

A World 1981

Chapter 1981: Visions Of The Heavens

A certain time and space in an independent space is filled with clouds and mists, and fairy sounds linger.

Familiar faces are feasting here.

The cultivation of these people is uneven, but compared to the current Xu Ming, the cultivation must be described as “very low”.

Yes, very low!

The one with the highest cultivation base is the Chaos Realm and the Profound Yellow Realm; and the one with the lowest cultivation base is only a star-level deity – such a cultivation base is not even an ant.

but...

To Xu Ming, it doesn't matter whether their cultivation is high or low! Because... everyone here is an old friend of Xu Ming's cultivation path.

Like Wen Shuai, Sun Ji, Du Lao of Feiyun Kingdom...

Like Gu Kongshan, “No. 2”, Song Jiahan, Zhang Hao...

Like Yan Fei and Xing Li from the Demon Realm...

Like the great powers of the human race in the Endless Continent, the Lord of the Heavenly Palace, Qin Tian, the Lord of Swords, the Lord of the Palace of Extreme Heaven, Chuji, Erha, True God Jiuyu...

Like the Emperor Yanyan “Lu Qing”, who is the ruler of Yan Yan later in God’s Domain...

Like the great powers of the gods: Wudi, Misty Star Lord, Saint Emperor City Lord, Tianyao Saint, Bai Lao...

To the current Xu Ming, the cultivation of these people is naturally not worth mentioning at all! However, they are undoubtedly very important people in Xu Ming’s life!

Every one of them, no matter how weak their cultivation base is, in Xu Ming’s opinion, is more important than a thousand or ten thousand small universes!

Many things cannot be measured by the level of cultivation.

Today, Xu Ming gathered so many of them together.

“Brother Ming!”

“Brother Ming!”

“Xu Ming!”

“Xiao Ming!”

...

Many of these old friends have not seen Xu Ming for many years; seeing each other today is unavoidable excitement.

“Xu Ming...” Lu Qing looked at Xu Ming quietly, but in his mind he recalled the scene where he met Xu Ming for the first time in the virtual world of God’s Domain.

For so long, Lu Qing has never been married, because her heart has always been with Xu Ming—her feelings for Xu Ming have not diminished in the slightest over time, but instead are like old wine. , the more brewed the more fragrant.

However, as the strength gap between her and Xu Ming grew, the less she planned to pursue this relationship. As long as she looked at Xu Ming from a distance and often thought of Xu Ming in her heart, she would be satisfied.

Seeing Xu Ming now, Lu Qing's heart was naturally full of emotions.

“Brother Ming, why did you gather so many of us here...?” Xu Ming's loyal son-in-law “No. 2” in the Wilderness Sect asked with a smile.

“Take you to level up!” Xu Ming laughed.

Brush level?

Everyone here was stunned for a moment – what is “level brushing”?

But then, they understood!

I saw Xu Ming standing indifferently with his hands behind his back, and said casually:
“Everyone's cultivation base, upgrade to the ninth rank of the world master!”

Xu Ming's words are very light and calm, but they seem to be the “Voice of the Great Way”, as if they are the rules of the universe!

This... is “Follow the Law”!

Whatever Xu Ming said was the truth!

Swish! Swish! Swish! Swish! Swish! ...

In the eyes of everyone's astonishment, everyone found that their cultivation was soaring.

Everyone, almost every breath, the cultivation base will soar by one level!

Star-level gods!

Silvermoon-level gods!

King level!

God!

dominate!

saint!

Chaos!

Profound Yellow Realm!

Floodland!

All worlds!

Destruction!

Nirvana!

Domain Master!

World Lord!

The ninth rank of the world master!

...

In less than a quarter of an hour, everyone in the room, no matter what their original cultivation base was, “swish, swish” and directly rose to the ninth rank of the world master!

Even the Misty Star Lord, the Star Lord, is a cultivation between saints and Chaos Realm; it stands to reason that once you become a Star Master, you will never be able to break through to Chaos Realm again! However, following Xu Ming’s words, Star Master Misty’s cultivation level has directly reached the ninth rank of the world master!

At this time, everyone finally understood, what is “level brushing”!

So this is the brush level!

“My cultivation base...”

“Brother Ming, this...”

Everyone was shocked.

No matter who it is, suddenly the cultivation base soars seven or eight major levels, and more than a dozen major levels will be shocked beyond recognition!

“You are all familiar with your own powers! Let’s chat while eating!” Xu Ming laughed.

...

After the party, Xu Ming sent everyone to a separate space.

After all, the power has suddenly skyrocketed by so many levels. If you are not familiar with it, you will definitely be out of control!

“It’s time for me to go out and do errands!” Xu Ming thought to himself.

In the eight quadrants, only the minions of the second quadrant are left, and they have not been uprooted by Xu Ming! Now, it's time to pull out those minions!

Thinking about it, Xu Ming stepped out of the “independent space”.

“Um?”

As soon as he came out, Xu Ming's brows were slightly wrinkled – he felt a trace of abnormality in the surrounding time and space.

“Time and space seem to be... excited!”

Yes!

It's as if something very happy happened, and the whole time and space are jumping for joy!

“What's going on?” Xu Ming was a little curious – this was the first time he felt “the joy of time and space”.

What Xu Ming doesn't know is... This is actually the time and space of the virtual universe, celebrating – celebrating another strong man who has touched the absolute limit of the virtual universe!

In fact, in the eight quadrants of the virtual universe, every time there is a peak of the three realms of shackles; then, the time and space in that quadrant will be celebrated – before, because Xu Ming was in the “independent space”, and the independent space has It has a strong effect of isolating cause and effect; therefore, the will of the virtual universe does not perceive it, and Xu Ming has reached the absolute limit. And now, as soon as Xu Ming walked out of the independent space, he was immediately sensed by the will of the virtual universe; this celebration exclusively for him is finally about to begin!

The entire time and space of the second quadrant, congratulations for Xu Ming alone!

Therefore, not only the time and space around Xu Ming is excited, but the entire second quadrant is excited!

Immediately after...

The colorful rays of light, with Xu Ming as the center, bloom toward the entire “Destiny Heaven Territory”!

Almost in an instant, the colorful rays of light covered the Territory of Destiny Heaven.

Wherever the rays of light pass, no matter it is the interior of the small universe or the dangerous places where time and space are destroyed, they cannot stop the coming of the colorful rays of light.

Immediately afterwards, the colorful rays of light centered on the Destiny Heaven, blooming toward the entire second quadrant!

For a time, the entire second quadrant vibrated!

Uncountable mortals and ordinary powers, UU reading www.uukanshu.com looked at the colorful rays of light in the sky in shock and doubt, they had no idea what the colorful rays of light meant! —Don’t say it’s an ordinary power, even at the supreme level, the lower-rank supreme, the middle-rank supreme, many don’t know the meaning of this colorful glow!

Miracles of the heavens!

The endless powerhouses have all awakened from the retreat!

At this moment, the entire second quadrant, whether it is the existence of the pinnacle of the three realms of shackles, or the mortal baby who has just been born, is jointly witnessing the emergence of a super strong man!

Chapter 1982: Call

“what happened?”

“what’s going on?”

“What exactly does this colorful vision mean?”

In the second quadrant, the heavens and the world, countless creatures, and countless powerhouses are both shocked and puzzled.

However, it is impossible for the vast majority of people to know what this vision of the heavens means; within the territory of “heaven”, I am afraid there are only a few high-ranking supreme-level powerhouses, and a very small number of middle-ranking supreme beings. , The lower-ranking Supreme, only then did he understand what happened.

And the most shocking place is undoubtedly the holy world in the second quadrant!

The major forces in the holy world naturally know what this vision of the heavens represents.

“In our second quadrant, there is another existence that shackles the peak of the three realms!”

“a...”

“The core of the visions of the heavens is in Destiny Heaven – Destiny Heaven, is there any super existence? Never heard of it!”

“Is it some hidden powerhouse that we don’t know about?”

“Isn’t it too hidden?—we haven’t heard of it at all?”

in the Holy Realm.

All parties are talking about it—because, within the scope of Destiny Heaven, I have never heard of any powerful almighty. But now, suddenly there is a peak of the three realms of shackles in the world, which naturally shocked the forces of all parties!

As for Xu Ming...

Xu Ming is indeed very famous in the holy world of the Eight Era! But... the top beings in the eight quadrants only know that Xu Ming is a person in the second quadrant. As for which quadrant of the second quadrant, it is unknown! At this moment, no one thought that it was Xu Ming who touched the absolute limit of the virtual universe.

“No matter which powerhouse, all the forces in our holy world, should go to the ‘Destiny Heaven’ to pay a visit!”

“Yes! The most peak powerhouse in the virtual universe is born, and I really want to pay a visit!”

“The pinnacle of the three realms of shackles... If he has ambitions, he can even let us have an extra emperor-level force in the second quadrant!”

In the eight quadrants, there are generally four emperor-level forces in each quadrant. However, if any peak powerhouse in the three realms wants to establish an emperor-level force, it is not difficult.

“I’m definitely going to meet you! All the leaders of the emperor-level forces, the king-level forces, the Hou-level forces, and the ordinary forces in the holy world, let’s go together! After all, this is the birth of a peak powerhouse in the three realms of shackles, and it’s not a big deal. Little thing!”

The leaders of the various forces in the Holy Realm put down the things in their hands one after another, gathered together, and went to the “Death Day” together. Instead of being a leader-level powerhouse, they don’t even have the qualifications to go – after all, not everyone is qualified to visit the peak of the Three Realms of Shackles! On such occasions, it is more suitable for leaders of various forces to go there.

...

Doomsday.

The residence of the branch of the Black Tribulation Hall.

The master of the Dao Slaying Hall and the powerhouses of the Black Tribulation Hall looked at this vision in shock.

“It’s on the end of the day!”

“The peak of the three realms of shackles that just broke through exists, and it is actually on the fateful day!”

The Lord of the Dao Slaying Hall was shocked—he didn’t expect that he just expanded the location of the branch hall of the Black Tribulation Hall to the Destiny Heaven, and there was an existence at the peak of the virtual universe!

“Destiny can have a peak existence in the three realms of shackles, which shows how outstanding this place is! I set up my station here, maybe I can also get some luck!”

When the Dao Murder Hall Master was excited, he suddenly received a message.

The Daoist Palace Master was shocked: “It’s the Black Tribulation Palace Master!”

Black Tribulation Hall, there are countless sub-halls!

However, there is only one person who is qualified to be called the “Hall of Black Tribulation”, and that is... the master of the main hall of the Hall of Black Tribulation!

As for the hall master of the branch hall, at most it is called “the branch hall master of the Black Tribulation Hall”. Not one level!

“Dao Shi pays respects to the main hall master!” Dao Shi hall master continued.

“Yeah!” On the other end of the communication, came the low voice of the Black Tribulation Hall Master, “Dao Shi, this super being who has just been born, is in the Territory of Destiny! Since you were stationed in Destiny, have you heard it? Have you heard any wind?”

“Back to the main hall master, no!” Dao slaying the hall master continued.

The Lord of the Black Tribulation did not have many surprises: “It seems that the super existence is a hermit master! He doesn’t want to reveal his identity, you haven’t heard of it, it’s normal! But it’s okay, when we come to the fateful day, he should show up to meet you!”

“Chief Palace Master, do you want to come to Destiny Day too?” Dao Shi Palace Master was a little surprised.

To know...

Black Tribulation Hall, although it is a killer force, it is quite powerful, and even occupies a place in the Holy Realm. It is a Hou-level force in the second quadrant—as a killer force, it can become a Hou-level force, and also It has not been destroyed, which shows the power of the Black Tribulation Hall! Even among the many Hou-level forces, the Black Tribulation Hall is ranked at the top, even close to some king-level forces!

The strength of the Black Tribulation Hall Master has reached the peak of the Second Realm of Shackles – it is precisely with such a tyrannical strength that he can suppress the Black Tribulation Hall!

Although the Hall Master of Daosi is the Hall Master of the branch hall, he is only a very ordinary high-ranking Supreme; in normal times, it is difficult to have the opportunity to see the main Hall Master! But now, the main hall master came to his site, how could the Taoist hall master not be shocked and excited?

“Chief Hall Master, I will do my best to prepare for the pick-up!” Dao Killing Hall Master continued.

“Ready to pick up?” The Black Tribulation Hall Master couldn’t help but sneer, “No need! You are not qualified to pick up!”

“Huh?” The master of the Taoist Temple couldn’t help but be startled – he is the sub-master of the Black Tribulation Hall, and now that the master of the main hall is here, he is not qualified to pick him up, who has?

The Lord of the Black Tribulation continued: “Actually, it is not only me who is going to Destiny Heaven! The leaders of all the forces in the Holy Realm ~www.readwn.com~ are already getting up and heading to Destiny Heaven; and I, It’s just a very common one among the leaders! As for the reception, the ‘Dragon Gate Guard’ will be in charge!”

Dragon Gate is the force established by many powerful people in the second quadrant, and it is also the only emperor-level force.

“What!?” The master of the Taoist Temple suddenly widened his eyes.

The entire holy world, the leaders of all the forces, must come to the fateful day? That is... the top existence of the entire second quadrant is about to descend to the fateful day?

Just thinking about it, the Taoist Palace Master felt shivering.

The master of the Taoist Temple quickly notified his subordinates in the branch hall, so that no matter what they are doing now, they will immediately come back and stand by! If you accidentally bump into an almighty, it will really ruin the entire branch!

...

Yuan Zun’s small universe is located near the residence of the branch hall of the Black Tribulation Hall.

He hid in the small universe, and through the cosmic membrane wall, he looked curiously in the direction of the Taoist Temple Master.

“What does this colorful vision mean, and why does the Daoist Palace Master look so excited and nervous?”

Yuan Zun is just a lower-ranking supreme, and he is the last existence in the supreme, and his social circle is also small, so he naturally does not know the meaning of this vision of the heavens. ...

Chapter 1983: Virtual Universe Gift

The other high-ranking supreme beings in Destiny Heaven were equally astonished, and they were all guessing that it was the almighty who touched the absolute limit of the virtual universe. However, no matter how much they guess, they can’t guess the slightest clue.

after all...

When Xu Ming left Destiny, his strength was not very strong!

And Xu Ming's prestige in the abnormal quadrant and in the abyss battlefield has not had time to spread to the corners of "Destiny Heaven".

Moreover, even if Xu Ming's reputation spreads back, I am afraid that the powerhouses in the Destiny Day will think that it is not the Xu Ming of the Destiny Day – after all, the virtual universe is so vast, and there are not a few powerhouses with the same name and surname!

...

Xu Ming was completely unaware of the shock in the second quadrant.

Of course, even if Xu Ming knew about it, he wouldn't take it to heart at all—is there still few quadrants shocked by Brother Ming? The seven abnormal quadrants have all been shocked once, but the second quadrant is just a little more shocked!

It's nothing!

But now, Xu Ming himself was shocked.

"No wonder... No wonder I think that although I have reached the absolute limit, I am weaker than other powerhouses at the peak of the Three Realms! Originally I thought it was because my cultivation was too low and not balanced in all aspects, but now I know it. , that's how it is..."

When the visions of the heavens came, at the same time, the gift of the will of the virtual universe also came!

Yes!

The gift of the will of the virtual universe!

For the existence whose strength reaches the absolute limit, even the will of the virtual universe, will show respect for it, and thus come down and bestow it!

“The will of the virtual universe is improving my strength in all directions!”

Originally, although Xu Ming broke through to the ninth order of the world master and touched the absolute limit of the virtual universe; however, his strength in all aspects was not balanced enough. Where it is strong, it is no different from other peak powerhouses of the Three Realms of Shackles; while the weak places are only at the level of the Three Realms of Shackles, not yet at the peak of the Three Realms of Shackles!

But now, the gift of the will of the virtual universe has directly raised all aspects of Xu Ming to the level of “absolute boundaries”.

“It’s no wonder that every one of the peaks of the Three Realms of Shackles I’ve seen has exactly the same strength... So that’s how it is!” Xu Ming secretly said.

In the virtual universe, as long as any aspect of you touches the absolute limit, then the will of the virtual universe will be given, so that all aspects of you can be raised to the absolute limit!

“However... this improvement doesn’t mean much to me!” Xu Ming couldn’t help shaking his head and smiled.

It does!

With the ultimate version of the otherworldly invincible plug-in, Xu Mingjin can kill everything in one second, retreat and be reborn invincible. Within the scope of the virtual universe, he is already a real invincible existence!

As long as Xu Ming is willing, even if it is the peak of the three realms of shackles, he can kill him in one move—his attack has not crossed the “absolute limit”;

Unreasonable spike!

As long as it is within the scope of the virtual universe, Xu Ming, whoever wants to second, will second whoever!

long time...

The visions of the heavens have just retreated.

And Xu Ming's eyes were looking in the direction of the Divine Phoenix Chaos Realm: "Go to the Divine Phoenix Chaos Realm as well, and meet my old friends!"

call out-

As soon as Xu Ming took a step, his figure was already in the Divine Phoenix Primal Chaos Realm – "Ubiquitous", allowing Xu Ming to instantly appear anywhere in the virtual universe.

...

Divine Phoenix Chaos Realm, the place of origin.

Today, the realm master of the Divine Phoenix Chaos Realm is "Old Sword".

"What is this colorful vision?"

Old Jian, and other powerhouses in the Divine Phoenix Chaos Realm, looked at the colorful vision that penetrated in, full of doubts.

"And, not only in the endless chaos, but also in the border of disorder, it seems to be full of these colorful visions!"

Jian Lao is not even a Supreme, and his vision is naturally limited, and it is impossible to know what this colorful vision means – after all, even an ordinary Supreme does not know, how can he be qualified to know?

However, Jian Lao thinks about it with his toes and has already guessed that something major has happened!

“It’s still too weak!” Jian Lao secretly said, “Although I control a world, but... the real major events in the disordered border, I have no qualifications to participate! Not even to say that I participate, I don’t even have the qualifications to know!”

However, Jian Lao also has self-knowledge: “My talent is limited, it is already luck that I can achieve today’s achievements, and I don’t want more...”

Thinking of this, Jian Lao couldn’t help but think of Xu Ming: “Xu Ming’s talent, it is possible to become a big man in the entire ‘Despairing Day’ in the future!”

In Jian Lao’s view, if you want to become a big man in the entire “Destiny Day”, you must be at the level of the supreme! Such a level is already an existence that Jian Lao can only look up to!

It’s just, how does the old man know... There is no need for “future”, and it is not limited to “Destiny Day”; now, Xu Ming has become a big man in the entire virtual universe! And it is the number one powerhouse in the Eight Great Limits of the Virtual Universe!

“Um?”

At this moment, Jian Lao was slightly startled—as the controller of the endless chaos, and Xu Ming did not hide at all when he entered the endless chaos; therefore, Jian Lao naturally noticed Xu Ming’s arrival for the first time.

“Xu Ming?” Jian Lao couldn’t help but look surprised, “You’re back? Are your problems solved?”

Jian Lao also knew that Xu Ming was suppressed by the cosmic chains. However, Jian Lao didn’t know what the cosmic chain was, let alone that Xu Ming’s cosmic chain was the most terrifying nightmare!

However, seeing Xu Ming back now, Jian Lao is naturally delighted.

“It’s solved!” Xu Ming said with a smile, and did not deliberately say his current strength – after all, when they meet again at this time, the strengths of Xu Ming and Jian Lao are no longer at the same level! It has even reached the “unexplainable” gap!

It’s like a mortal person can’t understand how powerful a ***** is!

The difference in strength between Xu Ming and Jian Lao is more than the gap between gods and mortals!

“Right!” Jian Lao suddenly thought of a question~www.readwn.com~Xu Ming, is this colorful vision related to you! ”

Xu Ming smiled without saying a word, which was a default.

“It really has something to do with you!” Jian Lao couldn’t help exclaiming, and then he laughed at himself, “Forget it, I can’t see through you more and more, haha...”

Jian Lao is free and easy, and he is too lazy to think about how powerful Xu Ming is!

However... if Jian Lao knew that Xu Ming was the number one powerhouse in the Eight Great Limits of the Virtual Universe, he didn’t know what his expression would be like!

Jian Lao didn’t ask in detail, and Xu Ming naturally didn’t bother to elaborate—he returned to Endless Chaos this time, originally to meet Jian Lao and other old friends! I am also preparing to help some old friends with weak cultivation bases to directly upgrade to the “ninth-order world master” cultivation base.

After all, Xu Mingyan follows the law and improves others’ cultivation. It’s just a matter of opening his mouth, and it doesn’t take much to hang up.

“By the way, Xu Ming!” Jian Lao suddenly thought of something, “There is a person, I wonder if you still have an impression?”

“Who?” Xu Ming asked.

Jian Laodao: “Master of the Walking Corpse!”...

Chapter 1984: It’S All A Misunderstanding

Apex Schoolbag is the fastest to update the latest chapters of the new world.

The Lord of the Walking Dead?

Xu Ming's memory returned to a long time ago.

At the beginning, when Xu Ming was still relatively weak, it was precisely because the Great Emperor Wan Zhe of the Walking Corpse Temple came to the Divine Realm that Gu Hanmo had to use the power of his previous life and was discovered by the enemy.

Otherwise, Gu Hanmo estimates that he will not reveal his identity until now, and he will not be in danger; and Xu Ming, there is no need to kill the abnormal quadrant...

It can be said that the current situation of Xu Ming and Gu Hanmo is all because of the walking corpse temple. And later, when Xu Ming left the realm of God and went through the endless chaos, he also had some conflicts with the walking corpse temple...

The Lord of the Walking Corpse Temple, as the Lord of the Walking Corpse Temple, naturally has nothing to do with it.

Jian Lao continued: "After I learned that the Walking Corpse Temple had a festival with you, I have suppressed everyone in the Walking Corpse Temple; however, I don't know what to do, so I'm waiting for you to come back! Look..."

In fact, not many people know about the conflict between Xu Ming and the Lord of the Walking Corpse, and it is only within the scope of the Chaos Kingdom.

But what kind of character is Xu Ming? As long as there is something about him, the entire powerhouse of the endless chaos must be careful; the contradiction between him and the Lord of the Walking Corpse is naturally also known by Jian Lao!

And Jian Lao also just took this opportunity to show his favor to Xu Ming.

"Elder Jian, you can just deal with it!" Xu Ming said lightly.

At Xu Ming's current level, he is too lazy to deal with such a small person as the Lord of the Walking Corpse himself!

“Okay!” Jian Lao said the word “good”, and then he didn't say any more – the Lord of the Walking Corpse is a small person to Xu Ming, and he is also a small person to Jian Lao. Since Xu Ming said let him watch and deal with it, Lao Jian naturally knows what to do and won't ask any more questions.

What else can be done?

Of course it was killed!

How can a mere little person be qualified to be missed too much by Jian Lao and Xu Ming?

“This time, I'm just coming back to see everyone!” Xu Ming said again, “Wait a while, I'll go to the Border of Chaos to deal with some things, and then... I should be near the Chaos Realm of Divine Phoenix for a while, you If you need anything, you can come to me anytime!”

After leaving the Divine Phoenix Chaos Realm, Xu Ming went directly to Yuan Zun's small universe – some grievances, it was time to resolve them.

...

For today's Xu Ming, the distance in the virtual universe has no meaning!

As long as Xu Ming is willing, he can appear anywhere in the virtual universe in an instant; he can even go to the abnormal quadrant in an instant!

so...

Xu Ming had just left the Divine Phoenix Chaos Realm, and he just took a step and appeared outside Yuan Zun's small universe.

“Yuan Zun...” The small universe's membrane wall could not hinder Xu Ming's gaze in the slightest. Xu Ming looked into the small universe and quickly found the figure of Yuan Zun.

Once, to Xu Ming, what a powerful existence Yuan Zun was!

But now, in Xu Ming's view, Yuan Zun is just a very ordinary Supreme, so ordinary that it can't be more ordinary!

Xu Ming shook his head and chuckled: "Although Yuan Zun is ordinary, all his behaviors at that time were just for the pursuit of becoming stronger!"

Pursue to become stronger!

In the entire universe, whether it is the Great Senior at the top or the ordinary mortals at the bottom, the vast majority of people are seeking to be stronger!

"It's a pity that Yuan Zun's luck is not very good!"

No luck indeed! Otherwise, Yuan Zun will not be trapped in the small universe now, and he will not dare to come out.

"Yuan Zun!" Xu Ming's voice spread mightily into Yuan Zun's small universe.

Inside the entire small universe, Xu Ming's shouts echoed continuously.

"Huh?" Yuan Zun was startled, and immediately saw Xu Ming's figure outside the small universe's membrane wall, "Xu Ming... how dare you come to me?"

"Ha!" Xu Ming smiled, "Why don't you dare?"

"It seems that you haven't seen it for a while, and your strength has improved!" Yuan Zun sneered, "You dare to come outside of my small universe to provoke me!"

"Is there some progress?" Xu Ming said with a smile.

"Some progress" indeed.

Accidentally, Xu Ming directly advanced to the invincible level of the virtual universe – of course, Yuan Zun knew nothing about it.

“Then... do you want to come in and sit?” Yuan Zun said provocatively.

The enemy’s small universe cannot be easily entered! Even the upper-ranking Supremes would not dare to trespass into the lower-ranking Supremes’ microcosms.

Of course, for today’s Xu Ming, how can there be a small universe that cannot be entered? -Even if it is a small universe that shackles the peak powerhouses of the three realms, Xu Ming can enter if he wants to enter, and if he wants to destroy it, it is a matter of one move! What’s more, it is the small universe of the weak Yuan Zun!

However, Xu Ming still wanted to tease Yuan Zun: “I’m too lazy to go in and sit, just stand outside and take a look!”

“Hahahaha...” Yuan Zun laughed loudly, “Are you too lazy to come in, or are you too afraid to come in? – Xu Ming, I don’t know why you came to me all of a sudden; however, since you have come, you will definitely regret it!”

“Regret?” Xu Ming said with a smile, “Do you want to kill me and make me regret it? No, do you have the ability?”

“I won’t leave the small universe~www.readwn.com~ What if you have an ambush?” Yuan Zun sneered, “But well...there will be someone to deal with you!”

Yuan Zun’s voice just fell—

call out! call out! call out! call out! ...

Immediately, there were a series of figures rushing towards them – it was the Dao Murder Hall Master and others from the branch hall of the Black Tribulation Hall!

It turned out... Yuan Zun couldn't guess what Xu Ming was doing when he saw Xu Ming for the first time, but he still told Xu Ming's arrival and the message to the master of the Taoist Palace – although Yuan Zun and the master of the Taoist Palace He is an enemy, but he also knows that there is a festival between the Black Tribulation Hall and Xu Ming!

Sure enough, as soon as the Master of the Dao Killing Palace heard the news of Xu Ming, he immediately brought someone to kill him!

“Hahahaha...” Yuan Zun laughed loudly, “Xu Ming, look, there are so many powerful men in the Black Tribulation Hall, you have nowhere to escape, right? Or, come in and take refuge here?”

Yuan Zun seemed to be very kind.

“Is the Black Tribulation Hall divided into halls?” Xu Ming looked at the powerful Dao Murder Hall Master and other powerhouses who were rushing to kill him.

The master of the Dao Killing Palace also quickly discovered Xu Ming.

“Sure enough, it's Xu Ming! What did he come here for?” The Palace Master Dao Murder was also a little puzzled, “Humph! What does he come to do! Zhengchou can't find him, so kill him first!”

The master of the Taoist Temple thought about it, and planned to kill Xu Ming.

“Wait a minute!” Xu Ming looked at the Taoist Hall Master, and said with a smile, “Before I start, let me explain things clearly!”

The Daoist Palace Master thought for a while, and he was not afraid of Xu Ming running away anyway, so he said, “Okay! I'll give you a chance to make it clear! What do you have to say?”

“I want to say...” Xu Ming smiled slyly, “Actually, the Lord of the Dao Killing Hall, your Black Tribulation Hall's separate halls, the contradiction with Yuan Zun, and the contradiction with the Temple of Despair are all misunderstandings!”

Apex Schoolbag is the fastest to update the latest chapters of the new world.

Chapter 1985: Stop Me!

“The division of your Black Tribulation Hall, the contradiction with Yuan Zun, and the contradiction with the Temple of Despair, are all misunderstandings!”

As soon as Xu Ming said these words, the Dao Killing Hall Master suddenly couldn’t understand – what did he mean! ?

The Hall of Black Tribulation is divided into halls. In the territory of “Destiny Heaven”, there are actually three enemies: Xu Ming, Yuan Zun, and the Temple of Destiny.

And now, Xu Ming actually said that their Black Tribulation Hall is divided into halls, and Yuan Zun and Destiny Temple are all misunderstandings?

Xu Ming said with a meaningful smile: “Dao Murder Hall Master, in fact... there really shouldn’t be any contradictions between you, Yuan Zun, and the Temple of Despair!”

“What do you mean?” The more he heard, the more confused the Taoist Palace Master – Xu Ming should have conflicts with all three of them! Why does it seem like Xu Ming is helping them to reconcile the conflict between the three parties?

What is the benefit to Xu Ming by doing this?

The Taoist Palace Master was puzzled.

“Humph! I want to see, what kind of trickery Xu Ming wants to play!” The Taoist Palace Master secretly said, “No matter how hysterical he says, he will die in the end!”

The Taoist Palace Master now has a feeling of “playing a cat with a mouse”, as if he is saying to Xu Ming – you can perform as much as you like!

only...

How does the Dao Murder Hall Master know Xu Ming’s strength!

And Xu Ming's purpose in doing this now is to make Yuan Zun, the Dao Killing Hall Master, and the Temple of Despair, to understand to death!

"It's very simple!" Xu Ming continued, "The reason why you Black Tribulation Hall and Yuan Zun, and the Temple of Destiny, are actually... all guided by me! If it wasn't for me, the three of you should have been completely different. There will be no contradictions, and even, I will be regarded as a common goal and become a friend who fights side by side!"

"Huh?" The masters of the Taoist Hall and the equal division halls were all slightly startled.

"Huh?" Yuan Zun was also slightly startled.

After listening to Xu Ming's words, the two parties seemed to have vaguely thought of something – they had a feud before, and it seemed that it was a bit strange! Now it sounds like... it was Xu Ming who was making trouble in the dark!

Xu Ming ignored the faces of the two great powers, looked at the Dao Killing Hall Master again, and continued: "Also, in the Fish and Ghost Realm at that time, the great power of your Black Tribulation Hall and the great power of the Temple of Despair were actually both. By my hands, not by killing each other!"

"What!?" The master of the Taoist Temple suddenly widened his eyes, "It turned out to be you!"

You must know that for so long, the Black Tribulation Hall and the Destiny Temple have been trapped in a "chain of suspicion" towards each other – the Black Tribulation Hall Branch believes that the Destiny Temple killed their power; The Temple of Despair also thinks so.

The result is...

For a long time, the Temple of Black Tribulation and the Temple of Destiny have fought fiercely. Both sides have lost a lot of power, and their hatred has grown stronger!

And now, Xu Ming suddenly came out and told them—Hey, I actually designed it all!

Whether it was the Dao Killing Hall Master or Yuan Zun, they were so angry that they vomited blood.

The power of the Temple of Death is not here, and they don't know it yet; if they were there, they would also vomit blood with anger.

"I..." Yuan Zun was about to burst into tears, "It turns out that I was suppressed here by the branch of the Black Tribulation Hall, and it was all wronged..."

"Xu Ming!" The Master of the Taoist Temple said even more solemnly, "Today, you came here specially to talk about this matter, it seems...you know that you can't escape the pursuit of our three parties, and you don't want to hide anymore. Do you want to die a little more happily? Humph! For the sake of your acquaintance and for the sake of uncovering the truth, I will give you a happy one as you wish!"

rumbling...

The Dao Murder Hall Master was filled with murderous aura, and he was about to take action.

But at this moment-

An endless stalwart voice suddenly resounded through the entire Destiny Heaven territory: "I don't know which almighty from Destiny Heaven broke through and touched the absolute limit of the virtual universe? All forces in the Holy Realm have come to visit, can we meet?"

The mighty and stalwart voice is exactly the peak power of the shackles of the three realms in the second quadrant!

All forces in the Holy Realm have arrived!

"Ha!" Xu Ming smiled secretly in his heart, "Sure enough!"

However, Xu Ming did intend to meet the top powers in the second quadrant. But he did not rush to reveal his identity, but instead told the peak power of the Three Realms of Shackles who just spoke of his current position.

“Okay! I, the Supreme Being of Songjiu, and the leaders of the holy world, will be here soon!” The endless stalwart voice resounded through the Territory of Destiny again.

And the master of the Taoist Temple quickly recovered from his astonishment: “Desperate, in the second quadrant, it can only be regarded as a desolate place; and now, the top floor of the entire second quadrant is here!”

Just thinking about it, the Taoist Hall Master felt shivering.

“Now, there is a peak of the Three Realms of Shackles in Destiny. In the future, this is the hometown of super strong, and it will definitely soon develop into one of the most brilliant territories in the entire second quadrant!” thought again.

Immediately, the master of the Taoist Temple looked at Xu Ming again and sneered: “Xu Ming, originally, you might have had the opportunity to witness how Destiny Heaven transformed into glory; but now, you obviously don’t have such a chance! Then... Die!”

boom!

The master of the Taoist Palace directly slapped Xu Ming with his palm – in his impression, Xu Ming’s strength is very weak; his presence at the level of the dignified high-ranking supreme, although it is only an ordinary high-ranking supreme, but to kill Xu Ming, it should be It’s easy too!

“Die!” Yuan Zun hid in his own small universe, but when he saw the Dao Murder Hall Master’s shot, his eyes lit up – he himself was blocked in the small universe, and he was basically useless; however, he Of course I hope to see Xu Ming die.

However, at this moment, time and space seemed to have completely stopped.

The attack of the Dao Killing Hall Master was monstrous, but he was unable to move forward even in this static space-time.

“This is...?” The Dao Murder Palace Master was puzzled and horrified to see that one after another stalwart figures appeared at the end of this still space-time~www.readwn.com~ Among these stalwart figures, he also I saw the main hall master of their Black Tribulation Hall; however, the Black Tribulation Hall Master was inconspicuous among many figures.

“How did the great powers of the Holy Realm come here? Could it be that... the super existence that touches the absolute limit is near this area?” The master of the Taoist Temple couldn’t help but wonder, “However, I have been entrenched in this place for some time. , I have never seen any hidden powerhouse!”

The Hall Master of Dao Murder never thought that Xu Ming was the super existence that touched the absolute limit!

The leaders of the Holy Realm, at this time, actually still do not know who has touched the absolute limit. But...a few shackled three-level peaks like Gejiu Zhizun exist, although they don’t know that Xu Ming is the person they are looking for, but they recognize Xu Ming – after all, Xu Ming’s reputation has long been in the virtual universe. spread among the top beings!

Of course, although Xu Ming’s reputation has spread, the people who know Xu Ming are only Gejiu Zhizun and other peaks of the Three Realms of Shackles; as for other weaker powerhouses, they are not qualified to obtain Xu Ming’s video information for the time being.

As for several super beings such as Gejiu Zhizun, when they saw that Xu Ming was being attacked, they were all startled. In the second quadrant, there were still people who dared to attack Xu Ming without knowing it.

Immediately, Gejiu Supreme roared subconsciously: “Stop me!”...

Chapter 1986: How Could It Be Him

Apex Schoolbag is the fastest to update the latest chapters of the new world.

“Stop me!”

At the same time when the Supreme Song Jiu roared, he quickly dispelled the attack of the Dao Slaughter Palace Master—it really didn’t know whether to live or die! You must know that even the leader of the emperor-level forces, the existence of the peak of the three realms of shackles, would not dare to do anything to Xu Ming!

After all, the existence of the pinnacle of the three realms of shackles cannot kill Xu Ming; however, Xu Ming can easily destroy a party of emperor-level forces!

And the Taoist Palace Master in front of him is obviously just an ordinary high-ranking supreme, who dares to attack Xu Ming? – This is not knowing death, what is it?

However, Gejiu Supreme just dispelled the attack of the Daoist Palace Master, and did not kill him. After all, Gejiu Zhizun didn't understand the situation, and it's not good to kill people casually.

“This is...?” The head of the Black Tribulation Hall naturally recognized his subordinate “Palace Master Dao Killing”, but he did not recognize Xu Ming, and he did not know why the Palace Master Dao Killing shot Xu Ming. However, the Black Tribulation Hall Master vaguely smelled an unpleasant aura.

“Brother Xu Ming!” Gejiu Zhizun laughed, “Why are you here?”

“I'm from Destiny Heaven!” Xu Ming said with a smile, “Furthermore, I have some grievances with this Daoist Palace Master and others, so we'll deal with it here!”

“Oh?” Gejiu Zhizun suddenly thought of something, and even exclaimed, “Brother Xu Ming, your strength has broken through?”

Gejiu Supreme didn't know who had touched the absolute limit in their second quadrant; he only knew that the new breakthrough powerful voice transmission had brought them here. But now, when Gejiu Zhizun came here, he saw Xu Ming—could it be such a coincidence?

Probably not possible!

Gejiu Zhizun immediately thought of it, I am afraid that Xu Ming is the almighty who has just broken through and touched the absolute limit!

“Hi-” Thinking of this, Gejiu Zhizun couldn't help but take a deep breath, and his heart was even more turbulent, “Although Xu Ming has not reached the absolute limit before, he is already recognized as number one in the Eight Great Era of the Virtual Universe. Powerhouse! Then, now that he has reached the absolute limit, what kind of strength should he be!?”

There is no doubt that Xu Ming is definitely more convinced of his identity as “the number one powerhouse in the virtual universe of the eight great limits”!

However, although Gejiu Zhizun was shocked, he was not too afraid of Xu Ming – after all, he himself was the peak of the three realms of shackles! In his opinion, no matter how powerful Xu Ming is, it is impossible to threaten him!

“It’s a breakthrough!” Xu Ming laughed.

“Hey—” After getting Xu Ming’s definite answer, Gejiu Zhizun and other experts who knew Xu Ming’s identity couldn’t help but take a deep breath.

And those who don’t know Xu Ming’s identity, don’t feel very much. After all, they didn’t even know who Xu Ming was.

“That’s right!” At this time, the Supreme Court of Songjiu said again, “Brother Xu Ming, what kind of grievance do you have?”

However, before Xu Ming had time to speak, the Daoist Palace Master began to cry: “Chief Palace Master! This Xu Ming killed several powerful people in our Black Tribulation Hall! Please also call the Master Palace Master for me!”

Obviously, the master of the Taoist Temple has not yet realized the identity of the Sovereign Songjiu; he thought that the identity of the Sovereign Songjiu was not as good as that of the head of the Hall of Black Tribulation, or at best it was equal! So, he simply came first with “the wicked complain first”!

If you let the Taoist Palace Master know that Song Jiu Zhizun is the leader of a royal power... let alone complain, I’m afraid you won’t even dare to fart!

“What!?” The Black Tribulation Hall Master heard Dao Murder’s complaint, and suddenly it looked like a cat whose tail was trampled on, and the whole person exploded – he had seen the pit, but he had never seen such a pit!

Although the Lord of the Black Tribulation did not know Xu Ming, but when he saw the attitude of Gejiu Supreme towards Xu Ming, he knew that this was definitely not someone he had provoked!

But unfortunately, at this time, his subordinate Daoya dared to sue and wanted to ask him to call the shots...

The Black Tribulation Hall Master felt like a dog in his heart – call the shots? Can he be the master?

“Ha!” Xu Ming shook his head and smiled, but didn’t say a word – does this kind of farce still need him to speak in person?

Sure enough, Gejiu Supreme had already looked at the Lord of the Black Tribulation, and asked with a half-smile, “Heijie, do you want to be the Lord?”

“No, no, no!” The Lord of the Black Tribulation Hall shook his head again and again, “It’s my Black Tribulation Hall’s fault! It’s my failure to control my subordinates! I also ask the Supreme Being to punish you!”

“Punishment?” Gejiu Zhizun looked at Xu Ming again.

Xu Ming did not speak, nor did he show any expression.

Gejiu Zhizun understood it, waved his hand directly and said, “Hallmaster of the Black Tribulation, since you didn’t take care of your subordinates, then you can handle it yourself!”

“Yes!” The head of the Black Tribulation Hall said without hesitation, and did not dare to talk back at all – he was only at the peak of the second realm of shackles, and the main hall of the Black Tribulation Hall was only a Hou-level force, how could he dare to talk to the leader of the emperor-level forces, the third shackles The Song and Wine Supreme at the peak of the realm talked back?

“President... Chief Hall Master, what are you going to do?” The Taoist Hall Master never thought that after he finished his complaint, the Chief Hall Master not only did not stand up for him, but approached him step by step, exuding murderous intent. .

The Lord of the Black Tribulation Palace did not answer this question, but pointed at Gejiu Supreme and asked: “Dao Kill~www.readwn.com~ Do you know who this is?”

“Huh?” Hallmaster Dao Murder was stunned for a moment—the situation was changing so fast, he didn’t react at all.

“This...” The Lord of the Black Tribulation Hall said solemnly and solemnly, “He is the leader of the emperor-level power Gejiu Pavilion, and he is also the most peak existence in the second quadrant – Gejiu Supreme!”

“Songjiu Supreme!?” The face of the Daoist Palace Master turned pale – how could he have not heard of the name Songjiu Supreme?

It’s just that the Master of the Taoist Temple has only heard of the taboo, but he is not even qualified to know the image of Gejiu Supreme! After all, not everyone is qualified to know the images that exist at the peak of the Three Realms of Shackles!

When he knew the identity of Gejiu Zhizun, and thought that Gejiu Zhizun called Xu Ming “Brother Xu Ming”, the master of the Taoist Temple felt that he was cold all of a sudden. But at the same time, the Dao Killing Hall Master was also full of doubts—he couldn’t imagine what Xu Ming was, and he deserved to be called by Gejiu Supreme.

“What about him?” The Daoist Palace Master pointed at Xu Ming unwillingly and asked.

“He...” The Black Tribulation Hall Master was startled – to be honest, he was also very curious about Xu Ming’s identity!

“Ignorance!” Gejiu Supremacy sneered, “For whom are so many of us coming to ‘Despairing Heaven’?”

“For him...?” The Black Tribulation Hall Master was shocked and stammered, “He... he is the peak power that just broke through and caused the whole second quadrant vision?!”

“What!?” The Hall Master Daosi was completely stunned, and shouted, “Impossible! Impossible! I know Xu Ming’s strength very well... how could it be him!”

impossible?

Gejiu Supreme sneered disdainfully and was too lazy to explain, but said lightly: “Brother Xu Ming has another identity – before he broke through, he was already recognized as the number one powerhouse in the Eight Great Era of the Virtual Universe!”

Apex Schoolbag is the fastest to update the latest chapters of the new world.

Chapter 1987: Are There Rules?

Apex Schoolbag is the fastest to update the latest chapters of the new world.

“Brother Xu Ming has another identity – before he broke through, he was already recognized as the No. 1 powerhouse in the Eight Great Limits of the Virtual Universe!”

As soon as Gejiu Zhizun said these words, all the powerful people from the holy world, even if they didn’t know Xu Ming, had already guessed Xu Ming’s identity.

“It’s him!”

“It’s the invincible existence who swept the seven abnormal quadrants!”

In the Eight Great Limits of the Virtual Universe, there are quite a few powerhouses who have reached the absolute limit; however, the strength of every peak powerhouse of the Three Realms is the same. By”.

In the virtual universe, there is only one recognized number one powerhouse, and that is Xu Ming!

And now, the powerhouses present have noticed that Song Jiu Zhizun said this—Xu Ming was already the number one powerhouse before his breakthrough!

Thinking of this, the powerhouses present couldn’t help being horrified – so now, after Xu Ming’s breakthrough, how strong should he be?

No matter how strong Xu Ming is, in short, none of the strong men from the holy world dared to provoke Xu Ming.

And the main hall master of the Black Tribulation Hall was so angry that he vomited blood – he never thought that a small branch hall master under his command would offend Xu Ming! For him, this is simply a disaster!

To know...

The Black Tribulation Hall is a killer organization! Moreover, it is the strongest killer organization in the second quadrant, and it is the top among many Hou-level forces! And the problem is here – since it is a killer organization, it will inevitably offend many forces!

Previously, because the Black Tribulation Hall had a backer behind it, and the forces of all parties needed to maintain balance and tacit understanding; therefore, although the various forces disliked the Black Tribulation Hall, none of them took action against the Black Tribulation Hall. And now... The Black Tribulation Hall has offended Xu Ming, the first powerhouse in the virtual universe, which has caused many forces to reconsider their attitude towards the Black Tribulation Hall.

Even the leaders of several forces, looking at the Lord of the Black Tribulation Hall, are already full of badness.

The Lord of the Black Tribulation is bitter in his heart: “This is simply a disaster!”

The Black Tribulation Hall Master really never dreamed that no matter what he did, he would be cautious and walk on thin ice; but his subordinates were better, and he directly picked the number one powerhouse of the Eight Great Limits of the Virtual Universe to offend him!

Snapped!

The more he thought about it, the more angry he became, and he slapped Dao Killer directly with a slap.

“Don’t tell me quickly, how did you offend Senior Xu Ming!” The Black Tribulation Hall Master could not wait to shoot Daosi to death immediately, but he still had to figure out how Daosi offended Xu Ming. Of course, after figuring it out, the Black Tribulation Hall Master will definitely kill Dao Murder himself, which is a statement to Xu Ming.

“I...” Dao Shi was already terrified to the point of being stunned, “I just took over a business... Someone made an offer to kill Xu Ming!”

When Dao Shi spoke, he felt very aggrieved – the Hall of Black Tribulation was originally an organization of killers; he was really just doing business! But now, working diligently and diligently in business, he has to be obliterated by the main hall master... Dao Shi really wanted to cry without tears.

“Who issued this task?” Song Jiu Supreme asked indifferently.

“This...” Dao Ji hesitated—there are rules! As a killer organization, how could the Black Tribulation Hall betray the gold master?

“Don’t tell me soon!” Instead, it was the Lord of the Black Tribulation Hall, who had no morals at all; when he saw Dao slaughtering hesitantly, he immediately scolded—if this matter is not handled properly, the Black Tribulation Hall will probably be gone, who cares about him “Rules” ah!

“It’s Jian Yi from the ‘Eternal Palace’ of the true universe!” Dao Ji continued.

Eternal Hall?

Gejiu Zhizun looked at Xu Ming—he naturally knew that the Eternal Palace was one of the most powerful forces in the real universe; however, he had never heard of the name Jianyi. After all, Jianyi should be just a small person in the Eternal Hall, and his reputation has not spread to the virtual universe.

“Ha!” Xu Ming was expressionless – he already knew that it was Jian Yi who was behind the scenes.

Jian Yi, the genius of the Eternal Palace, is also one of the suitors of Xu Ming’s daughter “Xu Yin”.

Before, when Xu Ming was in the Jiuzhongtian world, because he inquired about Xu Yin’s news, Jianyi mistakenly thought that Xu Ming was a rival in love; even, he did not break his hand and assassinated Xu Ming through the Black Tribulation Hall.

Of course, in Xu Ming’s eyes, Jian Yi was just a joke!

“Brother Xu Ming, do you see...?” Gejiu Zhizun asked, “Do I need to contact the power of the real universe and teach that Jianyi a lesson?”

Gejiu Zhizun only said “Let’s teach you a lesson”, but did not dare to say that he could kill Jianyi. After all... Eternal Hall is almost the number one force in the true universe! Even if Jian Yi’s status in the Eternal Hall is not very high, it is not easy to kill him!

“No need!” Xu Ming said lightly.

After Xu Ming goes to the real universe, he will naturally find Jianyi to settle accounts.

boom! !

Suddenly, a huge power burst out – it turned out that after Dao Shi said the message of Jian Yi, the Black Tribulation Hall Master unceremoniously killed him!

After finishing, the Black Tribulation Hall Master flew to Xu Ming’s side carefully, and said respectfully, “The Dao Killer has no eyeballs~www.readwn.com~ I have already executed you if you dared to offend Senior Xu Ming! – Besides, I have no intention of offending Xu. Senior Ming, I am deeply terrified now, and I offer an apology, and I also ask Senior Xu Ming to laugh at him!”

Having said that, the Lord of the Black Tribulation Palace respectfully presented a world ring filled with all kinds of treasures; the treasures in it, I am afraid that even the king-level forces will be jealous.

However, Xu Ming didn’t even look at it.

treasure?

To Xu Ming today, treasures are meaningless! Xu Ming has no shortage of hanging points below level 22.

What Xu Ming lacks is the hanging point of level 23 or above. However, the 23-level hanging point requires “Cosmic Origin·Void” to exchange it, and it is not something that can be exchanged for treasures.

“Ha!” Xu Ming glanced at the Lord of the Black Tribulation Hall, but he ignored it, and did not reach out to pick it up. He just had some grudges with the branch halls of the Black Tribulation Hall. As for the main hall, he had no grudges with Xu Ming.

However, Xu Ming can see that because of his own reasons, there are probably many forces that plan to attack the Hall of Black Tribulation, but... what does this have to do with Xu Ming?

Whether the Black Tribulation Hall was born or destroyed, Xu Ming would not care.

Seeing this, the Lord of the Black Tribulation Hall did not dare to say anything, so he had to step back in embarrassment – he knew that Xu Ming had done this very kindly; otherwise, with Xu Ming’s strength, wanting to destroy his Black Tribulation Hall is really just a little effort!

At this time, Xu Ming looked at Yuan Zun’s small universe again.

The matter of the Black Tribulation Hall has already come to an end; what Xu Ming has to solve here is Yuan Zun!

At this time, Yuan Zun was naturally shocked to the point of being stunned. He just wanted to say—this is not the Xu Ming I know!

yes!

When Yuan Zun met Xu Ming for the first time, how weak Xu Ming was! In a blink of an eye, it became an existence that he was not even qualified to look up to! ?

Chapter 1988: Hentai Avatar

When Yuan Zun saw Xu Ming’s gaze, he couldn’t help shaking his body.

Xu Ming is too strong!

Stronger than Yuan Zun’s imagination!

Even Yuan Zun was not even qualified to look up to Xu Ming!

But then, Yuan Zun gritted his teeth, put on a smashing stance, and said stubbornly: “Xu Ming! I admit that your strength is very strong, but so what? I will not go out in my own small universe, What can you do with me? The big deal, I will never step out of the small universe!”

The Supreme Realm powerhouse, hiding in the small universe, is almost invincible! Yuan Zun naively thought that as long as he was hiding in the small universe, even Xu Ming would have nothing to do with him!

“Ha ha...”

“Ha ha...”

“ridiculous!”

“How ignorant!”

Xu Ming didn’t say anything, but the great powers from the Holy Realm couldn’t help but laugh.

The Supreme Realm powerhouse hides in the small universe. Although it is “almost invincible”, it is only almost. As long as you are willing to pay enough price, even the small universe of the upper-ranking supreme can have a way to break it!

What’s more... The small universes that Xu Ming destroyed, I don’t know how many billions, and each of them is a microcosm of the upper-level supreme! And Yuan Zun, a mere low-ranking supreme, even provocatively said to Xu Ming: I will not go out in my own small universe, what can you do with me?

How ignorant is this?

How ridiculous?

“It’s really ignorant and fearless!” Many strong people looked at Yuan Zun with full of jokes.

And Xu Ming, after listening to Yuan Zun's words, in addition to feeling ridiculous, it is more boring! -Only those who stand at the same level are qualified to be regarded as an opponent by Xu Ming! And someone like Yuan Zun is not worthy of Xu Ming as an opponent at all!

Just ants!

"Alas!" Xu Ming sighed softly and flicked his fingers.

call out-

An invisible attack swept through endless time and space; the target of the attack was Yuan Zun's small universe!

"Seckill" has been opened!

"Second day, second earth, second air" can only kill the sky, earth, and air in seconds; however, "seckill" can kill everything in one second!

Bang!

Without much movement, Yuan Zun's small universe turned into nothingness and evaporated.

Countless creatures in the small universe, the weak are directly annihilated, and the powerful can support survival in the chaotic time and space of the disordered border.

"What!?" Yuan Zun looked bewildered—he thought that even if Xu Ming could destroy his small universe, he would definitely have to pay a big price, and the momentum would definitely be huge; he didn't expect that Xu Ming just casually With a swipe, in an understatement, he instantly annihilated his little universe.

Without the "tortoise shell" of the small universe, Yuan Zun seemed to be stripped all at once, and the rest was left to Xu Ming's kneading.

“You...” Yuan Zun calmed down after being frightened and stunned. Obviously, he had seen the situation clearly and knew that he would die today no matter what, but instead accepted the fate of his imminent death.

“Hahaha...” Suddenly, Yuan Zun laughed wildly, “Xu Ming, I admit that you are very powerful, but... you don’t want to kill me!”

boom!

Saying that, Yuan Zun ignited the divine body and prepared to explode.

“You can’t kill me!” Yuan Zun couldn’t stop laughing, “My Yuan Zun, if I want to die, I will die in my own hands! And you, don’t even think about killing me!”

“Can’t kill you? Blow yourself up?” Xu Ming laughed.

In front of Brother Ming, is it possible to die if you want to die?

boom!

Xu Ming flexed his fingers, and an invisible force firmly bound Yuan Zun, making him unable to even explode himself!

“What!?” Yuan Zun was once again stunned – he did not expect that facing Xu Ming, he was not even qualified to die!

At the same time, Yuan Zun is more panic-death, not terrible! The scary thing is... I want to die, but I can’t die, and I’m imprisoned to endure endless torture!

“Oh!” Xu Ming shook his head and smiled.

Torment Yuan Zun?

Xu Ming really wasn’t interested!

“Forget it, let’s end it like this!” Xu Ming sighed softly and waved his hand again.

In an instant, Yuan Zun disappeared silently, as if this world had never existed.

In this regard, the powers of the Holy Realm have no surprises – a mere low-ranking supreme, and it is a kind of pride to be able to die in the hands of the first powerhouse in the virtual universe!

“Brother Xu Ming!” At this time, the Supreme Lord of Song and Wine said again, “Is Brother Xu Ming going to destroy hundreds of millions of forces in the second quadrant?”

Before, Xu Ming destroyed hundreds of millions of forces in the seven abnormal quadrants; now he returns to the second quadrant, and I am afraid that hundreds of millions of forces will also be destroyed.

Sure enough, Xu Ming nodded slightly: “Not bad!”

“Haha!” Gejiu Zhizun laughed, “Dragon Gate Guard is ready to go, just waiting for Brother Xu Ming to make arrangements!”

Gejiu Zhizun heard from the powerful people in the visionary quadrant how Xu Ming acted in the visionary quadrant.

“Dragon Gate Guard?” Xu Ming was slightly startled.

Longmen is the only emperor-level force formed by all parties in the second quadrant.

Longmen guards are stationed in every piece of “sky” in the second quadrant, symbolizing the absolute power of the second quadrant!

“No need!” Xu Ming smiled lightly.

“No need?” Gejiu Zhizun was taken aback for a moment, “Brother Xu Ming, you don’t need to dispatch Longmen guards?”

Xu Ming smiled and said, “I needed it before I broke through, but now... I don’t need it anymore!”

Yes ~www.readwn.com~ No need!

Because Xu Ming has the “endless incarnation” hang and the “everywhere” hang!

As soon as the “Endless Avatar” is hung up, Xu Ming can instantly have the Endless Avatar!

As soon as “Everywhere” is hung up, endless incarnations can appear anywhere in the virtual universe! Even ignoring all space barriers!

That is to say...

With just one thought, Xu Ming’s endless incarnation will appear in every “sky” and even every corner of the second quadrant! In just an instant, Xu Ming was able to detect all the minions in the second quadrant!

Moreover, Xu Ming’s avatar can also use the “Invincible” hang and “Seckill” hang!

Endless incarnations, each of which is even more terrifying than the peak powerhouse of the Three Realms!

That’s right!

In the virtual universe, Xu Ming is so invincible!

Absolutely invincible!

It only takes Xu Ming an instant to clean up all the minions and forces! Not even the weakest residue will remain!

Xu Ming closed his eyes gently.

In an instant, the entire second quadrant seemed to be in his heart.

Every inch of space in the second quadrant is in Xu Ming's perception, vast, mysterious, ethereal...

In one thought, many incarnations of Xu Ming appeared in every piece of "sky" in the second quadrant. The endless incarnation seems to form a huge skynet, screening every force in the second quadrant.

In just an instant, Xu Ming has already determined which are the minions!

"More than nine trillion minions!"

Yes!

More than nine trillion!

Like the "Death Temple" that Xu Ming once thought was a behemoth, it was just a very common one among the more than 9 trillion minions!

"kill!"

Xu Ming's heart was boiling with killing intent.

Chapter 1989 gushing out

"Destroy them all!"

In the entire second quadrant, hundreds of millions of "sky", Xu Ming's endless incarnation shot at the same time!

More than nine trillion minions, countless trillions of supreme, world masters, domain masters, and even weaker powers were all annihilated at the same moment! Only a few servants who knew Xu Ming, or who were planted by Xu Ming, were not killed!

In a single thought, annihilate countless trillions of powerhouses in the entire quadrant!

What kind of means is this?

...

“what!?”

The top powerhouses in the second quadrant, such as Gejiu Zhizun, naturally possess the information of the entire second quadrant. When they received hundreds of millions of pieces of information sent from the billions of “sky” in the second quadrant, they were all stunned.

Looking at Xu Ming’s eyes, it is also full of horror.

“Brother Xu Ming, you...” Gejiu Zhizun said in horror, “You destroyed more than nine trillion forces at the same time? Killed all the powerhouses of each force!?”

You know, Gejiu Zhizun clearly saw that Xu Ming was standing in front of him and didn’t move!

Xu Ming smiled and said, “Didn’t you already receive the information?”

“hiss-”

The top beings in the second quadrant are all breathing cold air.

Gejiu Zhizun and other shackled three-level peak powerhouses are better. After all, they thought that no matter how powerful Xu Ming was, he would not be able to kill them in the virtual universe. Therefore, although they were shocked by Xu Ming’s methods, they were only shocked. , but not too much fear.

And those powerhouses who have not reached the peak of the Three Realms of Shackles are really panicked – you know, Xu Ming killed more than nine trillion forces in a single thought; doesn’t that mean that in a single thought of Xu Ming, It can also kill their king-level forces, Hou-level forces, and even the powerhouses who are in the second and third realms of shackles, will be killed?

Xu Ming's horror was beyond their imagination!

The top powerhouses in the second quadrant cannot understand why Xu Ming's strength is so strong... This is simply unscientific!

only...

How could these top powerhouses from the second quadrant holy world know that Xu Ming is stronger than they imagined!

Yes!

Stronger than they thought!

They thought that Xu Ming couldn't kill the peak powerhouse of the Three Realms of Shackles in the virtual universe, but in fact... Xu Ming could kill him!

As long as it is within the scope of the virtual universe, "Sec Kill" hangs on, no matter how strong your strength is, even if you are a peak powerhouse in the Three Realms of Shackles, Xu Ming can still kill him!

The attack power of "Seckill" is actually not really breaking the suppression of the absolute limit of the virtual universe, but a means similar to time and space, cause and effect. For example, the Great Senior of the Three Realms wanted to go back in time and return to the past to kill Xu Ming; but the "seckill" hanging is even more miraculous. , and can't understand the mystery of "seckill" hanging!

It can be said that in the virtual universe, Xu Ming is the absolute king! Those who obey will prosper, those who oppose will perish!

...

"what!?"

More shocking than the top powerhouses in the second quadrant such as Songjiu Supreme, there is no doubt that the fallen demon master!

You must know that the fallen demon master is a “great lord”, and he is also the great lord who has entered the virtual universe! The Fallen Demon Lord can see the movement of the entire universe at every moment; Xu Ming’s incarnation is endless, and at the same time he works in more than nine trillion “sky”, it is naturally impossible to escape the sinking Demon Lord’s eyes and ears.

“This...this...” The Fallen Demon Lord was horrified to see that Xu Ming had killed more than nine trillion minions at the same time.

To be honest, killing more than nine trillion minions at the same time, the fallen demon master can also do it! But... Who is the Lord of the Fallen Demon? He is the only Great Venerable who has permanently entered the virtual universe!

And what about Xu Ming? It’s just that the absolute limit of the virtual universe has just been touched, and it is almost 108,000 miles away from the “Great Senior” level!

It’s not surprising that the Fallen Demon Lord can do it! But Xu Ming was able to do it, which shocked the fallen demon master!

“What secret is there on Xu Ming’s body?” The fallen demon master was puzzled, “Could there be...”

The Silence Demon Lord is not sure.

Even, even if he was as indifferent as a fallen devil, at this moment, he couldn’t help but want to spy on Xu Ming’s mysteries. However, after hesitating for a long time, the Fallen Demon Lord still held back.

“Xu Ming has Xu Ming’s chance, I have mine!” The Fallen Demon Lord secretly said, “Other people’s chances are too much to spy on, it’s definitely not a good thing! I still cherish my own chances! As long as I cultivate If I succeed, I will be able to surpass all other great masters; and I feel that I am not far from success...”

The Fallen Demon Lord resisted the urge to spy on the mystery of Xu Ming.

...

All the minions in the second quadrant were exterminated at the same time, and naturally they could not escape the perception of those great masters in the real universe.

“what!?”

“Xu Ming didn’t mobilize the Dragon Gate Guards in the second quadrant, but directly transformed into hundreds of millions to wipe out all the forces we placed in the second quadrant?”

“How is that possible!? Xu Ming is not the Great Senior~www.readwn.com~ How could he have such a means!?”

“What happened to Xu Ming? Could it be that... Gu Hanmo put that treasure on Xu Ming?”

“Impossible! That treasure, even Gu Hanmo himself, probably cannot be refined and controlled; otherwise, it is not that we are chasing and killing Gu Hanmo, but Gu Hanmo is chasing and killing us! – Even Gu Hanmo can’t refine and control the treasure, so what? Maybe it’s handed over to Xu Ming? Even if it’s handed over to Xu Ming, how can Xu Ming be in control?”

“I really don’t know... After the secret of the treasure in Gu Hanmo’s hands is revealed, how earth-shattering it will be?”

“Let’s not talk about Gu Hanmo! Talk about Xu Ming, what is going on, how could he have such a means?”

“I don’t know... I really can’t understand how Xu Ming has such means...”

Chapter 1990: Try Without Money

“This is...?”

Xu Ming was slightly startled, and suddenly realized something: “Someone wants to come out of the long river of time!”

The river of the long river of time is hidden in the very depths of time and space; even if Xu Ming's current strength is reached, he cannot enter the long river of time in the border of disorder. At most, it can only enter the long river of time in the small universe.

Under normal circumstances, the river water of the long river of time will not gushing out from the depths of time and space, unless... someone is coming out of the long river of time!

“Those who can travel through the long river of time are all at the level of Great Senior! Who would it be?”

If it was before, before the “Invincible Plug-In Ultimate Edition” was opened, Xu Ming could not have sensed the fluctuations in time and space beyond the endless distance. And now, as long as Xu Ming is willing, everything is within Xu Ming's perception!

Just like now, somewhere in the endless distant time and space, the river of time gushing out, was immediately perceived by Xu Ming.

Soon, a stalwart figure stepped out from the river of time.

“This is...”

Seeing this stalwart figure, Xu Ming was stunned: “The Great Master of the Three Realms!!”

Yes!

This stalwart figure who stepped out of the long river of time is exactly the Great Master of the Three Realms that Xu Ming knew!

“Hasn't the Great Senior of the Three Realms fallen?” Xu Ming was a little stunned.

Before, when Xu Ming was in the first quadrant, the Great Senior of the Three Realms entered the river of time to kill Xu Ming; and soon after that, the Lord of the Fallen Demon told Xu Ming that the Great Senior of the Three Realms had perished in the river of time!

Now seeing the Great Reverence of the Three Realms again, Xu Ming has a feeling of seeing the dead crawling out of the grave.

“No!” Xu Ming immediately reacted, “At that time, the fallen demon master told me that the Great Senior of the Three Realms fell into the ‘future’! That is to say... At that time, the Great Senior of the Three Realms did not die! It’s just that the other great masters did not die. You know that the Great Venerable of the Three Realms is about to fall!”

“Um!?”

Immediately afterwards, Xu Ming was startled again, “The future? Now, isn’t it the future? Could it be...”

Xu Ming suddenly thought of a terrible possibility!

“Could it be... the Great Venerable of the Three Realms has fallen now, and in my hands?”

This is an extremely absurd idea!

but...

Xu Ming suddenly realized – not impossible!

Yes!

Not impossible!

Because... Xu Ming has a “seckill” link!

Instant kill: Within the scope of the virtual universe, you can kill everything in seconds, and ignore the suppression of the “absolute boundary of the virtual universe”! This function is free, without any hanging point!

“In the virtual universe, can kill everything in seconds?”

Isn't Xu Ming in the virtual universe now?

Isn't the Great Venerable of the Three Realms within the scope of the virtual universe?

That...

Can Xu Ming kill the Great Master of the Three Realms in seconds?

"Try it!" Xu Ming smiled strangely, "Anyway...try without money!"

yes!

Try it without paying!

"Seckill" hangs, but a free function! No hanging point required!

And... even if he couldn't kill the Great Senior of the Three Realms in one second, for Xu Ming, there would be no loss. Anyway, the Great Senior of the Three Realms couldn't kill Xu Ming!

"Walk!"

Xu Ming directly turned on the "Ubiquitous" link, and with one step, he passed through endless time and space and came to the Three Realms Great Venerable.

At this time, the Great Senior of the Three Realms just came out of the long river of time. In fact, when he was traveling through the long river of time, he felt that there were extremely powerful causal fluctuations in this time zone, so he came out and took a look.

However, before he could see what happened, Xu Ming's figure appeared in front of him.

"Huh? Xu Ming!?" The Great Senior of the Three Realms was stunned for a moment—of course he didn't expect that he would encounter Xu Ming just after he came out of the long river of time.

The Great Senior of the Three Realms was stunned for a while~www.readwn.com~ and a sentence popped out: “What a coincidence!”

In the eyes of the Great Senior of the Three Realms, it is really a coincidence! – Before, he entered the long river of time in front of Xu Ming; now, he walked out of the long river of time at different points in time and space, and still met Xu Ming! Isn’t that a coincidence? It’s just fate!

What the Great Senior of the Three Realms doesn’t know is—it’s not a coincidence! It’s not fate! It was Xu Ming who discovered him in a time and space that was infinitely far away and ran over directly!

Of course, the Great Senior of the Three Realms would never have imagined how strong Xu Ming is now! After all, he has only traveled a short distance in the long river of time; in his opinion, Xu Ming’s strength should not be much different from before.

However, Xu Ming looked at the Great Senior of the Three Realms meaningfully, but smiled without saying a word.

...

As soon as the Great Senior of the Three Realms came out of the long river of time, he was perceived by the fallen demon master and the Great Seniors of the true universe.
