

THE STARS ARE ORIGINALLY A PAIR - YOU AND ME UNDER THE LEMON TREE

"I guess no one would think that even a third best student would skip class." After being surprised, Luo Junxian smiled and said, although he guessed that An Xingyue was not that simple, otherwise she wouldn't have been so easy for Brother Chen to see, but he always thought that she was still the same as those good students about studying, skipping class or something appeared on her is too amazing.

"I am not a good student, after all, I also read books or do other things in class, as for not skipping classes after coming to the first middle school because I am not yet familiar with the surrounding environment, skipping classes also have no place to go, and why should I skip classes when I can take leave openly?"

The first thing you need to do is to get a good idea of what you're doing.

The first thing that she discovered after coming to the first middle school was that some people were skipping classes or whatever was a common occurrence, but the school was not particularly strict about this, as long as you did not leave school, then the school was turning a blind eye to it.

"The company's main business is to provide a wide range of products and services to its customers. Su Zhiqing heard An Xingyue's words and asked in disbelief.

"I can ask for it, but it's especially troublesome, so at that time I would rather skip class and come back to do the test papers than to ask for leave." So in Jiangcheng instead, there are more schoolboys skipping classes, after all, not everyone likes to do test papers.

"What the hell is the operation of skipping class and coming back to do test papers?" Zhou Junxing listened to the dumbfounded, why skip class to come back to do test papers, that he would rather sleep in the classroom than to skip class.

"So in Jiangcheng Foreign Language School instead it's the academic bully who prefers to skip class, because if not, then many people will skip class, after all, the pressure is quite high, but it's nothing to do with test papers, it's quite easy." An Xingyue said casually, for her anyway, it's like this, it's just doing the test paper, what's so hard, first skip the class.

"Admire admire admire." Eddie Chen hands clenched fist worship said to, said to do the test paper is easy big brother, can not afford to mess with, can not afford to mess with.

"Tsk tsk, Jiangcheng side of the paper estimated only Yue Yue will say very easy, senior year that time I let Yue Yue sent me a few Jiangcheng side of the paper, and then after doing the answers I began to doubt their own intelligence, and then redid our own paper to find so little self-confidence."

Ji Yiyao rolled her eyes, spitting like saying, she did so several times after she did not want to do Jiangcheng's paper, are not human to do, do it is used to blow their confidence.

"I have also done a few Jiangcheng side of the paper, the difficulty is indeed greater than ours." Mo Zhicheng remembered a few papers that he went to do before because he was curious, rare unnatural to say, he thought everyone thought it was difficult, who knew there was a person here who said it was quite easy, simply used to blow people away.

"Hee hee, everyone just don't compare with Yue Yue, after all, Yue Yue and we are not the same." Su Zhiqing said flirtatiously, and Yueyue than the results of those is not to find themselves uncomfortable well.

"No, Ah Chen's grades are now almost better than mine, I'm not great." An Xingyue retorted, last semester's final exam night Xiu Chen is a few points lower than her, it is estimated that this semester her first to give him.

"Who said that, my tablemate is the most powerful, and I am so powerful because of the moon ah, so the most powerful or tablemate." Night Xiu Chen lightly smiled and said, his girlfriend is the most powerful.

"Crap, brother Chen you show a wave of love again, spreading a ground of dog food." Eddie Chen said in exasperation, show love the most annoying, after all, he is still a single dog.

Lemon fruit on the lemon tree, you and I under the lemon tree, sour sour sour.

If not for the fact that there is still Luo Junxian accompanying him to eat dog food, he would have slipped away, eight people, three couples, what concept, and the remaining two are men, but also can not get together ah.

After all, even to get together can not be so casual.

"Tch, the old Mo side holding hands for so long you do not say they show love, say I do? And it's not because you're jealous." The night Xiu Chen breeze to say, do not know his little cute thin skin? So loudly said the little cute shy how?

Sorry, really did not see Miss An Xingyue there thin-skinned.

"That's different, people Lao Mo and little pepper is a childhood friend, are so long, before long felt that the two of them are not right, who knows after so long to get together, simply wasted so much time, but you and the young lady just met not long together, and also recklessly show affection, do not say Chen brother you say who ah."

Eddie Chen justifiably replied, to know who knows that the school bully now has a master, and also very rare people girls, simply treating his girlfriend as if she is the heart baby, now in a school can not mess with not the school bully but the school bully's girlfriend.

"And I'm not jealous, just recently eat dog food to eat a little support." Eddie Chen said lifelessly, did not start school before at home has been watching his parents show love, are decades or very sticky, like the beginning of hot love, did not expect to come back the first day also see Chen brother they are showing, and Zhou Junxing this asshole like the girl also transferred to their class, it is estimated that soon became, now just short of a chance, but now already treat them as a pair.

Eddie Chen was thinking to himself a little bit, if he wasn't straight, he would probably go down on Luo Junxian, a well-mannered fox, and bend him, but he was just straight, there was no way to do it.

"Hahahaha, Xiao Chenzi you and Luo fox hurry up and talk about a relationship, otherwise every day watching you guys being show, I am a bit too much." Su Zhiqing laughed and suggested to, after all, really quite poor, everyone has a companion, and the two of them are still alone, looks thief poor.

"Roll, what's so great about falling in love, might as well be a single nobleman." Eddie Chen heart stupid but the surface is not understand the sound, pretend that they do not care, hum, what to fall in love might as well study hard.

He is a good diligent to take remedial classes! Study! student!

And Luo Junxian is a direct glance at Su Zhiqing then ignore her, Su Zhiqing is typically the more you care about her, the more she wants to make things happen.

And Eddie Chen is right, it's better to fall in love than to be a single nobleman, after all, it's not that you can talk if you want to.

After all, not everyone can be as lucky as Tatsu to meet someone they like.
