

JOURNEY TO BECOME A TRUE GOD

Chapter 2405 The Emergence Of An Ancient Spirit

"what a coincidence, I want to see what the two of them are doing" Ye Chen wants to see what done by Xu Leiya and Fan Fumi.

Ye Chen decided to take a look, he came closer and looking for know what that is done by both.

Ye Chen followed behind Xu Leiya, when he got behind Xu Leiya, he saw that the two of them were currently bathing in the river.

The river is very clear, both of them easily bathe in this place.

"This place is very beautiful." Xu Leiya looked happy while bathing in the river, besides the water is very clean, this place is quite refreshing.

"Of course, this river is very comfortable, it is a good place to bathe," Fan Fumi said to Xu Leiya.

Elves have one river channel, so all the villages have one common source of water and everyone can feel and use it well.

The two of them took off the clothes they had, they soaked in the lake and started to bathe comfortably.

Xu Leiya and Fan Fumi weren't afraid of anyone peeping, they knew that there was no one around this place, so there was no need to worry too much about this place.

Ye Chen looked at Xu Leiya and Fan Fumi, both of them were extremely beautiful.

"what a beautiful sight" Ye Chen saw a very beautiful sight, the scenery here was very beautiful, he saw an elf and a beautiful goddess with silver hair bathing under the magnificent light.

"It's so lucky that I found this place" Ye Chen was lucky that he could find this place, no one was luckier compared to Ye Chen.

Xu Leiya and Fan Fumi were not aware of Ye Chen, they couldn't possibly notice Ye Chen's arrival.

"Your bad habits never change" Chu Yuechan said to Ye Chen.

"What's wrong, I just happened to find this place" Ye Chen said to Chu Yuechan.

"Who would believe what you say" Chu Yuechan would not believe what Ye Chen said.

"Hehehehe" Ye Chen chuckled, himself enjoying what was ahead.

Xu Leiya and Fan Fumi washing their bodies, they talked and chatted very casually.

"It seems something has changed about you" Fan Fumi said to Xu Leiya.

"what was that ?" Xu Leiya asked Fan Fumi, she wanted to know what had changed about her now.

"Sister Leiya is just getting prettier." Fan Fumi blessed Xu Leiya, she told her that Xu Leiya was getting prettier.

Fu Leiya smiled as she heard this.

"Thank you very much, Aren't you beautiful too" said Xu Leiya to Fan Fumi.

"Hehehe, but my charm isn't as strong as you" Fan Fumi said to Xu Leiya, she didn't have the charm as strong as Xu Leiya's.

"Sometimes it's good to be yourself, you don't have to be jealous of what other people have" Xu Leiya said.

Xu Leiya said not to envy what others have.

"I understand" Fan Fumi understood, she will remember what is said by Xu Leiya.

"So beautiful, they really get along" seeing this, Ye Chen was very happy, they already got along very well even though they only met a few days ago.

"Boom. . ." when the atmosphere was calm, Ye Chen heard a bang from afar.

Ye Chen stood up and immediately looked for the direction of the explosion to confirm where it was.

Xu Leiya and Fan Fumi could also hear it clearly, both of them immediately came out and put on their clothes.

"Did something happen?" Fan Fumi wanted to know what just happened in this place.

"Roars . ." A sound was heard, this sound made the ground tremble.

The sky started to get very dark, lightning flashed several times and the atmosphere became tense.

"It's started huh" Ye Chen saw that everything had started, the enemy seemed to have prepared themselves and started everything.

"where did it come from" Xu Leiya and Fan Fumi asked Ye Chen, both of them wanted to know where the explosion just now came from.

"it seems that it is from a distant squad, let's see what happens." Ye Chen took Xu Leiya and Fan Fumi to see.

"Husband, where are you, bad things happened, a plant-like monster appeared and started to destroy the forest, it was aiming at the city and probably wanted to destroy the city" Xing Shenyi contacted Ye Chen, he told what happened to Ye Chen.

"what is it" Ye Chen asked Xing Shenyi.

"Perhaps this is the ancient spirit that once destroyed our Elf Empire, it seems that someone broke the seal and set them free" Xing Shenyi said to Ye Chen.

"There are people who do it, don't tell me that they are elders against you." Ye Chen said to Xing Shenyi.

"how could they go this far, this is so dangerous" Xing Shenyi said to Ye Chen.

"I previously met with Nan Rou, she told me what happened, so it's likely they are the culprit" Ye Chen said to Xing Shenyi.

"If that's true, this time there will be no forgiveness for them." If what Ye Chen said was to be the truth, Xing Shenyi would never forgive them.

"husband, please help me solve this problem" Xing Shenyi asked for help from Ye Chen, she asked Ye Chen to help himself against the ancient spirit.

"I will do it" Ye Chen promised, he will do it.

"Let's move even faster" Ye Chen said to Fan Fumi and Xing Shenyi, she told the two of them to move even faster.

They finally arrived, they saw several huge monsters that went berserk and destroyed everything they had.

"Is it a Spirit, they are huge and terrifying" Fan Fumi said to Ye Chen.

"They have great destructive power, be careful" Ye Chen said to Fan Fumi.

"I see, I'll use the arrows I have" Fan Fumi started shooting, he intended to take down the ancient spirit with one shot.

"clang . . ." the moment Fan Fumi started shooting, his arrows were unable to penetrate the body of the ancient Spirit.

"Ehhh, it doesn't work, how could that" Fan Fumi's attack didn't work.

"Then it's my turn to attack." Xu Leiya decided to attack, she performed a powerful attack towards the Ancient Spirit.

Light ball fire headed towards the ancient monsters.

when the ball of light fired heading towards the ancient monster, the monster instead absorbed the attack from Xu Leiya.

"Ehhhhh! ! !, my attack absorbed to grow, is he some kind of plant that uses light as growth?" Xu Leiya was surprised to know that the ancient spirit absorbed her attack.

"he's capable of absorbing attacks, so that's it" Ye Chen understood what was going on.

The earth dragon appears and starts to put up a fight, this is a possession attack by Xing Shenyi, he has already come and helped.

When the earth dragon is about to attack the ancient spirit, the earth dragon is sucked in.

"my attack Also absorbed, this is not good" Xing Shenyi said to Ye Chen.

Ancient spirits have great abilities, it's no wonder that these monsters are so powerful that they destroy the elven kingdom.

"hahahaha, so you guys have come, how about it?, do you two like my gift?" the elf elder appeared in front of Ye Chen and Xing Shenyi.

"You, how long are you going to make such a mess?" Xing Shenyi said in a displeased tone, she was obviously not happy with what happened.

"It's all your fault, you made me do this, now pay the price" Elf elder said to Xing Shenyi.

"wife, don't waste time talking to her" Ye Chen said to Xing Shenyi, he told Xing Shenyi not to waste her time.

"I understand, I will fight him" Xing Shenyi decided to fight the elf elder and end things.
