

# SUPER ABILITY STUDENT

## Chapter 5 : Grade 1? Pediatrics only!

It's done!

Lin Tian made a snap, his expression a little excited.

A confident smile appeared on       's face: "It's only the first age, little meaning!"

said, Lin Tian raised his head again and looked in the direction where He Qianqian had left.

At this time, He Qianqian had already reached the top of the stairs and was about to go downstairs.

But when He Qianqian was about to go downstairs, a young man walked out of the classroom next to him. The young man called He Qianqian, and then the two walked down side by side.

Looking at the appearance of the two, it is obvious that they are very close.

Seeing this young man, Lin Tian's face sank and looked a little unhappy.

This young man is He Qianqian's boyfriend Wang Feng.

Wang Feng is also a school teacher, and it is said that he graduated from the same school with He Qianqian.

Wang Feng is 1.8 meters tall, has a well-proportioned figure, and is handsome in appearance. In the eyes of others, she is a talented girl.

Although he was a little unhappy with Wang Feng before, Lin Tian had no other ideas, but it is different now.

With the ability, Lin Tian has already started to have some other thoughts about He Qianqian.

So at this time, seeing He Qianqian and Wang Feng walking together was naturally a little unhappy.

"Huh!" Lin Tian watched He Qianqian and Wang Feng walk down shoulder to shoulder, his face was a little depressed, he gave a cold snort, turned and walked towards the classroom.

Wang Feng didn't know that Lin Tian was upset by walking with He Qianqian, but even if he knew he would not care.

At this time, Wang Feng was also a little upset. While Wang Feng and He Qianqian went out to the stairs, he asked with a slightly unhappy expression: "Why did you get so close to that student just now?"

"What's the matter?" He Qianqian glanced at Wang Feng in a daze, then came back to her senses, and said indifferently: "That's just a child, why do you care so much?"

"Children, what kind of children are there!" Seeing He Qianqian's indifferent

expression, Wang Feng instantly overturned the vinegar jar with an unhappy expression: "So what kind of children are these children? These children are seventeen or eighteen years old. Has developed and is now in puberty, so be careful."

"You have thought about it! But..." At this point, He Qianqian paused for a while.

"What's wrong?" Wang Feng hurriedly asked when he saw He Qianqian's appearance.

"But I made a bet with that student!"

"What bet?" Wang Feng was even more upset when he heard that he was betting with students.

"He said that if he takes the first grade exam, I will kiss him!" He Qianqian laughed, seemingly indifferent.

"Did you agree?" Wang Feng looked very concerned, his expression very unhappy.

"Yes!" He Qianqian nodded of course, with an indifferent expression: "You also know his grades, and it is also the last in class, let alone in the grade. It is impossible to get the first exam!"

Thinking of Lin Tian's results, Wang Feng felt better now, but then Wang Feng worriedly exhorted: "This bet is not allowed in the future. From this bet, you can see that this kid didn't take any kindness! You and him later be careful."

He Qianqian shook her head helplessly, shrugged, and reluctantly agreed:  
"Well, I listen to you, you jealous jar!"

Although Lin Tian was a little upset seeing He Qianqian and Wang Feng walking together, he quickly adjusted.

He believed that He Qianqian must be his own woman!

adjusted his mentality, so when he walked to the door, Lin Tian regained his confidence again.

came to the classroom, and just walked back to his position, a few boys immediately surrounded him.

"Lin Tian, what is Teacher He looking for? Can you take me next time?"

"Yes, yes!" The students next to him booed.

"Nothing, just bet with her!" Lin Tian said indifferently.

"What gambling?" Hearing these words, the gossip of the people around me started. Some anxiously asked.

Lin Tian did not reply immediately, but raised his head slightly, looked at the look of expectant eyes from the people around him, and slowly said: "I told her that I will take the first grade for the next monthly exam!"

First grade!

Hearing this, everyone was taken aback. Some daze.

After a few seconds, a boy hesitantly said: "What are you talking about, UU reading [www.uukanshu.com](http://www.uukanshu.com), how many students do you want to take for the monthly exam?"

"Year, grade, first, first!" Lin Tian said word by word.

First grade!

This time, the surrounding students are finally sure that they heard it right!

Hearing this, the surrounding classmates all laughed and pointed at Lin Tian with a funny expression: "Lin Tian, I heard you right, you actually said that you want to take the first grade exam! Don't be kidding!"

"It's so exaggerated!"

"How courageous!"

Only for a moment, the whole class knew Lin Tian and He Qianqian's bet, and also knew that Lin Tianyue was going to be the first in grade.

Everyone finds it funny!
