

A Killer 3561

Chapter 3561: Little Tianyi advances again

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is good, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and raised her face, smiling so that Fengyun changed her color: "Ears are fictitious, seeing is believing, what I see with my own eyes is still false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3562: Red Slash's Anger (1)

Chapter 3563: Red Slash's Anger (2)

"Hong Zhan" was very manic, and "Hong Zhan" was very angry. It seemed that he had seen a strange enemy, and there was the possibility of an outbreak at any time. ,

"How could this happen?" Li Tian was surprised.

The anger of "Hong Zhan" surprised Li Tian.

In the past, even if "Hong Zhan" meant to express oneself, it was basically because "Red Zhan" felt the presence of corpse insects and wanted to hunt them.

That kind is not anger, but excitement.

But today, Li Tian can feel that this is a kind of anger.

Li Tian desperately controlled "Red Slash" to prevent "Red Slash" from getting out of his control, but at this time, the "Red Slash" body released the coquettish red light, above the "Red Slash" blade, the dead body The force is surging.

But the blade of "Red Zhan" actually let out a low roar.

Yes, this is the roar, like an angry beast.

Huangfu Kunpeng was shocked. He had never seen a blade that turned out to be like "Red Cut". Even the legendary sword with spirituality would not be so.

"Is it a sword spirit?" Huangfu Kunpeng thought in his heart.

Although the roar of "Red Zhan" is not loud, it is particularly harsh in this peaceful city of Kyoto. Fortunately, Li Tian and Huangfu Kunpeng are still tens of meters away from the other side of your river, or 100 meters away. This "Red Slash" was so noisy, it had already alarmed the sixteenth-level zombies.

Huangfu Kunpeng said: "Li Tian! Control your knife. If we are found by those super zombies here, I am afraid we will be in trouble!"

Li Tian's expression was bitter, not because he didn't want to control it, but because the "Red Slash" at this time was completely beyond Li Tian's control.

"Om!"

"Om!"

"Hong Zhan" seemed to be talking to Li Tian, but Li Tian could only feel the feeling of "Hong Zhan" to "Hong Zhan", but didn't understand what "Hong Zhan" wanted to express at all.

Suddenly, the red light on the "Red Zhan" knife was flourishing, and a strong repulsive force directly exploded Li Tian's clenched hands.

Immediately, the "red cut" turned into a red light, rushed out from the window of this building, rushed directly into the sky, and galloped towards the National Television Station building.

The red light of this "Red Slash" in this darkness was more dazzling than a meteor, and instantly attracted the attention of countless zombies.

The National Design Institute building where Li Tian and Huangfu Kunpeng were hiding naturally became the target of the zombies' attention.

"Wow!"

Dozens of Level 12 and Level 3 zombies screamed at this building. Then, these zombies rushed towards the bridges on both sides from the street on the other side of the river.

And seven or eight zombies of fifteenth and sixth grade rushed from the street to the side of the river, screaming, and they wanted to jump over the river that was more than tens of meters wide.

"Wow!"

"Wow!"

The silhouettes of these zombies flashed across the river. These seven zombies were only fifteenth and sixth-level zombies. Six zombies jumped over the river. Only one of them slammed on the river bank and plunged into it. It took several seconds to pull out from the embankment.

In the distance on the other side of the river, in the streets and alleys, the zombies were like hornets that stabbed a hornet's nest, and they kept leaping forward, and in a blink of an eye, the river was crowded in darkness.

There are a few thousand zombies at level 13.

The number of level 14 zombies is similar to the number of level 13 zombies, and there are also several thousand.

There are even hundreds of super zombies of this kind.

And the sixteenth-level zombies that were still flaunting their might, instantly changed from a leader to a small boss, bowing their heads and following behind dozens of seventeenth-level zombies.

"Li Tian, you really stabbed a hornet's nest now. Among these zombies, there are still a few eighteenth-level zombies! Even if there are only a few zombies of this level, I need to be careful. If I want to kill them, I might even use them. Forbidden skills, but it's good now, you not only

attracted so many eighteenth-level zombies, but also thousands of high-level zombies." Huangfu Kunpeng said with a somewhat ugly expression.

Huangfu Kunpeng didn't expect that Li Tian would poke such a big basket. If it weren't for the face of Li Tian's grandson of the army commander, Huangfu Kunpeng would definitely flee here directly.

Is Li Tian's heart happy?

This "Hong Zhan" the master who abandoned the Sun God and Li Tian has always been more like a cooperative relationship with Li Tian. Li Tian can suppress the "Hong Zhan", more or less because the self-consciousness of "Hong Zhan" is not Complete awakening.

But since this "Red Slash" swallowed the nine-color corpse crystal, it completely changed its appearance. When hunting the twelfth-level mutant zombies, it changed on its own terms, and this had the effect of Li Tian slashing the subway.

"Damn!" Li Tian roared in a low voice.

"After you come back this time, I must let you recognize the lord like Xiao Yasha, otherwise I, Li Tian, will definitely not accommodate you in this way!" Li Tian secretly decided in his heart.

At this time, Li Tian could not tolerate any other ideas.

Those few fifteenth and sixth-level zombies that jumped over the river bank had already rushed up from the river bank several times, rushed through a parking lot, and arrived in front of the building of the National Design Institute.

"Anyway, Hong Zhan has already caused the matter to become a big deal, so it's better to have a good time and make the urban area of Kyoto city upside down." Li Tian said to Huangfu Kunpeng.

Huangfu Kunpeng snorted coldly and said: "When the battle begins, you can do it yourself. I may not have time to take care of your safety. If... I mean if, once I get caught in those corpses, there is no chance to rush out, Then you use your teleporting skills to escape from Kyoto City. Then the commander of the army..."

Although Huangfu Kunpeng said that he would not take care of Li Tian, but the latter was determined to let Li Tian escape.

Who said Li Tian is the only grandson of Mu Yunlong Army Commander!

If Li Tian and Huangfu Kunpeng died together, even if Mu Yunlong would not punish Huangfu Kunpeng, Huangfu Kunpeng would not survive.

Before Huangfu Kunpeng finished speaking, Li Tian interrupted him directly.

"Don't worry about it! If there is any accident, I will use my stunts to ensure your safety!" Li Tian smiled slightly and said confidently.

As soon as he finished speaking, Huangfu Kunpeng saw that Li Tian's body had flown out of the windows of the five-story building.

When Li Tianfei went out, he just climbed up from the outer wall of the building with one kick, and kicked a level 16 zombie who was about to pounce in from the window.

"boom!"

"boom!"

Immediately, Huangfu Kunpeng heard several violent noises coming from under the building, and the glass windows of the entire building shook violently.

"This bastard, if you make it to the finals, I will fight you everywhere!"

Chapter 3564: Red Slash's Wrath (3)

Former Kyoto City, the office building of the National Television Station. ,

In the large office of the former TV station, the ghoul sits on a sofa with an upright spirit, and around the body of the ghoul, four huge corpses over one meter in size are crawling on the ground. In the insect's mouth, there were light blue transparent threads, which were digging into the head of the ghoul.

A strand of light blue corpse flowed out of these transparent threads, and then penetrated into the head of the ghoul. Finally, the power of the corpse flowed out from the surface of the ghoul and was absorbed by the ghoul. Enter, and become the power of the ghoul's own corpse.

At this moment, the face of the ghoul was filled with a sense of happiness, as if the addict had fallen into a sense of illusion.

As we all know, the ghoul has ninety-nine and eighty-one corpse insects. After two of them were beheaded by Li Tian, the ghoul still had 79 corpse worms, and these corpse worms are the important key for the ghoul to improve its strength.

On weekdays, ghouls stay in the devil's capital more.

The place where humans rarely set foot in the Demon City is the base camp of ghouls. It is rare for ghouls to come to Kyoto once, and they have never done anything to these four corpses.

Therefore, the four corpse worms in Kyoto City are the best in the entire earth in terms of their size and the power of the corpse contained in the corpse.

As long as one year, no, at most half a year, these four corpse worms will enter the evolutionary stage, and at that time, they can provide more corpse power to the ghoul.

However, recently, ghouls always feel that there is an ominous omen. This feeling makes the ghouls restless, and even has a sense of panic in his heart.

This kind of feeling is that ghouls have never encountered it when they came to the earth world. Even when they first came to the earth world and played against the old man of the four elephants, the ghouls never felt this way.

"Could it be that a person who is dangerous to our three corpses will be born among the humans? Or is the expert among the humans about to break through the advanced stage?" Such doubts appeared in the ghoul's heart.

In order to reduce his feeling a little bit, the ghoul did not care whether his four corpse insects were about to enter the evolutionary stage, and directly recruited four guardian zombies, and let these four guardian zombies take the corpses. Worms contributed to the ghoul to absorb the power of the original corpse.

At this time, the four guardian zombies in the city of Kyoto were divided into four directions, southeast, northwest, and kneeled in front of the ghoul, not daring to look up at the ghoul.

Among the four guardian zombies, one of them is the highest level 20 zombies in the earth world, and the other three are also level 19 zombies.

These zombies can be said to be able to dominate the earth world. After all, the highest level in the zombie world is only at level 20, and there are no more than 20 zombies in the world.

But even such a powerful zombies, they trembled in front of the ghouls, did not dare to show up, and did not even dare to lift their heads.

"Lord... Master, I have already sent ten teams of one hundred twelfth-level zombies to attack those **** humans according to your request. But...but...but the first team met Li Tian. The whole team was annihilated, and the second team encountered Duanmu Ying, and...the entire army was wiped out! Now...now, I don't know if I will continue!" One of the nineteenth-level Guardian zombie trembled. Asked.

The ghoul seemed to be still immersed in the power of the corpse that absorbed the corpse insects, and did not speak, but seeing the ghoul's fingers moved slightly, the nineteenth-level zombie immediately dropped its head directly on the ground. , Tremblingly afraid to look at the ghoul.

"Since I can't implement it according to my requirements, then all the remaining 800 twelve-level zombies will be fed to my bugs. Anyway, my bugs will need to be repaired after I absorb them today!" Ghoul's fingers He tapped gently on the sofa and said.

"Yes...Yes!" The nineteenth-level zombie said in horror.

Suddenly, the ghoul saw a red dot appearing outside the national television station building. The red dot was like a meteor, coming directly in the direction of the ghoul.

The red light and the ghoul screamed suddenly and jumped up on the sofa.

"Impossible! Impossible!" the ghoul muttered to himself in horror.

The four Guardian zombies were shocked. The ghouls they had known had always been calm and unreliable. They were powerful existences that did not change their appearance before the Taishan Mountain. The ghoul made such a loud exclamation.

The four guardian zombies involuntarily raised their heads, wanting to see what kind of thing can make the ghoul master panic like this.

They saw a red dot, which flew toward the glass exterior wall of this office at lightning speed, and they saw the red dot getting bigger and bigger and getting closer.

"One is a weapon!"

The four guardian zombies looked at the weapon that flew to the office in surprise, wondering whether this weapon was a weapon used by the ghoul master before, otherwise, how could the ghoul exclaim like this?

"Crack!" There was a crisp sound of glass being smashed into their ears. Then they saw a weapon the size of a door flashing a red light, and the red light flashed, the weapon turned out to be Cut directly to the ghoul.

"Huh!"

The body of the ghoul leaped back suddenly, and there was a skeleton armor on his body in an instant. There was no trace of flesh on this skeleton, and it turned the ghoul completely.

The power of the original corpse flows up and down the body of the ghoul, and the power of the original corpse is electric walking dragon snakes, like countless green snakes entwined around the ghoul.

"Chang!"

The huge slashing power made the entire office slightly shake, and the mahogany and nanmu furniture in the office were directly shattered by the slashing power.

Although the body of the ghoul was unscathed, it was slashed back by this powerful slashing force for seven or eight steps.

The ghouls were safe and sound, but the four corpse worms did not have such good luck. Three of the corpse worms were injured by the "red cut" knife gas, and the skin of the corpse worms was chopped out dozens of holes. The power of the original overflows.

Another corpse worm, that is, the corpse worm guarded by the twentieth-level guardian zombie, was also chopped off, and the power of the corpse was also losing.

The four guardian zombies immediately furious.

They are the guardians of zombies. The most important of their duties is to guard the corpse insects. However, the corpse insects can suffer heavy damage in front of them, how can this not make them angry.

But before they had time to pounce on "Hong Zhan", they heard the ghoul shouting in a surprised voice: "Hong Zhan! This turned out to be Hong Zhan?"

Chapter 3565: The true face of Hong Zhan

Surprised in the ghoul tone!

"Teng!"

The whole body of the ghoul was instantly surrounded by the blue flame-like substance, but the light blue substance was not flame, but the flame of the corpse.

Only the power of the original corpse can be formed on the surface of his body like a firework.

"Patter!"

"Patter!"

The ghoul, completely surrounded by the bone armor, slowly walked towards "Red Slash".

When the ghoul took the first step, it felt like the ghoul was taking this step in slow motion, and when the ghoul took the second step, it seemed to be at a normal speed.

By the third step, the speed of the ghoul had reached the extreme, and the four guarding the zombies only felt that the ghoul had just flashed a shadow in front of them, and they saw that the ghoul had reached the "Red Slash".

And "Red Slash" also flew automatically at this moment, with the blade facing the ghoul's head.

"boom"

The ghoul blasted a punch, which hit the "Red Slash" blade hard.

"Om!" "Hong Zhan" let out a muffled neigh.

The powerful bombardment of the ghoul sent "Red Slash" directly and flew out.

After swallowing a corpse crystal of a fourteenth-level zombie, this "Red Slash" has once again returned to the aura before dealing with twelfth-level mutant zombies, with the aura and strength that can cut several subway cars in half with a single knife.

But in front of the ghoul's full blow, the "Red Slash" was hit and flew out of the office, smashing the glass of another window and flying hundreds of meters away.

"Hahaha! When Li Tian cut my corpse for the first time, I should have guessed that it was you as a trash! I didn't expect that after thousands of years, you could appear in front of me again. Me too!" "When our three corpses unify the earth world and establish a huge kingdom of corpses in the earth world, when our three corpses can absorb the power of all the corpses of the zombies, I will come to subdue you again. And now, you Follow Li Tian obediently and make good progress!"

"Don't worry, I won't be like the waste of the Nether Supreme. Under pressure, I will expel you from the Nether realm, and use the gate of the forbidden zone to throw you directly in a different space. I will not have such a powerful waste like Li. Weapon, turned out to be only a third-rate character!" The ghoul said with a sneer.

After "Hong Zhan" was blown out by the ghoul, the blade was suspended in the sky hundreds of meters away. At this time, the "Hong Zhan" blade was trembling slightly. This was not a tremor of fear, but an anger. Trembling.

It seems that both the old and the new hatred should be resolved at this moment.

However, after "Red Slash" was expelled by the Nether Supreme to another world through the earth world with the gate of the forbidden zone, all the strength of "Red Slash" died, only maintaining the spirituality of the blade.

Over the past thousands of years, the strength of "Red Zhan" has not improved, but has been shrinking year by year with the passing of time.

When it finally fell into Li Tian's hands, it was just a sharp blade that cuts iron like mud.

In the six months following Li Tian, "Red Zhan" swallowed so many corpse crystals, and his strength was also advancing by leaps and bounds, but "Red Zhan" had no chance of winning in front of these thousands of years old ghosts.

However, the angry "Red Slash" met the ghoul again after thousands of years of separation. These thousands of years of grievances seemed to be destined. How could "Red Slash" be determined by its strength!

Does the weak have no right to revenge?

The blade of "Hong Zhan" was trembling slightly, and a trace of cracks gradually appeared on the blade, as if the "Red Zhan" was cracked by the punch of the ghoul.

However, with the appearance of these cracks, the body of "Red Slash" was immediately surrounded by the power of the light blue corpse.

The entire "Red Slash" turned into a pale blue blade.

"Wow!"

The "Red Cut" turned back from a few hundred meters away, and flew into the office of the director of the National Television Station building again.

"Huh!"

A blue light flashed, a powerful knife light illuminates the entire office, and the knife light naturally smashed the ghoul.

The ghoul raised an arm and blocked the "Red Slash" blade, the ghoul only took a half step back.

Don't underestimate the half-step. This half-step seems uncommon, but there are cut marks one foot deep on the floor of the whole office, and the other end of the cut marks cut through the wall. Not to end.

The four guardians around the ghoul were directly shocked by the powerful slashing force and backed up again and again, and finally stopped after hitting the heavy load-bearing wall.

The four corpse worms, the three most injured corpse worms, were directly cut into blood and blood by this slashing force, leaving only a trace of life, and even the corpse worm that was not seriously injured, at this time The power of the corpse is also overflowing, and it will take at least half a year of meticulous training to return to before.

And what about the ghoul?

The ghoul only took a half step back, then grinned and moved forward step by step.

"You rubbish, when you were in the Nether Realm, if you could listen to my advice at the beginning, your original master, Nether Supreme, will not end up in a spirited life, and the three of our brothers will not be imprisoned in the forbidden zone. In the void."

"If it weren't for Li Tian this waste to pass through the gate of the forbidden zone, go to another world, and shatter the eternal forbidden art seal on the gate of the forbidden zone, our three brothers estimate that we will live a dark life forever in that broken void."

"This is karma. Li Tian's waste passed through the gate of the forbidden zone, went to another world and brought you back to the earth world, and our three corpses also escaped from the broken void of the gate of the forbidden zone!"

"If you don't come to me, our three corpses can only establish a pseudo kingdom in the earth world at best. But now that you have appeared, then our three corpses can't waste this golden opportunity!"

"Oh, it turns out that your sword has also been used for the eternal forbidden technique! Hey, now I will help you to remove the eternal forbidden seal on your body and let you show your fangs!"

"Hey, but I want you to know who helped you lift the eternal ban! Before I became the supreme, follow Li Tian to continue to become stronger! And after I become the supreme, you will come back to serve me It's time!"

As he said, the ghoul fiercely started bombarding "Red Slash".

"boom!"

"boom!"

"boom!"

The power of the corpse on the fist of the ghoul will solidify into a physical suit, and it will hit the "Red Slash" blade heavily. Every time the ghoul blows a punch, the "Red Slash" blade will shake violently.

One punch, two punches, three punches...

The ghoul blasted more than 900 punches at the blade of "Red Sword", and more than 900 pieces of fragments fell off the blade of "Red Sword".

"Show your true colors!" The ghoul said with a wild smile.

Chapter 3566: The true face of Hong Zhan (2)

Of these more than 900 pieces, the largest was no more than the size of a little fingernail, while the smallest was only the size of a grain of rice.

At this time, on the entire "Red Zhan" blade, there were still seven or eight fragments the size of a little fingernail.

These fragments are the only remaining seals of the Eternal Forbidden Art. Once these seals are broken, the "Red Cut" will reveal all its true colors.

And once the seal of this eternal forbidden technique is released by the ghoul, even if the ghoul does not have the strength to subdue "Red Slash", he can inject a trace of his divine power into this "Red Slash" or give this "Red Slash". Leaving a divine sense, when the level of the ghoul reaches the supreme realm, you can easily subdue "Red Slash".

At this time, although these fragments had not completely fallen off, some of the true colors of this "Red Slash" could already be seen.

The entire body of the "Red Slash" blade was a strange black color, and the black energy was entangled on the black blade, as if something was flowing.

If you look closely, you will find that it is not something flowing at all, but under the black blade.

One by one, skull-shaped heads tried to break free from the blade, which gave people the illusion that there was material flowing on the surface of the black blade.

"Hong Zhan" seemed to know clearly what the ghoul was thinking, and he dared not let out an angry roar: "Aw!"

This roar was an angry shout from thousands of skeletons on the "Red Slash" blade.

The sound unexpectedly made the ghoul slightly startled, and further affected the flow of the original corpse's power on the ghoul. The original corpse's power that existed like a blue flame on the ghoul instantly disappeared.

At this moment, the bone armor on the ghoul gradually began to retreat from head to toe, revealing the original appearance of the ghoul.

This is just a moment, it seems that there is only one second, but in fact it is not even one second.

The ghouls showed their true colors. Although the ghouls were strong at this time, the "Red Slash" seemed to know the weakness of the ghouls. It was still slightly downward, at an angle of forty-five degrees, from top to bottom. Into the heart of the ghouls.

"puff!"

"Hong Zhan" actually used the time that didn't fall for a second to stab the ghouls and pierce the ghouls's skin.

However, although this "Red Slash" pierced the ghouls's skin, it was only a skin trauma. There was neither bleeding nor black mucus on the ghouls's body.

As soon as this second time passed, the ghouls became the ghouls covered by the bone armor.

Even "Red Slash" was covered by this ghouls's bone armor.

"Hehe!" A grinning smile appeared on the face of the ghouls.

Then, the ghouls slowly stretched out his hand to "Hong Zhan", and easily pulled "Hong Zhan" out of his body.

"Hong Zhan, this is Hong Zhan. If you could be in the hands of my "Red Zhan" thousands of years ago, the Netherworld was already the world of our three corpses." There was a smile on the face of the ghouls. Said.

However, this "Red Slash" does not belong to the ghouls, nor does it recognize the ghouls as the master, let alone obey the ghouls. Although "Hong Zhan" was held in the hand by the ghouls at this time, "Hong Zhan" seemed to have exerted the strength of the whole body, and suddenly let out a contention.

Suddenly, countless light blue thorns were released from the blade of this "Red Slash", which pierced through the palm of the ghouls.

The ghouls let out a scream and involuntarily let go of his palm. The "Red Slash" took the opportunity, and suddenly broke free from the ghouls's hand, and fled from the window with a "swish!"

The knife shadow of "Red Zhan" flashed in the dark sky continuously, and fled in the direction of Li Tian in the distance.

"Damn it!" The ghouls looked down at his right palm injured by the sword light released by "Red Chop", cursing in a low voice, "You guys are not willing to let me unlock the eternal ban, are you worried? After unlocking this eternal forbidden technique, Li Tian cannot control you? Or is there another reason?"

The ghouls snorted coldly, and said, "Hmph, want to escape, can you escape in this earth world? Since you took the initiative to show up today, how can it be me that there is no trace of my ghouls in this blade? The style of a ghouls."

The body of the ghouls suddenly jumped out of the office window of the director of the national television station. The body of the ghouls was falling continuously, but in the process of falling, a pair of ghouls suddenly grew behind them. Bone wings, and then the body of the ghouls flew forward quickly as if gliding.

The four guardian zombies watched the ghouls disappear into the darkness, glanced at each other, and breathed out gently.

"This...Where did this weapon come from? It seems to have autonomous consciousness, and it can hurt the ghoul master."

"Yes, since the end of the age, I haven't seen anyone who can hurt the ghoul master."

"Let's take a look at our corpse worms. The damage these corpse worms have suffered is not light. Even if you continue to use the corpse crystals of zombies above level 12 to supplement, it will be difficult to recover within half a year!"

"If on weekdays, the corpse we are guarding has a bit of damage, the ghoul will not easily let us go, and we will inevitably be punished. At this time, the ghoul did not care about this incident at all. ."

"Don't be happy too early, haven't you heard about it? Does the ghoul master want to leave a sense of consciousness on the blade? When the ghoul master has time, he must come back and punish us!" The guardian zombie said with a sad face.

...

Time went back to half an hour ago.

Li Tian and Huangfu Kunpeng rushed out of the building of the National Design Institute and fought with the surrounding zombies.

This **** Li Tian knows that he is not an opponent of those 15th and 6th level zombies. Even if it is a 14th level zombies, Li Tian can't hurt them at all. Now he doesn't have "Red Slash" in his hand, even if he is dealing with 12th level zombies, It is impossible for Li Tian to achieve a fatal effect.

But this did not affect Li Tian's attack on these zombies. If he couldn't achieve a fatal blow, then he would have two blows, three blows, ... even countless attacks.

Therefore, Li Tian used the space of the Void Yaksha to constantly shuttle among the corpses of these zombies, using teleportation and broken soul palms to constantly bombard those zombies.

At this time, the courtyard of this National Design Institute was full of zombies, and Li Tian didn't need to consider whether this broken soul palm could hit these zombies.

As long as Li Tian appeared in one place with a teleport, he immediately took several shots of broken soul palms, and then another teleport appeared in the next place, also displaying a few broken soul palms.

"boom!"

"boom!"

"boom!"

Chapter 3567: Red Flame Snake

These three or four broken soul palms hit a zombie's body, and the body of this zombie was blasted into a pile of broken meat by the broken soul palm.

Bone scum was splashing, black mucus flowed across, and Li Tian had disappeared again and appeared elsewhere.

Huangfu Kunpeng did not have the same treatment as Li Tian.

That Huangfu Kunpeng could not teleport, and his body was tall, and he became the target of all zombies in an instant.

"Drink!" Huangfu Kunpeng burst out loudly.

I saw Huangfu Kunpeng's entire arm turned crimson, like a red soldering iron, with white smoke on it.

And Huangfu Kunpeng slammed a punch at the dozen or so zombies that rushed towards him. Those dozen or so zombies rushed to the front are several twelfth and third-level zombies, and the back was fourteenth and fifth-level zombies. There was even a level 16 zombie behind.

"Boom!" There was a loud noise,

Huangfu Kunpeng punched all the dozens of zombies that rushed to his side and retreated, and among the few twelve-level zombies that rushed to the front, two were directly blasted into a pile of broken meat.

Even the 13th and 4th level zombies at the back, several of them were hit hard.

At this time, four or five meters around Huangfu Kunpeng's body, there were corpses of zombies everywhere. Li Tian probably glanced around and saw at least twenty or thirty zombies.

Most of the corpses of these zombies are of level 12 and level 3, but there are also two of level 15 ones.

"Strong! No loss is the third-ranked master on the Forbes strength list!" Li Tian swallowed and said.

A smirk suddenly appeared on Li Tian's face, and Li Tian thought in his heart: "Since your strength is so strong, if I don't take advantage of you, I will collect more high-level corpse crystals so that Xiao Tianyi and the captain can advance. Then how can I be right, Li Tian?"

The direction of Li Tian's teleportation suddenly changed, and his body flashed several times among the zombies. Soon, Li Tian's figure appeared beside Huangfu Kunpeng.

"Brother master, kill more zombies, don't give me face. As for the corpse crystals, we can add five to two, we can split half!" Li Tian said with a smile.

Huangfu Kunpeng snorted coldly, did not speak, but the fists of both hands did not stop, and he continued to blast towards the zombies that rushed over!

Although Huangfu Kunpeng is tough, but these zombies are like tides. After Huangfu Kunpeng kills a wave, another wave will rush up, as if it can't be killed at all.

And at this time, Huangfu Kunpeng saw that those seventeenth-eighth-level zombies had already jumped across the river, and he was about to rush to the embankment, encircling himself.

After the first contact with the 15th and 6th level zombies, two 15th level zombies were killed by Huangfu Kunpeng, and these super zombies hid behind the 12th and third level zombies. Level 7 and Level 18 zombies have also rushed over.

Seeing these higher level zombies rushing over, those sixteenth level zombies also rushed towards Huangfu Kunpeng.

"Huangfu Kunpeng, even if you are the third strongest person on the Forbes list, you don't even want to leave Kyoto alive today. The ghouls and the four guardians, the zombies, are less than a few kilometers away from here. Once they come here, you two, don't want to leave alive!" One of the sixteenth-level zombies shouted at Huangfu Kunpeng while rushing.

Huangfu Kunpeng sneered: "Want to keep me? Even if the three corpses work together, they may not be able to do it!"

This is Huangfu Kunpeng's self-confidence, and even the arrogance of the strong.

However, Huangfu Kunpeng spoke magnificently, but he was surprised. He did not expect that the ghouls were not in the core area of the city center of Kyoto, but appeared nearby.

In this way, if the ghouls and the four guardian zombies appeared together, Huangfu Kunpeng might be able to escape here, what about Li Tian?

"No, I have to get out of here quickly. Although I didn't get the information I wanted, at least I already know the news that the ghouls and the four guardian zombies were together. Just by analyzing it, you can analyze what appeared in this game. The team of a hundred zombies is definitely not a coincidence."

"And if you want to get out from here, it seems that you have to apply the forbidden technique. Even if the Legion Commander blames it, I have to use it!"

I saw Huangfu Kunpeng's body suddenly swelled up, and all his upper body clothes were torn apart by his body. On Huangfu Kunpeng's naked upper body, red runes appeared one after another. These runes looked a bit like the Taoist priests. The drawn characters are not exactly the same.

As these runes flashed one by one, the green veins and roots on Huangfu Kunpeng's body burst out, and Huangfu Kunpeng slammed his fists to the ground.

That Huangfu Kunpeng shouted like a beast, and shouted: "Come out! The Snake of Chiyan!"

On the ground, with Huangfu Kunpeng as the center, more than a dozen cracks with a width of more than one meter, a length of seven or eight meters, or even more than ten meters appeared. As these cracks appeared, the zombies on the ground were immediately shaken. , Even a dozen zombies fell directly into these gaps.

And under those ground cracks, it was not ordinary mud, but crimson magma. Once those zombies fell in, they were immediately swallowed by the magma, and there was no bones left.

At this time, those magma turned into dozens of fire snakes. Some of these fire snakes had only arms and two or three feet in length, and some even had a bowl with a mouth that was tens of feet in length.

"call!"

After these Chiyan snakes got out of the gap, they started looking for targets everywhere, and they quickly entangled several 15th and 6th level zombies.

"what!"

Those fifteenth and sixth-level zombies let out a scream, and they were burnt to a pile of ashes by these red flame snakes.

After seeing the situation, the zombies that were constantly coming over could not wait to turn around and flee immediately, but the zombies behind them didn't know what had happened before, and they continued to rush forward.

And the zombies rushing in front, like dumplings, were constantly squeezed into the cracks of the ground and turned into a pile of ashes.

Li Tian's figure has appeared on the second floor of the National Design Institute, looking at the scene in the courtyard downstairs, he was dumbfounded.

At this time, Li Tian finally knew the strength of the third place in the Forbes strength list, but it seemed that Huangfu Kunpeng hadn't used all his strength yet.

"Niu x, this ability is really a **** cow x! It's a pity that the corpse crystals of those 15th and 6th level zombies are expensive!" Li Tian is heartbroken. To say.

Li Tian thought again: "The third-ranked ones already have this kind of strength? What about the first and second-ranked ones? And how strong is the strength of the three corpses?"

Chapter 3568: Hong Zhan is back

Li Tian clenched his fist tightly.

After returning to the earth again, Li Tian thought that as long as he regained his strength before crossing, he could stand on the top of the earth again.

However, as his strength gradually became stronger, he realized that this world was really different from the time before he left.

I used to feel that the ninth-level zombies were already extremely powerful, but as Li Tian's strength gradually improved and gradually came out of the northwestern region, Li Tiancai discovered that the ninth-level zombies could only dominate the northwest region.

Above the ninth-level zombies, there are higher-level zombies.

In addition to ordinary zombies, there are also guardian zombies, and zombies directly controlled by the Three Corpses of the Kingdom of Corpses. The strength of these zombies far surpassed Li Tian's current strength.

In addition, there are three corpses, the chief culprits of these three apocalyptic ages.

To face the Three Corpses, Li Tian discovered that he still had to face humans, and these human powers also surprised Li Tian.

I don't know if the strength of the old man Wuji has changed, but Duanmuying's strength has undergone earth-shaking changes.

And Duanmuying has the guidance of the old man Wuji, and she is only ranked in the top ten in this Forbes strength list. Those who are also ranked in the top ten masters, which one is not a super master?

The tyrant Gao Gang can shake Li Tian back with a single punch. Even in front of the tyrant Gao Gang, Li Tian still has fear in his heart.

Yin Yang, the master of the gate, Yin Yang's magic sound attack, if it were not for "Red Zhan"'s reminder, Li Tian was even caught in a hallucination unconsciously.

Huangfu Kunpeng, the third-ranked master, was able to smash the ground with one punch, turning the magma under the ground into a snake of red flame!

On the other hand, Li Tian himself, Broken Soul Palm, Xuantian Fingering, and Ten Jue Sword Qi, these three most proud stunts of Li Tian are only able to deal with twelve-level zombies in this world.

But besides these three stunts, Li Tian relies more on Xiaoyasha, Mutated Crow, "Red Slash" and Nine Color Corpse Crystal! .

"It turns out that I haven't gotten much stronger! Once I leave "Hong Zhan" and Xiaoyacha, I Li Tian can hardly handle even a level 12 zombie!"

Li Tian suddenly felt weak. Although this "Red Zhan" followed Li Tian and surrendered to Li Tian, "Red Zhan" had self-awareness after all, and would always do something against Li Tian's wishes, especially this time. The anger that he flew out severely stimulated Li Tian.

"Strength, this is not my Li Tian's true strength, and Li Tian will definitely not allow me to continue to rely on Hong Zhan!" Li Tian thought in his heart.

From this moment on, Li Tian had decided not to rely too much on "Red Zhan". Whether he came back from "Red Zhan" or not, Li Tian would not be too entangled in this.

"Strength, the three Xiaoyashas have already recognized the master, and they are considered part of my strength, but this can only play a supporting role, and it does not improve my real combat power much."

"Only Broken Soul Palm, Xuantian Fingering, and Qi Yujian are my true strengths, and only Qingyun can really enhance my strength."

"Unfortunately, Qingyun now only has a part of it, and what I got is incomplete. Now Xiaoyasha has recognized the Lord, so it seems necessary to communicate with Xiaoyasha to see if I can get some more information about Qingyun from Xiaoyasha's mouth. Whereabouts. Qingyun nine articles, as long as you can get a few more articles, you can completely change it."

Li Tian looked at Huangfu Kunpeng again and found that Huangfu Kunpeng and Li Tian had killed five seventeenth-level zombies and one eighteenth-level zombie inadvertently.

But without exception, these zombies were all trapped and burned to death by Huangfu Kunpeng's Chiyan Snake.

"Damn it, that's the corpse crystal of an eighteenth-level zombie, so it was burned?" Li Tian said with a pained expression.

At this time, a seventeenth-level zombie jumped several times in a row, skipping through which gaps, and came to Huangfu Kunpeng.

The seventeenth-level zombie hadn't landed yet, and the rune on Huangfu Kunpeng's arm flickered and punched through the chest of a seventeenth-level zombie.

"Boom!" A sound.

A hole was directly blasted out of the chest of the seventeenth-level zombie. The flesh and blood of the zombie was burnt at this moment, and the black mucus had disappeared completely before it dripped down.

"Pretty, now I have a 17-level corpse crystal!" Li Tian thought in his heart.

However, in the next second, Li Tian immediately became stunned.

I saw that as the runes on Huangfu Kunpeng's body continued to flash, strands of red flames flashed out of the runes, instantly burning the seventeenth-level zombies into a pile of ashes.

"Cough!" Huangfu Kunpeng coughed violently, and as Huangfu Kunpeng coughed, the scarlet runes on his body seemed to be torn by something, gradually becoming blurred and gradually being torn apart. The possibility of cracking.

And not only the runes on Huangfu Kunpeng's body were being torn, but even the skin on Huangfu Kunpeng's body began to shatter with this tearing.

Streaks of red blood flowed out of Huangfu Kunpeng's body, and after a few seconds, traces of blood flowing through Huangfu Kunpeng's naked upper body appeared!

"Ahem! This forbidden technique really cannot be used forcibly, otherwise the body will not be able to bear it! And with the passage of time, my ability to perform forbidden techniques is gradually decreasing." Huangfu Kunpeng coughed continuously. Said the voice.

But fortunately, with Huangfu Kunpeng's forbidden skills, hundreds of zombies in this courtyard have died, and the other zombies are also constantly retreating.

Huangfu Kunpeng's gaze swept across the courtyard, and then fell on Li Tian's face that suddenly appeared, and said: "Li Tian, take the opportunity to leave here! Once the ghouls arrive here with the four guardian zombies, even I continue to use the forbidden skills, I am afraid it will be difficult for us to escape from here."

Flee, this is the first time Huangfu Kunpeng uses this term!

Li Tian raised his head and glanced at the direction where "Red Zhan" disappeared. He only saw the dark buildings under a crescent moon, and there was no shadow of "Red Zhan".

"Okay, let's get out of here!" Li Tian nodded and said.

But at this moment, Li Tian suddenly raised his head and saw a red light flashing in the dark sky.

"Hong Zhan, how could this Hong Zhan's aura be so weird? Could it be that Hong Zhan was injured?" Li Tian said suddenly in surprise.

Now that "Red Zhan" has returned, Li Tian immediately began to try to control "Red Zhan" with his mind, but Li Tian's mind just touched "Red Zhan", and there was a death wave from "Red Zhan". The breath of fear.

"Om!" Li Tian only felt his head dizzy and almost fell.

Chapter 3569: Facing the ghoul (1)

At this moment, Li Tian and Huangfu Kunpeng looked up at the direction where "Red Zhan" was flying.

A powerful aura unexpectedly followed "Red Slash". Although that powerful aura was still some distance away from Li Tian and Huangfu Kunpeng, Li Tian still saw Huangfu Kunpeng's brows wrinkle slightly, and his face was even bigger. A trace of anxiety.

Huangfu Kunpeng, the third-ranked player in the human world Forbes strength list, had such a trace of anxiety on his face, which only showed that the person who came could threaten the safety of Huangfu Kunpeng.

And in this entire city of Kyoto, including zombies and humans, there is probably only one Huangfu Kunpeng who can threaten, and that is the ghoul.

"Li Tian, hurry up, let me drag the ghoul!" Huangfu Kunpeng shouted to Li Tian, saying that the red rune pattern appeared on Huangfu Kunpeng's body again, and Huangfu Kunpeng's whole body and face were full of blood.

"Ghoul!" Li Tian said in a low voice through gritted teeth.

Li Tian couldn't wait to face the ghoul right now, and fight a fish to death, but Li Tian knew that he had no such strength at all, and he couldn't.

"Red Slash", Li Tian's most powerful reliance before, has also been injured at this time, which shows how powerful the ghoul is.

And as for Huangfu Kunpeng to drag the ghoul?

Li Tian had never thought about it this way.

Li Tian waved his hand abruptly and received "Red Zhan" in his hand. Li Tian flipped his hand and threw "Red Zhan" directly into the space of Dixing Yasha.

A few flashes of Li Tian's body appeared in front of Huangfu Kunpeng.

Li Tian put his hand on Huangfu Kunpeng's body and said, "We have killed enough tonight. We don't need to confront the ghoul to prove your strength! This ghoul, I will leave it to Li Tian to deal with it!"

Huangfu Kunpeng was startled, he didn't expect Li Tian to say such a big talk.

Three years have passed, and human society has entered the end of the world for more than three years, but no one has ever dared to say such a thing.

Even if it is all the guys in the world's top ten on the Forbes power list, no one has ever dared to say that the ghouls will be dealt with by them.

But looking at Li Tian's unwavering eyes, Huangfu Kunpeng was a little shaken.

According to the legend of Li Tian, Huangfu Kunpeng once heard some from the mouth of the legion commander.

However, as a strong man who possessed abilities before the end of the world, and a super strong man with super power after the transformation of the apocalyptic virus, Huangfu Kunpeng can only say that Li Tian's previous strength is not bad, and for Li Tian now Tian's strength, Huangfu Kunpeng was even more so despised.

However, if you know that Li Tian is not a supernatural person, that is to say, in just a few years, Li Tian has reached the highest height of a non-supernatural person.

Especially after the end of the world, Huangfu Kunpeng knew that Li Tian had his current strength in just a few months.

And Li Tian is still making progress. Given time, who can be sure that Li Tian will not have a chance to solve the three corpses?

"Okay! Let's go now!" Huangfu Kunpeng nodded heavily and said.

"Go? Where are we going? Why are we going? Don't forget our purpose of coming to Kyoto City? Is it just killing hundreds of high-level zombies and eradicating a few super zombies?" Li Tian said with a slight smile.

Huangfu Kunpeng was really puzzled this time.

"Don't go? Is it still not going to fight? Is it? Is it possible that Li Tian said that in front of the legion commander this evening to relieve the legion commander? It's not right, it is impossible for Li Tian to be a ghoul at all. Opponent, even if he has the ability to teleport, this ability is absolutely impossible to be the opponent of the ghoul!" Huangfu Kunpeng thought in his heart.

Suddenly, Huangfu Kunpeng saw that a figure appeared in the distant sky. The figure was white, and there was a circle of light blue around the white.

Ghoul, yes, it is a ghoul.

In the past, Huangfu Kunpeng had a head-on confrontation with the ghoul in the magic capital. It was a year and a half ago. At that time, the strength of the ghoul was far less powerful than it is now, and Huangfu Kunpeng's forbidden skills were far too limited. Not so powerful.

But even in that situation, Huangfu Kunpeng also fought against the ghouls in the Devil City for three days and three nights, and after destroying hundreds of buildings, they were tied.

But now, after a year and a half of strength improvement of the ghoul, I am afraid that the strength is no longer what it used to be.

Although Huangfu Kunpeng's physical skills have made great progress, the restrictions on forbidden skills are getting bigger and bigger. Compared with a year and a half ago, Huangfu Kunpeng's strength can be said to have not improved at all, it can even be said. There has been some regression.

In front of the legion commander at that time, Huangfu Kunpeng said "war" in order to reassure the legion commander. The implication is that even if they encounter ghouls, as long as Huangfu Kunpeng is there, Li Tian's safety will definitely be guaranteed.

This is just a word of relief to the legion chief.

But Huangfu Kunpeng never expected that this situation would come so soon.

"Li Tian, don't be aggressive! Even if you have the ability to teleport, you have no chance of winning in the face of this ghoul!" Huangfu Kunpeng said.

Li Tian nodded slightly and said, "I know. I didn't say that I would fight this ghoul to the death! I'm still young, I haven't gotten married yet, so many of my women haven't given birth to me. God, how could I do things that I can't think of!"

"But didn't you just say not to leave?" Huangfu Kunpeng asked in astonishment.

"Yes, not leaving does not mean that we have to fight this ghoul. We can still hide! You know that this ghoul exists in the legend, not long after I returned to the earth. After listening to this name, my

ears are almost becoming calluses. Today is an excellent opportunity to meet an idol. If I miss it, I will regret it for life!" Li Tian said with a slight smile.

"Okay! Then I will stay with you too! As long as there is my Huangfu Kunpeng, I will not let the ghoul hurt you." Huangfu Kunpeng said proudly.

Seeing Huangfu Kunpeng's unbelievable pride and his seriousness, Li Tian's heart was slightly moved.

However, Li Tian shook his head slightly and said, "Although I am very grateful to you, I really don't need it this time! It doesn't matter whether I am righteous for the human race, or for my personal grievances with the ghouls, this ghoul and the three corpses are me, Li Tian. The goal. If I, Li Tian, don't even have the courage to face this goal alone, how can Li Tian achieve the goal and surpass it in the future!"

Huangfu Kunpeng wanted to say something, but at this time the figure of the ghoul was getting closer and closer to Li Tian and Huangfu Kunpeng.

The ghoul sneered while flying and said, "Haha, Huangfu Kunpeng, I didn't expect you to appear in front of my ghoul. Today, I want you to look good!"

Chapter 3570: Facing the ghoul (2)

Seeing the ghoul suddenly coming towards him, Huangfu Kunpeng laughed and wanted to rush towards the ghoul. As soon as his body moved, Huangfu Kunpeng felt his eyes light up, and then Huangfu Kunpeng found him and Li Tian together Appeared in a small space.

There are other species in this space, the zombie Laughing Skywing, the mutant bat, the mutant crow, and three Xiaoyasha.

"This...this...what is this place?" Even if Huangfu Kunpeng was knowledgeable, but suddenly appeared in a space that was not the earth, Huangfu Kunpeng's face was still an uncontrollable surprise.

"This is the space of this young master!" Xukong Yasha landed on Li Tian's shoulder, with a proud expression on his face.

The expression on Huangfu Kunpeng's face was even more astonished.

"Space? This is actually the space of this little thing? Is this the real reason Li Tian can teleport?" On the contrary, the existence of Xiaoyacha and Xiaoyasha's ability to speak human language would not make Huangfu Kunpeng so much. Surprised.

Huangfu Kunpeng couldn't help but his gaze fell on Li Tian, wanting to find an answer or explanation from Li Tian.

Li Tian nodded slightly and said, "You heard it right, right, this is his space! If you are interested in these things, I can tell you in detail later. But now, I have to go out first. a bit!"

Without deliberately guessing, Huangfu Kunpeng could also guess that Li Tian must go out to see the ghoul.

Although Huangfu Kunpeng still didn't understand how Li Tian's teleportation was done, after seeing that Li Tian had this space with him, Huangfu Kunpeng's heart was much calmer.

With a flash of Li Tian's figure, he walked out of the void of Yasha.

At this time, in the compound of Kyoto City and the National Design Institute.

The ground cracks created by Huangfu Kunpeng, the crimson magma in the cracks, and the Chiyan snake released by Huangfu Kunpeng, have disappeared after Huangfu Kunpeng disappeared.

However, there were still some traces of burnt land and the corpses of zombies on the ground.

And "Hong Zhan" was gone, Li Tian was gone, and even Huangfu Kunpeng was gone.

The ghoul stood in the courtyard, looking at the gazes, the corpses of the zombies ran across the field, and couldn't help furious.

"Huangfu Kunpeng, I have the ability to fight with me. Our battle a year and a half ago has not yet been determined, let us fight another one." The ghoul's body quickly turned back and forth, and his eyes kept moving. Sweeping around the compound, yelling loudly.

However, in this courtyard, apart from the chilling zombies, there were no figures of Huangfu Kunpeng and Li Tian.

The ghoul was originally on the national TV station and was absorbing the power of the corpse worm, and was later attacked by the "Red Slash". Although the damage suffered by the ghoul was negligible, the four corpses were seriously injured.

The ghoul originally planned to untie the seal of "Red Slash"'s eternal forbidden technique, and then leave divine consciousness in "Red Slash", but that "Red Slash" escaped.

Following all the way, "Red Slash" has disappeared. The ghoul did not get any benefit at all this time. Instead, four corpses were injured. Moreover, the injuries of the four corpses happened in front of the ghouls. The anger in the ghoul's heart can be imagined at this time.

"Huh!"

"Huh!"

The ghoul was panting angrily, his eyes were full of blood, and he kept scanning the surroundings.

At this time, the ghoul's sight suddenly fell on the only eighteenth-level zombie on the field.

And the eighteenth-level zombies were stared at by the ghouls, and immediately walked to the ghouls tremblingly, and said to the ghouls: "Lord...Master, the monk can't run away from the temple if you run away. This Huangfu Kunpeng belongs to the Army Soul Corps. The first master, and the southeast of the army soul legion..."

The eighteenth-level zombie hadn't finished speaking yet, the ghoul suddenly stretched out his hand and grabbed the eighteenth-level zombie's neck, and then said with a sneer: "You mean let me go back to the magic capital to find Huangfu Kunpeng go to settle the accounts? If this is the case, what use do I want your trash to do?"

The eighteenth-level zombie said in horror: "No...Don't dare! But Master, before you come, that Huangfu Kunpeng and another young man cooperate tacitly, that man will constantly perform the ability of teleportation. We have nothing to do with that man, but we have forced Huangfu Kunpeng to use a trick. As long as we give us enough time, we can definitely kill Huangfu Kunpeng!"

"Man? You don't even know that the man is Li Tian? It seems that the zombies in Kyoto City are too comfortable to live, and they don't even know Li Tian's name!" The ghoul sneered and said, "That's the case. , I want you this group of waste to be...use...place!"

The power of the light blue corpse on the ghoul's arm soared, and with a sudden force, the head of the eighteenth-level zombie was down.

"Gurulu!" The head of the eighteenth-level zombie rolled on the ground a few times and stopped.

The ghoul stretched out another hand and slammed into the body of the eighteenth-level zombie, actually tore the eighteenth-level zombie's body in half.

The other zombies present were immediately frightened by the ghouls and kept backing away, and even a dozen zombies were squeezed into the river directly.

"Find it for me, even if you turn Kyoto city upside down, you will find Huangfu Kunpeng, no, you will find Li Tian's figure!" The ghoul suddenly roared at the other zombies.

At this moment, Li Tian suddenly appeared in the courtyard.

Li Tian and the ghoul looked at each other.

Immediately, a sneerful smile appeared on the ghoul's face and said, "Li Tian! You dare to appear in front of me?"

The ghoul's gaze slowly moved to Li Tian's palm, and he found that Li Tian's hand was not "Red Slash", and the ghoul's face was involuntarily disappointed.

As for Li Tian, he just wanted to meet the ghoul head-on when he came out, giving him a basic impression.

However, when Li Tian saw the ghoul, he saw the two halves of the eighteenth-level zombies next to the ghoul, but Li Tian's eyes fell involuntarily on the ghoul less than two meters away. The head of an eighteenth-level zombie.

At this time, the ghoul also saw Li Tian's sight falling on the head of the eighteenth-level zombies, and the ghoul's face involuntarily showed a trace of mockery.

"Does Li Tian still want to **** the heads of these eighteenth-level zombies from my ghoul?" The ghoul thought in his heart.

However, at this moment, Li Tian's body suddenly disappeared out of thin air.
