

MY DEMON HUSBAND IS A SNAKE

Chapter 16 - 16 Is Being Attractive Such a Great Thing??

My mother's eyes were filled with shock, "Su Chongshun! You... you're using my life to threaten Wanwan?"

My second uncle stopped feigning ignorance, admitting, "So what if I am?"

"Su Chongshun, I took the abortion pills you gave me, I'm going to die, and now you even want to gouge out my eyes and give them to a fox demon! You won't even leave me a whole corpse. Where did we ever wrong you for you to treat us like this?" I saw my second uncle manhandling my mother and wanted to hack him to pieces, but I forced myself to remain calm.

On one hand, I was stalling for time to find a solution, while on the other, I wanted my mother to see the viciousness of my second uncle for what it truly was.

My second uncle sneered, "Blame our father for playing favorites, for only passing the Yin Yang Embroidery down to your dad. Why, though? I'm his son too!"

"It's not grandpa's fault; it's your own ambition, selfishness, and inhumanity!! The Yin Yang Embroidery was never meant for you!" I glared coldly at my second uncle, not fully aware of the grudges of the past generation.

All I knew was that the ancestral skill of Yin Yang Embroidery had always chosen only one successor.

Grandpa had chosen my father and had not chosen my second uncle to be his successor...

My second uncle had always harbored resentment in his heart!

Taking a deep breath, I made a decision, "Let go of my mom. She can't take being tortured by you like this. These matters have nothing to do with her. If there's an issue, come at me."

"Want to suffer in place of your mother? Come here! Come on, take the abortion pills! Then I'll let her go." The more distressed I seemed, the more excited my second uncle became.

"Eat your mom." Yu Longting's voice emerged cool and slow, "Su Chongshun, so your family found Xuanjing as a backer and thought you don't have to die just because you have a lousy Jade Pendant for protection?"

My eyes nearly bursting, I glared at my second uncle, struggling to keep my composure.

Su Xiaomin had appeared behind us at some point, "Oh? I'd like to see how you're going to make him die."

Turning around, even though I was mentally prepared,

a fluffy fox head suddenly appeared on a human body before me.

My heart skipped a beat.

It was truly frightening!

My second uncle and second aunt watched their son become possessed by the fox demon, and yet, they appeared unbothered by the sight.

"Xuanjing, you're already dead - why aren't you staying quietly in your coffin instead of wandering about?" Yu Longting's arm suddenly elongated, grabbing Su Xiaomin's neck from two or three meters away and forcefully dragging him closer.

Su Xiaomin's eyes bulged with blood, unfazed, he cackled, "Aren't you also just a pitiful snake sewn into a piece of clothing? If you can wander wherever, why can't I?"

"Because I'm good-looking, where I wander is my choice." Yu Longting looked down on Su Xiaomin with disdain in his eyes.

Being ugly and still coming out to scare people, that was his fault.

"Su Xiaomin's" eyes turned cold, visibly upset, "Being good-looking is so great, huh?"

Then, an excited gleam in "Su Xiaomin's" eyes, he slowly lifted a hand clutching a black Jade Pendant, "Kill me, then! Go ahead and kill me, Yu Longting! If you aren't afraid of being consumed by the Jade Pendant, do it! The Su Family killed you once, you want to die again, all to protect the Su descendants?"

That black Jade Pendant was supposed to protect the Su Family?

According to Su Xiaomin's implication, if Yu Longting acted, he might...

Die?

"Yu Longting, maybe it's best if you put down Su Xiaomin..."

I hadn't yet finished my words of deterrence when Yu Longting's sharp voice interrupted, "Die another time for her? Is she worth it?"

"..." My face burned hotly, as if slapped.

I must have had a lapse in judgment just now.

To presumptuously worry that he would kill Su Xiaomin.

Tossing him away like trash, Yu Longting threw Su Xiaomin against the corner of the wall.

Su Xiaomin's head hit the wall, and blood immediately began to flow.

Seeing this, my second aunt screamed and lunged at Yu Longting, "You dare harm my son, I'll kill you."
