

A Snake 97

Chapter 97 It's All My Fault for Lacking Discipline

That instant.

I hardly hesitated at all.

I let go and turned to wrap my arms around Yu Longting's neck, "I knew for sure you'd come."

"I'm sorry, I let you down, I still arrived late," Yu Longting gently patted my back, his voice carrying a touch of difficulty and guilt.

I shook my head desperately, large tears falling, "No, no!! You came just in time. I was so scared just now..."

Just now I had been calm and composed in the face of Xuan Fanyin.

The moment Yu Longting appeared, I was instantly crushed and shattered.

Only in front of him did I have someone to lean on, someone to protect me.

Yu Longting picked me up, set me on the table, and wrapped his coat around my shivering body.

He leaned down and kissed my lips, "The little brother has troubled his wife, thanks for saving him, but if there's a next time, just let him meet his own fate, don't bother with him."

This "wife" thing, how is this playing out!!

We aren't even married.

But hearing this term of endearment, my heart felt all soft and mushy, what's happening to me?

"Cough, cough, no need to thank me, next time just make him behave, don't stir up trouble for me." On one hand, I felt sorry for Yu Rongling, but on the other, I thought he really did cause trouble.

Yu Longting took my hand into his own, staring at the blood marks left by the wire.

Narrow phoenix eyes squinting, he brought it to his lips and blew on it, "It's all my fault for failing to discipline him well, causing my wife to get hurt twice."

I wanted to comfort him seeing his brooding appearance, "It doesn't hurt much, don't worry... By the way, I... I really didn't kill anyone, did I?"

"No, such things, let the husband take care of them," a flash of fierceness appeared in Yu Longting's eyes.

Just then, a wavering shadow appeared behind him.

I was startled and quickly warned, "Watch out behind you!!"

Yu Longting moved unhurriedly.

He kissed me on the forehead.

Only then did he look back indifferently.

And grabbed the chair that was being smashed toward his head.

Behind Yu Longting stood an elderly lady with snow-white hair, but she was very well-maintained, with a dignified and noble demeanor.

The old lady's face was fierce with anger, "You... you killed Master Xuan Fanyin? And you want to kill my husband too?"

"So what if we did?" Yu Longting smashed the chair to pieces on the ground.

Crushing several nearby rats in the process.

After Xuan Fanyin fell, these rats, now ownerless, scurried all over the house.

The old lady's face showed fear as she backed away a few steps, "You... what do you want to do?"

At this moment, there came a series of hurried and disorganized footsteps from downstairs.

Yu Longting carried me to look outside.

And saw Wei Yao charging in with several plainclothes officers.

The plainclothes officers immediately subdued the old lady.

Seeing Yu Longting holding me, Wei Yao became cautious and said, "Su Wan, are you being held hostage? Who is this person? An accomplice of Lei Tianming?"

"No, I haven't been kidnapped, he... he's my... boyfriend." I almost bit my tongue.

It was all because Yu Longting kept brainwashing me by calling me his wife; I was almost successfully brainwashed and almost called him "husband" in return.

I asked Wei Yao, "Why did you get out of the car?"

"After you left, many rats surrounded the car, but they couldn't get on, so I think it must have been thanks to your clothes," Wei Yao glanced at Yu Longting and then turned to me, "Afterward, I saw the rats were retreating, and they didn't seem to want to attack anyone, so I brought people inside."

I glanced at Xuan Fanyin on the floor, "He... he seems to have had an accident, so the rats have lost their leader."

"Dead?" Wei Yao asked.

Yu Longting said, "Just deeply unconscious."

After saying that, he carried me out.

"Hey, the snake... your brother Yu Rongling is still in the bottle." I reminded him loudly.

Yu Longting clearly didn't want to deal with it, "Do you think he'd be in any good shape if I went to find him now?"

"Better let him be for now, Wei Yao should take care of him." I suddenly stopped, as something occurred to me.

Looking up at him eagerly, my eyes filled with panic.

Yu Longting hugged me tighter, also becoming anxious, "Hmm? What's wrong?"

"My foot, it was bitten by a rat, I need to see a doctor." I looked at Yu Longting with fright, clutching his clothes feeling wronged.
