

A World 151

Chapter 151: , I Fainted You!

() After politely clasping his fists, the battle officially started.

“You come first reads();!” Wei Yumo stared with breathless eyes.

Her mental defense is not to use mental power to form a motionless wall; it is that mental power naturally revolves around the sea of consciousness, protecting the sea of consciousness tightly.

Xu Ming did not refuse, after all, he would only use a mental attack: “Then I will come first – be careful!”

In Xu Ming’s eyes, a phantom of the storm appeared. Of course, this kind of phantom can only be felt by Wei Yumo and experts with extremely strong mental power; as for the others, they can’t see the slightest movement at all.

Gu Kongsan’s strength is the strongest, and his eyes are the sharpest; he is secretly shocked: “Xu Ming’s mental attack seems to be stronger than when he just dealt with Chi Jishang! If he had used such strength just now, I’m afraid With just one look, Chi Jishang was instantly defeated, and he didn’t even need to slap him!”

stronger?

Of course!

When dealing with Chi Jishang just now, Xu Ming’s double attack, double defense, and acceleration were only at level 4; but now, Xu Ming is driving at level 6 three! The strength is 40% stronger than before!

Xu Ming’s strength in all aspects is completely at the half-step condensing level! Certainly much stronger than before!

“What a powerful mental attack!” Wei Yumo felt the horror of this mental attack for the first time. “And I remember that his physical attack methods are also very fierce! It seems that I will lose this battle!”

Wei Yumo is not afraid of mental attacks simply because Xu Ming’s mental attacks are straightforward and lack skills. Although Wei Yumo’s mental power is weaker, his skills are versatile and far from what Xu Ming can match. However, Xu Ming’s material attacks are equally terrifying, and this is not something Wei Yumo can resist.

Bang!

Spiritual power cannot be seen with the naked eye, and can only be felt with the “eye of the mind”—that is, the sea of consciousness.

Xu Ming’s heart “sees” that his mental attack “Storm”, after hitting Wei Yumo’s mental defense layer, did break a small gap at the beginning.

However, Wei Yumo’s mental power was in the shape of a sphere, revolving around the sea of consciousness; before Xu Ming could “dig deep” and “enlarge” the gap, the gap had already turned to other parts of the sphere. When the gap came back, Xu Ming’s mental attack was almost exhausted; moreover, the gap was almost repaired.

“To overcome rigidity with softness!”

Although Wei Yumo’s mental power is weak, he uses it skillfully. Xu Ming could see that even if his mental attack was doubled, it would still be difficult to forcibly break through her mental defense.

“It’s my turn!” Wei Yumo smiled slyly, and a mental attack as thin as smoke and sand swept towards Xu Ming in an instant.

call out-

The mental attack flashed, and it fell into Xu Ming’s body, heading straight for Xu Ming’s sea of consciousness.

Xu Ming's mental defense is much simpler, just a wall, wrapping the sea of consciousness, without any skill at all.

"Can such a weak mental attack break through my mental defense?" In Xu Ming's eyes, Wei Yumo's mental attack was simply powerless.

Whoosh!

However, it was this powerless spiritual attack that, after hitting Xu Ming's strong spiritual defense wall, did not dissipate, but... very strangely and spiritually, it "infiltrated" into the wall. !

That's right, infiltration!

In the face of this infiltration, Xu Ming's spiritual defense wall suddenly became a decoration, useless!

"This...this..." Now Xu Ming messed up—how to prevent this? There is absolutely no way to prevent reads();!

"Hehe!" Wei Yumo smiled smugly, as if seeing that his mental attack was about to take effect.

What to do?

Xu Ming suddenly felt at a loss.

After thinking about it: "Try the devilish energy!"

The demonic energy mixed in Xu Ming's mental power was immediately mobilized by Xu Ming and rushed towards the strange attack that was seeping through the wall.

"Hey!" The devilish aura seemed to have spirituality, and he flung his teeth and claws on the strange spiritual attack, and ate the spiritual attack with a "one bite".

"Uh..." Xu Ming was shocked, "This devilish energy has this effect?"

Xu Ming was originally a dead horse to be a living horse doctor, so he mobilized the demonic energy to try it out; he did not expect that the demonic energy could defend against mental attacks, and the effect was so good.

The mental attack that was so strange that Xu Ming was at a loss was swallowed by the devilish aura.

After the demonic energy devoured this spiritual attack, it grew slightly stronger.

“What’s the situation!?” Wei Yumo was also surprised. She had already felt that her mental power had successfully penetrated into Xu Ming’s sea of consciousness; but suddenly, as soon as it got dark, there was nothing left.

“What other means are hidden in your spiritual wall?” Wei Yumo thought that it would be easy to deal with Xu Ming’s superficial spiritual defense!

Xu Ming had recovered from the accident brought by the evil spirit, and he looked at Wei Yumo: “Your mental attack method is so weird... What if I get hit?”

Wei Yumo smiled and said, “I will be dizzy! – But there is no other direct damage effect. After all, my mental power is far inferior to yours. It is unrealistic to use mental attacks to forcibly defeat you!”

“Then, when I’m dizzy, will you attack me at close range?”

“No!” Wei Yumo didn’t hide it, “I will hit you with a series of mental attacks, and I will stun you!”

“Uh, then you have failed now, you can’t do anything about me, right?”

“No!” Wei Yumo smiled strangely, “I will still hit you with a series of mental attacks, I don’t believe it, you can defend against them all!”

talking...

call out! call out! call out! call out! call out...

More than a dozen mental attacks burst out from Wei Yumo's spiritual sea at almost the same time. uukanshu.com lashed at Xu Ming. Each attack is not strong, it is as thin as smoke and sand; but tmd, there are so many!

If more than a dozen attacks are killed at the same time, the devilish energy will not even be able to "eat" it!

"Damn it! If I hit a few more hits, I wouldn't really be stunned to death!"

However, the speed of the mental attack is extremely fast; trying to dodge the past is like a dream.

"Little Hang!" Xu Ming called frantically, "Immediately give me a set of spiritual defense secrets that suit me best—immediately! Immediately!"

Xiaohang's work efficiency is almost not in the same time dimension as Xu Ming. Just as Xu Ming was screaming in his heart, Xiaohang had already found a spiritual defense secret method and directly imprinted it on Xu Ming's mind.

Xu Ming's spiritual power immediately followed the trajectory of this secret method, and he instantly built an extremely strong spiritual defense fortress.

Bang! Bang! Bang! Bang! ...

More than a dozen mental attacks collided with Xu Ming's mental defense and turned into nothingness.

Chapter 152: , Domain

() "What?" Wei Yumo couldn't believe it, "Why did your mental defense suddenly become so strong?"

It was only then that Xu Ming saw the spiritual defense secret method that Xiaohang helped him pick.

The first layer of “Nine Palaces and Eight Arrays Locks”: Heaven-level spiritual defense secret method. After learning, the spiritual power will protect the sea of consciousness with the running trajectory of the Nine Palaces and Eight Arrays. The locks of the nine palaces and eight formations cannot be broken, and the sea of consciousness cannot be invaded! This is the first-level second learning version.

“That’s good!” Xu Ming’s eyes lit up.

Sure enough, the small hanging products must be high-quality products. With this set of spiritual defense secrets, Xu Ming is not afraid of the opponent’s spiritual attack reads();

As for Wei Yumo, whose mental power is not very strong, but the mental attack method is weird, it is even more defeated by Xu Ming! Wei Yumo’s mental attack hit Xu Ming’s Nine Palaces and Eight Arrays of Locks, which can be described in four words – the oyster and the mayhem!

“Let’s choose a new spiritual attack secret technique too!”

Xu Ming found that “Storm”, a mysterious secret skill, was fine for him to practice his hands and be familiar with mental power; but once his opponent was also good at mental power, he would be instantly stunned.

“Storm” belongs to the “crushing type” mental attack, which is specially used to bully opponents with weak mental defenses.

In layman’s terms: bird abuse outfit x dedicated.

But if the opponent is not a bird, it can’t be abused.

“You have to choose an illusion-type spiritual attack secret skill!”

Illusionary mental attacks will cause people to fall into a state of dizziness and illusions. Just imagine how terrifying and deadly it would be if you suddenly fell into this state during the battle of life and death!

“The first floor of the heaven-level secret skill “Dream Lost”?” Xu Ming is now rich and rich, and he spends all the profound stones dug from the mines of the Liang system. purchase!

Having learned the secret skills of the heavenly level again, Xu Ming couldn’t wait to try it on Wei Yumo...

“Hehe!” Xu Ming smirked again – this is the first time he has stood on the ring and smirked.

But at this moment, Wei Yumo suddenly said, “I won’t fight, I will admit defeat!”

admit defeat?

Xu Ming was stunned, why did he admit defeat, I just learned “Dream Lost”, and I haven’t had time to show it, so you won’t fight?

“Admit defeat?” Master Mei Cheng, the host, also asked unexpectedly.

Wei Yumo participated in the Zongmen Wushu before, but he never voluntarily admitted defeat! Even if you lose, you can’t beat it until the end, and you regret losing.

“Yes, admit defeat!” With that, Wei Yumo jumped off the ring.

“Forehead...”

The whole scene looked at each other.

Last year, Wei Yumo, who was ranked 10th in Zongmen Wushu, just conceded defeat after just trying a few tricks with Xu Ming?

This made many people who secretly bet on Wei Yumo jumped with anger.

“Damn it! Fake beating! It’s definitely fake beating!”

“Wei Yumo’s strength is so strong, and he was the tenth place in the sect martial arts last year. Why did he admit defeat inexplicably! It must be intentional, they must have deliberately colluded!”

“What about morals! How can you fake a fight!?”

“I’m not convinced, I’m not convinced when I lose! I’ll stop betting, give me back the profound stone!”

However, the masters in the sect saw the clue – Wei Yumo admitted defeat, not surprising!

Wei Yumo is strong in mental attacks. If she can suppress her opponents in mental attacks, she will be able to fight a dozen more.

But now, Wei Yumo doesn’t seem to have the slightest advantage in mental attack!

In terms of physical attack, Xu Ming had the best record of defeating Gu Fei with three moves, and he was definitely stronger than Wei Yumo.

Wei Yumo couldn’t see any hope of winning, so it was reasonable to admit defeat.

“We still underestimate Xu Ming, reads();!” Gu Xi’s senior management sighed.

“Yeah, I really didn’t expect that he is not only more powerful than Gu Fei in physical attack, but also more powerful than Wei Yumo in mental attack... and he is still so young, he is really a monster!”

“This Xu Ming’s strength has reached the half-step condensing level, right?”

“Absolutely achieved!”

“The fifteen-year-old half-step condensing pill is really a treasure!”

Gu Kongshan’s eyes are far-sighted: “It is the first time to participate in the sect martial arts, and you can enter the top eight. It is indeed very evil! However, this next battle...”

Gu Kongshan's gaze couldn't help but drift to the senior management of Zhang Department.

In the next battle, Xu Ming's opponent will be Zhang Youtian, the arrogant son of Zhang Xie!

At this time, the senior members of the Zhang Department were also discussing Xu Ming intensely.

"Gu Xi is about to create an amazing character!"

"Indeed... When he grows up, he might become another Gu Kongshan! If there are two Gu Kongshans in the Gu department, then our two departments should not fight with them!"

"Humph! Then you have to grow up!"

"Liang Xi, I really won't let him get up..."

"What's going to happen in the future, we don't know!" Zhang Kuang shook his head and laughed, "But right now, look, I will let this genius taste the taste of failure right away!"

The other Liang clan elders also said: "If Youtian wants to win him, it will be easy."

Zhang Youtian is just the limit of congenital consummation; however, even if Xu Ming has already shown his half-step strength to condense pills, the top leaders of Liang Clan, or in other words, the high level of the entire Wilderness Sect, still think that Zhang Youtian will win!

because...

Zhang Youtian's realm is too high!

Only the limit of congenital perfection, but he has already realized the realm of domain level!

In the realm of "harmony between man and nature", you can already faintly feel the help from the nature of heaven and earth; in the realm of "domain", you can directly borrow the power of nature!

It's not false, but it really borrows the power of nature – the power of heaven and earth!

Moreover... the illusory power of nature is actually infinitely powerful!

Those who are not in the realm~www.readwn.com~ cannot feel the majestic vastness of the power of nature. But the domain realm martial artist can feel that the natural power of heaven and earth is unfathomable; even if it is used a little bit, it is terrifyingly terrifying – at least it is more terrifying than the power of the whole body in the half-step condensing pill realm!

Zhang Youtian, although the cultivation level is only the limit of congenital perfection, the realm of the realm alone is enough to despise all the half-step condensing pills who do not understand the realm of the realm!

Looking at the many talented disciples of the Wilderness Sect, only Lin Xuan and Ye Qianliu, who are both in the domain and have a higher cultivation level, can make Zhang Youtian feel ashamed!

As for Xu Ming... Obviously, Zhang Youtian hasn't put Xu Ming in his eyes yet!

Zhang Youtian's third battle also went well. He didn't even need to show the realm of his realm, so he easily won the opponent.

Therefore, when the fourth battle, that is, the "eight into four" battle begins, Xu Ming and Zhang Youtian will undoubtedly stand in the same arena.

"Xu Ming...I didn't expect that we would fight here! You really gave me a big surprise!" Zhang Youtian sneered, "But...you don't admit defeat at the beginning! In this battle, I want to You don't even have a chance to admit defeat!"

Chapter 153: , A Two-Pronged Approach

() I don't even have a chance to admit defeat?

Xu Ming just wanted to say – young man, where did you get your confidence from? Does it depend on your realm?

When Xu Ming won the third battle, Gu Hanmo dragged him through voice transmission for a long time. The content of the sound transmission is naturally to tell Xu Ming, how powerful this Zhang Youtian is, and what a unique trick reads();

However, after listening for a long time, Xu Ming could not hear how powerful Zhang Youtian was. After finishing, Xu Ming asked: “Is it very powerful? It’s the realm, right?”

“The realm is not that powerful?” Gu Hanmo said in a surprised tone at that time.

Xu Ming smiled shyly: “I’m sorry, I’ve realized something recently, so... I realized the realm of the realm by accident!”

“What!?” Gu Hanmo was horrified.

When did comprehension of the realm become as easy as drinking cold water? In the first two months, didn’t Xu Ming just realize the unity of nature and man; how could he realize the realm directly in the blink of an eye?

This is simply a fantasy!

However, what Xu Ming said, even if it was a fantasy, Gu Hanmo chose to believe it without hesitation!

Yes, it’s just so foolish to believe. Gu Hanmo’s “symptom” of blind trust, if it is explained in professional terms, it should be called – emotion overcomes reason.

Back to the ring.

In the face of his opponent’s self-confidence, Xu Ming didn’t have much to say. He could only squeeze out a smile and reply with two words contemptuously: “Haha!”

Xu Ming really wanted to educate and educate Zhang Youtian for his father – don’t you know that underestimating the enemy is the most stupid behavior on the battlefield?

Feeling Xu Ming's contempt and ridicule, Zhang Youtian's eyes became colder and colder: "Just laugh! You can still laugh!"

Xu Ming shook his head secretly and said, "Do you hate me for anything?"

The contradiction between Xu Ming and Zhang Youtian, to put it bluntly, is really just a little contradiction.

Zhang Youtian spoke ruthlessly and told Xu Ming to stay away from Gu Hanmo, but Xu Ming didn't care about him at all – that's all.

Xu Ming almost forgot about the character Zhang Youtian, but Zhang Youtian seemed to have a big revenge against Xu Ming for murdering his father and taking his wife. coming!

He has no eyes on his fists and feet. In the arena, although Zhang Youtian didn't dare to make a deadly move, he deliberately made a few heavy moves. In his capacity, no one would say anything.

"Hate? You deserve to be hated by me?" Zhang Youtian voiced disdainfully, "Xu Ming, let me tell you, although I am good at talking, I am definitely not someone who is submissive – I give you face like this, but you don't. Give me face! I really think Zhang Youtian is easy to bully, don't you?"

"Hey, hey, wait!" Xu Ming interrupted with sound transmission, "Zhang Youtian, why can't I understand what you're talking about – when did you give me face? When did I stop giving you face? Yes, have I bullied you?"

What Zhang Youtian said really confused Xu Ming.

"Humph! You actually asked me when I gave you face?" Zhang Youtian snorted coldly, "You forgot, I came to warn you myself to keep you away from Gu Wenmo, doesn't this give you face yet?— I came here in person, isn't this face enough?"

puff!

Xu Ming almost burst out laughing.

have to!

It turned out that in Zhang Youtian's concept, he personally came to warn himself, which was to give himself a great face! – Xu Ming has never heard of such a face, never seen before!

Xu Ming can only say that this face is very...personal!

Needless to say, Xu Ming also knew why Zhang Youtian said that he would not give him face—because after Zhang Youtian warned him, instead of “rehabilitating the past”, he “intensified”. Except during the mining period, other times, when they have nothing to do, they play reads(); with Gu Hanmo.

When Zhang Youtian saw the goddess in his mind, he was teased by Xu Ming all day long; and he couldn't save the goddess from “distressed waters”, can he not be anxious? Can you not hate Xu Ming? Can you not want to kill Xu Ming?

Alright, now, here's the chance to kill Xu Ming! Even if it can't be killed, at least half-dead!

Zhang Youtian had a ferocious expression, wishing that the battle would start immediately, so that he could kill Xu Ming immediately!

Xu Ming was too lazy to pay attention to Zhang Youtian's hideous expression, but said lightly, “Then do you think that you can definitely beat me?”

“Win you?” Zhang Youtian seemed to have heard a big joke, and laughed loudly, “I Zhang Youtian, if I can't win even you, I might as well get rid of the palace immediately and stop being a man! Hahahaha...”

Xu Ming quietly watched Zhang Youtian laugh foolishly.

After he finished laughing, Xu Ming deliberately exclaimed: “Then I can't win against you anyway. When the next time starts, I'll just admit defeat – let's see what you can do to me!”

“You...” Zhang Youtian was stunned, he didn't expect that Xu Ming would admit defeat so lightly, as if he didn't think it was a very shameful thing to lose without a fight, “You are not allowed to admit defeat!”

Zhang Youtian blurted out.

“Don’t admit defeat?” Xu Ming’s mouth raised slightly, “Wait a minute, as long as Elder Mei Cheng gives an order, I will immediately admit defeat! While shouting, I also ran to the bottom of the ring—what can you do to me? ”

“Eh...” Master Mei Cheng was ashamed.

He has presided over a sect martial arts meeting for so many years, and this is the first time he has seen a disciple who admits defeat so confidently, as if admitting defeat is a very remarkable thing.

Not only Master Mei Cheng, but also the seven or eight thousand Savage Sect masters were speechless.

This Xu Ming is too shameless, right?

Can you stop being so arrogant about admitting defeat?

Don’t you have the dignity of a warrior?

Everyone else was horrified by Xu Ming’s shamelessness, but Zhang Youtian was in a hurry – he finally seized the opportunity to get a good deal with Xu Ming, but how could he be willing to let this boiled duck fly away?

“No way! You are not allowed to admit defeat anyway!” In Zhang Youtian’s opinion, it seems that someone like Xu Ming who has a lower status than himself must obey his own orders;

Even now, he foolishly said to Xu Ming in a commanding tone—you are not allowed to admit defeat!

Isn’t that stupid?

But... Of course Xu Ming didn’t really plan to admit defeat~www.readwn.com~, but just teased Zhang Youtian first.

“Want me not to admit defeat? Okay!” Xu Ming’s mouth curled up again, “I want to bet with you!”

Xu Ming’s fox tail finally appeared again.

Don’t ask Xu Ming why he likes to gamble so much – don’t you realize that it’s a cool thing to make some money while slapping your face?

Slap in the face and cheat money, what is this called?

Call it two-pronged!

Although Xu Ming is now “sitting on” a profound stone vein, he may not be able to see Zhang Youtian’s small net worth. However, what Xu Ming enjoyed was this process – not only did he want to make Zhang Youtian’s face hurt, but he also wanted to make him feel bad!

Zhang Youtian also saw Xu Ming’s intention at this time, and he sneered: “Betting? I’m afraid you won’t succeed? -Tell me, how to bet!”

Chapter 154: , Gun Lane

() How to bet?

Xu Ming likes this ignorant and fearless answer the most.

“If anyone loses, take out the reward for the martial arts!” Xu Ming said.

The losers of this battle will be ranked fifth to eighth, and will be rewarded with a soul raising pill.

Zhang Youtian smiled and said, “It’s not bad to be able to get a soul nourishing pill for nothing!”

“Add... 10,000 low-grade profound stones!” Xu Ming said again.

“10,000 low-grade profound stones? Your kid has a big appetite!” Zhang Youtian sneered, “But, just like you, a kid from a small country, can you get 10,000 low-grade profound stones? You don’t want to empty your gloves. White wolf, right? – If you lose and can’t give Xuanshi, will you risk your life?”

Zhang Youtian didn’t mind Xu Ming taking his life to arrive.

“Isn’t it just ten thousand low-grade profound stones? I won’t be able to get them out?” Xu Ming said, “Let’s just say whether to gamble or not!”

Zhang Youtian squinted his eyes slightly: “Betting! Of course betting! – Come on boy, you go first, lest I say I won’t give you a chance!”

“I’ll shoot first?” Xu Ming’s mouth curled up in a strange arc.

And at the moment when Xu Ming’s mouth opened with a smile, Zhang Youtian found that Xu Ming’s whole body suddenly froze there, motionless reads();. It felt as if Xu Ming had been drawn into a picture frame; the tips of Xu Ming’s hair wouldn’t even shake when the breeze blew.

“What a strange feeling!” Zhang Youtian couldn’t help but wonder.

Suddenly, a sound transmission exploded in Zhang Youtian’s mind: “Youtian, be careful!”

This sound transmission came from his father’s arrogance.

“Be careful?”

Since Dad transmits his voice like this, there must be a reason.

Zhang Youtian didn’t think much about it, when his mind moved, a circle of light cyan fields appeared around him.

The light cyan field is spherical, and the range is not large, only ten feet (about 3.33 meters in diameter). The center of the field is exactly where Zhang Youtian’s sea of consciousness is; wherever the sea of consciousness moves, the spherical field will follow.

At this moment, Zhang Youtian suddenly felt that the field behind him was suddenly blasted open.

A fist suddenly appeared in the field behind him.

fist?

Why are there fists?

Zhang Youtian was puzzled – didn't Xu Ming stand motionless opposite him, why would a fist appear behind him?

At this time, Zhang Youcai discovered that Xu Ming, who was opposite him, was gradually dissipating.

“It's an illusion!” Zhang Youtian was inexplicably horrified.

He didn't know when, he had already fallen into Xu Ming's illusion. Zhang Youtian saw that Xu Ming was motionless, but Xu Ming had actually walked around behind him.

“What a terrifying illusion!” Zhang Youtian was secretly shocked, “Fortunately, my father reminded me that I sacrificed the field in time!”

The scope of the realm is not large, but within the realm, Zhang Youtian can mobilize the power of nature at will.

“Block that fist for me!”

Under the command of Zhang Youtian's Sea of Consciousness, within the realm, the light-blue natural forces of heaven and earth converged in an instant, blocking Xu Ming's fist.

Bang!

Xu Ming's fist just hit the force of nature.

The natural force of heaven and earth is gentle and invisible; although Xu Ming's punch was blocked, his fist didn't hurt at all, as if it hit cotton. However, the power contained in this punch is like a stone ox entering the sea, and it will never return.

"Is this the realm? It's really weird!"

Xu Ming has not experienced the realm before, but if he wants to experience it, he can immediately realize it as soon as he activates the new function "Super Perfect Battle" of the plug-in.

"Don't be in a hurry to start the 'super perfect battle', first feel how powerful the realm is in Zhang Youtian!"

In the blink of an eye, Zhang Youtian had completely broken free from the illusion, and turned around to see Xu Ming's real body.

"It's really a good trick!" Zhang Youtian said with a wicked smile, "Even if I was not careful, I almost made your sneak attack succeed!"

"Is it just about succeeding?" Xu Ming sneered, "If I guessed correctly, someone must have reminded you by voice transmission just now! Otherwise, you wouldn't have recovered so quickly!"

This phantom mental attack was exactly the heaven-level secret skill "Dream Lost" that Xu Ming had just learned. As the manipulator of the mental attack, Xu Ming could naturally feel that Zhang Youtian was lost in his illusion at that time.

Obviously already lost, but suddenly, Zhang Youtian woke up without warning, and opened the field of his comprehension reads(); in time.

Of course Xu Ming guessed that someone must have reminded him through voice transmission.

Illusory mental attack, unless you are deeply lost, you can easily be awakened. However, the difference in strength between Xu Ming and Zhang Youtian is not too big. It is obviously difficult to make Zhang Youtian get lost deeply!

“Humph! Nonsense!” Of course Zhang Youtian would not admit the fact that he had just been reminded by his father, “Your illusion is fragile and can be broken by a finger! And... illusion attacks are the best when they are unexpected. I just didn’t think so. Xiao, follow your way; from now on, you won’t have any chance!”

“Haha.” Xu Ming smiled disdainfully and did not argue, “I originally thought that this battle could be easily ended, but it seems that it still takes some effort!”

Having said that, Xu Ming finally took out his weapon for the first time in the sect martial arts meeting – the middle-grade treasure, the Devil May Cry Gun!

With the Devil May Cry gun in hand, Xu Ming’s aura skyrocketed to a new level in vain.

As soon as the expert makes a move, you will know if there is any!

The moment Xu Ming grasped the gun barrel, he directly united with the gun. The masters of the Wilderness Sect can all feel the aggressive gun force emanating from Xu Ming’s body at this moment!

“What a sharp gun!”

“If the warriors below the innate are targeted by this gun, I am afraid that their legs will be weak and they will lose the strength to resist!”

“The gun is terrifying, and he is definitely a master of the gun!”

“Yeah! I’m not a gun master, there is no such gun!”

“How on earth did Xu Ming cultivate his marksmanship? It’s said that the moon stick, the year’s knife, and the spear of a lifetime—many masters who are obsessed with the art of spear, who have been engrossed in practicing for a lifetime, may not be able to have such a spear, right?”

“Gundo Wizards!”

“Wang Chao!” At this time, the senior sect leaders of the three lines of Gu, Liang, and Zhang started a “voice transmission group chat” at the same time, “In the entire wild sect area, your marksmanship is the best. Tell me, this Isn’t Xu Ming’s talent in the art of spear shocking?”

The one who asked the question was an elder of Zhang Xie.

Wang Chao is known as the “Sunday Spear”, and in terms of marksmanship, there is really no better than him in the Wilderness Sect area. There is only another sharp spear, Xiao Lang, who is on par with him.

Therefore, Wang Chao is undoubtedly an authority and expert in the gun lane! Regarding the talent of the gun, the one who has the most say in the scene is undoubtedly Wang Chao.

Even Gu Kongshan and other senior members of the Gu Department ~www.readwn.com~ couldn’t help but listen carefully; they also wanted to hear how Wang Chao commented on Xu Ming’s talent in spear art.

“Xu Ming’s talent for spear art?” Wang Chao glanced at him disdainfully, and said, “How can spear art go so well? This Xu Ming is only able to hold his spear steady; if we talk about talent, just make do with it!”

Barely fit?

Of course the senior sects didn’t believe it.

If Xu Ming’s talent in the art of spear can only be considered barely enough, then what is Wang Chao?

Scum?

It can only be said that this Wang Chao is too arrogant and looks down on any other spearman genius. It was also Xiao Lang, who often went to Dabaojian with him, to get along with him.

Xu Ming stood with a gun, and the gun was close to Zhang Youtian: “You also show your weapons, I will fight you fairly, lest you lose and refuse to accept!”

“Brighten the weapon?” Zhang Youtian wore a light blue ball of light and smiled disdainfully, “Just you, are you worthy of letting me display the weapon?”

Chapter 155: , Blast The World

() Just you, are you also worthy of letting me show off my weapons?

Xu Ming shook his head secretly, he was almost used to Zhang Youtian’s self-confidence.

“If that’s the case, let’s take it!”

Xu Ming’s figure flashed, and the Devil May Cry gun “swish” and took Zhang Youtian directly.

However, Zhang Youtian’s body is protected by a spherical field.

The spherical field itself is just a phantom and has no real effect. However, when the tip of the Devil May Cry Spear pierced into the range of the spherical field, immediately, the force of nature gathered in front of the tip of the gun.

When the tip of the spear arrives, the force of nature is also gathered. The long spear collided with the natural force of heaven and earth, and the power of the full spear was like a stone sinking into the sea.

“This defense...” Xu Ming was also a little helpless, as if he couldn’t even touch Zhang Youtian’s clothes!

How to fight this?

“Hahaha...” Zhang Youtian laughed wildly, “You dare to challenge me even if you are not in the realm, you think you are a master of condensing pills! – Next, it’s my turn to attack!”

Laughing wildly, Zhang Youtian directly deceived himself and approached Xu Ming, obviously wanting to cover Xu Ming into the realm – after all, within the realm, he can exert his strongest strength reads();!

The arena is so big, Xu Ming has no way to retreat. And in fact, Xu Ming didn't even think about quitting.

"Domain? Is it really powerful?" Xu Ming wanted to try, so he did not deliberately avoid the shroud of the domain.

However, Zhang Youtian's domain was only so large, with a diameter of only one zhang, and a radius of only half a zhang. It was obviously impossible to swallow Xu Ming, who was holding a spear.

However, Zhang Youtian didn't have to swallow Xu Ming's entire domain; he only needed to let the domain cover Xu Ming a little, and he could manipulate the power of nature to attack.

call out!

When Xu Ming's arm was shrouded in the domain, immediately, the force of nature from the heavens and the earth shot.

Moreover, Xu Ming felt that the force of nature this time was obviously aggressive.

Of course Xu Ming didn't dare to try his own way at will, so scared that he shrank his hands and retreated out of the field. But at the same time, Xu Ming's right foot was accidentally shrouded in the field.

In the realm, the power of nature is everywhere; immediately, the power of nature gathers again and shoots at Xu Ming's right foot.

Shrinking your feet is not as easy as shrinking your hands. This time, Xu Ming couldn't shrink back!

Whoosh!

Fortunately, Xu Ming realized the danger early, and with a flick of the spear in his hand, he stabbed in the paths of several forces of nature.

Bang! Bang! Bang! Bang! ...

The sharp, aggressive nature force of heaven and earth made the spear tremble.

Feeling the power from the gun barrel, Xu Ming was secretly shocked: “Fortunately, it was blocked by the long gun. Otherwise, it would be impossible to stop it if it directly attacked the body! Maybe it will leave a few blood holes directly on the body!”

The natural power of heaven and earth hides and is invisible when not activated; when used for defense, it is gentle and soft; when used for attack, it is extremely sharp and sharp!

“Block?” Zhang Youtian sneered disdainfully, “You can block once or twice, but can you block every time?”

“Who said I was going to keep blocking it?” Xu Ming suddenly smiled strangely, “I don’t believe it, you, a little eggshell, will be invincible!”

At this time, Xu Ming thought of a sentence – the best defense is offense!

“Give me another shot!”

Xu Ming shot forward again.

But this time, the spear in Xu Ming’s hand trembled slightly at a peculiar frequency while piercing, and even faintly murmured.

This is exactly the profound-level spear technique that has been cultivated to its culmination—
Ripple Spear!

“It’s useless!” Zhang Youtian said disdainfully.

As far as his vision is concerned, of course, he could not see the mystery of this gun for a while. He also thought that this was just a very ordinary shot!

The power of nature, heaven and earth, gather!

The long spear hit the force of nature again, and the ripples hidden in the spear exploded instantly!

“Double gun wave!”

puff!

The force of nature, which was gathered into a ball for defense, was directly stabbed by this gun.

The natural force of heaven and earth bursts out, as gorgeous as fireworks reads();.

Only at this time, the gun power was almost exhausted.

However, Xu Ming smiled: “The natural defense of heaven and earth is not invincible!”

How vast and vast the world is naturally, Xu Ming did not know. However, Xu Ming was convinced that with Zhang Youtian’s strength, the ability to borrow the natural power of heaven and earth must be limited!

Since it is limited, Xu Ming does not believe that he cannot break the defense formed by the power of nature!

Sure enough, this trick in the Ripple Gun, “Double Gun Wave”, worked! The power of the long spear obviously exceeds the defense limit of the power of nature, and the power of this spear is no longer the same as before, but directly forcibly pierced the power of nature!

“This shot...”

The experts of the Wilderness Sect couldn’t help but be amazed and shocked by Xu Ming’s shot.

“It’s hard to destroy the power of nature, even a relatively powerful half-step condensing pill martial artist, right? Xu Ming’s shot is so powerful?”

“Could it be that Xu Ming’s strength is already at an extremely powerful level in half-step condensing pills?” The expert who said this was actually not ruthless enough.

Immediately, other experts with good eyes answered: “Xu Ming’s strength is actually a very ordinary half-step condensing pill; but his skill with this shot is very good! If I read it correctly, this kind of skill, It should be called ‘stacking waves’!”

“It’s really ‘Die Lang’!” Gu Kongshan said firmly in the “Sound Transmission Group Chat”, “It’s just that the technique of ‘Die Lang’ is generally only used for swordsmanship and swordsmanship; ‘Yes, it is very rare, and it is very rare! However, seeing Xu Ming display it, it seems that the power is very good; just two overlapping waves can allow him to directly pierce the power of nature!”

“The power of the stab of a long spear is much greater than the slash of a sword. It is certain that the power of the spear can be used to perform ‘stacking waves’!”

“Wang Chao, can you use the long spear to use the ‘folding waves’ skill?” Suddenly there was an elder, whether intentional or unintentional, and suddenly brought the topic to Wang Chao.

“Let’s talk about it! How can guns play like this?” Wang Chao scoffed, “Besides, isn’t it just two overlapping waves? If you really want to practice, why is it difficult?”

“Two overlapping waves, it’s not difficult! However, this kid Xu Ming, who can apply the skills of overlapping waves to a long spear, is indeed very thoughtful and not easy!” An elder of Zhang Department couldn’t help but praise. Xu Ming is here.

Long guns with stacked waves are indeed the only thing he has ever seen in his life.

“Humph!” Wang Chao snorted, “It’s not easy? It’s just that you don’t know much about spear art~www.readwn.com~ just watching the sky! – Besides, what if the double spear wave is displayed? Can you break through the realm?”

“Look at it all!”

At this time in the arena, Zhang Youtian was also a little surprised: “Using a long spear to use the skill of stacking waves? – But it’s useless, you can’t break the defense in my field; no matter how you fight, I’m already invincible. It’s gone!”

“Can’t be broken?” Xu Ming smiled strangely.

The double spear wave is indeed still unable to break through the domain defense. Although it can pierce the natural obstacles of heaven and earth, at the same time, the gun force is already at the end of the line.

but!

What about the triple gun wave?

What about the quadruple gun wave?

What about the five-layer gun wave?

Can’t be broken?

There is nothing in the world that cannot be broken!

Chapter 156: , Dangxing

() “Pick me up again!”

This shot, the frequency of tremors is faster, but the murmur of the long spear is lighter.

puff!

In the field, the blocking of the natural power of heaven and earth was directly stabbed; and the long spear continued to take Zhang Youtian with a strong power!

“What!?” Zhang Youtian was shocked.

The power of this gun has increased by three points again!

Zhang Youtian hurriedly manipulated the power of nature again, forming a second defense, and then stopped the shot.

But Zhang Youtian inevitably had lingering fears: “It’s so dangerous!”

Triple Gun Wave!

“It’s the triple spear wave!” The experts of the Wilderness Sect widened their eyes.

Just now, when Xu Ming unleashed his double spear wave, he almost blinded them. Now, as soon as the triple gun wave came out, the dog’s eyes were even more blinded.

The triple gun wave seems to be only one word apart from the double gun wave; however, the difficulty has soared several times!

“Evil aptitude!” An elderly Gu Department elder sighed. Compared with Xu Ming, he had been cultivating hard in his life, and he had really cultivated into a dog. However, seeing Gu Xi being able to have such a monstrous genius, there was more of a gratified smile in his eyes.

There are talented people in the Jiangnan generation, and they have been leading the way for hundreds of years!

“To be able to gather the power of nature for the second time to defend...” Xu Ming was slightly surprised, “It’s okay – I’d like to see if you can gather reads(); for the third time!”

This time, Xu Ming directly displayed the five-layered gun wave!

That’s right, the five-layer gun wave!

If it is a quadruple gun wave, after piercing the two layers of the natural power of heaven and earth, it will definitely be the last resort. Therefore, Xu Ming simply went one level higher, the five-layer gun wave!

puff!

puff!

Two consecutive natural forces of heaven and earth were stabbed by a long spear. And Zhang Youtian is no longer able to gather the third defense.

“Humph!”

In desperation, Zhang Youtian slapped the gun directly with his palm—with the domain bonus, Zhang Youtian’s body is also very strong!

boom!

The spear was deflected by a palm.

It’s just that Xu Ming’s spear contains tremors, so how can he shoot casually? After the slap, Zhang Youtian also left a hideous bloodstain on his palm, showing the flesh.

“Hi-” Zhang Youtian bared his teeth in pain.

However, a strange light blue energy lingered in Zhang Youtian’s injured palm, repairing his injury at a speed visible to the naked eye.

“Five-layer gun wave!?” Another middle-aged elder from the Gu Department stood up in shock.

This elder usually does not show the mountains and waters, and he is very low-key in the sect. Xu Ming may not have heard of him much. However, this elder’s reputation in the Wilderness Sect area is very prominent, and the people in the rivers and lakes call it – “God of Stick” Li Helin!

Li Helin, who has practiced the Xuanjie cudgel “Nine Levels of Stick Shadow” to the extreme, is a well-deserved number one cudgel master in the Wilderness Sect area.

And “Stick Shadow Nine Layers” mainly talks about the application of the skill of stacking waves in the stick technique!

Li Helin is pretentious. He realized the “Second Layer of Stick Shadows” at the age of fifteen, the “Three Layers of Stick Shadows” at the age of 18, and now, at the age of forty-five, he has realized the “Nine Layers of Stick Shadows”! He admits that his talent is already extremely enchanting and defying the sky.

But now, seeing Xu Ming, Li Helin knew what a real enchanting genius is!

“At the age of fifteen, you can display the five-layered spear wave!?” Li Helin found that compared with Xu Ming, he was an idiot at all!

“Isn’t it just the five-layer gun wave? Li Helin, when did you become so ignorant?” Wang Chao mocked.

“Isn’t it just the five-layer gun wave?” Li Helin sneered, “You know the shit! If you have the ability, you can also use a five-layer gun wave to come out, and I will immediately kneel down and call you grandpa!”

Only those who have truly walked the road of “Dielang” can understand the difficulty of Dielang.

Wang Chao was suddenly dumbfounded, he really couldn’t show the five-layered gun wave; because his marksmanship was in a different style.

However, Li Helin’s shock is far from over...

At this time, Zhang Youtian finally didn’t care about his shame, and he pulled out his weapon, a long knife with a narrow edge but a thick blade.

“You can actually force me to show off my weapons, I admit, I underestimated you!” Zhang Youtian’s long knife was naturally covered with a layer of light blue light, apparently also blessed by the power of nature.

“Hehe, what’s the explanation? Just turn on the weapon when you turn on the weapon, come on!”

Xu Ming’s mysterious secret technique “Ripple Gun” has been learned to the extreme in seconds; even if it is to use “Nine-layered Gun Wave Ripple”, it is as easy as reads();.

However, why didn’t Xu Ming directly cast the ripples of the nine-layered spear as soon as he came up?

Because, since he is in the ring with Zhang Youtian, he will let Zhang Youtian lose convincingly and lose without any temper!

Now, Zhang Youtian’s field has also been opened, and his weapons have been drawn out. Xu Ming is about to – let go and kill!

“It’s done, Zhang Youtian!” Xu Ming reminded specially.

“Humph!” Zhang Youtian snorted coldly, “Don’t you just do it two times? Do you think that I will take out my weapon, and you will still have a chance?”

Xu Ming disdains to argue.

Because right away, reality will give Zhang Youtian the loudest slap in the face!

“Try mine – Nine-layered Gun Wave Ripples!”

In the nine-layered spear wave, the tremor of the spear could not be seen, nor the murmur of the spear—not that the tremor disappeared, but the frequency of the tremor was too high, and it was difficult to feel the tremor with the naked eye!

puff!

puff!

The ripples of the nine-layered spear pierced through the defenses of the two layers of the natural force of the heavens and the earth.

“Huh? It seems to be much stronger again!”

Although Zhang Youtian was frightened, he was still very confident with the knife to resist. On his knife, there was also the bonus of the power of heaven and earth, and the power should not be underestimated.

However...

boom!

Wherever the spear came, the sword was thrown straight away.

“What!?” Zhang Youtian was horrified, and was terrified to avoid the piercing of the spear tip.

However, Xu Ming seemed to have expected it long ago, and the spear flicked—

Bang!

Immediately, a shot containing the power of nine-layered spear waves and ripples slapped Zhang Youtian’s abdomen directly, causing Zhang Youtian to bounce off without any resistance!

puff!

The power of this spear was so terrifying that Zhang Youtian was drawn to the point where he vomited blood.

Bang!

Zhang Youtian crossed a graceful arc in mid-air~www.readwn.com~ and smashed outside the arena in embarrassment;

At this time, very few people paid attention to Zhang Youtian, and everyone's attention was almost entirely on Xu Ming.

Among the masters of the sect, more than half of them were so shocked that they bounced directly from their seats.

All the masters widened their eyes in disbelief: "Nine-layered gun wave! It's the nine-layered gun wave!"

"How old is Xu Ming, how could he be able to display the Nine-layered Spear Wave!?"
Immediately, even the masters themselves didn't believe it.

However, no matter how hard they struggled to believe it, the facts were in front of them and there was no doubt about it.

Fifteen!

Nine-layer gun wave!

Li Helin was so excited that he didn't know how to describe Xu Ming: "A talent of the world! Absolute talent of the world! I, Li Helin, have traveled millions of miles in my life, and I have never seen such a genius! !"

Chapter 157: , Rebate

() The senior members of the Gu Department deeply savored Li Helin's words.

For a long time, the high-level officials nodded silently: "If he can grow up, our Gu Department will indeed rise unstoppably!"

"His talent is probably no less than your Sect Master!"

Sect Master Gu Kongshan said: "At the age of fifteen, he realized the nine-layer gun wave. He was born for the gun! In terms of talent, he is not inferior to me; in terms of actual combat, I am afraid he is stronger than me! But..."

But what? Gu Kongshan did not go on, but all the high-level officials understood it.

Xu Ming, can you grow up smoothly?

Liang Xi, he will definitely try his best to get rid of Xu Ming secretly!

As expected by the senior management of the Gu Department, the senior management of the Liang Department had already regarded Xu Ming as a thorn in the eyes of reads();.

“Elder, this Xu Ming not only has to be killed, but I’m afraid he has to kill him as soon as possible! His talent is too terrifying; if he wants to kill after entering the Pill Condensation Realm, it will not be easy!”

The first elder Liang Weihe had a gloomy face, but why didn’t he know: “Liang Hui, the assassination, after the sect meeting is over, you will immediately implement it!”

In the Wilderness Sect, the Liang clan and the Gu clan struggled for thousands of years. In this generation, the Liang clan actually has a great advantage, but why is it still unable to win the control of the Wilderness Sect? – It’s because Gu Xi created a Gu Kongshan!

“One Gu Kongshan will overwhelm our entire Liang Clan...” Liang Weihe gritted his teeth, “When Xu Ming grows up, he will be another Gu Kongshan; at that time, our Liang Clan will be in the Wilderness Sect, how can we stand still? land!”

Xu Ming, must, kill immediately!

At this time, outside the ring, Zhang Youtian managed to stand firm. However, his face was pale and bloodless, and he was obviously shocked by Xu Ming’s shot.

“How...how is it possible...” Zhang Youtian still can’t believe that he has already lost, “I am a domain realm, how could he defeat me...”

“Zhang Youtian!” Xu Ming stood on the ring with a gun.

“Humph! Xu Ming, I’ve already lost, what else do you want to say, are you trying to humiliate me on purpose?” Zhang Youtian said coldly.

“Deliberately humiliating you? I’m not that bored yet...” Xu Ming smiled disdainfully, “I just remind you that the reward for the sect martial arts you will be waiting for is mine! Oh, by the way, there are still 10,000 low-grade Xuanpins. Stone, bring it!”

puff!

Zhang Youtian was seriously injured, but now he almost vomited blood when he heard Xu Ming’s words.

“Hmph, isn’t it just a soul nourishing pill, and ten thousand low-grade profound stones? – I still rely on you to make such a thing?” Zhang Youtian directly threw Xu Ming a ring, which was just no more, no less, no less than 10,000. Low-grade Xuanshi, “That soul nourishing pill, you can take it directly later!”

Zhang Youtian speaks arrogantly, but in fact, his heart is bleeding!

A soul nourishing pill, plus 10,000 low-grade profound stones, was almost worth his entire net worth!

However, the bet between him and Xu Ming was carried out under the witness of the entire Savage Sect. If he dared to rely on this account, not only would Zhang Youtian lose face in the Wilderness Sect in the future, but even the entire Zhang Department would be embarrassed by him.

Therefore, even if Zhang Youtian’s heart was bleeding, he could only pretend to be bold and throw out his bet.

Xu Ming happily accepted the ring, and deliberately ordered some profound stones in front of Zhang Youtian. After confirming that it was correct, he said, “Young Master Zhang is really careful! If you say ten thousand low-grade profound stones, it is really ten thousand low-grade stones. Profound stones, don’t give me more than a single one!”

“Ha ha...”

“what...”

Xu Ming’s words caused many people to burst into laughter.

Zhang Youtian’s face was so gloomy that it dripped with water, he snorted coldly, turned around and left.

“Zhang Youtian, you seem to have forgotten one thing!” Xu Ming stopped him again.

Zhang Youtian was indignant: “The mysterious stone has been given to you, and the soul nourishing pill has also been asked to get it yourself, what else do you want!?”

“Hehe, the bet against me is indeed cleared! But...” Xu Ming smiled meaningfully, “I seem to remember that you said that if you can’t even win, you will... immediately leave the palace?”

As soon as these words came out, the audience was dumbfounded—Xu Ming actually pulled out the stubble reads();.

“Xu Ming is too... he won’t spare anyone, isn’t he? This is completely slapping Zhang Youtian in the face!” Some onlookers commented.

“Isn’t it unforgivable to gain power? Have you forgotten how Zhang Youtian humiliated Xu Ming just now? Now that the humiliation is not successful, but getting slapped in the face is what he deserves!”

“Xu Ming is too much, I don’t know. But I remember clearly, Zhang Youtian did say that if he can’t even win against Xu Ming, he might as well get out of the palace immediately!”

“Yes, I also remember Zhang Youtian said this!”

“Zigong... This is too cruel, right? Can Zhang You get rid of it?”

“It’s a bit ruthless, but men, always be a little ruthless to yourself!”

“But... if Zhang Youtian was really cruel to himself, he wouldn't be a man after all...”

“This... Can Zhang Youtian be ruthless?”

“You have to be ruthless! Zhang Xi has always made heavy promises. Since Zhang Youtian said he wanted to leave the palace, he must do what he said!” Saying this is completely out of the question.

When Zhang Xi's senior management heard this, his face turned blue – this is not equivalent to saying that if Zhang Youtian does not come from the palace, then Zhang Xi will not keep his promise?

Zhang Youtian's self-government is not from the palace, and all of a sudden it is related to the credibility of the entire Zhang clan.

If Zhang Youtian is not from the palace, then Zhang Shi has no credibility.

“From the palace, how could it be possible!” There were also sensible people in the onlookers, “Zhang Xi is arrogant at the helm, but Zhang Youtian is an only son; if he is from the palace, who will inherit the lineage of the Zhang family?”

“The fun is big now, let's see what Zhang Youtian will do!”

“Hahaha! It's fun, let's watch the fun! – Hey, this senior brother, let me grab the seeds!”

“Xu! Ming!” Zhang Youtian almost collapsed with anger, he said word by word, “You are too deceiving!”

“Deceiving people too much?” Xu Ming sneered, “Then when you deceived people too much, you forgot? I just, I will give you back your original words!”

“what on earth do you want!?”

What do you want?

Xu Ming no longer had a private chat through voice transmission, but said loudly: “Zhang Youtian, in fact, I don’t care if you are in the palace or not! However, here is a sentence, I want to warn you – in the future, you are not allowed to Harassing Gu Hanmo again; like a big fly, UU reading www.uukanshu.com is very annoying!”

“Uh, Brother Ming is domineering...” No. 2 and other brain-dead fans were shocked by Xu Ming’s domineering words.

Gu Hanmo’s cheeks flushed, and he was secretly angry: “What are you talking about, Xu Ming...”

Liang Hui’s face was frosty—he was also one of Gu Hanmo’s suitors.

Zhang Youtian stared at Xu Ming fiercely.

This sentence was also given to Xu Ming at the time, and now it has been returned by Xu Ming.

“Humph!” Zhang Youtian snorted coldly, turned his head and left, “I remember!”

I don’t know if he remembered this sentence or the humiliation that Xu Ming had done to him.

Seeing Zhang Youtian leaving in a hurry, Xu Ming raised a sneer at the corner of his mouth: “Remember my humiliation to him? So what?”

An opponent who has been trampled by him is not worth his attention at all.

Chapter 158: , 9 Feet Field

() The battle between Xu Ming and Zhang Youtian has come to an end; however, the discussion about Xu Ming in the ring has been ongoing for a long time.

“Stick God” Li Helin even chased after “Sunday Gun” Wang Chao, chattering endlessly: “Is this what you said about the talent is barely enough? You Wang Chao’s talent is not just enough, then tell me, you are fifteen years old When is the realm? It is comparable to the nine overlapping waves? It is comparable to the three overlapping waves? – You scum!”

Wang Chao was so scolded that he couldn't lift his head up, so he was powerless to defend himself. When he was fifteen years old, he couldn't even hold his gun steady!

"Fuck!" Wang Chao could only curse bitterly.

He, Wang Chao, traveled the world with a long spear, traversing the barren sect area, and even broke out the reputation of "Sunday Spear". But I didn't expect that I would be humiliated by a fifteen-year-old boy on the gun track today.

Unconsciously, Wang Chao looked at Xu Ming with a hint of hatred.

It's just that Wang Chao didn't even think about it, Xu Mingke never thought of humiliating him. Even Xu Ming didn't know Wang Chao's comments about him behind his back.

To say that Xu Ming humiliated Wang Chao?

It can only be said that Xu Ming didn't intend to hit him in the face at all, he himself had to bring his face together.

When Xu Ming stepped off the ring, there were only seven reads(); left in the exclusive seat. The owners of the other fifty-seven seats were all moved to the corner with their chairs because of their defeat.

From the beginning to the end, Ye Qianliu watched the battle between Xu Ming and Zhang Youtian calmly. Although he was quite surprised by Xu Ming's strength, he was not panicked at all, as if Xu Ming's strength was not worth his attention at all.

"It's interesting!" Ye Qianliu smiled disdainfully.

And last year, Lin Xuan, who ranked first in the sect of martial arts, just commented lightly: "It's a bit interesting! In three or five years, I will hopefully reach my current state!"

Lin Xuan's realm was so high that it could be described as "defying the sky". Even some elders at the Core Condensation Realm are not as high as him!

“The next battle, Ye Qianliu against Wang Yibo!”

Ye Qianliu appeared indifferently.

And his opponent Wang Yibo had a bitter face – for him, this battle was completely to come to power to seek abuse, of course it was bitter.

“Senior Brother Ye, show mercy!” Wang Yibo said shyly.

“It’s easy to say, you can do it anyway!”

After Wang Yibo came to power, he played the big moves he had learned this year in turn, as if he was showing his progress to the top sect leaders; then, he voluntarily conceded defeat.

When Ye Qianliu came off the stage, he gave Xu Ming a provocative look; “I didn’t expect that we would meet in the martial arts match; moreover, it was still in the semi-finals! You really exceeded my expectations!” It just so happens that you bully my younger brother because of your good cultivation, so this account should be settled!”

“I bullied your brother?” Xu Ming could only laugh.

Xu Ming, such a “simple and kind” person, has always adhered to the principle of “no one will offend me and I will not offend others”, so how could he take the initiative to bully others?

On the contrary, Ye Qianjue turned black and white as soon as he came up, and deliberately wanted to teach Xu Ming a lesson; in the end, he failed, but was defeated by Xu Ming with one look.

Seeing that Ye Qianliu and his younger brother were arrogant and domineering and confused right and wrong, Xu Ming could only sigh secretly: “The disciples of the Wilderness Sect, especially those of the Liang family, are so loving and unreasonable?”

Since it’s unreasonable...then I have to speak with my fists!

“Ye Qianliu? I’d like to see what he is capable of to make Zhang Youtian, who is also in the domain, extremely jealous of him!”

...

After the other two battles, the semi-finals of Huiwu officially opened!

The first group to play was, of course, Xu Ming and Ye Qianliu.

“Xu Ming, you bullied my brother, I will settle this account with you now! I hope you can fight with me like a man later, instead of admitting defeat and running away!”

Facing Ye Qianliu’s provocation, Xu Ming only said three words: “Gamble or not?”

Ye Qianliu didn’t hear Xu Ming’s words clearly, and continued: “I advise you not to think about admitting defeat, you can hide for a while, but not for the rest of your life, if you dare to admit defeat, I won’t let me teach you a good lesson; Next time I get a chance, it will be more than just a lesson!”

Xu Ming repeated: “Gamble or not?”

Ye Qianliu was still chattering: “I’ll let you see that the gap between us is...”

“How far away from your sister!” Xu Ming finally lost his patience, “I’m asking you, bet or not!”

bet?

Ye Qianliu was stunned for a moment, and then he came back to his senses, but he seemed to have heard something unbelievable: “You want to bet with me?”

It was precisely because he thought this was unbelievable that Xu Ming said it twice in a soft voice just now, but Ye Qianliu didn’t hear it;

“Let’s just say whether you dare to gamble! For the losers, keep the prizes of the sect’s martial arts, plus 20,000 low-grade profound stones!” Xu Ming said.

Ye Qianliu looked at Xu Ming like an idiot: “Do you want to give me the prize of the sect’s martial arts, and 20,000 low-grade profound stones?”

After thinking about it, Ye Qianliu suddenly figured it out: “I see, you want to use this as an apology to my brother, right? There is sincerity, I am very satisfied – so, you will teach me a good lesson later. After a meal, as my brother said, let Jia Sanduo out and kowtow ten times to make amends; even if this matter is exposed, I don’t care about you.”

Xu Ming couldn’t bear to scold: “Ye Qianliu, are you stupid? I’ll ask you, bet or not, where did you come from so much nonsense!”

Ye Qianliu was stunned.

Maybe he was really stupid, maybe he couldn’t believe Xu Ming dared to yell at him like this. After a long while, Ye Qianliu said in a daze: “Betting! Betting...”

“Let’s start betting quickly, how come there are so many chirps!” Xu Ming scolded again.

The onlookers were stunned.

“I’m not mistaken, just now, Xu Ming seemed to be deliberately provoking Ye Qianliu!”

“If you’re not mistaken, then I’m not mistaken either!”

“Not only provocative, but also gamble!”

“It’s really a big gamble... Not to mention the 20,000 low-grade profound stones, the martial arts prizes for the losers in this battle are also incredible!”

The loser of this battle will enter the third or fourth ranking battle in the next round. Ranking third, the prize is Zhenwu Breaking Realm Pill; ranking fourth, the prize is a top-grade treasure!

Zhenwu Breaking Realm Pill or high-grade treasure, plus 20,000 low-grade profound stones, is indeed a big gamble!

“Where does Xu Ming get the confidence to gamble against Ye Qianliu? He thinks that there are too many profound stones and treasures, and it’s hot to the touch?”

“Isn’t this a bit too early to say? In the past few battles, Xu Ming has been optimistic about him? However, in every battle, Xu Ming has won cleanly! You don’t have the slightest bit of confidence? So in this battle, I think the winner must be Ye Qianliu!”

“Damn it, you talk shit!”

...

At this moment ~www.readwn.com~ Ye Qianliu, whose mind has slowed down for a long time, finally clears his mind – Xu Ming is provoking himself!

“Do you think you can beat me?”

“You won’t know if you’ve beaten it!” Xu Ming sneered.

“Naive! Ignorance!” Ye Qianliu did not expect that he would be provoked and despised by Xu Ming, “Do you think that if you win Zhang Youtian, you will think you are invincible in the world? Hmph—Zhang Youtian’s realm, it’s okay. What. I’ll show you what the real realm is like!”

boom!

As soon as the words fell, a lavender spherical field rose up beside Ye Qianliu.

“I’ll let you see what the real perfect field is!”

Under the control of Ye Qianliu, the lavender spherical field continued to expand until it reached a range of nine feet (30 meters in diameter) before it stopped.

Even Xu Ming and Ye Qianliu were far away from each other on stage. But the field within the range of nine feet almost shrouded Xu Ming directly.

Chapter 159: , Super Perfect Battle!

() Nine feet field!

Perfect field!

Although most of the onlookers at the scene had long known that Ye Qianliu had a Dacheng-level domain of nine feet. But when I saw the huge spherical field appear out of thin air, I couldn't help but be amazed.

Compared with Ye Qianliu's nine-zhang realm, Zhang Youtian's small field of only ten feet was simply too small.

and...

Fields are not decorations.

The bigger the field, the more majestic the power of heaven and earth that can be borrowed!

Compared with the one-zhang realm, the nine-zhang realm is more than nine times more powerful?

The nine-zhang field can crush the one-zhang field in an instant!

"Xu Ming, aren't you very good at marksmanship? Aren't you very good at Jiuzhong's spear waves? Come on, I'll stand here and attack as you please!" Ye Qianliu said arrogantly.

Ye Qianliu was in the very center of the field. If Xu Ming wanted to attack Ye Qianliu, he had to cross the field of four or five feet—that is, a dozen meters. During this process, as long as Ye Qianliu mobilized some of the natural forces of heaven and earth, he could beat Xu Ming to the point where he was unable to fight back reads();.

In front of the Nine-Zhang Domain, Xu Ming's nine-layered spear waves and ripples were useless.

“Hahaha...Come on! Why didn't you come?” Ye Qianliu laughed wildly, “Didn't you gamble with me? Why, you don't even dare to enter my realm?”

“This time Xu Ming is sure to lose!” The masters of the Wilderness Sect sighed one after another, “The realm of nine feet! Xu Ming can't even walk in front of Ye Qianliu! How can we fight this fight?”

“I knew for a long time that Xu Ming's defeat in this battle is a foregone conclusion!”

“Dacheng-level domain! Not to mention Xu Ming, even some masters who are new to condensing pills, if they don't understand the domain, I am afraid they will still be ravaged!”

“It's ridiculous that Xu Ming even offered to gamble before... I really don't know how high the sky is!”

“Young people, you have short-sighted knowledge, and you can be forgiven! Eating a piece of money grows a lot of wisdom. With this lesson, Xu Ming should also learn to be a man with his tail between his legs!”

“Yeah, this ignorant Xu Ming, who has mastered the nine-layered spear wave, thinks he can despise the heroes, and now he is in trouble!”

“Sure enough, realm is the foundation! As soon as Ye Qianliu's nine-zhang realm came out, Ren Xuming's marksmanship is so mysterious, he has to be honest and be a man!”

Gu Hanmo's little pink fist, I don't know when it has been clenched.

“I have reminded Xu Ming that Ye Qianliu's field is very powerful, and it has reached the perfect nine-zhang field! But he still insists on gambling with Ye Qianliu... I don't know, what other cards he has to make come out!”

Xu Ming was also shocked.

Although Xu Ming had already learned from Gu Hanmo that Ye Qianliu's domain, which could cover a nine-zhang area, was a perfect domain. However, when you really see a big ball suddenly appearing in front of your eyes, the visual impact is still very strong!

“If you rush into the realm, you will definitely be abused like a dog!” Xu Ming thought painfully, “Isn’t this forcing me to continue to use plug-ins?”

Xu Ming’s double-attack, double-defense, and acceleration have reached level 6. If he continues to drive higher, he will pay too much for the hanging point; and the effect is not very obvious.

So this time, Xu Ming wants to change the function to open!

“Super perfect battle!” Xu Ming wanted to experience this feature in the plug-in, but he couldn’t find the opportunity. And now, a living opportunity is in front of him.

Super perfect battle: After enabling this function, the host will randomly obtain a higher level for 12 hours, and the consumption of hanging points is equivalent to the hanging points consumed by the current cultivation base for 100 days of offline hanging up!

“The realm of a higher level”, Xu Ming estimated, is the realm of the realm. As for what “randomly obtained” means, Xu Ming has no idea.

“Try it, you won’t know! Super perfect battle, I hope you don’t let me down!”

Xu Ming’s heart moved: “Start a super-perfect battle!”

The moment he started the “super perfect battle”, Xu Ming felt that the natural world he saw was completely different!

This piece of heaven and earth is natural, familiar but unfamiliar in his own eyes. However, Xu Ming vaguely gained a sense of control over the nature of heaven and earth.

Needless to say, Xu Ming knows that this is the natural hint of heaven and earth to himself – you can borrow my power!

Borrowing the power of nature?

Xu Ming's mind moved, and a pale red spherical field with a range of only ten meters appeared beside him.

Xu Ming felt that this spherical field, which was invisible and intangible, was indistinctly communicating with the natural reads(); of heaven and earth within the field. As long as you are willing, you can instantly pass through the realm and borrow the power of nature!

“What a wonderful sense of control! Is this the realm?”

Moreover, Xu Ming can feel that the power of nature that he can borrow is very majestic, even more majestic than the strength of his entire body!

As soon as Xu Mingchao's perfect battle started and the domain appeared, everyone was stunned.

“What? Xu Ming is also in the realm?”

“And it's been hidden until now to reveal the realm. Now it's good, maybe there's a good show to watch!”

“Is there a good show to watch? That's a bit far behind, right? Xu Ming's domain is only a ten-zhang area; Ye Qianliu's nine-zhang area can easily be crushed!”

“Yes, in the face of the nine-zhang realm, the ten-zhang realm, and no realm are actually not very different!”

“Stop talking nonsense! Xu Ming's field has also begun to expand!”

Has it started to expand?

When everyone saw it, sure enough, Xu Ming's domain was expanding continuously; from a small ball, it gradually expanded into a big ball!

“I don't know Xu Ming's field, but it can expand to several feet!”

“I guess three feet!”

“Five feet, no more!”

“Even if you can really reach five feet, what’s the use? You can’t escape the ending of being crushed by the perfect field!?”

The scope of the field continues to expand, ten feet...

two feet...

“Humph! When did Xu Ming understand the realm, even I was hiding it!” Gu Han thought angrily.

“When you were fighting with me, you didn’t even use the domain... You really look down on me!” Zhang Youtian’s wounds have been cured by experts in medicine; but the wounds in his heart left by Xu Ming’s blow, But I don’t know when it will heal.

In comparison, Gu Fei was even more depressed.

At this moment, Gu Fei suddenly came to his senses. It turned out that in front of Xu Ming, he was nothing but a clown who jumped on the beam. From the beginning to the end, Xu Ming did not take himself seriously at all—it was ridiculous that he was arrogant and let Xu Ming do three tricks... If Xu Ming really wanted to embarrass himself, I am afraid that you can easily defeat yourself with one move!

Only then did Gu Fei realize that Xu Ming had just defeated him with three moves, and he had already saved himself a lot of face~www.readwn.com~ Otherwise, with Xu Ming’s strength, why would he need three moves!

People are more dead than people!

Compared with Xu Ming, Gu Fei realized that he was a complete fool!

For a time, Gu Fei’s fighting spirit was quite depressed.

“Gu Fei!” Elder Gu Yan saw Gu Fei’s depression and comforted him, “Actually...you don’t have to compare yourself to Xu Ming! A genius like Xu Ming, let alone in our Wilderness Sect, even in those powerful I am afraid that it is rare to see it among the Xuan-level forces!”

Gu Fei said disappointedly: “I know, my talent is really nothing to compare with him...”

At this moment, Gu Fei felt ashamed.

And Xu Ming’s pale red field continued to expand without stopping.

seven feet...

Hachizhang...

Nine feet!

Chapter 160: , Simply Not Human

() Nine feet!

Perfect field!

Xu Ming felt that he could borrow the power of nature from anywhere within the domain—this was a majestic and terrifying power that far surpassed his own power!

This is the ubiquitous, but incomparably vast, power of nature!

“Sure enough, the stronger the strength, the more you can feel the greatness of the world and the insignificance of human beings!” Xu Ming couldn’t help but feel this way.

“Only through the realm, I borrowed a trace of the insignificant natural power of heaven and earth, which far exceeds all my own power...”

Facing the natural world, Xu Ming couldn't help but feel a little bit of fear.

"You..." Ye Qianliu looked at Xu Ming in disbelief, "You are also in the perfect realm?"

At this time, in the arena, Xu Ming and Ye Qianliu's two nine-zhang areas already overlapped in many areas.

The realm is just a phantom. If the two do not borrow the natural power of heaven and earth through the realm, even if the realm intersects, it will not have any effect.

"Perfect Realm?" Xu Ming smiled noncommittally.

"Even if you are in the perfect realm, so what!" Ye Qianliu said disdainfully, "The same perfect realm is controlled by different people, and the power is very different! I don't believe it, you are a mere fifteen-year-old boy, How deep is the research to be able to control the field!"

"I don't dare to say how powerful my control over the domain is. But..." Xu Ming sneered, "You will find out right away that at your age, you are living on a dog!"

Live on a dog?

"Who doesn't speak big words? Let's see the real chapter!"

Ye Qianliu gave a cold drink, and his domain started to exert force without any defense.

call out! call out! call out! call out! call out! ...

For a time, hundreds of lavender powers of heaven and earth gathered from all over Ye Qianliu's Jiuzhang Realm, and rolled mightily towards Xu Ming's pale red realm.

The lavender field, representing the "Thunder Field", is a field with extremely strong killing attacks!

"Crush your domain!" Ye Qianliu shouted arrogantly.

Xu Ming didn't check it, and he suffered a bit of a dark loss. His nine-zhang pale red field was crushed into a slight depression.

“Humph!”

Than attack, who is afraid of who!

Ye Qianliu's field is the arena field with extremely strong attacks. As for Xu Ming's domain, the attack is also extremely strong, and it is even more violent – the light red domain, which represents the “flame domain”!

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh! ...

Xu Ming's also immediately manipulated the power of nature in the realm.

Hundreds of light-red flames of the power of heaven and earth, under the control of Xu Ming, rushed to the front line, and collided with Ye Qianliu's thunder power. reads();

boom!

This is the collision of the natural forces of heaven and earth.

shhhhhhhhhh...

swish swish swish...

The power of pale red flames and the power of lavender thunder were constantly being summoned from various positions in the field, and they were also constantly rushing to the front line to collide with each other.

Both sides are the perfect realm of Jiuzhang, and the power of nature that can be borrowed is also equally matched. For a time, the power of nature is like gorgeous fireworks, constantly colliding and blooming.

However, neither side can do anything about the other.

“Damn, what Xu Ming realized was the flame domain, which is also good at attacking!” Ye Qianliu thought bitterly, “Even if what I understand is the less aggressive domains like the wood domain and the wind domain, I will deal with it. I’m afraid he won’t be so exhausted...”

The two sides control the power of nature, and they collide tirelessly – the power of nature is vast and majestic, and no matter how they borrow it, they are inexhaustible and inexhaustible.

Moreover, after the collision and annihilation of the natural forces of heaven and earth controlled by the two, they will still return to the nature of heaven and earth without a trace.

“It doesn’t make any sense to keep stalemate like this!” Xu Ming’s body and spear were suddenly covered with a light red layer. Obviously, Xu Ming has borrowed the power of nature from the world to himself.

“What a majestic power!”

Realm is the strongest power!

Xu Ming may not have understood this sentence very well before, but now, he deeply felt it.

The power given to Xu Ming by the realm has far exceeded his own full power.

“War!?” Ye Qianliu’s body and sword were also covered with a layer of lavender.

The two temporarily stopped the collision of the natural forces of heaven and earth.

Hundreds of flame powers and hundreds of thunder powers rapidly surrounded each other like ghosts.

“Let’s fight!” Xu Ming shouted and walked in with a gun. Hundreds of flames were also advancing around Xu Ming.

hiss-

Ye Qianliu's sword was strangely fast.

“Thunder Blood Sword!”

In the purple sword glow, there is also a strange red.

“Nine-layered gun waves and ripples!”

boom! !

Xu Ming's spear stabbed ***** Ye Qianliu's sharp sword.

In terms of realm, Xu Ming and Ye Qianliu are both in the perfect realm, and they are on the same level. However, Xu Ming's skills in spear skills are far from comparable to Ye Qianliu's sword skills!

Thunder blood sword?

The corner of Xu Ming's mouth couldn't help but evoke a touch of disdain.

Thunder Blood Sword is also a mysterious skill, which fits Ye Qianliu very well. It's just that Ye Qianliu's energy over the years has mostly been on the field, so how can he have time to study the secret skills of swordsmanship?

Therefore, Ye Qianliu's attainment in swordsmanship is actually very limited.

If it is normal, the swordsmanship is limited, and it does not matter reads();. Because Ye Qianliu shot before, either directly crushed the opponent with the domain, or was directly crushed by the opponent, and basically would not use the brutal method of hand-to-hand combat to fight.

But today was different. He and Xu Ming were evenly matched in the field.

In this way, Ye Qianliu's disadvantage became obvious.

boom! boom! boom! boom! boom! ...

Hundreds of thousands of natural forces of heaven and earth surround, collide, and bloom around the two of them.

Since the two sides collided, Xu Ming had been suppressing Ye Qianliu.

Ye Qianliu was beaten so hard that he couldn't lift his head, he only had the power to parry, but he had no power to fight back!

boom!

boom!

boom!

The spear and the big sword collided again and again, but anyone could feel that Ye Qianliu's disadvantage was very obvious.

"Ye Qianliu is going to lose!" The masters of the sect have already seen the result of the battle.

Before the start of this battle, no one really thought that Ye Qianliu would be defeated by Xu Ming – this is Ye Qianliu who has realized the perfect field!

The senior members of the sect became more and more aware of Xu Ming's evil spirits.

Xu Ming, only fifteen years old, can be described as perfect in all aspects such as cultivation base attainments, spiritual attack, secret spear skills, and realm realm!

Xu Ming's talent in any aspect is enough to make the genius of the entire Wilderness Sect feel inferior; and now, the perfect talent in all aspects is concentrated in one person.

This person is no longer enough to describe with words like genius and evildoer!

This tmd is simply not human, it's a pervert!

Super perverted!

Seeing Xu Ming holding a long spear and completely pressing Ye Qianliu to fight, the masters and geniuses in the sect were all stunned.

Is this still the personable and indomitable Ye Qianliu?

He was beaten up by a hairy boy who was almost ten years younger than him and couldn't lift his head?

Oh no, it's not that I can't hold my head up, it's...

boom! !

Ye Qianliu prevented Xu Ming's spear stab~www.readwn.com~ but did not guard against the next horizontal stroke.

This draw not only contains the power of the ripples of the nine-layered spear, but also the bonus of the power of flame.

puff!

The power of thunder on Ye Qianliu's body was directly drawn away, and a mouthful of black blood spurted out.

rumbling...

Defeat like a mountain!

Immediately afterwards, Ye Qianliu's Thunder Domain was also forcibly crushed by Xu Ming's Flame Domain!

Ye Qianliu was suddenly exposed in front of Xu Ming's spear tip and in the field.

Xu Ming's domain is like a chopping board, his spear is like a kitchen knife, and Ye Qianliu at this time is the fish on the chopping board – let Xu Ming slaughter it!

Kill or not?
