

A Killer 4441

Chapter 4441: : You Dark Soft

In the gloomy forest, He Feng almost fainted, and fell to the ground feebly.

Once the Venerable Seventh-level powerhouse, the current cultivation realm has broken to the early stage of Venerable Sixth level.

Venerable Nanlan Peak and Venerable Youhua Yao, the two ninth-level powerhouses, collected their skills at the moment that the light arrow shot over, and instantly teleported a distance of four to five hundred meters.

At this time, He Feng, Venerable Nanlan Peak, and Venerable Youhua Yao were standing in the three directions of the big pit in the gloomy forest, as if they were three points on this huge circle.

"Who are you?" Venerable Nanlan Peak asked.

Venerable Nanlan Peak would naturally not be He Feng. Small characters like He Feng couldn't get into his eyes. What he asked was standing with a strong bow, wearing animal skin clothes, and carrying a quiver on his back. Woman holding a heavy arrow in a baby's arm.

That's right, this woman was the one who drank half a glass of He Feng water and wine in the tavern.

"Want to ask my name? You are not qualified!" The woman said with a sneer.

Venerable Nanlan Peak's face sank.

If it weren't for the shocking shock that this woman shot by him, it would be enough for this woman to destroy him to absorb Li Tian's spiritual source, enough to make him and this woman immortal.

"Youhua Yaozun, do you want to ask me too?" the woman said.

Youhua Yaozun looked at this woman thoughtfully.

He saw this woman's dress, and then saw the heavy arrow with the thickness of the wrist, Youhua Yaozun suddenly thought of someone.

Venerable Youhua Yao bowed his hand to the woman, and said with a humble expression: "If I'm not mistaken, your Excellency should be the servant of the Lord of the Dark Domain, You Dark Soft, right?"

Youhua Yaozun has never seen the master of the dark domain, nor has he seen Youanrou, but as the nearest neighbor of the master of the dark domain, he still has heard of Youanrou.

This gloomy and soft gloomy domain master is fascinating.

But the gloom and softness, like the gloom domain master, is also famous in the gloom forest.

Every day, dozens of powerful people at the venerable level enter the middle level of the dark forest, but these powerful people at the venerable level are rarely able to meet the master of the dark domain and his followers.

No, to be precise, no one has ever encountered that dark domain master.

Lord of the Dark Domain, that is almost a legendary existence.

Even if other domain masters visit the dark forest, they may not be able to see the dark domain master.

And Youanrou is the spokesperson of the Lord of the Darkness in the dark forest.

According to the rumors of those who have seen the strength of You Yinrou, You Yinrou's cultivation has reached the mid-level ninth realm.

There are even rumors that when You Anrou casts the Destroying God Arrow, her strength may have been close to the ninth-level peak of the Venerable, that is, she has reached the realm of the emperor.

Regarding this rumor, Youhua Yaozun did not personally see it, but he still heard of the Destroying God Arrow.

"Hey, it seems that someone still knows my name. That's good! Now that you all know who I am, then I won't be oblivious."

"That Li Tian is the main person in the Dark Realm. In the Dark Forest, no one can touch Li Tian. As for leaving the Dark Forest, you want to kill and scrape, that's your business!"

"So, please also ask the two venerables to give the Lord of the Dark Domain a face, and don't let me be embarrassed by the dark forest in this dark forest!" You Anrou said with a slight smile.

The expressions of Venerable Nanlan Peak and Venerable Youhua Yao couldn't help changing.

"Huh, Li Tian has a blood source on his body. Does the Lord of the Dark Realm want to swallow Li Tian alone? If Li Tian enters the middle layer of the Dark Forest, the area controlled by the Lord of the Dark Realm, then it is understandable for us to give in, but now Li Tian It's just in the outermost layer of the dark forest, the Lord of the Dark Domain is too ugly to eat!" Venerable Nanlan Peak said with a sneer.

There are now twenty domain masters in the underworld, but the underworld master is definitely the most weird one. Since becoming the domain master, he has hardly left the dark forest. In the past three thousand years, the underworld master has not appeared. It is precisely for this reason that Venerable Nanlan Peak dares to speak so loudly.

"Oh, it turns out that Li Tian still has a blood source? That's really surprising! You Hua Yao Venerable, do you mean that too?" You Anrou didn't pay attention to Nan Lan Feng Venerable, and asked You Hua instead. Yao Zun said.

"This...this... I'm close neighbors of the Venerable Youhua Demon and the Lord of the Dark Region. Since the Lord of the Dark Region wants Li Tian, it is not convenient for his elderly to walk out of the middle layer of the Dark Forest, so I am obligated to assist him. I caught Li Tian! So please forgive me, Haihan! After I catch Li Tian, I must personally send Li Tian in front of the Lord of the Dark Domain and apologize to his old man!" Youhua Yaozun said.

Although Youhua Yaozun's attitude was very correct, but his tone was full of indisputable.

Blood spirit source, that is the legendary blood spirit source.

It is possible for those who obtain the blood spirit source to sprint into the realm of the domain master. This legend alone is enough to make all the emperor and all the ninth-level experts feel crazy.

The news has not been spread yet. The Youhua Demon Venerable and the Nanlan Peak Venerable may still catch Li Tian and obtain the blood spirit source. Once the news is spread, the dark forest may be more lively.

At that time, the ninth-level mid-level strength of the Venerable Youhua Yaozun may be enough to see, but he has no advantage at all!

"Understood! This is the best!" You Anrou said.

Immediately, You Yinrou aimed the bow and arrow in his hand at Venerable Nanlan Peak, and said with a sneer: "Venerable Nanlan Peak, please do it! Let me learn about the strength of the ninth-level powerhouse of the leader. Right!"

Venerable Youhua Yao looked at Venerable Nanlan Peak, with a greedy expression on his face, licked his lips a few times with his tongue, and finally couldn't help shaking his head, saying, "There is nothing about me here, then I I won't bother you both!"

Compared with the small fresh meat like Venerable Nanlan Peak, Venerable Youhua Yao felt that Li Tian was more important.

To use a more pretending sentence to describe, that is to win Li Tianzhe into the domain master!

Huh!

Venerable Youhua Yao, regardless of the darkness and the attitude of Venerable Nanlan Peak, teleported away after speaking!

The corners of Venerable Nanlan Peak's mouth moved slightly.

Now Li Tian didn't know why it had disappeared. Venerable Nanlan Peak was anxiously looking for Li Tian, and didn't want to engage with You Yinrou.

However, You Yinrou repeatedly and repeatedly persecuted him, so that Venerable Nanlan Peak finally couldn't bear it.

"Okay, then let me learn about the master tricks of Venerable Envoy of the Lord of the Dark Domain!" Venerable Nan Lanfeng roared.

As soon as the words of Venerable Nanlan Peak fell, Li Tian suddenly appeared in that huge pit!

"He Feng, I'm here to save you!" Li Tian shouted forcefully, wrapped in a mummy like a mummy, holding a spear from the sky.

Chapter 4442: : Stupid decision

No one has died since ancient times!

Li Tian decided to walk out of the space of Void Yasha and rescued He Feng with a mortal mentality.

Children are right and wrong, and adults only talk about pros and cons.

Hiding in the space of Void Yasha, Li Tian's safety is absolutely guaranteed.

But on the contrary, Li Tian will lose the trust of thousands of spiritual thieves. Li Tian will always live in fear of the strong, and it will not help the growth of his cultivation!

Besides, Li Tian also wanted to bet.

Betting that the light arrow shot over is good for him, Li Tian!

Seeing Li Tian who suddenly appeared, a smile suddenly appeared on Venerable Nanlan Peak's face.

There is a way to heaven, you don't go, ***** has no way to break in, you have already escaped, but you return to die.

This IQ is really gratifying!

In front of the dark and soft, Venerable Nanlanfeng might not be her opponent, but Venerable Nanlanfeng would never allow the fat to fly away.

To take Li Tian away, as long as you don't confront You Yinrou head-on, and take Li Tian away, then his Venerable Nanlan Peak will have time to absorb Li Tian's blood source.

Hum!

A coercion fell from the sky and instantly fell on Li Tian.

Venerable Nanlan Peak's toes touched a little on the ground, and instantly teleported towards You Yinrou.

The surging spiritual power torrent gushes from the body of Venerable Nanlan Peak, like a rolling river, sweeping over.

After a brief astonishment, You Yinrou reacted and sneered, with a strong bow in her hand! The ground shot an arrow.

The metal heavy arrow with the thickness of the wrist flew out, shooting into the torrent of spiritual power with a ray of light.

The spiritual power torrents seemed to boil instantly, continuously bubbling, and the metal heavy arrows swiftly shuttled through the spiritual power torrents, and the spiritual swordfish exploded wherever they went.

There was also a heavy metal arrow in the quiver of Youanrou, but Youanrou did not continue to use the heavy metal arrow, holding the strong bow in her hand, pulling the bowstring with her bare hands, and shooting several arrows in succession.

Boom!

Boom!

Boom!

A few blue arrows flew out from the bowstring, and turned into a few huge behemoths.

Ouch!

This wild beast rushed into the torrent of spiritual power, like playing in the water, stepping on the torrent of spiritual power with its limbs.

Venerable Nanlan Peak's face changed slightly, and he could feel that there is a mysterious connection between these spiritual behemoths and the metal heavy arrows shot by You Yinrou,

although he constantly controls the spiritual torrents and wants to The wild beasts surrounded and slaughtered, but he felt that all of this seemed impossible. With the appearance of the wild beasts, his torrent spiritual power actually meant that he was about to collapse.

However, Venerable Nan Lanfeng didn't seem to compete with You Yinrou. The reason why he took the lead was only to attract the attention of You Yinrou, and his ultimate goal was only Li Tian.

Huh!

Venerable Nanlan Peak teleported to Li Tian's side and reached out to grab Li Tian.

Li Tian, who was already under the control of Venerable Nanlan Peak by the coercive force of gravity, saw Venerable Nanlan Peak stretch out his hand to grab him, and the Qiong Spear in his hand slammed out.

Zizi!

Seven or seven forty-nine purple electric dragons burst out with black flames!

Venerable Nanlan Peak showed a sneer at the corner of his mouth.

Venerable three-level pinnacle power only, even if Li Tian has the blood spirit source, but Venerable Nanlan Peak never put him in his eyes.

Whoosh!

Powerful spiritual power spouted from the palm of Venerable Nanlan Peak. This spiritual power was far less powerful and surging than his spiritual power. It was like a stream in a mountain stream, and went around to Li Tian.

Venerable Nanlan Peak thought that his spiritual power stream was enough to break the purple electric dragon released by Li Tian, and he could even take this opportunity to absorb some spiritual power.

However, Venerable Nanlan Peak was still a little big. What made him feel surprised was that the seven or seventy-nine purple electric dragons released from Li Tian's Heavenly Qiong Spear got into the spiritual power stream. , It's like swimming a fish into the sea, without the slightest meaning of being restrained, but becoming more active.

The purple dragon leapt, and the black fire burned.

With the purple electric dragon shuttled continuously in the shallow stream.

Spiritual power versus spiritual power, the strength of Venerable Li Tian's third-level peak power is not enough to pose a danger to Venerable Nanlanfeng, but now Venerable Nanlanfeng's focus is on You Yinrou, he just separated Less than one-tenth of the spiritual power dealt with Li Tian, but this gave Li Tian a chance.

boom!

Suddenly, the seven to seven forty-nine purple electric dragons exploded. The spiritual power stream released by Venerable Nanlan Peak was instantly torn apart, and the purple arcs released from the purple electric dragon continued to blast away. Destroying the spiritual power of Venerable Nanlan Peak.

"Impossible! Even if I only use less than one-tenth of the spiritual power cultivation base, how can you, the fellow at the third-level pinnacle of Venerable, be my opponent!" Venerable Nan Lanfeng said in surprise.

Huh!

Venerable Nanlan Peak slammed his arm on Li Tian's shoulder, trying to take Li Tian away.

But at the moment his arm fell, a black flame burst out of Li Tian's body. The black flame instantly enveloped Li Tian, and seven or forty-nine purple electric dragons surged from Li Tian's body. Out, constantly swimming back and forth in the black flames.

As soon as Venerable Nanlan Peak's palm fell on Li Tian, he felt a sharp pain in his palm, and those **** purple electric dragons attempted to penetrate into his body veins.

Although he didn't succeed, a little purple arc passed through the acupuncture channel on his arm and entered his veins.

"So strong! This shouldn't be the strength the Venerable's third-level peak possesses!"

Venerable Nanlan Peak's arm seemed to be caught on the burning charcoal block, and he suddenly retracted, his body leaped back, and back again.

Venerable Nanlan Peak believes that if his hand continues to hold Li Tian, then his arm is likely to be abolished, unless he can recover the spiritual power to deal with the dark and soft mountain torrents and turn to deal with Li Tian.

boom!

Suddenly there was a loud noise, but the spiritual power of Venerable Nanlan Peak's torrents finally smashed the dark and soft prehistoric behemoth.

As the body of this wild beast shattered, the spiritual power of that torrent became more and more unstable.

"It can't be dragged any longer. If you drag it further and let that dark and soft get out, I will be even more unlikely to take Li Tian away!" Venerable Nan Lanfeng thought in his heart.

Venerable Nanlan Peak rushed towards Li Tian again, this time he controlled his spiritual power to wrap around his arm, as if he was wearing a pair of gloves on his arm.

"Hehe, how do I see you break now?" A sneer appeared at the corner of Venerable Nanlan Peak's mouth.

Venerable Nanlan Peak's palm was already on Li Tian's shoulder. As he expected, those purple electric dragons couldn't break his spiritual defense at all.

"follow me!"

Venerable Nanlan Peak had his feet on the ground and his body was already flying.

At this moment, the first heavy metal arrow shot by the dark and soft shot towards the arm of Venerable Nanlan Peak with a ray of light!

It was close at hand, when Venerable Nanlan Peak reacted, his arm had already left him!

The arm was destroyed and his mind was turbulent.

That spiritual power torrent and spiritual power swordfish were instantly broken!

"what!"

Venerable Nanlan Peak let out a scream, ignoring Li Tian and his arm, fleeing like crazy!

"Stupid! Do it at me? What a stupid decision!" You Anrou said with a sneer.

Chapter 4443: : Accept by body

Venerable Nanlan Peak fled, but You Yinrou did not pursue it.

Li Tian crawled out of the big hole with difficulty and sat down beside He Feng.

"Thank you girl for saving her life! I didn't ask the girl's name!" Li Tian said with a fist.

"There is no such thing as a fame! You can call me You Anrou, now let's discuss how you thank me?" You Anrou said.

Li Tian didn't expect Youanrou to be so direct. He was taken aback, and then returned to normal, saying: "Why does Miss Rou want me to thank you?"

"Permit with your body?" You Yinrou asked tentatively.

Li Tian had a chill.

Does he really have such a charm? Is this Venerable mid-level ninth-level strong man also coveted him for a long time? Otherwise, how could he save his life just for half a glass of water and wine!

He Feng is now slowing down.

He Feng did not have a gap with Li Tianxin because Li Tian abandoned him to escape alone, but seeing Li Tian's narcissistic expression, He Feng couldn't help looking at Li Tian with disgust, and whispered: "Don't forget you This respect now!"

Yes, now Li Tian has been ugly for a long time because of the black mud.

Could there be a relationship between this gloomy and murky ambiance?

Thinking of this, Li Tian did not dare to continue thinking.

If this is the case, then Li Tianke has just left the tiger's mouth, and now he has fallen into the wolf's den.

"It's not impossible to promise it by physical appearance, but now I really can't afford a gentle girl with this respect, or the girl will make another request!" Li Tian said.

Youanrou suddenly laughed and said: "Let's leave here now! Venerable Nanlan Peak was destroyed by me, but his cultivation was damaged, but after all, he is a powerful ninth-level Venerable. If he and If Youhua Yaozun join forces, then I won't be able to deal with them both!"

"Oh, by the way, first take out a few bottles of your Niulanshan Divine Wine, let me quench my thirst!"

Li Tian only felt the buzzing of his head and looked at You Yinrou nervously, the spear of Heaven in his hand aimed at You Yinrou inadvertently.

An expression of disdain appeared on the dark soft face, and when she turned her finger, the two wrist-thick metal heavy arrows that had been shot out flied back to her quiver and said with a smile: "You won't be Reluctant?"

"How do you know that I have Niulanshan Divine Wine?" Li Tian asked tentatively.

"I have seen your little lover Situ Ningbing!" said You Anrou.

"What? Have you seen her? How is she now? How is she?" Li Tian suddenly jumped up from the ground, but because of excessive force, the bandage on his body was bleeding, but Li Tian didn't know it at all and reached out to grab She asked with dark and soft hand.

You Yinrou took her hand out of Li Tian's hand, and a blush appeared on her face, and said, "Situ Ningbing is very good. Now she is traveling with the female domain master, and the female domain master also takes good care of her. By the way, now her cultivation has reached the early stage of Venerable Level 3, she asked me to tell you that she must hurry up and cultivate."

"In the early stage of Venerable's third level and the early stage of Venerable's third level, it was only a few months away. I did not expect her cultivation base to improve so fast!" Li Tian's heart was a little relieved and a little envious.

"The person Situ Ningbing followed is a female domain lord. From the top of the first level of the sage to the third level of the sage, it is difficult for ordinary sacreds to go to the sunny day, but with the help of the domain lord, as long as they are properly guided, Quite easy!" said You Anrou.

Since the dark and soft Situ Ningbing met, it seems that dark and soft should have a good relationship with the female domain master, Li Tian is not hiding, and he sent He Feng into the space of Void Yasha, and took out a few bottles from the space. The wine came and passed it to You Anrou.

"Thank you again for Miss Rou for her life-saving grace. Just tell me how much wine Miss Rou would like to drink, and I promise to manage enough!" Li Tian said.

There are a lot of fine wines stored in the space of the three small Yashas of Void Yasha, Dixing Yasha, and Feitian Yasha. Besides, the winery in Tianzhiqiong Spear Space has also been established, and brewing trials have begun, and there will be more fine wines in the future. Brewed continuously.

Youanrou took Niulanshan Erguotou and flipped it, but the wine had disappeared, leaving only a bottle of Niulanshan in her hand. The rest of the fine wine was naturally put into her space treasure.

As the ninth-level powerhouse of the Venerable, spatial treasures are no longer so rare.

Youanrou tore open Niulanshan's packaging twice, opened the lid of the wine bottle, and drank gulps to his mouth.

"It's wild enough, it's delicious..." Li Tian looked at the dark soft and raised his head to drink, the drink constantly flowing from the corner of her mouth, neatly on her plump and upright twin peaks, thinking in his heart.

This was just a thought, Li Tian didn't dare to have any thoughts about You Anrou.

"Good wine! Hahaha, it really is good wine! Situ Ningbing did not lie to me, hahaha, it seems that I will be blessed in the future!" You Yin softly wiped the corners of his mouth, the blush on his face was even better, facing Li Tian Said excitedly.

After that, You Yinrou drank once again, and finished a bottle of Niulanshan Erguotou.

"Lady Rou is good drinker!" Li Tian exclaimed.

Youanrou smiled, stretched out his hand to embrace Li Tian in her arms, and said: "Thinking about this? How about marrying me?"

"My day, I haven't thought about this kind of thing! Isn't You Dark and Soft drunk?" Li Tian thought in his heart.

You Yinrou didn't wait for Li Tian to answer, she clamped Li Tian under her armpit, her feet were a little on the ground, her body was like a rocket, swish! With the sound of the earth, it flew like the sky.

The Venerable Level 2 powerhouse can fly in the air, but there are many powerful people in the Netherworld, and there are countless powerful ghost beasts in the dark forest. Ordinary powerhouses do not dare to fly in the air, otherwise they will easily become aerial targets. It was beaten down by a powerful ghost beast and turned into gourmet food.

But the ninth-level strong of the venerable You Dark Rou had no such worries.

Penetrating into the sky, Gloom and Soft continued to fly toward the depths of the gloomy forest.

The dark and soft flight speed is extremely fast, and the heat caused by the friction of the body in the air is extremely high. To solve the heat caused by this friction, the best way is to release the spiritual power to form a protective layer of spiritual power on the outer layer of the body.

However, Li Tian was hurt, coupled with the extremely fast speed of the dark soft, the protective layer of spiritual power he released was squeezed, causing Li Tian to grin in pain.

This kind of flight lasted for a full four or five hours. During this period, the flying ghost beasts were constantly flying up to find the trouble of Gloom and soft, but after seeing the gloom and soft appearance, those Nether beasts turned scared and fled.

From this we can see how domineering gloomy soft is in the gloomy forest.

When the sky gradually darkened, Gloom softly landed on the ground, put Li Tian down, pointed to the dark gloomy forest in front of him, and said: "Go further five hundred miles, through a mountain range, and you will reach the middle of the gloomy forest. When we reach the ultimate level of the dark forest, we will be safe!"

"Now, let me get rid of the little tail that follows us first!"

"Come out! Follow me for so long, don't you still want to follow the area of the Lord of the Dark Domain?" You Anrou suddenly turned and said to the dark distance behind him.

Chapter 4444: : The heart is not dead

"Don't come out yet? Can't you wait for me to shoot you in the face?" You Yinrou stretched out her hand and took out a metal heavy arrow from the quiver behind her, hitting the strong bow, and said with a sneer.

Xi Xi Suo Suo!

In the dark gloomy forest quickly walked a golden-eyed lion with a body of nearly three feet long. The whole body of this golden-eyed lion was turquoise fluff. The eyes of the mouth of the bowl were golden in circles, with larger limbs Elephant legs are more than ten times stronger.

Venerable Nether Beast of the ninth-level primary realm!

Seeing this Nether Beast, You Dark Rou couldn't help but feel a little surprised.

In the outermost layer of the dark forest, there are very few ghost beasts above the Venerable level seven, and the Venerable eighth level ghost beasts are almost never seen, let alone the Venerable ninth level ghost beast.

"Who allowed you to appear here? Why don't you roll back to the forest?" You Yinrou put away the bow and arrow in her hand, but there was a trace of anger on her face, and she instantly released a powerful murderous aura, facing the golden eye The Green Lion roared.

The figure of the golden-eyed green lion was slightly stagnant, and the noble head underneath walked towards You Yinrou.

Li Tian was shocked by You Yinrou.

"Too powerful, isn't it? This is the golden-eyed green lion of the ninth level of the venerable, and the king of the few underworld beasts, so you can't lift your head even when the dark soft words are scared?"

Before entering the dark forest, Li Tian collected a lot of information on the road.

Li Tian knew that the golden-eyed blue lion was an extremely powerful nether beast. The cultivation base of this nether beast was not strong when it was born, so it could barely be regarded as a cultivator.

But maybe it's because of the power of genes, maybe it's because of other reasons.

After the golden-eyed lion is born, there will be a breakthrough in strength within one month. It can break through to the realm of the nobleman in just one year, and the golden-eyed lion can reach the peak of the sixth rank of the nobleman in two years. realm.

As for the Venerable's sixth-level peak, it depends on the talent and later endeavors of the Golden-eyed Lioness, but even if the Golden-eyed Lioness is wasteful, it can reach the eighth-level primary realm of the Venerable after hundreds of years of cultivation.

It is for this reason that golden-eyed blue lions generally do not appear in the outer layer of the dark forest at all.

Fortunately, although the strength of the ghost beast, the golden-eyed blue lion, is powerful, the reproduction speed of this species is not fast, so the number of the golden-eyed blue lion is not very large.

Otherwise, mankind would not want to set foot in the dark forest.

The reason why Li Tian can recognize the strength level of the golden-eyed lion in front of him is precisely because when the golden-eyed lion is below the realm of the nobleman, their eyes are of

normal color. Once they break through the realm of the nobleman, their eyes will become Got golden.

And for every level of the golden-eyed lion's strength, there will be an extra circle of gold on its pupils.

The golden eye and the blue lion's pupils in front of them happened to be nine circles of gold, which was the realm of the ninth-level strength of the Venerable.

Li Tian thought of Dark and Soft again.

This guy is just a follower of the Lord of the Dark Realm, with a mid-level ninth-level cultivation base.

Venerable ninth-level powerhouses are not many in the Netherworld. Just like the rich people on the Earth World Forbes list, the number of people on the list is limited, and those who can be on the list are definitely big bosses.

But this golden-eyed blue lion is also the ninth-level realm of Venerable, and it shouldn't be so afraid of her.

At this moment, the golden-eyed blue lion was still a hundred steps away from You Yinrou. Suddenly, the golden-eyed blue lion suddenly raised its head, speeding up its pace and rushing towards You Yinrou.

Just two steps out, the golden-eyed green lion leaped up and rushed towards the dark soft.

"court death!"

Diaanrou sneered, and the bow and arrow in his hand shot out instantly!

Boom!

A ray of light shot out, illuminating the surrounding dark nether forest completely, watching that heavy metal arrow hit the body of the golden-eyed lion, huh! The body of the golden-eyed green lion actually displayed teleportation in mid-air, avoiding the dark and soft attack.

In the next second, the golden-eyed green lion appeared beside You Yinrou, leaping towards You Yinrou with its teeth and claws.

Facing the golden-eyed green lion, there was no trace of fear on his dark and soft face, and he did not use teleport. His plump and slender legs were a little on the ground, and his body flew back more than ten meters.

A strong coercion instantly fell on the golden-eyed green lion, and the bow and arrow in the hands of You Yinrou had once again shot out an arrow!

This one is faster and more powerful. Li Tian can feel the arrow hit the ground, and the bark on the roots of the giant trees on both sides burst open instantly.

puff!

The heavy arrow shot through one of the front legs of the golden-eyed green lion, and a hole with the thickness of the bowl appeared on the thick front leg!

There was no blood on the wound, but it was black, as if it had been burnt, and even the green fluff was burned a lot by the light arrow.

There was a pungent smell in the air.

The golden-eyed green lion roared, it seemed that this time it was really afraid of You Yinrou, and it teleported back several tens of meters in an instant, staring at You Yinrou from a distance.

Immediately afterwards, thousands of flowers appeared on the ground of the gloomy forest covered with dead leaves. These flowers were covered with thorns, and Li Tian and Gloom were softly circled in the middle, and a faint floral fragrance came from the air. child.

"This...this is Youhua Yaozun..." Seeing these flowers that resemble roses but not roses, and peonies but not peony, Li Tian was surprised.

Li Tian teleported to You Anrou with difficulty, and said to You Anrou: "It's You Hua Yaozun, should we hide first?"

"Hide? Hide in your space? You think I'm dignified..."

A lot of nonsense!

"You know your dark and soft strength, you don't hide, do you? Then I hide!" Although Li Tian said so, but Li Tian did not hide in the space of Void Yasha.

Nonsense, this is the battle of the ninth-level masters of the Venerable, and seeing these ninth-level masters fighting is absolutely beneficial to Li Tian's cultivation.

Of course, it would be better if the fighting of these powerful men could not hurt the innocent Li Tian!

Anyway, there is darkness and softness, Li Tian is ready to drive away at any time.

With her bow and arrow in her hand, You Yinrou looked at the dark forest in the distance.

"Youhua Yaozun, I know you are alive, but do you think you are my dark and soft opponent with a dog? You too underestimate my dark and soft!"

With that said, You Yinrou bent her bow and shot an arrow again, shooting the last metal heavy arrow in the quiver behind her.

Whoosh!

A ray of light shot into the distance, and wherever the light passed, the roots and trunks of those giant trees burst and instantly vanished.

Huh!

Huh!

In the distance, behind the trunk of a giant tree a kilometer away, the Youhua Yaozun continued to teleport, trying to avoid the metal heavy arrow.

And while the Youhua Yaozun teleported, thousands of flowers rose up on the ground in front of him, springing up like bamboo shoots after a rain, no, the sound field rose ten million times faster than this.

The thorny branches of the flowers frantically blocked the path of the heavy metal arrow.

boom!

boom!

Flowers exploded!

"Pretty, it's much more beautiful than fireworks! The battle of the ninth-level master of Venerable is really extraordinary!" Li Tian hid on the trunk of a giant tree, watching the battle below condescendingly.

Hum!

Two powerful pressures suddenly fell on Li Tian.

Click!

The strong pressure instantly crushed the tree trunk.

Li Tian fell from the tree!

"Oops, there are other ninth-level experts to assist Youhua Yaozun!" You Darkrou was startled!

Chapter 4445: : Domain Master Killer (1)

Li Tian felt that he was too sad.

Paralyzed, Li Tian was just standing on a high place, watching the gods fight, and he would be affected by the fish pond...

No, this is not a disaster!

When You Yinrou's coercion broke through one of the coercion that had been exerted on Li Tian, and the other coercion immediately made up for it and fell on Li Tian, Li Tian understood that this was a premeditated behavior.

boom!

Li Tian fell from a high altitude, hit the ground heavily, and plunged directly into the ground.

Mud and rotten leaves kept stuffing Li Tian's mouth, and more importantly, Li Tian felt that his body was about to fall apart!

Huh!

Huh!

A figure flashed out of the forest in the distance, it was Venerable Nanlan Peak who was shot off by the dark soft!

It turned out that after leaving the dark and soft, Venerable Youhua Yao immediately continuously cast teleport back to his kingdom of Venerable Youhua Yao, bringing his mount and battle partner the Golden Eye Lion into the dark forest, ready to continue searching Li Tian.

However, at this moment, Venerable Youhua Yao saw Venerable Nanlan Peak whose arm was shot off.

Venerable Youhua Yao and Venerable Nanlan Peak formed an alliance because of their common goal, Li Tian.

If you get Li Tian, Venerable Nanlan Peak can get part of the right to absorb the blood spirit source, and Venerable Youhua Yao, as the main combatant, can get another part of the blood spirit source and Venerable Nanlan Peak's chrysanthemum.

This is definitely a win-win situation.

The two venerables may not be able to break through to the realm of the domain master and become strong at the domain master level, but as long as the two venerables can become powerful at the emperor level, it will be worth the sacrifice for the two.

Seeing Venerable Nanlan Peak, You Yinrou knew that this matter was probably beyond her control.

You Yinrou's strength is very strong, yes, but with her current strength, it is not that difficult to deal with the other two ninth-level masters and a ghost beast of the ninth-level master!

unless.....

"Venerable Nanlan Peak? Venerable Youhua Demon? You two know that I am the Lord of the Dark Territory. It is only a few hundred miles away from the middle layer of the Dark Forest. Are you two afraid of the Lord of the Dark Territory?" Soft complexion as usual, said with a sneer.

"Master of the Dark Domain? Hey, even if the Lord of the Dark Domain is in front of me now, what fear do I have? The hatred of the broken arm is not shared!" Venerable Nanlan Peak said with a grim face.

Venerable Nanlan Peak couldn't tell the suffering in his heart.

If You Yinrou didn't intervene and shoot off one of his arms, even if Venerable Nanlanfeng couldn't get Li Tian, then he would be a high spirited Venerable ninth-level powerhouse.

Even he can continue to fight with Youhua Yaozun, and it is still unknown who Li Tianlu will die.

However, now his arm is broken. Although his cultivation level has not fallen, his combat effectiveness has declined. If he does not want to be trampled underfoot by other ninth-level masters, then he can only make compromises and sell his ass. Way to join forces with Youhua Yaozun.

"You Hua Yao Zun, what about you?" You Anrou turned to face You Hua Yao Zun and asked.

"Hey, of course I am afraid! A domain master-level powerhouse, killing a ninth-level powerhouse like me is just as easy as crushing an ant."

"It's just that this is the outer layer of the dark forest. It seems that the old man of the dark domain is inconvenient to appear here. Therefore, in order to better complete the task of catching Li Tian, I have brought my mount Golden Eye Green Lion! "

"Hey, but, it is said that Li Tian has something to do with the disappearance of my son You Wuqing, so today I will take it away anyway. When I interrogate clearly, I will personally enter the middle level of the dark forest and ask the owner of the dark domain. My lord, please!" Youhua Yaozun said with a smile.

In the gloomy forest, the flowers of spiritual power released by Youhua Yaozun are blooming everywhere, and there are thorns everywhere. If you want to leave here, you must break open the wild flowers.

Below these flowers, the torrents of spiritual power flowed secretly, gurgling, and hundreds of spiritual power swordfish slowly wandered in the torrents, like hounds waiting to hunt, ready to attack you at any time.

Between the words, Venerable Dark and Soft Flower Demon and Venerable Nanlanfeng have fought dozens of times with coercion.

You dark soft wanted to rescue Li Tian from the hands of the two ninth-level masters, even if it only lasted for a second, it was enough for Li Tianneng to be free in an instant and could hide.

As long as Li Tian can hide, it is almost impossible for Venerable Youhua Yao and Venerable Nanlanfeng to control her gloom and softness.

Youanrou regrets a bit. Just now Li Tian asked her to hide together. If it were not for her arrogance, she and Li Tian would not be in crisis now.

"Li Tian, if you have a chance to hide in the space for a while, then you hide, don't worry about me! These two beam jumping clowns can't help me!" Dark and soft said to Li Tian in a low voice.

boom!

boom!

Li Tian was really bitter. He felt that the wound on his body that was about to heal was finally bruised and bruised again after repeated coercive attacks!

Li Tian said this sentence many times before, but it never felt as humiliating as it is today.

"The script shouldn't be written like this!"

"Even if the pig's feet are strong, you can't meet the big boss soon after the beginning, right?"

"Shouldn't it be that Li Tian made me pretend to slap my face all the way, grow continuously, and eventually become the Supreme God?"

Angry and unwilling!

"If I also have the ninth rank of Venerable... Rather than envy the fish in Linxi, it is better to retreat and form a net! Since I Li Tian is unable to resist, and now I am here with the dark and soft to resist, then why don't I hurry up to practice? I only have a chance of one in tens of millions, so it's better than just sitting and waiting!"

Thinking of this, Li Tian suddenly became calm.

Li Tian began to use the spiritual power in his veins, and began to practice according to the Qingyun Qingyun Qi Jue.

One mind and two uses are such benefits, even if Li Tian is constantly beating, Li Tian's pace of cultivation has not stopped.

In the atrium lake, seven or seven forty-nine small fishes began to swim along Li Tian's veins, and the black flames in the lake were also moving instantly, and everything was calm.

The coercion that fell on Li Tian continued to increase, and Li Tian suffered more serious injuries.

At this time, You Anrou was already fighting with the Venerable Youhua Demon, the Venerable Nanlan Peak, and the Golden Eyed Green Lion.

A strong bow and three heavy metal arrows, under the control of Youanrou, simultaneously resisted the siege of three ninth-level masters of the Venerable. Although Youanrou is not dominant, it is not at all panic.

"Li Tian, you must hold on!"

"Let the storm come more fierce! Only the stronger the opponent, can I force my dark and soft potential! Domain master killer, hehe, let me kill a few ninth-level masters to pay homage to my name tonight. Come on!" You Yinrou thought in her heart.

Chapter 4446: : Domain Master Killer (2)

Li Tian is still practicing!

At this time, he couldn't realize the danger of Youanrou, nor could he help Youanrou!

After seeing Li Tian's ability to disappear in an instant, Venerable Youhua Demon and Venerable Nanlan Peak did not dare to easily let Li Tian go.

Therefore, Li Tian is not useless now!

At least he can play a role in making Venerable Youhua Yao, Venerable Nanlanfeng must be distracted and exert pressure to control him.

The last time Li Tian practiced to reach the sky, continuous breakthroughs caused a vision of heaven and earth, and unexpectedly provokes several domain masters and eighteen emperor-level powerhouses.

Li Tian doesn't care about the domain master or the powerhouse of the emperor. It is more important to sign up now. If he can provoke the female domain master again, he will definitely be safe tonight!

In the distance, You Dark Rou still fights with the Venerable Youhua Demon, Venerable Nanlan Peak, and Golden-eyed Green Lion.

I don't know when, a piece of the animal skin on You Anrou was torn off, revealing half of the scenery on her chest. She didn't know it at all, controlling three heavy metal arrows and resisting the repeated attacks of the two ninth-level masters. .

Ouch!

There was another arrow wound on the golden-eyed lion's body, and the golden-eyed lion let out a scream.

hiss!

The sleeve on the arm of Venerable Nanlan Peak was blown away by an arrow, and the spiritual power on the heavy metal arrow pierced Venerable Nanlan Peak's arm, and several wounds were immediately added to his arm.

boom!

A heavy metal arrow galloped past, and thousands of flowers of the Spiritual Power of the Flower Demon Sovereign exploded, once again turning their spiritual power into the veins of the You Flower Demon Sovereign.

The battle lasted for a short period of ten minutes from the beginning to the present, but the ten minutes of fighting made You Hua Yao Zun feel a little uneasy.

You dark soft, a follower of the Lord of the Dark Realm, according to rumors, she is only the mid-level ninth realm.

At the beginning, Venerable Youhua Demon, who was also the mid-level ninth-level realm of Venerables, was able to suppress the dark softness with the assistance of Venerable Nanlan Peak and the Golden Eye Green Lion.

However, with the passage of time, Youhua Yaozun gradually developed a sense of powerlessness.

No matter how Venerable Youhua Yao, Venerable Nanlan Peak, or Golden-eyed Green Lion besieged You Dark Rou, there was never a trace of panic in that Dark Soft, with a faint smile on his face.

This kind of smiling Youhua Yaozun is really familiar, it is a kind of confidence in complete control of the situation.

Whoosh!

Whoosh!

Hundreds of spiritual power swordfish flew up from the spiritual power torrent, and flew toward the dark and soft at the same time.

Facing these spiritual power swordfish, the corner of Dim and Soft's mouth showed a smile. When he turned around, the strong bow in his hand squirted through the air, and countless small spiritual power arrows flew out of the bowstring, and instantly shot into these spiritual power swordfish's. In the body.

boom!

boom!

The spiritual swordfish burst open instantly.

The battles of the ninth-level masters of the Venerable are extremely powerful. Although the three beasts and one beast did not intend to destroy them, all the giant trees within two to three kilometers around their bodies have been completely wiped out.

However, both You Anrou, the other two venerables, and even the Golden Eyed Lioness, deliberately avoided Li Tian.

puff!

Suddenly a new wound was added to Youhua Yaozun's body.

The wound was small, only more than an inch, and the cut was not deep. At the moment of injury, Venerable Youhua Yao easily avoided it, it looked like the arrow of spiritual power was on the skin of Venerable Youhua It's just a stroke.

Not even bleeding!

For Youhua Yaozun, this has no impact on the wound.

However, the more you fought, the more frightened Youhua Yaozun was!

With one enemy three, You Yinrou didn't even fall into the wind.

Even Venerable Nanlan Peak and Venerable Youhua Yao already had wounds of varying degrees.

The golden-eyed lion was shot through a front leg at the beginning, and its movement speed was greatly affected. Now the golden-eyed lion has several more wounds on its body, and its combat effectiveness is gradually weakening.

"Does Youanrou really have the legendary emperor's level strength?" Youhua Yaozun couldn't help but another thought in his heart, but soon he subconsciously shook his head, and changed his thoughts. veto.

"Impossible! This is absolutely impossible! If you have the power of the emperor, then the whole pattern of the Netherworld will be rewritten, how can she be under the Lord of the Netherworld for a long time!"

The battle had lasted for half an hour. During this period, the small skirt of Gloom and soft animal skin was cut off again, which made Gloom and Rou's two long wheat-colored legs more exposed.

If this was not a battle, Venerable Nanlan Peak would definitely be very happy to admire the dark and soft figure, and even Venerable Nanlan Peak would be willing to have some intimate contact with You Yinrou.

Thinking of this, Venerable Nanlanfeng suddenly thought of the demands that Venerable Youhua Demon had made to him. For a moment, Venerable Nanlanfeng immediately showed a trace of disgust on his face, feeling that he was more disgusting than eating flies.

"Venerable Nanlan Peak, the situation now is slightly different from what we expected. If we don't want us to be tracked down by the Lord of the Underdark Domain, then we can only join forces to kill the Darkness!" said Venerable Youhua Yao.

"I understand, what do you say?" Venerable Nanlanfeng asked.

"You go to deal with Li Tian and kill Li Tian!" Youhua Yaozun said.

"Kill Li Tian? Are you crazy? If you want to kill Li Tian, we have been busy for so long. Haven't I given up all my previous efforts when I gave an arm?" Venerable Nan Lanfeng said in opposition.

"Idiot, don't you feel that the spiritual power of You Yinrou is getting stronger and stronger? We are both helpless to her when we join forces. If this situation continues, you think we might still get Li Tian?"

"At this moment, we can only save our lives if we get rid of Li Tian and then fully cooperate to kill You Dark Soft! As for the blood source, if it is still on Li Tian, we can find it on the corpse!"
Youhua Yaozun Said.

The dark and soft face couldn't help but change slightly.

Li Tian's life and death will naturally not affect her, but since she has agreed to Situ Ningbing, she must always take care of Li Tian!

Moreover, Li Tian's wine...

Well, foodies can't get rid of the nature of foodies at any time!

The same goes for alcoholics!

"You Flower Demon Venerable, are you still obsessed with enlightenment? If you stop now, I can assume that nothing has happened today. We will not enter the river if we enter the water. You are ready to be your Venerable You Flower Demon Lord." Youanrou said.

"Don't listen to him!" Youhua Yaozun said.

Huh!

Venerable Nanlan Peak teleported to Li Tian's side in an instant, and the flood of spiritual power rushed out of him instantly, completely enveloping Li Tian, who had been trapped under the ground, and hundreds of spiritual swordfish reappeared and charged at the same time. Xiang Litian!

"go to hell!"

Youanrou wanted to pull away to save Li Tian, but was restrained by a flower vine that was as thick as a giant tree by You Hua Yaozun.

"You Hua Yaozun, you are looking for death..." You Anrou roared angrily.

Between life and death, two powerful spiritual powers suddenly fell in the world!

Two people broke through at the same time!

Li Tian, break through to the early stage of Venerable Level 4!

Dark and soft, breaking through to the realm of the domain master!

She is the Lord of the Dark Domain!

Chapter 4447: : Domain Master Killer (3)

Youhua Yaozun looked at You Yinrou dumbfounded, almost unable to believe his own eyes.

"No...no..., it's impossible!"

In any case, it is impossible for him to think that You Yinrou could break through to the realm of the domain master.

If the realm of the domain master is really so easy to break through, in the past few thousand years, there will not be only eighteen emperors and no new domain masters!

Venerable Youhua Yao did not give up, and shouted loudly at Venerable Nanlan Peak: "Hurry up!"

However, the Venerable Nanlan Peak at this time was pale.

The spiritual swordfish he controlled was flying, and when it was less than half an inch away from Li Tian's body, it could no longer fly forward a bit.

A huge light curtain with a diameter of more than a few kilometers, centered on the dark and soft, enveloping everyone in it.

In this light curtain, time seems to stop, and space does not seem to exist.

The spiritual swordfish released by Venerable Nanlan Peak floated in the air, and Venerable Nanlan Peak had completely lost control.

As for the spiritual power torrents that had just been wheeled on Li Tian's body, they also became floating beads of spiritual power.

Hands on? In the domain of the domain owner, this statement is tantamount to idiotic dreams!

How could you move your hands!

Yu is not pressure. Venerable Nanlanfeng felt that he was not as unbearable as the pressure, but even if Venerable Nanlanfeng wanted to move his body, it seemed to be completely impossible.

"It's over! I didn't expect this dark and soft to actually break through to the realm of the domain master! Today we are all finished!" Venerable Nan Lanfeng thought desperately.

...

Li Tian, who had been smashed into the ground, could not help but float up, as if a drowning person would eventually float up, completely out of control.

Because he broke through to the early stage of Venerable 4th level, the spiritual power that descended from the sky modified Li Tian's body to a certain extent, allowing the wounds on Li Tian's body to recover almost at a speed visible to the naked eye.

Li Tian felt happy, but he was more shocked by You Yinrou's identity.

You Yinrou actually broke through to the realm of the domain master?

Does this mean that the balance of the underworld has been broken?

Knowing that You Dark Rou can break through to the realm of the domain master, she should really have promised her body.

Eh, no.

Who knows that Youanrou looks like a woman, but is she actually a woman?

However, Li Tian felt fortunate, fortunate that he and Youanrou had established a certain relationship, at least so that his safety was sufficiently guaranteed.

...

Seeing Venerable Nanlanfeng's face pale, no matter how he shouted, Venerable Nanlanfeng did not respond at all, and a trace of fear finally appeared in the heart of Venerable Youhua Yao.

"Leo, give it to me! You and I work together, maybe there is no possibility of winning?".

However, the golden-eyed green lion was already creeping on the ground in fright at the moment Gloom and Soft broke through to the realm of the domain master.

At this time, the golden-eyed green lion was still trembling all over, and did not dare to look up at Gloom and Soft.

Don't think that the golden-eyed blue lion is just a beast, but as a ghost beast with the ninth-level strength of the Venerable, it is more sensitive to the enemy's cultivation base.

Youanrou is the domain master, this is absolutely not wrong. As a ghost beast, the golden-eyed blue lion will never dare to make a mistake in front of the domain master!

Youhua Yaozun doesn't seem to have this kind of consciousness.

It can't be said that he didn't have this kind of consciousness, but that he had already provoked You Anrou now, even if he had admitted wrong now, he might not have forgiven him.

That being the case, don't fight for the dead!

"Venerable Nanlan Peak, you know that we have provoked You Yinrou, this newly promoted Domain Master, we have absolutely no way to survive!"

"In that case, it is better for us to break through to the realm of the domain master while you are in the dark, and the realm is unstable. We both blew ourselves up at the same time, and we died together with the dark and soft. Only in this way can we not continue to involve our family and the kingdom of the Lord." You The flower demon respected bewitched.

At this time, Venerable Youhua Yao still wanted to send Venerable Nanlan Peak to death, and he was profiting.

Once Venerable Nanlanfeng reveals that he can cause harm to You Yinrou, then he has a chance to escape.

You Anrou looked at Youhua Yaozun with a smile on her mouth, and said: "Youhua Yaozun, I have given you a few opportunities, but unfortunately you are not sure. Now that you are about to die, you still want to confuse people?"

"If you want to explode, it's very simple, but don't forget, you are in my domain now, you just expose one to me and let me see if you can really hurt me!"

"I'm afraid you dare not! Don't I know what is thinking in your heart? Do you think that Venerable Nanlan Peak will expose yourself and you will run away? Do you think you really have this opportunity?"

"Lion, or you blew yourself up, let your master Youhua Yaozun come and see if you can hurt me!" You Darkrou suddenly said to the golden-eyed green lion.

The golden-eyed blue lion could understand the dark and soft words, and his body trembled suddenly.

"If you attack me today, you will definitely die. If you blew yourself up now, I can properly consider letting go of your newborn baby! From now on, let your baby follow Li Tian and make atonement for your sins! Do you agree?" Rou said.

A few tears flowed from the eyes of the golden-eyed green lion, and he nodded gratefully to the dark, then stood up abruptly and screamed.

boom!

The golden-eyed Lioness really blew himself up!

It's just that the ninth-level expert's self-detonation, in the dark and soft domain, it is just like a wave of waves is thrown into a lake.

And the flesh and blood of the golden-eyed green lion's bursting body was also regularly suspended in the domain, and no trace of blood was splashed out.

"No...impossible..." Youhua Yaozun finally realized that he was wrong and slumped on the ground, staring at the lion's flesh and blood floating in mid-air with stunned eyes.

With a face as usual, You dark and soft continued to say to Venerable Nanlan Peak: "Venerable Nanlan Peak, I have already abolished one of your arms. I thought you would retreat in the face of difficulties, but I didn't expect you to be affected by the ghost again. Venerable bewitched. You and him besieged me tonight. It was originally a crime that cannot escape. As long as you kill Youhua Yaozun tonight, I can forgive you for not dying."

"Remember, use the way of the other to give to the other body! However, from now on, you will become my slave!"

To be a slave means to lose the freedom of life and soul, similar to Li Tian's use of soul to detain the four mountains, southeast, northwest, and masters controlled by Dafa.

Being a servant of the domain master is far more powerful than dying for no reason!

"No..., Lord of the Dark Soft Domain, I...I am willing to surrender, I am willing to be your slave, please forgive me..." Youhua Yaozun begged for mercy.

"Nanlan Peak?"

The desperate Venerable Nanlan Peak suddenly awakened, and a gleam of light flashed in his eyes.

The desire for life made him react immediately.

Huh!

Venerable Nanlan Peak instantly teleported to Venerable You Flower Demon, suddenly lifted Venerable You Flower Demon from the ground, and hurled it into the air with force, and a long thorn of spiritual power appeared on his one arm!

Hold it high!

"No..." Youhua Yaozun let out a desperate scream, and then the pooppy spiritual power thorns pierced through Youhua Yaozun's chrysanthemum, and then pierced out of his shouting mouth.

Youhua Yaozun!

dead!

Chapter 4448: : Domain Master Killer (4)

The chrysanthemum is broken, full of wounds, and your mouth is yellowing!

Venerable Youhua Yao never dreamed that he would die in the hands of Venerable Nanlan Peak in this way.

Venerable Nanlan Peak will inevitably have some sad expressions of dead rabbits and foxes.

However, the spirit of dead fellow Daoist immortal and poor Dao made Venerable Nanlanfeng not feel guilty at all.

Puff!

Venerable Nanlan Peak knelt on the ground, lowered his head, not daring to look at You Yinrou.

For a domain master-level powerhouse, killing a ninth-level powerhouse is as easy as crushing an ant. Even if there are other emperors behind Youhua Yaozhen, those emperors will not be because of him. Offend the domain owner.

Of course, if there are other domain masters behind Youhua Yaozun, it is inevitable that other domain masters will come to the master of the dark domain to make a theory, but they will definitely not turn their faces.

The battle at the domain master level is not an ordinary battle.

They are all figures who have stood at the pinnacle of the Nether Realm. They are not lazy in different places, and they love their feathers!

Whoosh!

Glowing softly popped a finger, and a pillar of spiritual power the size of a grain of rice was ejected into the body of Venerable Nanlan Peak.

"Domain Lord, this is..."

"Since you have promised to be my servant, I can't just let you go! Don't worry, you won't die!" You Anrou said.

As the dark and soft fingers flicked slightly, Venerable Nan Lanfeng felt his body like thousands of insects swallowing his body, and the spiritual power in his body veins fluctuated uncontrollably.

"Ah! Lord of the domain, Lord of the domain! The villain dare not, please forgive the Lord of the domain!"

In just a few seconds, Venerable Nan Lanfeng's body's veins and acupoints were all opened, and his whole body was saturated with sweat.

Venerable Nanlan Peak knelt on the ground, trembling all over, and kept begging for mercy.

Youanrou stopped, slowly raised her head and glanced at Nanlan Peak, and said, "Nanlan Peak, compared to you, it must be strange why I suddenly broke through to the realm of the domain master, right?"

Even though Youanrou faced this Venerable Nanlan Peak, her words were more like to be told to Li Tian.

"I'll tell you the truth, in the past tens of thousands of years in the Nether Realm, no one has been able to break directly from the mid-level ninth-level realm to the realm master realm, and of course I can't!"

"Perhaps you may find it strange, so how did I do it? Hey, the world knows that when the Lord of the Dark Domain was at the level of the sage, he had the title of Domain Lord Killer, but don't forget, this domain How can the realm of the main realm be resisted by the ninth-level powerful master?"

"The reason why the master of the dark domain has this title is because I was originally the realm of the domain master! The powerhouse of the realm of the domain master, killing a arrogant domain master, how difficult is this?"

"The master of the dark domain is mine, and the owner of the dark domain is extremely dark!" said Youanrou.

Venerable Nanlan Peak panicked and sat softly on the ground.

That's it!

From the very beginning, he and You Hua Yao Zun were miserably wrong, and even wanted to kill You An Rou, and now You Hua Yao Zun died tragically, it was a shame.

Youanrou sneered and continued: "Do you know what the Lord of the Underdark is best at? I know any thoughts in your mind now. If you have any thoughts of betrayal in the future, even if you have this in your mind I'll know about one thought. I just need to move my fingers and you'll burst into death."

"I will never betray you!"

"This is the best! From today, you will be my servant Venerable Youdark, Venerable Youhua Yao is dead, and his Venerable Kingdom will be under your control in the future. If anyone has objections, then you should know what to do! "

"Ming...understand!"

"Also, I don't want others to know that I'm the master of the dark domain!"

"I will never tell the second person any more!"

"Okay, just understand, get out of the dark forest right now!" You Anrou said.

You Yinrou put away the domain, and the Venerable Nanlan Peak crawled and disappeared into the darkness.

Li Tian looked at the dark and soft heroic posture, couldn't help but stared blankly.

"Awe-inspiring, is this a strong person in the realm of the domain master? Completely control the life and death of others, even if it is a ninth-level strong person of the Venerable, kill it if you say it!" Li Tian sighed in his heart.

Li Tian took a few steps forward, approaching Youanrou a bit, and wanted to say a few flattering words to Youanrou, in order to win Youanrou's favor.

call!

Youanrou sat on the ground, panting heavily.

Li Tian saw that You Darkrou's body was trembling slightly, and there were a few strange black lines on her body. These black lines appeared on her handsome face from her full and slender legs.

Immediately afterwards, the dark and soft body skin turned black gradually.

"Isn't it ugly? Hahaha, it's ugly, you will get used to it!" said Youanrou.

Turning it over, Youanrou took out a bottle of Niulanshan Erguotou from her space ring. Youanrou tried to open the lid of the wine bottle several times, but her trembling arms kept calling.

"Li Tian, come and help me open the wine!" You Anrou said.

Li Tian walked over, sat beside You Anrou, opened Niulanshan Erguotou, and handed it to You Anrou's hand, and asked, "What's the matter?"

You dark soft picked up the bottle and drank gulpingly.

A few minutes later, a bottle of Niulanshan Erguotou was drunk by You Yinrou and her expression stabilized.

"I practice the Nine Nether Nine Turns Art. The cultivation of this technique allows me to use the power of the domain master when I am at the ninth level of the venerable, and then break through to the domain master realm in one fell swoop."

"However, with this kind of power, I have to endure the consequences of relying on the power. Even if I break through to the domain master realm now, this realm will not last long, especially when I use the domain again. After the master's stunt, soon, I will fall into the ninth level of the venerable. So, I was the domain master just now, and now I have become the ninth level of the venerable in the early stage!"

"Hey! Repeated this way, I need to practice this way for the tenth time before I can become a real domain master! Don't bear this kind of back and forth again! But my appearance is..."

Youanrou didn't finish speaking, she raised her head, looked at Li Tian, and asked, "Is it ugly?"

"You are beautiful, just like Beyoncé in the photo album. If you put on a little makeup, you are definitely the most beautiful and sexiest goddess in the underworld! Did you know? There are many people with this skin color in my hometown. ! But there is no one as beautiful as you!" Li Tian said.

"What is the photo album? Who is Beyoncé? Who is she? Is she beautiful?" You dark softly asked excitedly.

Chapter 4449: : Don't talk, kiss me

Beyonce, full name Beyonce Gisselnos.

Some people may feel that Beyoncé looks genuine, but if you see her in the photo album, you won't say that! And now the dark and soft is like Beyoncé from the photo album.

However, the dark and soft face tends to be more towards the aesthetics of oriental men. From the perspective of plain makeup alone, the dark and soft face can sway Beyoncé several blocks away.

Oh, right!

Compared with Beyonce, You Yinrou has another advantage, she has a big chest!

When talking about the photo album, Li Tian could not help but fill up some beautiful pictures in his mind: plump and elastic skin, tight and slender legs, and the towering giant ru.

Seeing You Dark looking at him suspiciously, Li Tian quickly faked a few coughs to cover up his panic, and said, "Ahem...The photo album is to shoot your most beautiful image, and then make it..." explained continuously, But the dark and soft eyes are still full of doubts, Li Tian can only say: "If I have a chance in the future, I can shoot a photo album for you! Anyway, you are really beautiful!"

"Compared to Situ Ningbing?" You Yinrou asked.

Li Tian's head is a bit bigger.

Is this the common characteristic of women?

Do women in the earth world and the underworld love to ask this question?

In terms of appearance, Dim and Soft Situ Ningbing is a completely different type of woman, but from the perspective of Li Tian's aesthetics, of course Situ Ningbing is more beautiful.

"You two are beautiful! Of course, you are differently beautiful!" Li Tian said firmly with his eyes.

"Really?"

"Really!"

"Don't talk, kiss me!" said a soft light in the dark and soft eyes.

Li Tian's head immediately became bigger!

Do woolen yarn!

Did you lack calcium when you were a child, and love when you grow up?

"You are really trying to make me happy, you are lying to me! But I am not angry! In these thousands of years, I have seen too many strange eyes, and I have become accustomed to it!"

"Do you know why there is only one female domain master in the Netherworld? Because I am not a woman in their eyes! I am not even a man! In their eyes, I am probably like an orc Disgusting!" A sad expression appeared on the dark and soft face.

As a woman, no matter how powerful her strength is and how lofty her status is, her appearance is always the most important to her!

"Let's go! Let's keep going, I have promised the female domain master, and promised Situ Ningbing to take care of you. In the middle layer of this dark forest, no one dares to trouble you!" You Anrou said.

You dark and soft is really not ugly, it's just that the skin color is black, but in this nether world, Li Tian has not seen any other humanoids with this skin color.

Li Tian didn't know how to comfort You Anrou.

"Fuck it, if I don't go to hell, whoever goes to hell!"

Youanrou had already stood up, Li Tian stretched out her hand to hold her hand, and yanked Yuanrou in his arms, holding her cheeks in both hands, and kissed her hard!

Originally, Li Tian thought that Dark and Soft's mouth might have a strong smell of alcohol, and might even have a disgusting smell, but when Li Tian's lips blocked Dark and Soft's mouth, Li Tian knew his guess. Totally wrong.

The dark and soft lips are actually sweet, and there seems to be a mysterious fragrance!

Soft and slippery!

Full and sexy!

Li Tian, who had only planned to order until the end, couldn't help but keep kissing.

There was an unprecedented sense of curiosity in Li Tian's heart.

boom!

Youanrou only felt a loud noise in her head, and then her mind became blank. After a few symbolic struggles, Youanrou gave up resistance. She closed her eyes, greedy. Kissed Li Tian's lips.

This is the first kiss of the dark and soft!

Although she may not have the concept of the first kiss in her consciousness, the beauty of the first kiss made You Yinrou feel that her body was soft, and a warm current flowed through her heart, giving her a warm feeling throughout her body.

Sweet, warm and soft!

"Kiss for another three seconds, after three seconds I must let go of her!"

"Kiss for another ten seconds. This is the last ten seconds. After ten seconds, I can never kiss anymore!"

"The last minute..., this must be the last minute..."

"Woo..."

Li Tian felt that he had fallen, he seemed to be addicted, and he seemed to be chewing Xuanmai gum, and he couldn't stop at all.

In fact, You Dark Soft's kissing skills are very poor. This first sister tried this sweetness for the first time. She subconsciously wanted to cater to Li Tian, but because of the poor skills, she would knock her teeth together with Li Tian from time to time. .

However, the flaws do not hide the advantages.

Sweetness is sweetness, dark and soft likes this feeling.

When Li Tian used his tongue to pry open the gloomy soft teeth and entangle the gloomy soft fragrant tongue, the gloomy soft tongue had completely fallen.

She finally understood why Situ Ningbing liked Li Tian so much, and why the female domain master would personally come to the Dark Forest to find her, and let her take care of Li Tian after Li Tian entered the Du Dark Forest.

If there is one person in the Netherworld who regards her as a female, that person is the female domain master.

Compared with other domain owners, the relationship between the female domain masters of the dark and gentle is much closer, and it is precisely because of this that the female domain masters come to ask for the dark and gentle.

Teacher Cang belongs to the world, this is the thought in the heart of the Chinese man in the earth world, and the thought in the heart of the dark and soft is that Situ Ningbing and the female domain lord are absolutely not allowed to occupy Li Tian.

Fire prevention and theft send girlfriends, if the female domain master knows this sentence, maybe she really won't entrust Li Tian to You Anrou.

This kiss, it's really unpredictable!

At the beginning, Li Tian was more active, but later Li Tian became completely passive, and was constantly nipped by the dark.

If there is a kissing contest in the Netherworld, this kiss between Li Tian and Youanrou is definitely the champion, and the champion of the first Netherworld Pattern Kissing Competition!

"Fortunately, Youanrou has only tasted the sweetness of the kiss now. If she is allowed to try other happiness, I am afraid I will be ruined tonight!" Li Tian thought about it and laughed involuntarily.

With this smile, the atmosphere of the kissing became not very strong.

You Yinrou let go of Li Tian and lowered his head, afraid to look at Li Tian.

This woman of thousands of years has become shy involuntarily.

"Sorry! I...I can't help myself, you are really beautiful!" Li Tian said.

"Li Tian, I believe you, you didn't lie to me! I am very happy!" You Yinrou said.

Youanrou paused for a while, and then continued: "From now on, you will be my dark and soft man. From now on you will not leave the dark forest. I will protect your safety. No one can hurt you!"

Do not!

It's just kissing, and you don't know how to have children. Are you so serious?

Li Tian suddenly felt sad!

Chapter 4450: : Leo Cub (1)

There is an ancient city in the middle of the dark forest.

This ancient city also has a history of at least tens of thousands of years. This ancient city has existed since there were historical records in the Netherworld.

However, like other ancient cities that disappeared in the woods, this ancient city has also become a ruin, with thick trees and winding vines completely covering the ancient city.

If you can stand high in the sky and look down, you can see that the scale of this ancient city is quite magnificent. In terms of area alone, this ancient city is no longer smaller than the current Huangzun State City.

In fact, it is no wonder that tens of thousands of years ago, the Nether realm masters were everywhere, and there were many venerables like dogs. Such a big city is not uncommon.

Under the guidance of You Yinrou, Li Tian followed her around this ancient city.

"Is the lion cub you mentioned in this ancient city?" Li Tian cautiously crossed the trunk of a decayed giant tree, and landed gently, looking at the decaying leaves and vines in the distance. Asked the toppling buildings.

"En! Right here! Last year, when the Golden-eyed Lioness of Youhua Yaozun was in estrus, I saw it near here, and there was another female Golden-eyed Lioness with it."

"Before the female domain master came here, I had been here before and saw that the female golden-eyed lion was already pregnant. If I count it well, it shouldn't be long before the young lion

cubs were born. I didn't open my eyes. When the time comes, I will draw the female golden-eyed lion away, you just need to bring out one for you at will!" You Anrou said.

"Okay! You pay attention to safety!"

Youanrou couldn't help being a little shy, and she dropped her head and nodded slightly.

"You are shy, you are a powerful ninth-level master, can you not just be a daughter at all times!" Li Tian said in his heart.

There is no way, who is called Youanrou, this super-old young woman feels love for the first time.

Now You Anrou is completely inseparable from Li Tian, and he wants to be with Li Tiangian almost every day. When there is really no way to be entangled, Li Tian will even want to do the Fa right on the spot.

Li Tian felt that he was like a little white face being kept, using the excuse of looking for the lion cub every day, being taken by the gloom and soft to wander in the gloomy forest.

If the dark forest is regarded as a street, this is the road between young lovers.

You dark and soft don't understand what is called pressing the road.

But Youanrou knew what was fun in the dark forest, and knew what Li Tian wanted.

A golden-eyed green lion that can grow into the ninth level of the venerable is fatal to Li Tian's temptation!

There is danger everywhere in the dark forest.

As long as one is not careful, Li Tian, a little sage of the fourth-level elementary realm, may fall.

At this time, Li Tian didn't care about the dignity of the man, leaning tightly against You Yinrou.

The two of them walked through the ruins of the ancient city slowly one after another.

After bypassing a collapsed building, You Yinrou suddenly stopped, and her body sank suddenly, hiding behind a piece of rubble.

Li Tian saw a golden-eyed green lion walking slowly in the woods a kilometer away. The green lion's foot was rustling on the decaying leaves.

"Golden-eyed lion?" Li Tian's eyes lit up and said excitedly.

You dark soft pressed Li Tian's mouth abruptly, looked ahead vigilantly, and whispered: "Shhh, someone is ahead!"

Li Tian looked forward and saw...Well, Li Tian didn't see anything.

In the woods ahead, there are only giant trees and dead leaves on the ground. The golden-eyed lion is very eye-catching.

"It seems that these golden-eyed lion cubs have also attracted other strong people, but they are too far apart, I can't judge the cultivation level of those guys lurking over there!"

"It is certain that these guys should be dark bounty hunters!"

"Dark Bounty Hunter?"

"The number of these dark bounty hunters is extremely small, but their cultivation base is extremely strong! And their methods are extremely cruel, and they are unscrupulous to achieve their goals."

"Isn't your status as a follower of the Lord of the Dark Domain not good? They should be jealous of you?" Li Tian asked in a low voice.

"To be honest, no!" You Anrou said with certainty.

The middle layer of the dark forest is actually a ring surrounding the most central core area of the dark forest. The area of the entire ring may be tens of millions of square kilometers.

Theoretically speaking, this area is under the control of the master of the gloomy domain, but because the master of the gloomy domain is the master of the gloomy soft, and the gloomy soft can last the domain master's realm for less than one or two years a year ago, so the gloomy soft has no power at all. Take control of the entire area.

Those dark bounty hunters are afraid of the master of the dark domain, but they may not give you face.

But if there is a conflict of interests, these dark bounty hunters will probably still kill the dark soft.

Li Tian frowned slightly and said, "Where are those dark bounty hunters lurking? Why can't I see them?"

"You follow my finger and look forward. At a distance of about five hundred meters, there is a pile of ruins of buildings!"

Li Tianshun looked over with dark and soft fingers and saw a lot of ruins. If there were no ruins, this would not be called an ancient city site.

Li Tian didn't know the specific time of You Yinrou.

You Yinrou said, "Did you see the giant tree that was half burned by thunder? At a distance of about twenty steps from the giant tree to the east, you can see the building and other buildings. Is the difference?"

Li Tianxian found the giant tree that was half burnt after being struck by lightning, then continued his direction, and finally found the low building pointed by the dark soft.

Li Tian compared other buildings around, and immediately found piles of dead leaves piled on top of the building.

"Are those dead leaves?"

"Yes, those guys!"

"These dark bounty hunters use the scent of dead leaves to cover them up, and then hide in a slightly higher area somewhere, lurking."

"They will stay lurking in a certain area for a long time without eating and moving, and even some masters can not breathe for a longer time, in order to achieve a state of integration with the surrounding environment!"

"Once they reach this state, it will be difficult for me to find them! These bounty hunters are wolves in the dark. As long as you reveal a flaw, they will come up to you frantically and bite you all the time. There is no fight back!"

"Furthermore, as mentioned earlier, they will do whatever they can to achieve their goals. If we hadn't rushed into their ambush area in time as I found out just now, then they would definitely kill us together!" You Anrou said.

"Li Tian, give up!" You Anrou said to Li Tian.
