been slaughtered. , We found that although we humans have developed and grown, they are far behind the speed of the development of zombies. Now, these three corpses and their zombie army are full of wings, it is entirely possible to test our strength." Sakura said.

Several commanders nodded.

Gao Gang of the Rock Legion said: "This is a guess, but after all, this is just a guess. Is there such a possibility? It was a spontaneous act of attacking these senior zombies last night."

"Why do you say that?" the other commanders asked.

Gao Gang said: "Since the end times, these zombies have evolved for more than three years. There are more and more advanced zombies, and there are also more and more zombies with human-like consciousness. Once these advanced zombies have human consciousness, they are urgent. Want to integrate into the human society. But these high-level zombies suddenly appeared in the human society, but found that they had no way to integrate into the human society immediately without being discovered by others, and it was difficult to control the greed for the delicious flesh and blood of humans, so What happened yesterday?"

Gao Gang seemed to be trying to prove that what he said was correct, and then said: "I have a set of data in my hand, which can be used as evidence of this speculation. Before March last year, at most seven or eight high-level zombies attempted to mix up each month. Enter Kyoto City. After March last year, this data has been increasing. By March of this year, this data has reached more than 100. On average, we intercepted more than three animals every day attempting to enter Kyoto City. Zombies."

"It is entirely possible. If these zombies enter Kyoto City through the city gate and the city wall cannot be resolved, it is entirely possible that they will find another way. It is not impossible for these zombies to discover underground sewage and flood discharge channels." Someone said to Gao Gang. Analysis agrees.

Mu Yunlong shook his head slightly. The other army commanders only heard that the army soul army was sneaked by zombies, but did not witness the whole thing with their own eyes, so the old man still insisted on his own judgment.

"Speaking of this, I came to think of something. Although it has nothing to do with this incident, it should be enough to attract our attention. Since the establishment of the zombie organization, the kingdom of corpses has continuously infiltrated, The current corpse kingdom is in our southwest region, and it has gradually penetrated into some organizations and legions, and even some small organizations have been completely absorbed by the corpse kingdom, and there has been a phenomenon of zombie leaders." Said.

"Zombie leader class?" This is the first time I heard of this situation for the commanders of the other ten legions.

There was a little more worry on everyone's faces.

It is very difficult for those high-level zombies to mix into Kyoto City, but it is entirely possible to mix into other small cities and small organizations, and among these small cities and small organizations, is it possible that zombie leaders have already appeared?

And if these zombies in the leadership position were controlled by the three corpses, then the consequences would be really disastrous.

The commanders of the ten legions suddenly began to fall into contemplation.

Since it is impossible to judge the real purpose of these zombies, it is impossible for these army commanders to sit still.

In the ensuing discussion, these army commanders quickly came up with a temporary solution.

Underground, six of the ten legions headquartered in Kyoto City are responsible for sending personnel to check underground sewage and flood discharge channels, and check all underground channels.

On the ground, each of the six legions extended a circle to the periphery of Kyoto City. At least it must be ensured that there will be no large-scale zombies within 20 kilometers around the urban area of Kyoto City.

Secretly, the Liming Organization of the Bounty Hunters Association is responsible for an investigation of all suspicious people in Kyoto City. If there are zombies mixed into human society, they will be killed.

The matter has been discussed, Duanmu Ying knocked on the table lightly, and said with a cold face: "This arrangement will come to an end first, so let's focus on how to restore the confidence of the citizens of Kyoto City!"

This issue is the real imperative.

"Since Duanmuying Army Commander raised this question, the Duanmuying Army Commander must have already had a plan in his mind, so let's say it first!" Mu Yunlong looked at Duanmuying and said.

Duanmuying smiled to the old man and said: "The panic among the residents of Kyoto City is caused by the sudden appearance of zombies. Even if we have made so many arrangements before, ordinary people may not know. Our efforts. So, I mind changing the process of the Forbes Power Contest finals. This is also the main purpose of our deliberate invitation to the two participants today!"

Chapter 3523: Schedule changes (2)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. !" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3526: Team assembly

For people like Long Ao, Li Tian will not talk to him any more nonsense. Li Tian has decided to use his strongest strength to fight him back fiercely. The last one was a man named Gao Shuai, but this Gao Shuai never appeared to Li Tian from beginning to end.

"Could it be that after seeing this group, I consciously have no hope of having retired automatically?"

"There is such a possibility! As long as our group is not eliminated on the first day, we are already thankful."

Several other people in Li Tian's team thought a little pessimistically.

The group is grouped and assembled.

Soon the name of the security officer of the brother team appeared on the big screen.

The safety leader of Long Ao's team was Huangfu Kunpeng, which made their team immediately screamed excitedly.

The strength of their team was originally strong, but now that there is such a strong security officer, these guys are even more confident in their hearts.

Even Long Ao clamored to go to the core urban area of Kyoto City to hunt the most advanced zombies.

However, Long Ao's idiotic remarks were only exchanged for the other players' eyes.

Duanmuying is in charge of Xu Yuan and his team. For Duanmuying such a beauty security officer, the saliva of those beasts is almost flowing out.

And Li Tian's small pair of safety inspectors turned out to be the tyrant Gao Gang.

Less than five minutes later, fifteen security inspectors also walked out of the arena, each walking to the area where their respective teams were.

Tyrant Gao Gang dragged his fat body to the front of Li Tian's team, behind the tyrant Gao Gang, and his stupid son.

However, today is different from the past. Gao Gang's son is pulling an iron chain that is more than two feet long, but the other end of the chain is not tied to a twelfth-level female zombie.

Tyrant Gao Gang came to Li Tian and pulled out his stupid son who was hiding behind him, and said to Li Tian, "This is the last member of your team, Gao Shuai!"

"Dad, daddy, my name does not want to be Gao Fushuai, I want to be Gao Bi!" Behind the tyrant Gao Gang, Gao Shuai who was salivating said vaguely.

"What? It turned out to be..." The other players didn't finish.

However, they looked at that stupid handsome man, and the faces of the others became more pessimistic.

This team is really over.

Even if our team has Li Tian, who is the number one in the preliminaries, there is a top 500 general Jingtao. But with our group of members who are at the bottom of the points, it is impossible to bring such a fool even if they don't want to be eliminated on the first day.

"What? Do you have any opinions about my son's appearance in your group?" The tyrant Gao Gang said with a cold snort.

In an instant, Li Tian and others felt that the surrounding air temperature suddenly dropped by a few degrees, and that thick killing intent was released from Gao Gang, causing everyone except Li Tian and Jiang Jingtao to be involuntarily. There was a chill, even the uncle who was wearing a trench coat and carrying a sniper rifle stepped back and fell directly to the ground.

"Don't dare, don't dare! We welcome the young man to join!" Li Tian hurriedly stood in front of the other players and said to Gao Gang.

Gao Gang put away his murderous aura, glanced over Li Tian and Jiang Jingtao, and then fell on others, and then said: "My son Gao Shuai must be in the top five hundred, if you are that person Dare to hold back my son. After this Forbes power contest is over, I Gaogang must make those who hold back look good!"

Several other team members thought in their hearts: "As long as this fool doesn't hold back, it will be lucky."

In this regard, Li Tian can only sigh.

As we approached, the candidates for the team to be responsible for the tracking and shooting were also decided, and the filming staff of the Li Tian team turned out to be the little lady of the Army Soul Corps.

Seeing this name, Jing Tao shuddered involuntarily, while the tyrant Gao Gang frowned.

The Army Soul Legion can be said to be the most special among the ten legions. The commander Mu Yunlong is like an old man without the power to bind a chicken, and should be the weakest among the eleven army commanders.

But Mu Yunlong's subordinate Huangfu Kunpeng ranked the highest among all the top ten legions.

In addition, among the top 500 players, there are no other members of the army soul, and the core cadres of the army soul, including the little lady, have not participated in any Forbes power competition.

But no matter who they are, they dare not despise these core cadres of the Army Soul Legion.

Holding the camera in her hand, the little lady came to Li Tian and the others, raised her hand gently, and said sharply to Li Tian: "Little Li Tian, the commander of the army asked me to give you a word!"

"Legion commander? Isn't this little lady's army commander Mu Yunlong of the army soul? Is there a relationship between Li Tian and army soul?" The other contestants looked at Li Tian with some surprise in their hearts.

Li Tian's face did not change at all, and said, "Please speak!"

The little lady smiled and said: "The commander of the legion said that no matter it is the Mu family or the Li family, there has never been a bully. If you can't make the top 100 of the Forbes power competition this time, you don't come to see him!"

Chapter 3527: Who else (1)

At nine o'clock in the evening, Li Tian's team had already appeared in the suburbs of Kyoto. .

The little lady was carrying the camera and started shooting with Li Tian and others, but she didn't encounter a few high-level zombies along the way, not to mention high-level zombies above the tenth level, even the one-level ones. not much.

Not to mention fighting.

These contestants who entered the finals, even if they were no better than the top five hundred contestants, were good stubbles, and when they encountered a grade zombies, they would kill them immediately.

Therefore, the few battles have no technical content at all and are directly killed in seconds.

The little lady couldn't bring up any energy, she breathed boredly.

During the battle, Li Tian already had a preliminary understanding of the strength of each member of his battle team.

Zhu Jinhua is a sharpshooter who has reached a state of superb skill in his use of firearms, especially his modified firearms, hitting zombies below level 11 is perfect without any problems.

The double-axe hand Liao Jie's ability is also not weak. This big man can easily cut out a gap of one meter wide with a single axe. It is not difficult to kill a zombies about tenth level with a double axe.

Luo Xin, who is armed with a silver gun, claims to be a descendant of Luo's gun. One shot can pierce the concrete wall, and his strength should not be underestimated.

And Little Lolita Windsor turned out to be a supernatural person, and had a magical effect on healing wounds. For example, he could heal wounds, even if it was a broken bone, Little Lolita Windsor could connect them together.

As for Jiang Jingtao, as long as this soldier's body is not completely destroyed, he is an immortal body, and his strength is no longer comparable to others.

As for the fool Gao Shuai who wants to change his name to Gao Bi, Li Tiandao still has no way to communicate with him well, and he still doesn't know how strong this guy is.

But watching him pull an iron chain that is three feet long and at least a few hundred kilograms long is as easy as pulling a string, and it should not be very weak.

"Windsor, count how many points we have now?" Li Tian said to the little loli girl with braids.

"Captain, we have always hunted and killed four ninth-level zombies, and seventeen eighth-level zombies. According to the regulations of the organizing committee, one ninth-level zombies will accumulate one share, and eighth-level zombies do not earn points. Five points!" Windsor said.

"Everyone, we can't go on like this anymore. Now that the game has started for an hour, we have wasted one-twentieth of the time for a total of 24 hours on this day!" Li Tian said anxiously.

"What can we do if we don't meet zombies? Aren't we in a hurry?" Luo Xin said.

"Yes, we can't meet zombies. Maybe other teams can't meet many zombies. That's good. At that time, it depends on whose team is lucky and can meet more zombies." Liao Jie, holding a double axe Said indifferently.

The man named Zhu Jinhua sneered and said: "Sir Captain, I got three points out of these five points, Liao Jie got one point, and the fool Gao Shuai also got one point, and what about you as the captain?"

Zhu Jinhua used a modified sniper rifle. As long as it was an existing zombie, and others hadn't rushed past, he would raise his hand to shoot and kill the zombie first. Naturally, this score must be the highest.

As the person with the highest score, Li Tian, who was still zero, was naturally unhappy, so he said sarcastically.

"What do you mean?" Li Tian asked with a sullen face.

"Don't be in a hurry, let's show some skills!" Zhu Jinhua said.

"Zhu Jinhua, Li Tian is our captain, please be careful when you speak!" Windsor said with some dissatisfaction.

Zhu Jinhua sneered and said: "Attention, I am very careful. Although some people have only scored zero points so far, I never said that some people have zero points. Am I not paying attention yet?"

Windsor's face was slightly embarrassed, she also got zero points!

"Okay, go ahead, even if I can't kill the zombies, I can still shoot something useful!" The little lady said with a fanfare.

"Pop!" Li Tian directly pressed his hand on the lens of the little lady's camera, and said to the little lady: "Little lady, please turn off the phone for a few minutes. I will deal with the unity of the team first!"

The little lady smiled at the corner of her mouth and turned off the camera.

Li Tian took out the "Hong Zhan", stood in front of the crowd with his hand "Hong Zhan", and said sharply, "I want to know if you are very dissatisfied with the grouping of our group?"

"Isn't this nonsense? Other groups..." Zhu Jinhua said coldly.

"Okay, let me vent any dissatisfaction! Then Zhu...Zhu Jinhua, do you feel that other teams have at least two or three top 500 players, but our team only has one? Isn't it? "

"Yes! What did I mean?" Zhu Jinhua said.

"Very well, you are very honest. Then I tell you that I am also dissatisfied with our group. Li Tian is not dissatisfied with the results of the grouping, but dissatisfied with your attitude!"

"Especially you Zhu Jinhua!"

"You, the last garbage player in the preliminaries, what are you dissatisfied with? Do you think the other players in this group are not as good as you? Three ninth-level zombies are just three points, you What is there to be rampant?"

"In this group, anyone has a higher score than you. If you encounter a high-level zombie, anyone has a better combat ability than you. Why are you not satisfied?"

"Please remember what I said: You are the least qualified to say dissatisfied!" Li Tian said almost word by word.

With a loud sound, Zhu Jinhua has raised the sniper rifle in his hand, pointed the muzzle at Li Tian, and said coldly: "You ***** guy who scored zero in the finals, what right do you have to say about me? If it weren't for this group's drag and judgement by individual points alone, I would be far ahead of you!"

"Zhu Jinhua, what are you doing? How can you hold a gun at the captain?" Windsor said anxiously.

Except for Windsor, the other team members, including the little lady, looked at Li Tian like a theater, waiting for Li Tian to deal with this matter.

At this time, the "Red Zhan" in Li Tian's hand had quietly taken off Li Tian's hand.

"Huh!"

A red light flashed, the "Red Zhan" suddenly appeared in front of Zhu Jinhua, and the knife light flashed in front of him.

"Ah" Zhu Jinhua let out a scream, his arm was cut off by Li Tian's "Red Chop" with a sniper rifle in his hand.

Chapter 3528: Who else (2)

The sniper rifle was cut into two pieces by "Red Chop", and Zhu Jinhua's arm holding the trigger still held the trigger tightly, but his arm had fallen to the ground.

"Li Tian, you **** dare to..."

"Huh!" With a cry, "Hong Zhan" had flown to Zhu Jinhua's neck.

"If you dare to say one more word, I will let your head appear on the ground!" Li Tian said coldly.

The other contestants immediately stepped back and looked at Li Tian with some horror.

"Damn, this idiot dared to provoke Li Tian. In the preliminaries, was the example of Kong Qing from the Sakura Legion not fresh enough? People as powerful as Kong Qing were cut off by Li Tian, not to mention that you ranked Zhu Jinhua at the end. Now Li Tian just chopped off one of your hands. It is kind enough not to kill you." Liao Jie thought in his heart.

Luo Zhizhong also thought: "It seems that Li Tian, the captain, is going to use Zhu Jinhua to stand up. This idiot, only now has encountered a few ninth-level zombies, and his tail dared to rise. Isn't this looking for death?"

Li Tian's gaze swept across everyone's cheeks slowly, and then said faintly: "Do you think I Li Tian likes to be the captain of this team?"

"Tell you, if I didn't play the finals in a small team, it would be a matter of one sentence for Li Tian to enter the top 500. Even if I enter the top 100, it may not be impossible. But it is precisely because of the team playing that I cannot compete. Not with you guys who are dragging back."

"But since the division into teams is already an established fact, Li Tian will not complain because I don't want to be eliminated on the first day. Li Tian will also enter the top five hundred and enter the top 100. So I Thinking of leading you to enter the top five hundred together.

"I want to know, who else is not satisfied with our team now?" Li Tian said with a sneer.

"No...no more!" the other players said.

In fact, this is just like teaming up in an online game. Only if your own strength is the strongest in the team can you be qualified to express dissatisfaction with the poor strength of other members of the team.

You **** Zhu Jinhua is a trash account with all-over trash equipment, and you also want to say that Li Tian is full of artifacts and it is trash, don't you want to die?

The little lady saw a slight smile at the corner of her mouth, but she secretly praised Li Tian in her heart: "The grandson of the army commander, Li Tian has courage and courage. This time the finals will definitely be fun, early Knowing that I have also participated in the competition, my heart itch..."

From beginning to end, the tyrant Gao Gang who followed in the distance did not intend to stop Li Tian. As the head of safety, he was only responsible for these contestants when they encountered super-level zombies.

The tyrant Gao Gang is still celebrating Zhu Jinhua's arrival. Fortunately, this tournament has been changed.

If according to the previous schedule, a one-on-one desperate fight, Zhu Jinhua might be dead.

Tyrant Gao Gang gently stomped his feet, let his mount elephant walk a few steps forward, came to Li Tian and others, and then said to Zhu Jinhua who was curled up on the ground: "Are you dead? What if? If you are not dead, you still need to continue to participate in the finals. I said, if anyone dares to drag my son Gaoshuai..."

"Dad, my name is Gao Bi!" Gao Shuai interrupted Gao Gang.

"Who dares to drag my son Gabby's hind legs, I will make him die ugly!" Gao Gang said coldly.

Zhu Jinhua, who had been curled up on the ground, quickly stood up again and said with a weeping face to Gao Gang, "Master Gao Gang, both of my hands have been broken. Can you connect my hands first, or wait for a while? If this hand is broken, I'm afraid it won't work anymore."

Gao Gang looked embarrassed and said, "You ask your captain!"

Zhu Jinhua looked at Li Tian with some fear, and was afraid to speak.

"Zhu, I only give you this opportunity. If you dare to complain next time, I am afraid you will never have a chance to speak again!" Li Tian said with a sneer.

"I...I know!" Zhu Jinhua said with his head low and biting.

"Windsor, help this waste take over!" Li Tian said.

Little Lolita Windsor quickly took Zhu Jinhua's hand, and then wrapped Zhu Jinhua's hand with a gauze bandage.

Although the hands are temporarily fine, it is obviously impossible to participate in the war.

After Windsor took over Zhu Jinhua's hand, he said, "Actually, you're right. Now we've encountered fewer zombies. Maybe other teams have not encountered many zombies, but it's for this reason. , Our team may complete the counterattack!"

Li Tian continued: "Do you want your name to appear in the top 500? Do you want to be loved by millions of people in Kyoto? Do you want to be the darling of the TV station?"

"Hey, I think, I want to dream, or we won't come to participate in this Forbes power competition." Liao Jie said.

"Captain, we all listen to your arrangements, we will do what you say!" Luo Xin said.

Li Tian nodded and said: "Okay! Since you trust me, then I have something to say straight. If we want to complete the counterattack, we cannot follow the traditional normal pattern to hunt zombies, we can only fight Risky move."

"Captain, you don't want to sell it anymore. Tell me about the dangerous tricks?" The faces of the other players were full of expectation and asked.

"Into the downtown area of Kyoto city, even the downtown area! We don't ask for anything else. On the first day, as long as we can hunt down a few level 12 zombies, then we will definitely not be the last one, and if we Fortunately, if you can hunt down thirteenth-level zombies, or even higher-level zombies, then the first in the group is ours!" Li Tian said loudly.

"This... is it too bold? Let's not talk about the safety of entering the city, but if we want to go from the suburbs to the city, there is no time for two or three days, so don't even think about it. I'm afraid we have been eliminated!" Luo Xin said.

"You are right, so, I didn't intend to enter the city, but jumped over these 9th, 10th, and 10th-level zombie areas, and went directly to the 12th-level zombie area." Li Tian said.

"How to jump over? Is it flying over?" Zhu Jinhua said coldly.

Li Tian sneered and said: "I can fly over, but you can't! So, in order to take care of you, I decided to go here!"

Li Tian stretched his hand to the ground.

"Underground?" Several team members asked in unison.

"Yes, the subway passage in Kyoto city extends in all directions. We went directly into the subway passage, went around from the underground, and directly entered the area we wanted to go."

Chapter 3530: Surprisingly Win (2)

The tyrant Gao Gang did not follow Li Tian and others. ,

His fat figure was already sweating profusely without taking a few steps, and he couldn't keep up with the speed of Li Tian and others. The tyrant Gao Gang had to give up.

However, the tyrant Gao Gang said that he would sit on an elephant and go one step ahead along the subway line, and the tyrant Gao Gang and Li Tian agreed that Li Tian and others would need to send someone to the ground once every three subway stations. To determine the safety of Li Tian and others.

If Li Tian and others did not send someone up, then the tyrant Gao Gang would enter the subway station to search and rescue Li Tian and others.

But this is just an agreement.

For Li Tian, who entered the final with the first place in the preliminaries and showed unfathomable strength in the preliminaries, the tyrant Gao Gang still has some confidence.

And Li Tian was also accompanied by a little lady who was in charge of the shooting mission, which made Gao Gang almost safe to leave Li Tian's team.

This little lady is a member of the Army Soul Corps Mu Yunlong, it is absolutely impossible for him to ignore the safety of Li Tian and others.

Li Tian controlled the "Red Zhan" to fly seven or eight meters in front of Li Tian with his divine mind, and walked slowly towards the subway entrance, while behind Li Tian, Windsor assisted Zhu Jinhua to follow Li Tian.

Luo Xin and Liao Jie acted as the flanks, and Jing Tao was at the back.

As for Gao Shuai, this kid had already rushed into the subway station with an iron chain.

A person who was repaid by the tyrant Gao Gang's high hopes was naturally not weak, so Li Tian did not stop him.

Walking into the subway entrance, all the way down, before entering the subway station, Li Tian heard fierce fighting and zombies hiss from below the subway.

"Has Gao Shuai already encountered a zombie?"

Li Tian didn't dare to neglect, he leaped slightly and rushed into the subway station.

Li Tian saw seven or eight ninth-level zombies besieging Gao Shuai in the deserted subway station, and Gao Shuai's stupid appearance was not afraid at all, and his face was even excited.

Behind Li Tian, the flashlights in the hands of Windsor and others shone towards Gao Shuai, and they could see clearly that the iron chain in Gao Shuai's hand that was three feet long was actually brandished by Gao Shuai like the red ribbon in the hands of rhythmic gymnasts. He got up, forming a spirally rising circle around his body.

Seeing Li Tian and others have rushed in, Gao Shuai's mouth showed a silly smile, and he shook the iron chain in his hand.

With a "pop", the iron chain was drawn directly on one of the ninth-level zombies. At that moment, Li Tian seemed to see a red light flashing on the iron chain in Gao Shuai's hand, and then it was chained. The powerful chest of the ninth-level zombie that was drawn suddenly sank inward, and then an explosion occurred.

The entire ninth-level zombie's body was blown into a pile of minced meat, leaving only one head rumbling on the ground.

The little lady had already pointed the camera at Gao Shuai when she rushed in, and she cried out beautifully when she saw this scene.

Except for Li Tian and Jiang Jingtao, the other players were stunned and their mouths grew involuntarily.

"Is this still that idiot? How could it be so powerful? That's a level nine zombie, and a whip is directly drawn into a pile of minced meat!"

Immediately, there were six or seven clear cracks in this subway station, and each clear crack would take away the name of a ninth-level zombie.

Soon, all the ninth-level zombies in the subway station were beheaded by Gao Shuai, and Gao Shuai had dug out all the corpse crystals of those zombies and handed them to Windsor.

At this time, Zhu Jinhua was not just stunned, he realized that his strength in this team was really the weakest, and he was not qualified to shout.

Although the players participating in the preliminaries, basically everyone can easily kill level 9 zombies, even level 10 zombies.

But the contestants are strong and weak after all, and like Gao Shuai, under the siege of seven or eight ninth-level zombies, they can also lightly kill these zombies, and those who are not harmed at all are already outstanding. .

At this time, the other team members stopped talking and all turned their sights on Li Tiansheng.

"Captain, it seems that we are betting right. There are high-level zombies in this subway. Maybe we can hunt enough zombies without getting into the city and get enough points!" Windsor was a little excited! To say.

"No! Windsor, the level of these zombies is too low. How many points can we kill in one night? If another team kills an 11th-level zombie, that is 100 points, which is enough for us to keep looking

for zombies, no I stopped looking for a night, and what if another team killed a level 12 zombie? That would be a thousand points!" Li Tian said.

Several other players nodded one after another.

Li Tian and others chose the right direction, jumped off the platform, and walked slowly along the subway line towards the city.

The exhaust system in the subway is completely broken. Li Tian and others can smell the rotten flesh coming from the subway tunnel, and from time to time can hear a zombie hiss from the distance of the subway tunnel. .

"The battery is limited. When not in combat, the flashlights are turned off, and only one flashlight is left!" Li Tian said to everyone.

For Li Tian, this darkness is not much different from daytime.

Soon there was only the light of a flashlight behind Li Tian. With the light of this flashlight, the other players walked slowly.

And in this small space, there were only the gasps of everyone, and the sound of the iron chain in Gao Shuai's hand hitting the rails.

This subway station in Kyoto City, the distance between each station is two kilometers. At the speed of Li Tian and others, it takes ten minutes to walk through a subway station.

At this time, Li Tian and others had been walking for almost 30 minutes, but Li Tian and others did not encounter a zombie.

Everyone's nervous mood gradually relaxed. At this moment, everyone did not feel a trace of tension, but it was as if they were taking an interesting adventure in this dark tunnel.

In the ears of these contestants, the sound of the high handsome hand's iron chain hitting the railroad track is not so harsh anymore.

Gao Shuai also hummed his own small song, singing something in a low voice.

Suddenly, Li Tian twitched his nose. Li Tian was used to the smell of rotten flesh under the subway and suddenly smelled a ***** smell.

Li Tian said, "Did you smell it, it smells bloody."

As soon as Li Tian's words fell, a zombie's angry roar came from the distance of the subway tunnel in the darkness.

"Wow!"

This roar was full of anger, as if it had the power to shred everything.

Li Tian and the others felt a fishy wind blowing from the subway tunnel.

"Patter!"

"Patter!"

Immediately afterwards, Li Tian and the others heard the rapid footsteps of zombies running towards them in the darkness.

"Om!" "Hong Zhan" controlled by Li Tian screamed loudly.
