

JOURNEY TO BECOME A TRUE GOD

Chapter 2404 Xu Leiya Thanked Ye Chen

return battle next, now this Xu Leiya used more strength.

"I'll end this quickly" Xu Leiya would end this quickly, she wanted to end this quickly.

Rays of light flew towards the figure in front of Xu Leiya, these rays rained down on the figure in front of Xu Leiya and were merciless.

Xu Leiya knew that she wouldn't win against herself if she didn't cross the line, that's why she had to fight and show all the strength she had, that way she could claim absolute victory.

"This strength, no way, why, why don't you just give up" the figure in front of Xu Leiya began to struggle, Xu Leiya's increase in strength became a problem and the determination that shown by Xu Leiya very great

The attack was so intense, there was no way anyone could survive when receiving such a powerful attack.

"can I win this battle" Xu Leiya asked, she said in a serious and sincere tone.

"So you've decided, well, I admit that you are worthy, then from now on I will give you everything you need to know, prepare yourself" The figure in front finally gave in, she would not be able to fight against Xu Leiya.

The figure in front began to dissipate and crumble before entering Xu Leiya's body, Xu Leiya sensed the information she was looking for, she finally obtained information on how to control her own power.

thank you very much Xu Leiya thank you, she is very, very satisfied, this is a very good thing, she will be completely happy with this matter.

Xu Leiya had finally entered a state of enlightenment, she would understand her own power and there would no longer be any reversal or resistance of her power.

On the outside Ye Chen could see that Xu Leiya had won, she did very well.

"congratulations" Ye Chen congratulated, it seems that Xu Leiya has succeeded and gained enlightenment.

Ye Chen made a barrier near Xu Leiya, no one could disturb Xu Leiya.

"Well time to rest, it's quite tiring to wait for this woman to wake up" Ye Chen decided to sleep, he didn't know how long it would take Xu Leiya, Ye Chen hoped that Xu Leiya would finish in enlightenment.

The night quickly passed, the morning quickly came and Ye Chen woke up.

"It's morning, it seems it's my turn to stand guard" Ye Chen decided to stand guard, he replaced Fan Fumi who was outside.

Just as Ye Chen was thinking of replacing Fan Fumi, she saw that Fan Fumi was beside and sleeping.

It seems Fan Fumi came in and slept here, she was probably bored and decided to stop keeping watch around.

"oh my" Ye Chen looked at Fan Fumi, it seemed that he was tired of standing guard and decided to join Ye Chen and Xu Leiya.

"hey wake up" Ye Chen said to Fan Fumi, he told Fan Fumi to wake up.

"wait a moment" Fan Fumi said to Ye Chen, she told Ye Chen to wait a moment.

"No, wake up quickly" Ye Chen said to Fan Fumi.

"Husband what's wrong?" Fan Fumi asked Ye Chen.

"Have you forgotten your task" Ye Chen asked Fan Fumi.

"Oh yeah, I forgot" Fan Fumi smiled, she forgot and slept next to Ye Chen.

"Oh my" Ye Chen was helpless, he couldn't bear to scold Fan Fumi.

"Hehehehe" Fan Fumi smiled, she knew that she was wrong, it can't be helped beyond boring, so Fan Fumi joined Ye Chen and Xu Leiya.

"Husband, what happened to her" Fan Fumi asked Ye Chen, he wanted to know what happened to Xu Leiya.

"She's in enlightenment, so we can't disturb her, let's go out first" Ye Chen said to Fan Fumi, he told Fan Fumi to come with him.

"Understood" Fan Fumi understood, he went along with Ye Chen, the two made food and started to be vigilant again.

"was there no movement last night" Ye Chen asked Fan Fumi.

"Honestly nothing, that's why I'm bored" Fan Fumi said to Ye Chen, she told that last night she was bored because she was alone, there were no animals around this place and it was very quiet, it was quite boring to death.

"then why don't you switch places with me" Ye Chen said to Fan Fumi.

If Ye Chen knew about this matter, he would directly replace Fan Fumi.

"I just can't bother you guys" Fan Fumi told him that she didn't want to bother Ye Chen.

"never mind, it's okay" Ye Chen said to Fan Fumi, he couldn't blame Fan Fumi.

"Then I will stay guard her" Ye Chen said to Fan Fumi.

"um . . ., I will go to pick fruit around this place." Fan Fumi said to Ye Chen.

"be careful" Ye Chen said to Fan Fumi, he told Fan Fumi to be careful.

"Understood" Ye Chen understands, she will be careful.

Ye Chen watched the surroundings, nothing had changed around this place, even now Xing Shenyi and the others had not given any strange signals.

Ye Chen alternated with Fan Fumi, Ye Chen decided to take the night shift and Fan Fumi during the day, it would be easy for Fan Fumi since Xu Leiya was currently still in enlightenment and couldn't be bothered.

It's been 2 days and there's no sign yet, the scout troop still doesn't have any evidence, plus the clone Ye Chen that was dispatched also didn't find anything.

"How long are they going to hide?" Ye Chen wanted to know when they would come out, he couldn't stay still and wait for the enemy to gather more strength after sucking on the tree.

"tap . . , tap . . . , tap . . ." The sound of footsteps appeared behind Ye Chen, Ye Chen knew who had just arrived.

"Looks like you succeeded" Ye Chen said to Xu Leiya, he told that Xu Leiya succeeded.

"thank you for everything, it's all thanks to you" Xu Leiya thanked Ye Chen, if not for Ye Chen, then she would not have survived.

"I'm happy to help you" Ye Chen said that he was happy to help Xu Leiya.

"Now that I can control the power that I have, it's all because of you, I'm very grateful to you." Xu Leiya fully thanked Ye Chen.

Xu Leiya made a very beautiful smile, Xu Leiya's smile was very beautiful and very charming, it was much better than before.

"Thankfully, you are only getting more beautiful now" Ye Chen said to Xu Leiya, Xu Leiya's smile was now better and more sincere, Ye Chen liked that.

Xu Leiya's face reddened as she listened to what was said by Ye Chen.

She naturally felt happy when she received praise from Ye Chen.

"You, how should I react" Xu Leiya was confused, she couldn't think, Ye Chen's words made her heart skip a beat and Xu Leiya's face became even redder.

"what's wrong" Ye Chen asked Xu Leiya, he wanted to know what happened to Xu Leiya.

"no problem" Xu Leiya said to Ye Chen, she said no problem.

"Where is Fan Fumi" Xu Leiya diverted the topic, she couldn't look at Ye Chen at this rate, she felt embarrassed when she looked at the handsome Ye Chen.

"He's in the river around this place, I don't know what he's doing" Ye Chen said to Xu Leiya.

"understood" Xu Leiya immediately left this place.

"how weird, she's getting more and more weird, what did she get" Ye Chen said as he looked at Xu Leiya who had already left.
