

## A Killer 3651

### Chapter 3651: Don Feifei's pain

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart. !" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring:  
"Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then...  
"Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3652: Arrived in the East China Sea

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. Chapter 3653: Incredible

After flying over half of Donghai City and looking down from the helicopter, the entire Donghai City is a \*\*\*\* on earth. There are ruins everywhere, and there are scenes where zombies are devouring corpses, but there is no living human being seen.

As if it had suffered a super earthquake, all the buildings in Donghai City collapsed. Only the circle of skyscrapers in the center of Donghai City survived to stand alone in the middle of the city.

At this time, all the people on the plane had lost the words to describe their horror.

The big city with a population of nearly one million was destroyed in this way, and these people still don't know how many people survived.

After the last days, it is really not easy for humans to survive.

More than a dozen helicopters accelerated to the East China Sea Building, which is a 65-story skyscraper. There are also several 40-story skyscrapers around the East China Sea Building. These buildings are the same as the East China Sea Building. The roof is equipped with apron.

"Everyone, we are now ready to land. After the helicopter has landed, except for the fighters guarding the helicopter, other personnel will immediately start investigation and search and rescue. If the survivors can be found here, they will immediately be brought to the place where their regiment or association is located. The tarmac is waiting for the return of other personnel. If it is in danger, immediately launch a signal flare. After seeing the flare, people nearby rush to rescue immediately." Sheng said.

After a pause, Sheng went on to say: "Everyone, this is not Kyoto City, it is not safer than Kyoto City, so please be alert, I don't want any of you to stay here!"

A dozen helicopters finally landed on top of eight skyscrapers. On average, there were basically two helicopters parked on each building.

"Master Li Tian, according to the instructions of the Five Old Associations, we first need to find our staff at the East Sea City Branch of the Bounty Hunter Association. I don't know how you will arrange it?" When the plane landed, Xiao Qiuman came to Li Tian and said .

"Okay, let's go to the branch first!" Li Tian said.

Xiao Qiuman unfolded a brief map of East Sea City, and pointed his hand on the map and said, "But our East Sea City branch is located here, near the pier. This place is quite far away from where we are now. We will meet The commander of the Holy Legion has completely lost contact with them. I am afraid that then..."

Xiao Qiuman didn't finish speaking, but Li Tian understood that Xiao Qiuman was worried that if he encountered danger, the Bounty Hunter Association might be left alone.

Li Tian waved his hand and said, "Go to the branch. Now that East Sea City has completely fallen, we don't know if anyone in our branch is still alive, but this is not the reason for us to give up. If all of us in the Bounty Hunter Association If you don't search and rescue them, who else can they count on?"

Hearing Li Tian's words, several twelve powerhouses, including Xiao Qiuman, showed respect to Li Tian in their hearts.

"Master Li Tian, in fact, before today, I felt very unconvinced about your position as the Supreme King. Although the other twelve powerhouses did not say anything, they probably have the same thoughts as mine. "

"In my heart, you used to think that you are just a newcomer. Why can you stand on top of our top twelve, and even sit on an equal footing with the five elders. And you are not present in the association, and your contribution to the association is also very high. The number is limited. But just now, I apologized to you just because of your words."

"You are right. At this time, if we don't save our own people, who else can they count on? Although our Bounty Hunters Association is a loose organization, we will never let them We ourselves are disappointed with our association. Li Tian, you and I are convinced!" said Zhang Ming, one of the top twelve experts.

Zhang Ming is Su Lao's subordinate.

After Liu Lao withdrew from the Wu Lao Hui, Su Lao's position in the Wu Lao Hui also suffered some impacts, and Zhang Ming's life as Su Lao's subordinate was naturally not easy. Therefore, after Li Tian became the supreme king, Zhang Ming Li Tian was full of rejection.

After receiving the task of coming to East Sea City, Zhang Ming knew that the team leader was Li Tian, Zhang Ming held an attitude of non-cooperation and non-resistance in his heart. When he arrived in East China Sea City, Zhang Ming saw the tragedy of East China Sea City, and Zhang Ming's heart had actually started to retreat.

However, what Li Tian said just now made Zhang Ming feel a little ashamed. He felt that compared to Li Tianlai, Zhang Ming, as the top twelve powerhouse, was clearly inferior.

Mo Jianyuan, who didn't speak much along the way, showed a hint of impatient expression on his face, and said, "It's so troublesome! Are you going or not? Whether you go or not, I take the initiative to ask Ying to stay here to guard the helicopter! "

Li Tian glanced at Mo Jianyuan, then nodded and said, "Since you take the initiative to invite Ying, you can stay here! You must protect the safety of the helicopter and the pilot. If necessary, you can retreat first."

"Retreat first? The periphery of East China Sea City can be completely surrounded by zombies. If the helicopter retreats, then we will be trapped here in the end?" Hearing Li Tian's words, the other twelve powerhouse was called Gu Liang Hongtu's woman said.

This red picture of Gu Liang is the niece of Elder Gu Liang, and she looks a bit similar to Elder Gu Liang.

"Hongtu, since Master Li Tian ordered this, then he must have his arrangement, we just need to implement it!" Xiao Qiuman said.

After everything was arranged, Li Tian took Situ Ningbing, Xue Ji, Manzi, Zhang Ming, Xiao Qiuman, and Gu Liang Hongtu into the East Sea Building from the top of the East Sea Building.

After entering the East Sea Building, Li Tian found that although the power supply system of the East Sea City had been damaged, fortunately, the backup generator of the East Sea Building was still operating normally. Therefore, there is still electricity in the building, and the elevator is operating normally.

Li Tian also brought the captain out of the space, and then asked Situ Ningbing to take the Barbarian, Xue Ji and the captain to search the top floor, while Li Tian led the others to the lower level.

After half an hour of careful searching, Li Tian and others were in the third-to-last round.

The search results were very unsatisfactory. The two floors were empty. It seemed that these people had escaped when the city was attacked, and there were no zombies on the two floors.

Everyone continued to search down.

Situ Ningbing took the barbarian and others to the 63rd floor, while Li Tian took the others to the 62nd floor.

As soon as he arrived on the 62nd floor, Li Tian saw that the elevator of the Donghai Building was actually going up, and at this time the elevator had reached the 50th floor.

"Are there other people in this building now? Could it be that they saw our helicopter go up in this elevator?" Xiao Qiuman said to himself.

Li Tian was not sure.

Li Tian also pressed the elevator up button, and then gestured to Xiao Qiuman, Gu Lianghongtu, and Zhang Ming, asking them to wait for the elevator to arrive.

With a "ding", the elevator reached the 62nd floor, the elevator door slowly opened, and then Li Tian saw a picture that made him feel incredible.

"This...what the \*\*\*\* is this?"

Chapter 3654:

The one in the elevator was neither a human nor a zombie, but a lower body with eight tentacles, but the upper body was a human body and head. And the arm position of the office worker is not the arm, but the other two shots, but this guy is wearing human clothes and even a hat.

octopus? Zombie?

Li Tian can feel that the upper body of the zombie should be at level 14, but the lower body of the octopus, what the \*\*\*\* is this?

Is there such an evolution after the last days?

Seeing this octopus zombie, everyone including Li Tian was taken aback for a moment, and suddenly it seemed as if 10,000 grass mud horses ran past.

From the last days to the present, there has never been such a funeral, and for a while, Li Tian and the others' brains were somewhat overwhelmed.

And this octopus zombie probably didn't expect that the elevator would suddenly stop on this floor, and it didn't react for a while, so Li Tian and others looked at the octopus zombie, and the octopus zombie looked at Li Tian and the others.

But this calm lasted less than half a second.

Seven or eight tentacles of the octopus zombie clung to the elevator door at the same time, and then his body was like a slingshot, and flew from the elevator car to Li Tian.

When the octopus zombie moved, Li Tian, Xiao Qiuman and others attacked the octopus zombie at the same time.

And the octopus zombie faced the siege of Li Tian and the other four people without the slightest fear on his face. Two of his eight tentacles were used to walk like human feet, striding forward on the ground. The other six tentacles entered but attacked the other three at the same time.

"Your sister, this is a one-to-four rhythm! Who gave you so much confidence?" Li Tian muttered in his heart.

In fact, at this time, Li Tian could use teleportation to avoid the octopus zombie's attack, but Li Tian did not avoid it, and threw the "Red Slash" in his hand like a flying knife, controlling the "Red Slash" in his heart. The head of the octopus zombie slashed over.

Li Tian wants this octopus zombie to understand: Don't pretend to be forced, pretend to be slashed by "Red Slash".

Seeing that this "Red Slash" had already galloped towards the head of the octopus zombie, blood was splashed for five steps, but at this moment, there was a mocking smile on the face of the octopus zombie, and then Li Tian saw it suddenly. In the meantime, the two tentacles of the upper limbs of the octopus zombie shook suddenly, and instantly drew two arcs in the air, and then wrapped them accurately on the hilt.

That "Red Slash" was actually controlled by octopus zombies.

Li Tian's face was about to turn green.

What is slapped face? This is called slapped face!

But at this time, Li Tian was still lucky.

After the "Red Slash" was controlled by the octopus zombies with tentacles, the octopus zombies could no longer spare their tentacles to deal with Li Tian.

But Xiao Qiuman, Gu Liang Hongtu, and Zhang Ming, the three top twelve experts of the Bounty Hunter Association, did not receive such treatment. As soon as they played against each other, the tentacles of the octopus zombie were like soft whips with open eyes. The weapons in the hands of Qiuman and the others attacked the octopus zombies, and the tentacles of the octopus zombies were already entangled in the hands of Xiao Qiuman and the others, making them unable to use them!

All of this was a matter of electric light and flint, which made Xiao Qiuman and others suddenly caught off guard. They saw that Li Tian's swordsmanship with Qi was restrained at this time, which made Xiao Qiuman and others feel that There is such a thing.

And the octopus zombie showed a cold smile, and his body kept increasing strength, exerting strength on the restrained arms of Xiao Qiuman and others. Zhang Ming, this man is better, Xiao Qiuman and Gu Lianghongtu two The hand holding the blade has turned blue.

This octopus zombie not only has to pick four, but it still wants to destroy Li Tian and other four people!

Is it tolerable or unbearable.

Li Tian burst into a shout, attracting the attention of the octopus zombie, and then Li Tian continued to control "Red Slash" with his mind, and forced "Red Slash" to break free, while using his left and right hands at the same time. Octopus zombies are two consecutive palms.

"Boom!" With a sound, the broken soul palm exploded on the octopus zombie.

In an instant, the clothes on the octopus zombie were blown to pieces, and in the chest cavity of the octopus zombie, a blood pit the size of a palm was blown out by Li Tian's broken soul palm.

The black mucus continued to flow out along the wound, but Li Tian's main force fell on the waist of the octopus zombie.

Li Tian saw a very obvious stitching mark on the waist of the zombie, as if the octopus zombie's body was deliberately stitched on the octopus. Judging from this point, it can be seen that this octopus zombie was not completed by natural evolution, but by artificial transformation.

The octopus zombie did not expect Li Tian's palm power to be so powerful. His body retreated several steps in a row, hitting the elevator door heavily, and sagging the elevator doors.

The huge explosion produced by the broken soul palm actually blasted the ceiling of the building close to the elevator, and the fragments flew all over the sky, blocking the octopus zombies and Li Tian.

Suffering such a huge attack, the octopus zombie violently threw Xiao Qiuman and the others out, slammed into Li Tian, and violently pulled the tentacles, and directly inserted Li Tian's "Red Cut" Into the ground until the handle.

Seeing Xiao Qiuman and the other three collided, Li Tian thought about it and withdrew half a step. On one side of his body, his left and right hands took Xiao Qiuman and Gu Liang Hongtu down one after another. At this time, Zhang Ming's body had already hit Li Tian. Body.

Fortunately, Li Tian and Zhang Ming only felt some pain in their bodies, and were not injured.

And the octopus zombie used two tentacles to press on the elevator door frame, once again made a slingshot posture, and flew towards Li Tian and others, and while galloping, the eight tentacles of the octopus zombie seemed to be Like eight straight iron spears, they stabbed Li Tian and others forcefully at the same time.

"Huh!"

"Huh!"

"Huh!"

There are nearly seven or eight meters long tentacles, constantly stab Li Tian and others, forming countless gun shadows in the air!

Li Tian and others are all human beings, no more than the bodies of zombies. Once they are stabbed to the point by these tentacles, they are basically millions.

At this time, Li Tian didn't care about preserving his strength. He stretched out his hands to wrap Xiao Qiuman, Gu Lianghongtu, and Zhang Ming together. After performing an instant movement, he instantly appeared in the corridor ten meters away.

"Li Tian, why is this octopus zombie so powerful? The zombies have been able to top four or five fourteenth-fifth-level zombies!" Xiao Qiuman said, rubbing her wrist.

The strength of Xiao Qiuman and others is to deal with twelfth-level zombies. It is already a bit difficult to deal with thirteenth-level zombies. Now letting them deal with fourteenth-level octopus zombies is completely beyond their strength.

Humph! You have eight tentacles, and I have one mind and three purposes, so let us fight it upright! It also happened to test my Li Tian's strength improvement in practicing Qingyun Yi Lai.

Chapter 3655:

Li Tian controlled "Red Zhan" with his mind and found that although "Red Zhan" was inserted on the ground, it was not motionless. As long as Li Tian used his strength, he could still pull the "Red Zhan" out of the ground.

It's just that this octopus zombie seemed to be very afraid of Li Tian's "Red Slash", so Li Tian was not anxious to pull "Red Slash" out, but prepared to attack suddenly and surprise the octopus zombie.

At this time, Li Tian had already opened a distance of more than ten meters from the octopus zombie. Li Tian immediately used his soul-cuffing palm and kept blasting towards the octopus zombie.

And at the moment Li Tian used the broken soul palm, the octopus zombie suddenly completely surrounded his body with all its tentacles, turning into a meat ball shape.

"boom!"

The broken soul palm hit the octopus zombie heavily, and the octopus zombie really bounced out like a meat ball and hit the wall near the window heavily. This wall is a load-bearing wall. The octopus zombie meat ball was also dented, and the window on the wall was directly cracked and fell to the ground with a "click".

And the octopus zombie meat ball is safe and sound!

What a powerful defense! The tentacles of this octopus are full of elasticity, which can wrap this octopus zombie like a rubber ball, and it can withstand the attack of Li Tian's broken soul palm.

"You guys are behind, this mourner is not easy to deal with!" Li Tian said calmly.

In fact, without Li Tian's words, Zhang Ming, Xiao Qiuman and others have stepped back more than ten meters, completely separated from Li Tian, and handed over the entire battlefield to Li Tian.

A sneer appeared at the corner of Li Tian's mouth.

Suddenly Li Tian used teleportation, and instantly appeared in front of the octopus zombie. He shot four or five broken soul palms against the octopus zombie's body. These four or five broken soul palms were shot at close range. More powerful than before.

With the blast of the four or five broken soul palms, the wall behind the octopus zombie banged and collapsed. Li Tianzhen wanted to make persistent efforts to directly hit the octopus zombie under the building.

And at this moment, four tentacles suddenly stretched out from behind the octopus zombie. These four tentacles pierced Li Tian from four directions at the same time, and the four tentacles like steel needles were about to touch Li. At the moment of heaven, Li Tian once again teleported to avoid the attack and appeared seven or eight meters away.

But the octopus zombie was reluctant, using four tentacles as feet to move forward quickly, and those four tentacles were like tarsal maggots, as soon as Li Tian just landed, the four tentacles have appeared in front of Li Tian.

"Li Tian, be careful!" Behind them, Zhang Ming and Xiao Qiuman yelled at Li Tian.

A sneer appeared at the corner of Li Tian's mouth, and he said in his heart: "Finally got the bait! It's really not easy to use "Red Slash" to chop off your tentacles!"

Li Tian's heart moved, and the "Red Slash" that was pressed by the octopus zombie in the ground instantly pulled out from the ground, flew up, and slashed at the four tentacles of the octopus zombie.

The face of the octopus zombie suddenly showed a hint of horror.

He never imagined that Li Tian, the weapon inserted into the ground, would automatically fly up. Although he was already trying to recover his tentacles, he was still a step slower.

"Huh!"

A flash of red flashed, and an arm-thick tentacle was chopped off by "Red Cut" and fell to the ground.

"Baga!" The octopus zombie finally uttered something and shouted angrily.

Upon hearing this sentence, Li Tian thought he had heard it wrong, and Xiao Qiuman and others were also taken aback.

Is it the Dongying Devil Zombie?

Suddenly when the end of the world came, there were at least millions of foreigners in the country, and it was not an exaggeration that a Dongying Devil Zombie appeared here.

It's just that how did this Dongying Devil Zombie, which everyone is more curious about, become such a monster? Why does he appear here? What is the purpose of his appearance here? And what is the relationship between him and Donghai City being attacked from time to time?

Li Tianyi stretched out his hand and took "Red Slash" back into his hand, and then said to the octopus zombie: "So you can speak human words! This is much easier, then I ask you, why are you here? And you What's the matter with this half-corpse and half-octopus? If you can answer honestly, I can leave you a whole body, otherwise, I will chop off all your tentacles and give it to the captain as a squid whisker!"

"Bigga! Your city is over, and surrendering to become our food is your best choice, otherwise you...all...dead!" the octopus zombie said angrily.

Through this simple sentence, Li Tian can basically affirm that the octopus zombie who was attacked in front of the East Sea City cannot be separated from the relationship!

The anger in Li Tian's heart was instantly ignited, his right hand squeezed "Red Cut" firmly, and he let out a low voice, "Knot!"

The "Red Slash" combined with the nine-color corpse crystal on Li Tian's chest, and it took less than three seconds to form a layer of white bone armor on Li Tian's body, and even his face was surrounded by this white bone armor. With.

"This...what is this?" Xiao Qiuman said in surprise.

Xiao Qiuman and Li Tian have known each other for a while, but this is the first time she has seen Li Tian in this form.

"Is it a supernatural ability?" Xiao Qiuman guessed in his heart.

The horror on Zhang Ming and Gu Liang Hongtu's faces was worse than Xiao Qiuman's.

Their knowledge of Li Tian is also limited to Li Tian in the Forbes competition. They know that Li Tian will teleport, use Qi to defend the sword, and master the skills, but the current changes in Li Tian have completely exceeded their cognition.

At this time, Li Tian seemed to be a \*\*\*\*\* in white armor. The \*\*\*\*\* of descending to the earth appeared heroic, and his whole body was filled with an inexplicable power.

Yes, it is power.

At this time, Li Tian also felt this power.

Li Tian felt that his whole body was full of vigorous power, as if Li Tian could fly up with just a slight jump, and he felt that Li Tian could cut down the floors of the entire building with a single knife. This is Li The power in the celestial body is perfectly combined with the bone armor.

But Li Tian knows that all this has not yet reached its limit!

As long as the strength of Qingyun is continuously improved, as long as "Red Slash" continues to absorb the power of the zombie crystal, corpse crystal, and corpse worm, this power will also increase!

Seeing Li Tian's changes, the octopus zombie was also full of shock, and feeling that Li Tian's powerful power was surging, almost erupting, the octopus zombie immediately turned around and wanted to escape.

Unfortunately, it is too late!

With a sudden force on Li Tian's legs, it flashed past like a bolt of lightning.

Li Tian didn't use teleporting, but he arrived in front of the octopus zombie in an instant, and "Red Slash" had already cut into the octopus zombie's body.

fast!

So fast!

Chapter 3656:

"The emperor, you really misunderstood. The concubine really didn't mean that. The concubine just heard the two adults talk about entering the palace to see the emperor. It happened that the concubine just came out of Cining Palace and knew that the emperor was going to accompany the queen mother. I was afraid that I was not free, and seeing the two adults walking in a hurry, with tired faces, I thought about taking the two adults to rest for a while, and waited for the emperor to go out of the Ci Ning Palace to pay him a visit. The concubines really did not have a trace of unruly heart.!" Xia Yuqing immediately hugged Feng Tingye's thigh and wailed as soon as she was left behind. She secretly twisted a hand on her thigh for the sake of reality, making her tearful in pain. Got... pinch!

Feng Tingye's anger was actually lost for the most part on the way back, his mind was slightly calm, and he immediately heard the omissions in the words of the two people just now, and he knew the whole story in his heart, and he didn't wait for him to speak. , Xia Yuqing first howled.

This time is fine, Feng Tingye's interest also came up, reached out and pinched Xia Yuqing's chin and lifted her face, smiling so Fengyun changed her color: "Ears are fictitious, seeing is believing, and what I see with my own eyes is still true. false?"

Xia Yuqing was frightened by Feng Tingye's sly smile, her mouth squashed, and she broke the jar and said, "How can the emperor believe in his concubines?"

The big bad wolf groaned, and the little white rabbit Hu You began to face unchanged: "I saw Ai Fei and the two adults behave intimately and talked ambiguously. Since Ai Fei insists on denying the closeness with him, she should take it out. Based on the facts, I have always been fair and strict, and I will definitely not wrong you."

Xia Yuqing was startled, tilted her head and asked: "What evidence does the emperor want to see?"

Feng Tingye glanced at Xia Yuqing, squinting her eyes slightly, and derived some calculations: "It is natural to see if Concubine Ai has traces of other men besides me?"

"Huh?" Xia Yuqing looked up at Feng Tingye incomprehensibly, and couldn't wait for her to understand the profound meaning of Feng Tingye's words. Someone had already begun to examine her belongings.

Overwhelmed on the soft bed for the second time, Xia Yuqing's head short-circuited for a moment, and she began to scream to the police. How can you be crushed again? How long has it been, always attacking adults, are you not afraid of death?

"Don't... don't come here, I warn you, my old lady has practiced eighteen ways to guard against wolves. Come and be careful that my old lady will kick you and make you really inhumane." Seeing the big bad wolf approaching step by step, Xia Yuqing also Regardless of the interests and inferiority, he picked up the brocade and came out of the goddess.

Feng Tingye was startled by Xia Yuqing's fierce appearance of her small paws. She was suddenly covered by the quilt that flew over, and hurriedly tore off the quilt from her head, but saw Xia Yuqing. I don't know when I have already ran to the other side of the bed. I took a step to the side, and Xia Yuqing took a step to the side.

The two stood on each other's beds, their eyes facing each other, their big and small eyes staring: "Come here."

Xia Yuqing looked alert: "No, come here if you have the ability."

Feng Tingye narrowed his phoenix eyes, raised his steps again, back and forth several times, then... "Don't move."

"Not moving is a fool, I am not a fool!"

"..." Knowing that arguing with someone about this is purely his own brain convulsion, so he wisely chose to do it personally.

The minions waiting outside Bangxiefang Hall heard a movement from the boss. This time everyone watched their noses and their hearts, but no one dared to rush in and take the lead. Alas, the emperor and our mothers are really energetic, and we have to come here every time. I don't know if this is good or not. Far eyes...

Xia Yuqing panted heavily and stared at Feng Tingye who was pressing on her body: "You are shameless."

"This is called outsmart. Haha, Concubine, you can't beat me."

"Huh, I'd rather die than surrender." After Xia Yuqing repeated the old trick, she stretched her leg and quickly kicked towards Feng Tingye.

Rao Feng Tingye had been prepared for a long time and was frightened into a cold sweat, his legs were slightly lowered, and Xia Yuqing's legs were clamped, making him unable to move. I have to say that the last accident was really not accidental. It was not just that Liu Yixiang, the so-called gangster girl, was more powerful, but Xia Yuqing was no exception to her.

After several struggles, even though Feng Tingye wouldn't be lifted out of bed by her like the last time, she couldn't help her. Forced, Feng Tingye had to resort to his final killer: "Actually... from the very beginning, I knew that what the two of them said was not the truth."

Leaning over and staring at Xia Yuqing's eyes widened in surprise, Feng Tingye's eyebrows were slightly bent, "Zi Tang Ping hates others for treating him as a child, and Yan Ran is the most famous person in his life. Unfortunately, what you said today seemed to offend them all, and I can't blame them for bullying you like this."

Unsurprisingly, Xia Yuqing's struggling movements suddenly stiffened, and the movements in her hands unknowingly relaxed a lot, allowing Feng Tingye to take advantage of the vacancy to break in.

Looking at Feng Tingye with a cute face, Xia Yuqing didn't dare to say anything: "You mean, they said that on purpose just now, in order to... slander and bully me?"

It's too much, because she still tried every possible means to perfect them, and let them and Master Zonggong cultivate a righteous fruit. It's fine if you don't appreciate it, and even treat her like this!

After the grief and anger passed, Xia Yuqing realized afterwards: "Since the emperor knew from the beginning, why did you just..." Xia Yuqing's eyes widened suddenly, "Are you playing me too?"

Looking at the unpredictable expression on Xia Yuqing's face that looked like the weather, Feng Tingye smiled more and more ill-intentioned. He leaned down, bit her white and tender earlobe, and chuckled lightly: "No, why am I willing to play you?"

In a short sentence, Xia Yuqing was moved to tears. It's a pity that before this touch was overwhelmed, it was completely...shattered by his next sentence.

"Of course I didn't fool you, I was just... teasing you."

"..." Hey, he always attacks adults, are you so evil and made by your parents? I can't play with you happily anymore, woo

Chapter 3660: East Sea Sea Monster (3)

There are too many doubts in Li Tian's heart that need to be resolved, but no one will answer Li Tian's doubts.

There is only one battle.

Only by subduing or beheading this giant beast can Li Tian find clues to this giant beast.

But fighting against a behemoth of the eighteenth-level zombie level, Li Tian thought he had no bottom.

Leapfrog killing monsters, this kind of thing Li Tian has not done before, but it is only barely able to kill more than one level, if it is like the current strength of Li Tian, that is, the strength of the fourteenth level zombies, it is extraordinary. Play to barely behead the fifteenth level zombies.

But this behemoth in front of me has the strength of level 18!

If Li Tian is not crushed by this giant beast, Li Tian is already powerful.

But to give up and let this giant beast continue to behave arbitrarily here, which Li Tian couldn't do.

"Master Li Tian, this giant monster is not what you are capable of now!" Feitian Yasha said.

"I know!" Li Tian nodded slightly.

"Do you know that you are not running yet? Do you want to be the belly Chinese food of this giant beast?" Feitian Yasha asked.

"I'm not the opponent of this giant beast. Isn't there still you and the land travel Yaksha? Void Yaksha performed his life skills in the Qinling maze, which opened my eyes. I especially want to see you two Xiaoyasha. What's this fateful skill like!" Li Tian said.

"It's shameless!"

"Too despicable!"

Dixing Yasha and Feitian Yasha said with some dissatisfaction.

"This is your battle, involving the two of us Xiaoyasha, how do you feel?" Dixing Yasha said dissatisfiedly.

"Well, let me think about it! The three of you Xiaoyasha all recognize me as the master. Isn't my battle yours? You also know that this monster in front of me is not something I can kill. Can you just stand by Watching me go to die?" Li Tian asked.

"We want to close our eyes, but you are dying, and we can't live! Forget it, since Young Master Void has already offered you the first time, it seems that the two of us are also in disaster!" said Dixing Yasha .

With the support of the two Xiaoyashas, Li Tian's confidence has greatly increased!

"Boom!"

At this time, there was the roar of helicopter flying overhead.

Li Tian looked up and saw the logo on the helicopter, which was the logo of the Bounty Hunters Association. It seemed that Mo Jianyuan also seemed to foretell the danger, and he had taken a helicopter to the top of another skyscraper.

The last worry in Li Tian's heart has disappeared, and now Li Tian can fight with all his strength.

"Wow!" The behemoth roared again.

With this roar, a group of dark objects suddenly ejected from the behemoth's mouth and attacked Li Tian's face.

There was another fishy smell, and the smell of rotten flesh was mixed in this fishy smell.

Li Tianyi looked up, but saw that the beast's mouth was nothing but the various carrion corpses that the beast swallowed into its stomach. At this moment, these carrion and corpses flew over the sky, mixed with the mucus in this giant beast.

Although this mass of things may not be able to cause any damage to Li Tian, if it is surrounded by a mass of things, disgusting can make people sick to death.

Li Tian didn't dare to neglect, he slammed his teleport, and dodged the mass with his lateral teleport. Then, with his legs, Li Tian stepped directly out of a deep pit on the concrete floor, and Li Tian's body Like a swift leopard, he rushed forward.

At this step, Li Tian took nearly five or six meters.

The next time Li Tian's feet landed, the concrete floor was also cracked by Li Tian's foot, and Li Tian's body rushed forward again.

This step is a bit farther than the selling distance in the previous step, and it has reached seven or eight meters.

At this moment, Li Tian was surrounded by white bone armor, and his whole person was like white lightning. In a flash, the distance between Li Tian and the giant beast had been shortened by several tens of meters, but Li Tian's speed increased. Come sooner.

Sure enough, after the second level of Qingyun cultivation, Li Tian's physical fitness has been greatly improved, which in turn affected Li Tian who was wrapped in the bone armor.

If he rushes up at this rapid speed, Li Tian's speed is almost comparable to Teleport.

And that giant beast moved toward Li Tian equally quickly.

Li Tian had already rushed into the smoke and dust, the distance between Li Tian and the behemoth was getting closer and closer, and the outline of the behemoth became clearer and clearer.

What is this?

Is it a sperm whale?

No, it's not a sperm whale. This behemoth has feet. Although it is still not clear, Li Tian knows that it is not a sperm whale.

And at this moment, seven or eight black shadows in the smoke and dust suddenly drew towards Li Tian like lightning. Each of these black shadows has the thickness of a bucket. In the smoke and dust, it is like a giant python swimming through. .

Although Li Tian's confidence increased greatly, he didn't dare to hold it up. He jumped forward with his feet and escaped the attack of two dark shadows. But Li Tian had already seen clearly what these shadows were.

Tentacles, yes, they are tentacles again, with suction cups on them!

These seven or eight black shadows are the seven or eight tentacles of this giant beast.

"Is it an octopus monster? Killed the little octopus, did the old octopus come to take revenge?" Li Tian thought wickedly.

But at this time, Li Tian couldn't tolerate any more thoughts in his heart, and those tentacles had been constantly drawing towards Li Tian.

None of these tentacles have the thickness of a bucket. If they were drawn on Li Tian, the power would be no less than being drawn by such a thick iron rod. Even if Li Tian was protected by a bone armor, it would definitely be a great harm to Li Tian.

Li Tian leaped and dexterously shuttled back and forth among the gaps between the seven or eight tentacles, and the "Red Zhan" in Li Tian's hand had already slashed heavily on the tentacles.

"Chang!"

"Red Slash" slashed on the tentacles, only to cut off a white trace, but the tentacles were not cut at all.

Li Tian was shocked!

He was shocked to think that this eighteenth-level zombie strength must be difficult to deal with, but Li Tian did not expect that this "Red Slash" could not even break the tentacle's defense.

Is this still a funeral?

Is this the suppression of strength?

Had it not been for Li Tian's bone armor and teleportation, he could dodge dexterously for the time being, I'm afraid Li Tian would have been crushed to death by that tentacle.

This is still a woolen thread!

Even if this kind of funeral stood in front of Li Tian and let Li Tian come to fight, Li Tian might not be able to kill it! Besides, this funerary didn't let Li Tian fight, and kept attacking Li Tian!

"Damn, it seems that I need to make the team leader and Xiao Tianyi break through to level 18 sooner. At that time, there will be a small Tianyi behind us, followed by a large team leader, two King Kong's incorruptible zombies protection, Let go of the other zombies' attacks!" Li Tian thought.

It's a pity that Li Tian only has one 18th-level corpse crystal. As for Li Tian, the fourteenth to seventeenth-level corpse crystals, Li Tian doesn't even have one. All things can only stay on fantasy.

"Wow!"

"Wow!"

There was a sharp sound in Li Tian's ears. Li Tian looked up, but saw that the Bounty Hunter Association helicopter fired two rockets at the behemoth.

"Your sister, teammate pig! Didn't you see Lao Tzu fighting here? If it wasn't for Lao Tzu to enter the space of the Void Yasha, maybe he would be bombed to death by this \*\*\*\* Mo Jianyuan with a rocket. "

Li Tian disappeared on the spot in an instant, and the rocket had already screamed.
