

A Killer 4541

Chapter 4541: : Practice partner

The words of Fifth Shuiyue made the already quiet conference room fry again. .

"I didn't hear it wrong, did I? Elder Shuiyue said something like this?"

"It should be correct, haven't you heard? Li Tian is only in his thirties now, and he is definitely a tender grass in Nether Academy. It is understandable that the Fifth Shuiyue old cow wants to eat tender grass!"

"Understand your sister! With the figure and appearance of Fifth Shuiyue, leaving the Netherworld Academy and entering the ordinary country, if you say that she is 27 or 18 years old, some people must believe it! Li Tian is also lucky. It's really great!"

For a time, many animals in the conference room swallowed their saliva at the same time, and they wished to step Li Tian under their feet immediately, turning them into Li Tian, and forming a double repair partner with Fifth Shuiyue.

The word Shuangxiu appeared in Li Tian's mind for the first time!

Even Li Tian could still imagine the scene of him and the fifth water and moon blending together and intertwined.

Li Tian looked up at Fifth Shuiyue, just in time to see Fifth Shuiyue making an expression of a female lion in estrus towards Li Tian.

"I'm rubbing! This girl is too nasty!"

Fifth Shuiyue, this lady looks violent in appearance, and it feels as if she is the kind of watery and arrogant woman.

However, if you really think that this girl is such a person, and you act on the girl, then you will die miserably.

I can sorrow with a word from the earth world, but you can't harass to describe this girl is more accurate.

Li Tian moved his gaze from Fifth Shuiyue's face to the plump twin peaks that were about to burst, then resolutely moved away, and shook his head abruptly.

"Old dean, since I am already the elder of the Netherworld Academy, I should have the right to decide on my own practice. It is enough for the elder in charge to give me pointers in his leisure time. The cultivation partner proposed by the fifth elder is still considered Come on!" Li Tian said firmly.

This sentence once again made the animals in the meeting room feel that their outlook on life was ruined.

"What are you pretending to be? This is the Fifth Shuiyue Elder. You know how many male animals in this Nether Academy have coveted Fifth Shuiyue for a long time?"

"Those awesome domain masters and imperial emperors in the Netherworld, even if they can see Fifth Shuiyue once, they will be excited for a long time. If Fifth Shuiyue and them can form a

cultivation partner, even if They are going to die the next day, I'm afraid there are countless people like this!"

"Pretending to be force! Li Tian is definitely pretending to be force!"

The old dean squinted his eyes, looked at Li Tian earnestly, nodded slightly and said, "Well, since Elder Li Tian doesn't object, then it's the deal. Elder Li Tian, you and Fifth Shuiyue will form a cultivation partner. Right!"

"I wiped it, are you deaf? Or is there a problem with your understanding? Did I say I don't object?" Li Tian was about to cry.

Fifth Shuiyue sneered and said: "Li Tian, how can you talk to the old dean like this? You just agreed to this. Could the old dean still wrong you not? I can't force you! "

Ooh!

Now Li Tian really cried.

I have seen someone who is forced to be a prostitute, but I have never seen a enchanting woman who forced a man to become her cultivation partner.

"Elder Li Tian is doing a good job, I will give it ten!"

"I give nine points, one point less is for fear of his pride!"

...

Things are so settled.

Li Tian became the fifth Shuiyue's unfair practice partner.

That day, the news reached the upper-class colleges.

The first class academy was wailing.

Especially when I heard that Li Tian was the animal that mixed into the home of girls of Class A, all the boys in the upper academy scolded Li Tian as an inferior animal.

They felt that flowers like Fifth Shuiyue, even if they weren't inserted on their cow dung, at least couldn't be inserted into Li Tian's **** that only had his sixth-level initial cultivation base!

Rotation is the strength, and there are many boys who are stronger than Li Tian in the upper academy.

The shape and figure of the wheel are more handsome than Li Tian, and there are more of them with good figures.

The male students don't understand.

The female classmates didn't even understand.

What kind of magic power does Li Tian have on this animal?

I heard that Li Tian was taken away from the room of the little lady of Xingchen Xiaoyue, why is it that even Fifth Shuiyue has fallen?

Almost all the female students in the upper-class colleges are eager to see Li Tian, the legendary animal, and want to see what kind of pig can buckle the watery cabbage of Fifth Water Moon.

Of course, if Li Tian is willing to pick up these cabbages from them, even girls are welcome.

Li Tian didn't know what happened in the upper academy.

After coming out of the meeting room of the old dean, Li Tianxian took Wang Changqing, the material elder, the pen elder, and Fifth Shuiyue to his new residence in the academy.

This is a two-storey small building with a green hill on its back and a large secluded forest. There is a courtyard of several hundred square meters in front of the small building. The courtyard layout is extremely clever, with rockery and running water.

But even though it is a new home, I don't know how many houses it is.

Because no one lived for too long, the courtyard was cluttered, and the house was full of dust, debris and spider webs. The furniture and articles in the room were not damaged, but cleaning was not an easy task.

"Li Tian, you are my cultivation partner now, why don't you follow me to my residence!" Fifth Shuiyue said charmingly.

I rub!

This girl is really going to eat me!

"Ha ha!"

Li Tian arrogantly hehe the Fifth Shuiyue, that is so cool in his heart!

Wives can't dominate the bow hard, right?

Sure enough, Fifth Shuiyue just smiled, but did not force it.

Cleaning the residence does not require Li Tian to do it himself. Li Tian is now the youngest elder in the history of the Nether Academy. His assistant Wang Changqing has contracted all the cleaning.

If Li Tian is not willing to let him do it, he is still anxious!

Well, it's really cool to be an elder.

The elder in charge warmly invited Li Tian to be a guest at his residence and discuss the creation of poetry by the way.

Li Tian did not object to this, and even Li Tian sponsored some fine wines for everyone to drink.

The pen elder is not welcome. The other elders near the pen elder's residence are all dogs, smelling the scent of wine and drinking cheeky.

As a result, it was originally just a simple gathering, poetry discussion, and finally turned into a grand party for the elders of the Nether Academy!

The old dean came uninvited.

The Great Elder came uninvited.

Li Tian is a man who can't afford to offend and can only bear it silently.

Li Tian consumed nearly ten cases of Erguotou this night!

If these fine wines were in the Nether Forest, how many good things could they be exchanged? Thinking about Li Tian, he felt pain.

The hard work will always pay off. This night, Li Tian is completely integrated into the Nether Academy.

No matter which elder was, he was polite to Li Tianna.

All the ***** old guys are thousands of years old, tens of thousands of years old, and they are all cheeky brothers and sisters to Li Tian.

Fifth Shuiyue, this lady is not a fuel-efficient lamp. Riding on Jiu Jin, she pulled Li Tian in the corner and moved his hands and feet around Li Tian's body. If it were not for Li Tian's violent resistance, Li Tian would definitely have done it that night. Will be ruined by the Fifth Water Moon.

The more so the Fifth Shuiyue, the more Li Tian felt that there was a conspiracy in it!

Li Tian is not a serious man. The women he has slept with can't count both hands, but Li Tian definitely doesn't want to be coveted by female ***** to get him into trouble.

The elders returned home with great joy.

These goods all said that when the elder wooden plaque was awarded to Li Tian in seven days, Li Tian must have another huge carnival in his residence!

Li Tian raised his ***** to greet them.

In the early morning of the second day, the house that had been crazy all night finally returned to calm.

Li Tian swayed up from the ground.

"Situ Ningbing is in this academy, I should go see Ningbing too!"

Chapter 4542: : News from Li Tian

Inferior college, female dormitory!

Since Zi Chuanyan bought the other three women in Situ Ningbing's dormitory, Situ Ningbing was the only one in the entire dormitory.

These three women occasionally returned to the dormitory to change clothes, etc., but more often than not, after the three women came back, they treated Situ Ningbing sarcastically.

Occasionally, their attitude towards Situ Ningbing would be slightly better, but their purpose was also to persuade Situ Ningbing to follow Zi Chuanyan.

In the words of Gigi Lai: It's not a terrible thing. As long as the clothes are dragged and both legs stretched out, the stinky men are refreshed enough, and everything is solved. There will be neither less meat nor uncomfortable feelings. Maybe you can groan happily when you meet the right one.

When encountering such shameless classmates, Situ Ningbing had no choice.

Today, these three women returned at the same time.

Situ Ningbing was practicing and completely ignored the three of them returning to the dormitory.

In recent days, Zi Chuanyan did not come to harass Situ Ningbing. This made Situ Ningbing feel relaxed, but also faintly felt a little uneasy, as if Zi Chuanyan was a poisonous snake hiding in a dark corner. , Will be bitten severely by that poisonous snake.

Gigi Lai rushed back to the dormitory early in the morning and saw that Situ Ningbing was practicing, and she did not disturb her, and the other two ugly and unattractive girls seemed to look at Gigi Lai's head, even less dare to disturb Situ Ningbing.

When Situ Ningbing opened his eyes and came out of the cultivation state, Gigi Gigi smiled and sat on the side of Situ Ningbing's bed, humanely: Sister Ningbing, I remember you said that your man's name seems to be called Li Tian, isn't it? "

Situ Ningbing didn't pay attention to this woman.

"Sister Ningbing, we advised you to do it for your own good at the time. Even if we are wrong first, you can't help but blame us? You tell me your man is Li Tian?" Gigi asked.

"Why? Want to harm people again?" Situ Ning said with a cold snort.

After Situ Ningbing told Gigi Lai that his man was called Li Tian, Gigi Lai quickly told Zi Chuanyan the news.

Zi Chuanyan also threatened Situ Ningbing with Li Tian, hoping that Situ Ningbing could succumb to him.

But Situ Ningbing did not compromise!

Gigi Lai screamed immediately and exaggeratedly said: "How can there be such a thing, sister Ningbing, you absolutely misunderstood! Let me confirm again, is your man Li Tian less than forty years old? His repair Is it because he has not reached the realm of the emperor? And he still has a lot of fine wine in his hand?"

These related information were all told to Gigi Lai when Situ Ningbing was communicating with Gigi Lai, but she did not expect Gigi Lai to mention it again.

"Don't dream! I won't tell you where my man is now! Even if I tell you, you should never want to hurt Li!" Situ Ningbing's face inadvertently revealed. Gu said murderously.

The strength cultivation of Gigi Lai and the other two ugly girls is the realm of cultivation, how could they be Situ Ningbing's opponents.

Feeling the murderous aura released from Situ Ningbing's body, Gigi Lai was sitting on the bed and her body trembled involuntarily, fighting with her upper and lower teeth as if she were in an ice cave.

The other two ugly girls were completely speechless by the murderous intent released from Situ Ningbing's body, their bodies trembling constantly, their knees softened, and they fell to the ground.

"Sister Ningbing, even if you lend us some courage, how dare we small people go and harm Elder Li Tian!" said one of the chubby girls.

"What are you talking about? Elder?" Situ Ningbing was startled.

Will not!

Absolutely not!

Although it hasn't been long since Situ Ningbing entered the Nether Academy, she already knew quite a bit about the Nether Academy.

Not to mention the elders, the teaching assistants in the lower and middle schools of the Nether Academy are all powerful ninth-level masters, and the cultivation of those teachers has reached the realm of the domain master.

As for the legendary elders, they are the Nether Academy, no, they should be accurately said to be the god-like existence of the entire Nether Realm, and their cultivation has reached the realm of transcending the domain master.

These powerhouses, no matter who they are, once they leave the Nether Academy and enter the Nether Realm's Venerable Nation or the Empire, they can stir the situation.

As for Li Tian?

Situ Ningbing knew very well that if according to the trajectory arranged by the mysterious woman, Li Tian should be in the middle level of the dark forest, with the protection and help of the dark domain master, Li Tian's safety should be absolutely no problem.

Becoming the elder of the Nether Academy, this kind of thing may not be qualified for the female domain master in a few thousand years.

"Sister Ningbing, you haven't been out of this dormitory for too long. Now the entire upper-class academy of the Netherworld Academy has spread, and even many people in the middle-level academy already know this! It was the old dean who made an exception and appointed Li Elder Tian, I heard that a few days later, Elder Li Tian will personally award the elder wooden plaque to Elder Li Tian in the upper academy!" said another ugly girl.

Gigi Lai nodded, and then said: "Ningbing, you can't be wrong. These news are personally told by Brother Jia's assistant. If you don't believe it, you can go to the middle school or the upper-class college to inquire. go with!"

Situ Ningbing's heart couldn't help but shake.

Other things may be coincidences, names may be coincidences, ages and cultivation bases may also be coincidences, but this elder Li Tian carried a lot of fine wines, this should not be a coincidence!

Situ Ningbing's gaze slowly swept over the two girls who were kneeling on the ground, and finally fell on Gigi Lai again.

"Trust me! We won't lie to you! Don't even dare to lie to you!" Gigi Lai said with an oath, raising his hand.

"Okay, I believe you! You two get up too!" Situ Ningbing's heart was a little bit more joyful, and the murderous intent on his body disappeared without a trace. After a little pause, he said, "Gigi, you can take Am I going to the Middle School? I want to check again!"

Gigi Lai's expression is very embarrassing.

The students in the lower academy can't easily go to the middle academy, which is equivalent to the class level in the Nether Academy.

"Ningbing, although we all believe that Elder Li Tian is your man, we are afraid that Zi Chuanyan does not know now. If you go out rashly now, if you are blocked by him, then you are in danger!"

Wait a few days, wait until the old dean issues the elder wooden plaque, then go to him, or you can wait for Li Tian to find you in the lower academy!" Gigi Lai said.

"Did you see Zi Chuanyan or his entourage when you returned to the dormitory?"

"No!"

"That's good! Gigi Lai, please! I can't wait for a second! Today I have to confirm this news, if I can, I want to see Li now! In order to meet him, I risk too. It's worth it!" Situ Ningbing said.

Gigi Lai seemed to be unable to hold back Situ Ningbing, first let the two ugly girls out of the dormitory, like scouts to check first, and then led Situ Ningbing out of the dormitory, leaving the lower academy, thinking about the direction of the middle academy.

The three colleges of the Netherworld College are located in different areas of the Fengyun Mountain Range, and each college is far apart.

Out of the lower academy, there is a jungle outside.

Wild grasses grow among the thick and towering trees, and various low-level beasts and ghost beasts will rush out of the weeds from time to time.

The lower academy only has a winding stone path leading to the middle academy. This path has been in disrepair for a long time, and the weeds in the gaps between the stones are already a foot high.

With a winding path, Situ Ningbing followed Gigi Lai and the two ugly girls and galloped forward along the trail.

After more than an hour, the distance has never been more and more sparse, and some red brick and green tile buildings can already be seen faintly, and the middle school is in front.

Situ Ningbing's heart jumped wildly: "Li! Is that you?"

Chapter 4543: : Intimidation, profit and temptation (1)

The sun is shining and the shadows of the trees are mottled.

This secluded path seemed to lead to the other side of happiness, and Situ Ningbing's brows and eyes could not help but reveal a beam of joy.

Just now.

Huh!

Huh!

Huh!

Three consecutive black shadows flashed out of the grass in the woods, and landed on Situ Ningbing, Gigi Lai and others less than ten meters before and after, blocking both the front and the back of the trail.

The three people who suddenly appeared were Zi Chuanyan and his two followers.

Situ Ningbing was in the girls' dormitory. As long as Situ Ningbing did not come out of the dormitory, Zi Chuanyan would not dare to enter the girls' dormitory and do whatever he wanted.

This is the iron law of having Nether Academy!

Even the male teachers who have reached the realm of the domain master cannot enter the female dormitory or the female residence rashly, and similarly, the female students cannot easily enter the male dormitory and residence!

Unless the elders give special instructions and there are special circumstances, if they violate it, they will be sanctioned by the Nether Academy.

Li Tian is a special existence!

This product not only entered the girls' residence, but also brought Tang Xiaolong out.

However, Tang Xiaolong and Cang Hai Sang Tian have done some difficult things in the girls' residence.

But now Li Tian is already the elder of the Nether Academy. Someone will chase Li Tian's **** and find an explanation for everything behind.

As for Tang Xiaolong, Li Tian's brother was sent to the upper-class academy when Li Tian was still under house arrest, and now he and I can live in harmony with the vicissitudes of life.

If the two really want to do something difficult, there is no need to do it in a boy's or a goddess' residence. The Netherworld Academy covers a large area, and there are mountains and mountains around the academy. The two of them can park and sit in Love Maple Night. !

Back to Zichuanyan.

This man is the eldest son of the Zichuan Emperor of the Zichuan Empire. He is ignorant and his greatest hobby is to harm the beautiful female students of the lower academy.

Therefore, Zi Chuanyan knows the various chapters and systems of the Netherworld Academy very well, and he will definitely not let him fall into a dead end just because of a woman!

Zi Chuanyan forcibly blocked Situ Ningbing and failed, so he wanted to make a living.

Recently, the name of the new elder Li Tian in the Nether Academy was too high. Zi Chuanyan knew that Situ Ningbing's former man was also called Li Tian, so he bought Gigi Lai and asked Gigi to trick Situ Ningbing out of the dormitory.

I didn't expect Situ Ningbing to be fooled out so easily.

Seeing Zi Chuanyan, Situ Ningbing's face changed. If she didn't understand what was going on now, then Situ Ningbing would be dead.

"Master Zi Chuanyan, we have done what you want us to do. Should we honor the promise we made?" The two ugly women who followed Situ Ningbing did not dare to look at Situ Ningbing's eyes, and faced Zi Chuanyan. Said.

One of Zi Chuanyan's entourage took out a small skin from the skin and threw it to the two ugly women.

"Hurry up, you two ugly pigs, the ugly old man is going to be blind!"

The two smoking women took the small skin bags, opened them, and then said to Situ Ningbing: "Don't blame us, it's you who don't know good or bad, and it hurts us!"

After speaking, the two ugly women did not linger, turned around and fled.

"Gigi Lai, are you lying to me about Elder Li Tian?" Situ Ningbing said with restraint of anger in his heart.

There was no shame on Gigi Lai's face, and she tilted her head up and said with a cold and arrogant expression: "Yes, what can I do if I lie to you? Do you really think your man can become an elder? You are too naive. Right!"

"Elder Li Tian is the most genius in the history of the entire Nether Academy. Your man who doesn't know anything is now unknown to life and death!"

"Situ Ningbing, everyone is a woman. Apart from your face, why am I not as good as you?" Gigi Lai deliberately raised her chest, remembering and saying, "Unplug your clothes, what is the difference between you and us? What can you be proud of, are you so qualified to pretend in front of Zi Chuanyan?"

"Don't persuade the Lord to pretend to be pure, and to be pure, I want to see with my own eyes whether your cold and arrogant woman can continue to pretend to be pure under Master Zichuanyan's crotch?"

Zi Chuanyan pulled Gigi Lai to his side and pressed down hard, Gigi Lai immediately returned to Zi Chuanyan's legs, then Gigi Lai put her hand into Zi Chuanyan's clothes and began to fumble.

Soon, Gigi Lai actually stuffed Zi Chuanyan's thing into her mouth and sucked it with joy.

Situ Ningbing had a strong sense of disgust in her heart!

But only half a month ago, Gigi Lai still shouted to her brother, why now she kneels under Zi Chuanyan's crotch!

Disgusting, it is disgusting!

Huh!

The butcher **** butcher has appeared in Situ Ningbing's hands.

Zizi!

The purple electric arc wandered across Situ Ningbing's body, and several purple lotus flowers appeared on the butcher knife in her hand following Situ Ningbing's hand.

The knife spirit in the butcher **** was activated, and the handle of the knife was shining with dazzling purple light!

Situ Ningbing held a butcher knife in his hand, but with a crossbar in front of him, facing Zi Chuanyan vigilantly.

"Hey, little girl, what are you doing? Could it be that you, because of your master's cultivation of the third level of the primary realm, can still be cheap in front of the strong of my venerable fifth realm?"

"Little girl, put your weapons away, hehe, now that you have met my brother, it's better to meet me by chance, even if it's reasonable to play with me happily with your brother, as long as your brother is happy enough, brother will definitely not embarrass you! "Zi Chuanyan said with a lewd smile.

"Dreaming! I blew myself up today and I won't let you succeed!" Situ Ning said with a sneer.

When he heard the explosion, Zi Chuanyan was frightened.

The power of self-detonation of the three-level powerhouse of the Venerable is extraordinary.

Zi Chuanyan seems to have been hollowed out by the female sex. After less than two minutes before and after, after suffering this shock, the thing this guy held in Gigi's mouth turned into a soft earthworm.

Terra Suo flows from the corner of Gigi Lai's mouth.

Gigi Lai had a look of enjoyment, watching Zi Chuanyan smile innocently, Zi Chuanyan kicked Gigi Lai away, tidied up his clothes, and said, "Why do you need to blow yourself up? Great life is still waiting for us to enjoy!"

"Are you a little shy, worried that Gigi Lai and others in your dormitory will tell us about the two of us? Don't worry, as long as you follow me, they will never say a word!"

"My requirements are not high. You just have to play with me for a few days, and then you will be completely free. If you are willing to find your man, I can even help you leave the college!"

Zi Chuanyan took out a crimson pill from his skin, showed it to Situ Ningbing, and said, "This is a pill that can increase cultivation. If you follow me, I will I can give you at least ten! You can improve your cultivation quickly. Now you are always satisfied!"

Chapter 4544: : Intimidation, profit and temptation (2)

The pill in Zichuanyan's hands is an aphrodisiac made by the first ***** of the Zichuan Empire with the whip of a certain ghost beast as the main raw material.

When taking this pill, there will be an illusion of increased spiritual power in the body's veins. Once the pill is refined in the body with spiritual power, the user will immediately be completely overwhelmed by the aphrodisiac.

The great ***** of the Zichuan Empire couldn't do ***** himself, so he secretly added a certain addictive thing to this kind of pill. Once he took this kind of pill, it was difficult to resist this kind of pill. .

Both men and women!

Unless the user can reach the realm above the emperor, it can withstand the erosion of the substance in this pill.

Using this medicine, Zi Chuanyan didn't know how many ignorant girls had been deceived.

Gigi Lai was deceived by Zi Chuanyan, taking this pill, and then wantonly playing with Zi Chuanyan and his entourage, and now completely reduced to a ***** slave to Zi Chuanyan and others.

Of course, the senior elders of the Netherworld Academy didn't know about this kind of thing, otherwise, Zi Chuanyan's actions would probably be severely punished.

Situ Ning looked at Zi Chuanyan coldly, thinking quickly how to escape from Zi Chuanyan's hands.

Venerable Zichuanyan is the fifth-level powerhouse, if there is only one fellow like Zichuanyan, Situ Ningbing can use the demon blood Yijing Pill left by the female domain lord to force her to break through to the fourth-level realm of Venerable. Maybe she can give it a go.

However, now Zi Chuanyan is still with two Venerable 8th-level followers. If Situ Ningbing were to deal with three of them at the same time, Situ Ningbing would not even have a chance of winning!

Zi Chuanyan's victory is in hand.

As long as Situ Ningbing was reluctant to explode, and the fish died and the net broke, Zi Chuanyan would have fallen into an invincible place.

Now, it is necessary for Situ Ningbing to swallow the pill, then he can do whatever he wants, even if Si Ting Ningbing wants to explode at that time, I am afraid that he will not have that kind of courage and courage.

"What else can you hesitate? You have to know that I am going to become the man of the Zichuan Empire in the future. As long as you follow me, you will have endless glory and wealth in the future."

"Isn't that the ultimate goal of your students in the lower academy? Now that I can provide you with the life you think about, what else can you consider?"

"Take this pill, you won't have any troubles after eating it!" Zi Chuanyan handed the pill forward again, and said with a smile that he thought was very gentle.

Situ Ningbing firmly grasped the butcher knife and butcher god, hesitated for a moment, and took the pill into his hand.

"You can follow you, but even if I die, I won't follow your followers. You let them take Gigi Lai this little **** away. I don't want to see them!" Situ Ningbing made a statement. The deputy said shyly.

The two entourages couldn't help but feel a little anxious, but Zi Chuanyan promised that if Situ Ningbing falls, they can also play with them!

"My lord, this..."

Zichuan Yanjing went to his brain, excited, and said: "You take Gigi Lai out of here and go to the woods over there!"

Speaking of Zi Chuanyan, he took another pill from his skin and stuffed it directly into Gigi's mouth.

Gigi Lai got this pill, her face showed excitement, her cheeks flushed, and she swallowed it with Derensu.

As for what she was going to suffer when she was taken into the woods far away, Gigi Lai seemed to have been used to it, and was already prepared, and did not resist.

Zi Chuanyan watched Gigi Lai and his two entourages turn and leave, sparks were about to appear in his eyes, and he kept licking his lips with his tongue, staring at Situ Ningbing's body like a hook. .

Soon, in the woods in the distance, Gigi Lai's breathless sound, as well as the breathless sound of the two followers, came.

As you can imagine, the three people in the woods are definitely not fighting landlords or playing poker!

Situ Ningbing really wanted to swallow the Demon Blood Yijing Pill now, instantly raise her cultivation base, desperately to kill the ***** in front of her, but her concern for Li Tian made her not make such an impulsive move.

"Hurry up, I can't wait!" Zi Chuanyan said to Situ Ningbing.

So far, the blade in Situ Ningbing's hand has been tightly gripped, and it can be seen that although Situ Ningbing has agreed with him, he has not relaxed Zi Chuanyan.

Zi Chuanyan could even guess Situ Ningbing's true thoughts.

However, Zi Chuanyan was not afraid that Situ Ningbing wanted to kill him and wanted to escape. With his Venerable fifth-level cultivation base, dealing with Situ Ningbing, a woman with only Venerable third-level primary realm, was really too simple. Up.

What Zi Chuanyan was really worried about was that he was afraid that Situ Ningbing would blow himself up. As long as the woman didn't blow himself up, the more she resisted, the more excited Zi Chuanyan's heart was.

Some people might say that people like Zi Chuanyan want to play with women. What kind of women can't play with them?

That's right, in the Zichuan Empire, as long as Zi Chuanyan said a word, I don't know how many women would rush to show up for Zi Chuanyan.

But that is the Zichuan Empire after all.

It was completely different from the women in this Nether Academy.

Maybe someone else said that Situ Ningbing has a man, doesn't Zi Chuanyan have a virgin complex?

Hahaha, the charm of a married wife from a married woman.

Zi Chuanyan even twisted his mind to think, if Situ Ningbing fell under his crotch, what kind of expression the legendary Li Tian would look like when he got the news.

Listening to the groan of Gigi Lai in the distance, the more Zi Chuanyan thinks about it, the more he feels that the flame in his heart burns more fiercely. Now Zi Chuanyan can't wait to rush over and press Situ Ningbing under him!

"Why are you still hesitating? Hurry up and swallow this pill! Let us both practice together and make progress together..."

As he said, Zi Chuanyan took out an elixir from his skin, swallowed it, and said to Situ Ningbing with bewitching words: "You can feel it, after I swallowed this elixir, the spiritual power on my body fluctuated significantly. , This is the proof of my increase in cultivation level!"

Zi Chuanyan slowly approached Situ Ningbing, surging spiritual power wandering around Zi Chuanyan's body.

"Hurry up and eat it! Hurry up and eat it!" Zi Chuanyan kept saying to Situ Ningbing.

Situ Ningbing stepped back more than ten steps continuously.

There is no way.

"I can only fight!"

Situ Ningbing had already replaced the aphrodisiac with a demon-blood Yijing pill when Zichuan Yan swallowed the pill.

Now she can only swallow the Demon Blood Yijing Pill, in exchange for an instant breakthrough in her cultivation level, so that she can escape from Zi Chuanyan's hands.

"Li Tian, if I can't escape from this thief, I must blow myself up to protect my innocence!" Situ Ningbing raised his hand, ready to swallow the demon blood Yijing Dan.

At this moment, a familiar man's voice suddenly came from among the bushes: "Hey, your tactics of stealing beams and changing columns are too weak! Are you trying to save Master Zichuanyan's medicine for your little lover Li Tian?"

Chapter 4545: : The Artifact for Picking Up Girls (1)

Hearing this voice, Situ Ningbing's tears almost came down.

In addition to Li Tian, does that person's voice make Situ Ningbing so familiar?

Huh!

A figure flashed out of the grass, and instantly appeared beside Situ Ningbing.

It was Li Tian who Situ Ningbing was thinking about.

"you....."

Excited tears swirled in Situ Ningbing's eyes, her arms trembling slightly.

Snapped!

The Demon Blood Yijing Pill couldn't hold it and fell to the ground, but Situ Ningbing didn't know it.

Seeing Situ Ningbing's appearance, Li Tian really wanted to hold her in his arms and use his body to protect Situ Ningbing.

Li Tian wanted to turn around now and pull out the Qiong Spear of the sky, and with a spear he pierced Zi Chuanyan's son-in-law's little brother, so that this **** would never be humane.

However, after becoming the elder of the Nether Academy, Li Tian has a better understanding of the Nether Academy.

For example, Zi Chuanyan can use his status as a student of the upper-level college to insult the students of the middle and lower-level colleges, and even force the students of these middle and lower-level colleges to commit suicide, but Zi Chuanyan cannot directly take these students. Beheaded.

However, as the elder of the Nether Academy, Li Tian could not arbitrarily insult any student of the academy, let alone use his identity to execute any student at will.

Especially the students of the upper academy.

Even if this student committed the crime of deceiving his master and destroying his ancestor, Li Tian did not have this right.

To execute and behead a student, it must undergo rigorous deliberation by the Presbyterian Church. Even so, the students from the upper academy are at most expelled from the academy, and the academy will not execute the students from the upper academy under normal circumstances.

For Zi Chuanyan, Li Tian killed his heart.

So Li Tian didn't want to just expel Zi Chuanyan from the college.

If God wants to destroy a person, he must first make him crazy.

If Li Tian couldn't let Zi Chuanyan do something crazy, then he would be too sorry.

Li Tian winked at Situ Ningbing and signaled Situ Ningbing not to reveal his identity.

"This girl is so kind, Young Master Zichuan Yan gave you a pill that can improve your cultivation. That's right for you, but if you are good enough, you are too ignorant of what is good or bad!" Li Tian said.

Zi Chuanyan didn't see Situ Ningbing stealing the ball and changing the post. What he saw was that his good deed was destroyed by Li Tian's sudden jerk, and he couldn't help but feel a little angry.

"Who the **** are you? It's okay to get out of here, don't disturb Lao Tzu's good deeds!" Zi Chuanyan regarded Li Tian and Zi who had appeared near the secondary college as ordinary students in the secondary college, and spoke rudely.

There was a trace of murderous aura in Li Tian's eyebrows, but the murderous aura flashed by.

"Princess Zichuan Yan is domineering, this kind of domineering looks at the entire Nether Academy, and no one can compare to the enemy!"

Hearing Li Tian's bragging about patting the horse, Zi Chuanyan's face showed a trace of color.

"However, in dealing with girls, Young Master Zichuan Yan is too far away from me! Isn't he just trying to take this girl? If it's not for my brother, I will show you a hand and promise to let this girl be obedient to me. Yes!" Li Tian said deliberately with a jealous expression.

Of course Zi Chuanyan didn't believe it.

"I know you don't believe it, so I will show you it for free today!"

Zi Chuanyan, Situ Ningbing looked at Li Tian suspiciously, not knowing what Li Tian wanted to do, Li Tian stretched out his hand coquettishly, and instantly there was a guitar in his hand.

"Boy, look clearly, this is Lao Tzu's six-string aphrodisiac piano!"

"The magical device for picking up girls? Six-string aphrodisiac? It sounds like it is very tugging, but is it useful for you?" Zichuan Yan asked in disbelief.

"Then look it up!"

Li Tian held the guitar in his arms, waved his fingers randomly on the guitar, and then pretended to sing: "The girl opposite, look at it, come and see it, the performance here is wonderful..."

Situ Ningbing felt a shock from the **** the opposite side of the vulgar tooth loss, her eyes showing a desire to die.

The guitar strums, the singing sounded, and Gigi Lai's breathless sound in the woods in the distance stopped abruptly.

Li Tian was out of control on the road he was pretending to be. While playing the piano against Situ Ningbing, he walked towards Situ Ningbing, and gave Situ Ningbing a hard kiss on the cheek.

And Situ Ningbing leaned back on Li Tian's shoulder, pretending to be intoxicated.

"This...this...how is this possible?" Zi Chuanyan was completely shocked by Li Tian's performance.

It took him all sorts of hard work to trick Situ Ningbing here, but he didn't expect that Li Tian would get it so easily.

"How about? Boy, do you want to be the master of all the women in Nether Academy? As long as you get my pick-up artifact and my secret book, you will be the king of the girls in Nether-Academy!" Li Tian said.

Zi Chuanyan's heart moved.

But he still had some doubts in his heart, he still didn't fully believe that Li Tian had this ability.

"Do you still believe it? It doesn't matter, I can show you one more time!" Li Tian asked.

At this time, the two followers of Zi Chuanyan had already walked over with Gigi Lai.

"You will experiment on her, if you can do it, I will believe you!" Zi Chuanyan pointed to Gigi Lai and said.

Li Tian's face immediately showed a mocking expression, and said disdainfully: "My magical instrument for picking up girls, the six-string aphrodisiac, is not unlimited. Each artifact can be used up to three times. How can I be so vulgar? Waste on powder!"

"Eh, I just saw the Fifth Water Moon in the jungle over there, how about using the Fifth Water Moon as the test subject?" Li Tian said calmly.

When Zi Chuanyan heard the name Fifth Shuiyue, he felt that he was going crazy.

Fifth Shuiyue, the elder of Nether Academy.

I have never heard of any man taking advantage of Fifth Shuiyue.

The guy in front of him dared to attack Fifth Shuiyue. Isn't he looking for death by himself? and many more?

Is it true that this guy's six-string aphrodisiac instrument for picking up girls is real?

Hey, no matter whether it's true or not, don't you know if you try it?

"How do you sell the six-string aphrodisiac, a magical instrument for picking up girls?" Zi Chuanyan was already heartbroken.

Li Tian smiled slightly and said, "This chick has been fascinated by my piano. You give me this chick. In addition, I need two followers. Your two followers look pretty good!"

Zi Chuanyan didn't give the slightest consideration, and nodded and said: "Well, as long as you can take down the fifth water moon, I will believe you. This little girl is yours, and these two followers are also yours!"

The two followers of Zi Chuan Yan didn't know what happened, they were given away by Zi Chuan Yan.

"Let's go, the Fifth Shuiyue is just ahead, I will let you see the power of my girl picking artifact!" Li Tian said with a sneer in his heart.

Chapter 4546: : The Artifact for Picking Up Girls (2)

Situ Ningbing wanted to ask why Li Tian appeared here, but she couldn't ask, nor dared to ask.

She was worried that her poor acting skills would be exposed, putting Li Tian in danger.

After all, although Li Tian's current cultivation base is stronger than Zi Chuan Yan, it is much weaker than Zi Chuan Yan's two followers.

Li Tian stretched his hand to hold Situ Ningbing's hand, clenched it tightly, and comforted Situ Ningbing in a low voice, "Don't be afraid, everything is mine!"

Situ Ningbing also firmly clenched Li Tian's hand and nodded slightly.

Several people followed Li Tian through a small forest, and they saw Fifth Shuiyue sitting on a boulder in the forest, as if they were practicing.

Seeing the fifth water moon, Zi Chuanyan's eyes showed unconcealed desire.

As long as a man, almost everyone wants to conquer the fifth water moon.

"It's a pity, such a good cabbage will be doomed by this ***** in front of you!" Zi Chuanyan thought regretfully.

But this pity only flashed past.

Zi Chuanyan thought of the many women in the Nether Academy, the vicissitudes of life, the stars, the stars, and so on. That one is not the country's beauty, and they are just students from the upper academy, and they are much safer than the Fifth Water Moon.

"It's up to you!" Zi Chuanyan said to Li Tian.

Li Tian showed an arrogant expression, walked a few steps forward, coughed softly, waved the strings slowly, and pretended to sing: "The girl opposite, look over..."

In order to be realistic, Li Tian deliberately released the spiritual power in his body veins when he was playing, so that the spiritual power drifted towards the fifth water and moon with the fluctuation of the strings.

After Fifth Shuiyue heard the sound of the piano, her body first shook, but after struggling a few times, she became completely quiet, and then she looked at Li Tian's eyes completely.

At this moment, Zi Chuanyan, his two followers, and Gigi Lai all looked at Li Tian with strange eyes.

"Impossible, how can there be such a artifact in this world?"

"The frog at the bottom of the well sits and watches the sky. There are so many things you don't know. I will let the Fifth Shuiyue elder come over and kiss me!" Li Tian said.

Li Tian stopped playing the guitar.

Fifth Shuiyue waved like a butterfly and flew to Li Tian lightly.

Li Tian stretched out his hand to embrace Fifth Shuiyue in his arms, held Fifth Shuiyue, and kissed her **** the cheek.

The Fifth Shuiyue is like a puppet, not resisting at all, but enthusiastically cooperated.

Gigi Gigi looks completely silly!

Zi Chuanyan felt the flame in his body burn instantly.

Damn, this turned out to be true!

I want to sleep sweetly!

I want to sleep with stars and stars!

I want to sleep all over the Nether Academy, no, all the stunning beauties in the Nether Realm!

Such a great ideal suddenly appeared in Zi Chuanyan's heart.

Situ Ningbing was more shocked than Zi Chuanyan, Gigi Lai and others!

Although she had never seen Fifth Shuiyue, through the expressions of Zi Chuanyan and Gigi Lai, and the appearance of Fifth Shuiyue, she had every reason to believe that the woman in front of her was the legendary Shuiyue elder.

But how could Li Tian make this woman so submissive?

Does the guitar of the earth world really have this kind of magical power to get the Netherworld?

Or perhaps the private lives of the elders in the Nether Academy are chaotic. The Fifth Shuiyue and Li Tian are now...

Situ Ningbing couldn't imagine it!

"Hey, brother, since this piano has such magical powers, can you wait for you to finish, let me refresh the Fifth Shuiyue Elder? Even if it's refreshing, even if I die, it's worth it!" Zichuan One of Yan's entourage said with a lewd smile on his face.

"Shut up..." Li Tian shouted.

Fifth Shuiyue turned her head and looked at the follower, only to see Fifth Shuiyue wave a hand suddenly, a few drops of transparent water flew out of her hand, hitting the follower.

puff!

puff!

These water droplets completely wrapped the entourage in an instant, and then the water droplets kept shrinking.

Crunch!

Crunch!

Li Tian and others could hear that the bones of the eighth-level strong man of the venerable were constantly exercising, and his body was crumpled into a ball almost instantly.

what!

The entourage of Zi Chuan Yan came and uttered a horrible cry, and then his body turned into a pool of blood, and he was completely integrated into the few drops of water released by the fifth water moon.

Quiet!

Everyone was shocked by the sight in front of them and could not speak.

Even Li Tian, who likes to pretend the most, was stunned, feeling his body tremble slightly.

This was the first time these people had seen Fifth Shuiyue take action, but they were completely overwhelmed by Fifth Shuiyue's strength.

Between raising your hands and feet, you can easily kill the eighth-level powerhouses in seconds. This is the strength of the elder-level powerhouses in the Nether Academy.

Zi Chuanyan didn't even dare to breathe.

Gigi Lai and another entourage were paralyzed on the ground in fright. They were afraid that Fifth Shuiyue would get angry and cut them to death.

"Forgot to tell you, now the Fifth Shuiyue Elder just succumbed to the sound of my piano, and only I can be intimate with her!" Li Tian said in a slightly trembling voice.

After Li Tian said this sentence, Fifth Shuiyue held Li Tian's arm very cooperatively, and lightly pecked Li Tian's cheek.

Only then did Zi Chuanyan let out a sigh of relief.

"Brother, I want this magical device for picking up girls! It's just that... my entourage has lost one person. This... I also have a small bottle of Dragon Life and Tiger Pill, which is the pill that can increase cultivation!"

Zi Chuanyan now completely believes in this guy in front of him.

Fifth Shuiyue, that is a powerful existence that is not even a great elder, and was easily convinced by the guy in front of him with a magic weapon for picking up girls.

"I will reluctantly accept it! But I can only give you the artifact that you have for picking up girls. Now you can use it up to two more times, so you have to seize the opportunity!" Li Tian took the skin bag that Zi Chuanyan handed over, Pushed the guitar over and said.

With a smile on Zi Chuanyan's face, he said, "Although it's a little bit less twice, it's better than nothing! Hahaha, I've been coveting that lady of Stars and Xiaoyue for a long time, now I finally have a chance! "

"The son..."

Zichuan Yanjing Worm's brain, now there still wants to take care of his followers!

The followers of Zichuanyan are the eighth-level strong of the sage, although they are also very powerful, but compared with the sages of many students of the upper academy, their cultivation base is a bit lower.

It's as if the second generation of the rich in society is better than luxury cars, the strength of the followers represents their faces.

Li Tian gave Zi Chuanyan the coquettish song again, and watched Zi Chuanyan happily running out of the woods holding the guitar.

When Zi Chuanyan's figure disappeared completely, Fifth Shuiyue released Li Tian, sighed and said, "As the elder of the Nether Academy, are you really good to cheat your students like this?"

Chapter 4547: :despair

Li Tian can only say that Fifth Shuiyue doesn't know how to call it!

If it were not in the Nether Academy, Zi Chuanyan would have already become a dead body!

Fifth Shuiyue saw that Li Tian's face was not so good, she changed the subject and asked, "What do you plan to do with this female classmate and Zi Chuanyan's entourage?"

Li Tian chuckled at Zi Chuanyan, took Situ Ningbing and turned around.

Fifth Shuiyue is a scheming bitch, Li Tian has no time to take care of her.

As for the entourage of Gigi Lai and Zi Chuanyan, I will leave it to the beautiful elder of the Nether Academy of Fifth Shuiyue, Super Madonna to deal with it!

Nima!

Zi Chuanyan from the upper academy is a human being, isn't it important for Situ Ningbing from the lower academy?

If it weren't for Li Tian happened to pass by here, the current Situ Ningbing would have been tarnished by Zi Chuanyan.

Li Tian just let Zi Chuanyan eat his own fruit and make him pay a price for it.

Li Tian would not feel guilty about Fifth Shuiyue either.

The reason why Fifth Shuiyue is willing to cooperate with Li Tian so much is not because Li Tian is her double-cultivation partner, but because Li Tian has a useful value in him. Li Tian promised to write a poem for Fifth Shuiyue.

8ding8dian8 小8 said that .23.0 Li Tian and Fifth Shuiyue are at best a partnership.

Seeing Li Tian taking Situ Ningbing's hand and disappearing into the woods quickly, Fifth Shuiyue's heart tightened involuntarily, as if something was leaving her.

At this time, the elders of Gigi Lai and Zi Chuanyan already understood what had happened.

Zi Chuanyan is holding Li Tian's guitar, if he really looks at the girl opposite Xing Chen Xiaoyue to sing, and then thinks that he has already surrendered to Xing Chen Xiaoyue and does something extraordinary, I am afraid that Zi Chuanyan will at least suffer a severe beating.

Huh!

The figure of Zi Chuan Yan's follower flashed, and he was about to chase Zi Chuan Yan.

At this moment, he suddenly felt a voice coming from behind him, and the entourage suddenly turned his head and saw the sleeves of Fifth Shuiyue appear behind him like a shadow.

The entourage knew that the strength of Fifth Shuiyue was far better than him, and his face was involuntarily frightened.

drink!

The entourage roared, and suddenly his body instantly transformed into a burning wooden tower!

The flames burned blazingly, and the trees around the body of the entourage instantly began to wither due to the heat.

"It turned out to be the spiritual power of the two attributes of wood and fire. It is a pity that the cultivation technique is too rubbish, and it is my fifth water moon..."

As soon as the fifth Shuiyue's voice fell, the entourage felt that he had suddenly fallen into ice water, and the flames all over his body were instantly extinguished by the ice water.

"Domain! I'm so stupid. It turns out that we have already entered the domain of the Fifth Water Moon Elder!" The entourage knelt to the ground with a sad expression on his face, and said desperately.

Huh!

A faint sneer appeared on Fifth Shuiyue's face. Her spiritual power sleeves had completely wrapped the entourage, like a mummy, and the light spiritual power continued to flow down her sleeves.

Click!

Click!

A few crisp bone fractures sounded, and the entourage of the eighth-level peak of the Venerable did not even have time to scream, but was completely swallowed by the spiritual power released in the fifth few months.

This is the difference in strength, and Fifth Shuiyue hasn't completely used her domain to crush this Venerable, otherwise he might not even have the opportunity to display spiritual power.

In just a few minutes, the two venerable entourages of Gigi Lai who had been intimate with skin just now disappeared completely in a blink of an eye. Gigi Lai, who had witnessed all this, was really scared to urinate this time.

Puff! With a sound, Gigi Lai fell on her knees in front of Fifth Shuiyue, kowtowing her head as if pounding garlic, begging for mercy: "Elder Shuiyue, please forgive me, I...I...I am forced to be helpless, I am innocent!"

Although the Netherworld Academy has restrictions on the rights of the elders, even if a small person like Gigi Lai suddenly disappears now, I am afraid that not many people are willing to investigate the cause, let alone if there are elders in it.

Fifth Shuiyue glanced at Gigi Lai indifferently, and said without expression: "You corrupt the reputation of Netherworld Academy, and Netherworld Academy won't and can't keep you anymore. Leave the Academy!"

The Fifth Shuiyue made it clear what Gigi had done, and it was her greatest kindness to drive Gigi from the Nether Academy.

"Elder Shuiyue, Elder Shuiyue, I can't leave the academy. If you come to open the academy, I'll be all over. Please, elder Shuiyue, let me go!" Gigi Lai said, crying and begging for mercy.

"Do you know who the man who rescued Situ Ningbing just now was?" Fifth Shuiyue asked.

"Who? He...he wouldn't really be Situ Ningbing's man, right? Li Tian, the newly promoted elder of the Nether Academy, right? I...my luck can't be so unlucky, right!" Gigi Lai thought unwillingly.

Seeing Gigi Lai did not speak, Fifth Shuiyue said: "He is the youngest elder Li Tian in the history of Nether Academy! Do you think you can stay in Nether Academy for a woman like you to Li Tian? With Li Tian's mind, Not to mention you, even Zi Chuanyan may not be able to escape the tragic fate in the end. So..."

"I advise you to ask Situ Ningbing to forgive you now, and then leave Nether Academy obediently. If Situ Ningbing can forgive you, then everything is fine. If Situ Ningbing can't forgive you, I advise you to be the best in the future. Be incognito and find an ordinary person to marry!"

...

Gigi Gigi's thoughts are totally ashamed.

She didn't know how she returned to the dormitory.

In the dormitory, the two ugly girls still knew what had happened in the woods, thinking that Gigi Lai would be sad for Situ Ningbing's experience.

"That woman deserves her sin, there is nothing to be sad! Now Master Zichuan Yan is our backer, and our status in the lower academy will be higher and higher in the future. When we graduate from the academy, maybe we can still enter the Zichuan Empire. , Continue to work for Master Zichuan Yan!" said one of the fat girls.

Another ugly girl also looked forward to a better life in the future and said: "Yes, the emperor of the Zichuan Empire is now a powerhouse at the domain master level. If we can get an errand in the Zichuan Empire, perhaps we can also support two in the future. A beautiful little boy, living a sexual life!"

Gigi Lai suddenly roared: "Stop dreaming! Do you know who Situ Ningbing's man is? It's unknown whether we can survive. What dreams do we have?"

The two ugly girls were shocked and asked in unison: "Who is it? It's really new elder Li Tian from Nether Academy, right?"

Gigi Gigi sat on the ground feebly and weakly touched her head.

"Well, I blame you. If it weren't for you, we would provoke Situ Ningbing!" A desperate cry came from the dormitory.

Chapter 4548: : The black hand

Nether Academy, Upper Academy, the first teaching office.

In front of the teaching office, Zi Chuanyan held the guitar and flicked his long hair with an unconcealable smile on his face. He plucked the strings in his hand coquettishly. He wanted to use this method to attract everyone. look.

"Those guys who looked down on my Zi Chuanyan, today I will use this six-string aphrodisiac piano to let you see clearly, I also have a counterattack day!"

"Stars and Xiaoyue, aren't you arrogant? Lao Tzu used to just want to be close to you, but you ruthlessly ignored it. Today, I want you to actively embrace Lao Tzu in front of so many people in the upper academy! "

Thinking of this, Shi Chuanyan couldn't help but laughed out loud.

In the distance, several students from the upper academy looked at Zi Chuanyan with idiotic expressions.

"This kid doesn't have a problem with his brain? Is he holding a broken piano and playing a woolen thread? He is still smiling foolishly!"

"I don't know, I heard that this kid has been wandering around in the lower academy recently. It seems that he has a soft spot for girls from the lower academy!"

Soon there were hundreds of people around Zichuanyan.

At this time, Xingchen Xiaoyue took her entourage and passed in front of Zi Chuanyan.

Zi Chuanyan was excited f, m.. came, jumped in front of the stars and Xiaoyue, while playing the guitar, while singing to the stars and Xiaoyue: "The girl opposite, look over, look over, look over, the performance here Very wonderful....."

The voice of this product is good, and I have repeatedly learned Li Tian's coquettish style. In addition, this guitar and this song have appeared for the first time in the Nether Academy, and it really attracted the attention of many people.

"This guy is not bad except for his brain problems!" A female student sighed sincerely, shaking her body to the beat of the music.

Zi Chuanyan was happy.

"Sure enough, the six-string aphrodisiac piano can increase my charm of Zichuanyan, but I'm sorry. Now I only have Stars and Aria in my eyes. After I have eaten them, I will change my taste. You!" Zi Chuanyan thought in his heart.

Xingchen Xiaoyue was shocked by Zi Chuanyan's performance.

This style of painting can only appear in the university campuses of the earth world. It can be said that this kind of routine has been played by many infatuated seeds, but this is the first time in the history of Nether Academy.

Zichuanyan, Xingchen Xiaoyue remembers the name of this guy in front of him, he is the eldest son of Emperor Zichuan of the Zichuan Empire.

In terms of status and status, it is actually no worse than Star Aria, even because this guy is a man, the future development should be much better than Star Aria.

However, this guy in the academy is not educated except for his fame, and Zi Chuanyan's cultivation is really ordinary, so Xing Chen Xiaoyue just feels curious, and has no idea about this kid.

However, in Zi Chuanyan's eyes, what he saw was another picture.

As expected, Xingchen Xiaoyue was convinced by my six-string aphrodisiac, my magical device for picking up girls, and even Xingchen Xiaoyue's breathing became a little heavy.

Hahaha!

Mine is all mine!

Zi Chuanyan slowly walked towards the stars and Xiaoyue.

"What does this kid want to do?"

"Does he want to do something to our goddess Star Aria?"

"I'm afraid this kid is going to be miserable! Xingchen Xiaoyue is hailed as the fifth water and moon second. Apart from the man who was taken from his room, it seems that no other man can approach him!"

These students were talking in a low voice.

Zi Chuanyan's face remained as usual, he tried his best to calm down the ecstasy in his heart, but the corners of his mouth couldn't help but curl up.

proud!

Triumphant!

"Poor children, your goddess is about to become my Zichuanyan woman today! I will take Xingchen Xiaoyue to drill the grove in a while, and then I want the cries of Xingchen Xiaoyue to ring through the whole class. The sky of the college!"

Haha!

In all the stunned onlookers at the academy, Zi Chuanyan stretched out his hand to capture the stars and the moon.

Xingchen Xiaoyue was really shocked by Zi Chuanyan's boldness. When Zi Chuanyan's arm was already on her waist, Xing Chen Xiaoyue did not react until Zi Chuanyan stretched out a pig's mouth at her, Xingchen Only then did Xiaoyue know what Zichuanyan wanted to do.

Snapped!

Snapped!

With two crisp slaps, Zi Chuanyan's cheek immediately swelled.

"This... this... how is this possible? Isn't my playing the right way?"

Zi Chuanyan jumped back and continued to play with the guitar in his arms: "The girl opposite, look over..."

"Look at Nima!"

Xingchen Xiaoyue was so angry that she didn't expect that Zi Chuanyan would want to be frivolous with her.

Whether it is tolerable or unbearable, the cold star Xiaoyue's legs are a little on the ground, thinking about Zi Chuanyan and rushing over.

"Haha, I know that this little lady will definitely be unable to resist the magic sound of the magical instrument for picking up girls and the six-string aphrodisiac. What kind of coldness did you just pretend to be, now you don't want to hug Laozi?"

Zi Chuanyan opened his arms, welcoming the stars and Xiaoyue.

Xingchen Xiaoyue rushed to Zi Chuanyan's face, but instead of throwing her arms, she reached out and grabbed Zi Chuanyan's arms and pressed her right knee against Zi Chuanyan's crotch!

Zi Chuanyan let out a scream and couldn't cover up the sound of his broken eggs. All the men present felt trembling all over, involuntarily protecting the place of life.

The entourage behind Xingchen Xiaoyue instantly followed, regardless of Zi Chuanyan's screams, he just beat and kicked Zi Chuanyan!

"Fuck me! This ***** dare to blaspheme the goddess in our hearts! Kill him!"

I don't know who uttered a shout in the crowd. Hundreds of men from the upper academies swarmed up, and faced Zichuan Yan with a storm of fat.

There is no spiritual fluctuation, just ordinary fist.

But Zi Chuanyan still made the sound of bone breaking from time to time.

Fortunately, Xingchen Xiaoyue and her entourage evaded in time, otherwise the brave men would ride on the chaos and dare to act against them.

"Hmph, the toad wants to eat swan meat, and doesn't pee soaking in his shadow!" The entourage of Xingchen Xiaoyue tweeted and said disdainfully.

Xingchen Xiaoyue looked at a familiar figure in the crowd, her brows wrinkled slightly.

That figure is not someone else, it is Li Tian.

The voice that greeted the crowd to beat Zi Chuanyan just now was also made by Li Tian, and at this moment, Li Tian hid in the crowd and kept getting black feet. There was really no one in that fierce action!

Xingchen Xiaoyue only felt that something hurt in her heart, she couldn't help but shook her head and sighed: "This is Li Tian, the newly promoted elder of Nether Academy? Nether Academy is really not guaranteed at night!"

Chapter 4549: : In order to be effective

"Stop it! You are committing a crime!"

"Stop the fuck! Do you want to kill him?"

Just when Xingchen Xiaoyue thought that Li Tian was going to take advantage of the chaos to kill Zi Chuanyan, Li Tian suddenly transformed into a nemesis of evil and an incarnation of justice.

Li Tian was no longer in the black hand, he stood in front of Zi Chuanyan, blocking the attacks of other students.

These students feel baffled.

The kid in front of me was more ruthless than anyone else. I knew that Zi Chuanyan was molesting Xingchen Xiaoyue, but those who didn't know thought that Zi Chuanyan was molesting this kid's wife!

"I would advise you one more thing, now it is best to stop immediately, otherwise... I will fight with you!" Li Tian shouted.

Sure enough, no one bird Li Tian, who would put this strange boy in his eyes?

Although this kid's cultivation has reached the sixth-level elementary realm of the Venerable, this is the upper academy, the upper-level academy where the Venerable sixth-level strong people walk everywhere!

I don't know how many bones on Zi Chuanyan's body are broken. The head is swollen more than twice as big as a pig's head. Anything seen with a beating on both eyes is a double image, and I can't see anything at all.

At this time, only the feeling Tian Yan Zi Chuan is an angel down to earth, the whole nether of the most lovely people, others beat him in all of his time under the black hand, only Tian maintenance incite him.

"Big brother, please let them stop quickly, or...or I will really die here today!" Zi Chuanyan hugged Li Tian's legs, begging for mercy in a weak voice.

Li Tian shouted again: "Yes, although this kid is not as good as a beast, he is molesting your goddess in the public, but now you have beaten enough, and scolded enough. All the grievances in your heart should have been vented?"

"If you continue to fight like this, this kid is really going to die here today, and you won't be able to get out of the relationship by then. Why don't you sell me a lot of face, and that's it for today!" Li Tian pretended to clasp his fists. Said.

Selling your face, what the **** are you!

All the boys had already played enough. Seeing Li Tian's pretending appearance, he couldn't help kicking Zi Chuanyan again.

"No!"

"stop!"

"No!"

"stop!"

"Don't stop...don't stop!"

Li Tianqiang held back his smile, pretending to block these students, shouted.

It's a pity that this time, the students were really worried about killing Zi Chuanyan, they dispersed after only a few kicks, and did not continue the group fight.

Li Tian couldn't help being disappointed.

At this time, Zi Chuanyan fell to the ground like a dead dog, and his clothes were now in tatters because of the group beating.

"Thank you for this big brother's righteousness. Now I can't help but send me to my place. I will thank Zi Chuanyan in the future!" After lying down for a while, Zi Chuanyan seemed to have recovered a little bit and said to Li Tian.

Li Tian stretched out his hand to support Zi Chuanyan and said solemnly: "No thanks, this is what I should do! If there is another time, I will do it again!"

"This brother, you are such a good man, I don't know what brother is called?"

"Please call me the red scarf! Where's your entourage? You are so hurt, why did they hide and didn't show up?" Li Tian said.

Zi Chuanyan felt distressed for a while and said, "Brother Hong, I am ashamed to say, my little brother, I was born kind, and was deceived by a bastard. My follower was deceived by that bastard."

"But it doesn't matter. I am the eldest son of the Emperor Zichuan of the dignified Zichuan Empire. As long as my injury is recovered and I am repaired, my father will send me to follow the venerable! I will deceive me then. Melee beheaded!"

"That's not good? The Nether Academy does not allow students to kill!" Li Tian said.

"Huh, a few months later is the experience period of the academy. At that time, all the students will have to go out to experience. At that time, it will be the death period of the bastard. The only pity is that I was too careless to ask the name of the bastard. I didn't ask which college the **** belongs to!" Zi Chuanyan gritted his teeth and said.

Perhaps it was because he used too much force, and soon he couldn't stand the pain and screamed like a pig.

Xingchen Xiaoyue followed Li Tian and Zi Chuanyan, she wanted to know how Li Tian would treat Zi Chuanyan.

What disappointed Xingchen Xiaoyue was that Li Tian seemed to be overwhelmed by maternal love, but he didn't treat Zi Chuanyan anyway. He kept supporting Zi Chuanyan into the second-class boys' residence without any action.

What Zi Chuanyan said to Li Tian just now was exactly what Li Tian wanted to say to Zi Chuanyan.

It was not the time yet, Li Tian was waiting for the trial time in a few months, when Li Tian would definitely get rid of Zichuan Yan outside the Nether Academy.

Now, Li Tian wants Zi Chuanyan to live well, enjoying the taste of being beaten by a crowd every other time!

When he came out of Zi Chuanyan's residence and just walked out of the second-class boys' residence, Li Tian saw the stars and Xiaoyue approaching.

"Elder Li Tian, I need you to give me an explanation!"

"Explanation? What's the explanation?" Li Tianzhuang asked confusedly.

Xingchen Xiaoyue sneered and said, "What the ***** is going on today? Don't think I don't know that you arranged everything! Don't forget, you are the elder of the Nether Academy, how can you surrender and do this? What's the matter? If you let the students of the upper academy know your identity, what do you make these academies think?"

Li Tian couldn't help feeling a little unhappy.

What do you mean?

Lao Tzu is now an intern elder in Nether Academy. Although he has not been authorized yet, the name of the intern elder is not fake.

You star, Xiaoyue, knowing the identity of Lao Tzu, but you still use this attitude to speak to Lao Tzu, is it bullying Lao Tzu's strength is too weak, or being Lao Tzu fake?

"Student Xingchen Xiaoyue, please pay attention to the tone of your speech! If you dare to speak to the elders of the Nether Academy in this tone, don't blame me spanking you, so as to be like you!"

"you....."

"What are you? Do you really want to enjoy it!" Li Tian raised his palm and said majestically.

"rogue!"

Xingchen Xiaoyue is really completely defeated!

In Xingchen Xiaoyue's knowledge, Li Tian slept in the vicissitudes of life, and designed Zi Chuanyan. She really couldn't understand how the Nether Academy would let a morally corrupt person like Li Tian serve as an intern elder!

Snapped!

Xingchen Xiaoyue only felt a tingling sensation from her cocked buttocks, and her cheeks could not help but become slightly red and hot.

This ***** really dared to do this.

This is Nether Academy!

However, Li Tian turned around and fled after hitting Xingchen Xiaoyue's hip.

Has escaped now.

Not far away, a few men who had just come out of the second-class boys' residence witnessed this incident.

"Did you see? That kid actually hit our goddess just now! Do we want to beat him?"

"Idiot, didn't you see that Xing Chen Xiaoyue's face was red? This is clearly the two of them flirting!"

"Oh heaven, it's too unreasonable, our goddess was stunned by such a pig! Inhuman!"

Chapter 4550: : Find the Difference Team (1)

Li Tian put his hand in front of his nose and sniffed vigorously, with a smirk on his face.

The hand feels very good. There is a faint floral scent on Xingchen Xiaoyue's clothes, and Li Tian can smell the scent on his hands now.

...

Since Li Tian decided to let Zi Chuanyan be beaten every few days in the past few months, he must find a way to implement it.

In Li Tian's carry-on space, after months of painstaking practice, You Anrou is now the Venerable 9th-level mid-level strong, He Feng has returned to the Venerable sixth-level realm, and the small hot pot is now Venerable's eighth-level cultivation base. The Nether Beast Little Blue Tile has now reached the sixth level of the Venerable.

No matter who it is, Zi Chuanyan can easily beat his father and mother!

But Li Tian didn't want to expose his hole cards easily!

Moreover, Li Tian couldn't guarantee whether Nether Academy would intervene if Little Hot Pot or Youanrou made a move. If Nether Academy interfered, then Li Tian would lose out.

Also, Youanrou is a follower of the Lord of the Underworld. If Youanrou makes a move, it may cause a conflict between the Great Emperor Zichuan and the Lord of the Underworld. This is not what Li Tian wanted to see.

"It's best to pick me Li Tian clean and let the men in Nether Academy do it!" Li Tian thought in his heart.

Unconsciously, Li Tian walked to the dining hall of the upper academy!

These cultivators in the upper academy can practice hard year after year. Their dietary needs are not very large, and they only need to provide a certain amount of energy to the body without starving them to death.

And for special types like small hot pot, they only need to devour special energy, and they don't even need to eat.

Therefore, although the canteen of this upper academy exists, it is rarely visited.

At this time, four or five bald men passed by Li Tian angrily.

"Damn, it's getting too much. The old fine wines have been on sale for at least a few days, but this time they were sold out after only half a day. There must be something tricky in it!"

"Just say a few words, didn't the guy say it? This wine is originally rationed, and a few days later will be the day authorized by the new elders. The college will definitely hold events. This wine is to be reserved for those elders. of!"

"Damn, why can the elders occupy our resources? Now that there is no wine, what shall we do this time? The party has no wine, what kind of party is it called! And those empires and domain masters will definitely laugh at it. we!"

Speaking unintentionally, the listener intended it.

The cultivation base of these bald men is not high, but the lowest cultivation base among them has reached the early stage of the sixth level of the Venerable, and even one of them has reached the peak of the seventh level of the Venerable.

Li Tian turned around and chased him, stopping the five bald men, only to find that the five bald heads were almost the same in shape and appearance.

"Dear students, did you go shopping for wine?"

"Yes! But the wine in the cafeteria has been sold out. If you want to buy wine, you have to wait until next month at least!" The bald head named Liu Guangshuai said with a glance at Li Tian.

The bald man next to Liu Guangshuai was called Liu Guangku, and he said with a dissatisfaction: "It is not sold out, but it is not sold to us!"

"If you don't sell it to us, doesn't it mean it's sold out?" said a slightly thinner man behind Liu Guangku, a man named Liu Guangcu.

Li Tian quickly said: "Dear students misunderstood, I don't buy wine, I sell wine!"

"Selling wine?"

"Yes, I don't know if several students have heard of Niulanshan, the ***** of wine, Niulanshan? I am the only designated agent of Erguotou Nether Academy in Niulanshan. If you want fine wine, I can help you think about it. Find a way." Li Tian said with a look of intoxication.

Just like universities in the earth world, not all students study diligently. This is also true of upper-class colleges. Zichuanyan likes women, and many students from upper-class colleges like food and wine.

And these bald men are wine lovers.

As long as the days when the academy's fine wines officially start to sell, these bald heads will definitely hold a grand party, drunk in the fine wine.

Now they heard that Li Tian had wine sales, they were full of joy at first, but soon looked at Li Tian with some doubts.

"Do you really have any wine? Take it out for us to see!" Liu Guangshuai said.

"This is difficult, you can taste it!"

Li Tian flipped it through, and a bottle of Niulanshan Erguotou had appeared in his hands.

Open the lid, the fragrance of wine overflowed, and the eyes of several bald heads immediately showed intoxicated expressions.

"Good wine, really good wine, this wine smells more fragrant than Dukang Divine Wine, can these big brothers let us taste it? If this wine tastes good, we will buy your wine!" Liu Guangshuai said.

Li Tian also turned out a small wine glass that is most common in the earth world to drink white wine, poured a glass of white wine into the small wine glass, and gave it to Liu Guangshuai.

Liu Guangshuai broke his wine glass, and a few bald heads leaned in immediately and kept sniffing his nose.

"It's really fragrant, really good wine! Hey, hurry up and taste what it tastes like!" Liu Guangku said.

Liu Guangshuai picked up the wine glass and drank it, then closed his eyes, looking intoxicated.

"Good wine, really good wine! Come here, pour me another glass, let me taste it carefully!" Liu Guangshuai said.

Li Tian poured another glass of wine for several people, and let them each taste a glass.

Sure enough, as Li Tian expected, the Liu Guangshuai brothers were completely impressed by Li Tian's wine.

"Haha, this is the wine. The wine in this brother's hand is a hundred times stronger than the wine sold in the Bird Academy! If you take out the wine at the party, you can definitely shut up those who look down on us!" Liu Guangxin said.

"How do you sell this wine? How much do you have, our brothers all want it!" Liu Guangshuai said.

Li Tian collected the wine and said, "This classmate also said just now that my wine is a hundred times stronger than the wine in the academy, ten thousand times, so my wine is naturally more expensive, I'm afraid..."

"I'm afraid of what? Are you laughing at our brother for not having money? Our brother is the son of the Shangqing Kingdom!" Liu Guangcu said with some dissatisfaction.

"There is absolutely no such meaning, but my wine is expensive!"

"Expensive? Huh, how expensive can it be, can't we still not afford it?"

Li Tian flipped through his hand, with a few more spiritual sources in his hand, and said: "This bottle of wine is fifty spiritual sources!"

"Five...50 spiritual sources? Why don't you grab them? All our spiritual sources combined can barely buy a half bottle!" Liu Guangshuai said.

"Then there is no way. To tell you the truth, my Niulanshan Divine Wine is only eligible to be enjoyed by powerful people above the Emperor and Domain Lord! If it is too expensive, you can go to the cafeteria to buy wine!" Pretend to be leaving now.

Not to mention that there is no wine for sale in the cafeteria. Even if there are wine for sale, Liu Guangshuai has been convinced by Niulanshan, how can he buy that kind of cheap wine!

"This brother, everything is easy to discuss. Apart from Lingyuan, can you look at other things?" Liu Guangshuai opened his skin and asked.

Li Tian glanced at Liu Guangshuai's skin, a trace of contempt on his face involuntarily.

Compared with the treasures that Li Tian obtained in the Dark Academy, these things were completely inaccessible to Li Tian's eyes.

Seeing Li Tian's expression, Liu Guangshuai and other brothers couldn't help but feel disappointed.

"But it doesn't have to be a spiritual source. If a few can help me beat someone, maybe I can provide you with some wine for free!" Li Tian said.
