

A World 1721

Chapter 1723: The Ruined Wendaofu Dabi

on the battlefield.

Xu Ming's third disciple "Feng Banqiu" stood proudly against the wind, showing a faint sense of decadence in his expression, like a lonely master.

All around, all the great powers and all the geniuses looked at Feng Banqiu, wanting to see if he would be as arrogant as the previous two disciples.

Feng Banqiu stroked his hair that had been ruffled by the wind, and pretended to say in a low voice, "Then...the old rules!"

old rules?

The great powers and geniuses present were all stunned—what is the old rule?

Feng Banqiu saw that the surrounding area was in the cold, and couldn't help but feel a little embarrassed: "The old rule is... All the third-order Chaos Realm, let's all go together!"

Let's all go together!

Still this sentence!

"Too arrogant!"

"Just as arrogant as Lu Lin and Qiu Li who played earlier!"

"Xu Ming's disciples, apart from 'all together', wouldn't they say something else?"

There was an uproar.

However, with the experience of being slapped in the face two times before, this time, the voices of doubt are much less!

“superior!”

“I want to see if Feng Banqiu really has such strength!”

call out! call out! call out! call out! ...

One after another, the third-order figures of the Chaos Realm flew onto the battlefield one after another; soon, there were tens of thousands of geniuses on the battlefield.

“Dare to provoke us?” All the third-order geniuses in the Chaos Realm were indignant, “Feng Banqiu, can you do it?”

“Slow—” Feng Banqiu hurriedly signaled, don’t do it yet.

Don’t do it?

The audience immediately burst into laughter—Feng Banqiu must have felt scared, so he said “slow”.

“It seems that Feng Banqiu is afraid!”

“I’ll just say... How could another super genius emerge!”

“This wind is half-hatred, but you have self-knowledge; but, after provoking so many geniuses, you want to step down from the stage without being abused? Naive!”

On the battlefield, a golden-armored ***** of war shouted, “Feng Banqiu, what else do you have to say?”

“I...” Feng Banqiu deliberately lengthened his voice, and then suddenly said “proudly”, “I said, let all the third-order Chaos Realm go up together! Now, less than half of you have come up!”

When Feng Banqiu said this, the audience was shocked.

“what!?”

“he...”

“Too arrogant!”

Feng Banqiu continued arrogantly to the third-order Chaos Realm below the battle platform: “If you don’t all come up, I won’t fight!”

“Damn it!” The whole audience cursed inwardly.

“Damn it!” All the third-order geniuses in the Chaos Realm seemed to be fatally humiliated.

“Damn it!” Even Xu Ming’s other disciples couldn’t help but scolded secretly in their hearts – this is so good! Pretending to be so arrogant! Compared with Lu Lin and Qiu Li who appeared earlier, Feng Banqiu is obviously better at pretending to be X!

“court death!”

“kill!”

boom! boom! boom! boom! ...

On the battlefield, the angered third-order geniuses of the Chaos Realm all launched a siege on Feng Banqiu. However, Feng Banqiu has the “Golden Finger” given by Teacher Xu Ming, and naturally he is not afraid of being besieged by geniuses of the same level.

“Hey...” Feng Banqiu sighed lonely, “If you all come together, maybe you can make me a little more serious! But now, you don’t even have half of the people come up, and you don’t even have the qualifications to make me serious. No!”

With that said, Feng Banqiu’s attack swept the audience.

When his words fell, tens of thousands of third-order geniuses in the Chaos Realm were all blasted out of the battlefield.

Still one against ten thousand!

It is still a devastating and unstoppable victory!

Fortunately, this time, the audience was already mentally prepared, so he was not as shocked as the previous two times.

However... Xu Ming’s other disciples couldn’t help but scold:

“Damn it! Didn’t you say, ‘If you don’t come up, you won’t fight’? Why did the fight start?”

“I’ll give you a negative score for this coercion!”

Feng Banqiu ignored the “sarcasm” from the brothers and sisters, he looked indifferently at the other third-order geniuses in the Chaos Realm who had not yet played, and said domineeringly: “Presumably... with your courage, you don’t dare to play. Bar?”

The third-order geniuses of the Chaos Realm are all very angry; but... no one dares to go!

Who dares to go up, who is looking for abuse? Under such circumstances, no matter how angry, who would dare to act foolishly?

“Hey... loneliness!” Feng Banqiu once again showed the attitude of “a master of loneliness” and slowly walked towards the bottom of the battle platform.

However, when he walked to the edge of the battle stage, he suddenly stopped: “By the way, let me say to my senior brother ‘Fan Tao’: the geniuses of the fourth-order chaos realm, let’s all go together!”

Fan Tao, also Xu Ming’s disciple, is the fourth-order chaotic realm.

At this moment, Fan Tao looked at Feng Banqiu on the battle stage with a confused expression, and scolded his mother in his heart: “Damn it! Who told you to help me? You helped me, what did I say?”

Fan Tao suddenly found out that Feng Banqiu had put off the force he wanted to pretend, and he... had no force to pretend!

In fact, this Wendao Mansion Competition was actually a “pretend X competition” for the twenty-seven disciples of Xu Ming! Fan Tao found that he couldn’t play X anymore, of course he was very depressed.

“Hehe!” After Feng Banqiu stepped off the stage, he walked to Fan Tao’s side and laughed, “Fake someone else’s coercion, so that others can’t pretend to be coercive!”

“You...” Although Fan Tao was depressed, he had no choice, he still had to get on the stage.

When it was the turn of the Chaos Realm fourth-order competition to start, Fan Tao stepped onto the stage in a depressing manner, and said deadily: “What I want to say, Feng Banqiu has already helped me! Come on up!”

The reason why Fan Tao is depressed is because he obviously lost in this “Pretend X Big Competition”!

What’s the point of losing the “Fighting X Big Competition even if you have won tens of thousands of geniuses of the same level with one enemy and ten thousand?”

Fortunately, Fan Tao is not stupid; after he has ravaged the geniuses of the same level with one enemy, he also said to the senior brother of the fifth-order Chaos Realm: the geniuses of the fifth-order Chaos Realm, let’s all go together!

“Vicious competition!” Xu Ming’s fifth-order Chaos Realm disciple wanted to cry without tears.

...

Palace Master Wen Dao, Daoying World Master and other great powers finally gradually realized Xu Ming’s extraordinariness.

If it is said that there are only one or two disciples who acted so defiantly; then, it was Xu Ming who was lucky and received the enchanting genius! However, every disciple of Xu Ming is so defiant, it is definitely because... Xu Ming is too powerful!

“Even if I teach myself, I can’t teach such a heaven-defying disciple...” Palace Master Wen Dao had to admit, “Xu Ming definitely has some big secrets!”

Daoying World Master also said: “After the ‘Wen Dao Palace Competition’ is over, we have to have a good chat with Xu Ming!”

“The Great Competition of Wendao Palace...” Palace Master Wendao looked at the scene on the battlefield with some embarrassment – this year’s Great Competition of Wendao Palace has been completely ruined by Xu Ming’s disciples!

At this time, on the battlefield, was Xu Ming’s ninth-order disciple of the Chaos Realm – Qin Jian!

It was at that time that “Qin Jian” was sent by Teacher Gu Yanying to dig Xu Ming’s corner, but was dug back by Xu Ming’s disciples.

At this moment, Qin Jianzheng looked at the other ninth-order disciples of the Chaos Realm below the battle platform with a very depressed look: “Could you please come up?”

Chapter 1724: Nearly 1 Point Of Merit

“Can you come up here, please?”

Qin Jian said in a pleading voice.

Qin Jian was really depressed—from the first-order Chaos Realm to the eighth-order Chaos Realm, Lu Lin, Qiu Li, Feng Banqiu, Fan Tao and other disciples challenged all the geniuses of the same level as soon as they came to power; , and also won the victory with a smashing attitude. Now, it was Qin Jian's turn, and he also challenged all the geniuses of the same level; however, all the geniuses of the 9th-order Chaos Realm in the Wendao Mansion were all negotiated with the realization, and none of them were willing to set foot on the stage!

Qin Jian clamored for a long time on the battlefield, but no one came up...

You must know that installing X requires the cooperation of the opponent! Without an opponent, how could Qin Jian pretend to be X?

In desperation, Qin Jian had to sincerely ask his opponents to come up; but obviously, the effect was not ideal.

"I..." Qin Jian took a rating of "no one at the same level dares to fight", and walked down the stage in disappointment – compared to the previous eight brothers, Qin Jian's coercion was undoubtedly the most unsuccessful!

"Is it so difficult to pretend to be a coercion?" Qin Jian was distressed, and at the same time he couldn't help but admire his teacher Xu Ming more and more – thinking of his teacher Xu Ming, there are only coercive ones who don't want to pretend, but there is no coercion who can't pretend!

After Qin Jian, the competition in the Chaos Realm stage is over.

Next, it was the big competition at the Xuanhuangjing stage; the first one to set foot on the stage was Xu Ming's disciple, Bai Qingqiu, who was at the first stage of the Xuanhuangjing.

As soon as Bai Qingqiu stepped on the stage, he went straight to the theme: "Old rules, all geniuses of the same level, let's all go on together!"

The whole place was silent.

Xu Ming's disciples have brought so much shock to Wendao Mansion that now, no matter how arrogant Xu Ming's disciples are on the battlefield, the great men and geniuses in Wendao Mansion are all arrogant. It has been possible to face it frankly!

No one dares to fight!

In the entire Wendao Mansion, tens of thousands of first-rank geniuses in the Xuanhuang realm are all concerned about him; it seems that it is not them who are challenged!

Just like what happened to Qin Jian, no genius of the same level dared to take the stage and fight against Bai Qingqiu!

However, Bai Qingqiu didn't show Qin Jian's depressed expression, instead a sneer appeared on the corner of his mouth: "I expected it to be like this!"

"Huh?" Xu Ming's other disciples were all shocked – could it be that Bai Qingqiu has some new tricks to pretend to be?

Sure enough, Bai Qingqiu said lightly: "Since the first-rank Xuanhuangjing, no one dares to fight; then, I will challenge the second-ranking Xuanhuangjing here—all the second-ranking geniuses of the Xuanhuangjing here, let's all go together!"

what! ?

As soon as Bai Qingqiu said this, the great powers and geniuses who had not been shaken for a long time were shocked again!

Bai Qingqiu is going to leapfrog to fight!

And it's... leapfrog one to ten thousand!

Too arrogant!

This Bai Qingqiu was completely arrogant to a new height!

Moreover, the teachers in Wendao Mansion knew that Bai Qingqiu was a disciple of Teacher Gu Yanying before he apprenticed to Xu Ming, and his talent was extremely mediocre! That is to say...

Xu Ming has only used a very short period of time to cultivate a genius with an extremely mediocre talent into a super genius who can “leapfrog one level and defeat ten thousand”!

At this time, the audience’s attention was no longer on Xu Ming’s amazing disciples, but completely shifted to Xu Ming – what kind of secret is hidden in Xu Ming?

There is no suspense, Bai Qingqiu succeeded in “leapfrog with one enemy and ten thousand”!

And it is destructive and easy to crush!

In the second tier of the Xuanhuangjing, the first one on the stage was Xu Ming’s disciple – Zhao Xu!

When Zhao Xu stepped onto the stage, he didn’t even look at the geniuses of the second rank of the Xuanhuangjing: “What the hell, the geniuses of the second-ranking Xuanhuangjing, I won’t watch it! The third-rankings of the Xuanhuangjing, let’s all go together!”

...

Wen Dao Mansion Grand Competition has completely become a show field for Xu Ming’s disciples.

The disciples who set foot on the battlefield are more arrogant than the other.

Before the competition started, the other great experts in Wen Dao’s house still felt that Xu Ming’s threat to contract twenty-seven “firsts” was too arrogant! Now, they found that Xu Ming was not arrogant, but too low-key and too modest!

Many Nirvana realm and domain master realm masters have begun to take the initiative to befriend Xu Ming.

However, what Xu Ming cares about is only the merits of Wendao Mansion – he has contracted all the “firsts” in the Wendao Mansion Great Competition. There must be no less merits, right?

“Elder Luanwu!” Xu Ming sent a voice transmission to Elder Luanwu, who had a better relationship, and asked, “Is the merit I won in this competition enough to exchange for a place to go to the ‘Jiuzhongtian’?”

Jiuzhongtian is the ladder leading to the “truth of the universe”!

The reason why Xu Ming came to Wendao Mansion was to go to Jiuzhongtian!

“It’s almost there!” Elder Luanwu said, “It’s only a little bit worse!”

Just a little bit?

In other words, the merit is still not enough to go to Jiuzhongtian?

Xu Ming had to sigh with emotion, it is really difficult to go to Jiuzhongtian! He has contracted all the “firsts” in the Wendao Palace Grand Competition, and he is still a little short of merit.

Twenty-seven of Xu Ming’s disciples stepped onto the stage one after another.

Every disciple has achieved the “first” result in the competition without any suspense!

“Xu Ming!” Wendao Palace Master’s voice sounded, “Look back, come to me and collect your merits!”

“Okay!” Even in the face of the existence of the realm of the realm, Xu Ming was extremely calm.

World Lord Realm?

To be honest, if Xu Ming broke out with all his strength, the weakest realm might not necessarily be Xu Ming’s opponent!

Although Palace Master Wendao is not necessarily the “weakest level” among the realm masters; but at least, Xu Ming already has the qualifications to have an equal dialogue with him!

In the whole endless chaos, no matter which one is almighty, Xu Ming has the qualifications to have an equal dialogue! – Of course, only Xu Ming knew about this, but others didn't.

“Humph!” Daoyingjie sneered softly. Obviously, Xu Ming's attitude made him a little unhappy.

“Xu Ming!” Just when he heard the Daofu Grand Competition announced the end, the voice of the dragon blood elder sounded.

“Is something wrong?” Xu Ming said lightly.

Elder Dragon Blood is Lin Lan's “former teacher”. Because Lin Lan changed to Xu Ming as his teacher, Elder Dragon Blood always looked at Xu Ming unhappy and would often provoke him.

“It's something!” Elder Longxue said indifferently, “The disciples you have taught are all powerful! But I am a little puzzled – you are only a cultivation base of the realm of all things, how did you teach so many powerful disciples? ?”

Elder Dragon Blood made it clear that he was questioning the ability of Professor Xu Ming's disciples!

In Wendao Mansion, once it is confirmed that the disciple was not taught by himself, although the merits will not be deducted, it is definitely a great shame!

“How do I teach my disciples, do I need to tell you?” Xu Ming sneered.

“I don't need this...” Elder Longxue said with a gloomy smile, “But now, I'm sending you a bet, do you dare to accept it? Don't worry, I won't bully you on the basis of your cultivation! As long as you can accept my three moves If I don't lose, then I will lose!”

Chapter 1725: Said 1 Move, Is 1 Move!

“As long as you can take my three moves without losing, then I will lose!”

The words of the elder dragon blood sounded very generous; but in the whole Wendao mansion, there were endless discussions and sneers.

“Gambling?”

“Elder Dragon Blood actually launched a gambling war against Xu Ming?”

“This is called ‘don’t bully you based on your cultivation’? – Elder Dragon Blood is a peak powerhouse in the Nirvana realm, while Xu Ming is only in the realm of all things. Not even a single move!”

“Does Xu Ming dare to fight?”

“That’s needless to say? I definitely don’t dare! – However, Xu Ming is only a cultivation base in the realm of all things. Even if he does not dare to fight, there is nothing to be ashamed of! After all, the gap between cultivation bases is there; Elder Dragon Blood invites to fight. Xu Ming, to be honest, it’s too bullying!”

...

Gambling?

Xu Ming looked at the elder dragon blood playfully, and said lightly, “I’m not interested!”

Xu Ming is really not interested!

Elder Dragon Blood, to put it bluntly, is just a very ordinary peak of Nirvana Realm; although he has already realized the “real self”, his strength is probably not as good as that of “Lower Domain Master”! – An opponent of this level is really no threat to Xu Ming!

You must know that Xu Ming’s real strength is at the peak of the top-rank domain master, and it is close to the world’s master!

but...

Xu Ming’s “I’m not interested” was heard by other great experts in Wen Dao Mansion, but this was not the case!

“Not interested? Don’t dare if you don’t dare! You actually said you’re not interested?” Gu Yanying sneered.

“Haha! Just relying on Xu Ming, is it worthy to say ‘no interest’?” The other teachers also sneered.

The strength of Professor Xu Ming’s disciples truly shocked the entire Wen Dao Mansion. However, in the eyes of the powerful people in Wendao Mansion, Xu Ming must have obtained some mysterious opportunity or treasure, so he was able to teach his disciples so well; in terms of his own strength, Xu Ming must not be much stronger!

“Not interested?” Elder Longxue shook his head and sneered, “Xu Ming, the three words ‘not interested’ are not something you are qualified to say!”

I’m not qualified to say that?

Xu Ming didn’t want to have general knowledge with Elder Dragon Blood, but when he heard these words, he really had to “general knowledge”!

Xu Ming’s expression was calm, neither happy nor angry, and asked lightly, “What are you betting on?”

“Oh?” Elder Longxue’s eyes lit up – he just provokes him casually. He never expected that Xu Ming would be so impulsive and would be hooked so easily!

Elder Dragon Blood said without hesitation: “Betting on merit!”

The teachers in Wendao Mansion, who doesn’t want to gather enough merits to go to the “Nine Heaven”? Elder Dragon Blood is no exception!

“Don’t worry!” Elder Longxue was afraid that Xu Ming would go back and said, “I said, I will not bully you on the basis of your cultivation! As long as you can take my three moves, even if I lose!”

“Take your three moves?” Xu Ming sneered.

“Yes!” Elder Longxue did not hear the contempt in Xu Ming’s words.

“No three moves!” Xu Ming shook his head.

“Don’t need three tricks?” Elder Longxue didn’t understand what Xu Ming meant.

“One move!” Xu Ming said lightly.

Before waiting for Elder Dragon Blood and other great powers to react, Xu Ming continued: “As long as you can take one move from me and not lose, even if I lose!”

quiet!

Deadly still!

As soon as Xu Ming said these words, the entire Wendao Mansion fell silent.

You must know that when Elder Dragon Blood said “take me three tricks”, the powerful people in Wendao Mansion felt it for granted – after all, Elder Dragon Blood is a peak powerhouse in the Nirvana realm. Facing Xu Ming, the realm of all things, Fully qualified to say such a thing.

And now, Xu Ming actually said something similar to Elder Dragon Blood! Moreover, it is even more arrogant than the elder dragon blood – as long as you can take a move from me and not lose, even if I lose!

one move!

How dare you say such a thing to a Nirvana Realm... It’s hard to imagine, where did Xu Ming get his self-confidence!

Even Elder Dragon Blood was stunned for a while: “Okay! Good! Good! I want to see how you beat me with one move!”

boom!

Elder Longxue stepped onto the battle stage, revealing his tyrannical and domineering aura.

In Wendao Mansion, many teachers were amazed:

“Elder Dragon Blood has not taken action for several epochs! Looking at his momentum, it seems to be stronger!”

“A few epochs ago, the realm of the dragon-blood elder had reached the peak of the ‘real self’! ? Or are you already trying to condense the ‘Flower of True Self’?”

“‘Second-level real self’ is too difficult! It should be to condense the ‘flower of real self’ and break through the domain master realm!”

...

When Xu Ming roamed the border of disorder, he saw many geniuses who had reached the “Second Rank of the True Self” or even the “Second Rank of the True Self”! But... this does not mean that it is easy to reach the “Second Rank of the True Self” and the “Second Rank of the True Self”!

You must know that there are as many “virtual universes” as the stars in the sky! Those geniuses of the “Second-Order Real Self” are all the top geniuses in the virtual universes!

And if it is not in the border of disorder, but in a certain virtual universe, it is not so easy to find a Nirvana genius who is “the second-order true self”! As for the “True Self Level 3”, it’s even more likely that you won’t even be able to find one!

After all, the “Second Rank of the True Self” means that it can leapfrog to rival the lower-rank domain master, and has the potential to achieve the world’s master!

“True Self Level 3” can even rival “Middle Grade Domain Master”, and has the potential to achieve supreme!

And like this dragon-blood elder in front of him, he is a top-notch Nirvana realm powerhouse in endless chaos, but if he is placed in a disordered border, he is nothing! His talent is far from reaching the level of “Second-Order True Self”!

To put it simply – if you meet in the border of disorder, this elder dragon blood is not even qualified to be looked at by Xu Ming!

too weak!

What’s even more ridiculous is that the dragon blood elders are not only weak, but also do not know how high the sky is!

“Xu Ming dare you come up?” Elder Dragon Blood sneered proudly.

“Forget it, just teach him how to be a man!” Xu Ming shook his head and thought to himself.

Although this dragon-blooded elder does not know how high the sky is, but after all, he is also a teacher of Wen Dao’s house, so Xu Ming will not kill him because of this.

Moreover, the reason why Elder Longxue would target Xu Ming everywhere was because his disciple Lin Lan switched to Xu Ming’s sect, which made him feel ashamed; that’s why he provokes him everywhere.

swoosh—

Xu Ming’s figure flashed, and he was already on the battlefield. However, in terms of momentum, it obviously looks far worse than Elder Dragon Blood.

“Come on! Let me see how you defeated me with one move!” Elder Dragon Blood sneered.

Around the battlefield, there were also sneers. Obviously, no one is optimistic about Xu Ming.

And at this moment, Xu Ming moved—

boom-

An extremely simple and unpretentious punch, instantly arrived in front of Elder Dragon Blood.

The contempt in the eyes of the dragon blood elders had just turned into panic before he was blown away with a punch; his figure was blown away from the battlefield without any resistance—to deal with even the “Lower Grade Domain Master” Not even a dragon-blooded elder, Xu Ming didn’t need to use weapons at all; even, even if he was just bare-handed, he didn’t need to use any gorgeous moves at all!

Just such a simple, unpretentious punch is enough!

boom!

The elder dragon blood fell heavily under the battle platform, and the body of the gods was somewhat shattered.

Xu Ming indifferently disdain: “If you say a trick, it is a trick!”

Chapter 1726: Heaven Is Over?

“One move, one move!”

Everyone was shocked!

Swish!

The disciples of Wendao Mansion stood up in shock.

Swish!

The twenty-seven disciples of Xu Ming’s eyes widened. Except for Lin Lan, the other disciples could not imagine that their teacher Xu Ming could defeat Elder Dragon Blood! And now, not only defeated, but defeated by one move!

“too strong!”

“This is our teacher!”

The twenty-seven disciples felt their hearts surging—it was definitely the most honored thing in their life to be able to worship Xu Ming as their teacher!

Swish!

The teachers and elders of Wendao Mansion, as well as the great experts who came to Wendao Mansion to observe, also stood up in shock.

Swish!

Even Palace Master Wendao and World Master Daoying, the two realm masters, were shocked and stunned—although they didn’t stand up in shock, their eyes were full of disbelief. !

how is this possible! ?

Xu Ming is just a cultivation base in the realm of all things!

And the elder dragon blood is the pinnacle of Nirvana realm! Moreover, he is quite accomplished in the “real self”, and he is even about to step into the existence of the domain master!

Xu Ming, actually defeated Elder Dragon Blood with one move!

And obviously, Xu Ming obviously didn’t do his best, and he didn’t even take out his weapon.

“This... is too fake, right?”

Many almighty people couldn’t help but turn their attention to Elder Dragon Blood, as if to say: Did you release water on purpose?

However, they really can't figure out, what is the benefit of "deliberately releasing water" for Elder Dragon Blood? – It seems that it will only be shameful, and it will not do any good, right?

It's impossible, Elder Dragon Blood is cooperating with Xu Ming in a grandstanding drama, right?

The most embarrassed person in the audience is undoubtedly the Dragon Blood Elder—the battle is over before he can understand what is going on! He is already under the battlefield!

But there is no doubt that Xu Ming's strength is very strong! Very strong! Much stronger than him!

In this huge shock, the audience fell into a long silence.

After a long time, Elder Dragon Blood got up from the ground, faced Xu Ming, and lowered his noble head: "I lost!"

I lost!

The dragon blood elder was convinced to lose! – And he knew that Xu Ming had really shown mercy; otherwise, he would already be a dead person, and he would never have a chance to stand here and speak.

The Palace Master Wen Dao and the Dao Shadow World Master have also recovered from their shock. With their knowledge, they naturally had some guesses about Xu Ming's strength.

"Xu Ming's realm, I am afraid that he has reached the 'real self' level three!" Wen Dao Palace Master said privately.

"Yeah!" Daoying World Master also said, "Only in this way, Xu Ming can defeat Elder Dragonblood with one move! And...Looking at Xu Ming's appearance, it is obvious that he has not exerted his full strength; it is very likely that Xu Ming is about to condense." The flower of the true self is now! – The third-order of the true self condenses the flower of the true self, which is directly the master of the high-grade domain! In the future, there is full hope that it will reach the height of you and me!"

“It’s so terrifying!” Palace Master Wendao couldn’t help but said, “What’s even more terrifying is that he is only a cultivation of the realm of all things... The realm of all things, directly comprehend the ‘real self’s third-order’ and condense the ‘real self flower’, What kind of talent this must be! Even if he enters the ‘Nine Heavens’, he is an overlord-level existence!”

“Yeah!” The Daoying World Lord also agreed, “Nine-layer days can bring together countless geniuses from virtual universes! Even among countless virtual universes, Xu Ming’s talent is the top! In terms of talent, I am afraid only He is on a par with him, nothing surpasses him!”

“It’s hard to say!” This time, the Daoying World Lord shook his head, “Have you forgotten that there are strong people from there in the Nine Heavens?”

“Where?” Palace Master Wen Dao couldn’t help flashing fear and fear in his eyes.

...

Before the “Wen Dao House Competition” was over, Xu Ming’s terrifying strength and talent, as well as his ability to teach his disciples, had already spread among the “upper layers” of the endless chaos.

Throughout the endless chaos, every realm master and every domain master, as long as he is not in a closed state, has already learned about Xu Ming, this heaven-defying genius!

Many world masters and domain masters have more or less entered the realm of disorder; naturally, it is clear that Xu Ming’s talent against the sky means what it means.

Even the Divine Phoenix Realm Master and Jian Lao were shocked by Xu Ming.

“I really didn’t see the wrong person!” Jian Lao couldn’t help but say, “My talent is not as good as Xu Ming!”

The Divine Phoenix Realm looked at Jian Lao with some surprises—you must know that Jian Lao is even stronger than him simply in terms of cultivation and talent! Moreover, Jian Lao has now stepped into the Supreme Realm with one foot!

And that's it, Jian Lao still actively admits that his talent is not as good as Xu Ming's; it can be seen how terrifying Xu Ming's talent is!

"Our Divine Phoenix Chaos Realm is not enough for Xu Ming to grow up!" Jian Lao sighed.

"Yeah! Leaving Xu Ming in the Endless Chaos will only limit his growth; only the 'Frontier of Disorder' or 'Nine Layers' is where Xu Ming should go!" The Divine Phoenix Realm Lord also said, "I heard that Xu Ming wanted to go to Jiuzhongtian for a long time, but now... Jiuzhongtian can't go there anymore!"

"Yeah! We people from the Chaos Realm of Divine Phoenix have no way to go to Jiuzhongtian! We haven't told Palace Master Wen Dao about this!" Jian Lao also said, "Divine Phoenix, tell him about it. Bar!"

"Yeah!" The Divine Phoenix Realm nodded slightly, "But... it's not impossible! With Xu Ming's talent, it's definitely worth asking other virtual universes for a place for him!"

...

Wen Dao Mansion Dragon Blood Elder is willing to bet and lose, and all the merits accumulated over the years have been transferred to Xu Ming. Coupled with the merits Xu Ming obtained in this Wendao Mansion Competition, Xu Ming's merits are enough to go to the "Nine Heaven"!

"I have seen the Palace Master, the Daoying World Master!"

In Wendao Mansion, Xu Ming met two world masters alone.

"Xu Ming!" Wen Dao Palace Master looked kind, obviously treating Xu Ming as a strong man of the same level, "What do you want to exchange for your merits?"

Xu Ming said without hesitation, "Go to Jiuzhongtian!"

really!

Wen Dao Palace Master and Dao Shadow World Master looked at each other and laughed.

Wen Dao Palace Master said: “The Divine Phoenix Realm Master also just sent a message to tell me: The road to heaven is dead!”

“The road to heaven is over?” Xu Ming wondered.

“Yes!” Palace Master Wendao continued, “Because our Divine Phoenix Chaos Realm had some conflicts with a certain Supreme Being, and the other party blocked our way to the ‘Nine Heavens’!”

“This...” Xu Ming couldn’t help but startled—he had been busy for so long, could it be that he couldn’t go to the “Nine Heaven”?

As for Xu Ming, he had already guessed that the “some supreme” in the mouth of Palace Master Wendao should be Yuan Zun!

“Haha! But don’t worry!” Palace Master Wendao said again, “For you, the world master of the Divine Phoenix has already gone to the world masters of other virtual universes to ask for a place to go to the ‘Jiuzhongtian’! For the world masters, a place is only, it is not precious, it should be available soon! Just wait in Wendao Mansion first!”

Chapter 1727: Quadrant 2

Three years later.

The Divine Phoenix Realm Lord summoned Xu Ming.

“It’s really unimaginable!” The Divine Phoenix World Lord looked at Xu Ming and made no secret of his shock, “Your growth rate is so fast!”

Old Jian also looked at Xu Ming with kindness and satisfaction: “With your talent, even if you surpass me in the future, it is very possible!”

Xu Ming just listened.

He knew that when the Divine Phoenix Realm Lord summoned him, it was not just to praise him.

Sure enough, the Divine Phoenix Realm Lord immediately said: “I have already helped you get a place to go to Jiuzhongtian! For this place, I have to pay a big price!”

Xu Ming’s eyes suddenly lit up, can he finally go to Jiuzhongtian?

The Divine Phoenix Realm continued: “If it was someone else, even if they had obtained enough merits from Wendao Mansion, I would definitely not put a lot of effort into letting him go to Jiuzhongtian! And you... tell the truth, I won’t let you Going to Jiuzhongtian is simply burying your talent!”

Jian Lao smiled and said, “Xu Ming, do you know where Jiuzhongtian is?”

“I don’t know!” Xu Ming shook his head.

He only heard that Jiuzhongtian was the ladder leading to the “truth of the universe”; but he really didn’t know what was so special about Jiuzhongtian.

“Then let me tell you a little bit!” Jian Lao laughed.

The Divine Phoenix Realm Lord also said: “For Jiuzhongtian, Jian Lao is more familiar than me! Listen carefully.”

Jian Lao continued: “Xu Ming, you should already know that the universe is divided into a true universe and an infinite virtual universe; and our endless chaos is just a very, very common virtual universe in the vast universe!”

“Yes!” Xu Ming nodded slightly.

“I can’t say how vast the universe is. I’m afraid only the Supremes know it!” Jian Lao continued, “And our Divine Phoenix Chaos Realm’s place in the ‘Destiny Heaven’ in the universe is in the ‘first place’. Two quadrants’.”

“Second quadrant?” Xu Ming was a little puzzled.

“Haha, it seems that you don’t know what a ‘quadrant’ is!” Jian Lao laughed, “Let’s put it this way, the ‘true universe’ is the center of the entire universe! Countless virtual universes exist depending on the true universe. If we regard the entire universe as a ‘melon’; imagine that there is an incomparably huge knife facing this ‘melon’, taking the real universe as the center, cutting a knife horizontally, vertically, and then diagonally. With one cut, this ‘melon’ was cut into eight pieces!”

“Uh...” Xu Ming was stunned.

melon?

This metaphor is an image.

Xu Ming quickly imagined the picture of the universe depicted by Jian Lao.

“The eight divisions are the eight quadrants of the universe! And we are in the second quadrant!” Jian Lao said, “In each quadrant, there is only one ‘Jiuzhongtian’! Now, you understand where the Jiuzhongtian is. ?”

In each quadrant, there is only one “Nine Heavens”; that is to say, there are only eight “Nine Heavens” in the entire universe.

Of course Xu Ming understood what this meant. Jiuzhongtian was the center of a quadrant! Even if it is placed in the entire universe, the meaning of Jiuzhongtian is unusual.

Jian Lao’s voice began to become a little serious: “Jiuzhongtian is the gathering place of the entire universe, countless virtual universes, and endless genius! The so-called genius in our endless chaos, when we reach Jiuzhongtian, it doesn’t count at all! ”

Countless virtual universes!

Endless genius!

Xu Ming could completely imagine how terrifying it would be for someone in Jiuzhongtian to be called a “genius”! The first genius of the ordinary virtual universe, in Jiuzhongtian, I am afraid that it will become extremely ordinary in an instant!

But... no matter how talented the sky is, in Xu Ming’s eyes, it’s just a joke!

Jian Lao continued: “Nine layers of heaven are divided into nine layers!”

“The first layer of heaven, the highest can only enter the realm of all things cultivation base!”

“Second Heaven, the highest one can only enter the Destruction Realm cultivation base!”

“The third heaven, the highest one can only enter the Nirvana Realm cultivation base!”

“The fourth heaven, the highest can only enter the domain master realm cultivation base!”

“The fifth heaven, the highest can only enter the realm of the realm of cultivation!”

“And above the sixth heaven, it is the world of the Supremes!”

“Xu Ming!” The Divine Phoenix Realm Lord said solemnly, “Your cultivation is only in the realm of all things; with your strength, even if you enter the Nine Heavens, you are still the top genius of the First Heaven!”

The words of the Divine Phoenix Realm were obviously complimenting Xu Ming. But when Xu Ming heard it, he was a little unconvinced that he was only the top genius of the first layer?

From Xu Ming’s point of view, after entering the first layer of heaven, he will definitely hang up the genius of the entire first layer of heaven!

However, from the words of the Divine Phoenix Realm Master, Xu Ming also showed more solemnity to the geniuses of Jiuzhongtian. After all, the strength Xu Ming showed in Wendao Mansion has already reached the realm of “True Self Third Order”. ! And listening to the meaning of the Divine Phoenix Realm Lord, in Jiuzhongtian, there are many geniuses in the realm of all things, and they have also realized the “true self of the third order”!

“It’s interesting!” Xu Ming became more and more looking forward.

When one cultivated in the realm of all things, he realized the “third-order true self”. In the history of the Divine Phoenix Chaos Realm, even in the last Chaos Era, he was a monster genius he had never heard of! However, there are such geniuses in Jiuzhongtian, and there are many!

The Divine Phoenix Realm Lord sighed again: “Xu Ming, to be honest, I really can’t imagine Our little Divine Phoenix Chaos Realm has a genius like you! With your talent, Even compared with the geniuses of the entire second quadrant of the infinite virtual universe, they are all top-notch; as long as you don’t have any major problems in your future cultivation, there is great hope for you to become supreme!”

Supreme?

How could the Divine Phoenix Realm Master and Elder Jian know that Xu Ming’s gaze was far from being limited to ordinary Supremes!

Not only to become the supreme, but also to become the top existence among the supreme!

“Huang Zhizun and Yuan Zun are the Supremes; Han Mo is also the Supreme...” Xu Ming’s eyes flashed with determination, “However, Huang Zhizun and Yuan Zun’s strengths are definitely not on the same level as Han Mo!”

Xu Ming has been in contact with Huang Zhizun and Yuanzun. Although their strength is strong, in Xu Ming’s opinion, if he raises one or two levels, he can completely challenge them head-on!

And Gu Hanmo...

Gu Hanmo’s methods are really incredible! Even with Xu Ming’s current strength, he is completely unable to see how big the gap is between himself and Gu Hanmo!

And Gu Hanmo’s enemy must be on the same level as Gu Hanmo!

Therefore, if Xu Ming wants to help Gu Hanmo, it is not enough to be the supreme! You have to be the best of the best!

“In the Nine Heavens, are the top talents from the entire second quadrant gathered? Above the Sixth Heaven, is the world of the Supremes?” Xu Ming was not at all timid, but only had a raging fighting spirit, “If you want to catch up with Han Mo’s pace, It’s too far away, too ethereal! Then, let’s start from the first three heavens that dominate the Nine Heavens!”

Chapter 1729: Wu Yuan

“it is good!”

Without any hesitation, Xu Ming directly entered the “black hole” – Xu Ming has an “immortal mark” hanging on it, even if he dies, he can be resurrected immediately; therefore, Xu Ming does not need to worry about danger, nor does he need to worry about the Divine Phoenix Realm Will the Lord pit Himself?

swoosh—

Xu Ming’s figure flashed, and he flew directly towards the “black hole”. The closer he got to the black hole, the smaller his divine body became; soon, it became a point that even the Divine Phoenix Realm Master could not see, and disappeared into the Divine Phoenix Chaos Realm.

At the same time, Xu Ming felt that the endless darkness was constantly magnifying around him; soon, the entire world where he was located turned black.

In this darkness, I did not know how long I walked until I saw a light appearing in front of me.

“There should be the Qinglei world!”

Xu Ming moved towards this light and walked quickly. The scene in front of him also began to change rapidly.

After a while, Xu Ming saw a huge body sitting majestically on a purple throne. Every particle of this huge body is composed of black lightning; his imposing manner is so strong that even Xu Ming feels a strong sense of oppression.

“I’ve seen the Realm Master Qinglei!” Xu Ming said neither humble nor arrogant.

In the eyes of Qinglei World Lord, thunder flashed. He looked at Xu Ming with interest, and smiled: “The realm of all things, you have realized the ‘real self’ third-order?”

Xu Ming did not admit or deny it.

In terms of realm, Xu Ming is only in the “Illusory Self Realm”, and has not yet reached the “Real Self Realm”, let alone the “Real Self Stage 3”. To be honest, compared to those geniuses of the realm of all things who have already understood the “third-order real self”, Xu Ming is indeed inferior in realm by several steps – at least in realm!

But, you must know, how short is Xu Ming’s cultivation time? -Those geniuses in the realm of all things who have realized the “third-order true self”, at Xu Ming’s “age”, I am afraid they don’t even know what the ultimate chaos is!

Moreover... Xu Ming’s realm, although not at the “real level 3”, but in terms of strength, he is much stronger than those geniuses who are “real level 3”! These, Xu Ming is not easy to explain to Qinglei World Lord; therefore, Xu Ming simply does not answer the question of Qinglei World Lord, it is regarded as a default.

“The talent is amazing! It’s definitely the supreme potential!” The World Master Qinglei exclaimed—for a promising genius like Xu Ming, he was naturally happy to befriend him.

“Don’t worry!” Qinglei World Lord said again, “Since I have promised Divine Phoenix World Lord to send you to Jiuzhongtian; then, I will definitely send you there! – You wait here for a while with me. Day, when the time comes, go to Jiuzhongtian with my geniuses from Qinglei Realm!”

“Thanks a lot!” Xu Ming said thanks, and naturally there was a subordinate of the Qinglei World Lord, who came to guide Xu Ming to rest.

...

Qinglei Holy Land.

It is the gathering place of geniuses in the entire Qinglei Realm. It is somewhat similar to the Divine Phoenix Mystery Realm and Wendao Mansion in the Divine Phoenix Chaos Realm, which is equivalent to a combination of the two.

This time, Qingleijie got a total of ten places to enter Jiuzhongtian's "Next Three Days". One of the places, Qinglei World Master has already given Xu Ming; the other nine places will be given to the geniuses of Qinglei Holy Land.

As for the domain master realm...

Domain master realm powerhouses cannot enter the "next three days" of the Nine Heavens, and can only go to the Fourth Heaven and above. As for the fourth day, it was already regarded as the "middle three days", and the places to go are even more precious.

Xu Ming held a talisman made of dead wood with the words "the next three days" written on it, which was the token for entering the Nine Heavens; without this talisman, it was impossible to enter the Nine Heavens.

After strolling around the Qinglei Holy Land at random, Xu Ming found that—

"There are more geniuses in Qinglei Realm than in Divine Phoenix Chaos Realm!"

In Qinglei Holy Land, Xu Ming has seen several Nirvana realm powerhouses who have comprehended the "Second Rank of the True Self"; while in the Divine Phoenix Chaos Realm, Xu Ming has never seen anyone who has comprehended the "Second Rank of the True Self". “.

"Looks like... This Thunder Realm has a deeper background than the Divine Phoenix Chaos Realm!" Xu Ming secretly said.

Actually this is normal.

The Qinglei Realm is a virtual universe that the Realm Master of Qinglei obtained a piece of chaotic pro-core and directly established; while the Divine Phoenix Chaos Realm is the new era of Chaos that the Divine Phoenix Realm ended the previous era of chaos and opened! In terms of the length of history, the Qinglei Realm far surpassed the Divine Phoenix Chaos Realm; therefore, it is not surprising that there are more geniuses in the Qinglei Holy Land.

Xu Ming couldn't help but think: "When I crossed, if I was born in the Qinglei world, there would be more powerful opponents; then, would I rise faster?"

Immediately, Xu Ming shook his head.

If he was born in the Qinglei world, wouldn't he be able to meet Gu Hanmo?

If you can't meet Gu Hanmo, your vision will definitely be much lower; it is very likely that until now, you think that as long as you achieve the supreme, you are the supreme existence.

"Let's have a chance!" Xu Ming secretly said, "But no matter what, I have no regrets in this life! When I help Han Mo solve the enemy and bring my daughter Xu Yin home, it will be complete!"

As for the secret of the plug-in... Xu Ming didn't want to explore it deliberately!

If it is possible to untie it in the future, that is the best; if it cannot be solved, Xu Ming does not force it!

"Xu Ming?" Suddenly, a voice sounded behind Xu Ming.

Xu Ming turned around and saw that it was a strong Nirvana realm with an aura of determination.

"Are you...?" Xu Ming asked with a smile~www.readwn.com~ haha! In the next Wuyuan! I just came back from the border of disorder, but I have already heard about Xu Ming's prestige! In the future in Jiuzhongtian, I hope Brother Xu Ming will take care of him! "

"Nice to meet!" Xu Ming also said.

Looking at the appearance of Wu Yuan, it is obvious that he has been in the disordered border for a long time, and his strength is not bad. Moreover, the other party also obtained a place to enter Jiuzhongtian.

"Brother Xu Ming, where are you going?" Wu Yuan asked again.

Xu Ming smiled and said, “Just wander around!”

“Haha!” Wu Yuan laughed, “Since it’s just a casual stroll, why don’t you go to the ‘Qinglei Battle Platform’ with me!”

“Oh?”

Wu Yuan said: “On the Qinglei battle stage, now there is a good show to watch!”

good show?

Xu Ming was actually not very interested.

However, in this Qinglei Holy Land, Xu Ming was unfamiliar with his life, and he was idle when he was idle. Coupled with Wu Yuan’s gracious invitation, Xu Ming decided to go and take a look.

“Brother Xu Ming, come with me, and I happened to tell you some anecdotes about our Thunder Realm!” Wu Yuan seemed very enthusiastic.

Xu Ming only thinks it is, the character of the other party is like this; moreover, with Xu Ming’s displayed talent, it is normal for people to take the initiative to make friends.

only...

Xu Ming didn’t notice that when Wu Yuan was talking, a dark and cold color flashed in the depths of his eyes. However, Wu Yuan was well hidden, and he was very enthusiastic; so that even Xu Ming didn’t notice anything unusual.

“It’s here!” Wu Yuan pointed at a “pillar” in front of him.

Above the Tianzhu is the Qinglei Battle Platform.

Chapter 1730: Are You Also Worthy Of Talking About Strength?

The Qinglei Battle Platform is a pillar that is more than a million worlds tall.

Above the Tianzhu is the Qinglei Battle Platform; and the clouds floating around the battle platform are the seats for watching the battle.

Xu Ming saw that there were countless powerhouses sitting above many clouds; obviously, the battle that took place on the Qinglei Battle Platform at this time was very attractive.

Wu Yuan led Xu Ming and flew directly to the largest cloud; at the same time, Wu Yuan introduced: “There are only ten places to go to Jiuzhongtian! Among them, three places have been set; the remaining seven places, It will be decided on this thunder battle platform!”

call out! call out!

Xu Ming and Wu Yuan flew into the biggest cloud, which immediately attracted a lot of attention.

“Wu Yuan? He’s back?”

“Wu Yuan dares to fight, for so many epochs, he has been roaming the border of disorder!”

“Yeah! I’m also in the realm of ‘Second Rank’, so I don’t dare to go to the border of disorder! – Although there are many opportunities there, it is too dangerous! I don’t know when, I will die!”

“The one who came with Wu Yuan is Xu Ming from the Divine Phoenix Chaos Realm, right?”

Many strong people are talking about it.

At this time, on the Qinglei Battle Stage, the two powerhouses fighting against each other were in the realm of “Second-Order True Self”.

Xu Ming and Wu Yuan found a place to sit down. Wu Yuan introduced: “The two sides in the battle are ‘Yu Slayer’ and ‘Tianming Swordsman’! The difference in strength between the two sides is not big, and they are both in the top ten in the Nirvana Realm of Qinglei Holy Land!”

Having said this, Wu Yuan couldn't help but laugh.

Xu Ming couldn't help but look at Wu Yuan in doubt – what's so funny?

Wu Yuan continued: "In our Qinglei Holy Land, there is a holy list of Qinglei, which is full of Nirvana realm powerhouses. On the holy list, there is a huge gap between the eleventh and the tenth; and the tenth and the ninth are almost the same. The ninth and the eighth, the gap is a little bigger!"

Hearing this, Xu Ming vaguely guessed something.

Wu Yuan added: "Originally, the ten places to go to Jiuzhongtian do not need to be decided on the Qinglei Battle Stage, and they are directly given to the top ten powerhouses on the holy list, and no one else will have any opinion! But! ...After you come, there are only nine places left to go to Jiuzhongtian!"

"Nine places, ten people want to go! So..." Wu Yuan continued, "So, Qinglei World Master directly let them decide on the battle stage! Moreover, at the same time, he also gave it to the geniuses who ranked behind the holy list. some opportunities."

Wu Yuan pointed to the battle platform and said: "Yu Shi, the ninth in the holy list; Tianming swordsman, the tenth in the holy list! Originally, both of them could go to Jiuzhongtian; but now, it should be one of the two! "

The reason why Wu Yuan laughed was because of these two, one of them was destined to be unable to go to Jiuzhongtian!

In this regard, Xu Ming has no guilt – although Xu Ming deprived one of them of the opportunity to go to Jiuzhongtian; but you must know that in this world, everything depends on strength! If the strength is not good, it is no wonder that Xu Ming took away a spot!

Suddenly, Xu Ming looked at Wu Yuan with a smile: "You didn't go to the battle stage, the quota for going to Jiuzhongtian has already been set?"

"Yes!" Wu Yuan's tone was somewhat proud.

“Where do you rank on the holy list?” Xu Ming asked.

“Second!” Wu Yuan said, “Me and Yu Shentian, who is ranked first, are not on the same level as the other top ten in the holy list! Therefore, Yu Shentian and I don’t need to compete with them, we just decided quota!”

When Wu Yuan spoke, he couldn’t help looking at a strong man on another cloud.

Xu Ming also followed his gaze – Yu Shentian, a genius of the “real third-order”! I am afraid it is also the only “real self third-order” currently in the Qinglei world!

As for Wu Yuan, he was only the “Second-Order Real Self”, but it was also very close to the “Third-Order Real Self”.

Yu Shentian sensed Wu Yuan’s gaze, looked at him, and snorted softly—obviously, Yu Shentian and Wu Yuan, the two geniuses who were number one and number two on the holy list, were not quite right. .

boom! boom! boom! ...

At this time, the battle on the Qinglei Battle Platform was also drawing to a close!

For the two on the battlefield, Tianming Swordsman’s advantage is getting bigger and bigger, while Yu Shi is gradually showing his defeat.

boom-

Finally, Yu Shi, who couldn’t resist, was smashed out of the battle stage with one move.

Heavenly Swordsman, win!

The powerhouses watching the battle were in an uproar.

“It was actually the Tianming Swordsman who won?”

“Tianming Swordsman, ranked tenth on the holy list! And Yu Shi, ranked ninth! Logically speaking, Yu Shi should have a bigger chance of winning!”

“It seems... Tianming Swordsman has made a big breakthrough in this era!”

“I...” Yu Shi still couldn’t accept the reality of his defeat, “I lost?”

If it is other times, if you lose, you will lose, and the big deal will drop by one place! But this time, it’s time to decide on the place to go to Jiuzhongtian!

Losing, it means that Yu Shi missed Jiuzhongtian!

Perhaps, in the future, I can still go to Jiuzhongtian! However, it must be after the Endless Era; at that time, the gap between Yu Shi and Tianming Swordsman will definitely widen!

“I’m not reconciled!” Yu Shi’s eyes were red, and he chose someone to devour.

“Hahaha...” At this moment, Wu Yuan’s loud laughter resounded around the entire Qinglei Battle Stage, “Interesting! Interesting!—Yu Shi, a genius like you from a noble background, at a critical time, it’s better to step by step than us. A genius who climbed up from the bottom!”

Wu Yuan and Tianming Swordsman obviously all rose slowly from the weak.

As for Yu Shi and Yu Shentian, they were from noble backgrounds, and they were cultivated with various resources from the moment they were born.

It can be said that Wu Yuan and Yu Shentian represent their respective forces! -Wu Yuan represents the geniuses who have risen from the weak, while Yu Shentian represents the geniuses of noble birth.

Now, Wu Yuan was very proud of seeing the Heavenly Underworld Swordsman of his own power, overpowering Yu Shi, and winning the place to go to Jiuzhongtian. And his laughter, falling in Yu Shentian’s ears~www.readwn.com~ is naturally extremely harsh.

“Shut up!” Yu Shentian shouted coldly.

You know, Yu Shi is Yu Shentian’s younger brother. Seeing that his younger brother has no chance to go to Jiuzhongtian, it is no wonder that Yu Shentian is in a good mood!

“Hahaha...” Wu Yuan was not frightened by the other party’s cold shout, and laughed even more proudly.

“Wu Yuan! You really have the ability, you and me go up and fight!” Yu Shentian shouted.

“I don’t have the ability for the time being!” Wu Yuan laughed and said, “You can only overwhelm me by relying on a higher realm than me! When I reach the ‘real me’ third tier’, do you dare to challenge me? ”

“Humph! If you don’t dare to fight, you won’t dare to fight! Talking so much nonsense!” Yu Shentian snorted coldly.

Immediately, Yu Shentian’s eyes fell on Xu Ming – if it weren’t for Xu Ming, his younger brother Yu Shi would not be able to go to Jiuzhongtian?

Seeing Xu Ming now, Yu Shentian’s anger suddenly rose up: “Xu Ming! You are not from my Qinglei world, why are you standing here?”

Why are you standing here?

Xu Ming said lightly: “By strength!”

Yes, by strength!

Xu Ming also wanted to use this answer to tell Yu Shentian – the reason why Yu Shi couldn’t go to Jiuzhongtian, although it had something to do with him, was more because of Yu Shi’s own strength!

After all, if Yu Shi was strong enough, why would he be robbed by Tianming Swordsman?

“Strength!?” Yushentian laughed, “In front of me, are you also worthy of talking about strength? – Xu Ming! You and I are both in the realm of the ‘third-order real self’, how dare you set foot on the battlefield and show off male and female!?”
