

A World 1391

Chapter 1391: The Number Of Terrifying Clones

“More than people?” Hushan ancestor sneered disdainfully, “More than people, you can’t compare to us in this desolate chaotic world! Compared to strength, you can’t compare to us—huh! Crushing you and waiting is like stepping to death. Bugs are easy!”

“Really?” Xu Ming’s face became colder, and killing intent gradually rose in his heart – Xu Ming of course knew that if he hadn’t just left the border, it would definitely be a devastating disaster for God’s Domain!

Of course, Xu Ming did not intend to be soft on these intruders!

Since you dare to come to God’s Domain, don’t plan to leave alive!

“More than a dozen people in the Chaos Realm must be rich!” Xu Ming thought to himself.

There seems to be a lot of Chaos Primal Liquid on Xu Ming’s body, but it’s only enough for him to transform into thousands of clones! However, Xu Ming estimated that these Chaos Realms must be richer than him!

“Leave them all, my net worth can be doubled at least a dozen times!” Xu Ming has decided that he will not hesitate to use up all the hanging points to kill none of the dozen or so Chaos Realm!

But at this moment, a sound transmission without difficulty sounded in Xu Ming’s mind: “Xu Ming, let’s drag it for you, hurry up and run!”

Wudi and Misty Star Master don’t know Xu Ming’s true strength. Faced with such a desperate situation, their first reaction is of course to let Xu Ming run away! After all, Xu Ming can carry the future of God’s Domain!

Die without difficulty!

Misty Star Lord can also die!

However, Xu Ming cannot die!

Seeing no response from Xu Ming, he shouted again: “Xu Ming, don’t make fearless sacrifices! Only you can avenge us if you live!”

“Yes! Xu Ming!” The Misty Star Lord also said, “Go!”

boom! !

Almost at the same moment, the Wudi and Misty Star Lord directly erupted, killing more than a dozen Chaos Realm existences such as the ancestors of Hushan Mountain, and their figures are extremely tragic!

“Let’s go!” Wu Di and Misty Star Lord shouted violently.

“Go? Hahahaha...” The ancestor of Hushan laughed wildly, “If we let a few of you run away from the Chaos Realm, it would be a joke! – Today, none of you want to escape!”

boom! boom! boom! ...

The ancestors of Hushan Mountain, True Monarch Yingzhang, etc., are all soaring in momentum!

The momentum of the more than ten Chaos Realm existences is so mighty that they are so overwhelmed that the misty star masters can’t even lift their heads!

However, Wudi, Misty Star Lord is completely fearless, and he has a kind of determination to return to death! – As long as they can hold on for a moment and let Xu Ming escape, even if they die, they will have no regrets!

“Kill!” Both Wudi and Misty Star Master were extremely decisive!

But at this moment-

Swish!

A figure teleported in front of them, it was Xu Ming!

“Xu Ming!!”

The Wushang, ethereal saint suddenly split his eyes, and even felt a deep sense of despair! They did not expect that Xu Ming would be so impulsive and selfish!

“Uh ah!” Wudi was extremely painful, “I’m not reconciled! I’m not reconciled—huh?”

Suddenly, the uneasy roar stopped abruptly.

He was horrified to see that Xu Ming in front of him had actually split into ten clones and turned into... eleven Xu Ming!

“What’s the situation!?” Wu Di was stunned.

“What secret technique is this?” The Misty Star Lord was also full of confusion.

“What!?” The existence of Chaos Realm such as Hushan Patriarch and True Monarch Yingzhang was even more shocking!

One person suddenly becomes eleven, how can it not be shocking?

All of a sudden, the Hushan Patriarch side no longer has the advantage in numbers!

“kill!”

Eleven Xu Ming attacked without hesitation!

call out! call out! call out! call out! ...

The power of one after another attack has all reached the level of Chaos Realm!

“My cultivation base has reached the quasi-sage strength, and the strength has reached the Chaos Realm! Even if the combat power of these ten clones has been weakened by 50%, there is still barely the threshold of the Chaos Realm!”

The threshold of Chaos Realm is also Chaos Realm! At this level of attack, Hushan Patriarch and others would not dare to be careless!

call out! call out! call out! call out! ...

The battle at the level of chaos, what kind of lightning and flint?

What’s more, when Xu Ming’s ten clones attacked, the main consideration was the frequency of the attack, not the power of the attack! So—before the ancestors of Hushan waited to react, each clone had already shot hundreds of times!

Hundreds of attacks from each clone arrived at Hushan Patriarch and others almost at the same time!

In an instant, each clone met the requirement of “re-splitting”!

Swish! Swish! Swish! Swish! ...

Ten clones suddenly turned into twenty clones!

“what!?”

“what!?”

“what!?”

Wudi, Misty Star Master, Hushan Patriarch, etc., who were still stunned, were suddenly even more stunned!

The ancestor of Hushan even trembled at the corners of his mouth: “More than 20 clones...”

Hushan Patriarch has been in endless chaos for hundreds of millions of years, and he has never seen an opponent like Xu Ming!

Without further ado, summon ten clones first!

Before he could react, ten clones became twenty!

And during the period when Patriarch Hushan and others were “stunned again”, Xu Ming’s clone reached the condition of “re-splitting” again!

Twenty clones have become forty!

“This...” Wu Di, Misty Star Lord looked at each other in dismay.

“So many clones... How did Xu Ming do it?” The Misty Star Master felt unimaginable, “Should we go up and help Xu Ming?”

Wudi hesitated for a while and said: “Yes... Anyway, our combat power will not be lost!”

It’s just... As soon as the voice of no difficulty fell, Xu Ming’s forty clones became eighty!

Eighty clones!

The combat power of 80 Chaos Realm thresholds!

“Pfft!” Wu Yan was so shocked that he almost vomited blood – at this moment, of course, he knew that it didn’t matter if he couldn’t go up to help! After all, he is not inferior to such a combat power!

Wu Di is more concerned about: “Will Xu Ming have more clones?”

Will there still be?

Of course there is!

Immediately after...

Swish! Swish! Swish! Swish! ...

Eighty clones have become one hundred and sixty!

Hulushan Patriarch, True Monarch Yingzhang and other Chaos Realms were surrounded by 160 “strong men”, and their hearts were undoubtedly collapsed and desperate!

However, what made them collapse and despair even more was that one hundred and sixty clones became three hundred and twenty in a blink of an eye!

Three hundred and twenty clones! Dense attack! Overwhelmingly sweeping towards Hushan Patriarch, True Monarch Yingzhang and other Chaos Realm powers! -Although the power of each attack is not very strong, and even the power has fallen a little to the level of Chaos Realm; however, the number of attacks is too much!

Hushan Patriarch and other great masters only dared to parry, and did not dare to take the initiative to attack.

What made Hushan Patriarch even more terrified was: “Should Xu Ming still have...”

Yes!

Did not let him down!

There are also clones!

Three hundred and twenty clones, transformed into six hundred and forty!

Six hundred and forty, and then transformed into one thousand two hundred and eighty clones!

And Xu Ming's hanging point has almost been consumed.

“More than people?” More than a thousand Xu Ming said at the same time, his voice resounding in all directions such as Hushan Patriarch.

Chapter 1392: Shrine Of The Walking Dead

“I...” The mood of the great masters such as the ancestors of Hushan is really desperate!

This Nima is too much!

“Kill!” More than a thousand Xu Ming clones shouted in unison – now, Xu Ming's hanging point is almost exhausted! His more than a thousand clones no longer need to rely on “attack frequency” to brush more clones, but to really show their strength and enter the battle!

boom! boom! boom! boom! ...

More than a thousand clones!

More than a thousand battle powers on the threshold of Chaos Realm!

The power trembles the realm of the gods and stirs the endless chaos!

Hushan Patriarch, True Monarch Yingzhang and other great masters suddenly turned blue with fright! – Hundred times the number of enemies of the same level! How to fight this?

“escape!”

Without hesitation, the ancestor of Hushan directly sacrificed his Chaos Flying Boat Hulu!

call out! call out! call out! call out! ...

True Monarch Yingzhang and other figures all got into the chaotic flying boat.

“Want to escape?” One after another clone, madly bombarded the Chaos Flying Boat.

The entire chaotic flying boat was shattered and seemed to collapse at any time. However, the ancestor of Hushan still forcibly controlled the Chaos Flying Boat and flew out of the Divine Realm with difficulty; however, due to the influence of thousands of clones, the speed of the flight was much slower.

boom! boom! boom! boom! ...

Thousands of clones, chasing and bombarding the Chaos Flying Boat all the way.

The chaotic flying boat of the ancestors of Hushan Mountain is actually not very high! If it is just a few or dozens of Chaos Realm, it may not be able to blast away this Chaos Flying Boat; but now, it is thousands of Chaos Realm combat power blasting together, it will be different!

click-

Soon, cracks appeared on the chaotic flying boat gourd.

“Not good!” Hushan Patriarch’s expression suddenly changed – he understood that it was impossible to control the Chaos Flying Boat to escape!

“Xu Ming! Xu Ming!” The voice of the ancestor of Hushan came from the Chaos Flying Boat, extremely eager, “Leave us alone, we would like to offer three perfect Chaos Origin Stones!”

Three Chaos Originium?

That is equivalent to three gods!

“As expected of the existence of Chaos Realm, it really does have some wealth!” Xu Ming secretly said. However, his thousands of avatars are not soft at all!

boom! boom! boom! boom! ...

“Five Chaos Origin Stones! Five!” Hushan Patriarch said again.

Xu Ming remained indifferent.

“Ten yuan! Ten yuan! Ten yuan is already a lot, so don’t take an inch!” True Monarch Yingzhang was almost roaring.

“Haha...” Xu Ming sneered disdainfully, “If I kill you, aren’t all your treasures mine?”

talking room...

boom!

The chaotic flying boat gourd of the ancestor of Hushan Mountain suddenly disappeared.

“Fight!” Hushan Patriarch, True Monarch Yingzhang and other great experts all showed their resoluteness and were extremely hideous!

“Xu Ming! Don’t deceive people too much! We are not vegetarians either!” Hushan Patriarch roared sternly.

True Monarch Yingzhang also roared: “Xu Ming, if you want to kill us, you have to pay the price yourself!”

“Pay the price?” Xu Ming smiled strangely, the deity quietly retreated far away, only more than a thousand clones were left, and he still surrounded the ancestors of Hushan and others, “First kill the clones I summoned, Let me pay the price!”

These more than a thousand avatars can only last for a quarter of an hour at most; therefore, even if the avatars die, Xu Ming will not feel distressed at all!

“Kill it!”

Immediately, more than a thousand clones rushed forward without fear of death. As for Xu Ming’s deity, he calmly watched the battle from a distance.

“No—” Hulushan Patriarch, True Monarch Yingzhang and other great powers, how frightened and desperate? – Each of them must face nearly a hundred clones of Chaos-level strength at the same time!

One hundred hits one!

It’s just a one-sided harassment!

“Xu Ming, stop!!” True Monarch Yingzhang roared, “If you don’t stop, I will make sacrifices to the ‘Walking Corpse Temple’!”

The Walking Dead Temple?

where is that? —Xu Ming has never heard of it!

sacrifice?

What is that?

The ancestor of Hushan looked at True Monarch Yingzhang in horror: “You are actually connected to the Walking Corpse Temple? And there is a method of sacrifice?”

The Walking Corpse Temple, but the superpower that shook the entire Chaos Kingdom! Even the Lord of Chaos must give some face to the Shrine of the Walking Corpse!

And the sacrificial method of the Walking Corpse Temple is especially terrifying! Once sacrificed, the strength will explode immediately, but it will lose itself and become a walking corpse in the walking corpse temple.

Therefore, until the last resort, True Monarch Yingzhang would definitely not be willing to sacrifice; however, if he was really in a desperate situation of death, he would not be able to care so much—even if it was sacrifice, Xu Ming had to be sacrificed. Drag into the water.

“Stop? Don’t think about it!” Xu Ming sneered.

“You... court death!” True Monarch Yingzhang was extremely furious! Seeing that he may die at any time, he can no longer hesitate!

“Xu Ming! You forced me!!”

boom!

True Monarch Yingzhang’s divine body burned wildly! Countless crimson ferocious auras overflowed from the body surface, as if faintly communicating with endless chaos...

rumbling...

The endless chaos in the surrounding “Number Realm” seems to be boiling!

A wisp of green light with an evil aura appeared out of thin air from the endless chaos, and flocked directly to True Monarch Yingzhang! And the strength of True Monarch Yingzhang also skyrocketed at the same time!

“Huh?” Xu Ming couldn’t help but look solemn – he saw that the strength of True Monarch Yingzhang was rising steadily!

Chaos Realm Level 3!

Chaos Realm Level 4!

The fifth-order chaos realm!

...

“Is this the sacrifice?” Xu Ming knew that he could not let the other party successfully complete the sacrifice; otherwise, even if it was him, it might not be an opponent!

call out! call out!

Two black arrows pierced through the endless chaos—it was Xu Ming’s two heart-killing arrows!

“Die!” Xu Ming’s deity shot himself.

but...

When the two Heart Punishing Arrows approached True Monarch Yingfan, they seemed to be blocked by an invisible wall.

“Huh?” Xu Ming couldn’t help but be shocked, and secretly said that the method of the Walking Corpse Temple was really amazing.

“Hahahahaha...” True Monarch Yingzhang laughed wildly! With every laugh, the madness in his eyes increased—obviously, he was about to completely degenerate and lose his mind!

Chaos Stage Seven!

Chaos Stage Eight!

Chaos Realm... ninth order! !

The strength of True Monarch Yingzhang has soared directly to the ninth order of Chaos Realm! His divine body has a ferocious metallic luster and exudes an icy aura!

Sacrifice yourself and become a walking corpse in the Shrine of the Walking Dead in exchange for unparalleled power!

Even Xu Ming felt extremely dignified under this terrifying momentum! – Although he has thousands of clones, the problem is that the attacks of these clones are simply scratching the itch for the existence of the ninth-order Chaos Realm!

“Could it be... to use the ‘Wandao Epiphyllum’?” Xu Ming couldn’t help thinking.

Right now, apart from the “Wandao Epiphyllum”, there seems to be nothing that can match the Yingzhang Zhenjun after the sacrifice!

“Hahaha...Xu Ming, you’re dead! You’re dead!” Hushan Patriarch looked expectantly, “Hahaha—what!?”

Hushan Patriarch’s laughter suddenly stopped abruptly.

Chapter 1393: Name

Hushan Patriarch’s laughter suddenly stopped abruptly.

because...

True Monarch Yingzhang, who sacrificed himself and reached the ninth order of Chaos Realm, turned out to be... dead!

Yes!

Immediately die!

“How could it be...” Hushan Patriarch’s face was full of confusion.

“Uh...” Xu Ming was also stunned for a moment, and then he reacted, “This unlucky child seems to have triggered the ‘life and death’ hanging!”

Level 5 life and death: In each attack, there is a very small probability that the enemy can be killed in seconds; the effect of the instant kill ignores the enemy's cultivation base and strength! Upgrading this function can increase the probability of spikes!

During the attack, there is an instant kill effect! And even the attack of the clone comes with a spike effect!

Although, the rank 5 "life and death" hangs, the probability of instant kill is still extremely small; but you must know that Xu Ming has thousands of avatars! Thousands of clones attacking frantically together is equivalent to increasing the probability of "extremely small" by a thousand times!

In addition, True Monarch Yingzhang's luck was too bad, so as soon as he broke through, he was instantly killed!

Looking at the endless chaos, I'm afraid I can't find a shorter-lived "Ninth Order of Chaos Realm"!

Even True Monarch Yingzhang was killed in an instant, and the rest of the ancestors of Hushan Mountain, etc., were naturally native chickens. After Xu Ming cleaned it up, he cleaned it up.

"Look at the harvest!" Xu Ming unceremoniously put away the powerful world rings such as Hushan Patriarch and other powerful world rings, but these exist in the Chaos Realm! Each of them is probably much richer than Xu Ming!

Opening the world rings one by one, Xu Ming's eyes shone brighter and brighter: "Okay! Great!"

From the Chaos Origin Stone alone, Xu Ming found nearly twenty pieces!

You know, a chaotic source stone can create a realm of the gods!

...

At this time, in a chaotic world that is "tens of thousands of realms" away from the realm of God.

In an ordinary farmyard, a middle-aged figure was lying leisurely on a rattan chair, drinking rice wine.

But... in front of him, there are twelve stunning women, kneeling in fear.

“This! This! This!...” The middle-aged figures walked over one by one, and a total of eleven people were ordered, and then said, “None of them! All... Pull them and bury them!”

Immediately an attendant stepped forward.

Eleven stunning women suddenly turned pale! Although they are existences at the level of saints, they cannot resist at all!

“You...” The middle-aged figure looked at the last woman who was not named again.

There is hope in this woman’s eyes, but she is the only one who survived. She should be able to survive, right?

“Your talent is good!” The middle-aged figure raised a sinister smile at the corner of his mouth.

“Good talent?” The stunning woman suddenly let out a long sigh of relief.

But then, the middle-aged man said again: “Your talent is good! You are qualified to be refined into a walking corpse by me!”

The middle-aged man is the super-powerful emperor of the Walking Corpse Temple!

“No.” This stunning woman showed fear and despair and was refined into a walking corpse, but life is better than death! She wanted to explode herself, but in front of the Great Emperor, she couldn’t even commit suicide!

Soon, this stunning woman was refined into a dumb walking corpse.

“Not bad!” The Great Emperor Wan Zhe was very satisfied with his masterpiece.

“Huh” Suddenly, a look of surprise flashed on the face of the Great Emperor Wan Zhe, “What a powerful sacrificial power, is someone sacrificing to our walking corpse temple? Such a strong sacrificial power should give birth to the Chaos Realm A ninth-order walking corpse, right?”

You must know that the area of the “One Hundred Thousand Worlds” is all the territory that the Great Emperor of Ten Thousand Corpses is responsible for! In his territory, a walking corpse of the ninth order of Chaos Realm was born, and he will also receive some rewards.

But then, the Great Emperor Ten Thousand Corpse’s face froze. He felt that the walking corpse of the ninth order of Chaos Realm died immediately after birth!

Obviously, it was an instant kill!

“Someone can kill a walking corpse of the ninth-order Chaos Realm in seconds?” The Great Emperor Wanshi was shocked, “Could it be that there is someone in the Xuanhuang Realm who lives in seclusion in that place?”

After thinking about it, the Great Emperor Wanshi decided to take a look.

“I don’t know which Xuanhuangjing exists... Let’s meet for a while!”

The Great Emperor of Ten Thousand Corpses did not seek revenge for the ninth-order walking corpse of the Chaos Realm who was killed in seconds. After all, he himself was in the Xuanhuang Realm, and his strength was not very strong! He wouldn’t go all out for a dead Chaos Realm walking corpse and other Xuanhuang Realm greats!

Therefore, the Great Emperor Wanshi went here with the thought of “receiving guests”.

certainly...

If the Great Emperor of Ten Thousand Corpses arrives and finds that the Xuanhuang realm does not exist; then, he may not be polite!

...

Holy area.

The peace of the past was restored.

After all, even the superpowers of the ninth-order Chaos Realm were instantly killed by Xu Ming; with such a strong Xu Ming in charge of the Divine Realm, even if another foreign enemy descended on the Divine Realm, what was there to be afraid of?

Quiet, peaceful days always pass quickly.

Xu Ming took Yin Ran and strolled in the void of God's Domain.

At this time, Yin Ran's stomach was already very big, and it looked like she might give birth at any time.

"Xu Ming!" Yin Ran lowered his head and said You said, will our child be a boy or a girl? "

"This..." Xu Ming once probed Yin Ran's stomach, but found a layer of hazy chaos; obviously, there are some rules to protect his child and isolate the probe. Of course Xu Ming had a way to break through this layer of hazy chaos and find out what happened; however, Xu Ming didn't do that.

After all, it's a beautiful thing to look forward to when your child is born!

"Xu Ming, what's the name of our child?" Yin Ran couldn't help but wonder.

"Name..." Actually, Xu Ming had already thought of many names. If it is a boy, what is it called; if it is a girl, what is it called... I have thought about it, but I have never been able to decide.

"Which name should I use?" Xu Ming frowned, thinking hard, but there was a strong expectation and love in his eyes.

Suddenly, Xu Ming's eyes lit up: "Just call..."

But at this moment, Yin Ran's face suddenly changed: "Xu Ming, I..."

"What's wrong?" Xu Ming quickly asked with concern.

"The child... the child seems to be... about to be born!" Yin Ran said.

"Ah!?" Xu Ming's expression suddenly became extremely shocked, and he was even at a loss. "My child is about to be born? What should I do? What should I do now?"

Xu Ming was extremely flustered.

Pregnant for thousands of years, suddenly about to give birth! How could Xu Ming not panic?

"Go back first!" Xu Ming took Yin Ran, teleported, and returned to the room in Savage Mountain. However, Xu Ming was still at a loss for what to do next.

"Don't worry!" On the contrary, Yin Ran comforted, "There will be no danger when a ***** gives birth to a child!"

Having a child is indeed very safe for the gods. Throughout the endless chaos, I have never heard of an accident in giving birth to a child.

Chapter 1394: All Things Come Together

Endless Continent.

Wild mountain.

Xu Ming was waiting outside the room. In the room, Lu Qing was helping to take care of Yin Ran.

Although Xu Ming knew very well that there would be no danger in the birth of a child by a god, but he couldn't help but feel a little anxious.

suddenly...

Xu Ming saw that outside the membrane wall of God's Domain, there was a mighty power of chaos surging.

"This is...?" Xu Ming was stunned for a moment, and then he reacted, "The vision of heaven and earth is coming!"

Those who are born with great talent will be accompanied by visions of heaven and earth when they are born.

The more mighty the vision of heaven and earth, the more terrifying the talent!

Xu Ming couldn't help but look forward to it.

rumbling...

The endless power of chaos even broke through the membrane wall of the God's Domain and poured into the God's Domain.

"What's wrong?"

"what happened?"

The entire Divine Realm was terrified! Because of the scene in front of him, it was like the sky of the gods, breaking an incomparably huge hole.

rumbling...

The influx of Chaos Qi slowly condensed into a terrifying vortex comparable to the size of half a God's Domain! The power of chaos, turned into yin and yang, pushes the vortex, like a tai chi grinding disc.

“Chaos yin and yang!” Xu Ming was slightly disappointed because “chaos yin and yang” was only a relatively low-level vision of heaven and earth.

Of course, “chaotic yin and yang” also has a range; if this range reaches the size of half a god’s domain, it is very exaggerated!

Immediately afterwards, Xu Ming saw that more chaotic energy poured in, turning into a heavenly order!

Moreover, every Heavenly Dao order is different!

“This is... the order of heaven and earth?” Xu Ming was a little surprised by the vision of heaven and earth, can there be several at the same time?

call out! call out! call out! call out! ...

Countless heavenly orders are formed from the chaotic air; moreover, each heavenly order is different!

Xu Ming recognized it at a glance, this is the 103,600 different heavenly orders corresponding to the Xie Tian chess game!

Whoosh! Whoosh! Whoosh! Whoosh! ...

One after another, the physical order of the heavens is pouring towards the endless continent... and then constantly surrounds the endless continent, like the stars and the moon.

At the same time, other kinds of heaven and earth anomalies were generated.

The sky and the earth are full of colorful rays of light, and the dragons and phoenixes that seem to be real but empty are roaming among the clouds... The rain falls from the sky, covering the entire God’s Domain; the endless rainbow rays turn into bridges between heaven and earth...

The dead trees in the entire God’s Domain began to bloom with new life, lush and green; those injured gods, their bodies were also rapidly recovering...

As for the mortals in the dust world, their cultivation and realm began to soar!

“This...” Xu Ming was stunned.

One moment ago, he still disliked that the visions of heaven and earth were too low-level; the next moment, all kinds of visions of heaven and earth appeared like bamboo shoots after a rain, rushing to appear!

“Could it be... this is the highest level of the vision of heaven and earth, the ‘all phenomena are born together’ that only exists in the legend?”

All things come together!

All kinds of heaven and earth visions are accompanied by them! It is the “born with great talent” with the strongest talent that he has just now!

At this moment, Xu Ming felt that the time and space of God’s Domain became confused... In some areas, the flow of time became fast; in some areas, time stopped; in some areas, time even reversed!

In an area where time goes against the flow of time, the old become young again, and the dead come back to life! The strong, back to the weak period...

The entire Divine Realm is in chaos!

“Amazing!” Xu Ming was shocked by the power of heaven and earth, it was really unimaginable!

And when he was born with such a vision of heaven and earth, how strong is Xu Ming’s child’s talent?

...

in a separate space.

Gu Hanmo suddenly opened his eyes.

Everyone thought that Gu Hanmo was in seclusion; but in fact, she just didn't want to contact Yin Ran for the time being, so she deliberately stayed out of the house.

“Everything goes hand in hand... This child's talent is probably not weaker than Xu Ming!”

How abnormal is Xu Ming's “Mandarin Physique”? A tiger father has no dog, and his children are not inferior at all!

“Huh?” Suddenly, a killing intent flashed in Gu Hanmo's eyes, and his eyes penetrated everything, shooting towards the endless chaos.

“What's the situation!? How can there be so many visions of heaven and earth!?” The Great Emperor Wanshi was also shocked. He has never heard of such visions!

“Go and have a look!” The Great Emperor Ten Thousand Corpse carefully hid his figure while speeding up, and touched the Divine Realm.

...

Holy area.

Countless heaven and earth visions complement each other and are extremely gorgeous.

And when this scene is gorgeous to the extreme...

“Wow”

A baby's cry came from the room.

“born!”

Xu Ming was stunned for a moment, as if struck by lightning.

However, this cry stopped abruptly after only one cry!

“What’s wrong? Why don’t you cry?” Xu Ming panicked immediately hurriedly pushed open the door and entered.

then...

Xu Ming saw an extremely exaggerated scene: “Saint...Saint!?”

Xu Ming’s newly born child turned out to be a “sage” level existence! Even higher than Xu Ming’s cultivation!

Xu Ming was so shocked that he even forgot to care about the gender of the child and it was a girl!

“Born to be a saint!?”

Xu Ming finally understood the meaning of “living on a dog at one age”! In the past, it was Xu Ming who made others feel that he had lived a young life on a dog; but this time, it was the first time Xu Ming had such a feeling!

However, Xu Ming is more proud! His child was born a saint!

Simply appalling!

Then, an even more appalling scene happened!

I saw the little girl who had just been born, looked at Xu Ming suspiciously, and said in a milky voice, “You are my father!?”

“...” Xu Ming was even more speechless. He never thought that the first time he saw his newborn child, it turned out to be... The child first asked, “You are my father”?

Without waiting for Xu Ming to answer, the little girl said again: “That’s right! Our breaths are very similar, you must be my father!”

“...” Xu Ming didn’t even know what to say. Facing the newborn child, he didn’t even speak, but the other party had already said a few words...

Oh no, three sentences!

Because then, the little girl asked again, “Dad, what’s my name!?”

“Your name...” Xu Ming was asked three times in a row, and finally came to his senses. He looked at the enchanting child with a complicated expression, and then looked at Yin Ran tenderly.

Finally, Xu Ming said softly, “Your name is... Xu Yin!”

Xu Yin!

The “Xu” of “Xu Ming”!

“Yin” of “Yin Ran”!

Yin Ran also looked at Xu Ming tenderly and smiled knowingly.

Chapter 1395: Seize

The edge of the realm.

The Great Emperor Wanshi surreptitiously looked inside the Divine Realm.

“Huh?” The Great Emperor Wanshi was a little surprised, “There is no Xuanhuangjing? Instantly kill the ninth-order walking corpse in the Chaos Realm, that is only possible in the Xuanhuangjing; if the same is in the Chaos Realm, it is absolutely impossible! ”

The Great Emperor Wanshi guessed: “Maybe on my way, that Xuanhuangjing has left this chaotic world!”

These thoughts are fleeting.

Soon, the Great Emperor Ten Thousand Corpses focused his attention on the center of “Men’s Paths”!

“That’s...?” The Great Emperor of Ten Thousand Corpses was stunned. “A baby was just born? Are these visions of heaven and earth caused by that baby?”

The Great Emperor Wan Corpse was truly shocked!

You must know that the Great Emperor Ten Thousand Corpses exists in the Xuanhuang realm, so he naturally knows a lot about the secrets in the endless chaos! God’s Domain’s No Difficulty, Misty Star Lord, etc., don’t know what these visions of heaven and earth mean; however, the Great Emperor of Ten Thousand Corpses does!

“Born to be a great talent!?” The Great Emperor Wanshi suddenly changed color, “No! A person born to be a great talent usually only causes one or two visions of heaven and earth; how can it be like now, there are all kinds of phenomena? Unless it is... A legend among the ‘born with great talent’!”

Born to be a great talent, this is a legend!

Then, the legend among the “born to be a great talent” is... the legend of the legend!

“I actually encountered a legendary legend! Moreover, in the absence of other Xuanhuang realm...” The Great Emperor Wanshi revealed a fierce light, and the fierce light became brighter and brighter, “My chance is here!”

Great opportunity!

You must know that even the worst “born with great talent” can be cultivated casually, but they all exist in the Xuanhuang realm! What’s more, what about the legendary “born with great talent”?

“When she grows up, she will at least be in the ‘prehistoric realm’, or even higher!” The Great Emperor Wanshi was hot in his heart, “If I use the mysticism and control her now, then in the future, I will have a person with at least the strength of the ‘prehistoric realm’. Servant!”

The prehistoric realm is a level higher than the Xuanhuang realm! Even if he looks at the entire Chaos Kingdom, he is definitely a top-ranked figure!

When the Great Emperor Wanshi thought that he was about to have a servant in the “Great Desolation Realm”, he was very excited and went directly to the realm of the gods.

Because Emperor Wanshi didn’t hide it deliberately, as soon as he came in, he was immediately discovered by Xu Ming, Wushang, and Misty Star Lord.

“Who is trespassing into God’s Domain?” The Misty Star Lord shouted.

Xu Ming and Wudi looked at them with fear.

Although the middle-aged man who suddenly appeared in front of him didn’t seem to have much momentum, Xu Ming had a faint feeling that the endless chaos seemed to be centered on him! Every time he took a step in the void, it was as if the heart of endless chaos was beating!

Xu Ming and Wu Di looked at each other with shock on their faces: “Super strong!”

Moreover, it is very likely that he is a super powerhouse whose strength is far beyond Xu Ming and has no difficulty!

Such an irresistible existence suddenly descended to the Divine Realm; no matter what the other party’s intention was, it seemed that it would not be a good thing!

Xu Ming, Wushang, Misty Star Master, etc., all became vigilant.

“Hahahaha...” The Great Emperor Wanshi was not in a hurry, because in his opinion, a chaotic world without the existence of Xuanhuangjing poses no threat to him at all. His gaze, looking down

on everything in God's Domain, finally fell on Xu Ming, "Born to be a great talent... Are you her father?"

The sudden change in Xu Ming's face was directed at "Xu Yin"!

"Not bad!" Xu Ming looked solemn, "Who is Your Excellency?"

At the same time, Xu Ming was ready to let Yin Ran, Xu Yin and others escape into the independent space.

Xu Ming couldn't help but secretly regretted: "If I knew earlier, the child should be born in an independent space! In that case, there should not be a scene of 'everything in existence' in the Divine Realm, and it will not attract this unmatched super existence. now..."

However, what Xu Ming didn't know was that no matter whether the child was born in the realm of the gods or in a separate space, and whether or not there was a scene of "all phenomena intertwining" in the realm of the gods, the Great Emperor of Ten Thousand Corpses would come to the realm of the gods!

"This deity... The Great Emperor Wan Zhe!" The Emperor Wan Zhe laughed arrogantly.

The Great Emperor of Ten Thousand Corpses?

Xu Ming, Wushang, Misty Star Lord, etc., don't know much about endless chaos, so naturally they have never heard of the name "Emperor of Ten Thousand Corpses".

But Xu Ming noticed a word: Corpse?

"Could it be... what does it have to do with the Walking Corpse Temple?" Xu Ming couldn't help but guess.

The Great Emperor Wanshi continued to arrogantly said: "This deity is here to give you a great opportunity!"

"Please tell me!" Xu Ming said, but he was more and more vigilant in his heart.

“You just born child, you have a good talent, and you are qualified to be the successor of this deity!” The Great Emperor of Ten Thousand Corpses laughed and laughed, “Send the child here quickly, and this deity will take her on a journey through endless chaos, cultivating supreme cultivation techniques, and become endless chaos. The Xeon in existence!”

Xu Ming’s pupils shrank, as expected, it was directed at Xu Yin!

Don’t say that Xu Ming is very suspicious of the good and evil of the Great Emperor of Ten Thousand Corpses. Even if the other party really came with good intentions, Xu Ming would not be able to hand over his child to the other party so casually!

“Thank you for the kindness of the Great Emperor Wanshi! However, I’ll teach my child myself!” Xu Ming said with his fists folded.

“Huh!?” Ten Thousand Corpse Emperor’s face sank suddenly, his aura oppressed the entire Divine Realm, “You dare to disobey the meaning of the deity!? Humph! Do you know that if the deity wants to destroy this chaotic world, you only need to turn your palms!”

The eyes of the Great Emperor Wan corpse swept away.

Boom

The Thunder Continent of God’s Domain was directly split into two halves, but with just one look, it was so mighty! Just as the Great Emperor Wanshi said, it is really just a matter of flipping your palms, and you can make the Divine Realm vanish into ashes and disappear into the endless chaos!

This is the strength of the existence of Xuanhuangjing!

Far beyond the power of Chaos Realm!

“Too strong...” Xu Ming’s eyes were splitting. This was not a power he could contend with!

“Send the child here!” The Great Emperor Wanshi ordered, “Otherwise, I can only destroy this chaotic world with one palm, and then take it myself. You should know that I want to take it, and none of you can stop it. mine!”

The “Jie Jie” sneer of the Great Emperor Wanshi resounded throughout the entire Divine Realm.

His eyes despised everything in this chaotic world.

Actually... No matter whether Xu Ming gave him the child or not, the Great Emperor Wan Zhe is ready to destroy this chaotic world!

If you do something bad, of course you have to wipe away the traces!

The Great Emperor Wanshi was just worried that when he was taking the child, Xu Ming would come to say “I would rather be broken than broken tiles”; if this “born to be a great talent” was injured, then the Great Emperor Wanshi would have no regrets. It’s time!

After all, the Great Emperor of Ten Thousand Corpses is relying on this “born to be a great talent” to go through endless chaos!

“Xu Ming...” Yin Ran looked at Xu Ming in despair, at a loss.

Xu Ming carefully transmitted his voice: “I’ll block him, you guys are ready to enter the ‘independent space’!”

“What about you?” Yin Ran even said Don’t worry, I won’t die! “Xu Ming said, “We’ll see you in the independent space!” ”

Xu Ming went up to resist, in fact, he would definitely die!

However, Xu Ming has an “immortal mark”, and even if he dies, he can be reborn immediately! The only problem is... God’s Domain, it is very likely to be destroyed!

But Xu Ming also knew that no matter what, God's Domain would be destroyed! He had already sensed an aloof killing intent in the eyes of the Great Emperor Wanshi, as if destroying the Divine Realm was to lift his foot and trample down an ant nest!

“Let's go!” Xu Ming's violent voice transmission resounded in Yin Ran and Lu Qing's minds; the channel for “Independent Space” had also been opened.

At the same time, Xu Ming's figure burst out, directly killing the Great Emperor Wanzhe!

“The opponent's strength is likely to have exceeded the ninth order of Chaos Realm, I am afraid it is the existence of Xuanhuang Realm!” Xu Ming guessed, “It is almost impossible for me to hurt him! Now... I can only hope for luck!”

Yes!

luck!

If the luck is extremely good and the “life and death” is triggered; then, even if the Xuanhuangjing exists, it will be killed by Xu Ming in seconds!

“I don't know whether to live or die!” The Great Emperor Wanshi despised everything, and he didn't even bother to look directly at Xu Ming. In his eyes, Xu Ming was not even a “moth to the fire”, at most a little ant was crawling towards him!

But right now...

“‘Infinite Clone’ hangs up, turn it on!”

Swish! Swish! Swish! Swish! ...

Around Xu Ming, ten clones suddenly appeared!

Ten clones can increase the trigger probability of “life and death” by ten times! Although it was still an “extremely small” probability, Xu Ming was unwilling to give up!

“Huh!?” The Great Emperor of Ten Thousand Corpses was planning to lift his foot and trample Xu Ming to death, when he saw ten clones suddenly appear beside Xu Ming, he suddenly stopped the thought of attacking, “What secret technique is this!?”

Chapter 1396: Short-Lived

call out! call out! call out! call out! ...

The ten avatars of Xu Ming did not consider the power of the attack at all, they just kept pursuing the frequency of the attack. ! Only by increasing the attack frequency can increase the trigger probability of “Life and Death”!

“Even if you exist in the Xuanhuang realm, as long as I trigger the ‘life and death’ hanging, you will surely die...” At this moment, Xu Ming can only hope that the “life and death” hangs up!

“Oh?” The Great Emperor of Ten Thousand Corpses did not dodge, but watched with interest, “This secret skill can instantly transform ten clones, and each clone has a strong combat power... If I can get it Isn’t this secret skill equivalent to a level of strength?”

At this moment, the Great Emperor Wanshi was surprised to find that the “born to be a great talent” suddenly disappeared from his perception...disappeared!

“What!?” The Great Emperor Wanshi was shocked, “How could this small chaotic world escape my perception?”

“Boy!” The Great Emperor Wanshi looked at Xu Ming and said with a sullen smile, “It seems that I underestimate you! The secret skills of avatars, and the formation that can escape my perception... It’s interesting! It’s really a bit mean!”

The Great Emperor Wanshi thought that “born to be a great talent” was hiding in some formation.

Just between the lightning and flint, each of Xu Ming’s avatars transformed into another avatar! Ten clones became twenty clones!

“What!?” This time, the Great Emperor of Ten Thousand Corpses was really horrified, “Clone... how can it be split again!?”

Such a secret technique, even in the endless chaos, the Great Emperor is unheard of!

“I must get this clone secret skill!”

Wan Zombie thought fiercely, but it was impossible for him to think that what Xu Ming used was not a secret technique of clone at all;

“If you have this avatar secret skill, then you will have an advantage whether it’s fighting or escaping!” The Great Emperor Ten Thousand Corpses allowed Xu Ming’s avatar to attack himself like an ant; however, a storm surged in his heart!

At this time, Xu Ming’s twenty avatars have reached the conditions for the illusion of new avatars!

Twenty clones instantly turned into forty!

“What!?” The Great Emperor Wanshi became more and more shocked.

Immediately after...

Forty clones became eighty, eighty clones became one hundred and sixty... Almost instantly, Xu Ming transformed into thousands of clones! And the Great Emperor of Ten Thousand Corpses was completely stunned!

“Die!” Xu Ming’s eyes were splitting.

Each clone can attack thousands of times in an instant! But now, thousands of clones are attacking together; at every moment, the Great Emperor Wanshi will endure hundreds of thousands of attacks by Xu Ming!

It’s just... All the attacks that fell on the Great Emperor Wanshi were like sinking into the sea.

The Great Emperor Wanshi said proudly: “It’s useless, you’d better keep your hands on the group!”

With that said, the Great Emperor Wanshi waved his hand at will; all of a sudden, the thousands of clones that besieged the Great Emperor Wanshi disappeared like bubbles. This is the gap between the Xuanhuang Realm and the Chaos Realm!

In the eyes of Xuanhuangjing, Chaos Realm is not worth mentioning at all! With a wave of your hand, thousands of people can be destroyed!

“What!?” Xu Ming was extremely horrified. This was his own clone, of course he knew how strong it was!

Moreover, if it wasn’t for beheading more than a dozen invading Chaos Realm, Xu Ming would never have had so many hanging points to transform into so many clones!

But now... thousands of avatars, all of them vanished between the waves of the opponent’s palm!

Totally suppressed!

“Hey” Xu Ming didn’t know what to do to pose a little threat to the opponent!

Perform “Wandao Epiphany”?

But “Wandao Epiphany” has been gaining momentum for too long! I am afraid that Xu Ming has just started to gain momentum, and he was directly interrupted by the other party!

However, of course Xu Ming will not give up!

“Unlimited clones!”

Xu Ming split up ten more clones and continued to kill the Great Emperor Wanshi!

“Trigger!” Xu Ming roared in his heart. No matter how powerful the Great Emperor of Ten Thousand Corpses is, as long as the “Life and Death” hang is triggered, it will be an instant kill!

And “life and death” hanging up is also Xu Ming’s biggest trump card now!

It's just... the trigger probability of "life and death" is too low, too low! It's not that Xu Ming wants to trigger it, so he can trigger it!

"It's useless, kid, don't waste your energy!" The Great Emperor Wanshi waved his hand again and wiped out the ten clones; then, the Great Emperor Wanshi sneered, "Give me this secret technique of clones, and I can do it. Let go of you!"

In the tone of the Great Emperor Wanshi, it was like "let Xu Ming die", how kind!

"Humph!" Xu Ming snorted coldly, "Then you can try this trick from me again!"

Hundreds of millions of light spots began to gather in Xu Ming's hands, which is "Wan Dao Epiphany"!

"Oh? There are secret skills?" The Great Emperor Wanshi smiled with interest and said, "Come, come! Let me see it!"

"That's great!" Xu Ming couldn't help but be overjoyed when he saw this, "I guess he won't interrupt my secret skill, sure enough!"

Xu Ming vaguely looked forward to: "With the power of the 'Wandao Epiphyllum', there may not be a chance to take his life!"

"Huh? How long does it take to gain momentum?" The Great Emperor Wan Zhe couldn't help shaking his head, "Such secret skills have little practical value in actual combat!"

However, the Great Emperor of Ten Thousand Corpses still wanted to see how powerful this secret technique would be!

After a few breaths, Xu Ming finally got the momentum to complete it!

"Go!"

A formula that gathered hundreds of millions of light points, shot directly at the Great Emperor of Ten Thousand Corpses!

In fact, if “Wandao Epiphyllum” wants to hit the target, the best way is to get close to the opponent, and then use the attitude of “perishing together” to detonate the power of this style! Otherwise, this trick is easy to be avoided!

But now, Xu Ming is not worried that the Great Emperor of Ten Thousand Corpses will hide! Because... if the Great Emperor of Ten Thousand Corpses really wanted to hide, Xu Ming would not be able to get close to him at all! Moreover, Xu Ming could see from the despising demeanor of the Great Emperor Wanshi that the other party did not take this “Wandao Epiphany” in his eyes at all, so he would definitely not hide!

“Humph!” Xu Ming expected in his heart, “Wait until the moment when the epiphyllum blooms! When you discover the power of this style! You won’t even be able to escape!”

At the moment when the Myriad Dao Epiphyllum blooms, it is true that even the existence of Xuanhuangjing can’t escape!

But now, Xu Ming can only hope that “Wandao Epiphyllum” can directly kill the opponent!

“Death!!” Xu Ming’s killing intent was boiling, his eyes were scarlet!

boom! !

Finally, in the expectation of Xu Ming, the short-lived flowers bloomed!

“What!?” At this moment, the Great Emperor Wanshi finally sensed the terrifying power of “Wandao Epiphyllum”! But...it’s too late!

Chapter 1397: Time Pause

boom!

“Wan Dao Epiphyllum” bloomed gorgeously, turning into the most dazzling existence in this world, and instantly swallowing the Great Emperor of Ten Thousand Corpses.

“Die!”

With Xu Ming’s strength, he can fully display “Wan Dao Epiphany”, which is enough to easily kill the existence of the peak of Chaos Realm! Although the Great Emperor Wan Zhe exists in the Xuanhuang realm, Xu Ming feels that there is still hope that he will be killed in seconds!

After all, “Primary Chaos Realm” and “Mysterious Yellow Realm” are only one step away!

“Even if you can’t kill him, you should still be able to seriously injure him!” Xu Ming secretly said, “In that case, if I activate the ‘Infinite Clone’ again, I may not have the chance to fight him!”

The short-lived blossoms only lasted for a moment; but the spatial chaos caused by them lasted for a long time.

After a while, the space gradually returned to calm.

Xu Ming looked expectantly, “Is he dead?”

In the chaotic space, a figure gradually appeared.

“Huh?” Xu Ming couldn’t help but change slightly – the aura of this figure was still very calm, and he didn’t look injured in the slightest.

“What!?” Xu Ming felt like he was falling into an ice cave, and even a sense of despair rose – this was already his strongest attack! Still can’t hurt each other!

Whoa!

The smoke cleared and the space was completely calm.

The Great Emperor Ten Thousand Corpses stood proudly, with his entire body intact, not even a single hair was scraped off—this is the gap between Chaos Realm and Xuanhuang Realm!

One step away, it is a world apart, like a moat!

Even the “Wandao Epiphyllum” that can instantly kill the peak of the Chaos Realm cannot cause any damage to the existence of the Xuanhuang Realm!

“Interesting! Interesting! It’s so interesting!” The playful look on Emperor Wanshi’s face was even stronger, “Your strength is obviously not very strong, but at most it is only comparable to Chaos Realm; however, you can show such strength. The attack is coming... Incredible! It’s unbelievable!”

Xu Ming was completely desperate—his strongest attack could not hurt even a single hair on the opponent! How to fight such a battle?

“No difficulty, you all go first! I’ll block him for a moment!” Xu Ming’s voice transmission resounded in the mind of the God Domain Great Expert.

“Then you...?” Although Wu Yan knew that even if he killed him, he wouldn’t be able to help Xu Ming at all, but would drag him down; but, how could he just watch Xu Ming die while he escaped?

“Don’t worry, I have my own life-saving secret skills, he can’t kill me!” Xu Ming shouted.

At the same time, Xu Ming opened the “infinite avatar” hanging again – since even “Wandao Epiphyllum” could not hurt the other party, Xu Ming could only hope for “luck”! As long as the luck is good enough to trigger the “life and death” hanging; even if the Xuanhuangjing exists, it can only be killed in seconds!

But...

The trigger probability of “Life and Death” is too low! The more Xu Ming wanted to trigger it, the less it would trigger!

“Why do you want to fight the trapped beasts?” The disdainful voice of the Great Emperor Wan corpse resounded throughout the entire Divine Realm; his arm instantly extended hundreds of millions of miles, as if protruding from the sea of corpses and grabbing Xu Ming.

The arm swept across, and the ten clones that Xu Ming had just summoned were swept away in an instant.

“Not good!” Xu Ming suddenly felt an unprecedented sense of crisis! – The space around him is completely frozen, and he can’t even move his fingers, let alone raise a gun to resist! Even the strength of his heart that he is proud of seems to have become smaller than the candlelight, and may even be extinguished at any time!

As soon as Emperor Wanshi made his move, Xu Ming’s divine body and mental strength were completely suppressed!

At this moment, Xu Ming felt that he was a little chicken facing the sharp claws of an eagle!

“Is it finally going to die once?” Xu Ming’s eyes flashed a complex color.

Actually, Xu Ming is really not afraid of death! Anyway, there is an “immortal mark”, and there are plenty of hanging points; even if you die, you can be reborn immediately!

However, if Xu Ming died so easily, Wu Di, Misty Star Master, etc., I am afraid that he would not be able to escape at all; moreover, the realm of the gods will also be destroyed! There are only a few people left, lingering and hiding in an independent space.

“Roar—” Xu Ming let out a low roar, and said with a grim expression, “Emperor of Ten Thousand Corpses! If you kill me, do you still want to get the secret skill?”

Xu Ming decided to use a secret technique to lure him to hold the Great Emperor Wanshi for a while.

However... the Great Emperor Wanshi smiled contemptuously and said, “Kill you? Who said I was going to kill you?”

“Huh!?” Xu Ming was stunned, and then an extremely unpleasant feeling arose, “It’s not killing me, that’s...?”

“Hahahaha...” The Great Emperor Wanshi couldn’t stop laughing, “I want you to be my soul slave!”

not good!

Xu Ming’s expression changed suddenly: “He really wants his soul to enslave me!”

Soul slavery, although it will not die, but it will lose itself and become a walking corpse... Life is better than death!

Moreover, you must know that if Xu Ming died, he could be reborn immediately with the help of the “immortal mark”! But if it is “enslaved by the soul” and becomes an immortal existence, then there is no chance to be reborn!

“Then only...” At this moment, Xu Ming had no choice but to blow himself up!

Only by self-destructing the divine body can we avoid becoming a walking corpse and be reborn with the help of the “immortal mark”!

boom!

Xu Ming’s divine body immediately began to burn wildly.

“Huh!?” The Great Emperor of Ten Thousand Corpses couldn’t help but startled, “I didn’t expect him to be so decisive! If he said he would explode himself, he would explode himself! But...”

There was a look of disdain on the face of the Great Corpse Emperor: “In front of me, you also want to explode yourself?—Humph! I make you unable to even explode yourself!”

rumbling...

The palm of the Great Emperor Wanshi was even more coercive; it forcibly suppressed Xu Ming's divine body, preventing him from exploding!

“Still become my soul slave obediently! Hahahaha...”

At this moment, Xu Ming was really desperate: “Xuanhuangjing, is it really so invincible!?”

You know, Xu Ming has used all the cards he can use! The ones that can be opened are all opened! But... it's still no match for the Great Emperor! Even, in front of the Great Emperor of Ten Thousand Corpses he couldn't even detonate himself!

“Fight again!”

Even if there is no hope in sight, Xu Ming will never give up!

Swish!

“Unlimited Clone” is open again!

As soon as the ten clones appeared, they immediately faced the terrifying arm!

However, ten clones can't even hinder the Great Emperor of Ten Thousand Corpse for a moment! At this time, the sharp claws of the Great Emperor Wanshi were finally about to catch Xu Ming—just like grabbing a chick!

“Don't struggle!” The Great Emperor Wanshi grinned, his claws were about to grab Xu Ming – oh, no, to be precise, there is still a distance that is ten thousand times finer than a hair, and the Great Emperor Wanshi can catch Xu Ming !

But at this moment...

The time of the entire God's Domain suddenly stopped completely!

Time... Pause!

Chapter 1398: Time Is Long

Time... Pause!

Time stopped flowing, and everything in God's Domain stopped.

Include thoughts.

Xu Ming, the Great Emperor Wanshi, etc., didn't even know that time had stopped; because they couldn't even think about it! – Even if time stops for hundreds of millions of years, for them, it will not be a moment!

Suddenly, a figure appeared in the void; the surrounding time was stagnant, but it didn't affect her in the slightest! It was as if she was an existence beyond time!

Years flow, eternal decay, and she is eternal!

This slender figure slowly walked to Xu Ming and stared at it for a long time. She is... Gu Hanmo.

Gu Hanmo looked at Xu Ming like this, with extremely complicated emotions in his eyes.

And Xu Ming, from the divine body to the mind, is completely in the "time pause", and has no idea what is happening "now".

Even Xu Ming's "now" and Gu Hanmo's "now" are two completely different concepts!

At this time, Gu Hanmo just had a thought, and he didn't even look at the Great Emperor Wanshi; in an instant, the Great Emperor Wanshi completely disintegrated, as if this person had never appeared in the endless chaos!

After that, Gu Hanmo walked to Xu Ming's front and looked at Xu Ming like that. At this time, Xu Ming's expression and temperament were frozen in infinite panic.

Suddenly, Gu Hanmo smiled knowingly.

The smile is very gentle, as if it can dissolve ice and snow.

“In my previous life, I lived a lonely life and climbed to the peak of my cultivation; but in the end, I ended up dying! I used the ‘Reincarnation Technique’ to escape the pursuit of the enemy, and because of this I got to know you...”

At this moment, Gu Hanmo’s past and present memories all converged together!

In the past life, she had never had a loved one; and Xu Ming was the only one that Gu Hanmo loved in his past life and this life.

“I wanted to hide my strength forever, so that I wouldn’t be discovered by the enemy, and I could live quietly beside you forever! Now, it seems impossible...”

Gu Hanmo sighed faintly.

Her cherry lips, slowly approaching Xu Ming, kissed gently.

After the kiss, the surroundings were still in a time pause; but Xu Ming was above transcendental time.

“This is...?” Xu Ming didn’t notice at all, and time paused for a while; what he saw was that the Great Emperor Wanshi was about to catch him, and then suddenly, the Great Emperor Wanshi disappeared; instead, it was Gu Hanmo appeared in front of him.

what’s going on! ?

Xu Ming’s face was full of confusion: “Han Mo?”

Gu Han smiled happily: “Look around!”

around?

Xu Ming looked suspiciously.

Only then did he realize that everything around him was still.

The expressions of Wudi and Misty Star Lord are all frozen in fear and unwillingness.

The fissures in the endless space that were torn apart during the battle were also completely still; neither extended nor healed.

At the edge of God's Domain, the Qi of Chaos stopped surging. The light shot through and was stopped in the void.

In the Endless Continent, on the barren mountain, a piece of withered and yellow leaves was falling, and it was frozen in the air.

Everything Xu Ming could see seemed to be frozen in the photo.

"This..." Xu Ming was extremely horrified.

Although Xu Ming once felt a "time pause" when he was given the secret technique "Wandao Epiphany" by the Chaos Universe, but at that time, Xu Ming's body could not move, and even his senses were plunged into complete darkness. .

But now, Xu Ming is standing on a higher realm, transcending time! – Of course, this higher realm is not Xu Ming's own strength, but Gu Hanmo brought him up.

Xu Ming forcibly calmed down the shock and confusion in his heart: "Han Mo, this is...?"

"Xu Ming!" Gu Hanmo looked at Xu Ming—her eyes told Xu Ming that she was still the same Gu Hanmo.

"The story I want to tell you may be unbelievable, you listen to me first!" Gu Hanmo said.

“Okay!” Xu Ming calmed down and listened patiently.

“Look!” Gu Hanmo waved his hand, and an illusory turbulent river appeared under her and Xu Ming’s feet.

The long river originates from the infinity and flows to the infinity.

“This is part of the long river of time!” Gu Han smiled silently, “Any time in the entire chaotic universe is in this long river of time!”

Xu Ming was a little confused.

Long time?

What is this?

“That period—” Gu Hanmo pointed to one of the sections of the long river of time, and said, “I was born in that section of the long river of time in my previous life! After practicing for endless years, I have to step on the supreme realm, transcend time, and leap out of time from now on. Long River; from now on, the passage of time has no meaning at all for me! But...”

Gu Hanmer paused and said, “However, in the universe, there are peaks in the realm of ‘transcendence above time’, and there are several others!”

Yes, there are several others! But there are only a few, only a handful!

This is the most peak existence in the entire universe!

Every existence at this level is above time, traveling between the past and the future...

Just like Gu Hanmo, she can go to the beginning of chaos and the beginning of the universe, or to the end of the universe. Travel through the past and the future, unimpeded.

“Because of some things, I offended several other beings ‘above the time’, and was hunted down by them! We fought from the past to the future, and from the future to the past. I don’t know how many eras the battle has spread to the universe... But in the end, I still can’t escape their pursuit!” Gu Hanmo said, “On the front line of life and death, I had to use the ‘reincarnation technique’ and hide in the long river of time! That is... the Gu Hanmo you know!”

Xu Ming stared blankly at Gu Hanmo, feeling a little dizzy.

“Xu Ming, I am very fortunate to have met you!” Gu Hanmo said again, “Because... after performing the reincarnation, it is very likely that he is an ordinary person! If his talent is not good enough, he cannot cultivate to the If you reach a certain level, you will never be able to awaken the memory of your past life; even, it is very likely to be wiped out in the long river of time!—To be honest, my talent in this life is really ordinary; if I hadn’t met you, it would have been very difficult to even become a god! The possibility is just like a commonplace, forever lost in the long river of time!”

“And you... find ways to help me improve my strength, and finally let me awaken the memory of my previous life and restore some of my strength in my previous life!”

Xu Ming listened, and suddenly his face changed: “Han Mo, you should have been awake for a while, right?”

“That’s right!” Gu Hanmo said.

“Then why didn’t you tell me this before, but now you suddenly tell me?” Xu Ming seemed to realize something.

Gu Hanmo sighed: “Because, as soon as I used my strength, I evoked the cause and effect of my previous life! Those enemies in my previous life may have already sensed my existence; moreover, it is very likely that they are passing through the long river of time towards me. Come here while ‘swimming’! So... I have to go!”

“Go alone!” Gu Hanmo said solemnly.

Chapter 1399: Mysterious Treasure

“Go alone!” Gu Hanmo said solemnly.

A battle at her level is not something Xu Ming is qualified to participate in!

You must know that even if the Xuanhuang realm exists, Gu Hanmo can kill it with just one thought!

And what about Xu Ming? Even if you do your best, you can never hurt the Xuanhuang realm!

Therefore, if Gu Hanmo brought Xu Ming, it would be a burden.

What's more, Xu Ming also has his own life and opportunities. Gu Hanmo knew very well that if he forcibly took Xu Ming by his side, this kind of behavior would be too selfish!

"I..."

Xu Ming was about to speak, but was interrupted directly by Gu Hanmo: "You don't need to say more! -Xu Ming, I know, you must have an extraordinary opportunity, and your future achievements will never be low! However, you are still too weak to imagine. What kind of existence are my enemies! Even if I bring you, you can't help me; on the contrary, you will leave traces of cause and effect, making it easier for me to be hunted down by my enemies!"

Xu Ming opened his mouth slightly, then closed it again. He knew that what Gu Hanmo said was not wrong at all; now he really can't help Gu Hanmo in any way!

Gu Hanmo smiled and said, "Let's go meet Yin Ran and the others together! As soon as I leave, I don't know when we will see you next time; even..."

Gu Hanmo did not continue to speak. In fact, the words in her heart were: even, it is very likely that I will never see you again!

After all, the enemy Gu Hanmo faced was simply too powerful!

Even in the peak period of Gu Hanmo's previous life, she could not escape the pursuit of those enemies; what's more, in this life, she has just awakened, and the strength she can use is very limited! Once caught up by the enemy again, the best result is probably to perform the

“reincarnation technique” again; even, it is very likely that there is no chance to even perform the “reincarnation technique”!

Moreover, you must know that performing the “Reincarnation Technique” is a very risky thing! Just like Gu Hanmo in this life, if she hadn’t met Xu Ming, she would probably have perished in the long river of time!

If he uses the “art of reincarnation” again, can Gu Hanmo still be so lucky to awaken the memory of his past life?

It’s hard!

Suddenly, Xu Ming’s eyes lit up and he said, “Han Mo, why don’t you just hide in my ‘independent space’ first!”

Xu Ming also suddenly thought – an independent space, isolated from all exploration! As long as Gu Hanmo hides there, isn’t he safe?

“You said your ‘small space’!” Gu Hanmo shook his head and smiled, “It’s really an unusual method, but... it’s not enough to want me to avoid detection!”

Xu Ming couldn’t help but stunned – couldn’t even the “independent space” help Gu Hanmo?

Doesn’t that mean that Gu Hanmo’s strength level is likely to be the same level as “Xiaohang”?

Xu Ming felt more and more pressure.

After all, a large part of Xu Ming’s achievements today is due to cheating; now, Gu Hanmo’s enemy is also the enemy that Xu Ming will face in the future, and he is an existence at the same level as “Xiaohang”!

This makes Xu Ming, how can he not feel the pressure?

“Go to your small space first!” With a wave of Gu Hanmo’s hand, the long river of time disappeared; then, she took Xu Ming directly and teleported to the independent space.

At the same time, the “time suspension” covering the entire God’s Domain was also lifted.

“Xu Ming, be careful!!” Wu Di, Miao Miao Star Master and other God Realm powers are roaring.

But then, all the gods were stunned! They wiped their eyes and couldn’t believe it: “What’s the situation? What about people?”

Xu Ming, disappeared!

The Great Emperor of Ten Thousand Corpses has also disappeared!

And Wu Di, Misty Star Lord, etc., have no idea what happened! Because, they didn’t feel the time stop at all; they just felt that Xu Ming and the Great Emperor Wanshi suddenly disappeared very strangely.

...

The long river of time exists in the invisible.

Mighty and mighty, with no beginning and no end.

The long river of time that Gu Hanmo summoned was just a projection of a certain section of the long river of time. The real long river of time is not something that Xu Ming can see now.

In several places in the long river of time, the sound of shock sounded “at the same time” – some were in the “past” time, and some were in the “future”; however, no sound was in the “present”.

“Did you perceive it?” A voice shuttled from the “future” to the “past” and passed it to the minds of several other incredible beings.

“It’s her!” Several voices said “at the same time”, “That’s right! It’s her power! You can’t go wrong!”

“Humph! I didn’t expect that after she performed the ‘Reincarnation Technique’, she was still alive and awakened the memory of her previous life! She was lucky enough! But... she dared to expose it, then she was really courting death!”

“Let’s go! Kill it! Block the time zone where she is Come and see where she can escape!”

Several incredible super beings all began to swim towards the time zone where Gu Hanmo was located in the long river of time.

One of the super existences said angrily: “At that time, there was a mysterious treasure that appeared in the long river of time. If it wasn’t for her, I would definitely have obtained that mysterious treasure! Humph! It’s not like now, the treasure doesn’t know where to go! ”

That mysterious treasure is likely to be able to decipher the ultimate meaning of the long river of time! However, none of the super beings who transcended the long river of time could get it; even, they didn’t know where the mysterious treasure was hidden.

...

in a separate space.

Gu Hanmo first said goodbye to his father “Gu Kongshan” in this life, and then went to see Yin Ran and his new child “Xu Yin”.

“Very good talent!” Gu Hanmo picked up Xu Yin and said lightly, “Even in the endless river of time, it is hard to see such talent! If it is cultivated well, there may be no hope in the future. Such a realm!”

Gu Hanmo’s evaluation of Xu Yin is not too high!

Although, “there is hope” in Gu Hanmo’s mouth is probably just a very slim hope! But you must know, what level of existence is Gu Hanmo? To have “very slim hope” to reach her level is already amazing!

“Xu Ming, this is...?” Yin Ran looked at Gu Hanmo and Xu Ming, a little confused.

Lu Qing, who was beside him, was also listening in the fog, not understanding what Gu Hanmo was talking about.

Moreover, Yin Ran and Lu Qing are very strange – isn't Xu Ming fighting to the death with the Great Emperor Wanshi? Why did he suddenly appear here with Gu Hanmo again?

“Alas...” Xu Ming sighed and said, “It's time to let you all know!”

Chapter 1400: Disrupting Time And Space, Erasing The Past

Xu Ming briefly explained Gu Hanmo's story.

Yin Ran and Lu Qing could hear it in a foggy way—they were just ordinary people in the Divine Realm, they had never even been to the Endless Chaos, and they had never heard of “the long river of time” and “the art of reincarnation”.

But there is one thing, the two of them can be sure, that is... Gu Hanmo's origin is extraordinary!

Even Xu Ming and even the Xuanhuang realm existed; in Gu Hanmo's eyes, they were extremely weak.

Gu Hanmo looked at the endless sky, but what he saw was a long river of time that no one else could see. She felt that there were digital super beings “beyond time”, and they rushed to the time zone where she was at a high speed.

“It seems that I have to leave quickly!” Gu Hanmo secretly said, “The traces of my life here must be erased quickly!”

As soon as Gu Hanmo took a step, he left the “independent space” and reached the sky above the wild mountain.

At this time, the great powers such as Wushang and Misty Star Lord are coming towards the barren mountains – Xu Ming and the Great Emperor Wanshi suddenly both disappeared. Couldn't find any clues.

Gu Hanmo suddenly appeared in the sky above the barren mountain, and was naturally seen by these great powers.

“I...” Wushang just opened his mouth and wanted to ask something; however, his voice stopped abruptly!

I saw Wushang, Misty Star Lord and other great powers, all retreating rapidly.

exactly...

It's not that these great powers are flying back, but... the time of the entire God's Domain is going against the flow!

Yes, back in time!

And the traces of time left by Gu Hanmo in the realm of the gods are constantly disappearing! – She can't let the enemy know that she has lived in God's Domain; therefore, she has to reverse the time and space and erase the past!

The traces of Gu Hanmo's past have disappeared one after another! It was as if Gu Hanmo had never appeared in God's Domain.

Soon, time reversed to the moment when Yin Ran's father, the “Saint Emperor City Lord” died.

“Let's do it!” Gu Hanmo grabbed it at will, and “pulled” out the saint emperor city masters, such as the saint emperor city master and Bai Lao, from the past time – with Gu Hanmo's strength, from the past time, Resurrection of several ***** realms is naturally easy and effortless!

Then, Gu Hanmo directly used his supreme supernatural power to rewrite the history of the Holy Master attacking the Thunder Continent.

“Who am I? Where am I?” After the Holy Emperor City Lord, Bai Lao and other great masters were resurrected, their faces were full of confusion. However, the memories in their minds were also quickly rewritten by Gu Hanmo.

Soon, Gu Hanmo will change the history of the past thousand years! Even if a super existence “beyond time” came to God’s Domain, it would be impossible to find out the traces of Gu Hanmo’s past life here.

Oh, no, to be precise, the “pasts” of Xu Ming, Yin Ran, Lu Qing, and Gu Kongshan were not erased or rewritten by Gu Hanmo. Several of them are the only ones who know the truth in Divine Realm!

“You know it yourself, but don’t tell others! Anyway, the super beings ‘beyond time’ come, and they won’t be idle to check their memories one by one! As long as you don’t tell them, they won’t either. Found it!” Gu Hanmo said solemnly.

Xu Ming, Yin Ran, etc., of course, knew the importance and nodded.

Time continues to flow backwards.

Gu Hanmo also resurrected his former maid “Qin Ran” from the “past”.

After rewriting the “past” of the God’s Domain, Gu Hanmo’s powerful consciousness spread toward the endless chaos, instantly covering the “Billions of Realms”.

In the endless chaos, all the memories of knowing the realm of the gods and Xu Ming were erased.

Even, Gu Hanmo also saw another Holy Master – this is the deity of the Holy Master, not the avatar who came to God’s Domain.

The Holy Master only felt a flower in front of him, and when he opened his eyes again, the memory in his mind was completely different. Of course, the Holy Master did not notice that his memory had changed at all; he thought that his memory was like this.

As for the avatar... The Holy Master doesn’t remember, he once had a avatar! The Holy Master clearly remembered that he was specializing in a divine body.

“I won’t kill you for now, wait for Xu Ming to kill you!”

Gu Hanmo wiped out all other memories of the Divine Realm. In the entire endless chaos, no one knows the existence of God's Domain!

In this way, God's Domain is naturally safer.

After doing all this, time began to resume "downstream", and quickly returned to the correct point in time.

However, the realm of the gods at this time is completely different!

Moreover, Gu Hanmo looked at Xu Ming with a look of shock, because—

"In the past time, there is no trace of... Xu Ming!?"

Gu Hanmo clearly watched Xu Ming grow up step by step, but now that time is flowing backwards, he can't see the traces of Xu Ming in the past, which has to be said to be very strange and strange!

"Xu Ming may have practiced some special technique, but he probably doesn't even know what is special about that technique!" Gu Hanmo secretly said, "It seems that I still underestimate Xu Ming's fortunes. And chance; Xu Ming's inheritance is likely to be obtained from a super existence that is not weaker than me! In that case... the possibility that Xu Ming can help me in the future will be even higher!"

If you want to help Gu Hanmo, unless your strength reaches the "Supreme" level! Otherwise, it would be impossible to help Gu Hanmo in any way!

...

"It's almost time to go!" Gu Hanmo's character in the previous life was extremely decisive; but in this life, because of Xu Ming, she became a little "little woman" and was unwilling to face this separation.

"That's right!" Gu Hanmo suddenly thought of something and reminded, "Xu Yin's talent is too strong! And the stronger the talent, the easier it is to be jealous of the sky and even attract unmatched people to the realm of the gods. exist!"

“Heaven” doesn’t want to see super genius grow up and threaten “self”.

“Then what should we do?” Xu Ming and Yin Ran were a little flustered.

Xu Ming believed Gu Hanmo’s words – since Gu Hanmo said that he couldn’t match, then even if he tried his best, he wouldn’t be able to match! For example, in the Xuanhuang realm this time, there is the “Great Emperor of Ten Thousand Corpses”.

“Two ways!” Gu Hanmo said, “One, let Xu Yin hide in an independent space for a long time! Independent space, the effect of isolating cause and effect is very strong, enough to bless her safe and sound; but this will limit Xu Yin’s growing up!”

Super strong are born from tempering!

In the greenhouse, there is no real pinnacle of cultivation!

“The second way, that is... find a party that can withstand Xu Yin’s talent! In that case, Xu Yin’s danger will naturally no longer exist; moreover, it will also be of great help to her future path of preaching! Gu Hanmo said, “It depends on what you want to choose – do you want Xu Yinfan to be ordinary and safe, or do you want her to go higher and farther?”
