

A Killer 4971

Chapter 4971: : Blood like rain

blood!

minced meat!

Stump broken arm!

In front of Li Tian!

It was just an instant, the two mid-level ninth-level super domain masters could have been blasted into pieces!

A cyan dragon hovered behind Li Tian, at this time releasing this breath of fear and despair!

The strong men surrounding Li Tian are constantly retreating!

Keep going back!

Keep going back!

Their faces are full of panic!

The two Super Domain Master ninth-level mid-level powerhouses who first rushed in front of Li Tian were torn to pieces by the claws of the blue dragon that suddenly appeared behind Li Tian at the moment they attacked Li Tian!

As the powerful divine might on the dragon's claws instantly blasted into the bodies of these two powerhouses, the two powerhouses didn't even have time to react, and exploded like fireworks.

Their explosion was so gorgeous, even after death, two huge blood flowers were left on the ground of Qingfeng Tower!

It's just that this flower is a bit disgusting!

Behind Li Tian, the beast master was shaking all over!

He felt that he could not bear this powerful aura, he really wanted to kneel down in front of Li Tian and completely worship Li Tian.

If Li Tian killed the slaves in the cage before, and Li Tian still had the element of opportunism in it, now Li Tian is using real strength to prove himself.

Super domain master ninth-level mid-level powerhouse!

And they are also two mid-level ninth-level super domain masters.

Kneeling like this?

When is the ninth-level mid-level super domain master so worthless?

When did the ninth-level mid-level super master be so vulnerable?

The beast **** felt that he chose to follow Li Tian, which was the wisest choice in his life!

The corners of Gong Shetian's eyes twitched slightly!

The disdain on his face just now, and the suspicion in his heart have been swept away by Li Tian's move to instantly kill two superdomain masters in the ninth-level mid-level powerhouse.

Gong Shetian thought in his heart, if he was replaced by him, could he kill the two super domain masters in the middle of the ninth level in an instant?

It seems to be possible!

It's just that he must display all the divine power he cultivated without reservation!

But what about this guy in front of me?

What kind of pervert is this guy?

And what the ***** is this blue dragon behind him?

It seems that this time I really kicked on the iron plate!

Although the powerhouses of Qingfeng Tower were not scared by the strength that Li Tian showed instantly, none of these guys dared to come forward easily.

Going forward is to die!

It's hard to cultivate to this realm, and to die like this, it's really not worth it!

There are also a few strong men who turned their heads and waited viciously for A Chan!

They are all resenting why this guy A Chan didn't tell them such important information.

If they knew that Li Tian's pervert would be so powerful, they might be able to choose other ways.

A Chan is aggrieved!

The Li Tian he saw was not so abnormal!

At that time, Li Tian released the purple water dragon. Although there were many purple water dragons, their size was far less than the large blue dragon behind Li Tian!

Longya powerhouse stood up, and his fighting spirit was constantly rising!

As a powerhouse, super domain master ninth-level peak powerhouse.

He is confident enough in his own strength!

Although the cyan dragon released by Li Tian made him feel a little scared, but...if he showed his power, he believed that he was not much worse than Li Tian!

In addition, behind him, there is Gong Shetian, the ninth-level peak powerhouse of the super domain master, to help out. The Longya powerhouse does not believe that Li Tian can defeat the two powerhouses standing on the top of the metal world at the same time!

Let alone beheaded!

Gong Shetian stretched out his hand and pulled out the strong dragon tooth!

He sees more far-reachingly than the Longya powerhouse.

If the guy in front of you is really just here to collect rent, this seems not unacceptable!

"Do you really just want to collect rent? How much is the rent, we are willing to give it to Qingfeng Building!"

All the powerhouses in Qingfeng Tower turned their heads and looked at Gong Shetian. They didn't expect that Gong Shetian would be subdued, but when they thought about it, all this seemed to be reasonable.

Li Tian laughed!

Before he showed his strength, these guys regarded him as crazy and even wanted to kill him.

Now he has released the cyan dragon...Uh, the space on the seventeenth floor is limited, and he can only release the cyan dragon. These guys are actually subdued and willing to pay the rent.

This is not what Li Tian can accept now!

It's like, just now Li Tian gave them a face, they were shameless, and even tried to slap Li Tian in the face.

It's too late to want a face now!

"Okay! You still have you, you two superdomain masters ninth-level peak powerhouses can leave here alive, as for the other superdomain master ninth-level powerhouses, stay here, and their crystals are regarded as past rents. !" Li Tian said with a sneer.

Just now I said that I didn't believe I because I was afraid that I would kill you all.

Now Lao Tzu uses actual actions to prove Lao Tzu's awesomeness!

Gong Shetian is angry!

Seeing Gong Shetian's anger, Longya powerhouse was also angry!

"To the shameless guy! This guy didn't think about letting us leave here alive, all orders, give me at all costs, leave him here!" Gong Shetian roared!

Ouch!

Ouch! ~

The strong men of Qingfeng Tower felt Gong Shetian's anger, and they roared like wild beasts!

A group of figures flashed past, constantly rushing towards Li Tian!

Colorful spiritual power fluttered and flashed across the seventeenth floor of Qingfeng Tower!

From a distance, the 17th floor of Qingfeng Building seems to be setting off fireworks, which is really beautiful!

A few kilometers away, the powerhouses of Wonderland looked at each other.

No one knew what was going on inside Qingfeng Building.

Only, is there a violent explosion sound from the ground, let them know that there is probably a fierce battle going on in Qingfeng Building now!

All the guests below the 17th floor of Qingfeng Building had already escaped when Li Tian killed the slaves in the cage.

Downstairs in Qingfeng, Ye Meijing and Liu Jimeng wanted to go upstairs to help.

But the two of them also knew that they were going upstairs to add to the chaos, so they made a decisive decision and immediately took the ticket to the Sea-Monster clan powerhouses to hide away!

Then hide in the crowd and watch the show!

The strong men of the Sea-Monster tribe have excited expressions on their faces, their hands (if they have hands) clenched into fists, secretly cheering for Li Tian!

boom!

boom!

The two mid-level ninth-level masters of the Qingfeng Building Super Territory smashed the metal windows and flew out of the building.

These two super domain master-level powerhouses still wanted to return to continue participating in the battle, but when they had just run their spiritual power and wanted to fly back, the whole person instantly exploded!

boom!

boom!

Two more gorgeous human bomb fireworks!

Blood is raining!

"It's Qingfeng Tower again!"

"It's another super domain master ninth-level powerhouse!"

This moment is like a reappearance of the picture twenty years ago!

In Wonderland, those super domain master ninth-level powerhouses who have already known the return of the Great Demon King Li Tian will tremble uncontrollably when they hear the explosion from a distance!

"Qingfeng Tower... finished!"

Chapter 4972: : Red Wing Reappears

Qingfeng Tower is indeed over!

No one will doubt this!

If 20 years ago, the owner of the Red Wing Divine Costume still had weaknesses, then 20 years later, the owner of the Red Wing Divine Costume dared to reappear in Wonderland and was going to Qingfeng Tower. This means that the owner of the Red Wing Divine Costume may have Found a way to restrain the weakness of the Red Wing God outfit!

Recently, the news from the Miracle Mountain of Chen Continent said that there was a monster with scales all over the body, which could kill the powerhouse of the ninth-level peak realm of the super domain master.

x Now it seems that this so-called monster is still Li Tian, that is to say, even if Li Tian does not have a red wing divine outfit now, he can still kill the powerhouse at the ninth level of the super domain master.

Coupled with the red wing ***** outfit, many powerful people have no daring to imagine this scene! too scary!

Now, these powerhouses can only hope that Qingfeng Tower will have real warriors and dare to die with this ***** big devil!

The best thing is that the host of Qingfeng Tower, Gong She Tianneng, and his dumb follower, the two powerhouses of the ninth level of the super domain master, can hold Li Tian and blew themselves together.

In this way, even if these powerhouses in Qingfeng Tower are dead, they can be regarded as eliminating harm for the people, and they have made outstanding contributions to the happiness and well-being of the people in Wonderland!

However, this is just the wishful thinking of these strong men!

After the battle on the seventeenth floor of Qingfeng Tower began, all major forces in the fairyland had already taken action.

They are paying close attention to the news of Qingfeng Tower, and all kinds of news are continuously transmitted back through the personnel sent by these forces.

"There are two more super domain masters in the mid-level ninth realm who exploded and died! The life and death of Qingfeng Lou's master Gong Shetian and Longya powerhouse are unknown!"

"A super domain master ninth-level mid-level powerhouse was beaten out of Qingfeng Tower and died without exploding, but when he flew out, he was already dead. He fell from Qingfeng Tower and smashed into meatloaf. Qingfeng Tower Main Palace The life and death of those who shoot into the sky and dragon teeth are unknown!"

"..."

In Wonderland, because of Li Tian alone, he is already a complete joke!

At this time, inside the 17th floor of Qingfeng Building.

The battle has entered a fever!

There is blood everywhere in Qingfeng Building!

The battle lasted less than five minutes, and nine strong men in Qingfeng Tower were beheaded!

Five of them were blasted out of Qingfeng Tower and turned into fireworks!

In addition to the two who were the first to be bombed, there were also two super domain masters, ninth-level mid-level powerhouses, who exploded on the seventeenth floor.

Coupled with the three superdomain master-class slaves who were killed by Li Tian before, the entire seventeenth floor is very bloody!

However, fighting is not a one-sided trend!

After paying the lives of nine super domain masters as the price, after Gong Shetian and Longya masters joined the battle, the battle was at a stalemate!

Li Tian is not as relaxed as the information said!

At this moment, blood was everywhere on the scales of Li Tian's body!

Some of the blood actually seeped from the scales of Li Tian's body!

"Damn it!"

The blue dragon released now is not the complete form of the prehistoric blue dragon, both in size and combat effectiveness are far inferior! When facing so many powerhouses at the same time, as well as the two super domain masters, the ninth-level peak powerhouse, Gong Shetian and Longya powerhouse, Li Tian suddenly felt a little strenuous!

Especially in the face of Gong Shetian and Longya powerhouse!

Now the cyan dragon can't kill them instantly, making these two guys unscrupulous and bravery!

Li Tian felt he made a mistake!

He shouldn't bring Situ Ningbing into Qingfeng Tower.

If it weren't for protecting Situ Ningbing here, Li Tian could rush out of the seventeenth floor, fly to the top of Qingfeng Tower, like 20 years ago, and fight these powerful men on the top of the tower!

However, at this time, Gong Shetian and Longya powerhouse were fighting but they felt chilling!

Li Tian displayed the dragon power, they were displaying the power!

It is precisely because of this that they can not fail.

However, Li Tian has a steady stream of power!

The cyan dragon, the purple dragon, the scales on the body, and the fists and feet have all been given dragon power.

Gong Shetian and Longya powerhouse wanted to kill Li Tian, no, not even just wounding Li Tian, they felt that it was really difficult to climb to the sky!

Li Tian can fully display the dragon power, but the two of them have to calculate everywhere for the divine power they have cultivated.

It feels like rmb players and ordinary players!

Not on the same level at all!

Therefore, the two cooperated to attack Li Tian from left to right, but they were still helpless!

Spiritual power fluctuates, splashing everywhere!

The dragon flies, shuttles back and forth!

The violent energy fluctuations caused the entire Qingfeng Tower to sway!

It seems that Qingfeng Tower can't bear such a strong spiritual fluctuation, and it may collapse at any time!

At this moment, someone suddenly screamed!

It turned out that A Chan was attacked by a purple dragon, and after a few rounds, A Chan was already unable to resist.

The purple dragon passed through A Chan's abdomen!

boom!

There was a loud noise, and A Chan's body burst instantly!

Blood and internal organs splattered everywhere!

The violent explosion impacted the 17th rush, which had already been hiding aside, flew again, hit the wall of Qingfeng Tower, and when it fell on the ground again, he was already motionless, and I didn't know whether it was alive or dead!

Can't stand it!

The strength of this guy is too strong!

If we continue to fight like this, we will die here too!

When a person has fear in his heart, he will look for all kinds of reasons and excuses!

These strong men of Qingfeng Tower, following Gong Shetian, following Longfang strong, they are used to going smoothly, and they don't know how many years they haven't fought such a fierce or hard fight!

Coupled with the constant death of strong men around, these guys are on the verge of collapse!

They feel that they want to defeat Li Tian, it is simply a fantasy!

"Assholes! Leave this guy to me for the time being, you go kill his woman! And that slave!"

Gong Shetian finally discovered Li Tian's weakness and gave orders to those strong!

Hearing these words, Li Tian trembled!

The thing that worries him most still happened!

If Situ Ningbing has three strengths and two shortcomings, then his gains outweigh the losses!

Li Tian performed "Eighteen Claws of the Dragon" again!

Ouch!

Ouch!

All the purple flood dragons were released by Li Tian, and then surrounded him, using dozens of purple flood dragons and his body to form a wall, blocking Ningbing and the beast master, guarding them!

"All show their power! What is the use of keeping the power at this time!" Gong Shetian roared!

With Gong Shetian's roar, his momentum rose again!

The dragon tooth's figure flashed, and was repelled by Li Tianyi. Then the guy's figure turned around, holding a scarlet war knife in his hand and slashing at the purple dragons!

boom!

The mighty divine might swung out from this scarlet sword!

Dozens of purple flood dragons were cut in half by the dragon tooth powerhouse!

"So strong!"

This dragon tooth powerhouse has such a powerful combat power with a full blow!

Li Tian felt that if he didn't release the Great Blue Dragon or had the help of the Red Wing God, it would be almost impossible to win!

"kill!"

"Kill this bitch!"

The experts in Qingfeng Tower rushed over and rushed towards Situ Ningbing!

Despite being guarded by the Beast Lord, Li Tian is still a little messy!

Use the wild dragon!

At this moment, Li Tian suddenly felt the Red Zhan in his heart!

Hum!

The red wing ***** outfit appeared behind Li Tian again!

Chapter 4973: : All thoughts are ashamed

Seeing the red wing ***** outfit, Gong Shetian was obviously taken aback!

Li Tian's feet were a little on the ground, his wings spread out, and there was a breeze on the 17th floor of Qingfeng Tower!

In the blink of an eye, Li Tian had already appeared in front of Longya powerhouse!

Cang!

Cang!

Cang!

The crimson sword in the hands of the dragon tooth powerhouse kept beating Li Tian!

On this battle sword, he exerted great power!

This battle knife is enough to kill more than a dozen purple dragons, but Longya's battle knife is helpless with Li Tian's red wing god!

Of course!

Although Hong Zhan has changed into a Red Wing Divine Costume, these wings are not the wings of ordinary birds and beasts, but Hong Zhan!

Thousands of red cuts!

Since Hong Zhan is a divine tool, how can he be afraid of divine might!

Cang!

The left wing of Li Tian's red-winged ***** outfit folded back from behind, blocking half of Li Tian's body to block the attack of Dragon Tooth, while his right wing began to attack continuously!

Click!

Longya just lifted the knife to block it, and the scarlet sword in his hand was broken!

And after that Red Wing cut the saber, it slashed across Longya's body!

puff!

A wound more than two feet long appeared on Longya, and blood spurted out instantly!

Splashing on Li Tian's red wing ***** outfit!

Before and after, in less than a minute, Long Yin's strong sword was destroyed and suffered heavy injuries!

The experts in Qingfeng Tower who wanted to besiege Situ Ningbing just now stunned their pockets and stepped back!

"Red...Red Wing God outfit?"

"It's the Red Wing Divine Costume! This... is this the legendary Red Wing Divine Costume?"

"What a powerful guy, what a perverted costume! The defensive power dragon tooth powerhouse is helpless!"

"Twenty years ago, the guy who was able to kill the poster of Qingfeng Tower really deserved its reputation!"

Panic!

fear!

At a loss!

This is the true psychology of the remaining strong Qingfeng Towers.

"Go and kill that woman!"

"Go and kill that woman, as long as you distract this guy, you will be able to save the dragon tooth powerhouse!"

Gong Shetian yelled at the strong men behind him several times in a row, but the strong men just didn't slow down!

If the hearts of the people are scattered, the team will be difficult to lead!

These powerhouses in Qingfeng Tower felt that they would never be Li Tian's opponent, and their minds were all frightened into chaos by Li Tian's red wing ***** outfit!

"Longya! Hold on, I will kill that woman!"

Gong Shetian knew that Longya could not hear him, but he wanted to let Longya know that he was not fighting alone!

Ouch!

Gong Shetian roared, his figure flashed, and he rushed towards Situ Ningbing!

Huh!

A wind blew in front of Gong Shetian, and in the next second, Li Tian had already appeared in front of Situ Ningbing.

The unfolded red wing ***** outfit was extremely dazzling, and Li Tian had already used the red wing ***** outfit to keep Situ Ningbing behind him!

Gong Shetian stopped abruptly, a backflip, and backed out a few steps!

"Your opponent is me!" Li Tian stared at Gong Shetian coldly!

"Okay! Longya, let's deal with it together...!" Gong Shetian turned his head and waved to the strong Longya.

However, the moment he turned his head, Gong Shetian's pupils showed a hint of surprise!

The entire 17th floor of Qingfeng Building was quiet!

Gong Shetian was just an instant distraction, he wanted to deal with Situ Ningbing, surrounded Wei and rescued Zhao, wanted to save Longya!

But when he turned his head, Longfang Powerful had fallen in a pool of blood!

On the back of the dragon tooth powerhouse, I don't know when a huge blood hole appeared!

Blood came out of this blood hole, and it kept flowing out!

Looking back at Li Tian's red wing ***** outfit, Gong Shetian only noticed that Li Tian's red wing ***** outfit was dripping blood!

Tick!

Tick!

"Dragon... Dragon Tooth!"

"Dragon! Get up!"

Gong Shetian's voice was trembling!

He gave up attacking Li Tian, and his figure flashed to the side of Longya strong, reaching out to support Longya strong!

Longya powerhouse hasn't died yet, his mouth is closed and he seems to want to say something.

But he didn't even make a sound!

Longya powerhouse raised his arm with difficulty, wanted to point out the window, wanted Gong Shetian to ignore him, and quickly flee with someone.

It's a pity that Longya can't speak, he meets the pig teammate Gong Shetian again!

As soon as his arm was raised, his palm was caught by Gong Shetian!

"Longya, don't worry, even if I blew myself up today, I will avenge you!"

Longya powerhouse wanted to wave his hand and wanted to tell Gong Shetian that he would be wrong.

But Gong Shetian clung to the arm of the strong dragon tooth, with a sad expression on his face, and said: "Dragon tooth, I know you are in pain, and my heart is equally painful! I will not let you suffer any more. Up!"

With that said, Gong Shetian secretly used his spiritual power and blasted into Longya's head!
boom!

Only a deep sound was heard from Longya's head, and Longya's head was broken into a pile of brain flowers.

Longya, die!

He is bleeding!

But I can't look down!

Gong Shetian hugged Longya's body tightly, his body trembling!

"Longya! My dear brother! You can go with peace of mind!"

Behind Gong Shetian, these strong men who survived by chance also looked sad!

They are moved by the love of Gong Shetian and Longya!

At the same time they are crying for their destiny!

They came to the metal world for thousands of years, or even longer, and devoted themselves to cultivation, so that they could gain a foothold in the fairyland and contribute to their great god!

But, the result?

Because of the existence of Li Tian, the Demon King, they fell short of success!

Behind Li Tian, the beast master was completely shocked by Li Tian!

Especially when he saw the red wing **** outfit behind Li Tian, he was suddenly full of gold stars!

At this time, it is difficult to express the worship of the beast master to Li Tian by simply using worship!

In the subsequent battles, Beast Lord almost knelt and watched Li Tian's battle!

Only in this most pious and simple way can the beast master show his respect to Li Tian!

Red Wing God outfit!

This guy is a man with a red wing **** outfit!

The beast master previously felt that his cultivation base was very strong, otherwise Li Tian would not want to subdue him.

However, when Li Tian began to slay the slaves of the ninth level of the super domain master, he began to kill the strong of the ninth level of the super domain master in seconds, and then severely damaged the dragon tooth, the strong ninth level of the super domain master, the beast felt He is really a frog at the bottom of the well. In front of Li Tian, the beast master felt that he could only be the most humble existence!

When the beast master worshipped Li Tian and Gong Shetian was holding the body of the dragon tooth powerhouse, Li Tian's figure moved again!

Huh!

Huh!

Huh!

Li Tian's figure appeared in front of the still stupefied Qingfeng Tower powerhouse, and continuously beheaded these powerhouses with thunder!

"you....."

Gong Shetian woke up in shock, but when he looked up, all the strong in Qingfeng Tower had been slaughtered by Li Tian!

Even 17, who didn't know the life and death, was made up by Li Tian!

Kick his head to pieces!

"Hahaha! Blame me, look down on you!"

Gong Shetian picked up the corpse of Longya powerhouse and stood up swayingly.

The spiritual power on his body is constantly rising, but Gong Shottian's face is gray, and he no longer holds any hope!

"Even if I die today, I want you to bury Longya!"

Gong Shetian knew that he could not be Li Tian's opponent. At this time, he was so desperate that he just wanted to blew himself up and committed suicide, and let Li Tian be buried with Longya!

Chapter 4974: : Welcome Banquet

Gong Shetian did not blew himself up!

He wanted to explode, but before he exploded, he was already beheaded by Li Tian!

In less than half an hour, more than a dozen super-domain masters in Qingfeng Tower were wiped out by Li Tian alone!

Qingfeng Tower changed ownership again!

The beast master did not take action from beginning to end. In the end, after Li Tian shot the palace to death, the beast master, at Li Tian's request, took out all the crystals in the body of the superdomain master-level powerhouse!

After receiving the Red Wing God costume, Li Tian also slumped in the chair!

The chair was sticky and blood was everywhere.

But Li Tian completely ignored it!

"Lee..."

Situ Ningbing stood behind Li Tian, trying to pinch his shoulders for Li Tian, but the scales on Li Tian's body made her unable to start, and finally could only stop.

The beast master collected all the crystals and handed them all to Situ Ningbing.

Now Qingfeng Tower already belongs to Li Tian, and the beast master took the initiative to clean up the corpses upstairs!

"Master Beast, don't worry!"

Li Tian stopped the move of the beast master, and then said: "These corpses will be kept for now! I would like to invite the leaders of the major forces of the fairyland to come to my Qingfeng Tower for a gathering, these corpses are still useful!"

The beast master understood, and then looked at Li Tian with a little bewildered and low eyebrows!

"Master Beast, since you have chosen to follow me, you are Li Tian's person, you don't need to be so afraid of me!"

The beast nodded slightly, but the expression on his face did not change much!

This is a kind of fear and awe from the heart, which cannot be eliminated by Li Tian with a word!

"Master Beast, you go to the sixteenth floor to pick a few slaves! These slaves will follow you in the future! Then you send people to other forces in the fairyland to invite their leader, so you say it is Li Tianzai, the owner of the Red Wing Divine Costume Qingfeng Tower held a welcome banquet and wanted to invite them to participate! By the way, we came out to look for it, and we were not firmly established. In Wonderland, we are still newcomers. We must be polite to those forces! We must show sufficient respect!"

"If they can send someone to participate, then in the end, I would like to extend a warm welcome! However, if there are strong people from other forces who shirk and show no willingness to participate, you also tell your subordinates, don't force others, after all, they are. Earth-headed snake, you only need to ask your men to write down the names of these forces, and then tell me again, so I can know it in my heart!!"

After thinking about it, Li Tian said to the Beast Lord again, "Release all the slaves below the super domain master realm. If they are willing to stay in the Qingfeng Tower, let them stay. If they don't want to stay in the Qingfeng Tower, also Do not force!"

The beast master took the order and went downstairs!

After the beast master got downstairs, a trace of blood shed from the corner of Li Tian's mouth!

"Li...It doesn't matter, right? Is it hurt?" Situ Ningbing asked worriedly.

Li Tian waved his hand!

"Don't worry, there is no injury. It's just that this dragon has used too much, which has caused a certain impact on my body and veins! It will be fine if I adjust my breath for a while!"

In fact, Shenwei's influence on Li Tian is limited.

After all, Li Tian's body veins, body bones, and body skin have all been transformed by the prehistoric dragon, and bearing this dragon will have no effect on Li Tian!

It is the Red Wing God outfit that really affects Li Tian!

Li Tian hadn't controlled Hong Zhan, nor had the soul in Hong Zhan completely refined Hong Zhan, so when Li Tian used the Red Wing God outfit, he was still a little reluctant.

Fortunately, it is no longer like 20 years ago, Li Tian would faint after using the Red Wing God outfit.

But Li Tian also understood that the Red Wing Divine Equipment, even if the soul in the Red Sword really refines the Red Slash, even if Li Tian refines the Red Slash, it is best not to use it lightly.

As for the twelve artifacts used by Li Tian at the same time, just thinking about the contents of the metal murals in the treasures of the spirit clan, Li Tian shuddered.

But... if he doesn't use twelve artifacts, how can he leave the metal world?

It's really a problem!

Huh!

The beast boy flew in from outside the window.

Seeing the blood and corpses all over the floor, the beast boy was shocked!

"You did it all?"

Li Tian nodded slightly!

"Damn it! Two super domain masters, ninth-level peak powerhouses, and a dozen super domain masters ninth-level mid-level powerhouses, were all beheaded by you alone? You...you really are not the devil!"

"When I was buying ingredients, I felt the violent energy fluctuations on Qingfeng Tower, and then he saw a large number of strong people from Qingfeng Tower flying to Qingfeng Tower. I am actually very worried about you! It's just that when I hurriedly drove people back, I saw other Sea-Monster tribe, Ye Jingjing and others, and worried that they would be attacked, so I stayed outside to protect them! I am not..."

"I know, we are allies, you don't need to explain to me!"

At this time, Ye Meijing, Liu Jimeng, and many powerful sea-monsters flew up one after another!

"I'm going... Master Li Tian, are you too awesome?"

"Did you kill all of these by Master Li Tian?"

"On the miraculous mountain, I missed Master Li Tian beheading the ninth-level peak powerhouse of Transcendent Master. I missed it again today. The cultivation level is low, so I can't afford it!"

After the sea-monsters flew in, they saw that there was no place for the corpses and blood on the floor to stand. They could only climb on the windows or float in the air, but even this still couldn't weaken them. Li Tian's enthusiasm to boast!

...

The other side.

Street Beastmaster has left Qingfeng Tower with at least fifty superdomain master slaves.

"You five, go to the south!"

"You five, go north!"

"Six of you, go east!"

"You five, go west!"

"The rest of the strong, go to different fairyland islands!"

"From now on, you are no longer slaves, but the followers of the Red Wing Divine Costume Master! So, please cheer me up, you now represent the image of the Red Wing Divine Costume Master!"

"Also, according to what I said, not according to Master Li Tian's instructions, you must be polite to a big power, but you can't lose the face of our Master Li Tian and directly ask to see their biggest manager. If you don't want to see you, don't be in front of you, just take the notebook and write it down and tell me!"

"Do you understand?"

"understand!"

Imposing like a rainbow!

"set off!"

...

Seeing these powerful men who came to send messages, the stewards of the major forces in Wonderland suddenly became a little messy.

What kind of routine is this?

Invite us to the welcome party?

your sister!

You were still beheading the strong in Qingfeng Tower, and now you turned your head to invite us, what are you doing?

go with?

Still not going?

Different forces have different decisions.

Go ahead, I'm afraid that Li Tian, this guy will be killed in one swoop, and behead all of them.

Don't go, and worry that Li Tian will turn his anger against them, and they will be the ones who will suffer after the fall of the fall.

More powerful forces are watching!

"Wait, if we don't go, can Li Tian still uproot all the forces in our fairyland?"

Chapter 4975: : Two purposes

Not everyone thinks so!

For Li Tian, who can wipe out the entire Qingfeng Tower twice with his own power, he can no longer be described as unrelenting!

This man is a demon, and a demon who kills without blinking.

You say that you use the mentality of ordinary people to try to figure out the thoughts of the devil. Isn't this looking ugly for yourself?

Therefore, the stewards of those relatively weak and small forces came forward first.

Bring a gift with a ticket, including delicacies, crystals, and weapons such as the Spirit Clan, and send them to Qingfeng Tower with gongs and drums.

Still accept Li Tian's request to attend this welcome banquet!

When one steward goes to participate, there is a second one!

The stewards of other small forces also learned a lot, prepared generous gifts and sent them to Qingfeng Tower with gongs and drums.

As for why we need to beat the gongs and drums, that is just to show Li Tian!

The first is to show their respect for Li Tian!

The second is to tell Li Tian that we walked into Qingfeng Tower but everyone in Wonderland has seen it. If we walk into Qingfeng Tower, there are three long and two shortcomings, then you Li Tian wants to establish prestige in the fairyland in the future, I'm afraid Someone will believe you again.

The third is to use gongs and drums to embolden yourself! Damn, after all, this is something that goes deep into the den.

Li Tian had asked everyone to release all the slaves on the first floor, and the cages that imprisoned the slaves were also taken away by Li Tian and replaced with tables, chairs and benches!

They are all metal tables, chairs and benches!

The Sea-Monster clan powerhouses separated the ingredients that they wanted to 'replace' and placed them on each table.

There are not many things, but the focus is on the mind.

It's a pity that there is no Niulanshan wine, or two bottles of Niulanshan will not be so ugly on the table!

Li Tian sat in the top position, waiting for the arrival of other powerful forces!

No matter who came, Li Tian would stand up and have a few words with the stewards of these forces.

The stewards of those small forces whispered about what had just happened in Qingfeng Tower.

Small forces, although their forces are small, but the cultivation base of these stewards is not weak, at least they also have the initial stage of the ninth level of Transcendent Master.

Even if they hadn't witnessed the battle between Li Tian and Qingfeng Tower with their own eyes, they could still judge Li Tian's cultivation strength through the information passed back.

They were very afraid of death and worried that Li Tian would give a banquet at the Hongmen, but they dared not show it.

So I can only brag about all kinds of flattery to Li Tian!

Li Tian listened secretly for a long time, only to discover later that he was talking about himself.

Haha, am I as good as what you said?

I feel mine is about to become the savior!

It turns out that before Li Tian came to Wonderland, the people of Wonderland had been living in aquatic heat!

One after another, more and more powerful people came to Qingfeng Tower.

All kinds of gifts are piled up!

Soon the first floor of Qingfeng Building was full!

Not to mention, there are more than two hundred super domain masters who are in the early stage and even the middle stage of the ninth level gathered together!

Although there were no empty seats, the whole scene gradually became quiet as the number of people increased.

Everyone pretended to be innocent, but they were all looking at the venue from the rest of them, wanting to see who else hadn't come to Qingfeng Tower.

Of course, they are also waiting for how Li Tian will treat these power managers who have not come!

If Li Tian is tough and takes out thunder means to clean up the stewards of these unreached forces, then they will at least express obedience to Li Tian on the surface.

However, if Li Tian didn't do anything and didn't mean to express anything, then the stewards of these forces who were doing it, as long as they waited to leave the Qingfeng Tower, they would treat Li Tian as fart.

In the future, Li Tian wants to invite them to Qingfeng Tower again, haha, I'm sorry, my uncle is not waiting!

Li Tian was still in the top position, but Li Tian, the leaders of these forces who came in later, did not personally get up to receive him. Gradually he was received by the beast boy, received by the bull head sword and horsetail gun, and finally directly let Meat ***** and firewood come to the reception.

Li Tian gave them a face, but this is not the capital for them and Li Tian to show off.

If you are not invited to participate, you can only use force to solve it in the future!

Li Tian, although there is no intention to unify the fairyland, it is necessary to let these forces in the fairyland know who is the boss of the fairyland!

After all, this was an important banquet related to finding Tang Xiaolong, You Anrou and others.

At this time, the beast master and others have also returned!

The other entourage did not follow the beast master into the Qingfeng Tower, but wittily found a place for the cat.

Seeing that so many power leaders had already arrived, he still felt a little surprised. The beast master walked and strode to Li Tian's side, and whispered to Li Tian's ear: "Master, we follow your instructions. Request, I invited two hundred and forty powers in Wonderland, and most of the power managers expressed their willingness to participate in this banquet, but..."

"Master Beast! This is Qingfeng Tower. If there is anything you can't say, tell me aloud!" Li Tian said impatiently.

The beast master was taken aback, then nodded, and said loudly: "We have invited the stewards of the two hundred and forty powers in the fairyland to the Qingfeng Tower to attend the welcome banquet according to your master's request. Home! The stewards of two forces are seriously ill and unable to participate, and...and..."

"Say!"

"The eight most powerful forces in Wonderland used various reasons to evade and decline, among which..."

"Say!"

"Among them, the holy beasts on the holy beast island are behind closed doors. The people we sent to spread the message are still waiting to be met on the holy beast island!"

When the beast master said this, he was a little excited, even his voice was a little trembling, it can be seen that the beast master was also angry.

"Call our people back! Since Saint Beast Island does not want to see our people, it is not a problem to continue to consume them!" Li Tian said.

"what?"

The beast master could hardly believe his ears!

Just forget it?

When Li Tian said this, the entire first floor of the strong wind building suddenly became noisy, and the stewards of other forces were talking.

Li Tian seemed to have not heard these words, and slowly stood up.

The discussion continues!

These powerful men glanced at Li Tian from time to time.

"Everyone! You are welcome to take time out of your busy schedule to come to Qingfenglou to participate in this welcome banquet. First, let me introduce from me. My name is Li Tian, the owner of the Red Wing God Costume. Twenty years ago, I visited once. Wonderland, I must have some impression of Li Tian among all of you sitting now!"

"Today, I invite you to come here for two main purposes. First, I want to make friends with you. We are newcomers to Wonderland. We also want to let me and my Celestial Alliance blend into Wonderland through this banquet! The second is because we are here. All of you are people with faces in the fairyland, and you have a certain influence in the entire metal world. Therefore, I want to help Li Tian find a few people through you..."

Li Tian's words are very entertaining, but the effect is not very good.

The argument remains!

Suddenly, a very harsh voice came from the crowd, "We attended the banquet, which is considered to give you Li Tian's face. But looking for people? We are not good at finding people. It is better to find people from the eight powers in Wonderland. !"

Chapter 4976: : Re-implement the old technique (1)

The venue was instantly quiet!

More than a hundred pairs of eyes stared at Li Tian at the same time, wanting to see how Li Tian answered this question!

Some powerhouses even began to wonder whether Li Tian was so polite this time because Li Tian was injured in the battle with Qingfeng Tower?

Just like twenty years ago, the Red Wing Divine Costume began to eat this guy again?

If this is the case, then Li Tian should be the weakest now. If everyone present is united, would he be able to knock Li Tiancao to the ground?

At that time, you might be able to pretend the Red Wing God to burst out!

Of course, these are just guesses!

Since these guys can become stewards of a force, not thugs, it means that besides their strength, their IQ should be almost enough!

Therefore, everyone is guessing, but no one wants to be the first bird.

Li Tian pretended not to hear that sentence, and while everyone was quiet, he continued to say: "I, Li Tian, will not let everyone work in vain. The Qingfeng Tower where everyone is now, and all the properties of Qingfeng Tower, These are all thank you gifts. As long as you can find the person I am looking for, even if you can provide effective clues, I will thank you again!"

All the strong are unmoved!

Qingfeng Tower?

Fuck, Qingfeng Tower now represents the murderous house!

The two original owners of Qingfeng Tower are dead in your hands, Li Tian, is there any fool who wants to be the third?

Besides, you said that those properties of Qingfeng Tower are not crystals, and they cannot be installed in a skin bag or a spatial ring.

When you turn around and leave, the eight powerful forces in Wonderland turned around and snatched them away. Isn't this a waste of fire?

Also, I didn't know who called that sentence just now. Why didn't you speak up?

Don't you dare not provoke the eight strongest forces in Wonderland?

"Here I have someone I need to find who looks like this. Maybe you can have a clue?" Then, Li Tian released his spiritual power, letting the spiritual power control and condense in his hands, and

finally changed one by one into Tang The appearance of the dragon, the dark soft, the stars, the moon and the vicissitudes of life.

Of course, Tang Xiaolong's image is the most realistic. After all, he and Li Tian have been together for the longest time, and the appearance of the other women is a little bit worse, but I can't find out there! It's just that this spiritual power condenses into a human form, with at most three colors, which is far less realistic than color photos, but if someone has seen them, they should be easily recognized.

"Today is more urgent, so now I can only use my spiritual power to condense their appearance, and later I will find someone to paint their portraits, and then I will send these portraits to each mansion one by one. Please continue to ask you to help me find these people! They are very important to me! Very important! Very important!"

Saying important things three times, Li Tian also used this way to show that he attaches great importance to this time!

but.....

"What are you fart on here? Didn't you understand what I said? Are you mentally retarded or idiot? I'll repeat it to you again, find someone to find the eight powers, especially Saint Beast Island! Those guys' nose spirit It's very, just look at the photos, maybe you can smell the whereabouts of the person you are looking for!"

This voice came out again!

The strong people present laughed involuntarily.

"It's ventriloquist! The fourth row..."

When Li Tian interrupted Situ Ningbing, he certainly knew that it was ventriloquism, and he could also know exactly who was calling this!

He was not sure for the first time he shouted, but now he is sure!

"You said you want to hold a welcome banquet, all of us put down the goods in our hands, and even stopped practicing in retreat and came to join you, but we are really not good at finding someone this kind of thing!"

"That's right, you can't be too difficult for you! The metal world is so big, where can we find someone for you?"

"Go to the eight powers in Wonderland! If you are looking for someone, you will definitely find the right person!"

Suddenly, the strong men of these forces began to talk again.

Although they did not directly shout at Li Tian, their attitude gradually became tough!

Li Tian turned his head to look at Situ Ningbing, and said with a smile: "I told you a long time ago that it is a lie to convince people with virtue! You see, these guys are not good!"

"Li, how are you going to solve it?"

"It's okay! It's all up to me!"

Li Tian turned around again, waved his hand slightly, motioning for the guys in the venue to be quiet.

Then he continued: "The preparation for the banquet is in a hurry, and there is nothing to entertain you. Please go to the 17th floor of Qingfeng Tower to visit first. It is also good to stand on a high place and see the scenery! I believe you are sure No one will refuse!"

With that said, Li Tian's figure quickly flashed from the crowd, and instantly came to the fourth row of the guy who was talking with ventral yin and yang!

This is a guy in the early stage of the ninth level of Transcendent Master, such a person, Li Tian can easily kill a few!

But Li Tian didn't do this. Instead, staring at him, he said coldly: "You and the forces behind you are ranked second!"

"Li... Master Li Tian... what does this mean?"

This guy is really scared to pee!

He didn't expect that Li Tian would find him using ventriloquism, and he suddenly felt a little bad in his heart.

"You will understand soon! But before that, please go to the seventeenth floor first!" Li Tian said with a sneer.

These powerhouses don't know what medicine Li Tian gourd sells, but just now Li Tian appeared next to the ventriloquist powerhouse, or shocked the other powerhouses.

I am afraid that Li Tian's cultivation base has not been affected much!

Beast Boy, Ye Meijing, Liu Jimeng, Bull Head Sword and Horsetail Gun greeted these powerful men to go to the 17th floor.

Go, not fly!

But Li Tian took the Beast Lord and walked out of the Qingfeng Building.

"Master Beast, show me the way to Holy Beast Island! Since they are not here, I can only invite them to Qingfeng Tower by myself!" Li Tian said.

The corner of the beast's eyes twitched slightly, his heartbeat accelerated, but he couldn't help getting excited!

...

Holy Beast Island!

An island in Wonderland.

It is one of the largest islands among all the islands in Wonderland.

Here clouds and mists surround the green trees, the gurgling water, the fragrance of birds and flowers.

Saint Beast Island is surrounded by farmland with various plants, and in the center of Saint Beast Island, there is a magnificent building.

This is the Holy Beast Hall on Holy Beast Island!

"Hehe, I said that Li Tian is a bluff, what big devil, I yuck! If we don't go to his ***** welcome party, he won't even let go? As long as we don't deliberately provoke him, everyone If you don't violate the river, you just practice your own way, otherwise... Hey! Our Holy Beast Hall is not vegetarian either!"

"Brother, do you think Li Tian was injured in the battle at Qingfeng Tower? Otherwise, why would he be so polite to everyone?"

"This...it's hard to say right now. Send someone out immediately to investigate and investigate. If Li Tian is really injured, then we will unite with several other forces to deal with Li Tian!"

Chapter 4977: :Reimplement the old technique (2)

"Joining hands with humans? Pooh, teaming up with them is not as good as teaming up with our brothers! I don't believe that in this fairyland, there are people who are opponents of the three of our brothers!"

There are three Holy Beasts in the Holy Beast Hall!

They are raccoon sacred beast, cup-carved sacred beast and ferocious sacred beast!

The cultivation realm of these three sacred beasts has reached the peak of the holy rank.

This is what humans call the ninth-level pinnacle realm of the super domain master!

The raccoon beast looks like a pig, has chickens on its feet, and barks like a dog. It likes to burrow and dig soil, and it can control the flow of soil. It is aggressive and brutal. As far as the ability to burrow and control the soil is concerned, the Lili Saint Beast is somewhat similar to Li Tian's Di Xing Yasha, but it looks much uglier than the Di Xing Yasha!

The sacred beast is a kind of human-eating monster that looks like a bird but not a bird. It looks like a eagle with long horns on its head. Its cry is like the cry of a baby. It is extremely cruel and likes to eat living people. In addition to cultivation, the greatest joy is to tie the living person he bought back to a pillar, and then peck the flesh from the living person with his beak to feed on it!

The sacred beast is like a red leopard. It has five tails and only one horn on the top of its head. The sound of the sacred beast is like hitting a stone. It is powerful and abnormal. It can swallow clouds and spit fog and hide in the clouds. , It is difficult for the ordinary strong to find his existence, and can sneak attack the enemy and kill people invisible.

It is precisely because the three sacred beasts of the Holy Beast Hall possess this ability that they dare not bird Li Tian.

It is precisely because of this that the three sacred beasts of the Holy Beast Hall dare not to bird other humans, or even put other human powers in their eyes.

"Brother, that's wrong! There are only eternal interests, no eternal friends. In the face of interests, we can temporarily put aside the struggle with mankind, and deal with Li Tian first, and wait until Li Tian is cleaned up, and then we will fight with mankind again. It's not too late to tear your skin!" It is the raccoon beast who is talking!

The sacred beast sneered again, but he didn't refute the words of the sacred beast.

At this moment, a strange energy fluctuation suddenly came from outside the Holy Beast Hall!

"What a strong energy fluctuation..."

"This energy fluctuation still contains a powerful divine might!"

"Could it be that Li Tian is here?"

"Impossible! That kid Li Tian is probably holding his banquet in Qingfeng Building now! Wait a minute, I'll go out and have a look!" said the Gudiao Saint Beast.

Speaking of the sacred beast of the cupped carving, it spread its wings and flew, but as soon as he flew up, he heard a loud noise from the gate outside the hall of the holy beast.

Boom!

The Holy Beast Hall is divided into three floors. Now the loud noise is far from the inner hall. Don't think about it, it must be that the gate of the Holy Beast Hall was smashed!

At this moment, a little beast, with blood all over, ran in from the door hastily,

"Report...Report...Report to the three holy kings, there is a monster with scales coming in! That monster! It's so amazing. Our brothers couldn't stop them. Seventeen or eight were killed by that guy instantly! Three holy kings..."

"waste!"

Zhu Diao fell down and trampled the little beast to death. He turned to the other two holy beasts and said: "Big brother, third, it seems that Li Tian really killed him. Our brother will go out now. We will meet Li Tian and join forces to kill Li Tian in the Holy Beast Hall, just to give us the Holy Beast Hall to stand up in the fairyland!"

"Okay! Our brothers have not teamed up against the enemy for hundreds of years. Today, it happens that our brothers work hard to fight the enemy together!" said the sacred beast.

"Hey, brother, I'll take the first step!" The lili sacred beast sneered a few times, stood up, dashed forward two steps, leaped forward, turned his body into its original shape in mid-air, and then plunged into the courtyard. On the muddy ground, then his back hooves kicked twice in a row, and went underground instantly!

But... the ability of this raccoon's earth escape technique is really mediocre. Where his body passes, a thin layer of soil will immediately rise on the ground. Although it is not very obvious, for the super strong, this is slight. The ground fluctuation is enough for them to easily detect the enemy!

The ferocious sacred beast came out of the house with a large stride, jumped, and flew up in an instant, and then soon, his figure disappeared into the thin clouds, and even the slightest spiritual power in the air could not be noticed!

"Hey, Li Tian, seeing my eldest brother, the youngest third, is so powerful, it depends on whether you are afraid or not!" The Gu Diao Sheng Beast sneered to himself, and then strode toward the door in a stride.

...

Li Tian followed the Beast Lord to Holy Beast Island!

Originally, Li Tian wanted to summon the great dragon directly, and then let the great dragon hover on the holy beast hall, beheading all the strong men in the holy beast hall.

But after thinking about it, this would make these guys cheaper, so he decided to use the most brutal and primitive way to kill from the outside to the inside.

There is no justice or injustice here.

Only the stand is different!

Just like ordinary people killing chickens and sheep, can you say that people who kill chickens and sheep are crazy?

This is the case in the metal world, Li Tian has just adapted to the law of survival in the metal world.

Those who follow me will prosper against me and die. In the metal world fairyland, Li Tian can only possess such domineering, in order to gain a foothold in the fairyland and find Tang Xiaolong and others faster.

boom!

Li Tian fisted a small beast rushing towards him, and with a ray of dragon power blasted out of Li Tian's fist, the small beast exploded instantly.

Shaking the ground meat and blood on his fist, Li Tian continued to move forward step by step.

As for the beast master and the strong man who sent messages outside the door, Li Tian asked them to stay outside the door, but did not follow in.

"You... do you know whose territory the Holy Beast Island is? You dare to break into the Holy Beast Hall. Do you know how to write the death character?"

Li Tian killed the little beasts in seconds continuously, causing the little beasts who stood in front of him to feel fear, and even the voices of the little beasts kept trembling.

"I don't know!" Li Tian said with a sneer.

Holy Beast Hall, what can it do?

How about Holy Beast Island?

The metal world, after all, still fists to speak.

Those little beasts knew they were not Li Tian's opponents, and had no courage group to stop Li Tian, so they could only retreat while waiting for the holy beasts to teach Li Tian.

At this moment, Li Tian suddenly felt a slight vibration on the ground.

The vibration was extremely weak, but Li Tian still clearly caught it!

"underground!"

Li Tian suddenly lowered his head, but saw that he was less than one meter away from his feet. He didn't know when a layer was raised slightly.

Li Tian sneered, each of the scales of his left and right arms flashed with aura, and then Li Tian's hands were in the shape of dragon claws, and he jumped forward, and his right hand grasped the swelling mud accurately!

boom!

With a loud noise, the soil that Li Tian was grasping burst instantly!

Li Tian's dragon claws also caught a bunch of things!

"Hey! Just come out for me!"

Chapter 4978: : Re-implement the old technique (3)

Li Tian knew that since the Holy Beast Hall dared to challenge him, it must have some strength.

Therefore, he did not show any mercy in this claw!

Long Wei, Long Claw!

With one paw down, a cloud of blood was immediately splashed on the black shadow!

As this cloud of blood flashed out, the shadow in Li Tian's hand made a scream of a dog!

"Is it a dog?"

Li Tian forcefully threw this group of shadows to the ground, and finally saw the appearance of the raccoon beast, and then Li Tian asked suspiciously: "Are you a dog or a pig!"

The raccoon sacred beast was not lightly caught, and his back was covered in blood and blood!

If he hadn't felt the powerful power from Li Tianlong's claws, and this raccoon beast had subconsciously taken two steps underground, Li Tian's claw would probably penetrate his back and directly crush him. Spine!

The lili holy beast did not expect that he would be caught and injured when the attack failed. The remaining power of Longwei was still spreading from his wounds. All kinds of pain made this lili holy beast really want to scream like a brutally beaten dog. , But, in front of so many little beasts, the raccoon sacred beast can't scream, can only endure the pain, and angrily roars at Li Tian: "You are a dog, you are a pig! Your uncle I am a dignified raccoon beast!"

Although the words are awesome, the little beasts are not stupid.

The lili holy beast was injured in one move, making these little beasts feel very hurt.

Hey! You are a holy beast!

Why did you get hurt in one move?

These sales people feel that they will never love it again!

The Gudiao Saint Beast came out from the main entrance of the inner hall and was shocked to see that the Lili Saint Beast had been injured.

"Lao San, you... what's the matter with you? Could it be that this guy was hurt?" Gudiao Saint Beast asked.

The Lili Saint Beast shook his head and strongly denied, "No, it's because I deliberately wanted to test his cultivation strength. After I personally proved it, this kid also has a false name. Our three brothers Together, they can definitely kill him in the Holy Beast Hall!"

Three brothers?

Li Tian looked at the two monsters in front of him, and then looked behind Zhu Diao Sheng.

Seeing nothing, where are the three brothers?

At this moment, Li Tian suddenly felt a gust of wind behind his ears!

Li Tian subconsciously leaned his head to the side, a knife shadow wiped Li Tian's cheek and cut it over!

Cang!

The knife provoked a piece of scale near Li Tian's ear, and the blade slashed across the scale, making a harsh sound!

Li Tian turned his head abruptly, and several purple dragons appeared in the dragon claw instantly, slamming a palm along the knife shadow!

Longyin!

Several purple dragons rose into the sky, but the moment the purple dragon flew up, the blade shadow disappeared, and the purple dragon also lost its goal!

"Hey, I think this guy is another sacred beast! This hiding ability is really powerful, even I haven't noticed the slightest fluctuation in spiritual power!"

"interesting!"

Li Tian sneered twice and played "Eighteen Claws of the Dragon" again, and dozens of purple dragons rose into the sky again!

Ninety-nine-nine-eighty-one purple dragons hover in the sky constantly!

Each purple flood dragon was more than three feet long, and the eighty-one purple flood dragons allowed Li Tian's body to be occupied by the dragon.

If this sacred beast wants to attack Li Tian sneakily, he must first cut off these purple dragons, otherwise he will have no possibility of sneak attack!

"Here, so many flood dragons?... The guy is so powerful!"

"Don't you see that this guy is full of dragon scales? I'm afraid this guy has inherited some kind of dragon, and even has transformed his body!"

"You said, can our sacred beasts be his opponent?"

"Shhh! Shut up, if you don't want to die, don't talk quietly!"

These guys are also afraid of death!

The aura of the two sacred beasts of the carved sacred beasts and lili sacred beasts began to rise continuously, and a powerful murderous aura was released from the two sacred beasts!

The ground was constantly cracking, and the courtyard wall behind them suddenly collapsed with a rumble!

All in all, it proves that these two sacred beast powerhouses have also displayed their power!

The corners of Li Tian's mouth turned up slightly!

There are still so many powerful people waiting for him in Qingfeng Tower, he doesn't have time to entangle these guys!

With a move of his mind, Li Tian began to continuously use his spiritual power.

"Honghuang Qinglong, come out!"

With the operation of Li Tian's spiritual power, a huge blue dragon gradually appeared behind Li Tian.

The size of this blue dragon is much larger than that displayed by Li Tian on Qingfeng Tower. Half of the sky above the holy beast island is occupied by this prehistoric blue dragon!

Rumble!

Rumble!

Loud noises continued to be heard inside the Saint Beast Island, and cracks more than a foot wide appeared on the ground under Li Tian's feet.

Several cracks criss-cross!

The buildings of the Holy Beast Hall behind the two holy beasts continued to collapse.

"This... what kind of monster is this!"

"The dragon! The great dragon is like the great dragon on the top of the miraculous mountain!"

These little beasts were so frightened that they were screaming in their arms, regardless of the north, south, east and west!

It's not that they don't want to fly up and escape from the holy beast island, but...but...the dragon above their heads is too terrifying.

A little beast flew up, at least tens of meters away from the wild blue dragon, but the powerful dragon power instantly tore the little beast's body to pieces.

"You can't escape!"

"We are dead!"

The little beasts hugged their heads in despair, saw the cracks on the ground, plunged into them, and then pretended to be dead.

The raccoon sacred beast and the cup-carved sacred beast wilted instantly!

Is this **** so beaten?

If they are sacred beasts, then the guy in front of them is the Dragon God!

Dragon God!

The mighty divine power keeps falling from the sky, even if it is smashed on the body by this divine power, immortality is almost the same!

Lili Saint Beast saw the little beasts digging in the gap, and immediately thought of his ability.

He jumped up abruptly and drilled towards a wide gap, just thinking about going underground and avoiding a disaster!

As for the sacred beast?

Sorry, although it is a brother, we are really powerless at this time!

However, when the raccoon sacred beast jumped up, a dragon claw of the great blue dragon swept directly over him!

Wow!

The raccoon beast was instantly divided into two!

The two halves of the body fell to the ground, and the one who was already dead could not die again!

Even if he is the sacred beast of the highest sacred level, the sacred beast of the cup carved can't move by the scene in front of him!

"I...I surrendered, I...I surrender! My lord, please forgive me!"

The sacred beast knelt down on the ground and kept begging Li Tian for mercy!

"Hey, you are the 'ranked number one' force. If you beg for mercy and let you go, then who will listen to Li Tian's words in the future!"

Li Tian sneered, his figure flashed, and he appeared beside him. The left and right dragon claws grabbed his neck at the same time, making a sudden force!

Click!

The neck of the sacred beast was broken by Li Tian!

Chapter 4979: : Re-implement the old technique (4)

The ferocious sacred beast hiding in the clouds witnessed all this with his own eyes!

He was really scared!

The cultivation level of the three sacred beasts in their Saint Beast Hall is equivalent to the ninth-level peak powerhouse of the super domain master, how could they be so vulnerable?

And what the **** is this great blue dragon behind Li Tian?

Isn't the metal world forbidden to have gods?

Although this guy is not a demigod, but with this great blue dragon, he can already crush all the powerhouses of the superdomain master's ninth level. What is the difference between this and a demigod?

despair!

The sacred beast didn't bother to look at the corpses of his two brothers.

Now he just wants to leave the fairyland early, find a continent at will, find miracles, and then go to practice.

I also hope that one day I can be as tough as Li Tian, and when the time comes to recruit the old ministry, it will not be too late to come back for revenge!

Thinking of the ferocious sacred beast flying in the clouds, I wanted to escape from here.

But, suddenly, he felt the air around him violently fluctuate, and immediately after that, the dragon claws of the wild blue dragon directly pulled the sacred beast out of the clouds!

"This... how is this possible? This skill of mine is even the ninth-level pinnacle of Super Domain Master..."

The sacred beast suddenly stopped thinking about it.

Because he found that he could no longer judge Li Tian's current cultivation level with the strength of a normal person.

With this great and wild dragon, what is impossible?

The ferocious sacred beast was caught in front of Li Tian by the claws of the great blue dragon!

"Hey, we finally met. I sent someone to invite you experts from the Holy Beast Dao to the Qingfeng Tower to participate in the banquet, and you avoided seeing them. This made the messenger I sent was terrified and didn't dare to return to life, so , I can only come personally to invite you to my Qingfeng Tower!" Li Tian said with a sneer from the corner of his mouth.

It is really uncomfortable to be grasped by this dragon claw, the ferocious holy beast's face is gray!

"It's okay if you don't speak! Now I come to ask you, you need to answer me truthfully! Have you seen these people?"

Speaking of Li Tian, he released spiritual power from his palm again, using these spiritual power to condense into the appearance of Tang Xiaolong, You Dark Rou and others.

The sacred beast raised his eyelids and took a look, then his eyelids drooped weakly.

"It doesn't seem to be! Since you are like this, then your final value is your head and beast crystal!"

With a move of mind, the dragon claws of the Great Blue Dragon slammed hard, the body of the ferocious sacred beast was instantly crushed, and a big head rolled down gruntingly.

Li Tian received the Great Blue Dragon, and suddenly felt pain all over his body.

He almost didn't stand firm and fell!

"It seems that the display of the blue dragon will not have any effect on my body, but the use of the wild blue dragon will bring a great physical burden to me. In the future, this wild blue dragon will not be a last resort, so I should try to use it as little as possible. Come on!" Li Tian thought in his heart.

In the distance, the beast master hiding several kilometers away, and the strong man who came to send a message witnessed the battle with their own eyes.

Especially when Li Tian cleanly killed the three holy beasts, it made these two powerhouses feel surging!

"Master Li Tian, you are so...too powerful!"

"Lord Li Tian, I admire you like..."

Li Tian waved his hand, "Shut up, you, bring me the heads of these three holy beasts, Lord Beast, you dig out the beast crystals of these three holy beasts for me!"

The two strong men shut up immediately, and then the division of labor was clear, and they started to work!

"My lord... what should these little beasts do? Are they killed?"

"God has a good life, let them escape for their lives!"

"My lord, what should we do with this Saint Beast Island?"

"What island?"

"Holy Beast Island!"

"What island?"

"Holy...no, it's Master Li Tian's island!"

"Good! Go back to Qingfeng Tower!"

...

On the 17th floor of Qingfeng Building.

"Don't squeeze, come up one by one. The flesh and blood you see belonged to the strong ninth level of the Transcendent Master's early stage realm. You see, this flesh and blood is rough and rough, and you know that you don't usually maintain it. Come and see here A group, and this group of flesh and blood, this is the super domain master's ninth-level mid-level powerhouse! These are the private property of Qingfeng Building, and you are definitely not allowed to take home privately!"

"When you come here, you must be familiar with the complete body of these two districts. This is the host of Qingfeng Building, because I can't read the post... No, it's because I rented Qingfeng Building that doesn't meet the rent, and I want to find Li Tian. The trouble of the adults, as a result, you all understand that if Master Li Tian is not paying attention, he will kill them all!"

"I can guarantee that Master Li Tian did not intend it on purpose! You must know that Master Li Tian had to protect the lady next to me at the time. He still had no way to use all his cultivation skills. Otherwise, with Master Li Tian's cultivation strength, it won't take that long at all!"

"Sir, what do you mean by tasting the flesh and blood with your fingers? Is this jam? Do you suspect that we will cheat? I dare to use my head to guarantee that these flesh and blood are absolutely natural and pollution-free, without any additives and The green of preservatives... the corpse!"

The stewards of the major forces in the fairyland were invited to the seventeenth floor one by one. When they saw that the entire seventeenth floor was full of blood and meat, they were immediately stunned by the picture in front of them!

Shock!

terror!

fear!

trembling!

They did not expect that the strong of Qingfeng Tower would die so miserably!

This is Qingfenglou demonstrating to them!

It was the dead body of the strong Qingfeng Tower to tell them that the current Qingfeng Tower was no longer something they could provoke!

However, these powerhouses always feel that just watching these pictures is not enough to convince them all.

After all, the eight most powerful forces in Wonderland did not attend this banquet.

In other words, the power that Li Tian is showing right now is not enough to make this half powerful force afraid.

"What do you think?"

"What else can I see?"

"I just look!"

"I'm going, do you guys see it?"

The stewards of the various forces still have no idea in their hearts!

They are still waiting for the voice that 'impresses them the most! '

And at this moment, a surging spiritual power suddenly appeared in the distance, at least tens of thousands of meters or even further away on a small island outside of the immortal!

"This... this seems to be the direction of Saint Beast Island!"

"Yes! It seems to be the direction of Saint Beast Island, but I don't know what happened!"

"Do you think Li Tian went to Saint Beast Island and then fought with the three Saint Beasts on Saint Beast Island?"

"Hey, this is very possible! It seems we will wait until the answer we want soon!"

"Yes, no matter what the outcome is, there will be an answer soon!"

"Then we continue to watch?"

"Keep going!"

"What a beautiful view!"

"It's just spectacular!"

"Look, what...what is that...what a big dragon..."

Chapter 4980: : Re-implement the old technique (5)

The intelligence personnel of the major forces flew to the Holy Beast Island after Li Tian took the Beast Lord and so on to leave the Holy Beast Island. Seeing that the Holy Beast Island was in a mess, they immediately felt the seriousness of the matter.

Through these intelligence personnel, the news of the annihilation of the Holy Beast Hall on the Holy Beast Island flew quickly into the various forces in the fairyland as if it had been plugged in wings.

"What? The Holy Beast Hall was completely destroyed?"

"How is it possible? Holy Beast Island is already in a mess?"

"Where are the three holy beasts in the Holy Beast Hall? They are powerful people with the ninth-level peak realm of the Super Domain Lord!"

"They are all dead? Too...too terrible! Is this Li Tian's true strength?"

"Hong Huang Qinglong, if Li Tian is willing, he can even easily destroy Saint Beast Island!"

"Quickly, get ready for a generous gift, I'm going to attend the welcome banquet in Qingfeng Building!"

What happened on Saint Beast Island shocked the whole wonderland.

When they heard that the three sacred beasts in the Holy Beast Hall had died, these strong men only felt a chill on the back of their spine, and they felt that something was pinching their necks, and they could not breathe. Come.

The eight powers, no, right now, to be precise, there should be only seven powers left.

These seven powers were really worried that Li Tian would completely wipe out them by the way in a rage, but Li Tian didn't do that.

After destroying the Saint Beast Island, Li Tian took the Beast Lord back to the main island of Wonderland, and then walked slowly across the streets of Wonderland.

The little brother carried the heads of the three sacred beasts and swaggered.

On both sides of the street, the onlookers who were eating melons were surprised and shocked!

"Holy Beast...s head?"

"Yes, I didn't expect that the strongest standing on the top of the fairyland would have today's end!"

"It's not just a fairyland, the holy beast is equivalent to the ninth-level peak power of the superdomain master, even in the entire metal world, it is already the most powerful existence!"

"It's a pity, does the training ruin the brain training? This guy is Li Tian, but the big devil Li Tian, the holy beasts dare to refuse his invitation!"

"I heard that there are several other big forces who have decided against Li Tian, but now I don't know how the other big forces will deal with this matter!"

"You said, will the other major forces unite and take care of Li Tian, the devil?"

"Do you have a bubble in your mind? The living examples of Qingfenglou and Saint Beast Island are in front of you. Are they impatient?"

Li Tian pricked his ears and listened to these guys' discussions, and he was still quite comfortable and proud!

What he wants is such an effect!

As for the three sacred beasts in the Holy Beast Hall, their function is the brain, just like the trick that Li Tian played in the end times. This is also the case this time. Through the heads of the three holy beasts in the Holy Beast Hall, the whole The strongest in Wonderland knows who the **** is the strongest in Wonderland.

The reason why Li Tian let the little brother carry the heads of these three sacred beasts is to create a topic, so that all the strong people in the entire fairyland, everyone, even a slave in the fairyland, know this matter.

After this matter has been brewing for a few days, everyone in the entire fairyland will know why Li Tian did this.

At that time, there will be hundreds of thousands, or even millions, of powerful people in Wonderland leaving from Wonderland to the major continents of the metal world. These powerful people are the nets that Li Tian cast out. Sooner or later they will wait for Tang Xiaolong and Youanrou. 'Big Fish' was made for the net.

...

Back to the first floor of Qingfeng Building.

The powerhouses of other forces have already visited the 17th floor of Qingfeng Tower!

When I saw Li Tian again, these powerhouses were silent, full of awe of Li Tian, and no one dared to talk to Li Tian strangely.

boom!

boom!

boom!

Li Tian asked the little brother to place the heads of the three sacred beasts of the Holy Beast Hall on the table next to his chair, and then Li Tian sat on the chair and watched the reactions of these powerful men in secret.

Fear, fear, trembling!

Very good, the effect of Li Tianyao has been achieved!

Then Li Tian only said one sentence, and the strong ventriloquist suddenly felt like falling into an ice cave!

Li Tian said: "Take 30 days as a cycle. You come to the person I want to find. If there are no valuable clues within 30 days, I will wipe out one power. The Holy Beast Hall will rank first. After 30 days, , I will destroy the second-ranked power!"

I fuck!

So this is the ranking!

The strong ventriloquist felt that he had been targeted by the **** of death, and it seemed that he was only 30 days away from his death.

"To escape, you must escape from the immortal territory within 30 days!" the ventriloquist thought in his heart.

Li Tian smiled slightly and continued: "You don't need to be nervous, Li Tian is the most reasonable! This ranking is based on the reverse order in which you came to Qingfeng Tower. That is to say, after I issued the invitation, I came first. The strength of Qingfeng Tower will be ranked last. As for why the Holy Beast Hall is ranked first, I want to come to you to be clear!"

"Of course, you can also choose to escape and escape from the fairyland. However, I want to tell you the unfortunate news that the slaves before Qingfeng Tower have been released by me. Now these slaves are densely covered in the fairyland. As long as I hear any disturbance, Hear any news that the forces want to escape from the fairyland, then Qingfeng Tower and Saint Beast Island are their fate!"

The strong ventriloquist shivered, and the escape plan he had just thought of was dead!

"But... Lord Li Tian, aren't there other seven powers? Why is my power ranked second? Besides, I am the tenth to come to Qingfeng Tower. Lord Li Tian, you can't do that. To me!" the strong ventrilophone said with a sad face.

"Hey, because your words remind me that if you want to find someone, the seven powers are best at it. Therefore, I cannot provoke the other seven powers, and I need to ask them to find someone. Therefore, the seven powers must not participate in the ranking. As for why you were ranked second, it was to commend your reminder to me! Don't doubt yourself, I believe you will definitely get useful information within 30 days!" Li Tian said with a sneer.

The ventriloquist man slumped down on the chair, really wanting to poke his own mouth.

The stewards of other forces began to calculate the order in which they rushed to Qingfeng Tower, and how many days they could get to find the person Li Tian was looking for!

A few happy and a few sad!

The first forces that came to make a calculation, they still have more than 20 years to find someone, a stone in their heart fell to the ground, and a smug expression on their faces involuntarily.

Hey, the early insects were eaten by birds. This time, it seems that our decision is right!

At this moment, Beast Lord walked in quickly.

"Master Li Tian, the steward of the Seven Great Forces of Wonderland brought a generous gift to Qingfeng Tower to see you!"
