

JOURNEY TO BECOME A TRUE GOD

Chapter 2403 Help Solve Xu Leiya's Problem

"So it's like that, so you are the cause" Xu Leiya said to the figure in front of her.

"That's absolutely true" the figure in front of Xu Leiya said that this was her.

"Then can you just disappear?" Xu Leiya wanted the figure in front of her to disappear.

"Are you sure, if I lose then you will lose everything, don't you remember the dream when you were little" the figure in front said to Xu Leiya.

Xu Leiya started to remember what happened in the past, when she recalled what happened in the past, she finally knew what problem belonged to her.

In the past, Xu Leiya wanted to be a beautiful woman who stood among everyone and was loved by everyone, that was a dream that Xu Leiya had long forgotten, because Xu Leiya already got it all.

Even though she received affection, Xu Leiya somehow felt empty, she didn't feel satisfaction or pleasure, everything was ordinary and she didn't get anything.

Since then Xu Leiya had never been too happy, she would only smile when something good came her way, she had lost her happiness.

"But things changed, she found something interesting, but when she found something interesting, her body rejected her, and now she knows the problem.

"Is that so, you were born because of that" Xu Leiya said to the figure in front of her.

"That's right, that's right, you're still afraid to admit it," said the figure at the front to Xu Leiya.

"what do you want from me, do you want to master this body of mine" Xu Leiya said to the figure in front of her.

"I don't want to, I'm quite happy to see you standing alone with the gaze of a person full of love, it's fun isn't it?, admired and loved by everyone" said the figure in front of Xu Leiya.

"That's no fun, they're all the same, they do things out of beauty and charm" Xu Leiya said to the figure in front.

Xu Leiya No criticism, she didn't like it, to be honest she didn't like it when she was with them, it felt like locked up in a cage and has no freedom.

"Are you regret ?" the figure in front said to Xu Leiya.

"No, I have absolutely no regrets" the figure in front said that if she had no regrets, she would not regret anything that happened.

"Then show me, if you can show me, I will give you strength, you will no longer be as lonely as before and you can control the strength you have." The figure in front said to Xu Leiya.

"So we battled." Xu Leiya knew that she had to defeat herself in order to fully master the technique.

Xu Leiya started fighting, she started fighting against herself, or rather her own charm, who would win was a mystery.

Ye Chen looked at Xu Leiya, she was very peaceful, it seemed that something had happened.

"she is fighting in the subconscious?" Chu Yuechan saw that Xu Leiya was fighting.

"I hope she can win" Ye Chen said.

"You won't help her" Chu Yuechan said to Ye Chen.

"There's nothing I can do, I can only take care of her body from here, it all depends on her alone.

Ye Chen couldn't do anything, right now he could only watch and make sure Xu Leiya's body was fine.

"boom . ." the battle was so fierce, Xu Leiya felt herself against herself with comparable strength and balanced moves.

"Too bad, how can I beat her, she is too strong." Xu Leiya knows that the figure in front is very strong, she understands that the figure in front is very strong and very terrifying.

"Is this the only spirit you have, you won't get the answer you want at this rate" The figure in front said to Xu Leiya.

"I won't lose, I will win" Xu Leiya remembered Ye Chen, she must be able to win and must not lose.

Xu Leiya used all of her strength, she used all of her strength and abilities to defeat the figure in front of her.

"Take this." A pillar of light descended from the sky enveloping the figure in front.

"Boom. ." An explosion occurred, it should have been destroyed by Xu Leiya's attack.

"Is this done?" Xu Leiya felt even more relieved when she saw that the figure in front of her should be crushed.

"So naive" just when Xu Leiya thought she won, a kick came from the front and directly kicked Xu Leiya.

Xu Leiya's body bounced when she received this kick.

"ouch. . ." blood came out of Xu Leiya's mouth, the attack left Xu Leiya injured.

Outside Ye Chen saw fresh blood emerging from the corner of Xu Leiya's mouth, he could clearly feel that Xu Leiya was fighting fiercely.

"Don't lose, I have full confidence in your abilities." Ye Chen gave healing to Xu Leiya, she was sure of Xu Leiya's strength.

Xu Leiya continuously struggled to fight against her enemy, there was no chance of winning against the figure in front of her.

"You are still weak, there is no chance of winning against me" the figure in front said to Xu Leiya, she would not win.

Xu Leiya was getting desperate, she would not be able to win against the enemy in front of her, the distance between the two of them was too great.

Xu Leiya's condition was not good, if it continued like this, then it would be a problem for Ye Chen.

Ye Chen used his profound energy to make Xu Leiya's injuries better, but at this rate it would only be a matter of time until Xu Leiya's body couldn't stand it and would be seriously injured.

Ye Chen looked at Xu Leiya's face, she was still struggling to win.

"Okay, then I will help you" Ye Chen said that he would help Xu Leiya.

Ye Chen picked up Divine awakening light herb, this may be the only thing that can help Xu Leiya win.

The divine light awakening herb was obtained by Ye Chen at a high price, and he didn't expect that it would be given to Xu Leiya again.

Ye Chen made Xu Leiya eat the Divine awakening light herb, letting Xu Leiya's strength increase.

Ye Chen gave food to Xu Leiya, he gave Divine awakening light herb to Xu Leiya.

"Um. . ." Ye Chen forced Xu Leiya to eat Divine awakening light herbs, he forced her to eat Divine awakening light herbs.

Ye Chen was evil enough, he made Xu Leiya eat the Divine awakening light herb, it was cruel enough to do such a thing.

"Um. . Moments after Xu Leiya swallowed the Divine awakening light herb, her body started fulfilled caused by a strong light power appeared and enveloped the body of Xu Leiya.

"don't disappoint me" Ye Chen said to Xu Leiya, he told Xu Leiya not to disappoint him.

In this desperate battle, Xu Leiya was on the verge of giving up, winning was impossible, the opponent was too strong.

Just as Xu Leiya was about to lose, a force came from Xu Leiya's body, she felt an immense power in her body.

"What's this?" Xu Leiya was still confused, he was still confused about what had just happened.

"so you did" Xu Leiya of course knew who did this, she knew that this was Ye Chen's doing.

Ye Chen must have given her that, Xu Leiya wouldn't be able to repay Ye Chen.

"I will definitely win" Xu Leiya will definitely win, she used all available skills to win this battle.

Xu Leiya started to create multiple halos and prepared to shoot at the enemy.
