

A World 1601

Chapter 1601: I Am Disappointed!

“Could it be... Xu Peng didn’t dare to come out and fight?”

Saying that, Xu Ming looked at Elder Xu Tianfeng with a playful look.

Xu Tianfeng felt guilty for a while, but still said confidently: “My son Xu Peng, what kind of talent? And you, what are you? – Now, my son Xu Peng is in retreat, and I don’t want to fight because of this kind of child’s play. , but it affected the cultivation, so I have to cancel the appointment! Xu Ming, you don’t know what to do!”

Around the clan battle stage, many experts on Xu Tianfeng’s side also said:

“That’s right! Xu Ming, don’t be ignorant!”

“Xu Ming, you can stand arrogantly on the battlefield now, all because Xu Peng is in retreat and has no time to talk to you! If Xu Peng really appears, I’m afraid you won’t even have time to cry, right?”

“Humph! Elder Xu Tianfeng showed mercy and agreed to cancel the appointment. Are you still grateful to Dade?”

One after another, the swords shot sharply at Xu Ming.

“Hahahaha...” Xu Ming, who became the target of public criticism in the center of the battle platform, couldn’t help laughing; he looked at Xu Tianfeng and said, “Want to cancel the appointment? It’s not impossible! But... when the appointment was set, , but I said that if I lose, I will hand over the ancient rune; if Xu Peng loses, I will also make a bet of the corresponding value! – Elder Xu Tianfeng, if you want to cancel the battle, please take out the corresponding bet! ”

bet?

Xu Tianfeng's face sank.

What is the value of the ancient divine rune? If you really want to make a bet of corresponding value, I am afraid that even Xu Tianfeng will have to go bankrupt, right?

"Humph!" Xu Tianfeng snorted coldly, "Cancel the appointment, where is the bet?"

"Haha! It's shameless!" Xu Ming shook his head and sneered, "I didn't promise to cancel the battle! If you don't want to make a corresponding bet, then invite Xu Peng to come to power for a battle!"

"My son, Xu Peng, is retreating, and he is probably at a critical juncture!" Xu Tianfeng insisted.

"Hahahaha... Is Xu Peng really in retreat, don't you have any points in your heart?" Xu Ming looked at Xu Tianfeng with deep meaning.

"Huh?" Xu Tianfeng's eyes narrowed, "What do you mean?"

Xu Ming smiled without saying a word.

First-order Chaos Realm, what can be closed?

Xu Ming said again: "As one of the parties to the battle, I do not agree to cancel the battle! – Elder Xu Tianfeng, please either hand over the corresponding bet, or let Xu Peng fight!"

"Humph!" Xu Tianfeng snorted coldly, "Whether or not to cancel the appointment is up to you! – This matter, the clan elders will decide!"

In the clan, if there are some conflicts and disputes, there will be elders to judge. And if the conflict is bigger or more serious, there will be the Elder Pavilion to decide.

The battle between Xu Ming and Xu Peng was related to the ancient divine rune, so it was naturally a relatively large and serious conflict! Elder Xu Tianfeng alone is not qualified to judge; therefore, it is up to the clan elders to decide.

“Clan Elder Pavilion?” Xu Ming’s eyes narrowed slightly, “Alright! Hope... Clan Elder Pavilion, don’t let me be too disappointed!”

To be honest, after Xu Ming was born into this shattered era of chaos, he didn’t have any good feelings for the Xu family.

You must know that this Xu Ming’s parents have made great contributions to the clan! But Xu Ming did not enjoy any preferential treatment in the Xu family, but was bullied instead.

In this shattered era of chaos, Xu Ming should live for a long time, and he is destined to become a man of influence in the holy world of destiny; if he is willing to push the Xu family to a higher level, it will be as easy as the palm of your hand.

“Let’s see how the clan elder pavilion decides this time...” Xu Ming secretly said, “If the clan elder pavilion can’t be fair, then I don’t have to blame the Xu clan!”

...

There are nineteen elders in the Xu Family Elder Pavilion.

In just half a day, Xu Tianfeng invited fifteen elders to come and make a decision.

The other four elders were either going out or were in retreat and could not come. However, if more than ten of the fifteen elders can reach a consensus, then it doesn’t matter whether the other four elders are present.

Fifteen elders sat majestically on the high platform; Xu Tianfeng was one of them!

“Everyone!” Xu Tianfeng said in a loud voice, “You all know my son Xu Peng’s talent! This battle is a child’s play; my son Xu Peng, it is easy to win against Xu Ming; but now, my son Xu Peng I am in retreat, so it is inconvenient to fight! So... this appointment, please make a decision and cancel it unconditionally!”

“Xu Ming, what do you say?” An elder looked at Xu Ming and pressed him.

Xu Ming was unmoved, and said indifferently: “Cancellation, I have no opinion! But... now Xu Peng did not dare to fight and did not show up; if the appointment was cancelled, Xu Peng would be considered defeated, and he should compensate for the corresponding bet! Please make a fair decision, elders!”

On the high platform, the elders all pondered—Xu Tianfeng asked to cancel the appointment unconditionally; but Xu Ming demanded that it was okay to cancel the appointment, but he had to compensate the bet.

“Humph!” Xu Tianfeng snorted coldly, “I am also a member of the Elder Pavilion. My opinion is naturally to cancel the appointment unconditionally!”

Xu Tianfeng directly cast his vote.

The other dozen elders only pondered for a moment before making a decision.

“Xu Ming and Xu Peng, the talents are far apart! This battle is really meaningless! Now, cancel the battle, but Xu Ming benefits; my opinion is to cancel the battle unconditionally!” Immediately afterwards, there were The elder spoke.

“Not bad! – Xu Ming was lucky because he happened to meet Xu Peng in retreat, so he had the opportunity to cancel the appointment! Under such circumstances, Xu Ming still wants to take advantage of the fire? My opinion is to cancel the appointment unconditionally!” There are elders.

“What qualifications do you have to negotiate conditions for a 1st-rank human-level **** fate? – Cancel the appointment unconditionally!”

“Xu Ming, you have self-knowledge! – Unconditionally cancel the engagement!”

In a row , there were five elders who agreed to “unconditionally cancel the appointment”! Even these elders mocked Xu Ming when expressing their opinions.

“Unconditionally cancel the appointment!”

“Unconditionally cancel the appointment!”

One elder after another, all expressed their opinions.

Of the fifteen elders, only one was on Xu Ming's side; the other fourteen elders all agreed to "unconditionally cancel the contract."

Elder Xu Tianfeng sneered and said, "I said, it's not up to you to cancel the appointment! -Xu Ming, now that the clan elders have made a decision, what else do you have to say?"

"Ha!" Xu Ming looked at the majestic elders, but couldn't help shaking his head and sneering.

After a long time, Xu Ming sighed and said indifferently, "I'm very disappointed..."

Chapter 1602: Heaven Will Give Great Responsibility To The People Of This Country

"I am disappointed..."

Xu Ming's indifferent voice resounded throughout the audience.

Xu Tianfeng's brows furrowed unhappily: "Disappointed?—Xu Ming, how did you talk to the elders? Where can you question the resolutions made by the Elder Pavilion? Don't you kneel down and apologize!?"

On the high platform, although the other elders did not speak, their faces were not very good-looking.

"Hahahaha... Clan Xu? Elder Pavilion? I'm really disappointed..."

Xu Ming ignored the ugly faces of the elders and laughed out loud.

"Xu Peng is a member of the Xu clan, and I am also a member of the Xu clan! But... when I didn't come back, the whole clan was rumored to say that I didn't dare to fight! Now, I'm back, and Xu Peng is clearly in the clan, but he Retreat was used as an excuse to avoid fighting on purpose; but, why did no one say that he dared not fight? Moreover, your elder pavilion directly decided to cancel the appointment unconditionally!"

fair?

In fact, Xu Ming did not ask how the clan treated him preferentially, but only asked for a “fairness”.

But it’s a pity, obviously, the clan is not even willing to give Xu Ming “fairness”! For Xu Ming and for Xu Peng, there are two completely different treatments!

How could Xu Ming not be annoyed by such an attitude? How not to be disappointed?

“Xu Ming!” Xu Tianfeng said with a frown, “What is your destiny, what kind of talent do you have? Unconditionally cancel the appointment, and you will benefit from it, okay? If my son really breaks through, you will not only lose, but also Lose the ancient rune!”

“Really?” Xu Ming looked directly at Xu Tianfeng and asked, “Then... I would like to ask, what is Xu Peng’s cultivation base now?”

Xu Tianfeng was startled – he did not expect that Xu Ming would ask this question directly.

What is Xu Peng’s cultivation base now? The first-order chaos realm... This makes Xu Tianfeng, how can he speak.

“Hahahaha...” Xu Ming laughed when he saw that Xu Tianfeng didn’t speak. Of course Xu Ming knew that Xu Peng only had the first-order cultivation of Chaos Realm! After all, Xu Peng’s cultivation was locked by him!

After being locked in the cultivation base by the “attribute modification”, Xu Peng still wants to break through the second-order chaos realm?

nonexistent!

but...

“Okay! I accept the decision of the Elder Pavilion to cancel the appointment unconditionally!” Xu Ming smiled strangely and said, “If Xu Peng breaks through the barrier, I will accept his appointment at any time!”

Saying that, Xu Ming walked straight away.

At the same time, Xu Ming deliberately canceled the lock on Xu Peng's cultivation. He wanted to see how Xu Peng would react when he found out that his cultivation could break through.

Xu Ming estimated that at that time, Xu Peng would definitely come over to challenge himself; at that time, Xu Ming would be able to capture him and ravage him well.

"Ms. Xu, I have nothing to worry about..." Xu Ming thought to himself as he left, "After a while, I'll just leave the Xu family..."

The next time he leaves, Xu Ming will definitely never return to the Xu family.

"There is no respect for the elders! There is no respect for the elders!" Xu Tianfeng shouted angrily.

However, Xu Tianfeng did not shoot Xu Ming. After all, the decision of the Elder Pavilion this time was a result that he was satisfied with; therefore, he also "generously" forgave Xu Ming's rudeness.

...

Xu Peng's residence.

Xu Peng is pacing back and forth nervously—his cultivation is only the first-order Chaos Realm; once discovered by other people in the clan, he will definitely become a laughing stock.

Therefore, Xu Peng was extremely nervous: "I don't know... whether my father can cancel this appointment smoothly..."

Suddenly, a message came.

Xu Peng was suddenly shocked.

"The Elder Pavilion has passed a resolution to cancel the appointment unconditionally!"

“That’s great...” Xu Peng was overjoyed—this way, he wouldn’t reveal his cultivation.

“But... I don’t know, what’s wrong with my cultivation... It’s obviously the fate of the seventh-grade earth level, but the cultivation base can’t break through!” Xu Peng was very sad, “If it continues like this...”

Over the past 100 years, Xu Peng wondered how many times he had awakened a “false destiny”.

However, there is no use in doubting. Cultivation is that he can’t break through, he has no way.

Suddenly, Xu Peng felt that his divine body shook violently.

“This is...” Xu Peng was horrified—he felt that an invisible force that bound him suddenly disappeared.

boom!

Xu Peng’s divine body began to boil.

“I seem to be... about to break through!”

Xu Peng sat down with his knees crossed.

rumbling...

Sure enough, Xu Peng felt that his divine body was constantly getting stronger! The treasures of heaven and earth that have been used for hundreds of years have finally begun to truly integrate into the divine body!

boom! !

It didn’t take a moment for Xu Peng to break through to the second-order Chaos Realm!

“Second-order Chaos Realm...” Xu Peng couldn’t help shedding two lines of clear tears – he never thought that his dignified seventh-grade fate would be trapped as a dog in the first-order Chaos Realm! Now breaking through to the second-order Chaos Realm, tears will flow into my eyes.

“Heaven will give great responsibility to the people...” A thought suddenly flashed in Xu Peng’s mind – he must have embarked on an extraordinary path, so he was trapped in the first-order Chaos Realm for so long!

Xu Peng was very excited: “Father! Father! I broke through!”

Xu Tianfeng, who had just finished the resolution of the Elder Pavilion, rushed home and said, “Have you broken through to the second-order Chaos Realm? Good! Good! Good!”

Xu Tianfeng was also excited for his son and praised him again and again.

However, after boasting and boasting, Xu Tianfeng felt that something was not right – not right! My son is an earth-level seventh-grade fate! Breaking through a second-order Chaos Realm, why am I so excited?

Xu Tianfeng found that he should not be excited, but should cry!

“Xu Peng, work hard!” Xu Tianfeng restrained his smile and encouraged, “Improve your cultivation as soon as possible, and then go to fight Xu Ming! Call back the ancient divine talisman, and the questioning this time!”

Although most of the elders and clansmen in the clan believed that Xu Peng was indeed in retreat and did not want to waste time on Xu Ming; however, there were still a few clansmen who questioned Xu Peng!

And if you want to eliminate those doubts, you can only rely on strength!

“Father! Don’t worry! I will definitely break through to the Profound Yellow Realm as soon as possible!” Xu Peng clenched his fist and said~www.readwn.com~ Although I have wasted a hundred years and my cultivation has not broken through, but...even so, with my The strength will definitely break through to the Xuanhuang realm much earlier than Xu Ming! Once I break through

to the Xuanhuang realm, I will go to meet Xu Ming and let him know that my Xu Peng's strength is unquestionable! ”

“Yeah!” Xu Tianfeng also nodded, “Although your cultivation has been stagnant for a hundred years for some reason, but this is also a good tempering for you! At least, your xinxing has been tempered to be more determined; said Not sure, in the future, you will also go further because of this!”

“Yes!” Xu Peng's eyes lit up, as if he saw a very bright future.

only...

Neither Xu Tianfeng nor Xu Peng knew – the reason why Xu Peng was able to break through his cultivation was because Xu Ming let go of the “lock” and deliberately let him break through!

I learned to be smart today. I don't take cold medicine after dinner. Now I have finished typing before taking it, so I don't have to worry about dozing off after eating.

Chapter 1603: Combat Lock

Neither Xu Tianfeng nor Xu Peng knew that the reason why Xu Peng was able to break through his cultivation was because Xu Ming released the “lock” and deliberately let him break through!

and...

Although Xu Ming no longer locks on Xu Peng's “cultivation”, he has changed an attribute to lock it, and that is... Combat Power!

Xu Peng's combat power was directly locked by Xu Ming in the “Fourth Order of Chaos Realm”! No matter how Xu Peng's cultivation is improved and his attack and defense are enhanced, he can only exert the combat power of the fourth-order Chaos Realm!

Of course, Xu Peng couldn't feel it at all.

At this time, Xu Peng was immersed in the thrill of the soaring cultivation base, unable to extricate himself.

boom!

boom!

boom! !

As his cultivation continued to break through and climbed steadily, Xu Peng felt more and more confident: “Hahahaha... I have been silent for a hundred years, and finally ushered in the accumulation of wealth!”

Xu Peng used a lot of heaven and earth treasures a hundred years ago, and there is still a lot of pure power hoarded in the divine body; relying on these hoarded pure power, Xu Peng actually repaired in just three years. In order to break through to the Xuanhuang realm!

It is indeed the fate of the seventh grade of the earth!

“Hahahaha...” Xu Peng was in high spirits.

“Have you broken through to the Profound Yellow Realm?” Xu Tianfeng immediately felt his son’s transformation and appeared beside him.

“Yes! Father!” Xu Peng had strong confidence in his eyes! The “doubtful life” of the previous hundred years is also swept away at this moment!

“Good! Good! Good!” Xu Tianfeng rejoiced, “As expected of my son! Really extraordinary!”

“Father!” Xu Peng said sternly, “I want to challenge Xu Ming again and win the Primordial Talisman in one fell swoop!”

“it is good!”

...

The news that Xu Peng left the border and challenged Xu Ming soon spread throughout the entire clan.

“Xu Peng is out!”

“Sure enough! As soon as Xu Peng left the border, the first thing he did was to challenge Xu Ming!”

“That’s for sure! Three years ago, Xu Peng was in retreat, so he didn’t want to fight Xu Ming! But how arrogant did Xu Ming act? Now that Xu Peng is out, he will definitely challenge Xu Ming immediately. of!”

“Does Xu Ming dare to fight?”

“Then there’s no need to say it? I’m sure I won’t dare!”

“No no no! Xu Ming said arrogantly on the stage at the time, if Xu Peng leaves the border, he will accept the battle at any time! If he doesn’t dare to fight, he will slap himself in the face!”

...

Xu Ming also quickly got the news that Xu Peng challenged himself.

“Oh! Dare to challenge me?” Xu Ming laughed, “It seems that Xu Peng should have broken through to the Xuanhuang realm! But... let alone breaking through to the Xuanhuang realm, even if he has broken through to the prehistoric realm, the realm of all things, Destruction Realm is useless!”

For the effect of plug-in, Xu Ming is 100% trusted!

Now that Xu Peng’s combat power has been locked, he can definitely lock his combat power to death!

It is the combat power of the fourth-order Chaos Realm, and it is definitely the fourth-order combat power of the Chaos Realm! Even if Xu Peng's cultivation base breaks through and his attack and defense are improved, his combat power will never exceed the fourth-order Chaos Realm!

Of course, Xu Ming was also very curious.

"I don't know... How did Xiaohang do it, so that the existence of a Xuanhuang realm cultivation base can only exert the combat power of the fourth-order chaos realm..."

It is very difficult to make the fourth-order Chaos Realm display the combat power of the Xuanhuang Realm! However, if you want to cultivate in the Xuanhuang Realm, you can only exert the combat power of the fourth-order Chaos Realm, which is definitely not easy, right?

"Hey! When you got to the battle stage, didn't you know?" Xu Ming accepted Xu Peng's appointment without hesitation!

As for... Xu Ming used "attribute modification" to hang, playing with Xu Peng like this, will it ruin Xu Peng's game? This is not what Xu Ming cares about!

...

Clan battleground.

The battle between Xu Ming and Xu Peng attracted countless powerhouses from the Xu family.

"Xu Ming actually dares to fight?" Many Xu clan experts were surprised.

"But then again, this is normal! Xu Ming should have realized that it is impossible for him to keep the ancient divine rune; therefore, he simply handed over the archaic divine rune through this battle! Doing so can be regarded as self-awareness. !"

"Indeed! How can a human-level first-rank life-style be qualified to have the ancient magic rune? It is better to hand over the ancient magic rune honestly and live a peaceful and ordinary life!"

The strong men of the Xu family looked at Xu Ming on the battlefield, and there was some pity in their eyes.

On the battlefield, Xu Ming's aura was obviously only in the Chaos Realm, while Xu Peng's aura was in the Xuanhuang Realm. The two sides faced each other at a distance, and the momentum was high and the judgment was made.

Before the battle, the strong men of the Xu family seemed to have seen Xu Ming being easily crushed and defeated.

"Xu Ming!" Xu Peng had an arrogant smile on his face, "I didn't expect that you would dare to fight! This is beyond my expectations! Don't worry... For the sake of your acquaintance, I won't let you It's a terrible loss!"

"Really?" Xu Ming smiled, "Then... three years ago, why didn't you dare to fight!?"

three years ago...

Xu Peng couldn't help thinking of his desperate and dark mood three years ago.

However, Xu Peng still bit the bullet and snorted coldly: "Humph! Three years ago, I was at the critical juncture of breaking through the Xuanhuang realm, and I didn't have time to pay attention to your playful appointment!"

"Heh!" Xu Ming smiled without saying a word, looking at Xu Peng with a playful expression, as if to say that was the case?

Xu Peng suddenly became angry.

boom! !

The tyrannical aura of the Xuanhuangjing suddenly erupted!

"A mere ants, dare to question what I said!?" Xu Peng roared, a punch containing the power of the Xuanhuang realm, and instantly came to Xu Ming.

At this moment, Xu Peng suddenly closed his fist again, causing the mighty fist to stop not far in front of Xu Ming.

“Yi, have you seen the gap between you and me?” Xu Peng Yaowu said, “Are you scared by my punch?”

“Huh?” Xu Ming was a little puzzled, and thought to himself, “Didn’t I already lock in Xu Peng’s ‘combat power’? But why...the punch he just now has the power of Xuanhuangjing?”

Xu Ming was a little puzzled. He thought that Xu Peng should only be able to exert the power of the fourth-order Chaos Realm! But now it seems that this is not the case!

“Could it be that the ‘lock’ function linked to ‘attribute modification’ is not very easy to use?” But ~www.readwn.com~ Xu Ming doesn’t matter. Even if Xu Peng can use the strength of the Xuanhuangjing, what can he do? Isn’t it the rhythm that was easily defeated by Xu Ming?

“The punch just now is just to show you what the power of the Xuanhuang Realm is!” Xu Peng said proudly, “The next punch is the time to decide the outcome! Look carefully! Don’t say I didn’t warn you, let You don’t even have a chance to react!”

rumbling...

Xu Peng punched again.

The power of the Profound Yellow Realm is unquestionably revealed.

“Huh?” Xu Ming frowned slightly, “It seems...you have to expose your strength a little bit to solve Xu Peng...”

Xu Ming was preparing to stop relying on the effect of “combat power lock”, and reveal his strength to solve Xu Peng; suddenly, he found a trace of anomaly.

When Xu Peng’s punch hit, Xu Ming’s eyes suddenly lit up: “I see! I know what’s going on with the ‘combat power lock’!”

Chapter 1604: Mercury Retrograde

“I see! I know what’s going on with the ‘combat power lock’!”

Xu Peng’s punches roared! The power of the Profound Yellow Realm is beyond doubt!

However, Xu Ming felt an abnormality on top of this punch: “This punch... seems to be a bit crooked!”

Yes!

A little crooked!

Xu Peng’s punch was clearly aimed at Xu Ming angrily. But for some reason, when this punch was close to Xu Ming, most of the power was directed towards the void around Xu Ming; only a very small part of the power was directed at Xu Ming.

And this very little part of the power is only the combat power of “Fourth-Order Chaos Realm”!

“I understand!” Xu Ming secretly said, “‘Battle power lock’ is not to prevent Xu Peng from exerting a combat power that exceeds the fourth-order Chaos Realm; it is to let him play no matter how high the combat power is, it will fall on me. , it can only have the power of the fourth-order Chaos Realm, it can’t be higher!”

It was just the power of the fourth-order Chaos Realm. Xu Ming did not dodge or evade his strength at all. He directly used the strength of the “fifth-order Chaos Realm” that had been shown in the clan before, and he easily blocked it.

boom!

Xu Ming resisted Xu Peng’s move and did not move. On the contrary, Xu Peng was shocked back.

“what!?”

“what!?”

Xu Tianfeng, Xu Tianchen and other powerful clans were a little confused: “How can this happen?”

You must know that Xu Peng is a real powerhouse in the Xuanhuang realm! There is absolutely no doubt about the power of that punch just now!

And Xu Ming, obviously, what he showed just now was only the power of the fifth-order Chaos Realm!

But why... Xu Ming didn't move, but Xu Peng was shocked back?

The powers watching the battle have extremely vicious eyesight; naturally, it can be seen that the main reason for this scene is that Xu Peng did not play well, and the punch went wrong...

The cultivation base of Xuanhuangjing, bullying Chaos Realm, even punched crookedly?

It's so ***** stupid, isn't it?

This is like killing chickens with a bull's knife, and as a result... the bull's knife went wrong!

“Xu Peng's psychological quality doesn't seem to be very good...” The elders of the Xu family couldn't think of other reasons, so they had to attribute the reason to Xu Peng's poor psychological quality.

“Cough cough...” Xu Tianfeng was naturally embarrassed when he saw his son behave like this, “It may be that my son has just broken through the Xuanhuang realm and has not fully adapted to the power of the Xuanhuang realm! The next punch will definitely be the winner. !”

“That's right!”

“It should be so!”

The other elders and experts in the clan also echoed the words of Elder Xu Tianfeng. After all, they couldn't think of any other reason besides that.

on the battlefield.

“Sure enough!” After Xu Ming made a move with Xu Peng, he confirmed the conjecture in his heart and knew the effect of “combat lock”, “Xu Peng's attack was really locked in chaos. At the fourth level of the realm, what about Xu Peng's defense?”

Combat power, but includes attack, defense and many other aspects!

Because Xu Peng “played crookedly”, the power of Xuanhuang Realm fell on Xu Ming, and only the power of “Fourth-Order Chaos Realm” remained.

Now, what Xu Ming is curious about is—how would the defense of Xu Peng's Xuanhuang Realm be weakened to the fourth-order Chaos Realm?

“Try to attack!” Xu Ming thought to himself.

boom!

Before Xu Peng could react from the stunned situation, Xu Ming directly attacked Xu Peng.

“what!?”

“Xu Ming dares to attack?”

The powerful people around the battlefield were dumbfounded.

In their opinion, Xu Ming is only in the Chaos Realm, but Xu Peng is in the Xuanhuang Realm! If Xu Ming didn't take good care of the defense, it would be fine, but he still dared to fight back and attack? – When did the Chaos Realm become so arrogant?

Xu Tianfeng even snorted coldly: “I don’t know whether to live or die! My son just let him make a move, and he even slapped his nose on his face!”

But then, Xu Tianfeng, Xu Tianchen and many other masters were all more dumbfounded.

They saw that... Xu Peng actually punched crooked again, and Xu Ming’s attack not only “coincidentally” landed on Xu Peng’s vital position, but also triggered an effect similar to a “crit”. The landing is perfectly vented on Xu Peng’s divine body!

Even... because Xu Peng was in a hurry, his own attacking power also affected himself a little...

“I hit myself? This is all right?” Around the battlefield, the onlookers were in a mess, expressing that they were drunk – this Xu Peng, is it too careless?

boom!

Xu Peng was knocked to the ground by one move, and even his divine body was slightly damaged.

“This...” Xu Peng never thought that this battle would turn out like this... He existed in the Xuanhuang realm, and he was at a disadvantage when fighting against an opponent of the fifth-order combat power in the chaos realm...

This is too frustrating!

“I...” Xu Peng reviewed the two fights just now, “I lost my mind! I have to be more serious!”

“Xu Ming!” Xu Peng shouted, “Don’t think that you are lucky enough to hurt me, how incredible it is! The next move, you will definitely lose!”

boom!

This time, Xu Peng did not dare to be careless, and even showed his sword.

But the weird thing is... Xu Peng's attack this time is still wrong! Moreover, in turn, he was kicked by Xu Ming! Moreover, Xu Ming took advantage of his strength and once again relied on the power of Xu Peng's attack to hurt Xu Peng.

"Why..." Xu Peng got up from the ground again. At this moment, he was so depressed that he doubted his life, "How could this happen!?"

The cultivation of the Xuanhuangjing has been crushed by the combat power of only the fifth-order Chaos Realm for three consecutive moves... This kind of thing, no one will believe it!

But what the **** happened!

"Cough, cough!" Elder Xu Tianfeng, who was under the stage, didn't know how to help his son to smooth things out, so he had to say embarrassingly, "It should be that my son is too nervous..."

nervous...

The great experts of the Xu clan were speechless one after another – the dignified Xuanhuang Realm, what's so nervous about dealing with a Chaos Realm?

but...

Xu Peng, who suffered three consecutive losses, was indeed nervous.

"Damn it!" Xu Peng didn't believe in evil, "Xu Ming, take my ultimate move – Heaven and Earth Destroy!"

boom!

The dignified Xuanhuang Realm exists, and when dealing with a Chaos Realm, he was forced to use his ultimate move.

Xu Tianfeng even hurriedly shouted, "Be careful! You can't kill Xu Ming!"

Xu Ming has refined the ancient divine rune! If Xu Ming were to die, then Xu Peng would never have thought of obtaining the ancient divine rune.

However, when Xu Tianfeng shouted, it was too late! Xu Peng's ultimate move was already killing Xu Ming.

However...

Just when all the powers watching the battle felt that Xu Ming would definitely die... a strange scene appeared again!

I saw Xu Ming "stagger" in the void, and he "just happened" to avoid Xu Peng's ultimate move again.

"Pfft!" There was already an almighty Xu Shi who vomited blood!

A staggering ~www.readwn.com~ to avoid the ultimate move? – This is too **** coincidental, isn't it?

And... Void Walk, why would I stumble upon a trip? —There is nothing in the void to stumble upon!

However, no matter how unbelievable Xu's powers are, all of this is so coincidental! And, it happened right before their eyes.

What is even more unacceptable to the public is that after Xu Ming avoided Xu Peng's ultimate move with "a stagger", he lifted his foot and kicked Xu Peng's back casually, and actually "just" hit Xu Peng's key point again! Not only did Xu Peng eat his own ultimate move, but he was also kicked out of the battlefield.

"This..." Xu Tianfeng vomited blood, "My son... is not in good condition! Not in good condition!"

bad mood?

See it! – The state is more than "bad", it's just that the Mercury is retrograde!

Chapter 1605: Break Away From The Clan

Xu's.

There was a long silence around the clan battle platform.

No one would have imagined that the Chaos Realm could win the Xuanhuang Realm in this way.

"I..." Xu Peng, who was under the battlefield, looked stunned.

Xu Ming stood proudly on the battle platform, looked at Elder Xu Tianfeng, and said lightly, "I won, what about the bet?"

bet?

Xu Tianfeng was embarrassed.

You must know that when Xu Ming made this bet, Xu Tianfeng never thought that his son would lose; therefore, he did not prepare a corresponding bet at all.

and...

How precious are the ancient runes? – In terms of value, Xu Tianfeng may have to go bankrupt before he can afford the bet!

Fortunately, Xu Tianfeng was thick-skinned, and he quickly thought of a way to deal with it. He put on a hypocritical smile, and smiled kindly: "Don't worry, nephew Xu Ming, I will definitely not rely on your bet!"

Although rest assured?

As soon as Xu Ming heard Xu Tianfeng's words, he couldn't rest assured!

“Elder Xu Tianfeng!” Xu Mingcai was too lazy to get close to the other party, and he said word by word, “If you are willing to bet and admit defeat, please make a corresponding bet! Could it be that... Elder Tianfeng is willing to bet, but he is unwilling to admit defeat; still, he can’t take it out. Enough stakes?”

“Damn!” Xu Tianfeng was annoyed in his heart. But this battle is under the witness of the entire clan. There are so many elders and powers of the Xu clan around, so he naturally shouldn’t be fooled directly; stand in it.

“Xu Ming!” At this time, Xu Peng finally reacted from the confusion and shouted angrily, “You were too lucky to win me! This battle is not counted! Let’s fight again!”

lucky?

On the battlefield, is there any chance of luck?

“It’s so shameless!” Xu Ming sneered and turned to Xu Tianfeng, “Elder Xu Tianfeng, shouldn’t you be like your son...”

Xu Ming didn’t say anything after that, but the meaning couldn’t be more clear – you shouldn’t be as shameless as your son, right?

“Xu Ming!” Xu Tianfeng said confidently, “I am the elder of the dignified clan, and your uncle, how could I rely on you to bet? It’s just... You are too weak now! As the saying goes, every man is innocent and guilty; I’m worried that you have too many treasures on your body, not only is it not a good thing, but it will be a disaster! Therefore, I will keep these bets for you first! When you become stronger in the future, I will give them to you!”

“Is that so?” Xu Ming said with a half-smile, “Elder Xu Tianfeng’s kindness, I appreciate it! As for the treasure... I think it’s more reassuring to put it on me! Elder Xu Tianfeng probably won’t be able to show it for a while. A lot of treasures, right? If you really can’t get it, it’s okay; you can get as much as you can! You can owe the rest first!”

“Xu Ming! I have good intentions to help you keep your treasures, you don’t know what to do!” Xu Tianfeng’s face suddenly became gloomy; the momentum on his body was pressing towards Xu Ming.

“Ha!” Xu Ming also restrained his smile, narrowed his eyes slightly, and said, “No need!”

“Humph! I don’t know what’s wrong!” Elder Xu Tianfeng shouted angrily, “But...whether or not I should take care of it, it’s up to you! – I think that Xu Ming is too weak, carrying a heavy treasure, it’s too dangerous, let me take care of it on behalf of this elder for the time being. Please also ask the clan elders to make a decision!”

It is the decision of the clan elder pavilion again!

Xu Ming smiled!

Every time, Xu Tianfeng would move out of the clan elder pavilion with dignity; and every time, the decision of the clan elder pavilion would be as he wished.

“Okay! It’s up to the clan elders’ pavilion to decide!” Xu Ming sneered – he wanted to see how the clan elders’ pavilion would decide!

If this time, the clan elder pavilion is still talking nonsense with its eyes open; then... Xu Ming will not stay in such a clan!

As for what I owe Xu Ming...

No one can owe Xu Ming anything!

“I don’t need to say more about my opinion!” Xu Tianfeng said coldly, “Let me temporarily replace Xu Ming and take care of the treasure!”

“Agree with Elder Xu Tianfeng’s opinion—Xu Ming is still too weak after all! Every man is innocent of his guilt!”

“That’s right! If something happens to Xu Ming, it will not only be his loss, but the loss of our entire Xu family!”

“Let Elder Xu Tianfeng take care of the treasure on his behalf!”

Sure enough, as Xu Ming expected, one elder after another stood on Xu Tianfeng's side.

"I'm against it!" Elder Xu Tianchen said, "Elder Xu Tianfeng, willing to accept defeat! Since he has already lost, he should hand over the treasures to Xu Ming; what Xu Ming does with these treasures is his own business!"

However... there are still too few elders like Xu Tianchen!

Most of the elders were on Xu Tianfeng's side. The result of the decision of the clan elders' pavilion is no surprise.

"Humph!" Xu Tianfeng couldn't help but hummed proudly, "Xu Ming, you have seen the decision of the clan elders' pavilion! As a member of the Xu clan, you should honestly follow the decisions of the clan elders pavilion. !"

Xu Peng also looked at Xu Ming playfully, as if he wanted to see an expression of grief, anger and helplessness on Xu Ming's face.

But... Xu Peng was disappointed!

He could not find a trace of grief and helplessness on Xu Ming's face, instead he saw ridicule and contempt.

"Hahahaha..." Immediately afterwards, Xu Ming burst out laughing.

"Xu Ming, what are you laughing at!?" Xu Tianfeng asked.

"A ridiculous clan! It's really ridiculous!" Xu Ming laughed and shook his head, "It's okay! It's okay! I, Xu Ming, hereby announce that from today, I will leave the clan and will no longer be a member of the Xu family; the so-called clan elder pavilion. The decision has nothing to do with me anymore!"

"what!?"

“Xu Ming, how dare you...”

All the elders and great masters of the Xu clan were furious.

“You dare to betray the clan!?” Elder Xu Tianfeng scolded.

“Betraying the clan?” Xu Ming shook his head and sneered, and said indifferently, “If you think so, so be it!”

Xu Tianfeng wanted to continue to scold, but suddenly his eyes lit up and said: “Xu Ming, if you have no feelings for the clan and want to leave the clan, we will not stop you! But well... the ancient charms of the clan, you must stay In the clan!”

When Xu Tianfeng spoke, he was sneering in his heart: I left behind the ancient divine rune, and when you leave the clan, you can get rid of you without any scruples!

“The ancient rune of the clan? Hahahaha...” Xu Ming couldn’t help laughing again~www.readwn.com~Xu Tianfeng, does this ancient rune have something to do with the clan? ”

You know, the ancient divine rune was left to him by Xu Ming’s parents! It belongs to Xu Ming’s private property, and it really has nothing to do with the clan!

It has to be said that Xu Tianfeng is really shameless enough to be able to speak so confidently!

“Bold!” Xu Tianfeng shouted, “It doesn’t matter if you betray the clan! You still want to take away the clan’s treasures! It’s just lawless! If you don’t punish it properly, what’s the majesty of the clan!?”

In fact, Xu Tianfeng wanted to use torture for a long time to force Xu Ming to hand over the ancient magic rune, but there was never a suitable excuse! And now, he feels that he has found an excuse!

Betrayal of the clan, this is a serious crime!

Xu Ming was not intimidated by the opponent’s coercion at all, but sneered disdainfully: “Ha! Are you finally completely shameless?”

Chapter 1606: Little Brother Town

“Oh! Are you finally shameless?”

In fact, Xu Ming had already expected this to happen, and he had already prepared for it.

“Lawless! No respect!” Xu Tianfeng was completely angry.

boom! !

The terrifying aura from the Destruction Realm erupted instantly. The tyrannical atmosphere made many Xu clan masters present feel great pressure, and their expressions could not help but change slightly.

However, Xu Ming was not affected by this terrifying momentum and remained indifferent.

After all, Xu Ming is hanging on “Eternal Power”, and his own strength has the realm of all things! Xu Tianfeng wanted to suppress Xu Ming just relying on his aura, but he was a little short!

“Huh?” Xu Tianfeng’s expression changed slightly, “It seems that you really have some trump cards, so you can’t be affected by my aura! – But today, you dare to betray the clan and try to take away the clan’s treasures; no matter what trump cards you have, I can’t save you!”

boom!

Xu Tianfeng slapped Xu Ming directly with a palm, obviously wanting to capture Xu Ming.

With Xu Ming’s power in the realm of all things, it is naturally difficult to stop the power of the palm of the hand of the realm of destruction, unless...he will open up the more advanced “power of eternity” at all costs.

However, Xu Ming was standing still, and he didn’t mean to activate the more advanced “Eternal Power”.

“Have you been frightened?” Xu Tianfeng secretly said, but he felt normal in his heart – he is a powerhouse in the Destruction Realm, and he frightened Xu Ming with one palm, what’s so strange?

However at this moment...

The endless void trembled in vain.

The time and space where the Xu clan is located seems to be suppressed by endless coercion. Even Xu Tianfeng’s palm turned pale.

“What’s the matter?” Xu Tianfeng was slightly startled, and immediately reacted, “A super strong person is coming!?”

Just as Xu Tianfeng’s palm was about to hit Xu Ming, a talisman’s protection instantly appeared around Xu Ming.

Countless flowing runes of characters contained great coercion. Every word is comparable to the power of Destruction Realm.

boom! !

Xu Tianfeng’s palm returned without success, and was shaken back.

“Who is it!?” Xu Tianfeng was shocked.

At this time, at the end of the sky, dozens of figures appeared. Two of the figures are extremely bright, and the world is overshadowed by them.

“This is... the existence of Nirvana realm!?” Xu Tianfeng and the other great experts of the Xu family were all shocked.

Nirvana realm, that is a high existence!

Anyone who exists in the Nirvana state can despise and destroy the current Xu clan; and now, there are two Nirvana states arriving at the same time!

What shocked the great masters of the Xu clan even more was that these two Nirvana realm existences, together with the dozens of destruction realm masters behind them, surrounded an existence that only had the breath of all things.

Obviously, the existence of this world surrounded by all things must be extraordinary!

Suddenly, Xu Tianfeng was stunned: “These... seem to be the great masters of the Domain Lord’s Mansion?”

After all, Xu Tianfeng is also a strong person, and he still has some knowledge. He naturally recognizes some of the top existences in Pantianyu; he will not be as blind as those in the prehistoric realm and the realm of all things in Yuxin City.

And this made Xu Tianfeng even more shocked: “Why did the great power of the Domain Lord’s Mansion suddenly come, and he even took action to protect Xu Ming?”

Xu Tianfeng was not mistaken, the dozens of great powers that appeared at the end of the sky were the powerhouses of the Domain Lord’s Mansion.

The one who was surrounded by the stars in the middle of the moon was the solitary gunman of Pan Tianyu’s “Master of the Lesser Domain”. Those two Nirvana Realm existences and dozens of Destruction Realm powers are the subordinates of the Lone Gunner.

The other great powers of the Xu Clan also obviously guessed that the powerhouses of the Domain Lord’s Mansion should have come for Xu Ming.

“Xu Ming!?” Xu Tianfeng and other elders were extremely puzzled – they really couldn’t figure out what was so special about Xu Ming that he could allow so many powerful people from the Domain Lord’s Mansion to stand up for him?

Could it be because of the ancient divine rune on Xu Ming?

This is impossible!

Primordial talismans are naturally extremely precious to a fifth-rank force like the Xu Clan; but to a seventh-rank force such as the Domain Lord Mansion, they are nothing! The powers of the Domain Lord's Mansion, if you want to get the ancient rune, it will not be difficult!

But apart from the ancient rune, what else could Xu Ming have on him?

This is exactly what Xu Clan can't figure out!

Immediately afterwards, the great powers of the Xu clan were even more horrified to discover that the identity of the one who is headed by the existence of the realm of all things does not seem to be simple...

"That's... the young domain master of Pan Tianyu!?" Xu Clan was greatly shocked.

The identity of the master of the Pantianyu Shaoyu is even more precious than the average Nirvana realm powerhouse!

After all, the person behind the Shaoyu Lord is the absolute ruler of Pantianyu—Pantianyu Lord!

Even the top 6-Rank forces, even the powerhouses at the peak of Nirvana Realm, must bow their heads in front of Pan Tianyu!

"What is it... that attracted all the young masters of Pan Tianyu!?"

Just when Xu Clan was able to guess, an even more frightening scene happened!

I saw that this highly respected young domain master, after appearing, ran to Xu Ming—they were right, it was indeed Pidianpidian who stepped on the void and ran to Xu Ming!

It's a joy to run! Like a puppy in spring!

“This...” Seeing this scene, all the great experts of the Xu clan did not know how to express their current feelings.

panic?

Confused?

In short, all the great powers of the Xu family, at this time, their heads are blank!

And at this moment, the most frightening scene finally happened!

I saw this young master in Pantianyu, who can be said to be “under one person and more than ten thousand”, ran to Xu Ming’s side, bowed carefully and said, “Hello, Ming!”

Hello Ming! ?

The entire Xu family was completely stunned!

On the other hand, Xu Ming stood with his hands behind his back with a look of indifference, but nodded slightly and praised: “It appeared quite timely!”

In fact, when Xu Ming encountered an interception on his way back to the clan, he had already summoned the Lone Gunner and asked him to come to help the town! However, Xu Ming did not rush to show the Lone Gunner, but asked him to lead someone to hide near the Xu family.

And the “Master of the Lesser Domain” Lone Gunner, after receiving praise from Xu Ming, was immediately excited: “It’s my honor to serve Brother Ming!”

“Yeah! Step back!” Xu Ming waved his hand casually and said.

The Lone Gunner immediately stepped aside, then ran to Yun Tian’s side again, and also greeted humbly, “Hello, Sister Yun!”

Miss Yun... Good! ?

The great power of the Xu clan is even more stunned!

Who is Yun Tian?

Isn't she Xu Ming's maid?

A mere maid ~www.readwn.com~ actually asked Pan Tianyu's Young Master to bow and say hello? And also called "sister"?

Moreover, looking at Yun Tian's appearance, it is so geographically appropriate.

Even... even the two Nirvana Realm existences and dozens of Destruction Realm powerhouses brought by the Young Domain Master didn't think there was anything wrong with this.

At this time, the Xu clan experts, even if they have no brains, have already guessed that there is definitely a big secret about Xu Ming! Xu Ming definitely has a hidden identity, and it's not very simple!

As for the big secret and the hidden identity, this is beyond the imagination of the Xu clan!

Chapter 1607: Ambush

After the arrival of the masters of the Domain Lord's Mansion such as the Lone Gunner, they naturally took control of the entire Xu family in an instant.

After all, Xu's current strongest combat power is at best in the Destruction Realm; and the Lone Gunner, even the existence of Nirvana Realm, brought two over here! Anyone who exists in the Nirvana state can easily suppress the Xu Clan.

"Brother Ming, how do you deal with these people!?" The lone gunman was fierce and looked like a dog's leg.

"Forget it!" Xu Ming shook his head and sighed, "From today on, I will leave the clan and have no grudges with the Xu family!"

Although Xu's actions were excessive, after all, this was the power that Xu Ming was born with now! Moreover, the parents of this divine body also tried their best to revitalize the Xu family before they fell; Xu Ming, now, naturally, it is not easy to make a move to destroy the Xu family.

If that's the case, then leave the clan and cut off the ties!

"But..." Suddenly, Xu Ming looked at Elder Xu Tianfeng and said, "You can't cheat on the bet you lost to me!"

"This..." Elder Xu Tianfeng was startled – of course he doesn't dare to be rude now! However, from the very beginning, he never thought that his son would lose to Xu Ming; therefore, he did not prepare any bets at all!

For a while, Xu Tianfeng couldn't make any bets at all.

"Huh?" Without Xu Ming's words, the face of the dog-legged gunman sank, with a strong sense of threat.

The Xu Clan's great power was agitated, and the elders did not dare to hesitate, and they made up enough chaotic source crystals for Xu Tianfeng, and honestly sent them to Xu Ming.

Xu Ming calmly accepted it.

Although, after Xu Ming's Moyin Mall was completely spread out in the Holy Land of Destiny, he really couldn't look down on such a chaotic source crystal. But this was a wager in a gambling battle, and Xu Ming took it for granted.

"Thank you!" After leaving the Xu family, Xu Ming said casually to the lone gunman.

"Brother Ming, what are you talking about!" The Lone Gunner's face became solemn, and he said in fear, "You said 'thank you', aren't you hitting me in the face? If it wasn't for you to help me in front of Senior Palm God After a few words, I wouldn't be able to achieve what I have now!"

Senior Palm God?

Xu Ming smiled without saying a word.

Maybe... The Lone Gunner would never know or dare to imagine that the Xu Ming in front of him was actually the same person as the palm ***** he was in awe of!

“However... this lone gunman’s favor is easy to repay!” Xu Ming thought to himself, “When you have time, go to Tianxinjie and touch his head, this favor will be more than enough!”

...

at this time.

In the mountains far away from Xu’s “Thirty Million Realms”.

Above the mountains, every fallen leaf is comparable to the size of a chaotic world; every ancient tree is thousands of worlds high; every mountain peak is more than 100,000 worlds high!

This is just a very ordinary mountain range in the Destiny Sacred Realm.

In the mountains, there are three masters hidden.

Two of the black and stern figures are experts in the Destruction Realm; the other is the “Elder Hundred Herbs” of the Ten Thousand Medicine Hall that Xu Ming stepped on.

“Baicao, are you sure that Yun Tian has entered the Xu Clan again?” One of the shattered realm powerhouses with blood-colored eyebrows said in a low voice. Obviously, he is still a little jealous of the Xu family; after all, there are quite a lot of Xu family’s Destruction Realm powerhouses.

“Yes!” Elder Baicao said, “In this mountain range, with my eyeliner, I’m sure Yun Tian has returned to the Xu family!”

“A step late!” The blood-brow powerhouse snorted, “If you could arrive earlier and intercept Yun Tian outside of the Xu family, then it would be easy to do things... It’s a pity! Now, we can only wait for Yun Tian to come out from the Xu family. It’s gone!”

“Yeah!” Another Destruction Realm powerhouse, with an inverted triangle “囧” eyebrows, was very happy, “Just wait here! When Yun Tian comes out from the Xu family and goes to Yuxin City, it must be through the mountains!”

“Not bad!” said the blood-brow powerhouse, “It is said that... Yun Tian was in the Yuxin City, and actually climbed the relationship with the Domain Lord’s Mansion! We must catch her before she enters the Yuxin City; otherwise, let her be captured. When she enters Yuxin City, it will not be easy to deal with her!”

“Yes!”

Before the blood-brow powerhouse and the down-brow powerhouse came, they never thought that it would be so troublesome to capture a mere Yun Tian! – Yun Tian was in the Xu family, and they didn’t dare to rush in to capture it; Yun Tian entered Yuxin City, and they didn’t dare to capture it! Therefore, it can only be done from the outside world.

“Two seniors!” Elder Baicao said, “This Yun Tian is a waste maid of the Xu family, and usually follows that waste! When the time comes, when the two capture Yun Tian, please also capture Xu Ming. Come down, avenge me!”

Elder Baicao still remembered Xu Ming’s revenge for his humiliation.

“Waste?” The brow powerhouse sneered, “Then you are suppressed by a waste, what is it!?”

“This...” Elder Baicao was speechless for a moment.

“Humph!” The man with the downturned brow snorted again, “But... don’t worry! Since you are faithful in doing things, we will not see you being bullied in vain! We will pay you back for your revenge!”

We were chatting for three days.

Suddenly, the eyes of the blood-brow powerhouse lit up: “Someone is coming from the Xu family in this direction! It seems to be... Yun Tian!”

The eyes of the strong eyebrows also shot through the endless distance: “You came out of the Xu family so quickly? God helps us! Huh – but, there are dozens of people around Yun Tian!”

The blood-brow powerhouses and the down-brow powerhouses couldn’t help but feel a little jealous: “Could it be... is the powerhouse of the Xu clan who came out with Yun Tian!? – Let’s see if there are any elders of the Xu clan!”

The blood-brow powerhouse and the down-brow powerhouse were even carefully identified.

The elders of the Xu clan all possess the cultivation base of the Destruction Realm, and their strength is not inferior to them.

After identifying it carefully, the two of them showed joy, and they immediately felt relieved: “There is no Elder Xu in this group of people!”

After a while, Elder Baicao could also see Yun Tian and Xu Ming.

“It’s him!” Elder Baicao shouted excitedly, “The one next to Yun Tian is Xu’s waste!”

“Baicao, take a closer look, are there any strong people among this group of people?” said the blood-brow strong man – he had already felt that the dozens of people around Yun Tian were not strong!

“Stronger?” Elder Baicao took a closer look and said with certainty, “No! They are all unfamiliar faces! Unless...they are disguised so that I can’t recognize them!”

“Disguise? No!” The blood-brow powerhouse believes in himself~www.readwn.com~ If there is a disguise, I will definitely see through it! If you want to hide the breath of dozens of people at the same time, unless there are several Nirvana realm powerhouses together, you can escape our perception! ”

Several Nirvana realm together to cover up the breath?

The blood brow powerhouse does not think that there will be a Nirvana realm powerhouse who will help Yun Tian and others cover up their breath when they are idle! And... a Nirvana realm

powerhouse is not enough, at least two or more must be at the same time to cover up the breath, in order to hide the perception of the blood-brow powerhouse and the down-brow powerhouse.

“It should be a mob!” Elder Baicao said.

“It’s a chance to do it!” The man with the downturned eyebrows also said.

“Yeah!” The blood-brow powerhouse sneered, “Then let’s capture Yun Tian!”

only...

The blood-brow powerhouse and the down-brow powerhouse would never have imagined that there were really two Nirvana realm existences, and they were bored by Xu Ming and Yun Tian!

Chapter 1608: Blood Mold

Xu Ming and his party, dozens of strong men, walked through the void. Not deliberately publicity, nor too low-key.

“It’s the Ripple Mountain Range...” Xu Ming said through a voice transmission, “Before, when I passed by here, I felt someone was watching! At that time, I was in a hurry, and I wanted to catch a big fish, so I didn’t scare the snakes!”

With Xu Ming’s keen perception, he could naturally perceive those malicious prying eyes.

“Hope... this big fish, don’t let me down!” Xu Ming laughed.

Xu Ming is now beside him, but he is followed by two Nirvana Realm and dozens of Destruction Realm experts! Such a strong lineup deliberately camouflages its figure and conceals its aura. If only a small fish is called out, it will be boring.

“Everyone, hide it!” Xu Ming specifically explained.

“Don’t worry, Brother Ming!” The Lone Gunner patted his chest and said, “I would like to see, in the Pantianyu area, who is impatient to live and dare to hit Brother Ming!”

When the Lone Gunner spoke, there was a ruthless look in his eyes.

“Maybe... you won’t be able to catch any fish!” Xu Ming sneered, not paying much attention.

In this shattered era of chaos, Xu Ming’s mentality is undoubtedly aloof. After all, at this time, Xu Ming was walking in the “past”.

Suddenly, a playful color flashed in the eyes of the two Nirvana realms: “Someone is spying on us! The strength is not weak!”

The corners of Xu Ming’s mouth curled up vaguely: “The fish is hooked!”

Xu Ming’s voice just fell...

boom! boom! boom!

In the Ripple Mountains, there are three tyrannical auras rising into the sky!

Two of the black figures quickly moved towards Xu Ming’s direction; while the other figure was obviously much slower!

“Two Destruction Realms! One Xuanhuang Realm!” Beside Xu Ming, the Nirvana Realm of the two Domain Lord’s Mansion existed and instantly made a judgment.

However, Xu Ming, Yun Tian, Lone Gunner, and dozens of experts from the Domain Lord’s Mansion did not do anything, but quietly waited for each other to rush up.

“Ha!” Suddenly, Xu Ming laughed, “I thought who it was! It turned out to be him!”

Yun Tian also laughed!

Xu Ming and Yun Tian both saw Elder Baicao rushing behind.

Back then, the reason why Xu Ming didn't kill Elder Baicao in Yuxin City's "Yun's Clan", but shot him out, just wanted to catch the bigger fish behind him.

"This Elder Baicao did not live up to my expectations for him!" Xu Ming laughed secretly in his heart.

boom! boom! boom! ...

Three figures approached rapidly.

"Xu Ming!" From a distance, Elder Baicao let out a hideous laughter, "Today, there are two Great Destruction Realm experts here, I see where you can escape! I didn't expect you to have today, haha. Ha ha..."

The two Great Destruction Realm experts, the blood-brow powerhouse and the down-brow powerhouse, although they did not speak, their eyebrows were also full of disdain. After all, in their opinion, Xu Ming and others are just a mob; they can easily suppress them.

"Yun Tian!" The eyes of the blood-brow powerhouse fell on Yun Tian, and he secretly said in his heart, "It is important to complete the task!"

boom!

Without hesitation, the blood-brow powerhouse's divine arm instantly soared and grabbed Yun Tian; in the direction of the palm, time and space were frozen.

And the strong man with the eyebrows was not idle, and at the same time, he shot and suppressed dozens of strong men such as Xiang Xu Ming.

"Hahahaha..." The look on Elder Baicao's face became more and more hideous.

Xu Ming and Yun Tian remained silent.

The little brother “Lone Gunner” on the side said lightly: “Do it!”

boom!

boom!

Dozens of Destruction Realm existences remained motionless, while the two Nirvana Realm powers shot instantly.

The time and space of the entire Ripple Mountains were completely frozen in an instant.

Even the two great powers of the Destruction Realm, the blood-brow powerhouse and the down-brow powerhouse, are struggling.

The power of Nirvana Realm is definitely not something that Destruction Realm can compete with!

In the frozen time and space, two Nirvana Realm powers, one grabbed at the other, as if grabbing two little chicks, and instantly grabbed the blood-brow powerhouse and the down-brow powerhouse.

The blood-brow powerhouse and the down-brow powerhouse, in addition to being ignorant, are still ignorant!

“what’s the situation!?”

“how come...”

After a while, the two recovered from their confusion. There is no doubt that they kicked the iron plate!

It was the two Nirvana realms who took action to capture them!

“It’s really ***** mold!” The blood-brow powerhouses and the down-brow powerhouses just want to cry, when the Great Master Nirvana is so worthless! Casually ambushing Yun Tian, she actually ambushed to two Nirvana realms.

boom! boom! boom! ...

At this time, the dozens of Destruction Realm existences no longer hide their cultivation bases, and they burst out with momentum.

“puff!”

“puff!”

The blood-brow powerhouses and the down-brow powerhouses vomited blood together. They’ve had blood mold for eight lifetimes! Not only did he ambushed two Nirvana Realm Great Experts, he also ambushed dozens of Destruction Realm...

This time, even if the two of them can escape, they will definitely doubt life! Of course, the two knew very well that they had no hope of escaping! Being held in the hands of two Nirvana Realm masters like a little chicken, how to escape?

“What!?” At this time, Elder Baicao finally reacted, but the expression on his face was still a stunned Nima. Has the situation changed too quickly?

Elder Baicao froze in place for a while, neither rushing forward nor escaping back...

“Elder Baicao, we meet again!” Xu Ming smiled faintly.

Elder Baicao squeezed out a wry smile. Baby’s heart is really bitter!

How can anyone play like that? It actually took two Nirvana Realms and dozens of Destruction Realms to fly slowly! Moreover, these dozens of great powers also cooperated with Xu Ming to disguise his figure and hide his aura...

Elder Baicao just wanted to say that as strong people, can you be a little more magnanimous?

Xu Ming smiled and hooked his fingers at Elder Baicao: “Climb over!”

climb over...

Elder Baicao remembered the last time he “crawled out” in front of Xu Ming!

How sad and angry is the elder Baicao! ? Take me for what? Makes me crawl around!

“Humph! Scholars can be killed, but not humiliated!” Elder Baicao thought angrily, “Let’s climb...”

...

After Elder Baicao climbed over~www.readwn.com~ Xu Ming showed a playful look on his face: “You should be here for Yun’s treasure, right? I’m very curious, when Yun was at his peak, the strongest It is only the realm of all things; what is it that is worth so much trouble for the two powerful people in the realm of destruction?”

The blood-brow powerhouse said: “We are just following orders! If I tell you who is behind you, can you let us go?”

“Uh...” Xu Ming was a little surprised that he didn’t even ask, the other party just called! This caught Xu Ming by surprise.

But it’s normal!

The people behind the blood-brow powerhouse and the down-brow powerhouse are only at the peak of the Destruction Realm and are considered to be at the same level as the two of them!

Now, when the two encounter a threat of life and death, their first thought is to save their lives! Those that can be recruited will be recruited; maybe there is still a chance?

“Ha!” Xu Ming was a little curious, “I really want to know, whose orders are you taking?”

The blood-brow powerhouse said directly: “The ancient temple, Huang Yu!”

Chapter 1609: Traveler

Phoenix Feather!

When Xu Ming heard this name, it felt like thunder.

Back then, at the Divine Phoenix Battle Arena, wasn't it Huang Yu who was forced into the long river of time after losing the gamble with Xu Ming?

“Could it be the same person?” Xu Ming thought immediately.

“Transform the image of Phoenix Feather, let me see it!” Xu Ming said.

“Yes!” Without any hesitation, the blood-brow powerhouse transformed into the image of Huang Yu.

“This is...” Xu Ming was startled.

It's really a narrow road for enemies!

The figure transformed by the blood-brow powerhouse was very different from the Huang Yu that Xu Ming had seen before, and his appearance was slightly different; however, Xu Ming was instantly certain that this person was definitely the Huang Yu he knew!

After all, with the same name and the same appearance, how could there be such a coincidence in the world?

“Huang Yu's cultivation is so high... It seems that it has been a long time since he returned to this chaotic era!” Xu Ming thought to himself.

Although Huang Yu did not enter the long river of time much earlier than Xu Ming, but the position where he popped out from the long river of time was much “earlier” than Xu Ming. Therefore, not

long after Xu Ming came to this chaotic era, Huang Yu had already lived here for hundreds of epochs; moreover, it seemed that Huang Yu had also made a name for himself.

“Brother Ming?” The Lone Gunner asked through voice transmission, “Do you recognize this Phoenix Feather?”

Xu Ming did not answer the Lone Gunner, but looked at the blood-brow powerhouse: “Has Huang Yu mentioned the name Xu Ming to you?”

Xu Ming?

The blood-brow powerhouse had never heard of the name “Xu Ming” before, so he answered honestly, “No!”

“Oh?” Xu Ming smiled and didn’t say much. He thought to himself that it seems that Huang Yu doesn’t know yet. I have returned to this chaotic era; this time I sent two strong men from the Destruction Realm. It came for me, but for Yun’s treasure!

“But...” Xu Ming thought again, “I’ve already been in contact with Huang Yu’s subordinates. It should be a matter of time before Huang Yu finds out that I’m here, unless... I’ll do it first!”

Xu Ming’s eyes flickered a few times, and the voice transmission asked the Lone Gunner: “Do you have any way to deal with Huang Yu?”

“It’s hard to say!” The Lone Gunner thought for a while, and said, “Brother Ming, you know that the Primordial Temple has a very special status in the Holy Realm of Destiny! If Huang Yu is just an ordinary member of the Primordial Temple, it is naturally no big deal. ; But if... Huang Yu has obtained the order of Nirvana, it is not ordinary in the ancient temple, even my father, can’t deal with him casually!”

“Oh?” Xu Ming didn’t know what Nirvana was, and he was too lazy to think about it. He said, “Can you guys detain these two Destruction Realms first?”

If he kills these two Destruction Realm powerhouses, Huang Yu will probably know soon enough, and Xu Ming may be found at that time. problem occurs! After all... For the normal existence of Destruction Realm, hundreds of millions of years are just a flick of a finger; even if Huang Yu found out that the two men disappeared, it may have been hundreds of millions of years later.

But for Xu Ming, it doesn't take hundreds of millions of years, or even 10,000 years, to make an earth-shaking change in his strength!

Before he had enough strength, Xu Ming didn't want to be exposed in front of Huang Yu so quickly, you must know... that Huang Yu was not the only one who returned to this chaotic era!

Xu Ming still doesn't know what the "traversers" who have passed through from the "next chaotic era" are doing in this chaotic era; he also doesn't know, those traversers, to the traversers who come later, are what kind of attitude...

Before figuring out the situation of the other travelers, Xu Ming felt that it was better to keep a low profile! If you reveal your identity and cause trouble, you will be depressed.

"Detain two Destruction Realms?" The Lone Gunner patted his chest and said, "No problem!"

How could the dignified Domain Lord's Mansion be unable to hold two Destruction Realms?

"Lock it up first!" Xu Ming said.

As for Elder Baicao, Xu Mingti didn't bother to mention it, and he would definitely be imprisoned.

"Detention..." Although the blood-brow powerhouse and the down-brow powerhouse were extremely depressed, they could only accept it. After all, who made them fall with blood mold and kick the iron plate; is it better to be imprisoned than to die?

...

Return to the residence of Yuxincheng.

Xu Ming left Yun Tian alone.

"Yun Tian, do you know what's so special about your Yun's treasure?" Xu Ming asked.

Before Yun's destruction, the strongest person was only in the realm of all things; but Yun's treasures attracted the peeps of Huang Yu who was far away in the ancient temple. You must know that Huang Yu is the peak of the realm of destruction!

If there was nothing special in Yun's treasure, would Huang Yu peep at it? If it is the power of the ordinary powerhouse of the realm of all things, even if the wealth of the entire power is handed over, Huang Yu may not be interested!

"Senior brother, I really don't know..." Yun Tian hurriedly said.

"I believe you!" Xu Ming said.

After all, Yun Tian's cultivation base is low, even if you know the location of the treasure, but don't know the secret of the treasure, it's normal!

"But..." Yun Tian said again, "It is said that the Yun clan in Pantianyu is a branch of a certain power! That power has long since been destroyed; could it be that there will be some treasures hidden in my cloud? Among the treasures?"

"Oh?" Xu Ming's eyes lit up, "It's possible!"

"Brother Ming, how about... I'll take you to Yun's treasure now, shall I?" Yun Tian said to Yun Tian, guarding Yun's treasure, just didn't want the treasure to be robbed! And Xu Ming is his senior brother, his own, not an outsider. Naturally, there is no concept of grabbing or grabbing~www.readwn.com~ No hurry! "Xu Ming said, "Maybe, there are other forces peeping at your Yun's treasure! Even, some forces may have been monitoring the location of the treasure, but they can't forcibly break into your Yun's treasure... Let's go when we are stronger! "

Although Xu Ming can ask the Lone Gunner to help and send two Nirvana realm powerhouses to him, but what if... Yun's treasure contains a treasure that will make Nirvana realm heart be moved? You know, it's not impossible! Treasures that even the peak of Destruction Realm must be obtained with great effort are entirely possible to make Nirvana Realm also excited.

At that time, if the allies turn their faces, it will not be fun! Therefore, it is better to rely on yourself for things like digging treasures!

Of course, it is also possible that there are only some junk in Yun's treasure; if that's the case, it's not worth Xu Ming's haste to dig the treasure, and he has to owe someone else's favor.

"Yes! Senior Brother!" Yun Tian naturally respected Xu Ming very much, what Xu Ming said was what he said.

Xu Ming's eyes were distant, and he pondered: "Now... before other 'traversers' find me, hurry up and earn points!"

Chapter 1610: 3000 Years Later

Early morning.

slightly exposed.

Pantianyu, Yuxincheng.

Xu Ming sat cross-legged in the courtyard, but his temperament became very different.

Today, Xu Ming's body seems to be covered with a layer of indifference that sees through the pomp. It seemed that everything in his eyes had become insignificant.

"Three thousand years..."

Suddenly, Xu Ming sighed quietly.

Yes, it has been three thousand years!

In this shattered era of chaos, the passage of time has become somewhat meaningless; even if Xu Ming spends hundreds of millions of years here and returns to the "future", I am afraid that only a few days have passed.

"My cultivation base has recovered to the prehistoric realm..."

Before Xu Ming entered the long river of time, his cultivation had broken through to the second level of the primordial realm; after coming to this shattered era of chaos, Xu Ming's cultivation had returned to the first level of the chaos realm.

Now, three thousand years have passed, even if Xu Ming did not deliberately cultivate to improve his cultivation, but with his talent and destiny, it is very simple to take the road of cultivation again. Before he knew it, Xu Ming's cultivation had recovered to the first rank of the Great Desolate Realm!

"It's just... Although the cultivation base has recovered to the prehistoric realm, the strength is much weaker than before entering the long river of time!" Xu Ming secretly said.

After all, before Xu Ming entered the long river of time, his divine body had cultivated the "Divine Phoenix Immortal Body"; but after coming to this shattered era of chaos, there was nothing left!

In the Sacred World of Destiny, Xu Ming had never heard of the "Divine Phoenix Essence", and naturally he could not re-cultivate the Divine Phoenix Immortality.

However... Xu Ming didn't care much about strength! After all, Xu Ming is not sure whether his current strength can be brought back to the "future".

Therefore, Xu Ming doesn't care much about his current strength, but rather... In this shattered era of chaos, how many hanging points have he earned!

hang up...

As soon as these two words were mentioned, Xu Ming laughed.

"Three thousand years... My Moyin Mall has finally opened throughout the entire Destiny Holy Realm!"

That's right! Open the Holy Realm of Destiny!

Moyin Mall can be seen in the entire Destiny Sacred Realm, no matter which domain of Yuxincheng.

As Xu Ming's base, Pantianyu has opened more than ten Moyin malls!

"Now... the number of Moyin Malls in the Destiny Sacred World has exceeded 100,000!"

One hundred thousand seats!

Just thinking about it is a scary number!

With 100,000 Moyin Malls to make money together, Xu Ming's daily income is a terrifying figure! After all... what Xu Ming is earning now is the Chaos Origin Stone and Chaos Origin Crystal of the entire Destiny Holy Realm!

Xu Ming is like a huge vampire, lying in this shattered era of chaos, devouring the essence of the entire era of chaos!

Don't ask how many hanging points Xu Ming has! Because... Xu Ming himself doesn't know how many hanging points he has!

The 15-level hanging points for the exchange of low-grade Chaos Originium... can be called endless!

The 16-level hanging points exchanged for the middle-grade Chaos Originium... can be called endless!

The 17-level hanging points for the exchange of high-grade Chaos Originium... can be called endless!

but...

"Chaos source crystal, it's hard to earn too much!" Xu Ming couldn't help but secretly said.

Chaos source crystal, divided into low-grade, middle-grade, high-grade, can be exchanged for 18, 19, 20 hanging points!

The low-grade Chaos Origin Crystal was fine. Although Xu Ming didn't dare to say "infinite", he also made hundreds of millions of dollars! Almost never worry about running out!

But... middle-grade and high-grade Chaos Origin Crystals, Xu Ming is quite limited!

"There's no way..." Xu Ming sighed, "Middle-grade Chaos Origin Crystals are usually only owned by those who are in the Destruction Realm; experts in the Realm of Everything, even if they have them, are reluctant to use them! Will have it! – And the entire Destiny Holy Realm, Destruction Realm, Nirvana Realm powerhouse, how many? Will go to Moyin Mall to buy treasures, even less!"

not to mention...

It has only been three thousand years since Xu Ming's Moyin Mall opened!

too short!

For the powerhouses of the Destruction Realm, more than ten thousand years may have passed in the blink of an eye. Even if you are interested in going to Moyin Mall, you still haven't had time to go!

"It seems that level 19 and 20 hanging points are very difficult to earn..." Xu Ming secretly said, "Accidentally, it became a low-end market..."

Xu Ming directly classified the market of all things and below as "low-end market".

"However... even if you can't earn a lot of rank 19 or above, you can earn so many rank and below 18, which is not bad!" Xu Ming secretly said, "If you are in the endless chaos, you don't have so much time, let I'm taking my time to earn hanging points..."

Xu Ming now feels as if he has returned to this shattered era of chaos to "dig gold"; moreover, he has also dug a lot of gold.

"Senior brother!" At this moment, Yun Tian's voice sounded outside the hospital.

Yun Tian is a fifth-grade destiny! Looking at the entire Destiny Holy Realm, they are absolutely top geniuses!

And Xu Ming, even as “Senior Palm God”, secretly tunes Yun Tian! Under the assiduous cultivation of Yun Tian, the cultivation base is naturally not to be underestimated, and now it has reached...

“Oh? Yun Tian, you have stepped into the realm of all things!?” Xu Ming was a little surprised.

Three thousand years, from the first order of Chaos Realm to the first order of All Things Realm!

Such a cultivation speed is simply appalling!

Of course, this is also because Xu Ming is deliberately suppressing his cultivation; otherwise, Xu Ming’s cultivation will definitely reach the realm of all things much earlier than Yun Tian!

“Improve the cultivation base? Don’t worry!” Xu Ming secretly said, “Anyway, there is an ‘attribute modification’ hanging on, as long as I earn enough hanging points, I can directly modify the cultivation base at any time!”

For Xu Ming, the meaning of cultivation is really not big anymore! The significance of hanging points is greater! – As long as there is a hanging point, isn’t it a matter of how you want to change your cultivation base?

“And...” Xu Ming thought again, “If my cultivation level exceeds the prehistoric realm, I will not be able to return to the ‘future’ through the long river of time! I can only commit suicide on the spot~www.readwn.com~ and then Then hang it with the ‘immortal mark’ to resurrect!”

Xu Ming hasn’t really died yet!

If he can “go back dead”, of course Xu Ming wants to “go back alive”!

“I am now, level 18 is enough! If you encounter a strong enemy, you can directly change the cultivation base from ‘temporary modification’ to ‘the limit of all things’ and that’s it!”

In the past three thousand years, Xu Ming's biggest achievement is that he has earned hundreds of millions of level 18 hanging points, and there is almost no need to worry about running out of hanging points! And the hanging point is Xu Ming's strength!

"Yes!" Yun Tian said excitedly, "I just broke through to the first order of the realm of all things, and I came to find you, brother!"

"Yeah! Not bad!" Xu Ming nodded and praised.

"Senior brother, you're not too bad!" Yun Tian comforted Xu Ming, saying, "Your destiny is the worst human-level 1st rank, and in such a short period of time, you have broken through to the prehistoric realm!"
