Chapter 1741: People List 93

“Brother Xu Ming, to be honest, I came here this time because I want to ask you for help!”

City Lord Yinguang directly expressed his intentions.

“Oh?” Xu Ming was pondering, when should he thank this Silver Light City Lord; after all, he saved Yun Tian anyway. Since the other party has something to ask for now, Xu Ming can just take the opportunity to return the favor and clear each other.

“Please tell me!” Of course, Xu Ming had to listen first, what was the matter.

At this time, Qing Mo patted his son’s arm and said, “When the adults speak, the children go out first!”

“...” Qing Xiao was speechless. He came here to do things, to humiliate the Lone Gunner... But now, he was humiliated by his father...

Qing Xiao couldn’t help but look at the Lone Gunner, the meaning couldn’t be more clear. If I go out, will the Lone Gunner also go out?

“What are you looking at!” Qing Mo said, “The people present are your uncles and uncles, you are the junior, get out of here!”

“Pfft!” Qing Xiao vomited blood.

After Qing Xiao went out, City Lord Yinguang continued: “I just got the news that I have a strong enemy who is coming to make trouble and take my position as City Lord!”

“Rival?”

How strong is it?

“The name of this rival is ‘Long Daotian’, I don’t know if Brother Xu Ming has heard of it.” City Lord Yinguang said, “His previous strength was almost the same as mine, and at most he was barely able to enter the rankings; but these Era, I don’t know what chance he got, his strength has grown by leaps and bounds, and he actually ranks in the top 100 people list!”

Top 100 people?

Each person list has 10,000 rankings. To be able to rank in the top 100 people list, in terms of strength, is definitely the top existence in a county!

But... Xu Ming didn’t take it seriously at all!

Perhaps, the genius of Tianbang can make Xu Ming pay more attention.

People list? Just a joke!

However, the Lord of Silver Light saw that Xu Ming did not speak, and thought that Xu Ming was intimidated by the reputation of “Top 100 people”; he even said: “With the strength Xu Ming has shown outside the city, there should be some people on the list. The strength of the top three hundred, right?”

Top 300 people on the list?

Xu Ming smiled noncommittally.

City Lord Yinguang continued: “Don’t worry, I have invited Sect Master Ranheng, who is ranked 93rd in our Silver Light City’s top master list! With Sect Master Ranheng there, it should be no problem to deal with Long Daotian; However, just in case, I would like to invite Brother Xu Ming to come to the town together! In this way, even if Long Daotian’s strength is stronger than I expected, it will be foolproof!”

have to!

Xu Ming understood that City Lord Yinguang wanted him to be a “spare tire”!

However, Xu Ming was too lazy to explain anything. The spare tire is the spare tire, as long as the favor is paid back.

“Brother Xu Ming?” Seeing that Xu Ming didn’t answer for a long time, City Lord Yinguang naturally thought that Xu Ming was still afraid of Long Daotian and couldn’t help but say.

“Okay!” Xu Ming said with a smile, “When will we leave?”

City Lord Yinguang was overjoyed: “Thank you, Brother Xu Ming! The Dragon Daotian may come at any time, or should we go now?”

“Yes!” Xu Ming said indifferently.

“Brother Ming!”

“Brother Ming!”

Yun Tian and Lone Gunner even said through voice transmission: “Brother Ming! If there is danger, don’t go...”

“It’s alright!” Xu Ming said with a smile, “A genius, in my eyes, is nothing!”

Yun Tian and Lone Gunner are all his own. Since they are his own, Xu Ming doesn’t mind being a little high-profile and revealing his strength.

Of course, Xu Ming’s words are not high-profile, but rather low-key! If it is really high-profile, Xu Ming will directly say: In my eyes, a master in the sky is nothing!

“His” Although Xu Ming was already very low-key, Yun Tian and the Lone Gunner still took a deep breath. The two of them naturally believed in Brother Ming’s strength; if Brother Ming said that if he didn’t look at the talents of the list, then he would definitely not put the talents of the list in his eyes!

Thinking of this, Yun Tian and Lone Gunner felt that they were a lot tougher. Looking at the Yinguang City Lord and Qingmo, they no longer had the “sense of looking up” before. After all, Brother Ming is so good, they can’t give him Shame, isn’t it?

“Let’s go!” Xu Ming took the initiative.

“Okay!” City Lord Yinguang naturally couldn’t ask for it.

A few people walked out of the door, and when they were about to leave... The Lone Gunner took Qing Xiao’s hand and said, “Xiao Xiao, if you are free in the future, I will often come to my uncle’s house to play!”

“Pfft!” Qing Xiao really spurted blood.

...

Silver Light City, in Youlong County, can be regarded as a city in the middle of the ranking.

After all, there are 10,800 cities in one county; and there are only 10,000 masters on the list. That is to say, there are many cities with no masters on the list!

As for Yinguang City, there are not only a few masters on the list, but also a “big master” who ranks 93, so the strength is naturally extraordinary.

When Xu Ming came to the City Lord’s Mansion, Sect Master Ranheng, who was known as the first master of Yinguang City, was already drinking tea here leisurely.

Sect Master Ranheng frowned slightly when he saw Xu Ming, obviously a little unhappy.

“Silver Light!” Sect Master Ranheng looked condescending.

Of course, the Sect Master of Ranheng does have the qualification to be condescending. Although he is not the city owner, if he wants to change the name of “Silver Light City” to “Ranheng City”, it will be easy.

“I came to the City Lord’s Mansion to find you, but you weren’t here, so you just went to find him?” Sect Master Ranheng’s gaze fell on Xu Ming, and he asked proudly City Lord Yinguang continued: “I’m worried Long Daotian will also bring helpers, so...”

Of course, City Lord Yinguang didn’t dare to say it explicitly, because he was worried that Sect Master Ranheng would not be able to beat Long Daotian.

“Humph!” Sect Master Ranheng said proudly, “Even if there are helpers, so what? I am ranked 93rd on the list, and Long Daotian is only 98th! Don’t look at the gap of five rankings, the top 100 on the list, Every ranking, the strength is quite different! In front of me, Long Daotian dare not break the rules!”

“Yes! Yes!” City Lord Yinguang had no choice but to shout.

At this time, Sect Master Ranheng said to Xu Ming: “You can easily take over the ultimate moves of Feng Rulong and Ning’er, your strength is not bad! You are enough to rank in the top three hundred on the list of people!”

“Heh!” Xu Ming is too lazy to speak. This Sect Master Ranheng is nothing more than a frog at the bottom of a well with a high self-esteem. What else is there to say?

Xu Ming estimates that Sect Master Ranheng is guarding his own ranking, and his strength has not improved for a long time! Such an existence with neither strength nor potential has any qualifications for Xu Ming to speak to him?

However, Sect Master Ranheng obviously did not have self-knowledge, and instead pointed in front of Xu Ming: “Why don’t you join my Ranheng Sect! Your potential is still there, and under my guidance, you can improve your strength. , to enter the top 200 people list, the problem should not be big!”

When Sect Master Ranheng spoke, he seemed to be holding a wisdom pearl. In his opinion, “Top 200 people on the list” is definitely a very attractive word.

“I’m not interested!” Xu Ming replied indifferently, then found a place to sit down.

Chapter 1742: Between Palms

“You...” Sect Master Ranheng’s face suddenly gloomy, and he said angrily, “I don’t know what to do! I have the intention to cultivate you, but you don’t know how to cherish it!”

City Lord Yinguang also changed his face slightly, and even said in private voice: “Brother Xu Ming, this is your fault! Even if you are really not interested, you shouldn’t say it directly. After all, Sect Master Ranheng is also kind. !”

“Really?” Xu Ming glanced at City Lord Yinguang and didn’t say any more.

Originally, Xu Ming also felt that City Lord Yinguang was a good person, and maybe he was someone to befriend; coupled with Yun Tian’s reasons, Xu Ming could even give some pointers to City Lord Yinguang. But now, Xu Ming was a little disappointed with the Silver Light City Lord.

“Forget it, when Long Daotian is resolved, it will be considered a favor for Yun Tian! When that time comes, let’s cut off the relationship!” Xu Ming already had a plan in his heart.

“Humph!” Seeing that Xu Ming didn’t come to apologize for a long time, Sect Master Ranheng snorted coldly, “If it wasn’t for the enemy, I would definitely let you know, the gap between the top 300 and the 93rd! Let you understand that you must know how to respect the strong!”

Sect Master Ranheng still wanted to say something, when suddenly, a tyrannical momentum descended on Yinguang City.

“Come on!” The look of City Lord Yinguang suddenly became serious.

Sect Master Ranheng is also a little dignified about his arrogance, but he also knows that any opponent in the top 100 cannot be taken lightly!

In the next moment, this monstrous aura descended on the city lord’s mansion, which was Long Daotian, the formidable enemy of the city lord Yinguang!

“Hahahaha...” Long Daotian was wearing a black robe, his aura was extremely fierce, “Yinguang, you know I’m coming, how dare you stay here?”

“Longdaotian kid, don’t be too arrogant!” Sect Master Ranheng said proudly, “Look who I am!”

City Lord Yinguang also snorted: “With Sect Master Ranheng here, do you think I dare to stay?”

“The Ranheng Sect Master of the 93rd Renbang? That’s no wonder!” Long Daotian sneered, looking very disdainful; then, his eyes swept over Qingmo, “Is this Qingmo? However, it’s just a human being. The bottom of the list is not worth mentioning!”

In the end, Long Daotian set his eyes on Xu Ming again, but he ignored it. After all, Xu Ming had just come to the world of the first layer of heaven; it was normal that Long Daotian didn’t know him.

“Tsk tsk!” After looking around, Long Daotian couldn’t help shaking his head and sneering, “No one can fight!”

No one can beat it!

Arrogant!

Xu Ming found that the Sect Master Ranheng and Long Daotian he saw today were more arrogant than the other!

“Could it be that... the top 100 geniuses on the list are all so fascinated and confident?” Xu Ming couldn’t help but think, but he was too lazy to mind his own business. He just came to help the main town of Yinguang City! When the town is over, he and the City Lord of Yinguang will be settled, and he will not owe any favors.

However, Sect Master Ranheng couldn’t bear such a provocation: “It’s really maddening! Your ranking on the list of people is only ninety-eight! Do you really think that you will be my opponent?”

“Sect Master Ranheng?” The corner of Long Daotian’s mouth evoked a sly smile, “If I didn’t have the confidence to win you, I wouldn’t come alone!”

“Surely beat me?” Sect Master Ranheng suddenly became angry, “I don’t know what good or bad boy! I will let you know that the ranking of people’s strengths is reasonable! People’s list ninety-eight and ninety-three are very big. The difference!”

boom! !

As soon as the words fell, the divine body of Sect Master Ranheng suddenly seemed to be ignited, and it burned wildly. This is the secret skill of Sect Master Ranheng, which can burn the divine body without limit! Relying on this secret skill, Sect Master Ranheng can rank ninety-three!

“Take me a trick of the surging sea of fire!” Sect Master Ranheng roared, the stunt “surging sea of fire” repeated one after another, endlessly crushing Longdaotian.

“Humph!” Long Daotian sneered, “I’ve heard that Sect Master Ranheng’s divine power is almost inexhaustible; I saw it today, sure enough! But... You want to win me with this trick? It’s too far!”

An incomparably sharp but incomparably sharp ray pierced the sea of fire, and instantly shot through the divine body of Sect Master Ranheng! What shocked Sect Master Ranheng even more was that his damaged divine body could not be recovered!

With just one move, the Sect Master Ranheng was injured, while Long Daotian was safe and sound.

“You...” Sect Master Ranheng said in horror, “Your strength...”

“Hahahaha... Do you think that I, like you, will guard the ranking of one person and never improve?” Long Daotian obviously looked down on Sect Master Ranheng at all.

“You...” Sect Master Ranheng was annoyed, “Who wins and who loses, it’s still very early!”

City Lord Yinguang even sent a voice transmission to Xu Ming: “Brother Xu Ming, hurry up and join hands with Sect Master Ranheng!”

Xu Ming didn’t make a move, just sat there, as steady as Mount Tai to deal with a Dragon Daotian, do you still need to join forces with others? Just a joke!

“Brother Xu Ming!” City Lord Yinguang urged again.

Xu Ming still stood still.

City Lord Yinguang was in a hurry! He did not expect that Xu Ming would drop the chain at a critical moment.

Qing Mo could only watch him stand at the bottom of the list, and he was not qualified to participate in the “Top 100” battle.

boom! boom! boom! boom! ...

In the fight between electric, light and flint, the divine body of Sect Master Ranheng weakened rapidly.

“Boy! You really don’t have a seed! You don’t dare to shoot!!” Sect Master Ranheng shouted angrily at Xu Ming.

“Hahahaha...” Long Daotian laughed loudly, “What’s the use of him even if he makes a move? Let me tell you the truth, my strength has already entered the top 50 on the list!”

Top 50 people list! ?

The face of Sect Master Ranheng changed suddenly, and the momentum of the whole person suddenly dimmed: “I admit defeat!”

Sect Master Ranheng is pondering the ranking of the people list every day, of course he knows how powerful the top 50 people are! In his opinion Even if Xu Ming dares to make a move in the top 300, it is impossible to defeat Long Daotian! Unless... Xu Ming’s strength can be ranked in the top 100, then there is still hope for a battle!

However, is it possible that Xu Ming is one of the top 100 people on the list?

Sect Master Ranheng and City Master Yinguang, of course, felt that it was impossible!

“Humph!” Seeing Sect Master Ranheng admit defeat, Long Daotian didn’t chase after him. After all, it’s not easy for him to kill the 93rd person on the list of people, I’m afraid he has to pay some price!

“Silver light!” Long Daotian sneered, “Now, do you have any other means?”

City Lord Yinguang said sadly: “Long Daotian, I lost... I just want a way to survive!”

“Live?” Long Daotian couldn’t help laughing, “Yinguang, you didn’t give me a way back then! If it wasn’t for my fate, I wouldn’t be alive today! Now, do you want to live with me? is it possible?”

Long Daotian’s palm suddenly turned into a black claws and captured the City Lord Yinguang.

Before this claw, the Silver Light City Lord had no resistance at all.

“Are you going to die?” City Lord Yinguang had already felt the coming of death.

But at this moment

boom! !

A larger palm descended from the sky, slapping Long Daotian’s entire body directly to the ground.

“what!?”

“what!?”

“what!?”

City Lord Yinguang was shocked!

Sect Master Ranheng was shocked!

Qing Mo was shocked!

The three of them looked at the direction of the palm in unison, and saw the old **** Xu Ming leaning on the wooden chair, with Erlang's legs crossed.

Chapter 1743: Slightly Better

“This...”

City Master Yinguang, Sect Master Ranheng, and Qing Mo all looked at each other in dismay, so shocked that they didn't know what to say.

Of course, the most shocking was undoubtedly Long Daotian who was suppressed to the ground.

Long Daotian was stunned, and it took a while before he dared to believe that he was really suppressed by a palm!

Squeeze...

You must know that this is a situation that can only occur when there is a huge gap in strength! And Long Daotian's own strength can definitely rank in the top 50 of the list; then... Xu Ming's strength?

“Definitely the top ten on the list of people! Even... the strongest on the earth list!” Long Daotian looked at Xu Ming in horror.

What is the concept of the top ten on the list?

You know, in one county, there are 10,800 cities! And every city has gathered all the top geniuses in the realm of all things that are comparable to the “Destiny Heaven” range! – The top ten people on the list are equivalent to the top ten geniuses within the range of 10,800 “Destiny Heavens”!

As for the Earth Ranking... it's even more than 10,800 counties, that is, the top geniuses in the range of hundreds of millions of “Destiny Heavens”!

“too strong...”

Long Daotian really didn't expect that in this small Silver Light City, he would meet a powerhouse of this level!

However... When he thought of the big backer behind him, Long Daotian suddenly became hard again. After all, the big backer behind him is one of the top 100 people on the Earth Ranking!

Thinking of this, Long Daotian's face was no longer afraid, but he shouted arrogantly: “Boy, you still don't give it to me...”

“Huh?” Xu Ming was startled – where did this Long Daotian come from? He was suppressed by his own palm, yet he dared to speak madly? Is it true that Brother Ming dare not kill you?

A mere top 50 ants, what did Xu Ming dare not kill?

Snapped!

With a slight force from Xu Ming's palm, Long Daotian's divine body instantly shattered into endless particles, and each particle immediately turned into nothingness.

Long Daotian, die!

Poor Long Daotian originally wanted to report the big backer behind him to threaten Xu Ming. As a result, before he could even call out the name of his backer, he was directly killed by Xu Ming with one palm... It was a shame to die!

Of course, even if Long Daotian called out the name of his backer, it would be useless! First, because Xu Ming had never heard of the names of the powerhouses in the world of First Layer, and he shouted in vain; second, because even if Xu Ming had heard of it, he would still kill them! —The backing of the top 100 on the list? Not to mention the top 100 on the Earth Ranking, it is useless to be the first in the Heavenly Ranking as a backer!

Anyone who Brother Ming wants to kill will surely die!

“Hi-” City Master Yinguang, Sect Master Ranheng, and Qing Mo were all shocked by Xu Ming’s ruthlessness.

In particular, Sect Master Ranheng was even more frightened and trembling! You know, just now, he also contemptuously humiliated Xu Ming in various ways; now seeing Xu Ming’s strength so terrifying, how could he not be afraid?

For a time, none of the top three great powers in Yinguang City dared to say a word.

After a while, the Silver Light City Lord hesitated: “Xu... Brother Xu Ming, I heard that there seems to be a strong backer behind Long Daotian!”

“Backer?” Xu Ming smiled disdainfully, “If his backer is honest and acts like a man with his tail between his legs, that’s fine! If he comes to take revenge, then prepare to die!”

Seeing City Lord Yinguang’s expression of hesitating to speak, Xu Ming naturally guessed his worries and said lightly: “Don’t worry, I will stay in Silverlight City for the time being! Even if I have to leave in the future, I will I will recognize this account of killing Long Daotian; presumably, the backer behind Long Daotian will not come to trouble you!”

City Lord Yinguang was ashamed when Xu Ming saw through his thoughts.

Xu Ming said again: “But... from now on, the karmic entanglement between you and Yun Tian will end!”

“Yes! Yes!” City Lord Yinguang continued.

Immediately, the City Lord of Yinguang said again: “Brother Xu Ming, as you are living in my Silver Light City, you naturally want to live in the best place, or else, I will vacate the City Lord’s Mansion and let you live alone? ”

The strength shown by Xu Ming is really too strong! City Lord Yinguang must be respectful and careful in front of Xu Ming!

At this time, the Sect Master of Ranheng also seized the opportunity and stepped forward and said, “Brother Xu Ming, why don’t you come and live in my Ranheng Sect! I’ll send an order to clear the entire Ranheng Sect!”

The place where a superpower like Xu Ming lives, of course other people can’t live, and must be cleared.

Xu Ming said lightly, “No need! Just stay here for a while!”

“Yes! Yes!” City Lord Yinguang continued, “But... Yun Tian and Lone Gunner’s current residence is too bad, why don’t you change to a better place?”

“Alright!” Xu Ming thought about it and said.

“I’ll do it now!” City Lord Yinguang rushed out as if he had received the imperial decree.

...

South of Silver Light City.

The big clan “Wu Family” occupies a large manor, like a city within a city.

Among the Wu family, there are quite a few masters who have reached the “Second Rank of the True Self”; however, there is not a single master who has entered the ranking.

However, because the Wu family never dared to offend the City Lord’s Mansion, Ranheng Sect, and Qingmo, even though they often do evil in the city, they are still prosperous.

“Hahahaha... Beauty, once you enter the gate of my Wu family, you will never want to go out! Your next life’s duty is to serve my Wu Yue well!” A lewd voice came from the high walls of the Wu family.

The masters of the realm of all things walking in the city naturally understand what happened; however, all of them dare not speak out-after all, whoever dares to talk nonsense is to offend the Wu family and die!

Sudden-

rumbling...

The mighty momentum rolled over!

Thousands of soldiers from the City Lord's Mansion surrounded the entire Wu family.

"What's wrong?"

"what happened?"

Passersby were curious.

The Wu family went up and down but suddenly fell into a panic: "That's the people of the City Lord's Mansion!"

"Why did the people of the City Lord's Mansion surround our Wu family? Our Wu family has never offended the City Lord's Mansion!"

At this moment, a thunderous low and angry shout sounded: "Everyone in the Wu family listens carefully, immediately remove the formation, and all leave the Wu family! After a stick of incense, those who remain in the Wu family manor will all be killed. amnesty!"

what! ?

The Wu family suddenly panicked!

The head of the Wu family, who was in retreat, was also alerted, and even went out of the gate and asked, "I don't know where I offended the city master? Please also inform us that our Wu family will come to apologize immediately!"

“You didn’t offend me!” A majestic voice sounded, it was the City Lord Yinguang, “There is no reason! Everyone in the Wu family leaves the Wu family manor immediately, or they will be killed without mercy!”

Although Xu Ming said that it would be good to change to a “slightly better” place, the City Lord of Silver Light did not dare to be too “slightly”!

Since Xu Ming was unwilling to live in the City Lord’s Mansion and the Ranheng Sect, the Silver Light City Lord chose the Wu Family Manor as the target – this is the best place besides the City Lord’s Mansion and Ranheng Sect!

Faced with such a strong Silver Light City Lord, would the Wu family dare to resist?

Of course not!

Unless the Wu family wants to be exterminated!

So... the Wu family left the manor one after another with their faces full of bewilderment. The head of the Wu family was even more inexplicable. Until he handed over the control of the manor’s grand formation, he didn’t know what happened.

Chapter 1744: Land List Update

Clouds and states.

Among the 10,800 states in the first layer of the world, it can only be regarded as a very ordinary state.

At this time, in the “Yunhe City”, the power center of Yunhe Prefecture, in the Taikoo Pavilion, there are countless people who are strong in the realm of all things.

Taikoo Pavilion is one of the most peak forces in the entire First Layer world. The sub-pavilions of Taikoo Pavilion, spread over 10,800 states, are responsible for the compilation of the list of all things in each state and county; the main pavilion of Taikoo Pavilion is responsible for the compilation of the list of all things.

Three days ago, Taikoo Pavilion Cloud and State Branch Pavilion released news that the Earth List would be updated. As a result, in Yunhe Prefecture, many top-level experts in the realm of all things flocked here, wanting to see what changes would happen to the Earth Ranking.

Most of these top-level powerhouses in the realm of all things are the leaders of one side, or the county master of a county!

After all, there are only 10,000 people in the entire Yunhe Prefecture! Average to every county, not even one! Which power, or which county owner, can win over a strong person on the land list, it will definitely be a leap in strength!

Therefore, there will be so many leaders and powerhouses at the level of county masters who will personally come to the Taikoo Pavilion sub-pavilion and wait for the update of the land list! If a new name appears on the land list, these powerhouses will probably be scrambling to win over at any cost!

“Since Taikoo Pavilion has announced the update of the Earth Ranking, it means that the Earth Ranking must have changed!”

“The last time the Earth Ranking was updated, it seems only a few hundred epochs have passed? It has been updated so quickly. It seems that the changes in the Earth Ranking will not be very big! Could it be that there are only some changes in the rankings, and there are no new powerhouses? Enter the Earth Ranking?”

“You’ll know just by looking at it!”

boom-

Inside the Taikoo Pavilion, there is a golden and shining list that penetrates the sky and the ground – it is the list of Yunhe Prefecture!

Above the list, the original 10,000 names and information gradually faded and disappeared; the new rankings, above the list, appeared one by one from high to low.

“Aoji, No. 1 on the Earth Ranking! Yunhe City’s lone powerhouse, record...”

“Liao Tianhao, second on the Earth Ranking list...”

Names emerge one by one.

There was no change in the top 100 on the list.

After all, the strength of the top 100 strongmen on the Earth Ranking List has reached a terrifying height; even if it is only a little further, it will be difficult! Therefore, it is difficult for the top 100 and thousands of epochs to change once on the earth list; unless there is a strong person who does not want to stay in the world of the first layer of heaven and goes to the world of the second layer of heaven, a ranking will be vacated, and the change will occur.

“Thousand Illusory Demons, three hundred and nine on the earth list...”

When seeing this title and ranking, there were a lot of shocked sighs in the Taikoo Pavilion sub-pavilion.

“Last time, the Thousand Illusion Demons ranked out of the top 1000 on the Earth Rankings, right? It suddenly jumped to around 300? This speed of progress is too terrifying, right?”

“It must be that the Thousand Phantom Demons have been hiding their strength for a long time, and now they have exploded!”

The further back you go, the more the ranking changes. However, most of them are just a change in ranking, and it is rare to see a new name appearing on the land list.

“Xu Ming, number 9,300 on the Earth Ranking! Now living in Yinguang City, Youlong County, he has no power yet, so he is a loner! Record: Long Daotian, who ranks 47th on the Killing List in Yizhang Town, is able to handle it with ease, obviously I didn’t use all my strength! Taikoo Pavilion’s sub-pavilion evaluation, qualified to rank 9,300 on the Earth Ranking!”

Xu Ming!

This strange name appeared in Yunhezhou for the first time.

The big forces in Yunhe Prefecture immediately learned the name “Xu Ming”! More importantly—Xu Ming is a loner who suddenly appeared without any power!

Immediately, the leaders of all forces were boiling! -Which side doesn’t want to have an extra powerhouse in their own family?

How can the combat power and deterrent power of a strong person on the land list be underestimated?

“Youlong County, Silver Light City! Go!”

“Go!”

“It’s too late, Xu Ming was invited by other forces to leave!”

In particular, the Lord of Youlong County left Yunhe City in a hurry, and went straight to Yinguang City—this is the top-ranking powerhouse that emerged in Youlong County. My subordinates; if other forces take the lead, then Princess Youlong will definitely not have time to cry!

...

Just when all the powerhouses rushed to Silver Light City, in the Taigu Pavilion branch, a master of the realm of all things with awe-inspiring aura, his eyes were full of killing intent. On his divine body, there are countless complicated secret patterns, all lingering with evil energy, obviously very angry.

He was the one who was on top of the last Earth Ranking and ranked the 10,000th Earth Ranking expert—Huang Jixie!

As the existence at the bottom of the earth list, when the earth list was updated, of course Huang Jixie couldn’t help but appear here. He was afraid that some new masters would be on the list and squeeze him out; but now, the thing that made him worry happened!

“Xu Ming!?” The murderous intent in Huang Jixie’s eyes was boiling, “Where is the nameless person, I have never heard of it! With the record of killing Long Daotian with one palm, not only did he make it into the Earth Ranking, he also ranked Nine thousand three hundred!?”

The emperor is extremely evil in his heart!

Very dissatisfied!

“Can’t I kill Long Daotian with one palm? Why, I can only rank 10,000, but Xu Ming can rank so high!”

Of course, what angered Huang Jixie the most was that he was nowhere on the list!

“No! I must kill this Xu Ming and return to the Earth Ranking!” Huang Jixie’s eyes gradually became crazy, as if it was because of the exercises he practiced, “As long as I kill Xu Ming, I will not only be able to restore Return to the ranking list, and can win his current ranking!”

...

Silver Light City in the Wu Family Manor.

Naturally, Xu Ming didn’t know at all that his name had shaken the entire Yunhe Prefecture. Not only are there forces coming to invite him, but also the madman Huang Jixie is coming to challenge him.

At this time, Xu Ming was sitting in meditation by the lakeside in the Wu family manor.

Yun Tian and Lone Gunner stood behind Xu Ming and did not dare to disturb him at all—in front of Xu Ming, they all maintained an absolute humility.

The lake water is rippling.

In Xu Ming’s eyes, this lake does not seem to be lake water, but countless mysteries derived from chaos to Tao flowing in the lake.

However, at Xu Ming's current realm, it is naturally difficult for the heaven and earth to touch him much – what he comprehends in his current practice is not the heaven and earth, but the “true self”.

The power of heaven and earth, the power of chaos to the Tao, is only an external force after all; only the “real self” is the power that truly belongs to itself! It is the real powerful force!

“The realm of the true self...” Xu Ming found that he was still far from even stepping into the “first order of the true self”!

It's not that Xu Ming's talent is poor, and he can't understand the “true self”. But it is because the “no way” that Xu Ming has learned is too difficult to comprehend; the second is because Xu Ming's cultivation time is too short!

“Huh?” Suddenly, Xu Ming's face sank slightly. He felt that there were countless strong men coming in his direction, obviously coming at him.

Chapter 1745: Swire All Things List

“So many people came to find me?”

Xu Ming couldn't help but feel a little puzzled.

You know, he just arrived in the first layer of the world not long ago, and he doesn't know many people here at all. What's more, the countless powerhouses flying towards him are extremely fast; obviously, none of them are lower than the “Top 100” level.

However, Xu Ming did not get up and still sat quietly by the lake.

Soon-

boom! boom! boom! boom! ...

One after another tyrannical breath stopped outside the Wu family manor.

A strong person is very polite.

“Excuse me, but brother Xu Ming?”

“Brother Xu Ming! Congratulations! Congratulations! Congrats on being on the list!”

“It’s a blessing to have a dragon like Brother Xu Ming in my Youlong County!” The Lord of Youlong County also said.

Land list?

After listening to the words of the powerhouses, Xu Ming understood a little – he should have killed Long Daotian with one palm and entered the Earth Ranking, so these powerhouses have come to congratulate him.

As for the purpose of congratulations, it couldn’t be more obvious! Needless to say? You definitely want to win over yourself!

Every strong person who came here behaved politely, but Xu Ming was not so cold-hearted and refused to be thousands of miles away.

“Everyone, please come in!” Xu Ming opened the gate of the manor and invited the strong from all sides to come in.

Lone Gunner and Yun Tian were naturally busy preparing tea.

Beside the lake, Xu Ming waved his hand to set up tables and chairs, and asked hundreds of strong people to sit down.

These hundreds of powerhouses are all masters from various counties in Yunhe Prefecture, with extraordinary strength. Only the Lord of Youlong is the master of this county.

After the City Lord Yinguang learned the news, he also hurriedly came: “Meet the County Lord!”

“Yeah!” Princess Youlong praised, “Yinguang, in the city under your jurisdiction, there is a strongman like Brother Xu Ming! You are also considered a meritorious person!”

“Brother Xu Ming is on the Earth Ranking?” City Lord Yinguang couldn’t help but be startled—he thought that Xu Ming would be in the top ten at most;

“Yes!” Princess Youlong laughed, “Ranking 9,300 on the Earth Ranking!”

Nine thousand three hundred, in the land rankings, is already the last ranking! But even if it’s just a ranking at the end, so what? – You must know that this is a list of the earth, not a list of people!

Everyone on the list is the top powerhouse in the 10,800 counties of Yunhe Prefecture!

The first place on the list of people in a county is not as good as the last place on the list! Otherwise, the name will not appear on the list of people, but directly on the list of people!

At the same time, Princess Youlong secretly said through a voice transmission: “Yinguang, wait a moment, you must help me to say more kind words, so that Xu Ming can be drawn by me! Even if I owe you a favor!”

City Lord Yinguang, why was Princess Youlong paid so much attention to it? He replied, “Yes! Yes! But... I can’t guarantee how Brother Xu Ming will choose!”

“Just do your best!” Of course, the Lord Youlong knew that the thoughts of a powerhouse like Xu Ming were by no means under the control of City Lord Yinguang.

Hundreds of strong people are sitting by the lake.

However... every strong man has a tacit understanding, and there is no one who speaks to win over Xu Ming. After all, how can it be so easy to win over a top-ranking person?

A strong man began to chat.

In fact, the powerhouses of all parties are using the opportunity of small talk to show their power! Only by first letting Xu Ming understand his own power, and then making various promises, can it be possible to win over Xu Ming, a powerhouse on the Earth Ranking list!

“I don’t know what kind of ‘unsurpassed true self’ is what Brother Xu Ming realized?” A proud old man asked with a smile.

The true self is divided into six grades: Wupin, Fanpin, Excellent, Excellent, Emperor, and God.

The true self above the top grade can reach the “third level of true self”. In the world of the first layer, those who can enter the list of people will comprehend the “best true self”.

And those who can enter the Earth Ranking are mostly comprehended by the “Superior True Self”, and have reached the “True Self Level 3”.

“Which type of ‘unsurpassed true self’ did I realize?” Xu Ming couldn’t help but wonder how to answer.

In fact, Xu Ming has not even stepped into the “real self”, and is still stuck in the “illusory self”; of course, he does not know what grade and classification his “real self” is.

However, of course Xu Ming would not reveal his trump card to others, he just laughed without saying a word and did not answer.

The proud old man who asked the question didn’t mind either—after all, the “true self” that everyone comprehends is his own secret; it is normal for some special “true self” not to be known by others.

“Haha!” Princess Youlong also joked, “Maybe, what Brother Xu Ming realized is the ‘Emperor’s True Self’!”

“Haha!” The other powerhouses also laughed, and of course everyone took this as a joke.

Is the emperor really me?

Those who can comprehend the “Emperor’s True Self” are all existences that can be listed on the “List of All Things”! Xu Ming is only ranked 9,300th on the local list, will it be “the true self of the emperor”?

Obviously, all the powerhouses believed that Xu Ming could not be “the true self of the emperor”. Even in the “superior true self”, it is not necessarily how strong.

Xu Ming couldn’t help but ask: “In the world of First Layer, is there a ‘real self’ of divine quality?”

“The real me of divine quality? Haha...” Hearing Xu Ming’s words, many strong men laughed, “Brother Xu Ming, do you know what ‘real self of divine quality’ means? strength!”

“In the world of First Layer it has been a long time since there has been a ‘real me’!”

Haven’t appeared in a long time?

In other words, before, there have been “real me”!

Even Xu Ming couldn’t help but be shocked – the realm of all things has the strength to rival the main realm of the realm! ?

Such strength is comparable to opening!

“I really can’t underestimate the evil geniuses in the universe!” Xu Ming secretly said.

Of course, even if he encounters the peerless evildoer who is “the true self of the gods”, Xu Ming is sure to win – and it will be crushed!

After all, Xu Ming “hangs” a lot!

“Brother Xu Ming, if you have time, you can go and learn about the ‘Immortal Ancient List of All Things’!” Youlong County Master said.

“List of all things immemorial?”

“Yes!” Princess Youlong continued, “The records on the Primordial All Things List are some of the most monstrous geniuses that have ever appeared in the world of First Layer! In today’s era, even if they are the strongest in the ‘Heaven Ranking’, are not eligible to be included in the list of ancient things!”

“Oh?” Hearing this, Xu Ming was somewhat interested. “Even number one in the Heavenly Ranking is not qualified to be included in the Primordial All Things Ranking?”

boom-

At this moment, an extremely tyrannical momentum swept the entire Silver Light City. The center of this momentum was like the tip of a needle, stabbing at the Wu family manor where Xu Ming was located.

“Is Xu Ming here!?” An incomparably arrogant voice resounded throughout the Silver Light City, “I, the powerhouse ‘Emperor Extreme Evil’, challenge here! Xu Ming, dare to fight!?”

Chapter 1746: Dare Not Invite

“I, the powerhouse ‘Emperor Extreme Evil’, I am here to challenge! Xu Ming, dare to fight!?”

The thunderous voice continued to echo throughout the entire Silver Light City for a long time.

Xu Ming’s face was a little ugly – if the other party came to challenge in a friendly way, Xu Ming might give him a face and discuss a thing or two with him; but now, the other party is obviously a bad person.

“Huang Jixie?” Xu Ming remembered what he had just talked about while chatting, and knew that Huang Jixie was originally the last place on the Earth Ranking; because he was on the Earth Ranking, he was directly squeezed out.

Obviously, Huang Jixie came to challenge himself with hatred.

only...

Huang Jixie wants to challenge, does Xu Ming have to do it? -Sorry, you're not good enough!

"The emperor is extremely evil!?" Xu Ming's voice also rumbled through Yinguang City, "I don't seem to have seen your name on the Earth Ranking!"

"You..." Huang Ji was extremely angry. However, he can't always say, I'm a "power in the front", right?

"Xu Ming!" Huang Jixie roared, "Do you dare to fight!?"

Xu Ming sneered and said, "Want to challenge me? When you are on the Earth Ranking, challenge again!"

boom! !

Huang Jixie was instantly furious: "Xu Ming! Whether you want to fight or not, it's up to you!"

With that said, Huang Jixie's aura enveloped Yun Tian and Lone Gunner; it was like two sharp claws pinching their necks – with Huang Jixie's strength, he could kill them in a single thought. Drop Yun Tian and Lone Gunner.

"These two people should be your subordinates, right?" Huang Jixie said with a wicked smile; obviously, when Huang Jixie was on his way, he knew something about Xu Ming, "I don't know, do you care about the lives of your subordinates? ? However, even if you don't care, it doesn't matter; I kill your subordinates in front of so many strong people, and your face will definitely be difficult, right?"

Xu Ming's expression suddenly turned cold – he was really angry!

"People who dare to take me and threaten me!?" Xu Ming's eyes were filled with murderous intent.

Although, with Xu Ming's strength, it is not difficult to save Yun Tian and the Lone Gunner; and Xu Ming has a "time pause" hanging on, and it is even more foolproof to save the two. However, being threatened like this is absolutely unacceptable to Xu Ming!

Using the people around Xu Ming to threaten Xu Ming – this is courting death!

Huang Jixie obviously did not know that he was already on the brink of death. He was still in control: "Xu Ming, now, can you fight?"

Hundreds of powerhouses who came to visit Xu Ming were silent at this time. Obviously, they also want to take the opportunity to see how strong Xu Ming is – the stronger Xu Ming is, the more they are willing to pay in order to win over Xu Ming!

And if Xu Ming didn't even dare to fight, but watched his subordinates get killed; then, Xu Ming's worth in the eyes of the powerhouses would definitely be greatly reduced.

"Good! Very good!" Xu Ming's figure slowly flew into the air.

Xu Ming, it's time to fight!

All the powerhouses are looking forward to this battle – this is the battle between the powerhouses! Even in the 10,800 counties of Yunhe Prefecture, a battle at this level is rare!

"Let them go!" Xu Ming said lightly.

"Let go? I didn't say that, if you challenge, I will let them go!" Huang Jixie suddenly grinned, his aura suddenly turned cold, and he was going to kill Yun Tian and Lone Gunner.

"It's over!"

The powerhouses did not expect that Huang Jixie would be so crazy – this is the rhythm of offending Xu Ming to death!

"Xu Ming's two subordinates are dead!"

“Yeah! It’s impossible to save such a sneak attack in time!”

All the powerhouses obviously think that Yun Tian and the Lone Gunner are dead!

“You...” Xu Ming’s eyes became cold; in his eyes, Huang Jixie was already a dead person!

It’s really too late to save Yun Tian and Lone Gunner!

However, Xu Ming directly applied the “time pause” effect on the two of them – even the time was paused, so Yun Tian and the Lone Gunner would naturally no longer be hurt by the sneak attack of Huang Jixie’s momentum.

At the same time, Xu Ming’s spear instantly arrived in front of Huang Jixie.

Huang Jixie used to be the last place on the Earth Ranking, and in terms of strength, he was equivalent to an ordinary “high-grade domain master”. And Xu Ming’s strength is even stronger than the peak of the top-rank domain master!

The difference in strength between Huang Jixie and Xu Ming is obvious!

What’s more, Xu Ming’s shot was shot without reservation! And Huang Jixie didn’t know Xu Ming’s true strength, he never thought that Xu Ming would be so terrifying! -Xu Ming is equivalent to calculating with one’s heart and no heart!

There is a huge gap in strength, and it is intentional and unintentional! – When Huang Jixie realized the power of this gun, it was already too late!

“No—” Huang Jixie even wanted to resist, but Xu Ming’s spear had already penetrated his divine body in an instant; the terrifying destructive power instantly destroyed every particle of him.

Death has already enveloped the emperor’s extreme evil.

What makes Huang Jixie even more unacceptable is that he can’t hurt Yun Tian and Lone Gunner at all! Obviously, these two were protected by Xu Ming!

“No—” Huang Jixie was in a state of death, and disappeared.

With just one move, the former powerhouse on the Earth Ranking was annihilated under Xu Ming’s spear.

Shocked!

Silence!

Everyone looked at Xu Ming in horror and disbelief, trembling in their hearts.

“How could it be... Isn’t Xu Ming the ninth thousand three hundredth on the Earth Ranking? How could it be possible to kill Huang Jixie in one shot!”

“Huang Jixie was once a powerhouse on the Earth Ranking! After the 9,000th place on Earth Ranking the gap is not too big... Even if Huang Jixie is no match, it shouldn’t be a problem to save his life! meeting...”

“It’s not that Huang Jixie is too weak, it’s that Xu Ming is too strong!”

“That’s right! Taikoo Pavilion has wrongly estimated Xu Ming’s strength! Xu Ming’s ranking is far more than the 9,300th ranking!”

“Being able to kill the strongest on the Earth Ranking with one shot, Xu Ming’s strength is probably at least the top 500 on the Earth Ranking List! And... I don’t know if Xu Ming has hidden his strength!”

“The top five hundred on the Earth Ranking and the ordinary Earth Ranking experts are completely two different concepts!”

When Xu Ming landed from the sky and sat back in his seat, many strong people dared not look directly at Xu Ming.

Some strong people are not very strong in themselves, and their power in Yunhe Prefecture is not very large! Originally, they thought that Xu Ming was an ordinary powerhouse, and wanted to win

over Xu Ming; now, after discovering Xu Ming's strength, they didn't even have the courage to win over him! – With Xu Ming's strength, ordinary forces can't tolerate him at all! Those who can accommodate Xu Ming are at least the top forces in the entire Yunhe Prefecture!

“By the way, everyone!” Xu Ming said, “You came to me, shouldn't it be just a simple chat? Is there something wrong?”

The master of Youlong County and other powerhouses originally came to invite Xu Ming to join their forces; but now, how dare they continue to invite? – They are not eligible to invite!

For a time, the powerhouses looked at each other in dismay, but no one dared to invite.

Chapter 1747: Bow Your Head When You Should?

“Brother Xu Ming!” Princess Youlong said with a wry smile, “To be honest, we people originally came with the idea of winning you over! But now... With your strength, Brother Xu Ming, to be honest, we The temple is too small!”

There are naturally high and low points for the strong on the land list.

Can the top 500 on the Earth Ranking be the same as the ordinary Earth Ranking powerhouses? – Certainly not the same!

With the strength shown by Xu Ming, even if there are dozens of ordinary powerhouses on the land list, I am afraid that they are not as good as Xu Ming!

“Haha!” Xu Ming couldn't help laughing when he heard the words of Princess Youlong, “It's not the problem of the temple, it's because I haven't planned to join any forces!”

Since these people treated Xu Ming with courtesy, Xu Ming naturally wouldn't look down at them.

...

In Yinguang City, there are many upper-level powerhouses from Yunhe Prefecture.

The news that Xu Ming killed Huang Jixie, the “powerhouse of the former land list”, naturally quickly spread to Yunhe City.

Taikoo Pavilion branch, although the Earth Ranking has just been updated, after hearing about Xu Ming’s strength, he immediately updated the Earth Ranking: “Xu Ming, the 382nd place on the Earth Ranking!”

The land list was updated again. Suddenly, another group of strong people came to Yinguang City to invite Xu Ming.

Although there are only a dozen of these powerhouses, each of them is at the helm of the top forces in Yunhe Prefecture. For a time, the small Yinguang City and the small Wu family manor became more lively.

Although the people of the Wu family were driven out of their manor because of Xu Ming and lived a life of “away from home” in the small Yinguang City, they did not dare to have any hatred towards Xu Ming. Now seeing that there are so many legendary powerhouses visiting their manor, it makes the Wu family feel “prosperous”!

Inside the manor.

Xu Ming met with the powerful men from all over the state, and they also chatted happily. I gradually gained a deeper understanding of some of the patterns of the First World World.

Xu Ming was horrified to discover that the World of First Layer was like a... cemetery!

Yes, a cemetery!

Like Yun Tian and Lone Gunner, their original virtual universe or the era of chaos was destroyed, but they have not yet comprehended the “real self”; according to the rules of the universe, they should have died in the process of destruction. ! However, it was sent to the world of the first layer by the space-time secret room, and a new life began! -In the whole world of First Layer, the vast majority of people are people like Yun Tian and Lone Gunner who “should be dead but not dead”.

Therefore, Xu Ming felt that the world of First World was like a cemetery.

And if you want to leave the world of the first layer, there is only one way, and that is to go to the world of the second layer!

Only in the world above the second layer of heaven, there is an exit to leave the “nine layer of heaven”; only in the world of the first layer of heaven, there is no exit! And if you want to go to the second world, you must comprehend the “real self”!

In the world of the first layer of heaven, without understanding the “real self”, it is impossible to improve the cultivation to the realm of destruction, and it is impossible to enter the world of the second layer of heaven!

It is precisely because of this that the Divine Phoenix Chaos Realm and Qinglei Realm once sent some geniuses of the realm of all things into the first-layer world, but none of the geniuses of the realm of all things were able to go back—after all, with the help of the Divine Phoenix Chaos Realm and Qinglei Realm. It is almost impossible for those geniuses in the realm of all things that have appeared in the history of the world to comprehend the “real self” at the level of the realm of all things!

No existence in the realm of all things has ever been able to return to the Divine Phoenix Primal Chaos Realm or Qinglei Realm, so naturally, I didn’t know any information in the First World Realm before.

“For me, it shouldn’t be difficult to go to the second layer of heaven!” Although Xu Ming has not yet realized the “real self”, it should be soon, “But... before going to the second layer of heaven, I will You must first get the chance in the world of First Layer!”

Xu Ming has yet to get any chance!

“The biggest opportunity in the world of the first layer of heaven should be the ‘the first layer of heaven’s genius’?” Xu Ming secretly said, “However... the first layer of the heavenly genius represents the existence of the topmost realm of all things in the entire ‘second quadrant of the universe’. Not everyone is eligible to participate in the competition between the two! Even the strongest in the sky may not be able to get an invitation to participate!”

Of course, in Xu Ming’s view, with his own strength, there must be a way to get the invitation letter.

...

Inside the Wu family manor.

More and more powerful people came to visit Xu Ming.

After all, Xu Ming is one of the top 400 experts in Yunhe Prefecture! Even if you can't win over Xu Ming, it's definitely not wrong to make a good deal first.

Xu Ming simply had a feast in the Wu family manor, and took the opportunity to learn more about the world of First World.

However...

Suddenly one day, all the powerhouses who came to visit Xu Ming changed their expressions, as if they had received some shocking news.

"Brother You Yao?" Xu Ming was talking about some stories about the first-level genius battle with a powerhouse named "You Yao"; suddenly, Xu Ming noticed that You Yao's expression became very strange. The eyes that looked at him also became a little weird – it seemed that he was afraid of getting close to him.

"What's the matter?" Xu Ming couldn't help asking naturally, not knowing what was going on.

"No...it's all right!" You Yao continued, "Cough cough! Brother Xu Ming, I suddenly remembered that I still have some things to deal with in Qiyang County! I won't stay here any longer~www.readwn.com~ Say goodbye first!"

Saying that, You Yao drank all the wine in the cup to apologize; then, as if escaping for his life, he left the Wu Family Manor.

"Strange?" Xu Ming was puzzled.

Immediately afterwards, many strong men came over to say goodbye to Xu Ming. The reason for leaving is also all "emergency".

“So many strong people are in an emergency together?” Xu Ming of course smelled something unusual.

However, these powerhouses who came to visit were originally very enthusiastic, but now they suddenly became hiding from Xu Ming like the ***** of plague; even if Xu Ming asked, no one was willing to tell him what the situation was.

Before you know it, all the powerhouses who came to visit have disappeared! The Wu family’s manor, which was a city in the courtyard, suddenly became a mess.

“What happened?” Xu Ming looked strange.

Only Princess Youlong, before leaving, secretly reminded Xu Ming through a voice transmission: “Brother Xu Ming, for the sake of acquaintance, let me remind you: bow your head when you should!”

After speaking, Princess Youlong didn’t dare to say another word and left.

“Do you bow your head when it’s time to bow?” Xu Ming became more and more puzzled. He couldn’t understand what Princess Youlong’s words meant.

However, Princess Youlong didn’t dare to say too much, and left this place of right and wrong.

“What’s the matter? It looks like I’m about to have a big disaster?” Xu Ming really couldn’t figure it out – what kind of power was it that made these powerhouses who were still very fond of him, suddenly Are you so scared that you can’t even say a word?

Chapter 1748: The Real Me

Xu Ming really can’t figure it out – what kind of power is it that makes these powerhouses who were still very happy with him suddenly so scared that they can’t even say a word?

but...

Seriously, Brother Ming doesn’t care!

It's just the world of the first layer! The strongest is only the cultivation of the realm of all things! No matter what kind of power you have, can you still go to heaven in front of Brother Ming?

Xu Ming just wanted to find out what happened.

The powerhouses who visited Xu Ming were all scattered. However, they did not leave Silver Light City too far, but hid around Silver Light City, as if preparing to watch something lively.

Soon, City Lord Yinguang got the news and knew what was going on; as soon as he gritted his teeth, he went straight to the Wu family manor where Xu Ming was.

“Brother Xu Ming!” As soon as he entered the manor, City Lord Yinguang said, “I’m the one who got you involved!”

“How do you say?” Xu Ming didn’t care and said with a smile.

“It’s about Long Daotian!” said the Lord of Yinguang City.

“Long Daotian?” Xu Ming couldn’t help but wonder, “Isn’t he the one who made the list? What happened to him?”

The list of people is really not qualified to be regarded by Xu Ming at all.

Don’t say it’s a human ranking, even if it is a power ranking player, Xu Ming can kill it in one move!

City Lord Yinguang continued: “Although Long Daotian is only an expert on the Human Ranking List, he never imagined that behind him, there is a super presence – the top ten on the Earth Ranking List, Mo Jiangran!”

The top ten on the list?

Xu Ming suddenly became interested.

Almost all those who can make it to the Earth Ranking are in the realm of “Extraordinary Rank 3”, and their strength has reached the level of “Superior Domain Master”! On the other hand, the top ten on the Earth Ranking 100% had reached the limit of the high-rank domain masters—perhaps even stronger than the top-grade domain masters such as Yi Tao domain masters that Xu Ming encountered in the Border of Chaos!

This is the strength close to the realm of the realm!

And it is – with the cultivation of the realm of all things, close to the strength of the realm of the world!

How could Xu Ming not be interested in such an opponent?

City Lord Yinguang observed Xu Ming’s expression, and seeing that Xu Ming was not afraid at all, but also faintly excited, he couldn’t help but say, “Brother Xu Ming, you probably don’t know the strength of the top ten in the Earth Ranking?”

“Heh!” Xu Ming naturally knew the worries of the Silver Light City Lord, so he smiled without saying a word.

“Also...” The City Master of Silver Light saw that Xu Ming didn’t take it seriously, and said, “This Mo Jiangran is not an ordinary top ten!”

“Oh?” The top ten on the list are divided into “ordinary” and “uncommon”?

City Lord Yinguang said: “Mo Jiangran, with the realm of ‘Second Rank of True Self’, is in the top ten on the Earth Ranking List!”

“The real me is second-tier?” Xu Ming is really strange – Xu Ming knows the difference in strength between “real me second-tier” and “real me third-tier”! What means does this Mo Jiangran have to use the realm of “Second Rank of True Self” to overwhelm many “Second Rank of True Self”?

City Lord Yinguang continued: “It is said that what Mo Jiangran has realized is... the true self of the emperor!”

The emperor is really me!

“Hi—” Even Xu Ming couldn’t help but be shocked.

City Lord Yinguang continued: “And... Mo Jiangran’s last shot was countless epochs ago; no one knows whether his strength has made a new breakthrough after so many years! With his talent, it is very likely that I have stepped into the realm of the ‘real third-order’!”

I’m really third-order!

And it’s “Tier 3 of the Emperor’s True Self”!

what does that mean? —Meaning, Mo Jiangran is suspected of being a powerhouse in the sky! Even if it’s not a powerhouse in the sky, at least it’s the “top ten” on the land list!

In the eyes of City Lord Yinguang, whether it is the “Top Ten on the Earth Ranking” or “The Powerhouse in the Heavenly Ranking”, Xu Ming is not something that Xu Ming can provoke!

However, after City Lord Yinguang spoke for a long time, Xu Ming just said lightly, “Oh...”

Moreover, Xu Ming’s interest seems to be getting stronger and stronger – is the emperor’s real me third-order?

I really want to see and see, what is the difference between the third-order emperor and the true self!

“Brother Xu Ming, I suggest that when it’s time to lower your head, lower your head!” City Lord Yinguang said the same words as County Lord Youlong, “According to the information I got, Mo Jiangran seems to have said that as long as you go to Yun Hecheng, kneel down three times to apologize, and then submit to him; then, he can let go of the past! Otherwise...otherwise...”

“Otherwise what?” Xu Ming sneered.

“Otherwise... no matter where you escape to the first layer of the world, Mo Jiangran will personally come to enslave you, turn you into a soul slave, and completely lose yourself...”

“Ha!” Xu Ming couldn’t help laughing, “This Mo Jiangran is really arrogant!”

City Lord Yinguang said: “He does have arrogant strength!”

Suspected to be a powerhouse! It’s normal to be arrogant!

It’s a pity... Mo Jiangran met Brother Ming!

“City Lord Yinguang!” Xu Ming laughed, “Send me the word, just say – I’m very interested in the strength of Mo Jiangran, who is suspected of being a powerhouse in the sky!”

Swish!

City Lord Yinguang was so frightened that his face turned pale: “I...I dare not pass it on...”

Spread this word out?

How many lives does City Lord Yinguang have enough for him to die?

...

Outside Silver Light City.

All the great powers gathered together quietly.

“The silver light has passed! Xu Ming should already know what happened!” Princess Youlong said, “You said, will Xu Ming be willing to surrender?”

“It’s not a question of whether you want to be soft or not! It’s...you have to be soft! After all, Mo Jiangran is suspected of being a powerhouse in the sky!” A powerhouse sighed Tianbang, the representative The pinnacle of the entire first layer of the world!

Even if it is just a “suspected list of heaven”, it has a fatal deterrent to other geniuses in the world of the first layer of heaven!

“No...” An old man wearing a karma robe, with a strong look of awe in his eyes, “It’s no longer ‘suspected’...”

Not suspected! ?

As soon as these words came out, the powerhouses were shocked and silent!

The old man in Taoist robe continued: “Mo Jiangran’s realm has actually broken through to the third level of the emperor’s true self! It’s just that he has never made a move, so he has not been included in the list of heaven! With his strength, once he makes a move, he will definitely On the list!”

“Hi-” The audience was full of shocked voices.

Suspected Tianbang is already a deadly deterrent! What’s more, are you sure it’s a list?

“Xu Ming should make a wise decision, right?”

“Not bad! No matter how strong Xu Ming is, he can’t be the ‘Tier 3 Emperor’s True Self’; after all, the ‘Tier 3 Emperor’s True Self’ has a special aura, and once he makes a move, this aura cannot be concealed! And when Xu Ming shot, there was no such breath at all!”

“Tier 3 of the emperor’s true self... Being able to smell that special aura will have some benefits for our cultivation!”

“Indeed... Now, let’s see if Xu Ming will be stupid!”

at this time...

Xu Ming’s voice roared in the Silver Light City: “Everyone outside the Silver Light City, help me spread the word, just say that I am very interested in Mo Jiangran’s strength!”

Chapter 1749: The Attraction Of The Strong

“Everyone outside Yinguang City, help me spread the word, just say that I am very interested in Mo Jiangran’s strength!”

Xu Ming’s voice rumbled loudly.

The great powers such as Princess Youlong outside Yinguang City were all stunned and dumbfounded: “Xu Ming is trying to... challenge the Heavenly Ranking!?”

Tianbang is completely unattainable existence!

In the entire Yunhe Prefecture, 10,800 counties, and hundreds of millions of divine cities, there is not a single strong person who is truly ranked in the sky! —Although Mo Jiangran should have the strength of the Heaven Ranking, he was still listed on the Earth Ranking because he has not made a move for a long time.

And Xu Ming, daring to challenge Mo Jiangran, is actually no different from challenging Tianbang!

“Where did Xu Ming get his confidence from!?”

All the strong people can’t believe it.

“Does Xu Ming not know Mo Jiangran’s true strength? Do you think Mo Jiangran is only in the top ten on the Earth Ranking and is not a powerhouse on the Heavenly Ranking!?”

“Even if Mo Jiangran is only in the top ten on the Earth Ranking, where does Xu Ming have the confidence to challenge him? – Could it be that Xu Ming thinks he has the strength in the Earth Ranking’s top 10?”

“Xu Ming is too arrogant!”

“Indeed! Heaven’s list is majestic and cannot be provoked; Xu Ming’s words have already provoked Mo Jiangran, and there is only one end...die!”

“Yeah! Unless... the rest of us don’t spread Xu Ming’s words out! In that case, Mo Jiangran doesn’t know that Xu Ming’s words are rude to him, so there will be nothing wrong!”

“None of us spread Xu Ming’s words out? – How is it possible! Now Xu Ming himself asked to spread the words! And I guess that these words have already spread, and they are about to reach Mo Jiangran’s ears. bingo!”

Clouds and states are big.

However, it is not difficult for the powerhouses to communicate with each other.

Indeed, Xu Ming’s words of provoking Mo Jiangran reached Mo Jiangran’s ears after only a few messages.

“I don’t know whether to live or die!” After Mo Jiangran heard about it, he said lightly, “But it’s okay... I haven’t made a move since breaking through the ‘True Self’s Tier 3’! I can just take this opportunity to show the strength of the Heavenly Ranking and get on the list. On the list!”

Mo Jiang is about to make a move!

This news spreads faster!

The powerhouses in the entire Yunhe Prefecture, as well as the powerhouses at the top of the county rankings, soon learned the news!

“Mo Jiangran is the ‘Emperor’s True Self’, and it is very likely that he has reached the ‘Emperor’s True Self’! Is he going to take action?”

“Hurry up to Yinguang City! – You must know that the third level of the emperor’s true self contains the essence of the ‘real self’! Although everyone understands the ‘true self’ differently; however, one can see To the ‘Emperor’s True Self Level 3’, being able to smell the special breath that belongs to the ‘True Self Essence Profound Truth’ will be of great benefit for us to comprehend the ‘True Self’!”

“That’s right! Once, there was a man on the list of powerhouses, because he watched the battle between the two powerhouses in the sky, and smelled the essence of the true self; as a result, his

‘true self’ was transformed into a ‘superior product’. The real me’, the strength has also stepped into the level of the earth list!”

“It is suspected that the powerhouse in the sky will make a move, don’t miss it! Go to Silver Light City!”

...

Of course Xu Ming didn’t know that, just a moment after his words were released, the entire Yunhezhou was in a commotion.

In order to see the powerhouses in the sky, the top powerhouses in the entire Yunhe Prefecture rushed to Yinguang City with all their might. That’s all for the strong ones! And in Yunhe Prefecture, if you want to see a strong player in the sky, even billions of epochs may not have a chance!

Even some states around Yunhe State got the news and rushed towards Silver Light City frantically.

...

Cloud and City.

A certain super sect.

A powerhouse ranked in the top 500 on the Earth Ranking hurriedly called the disciples of the entire sect: “All disciples, enter my world ring immediately! I’m going to take you to watch a big chance!”

The disciples were curious: “What is the big chance?”

The strong man said solemnly: “There is a day when the strong man is going to take action!”

...

You Long County.

In a city of gods near Silver Light City.

A powerhouse with a ranking of more than 5,000 people, looking at the powerhouses constantly passing overhead, can't help but be full of doubts: "A lot of powerhouses... Moreover, many of them are powerhouses on the Earth List! Even the weakest, They're all in the top 500 on the list!"

This strong man ranked 5,000 out of 1000, it is really unimaginable, what happened to attract so many strong men to the past.

"Would you like to follow me?" The strong man couldn't help but think, "But... there are so many strong men passing by, if I follow, there may be danger..."

In the end, he still couldn't hold back his curiosity and walked towards Silver Light City.

...

The distant Shengtian state.

Taikoo Court General Pavilion.

A strong man whose whole body seems to be real but empty, with a smile on the corner of his mouth: "Oh? Mo Jiangran is finally willing to do it?"

How well-informed is the news of Taikoo Pavilion's main pavilion?

Mo Jiangran had already broken through to the "Tier 3 Emperor's True Self", so the general pavilion of Taikoo Pavilion would not be unaware. It's just...because Mo Jiangran has never made a move, it is impossible to make a correct assessment of his strength, so Mo Jiangran has never been on the list.

"Exactly, I can go and see how powerful Mo Jiangran is, so that I can make a correct ranking on the heavenly list! And... that invitation letter for the Eternal Battlefield should also be sent to Mo Jiangran! "

...

Even Xu Ming did not expect that the attraction of the powerhouses in the sky would be so strong!

It didn't take long for his words to be released, and experts from the rankings and the rankings arrived outside the Silver Light City one after another.

In a short time, the number of masters outside Yinguang City exceeded 10,000! Moreover, it is still rising at a terrifying speed.

The City Lord of Silver Light was stunned—he had never thought that his small city of Silver Light would one day attract so many strong men! I'm afraid... the powerhouses of the entire Yunhe state will be attracted, right?

That's right!

Not only the powerhouses of the entire Yunhe state were attracted, but even the powerhouses of some surrounding states rushed over!

Before you know it, the number of strong people has exceeded one million!

Generally speaking, the weakest among these million-strong people are the top 500 people in a certain county! Even weaker, the news is not so well-informed, and it is impossible to rush over so quickly.

Even Xu Ming was a little surprised: "Is this the attraction of the powerhouses in the sky?"

At the same time, Xu Ming couldn't help but look forward to Mo Jiangran's strength!

The powerhouses outside Yinguang City are still gathering more and more.

Sudden-

The time and space around Silver Light City was completely silent.

An extremely arrogant black figure stepped out from the end of the sky. He is like the ruler of this side of time and space, even the powerhouses on the earth list are eclipsed in front of him.

“Mo Jiangran, here we are!”

Chapter 1750: 1 Knife To Massacre The City! ?

“Mo Jiangran, here we are!”

At the moment Mo Jiangran appeared, all the powerhouses present immediately confirmed that Mo Jiangran was definitely on the Heaven Ranking level!

With such power, the level of the Earth Ranking is completely two levels; even, even in the Heaven Ranking, Mo Jiangran’s strength is not weak!

“Mo Jiangran hasn’t made a move for hundreds of millions of epochs. Unexpectedly, his strength has changed so much!” The powerhouses from the Taikoo Pavilion were all a little surprised – he was also at the top level, but he had a faint feeling that he should not be Mo Jiangran’s opponent!

“Xu Ming!?” Mo Jiangran said in a deep voice. The whole piece of time and space hummed together.

His gaze had already fallen on Xu Ming, and a sneer sneered at the corner of his mouth: “I heard that you are very interested in my strength?”

Xu Ming, who was sitting cross-legged by the lake, stood up indifferently—it has to be said that Mo Jiangran’s strength did put some pressure on him, and Xu Ming should take it seriously.

Mo Jiangran sneered disdainfully, and his voice gradually became extremely indifferent: “Just because of you, are you also interested in matching my strength? – However, I am retreating in billions of years, and I really need a test stone!”

Mo Jiangran didn't treat Xu Ming as an opponent at all, he could only be regarded as a "testing stone".

However, the powerhouses present felt normal when they heard it – after all, Xu Ming was only a top-ranked player on the ranking list at best, so how could he match the opponents of the powerhouse on that day?

"That's not right!" Suddenly, Mo Jiangran sneered again, "You are still not qualified to be my knife test stone! Hmm... The people in the entire Silver Light City combined are barely qualified to test my knife!"

What's the meaning! ?

City Lord Yinguang couldn't help but be stunned. Immediately, infinite horror appeared on his face – the people in the entire Silver Light City combined, barely qualified to try a knife?

"Mo Jiangran wants to... wipe out Yinguang City!?" The City Lord of Yinguang was extremely terrified.

In Yinguang City, some knowledgeable powerhouses also realized the deep meaning of Mo Jiangran's words! They didn't feel at all that Mo Jiangran was bragging; they had heard too much about the terrifying strength of the Tianbang powerhouse! There are indeed some powerhouses on the Heavenly Ranking List. In order to establish their prestige, they will choose to slaughter the city with a single sword or slaughter the city with a single sword!

Obviously, Mo Jiangran also wants to do the feat of "slaughtering the city with one knife"!

"Escape!!" The experts who were aware of the danger fled towards the outside of Yinguang City one after another.

but-

It's too late!

At this moment, time and space seem to have become still! The powerhouses who wanted to escape from Silver Light City seemed to be frozen in time and space.

And in the direction of Mo Jiangran, a golden sword light as huge as the sky and the earth is crushing the Yinguang City like the sky and the ground!

At this moment, the fleeing masters in Yinguang City just realized that it was not that they were frozen in time and space, but that Mo Jiangran's knife light was too fast! In comparison, their escape speed became as slow as a turtle crawling.

“Can't escape!”

“It's over!”

“It's all Xu Ming's fault! How dare you provoke the powerhouses without strength? It's better now, not only will he be finished alone, but the entire Yinguang City will be buried with him!”

Desperate curses resounded throughout the Silver Light City.

The powerhouses outside Yinguang City were fascinated by this vast and splendid sword light at this time!

“This knife light...”

In this sword light, they felt the special breath of “the essence of the true self”. This kind of breath will only be revealed when the “Emperor's Rank 3” powerhouse takes action.

“Just with this knife, Mo Jiangran is not weak in the list of heaven, right?”

“Xu Ming is dead! Not to mention the top 500 on the Earth Ranking, even if it is the top 10 on the Earth Ranking, you will have to suffer under this knife!”

“If you can see this knife, it's not a waste of time!”

“Indeed! I feel the ‘essential meaning of the true self’, and my own ‘realm of self’ seems to be slightly improved!”

The emperor is really at the third level, and once he makes a move, it is like an emperor on a tour! Others who have not reached the emperor's level have the hope of having an epiphany and benefiting from it.

Obviously, Mo Jiangran made this knife, and many strong people got the harvest.

As for whether Silver Light City will be destroyed... No strong person will care about this issue!

Even, in the eyes of some indifferent powerhouses—Silver Light City can be slaughtered with one knife, which is the honor of Silver Light City.

In the face of this vast sword light, even Xu Ming had a solemn expression: “Is this the strength of a powerhouse in the sky? It's really powerful! But... it doesn't seem to be much stronger than me!”

If Xu Ming opened the “attribute modification” link and temporarily modified his cultivation to the peak of Nirvana Realm; plus his realm and other plug-ins, his strength was comparable to the “Top Grade Domain Master Peak”!

As for Mo Jiangran, although he is stronger than the top-rank domain master peak, he has obviously not reached the level of the world master, and is at most a “half-step world master”. Even if he is stronger than Xu Ming, he is still limited, and the gap is far from “two levels”.

Moreover... the peak of the top-rank domain master is not all Xu Ming's strength! Xu Ming has a lot of level 21 hanging points. If he directly changes his cultivation base to the domain master level, his strength can even directly enter the “world master realm”! Even if the ink will be crushed, it will not be a problem!

only...

Xu Ming was a little unwilling to waste the 21-level hanging point on Mo Jiangran.

“Take him and try it first!” Xu Ming secretly said.

With Xu Ming's strength, it is not difficult to take the next blow; even if he suffers some injuries, he has practiced Divine Phoenix Immortality, and he can recover in an instant.

boom-

A spear shadow as huge as a pillar of the sky directly angrily blasted towards the monstrous sword energy, and the two collided outside the Silver Light City.

The shadow of the gun directly tore the sword air, like a mountain dividing a river into two.

The knife gas that was divided into two directly swiped the edge of Silver Light City; wherever it went, everything turned into nothingness.

As for Xu Ming's spear shadow, it dissipated directly—obviously, there was still some gap between the two.

But even so, Xu Ming's ability to fend off Mo Jiangran's sword energy is still shocking!

"Xu Ming actually blocked it?"

"How is that possible!? This sword qi, even the top ten on the Earth Ranking, can't be blocked!"

"Xu Ming's strength...seems to be very close to the sky!"

"what!?"

...

"Huh!?" Even Mo Jiangran was slightly stern at this time, "You can actually block me!? Your strength is enough to rank in the top three in the Yunhe Prefecture Ranking!"

Top three on the list!

What a high rating!

“But it’s a pity, your achievements in this life will stop here, right?” Mo Jiangran sneered disdainfully, “I can’t feel the slightest breath of the emperor’s true self in you; therefore, you understand the true self, is definitely not an emperor! Then, you can only stop on the list for the rest of your life, and you can’t step into the list!”

“And...” Mo Jiangran’s eyes had a gloomy look, “Also, you offended me! Your life should stop here! — not bad, not bad! The top three on the earth list are also worthy of me to deal with you seriously! ”
