

MY DEMON HUSBAND IS A SNAKE

Chapter 14: Don't Go Up to the Attic

My tongue touched his finger, and my heart skipped a beat immediately.

I opened my eyes wide and looked at him.

"It's all saliva, dirty." Yu Longting quickly withdrew his hand.

He grabbed a tissue from the table and wiped his hands with a disgusted expression.

Stunned, I froze for more than five minutes, only to see him extending his hand again.

I hurriedly leaned forward, bit into the steamed bread, and stuffed it into my mouth.

Not giving him the chance to reach inside.

He treated me like a three-year-old child, feeding me bite by bite.

The expression on his face still showed annoyance as if I was too delicate, forcing him to do this.

Dizzy, I really wanted to eat by myself.

After a while, when I came to my senses, I asked, "You said Uncle and Second Aunt are afraid of you? Do they know you're here?"

"Nonsense."

Yu Longting gave me a look as if I was an idiot, "Su Wan, your intelligence really is concerning."

"Because you appeared yesterday, they must be wary of your presence."

"You finally aren't completely foolish."

"That's good, I'll go upstairs and get my mom, and we'll quickly slip away."

Yu Longting's expression suddenly darkened, "Don't go up to the attic."

Since I met him, this was the first time I saw him so serious.

"Then I'll send my mom a WeChat message." I took out my phone and sent a WeChat message.

I said I was bitten by a snake and got poisoned, going to the hospital for treatment.

Given my mom's character, she would definitely be tricked and would leave Uncle's house immediately, rushing to the hospital.

I had already secretly called for a cab to the village entrance with my phone, now I just needed to leave here.

After all, they all feared Yu Longting.

If I wanted to leave, I guessed they wouldn't have the guts to stop me.

"Su Wan, are you leaving?" Su Xiaomin's voice came from behind me.

My spine stiffened, and I turned around.

At this moment, Yu Longting was not there.

Su Xiaomin's eyes were still dark green, eerily and ghostly staring at me, he raised the battered old phone in his hand, "Your mom fainted in the attic."

The phone in his hand was my mom's.

"What did you do to her?" I stared furiously at the phone in Su Xiaomin's hand.

Not sure if it was my imagination, but I felt that Su Xiaomin's face was increasingly resembling a fox's, he said, "I didn't do anything, she has a terminal illness and could be in life-threatening danger anytime, isn't fainting normal?"

"..." I wanted to rush upstairs to see my mom immediately, but I still remembered Yu Longting's instruction.

Su Xiaomin yelled into the kitchen, "Dad, Mom, it's bad, Auntie has fainted, hurry and check on her."

After he shouted, he gave me a sinister smile, "Su Wan, did Yu Longting tell you not to go to the attic? But if you don't go up, your mom might die, how will you choose? I'm really curious..."

At this moment, he did not seem like Su Xiaomin at all.

The cold, gloomy look in his eyes radiated a chilling light, filled with a beastly, sinister ferocity.

Was Su Xiaomin possessed?

But what could be possessing him, it seemed to know both me and Yu Longting, and yet bore deep hatred towards me...

Damn, why do I have so many formidable enemies...

I wanted to turn and run, but my feet were rooted to the ground as if they had grown into it.

"Second Uncle, Second Aunt, please look, why would my cousin's eyes be like this?!" I saw Second Uncle and Second Aunt rushing out of the kitchen, and I directly asked.

Second Uncle, as if accustomed to it, said, "Xiaomin has become an Outgoing Disciple, he can commune with the Fox Immortal, it's often like this."

"What's the big fuss? You yourself were entangled by a snake, even had an ill-fated child, shaming us to our ancestors, and you still have the nerve to speak, Xiaomin is a properly apprenticed Immortal Child, a blessing many people plead for in vain." Second Aunt seemed displeased with my shocked expression, snapping back coldly, like a cat that had its tail stepped on.

I had seen Outgoing Disciples before, but this was the first time I saw one transform.

The fox-headed, human-bodied Su Xiaomin was more horrifying than CGI in horror movies.

"Now is not the time to argue."

Second Uncle glanced at Second Aunt and spoke sternly to me, "Su Wan, come upstairs with me quickly to check, if your condition flares up, you need immediate rescue. If it's too late, I fear for your life."
