Chapter 1941: Breaking Into The 8Th Quadrant

Xu Ming is here again!

This news instantly spread among the powerhouses in the abnormal quadrant.

“Is Xu Ming coming to push the tower again!?”

“Hurry up to the ‘Middle Road Second Tower’ and guard the tower!”

“Yes! Let’s go! It’s too late, and the second tower will be gone!”

There are, however, some sober heads.

“Guard the tower? Can you keep it?”

“Yeah! Even the big dragon was easily beheaded by Xu Ming; even if all the powerhouses in the Eight Elephants join forces, it’s not enough for Xu Ming to slaughter! Besides, there are many powerhouses who have already left the abyss battlefield! ”

Since seeing Xu Ming ravaging the dragon, many powerhouses in the abnormal quadrant have chosen to leave the abyss battlefield.

After all... the strength of the seventeenth rank is not something that the “Half-Prince” cultivation base can provoke; even the most enchanting Half-Prince in the entire universe is useless!

“Don’t talk about the light tower... If nothing unexpected, Xu Ming will probably push it all the way, and directly push down our crystal stone pillar, ending this abyss war! And we can’t protect the crystal stone pillar at all!”

“Damn it!”

Many powerhouses in the abnormal quadrant are embarrassed and angry – Xu Ming crushed their billions of powerhouses by himself, this is simply a shame!

but...

Even if it is a shame, these powerhouses in the abnormal quadrant can only bear it honestly!

...

Although the powerhouses in the various regions have given up their resistance, there are still many people who choose to go to the “Second Tower in the Middle Road” – even if they can’t resist, they have to see how Xu Ming pushes the tower!

“After this battle, Xu Ming’s reputation will probably spread throughout the Eight Elephants of the Virtual Universe!”

“Xu Ming...he is the most heaven-defying genius in the endless time of the entire universe!”

“Xu Ming is here!”

Countless powerhouses saw with grief and indignation that Xu Ming had reached their “Second Tower in the Middle Road”. When they thought that Xu Ming was about to push the tower, and their countless powerhouses could only watch without daring to resist; all of them suddenly felt extremely humiliated!

So humiliating!

So bullying!

...

“Light Tower?”

Xu Ming glanced at the light tower in front of him, and a disdainful smile appeared on the corner of his mouth.

With Xu Ming's strength, demolishing the tower is only a matter of three or two; however, Xu Ming is too lazy to demolish it! -He didn't come to demolish the tower, he was going to the gate of the abyss!

As for here...

pass by!

Just passing by!

call out-

Xu Ming's body turned into electricity, and he swept past the light tower directly, ignoring the light tower.

“Um!?”

“Well!?”

The visionary powerhouses on the sidelines felt a little stunned—they were already prepared to watch Xu Ming push the tower with incomparable humiliation; this kind of feeling was like watching Xu Mingqiang their lover, and They are powerless!

Um! That's pretty much what it feels like!

Can result...

Xu Ming told them directly with his actions – your “lover”, Brother Ming disdains it! Brother Ming disdainfully pushes your tower!

What could be more humiliating than “ignoring”?

At this moment, the feeling of the powerhouses in the Vision Quadrant is that they are not even qualified to be humiliated by Xu Ming!

Yes!

Not even qualified to be humiliated!

“Too deceiving!”

“It’s really deceiving!”

Countless powerhouses in the abnormal quadrant are filled with righteous indignation, but...it’s useless!

Brother Ming just ignores you! Just bullying you!

so what?

“I understand—” Suddenly, a strong man in the visionary quadrant shouted loudly, “Xu Ming is going to cross the light tower and push our crystal stone pillar directly!”

Killing people by crossing the tower, I have heard of this kind of thing!

However, demolition of crystal stone pillars after crossing the tower... Since the existence of the abyss battlefield, it has been unheard of throughout the ages!

I have to say, Xu Ming is in the abyss battlefield and has reached a new height!

“Shame!”

Being “played” by Xu Ming like this, the powerhouses in the abnormal quadrant only felt even more humiliated!

Even some of the “backbone” powerhouses in the visionary quadrant have already returned to the vicinity of the crystal stone pillars – don’t get me wrong, they are not here to resist desperately, they just want to struggle symbolically when Xu Ming forcibly demolishes the crystal stone pillars to prove They still have to face!

call out-

Xu Ming’s figure shuttled through the abyss battlefield at a terrifying speed.

“The front is the crystal stone pillar in the eighth quadrant!” Xu Ming’s gaze, however, fell directly on the seven abyss gates behind the crystal stone pillar.

The seven abyss gates lead to the seven abnormal quadrants!

And the one in the middle leads to the eighth quadrant!

“Let’s go to the eighth quadrant first!” Xu Ming flew straight towards the gate of the abyss in the eighth quadrant.

At this time, the visionary powerhouses who were guarding near the gate of the abyss also noticed Xu Ming’s arrival and were on guard!

“Everyone!” the strong man with command shouted, “When Xu Ming gets closer to the crystal stone pillar, we will join hands to launch a volley at him! Let Xu Ming know that the strong men of our elephants are still Dare to fight!”

“What about after that salvo?” a voice asked.

“That’s needless to say!” the commander said, “Of course... flee to their respective abyss gates! Otherwise, if Xu Ming starts killing people, we will suffer!”

Just struggling symbolically!

Not really dare to resist Xu Ming!

“Attention! It’s close! He should be diving down! Get ready for a salvo!” shouted the commander.

At this moment, the powerhouses in the abnormal quadrant were shocked to see that Xu Ming flew directly from the top of the crystal stone pillar!

“Forehead...”

The powerhouses in the abnormal quadrant are a bit stunned – didn’t Xu Ming come to the crystal stone pillar? What is he here for! ?

Under the doubtful gazes of countless powerhouses in the abnormal quadrant, Xu Ming rushed directly into the gate of the abyss in the eighth quadrant!

“what!?”

“he...”

“How dare he go to our eighth quadrant!?”

“Too arrogant! Too arrogant! Do you really think that we have no one in the eighth quadrant!?”

“Humph! He can never come back alive from the eighth quadrant!”

...

Naturally, Xu Ming did not know the complaints of these powerhouses in the abnormal quadrant. Of course, even if he knew about it, he wouldn’t care—does the ants’ complaints deserve to be cared by Xu Ming?

No.

“Is this the gate of the abyss in the abnormal quadrant?”

As soon as he entered the gate of the abyss, Xu Ming felt that the surrounding time and space were cut like a knife. Of course, this bit of cutting power is like a tickling to Xu Ming, and there is no threat at all, let alone hindering Xu Ming's progress!

And just when Xu Ming forced his way into the visionary quadrant, the will of the universe was also angry, trying to oppress Xu Ming. However... Xu Ming himself is a nightmare-level cosmic chain, and has already endured the "strongest oppression" of the cosmic will; therefore, no matter how angry the cosmic will is, it cannot suppress Xu Ming any more!

At such a time, Xu Ming couldn't help feeling—it seemed that there was nothing wrong with the nightmare-level cosmic chains!

Chapter 1942: Holy Realm

When the fallen devil opened up the abyss battlefield, the eight elephants were almost completely symmetrical.

In each quadrant, there is a forest of stone statues and a sinking abyss; in the sinking abyss, through the gate of the abyss, you can reach the abyss battlefield.

At this time, the abyss battlefield of the eighth quadrant.

The top of the lonely mountain.

Several half-honored geniuses are sitting here, drinking tea.

A sturdy and strong man had a look of horror in his eyes: "Xu Ming's strength is really terrifying! You haven't seen it, you don't know it! The sixteenth-order battle power dragon, in Xu Ming's hands, Without any resistance at all, he was directly crushed to death!"

This strong man ran back from the abyss battlefield and witnessed Xu Ming "fighting the dragon"; therefore, he was deeply shocked by Xu Ming's strength.

Even in the future, if he breaks the chains of the universe and becomes a supreme powerhouse, or even a high-ranking supreme powerhouse, he will probably live in the shadow of Xu Ming!

Xu Ming's strength is too strong!

It is the existence that he can't reach in his life!

“Ha!” A half-zun with a white face with a feather fan sneered, “Strong? No matter how strong it is, what does it have to do with us? Could it be that... Xu Ming still dares to come to our eighth quadrant!?”

“that is!”

“Banzun Li Sang, are you scared?!”

The other powerhouses on the side also said that they had not witnessed Xu Ming's strength with their own eyes, so they couldn't imagine what a terrifying existence Xu Ming was!

“Hahahahaha...” Several strong men said and couldn't help laughing.

Only the first strong and strong “Lisang Banzun”, because Xu Ming's deterrence still remained in his heart, so he didn't say a word and didn't smile.

Sudden-

call out!

A figure appeared on the top of this lonely mountain without warning.

“Um?”

“Is this...?” Several laughing demigods were a little puzzled.

And the half-zun Li Sang, when he saw the sudden appearance of the figure, was so frightened that his legs became weak; he bent his knees and knelt directly on the ground.

“What’s the situation?!” Feather Fan White Face Banzun and the others were a little puzzled – what happened to this old iron? How can you kneel without saying a word! ?

“Xu, Xu, Xu, Xu...” Li Sang Banzun said in horror, “Senior Xu Ming!?”

Senior Xu Ming! ?

Don’t look at the other demigods, who just had an arrogant attitude of “Xu Ming can do anything to me”; that’s because they thought that Xu Ming couldn’t come to the eighth quadrant! And now... Xu Ming not only came, but also suddenly appeared when they were talking bad! Emperor Fu Dao

Bang! Bang! Bang! Bang! ...

Immediately, the other demigods all trembled with fright, and fell to the ground directly.

“Uh...” Now it was Xu Ming’s turn to be a little embarrassed – he just came to the eighth quadrant and wanted to inquire about the situation in the eighth quadrant... Why did these people kneel as soon as he appeared?

“Could it be that... the people in the eighth quadrant are so hospitable!?” Xu Ming couldn’t help thinking.

Li Sang Banzun and the others were naturally worried that Xu Ming would kill him. But in fact... Xu Ming has no interest in killing them at all!

Only a few half statues, what treasures can there be on them? Moreover, there is no battle honor to kill! To be honest, Xu Ming is really too lazy to kill!

Disdain to kill them!

“Xu...Senior Xu Ming!” Li Sang Banzun said cautiously, “Do you have any instructions?”

Li Sang Banzun really never dreamed that Xu Ming would appear in their eighth quadrant.

“I want to ask you some news!” Xu Ming said lightly.

“Yes yes yes!” Li Sang Banzun continued, “Senior Xu Ming, please feel free to ask, I must know everything and say everything!”

“Yeah!” Xu Ming nodded with satisfaction, “Don’t kneel on the ground, stand up and talk!”

“Thank you, Senior Xu Ming!” Li Sang Banzun and the others heard Xu Ming say that they could stand up and talk, as if they had received some great gift!

“I ask you...” Xu Ming said, “Which top forces do you have in the eighth quadrant!?”

“Top power?” Li Sang Banzun and the others were stunned.

“Yes! The top forces in the entire eighth quadrant!” Xu Ming said.

In fact, Xu Ming came to the visionary quadrant well prepared!

The purpose of his coming was to clean up those forces similar to the “Death Temple” in order to protect Gu Hanmo’s billions of incarnations.

But you know... the entire eighth quadrant, there are billions of “sky”. And forces like the Temple of Destiny are generally only active in a certain “heaven”; that is to say, in the eighth quadrant, there are countless billions of “heaven”, and it is likely that there are countless billions like Jueju The power of the Temple of Life!

How should Xu Ming clean up! ?

Clean up one by one! ?

The efficiency is too low!

After all, even if Xu Ming can clean up one faction in one day, how long will it take to clean up the endless billions of forces? – I don't know how many epochs it will take! too slow! Gua shakes the universe

Therefore, Xu Ming had already thought about what to do long before he entered the eighth quadrant!

The method is very simple and rude, that is-with the tyrannical and invincible strength, first forcibly conquer those top forces in the eighth quadrant!

Those top forces must control great power! At that time, Xu Ming will directly mobilize those forces, divide his troops into hundreds of millions of ways, and help himself clean up the enemy; that way, the efficiency will be much higher!

And now...

Xu Ming must first know which top forces are in the eighth quadrant!

“The words of the top forces...” Banzun Li Sang thought about it and said, “In our eighth quadrant, there are probably thousands of people who can be called top forces! Not quite...”

There are thousands of top forces in the entire quadrant?

This is normal!

After all, a quadrant is one-eighth of the space-time of the entire “virtual universe”! Too vast, too large! —In such a vast and huge space-time, it is naturally impossible to have only one or two top forces, but a scene of a hundred flowers blooming!

“Thousands?” Xu Ming secretly said, “The number is not exaggerated. If you conquer one by one, it shouldn't take a lot of time!”

“But...” Li Sang Banzun said again, “As far as I know, the entire eighth quadrant can be called the top power, and the power's nest will be in the ‘Holy Realm’!”

“Holy world?” Xu Ming was slightly puzzled.

“Senior Xu Ming may not know something!” Li Sang Banzun explained, “We in the eighth quadrant have billions of pieces of ‘heaven’; every piece of ‘heaven’ will have a ‘heaven’! The center of a ‘sky’!”

“Yeah!” Xu Ming nodded.

In the second quadrant, Xu Ming had also been to the heavenly realm of “Despairing Heaven”. It was also in the celestial realm of Destiny Heaven that Xu Ming was suppressed by a nightmare-level cosmic chain.

Li Sang Banzun continued: “And the holy world... is the center of the entire quadrant!”

Heaven is the center of a piece of “heaven”.

The Holy Realm is the center of the entire quadrant!

“Only if the old nest is located in the holy world is the top power recognized by the entire quadrant! If it can’t be done, then it can’t be regarded as the top power!” Li Sang Banzun explained.

Xu Ming suddenly understood – it turned out that the top forces in the entire quadrant were “shrinking” in the Holy Realm!

That couldn’t be better!

Xu Ming ran directly to the Holy Realm, took all the top forces in one pot, and it was over!

Chapter 1943: So Enthusiastic!

What Xu Ming didn’t know was that when he asked about the power structure, in the sinking abyss of the eighth quadrant, the powerhouses were trembling with fear.

“what!?”

“Xu Ming has come to our eighth quadrant?”

“Then what do we do!?”

You must know that the powerhouses in the sinking abyss cannot leave the sinking abyss casually; unless they accumulate enough battle merits and break the cosmic chains on their bodies, they will be allowed to leave.

In other words... the powerhouses in the abyss are all turtles in the urn; if Xu Ming wants to kill, they have nowhere to escape, they can only flee to the abyss battlefield. However, escaping to the abyss battlefield seems to be still “in the urn”!

“Isn’t Xu Ming trying to kill us all?”

“Who says it’s impossible! If not, why did he come to our eighth quadrant?”

“It’s too cruel, isn’t it?!”

“Let’s fight Xu Ming!”

“Fighting? What are you fighting for!? All of our powerhouses in the eighth quadrant combined are not enough for Xu Ming to kill!”

Before, when Xu Ming just broke into the gate of the abyss in the eighth quadrant, some strong people in the eighth quadrant shouted angrily: Does Xu Ming think they have no one in the eighth quadrant?

But now, the powerhouses in the eighth quadrant have discovered that they are really nobody!

...

As for Xu Ming, he quickly understood the power structure of the entire eighth quadrant, and he also set a goal, that is – to control the holy world!

It is to “completely control” every force in the holy world!

“It’s just...” Xu Ming encountered a question, “How can I leave the abyss of sinking?”

This question, even Li Sang Banzun and the others could not answer it.

“I have to find a few more people to ask!” Xu Ming secretly said.

Where can I find it?

It’s simple – the sunken city of the eighth quadrant!

call out-

Xu Ming turned into a streamer and swept toward the Sinking City again.

“I hope... the powerhouses in the eighth quadrant can cooperate! Otherwise, I don’t mind opening a killing ring!” Xu Ming sneered in his heart.

Not long after, Xu Ming was approaching the sinking city. Need for Immortal Cultivation Genius

“Huh?” Xu Ming frowned slightly, “The atmosphere is not right!”

Xu Ming clearly felt that there were countless powerhouses gathered in the Sinking City, and it seemed that even the powerhouses in the abyss battlefield had returned! In the abyss of sinking in the entire eighth quadrant, I am afraid that more than 80% of the strong are gathered here.

“What? Do they still dare to unite and provoke my majesty?” Xu Ming sneered disdainfully.

Even if the powerhouses of the seven abnormal quadrants are all united together, it is not enough for Xu Ming to fight! What’s more, it’s only the eighth quadrant?

“Who gave them the courage to provoke me?”

Thinking of this, Xu Ming’s aura couldn’t help gloomy.

Suddenly, this gloomy aura enveloped the Sinking City.

And just then...

A weak voice sounded from the sinking city: “Is it Senior Xu Ming?”

“Oh?” Hearing this voice, Xu Ming’s gloomy aura eased slightly, “It seems... these powerhouses in the eighth quadrant don’t want to block the car with their arms?”

Thinking of this, Xu Minghong said, “It’s the deity!”

“Senior Xu Ming!” A terrified voice sounded immediately in the sinking city, “Our eighth quadrant strong men are convinced by the strength of senior Xu Ming and dare not resist, so we gathered in this sinking city and waited for senior Xu Ming’s response. Come! I also ask Senior Xu Ming to be merciful, don’t start killing!”

It turned out to be begging for mercy!

Xu Ming didn’t want to start killing people, he just wanted to come over and ask how he could get out of the sinking abyss.

At this time, inside the sinking city, the voice continued: “Senior Xu Ming, this is not an abyss battlefield, even if you kill us, you won’t get battle honors, at most you will get some treasures! I know that the strength gap is too big. Don’t dare to resist, I have already sorted out all the treasures on my body and dedicated them to Senior Xu Ming!”

“Uh...” Xu Ming was a little speechless – the powerhouses in the eighth quadrant were too timid! Look how scared they are!

Originally, Xu Ming didn’t intend to kill people to steal the treasure; but since the other party has already prepared the treasure, it would be too hypocritical if Xu Ming didn’t take it!

Moreover, Xu Ming estimated that if he did not take the treasure, the powerhouses in the eighth quadrant would not feel at ease!

In order to reassure them, in order not to scare them, Xu Ming decided to “reluctantly” accept these treasures!

“Yeah!” Xu Ming’s deep voice spread throughout the entire Sinking City, “You know each other!”

Star Dou Supreme

boom!

In the next instant, Xu Ming’s figure had already descended to the sinking city.

“Senior Xu Ming!” Immediately, a strong man brought the mountains of world rings to Xu Ming. In these world rings, all kinds of treasures have been classified into categories, just waiting for Xu Ming to accept it!

“Not bad!” Xu Ming nodded, and “reluctantly” put all these world rings into his heart world. Those that can be exchanged for hanging points can be directly exchanged for hanging points.

Immediately, the hanging point below level 22 Xu Ming is even more inexhaustible!

“I have something to ask you guys!” Xu Ming said lightly, but his voice was a little gentle.

As the saying goes, reach out and don’t hit the smiling person! The powerhouses in the eighth quadrant were so polite, they gave away so many treasures with a smile, Xu Ming was naturally embarrassed to bully them again!

“Senior Xu Ming, don’t hesitate to ask, you know everything!” The powerhouses in the eighth quadrant are very knowledgeable about current affairs.

“Is there any way to get me out of this sinking abyss?” Xu Ming asked.

“Yes! Yes! Yes!” The strong men said again and again—they were eager for Xu Ming to go out quickly!

“Senior Xu Ming, you are not from our eighth quadrant, so it’s actually very simple to leave the abyss of sinking. Just go to the messenger of sinking and he will take you out of the sinking abyss!”

“So it is!” Xu Ming secretly said, “This is convenient!”

“Senior Xu Ming, do you want to leave the sinking abyss and go to our eighth quadrant? We will send you!”

The powerhouses in the eighth quadrant, like the stars in the moon, sent Xu Ming to the messenger of sinking. Then, politely, he watched the messenger of sinking lead Xu Ming out of the sinking abyss!

Xu Ming was a little embarrassed when he sent it, and persuaded several times:

“Everyone, stay! Stay!”

“Send you a thousand miles, and we must say goodbye! Everyone, go back!”

However, the powerhouses in the eighth quadrant still insisted on watching Xu Ming leave the sinking abyss.

When Xu Ming walked out of the sinking abyss, he couldn’t help but sigh: “The powerhouses in the eighth quadrant are so warm and hospitable! They are sending treasures and seeing them off all the way...”

Hospitality?

hospitable shit!

The powerhouses in the eighth quadrant, can they rest assured that they don't watch Xu Ming leave the sinking abyss? Even after seeing Xu Ming leaving the sinking abyss, everyone was worried that Xu Ming would return.

Chapter 1944: Absolute Limit

This is an endless corridor, surrounded by boundless dark time and space.

Two figures appeared at the beginning of the corridor.

One of them is Xu Ming, and the other is a messenger of sinking.

Xu Ming looked at the fallen messenger beside him, and couldn't help but sigh in his heart: "I think back then, before entering the stone statue forest, in my eyes, what a mysterious and terrifying existence the sunken messenger was! But now it seems... it's nothing more than that!"

Every fallen messenger is the peak strength of the upper-ranking supreme, that is, the "fifteenth-order" level.

As for Xu Ming, he was already at the peak of the seventeenth rank!

"Xu Ming!" The sinking messenger suddenly spoke up and said with a smile, "I admire!"

"Oh?" Xu Ming couldn't help being a little surprised that the messenger of sinking would say such a thing.

"Did you know that in the virtual universe, there are three shackles?" said the messenger of sinking.

"Three shackles?"

"Yes!" The fallen messenger laughed, "Breaking through from the fifteenth to the sixteenth is the first shackle; from the sixteenth to the seventeenth is the second shackle; from the seventeenth to the eighteenth Rank is the third shackle—these three shackles are almost unbreakable! Even if they only break the first shackle, they are the top figures in the entire quadrant; It is not difficult to build a party's power!"

The sixteenth-order powerhouse is indeed qualified to establish power in the holy world!

“And you...” The fallen messenger continued, “Your strength should have reached the peak of the seventeenth order, right?”

When Xu Ming fought the dragon, although there was no fallen messenger present, the fallen demon master was watching the battle, and naturally he also passed Xu Ming’s strength to his subordinate messengers.

The peak of the seventeenth order is exactly what the Fallen Demon Lord said to Xu Ming!

Very accurate!

“You have already broken through two shackles before you become a supreme being, and you have already stood on the edge of the third shackle! In the future, you will definitely be able to break through the third shackle and stand at the peak of the virtual universe!” The messenger said.

Xu Ming only wanted to say when he heard the words – he is now the pinnacle of the virtual universe! Because... Xu Ming still has an “infinite clone” that can be opened! As long as the “infinite clone” is opened, even if it is the peak of the eighteenth order, it will be hanged by Xu Ming!

“In addition to the three shackles, in the virtual universe, there are ‘absolute boundaries’!” The messenger of sinking said again. beautiful male nanny

“Absolute limit?” Xu Ming had also never heard of it.

“The eighteenth-level peak level, this is the absolute limit of the virtual universe! There is absolutely no one whose strength can break through this limit! Absolutely not!” The messenger of sinking said very solemnly, “So, the assessment set by the devil in the sinking abyss, There are only eighteen floors!”

Hearing this, Xu Ming couldn’t help but ask: “Then... the fallen demon master can’t break through this absolute limit when he comes to the virtual universe?”

Xu Ming heard that the Fallen Demon Lord is already standing at the peak of the true universe! If it is in the real universe, the strength is probably beyond the peak of the eighteenth order, I don't know how much! Could it be that such an existence cannot break through the absolute limit of the eighteenth-order peak after coming to the virtual universe?

Hearing the words, the messenger of sinking sighed heavily: "The Demon Lord once thought that he could... Then, at all costs, he came to the virtual universe to try to break this absolute boundary! But in the end, not only did he fail to break it, he even completely angered him. The true cosmic will!"

"True cosmic will!?" Xu Ming was shocked.

"Yes!" said the messenger of sinking, "The real cosmic will is not like the virtual cosmic will! The virtual cosmic will can at most use cosmic chains to scare and scare people; and the true cosmic will...even the most peak of the supreme powerhouse. Don't dare to provoke the true will of the universe! Like the Demon Lord, he also paid a heavy price for provoking the true will of the universe!"

For the fallen demon master, it is a heavy price!

Xu Ming was lost in thought: "Even an existence like the Fallen Demon Lord can't break the absolute boundary, can I...can?"

Immediately afterwards, Xu Ming couldn't help but think: "The virtual universe has absolute boundaries, so in the real universe, will there be absolute boundaries?"

Just thinking about it, the messenger of sinking suddenly stopped.

At this time, Xu Ming was already on this endless corridor, and he had gone a long way.

"It's here! It's here!" The fallen messenger said, "You fly from here to the endless dark time and space, and you will arrive near the 'Holy Realm'."

On this endless promenade, many spaces in the eighth quadrant are connected. Going out from different locations will appear in different "days".

Then, the messenger of sinking handed Xu Ming another piece of letter talisman: “If you want to come back, crush this letter talisman; no matter which time and space you are in, I will appear soon!”

“Thank you!” Xu Ming took the letter.

At the same time, Xu Ming had an idea and used “coordinate teleportation” to hang a space coordinate point at the current position. Time and space love only love this life

“I don’t know... Can I use ‘coordinate teleportation’ in the future to teleport here?” Xu Ming smirked in his heart.

“Walk!”

Xu Ming’s figure flashed, and he plunged into the endless darkness.

...

Traveling through the endless darkness, passing through the endless and complicated time-space secret patterns, Xu Ming finally appeared in an empty void. In the distance in front of him, a huge continent is suspended in the void.

“Is this the holy world?”

This continent is many times bigger than a virtual universe! It is also much larger than the heavenly realm that Xu Ming has been to.

“Try first, can you use ‘coordinate teleportation’ to hang and go back to the endless corridor!” Xu Ming called out Xiaohang and asked, and got the answer – yes! However, the consumption of hanging points will be terrifying!

hang up?

Xu Ming just wanted to say: Do I look like someone who lacks hanging points?

“If you want to go somewhere in the eighth quadrant, it will be much more convenient!” Xu Ming secretly said. Of course now, Xu Ming will not be teleported back to the endless corridor.

“Holy Realm...” Xu Ming looked at the continent in front of him and said secretly, “I don’t know... Is there anyone from me in this Holy Realm?”

Although this is the first time Xu Ming has come to the Vision Quadrant; but, there is no brother Ming’s younger brother in the Vision Quadrant?

Xu Ming flipped his palm, and the “Slave Soul Orb” appeared in his hand.

The Soul Slave Orb was the treasure that Xu Ming obtained when he captured the “Boundary Breaker Spear” on the battlefield of Eternal Age.

In the Soul Slave Orb, tens of thousands of geniuses from all quadrants were enslaved! All these geniuses are Xu Ming’s most loyal servants; as long as Xu Ming says a word, they can give their lives at any time!

In this eighth quadrant, there will naturally be Xu Ming’s genius servant! Moreover, the number will definitely be in the millions!

Maybe, this holy world in the eighth quadrant really has Xu Ming’s servant genius!

Thinking of this, Xu Ming checked it directly through the Soul Slave Orb.

“The eighth quadrant... The Holy Realm...”

After a little check, Xu Ming was pleasantly surprised to find that he really had a genius servant, and now he is in this holy world!

Chapter 1945: 9 Holy Land

Holy realm.

The vastness is endless.

This world is even ten thousand times larger than “Destiny Heaven”! In the entire holy world, almost all the top forces and top powerhouses in the eighth quadrant have gathered!

but...

In the holy world, there is no small universe. Because, the environment of the holy world cannot open up a small universe.

...

The Holy Realm, close to the core area, is about the size of “Destiny Heaven”... Here, it is the territory of the “waiting force” Jiuxiao Holy Land.

Jiuxiao Holy Land is a superpower in the eighth quadrant! Even if it is placed among thousands of top forces, they are all ranked very high!

at this time.

In the Yinxiaosha Sea, tens of thousands of disciples of Jiuxiao Holy Land are undergoing a certain trial.

These tens of thousands of disciples are only in the Nirvana realm!

You must know that in Jiuxiao Holy Land, there are strong people everywhere! Even if it is the existence of the upper and supreme levels, there are many; As for the world lord and the domain lord... In the Holy Land of Nine Heavens, the status is extremely low!

Not to mention Nirvana!

Even the most talented Nirvana realm powerhouse, placed in the Holy Land of Nine Heavens, would be hard to get a glance at!

Of course, in other words, which one can appear in the Nirvana Realm of Jiuxiao Holy Land, which one is not the top? Many of them even returned from the Nine Heavens and Eternal Battlefields!

For example... a servant of Xu Ming, “Yan Mu”, is a genius of the realm of all things who has returned from the battlefield of eternity!

After returning to the eighth quadrant, Yan Mu entered the Holy Land of Nine Heavens with her talent; and in a very short period of time, she cultivated from the realm of all things to the realm of Nirvana!

At this moment, in the Yinxiaosha Sea, Yan Mu is very embarrassed!

“Damn it!”

Yan Mu hid in a sand cave somewhere with an ugly face.

“It’s really hard to become an inner disciple of Jiuxiao Holy Land!”

In Jiuxiao Holy Land, the cultivation level of Nirvana Realm and below, no matter how high the talent is, can only be regarded as outer sect disciples; only those who reach the domain master realm and are allowed to stay in Jiuxiao Holy Land can be regarded as inner sect disciples! Pure Yang Sword Immortal

However... After reaching the domain master state, you can still be allowed to stay in the Holy Land of Nine Heavens, then you must first pass the layers of assessments! For example, the current Yinxiaoshahai is one of the assessments.

“My talent is definitely the top among the geniuses who have been assessed in the same period! If I sort by talent, after I break through to the domain master realm, I have great hope of staying in the Holy Land of Nine Heavens!” Yan Mu secretly said.

but...

The rules of Jiuxiao Holy Land are not sorted according to talent, but according to the performance in the assessment!

Are you very talented? -Can! Then prove yourself in the exam!

If you don't perform well enough in the assessment and can't prove yourself, then you won't be eligible to stay in Jiuxiao Holy Land in the future, you can only be sent to subordinate forces!

"Never!" Yan Mu gritted her teeth and said in her heart, "The master once instructed to find out the distribution of those 'alien forces' as much as possible..."

Alien forces, which are similar to the "Death Temple", have a relatively short history, but their forces are relatively strong, and there are some strange forces in their actions! – Such a force is likely to be the minions of Gu Hanmo's enemy!

Before, when Xu Ming got the "Slave Soul Orb" in the battlefield of Eternal Age, he ordered the geniuses in each quadrant to try his best to figure out the distribution of alien forces!

Yan Mu continued to think: "The eighth quadrant is too vast! If it is within the power of a certain 'Heaven', it is difficult to investigate the situation of other 'Heaven'! Only in places like the Holy Realm can we find out More information on alien forces..."

The reason why Yan Mu tried so hard to stay in Jiuxiao Holy Land was to better fulfill Xu Ming's mission.

But now, Yan Mu's situation is not very good! The other geniuses in the Nirvana realm who were assessed at the same time, knew that Yan Mu had extraordinary talent and launched a siege against him – after all, as long as Yan Mu failed in the assessment, the possibility of other geniuses becoming inner disciples would greatly increase!

Sudden-

boom! !

The sand cave where Yan Mu was located was directly shrouded in countless attacks.

"Not good!" Yan Mu's face changed, and he turned into a rainbow light and quickly fled away.

“Hahaha...” A arrogant laughter came from behind Yan Mu, “Yan Mu, didn’t you hear that you were famous for killing when you were on the battlefield of the ages? Why did you only run away when you got here? Already? Hahahaha...”

“Wolf Demon!” Yan Mu looked back. Next to the arrogant and arrogant genius, there are hundreds of people in Nirvana; in this case, Yan Mu can only escape! And... if it weren’t for his speed, I’m afraid he would have already died under the siege! daughter red

“I heard... this Langsha is the illegitimate son of an elder of the Nine Heavens Holy Land...” Yan Mu’s eyes were cold, “That’s why he has such a strong power in the outer sect!”

The elder’s illegitimate child!

Langsha has such a background, and is almost “walking” the inner door; Yan Mu is really helpless when he encounters such an opponent in the assessment!

“Huh?” Suddenly, Yan Mu’s expression suddenly changed, “It’s the master!?”

At this moment Yan Mu received a message from the owner Xu Ming.

“Meet the master!” Yan Mu said hurriedly even though he was fleeing in embarrassment.

“Yanmu!” Xu Ming’s voice sounded directly in his mind, “Come and see me!”

“Yes! Master! But...” If Yan Mu went to see Xu Ming now, he could go out; however, even if he failed in this assessment, he would not be able to join the inner door in the future!

Xu Ming could hear the embarrassment from Yan Mu’s tone.

However, Xu Ming knew that Yan Mu was a slave enslaved by the slave soul beads, and it was impossible for him to betray him; there must be a reason for his embarrassed tone. So, Xu Ming said lightly: “No matter what you are doing, no matter what losses you have, come and see me quickly! If you can’t come, I will go see you!”

To Yan Mu, it was a loss, but to Xu Ming it might be nothing at all.

Therefore, Xu Ming issued this order directly!

“Yes!” After receiving the master’s order, Yan Mu no longer hesitated.

“Hahahaha...” Langsha’s arrogant laughter continued to sound behind Yan Mu, “Escape? Just run away! I have already set up a net of heaven and earth, unless you give up this assessment directly, otherwise, you will not be able to escape. Get out of my chase!”

From Lang Sha’s point of view, if he wants to enter the inner door, the only threat is Yan Mu. As long as Yan Mu is out of the game, then he will become an inner disciple, which is a certainty!

However, Lang Sha knew that with Yan Mu’s character, it was impossible to give up the assessment! He deliberately said that the victory was in his hands, but it was only to shake Yan Mu’s will.

But then, Lang Sha was surprised to see that a letter talisman appeared in Yan Mu’s hand, and then crushed it without hesitation. In the next moment, Yan Mu disappeared into the Yinxiao Sand Sea.

“Uh...” Langsha was stunned, “Isn’t it? Did you really give up the assessment?”

Chapter 1946: Shackles

“Isn’t it? Did you really give up the assessment?”

Wolf Sha was really surprised.

With his understanding of Yan Mu, he shouldn’t give up so easily!

“It’s best to give up! Now, I see who else can compete with me for a place in the inner door!”

...

And Yan Mu, after crushing the letter talisman, leaving the Yinxiao Sand Sea, and giving up the assessment, went straight to the teleportation formation in the Holy Land. After tossing around a few teleportation formations, they finally teleported to the vicinity of Xu Ming's location.

"Meet the master!" Yan Mulian knelt down in front of Xu Ming, her eyes full of fanatical beliefs, but also some doubts – of course he knew that his master came from the second quadrant, how did he come to the eighth quadrant Woolen cloth?

"Get up!" Xu Ming said lightly, "I'm new to the eighth quadrant, tell me all the information you've learned!"

"Yes! Master!" Of course Yan Mu knew that the information Xu Ming said was the information about alien forces, "As far as I know, in the entire eighth quadrant, almost every piece of 'heaven' has what Master you said. Those alien forces! It's just... the servant's cultivation base is low, and he can't understand the very specific situation..."

Yan Mu roughly reported what he knew to Xu Ming.

"The servant is ineffective, and I ask the master to punish it!" Yan Mu felt that he had not even figured out how many alien forces in the eighth quadrant, and felt very ashamed!

"It's not your fault!" Xu Ming said lightly, "You must have never thought that I would come to the eighth quadrant so soon!"

I don't blame Yanmu and other servants for their incompetence. To blame, I can only blame Xu Ming's terrifying speed of strength improvement!

For a master like Xu Ming, the servants can't keep up with his rhythm, this is normal!

Xu Ming continued: "Now that I'm here, I'll understand clearly!—By the way, Yan Mu, how is your situation in the Holy Realm?"

Yan Mu said: "The slave is only an outer disciple of the ordinary Hou-level force in the holy world, the 'Nine Heavens Holy Land', and has not even joined the inner sect... In the holy world, there is no status at all, and even at any time. You may be kicked out of the holy world, and you don't even have the qualifications to stay here!"

“Yeah!” Xu Ming nodded silently, “I expected it!”

Yan Mu, to put it bluntly, is only a genius in the eternal battlefield. If it is placed in a certain piece of “sky”, it is naturally possible to be the top genius; but if it is placed in the entire eighth quadrant, it is far from enough to see!

After all, in the eighth quadrant, there are countless billions of “sky”. The number of geniuses is simply unimaginable!

Even within a “sky”, there is only one genius with similar aptitude to Yan Mu; then, in the entire eighth quadrant, there will be countless billions of geniuses who are not much worse than Yan Mu!

It is precisely because of this that Yan Mu appears so humble and inconspicuous in the Holy Realm, in the Holy Land of Nine Heavens.

“But...” Xu Ming continued, “Since I’m here, no one in this holy world would dare to disrespect you!”

Although Yan Mu is only Xu Ming’s servant, you must know that, let alone a servant, even Xu Ming’s dog, as long as it comes to the Holy Realm, is even more noble than the master of Jiuxiao Holy Land!

“Tell me about the power structure in this holy world!” Xu Ming said.

Xu Ming’s next goal is to conquer the holy world at the fastest speed! Before that, it is natural to have a general understanding of the Holy Realm!

“Yes! Master!” Yan Muhui reported, “There are tens of thousands of forces in the holy world! Those who are qualified to stand in the holy world are the top forces in the entire eighth quadrant!”

“Yeah!” Xu Ming nodded slightly.

“The vast majority of them are ordinary top-level forces!” Yan Mu continued, “And the powerful top-level forces, from low to high, can be divided into Hou-level, King-level, Emperor-level, and Emperor-level!”

Like the Nine Heavens Holy Land where Yanmu is located, it is a Hou-level force; to put it bluntly, it is only slightly stronger than the ordinary top-level forces. In the holy world, it is not the top!

“What kind of strength is your leader of Jiuxiao Holy Land?” Xu Ming asked.

“I’m not very clear about this...” Yan Mu said, “I only heard that it is much stronger than the highest peak of the supreme! It seems that it has reached some ‘shackled state’!”

“The shackles?” Xu Ming had never heard of this term.

Xu Ming estimated that the shackles should correspond to the strength of the “sixteenth order” level. Of course, how strong it is can only be known after Xu Ming meets the leader of Jiuxiao Holy Land in person.

At the same time, Xu Ming couldn’t help but think: “Jiuxiao Holy Land is only a Hou-level force, and the leader may already be a ‘sixteenth-level’ level existence! Then, among the king-level, emperor-level, and even emperor-level forces, there will be What kind of power is hiding?”

Xu Ming doesn’t care what kind of power is hidden. Anyway... According to Xu Ming’s knowledge, no matter how strong the powerhouse in the virtual universe is, it is impossible to exceed the absolute limit of “the peak of the eighteenth order”.

“The pinnacle of the eighteenth order?” Xu Ming sneered at the corner of his mouth.

Although Xu Ming’s strength is still only at the peak of the seventeenth order, what is Xu Ming’s “infinite avatar” hanging for?

Even if he encounters an eighteenth-rank powerhouse, Xu Ming directly hangs up his “infinite clone”!

Hundreds of Xu Ming clones, can the eighteenth-order powerhouse be able to bear it?

Even if you can handle it, what about... 1,000, 10,000, 100,000?

Even if you can't stand it, believe it or not, Brother Ming directly pulls 10 billion clones over to play with you! ? – I'm afraid, even the eighteenth-rank peak powerhouse will be ruined by Xu Ming's "infinite clone"!

certainly...

The purpose of Xu Ming's coming to the Holy Realm was not to "play" with the 18th-tier powerhouses; after all, what fun is there for the 18th-tier powerhouses... Xu Ming's most important thing is to find a way to control the entire Holy Realm!

After thinking about it, I don't have any clues Moreover, Yan Mu's status in the holy world is too low, and the information that can be provided to Xu Ming is very limited.

"Since that's the case..." Xu Ming thought for a while, "Let's start with Jiuxiao Holy Land!"

It is difficult to control the entire holy world, but it is always much easier to control the holy land of Jiuxiao?

"Yanmu, take me to Jiuxiao Holy Land!" Xu Ming said lightly.

"Yes! Master! It's just..." Yan Mu hesitated, "My status in Jiuxiao Holy Land is too low, and I have enemies, I'm worried that it will affect Master!"

"Have an enemy?" Xu Ming's eyes lit up!

You know, what Xu Ming is not afraid of the most is the enemy family!

If there is no enemy, how can Xu Ming find trouble? Having an enemy, it is convenient for Xu Ming to find something, and then find an opportunity to control Jiuxiao Holy Land.

"Yanmu!" Xu Ming said, "From now on, you can call me 'Master'!"

“Master!?” Yan Mu was stunned for a moment, then said in a panic, “The servants dare not climb the master...”

“Let you call, you call!” Xu Ming smiled strangely, “Next, I’ll show Jiuxiao Holy Land to see what the price will be if someone dares to bully my apprentice of Xu Ming!”

Chapter 1947: I’M Just Provocative

Nine Heavens Holy Land.

Yinxiao Sand Sea.

The examination is coming to an end.

“Hahahaha” Langsha laughed loudly, “Without Yanmu competing with me, this assessment is too easy for me to enter the inner door, it’s already a sure thing.”

If you become an inner disciple of Jiuxiao Holy Land, your status in the eighth quadrant is very high.

Out of the holy world, no matter where the “sky” is, there will be an existence that no one dares to provoke

“Go back” Lang Sha thought about it, and was about to leave the Yinxiao Sand Sea.

However, at this time

hiss

The sky of the Yinxiao Sand Sea was suddenly torn apart.

An incomparably stalwart figure stepped out from the dark crack.

“Wolf Sha” a huge palm passed through the void of billions of worlds and grabbed directly towards Wolf Sha.

Wolf Sha was terrified. He wanted to escape, but he felt an incomparably terrifying power crushing him, so oppressed that even his divine power was stagnant, and he couldn’t move at all.

“This” the next moment, Lang Sha was dragged across the billions of worlds by this giant palm and dragged in front of Xu Ming and Yan Mu.

“Yanmu, it’s you” Langsha was shocked and angry when he saw Yanmu, “How dare you bring people to Yinxiaoshahai and destroy the assessment, you have a few lives to die for?”

at the same time

boom boom boom

More than ten monstrous auras shot up from all directions of Jiuxiao Holy Land. Every imposing manner is at the level of the supreme realm; the strongest imposing manner has reached the level of the median supreme.

“Who is trespassing in the Yinxiao Sand Sea?” A thunderous roar came from the mouth of the median supreme.

The Yinxiao Sand Sea is just one of the places where the Nirvana level is assessed. The strong people who have been guarding here for a long time are naturally not strong enough.

For example, these more than a dozen supreme beings, in Xu Ming’s eyes, are simply jokes

“Quickly capture your hands or you will be killed without amnesty,” the mid-ranking Supreme shouted coldly.

At this time, Lang Sha found that he had regained his freedom, and even shouted, “Lie Hate Supreme, it was Yan Mu who brought people to destroy the assessment, please suppress them quickly”

Li Hate Sovereign is the only median Sovereign.

“There is such a thing!” Lihen Supreme couldn’t help but look at Yan Mu. He was still a little impressed by Yan Mu, and he was very optimistic about Yan Mu’s talent. In his opinion, Yan Mu has the potential to enter the inner door; it is just because Lang Sha has an extraordinary origin and is the illegitimate son of an elder, so he stole Yan Mu’s chance.

But now, Yan Mu actually brought people to “make a riot in Yinxiaoshahai”, which is simply an act of courting death

“Suppress it first.” Lihen Supreme shot directly and suppressed both Xu Ming and Yan Mu.

Xu Ming didn’t even move, he just sneered “like an ant”

In the next moment, more than a dozen Supreme Realm powerhouses, including Lihen Supreme, were suppressed one after another, and it was difficult to even move. Lihen Supreme and others were just ordinary Supremes; in terms of strength, they were no stronger than those enchanting half-lords in the abyss battlefield. How many. It is naturally easy for Xu Ming to suppress them.

“You” Li Hate Supreme is frightened and frightened, “Superior Supreme”

In the view of Lihen Supreme, the one who can easily suppress himself and more than a dozen lower-ranking Supremes, with such strength, is naturally the upper-ranking Supreme.

but

How about the superior

In front of the top forces like Jiuxiao Holy Land, the high-ranking supreme is nothing at all.

Thinking of this, Lihen Supreme suddenly became hard-hearted, “You dare to provoke our Jiuxiao Holy Land”

Provoking Jiuxiao Holy Land

“Hahahaha” Hearing this, Xu Ming couldn’t help laughing unscrupulously; the mighty laughter spread to the entire Jiuxiao Holy Land, “I’m provoking Jiuxiao Holy Land, so what’s the matter hahahahaha”

That’s right

Xu Ming is here to provoke Jiuxiao Holy Land

Moreover, it is still standing on the commanding heights of morality to provoke. After all, Xu Ming’s “apprentice” Yan Mu was treated unfairly in Jiuxiao Holy Land; Xu Ming, as a “Master”, came to discuss it, this is normal.

“You” Lihen Supreme looked at Xu Ming in disbelief; he did not expect that Xu Ming would be so arrogant, “You are courting death”

“Looking for death” Xu Ming just smiled indifferently.

The core of Jiuxiao Holy Land.

Jiuxiao Palace, the atmosphere is solemn.

The high-level officials of the Nine Heavens Holy Land, including Holy Master Jiuxiao, all had gloomy expressions on their faces.

In Jiuxiao Holy Land, the strength of each elder has reached the “high-level supreme peak” or even stronger than the ordinary upper-level supreme peak; it is considered to be between “upper-level supreme peak” and “shackled realm”.

However, the only one who has reached the shackles realm is the Holy Master Jiuxiao.

“Our Jiuxiao Holy Land, although it has a solid foundation, is not weak in overall strength, but it is a strong person who lacks shackles,” the Holy Master Jiuxiao sighed.

You must know that in the Holy Realm, many games can only be participated by the strong in the shackles, and only the strong in the shackles have the right to speak.

In Jiuxiao Holy Land, there is only a shackled powerhouse like the Jiuxiao Holy Master, who feels somewhat “unsupported by a single tree”.

“If we can have one more shackled realm powerhouse, why would we be provoked by other forces?”

Today, in the Holy Realm, there are ordinary forces that are provoking Jiuxiao Holy Land and want to take their place as “waiting forces”.

“Alas” the elders of Jiuxiao Holy Land lowered their heads one after another.

Shackled realm, that is the strength of the “sixteenth order” level

If you want to break through to the “sixteenth order” from the top of the “fifteenth order” level, the whole eighth quadrant is not easy, and how many people can do it

At this moment, an extremely arrogant and arrogant voice resounded throughout the entire Jiuxiao Holy Land.

[illegible]

Immediately, the expressions of Holy Master Jiuxiao and all the elders suddenly changed.

Someone provoked Jiuxiao Holy Land

And still provocative

“It’s really courting death” Holy Master Jiuxiao was about to investigate what was going on, UU read www.uukanshu.com received a message from the Supreme Being of Li Hate, and immediately understood what was going on, “Yanmu, the master of the outer disciples, dares to come to my Jiuxiao Holy Land to spread wildness”

To be honest, Holy Master Jiuxiao had never heard of the name “Yanmu” before.

The other elders in Jiuxiao Palace quickly understood what was going on.

“Listen to the Supreme Being Lihen, the master of Yan Mu is suspected to be the Supreme Supreme”

“So arrogant superior, our Jiuxiao Holy Land, is it a place where he can go wild?”

At this time, Holy Master Jiuxiao said lightly, “Quiet, I have ordered the law enforcer to go and capture this madman, let’s continue.”

Holy Master Jiuxiao thought that Xu Ming was just an ordinary high-ranking supreme; in his eyes, this matter was nothing at all, just send a few law enforcement officers to deal with it.

Only “Elder Yan Lang” on the side has a thoughtful look in his eyes “Yan Mu”

Chapter 1948: Sincerity

“Yan Mu?”

Elder Yan Lang was somewhat impressed by the name. Because... Langsha is the illegitimate son of Elder Yan Lang.

Elder Yan Lang wanted Lang Sha to sneak into the inner door, so naturally, he secretly knew about Lang Sha’s competitor “Yan Mu”.

Elder Yan Lang frowned slightly, thinking to himself: “I didn’t expect that this Yan Mu actually has a superior master?”

Originally, Elder Yan Lang thought that Yan Mu had no background.

“But...” Elder Yan Lang snorted coldly in his heart, “What about the supreme being?”

In front of such a behemoth as Jiuxiao Holy Land, the upper-ranking Supreme is indeed nothing! What’s more, Elder Yan Lang’s own strength is much more tyrannical than the average high-ranking supreme peak.

Therefore, although Elder Yan Lang was slightly startled, he immediately sneered and no longer cared about it. As for the illegitimate son of Langsha, he was being caught by Xu Ming at this time, and Elder Yan Lang didn’t care much; even... even if Langsha was killed by Xu Ming, Elder Yan Lang would not feel any distress, but he would feel that for face. Just embarrassing.

“Let’s continue!” After the Holy Master Jiuxiao dispatched the law enforcers, he continued to talk about the business, “Destroying the Sky God Sect is not among the Hou-level forces; now, it is attacking our Jiuxiao Holy Land, wanting to To replace us and become a Hou-level force! What do you think?”

The forces in the Holy Realm are divided into emperor-level, emperor-level, king-level, marquis-level, and ordinary.

Destroying the Sky Sect is just an ordinary top power. But recently, a “shackled realm” powerhouse has joined the Sky Sect; in this way, the Sky Sect has two shackles realm powerhouses at once!

And Jiuxiao Holy Land, although it is a Hou level force, there is only one Holy Master Jiuxiao, who is a strong person in the shackles realm! This is clearly at a disadvantage.

And... Holy Master Jiuxiao knows that there are some elders in the Holy Land who want to defect to the Sect of Destruction!

“Elder Yan Lang!” Holy Master Jiuxiao looked at Elder Yan Lang intentionally or unintentionally, and said with a smile, “What do you think, if we make an appointment with the Sect of Destroying the Sky to fight the ‘Tower of the Holy Sky’?”

In the Holy Realm, the two sides are fighting each other, and it is rare to see each other in real battle! After all, if the two top forces really start a war, I don’t know how many high-ranking Supremes will fall!

Therefore, the fact that the two forces are engaged in a game of interests will often decide the winner in the “Tower of the Holy Heaven”.

“This...” Elder Yan Lang’s eyes flickered, and he was about to answer...

At this moment, the face of Holy Master Jiuxiao suddenly changed slightly. He had just received a subpoena report that several law enforcement officers he sent had been suppressed by Xu Ming!

“How dare you suppress the law enforcers of my Jiuxiao Holy Land!?” Holy Master Jiuxiao was angry and shocked. After all, every law enforcer is not a weak existence among the high-ranking supreme beings; Xu Ming’s strength may have reached the same level as the elders of Jiuxiao Holy Land who can easily suppress several law enforcers!

Thinking of this, Holy Master Jiuxiao couldn’t help but be surprised that such a powerful person should not be unknown in the eighth quadrant! How have never heard of it?

Even if the Holy Master Jiuxiao wanted to break his head, he would never have thought that Xu Ming was killed from the abyss battlefield!

“However... I am the Holy Land of Jiuxiao, how can I be provocative?” The Holy Master of Jiuxiao, who was discussing the important affairs of the Holy Land, did not show any abnormality on the surface, but secretly mobilized all the law enforcement officers to suppress Xu Ming.

At this time, Elder Yan Lang also thought of his answer: “Holy Lord, I don’t think it’s necessary to have a fight directly at the Tower of the Holy Heaven!”

“Oh?” Holy Master Jiuxiao asked with a smile.

Elder Yan Lang continued: “Destroy the sky, although there are two strong people in the shackles realm, but there are not many strong people who have reached the ‘superior supreme’! According to the rules of the Tower of the Holy Sky, our Jiuxiao Holy Land should Still has a lot of advantages!”

“Really?” Holy Master Jiuxiao smiled.

In fact, Holy Master Jiuxiao knew for a long time that Elder Yan Lang had secretly turned to Mie Kong Sect. As for Elder Yan Lang's deliberate effort to find a way to let the illegitimate child enter the inner door, it was just to cover up the fact that he had betrayed; as for the time when Elder Yan Lang took refuge in the Mie Kong Sect, the illegitimate child "Lang Sha" was dead or alive, Elder Yan Lang doesn't care at all!

Therefore, Langsha is also quite pitiful, and has no idea that his own destiny is like this!

Since the Holy Master of Jiuxiao already knows about Elder Yan Lang's betrayal, then, he will not easily believe what Elder Yan Lang said to him that he can make an appointment to fight the Tower of Holy Heaven, so Holy Master Jiuxiao should consider it carefully, right? Really?

But right now...

"Hahahaha..." It was Xu Ming's arrogant laughter again, "Jiuxiao Holy Land, is it a group of rabble, so no one can fight!?"

Xu Ming's words naturally aroused the anger of the great powers in Jiuxiao Palace.

"what!?"

"So arrogant!?"

"Isn't it just defeating a few law enforcers? It does have some strength. I'm afraid they are already at the same level as the elders here! But just like this, you dare to be arrogant!?"

...

Only Holy Master Jiuxiao, his face suddenly changed. The elders thought that Xu Ming had only defeated a few law enforcement officers; but Holy Master Jiuxiao himself knew very well that he secretly dispatched all law enforcement officers!

In other words Xu Ming easily defeated all the law enforcers in their Jiuxiao Holy Land!

“Shackled Realm!!” Incomparable shock broke out in the eyes of Holy Master Jiuxiao, Xu Ming, who is a shackled realm powerhouse!

“Where exactly is the shackled realm powerhouse? I have never heard of it at all!” Holy Master Jiuxiao frowned and provoked a shackled realm existence, which is not a good thing! In particular, now is the time for a strong enemy, and an additional enemy in the shackles is simply fatal!

Thinking of this, Holy Master Jiuxiao immediately hated Elder Yan Lang even more: “If it wasn’t for his illegitimate son, why would we provoke a shackled existence in Jiuxiao Holy Land?”

In this way, Jiuxiao Holy Land is equivalent to facing three strong men in shackles at the same time!

“Damn!” Holy Master Jiuxiao gritted his teeth, “Could it be that... can I only give up the status of Hou level forces?”

You must know that the Hou-level forces have many advantages in the Holy Realm!

“No!” Suddenly, the eyes of Holy Master Jiuxiao suddenly lit up, “I have never heard of Xu Ming, a strong man in the shackles, and he must not join any party! In this case, why don’t I take the opportunity to win over Xu Ming? Our Jiuxiao Holy Land, then... what is the reason for destroying the Sky Sect!?”

As for how to win over Xu Ming? of course? Of course, it depends on “sincerity”!

What is “sincere”?

It’s simple! That is... the more ruthless you deal with Elder Yan Lang’s illegitimate son, the more sincere you will be!

Chapter 1949: Invite

Yes!

The harder you deal with it, the more sincere you are!

Thinking of this, Holy Master Jiuxiao couldn't even help his eyes light up, looking at Elder Yan Lang with even more malicious intentions.

In the Holy Land, how many elders have betrayed, the Holy Master Jiuxiao has no way of knowing; however, he is 100% sure that the elder Yan Lang has betrayed, and he may even be the leader of the defectors.

“Dealing with Elder Yan Lang’s illegitimate son is undoubtedly slapping Elder Yan Lang in the face!” Holy Master Jiuxiao secretly said, “I want to see if Yan Lang can still hold his breath after being beaten in the face! If he can still hold his breath, I will It’s so provocative that he can’t hold his breath; if he can’t hold his breath, then it’s the best, I can just deal with him together!”

Holy Master Jiuxiao wanted to attack Elder Yan Lang for a long time, but he just had no chance!

And now, the opportunity has come!

“And...” Holy Master Jiuxiao continued to think, “After dealing with Elder Yan Lang and his illegitimate son, he can also show his favor to Xu Ming by the way, maybe he can win over this shackled realm powerhouse! It’s two birds with one stone! If you really win over It worked...”

Holy Master Jiuxiao suddenly discovered that if his plan to “kill two birds with one stone” really succeeded, it wouldn’t be too beautiful!

Suddenly, Holy Master Jiuxiao made a decision in his heart.

At this time, Xu Ming’s arrogant voice sounded again: “Holy Master Jiuxiao! My disciple has been wronged here, you Jiuxiao Holy Land, won’t you give me an explanation!?”

Xu Ming’s remarks immediately aroused public anger.

“Explain!?”

“presumptuous!”

“Simply lawless!”

“How dare you be so arrogant in my Jiuxiao Holy Land! Even if it is the limit of the supreme supreme, it must die!”

“Holy Lord, kill it directly!”

The elders shouted angrily.

However, Holy Master Jiuxiao said indifferently: “No hurry, let’s see what’s going on first! After all, our Holy Land of Jiuxiao is also a reasonable place!”

Reasonable place?

All the elders were startled.

When did Jiuxiao Holy Land become a reasonable place? Hasn’t it always been about “fist”?

In other words, when has the entire Holy Realm, the entire eighth quadrant, and even the entire universe ever taught the truth? Don’t you always talk about “strength”?

Strength is reason!

When the elders were still in shock, Holy Master Jiuxiao said loudly, and his voice spread throughout the entire Jiuxiao Holy Land: “Brother Xu Ming, please come to Jiuxiao Palace first! Explain!”

“What!?”

“What!?”

“What!?”

The great masters of Jiuxiao Holy Land, from the elders to the high-ranking, down to the ordinary disciples, heard the words of the Jiuxiao Holy Master, and all of them suddenly became stunned – the methods of the Holy Master have always been ruthless? When were you so polite to provocateurs?

Is this still the Holy Master Jiuxiao they know?

Not to mention the people from Jiuxiao Holy Land, even Xu Ming was a little confused: “So polite!?”

Xu Ming was obviously here to provoke him!

According to Xu Ming’s vision, the plot should be like this – Jiuxiao Holy Land couldn’t bear it under his provocation, came out in full force, and then was slapped in the face by him one by one; in the end, the entire Jiuxiao Holy Land surrendered to his coercion, just like this He strongly controls Jiuxiao Holy Land.

Now, instead of resisting, the opponent chose to cooperate, which made Xu Ming very uncomfortable!

Xu Ming really wanted to say – I’m here to provoke you! Why don’t you resist? Don’t have any dignity! ?

But since the Holy Master Jiuxiao chose to “reason”, Xu Ming had no choice but to “reason” with him.

“Okay! Then I’ll see, how can you give me an explanation!” Xu Ming’s voice also resounded throughout the Nine Heavens Holy Land.

Immediately, Xu Ming flew directly towards Jiuxiao Palace with Yanmu and Langsha.

As for those law enforcers who were suppressed by Xu Ming, as well as other great powers of Jiuxiao Holy Land, they did not dare to stop Xu Ming – after all, except for Jiuxiao Holy Master, they also knew how strong Xu Ming was.

Shackled realm powerhouse!

Who dares to stop?

call out-

Three figures swept straight towards Jiuxiao Palace.

Yan Mu and Langsha were both slightly excited—you must know that only the high-level officials of the Nine Heavens Holy Land can enter the Nine Heavens Palace! Generally speaking, even if they become inner disciples, they are not qualified to enter Jiuxiao Palace.

However, Yan Mu's excitement only lasted for a moment and then dissipated. He thought to himself: "My master is Xu Ming, I just went to Jiuxiao Palace. If you are all excited, it will be too embarrassing for the master!"

As for Langsha, he still hadn't figured out the situation, and there was still a hint of arrogance on his face.

"What about the shackled realm powerhouse? My father is the elder of Jiuxiao Holy Land. Could it be that a shackled realm powerhouse can provoke the entire Jiuxiao Holy Land?" Langsha snorted coldly.

He didn't even know that his father, Yan Lang Supreme, had betrayed Jiuxiao Holy Land! Moreover, Holy Master Jiuxiao was trying to take this opportunity to deal with Elder Yan Lang and win over Xu Ming.

It's very pitiful, Langsha doesn't know this, and he doesn't know anything about his own destiny.

At this time, the elders and seniors of Jiuxiao Holy Land have also received the news and know that Xu Ming is a strong man in the shackles realm!

"The shackles realm!?"

"It turned out to be a shackled realm!?"

“No wonder the Holy Master is willing to compromise... With the current situation of our Jiuxiao Holy Land, we really can’t offend a shackled powerhouse!”

“Where did this Xu Ming come from? Why have I never heard of his name before?”

All the elders thought to each other Many elders among them did not know that Elder Yan Lang had betrayed, and they still pondered in their hearts, even if the other party is a strong person in the shackles, they will help Elder Yan Lang to save his illegitimate son. !

boom! !

Xu Ming stepped into Jiuxiao Palace unceremoniously, completely ignoring the great powers in Jiuxiao Palace.

“Holy Master Jiuxiao!” Xu Ming’s eyes were like swords, and he said coldly, “My disciple came to your Jiuxiao Holy Land mainly to experience it! But now, I was bullied and almost lost my life. Let’s see how to deal with it!”

“Brother Xu Ming!” Holy Master Jiuxiao said without any hesitation, “Wolf Sha broke the assessment rules, and more importantly nearly killed Brother Xu Ming’s beloved disciple! Sin should be killed, what do you think, Brother Xu Ming?”

“Oh?” Xu Ming was a little surprised – this Holy Master Jiuxiao is decisive!

At this time, Holy Master Jiuxiao whispered again: “Brother Xu Ming, the truth is true! Elder Yan Lang, the father of this wolf evil, is a traitor to my Holy Land of Jiuxiao, but I have never had the opportunity to be apart from him! I want to borrow At this opportunity, I will get rid of it in one fell swoop, and I will also ask Brother Xu Ming to help me! Besides... I have never heard of Brother Xu Ming’s name. I think that Brother Xu Ming has not joined any forces, right? Why don’t you join us in Jiuxiao Holy Land? How? – As long as brother Xu Ming is willing to join, there is no difference between you and me, and we can share this holy land of Jiuxiao, okay?”

As soon as they met, Holy Master Jiuxiao frankly expressed his thoughts and invited Xu Ming to join.

Chapter 1950: Lord Xu Ming

As soon as they met, Holy Master Jiuxiao frankly expressed his thoughts and invited Xu Ming to join.

“So direct!?”

Xu Ming couldn't help laughing and said with a voice transmission.

In fact, what Holy Master Jiuxiao said was exactly what Xu Ming meant. Xu Ming had been thinking about how to enter Jiuxiao Holy Land, but as soon as the other party met, he directly invited him, saving Xu Ming from speaking.

As for Elder Yan Lang... Xu Ming would have had a conflict with Elder Yan Lang if he wanted to deal with Lang Sha. Now Holy Master Jiuxiao also has to deal with Elder Yan Lang, so let Holy Master Jiuxiao deal with it.

“Haha...” Holy Master Jiuxiao also smiled and said, “When I talk to Brother Xu Ming, I'll just go straight and don't be careful!”

“Okay!” Xu Ming said through voice transmission, “I will cooperate with you to deal with Elder Yan Lang, and I will also join Jiuxiao Holy Land!”

This cooperation is a double-edged sword for Holy Master Jiuxiao, and why is it not for Xu Ming?

“Thank you, Brother Xu Ming!” Holy Master Jiuxiao continued.

Jiuxiao Holy Land is now a powerful enemy, internal and external troubles, and the Holy Master of Jiuxiao is feeling powerless to deal with it; now suddenly there is Xu Ming, a strong man in shackles, and the situation is suddenly reversed.

...

The voice transmission between Holy Master Jiuxiao and Xu Ming is only between lightning and flint, and no one else knows about it.

In fact, the voice of Holy Master Jiuxiao had just fallen: “Brother Xu Ming, the wolf shattered the assessment rules, and the most important thing was that he almost killed brother Xu Ming’s beloved disciple! Sin should be killed, brother Xu Ming, what do you think? ?”

“Yes!” Xu Ming replied in a loud voice, “Since that’s the case, I’ll give you Jiuxiao Holy Land a face! Langsha is your disciple of Jiuxiao Holy Land, so it’s up to you to deal with it!”

With that said, Xu Ming waved his hand and threw the wolfsha out.

Bang!

The wolf slammed heavily on the ground of Jiuxiao Palace, with a face full of fear – he never thought that he had just arrived at Jiuxiao Palace, and he would have such an ending.

“Father!” Lang Shalian looked at Elder Yan Lang in panic, but saw that his father, Elder Yan Lang, had an indifferent expression and didn’t even look at him.

The attention of Holy Master Jiuxiao also fell on Elder Yan Lang, and he couldn’t help sneering in his heart: “This old turtle can really bear it!”

On the contrary, some elders did not know that the elder Yan Lang had betrayed, and even helped to persuade:

“Holy Lord, think twice!”

“Holy Master, this wolf is... Holy Master, you should know, don’t be so hasty!”

There was even an elder voice transmission to Holy Master Jiuxiao: “Holy Master, Langsha is after all the illegitimate son of Elder Yan Lang, and this is already an open secret! Although I accidentally offended a strong person in the shackles, but if it is handled hastily, it will surely chill the heart of Elder Yan Lang, as well as the hearts of other elders!”

Holy Master Jiuxiao ignored the scoldings of the elders, but looked at Elder Yan Lang and said with a half-smile, “Elder Yan Lang, what do you think is more appropriate to deal with?”

Elder Yan Lang was expressionless: “The Holy Master thinks how to deal with it, then how to deal with it! I have no opinion!”

“What!?” Lang Sha suddenly showed disbelief.

“Ha!” Xu Ming couldn’t help sneering.

The other elders were also a little surprised – they all helped and begged for mercy, but Elder Yan Lang himself gave up his illegitimate child directly.

However, some elders have already seen some clues – something is wrong with Elder Yan Lang! So, they all closed their mouths and did not persuade any more.

“Elder Yan Lang can understand it! I’m afraid you can’t understand it!” Holy Master Jiuxiao said with a meaningful smile, “Since this is the case... Elder Yan Lang, you are the law enforcement elder of the Holy Land, and you will handle this wolf evil. Bar!”

That’s right! Holy Master Jiuxiao is deliberately provoking Elder Yan Lang! – Isn’t your old turtle very patient? It’s up to you how long you can endure it.

Elder Yan Lang was still expressionless, and even said without hesitation: “Okay!”

Lang Sha suddenly widened his eyes, and his eyes were full of disbelief.

“Father...” Langsha shouted.

However, before he even had time to call out the word “father”, an invisible killing intent swept past, instantly reaping his life – it was the attack from Elder Yan Lang.

Bang!

Langsha’s divine body, lying silently on the ground of Jiuxiao Palace, has already lost its vitality.

“Enough!” Xu Ming couldn’t help but comment.

As for the other elders who didn't quite understand the situation, they were even more stunned.

"Holy Master!" Elder Yan Lang said indifferently, "If there is no other matter to discuss, this elder will retire first!"

call out-

Without waiting for Holy Master Jiuxiao to speak, Elder Yan Lang turned into a streamer and flew out of Jiuxiao Palace.

At the same time, Elder Yan Lang's voice sounded in Xu Ming's mind: "Xu Ming, right? I see that it is not easy for you to cultivate to the shackled realm, so I advise you, don't go into the muddy water! Jiuxiao Holy Land is destined to be destroyed, you If you dare to intervene, even if you are a strong person in the shackles, you will regret it too much!"

"Really?" Xu Ming said with a smile, "But I feel...it's very easy to cultivate to the shackles!"

...

ten days later.

Jiuxiao Holy Land held a feast.

Xu Ming and the Holy Master Jiuxiao stood aloof and sat on an equal footing. Below sits a group of elders, high-level officials, and core disciples of Jiuxiao Holy Land.

Xu Ming's servant Yan Mu was not even an inner disciple at first, but now he has directly entered the ranks of core disciples.

"Everyone!" Holy Master Jiuxiao solemnly announced, "From today onwards, Brother Xu Ming, the 'Holy Master Xu Ming' of our Holy Land, is on an equal footing with me! No matter who you see Xu Ming, you must call him 'Holy Master'. Call me!"

"Yes!"

“Yes!”

“Yes!”

All the elders and high-level leaders are convinced that a strong person in the shackles will serve as the Holy Master.

Moreover, in the past few days, the Holy Master Jiuxiao has disclosed the situation of the Holy Land – the Holy Land is now the enemy, and Elder Yan Lang is the traitor of the Holy Land!

Those elders who didn’t know about it before had no sympathy for Elder Yan Lang and the dead Langsha at this time.

Holy Master Jiuxiao continued: “Destroying the Sky Sect, the overall power is far inferior to that of our Holy Land in Jiuxiao; just because they have two strong shackled realms, they dare to provoke our status as a marquis power! Now, with Holy Master Xu Ming here, we Jiuxiao Holy Land also has two shackles realm powerhouses! If the Sect of Destruction of the Sky dares to attack, no matter if they attack from the front or fight against the Tower of the Holy Heaven, they will just hit the stone with an egg!”

“good!”

“The Sect of Destroying the Sky originally had the only advantage that they had two shackled realm powerhouses! Now, they don’t even have this advantage, so why should they be afraid?”

“If they dare to fight against the Tower of the Holy Heaven, our Holy Land of Nine Heavens will definitely win!”

The elders also said.

“Haha...” Holy Master Jiuxiao couldn’t help laughing, “If you fight against the Tower of the Holy Sky, the Sect of Destroying the Sky will definitely lose! If you attack from the front, the Sect of Destroying the Sky will be even more courting death, and they will never dare to come...”

Holy Master Jiuxiao just spoke, but his voice has not completely fallen.

boom! !

Suddenly, a hammer-like impact sounded throughout the entire Jiuxiao Holy Land.

Holy Master Jiuxiao couldn't help but suddenly change his face: "There is an enemy to invade my Jiuxiao Holy Land!?"
