## Chapter 1861: Do You Have Any Face?

“My Xia Xiao’s people, even if they offend them, so what? Can’t they afford to offend them?”

Xia Xiao’s cultivation was only in the Realm of Destruction; even the cultivation of Xu Ming and Huang Zhizun on the bright side was far superior to Xia Xiao.

However, behind Xia Xiao, there is a master of the domain master realm; therefore, he is very arrogant when he does things, and he does not even care about the existence of Nirvana realm. And the ordinary Nirvana Realm, because they are afraid of Xia Xiao’s master, so they don’t dare to do anything to Xia Xiao.

However...

Xia Xiao didn’t know that Xu Ming and Huang Zhizun deliberately hid their cultivation, just to lead the snake out of the hole!

Is there a domain master behind Xia Xiao? Xu Ming and Huang Zhizun should not be too happy! — Isn’t that the little snake they wanted to lead?

Wait until the “Domain Lord Little Snake” is drawn, and then find a way to draw the “World Lord Big Snake”.

Therefore, the more arrogant Xia Xiao is, the more happy Xu Ming and Huang Zhizun are.

Xu Ming was like this, quietly watching Xia Xiao’s arrogance.

Sure enough, Xia Xiao continued to arrogantly said: “Xu Ming, right? Let’s stop this matter, just treat it as a face for me!”

“Give you a face?” Xu Ming said lightly, sipping his tea.

“Not bad!” Xia Xiao said, “Everyone from Lijianzong, come with me!”

Immediately, Li Jianzong felt like being granted amnesty; looking at Xia Xiao, his eyes were filled with awe and gratitude.

“Slow!” Xu Ming’s voice sounded faintly, “I said, can they leave?”

“Huh?” Xia Xiao’s face sank, “Xu Ming, do you mean...don’t give me face?”

“Face?” Xu Ming sneered, “Do you have any face?”

Xia Xiao’s face became more and more ugly: “My master, is the domain master realm who is in charge of this domain! – Do you think I have any face?”

“Haha!” Xu Ming laughed, “Put your face up and let me see if you have any face!”

Xia Xiao was stunned—what do you mean?

Huang Zhizun understood it by heart.

call out-

A palm shadow was drawn directly and instantly landed on Xia Xiao’s face.

Snapped!

There was a bright red palm print on Xia Xiao’s face.

The whole place was silent.

“Xia Xiao... was pumped?” Goddess Xuewei and Elder Qingzhu looked at Xia Xiao’s face in horror.

Who is Xia Xiao?

He is a disciple of the domain master!

Ordinary Nirvana realm powers would sell him a bit of face when they saw Xia Xiao. And this “Phoenix Servant” actually shot Xia Xiao directly?

“I...” Xia Xiao was also stunned.

You must know that his master is the absolute controller of this domain! In this domain, no matter how arrogant Xia Xiao is, others will sell him some face!

Where did Xia Xiao think that in his own territory, he was actually drawn...

“Face?” Xu Ming looked at the palm print on Xia Xiao’s face and sneered, “Where is the face? Why didn’t I see it?”

“You...” Xia Xiao was extremely angry, “Xu Ming, you are provoking my master!”

provocative?

That’s right, Xu Ming was deliberately provocative, trying to attract Xia Xiao’s master.

However, of course Xu Ming couldn’t say this idea directly, so as not to cause suspicion; instead he said: “Your master is your master, you are you! By the way, where is your face, and then bring your face together, Let me take a closer look!”

Xia Xiao was stunned, and a bad premonition suddenly appeared in his heart.

But it’s too late...

Snapped!

Huang Zhizun shot again.

Another bright red palm print was printed on the other side of Xia Xiao's face.

"I..." Xia Xiao was shocked and angry.

Xu Ming's voice sounded faintly: "Where is your face, I still haven't seen it!"

This time, Xia Xiao has learned to be obedient, and does not dare to be arrogant anymore, so he turns around and wants to leave.

Xu Ming was speechless: You're cowardly so soon? That's only two slaps!

"Xia Xiao!" Xu Ming's voice sounded, "If you think you have face, take away all the people from the Sword Sect, I promise not to stop! If you think you have no face, then leave them all here. It's gone!"

"Humph!" How dare Xia Xiao take people away, he snorted heavily, "You wait for me!"

After the cruel words, Xia Xiao ran away.

Sect Master Lijian, Feng Yu, etc. all had a sad look on their faces – one moment ago, Xia Xiao swore to take them away; the next moment, after being slapped twice, Xia Xiao left them and ran away...

What is this!

"Senior Xu Ming!" Goddess Xuwei said with a wry smile, "If you do this, you will offend the domain master to death!"

At this time, Goddess Xuwei didn't dare to mention anything about inviting Xu Ming to come out! After all, Goddess Xuwei did not have the courage to accompany Xu Ming to bear the wrath of the domain master.

Xu Ming smiled without saying a word.

Originally, Xu Ming wanted to join the Chibai Sect first, and then slowly figure out a way to bring the domain master over.

The appearance of Xia Xiao accelerated Xu Ming's plan many times! Now, Xu Ming doesn't need to join the Chibai Sect, he should have been able to attract the domain owner – since the goal has been achieved, Xu Ming naturally does not need to join the Chibai Sect!

“The disciple was beaten in the face. If it were me, I would definitely not be able to bear it, and I would definitely give the disciple a head start!” Xu Ming secretly said, “Master Xia Xiao, he should come to me for revenge soon!”

At that time, with Xia Xiao's master doing some writing, they should be able to successfully lead to the world master realm.

“Senior Xu Ming, how should these people from the Lijian Sect be dealt with?” Elder Qingzhuo asked for instructions.

“Let it go!” Xu Ming thought that he would soon be able to lead a “Domain Lord Snake”~www.readwn.com~ in a good mood, he waved his hand.

“Let it go?” Elder Qingzhuo was startled.

But since it was what Xu Ming meant, of course he did it immediately.

Moreover, for the Qingzhuo elders, they are actually not very willing to see that within the jurisdiction of the Chibai Sect, a power like Lijian Sect has been lost. Now that Xu Ming said “let it go”, the Qingzhuo Elder was naturally overjoyed.

...

“Let go?”

Inside Chibaizong.

After Xia Xiao got the news, his face was stunned: “Xu Ming did nothing, and let everyone from Li Jianzong go?”

Xia Xiao almost wanted to vomit blood – if he knew it would be like this, he ran to join in the fun! Now, Li Jianzong is all safe and sound, but Xia Xiao foolishly crawled up, got two slaps, and came back with his tail tucked.

It can be said that from beginning to end, Xia Xiao is the only stupid X!

“Too deceitful! Too much deception!” Xia Xiao gritted his teeth – Xu Ming would rather let Sect Master Lijian and others go directly than give Xia Xiao any face;

“Damn... If I get more attention in front of Master, I will definitely ask Master to take action and avenge me!” Xia Xiao thought gloomily, “But, I am not valued by Master at all! If I find it because of this matter Master, maybe, not only will Master not avenge me, he will punish me!”

Before, Xia Xiao let go of his cruel words in front of Xu Ming. But now, after returning, Xia Xiao didn’t dare to complain to the master...

I have to say, Xia Xiao is really very embarrassed!

...

“What!? Xia Xiao has been bullied by me so much that his master has no reaction at all?”

Xu Ming waited left and right, but he didn’t wait for Xia Xiao’s master to arrive. He couldn’t help but feel depressed: “This Xia Xiao, shouldn’t he be a fake apprentice?”

Chapter 1862: 0 Associations

“This Xia Xiao, shouldn’t it be a fake apprentice?”

However, Xia Xiao’s master did not come, and Xu Ming had no choice. He couldn’t rush over and say to Xia Xiao’s master: Hi! Your apprentice was bullied by me, why didn’t you say anything?

Xu Ming didn't want to startle the snake. In order to rescue the disciples, he could only be a little more patient.

"Maybe Xia Xiao's master just has something to do! Wait a minute... I have slapped my apprentice in the face, and he should come!" Xu Ming secretly said.

only...

How did Xu Ming know that Xia Xiao knew nothing but harsh words! After Xia Xiao was slapped in the face, he didn't even dare to mention it to his master.

No matter how long Xu Ming waited, Xia Xiao's master probably wouldn't appear.

...

Red White Sect.

Goddess Xuewei and Elder Qing Zhuo were all relieved—no matter what the reason, the Lord of the Domain did not come, it was a good thing for them after all!

"Maybe... the Lord of the Domain doesn't care about this trivial matter, right?" Goddess Xuewei thought, "After all, Xia Xiao only received two slaps, and it didn't hurt her life!"

Goddess Xuewei and Elder Qingzhuo didn't think that it was not that the domain master ignored it, but that Xia Xiao didn't dare to go to the domain owner to cry.

...

Spring to autumn.

For today's Xu Ming, a few years are simply shorter than the flick of a finger.

But in the blink of an eye, many changes may occur.

Goddess Xuewei, as well as several core elders of Chibai Sect, all had serious faces and gathered together.

“The Hundred Sects will begin soon!” Goddess Xuewei said sternly.

Chibaizong, and dozens of surrounding forces, formed a huge alliance. Every few years, the forces within the alliance will hold a “Hundred Sect Association” to discuss the allocation of some resources.

Elder Qingzhuo said solemnly: “When the previous Hundred Sects Alliance was still there, the old Sect Master was still there, so he could naturally shock other forces! But this time... Sect Master Xuewei is in the Nirvana Realm. To deter other forces!”

“Alas!” Many elders sighed.

The rules of survival in the fish and ghost world are cruel!

Just like now, if Chibaizong cannot deter other surrounding forces, it will definitely be eaten up! At that time, it is very possible that the territory of Chibai Sect will be directly divided into seven or eight tenths!

In that case, the status of Chibai Sect would plummet!

“Unless...” The turbid elder said again, “There is an existence that can shock the heroes and is willing to represent our Chibai Sect and participate in the Hundred Sect Alliance!”

Intimidate the heroes?

Deterrence by what?

It’s very simple, either by strength or by identity!

An elder sighed: “If Elder Xia is willing to join the Hundred Sects Association, then... it should be able to shock the heroes!”

Elder Xia, Xia Xiao, his title of “Domain Master Disciple” is still very useful!

However, Xia Xiao was not the “core elder” of Chibai Sect, so he did not appear at today’s meeting.

“Xia Xiao...” Goddess Xuwei couldn’t help flashing a look of disgust in her eyes – she wanted Xia Xiao to help out, she thought about it with her toes, and she knew what the other party would ask for!

“Forget it, Elder Xia!” Elder Qingzhuo shook his head and said, “Let’s think of other ways!”

Obviously, the Qingzhuo elder did not expect Xia Xiao either.

“Other ways? What other solutions can we have?” The elder who spoke before couldn’t help but said, “Weak, we are weak! What other solutions can we have?”

Elder Qingzhuo said: “If... Senior Xu Ming and Senior Huangpu are willing to come forward...”

Goddess Xuwei couldn’t help but her eyes lit up when she heard this: “Senior Xu Ming and Senior Phoenix Servant, they are all extremely powerful beings in the Nirvana Realm! If they are willing to come forward, they can definitely deter other forces!”

“That’s right!” The turbid elder said, “The strength of these two seniors is probably even more tyrannical than the old sect master! If they are willing to join the Hundred Sect Alliance, who would dare to bully our Chibai Sect? It’s just...”

Elder Qingzhuo did not continue to speak.

However, Goddess Xuwei and other core elders have already understood!

yes!

Senior Xu Ming and Senior Huangpu, why do you want to help them?

“Treasures?” Qingzhuo shook his head, “Our Chibai Sect does have some treasures, but... with the strength of the two seniors, how can we see our treasures?”

“Yeah...” The other elders also shook their heads.

The background of Chibaizong is still too weak after all!

There is no strong man in the sect!

Even the treasures that make the strong are tempted are difficult to take out.

“Ugh...”

Thinking of this, the core elders of Chibai Sect couldn't help groaning.

Suddenly, Goddess Xuwei stood up with a determined expression: “I'll go!”

“Huh?” The turbid elders were all startled.

Goddess Xuwei said decisively: “I will definitely invite the two seniors to take action!”

“You?” The turbid elders could not imagine how the weak Goddess Xuwei could invite those two seniors~www.readwn.com~ out of the discussion hall.

Goddess Xuwei took a deep breath and glanced at the sky deeply.

The sky of the fish ghost world is rolling with endless haze. However, the haze in Goddess Xuwei's eyes was even worse.

“Father, I really have no choice...” Goddess Xuwei's strength is mixed with fragility; her father is the old sect master of Chibai Sect, “If I want to keep Chibai Sect, the only thing I can use, It's my... body!”

Since she was a child, Goddess Xuwei knew that her body was born with temptation. If he deliberately urged, there are few people below the domain master realm who can resist this temptation.

“Xia Xiao wants to get me? Humph! Don’t even think about it!”

Goddess Xuwei would rather dedicate her body to Senior Xu Ming than let Xia Xiao succeed!

However, Goddess Xuwei was about to leave Chibai Sect when she happened to meet Xia Xiao.

“Sect Master!” Xia Xiaopi said with a smile.

“It’s Elder Xia!” Goddess Xuwei corrected her expression and responded.

“Sect Master, I heard... that our Chibai Sect is facing some crises?”

“Yes!” Goddess Xuwei said, “I hope Elder Xia will worry more about the sect!”

“Haha, it’s easy to say! It’s easy to say! I, Xia Xiao, have always been very concerned about the sect’s affairs!” Xia Xiao laughed and said, “It’s the sect master... In fact, if you want to solve the sect crisis, it’s the sect master who thinks about it. things in between!”

Xia Xiao’s words have been very straightforward – as long as the Goddess Xuwei submits to him, he will represent the Chibai Sect to participate in the Hundred Sects Association.

Goddess Xuwei certainly understood what he meant, gritted her teeth, and said coldly, “Thank you Elder Xia for your kindness, but no need! Although there is a crisis in the sect, I believe that I can still solve it!”

## Chapter 1863: Am I That Kind Of Person?

Inside Chibai City.

The door of an ordinary house.

Goddess Xuewei hesitated for a long time, and finally knocked on the door of the house.

“Huh? It’s Sect Master Xuewei!” Huang Zhizun said indifferently, “What’s the matter?”

“Senior Phoenix Servant! I want to meet Senior Xu Ming!” Goddess Xuewei continued.

“Meet my master?” Huang Zhizun said indifferently, “If you have anything, just tell me!”

“This...” A look of embarrassment flashed across Goddess Xuewei’s face.

tell him?

How to say?

You know, Goddess Xuewei came to see Xu Ming this time, and to put it bluntly, she came to ask for “unspoken rules”! How can I tell Huang servant about this kind of thing?

Goddess Xuewei said sternly, “Senior Phoenix Servant, I do have something important, so I can only tell Senior Xu Ming in person!”

“Oh?” Huang Zhizun shook his head and said, “I can’t be the master of this! My master, you can’t see it if you want to see it!”

During the time that Huang Zhizun followed Xu Ming, he had already touched some of Xu Ming's temperament; he knew his own master, and whenever there was an opportunity to pretend to be X, he would never miss it – as a slave, Huang Zhizun naturally had to consciously assist Xu Ming in his attire. X.

Like now.

“Yes! Yes!” Goddess Xuwei heard the words, and said again and again, “But I really have an important urgent matter, and I also ask Senior Phoenix Servant to help report it.”

“This is...”

When Huang Zhizun was hesitating, Xu Ming's voice sounded faintly at the door of the house: “Come in!”

Goddess Xuwei's eyes suddenly lit up, and she hurriedly entered the house, heading towards the direction from which the voice came.

When Huang Zhizun saw this, he did not follow. After all, he wasn't worried at all that a little goddess Xuwei could do anything unfavorable to her master.

...

Goddess Xuwei walked in, but saw Xu Ming sitting cross-legged in the room, as if sleeping but not sleeping.

“What's the matter?” Xu Ming said lightly without raising his slightly narrowed eyes.

“Senior Xu Ming!” Goddess Xuwei gritted her teeth, her eyes flashing with determination, “I have something I want to give to Senior Xu Ming. However, after Senior Xu Ming takes it, she will promise me to help Chibai Sect get through this. A crisis of the ‘Hundred Sect Association’!”

“Hundred Sects Association?” Xu Ming asked with some doubts.

Goddess Xuewei explained, and at the end, said: “If there is no strong person in charge, this time the Hundred Sects will join the alliance, our Chibai Sect is probably destined to be divided by other forces!”

“I see...” Xu Ming nodded slightly.

After listening to it, he has decided that he will help Goddess Xuewei to participate in the Hundred Sects Association no matter what! – This Hundred Sect Association is simply an excellent opportunity to make trouble! As long as you make things bigger, are you afraid that you won’t be able to attract the domain owner who controls this domain?

However... on the surface, Xu Ming still maintains a high-cold attitude, of course he will not agree casually.

After all, Brother Ming is not a casual person! Of course, if you get up casually, it’s not a person.

“Senior Xu Ming?” Goddess Xuewei couldn’t help urging when she saw that Xu Ming didn’t speak for a while.

“It depends on what you gave!” Xu Ming said calmly, “If you have enough power to accept it, I will naturally agree to your conditions!”

Goddess Xuewei is waiting for Xu Ming’s words!

“Senior Xu Ming...” Goddess Xuewei’s voice suddenly became a little crisp, “Look at...my body, does it have enough power!”

While speaking, Goddess Xuewei also activated her secret skills to explode her \*\* power to the maximum!

However, in the depths of Goddess Xuewei’s eyes, there is a trace of tears hidden – for her, making such a choice is easier said than done?

In these tears, there is humiliation and hope.

But the tears didn't come out of her eyes after all, and it also added a bit of a pitiful feeling to the goddess Xuewei.

Such a \*\* picture, no matter which man it is, I am afraid it is difficult to resist!

but-

Xu Ming was as steady as Mount Tai, unmoved at all!

“What!?” Goddess Xuewei was secretly shocked, “As expected of Senior Xu Ming! I mobilized secret skills and used \*\*, it should be difficult to resist below the Domain Lord Realm! But Senior Xu Ming was unmoved...”

However... Goddess Xuewei has made up her mind, she will not give up easily!

Gritting her teeth, Goddess Xuewei's clothes began to slowly fade – she would rather give her body to Xu Ming than let Elder Xia Xiao succeed.

“What!?” Now, it was Xu Ming's turn to look dumbfounded!

Seeing Goddess Xuewei's clothes slowly fading, Xu Ming couldn't help but say, “What are you doing!?”

Although Goddess Xuewei's secret skills are powerful, Xu Ming's cultivation is too high, so it cannot have the slightest effect on Xu Ming; even, Xu Ming did not notice that Goddess Xuewei used the secret skills.

“Senior Xu Ming, look, am I beautiful?” Goddess Xuewei's clothes became less and less, and her sexual strength became more and more terrifying!

But at this moment, Xu Ming suddenly said seriously: “Sect Master Xuewei, what are you doing!?”

“Senior Xu Ming, my body is the gift I gave you!” The clothes on Goddess Xuewei have almost faded away, “As long as Senior Xu Ming agrees to my conditions, you can take this gift at any time. Walk!”

“You...” Xu Ming’s face suddenly sank, and he shouted, “Who do you think of me? Am I that kind of person!?”

Bang!

Goddess Xuewei’s realm was suddenly defeated.

“I...” Goddess Xuewei was startled, looking at the messy clothes on her body, she couldn’t help but lose her mind, “Failed? The plan failed? – Xu Ming was not caught by me!”

\*\*Xu Ming failed, and Goddess Xuewei suddenly fell into incomparable despair: “Could it be... I really can only count on Xia Xiao?”

This was the last choice Xuewei Goddess was unwilling to make!

“Excuse me, Senior Xu Ming!” Goddess Xuewei packed her clothes and was about to leave.

“Wait!” Xu Ming suddenly said again.

“Huh?” Goddess Xuewei, who had already been desperate, suddenly rekindled hope, and looked at Xu Ming with anticipation in her eyes. She couldn’t help but wonder in her heart, “Could it be... Senior Xu Ming was just pretending to be on purpose before? Yes! Sure! It’s like this! Man, how could it be possible to withstand a \*\* like me!”

Just when Goddess Xuewei was about to unbutton her clothes again...

Xu Ming said indifferently, “I’m quite interested in the Hundred Sects Association you mentioned just now!”

“Pfft!” Goddess Xuewei almost spurted blood – a beautiful woman my size is standing in front of you, let it be picked, you are not interested; instead, are you interested in the Hundred Sects Association?

At this moment, the Goddess Xuwei ~www.readwn.com~ almost has the urge to strengthen Xu Ming!

Xu Ming said again: “I will represent your Chibai Sect in this Hundred Sect Alliance! As for the ‘thing’ you want to give me, forget it!”

Goddess Xuwei was stunned there for a moment – happiness came too suddenly! She was ready to do whatever it took, but she didn’t expect to pay any price!

only...

For some unknown reason, Goddess Xuwei couldn’t help but feel a little lost in her heart: “Could it be that I’m so incapable of \*\*\*\*\* for Xu Ming?”

Chapter 1864: Dismount

“Could it be that I am so unattractive to Xu Ming?”

Although Goddess Xuwei felt a little lost in her heart, she would definitely not continue to get together – after all, Goddess Xuwei still values chastity; otherwise, Xia Xiao wouldn’t have been able to succeed after entanglement for so long.

“Thank you, Senior Xu Ming!” Goddess Xuwei was about to bow down quickly.

Xu Ming waved his hand to stop her from bowing, and said lightly, “Go! Come find me when you’re about to leave!”

...

Back to Chibaizong.

The core elders couldn’t help but gather around.

“Sect Master, are you back?”

“Sect Master, how’s it going? Have senior Xu Ming and senior Huangpu come to the rescue?”

The core elders are all looking forward to watching. After all, they all grew up with Chibaizong, and naturally have deep feelings for Chibaizong.

Goddess Xuwei said, “Senior Xu Ming has agreed to go to the Hundred Sects Association on behalf of our Chibai Sect!”

“Great!”

“Senior Xu Ming agreed, that Huang servant is just his servant, and he will definitely go!”

“It’s good, there are two top nirvana realm masters, it should not be difficult for our Chibai sect to keep our place in these hundred sects and alliances!”

“Yes! God bless my Chibai Sect!”

“Sect Master?” Elder Qingzhuo was a little puzzled, “What method did you use to move Senior Xu Ming?”

Goddess Xuwei’s expression was a little strange, and she forced herself to calm down and said, “You don’t need to ask any more!”

She couldn’t say that she tried to seduce Xu Ming, and the seduction failed!

...

three months later.

call out! call out! call out! call out!

Three figures cut through the sky of the fish ghost world.

It was Xu Ming, Huang Zhizun, and Goddess Xuewei.

There will be dozens of forces participating in the Hundred Sect Association. The leaders of these forces will also be present to discuss some major events that will determine the situation of one side.

“The ‘Hundred Swords Mountain Range’ is in front!” Goddess Xuewei introduced, “Most of the Hundred Sects will be held here!”

Xu Ming looked away.

I saw hazy mountains, shrouded in layers of mist. Every mountain range is like a sword peak, pointing straight to the sky.

Goddess Xuewei continued: “The master of the Hundred Swords Mountain Range, the Lord of the Hundred Swords, has realized the existence of the ‘real self’! He is the well-deserved number one powerhouse in our alliance! This Hundred Sect Association The alliance has always been presided over by him!”

Understand the realm of self?

Xu Ming almost laughed out loud—for Goddess Xuewei, realizing the existence of the “real self” is naturally an extremely terrifying existence! However, to Xu Ming, it was not even inferior to ants.

“Let’s go to the entrance of the Great Array first, please let someone know!” Goddess Xuewei said, leading Xu Ming to fly to the entrance of the Great Array of Baijian Mountain Range.

Xu Ming didn’t say anything, and also flew to the entrance of the great formation.

In fact, with the strength of Xu Ming and Huang Zhizun, just one slap can break this great formation! Of course, it was impossible for Xu Ming to do this; after all, after Xu Ming came to the Fish and Ghost Realm, the reason why he kept a low profile was because he was worried that he would startle the snake.

Swish! Swish! Swish!

Soon, the three of them arrived at the entrance of the formation.

The guards of the formation are several Destruction Realm existences.

“Oh? It’s Chibai Sect!” One of the guards gave Xuewei Goddess a strange look, and then said, “Wait, I’ll go and report first!”

As for Xu Ming and Huang Zhizun, because they were standing behind Goddess Xuewei, and deliberately restrained their breath and concealed their cultivation, they were ignored directly.

Xu Ming didn’t care either, he was happy to be ignored.

...

In the Baijian Mountains.

One side of the forces, each sitting on a mountain. The almighty chatter from all parties reverberated throughout the Baijian Mountain Range.

Sitting on the main peak is naturally the “Hundred Swords Sect”, the power of the Lord of the Hundred Swords.

But at this time, above the main peak, in addition to the God Lord Hundred Swords and his subordinates, there was also a middle-aged man in black robes, with a particularly arrogant aura. What is even more surprising is that the always domineering God Lord of Hundred Swords, in front of this middle-aged man, seems extraordinarily humble.

“Brother Kuangkui is willing to join our alliance, it is my great fortune!” Lord Baijian touted, “Brother Kuangkui just needs a word, and I will immediately give up the position of alliance leader!”

“No! I have no interest in the vain position of the leader of the alliance!” The middle-aged man Kuang Kui waved his hand and interrupted directly, “But... the territory I need, can you prepare it for me?”

“Brother Kuangkui, don’t worry, it’s ready!” God Lord Baijian continued.

“Where is it?”

“Brother Kuangkui knows about Chibai Sect?” said Baijian Divine Master; when Kuangkui nodded, he continued, “The old Sect Master of Chibai Sect, whose strength has reached the peak of Nirvana Realm, was once considered one of the top ranks in the league. Powerhouse! And now, their old sect master has fallen, and Chibaizong is not qualified to occupy such a fertile territory! – This time, I have planned to let Chibaizong hand over the territory!”

“Oh?” Kuang Kui nodded and said, “Just make arrangements! I’m too lazy to bother with these trivial matters!”

“Brother Kuangkui, don’t worry, I will arrange everything!” Baijian Shenzhu said.

The dialogue between Baijian Shenzhu and Kuang Kui~[www.readwn.com](http://www.readwn.com)~ is not secretive, but public. The forces in the entire Baijian Mountain Range naturally heard their conversation.

All forces expressed their opinions: “Brother Kuangkui can rest assured, we will definitely let Chibaizong hand over the territory, and Brother Kuangkui only needs to settle in with peace of mind!”

“Not bad! Little Chi Baizong is no longer qualified to own this territory!”

“Humph! If Chi Baizong knows the appearance, then forget it; if you don’t know the appearance, just kill it! When the time comes, also arrest the Xuewei Goddess!”

“Ha ha ha ha...”

Many great powers smirked knowingly.

at this time...

The guard guarding the gate of the formation came in to report: “God Lord, the goddess Xuewei of Chibai Sect has arrived and is waiting for the announcement outside the big formation!”

“Oh?” The Hundred Swords God Lord laughed, “If you really want to say something, just come here! – No hurry! Let her wait outside the formation first, and grind her first!”

“Yes!” The guard ordered to retreat, turned around, and arrived at the gate of the great formation.

...

“Sect Master Xuewei!” The guard said directly, “God has an order, let you all wait here first!”

“Waiting?” Goddess Xuewei was stunned for a moment, and then an angry look appeared in her eyes.

You must know that she is also the head of a sect, representing a power! God Lord Hundred Swords asked her to wait outside the formation, this “dismounting power” is a bit too obvious!

But... under the low eaves, people have to bow their heads!

Although Goddess Xuewei invited Xu Ming and Huangpu, in her opinion, although Xu Ming and Huangpu are the top powers in the Nirvana realm, compared with the God Lord of Hundred Swords, there is definitely a big gap. of!

Therefore, although Goddess Xuewei has anger in her heart, she can only bear it!

Chapter 1865: Xu Ming Is A Good Man

“Senior Xu Ming...”

Although Goddess Xuewei held back her anger, she was more afraid—she was worried that Senior Xu Ming would throw his sleeves away when he was angry; in that case, she would be really miserable!

After all, if there is no senior Xu Ming and senior Huang servants to rely on, the strength of Goddess Xuewei, in the Baijian Mountains, is simply not worth mentioning! In the face of various forces later, she will have no right to speak.

“It’s okay!” Xu Ming said lightly.

With the strength of Xu Ming and Huang Zhizun, although they were outside the formation, they had been blocked by the formation, and the situation inside the formation could be seen clearly.

“This Kuangkui is not stronger than the God of Hundred Swords; however, the God of Hundred Swords respects him so much. It seems that he has an extraordinary origin!” Xu Ming secretly said in his heart, with a slight smile on the corner of his mouth, “I don’t know... What’s going on?”

Xu Ming likes this kind of person who is not strong, but has a great background! Because... bullying this kind of person can easily lead the snake out of the hole without revealing any strength.

“I originally planned that if the Hundred Sects Association could not successfully lead the snake out of the hole this time, I would find a powerful person with a background and deliberately cause something to happen! Now that I meet this Kuang Kui, it is the best!” Xu Ming pondered, after a while, what kind of excuse should he find to give Kuang Kui a few slaps first.

...

At the gate of the big formation, I waited for about two hours.

At this time, news came from the formation that Goddess Xuewei was allowed to enter.

“Senior Xu Ming, later, everything will be entrusted to you!” Goddess Xuewei said through voice transmission.

“Don’t worry.” Xu Ming said lightly.

Goddess Xuewei added: “Before my father’s fall, his status in the alliance was still quite high! Senior Xu Ming’s strength is even better than his father’s, so it shouldn’t be difficult to control the situation!”

Xu Ming smiled and said, “I will protect the Chibai Sect and not lose an inch of land!”

Not an inch of land is lost!

With Xu Ming’s promise, Goddess Xuewei was really relieved.

At the same time, Goddess Xuewei couldn’t help but compare it to Elder Xia Xiao – Elder Xia Xiao only wanted to possess her, and she didn’t want to scatter eagles without seeing rabbits! As for Xu Ming, he didn’t want anything, and he also promised that the Chibai Sect would not lose an inch of land!

After such a comparison, the Goddess Xuewei came to a conclusion: Xu Ming is a good person!

Of course Xu Ming didn’t know that he was accidentally issued a “good person card”.

Entering the Baijian Mountain Range, Goddess Xuewei, Xu Ming, and Huang Zhizun all flew directly to an empty mountain peak.

Goddess Xuewei clearly felt that the eyes from all parties were obviously different.

“It seems that the forces of all parties have decided on our Chibai Sect!” Goddess Xuewei thought to herself, “Oh! How could they have thought that the senior Xu Ming and senior Huang servants I invited are all in the Nirvana realm. There is a very strong existence in it!”

“Huh?” Goddess Xuewei was thinking, suddenly, her pupils shrank suddenly, and her eyes fell on Kuang Kui, “He is...”

Goddess Xuewei’s expression changed slightly, and her heart was already turbulent: “Kang Kui? Kuang Kui, the direct disciple of Lord Domain Master!?”

The disciples of Lord Domain Master are also divided into three, six and nine!

For example, Xia Xiao is a disciple of the domain master. However, Xia Xiao was not valued at all in front of the domain master, which was equivalent to just putting on a name; while Kuangkui was

passed down by the domain master himself! – One can imagine the huge gap between Xia Xiao and Kuang Kui!

“Why is he here?” For some reason, Goddess Xuwei had a bad premonition. After all, Kuang Kui’s appearance was completely beyond Goddess Xuwei’s expectations.

...

“Sect Master Xuwei!”

As soon as Goddess Xuwei was seated, the voice of God Lord Hundred Swords rang out.

“God Master!” Goddess Xuwei looked at God Master Baijian, with a valiant appearance, showing the momentum of a suzerain.

Seeing Goddess Xuwei’s aura, Xu Ming couldn’t help but stunned slightly. He couldn’t help but feel more certain about Goddess Xuwei: “It’s not easy for Goddess Xuwei to take over Chibai Sect!”

The Baijian Divine Master said solemnly: “Sect Master Xuwei, as far as I know, since the fall of Your Honor, your Chibai Sect has been very helpless in ruling the territory?”

Feeling powerless?

Goddess Xuwei sneered in her heart—why would she feel powerless? Isn’t it because the various forces present here secretly launched an attack on her territory? I am afraid that even the Lord of Hundred Swords has secretly dispatched his subordinates to attack the territory of Chibaizong!

And now, the Lord of Hundred Swords can still speak so righteously and awe-inspiringly! I have to say, his face is really thick enough!

The Lord of Hundred Swords continued: “Fortunately... Brother Kuangkui is willing to help you control the territory! If Brother Kuangkui comes forward, he will definitely be able to suppress all dissatisfaction!”

Hearing this, Goddess Xuewei couldn't help but turn pale.

really!

Her worst fear happened!

Kuangkui wants Chibaizong's territory – what to say “help control the territory”, let's be blunt, isn't it a robbery?

Goddess Xuewei suddenly felt powerless!

Before coming, Goddess Xuewei thought that with Xu Ming and Huang Pu, the two Nirvana realm powers, it should not be a problem to keep the territory; I didn't expect that this time, a mad Kui appeared in the Hundred Sect Alliance!

From Goddess Xuewei's point of view, even if Xu Ming and Huang Mai have the strength of the pinnacle of Nirvana ~[www.readwn.com](http://www.readwn.com)~ how dare they oppose Kuang Kui! After all, Kuang Kui is the handed down of the domain master!

The domain master personally passed on, strength is second, the key is identity respect!

“It's over...” Goddess Xuewei was in despair! – She knows that resistance is meaningless! If you obediently give up the territory, the Chibai Sect will be able to keep its heritage and develop in another place; but if you resist, the entire Chibai Sect will be completely destroyed!

Almost in an instant, Goddess Xuewei made a decisive decision – to give up the territory!

Survive the broken arm!

“Senior Xu Ming, in front of Huangpu...” Goddess Xuewei was about to express her thoughts, but she saw Xu Ming gestured with a look, Huangpu's imposing aura was soaring to the sky, and the aura of “Nirvana's peak” was fully revealed!

“Kangkui!” The servant of the phoenix shouted directly, “What are you? You dare to covet the territory of my Chibai Sect? Could it be... Really think that our Chibai Sect has no one!?”

“This...” Goddess Xuwei was stunned for a while. She never thought that she was ready to give up the territory, and the servant of the Phoenix jumped out to resist...

Resist the domain master's personal inheritance?

Isn't this courting death!

Immediately, Goddess Xuwei thought of a possibility: Senior Xu Ming and Senior Phoenix Servant, shouldn't they not know Kuang Kui and his identity?

Only this possibility can explain why Huangpu dares to provoke Kuangkui so arrogantly!

Goddess Xuwei even wanted to persuade them to stop.

At this time, Xu Ming grabbed Goddess Xuwei and said lightly: “Don't worry, no matter what strength this Kuangkui is, I will protect Chibai Sect and not lose an inch of land!”

Not an inch of land is lost!

It was still these four words, but Goddess Xuwei wanted to vomit blood: “It's over! Senior Xu Ming and Senior Huangpu, really don't know the identity of Kuang Kui...”

Chapter 1866: Give Him Another 10,000 Slaps

“It's over! Senior Xu Ming and senior Huangpu really don't know the identity of Kuang Kui...”

Goddess Xuwei only wanted to vomit blood.

She hurriedly said: “Senior Xu Ming, this Kuang Kui, the most powerful thing is not his strength, but his identity... You should let Senior Huang Servant come back, otherwise, if you annoy Kuang Kui, it will really be over!”

“Identity?” Of course Xu Ming knew that Kuangkui’s identity was extraordinary; but he pretended not to know and said lightly.

“Kang Kui’s identity is...” Goddess Xuwei continued.

However, before she could finish speaking, she was interrupted domineeringly by Xu Ming: “In front of absolute strength, identity... is just a cloud!”

“Pfft!” Goddess Xuwei vomited blood directly.

What made Goddess Xuwei speechless was that because Xu Ming did not stop him in time, Huang Zhizun and Kuang Kui were already in a tit-for-tat situation!

“Where’s the little one from?” Kuang Kui looked at Huang Zhizun with disdain, and he didn’t even look at him.

The other great powers in the Baijian Mountain Range also scolded them one after another.

“presumptuous!”

“In front of Brother Kuangkui, what is your little Chibai Sect?”

“A mere Chibai sect, dare to speak arrogantly? – Ignorance is ridiculous! Do you know that just because of your words, your entire Chibai sect will usher in a disaster!”

“Humph!” Kuang Kui sneered, then looked at the Goddess Xuwei, and said, “Sect Master Xuwei, right? You should also know that I want to destroy your Chibai Sect, it’s just a matter of words! But... I disdain with you. General knowledge! Well, the three of you, now kneel in front of me, until the end of the Hundred Sect Alliance, I will not care about what he said to me just now!”

Kneel down in front of him?

Until the end of the Hundred Sects Association?

Goddess Xuwei heard the words, her heart was full of grief and indignation – this is Chi Guoguo's disregard and humiliation!

But Goddess Xuwei knows...

Do not kneel!

I am afraid that the entire Chibai Sect will be directly obliterated – this is not a problem that can be solved by “giving up territory”!

kneel?

Even if Goddess Xuwei was willing to let go of her dignity and kneel down, what about Senior Xu Ming and Senior Phoenix Servant?

Goddess Xuwei was in a state of turmoil, she didn't know how to solve the predicament in front of her.

And the great masters of the Hundred Swords and other parties also looked at the goddess Xuwei with a playful look—if Kuangkui wanted to deal with Chibaizong, they would definitely fall into the trap!

In the eyes of all great powers, Chibaizong is already cold!

Yes!

It's cold!

Don't kneel? Destroy the sect!

kneel? There will be no more dignity!

“If you want to blame, you can only blame the subordinates brought by Goddess Xuwei. They are too arrogant and ignorant!”

“yes!”

“I think her subordinates should also be in the Nirvana realm, right? – I don’t know Kuang Kui!”

“If he knew that Kuang Kui is the direct disciple of the domain master, I’m afraid he would be scared to pee!”

One after another, the great powers are discussing privately with schadenfreude.

But right now...

Snapped!

A crisp slap sounded without warning.

In the Baijian Mountain Range, the great powers above the peaks were all startled.

“Applause?”

“Wait! Where did the slap come from?”

“Why is there a slap?”

One by one, the powerful, subconsciously looked in the direction where the slap came from. Gradually, all eyes focused on Kuang Kui. To be precise...it’s Kuang Kui’s face!

Kuang Quina’s originally proud face now had an incomparably clear red palm print.

“This...” Baijian Divine Master was stunned.

“This...” Goddess Xuwei was stunned.

“This...” All the great powers were stunned.

There is actually a slap print on Kuang Kui’s face?

Kuang Kui was pumped?

Who moved the hand?

The gazes of one after another subconsciously shifted to Huang Zhizun.

At this time, Huang Zhizun’s palm has just been withdrawn, but it can still be seen that his posture is obviously just finished slap!

“I...” Even Kuang Kui was stunned, “I was slapped? You... how dare you slap me!?”

Huang Zhizun just said lightly: “Keep your mouth clean! Otherwise, I’ll kick you!”

Xu Ming nodded secretly when he saw it, and thought to himself, “Not bad, not bad! As expected of my servant, I have my style!”

What kind of master, what kind of slave!

“You...” Kuang Kui gritted his teeth. He walks outside relying on the identity of “the domain owner’s personal biography”, he has always bullied others, and he has never been slapped.

“Hundred Swords Divine Master!” Kuang Kui shouted, “Why are you still stunned? Why don’t you capture him for me!”

Divine Master Baijian and other great powers did not dare to hesitate, and they all killed Huang Zhizun.

However, Huang Zhizun grabbed Kuang Kui before their attack, like a chicken in his hand.

“What!?” Seeing that Kuang Kui was captured, the Lord Baijian and other great masters naturally threw the rat’s arms and did not dare to continue.

“You... what do you want to do!?” Kuang Kui was shocked and angry.

Snapped! Snapped! Snapped! ...

Huang Zhizun directly raised his hand and slapped him: “Be honest with me!”

Perhaps it was this slap that made Kuang Kui realize the gap in strength, and he suddenly became much more honest and did not dare to be arrogant.

As for Huang Zhizun, he directly carried Kuang Kui and returned to Xu Ming.

At this time, Goddess Xuwei was completely dumbfounded: “What have I experienced...”

Goddess Xuwei really wants to cry without tears!

She never imagined that the senior Phoenix servant she invited would be so irascible—even before she knew the identity of the other party, she was slapped and captured...

“It’s a big disaster...” Goddess Xuwei’s heart is refreshing ~www.readwn.com~ the direct disciple of the domain master! Can it be bullied at will?

To a certain extent, hitting Kuangkui’s face is equivalent to hitting the domain master’s face!

“Senior Xu Ming...” Goddess Xuwei continued her voice transmission.

Xu Ming waved his hand and said proudly: “Sect Master Xuwei, see, this is the end of the arrogance without strength!”

“...” Goddess Xuwei was really speechless, “Senior Xu Ming, this Kuangkui is the direct disciple of the domain master...”

Domain master?

Xu Ming was startled, and thought to himself: No wonder he is so arrogant! However, this will definitely lead to the domain owner, right?

Although Xu Ming was happy in his heart, he deliberately pretended to be shocked on the surface, and screamed in shock: “The domain master personally passed it on? Why didn’t you tell me earlier!?”

Goddess Xuwei had the heart that she wanted to die: “You keep interrupting me, I have no chance to speak...”

“Er? Really?” Xu Ming smirked.

“Humph!” At this time, Kuang Kui snorted coldly, “Since you know my identity, why don’t you let me go!?”

“Let go of you?” Xu Ming smiled teasingly, looked around, and said, “Let go of you, then, I’m afraid they will shoot at me?”

Indeed, the great powers such as the Hundred Swords God Lord are all eager to move and ready to go.

“The domain owner personally?” Xu Ming sneered, “Anyway, it has been offended, so let’s go to the black one by one!”

Kuang Kui was immediately terrified: “You... what do you want to do!?”

“Don’t do anything!” Xu Ming said indifferently, “Ten slaps will offend you! Ten thousand slaps will also offend you! Since that’s the case... Huang servant, give him another 10,000 slaps!”

Chapter 1867: Declare War

“Give him another 10,000 slaps!”

The entire Baijian Mountain Range was silent.

Offending the domain master's direct disciple, not only did he not repent, but he also went all the way to the dark...

What is this operation?

This is a killing operation!

Goddess Xuwei really cried – you want to die, I don't want to die yet! We Chibaizong still don't want to die!

"Sect Master Xuwei!" Lord Baijian shouted, "You still don't stop him!"

Only then did Goddess Xuwei react, and she even went forward to persuade Senior Phoenix Servant. But at this time, Goddess Xuwei was horrified to find that she couldn't move!

A domineering but gentle force silently suppressed her, making her unable to move or even speak.

Goddess Xuwei was immediately startled and frightened.

Xu Ming's voice resounded in the mind of Goddess Xuwei: "Don't panic, it's not a big problem!"

"It's not a big problem..." Goddess Xuwei is not only stunned or stunned – is this a big problem? So what is the problem!

God Lord Baijian naturally didn't know that Goddess Xuwei did not speak because she was suppressed; he thought that Goddess Xuwei's attitude was supporting Xu Ming and Huang Zhizun.

"Okay!" Hundred Swords God Lord hummed, "Sect Master Xuwei, it turns out that all this is your intention! It seems... your Chibai Sect really has hard wings! You dare to challenge the majesty of the Domain Master! "

Goddess Xuewei was full of tears, but she was speechless.

In the end, all the sadness in Goddess Xuewei's heart was condensed into two words: "Hit..."

It's a real pit!

I've seen a pit! Never seen such a pit!

"Brother Kuangkui, don't panic!" Baijian Divine Master said again, "They are just trying to use their words, and they don't dare to slap you so much!"

Snapped!

As soon as Baijian Divine Master finished speaking, another bright red palm print appeared on Kuang Kui's face.

"You..." Kuang Kui looked at the Lord of Hundred Swords with tears in his eyes – is this what you mean by "they dare not"? Also, can you say a few words less? When you didn't speak just now, he didn't hit me yet!

Immediately afterwards, Kuang Kui's gaze was slapped in another direction.

Snapped! Snapped! Snapped! Snapped! ...

Applause came and went.

For the level of Nirvana, 10,000 slaps are just a matter of lightning and flint.

After the draw, Huang Zhizun looked at the Lord of Hundred Swords with disdain, and sneered: "Don't you dare?"

"This..." God Lord Hundred Swords suddenly shut up.

“Let’s go! Go back!” At this time, Xu Ming said lightly.

Xu Ming came to participate in the Hundred Sects Association, in fact, he came here specifically to do things! Now that things are getting bigger, Xu Ming can of course go back contentedly.

“Go back...” Goddess Xuwei really didn’t know how to face the “hometown elders” of Chibai Sect after returning.

Xu Ming got up and left.

Goddess Xuwei was suppressed by the tyrannical force, so she could only follow Xu Ming to get up and leave.

Huang Zhizun was holding Kuang Kui’s neck and followed closely behind.

The great masters such as God Master Baijian did not dare to do anything casually, so they could only watch Xu Ming and the others leave the Baijian Mountains.

“You... where are you taking me!?” Kuang Kui exclaimed in horror.

“Brother Kuangkui, don’t panic!” Baijian Divine Master shouted, “They dare not really take you away!”

When Kuang Kui heard this, he felt a lot of relief.

But in the next instant, Kuang Kui saw in horror that the Baijian Mountain Range was rapidly shrinking in his field of vision; within a few breaths, he completely disappeared from his field of vision.

“I...” Kuang Kui’s mood is desperate – is this called “don’t dare to really catch me”?

Kuang Kui really saw that Xu Ming and Huang Zhizun really wanted to take him back.

Of course, Kuang Kui was also a little puzzled and couldn't help asking, "You two...why are you arresting me?"

From Kuang Kui's point of view, Xu Ming and Huang Zhizun arrested him, which seemed to be of no benefit at all, and would also attract revenge from his master.

"Oh... just grab it and play!" Xu Ming replied lightly.

"Grab and play..." Kuang Kui was speechless.

"Grab and play..." Goddess Xuewei cried silently – do you know how high the price of "hold and play" is?

...

Red White Sect.

The core elders such as the Qingzhuo elders all waited with their heads raised.

After all, the Hundred Sects Association is directly related to the future of their Chibai Sect. These core elders who live and die together with Chibai Sect can't help but be nervous.

"Sect Master went to the Hundred Sects Association, I don't know how the situation is now..."

"Elder Yan, don't worry too much! Senior Xu Ming and Senior Huangpu are both extremely powerful beings in the Nirvana Realm; with the two of them in control, our Chibai Sect is even stronger than when the old Sect Master was there! Certainly There will be no problem!" Elder Qingzhuo said. However, in his tone, he couldn't hide his anxiety.

"Hope everything goes well!"

"Hopefully!"

...

Elder Xia Xiao, who was in the Chibai Sect, naturally felt the tense atmosphere of the Chibai Sect.

However, Xia Xiao himself was not nervous at all. After all, he didn't have any feelings for Chibai Sect at all; the reason why he joined Chibai Sect was purely because he coveted Goddess Xuwei.

"Humph!" Xia Xiao thought angrily, "I really don't know how Goddess Xuwei invited Xu Ming and Huang servants..."

Xia Xiao originally thought that Goddess Xuwei would stop at all costs, please come forward and go to the Hundred Sects Association. However, Xu Ming and Huang Zhizun's actions directly destroyed his thoughts.

"It's abominable!" Xia Xiao thought bitterly.

call out-

Suddenly, a strange wave entered the Chibai Sect.

"Is there a message?" Xia Xiao couldn't help but wonder, "What is the message, why is there such a big movement?"

You know, the general communication fluctuations are quiet. But this time, the communication was huge, and it was obviously sent directly to the entire Chibai Sect.

Bang!

With a muffled sound, this communication exploded in Chibaizong.

The Chibai Sect all heard the content of the communication.

"I, the peerless sect master! I declare war on Chibai sect here!"

declare war?

Xia Xiao was taken aback.

The Qingzhuo elders and others were even more stunned—the Peerless Sect was a sect with similar power to the Chibai Sect; the exchanges were not very close, but there was no hatred. Why is it good to declare war?

call out-

Before the elders had recovered from their daze, another huge wave of news came.

Again, the message was sent directly to the entire Chibai Sect!

“I, Sect Master of Jinhong Sect! Declare war on Chibai Sect here!”

“What!?” The turbid elders and others became more and more shocked – Jin Hongzong also declared war?

Immediately after...

Another wave of communication.

“A declaration of war again?” Chi Baizong couldn’t help thinking.

That’s right!

Declare war again!

“I, the Master of Heavenly Fierce Sect! Declare war on Chibai Sect here!”

“I, God Lord of Hundred Swords! Declare war on Chibai Sect here!”

...

One after another, the summons came ~www.readwn.com~ without exception, every message was to declare war on Chibaizong.

Moreover, these sects that declared war are all those sects that participated in the Hundred Sect Association!

Chibaizong was completely stunned—what happened? Why did each sect declare war on Chibai Sect one after another?

“Could it be... what happened to the Sect Master in the Hundred Sects Association!?”

Chapter 1868: Zongmen Inheritance

“Could it be... what happened to the Sect Master in the Hundred Sects Association!?”

The elders of Chibaizong immediately thought of it.

Elder Qingzhu hurriedly sent a message to Goddess Xuewei. However, Goddess Xuewei was suppressed by Xu Ming. Although she received a summons, she was unable to reply.

“Sect Master didn’t reply!” The turbid elder couldn’t help but sank.

The other core elders couldn’t help but feel cold.

Hundreds of sects declared war, but the sect master lost contact... Chibai sect has undoubtedly fallen into the most difficult desperate situation!

“Everyone!” After a long time, the turbid elder said, “Find a way to send out the elite disciples and sect treasures, and prepare the sect inheritance plan!”

In such a situation, the core elders of Chibai Sect simply gave up their resistance!

How to resist?

Even the turbid elder with the highest cultivation base and the strongest strength among the core elders is only the cultivation base of the peak of the Destruction Realm, and the strength is only barely comparable to the Nirvana Realm! In the face of the declaration of war by nearly a hundred sects, the strength of Qingzhuo Elder is no different from that of a man's arm blocking a car!

“Which elder is willing to take on the heavy responsibility of the sect's inheritance?” The Qingzhuo elder asked again.

The core elders shook their heads one after another:

“Swear to live and die with the sect!”

“Swear to live and die with the sect!”

Taking on the heavy responsibility of sect inheritance means that you must live. However, none of the core elders of Chibai Sect were willing to live.

The turbid elder sighed and said, “Under such circumstances, living is more difficult than death!”

The core elders were silent.

yes!

For these powerful people who have lived in the endless era, they have already seen through life and death; as long as they die properly, there is nothing to fear about death! For example, “coexisting and dying with the sect”, for these great powers, is “death in the right place”!

However, if any core elder assumes the heavy responsibility of sect inheritance, then his next life will be difficult!

...

Inside Chibaizong.

The crisis that the sect was about to collapse suppressed everyone's emotions.

Some disciples were so sad and angry that they vowed to live and die together with the sect.

Some disciples shivered and were already thinking about how to escape.

There are even some disciples who are going to sell out some secrets of the sect to get a good future for themselves.

The entire Chibai Sect was panic-stricken.

"The Chibai Sect is definitely over!" Xia Xiao looked at all this, and was already very sure in his heart.

Although I don't know why Chibaizong was declared war by so many sects, in Xia Xiao's opinion, no matter what cards Chibaizong has, it is destined to be destroyed!

However, Xia Xiao is not worried; after all, he is a disciple of the domain master, even if the Chibai Sect is destroyed, he will not be in any danger and can easily retreat.

However, Xia Xiao was unwilling: "Humph! I wasted so much time in Chibai Sect, but I didn't get anything!"

Xia Xiaoken joined Chibaizong because he coveted Goddess Xuewei and wanted to possess her. But now, Goddess Xuewei has lost contact. For Xia Xiao, these years in Chibai Sect are a waste of time.

"No!" Xia Xiao thought fiercely, "Chi Baizong must compensate me!"

Suddenly, a trace of greed appeared in Xia Xiao's eyes, and the corners of his mouth were slightly raised: "The old guys from Chibaizong will definitely want to transfer the sect's treasures to preserve the inheritance of the sect! Then I will... hum! These treasures are just barely As compensation for me!"

...

The chaotic scene of the Chibai Sect, the core elders such as the clear and turbid elders, all saw it, and quickly formulated a sect inheritance plan.

In the end, the core elders decided that the ink elders would be responsible for the inheritance of the sect, and the other core elders would stay and live and die together with the sect.

Soon, the ink elders counted the inheritance treasures, selected the elite disciples, and quietly left Chibai City—in the Chibai sect, no one knew where the ink elders went. The only safest thing is to not know.

but...

Xia Xiao, who had been prepared for a long time, quietly followed up.

...

call out-

call out-

Several streamers streaked across the sky, and it was Xu Ming and the others.

Xu Ming used his divine power to “drag” Goddess Xuwei, while Huang Zhizun directly held Kuang Kui’s neck.

“I advise you to let me go quickly! Otherwise, when my master arrives, you will definitely be asked to die!”

“Let you go?” Xu Ming sneered, “Let go!”

“Yes!” Huang Zhizun really let go of his palm.

“Huh?” Kuang Kui couldn’t help but startled, “Really?”

“Fly behind us!” Xu Ming said lightly, and then turned to Huang Zhizun, “If you don’t follow, or want to run, just kill it!”

Saying that, Xu Ming didn’t stop at all, and continued to fly forward.

“Yes! Master!” Huang Zhizun’s voice was indifferent.

Seeing Xu Ming and Huang Zhizun flying far away, Kuang Kui couldn’t help but think of running away. However, when he thought of what Xu Ming said just now, he didn’t dare to escape! – He doesn’t dare to gamble with his life!

After all, Xu Ming said he slapped him 10,000 times, and he slapped him 10,000 times; if he said he was taken away, he was taken away! Never say the same thing!

So Kuang Kui felt strongly that if he didn’t do what Xu Ming said this time, what awaited him might really be the word “death”!

Thinking of this, Kuang Kui had no choice but to follow Xu Ming and fly away.

At this time, Xu Ming also let go of the suppression of Goddess Xuewei.

As soon as Goddess Xuewei resumed action, the first thing she did was to send a message to Elder Qingzhuo to ask—she had already learned that Chibaizong had been declared war by Hundred Sects during the summons of Elder Qingzhuo!

“How is the situation now?” Goddess Xuewei asked anxiously.

“Uh...Sect Master, are you all right?” Inside the Chibai Sect, the turbid elder who was ready to die generously, suddenly received a message from Goddess Xuewei, and couldn’t help but be stunned.

“How is it now?” Goddess Xuewei didn’t bother to talk about this, and asked again.

Only then did the Qingzhuo Elder react, and even reported the situation of Chibaizong in a concise and comprehensive manner.

“Zongmen inheritance plan?” Goddess Xuwei couldn’t help sighing when she heard the words.

“Sect Master, what happened when you went to the Hundred Sects Association? Do you want to withdraw the sect inheritance plan?” Elder Qingzhuo asked.

“There is no need to withdraw! Your judgment is very correct. Our Chibai Sect has indeed reached the point where we need to implement the sect inheritance plan...” Goddess Xuwei glanced at Xu Ming and Huang Zhizun, then at Kuangkui, and said no in her heart. out of regret!

If she had known that Xu Ming would be so pitiful, then Goddess Xuwei might as well not join the Hundred Sects Association and simply give up her territory! As long as you give up the territory~www.readwn.com~ at least the sects can be kept safe, and they will not be declared war by the hundreds of sects like they are now!

Hundreds of sects declared war, which means that the great masters and disciples of Chibai sect, as long as they are encountered by other sects, I am afraid they will die!

The closer she was to Chibai City, the heavier Goddess Xuwei felt.

“Huh?” Suddenly, Goddess Xuwei was startled, “Elder Ink?”

Goddess Xuwei had already learned from the communication that it was the ink elders who was responsible for the inheritance of the sect.

But then, Goddess Xuwei’s face suddenly turned cold: “Xia Xiao!”

Chapter 1869: Army Pressure

“Xia Xiao!”

At this time, Elder Ink was fleeing in a panic, with a lot of injuries on his body.

And it was Xia Xiao who was chasing after him!

Goddess Xuwei knew what was going on at a glance—it must be Xia Xiao, who wanted to covet the treasures of Chibai Sect, so she was chasing and killing the ink elders.

“Too hateful!” Thinking of this, Goddess Xuwei’s eyes were spitting fire.

...

“metropolitan?”

Elder Ink and Xia Xiao, of course, also saw the figure of Goddess Xuwei, as well as Xu Ming and Huang Zhizun beside Goddess Xuwei.

“Sect Master okay?”

“Goddess Xuwei is all right?”

Elder Ink and Xia Xiao couldn’t help but think.

“Huh?” Immediately afterwards, Xia Xiao was shocked because he saw a familiar figure – Kuang Kui!

“Big... Big Brother!?” Xia Xiao’s mind was a little confused.

Didn’t it mean that Goddess Xuwei immediately lost contact after she went to join the Hundred Sects Association? Don’t you even know if you’re alive or dead?

Didn’t it say that Chibai Sect was declared war by the Hundred Sects, and its destruction was imminent?

But now why, Goddess Xuwei will be with his senior brother “Kang Kui”?

To know...

Kuang Kui is the direct disciple of Lord Domain Master! The identity is by no means comparable to Xia Xiao!

If Kuang Kui wants to protect Chi Baizong, it's just a matter of words!

"Sect Master!" The ink elder even flew towards Goddess Xuwei.

"Big Brother!" Xia Xiao also flew towards Kuang Kui.

boom!

Goddess Xuwei looked at Xia Xiao with gritted teeth, and suddenly shot.

"You..." Xia Xiao reacted quickly, and even shot to block the blow – although Xia Xiao's cultivation is only at the peak of the Destruction Realm, but in terms of strength, it is not much inferior to Goddess Xuwei. Therefore, if Goddess Xuwei wanted to kill Xia Xiao, it would be difficult to do so.

Goddess Xuwei was also well aware of this, so she could only ask: "Senior Xu Ming, please help me suppress this traitor Xia Xiao!"

At this time, Xia Xiao had already flown to Kuang Kui's side with an arrogant expression: "Suppress me? My senior brother is here, who would dare to suppress me!?"

As soon as Xia Xiao said these words, Kuang Kui immediately had a bad premonition, and his eyes showed endless panic – pit! I'm a \*\*\*\* prisoner of Xu Ming, you still use me to scare Xu Ming and the others?

Sure enough, Xu Ming said with a smile but not a smile, "Your senior brother?"

"Not bad!" Xia Xiao said arrogantly, "My senior brother is the direct disciple of the domain master! Who dares..."

Snapped!

Before Xia Xiao finished speaking, a slap slapped him away! And it was his senior brother Kuang Kui who shot it!

Xia Xiao covered the bright red palm print on his face, with a look of disbelief: “Senior Brother...”

However, Kuang Kui continued: “I have nothing to do with him! You can do what you want to do with it! You need my help to suppress it!”

Without any hesitation, Kuang Kui sold this scumbag junior brother!

Xu Ming waved his hand and said, “Take him back to Chibai City and talk about it!”

“Yes!” Kuang Kui even said – he didn’t dare to be drawn again! So very obedient!

“Eldest brother, you...” Xia Xiao looked confused.

Snapped!

Kuang Kui raised his hand and slapped: “Be honest!”

“Sect Master...” The ink elder was also very confused, unable to understand the current situation.

Goddess Xuwei sighed: “Let’s go back to Chibai Sect first!”

...

Chibai City.

Inside Chibaizong.

Dead silence.

Goddess Xuewei has returned to the sect.

“That’s how it is!”

The core elders such as the Qingzhuo elders were all confused after listening to the words of the goddess Xuewei.

“It’s so...”

“So, this inconceivable disaster was completely caused by Senior Xu Ming?”

“How could this happen... Why did Senior Xu Ming do this?”

“I don’t understand either!”

hatred?

How can the great powers of Chibai Sect not hate Xu Ming?

“This Xu Ming, don’t mind if he wants to die, why drag our Chibai Sect to die together!”

“If we offend other forces, we can give up our territory, leave the country, and start over! But if we offend the Lord of the Domain... Even if we escape, there is nowhere to escape!”

“Yeah! Xu Ming has hurt us badly!”

“Or... Let’s find a way to find the domain master and explain it?”

“Looking for the domain master to explain? Not to mention that we are not qualified to see the domain master at all. Even if we did, the domain master would not be able to listen to our explanation!”

“Lord Domain Master will definitely not listen to anything, just wipe out our Chibai Sect!”

After knowing that Xu Ming had brought back the direct disciple of the domain master, the entire Chibai Sect was completely desperate, and he didn’t even think about the inheritance of the sect! – Offended the domain master, still want to keep the inheritance?

...

Of course Xu Ming knew that there must be a lot of Chi Baizong’s great powers who hated him behind their backs.

But Xu Ming doesn’t care – with his identity and strength, he naturally won’t explain anything to a group of ants, let alone what the ants think.

Everything will be known when the Lord of the Domain comes.

“Xu Ming! I warn you! It’s better to be polite to me!” Xia Xiao was still very arrogant, “Otherwise, when my master arrives, you must not survive or die!”

When Kuang Kui heard the words, he immediately looked at Xia Xiao in horror – this idiot, don’t you know what “people have to bow their heads under the low eaves”?

Old God Xu Ming was sitting on the ground drinking tea without even looking at Xia Xiao.

And Huang Zhizun said to Kuang Kui indifferently: “Teach him to be a man!”

“Huh?” Xia Xiao was stunned and looked at Kuang Kui in horror, “Eldest brother, do you really want to...”

Snapped!

The answer to him was a slap from Kuang Kui – Kuang Kui was slapped tens of thousands of times by Supreme Huang, and naturally he has learned to be a man, and he knows how to teach his junior brother to be a man.

Snapped! Snapped! Snapped! ...

After a slap, the originally dishonest Xia Xiao finally learned to be a man.

“Just wait for your master to come over!” Xu Ming said lightly while drinking tea, “Maybe if I’m in a good mood, I’ll leave you a way to survive!”

Kuang Kui and Xia Xiao, both suppressed their own humiliation, and their hearts were full of anger!

“Master, come and save us!” The two of them gritted their teeth and hoped that when Master came, they would return the humiliation of today to Xu Ming thousands of times.

How could Xu Ming not be able to guess this thought in the minds of the two of them, but they just sneered with disdain – how could Kuangkui and Xia Xiao know that the invincible master in their minds was just an ant in the eyes of Xu Ming and Supreme Huang. That’s it.

Sudden-

boom!

boom!

boom! !

One after another tyrannical momentum ~www.readwn.com~ rolled towards Chibai City, one wave stronger than another.

In Chibai City, people are full of panic.

“What’s wrong?”

“what happened?”

The masters in Chibai City all looked out of the city in horror.

I saw that in all directions outside the city, dozens of troops were rolling in mightily, almost encircling the entire Chibai City.

These sects that declared war on Chibai Sect, the army is overwhelmed!

Chapter 1870: What Have I Been Through?

The army is overwhelmed!

The sect leaders such as Baijian Divine Master, Heavenly Fierce Sect Master, Jin Hong Sect Master, Peerless Sect Master, etc., were all lined up in front of the formation, silent and arrogant.

A chilling aura enveloped the entire Chibai City.

“coming!”

The core executives of Chibaizong are all solemn.

“Why didn’t they do it?”

“It looks like what are you waiting for?”

What are you waiting for?

The great masters of Chibaizong suddenly realized something, and they all showed panic.

“Waiting for... Lord Domain Master?”

Enlighten the Domain Lord!

He is the absolute ruler of this territory!

He has absolute control over this territory!

In the territory ruled by Domain Lord Qiu Wu, everything could not escape his control—for example, elders of Qingzhuo and other high-level Chibai Sect leaders, heard that they had provoked the direct disciples of Domain Lord Qiu Wu. Prepare to be “slaughtered by the neck”.

This is the power of Qiu Wu’s domain master!

“Master should be here soon!” Kuangkui and Xia Xiao were all excited.

However, they have been cleaned up honestly, so no matter how excited they are in their hearts, they dare not show it.

boom-

Time and space suddenly shocked.

Then, the whole world fell silent. The chilling aura between heaven and earth also disappeared in an instant.

At the same time, a figure floating like a fairy came from space and time. As soon as he appeared, the entire space and time fell into his control, and all things surrendered in front of him.

“Lord Domain Master!”

“Lord Domain Master!”

“Lord Domain Master!”

...

The Lord of the Hundred Swords, the Lord of the Heavenly Fierce Sect, and others, all bowed their heads.

“Lord Domain Master!” In Chibai City, Goddess Xuwei also shouted bravely.

“Master...” Kuang Kui and Xia Xiao, the brothers and sisters in trouble, suddenly had a feeling of tears in their eyes—their master has finally arrived!

The Lord of Qiu Wuyu stood proudly above the sky, looking down at the entire Chibai City:  
“Humph!”

With just a light hum, God Master Baijian immediately understood, and immediately stepped forward and shouted: “Xu Ming! Lord Domain Master has already arrived, why don’t you come out quickly to lead your death!”

The leaders of other sects also stepped forward to yell.

“Xu Ming, hurry up and kneel, you may still have a chance of survival! Otherwise, the disciples who dare to move the Lord of the Domain will not be solved by ‘death’!” The Heavenly Fierce Sect Master’s voice was grim.

“Not bad! The reason why the Domain Master didn’t do anything is to reward you with a chance of life! Now, the chance of life has been given to you, it depends on whether you can grasp it yourself!”

“Life or death, you decide!”

...

At this time, the gaze of Qiu Wu’s domain master came to Kuang Kui and Xia Xiao calmly just now.

“Master...” Being shrouded in the eyes of Qiu Wu Domain Master, Kuang Kui and Xia Xiao suddenly felt a sense of security.

“Don’t panic!” Domain Master Qiu Wu said lightly, “I’ll save you as a teacher right away!”

Then, Domain Master Qiu Wu looked at Xu Ming, frowning slightly—he saw that Xu Ming was still drinking tea leisurely.

“I don’t know whether to live or die!” The domain master Qiu Wu was suddenly angry.

boom-

The power of time and space, controlled by Qiu Wu Domain Master, directly protected Kuang Kui and Xia Xiao.

At the same time, the domain master Qiu Wu directly shot!

Layer upon layer of time and space, layer upon layer, oppressed Xu Ming and Huang Zhizun.

Kuangkui and Xia Xiao’s eyes lit up: “Master has taken action!”

The domain master has taken action!

All the great powers watched in awe.

You must know that Qiu Wu Domain Lord, even in the Domain Lord Realm, is an extremely tyrannical existence! Looking at the domain, no one can stop the Qiu Wu domain master’s move!

In the eyes of everyone, Xu Ming and the “Phoenix Servant” are no exception!

“Senior Xu Ming and Senior Huang Servant... It’s definitely over!” Goddess Xuewei had mixed emotions, including sighing, panic, annoyance, and self-blame.

The one who blames himself is why did he ask Xu Ming and “Huangpu” to accompany her to participate in the Hundred Sects Association? If she doesn’t ask, then nothing will happen next.

Thinking of this, Goddess Xuwei had a vague apology to Xu Ming.

Of course, more is the hatred for Xu Ming – after all, if Xu Ming was not too “arrogant”, things would not have developed as they are now!

Goddess Xuwei only wanted to use six words to describe Xu Ming: Do yourself a favor, don’t live!

The other great powers of Chibai Sect naturally don’t think like the Goddess Xuwei; they only have hatred for Xu Ming!

Because of Xu Ming, their Chibai Sect is about to be destroyed! Although Xu Ming should have to pay the price with his life for this, it is still difficult to understand the hatred of the Chibai Sect!

...

“died!”

“Dead!”

“Since the Lord of the Domain has already taken action, how can such a small person survive?”

“Definitely!”

“The Lord of the Domain is really kind, and he just killed them in such an understatement; if it were me, I would definitely capture these two young people and torture them for the endless era!”

“Yeah, yeah! Lord Domain Lord benevolent and righteous...”

The great powers of all parties are naturally unwilling to miss this opportunity to flatter; they are flattering, hoping to be heard by the domain master.

...

And Xu Ming, still drinking tea indifferently, didn't react at all, as if he didn't see this earth-shattering attack at all.

“Are you frightened by the deterrence of the domain master?” Many great experts thought.

And at this moment, Huang Zhizun shot!

Huang Zhizun... But the Supreme Realm exists! For him, Qiu Wu's domain master is probably not even an ant.

The so-called “shaking the sky” attack, in the eyes of Xu Ming and Supreme Huang, is naturally not even a joke!

“break!”

Huang Zhizun just waved his hand lightly, and Qiu Wu's attack that crushed the world instantly disappeared without leaving a trace.

“what!?”

“what!?”

“what!?”

Confused all over the place!

Before waiting for the great powers of all parties to react from the confusion, Huang Zhizun grabbed the Qiu Wu domain master with one claw, just like catching a chicken.

Bang!

The poor Qiu Wu domain master was thrown beside his two disciples with a dazed expression.

“I... what have I experienced?” Domain Master Qiu Wu’s face was full of capital letters, and he didn’t know how to accept the facts in front of him.

“This...”

At this time, the great powers of all parties can react!

The domain master Qiu Wu was suppressed!

In their minds, the invincible Enlightenment Domain Lord was suppressed by one move!

And it was suppressed by Xu Ming’s servants!

At this time ~www.readwn.com~ all the talents realized that Xu Ming was not arrogant at all!

You must know that even Xu Ming’s servant “Huang servant” is so terrifying in strength; then, what level of Xu Ming’s own strength should it reach?

unimaginable!

Really unimaginable!

At this time, everyone realized that Xu Ming’s behavior from beginning to end was not that he didn’t know how to live or die, but that he didn’t take Qiu Wu Domain Master in his eyes at all!

To be precise... Qiu Wu’s domain master is simply not worthy of his attention!
