

A World 2011

Chapter 2011: Speed Up The Tempo

call out-

Xu Ming's figure quickly shuttled through the mist formation. Even if there is any danger, they will hit it directly.

After all, with the strength of the Supreme Being, he should be weaker than Xu Ming now; what's more, he has fallen into the Endless Era, and the remaining formation is naturally impossible to pose any threat to Xu Ming.

If Xu Ming was willing, it would not be difficult to break through this foggy formation directly.

boom!

boom!

boom!

Xu Ming constantly forcibly pushed through many dangers.

Outside the foggy formation, Qinghai City Lord, General Shi, and other great powers all felt that the direction Xu Ming entered, the formation fluctuations were the most intense.

The Qinghai City Lord couldn't help but ask: "Who entered from this direction? How dare you fight so hard? After he comes out, I will definitely reward him!"

General Shi couldn't help but think: Fight? I'm afraid it's not fighting, but accidentally touching some danger! With their strength alone, I'm afraid they won't be able to come out!

...

Qinghai City Lord, General Shi and other great masters naturally would not have thought that Xu Ming had already rushed all the way to the entrance of the Supreme Mansion.

“Enter!”

The formation at the entrance of the mansion had been damaged, and Xu Ming easily knocked off the formation’s membrane wall and entered the mansion.

Immediately, Xu Ming’s spiritual sense swept the entire mansion in an instant domineering.

“The treasure is...” Xu Ming quickly locked a room, “It’s here!”

Swish!

Xu Ming instantly broke through the obstacles of the formation in the mansion and appeared directly in the treasure house.

“I’ll take it!”

“I’ll take it!”

Xu Ming unceremoniously collected all the treasures in the mansion.

One by one, the supreme divine weapon flew into Xu Ming’s pocket.

“Huh? This is... a spear and a battle armor of the Heavenly Supreme Divine Soldier level?” Xu Ming was slightly startled, “This should be the weapon used by the Earth-Deficit Supreme himself! It seems... The Earth-Deficit Supreme also uses a long spear, What a coincidence! I can just use this spear of the Heavenly Supreme Divine Soldier level!”

Although Xu Ming has a Boundary-Breaking Spear in his hand, you must know that under normal circumstances, it is not convenient for Xu Ming to use the Boundary-Breaking Spear. Xu Ming’s current strength was used.

Putting away the two Heavenly Supreme Divine Weapons, Xu Ming noticed another treasure.

“This seems to be...?” Xu Ming felt a special breath on a crystal jade bottle, and couldn’t help being slightly surprised, “The breath of the origin of the universe!”

Xu Ming opened the bottle and took a look.

Sure enough, in the jade bottle, there are hundreds of white flames that contain the breath of endless life, beating happily – it is the “Origin of the Universe, Void”!

Xu Ming’s eyes brightened: “So many origins of the universe!”

You must know that for Xu Ming, “Origin of the Universe · Void” is a level 23 hanging point! And a 23-level hanging point means a chance to resurrect! – In other words, Xu Ming’s harvest here is enough for him to be resurrected hundreds of times!

“I originally thought that there were only some Divine Weapons of the Earth, but I didn’t expect that I not only harvested the Supreme Divine Weapons of Heaven, but also got so many ‘Cosmic Origin, Void’!”

On his first treasure hunt in the real universe, Xu Ming gained a lot.

“Let’s go!” After confirming that the mansion had been swept away by himself, Xu Ming walked straight away, as if he had never been here before.

...

Back to the edge of the foggy formation.

“Brother Ming!”

“Brother Ming!”

“Brother Ming, you are back alive!”

The recruits under Xu Ming couldn't help shouting excitedly when they saw Xu Ming coming back.

Xu Ming's face darkened: “Who told you that I can't come back alive?”

“Cough!” The recruits were suddenly embarrassed and changed the subject, “Brother Ming, what should we do now?”

“Now...” Xu Ming thought for a while and said, “Come with me, I have already explored the front, there is no danger!”

With that said, Xu Ming took his recruits and pretended to explore the past.

At the same time, Xu Ming couldn't help but think: “If we continue to explore like this, I don't know when they will be able to explore the entrance to the mansion! Moreover, Qing Haijun will probably be killed and injured a lot! Why don't I help them and put This fog formation is broken!”

Anyway, there were no treasures left in the mansion, so Xu Ming helped them to speed up the pace, don't waste time.

boom!

Xu Ming's spiritual sense instantly enveloped the formation, impacting several key points of the formation.

rumbling...

Under the impact of Xu Ming, the entire fog formation trembled.

The Qinghai City Lord, who was outside the formation, naturally noticed this situation immediately: “What's going on? Did someone touch the key point of the formation? The formation is about to collapse!?”

The Qinghai City Lord was overjoyed and said, “Everyone, follow me to bombard the fog formation!”

boom! boom! boom! ...

The Qinghai City Lord and other great powers all bombarded the formation together.

And the Great Mist Formation also collapsed in a very “cooperative” way!

“The Great Mist Formation... Broken!” The Qinghai City Lord was stunned, his spiritual sense immediately swept across, and he quickly found the entrance to the Supreme Mansion.

“Finally found!” The Qinghai City Lord immediately shot towards the entrance.

The strong men under him also followed closely.

“I don’t know... What treasures will there be in the mansion that lacks the Supreme Being?” The Qinghai City Lord looked forward to it. It’s a huge treasure for me!”

call out! call out! call out! call out! ...

Just as the Qinghai City Lord was full of anticipation and was about to rush into the mansion...

Boom!

Suddenly a strong space-time fluctuation spread without warning; the space-time at the entrance of the mansion was instantly disturbed.

You must know that this mansion with lack of land is originally hidden in the depths of time and space; the entrance to the mansion is actually a time and space passage. Now that the time and space are disturbed, this time and space passage does not know where it will lead, and it is almost impossible to lead to the interior of the Supreme Mansion.

In this way, Qinghai City Lord and other strong people would not dare to enter easily.

“Who is it!?” The Qinghai City Lord was furious—seeing that he was about to enter the supreme mansion, but was destroyed at this time, how could the Qinghai City Lord not be angry?

Xu Ming is not surprised – he has long noticed that there are other forces hiding nearby, but he is just too lazy to pay attention! Anyway... Now that the interior of the Supreme Mansion has been swept away by Xu Ming, let the power hidden in the dark toss there.

“Hahahaha...” A malicious laugh came from far away in time and space, “Qinghai City Lord, there is such a good thing, why don’t you call me brother? Is it because you want to take this opportunity for yourself, don’t you be afraid Choked to death?”

The Qinghai City Lord looked ugly: “Duye City Lord!”

Chapter 2012: 2 Gangsters X

? “City Lord of Duye!”

The Qinghai City Lord’s face was extremely ugly.

You must know that with regard to this supreme mansion, the Qinghai City Lord has done a good job of keeping secrets! But I didn’t expect that it was still known by Duye City Lord; and it seemed that Duye City Lord had been waiting nearby for a long time, and then he suddenly shot when the fog was broken.

Needless to say, among the powerhouses in Qinghai City, there are definitely traitors!

But the city lord of Qinghai was not very surprised – after all, which force would have no traitors?

At such a time, there is nothing to say, it’s up to you!

“City Lord Duye!” The Lord of Qinghai said gloomily, “I discovered this opportunity myself; I’m the only one in Qinghai City to break through the fog formation! You jumped out now and wanted to get a piece of the pie, it would be too deceiving. Bar?”

“Hahahaha...” Duye City Lord laughed loudly, “What does it mean to deceive people too much? It’s better to come early than coincidence! – Qinghai City Lord, look, I came all the way here, and even took me from Duye City. The troops have also been brought here; you can’t let me go back empty-handed, can you?”

Duye City Lord had a deadpan attitude.

At the same time, in the distance of time and space, the army of Duye City is also killing mightily.

“Humph!” The Qinghai City Lord’s face became more and more ugly – he naturally knew that if he didn’t get a share of the pie, the Duye City Lord would definitely not let him go, and would not let him get this chance! The longer it drags on, the more other forces will follow.

However, if there is a war with Duye City... Although Qinghai City’s power is slightly stronger, it is not much stronger. After the war, there will only be losses for both sides.

The Qinghai City Lord gritted his teeth and said, “City Lord Duye, don’t make trouble! When I take out the treasures in the Supreme Mansion, I will give you 10%!”

“Yicheng?” Duye City Lord suddenly laughed, “Qinghai City Lord, are you sending beggars?”

“Don’t go too far!” Qinghai City Lord shouted, “You don’t have to do anything, you can get 10% of the treasure, what else?”

“Hehe...” Duye City Lord laughed a few times, and said, “Fifty percent!—This place is located at the junction of your Qinghai City and our Duye City; half of each person, this is fair, right?”

“Go away!” The Qinghai city master was so angry that he almost went to war. “What is the opportunity that I found so hard, what does it have to do with you? You are too embarrassed to open your mouth and ask for 50%?”

“Then drag it!” Duye City Lord looked determined, “I see, is it you who dragged it, or I who dragged it? If you drag it to other forces, you won’t even get 50%! ”

“Humph!” Qinghai City Lord snorted heavily, “Qinghai Navy, assemble and stand by!”

Immediately, the Qinghai Navy assembled in formation.

“Ha!” The Duye City Lord smiled disdainfully, “What? Want to start a war? – Let’s fight then! Are we still afraid of Duye City?”

“You...” Qinghai City Lord was silent for a long time, and said coldly, “What do you want?”

50%, this is impossible!

If the Duye City Lord really insisted that it should be divided into 50%, the Qinghai City Lord might really go to war directly!

“That’s it...” Duye City Lord’s tone softened, “I have a suggestion!”

“Speak!” Qinghai City Lord said coldly.

Duye City Lord smiled treacherously and said: “The overall strength of your Qinghai City is stronger than our Duye City, why not... We will send experts below the Supreme Realm to fight, and the winning side can give priority to an ordinary Supreme Realm. The strong enter the mansion! The ‘human supreme’ strong men on both sides are not allowed to enter the mansion, how?”

The Qinghai City Lord fell into thinking.

...

Xu Mingmo in the crowd remained silent, and even yawned boredly, thinking to himself, “Two gangsters! I really don’t know how they would feel when they entered the mansion and saw that the mansion was empty and there were no treasures. ?”

...

At this time, the Qinghai City Lord has also made a decision: “Okay!”

“Haha! Good!” Duye City Lord said again, “Then, we will each send ten masters below the supreme realm, each of whom will fight one battle! In the end, we have a total of ten ordinary supreme, who can enter the mansion to hunt for treasures! ”

“Okay!” Qinghai City Lord nodded, and then began to select the masters in the Qinghai Navy.

“Xu Ming!” The Qinghai City Lord didn’t hesitate, and directly chose Xu Ming to play first. After all, the Qinghai City Lord had just met Xu Ming before, and he still had a lot of impressions of Xu Ming; moreover, Xu Ming’s strength, in Under the Supreme, it is absolutely invincible!

“Me?” Xu Ming couldn’t help but be slightly surprised – you must know that Xu Ming’s true cultivation is “the peak of the supreme supreme”! Let him fight with the opponent under the Supreme, isn’t this bullying the opponent?

However, Xu Ming used “Feng Zhou Ding” to disguise his cultivation. In the eyes of others, Xu Ming did not even reach the supreme cultivation.

“Forget it! Let’s have a fight!” Xu Ming secretly said – he wanted to fake it! Since it’s disguised, it’s a good trick.

Xu Ming was the first to step out and stood in the middle of the confrontation between the two armies.

“That what...” Xu Ming looked at the half-respected ninth-rank opponent and couldn’t help asking, “Can I fight ten?”

“I don’t know how high the sky is!” As soon as Xu Ming’s voice fell, his opponent, the first half-rank ninth-rank powerhouse from the Duye City side, seemed to have been greatly humiliated and directly killed Xu Ming.

“Boy! I’ll let you know how serious I am...”

However, Xu Ming’s opponent was kicked by Xu Ming before he had time to say the word “harm”.

In the first battle, Xu Ming won without any suspense.

“Forehead...”

“Forehead...”

The Qinghai City side and the Duye City side couldn't help being stunned for a while—they didn't expect that the first battle would end so quickly!

“Hahaha...” After a while, the Qinghai City Lord burst into laughter, “Good! Good! Good! Xu Ming, very good! After I go back, I will be rewarded!”

The first battle was won heartily, and the Qinghai City Lord naturally felt a bad breath. Moreover, the Supreme Being on the Qinghai City side entered the Supreme Supreme Mansion first, which undoubtedly had a great advantage.

“General Shi You will be the first to enter!” The Qinghai City Lord thought about it, and sent General Shi – the supreme and powerful people are not allowed to enter, then, General Shi is definitely one of the “ordinary supreme”. The top exists!

Under the command of the Qinghai City Lord, there is no ordinary high-ranking supreme, who dares to say that he can beat General Shi.

“Me?” General Shi was stunned for a moment, and then he couldn't help laughing—Xu Ming won the first battle, but let him enter the supreme mansion first; how could General Shi not laugh?

“Xu Ming!” General Shi sneered at the sound transmission, “Thank you for giving me the opportunity to make merit! But... I still won't let you go!”

General Shi looked at Xu Ming, a playful sneer flashed in his eyes, then turned around and walked into the entrance of the mansion.

“A chance for meritorious service?” Xu Ming couldn't help laughing when he heard General Shi's voice transmission – all the treasures in the Supreme Mansion had been emptied by Xu Ming; What a **** opportunity to make a living!

Chapter 2013: Great!

Xu Ming really wanted to see what General Shi would look like when he entered the supreme mansion and saw that all the treasures had been emptied.

“He doesn’t know what he’s going to experience at all...” Xu Ming shook his head and smiled, and quietly stepped back.

The second battle between Qinghai City and Duye City has also begun.

Both sides are playing the top masters of the ninth-order half-respect. After exchanging a bunch of cruel words, the half-ranked ninth-rank master on the Qinghai City side was directly beaten into a dog, which was horrible to watch.

“Haha! Concession!” Duye City Lord laughed and sent his superiors to enter the mansion.

“Don’t be too complacent, there are still eight battles!” The Qinghai City Lord sneered disdainfully.

Of the ten battles between the two sides, only two were fought.

“Wait a moment, there will be times when you cry!” The Qinghai City Lord was obviously very confident in the strength of his subordinates.

...

Inside the Supreme Mansion.

“Hahahahaha...” As soon as General Shi came in, he couldn’t help laughing a few times, “The City Lord of Qinghai really sent me in first! But...he would never have imagined that I had already defected to the City Lord of Duye!”

Yes!

General Shi has already rebelled!

It is precisely because he informed Duye City Lord that the army of Duye City would be killed so quickly!

“This time, I really want to make a great contribution!” General Shi couldn’t hide his excitement – however, the “merit” he said was not for Qinghai City, but for Duye City!

“When I get the treasure and dedicate it to the Duye City Lord, I will not only get the protection of the Duye City Lord, but also get a lot of rewards!”

Just thinking about it, General Shi felt excited.

“Before anyone else comes in, I’ll go search for treasures!”

call out-

General Shi’s figure dashed inside the mansion.

After a while...

General Shi was stunned.

“No!”

“No!”

“Neither here!”

“nothing!”

Yes! General Shi searched the entire land of the Supreme Mansion, but was stunned that he could not find a single treasure.

“No treasures?”

“how is this possible?”

If there are no treasures, doesn't it mean that the Qinghai City Lord and the Duye City Lord are all busy working in vain?

boom!

At this moment, another strong man entered the mansion – it was the supreme supreme “Qianqing Supreme” sent by Duye City Lord.

Before Qianqing Supreme entered the mansion, he was obviously informed by Duye City Master that General Shi had actually rebelled. Therefore, as soon as Qianqing Supreme entered the mansion, he directly shouted: “General Shi, my own!”

“Qianqing Supreme?” General Shi looked at the other party.

“Yes!” Qianqing Supreme said, “The Duye City Lord has already told me that you have switched to our Duye City! Time is running out, so I won't be here to greet you; while no one has entered your Qinghai City. , hurry up and transfer the treasures obtained in the mansion to me first...”

Qianqing Supreme goes straight to the topic.

General Shi said embarrassedly: “But... I didn't get any treasures!”

“I didn't get any treasures?” Qianqing Supreme was startled, and then said coldly, “General Shi, are you kidding me, or are you making me blind? – In this mansion, there are obviously traces of treasures being removed; Even the aura of some powerful treasures hasn't completely dissipated! Tell me, you didn't get any treasures?”

General Shi was stunned—before, he was stunned by the emptiness of the mansion; now, after listening to Qianqing Supreme, he noticed that indeed, there are still some powerful treasures left in the mansion!

That is to say... There are indeed powerful treasures in this supreme mansion; moreover, it has just been moved away!

“You didn’t take the treasure, is it possible that you grew wings and flew away!?” Qianqing Supreme snorted coldly.

“I...” General Shi was speechless, “I really didn’t take it!”

“You think I’m stupid?” Qianqing Supreme shouted, “General Shi, you’re boring! Since you’re going to switch to my Duye City, you should show your sincerity! Why, now you want to go back on it?”

“What do you want me to say, you are willing to believe it!?” General Shi said helplessly.

“Think about it for yourself, is it possible for me to believe it?” Qianqing Supreme shouted.

At this moment, another third high-ranking Supreme entered the mansion—the “Yunyue Supreme” from Qinghai City.

As soon as Yunyue Supreme came in, he immediately shot: “Qianqing Supreme, eat my knife!”

boom-

The mighty sword qi directly slashed at Qianqing Supreme.

At the same time, Yunyue Supreme shouted: “General Shi, let’s take action together and kill Qianqing Supreme here!”

General Shi suddenly found out that he didn’t do it himself, and it didn’t matter if he didn’t do it! Because... Whether it’s Qinghai City or Duye City, it’s impossible to believe that he didn’t take the treasures in this mansion!

“But... I really didn’t take it!” General Shi wanted to cry without tears – he seemed to have seen the scene where he was being chased by the Qinghai City Lord and the Duye City Lord at the same time...

General Shi is really going crazy!

“how so!?”

“How did it become like this!?”

General Shi thought that this was his chance to rise to prominence, but he didn’t expect that he would kill himself by accident!

Yes!

Really **** myself up!

“Ah ah ah ah...” General Shi let out a weak roar, rushing directly towards the outside of the mansion.

Seeing this, Yunyue Supreme said: “Alright! General Shi, hurry up and find the city owner! I am here to help you hold Qianqing Supreme!”

...

Outside the Supreme Mansion.

The Qinghai City Lord and the Duye City Lord both had the attitude of winning.

In the view of the Qinghai City Lord, General Shi under his command was the first to enter the mansion, and now that Yunyue Supreme has entered to help and obtain the treasure, it is naturally no suspense and a sure thing!

And Duye City Lord sneered in his heart: “Qinghai City Lord, how would you have thought that General Shi has already taken refuge in me! I have decided on the treasure in this supreme mansion!”

The two top existences in the realm of “human supremacy” think they are sure to win.

Only Xu Ming sneered on the side: “These two city masters are really cute and silly!”

At the same time, Xu Ming pondered: “My cultivation has reached the bottleneck for the time being; and in the vicinity of Qinghai City, I have already understood almost everything I can understand... After this is over, I will find a time to leave Qinghai City. Bar!”

For Xu Ming, Qinghai City is too small!

Xu Ming’s battlefield is the entire real universe!

swoosh—

Right at this moment, a figure shot out from the Di Supreme’s mansion, it was General Shi!

Seeing the figure of General Shi, the Qinghai City Lord and the Duye City Lord couldn’t help but light up, and couldn’t help but cheer secretly in their hearts: “Good job!”

Chapter 2014: Taoist Contract

? “Good job!”

Both Qinghai City Lord and Duye City Lord looked at General Shi expectantly; both believed that General Shi would fly in their direction.

After General Shi flew out of the mansion, he was also stunned: “Who should I fly to?”

If all goes well, General Shi should fly to Duye City Lord without hesitation, and go there with the treasure; but now the problem is... General Shi did not get any treasure at all! Moreover, the city owner of Piao Piao Du Ye must think that General Shi has already obtained it!

How does this make General Shi go to defect?

After thinking about it, General Shi felt that it was better to fly to the Qinghai City Lord, which was a little more reliable; at any rate, the Qinghai City Lord would give him a chance to explain!

As soon as he gritted his teeth, General Shi flew directly towards the Qinghai City Lord.

“What!?” Duye City Lord was stunned – what about the promised betrayal? What about running away? This is too dishonest!

The City Lord of Qinghai still didn’t know that General Shi had actually betrayed him; when he saw General Shi flying towards him, he couldn’t help smiling and said, “General Shi, tell me, what treasures did you get in the supreme mansion?”

The laughter of the Qinghai City Lord resounded throughout the entire battlefield—his words were actually deliberately told to the Duye City Lord, and they meant to show off.

“The city... the city owner...” General Shi said hesitantly, “There are no treasures in this supreme mansion!”

Even General Shi himself did not believe what he said; therefore, even his voice was hesitant.

However, what General Shi said is the truth – there is indeed no treasure in the Supreme Mansion!

Xu Ming couldn’t help but chuckle: “It’s hard to believe the truth!”

you do not say!

With so many powerhouses present, I am afraid only Xu Ming believes that General Shi is telling the truth!

The Qinghai City Lord was so stunned that he couldn’t believe it: “What did you say!?”

Duye City Master was also a little confused: “No treasure? Impossible! There is a land-deficient supreme mansion, which has never been discovered; this is the first time it has been discovered! How can there be any treasure in the dignified and supremely powerful mansion? nothing?”

When I think about it with my toes, I think this is impossible!

“You say it again!” Qinghai City Lord couldn’t help but said.

“I said...” General Shi hesitated, “There are no treasures in the Supreme Mansion!”

There are no treasures! ?

Hearing these words again, the Qinghai City Lord just wanted to scold: Are you **** kidding me?

boom-

At this time, Qianqing Supreme also killed him from the mansion.

As soon as Qianqing Supreme came out, he even shouted: “City Lord Duye, didn’t you say that General Shi has defected to our side? – When I entered the mansion, I could feel the breath of the treasure just being emptied; however, General Shi insisted that there were no treasures in the mansion!”

The Qinghai City Lord’s face changed, and he looked at General Shi: “You betrayed?”

But at the same time, the Qinghai City Lord also had some doubts in his heart: since General Shi had betrayed, why didn’t he directly take the treasure and go to the Duye City Lord.

Duye City Lord couldn’t help shouting angrily: “General Shi! You are so ambitious! You want to swallow the supreme treasure!”

The Qinghai City Lord also reacted – General Shi’s various actions are definitely the rhythm of wanting to swallow the treasure alone!

“I...” General Shi felt at a loss for words, “I really didn’t get any treasure!”

“Humph!” The Qinghai City Lord snorted heavily and commanded, “Take care of him!”

Immediately, the Qinghai City Lord rushed towards the entrance of the mansion.

Upon seeing this, City Master Duye did not stop him, and rushed directly towards the mansion.

After a while, the two city lords came out of the mansion. They have determined that the treasures in this supreme mansion were indeed evacuated just now!

“General Shi!!” The Qinghai City Lord shouted angrily, “Don’t hurry up and hand over the treasure! Maybe for the sake of you getting lost, I can forgive you and spare you!”

General Shi continued: “I really didn’t get any treasures! City Lord, if you don’t believe me, you can search me casually!”

“Heh!” The Qinghai City Lord sneered, “Search you casually? If you can find treasures on your body, you won’t dare to let me search!”

“Without the treasure, wouldn’t I be able to prove my innocence!?” General Shi said.

“Ridiculous!” Qinghai City Lord sneered, “I really didn’t expect, General Shi, you can actually get the ‘Dao Realm Contract’!”

Taoist contract?

General Shi was taken aback: “What is that?”

“It looks like it!” The Qinghai City Lord sneered, “You think that you can get the ‘Dao Realm Contract’, don’t I know the existence of the ‘Dao Realm Contract’? – I just didn’t expect that you are an ordinary Supreme, you are actually qualified to sign the Taoist contract; if I had known that you had the Taoist contract, I would never have sent you into the supreme mansion!”

Xu Ming was also a little puzzled: “Daojie contract? What is that?”

Seeing that the powerhouses were present, Duye City Master looked puzzled, and explained a little: “The contract of Taoism is jointly issued by all the great masters in the ‘Daojie’, one of the eight realms of the true universe. A contract of the Dao Realm! This Dao Realm contract is actually a

‘deposit contract’; the strong who signed the Dao Realm contract can access treasures in any time and space in the universe! So... the strong person who has the Dao Realm contract in his body If you don’t, unless you take the initiative to hand over the treasure; otherwise, even if you are killed, no one will be able to get their treasure! Even many existences of the Supreme Realm of Heaven, even the existence of the Great Venerable, are using the Dao World Contract!”

Xu Ming understood – the strong people who signed the “Tao Realm Contract” can store treasures anytime, anywhere, in the mysterious time and space!

Like Xu Ming, no matter in the real universe or the virtual universe, he can summon the “Boundary Breaker Spear” and “Feng Zhou Ding” at any time, which is probably a kind of Taoist contract.

And... just like when Xu Ming was in the virtual universe before, when he killed the Great Venerable of the Three Realms with “Seckill”, he didn’t get any treasures. At that time, Xu Ming was still wondering why there was a little treasure on the body of the Great Venerable. No; otherwise, if Xu Ming can obtain the treasures of the Three Realms Great Venerable, I am afraid that he will not have to worry about hanging up! Now it seems that the Great Senior of the Three Realms must have also signed the Dao Realm contract, so no treasures fell into Xu Ming’s hands.

At this time, the Qinghai City Lord said: “Generally speaking... even a weaker Supreme Being is not necessarily eligible for the ‘Dao Realm Contract’; you are an ordinary Supreme, and there is nothing outstanding, so you can actually qualify for it’ Dao World Contract’, it really exceeded my expectations!”

“I...” General Shi’s face was full of confusion, “I really don’t know what a ‘Dao Realm Contract’ is...”

Chapter 2015: Settled

“I really don’t know what a ‘Daojie contract’ is...”

General Shi really doesn’t know!

Never heard of it!

But...

Whether it is the Qinghai City Lord or the Duye City Lord, they all believe that the treasures in the Di Supreme Mansion were removed by General Shi!

“You don’t know?” Qinghai City Lord sneered, “If you don’t know, where have all the treasures in this supreme mansion gone?”

General Shi really wanted to cry without tears: “How do I know where the treasure went!”

“How dare you speak hard!” The Qinghai City Lord was really angry, “General Shi, you have followed me for many years, and I will give you one last chance – to be honest, you still have a way to live!”

Although the Qinghai City Lord said this, he had already made up his mind – as soon as he had the opportunity, he would immediately forcibly enslave General Shi Shi!

After all, even if General Shi really handed over the treasures, the Qinghai City Lord would not believe that General Shi handed over all the treasures; he would definitely suspect that General Shi only handed over part of it.

Moreover, it is impossible for General Shi to come up with any treasures! Because... he didn’t get any treasure at all!

“I...” General Shi finally recognized his current situation – he understood that no matter what he said, it was impossible for the Qinghai City Lord and the Duye City Lord to believe!

General Shi is very clear that if he continues to stay here, there is only one dead end!

Swish!

Suddenly, a talisman appeared in General Shi’s hand, with the secret pattern of time and space inscribed on it.

A distressed look flashed in General Shi’s eyes, but he still clenched his teeth and crushed the spell.

“Walk!”

call out-

A strange time and space fluctuation directly enveloped General Shi’s body, and instantly disappeared with him.

“Huh?” Qinghai City Lord was stunned.

“Huh?” Duye City Lord was also stunned.

They did not expect that General Shi could slip under their noses.

“How dare you say that you didn’t get the treasure!” Qinghai City Lord gritted his teeth in anger, “I didn’t get the treasure, where did the space-time spell he just got from!?”

“Damn! Damn! I didn’t expect that I would be tricked by an ordinary Supreme!” Duye City Lord was furious and said, “Qinghai City Lord, he can’t run very far! Let’s block our territory together! , how about a carpet search?”

“Okay!” The Qinghai City Lord agreed without thinking, “After this is done, the treasure will be divided into five or five points!”

“it is good!”

At this moment, the Qinghai City Lord and the Duye City Lord, the two opposing sides, actually came to the same front.

...

“Carpet search?”

Almost all of the Qinghai Navy joined the carpet search. Xu Ming is no exception.

However... Xu Ming didn't need a carpet search, as long as he walked straight over, he could find General Shi – General Shi could escape from the palms of Qinghai City Lord and Duye City Lord, but he couldn't escape Xu Ming's palm.

After all, Xu Ming's real strength is comparable to that of a "superior position"!

A small ordinary supreme, just relying on a little treasure, also wants to escape from Xu Ming's control?

It can only be said that it is very naive!

"It's time to end it!" Through the cause and effect, Xu Ming sensed that General Shi was not far ahead. And, coincidentally, General Shi was coming in his direction.

Xu Ming was not in a hurry at all, he stood with his hands behind his back, and waited for General Shi to come over.

After a while...

General Shi's figure appeared in Xu Ming's field of vision.

"Huh?" Seeing Xu Ming's figure, General Shi couldn't help but startled, and then he couldn't help laughing, "Hahahaha...Xu Ming! I was worried about not having a chance to kill you, but I didn't expect it to be here. I met you! It's really a narrow road for enemies! Hahahahaha..."

Xu Ming smiled lightly and said, "You didn't expect to meet me here, but I already thought I would meet you here!"

"What do you mean!?" General Shi immediately became vigilant, "Could it be that there are other powerhouses around!?"

"Don't be nervous!" Xu Ming said lightly, "I'm the only one around here, no one else! – I'm here waiting for you!"

“Wait for me? – No! I think you are waiting to die!” General Shi sneered and directly attacked Xu Ming.

boom! !

The terrifying attack came to Xu Ming in an instant: “Die!”

Xu Ming remained motionless, letting these attacks fall on him.

Bang!

The fierce and terrifying attack fell on Xu Ming, like a stone sinking into the ocean, and vanished in an instant!

“What!?” General Shi looked at this scene in disbelief—you know, even an ordinary person, the Supreme Being, would not dare to accept his attack with such contempt!

“You... your strength!?” General Shi couldn’t believe it, but he quickly reacted, “You are deliberately hiding your cultivation and strength, and lurking in the Qinghai Navy!? – What is your purpose? Believe it or not, I will immediately Is your strength spread out? I think the Qinghai City Lord will definitely be very interested in you!”

General Shi carried out the Qinghai City Lord to threaten Xu Ming.

Xu Ming smiled disdainfully: “Then try it out, can you send the message out?”

Xu Ming had already blocked the surrounding time and space! —Don’t say that it’s just an ordinary Supreme like General Shi, even if it’s a Human Supreme, you can’t even think of sending out a message!

“What!?” General Shi’s expression suddenly changed, and he continued, “Xu Ming, what are you trying to do!?”

“I don’t want to do anything!” Xu Ming said lightly, “I just want to kill you!”

“Kill me?” General Shi smelled a strong breath of death – he really felt Ling Lie’s killing intent in the understatement of Xu Ming’s words!

“You... Xu Ming, you can’t kill me! You can’t kill me!” General Shi begged for mercy.

“Why can’t I kill you?” Xu Ming’s tone was still flat.

“Because...because...” General Shi thought for a while, then hurriedly said, “Xu Ming, don’t you want to get the treasures in the Supreme Mansion of Deficient Land? If you kill me, you will never get it!”

“Treasure?” Xu Ming couldn’t help laughing.

“Yes!” General Shi thought that Xu Ming was interested, and continued, “The treasures in the Supreme Earth Mansion are actually all with me! – Xu Ming, as long as you are willing to let me go, I can share some of your treasures! How about it? ”

“Your suggestion is quite good! But...” Xu Ming smiled, “But... I clearly remember I have emptied the supreme mansion, leaving no treasure behind!”

“What!?” General Shi was startled again. This time, he was stunned for a while before he realized it, “It’s you! It turned out to be you! All the treasures in the land-deficient supreme mansion were moved away by you! No wonder... no wonder...”

General Shi finally figured out why after he entered the supreme mansion, there were traces of the treasures just removed! It turned out that all this was done by Xu Ming.

“That’s right, it’s me!” Xu Ming admitted directly. “Before you die, you can still know so much. Now... can you rest your eyes?”

A murderous intent flashed across Xu Ming’s eyes.

“No—” General Shi shouted in horror.

However, his cry had just begun, and it stopped abruptly. General Shi's entire divine body has also been annihilated into nothingness, as if it had never appeared.

Chapter 2016: Senior, Is That You?

The carpet search of Qinghai City and Duye City did not find any clues.

No one knows that General Shi has been annihilated into nothingness under Xu Ming's hands; no one knows that General Shi actually did not get any treasures in the Supreme Mansion.

The search was fruitless, and the Qinghai City Lord had to withdraw his army.

As soon as Xu Ming returned to Qinghai City, he was summoned by the Qinghai City Lord.

"Xu Ming!" The Qinghai City Lord said indifferently, "You are very talented. Staying in a small place like my Qinghai City for a long time will actually bury your talent! – Well, I will go to Shenyu City in the near future. To participate in the auction, you can go with me! I will take you to the big city controlled by Tian Zhizun to see the world!"

"Oh?" Hearing the Qinghai City Lord say this, Xu Ming couldn't help being a little surprised – Qinghai City Lord is so kind?

However, with Xu Ming's strength, he can completely ignore all conspiracies and tricks. Regardless of whether the Qinghai City Lord was really so kind, or if there were other conspiracies, Xu Ming didn't take it to heart at all.

Moreover, Xu Ming also wanted to go to Shenyu City to participate in this auction, so he would go with the Qinghai City Lord.

"Thank you City Lord!" Xu Ming said.

After Xu Ming stepped back.

A trace of treacherousness flashed in the eyes of the Qinghai City Lord.

“I really didn’t expect that a genius like Xu Ming would appear in my Qinghai city!” Before, outside the land-deficient supreme mansion, Xu Ming defeated the genius of Duye City in one move; at that time, the Qinghai City Lord could see that Xu Ming’s strength is probably comparable to that of the median supreme!

“The cultivation level is not at the Supreme Realm, but the strength is comparable to that of the Middle Supreme... Such a genius, if I go to Shenyu City to participate in the gambling battle, how many treasures should I win!” The Qinghai City Lord couldn’t help but think, “Maybe... The treasures won at that time will not be less than the treasures in the supreme mansion!”

The Qinghai City Lord fantasized.

It’s just... Qinghai City Lord didn’t know that Xu Ming’s cultivation and strength were all disguised.

...

half a month later.

The Qinghai City Lord only took Xu Ming and left Qinghai City and went to Shenyu City.

As for the other powerhouses in Qinghai City, the Qinghai City Lord did not take them with them—after all, during his absence in Qinghai City, he must strengthen the defense of Qinghai City.

call out-

The Qinghai City Lord took Xu Ming, and his body quickly flew through the endless time and space.

“Xu Ming!” The main voice of Qinghai City said earnestly, “I have seen countless geniuses! And among the geniuses below the Supreme Realm I have seen, you are enough to rank in the top three!”

In the top three?

“This evaluation is really low!” Xu Ming couldn’t help thinking.

Of course, this is mainly because Xu Ming did not really show his strength. If Xu Ming really showed his strength, I am afraid that the Qinghai City Lord would be shocked and doubt his life.

The Qinghai City Lord continued: “Xu Ming, with your talent, as long as you cultivate normally, it shouldn’t be too difficult to become the supreme human being in the future! There is even... there is still a slight possibility to become the supreme supreme!”

“Supreme Earth is so difficult?” Xu Ming couldn’t help asking.

“Joke!” Qinghai City Lord sneered, as if he was laughing at Xu Ming’s ignorance, “You know, in the real universe, the ultimate cultivation base is ‘Heavenly Supreme’; every Heavenly Supreme is an existence that dominates one side! And The Supreme Being is second only to the Supreme Being of Heaven; how can it be so easy to become the Supreme Being of Earth? – You better not be too lofty, and let’s talk about being the Supreme Being first!”

Xu Ming smiled noncommittally.

“Huh?” Suddenly, the Qinghai City Lord’s expression changed slightly, “There is an ambush!”

boom! !

At this moment, an incomparably huge trapped formation rose up in the surrounding time and space without warning. Immediately afterwards, a dozen or so tyrannical figures approached the Qinghai City Lord and Xu Ming to besiege them.

“City Lord Duye!” The City Lord Qinghai looked at the powerhouses who were besieging them with an ugly expression, “What do you mean!?”

At the same time, the Qinghai City Lord has already guessed that in addition to General Shi, there are probably other traitors in their Qinghai City; otherwise, why did the Duye City Lord happen to ambush here?

“What do you mean? Hehehehe...” Duye City Lord smiled, “Qinghai City Lord, don’t you understand? In fact, I’ve wanted to take over your Qinghai City for a long time, otherwise, I wouldn’t have spent a lot of effort and placed several eyeliners. In your Qinghai City!”

“Govern Qinghai City!?” The Qinghai City Lord sneered, “Just rely on the strength of your Duye City? – You are not afraid that your appetite will be too big, will you be able to eat it?”

“You don’t need to worry about Qinghai City Lord!” Duye City Lord laughed, “Since I dare to open my mouth so big, I will naturally have enough appetite – the strength of my Duye City is more than just what you see on the surface. of these?”

Duye City Lord, forbearing for a long time, just to win Qinghai City.

But now, Duye City Lord finally couldn’t help but take action.

“It’s a pity that General Shi suddenly betrayed me!” Duye City Lord said again, “Otherwise... I have obtained the treasures in the Supreme Mansion, and I can take Qinghai City. That’s the real best of both worlds!”

“Okay! I won’t say more nonsense!” Duye City Lord’s aura turned cold, “Let’s all do it together and kill Qinghai City Lord! As for this Xu Ming... If you can keep it, keep it and don’t kill it! If you can’t keep it, let’s go together. Kill it!”

Of course, Duye City Master also saw Xu Ming’s talent, and planned to capture Xu Ming so that he could go to Shenyu City to participate in the gambling battle.

“kill!”

“kill!”

The dozen or so powerhouses on the Duye City Lord’s side all shot together.

The Qinghai City Lord gritted his teeth: “Fight!”

Besieged by more than a dozen strong men including Duye City Lord, and each of them is a supreme cultivation base – Qinghai City Lord understands that this time is really in a desperate situation!

However at this moment...

Bang!

On the side of Duye City Lord, one of them, the Supreme Powerhouse, fell silently and directly, turning into nothingness in the void.

“What!?” Duye City Lord was shocked.

“What’s going on?” Qinghai City Lord was also taken aback – he hasn’t even shot yet! How come the strong man has fallen on the side of the city master of Duye?

Immediately after...

Bang! Bang! Bang! ...

Several more people, the supreme powerhouse, have fallen one after another, all of whom belonged to the city master of Duye.

“what’s the situation!?”

“What’s going on!?”

The powerhouses on the Duye City Lord’s side are all in danger – they fall one by one, and they die inexplicably, can you not be afraid?

Duye City Lord shouted loudly: “I don’t know which senior took the shot? Please come and see! If there is anything in my Duye City that offends the seniors, I will ask the seniors to make it clear, and I will definitely give the seniors a satisfactory answer! ”

Duye City Lord vaguely guessed that it should be a super-powerful shot against them. This is also where Duye City Lord is puzzled – he has never offended any superpower!

The Qinghai City Lord suddenly guessed something, and he was surprised and said, “Senior, is that you?”

Chapter 2017: God Feather Castle

“Senior, is that you?”

What the Qinghai City Lord thought was of course the Heavenly Sovereign that Xu Ming disguised as.

A high voice came from all directions in time and space: “It’s me!”

Duye City Lord heard it, this should be a superpower known to Qinghai City Lord, who secretly shot. He hurriedly begged: “Qinghai City Lord, please help me ask for mercy! From now on, I am willing to submit to your command...”

However, before Duye City Lord’s words were finished, he couldn’t say it any more – Duye City Lord and the few remaining Supreme Beings all fell silently and directly.

“Thank you for your help, senior!” Qinghai City Lord continued, “Is senior also going to Shenyu City? Why don’t we hurry together, okay?”

Travel together?

Xu Ming sneered in his heart: Aren’t I just traveling with you? It’s just that you don’t recognize me!

“No need!” The high voice came from all directions in time and space again, “Go on your way!”

“Yes!” Qinghai City Lord couldn’t help but feel a little regret – if he could travel with that senior, then he would be able to deepen friendship!

The two continued on their way.

Xu Ming thought to himself: “For me, it is really easy to kill the supreme peak of murder! Even, no one will notice that it was me!”

The “Peak of Human Sovereignty” in the real universe is equivalent to the “Ordinary Shackles Three Realms” and “Ordinary Eighteenth Order” in the virtual universe. It is very easy to kill an opponent at this level, even before Xu Ming’s cultivation base breaks through; what’s more, Xu Ming’s current cultivation base has actually broken through to the “superior” level!

The Qinghai City Lord is pondering, when he arrives at Shenyu City, he must get more treasures; in this way, after returning to Qinghai City, he can directly lead his army to capture Duye City—now Duye City Lord, and Duye City Many people in Yecheng have fallen; with the strength of Qinghai City, it is not difficult to capture Duye City.

“If you want to get more treasures, then you need... Chaos Proto-Core!” The Qinghai City Lord couldn’t help but look at Xu Ming.

In the true universe, the currency used by the World Lord, the Half-Prince, the Ordinary Supreme, and the Human Supreme is generally the original nucleus of chaos. Only when you reach the supreme level of the earth, will you use “the origin of the universe, virtual” as a currency. When it reaches the level of Heavenly Supreme, it will use “the origin of the universe, truth” as the currency.

“Hope...” In the depths of Qinghai City Lord’s eyes, there was a hint of treacherous color, “I hope Xu Ming can earn a little more chaotic core for me!”

only...

Qinghai City Lord never thought that Xu Ming was actually the “senior” who just shot! If he knew about it, I’m afraid he wouldn’t dare to hit Xu Ming’s idea!

Although the treacherousness in the eyes of the Qinghai City Lord was well concealed, with Xu Ming’s strength, he naturally noticed it instantly.

“You want to hit me?” Xu Ming smiled disdainfully in his heart – in the face of the absolute power gap, he didn’t take any of the intrigues of the Qinghai City Lord at all.

...

God Feather City.

Majestic and vast.

Like an ancient beast, crawling on the endless land of the real universe. Looking from a distance, you can feel the endless pressure.

“What a strong momentum! What a strong formation!” Xu Ming was secretly shocked.

Shenyu City, after all, is a city controlled by Heavenly Sovereign, which is equivalent to the old nest of a Heavenly Sovereign! Even the average Heavenly Supreme might not dare to be arrogant in Shenyu City.

What’s more, Xu Ming’s strength has not yet reached the level of “Heavenly Supreme”.

“I should be a little more low-key when I arrive in Shenyu City!” Xu Ming secretly said.

However, Xu Ming was actually not very afraid in his heart.

After all, Xu Ming now has hundreds of level 23 hanging points, which means hundreds of chances to be resurrected! Even if you are in danger and fall, you can choose whether to respawn at any time.

“Remember!” The Qinghai City Lord suddenly said, “On the streets of Shenyu City, only the Heavenly Sovereign is qualified to fly; even the Earth Sovereign is not qualified to fly!”

“Oh?” Xu Ming was slightly surprised.

Even the Supreme Beings are not qualified to fly; then, the Supreme People and the Supreme Beings below the Supreme Earth, not to mention the Supreme Beings.

But think about it and understand.

After all, in Shenyu City, there are many super powerhouses; even the existence of the Supreme Being is not a few – if you are a Supreme Being, and seeing a Supreme Being or a Supreme Being flying over your head, you can Can you bear it?

Definitely can't stand it!

Therefore, Shenyucheng simply made a rule – only Tian Zhizun can fly!

“And...” The Qinghai City Lord said again, “Anyone who comes out of this Shenyu City may be a supreme powerhouse! Therefore, try not to conflict with other powerhouses here; , you can provoke existences that you can't provoke!”

Arriving at Shenyu City, the Qinghai City Lord obviously became cautious, with a feeling of being a man with his tail between his tails—this is normal, after all, Shenyu City is not a small place like Qinghai City!

The Qinghai City Lord is in Qinghai City, and that is also the overlord of one party! But when you get to Shenyu City, it's nothing!

“Xu Ming! Do you want to climb to the pinnacle of cultivation?” Qinghai City Lord asked nonsense.

Who else doesn't want to climb the pinnacle of cultivation?

“In this God Feather City, there is an opportunity to reach the peak!” The Qinghai City Lord said again.

“What chance?” Xu Ming couldn't help asking.

“Shenyu Battle Stage!” The Qinghai City Lord said word by word, “If you can complete 100 victories on the Shenyu Battle Stage, you may have a chance—the chance to become a named disciple of the Eternal Hall!”

Eternal Hall Named Disciple! ?

Xu Ming couldn't help being stunned—he came to the real universe, and one of his goals was to go to the Eternal Hall to find his daughter Xu Yin?

The named disciples of the Eternal Palace, although they were only named disciples, were also quite attractive to Xu Ming. Because of this, Xu Ming hopes to meet his daughter Xu Yin.

The only thing that makes Xu Ming tangled is Now, whether in terms of cultivation or strength, he seems to be weaker than “Xu Yin”! If I see Xu Yin, the father and daughter recognize each other now, it will make Xu Ming very shameless – being a father, his strength is weaker than his daughter, so naturally he has no face!

However, Xu Ming is not very entangled in this issue. Although his current strength has not yet reached the level of “Heaven Supreme”; however, as long as his cultivation base makes a little breakthrough and reaches the level of Human Supreme, then his strength can also reach the level of “Supreme Man”. Heavenly Sovereign level! At that time, in terms of strength, it is estimated that it will not be much weaker than Xu Yin.

and...

However, Gu Hanmo blocked Xu Yin's memory to isolate the cause and effect; that is to say, even if Xu Ming saw Xu Yin now, he still couldn't recognize the father and daughter, and he had to find a way to restore Xu Yin's memory first.

“If I win 100 victories in the Shenyu Battle Stage, it is possible to become a named disciple of the Eternal Hall! Then... I can win the 100 victories first! Then, if you want to go to the Eternal Hall, you can go directly!”

Chapter 2018: Moon Demon

?The Qinghai City Lord looked at Xu Ming's reaction and said to himself: “Sure enough! No one can resist the temptation of the three words ‘Eternal Hall’! Even if it's just a named disciple, even if it's just ‘possible’!”

The Qinghai City Lord only told Xu Ming that he could become a named disciple of the Eternal Hall after winning 100 victories in the Shenyu Battle Stage;

For example, “likely”, how likely is it?

For example, to challenge Shenyu to win 100 battles, you must fight for 100 consecutive battles; once you start, you can’t admit defeat! Either successfully achieve a hundred victories, or fail the challenge and fall!

These, the Qinghai City Lord did not tell Xu Ming.

“Xu Ming, how is it? Do you want to challenge Shenyu to win a hundred battles?” the Qinghai City Lord asked.

“Okay!” Xu Ming answered directly without thinking much.

“Then let’s go to the Shenyu Battle Stage now!” The Qinghai City Lord suppressed the excitement of the successful trick and couldn’t wait to say.

...

God Feather Battle Stage.

Built in the most prosperous area of Shenyu City.

In the Shenyu Battle Stage, there are millions of spectator seats. However, at this time, the battle in the Shenyu Battle Stage was just a battle between two ordinary lower-ranking supreme beings, and it did not attract much attention; therefore, the audience watching the battle was also sparse, and there were not many.

“You wait here for a while!” said the Qinghai City Lord, “I’ll go help you sign up for the ‘Hundred Victories’ challenge!”

“Yeah!” Xu Ming did not suspect him, and stopped to watch the battle on the stage.

“Very ordinary talent!” Xu Ming looked at the battle between the two lower-ranking supreme beings on the battlefield, and couldn’t help shaking his head frequently, “Even compared to those lower-ranking supreme beings in the virtual universe, it looks very ordinary!”

In fact... Compared with the powerhouses of the same level, the powerhouses of the real universe are no stronger than the powerhouses of the virtual universe!

However, there are more treasures in the real universe than in the virtual universe; with the help of treasures, the powerhouses in the real universe are slightly better. However, the strength is limited.

“I don’t know... With the cultivation base I’m showing now, if I participate in the Hundred Victories, what level of strength will I encounter?” Xu Ming couldn’t help but think.

Xu Ming’s real cultivation base has reached the “peak of the supreme supreme”. However, Xu Ming relied on Feng Zhou Ding to hide his cultivation, so the cultivation he showed was only a half-rank ninth.

Xu Ming was not worried at all, who in the Shenyu Battle Stage could see through his true cultivation. After all... Feng Zhou Ding’s disguise, even if it is “High Heaven Supreme”, may not be able to see through; in this small Shenyu battle stage, is there still a High Heaven Supreme?

As long as there is no Supreme Heavenly Sovereign, what kind of cultivation base Xu Ming shows, then others will think what kind of cultivation base it is!

at this time...

“Get out of the way!” A cold voice came from behind Xu Ming, “Don’t stand in the middle of the road!”

“Huh?” Xu Ming couldn’t help frowning slightly; when he looked back, it was a silver-haired female cultivator whose cultivation had already reached the upper-level supreme level. However, Xu Ming felt an extraordinary aura from this silver-haired female nun.

“I’m afraid her strength far exceeds her cultivation level!” Xu Ming was a little surprised – he finally saw a real genius in the real universe!

However, this genius was not very friendly and wanted to make way for him as soon as he came up.

“Don’t let it!” Xu Ming said without thinking, “The road is so wide, you can walk from the side!”

Swish!

The silver-haired girl sank suddenly: “I don’t have the habit of walking by!”

In the spectator seats, many eyes were cast towards Xu Ming, all with a playful color.

“Where did this come from, and dare to block the way of the ‘Moon Demon’?”

“It should be the first time to come to Shenyu Battle Stage! I have never seen this person before!”

“This kid’s cultivation base is only half-respected and ninth-rank? Is it because he is too weak, so he is ignorant and fearless?”

“Look! The face of the Moon Demon has changed, this kid is going to be miserable!”

The Moon Demon was the silver-haired girl who called Xu Ming to make way.

“Don’t have the habit of walking from the side?” Xu Ming glanced at the Moon Demon, “I’m sorry, I don’t have the habit of giving way!”

Lu Mingming is so wide, the other party can clearly walk past him, but ask him to give way? —
How could Xu Ming allow this kind of road?

Even if the other party is a female cultivator who looks like a girl!

“You want to die?” The Moon Demon’s face was frosty in an instant—you must know that in the Shenyu Battle Arena, not many people dare to provoke her! Even if it is an ordinary person, if you see her, you have to walk around!

...

At this time, the city owner of Qinghai had already signed up Xu Ming for the “Hundred Victory Challenge”!

“Challenge Hundred Victory!?” The person in charge of the Shenyu Battle Stage is a subordinate supreme; when he saw that someone was going to challenge Hundred Victory, he couldn’t help being slightly surprised, “Is that you?”

“It’s not me!” Qinghai City Lord turned his gaze to Xu Ming and said, “It’s him!”

“Oh? There is only a half-respected ninth-order cultivation base!” The head of Shenyu Battle Stage, “Supreme Killing Enemy”, glanced at Xu Ming with his gloomy eyes, and said with a trace of disdain on his face.

The Supreme Being of Killing Vengeance has already guessed what the situation is – there are often strong players in the Shenyu Battle Stage, and they will challenge Hundred Victories with their hands. And this kind of challenge is almost impossible to succeed, and in the end, almost 100% will die on the Shenyu Battle Stage.

However, a strong person like Qinghai City Lord who brought people here can join the gambling game during the challenge and win treasures.

“Has he agreed to challenge Baisheng?” The Vengeful Land Supreme asked.

“Already agreed!” Qinghai City Lord said.

“Then...I’ll stress it again with you!” The Vengeful Land Supreme said again, “Once the challenge of 100 Victory begins, it must continue to fight! If you win 100 games in a row, or you fall in the middle, you will never be able to withdraw from Hundred Victory— Do you understand?”

“Clear!” Qinghai City Lord said lightly – even if he died, it was Xu Ming who died, and it had nothing to do with him!

“If that’s the case, I’ll confirm it with him!” The Vengeful Land Supreme said, “If he does agree to challenge the ‘Hundred Victory’, then I will arrange it immediately!”

Some people challenge the “hundred victories”, and it is also profitable for Shenyu Battle Stage! After all, Shenyu Battle Platform can be the dealer and make a profit from it!

“What’s his name?” The Vengeful Land Supreme asked.

“Xu Ming!” Qinghai City Lord said, “That’s right! I still want to bet, I’ll bet that he can win at least fifty games!”

“Oh! It seems that you have quite a lot of confidence in him!” Killing Vengeance Supreme said with a joking smile. To be able to win 50 games in a row out of 100 victories is already quite powerful. .

Immediately, the voice of the Supreme Being of Killing Enemy resounded in the entire Shenyu Battle Stage: “Xu Ming!!”

Xu Ming immediately looked in the direction from which the voice came.

The figure of the Supreme Being of Killing Enemy is hazy and erratic, but the murderous intention is looming. Clearly, he is an accomplished power in the slaughter.

“Xu Ming!” The Supreme Being asked, “Are you going to challenge the ‘Hundred Victory’?”

“Yes!” Xu Ming said without hesitation.

“What!?” At this time, even the Moon Demon, who wanted Xu Ming to make way, was slightly shocked, “You want to challenge the ‘Hundred Victory’?”

Chapter 2019: Was Sold

“You want to challenge the ‘100 Victory’?”

From the Moon Demon’s point of view, challenging “100 Victories” is no different from courting death! Even she is conceited that her strength is invincible to the ordinary supreme level, and she even dares to challenge the supreme human being; however, she does not dare to challenge the “hundred victory”.

Hundred victories are actually equivalent to the facade of the Shenyu battle stage, and it is almost impossible to challenge successfully!

If anyone succeeds in the challenge, it is equivalent to tearing down the facade of Shenyu Battle Stage.

“Mad! It’s just courting death!” The Moon Demon shook his head and said, “I won’t fight a dead person, I’ll walk away!”

Moon Demon said, and did not insist on making way for Xu Ming, and took a detour from the side.

Shocked, it’s not just the Moon Demon!

Everyone in the entire Shenyu Battle Stage was shocked.

“What!? He is going to challenge ‘100 Victory’?”

“Once the Hundred Victory Challenge begins, it can’t be stopped unless you win a hundred games in a row! Moreover, the opponents you will face will also become higher and higher! – Challenge the ‘Hundred Victory’, is it impossible to find death?”

“Another one who doesn’t know how to live or die!”

At the same time, the news of “Xu Ming’s challenge to 100 victories” spread rapidly in Shenyu City.

“Someone wants to challenge 100 victories at Shenyu Battle Stage? Hurry up and have a look!”

“What’s there to see? Over the years, are there still few powerhouses who have challenged a hundred victories? But, who has succeeded?”

“It’s really nothing to see! However, it’s good to go to the Shenyu Battle Stage to gamble!”

For a time, tens of thousands of powerhouses flocked to the Shenyu Battle Stage to watch Xu Ming challenge a hundred victories.

...

God Feather on the battlefield.

The previous battle is over.

Xu Ming stood proudly on the battle platform, waiting for the battle of “Hundred Victories” to begin. However, Xu Ming’s gaze towards the Qinghai City Lord was somewhat unkind.

At this time, Xu Ming naturally knew that he was “sold” by the Qinghai City Lord! – With the strength he showed before, the Qinghai City Lord asked him to challenge 100 victories, which was no different from asking him to commit suicide!

Although this “hundred victory” challenge actually poses no danger to Xu Ming; however, Xu Ming is still angry!

Yes!

Angry!

You must know that Xu Ming and the Qinghai City Lord have no grievances and no enmity – at least the Qinghai City Lord does not know, in fact, Xu Ming robbed the treasures in the Supreme Mansion of the Deficient Land; if the Qinghai City Lord knew that Xu Ming had such strength, he would not dare to dare. Calculate Xu Ming!

As for Xu Ming, secretly helping the Qinghai City Lord behead the master of Duye City, he was secretly taking the opportunity that the Qinghai City Lord “sent” to him, and it could be considered that the two owed nothing to each other.

But now, the Qinghai City Lord has calculated Xu Ming!

If Xu Ming's strength is really only as small as it appears on the surface, I am afraid that he will be killed by the Qinghai City Lord!

"Qinghai City Lord, you want me to die!" Xu Ming couldn't hide his killing intent in the eyes of the Qinghai City Lord.

How could Xu Ming be polite to a person who wants to die?

The Qinghai City Lord naturally felt the killing intent from Xu Ming.

"Killing intent?" The Qinghai City Lord smiled disdainfully—in his eyes, since Xu Ming had reached the stage of "hundred victories", he was already a dead man! How could the Qinghai City Lord care about the killing intent of a dead person?

Besides...

In the view of the Qinghai City Lord, he is the cultivation base of the peak of the supreme human being, and Xu Ming is only a mere ninth-rank half-exaltation – even if Xu Ming has a great killing intent towards him, what can he do about him?

To be honest, the Qinghai City Lord didn't take Xu Ming seriously at all.

"Xu Ming!" The Qinghai City Lord smiled and said with a voice transmission, "Fight well! Since there are so many people challenging this '100 victory', then there must be a possibility of success in the challenge! If you challenge hard, maybe you can inspire Potential, break through your own shackles, and reach a higher realm of strength!"

At this time, the Qinghai City Lord actually encouraged Xu Ming to come—he didn't really hope Xu Ming would succeed in his challenge, but chose to commit suicide in order to give Xu Ming a little hope and prevent Xu Ming's mentality from collapsing. In that case, all the bets he placed on Xu Ming would be lost!

"Xu Ming! You must win fifty games! Fifty games only, it shouldn't be difficult for you!" Qinghai City Lord secretly said in his heart. He bet fifty games, of course, based on what he saw Xu Ming's strength, and estimated.

At this time, the voice of the Supreme Being of Killing Enemy sounded: “Xu Ming, can we start?”

“Wait a minute!” Xu Ming said, “Can I bet myself?”

“Haha...” Killing Enemy Sovereign laughed immediately, “Of course! How much do you want to bet?”

Xu Ming said, “One million chaotic pro-nuclei!”

Saying that, Xu Ming threw a world ring directly.

The original core of chaos, that is, the level 22 hanging point, Xu Ming has more!

“One million primordial chaotic cores?” Qinghai City Lord was slightly surprised, “I didn’t expect this kid to be quite rich!”

However, the Qinghai City Lord didn’t pay much attention to it! After all, for him in the realm of “human supremacy”, the primordial chaotic nucleus in his hand is tens of millions, or even hundreds of millions! The mere one million chaotic pro-nuclei, he didn’t see much in his eyes.

Moreover, in the view of the Qinghai City Lord, this million chaotic pro-nuclei are likely to be all Xu Ming’s belongings! After all, in his opinion, Xu Ming was about to die. If he wanted to gamble, he would definitely take out all his belongings to gamble.

The Supreme Being of Killing Vengeance caught Xu Ming’s world ring, glanced at the primordial primordial chaos inside, and said, “Then how many games do you want to bet on yourself to win?”

Xu Ming said indifferently, “What are the odds of winning 100 games?”

Win a hundred games?

The Supreme Being of Killing Enemy shook his head and smiled, not taking Xu Ming’s words to heart. In his opinion, Xu Ming’s bet that he “wins a hundred games” does not mean that he can really win a hundred games, but is purely to send money to their Shenyu Battle Stage!

“If you win 100 games... the odds are 1 million times!” Killing Enemy Supreme said with a smile.

A million times the odds!

From this, it can be seen that the Shenyu Battle Stage does not think that anyone can win a hundred games!

“One million times?” Xu Ming’s mouth curled into a smile, “It’s interesting!”

One million chaotic pro-nuclei, if it is a million times, that is... a trillion chaotic pro-nuclei!

Even if it is a force like Shenyu Battle Stage, if it comes up with “one trillion”, I am afraid it will be distressed to death!

In fact, Xu Ming can still bet more Chaos Proto-Core, but Xu Ming did not do so, because... He was worried that the Shenyu Battle Stage would not be able to pay for it and would default on the debt!

“Can we start the fight?” The Vengeful Land Supreme asked again.

“Yes!” Xu Ming held the spear in his hand – this was an ordinary “human supreme magic weapon”.

The reason why he had to take out his weapon was that Xu Ming wanted to keep a low profile!

“Okay!” As the Supreme Being of Killing Enemy nodded lightly, a large protective formation suddenly rose around the battlefield.

boom!

A burly, half-respected ninth-rank powerhouse with a double axe slammed onto the stage.

“Challenge a hundred victories?” The burly half-respected sneered, “I, the burly ***** and the half-respect, will stop you from the first battle!”

Chapter 2020: It Can Be Said To Be Very Low-Key

? “I am Kui God Banzun, let you stop the first battle!”

Kui Shen Banzun was imposing – since he dared to step on the stage, being Xu Ming’s first opponent, he naturally had confidence in his own strength! Otherwise, it would be impossible to dare to step on the battlefield.

In fact, although Kui God Half Venerable is only a “half Venerable ninth-rank” cultivation base, its strength is stronger than most of the lower-ranking Supremes. Like the top half-respects in the Qinghai Navy, I am afraid there is no one who can be the opponent of Kui God half-respect!

Xu Ming smiled when he looked at Kui Shen Banzun who was several times taller than him.

“Call Dad!” Xu Ming said lightly.

Whether it is the real universe or the virtual universe, although the father is generally called “father”; but those young children will still call their father “father”.

“What!?” Kui Shen Banzun was stunned for a moment, and then he was furious, “When death is imminent, you dare to be arrogant!? – Give me death!”

boom! !

Kui Shen Banzun’s double axe immediately smashed at Xu Ming angrily. The time and space on the entire battlefield was compressed to the extreme by the double axe, making Xu Ming unavoidable!

In the eyes of Kui Shen Banzun, there is a bloodthirsty and violent color: “Death!!”

call out-

However, at this moment, Xu Ming fired his gun.

Xu Ming's spear seemed to be floating in a certain place in time and space; however, the time and space oppression created by Kui Shen Banzun with his endless might collapsed in an instant.

Long guns are like electricity.

By the time Kui God Demigod reacted, Xu Ming's spear had already pierced through his divine body.

"I..." Kui Shen Banzun was stunned, and then reacted, "I'm still alive!"

Kui Shen Banzun even thought that he had already perished under this shot, but he did not expect that he was still alive; it was just that the divine body was severely damaged, and if another shot was fired, he would surely die.

"It's Xu Ming showing mercy!" Kui Shen Banzun immediately reacted, and at the same time he was more puzzled – why did Xu Ming show mercy?

You must know... Xu Ming's opponents can surrender and surrender; however, Xu Ming must fight to the death and cannot admit defeat!

Therefore, the powerhouses who generally challenge the "hundred victories" will not be merciful once they make a move – if they die, they will also drag a few more people to die together!

Just when Kui Shen Banzun was still in a daze, Xu Ming's voice sounded faintly again: "Call Dad!"

"I..." Kui Shen was about to vomit blood, but at this moment, his life was in Xu Ming's hands, but he didn't dare to be as arrogant as before.

"Call Dad! Or die!" Xu Ming said indifferently, "Alternatively, you can also try – it's faster for you to admit defeat, or faster for me to kill!"

"I..." Kui Shen Banzun saw it, this was humiliation!

Humiliating a strong man is much harder than killing a strong man!

Xu Ming is using this method to show his strength!

“three...”

“two...”

Xu Ming was impatient and immediately started the countdown.

“Dad!” Kui Shen Banzun gritted his teeth and shouted out – if he died, he would be nothing! It’s better to die than live!

In the real universe, of course, there are many strong people who regard dignity as more important than life; but obviously, Kui Shen Banzun is not one of them!

“Good!” Xu Ming smiled with satisfaction, “Next!”

but...

After a while, no one dared to step on the battlefield.

After all, Xu Ming’s strength in the first battle was too strong! Kui Shen Banzun didn’t even react, so he was defeated by Xu Ming; and obviously, if Xu Ming didn’t deliberately want to play Kui Shen Banzun, I’m afraid Kui Shen Banzun would be instantly killed, not even how he died. Know!

You must know that Kui God Banzun’s strength is already top-notch at the half-zun level! Even the Kui God Half-Prince has been defeated so badly, which half-Prince dares to go up and die...or be humiliated?

However, in the challenge of “hundred victories”, in the top ten battles, Xu Ming’s opponent can only be at the same level!

In other words, only the “half-honor” level can challenge Xu Ming.

It's no wonder that after Kui Shen Banzun called "Dad" and walked off the stage, no one dared to step on the stage for a while – why did you step on the stage? to die? Or call daddy?

"Am I bullying people too much?" Xu Ming couldn't help but wonder – you must know that Xu Ming's true cultivation is the peak of the supreme supreme! The strength has reached the supreme level! Bullying a group of half-respects is indeed too bullying!

"With a hundred victories, it is possible to get the quota of the 'Eternal Hall Named Disciple'! Bully others, just bully others!" Xu Ming secretly said.

After all, in addition to getting the "Eternal Hall Named Disciple" quota, Xu Ming must keep a low profile and not be noticed by other forces and powerhouses in the real universe – in the eyes of others, Xu Ming is simply too arrogant! The arrogance is over! But Xu Ming knew that what he did was not arrogant, but low-key!

It can even be said to be very low-key!

After all, the mere half-respect, no matter how defiant he behaves, will not attract the attention of the real powerhouses in the real universe! Therefore, Xu Ming dared to be so "arrogant and low-key"!

...

After waiting for a while, no one was on the stage.

Xu Ming couldn't help but urged: "Shenyu Battle Stage, isn't there a half-respected powerhouse who can fight?"

"Humph!" The Supreme Being of Killing Enemy snorted coldly, "How can there be no strong people in my Shenyu Battle Stage? – Yaomu Banzun, you go to battle!"

Yaomu Banzun's strength is slightly stronger than Kui Shen Banzun, but it's not much stronger; against Xu Ming, it can be said that he has no chance of winning.

However, the Supreme Being has orders to kill enemies, and Yaomu Banzun has to fight again.

“Yes...” Yaomu Banzun had to reluctantly boarded the battlefield.

And the Supreme Being who killed the enemy thought about it in his heart: “What other half-honor, the strength is relatively strong, but the integrity is relatively low?”

Yes!

The Supreme Being of Killing Enemy is looking for the Half-Prince with lower morals! Because... the high morality Banzun will definitely be killed by Xu Ming after he goes to the battlefield; while the low morality Banzun will be able to come back alive after calling “Dad”.

In the first ten battles, the Supreme Being of Killing Enemy knew that he could not pose any threat to Xu Ming; in this case, let’s minimize the losses of the Shenyu Battle Stage!

After all It is not easy to cultivate a top half-honor from the Shenyu Battle Stage!

...

“Yao Mu Banzun?” Xu Ming jokingly smiled and said, “Call Dad!”

Yaomu Banzun’s face was ugly: “Xu Ming, don’t deceive people too much! My Yaomu Banzun is also a person with a head and a face, and I...”

However, before Yao Mu Banzun’s voice fell, Xu Ming’s spear had already penetrated his divine body.

Yao Mu half-zun instantly damaged more than half of his divine body! This is obviously Xu Ming’s mercy!

“Call Dad!” Xu Ming said again.

This time, Yaomu Banzun finally recognized the reality; his moral integrity was relatively low, and he didn’t value his dignity over his life. After a symbolic hesitation, he kindly shouted, “Dad!”
