Chapter 3641: Death of the White Robe (2)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. !" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3644: Second floor

The Celestial Legion has built a fortress in the Qinling Mountains. This fortress is not magnificent, and even looks a bit shabby, just like a cottage for bandits who have fallen into the grass. .

But with this shabby fortress, with the strength of the Celestial Legion, it can completely resist ordinary zombies.

When Li Tian left the Qinling Labyrinth, in order to prevent others from entering the Qinling Labyrinth by mistake and taking away those treasures, Li Tian ordered Tang Xiaolong to collapse the entrance of the entire Qinling Labyrinth and temporarily blocked it so that he could come back later. take.

After returning to the fortress built by the Celestial Legion in the Qinling Mountains, Tang Xiaolong brought mutant crows, mutant bats, and Xiao Tianyi to the outskirts of Beitang to hunt and kill zombies, and Bai Jing, barbarians, captains and others immediately began to attack the heavens. The corps conducts rectification and training.

On the other hand, Li Tian and Situ Ningbing went directly to the back mountain of the Qinling Fortress, and came to a relatively sheltered place in the back mountain. Li Tian took out the moral scriptures and handed them to Situ Ningbing, and Situ Ning Bing began to explain to Li Tian the practice formulas for the second layer of Qingyun in the moral truth.

There are nine layers of blue clouds, one layer and one layer.

It's like climbing a peak, every level has every level of scenery.

On the first layer of Qingyun, it felt like a set of internal strength combing exercises for Li Tian, which could allow Li Tian to completely sort out the internal strength that Li Tian had previously practiced, fill in the deficiencies, and further improve Li Tian's internal strength.

And every time Qingyun first practiced, Li Tian would have a better understanding of the internal strength he had previously cultivated, and Li Tian's internal strength cultivation would also be improved. The power of Broken Soul Palm and Xuantian Fingering were extremely powerful. Big improvement.

But although the first floor is extraordinary, Li Tian still feels that it stays on the level of the human world. At best, it is high-end and relatively high-end.

But as soon as he began to cultivate the second layer of Qingyun, Li Tian immediately felt the difference.

The second layer of Qingyun is the Tao of Dao De Jing. It is very Tao, and its name is very famous. It starts with a very famous name. It talks about the laws of nature and the essence of things. It immediately appears tall.

Li Tian could not be regarded as a genius in cultivation. When Situ Ningbing finished explaining the moral truth, Li Tian was completely silent.

But Li Tian didn't start practicing, but was experiencing the second level of Qingyun.

At this time Li Tian forced his eyes.

But Li Tian seemed to be sitting on the mutant crow, flying above the blue sky, feeling the white clouds flying by the mutant crow.

White clouds seem to be tangible, but intangible in reality, seem to be tangible, but in reality they are shapeless, changing with the wind and flowing at any time. This gave Li Tian a better understanding of the internal power in his body.

Internal force is like a river in the veins, from trickling to surging, the amount of internal force is constantly changing, but Li Tian's understanding of internal force only stays on it.

But after cultivating the second layer of Qingyun, Li Tian's majesty suddenly opened, as if he was stuck in a deep mountain. The woodcutter, who had been with the creek all the year round, suddenly climbed to the summit. Suddenly, the sight of my eyes suddenly opened up, and the change of the stream I had been paying attention to became an endless cloud in the distance of the sky.

Yes, why must the internal force be a river? Even if you change from a small stream to a big river, you cannot escape the fate of the river.

Couldn't it be the clouds and the clouds above the blue sky?

The internal force can be a cloud, it can be a soft white cloud, which makes you feel weak and weak, or it can be a dark cloud, which makes you feel that there are thousands of changes in it, and there is also thunder and lightning.

At this time, Li Tian felt that the second layer of Qingyun was not only a set of smooth internal skills, but a set of combat skills.

Li Tian forced his eyes, but he felt that there was a dark cloud in front of him, and the dark cloud was rolling, pressing quickly toward the distant city.

The dark clouds pressed the city to destroy it.

In front of the billowing dark clouds, the power of humans suddenly appeared extremely small, let alone human beings, even that entire city seemed likely to be crushed by the billowing dark clouds.

As the scenery in front of Li Tian changed, the surging internal force in Li Tian's body constantly impacted Li Tian's body, as if a beast trapped in a cage wanted to tear open the cage and rush out.

But this internal force can't just be like a beast, and the cage of this vein can be broken through.

Soon, the internal force in Li Tian's body began to change, and the changes became big rivers and rivers. These big rivers and big rivers converge to the sea, and the wind rises with waves, and the waves hit Li Tian's veins higher and higher.

Even if it is a sea wave, at best, it only washes the coast, and it cannot open its veins.

But soon, with Li Tian's continuous understanding of Qingyun, Li Tian could clearly feel the rapid changes in the internal forces in his body, the waves gradually calmed down, a round of red sun rose high, and internal forces lifted into the sky like water vapor, changing into clouds.

And at this moment, a faint cyan color was formed on the surface of Li Tian's body, which is a manifestation of internal force.

Li Tian opened his eyes abruptly, a flash of light flashed in his eyes, and Li Tian burst into a shout, and then slapped a palm at a huge stone hundreds of meters away.

"Boom!" With a sound, a huge stone weighing more than ten tons was blasted into a pile of debris by Li Tian's palm.

You must know that the distance between Li Tian and the rock is several hundred meters away. Even if the ordinary firearm is fired several hundred meters away, the strength of the bullet will be weakened.

But Li Tian's palm completely shattered the stone.

Seeing this scene, Situ Ningbing was completely shocked.

The power of Li Tian's palm was at least several times higher than the power of the previous broken soul palm.

Don't underestimate the improvement of several times, like Li Tian's current cultivation base, every step is very difficult, unless there is any special opportunity.

But now, just after practicing the second layer of Qingyun, the power of Li Tian's Broken Soul Palm has been doubled.

Moreover, Situ Ningbing also discovered that Li Tian should not only have increased the power of his palm.

The current Li Tian gives people an indescribable and unclear feeling, as if Li Tian unconsciously exudes a kind of high above, looking at the small mountains.

But this kind of breath is not ridicule, not contempt, not contempt!

"What you used was Broken Soul Palm?" Situ Ningbing asked.

Li Tian nodded, shook his head again, and said, "It's Broken Soul Palm, not Broken Soul Palm! This is the Broken Soul Palm after Qingyun's transformation!"

With that said, Li Tian shot seven or eight palms to the top of the mountain in the distance. Every time he performed the palm technique, Li Tian could see that a blue light flashed on his arm, and his palm. When Fa bang went out, there was some blue aura.

"boom!"

"boom!"

In the distance, the top of the small mountain a hundred meters away was collapsed directly by Li Tian's broken soul palm.

"So strong! Now the power of this palm can definitely kill a fourteenth-level zombie, even if it is a fifteenth-level zombie, it may not be impossible to kill it!" Li Tian couldn't help but sighed.

Chapter 3645: Mastery

"The emperor, you really misunderstood... The court concubine really didn't mean that. The court concubine just heard the two adults talk about entering the palace to see the emperor. By coincidence, the court concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free for the time being. In addition, seeing the two adults walking in a hurry and looking tired, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay a visit. The concubines really did not have a trace of wrongdoing. Ah!" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is good, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and raised her face, smiling so that Fengyun changed her color: "Ears are fictitious, seeing is believing, what I see with my own eyes is still false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3646: Intentionally (1)

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. Just after being left behind, Xia Yuqing immediately hugged Feng Tingye's thigh and wailed, and for the sake of reality, she secretly twisted her thigh, which made her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is good, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and raised her face, smiling so that Fengyun changed her color: "Ears are fictitious, seeing is believing, what I see with my own eyes is still false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be suppressed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or bad. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

Chapter 3649: Crazy fans

"Who is it? That's so awesome? Xiao Li actually opened the door himself!"

"I don't know, people who can drive luxury cars are not in our area compared to people!"

When Li Tian walked out of the car, someone asked questioningly: "Who is this person? How does it feel like he looks familiar!"

"Who?...this...isn't this Li...Li Tian?" Suddenly someone recognized Li Tian and said excitedly.

"Li Tian? It's that... that..."

"Nonsense, the one that comes out and the other one?"

At this moment, these people in the shade immediately surrounded them in twos and threes, their faces were full of excitement, and their eyes flashed with excitement.

"Xiao Li, do you really know Master Li Tian?" someone said.

Xiao Li nodded proudly and said, "That's natural. I said before that I knew Master Li Tian, and you all thought that I was bragging. Even the autograph signed by Master Li Tian is fake. Now You finally believe it!"

"Believe, why don't you believe it." Those people said embarrassedly.

"Master Li Tian, Master Li Tian, can you sign us? You don't know that Xiao Li, since he got your signature, is like a family heirloom. Don't let others see or touch. Envy us to death. So we deliberately said that the signature was fake!"

"Yes, that is, Lord Li Tian, sign us! The most supportive of the residents of our compound is you. After you entered the finals, the people in our compound have become your most loyal fans. "

At this time, I don't know who was the first to pass the news of Li Tian's arrival in the courtyard. Hundreds of people rushed out of the room in the hundreds of families living in this compound.

Some people had already taken off their clothes and went to sleep. After hearing the babble outside, knowing that it was Li Tian, these people were excited and ran out wearing a piece of clothing.

For a while, I don't know how many sisters-in-law Liang's eldest daughter-in-law evacuated accidentally, but at this time everyone's attention was focused on Li Tian, and who would care if they evacuated.

Li Tian had already signed dozens of signatures at this time, but the person who got the signature did not go back and still followed Li Tian, while those who could not get the signature behind kept squeezing forward.

The entire compound courtyard is a sea of joy, and the residents on the buildings near the compound courtyard curiously opened the windows and looked towards the compound courtyard.

At first they thought it was fighting here, but then they realized that it didn't seem to be the same thing.

At this time, people who were extremely deficient in the spirit of the apocalyptic times walked out of the room one after another and came to the Zazayuan to know what happened here.

"What? Li... You mean Master Li Tian came to this compound? How is this... possible? Master Li Tian is a superior figure, how could he come here!" said a bald man.

"This is absolutely true. You know Xiao Li who suddenly became rich. Didn't he just bet on Li Tian before he suddenly became rich?"

"At that time, it was not only Xiao Li who got rich. It is not necessarily that Xiao Li and Li Tian knew each other. Since Li Tian became popular, Amao and Gou said he knew Li Tian, and some even said he was Li Tian's son." The bald man said disdainfully.

"Who said no, Li Tian is now the national husband of all unmarried women in Kyoto, the dream lover of all married women. But Xiao Li is not a woman, and Xiao Li has Li Tian's autograph in his hand!"

At this time, someone was squeezed out of the crowd, but the person's face was still full of excitement, and he shouted excitedly: "I got it, I finally got Master Li Tian's signature.

"Really... is it really Li Tian?" The bald man who was skeptical just now also asked with some doubts.

"Nonsense, if it were not for Li Tian, so many people would not sleep in the middle of the night?" the man said.

The bald man suddenly pulled away from the crowd and squeezed in desperately, shouting as he squeezed, "Hey, my husband, I'm here..."

Li Tian didn't expect him to be so hot now.

In fact, it's no wonder that Li Tian should be the most powerful person who participated in the Forbes power competition.

But Li Tian retired halfway, which made everyone feel a little bit difficult to give up.

Later, after the other contestants got their results, they took part in the talk show on the TV station one by one and marched in Kyoto City.

Of course, their parades are also carried out in Kyoto City, and will not come to these civilian areas.

Therefore, people in these civilian areas are more eager for idols, let alone Li Tian!

There were more and more people in the courtyard. Those who could not get Li Tian's signature would reach out and grab Li Tian's clothes.

"Ah... I, I'm so excited, I got it, I got Li Tian's clothes... Fragments!" someone suddenly exclaimed.

"Damn, don't you want Li Tian's autograph? Why are you tearing Li Tian's clothes now?"

"The signature is only the one of Xiao Li that is the most valuable. Now that there is no value in the fragments of Li Tian's clothes in the front of this batch, you can smell it, and the body fragrance of Li Tian!"

"What you said seems to make sense, if that's the case, then I'm not welcome!"

Others immediately began to learn, and began to tear Li Tian's clothes one after another. Even if Xiao Li and the barbarian were protecting Li Tian, the clothes on Li Tian's body were still torn one by one.

Even Xiao Li and Manzi are not immune.

Fortunately, when Li Tian was surrounded by people, Situ Ningbing and Xue Ji had already retreated into the car, otherwise they would not be spared.

"Lee... Master Li Tian, let's squeeze it out, and my underwear will be pulled off in a while!" Xiao Li just pulled his pants and said with a sad face.

"Brother Tian, and me, I now have only one pair of underwear that is complete, and the other clothes have become pieces of cloth!" The Manzi also said with a sad face.

If this continues, let alone visit Xiao Li's house, it will be a question whether Li Tian can retreat tonight. Seeing more and more crazy fans, Li Tian could only take Manzi and Xiao Li into the space of Void Yasha.

Li Tian suddenly disappeared, but the surrounding crowd hadn't noticed it for a while, and then some strange noises suddenly appeared in the courtyard.

"Don't talk, my clothes are almost finished by you guys!"

"Who the **** touches my ass?"

"Damn, I'm about to be squeezed into a miscarriage, can you be gentle..."

Chapter 3650: Emergencies

In the space of Void Yasha.

When the captain saw Li Tian and the others, he turned around and turned his back to Li Tian and the others.

Li Tian really couldn't understand it. The captain was a zombie, and according to the age of a human, he was just a little loli. How could he know so much? Also know shy!

Looking at the barbarian, he found that his expression was very strange.

"Could it be that the barbarian beast has done some shameful things to the captain" Li Tian shivered involuntarily when he thought of this.

It's better not to think about this kind of heavy taste.

The barbarian immediately explained: "Brother Tian, don't get me wrong. In fact, we both have a very pure relationship between men and women!"

"Damn, the relationship between men and women is still pure! Everyone is an adult, no need to explain!" Li Tian said with a smile.

Today, Li Tian was a little embarrassed by those crazy fans. At this time, the clothes on his body only had the function of covering up, but Li Tian was quite happy in his heart.

When he was in Liaocheng, Li Tian also dreamed of becoming a big star one day, besieged by many fans, and then signed to others. But at that time Li Tian was just a poor boy, and becoming a big star can only be thought of in his mind.

Later, Li Tian met Situ Ningbing and entered the city of Kyoto. As Li Tian's strength gradually improved, Li Tian also had some reputation, but after all, he had never enjoyed such treatment.

Today's encounter can be regarded as fulfilling Li Tian's star dream.

"Xiao Li, there are so many fans outside today. I am afraid I can't go to your house as a guest. When I have the opportunity in the future, I will disguise and dress up, and then come to your house as a guest!" Li Tian said.

Although a little regretful, Xiao Li also knew that in this situation today, Li Tian couldn't continue to visit his house anyway.

Xiao Li said with some embarrassment: "Lord Li Tian, can I call you Heavenly Brother like them?"

"Of course!" Li Tian said happily.

Xiao Li's face was immediately full of excitement, and he said, "My God, today is my poor consideration, which is causing you trouble. You must come to my house when you have time? I want to thank you very much. you!"

"Thank me? Why?" Li Tian asked.

"Before I met you, I was just a small person from the lowest level in Kyoto City. Every day I live a precarious life, and I have to worry about the food, clothing, housing and transportation of that day.

"But since I met you, especially after I used the corpse crystals you gave me to bet, my life has completely changed. Although I am still mixed in the civilian areas outside Kyoto City, now I have a certain I also found a woman who loves me and can own a place of my own here. Now I am still doing some simple business, and our lives have changed drastically."

"All of this is bestowed by you by BAITIAN! It can be said that you are my reborn parent, so you have to give me a chance to thank you anyway!" Xiao Li said.

Li Tian didn't expect that one thing he accidentally did could change a person's destiny.

"Okay, I will give you the opportunity to thank me!" Li Tian said.

At this time, everyone's clothes were torn in a mess, but fortunately Li Tian was prepared.

In the space of Void Yasha, Li Tian always prepared some food, drinking water, clothing, medicine, etc., so as to avoid the trouble of carrying a backpack.

After he changed his clothes, Li Tian left the space of Void Yasha, and then teleported a few more times, avoiding the eyes and ears of many fans, and then both Xiao Li and the barbarians were released from the space.

Then Li Tian hid aside and asked Xiao Li to try to distract the fans in the courtyard, and then asked Manzi to drive the car out, and then he got into the car and drove away.

Situ Ningbing and Xueji witnessed the embarrassment of Li Tian and others. After Li Tianyi got in the car, the two immediately joined forces to tease Li Tian.

"Isn't this Lord Li Tian? I'm a fan of yours, please sign me!" Situ Ningbing said.

"Master Li Tian, the Nujia loves you so much, you touch the Nujia's heart, and now you are jumping so hard, the Nujia is really excited and excited!" Xue Ji said.

Had it not been for a barbarian, Li Tian would have rushed directly over, held the two naughty women in his arms and hit their **** fiercely, making them daring to be naughty.

"You two wait for me! Tonight, let's see how I clean up you two!" Li Tian whispered to them.

When Li Tian said this, Situ Ningbing and Xue Ji immediately blushed.

When Tian and others entered the downtown area of Kyoto City, it was already almost 12 o'clock in the evening. At this point in time, it is obviously not realistic to find Tang Feifei.

Li Tian asked the barbarian to drive directly to the hotel where he stayed when he visited Kyoto last time.

In order to avoid trouble again, Li Tian asked Situ Ningbing and Xueji to go to the front desk to open four rooms, one for Li Tian, one for Barbarian, and the captain, and one for Situ Ningbing and Xueji.

That night, Li Tianxian called the old man Wuji and Ande respectively, telling them that he had arrived in Kyoto.

Li Tian said to do it. In the room of Situ Ningbing and Xue Ji, Li Tian and the two big beauties did some shameful things together, and they were exhausted all the time. Li Tian hugged the two beautiful people safely. Fall asleep.

Early the next morning, Li Tian woke up vigorously from the arms of Situ Ningbing and Xue Ji, and went to the headquarters of the Bounty Hunters Association after a brief wash.

Li Tian is now the supreme king of the Bounty Hunters Association. Since he has returned to Kyoto City, Li Tian must and has the obligation to report once to the Bounty Hunters Association.

As soon as he entered the square of the Bounty Hunters Association headquarters, Li Tian saw that a larger bronze statue had been added to the square. This bronze statue is five or six times larger than the bronze statue of the twelve powerful men. It stands on the square and looks particularly majestic.

In front of this bronze statue, from time to time, members or tourists who come to the headquarters to take the Bounty Hunter Rank Exam take pictures here.

As soon as Li Tian appeared, it immediately caused confusion here again. Those tourists and bounty hunters who came to take the exam stopped and saluted Li Tian, but no one dared to come up and disturb Li Tian.

Li Tian, now the number one player in the Bounty Hunter Association, deserves such respect.

At this time, at the entrance of the lobby of the Bounty Hunters Association headquarters, the five elders of the Five Old Associations were all standing at the door.

Seeing the five elders looking around as if waiting for someone, the faces of the bounty hunters who entered and exited all showed puzzled expressions, and they wondered who these five elders were welcoming?

At this time Li Tian walked over from the square, and the bounty hunters saw Ander, the little dwarf almost running to meet him, and the puzzled bounty hunters were relieved.

It seems that the Supreme King and the Five Elders will be on an equal footing is just a rumor.

"Ande, how am I embarrassed to let you meet in person?" Li Tian said embarrassedly.

Ande briefly exchanged greetings with Li Tian, and immediately stepped into the topic. Ande said with a serious expression: "Li Tian, at seven o'clock this morning, Donghai City was suddenly attacked. In just half an hour, Donghai The city is completely lost."

"Donghai City? How could it be possible! That city is now the second largest city in the country after the end of the world!" Li Tian said in surprise.

Li Tian immediately realized that the situation was serious, and the expression on his face became serious involuntarily.

Now the second largest city in the country has been attacked, and it has been completely lost in just half an hour. What a terrifying strength is needed to do this!

"Just now, the Five Lao Club held an emergency meeting, asking the Supreme King to lead Xiao Qiuman and other four twelve powerhouses to Donghai City immediately! The helicopter is already waiting for you over there!" said Wu Lao.

Knowing that the situation is serious, Li Tian also knows that it is time for his supreme king to perform, and said: "Okay! I understand, but I have to go to the Agricultural and Commercial Association for important things, and my people. I'm still in the hotel now, and I have to take my people with them. Their strength does not have to be weaker than the top twelve."

"Thank you so much! We will arrange for someone to pick you up right now. Now you get on the helicopter first, and when you arrive at the Agriculture and Industry Association, you will get off the plane to handle your affairs, but remember, you must go quickly. Back." Elder Gu Liang said.

Li Tian nodded vigorously.

"Emergency! Let the entire Bounty Hunter Association see the strength of their Supreme King!" Li Tian thought in his heart.
