

A World 2041

Chapter 2041: What Will

There is no doubt that it is another “mantis catching cicada oriole behind”!

At this time, Yue Qun’s face, not to mention how ugly it was – it was about to rise to the top, and a high-ranking Supreme who had been squatting for a long time appeared!

In the face of Fu Baodi Supreme, Yue Qunsheng couldn’t bear the slightest idea of resistance.

How to resist?

“Supremacy of the lower position” against the “Supreme of the upper position”?

The mantis arm is the car! ?

“The Patriarch of the Moon Group!” Supreme Venerable Fu Baodi sneered, “You can’t do this kindly! – Back then, when I left you Yuezhi, you swore and promised me that once the treasure key of the Great Venerable of the Three Realms was once If it appears, you will report to me immediately! Now that the key appears, you didn’t tell me the first time! It’s not kind!”

Not being kind?

Yue Qun’s face was ugly – at that time, he said that, of course, to coax Fu Baodi Supreme. He thought that nothing would happen if he coaxed Fu Baodi Supreme, but he didn’t expect that the old fox never left, and was always lurking nearby.

Now, just as the Moon Demon took out the treasure key, Supreme Fu Baodi came immediately.

“It’s over!” Yue Qun’s face was ashen, “Years of hard work have all been in vain!”

Yue Qun didn't hesitate to kill the Moon Demon's parents, that is, his brother and sister-in-law, wasn't it just to get the treasure key? But now, just in the last step of success, someone has taken away the fruit of success.

Years of painstaking management, the organization is exhausted, all in vain!

"Humph!" Fu Baodi looked at Yue Qun with a playful look—of course he could see how angry and unwilling Yue Qun was at this time! But so what?

If Yue Qun is honest, Fu Baodi Supreme may not be able to spare his life; however, if Yue Qun dares to struggle, Fu Baodi Supreme will definitely send him on his way unceremoniously!

"Hahahaha..." Supreme Fu Baodi laughed loudly, walked past Yue Qun, and went straight to the direction of the Moon Demon.

At this time, Moon Demon of course understood the situation in front of him: "Fu Baodi Supreme?"

The Moon Demon has also heard the prestige of Fu Baodi Supreme, and knows that he is the "Superior Supreme"!

"Hey..." In the face of the absolute strength gap, the Moon Demon can only give up resistance; after all, no matter how much she resists, Fu Baodi Supreme can easily kill people and win treasures, "But no matter...in the hands of Fu Baodi Supreme It's better than falling into the hands of Yue Qun!"

Yue Qun comforted himself.

The last thing she wants to see is that the treasure key falls into the hands of Yue Qun! Now, it was taken away by Fu Baodi Supreme, and the Moon Demon might be able to take the opportunity to leave the Yuezhi safely, which is already a better ending!

The Moon Demon closed his eyes and sighed, ready to accept his fate.

"Haha!" Fu Baodi Supreme couldn't help but feel more and more proud – this is the feeling of being crushed by strength! Cool!

But at this moment, Yue Qun suddenly shouted: “Fu Baodi Supreme!”

“What’s the matter?” Fu Baodi Supreme was enjoying the feeling of being crushed by strength, and was suddenly interrupted by the moon group, which was naturally a little uncomfortable.

“Fu Baodi Supreme, I have something to remind you!” Yue Qun said seemingly kindly.

“Say!”

“This Xu Ming...” Yue Qun pointed at Xu Ming and said coldly, “Maybe he will soon become a disciple of the Eternal Palace! You have taken the treasure key from his friend now, will there be trouble in the future? , or think twice before doing it?”

Yue Qun seems to be reminding Fu Baodi Supreme to think twice and not to steal treasures casually, otherwise he may offend a future disciple of the Eternal Palace; but in fact... he is reminding Fu Baodi Supreme that there is a potential future here Strong enemy!

“Huh?” Sure enough, when Supreme Fu Baodi heard it, his expression changed slightly—even if he was a “high-ranking Supreme”, he had to be terrified of the identity of “Eternal Hall Disciple”!

However, let Fu Baodi Supreme just give up the treasure key that has almost been obtained? – This is impossible again!

“You said...” Fu Baodi said solemnly, “He may soon become a disciple of the Eternal Palace? What do you mean? That is to say...not yet a disciple of the Eternal Palace?”

“Yes!” Yue Qun continued, “This Xu Ming is the genius of Shenyu’s 100-beat victory! However, he has not yet been beckoned as a disciple by the Eternal Hall!”

“Not yet a disciple of the Eternal Palace...” A fierce light flashed in Fu Baodi’s eyes.

The disciple of the Eternal Hall, Fu Baodi Supreme naturally dare not kill!

If you kill the disciples of the Eternal Palace, you will be hunted down by the Eternal Palace! Even if he is a high-ranking supreme, under the pursuit of the Eternal Hall, there is absolutely no way to heaven and no way to enter the earth!

Because of this, no matter who it is, when they hear the words “Eternal Palace disciple”, they must be a little bit afraid first!

but...

Haven't really become a disciple of the Eternal Hall yet, this is another matter! – Eternal Palace, I won't be idle enough to do anything to avenge a disciple who hasn't been absorbed in!

That is to say... At least now, if Fu Baodi Supreme kills Xu Ming, he will not offend the Eternal Hall!

Therefore, thinking of this, Fu Baodi Supreme has already made a decision in his heart.

“Xu Ming?” Fu Baodi Supreme looked at Xu Ming and sneered, “I'm sorry! I don't want to be missed by a future disciple of the Eternal Palace! – Originally, you had the opportunity to join the Eternal Palace, and you may even hope to become Heavenly Supreme in the future. If you want to blame, blame yourself, you dare to interfere in other people's affairs before you become a disciple of the Eternal Palace!”

Xu Ming also looked at Fu Baodi Supreme, but did not speak.

“Xu Ming!” The Moon Demon said anxiously, “I killed you! Run away!”

However, when the Moon Demon transmits voices, he feels powerless—escape? Easy to say! In the face of “superior status”, how to escape?

At this moment, the Moon Demon only had deep self-blame in his heart – if it was just a miscalculation of the strength of the Moon Group, then although Xu Ming was also pitted, it was not too much! But now, from the Moon Demon's point of view, she completely killed Xu Ming!

“Escape?” Xu Ming said in a rhetorical tone.

Actually, Xu Ming is asking the Moon Demon – with my strength do I still need to escape?

However, when the Moon Demon heard it, it felt like Xu Ming was asking her back—how to escape? Can you escape?

“Xu Ming!” This is, Fu Baodi Supreme said again, “I respect your extraordinary talent, you can tell me what your last wish is! Maybe, I can help you do it!”

Last wish?

Hearing these two words, Yue Qun’s heart suddenly rose – he was most afraid of Xu Ming saying that his last wish was to let him die!

That Yue Qun really wanted to cry without tears!

“Last Wish...” Xu Ming pondered, “No!”

“Huh...” Yue Qun sighed.

“But...” Xu Ming said again, “There is something I want to tell you!”

“You say it!” Fu Baodi said proudly, and did not take Xu Ming in his eyes – after all, in his opinion, no matter how talented Xu Ming was, he was only a genius, not a real powerhouse! Not to be afraid!

“What I want to say is...” Xu Ming pondered.

Sudden-

boom! !

Xu Ming shot directly without warning, killing Fu Baodi Supreme!

With one shot, the unsuspecting Fu Baodi Supreme was blown away!

Chapter 2042: Rolling

With one shot, the unsuspecting Fu Baodi Supreme was blown away!

And Xu Ming, without the slightest hesitation, immediately pursued the victory.

boom! boom! boom! boom! ...

One shot after another, they kept blasting towards Fu Baodi Supreme.

In terms of real strength, Xu Ming and Fu Baodi Supreme should be considered the same level; even if Xu Ming is stronger, it should be limited! At least, Fu Baodi Supreme won't even have a chance to resist!

But now... Xu Ming suddenly attacked from a very close distance!

Fu Baodi Supreme would never have thought that Xu Ming would have a strength no weaker than him! Before he even had time to react, he was already bombarded by Xu Ming; Xu Ming chased after one shot, and he couldn't even raise his head!

boom! boom! boom! boom! ...

In the "Yue's" clan, everyone's eyes widened.

"This..."

"what's the situation!?"

"Fu Baodi Supreme, was... completely crushed!?"

Moon Demon was shocked!

The moon group was shocked!

All the great powers of Yuezhi were also shocked!

Fu Baodi Supreme was indeed completely crushed!

Like Yue Qun, his strength is relatively strong, and he can barely see the fight between Xu Ming and Fu Baodi Supreme – he saw that Fu Baodi Supreme was suppressed to death, only the power of parrying, no fighting back !

Although Xu Ming is suspected of sneak attack; but, even if it is a sneak attack, it is based on a certain strength! If there is not enough strength, even if it is a sneak attack, it is impossible for the sneak attack to succeed!

Just like Yue Qun, he has the strength of “Lower Earth Supreme”; however, if he dares to attack Fu Baodi Supreme, I am afraid that as soon as he makes a move, he will be slapped to death by Fu Baodi Supreme!

Xu Ming can sneak attack on Fu Baodi Supreme, and he will suppress the opponent to death, which means... Even if Xu Ming does not sneak attack, his strength is probably not inferior to Fu Baodi Supreme!

boom! boom! boom! boom! ...

Xu Ming continued to crush Fu Baodi Supreme, so that the opponent had no chance to counterattack at all!

“Is this Xu Ming’s true strength?” Moon Demon was completely stunned, “So...he has been hiding his strength!”

Yue Qun, on the other hand, wanted to cry but had no tears – if he had known that Xu Ming’s strength was so terrifying, how could he have dared to be arrogant?

But now, Yue Qun can only pray... Pray that the Supreme Lord of Violence will be able to stand up and turn defeat into victory!

However...

The situation is obviously not what Yue Qun expected – Fu Baodi Supreme also wants to live up to his expectations! But, can't fight!

From the very beginning of his shot, Xu Ming continued to keep crushing, so that he had no chance to resist! Even in this short period of time, Fu Baodi's divine body was damaged a lot.

“Brother Xu Ming! Brother Xu Ming!” Supreme Fu Baodi begged for mercy, “If you have something to say, can you stop first?”

stop?

Xu Ming couldn't help laughing – he finally seized the opportunity to sneak attack and beat a high-ranking supreme like a dog! How could it stop!

Xu Ming not only did not stop, on the contrary, the battle became more and more fierce!

Supreme Fu Baodi hated Yue Qun now – in his opinion, if it wasn't for what Yue Qun said, he would definitely not have done anything to Xu Ming; in that case, he would not have been caught by Xu Ming. Time for a sneak attack!

The genius of Shenyu battle platform hundred victory?

Future Eternal Hall disciple?

Fu Baodi Supreme just wanted to say: Fart!

What kind of genius is this! This is clearly a strong man who has grown up, okay?

“Xu Ming! Stop!” Fu Baodi Supreme continued, “As long as you stop, I am willing to dedicate the treasures stored in the ‘Daojie contract’ to you! Otherwise, if you kill me, you will not get any treasures. !”

The Taoist contract is a kind of “deposit contract” jointly issued by all the great masters in the “Tao World”, one of the eight realms of the true universe.

The powerhouses who have signed the Taoist contract can access treasures in any time and space in the universe! So... a strong man with a contract in the Taoist world, unless he takes the initiative to hand over his treasure; otherwise, even if he is killed, others will not be able to get his treasure!

And the Taoist contract, not everyone is qualified to sign! However, with the strength and identity of Fu Baodi Supreme, it is not difficult to sign the “Dao Realm Contract”!

“Haha!” Xu Ming couldn’t help laughing, “I don’t want to be missed by a high-ranking and supreme enemy!”

Xu Ming directly returned to him what Fu Baodi Supreme said before!

boom! boom! boom! boom! ...

Feeling that the divine body was getting weaker and weaker, Fu Baodi Supreme finally smelled the breath of death.

“I...” Fu Baodi’s face was full of bitterness – he never thought that he would capsize in a sewer in such a small place as Yuezhi.

“Damn it!” Fu Baodi Supreme was both regretful and angry, “Even if I die! I have to pull my back!!”

Fu Baodi’s supreme gaze immediately fell on Yue Qun – in his opinion, if it wasn’t for Yue Qun, he wouldn’t have died in the near future!

“Death to me!!”

call out-

Fu Baodi Supreme's figure directly turned into a streamer, and flew towards the moon group – he wanted to pull the moon group to die together!

“No!!” Yue Qun was extremely terrified—even if at this time, Supreme Fu Baodi had been seriously injured; however, the thin and dead camel was bigger than a horse, and it was not something he could compete with as a “low-level Supreme Being”!

“Is it over?” Yue Qun showed infinite horror, frantically urging all the great formations arranged in Yuezhi, and the power of the formation was added to resist the fatal blow of Fu Baodi Supreme!

boom! !

Fu Baodi Supreme's attack fell on Yue Qun.

The power of the high-ranking supreme, just one blow, almost uprooted the entire Yuezhi's great formation! And Yue Qun was directly seriously injured by this blow!

but...

The moon group is not dead!

“I'm not dead!?” Yue Qun couldn't help showing ecstasy Boom—

At this time, Xu Ming's attack also fell on Fu Baodi Supreme.

Fu Baodi Supreme was already at the end of his force, and he wanted to kill Yue Qun again, so naturally he couldn't guard against Xu Ming's attack!

As Xu Ming's attack fell, Fu Baodi Supreme was completely wiped out. When he was about to die, Supreme Fu Baodi stared at Yue Qun – he couldn't kill Yue Qun, he was not reconciled!

“Hu-” Yue Qun let out a long sigh of relief.

However, just as Yue Qun heaved a sigh of relief, he reacted abruptly—Although Supreme Fu Baodi is dead, Xu Ming is still there!

Xu Ming, compared to Supreme Fu Baodi, wanted to kill him even more!

Yue Qun was stunned for a while – facing Xu Ming, he couldn't even ask for mercy. After all, just now, before Xu Ming showed his strength, he was very arrogant; moreover, he also instigated Fu Baodi Supreme to deal with Xu Ming.

Xu Ming ignored the moon group, but looked at the moon demon and said with a smile, “What to do, you decide!”

However...

What Xu Ming didn't know was that at this time, the Supreme Being of Lang Yatian had already arrived at Shenyu City; and, accompanied by the Lord of Shenyu City, was rushing towards Yuezhi.

Chapter 2043: Offended Those Who Should Not Be Offended

call out-

call out-

Two figures with aloof aura swept across the sky unhurriedly.

Although it is not in a hurry, but if you look closely, you can find that these two figures are extremely fast! If it is an ordinary high-ranking supreme, even if it is to use the strength of feeding, it is impossible to catch up with these two figures!

And these two are the City Lord of Shenyu and the Supreme Being of Langyatian!

“Brother Shenyu, please come with me!” Lang Yatian said with a smile, “If it wasn't for your help, I want to find that Xu Ming, but I don't know how much effort it would take!”

The Supreme Lord of Langyatian only knew that Xu Ming was in Shenyu City. However, when he ran to Shenyu City to take a look, he found that Xu Ming was not here, but had already left Shenyu City.

Although the Supreme Being of Lang Yatian was powerful, it was impossible to calculate Xu Ming's position through cause and effect; therefore, he had to ask the City Lord Shenyu for help.

The Lord of Shenyu City naturally has a strong control over Shenyu City and its surrounding territories; with his intelligence network, it is naturally not difficult to know Xu Ming's location! — Unless Xu Ming deliberately concealed his whereabouts!

However, how could Xu Ming think that there would be a “Heavenly Supreme” powerhouse who would come to trouble him, and naturally he would not hide his whereabouts! Almost swaggeringly, he ran to Yuezhi!

Therefore, City Lord Shenyu checked where Xu Ming was, and accompanied Lang Yatian Supreme to find Xu Ming.

“Brother Langya said that, it's a shame!” City Lord Shenyu said with a smile, “It's just a trivial matter! Why bother?”

However, City Lord Shenyu felt a little sigh in his heart.

“Langyatian Supreme came to find Xu Ming, obviously it's not a good thing!” Shenyu City Lord secretly said, “After all, even if Xu Ming can be recruited as the official disciple of the Eternal Hall, it is impossible for Langyatian Supreme to condescend to come to him in person!”

If it's not a good thing, it's a bad thing!

“And...” Shenyu City Lord thought again, “I see the meaning in the voice of the Supreme Lord of Langyatian, Xu Ming must have offended the great power in the Eternal Palace for some reason! , so I came to kill Xu Ming!”

Thinking of this, Shenyu City Lord couldn't help sighing: “It's really an impermanent fate! Originally, Xu Ming became a genius of ‘hundred victories’ in the Shenyu battle stage, and he may

enter the Eternal Hall. It should be the time of spring breeze! Who would have thought... Xu Ming Not only did he fail to enter the Eternal Hall, but he brought death! It's a pity that a genius came out of our Shenyu City!"

However, City Lord Shenyu just sighed casually!

after all...

In the real universe, there are too many geniuses! But how many geniuses are there who can eventually grow into the powerhouse of the Heavenly Supreme Realm?

hardly!

Immortal Supremes are just ants! Shenyu City Lord naturally wouldn't sigh too much for Xu Ming, this "ant".

"The Yue clan's land is ahead!" said Shenyu City Lord, "Xu Ming should be there!"

However, when City Lord Shenyu spoke, he was also a little puzzled. Because... he felt a violent spatial shock in Yue's clan.

"It seems to be a fight at the high-ranking supreme level?" Shenyu City Lord secretly guessed, "Isn't the Yueshi in decline for a long time? Could it be that there are still hidden 'high-ranking supreme' level powerhouses in the clan?"

However, both City Lord Shenyu and Supreme Lord Lang Yatian were still a long way from the "Yue's" clan; and at this time, the Yue clan was still shrouded in formations. Therefore, it is not easy for the two of them to penetrate the formation to observe the situation inside the Yue Clan.

"Oh? The spatial vibration has subsided? It seems... the battle at the upper-level supreme level is over!" Soon, Shenyu City Lord felt again, "Xu Ming shouldn't have died in the battle just now, right?"

If Xu Ming is dead, then he and Lang Yatian Supreme will be running for nothing!

The Supreme Being of Lang Yatian also said, “Hurry up and take a look! If Xu Ming was affected by the battle and died, if he rushes over now, and can still see the traces, I might as well go back for business!”

“it is good!”

Shenyu City Lord said, and the two of them speeded up and rushed towards the Yue clan angrily.

...

In the “Yue’s” clan.

The Moon Demon looked at Yue Qun with cold eyes – Xu Ming had already told her that it would be her decision to deal with Yue Qun; so now, Yue Qun’s life and death were completely in her hands.

“Niece of the Moon Demon! I know I was wrong!” Yue Qun begged for mercy again and again, “I’m your uncle anyway! For the sake of blood, and for the sake of the clan, please let me go...”

“Ha!” Moon Demon smiled coldly, “You still know that you are my uncle? Then... when you killed my parents, did you forget about it?”

“I... I’m doing this for the clan too!” Yue Qun continued, “Our Yue clan has declined to such an extent, but your parents still refuse to listen to me and open up the treasure of the Great Venerable! Although I do something to your parents, But that’s also for clan tyranny, isn’t this also wrong?”

Yue Qun was talking, and there was even a sense of righteousness surging on his body!

“For the clan?” The Moon Demon laughed.

For the sake of the clan, can we kill each other?

Besides... the Moon Demon is not a child, so how could he be coaxed so easily?

Is Yue Qun really for the clan, or for her own selfishness, how could she not have her own judgment?

“Xu Ming, please help me kill him!” There was no sympathy on the Moon Demon’s face.

“Okay!” Xu Ming said lightly.

For him, killing a seriously injured “low-level supreme” is also a piece of cake.

Moreover, even if it wasn’t to help the Moon Demon, Xu Ming had to kill Yue Qun.

“No—” Yue Qun was terrified.

However, the time and space of the entire clan was already under Xu Ming’s control. Yue Qun struggled hard, but it was difficult to even move.

“Then...die!” Xu Ming was about to start.

But at this moment-

boom! !

An unstoppable force rolled down from the sky!

Under this terrifying power, Yuezhi’s great formation shattered almost in an instant!

At the same time, two tall figures stood in the sky like a red sun.

“This is...”

In the entire Yue Clan, everyone could not help but hold their breath. Even Xu Ming couldn’t help but stop the killer.

“One of them is the Lord of Shenyu City!”

Someone soon recognized it.

“The other person who is on a par with City Lord Shenyu should also be the Supreme Being of Heaven!”

However, Yue Qun recognized the Supreme Lord of Lang Yatian and couldn't help exclaiming: “That is the Supreme Lord of Lang Yatian from the Eternal Palace! He is in the Eternal Palace and is in charge of the reception of new disciples!”

When everyone heard this, they couldn't help but turn their eyes to Xu Ming, and they all looked shocked – could it be that Xu Ming's talent is so terrifying? Even let the Heavenly Sovereign of the Eternal Hall come to receive him in person?

Even Xu Ming himself was a little surprised – he did not expect that the Eternal Palace would send the Heavenly Supreme to find him.

“I have already hidden most of my talents. Is it still of such great value in the eyes of the Eternal Palace? Is it worthy of the Heavenly Sovereign's personal presence?” Xu Ming felt that something was wrong.

and...

Xu Ming felt a trace of unkindness in the body of the Supreme Being of Langyatian!

“Bad comers?”

Xu Ming suddenly became vigilant.

“Xu Ming?” With everyone's gaze, Supreme Lord Lang Yatian guessed instantly which one was Xu Ming; he turned his gaze to Xu Ming and said indifferently, “But don't be too happy, I'm not here to pick you up. Yours, but to... kill you!”

“What!?” Xu Ming was shocked.

“Hahahaha...” Seeing Xu Ming’s shock, the Supreme Being of Langyatian couldn’t help but grinned, “Don’t blame me! If you want to blame... just blame you for offending someone who shouldn’t be offended!”

Chapter 2044: 2 Way

“If you want to blame... just blame you for offending people who shouldn’t be offended!”

The Supreme Being of Langyatian laughed hideously.

Offend someone who shouldn’t be offended?

Xu Ming was stunned for a moment – how long has he just arrived in the real universe? The scope of activities, that is, within the territory of Shenyu City, how could it be possible to offend the power of the Eternal Hall?

Xu Ming even wanted to ask the other party: Did you make a mistake!

Yue Qun couldn’t help but a look of joy flashed in his eyes – he saw that Xu Ming was in trouble! In other words, he can survive!

The Moon Demon could only look at Xu Ming worriedly—things at this level were simply not something she could interfere with!

“Sure enough!” City Lord Shenyu glanced at Xu Ming sympathetically, thinking inwardly. On the way here, Shenyu City Lord guessed that Xu Ming should have offended some great power in the Eternal Hall.

Xu Ming couldn’t help frowning and said: “Langyatian Supreme, are you mistaken? – I have never even left the territory of Shenyu City, how could I offend the great power of Eternal Hall?”

“What’s wrong?” Supreme Venerable Lang Yatian sneered, “It’s okay! I’ll let you die more willingly! – I’ll tell you a name, you listen, if you know what’s going on, you’ll understand. If you don’t know, then you can only die without knowing it!”

The meaning of the Supreme Being of Langyatian is very simple – if you know, you will die, and if you don't know, you will die! It's nothing more than the difference between “the dead understand” and “the dead don't understand”!

Xu Ming didn't speak, just listened.

“Listen! This name is—” Lang Yatian Supreme said aloofly, “Jian Yitian Supreme!”

Jian Yitian Supreme!

“It's him!” As soon as Xu Ming heard the name, he immediately understood what was going on – he must have come to the real universe and was discovered by Jian Yi!

Jian Yi, in order to pursue Xu Yin, will not break his hand! He didn't know that Xu Ming was actually Xu Yin's father, not a suitor; when he found out that Xu Ming had come to the real universe, he actually sent someone to kill Xu Ming!

“Really!” Xu Ming couldn't help sighing – he thought that he would not be discovered by Jian Yi when he joined the Eternal Palace; when he arrived at the Eternal Palace, even if he was discovered, there was nothing to worry about! However, it was discovered by Jian Yi!

Moreover, Jian Yi was really ruthless, and he directly sent the Heavenly Supreme Powerhouse to kill him!

“Enough!” How could Xu Ming want to see such a vicious person approaching his daughter?

“Supreme Jian Yitian?” The City Lord Shenyu couldn't help being secretly shocked when he heard the name, and he also looked at Lang Yatian Supreme a little bit in his heart, “So...Langya Tian Supreme is doing things for Jian Yitian Supreme! ”

Jian Yitian Supreme, now at the Heavenly Supreme level, although it is not that strong; however, the powerhouses in the Eternal Domain all know that Jianyitian Supreme has the potential to become the top Heavenly Supreme! Even... there is a hint of the potential to become a “great master”!

The Supreme Being of Langya Tian is now working for the Supreme Being of Jian Yitian, and it is very likely that he will become the direct descendant of the Supreme Being of Jian Yitian in the future – this makes the Shenyu City Lord, naturally in awe!

After all, the Lord of Shenyu City put it bluntly just as a “Lower Heavenly Supreme” with no backing.

“Humph!” Seeing Xu Ming’s reaction, Sovereign Langyatian couldn’t help laughing, “It seems that you know why Sovereign Jian Yitian wants to deal with you! You didn’t deserve to die!”

“That’s great!” Yue Qun was even more excited at this time, “Xu Ming is dead! – When Xu Ming is dead, the Supreme Lord of Langyatian and City Lord Shenyu should leave soon, and then... in the hands of the Moon Demon. My treasure key is still mine! It’s a twist! It’s a twist!”

Yue Qun really never thought that in such a desperate situation, he could still turn around!

“If you don’t die, you will have good luck! I have survived, and when I enter the treasure of the Great Venerable of the Three Realms, there will be great opportunities waiting for me! Hahahaha...” Yue Qun was overjoyed. If it wasn’t for Xu Ming being next to him, and the City Lord of Shenyu and the Supreme Being of Lang Yatian, he would probably have been laughing at the sky.

Originally, Yue Qun wanted to remind the Supreme Being of Lang Yatian that Xu Ming had the strength of “Supreme Supreme”! However, he was worried that if he said what he said, Xu Ming would desperately attack him first, and he would cry without tears, so after thinking about it, he didn’t remind him.

Moreover, in the eyes of Yue Qun, even if Xu Ming has the strength of “high-ranking supreme”, facing the existence of the heavenly supreme level, he will surely die!

The Sovereign of Earth and the Sovereign of Heaven are like a moat every other day!

In front of Tian Zhizun, even if it is a “superior terrestrial Supreme”, it is impossible to set off any waves!

...

“Heavenly Supreme?”

Xu Ming looked at the Supreme Being of Lang Yatian, but he was not worried.

Because... Xu Ming really has nothing to worry about!

“On the basis of the Supreme Being of Langyatian, it is impossible to threaten me!” Xu Ming secretly said in his heart.

In fact, there are currently two paths in front of Xu Ming, for Xu Ming to choose.

The first way, that is... deliberately killed by the Supreme Lord of Langyatian!

Yes!

Killed on purpose!

Anyway, Xu Ming has “Infinite Resurrection” hanging on! The hanging points on his body can even make him resurrect millions of times! So... for Xu Ming, being killed once, there is almost no loss at all!

And the second way is... to face the Supreme Being of Langya Heaven!

Xu Ming’s strength is only “high-ranking supreme”, and he has not reached the level of heavenly supremacy! It stands to reason that there is almost no hope of trying to shake the Supreme Being of Langyatian! But... don’t forget, Xu Ming still has a “Breakthrough God Weapon” in his hands!

Boundary gun!

The divine weapon of breaking the world... is the most peak divine weapon in the entire universe!

Under normal circumstances Even the worst world-breaking magic weapon is in the hands of the “High Heaven Supreme” or even the “Great Master”! The median heavenly supreme and the lower earth supreme are not qualified to possess the divine weapon of breaking the world!

And even the worst world-breaking magic weapon is enough to make up for the almost insurmountable shackles and gaps between the “high-ranking supreme” and “lower-ranking supreme”! Let a “superior place supreme” have the strength to rival the “lower place supreme”! – This is still the “worst” world-breaking magic weapon!

And the world-breaking gun, will it be the “worst” world-breaking magic weapon?

Xu Ming didn’t know how strong the Boundary-Breaking Spear was among the Boundary-Breaking Divine Soldiers; however, Xu Ming was sure that it was by no means the “worst”! – After all, if even the Boundary Breaker Spear can only be regarded as the worst Boundary Breacher, then Xu Ming can’t imagine how powerful a Boundary Breacher must be!

So, it won’t be the “worst”!

Since it is not the “worst”, then Xu Ming can rely on the Boundary Breaker Spear to match the “Lower Heaven Supreme” or even the “Middle Heaven Supreme”!

Xu Ming is confident, once the Boundary Breaker Spear is fired, let alone the Supreme Being of Langyatian! Even if you add the Shenyu City Lord on the side, you can fight it!

Two ways!

Two hole cards!

Xu Ming fell into hesitation, unable to decide for a while which hole card to use.

Chapter 2045: Underestimated

?Xu Ming fell into hesitation, unable to decide for a while, which hole card to use.

because...

No matter how you choose, it is bound to expose a hole card!

If you use “Infinite Resurrection” to hang, then... you are clearly killed by the Supreme Lord of Lang Yatian, and he will appear in the real universe in the future, which will definitely arouse the attention and suspicion of the superpowers in the real universe!

“Infinite Resurrection” hangs, but Xu Ming will have the biggest trump card in the face of “Great Master” in the future! If the Great Seniors had guessed it now, it would undoubtedly be extremely unfavorable to Xu Ming!

And if you choose to use the world-breaking gun, you will expose yourself to have a world-breaking magic weapon!

“I really didn’t expect... I just arrived in the real universe not long ago, and I was forced to use a hole card!” Xu Ming was helpless.

At the same time, Xu Ming hated Jian Yi even more!

If it wasn’t for Jian Yi, how could Xu Ming be forced to use the bottom card?

...

“Xu Ming, are you ready for death?”

The Supreme Being of Langyatian is aloof and indifferent.

In Langya Tianzun’s eyes, he is a “Heavenly Supreme” level of cultivation! And Xu Ming, but only the cultivation of “ordinary low-ranking supreme”! Even if Xu Ming’s talent is high and the sky is against the sky, what waves can he make?

The Supreme Being of Langya Tian didn’t know yet, but Xu Ming actually possessed the strength of “Supremacy of High Rank”! One of the fluctuations in the level of “high-ranking supreme” that he and Shenyu City Lord felt just now was Xu Ming—but, even if Langyatian Supreme knew about

it, he wouldn't take it to heart! In his opinion, even if it is the "superior, how can it threaten the existence of the "Heavenly Supreme" level?

Therefore, although the Supreme Lord of Langya Tian and the City Lord of Shenyu had already sensed that there was a "Supreme Supreme" in the Yue clan, but after they arrived, they were too lazy to find out that "Supreme Supreme" – after all, Langya Tian Zhizun came this time, just for Xu Ming, and didn't want to make extra troubles.

but...

The funny thing is, the Supreme Being of Lang Yatian thinks that everything is in control, but he doesn't know... In fact, Xu Ming is the real and always invincible!

In any case, Xu Ming's life could not be in danger! For Xu Ming, the only problem is... **** the Supreme Being of Langyatian!

"Die!!" The Supreme Lord of Langyatian sneered and rushed towards Xu Ming—the order of the Supreme Sword Yitian was to let him kill Xu Ming on the spot, and don't let Xu Ming have the opportunity to come to the Eternal Palace!

Therefore, the Supreme Being of Langyatian didn't even think about catching Xu Ming alive, as soon as he made a shot, it was a killing move!

"The shot is really ruthless!" Xu Ming sneered secretly, "It seems... Jian Yi's order for him is to kill!"

Seeing that the Supreme Being of Lang Yatian was killing him, Xu Ming finally made up his mind.

"Humph! There's only a 'Lower Heaven Supreme', I'm not qualified to force me to use 'Infinite Resurrection' to hang! Besides... If I die in the hands of a 'Lower Heaven Supreme', it's too embarrassing!"

Even if Xu Ming died, he couldn't die in the hands of the mere "Lower Heavenly Sovereign"!

"And... it's just a 'Lower Heaven Supreme', if I avoid it and don't fight; then how will I face the 'Great Venerable' powerhouse in the future!?"

Then... battle!

Just use the blood of the Supreme Being of Lang Yatian to declare that he has come to the true universe!

“kill!”

Xu Ming decided to use the Boundary Breaker Spear!

“Although the World-Breaking Spear is a World-Breaking Divine Soldier,... as far as I know, within the real cosmos, the number of World-Breaking Divine Soldiers should be quite numerous; many ‘superior celestial beings’ have Divine World-Breaking Divine Soldiers!” Xu Ming secretly said, “I use the Boundary Breaker Spear, and it is estimated that at most, it will attract the attention of some ‘High Heaven Supreme’, and it should not attract the attention of the ‘Great Venerable’!”

What Xu Ming was most afraid of was being noticed by the “Great Zun” powerhouse!

For example, using the “Infinite Resurrection” link is very likely to attract the attention of the “Great Master”! And it should be fine to use the world-shattering magic weapon!

And as long as it doesn’t attract the attention of the “Great Master”, in Xu Ming’s opinion, it is still within his controllable range!

“Boundary-breaking gun... just let me feel your power!”

Since Xu Ming got the Boundary Breaker Spear, he has never used it! One is for confidentiality, in order to prevent others from knowing, the Boundary-Breaking Spear was obtained by him; the other is because... Xu Ming’s previous strength was not enough to motivate the Boundary-Breaking Spear!

After all, the world-shattering magic weapon cannot be motivated by anyone! What’s more, the Boundary-Breaking Spear, even if it is placed in the Boundary-Breaking Divine Soldier, should be unusual! You must know that the body of the Boundary-Breaking Spear, just a small part of it, forms the main continent of the eternal battlefield; the Boundary-Breaking Spear is extraordinary, one can imagine it!

But now, Xu Ming has the strength of “high-ranking supreme”, and he is already able to mobilize the Boundary-Breaking Spear! Even if he can’t exert his full power, at least he can activate it normally!

“bring it on!”

Xu Ming felt that beyond the endlessly distant time and space, the Boundary Breaker Spear was shooting towards him at a speed that was unrestricted by time and space! It seems that it only takes an instant to appear in your own hands! -Xu Ming knew that this was the “Tao Realm Contract”!

It is precisely because of the “Tao Realm Contract” that Xu Ming can use the Boundary Breaker gun anytime, anywhere, whether he is in the real universe or the virtual universe!

It’s too late to say...

In an instant, Xu Ming was already holding the boundary-breaking gun!

“It’s so heavy!”

Even Xu Ming’s current strength felt the heaviness of the Boundary Breaker Spear.

At the same time, there is also the endless and vast power hidden in the Boundary Breaker Gun!

“Death—” The Supreme Being of Lang Yatian arrived in front of Xu Ming in a flash.

Xu Ming raised his spear and shot out angrily.

boom! !

Feeling the power of this gun, Xu Ming was sure that it was definitely at the level of “Heavenly Supreme”! Because... it is too much beyond the “superior position”!

Even Xu Ming felt that even the “Lower Heaven Supreme” was not so strong!

“As expected of a world-breaking soldier!” Xu Ming secretly said, “With the world-breaking spear, I should be able to rival Langyatian Supreme and Shenyu City Lord!”

While thinking about it, Xu Ming and the Supreme Being of Lang Yatian almost collided!

“Huh?” At this moment, the face of the Supreme Being of Lang Yatian suddenly flashed an extremely horrified color – he finally felt the power contained in the shattering gun!

But it’s too late!

boom! !

A collision!

Xu Ming was safe and sound, but the divine body of the Supreme Being of Lang Yatian was penetrated instantly! Even... Lang Yatian Supreme’s entire divine body collapsed under this shot!

“I...I...you...” Lang Yatian Supreme wanted to say something, but he could never say it!

Only one shot, the Supreme Lord of Langyatian, die!

Kill the Supreme Being in one shot!

“What!?” Even Xu Ming himself was stunned – he thought that it would be good to be able to suppress the Supreme Lord of Langyatian and the City Lord of Shenyu with the help of the Boundary Breaker Spear; he never thought that he would kill him with a single shot. The Sovereign of Langyatian!

“too strong!”

It’s not that Xu Ming is too strong!

But the Boundary Breaker is too powerful!

Only then did Xu Ming realize that he underestimated the Boundary Breaker Spear!

I'm afraid... even at the level of "Breaking the World", they are extremely powerful existences!

Chapter 2046: The History Of The Boundary Gun

? "Yue's" clan.

Everyone was in shock.

No one thought it would turn out like this...

One shot!

Just one shot!

Xu Ming instantly killed the "Heavenly Supreme" powerhouse!

Moreover, you must know—Langya Heavenly Sovereign, but the Heavenly Sovereign of the "Eternal Palace"! Compared with the lower-ranked Heavenly Supremes of other forces, they are stronger; but even so, they were killed by Xu Ming with one shot!

So, what level should Xu Ming's strength reach?

...

"What!?" City Lord Shenyu naturally fell into deep horror.

He originally thought that killing Xu Ming this time would definitely be a matter of grasping at his fingertips! If nothing else, Lang Yatian Supreme should be able to kill Xu Ming in one move!

But now, something unexpected happened!

And this accident is really big! —Xu Ming in turn killed the Supreme Being of Langyatian in one move!

“How is that possible...” City Lord Shenyu looked at Xu Ming in disbelief. No matter how he feels, this is impossible, but it really happened!

However, how could the eyesight of City Lord Shenyu be ordinary?

In an instant, he could see the extraordinariness of the spear in Xu Ming’s hand!

“This is...” The horror on the face of Shenyu City Lord was even stronger, “Boundary-breaking gun!?”

The Boundary-Breaking Spear should be considered very famous among the many “Boundary-Breaking Divine Soldiers”!

One is because, for a long time in the past, the Boundary-Breaking Spear was an “unowned” Boundary-Breaking Weapon! You must know that in the entire universe, almost all the world-shattering weapons are “owned”; an “unowned” world-shattering weapon will naturally attract special attention! And...because the Boundary-Breaking Spear is within the scope of the virtual universe, there are even quite a few Heavenly Supremes, in order to obtain the Boundary-Breaking Spear, they don’t hesitate to reincarnate to fight for that chance!

The second is because... the “former owner” of the Boundary-Breaking Gun is amazing!

Yes!

Amazing!

The former owner of the Boundary-Breaking Gun is the undisputed number one powerhouse in the “Fourth Cosmos Era” – Kunpeng Dazun!

One can imagine the popularity of the weapon of the first powerhouse in the “cosmos era”, the Boundary Breaker Gun!

The third is because... the Boundary Breaker Spear is very strong!

That's right! Strong!

Even among the many "Boundary-Breaking Divine Weapons", the Boundary-Breaking Spear is definitely one of the top ones—Xu Ming doesn't know how powerful the Boundary-Breaking Spear is, but the City Lord Shenyu does!

Therefore, seeing that the Boundary Breaker Spear was actually in Xu Ming's hands, the shock of City Lord Shenyu could be imagined.

However, the Lord of Shenyu City was also a little puzzled: "Didn't you say... that the Boundary Breaker Spear was obtained by Grandpa Taihao? Why did it appear in Xu Ming's hands?"

Father-in-law Taihao...is a "Heaven Supreme" who has embarked on the road of reincarnation!

At that time, in the world of Jiuzhongtian, Gong Taihao used Xu Ming to start the assessment of the breaking gun! But the funny thing is that in the end, not only did the three treasures, the Boundary Spear, Feng Zhou Ding, and Kun Tu, fall into Xu Ming's hands, but also the father-in-law Tai Hao became the "Bad Man"!

The powerhouses in the entire universe thought that the Boundary Breaker Spear was actually obtained by Gong Taihao; they also sent a lot of powerhouses to chase and kill Gong Taihao in the virtual universe. But he didn't know that what Gong Taihao was sticking to was actually just a "fake".

Without thinking about it, City Lord Shenyu turned his attention to Xu Ming again.

"Although the Boundary Breaker Spear is strong, but..." The Lord of Shenyu City looked serious, "but Xu Ming's strength is not weak! Otherwise, even if the Boundary Breaker Spear is in his hand, he will not be able to move it!"

Shenyu City Lord judged that Xu Ming should have the strength of "superior position"!

“Could it be that... on the way here before, the power of the ‘high-ranking supreme’ that I felt was Xu Ming?” Shenyu City Lord couldn’t help but think, “It should be! – However, the Boundary-Breaking Spear is worthy of being a Boundary-breaking Spear. Kunpeng Great Venerable’s former weapon! In the hands of a ‘superior supreme’, he could kill the ‘lower supreme’ with a single shot... Langyatian supreme, although it is not the top among the ‘lower supreme supreme’; but , To be able to kill him with one shot, Xu Ming’s attack is at least the most powerful level in the ‘Median Heaven Supreme’!”

This shows that Xu Ming, with the help of the Boundary Breaker Spear, has forcibly raised two great realms in his attack!

These are not the two great realms of the ordinary supreme and the human supreme level, but the two great realms of the heavenly supreme level!

You must know that at the “Heavenly Supreme” level, let alone two great realms, even if it is just one realm to conquer, it is very difficult to happen! Only a handful of top geniuses in the entire universe can achieve a new level at the level of “Heavenly Supreme”!

“However... the death of the Supreme Lord of Langyatian is unfair enough!” Shenyu City Lord couldn’t help thinking.

Is wrong enough!

Although Xu Ming has reached the “Median Heavenly Supreme” level in terms of attack by relying on the Boundary Breaker Spear, this does not mean that Xu Ming’s strength has also reached the “Median Heavenly Supreme” level!

After all, Xu Ming’s defense and other aspects are only at the level of “high-ranking supreme”; it’s just that his attack is very strong!

Therefore, if the Supreme Lord of Langyatian was a little more careful, he would not have been killed by Xu Ming with a single shot! It can only be said that when the Sovereign of Lang Yatian faced Xu Ming, he was too careless; he never thought that a mere “ordinary supreme” Xu Ming would threaten him. By the time he reacted, it was too late. !

“But even me, before I know that Xu Ming has the Boundary Breaker Spear, I’m afraid I’ll be as careless as Lang Yatian Supreme!” Shenyu City Lord thought fearfully – fortunately it was Lang Yatian Supreme who shot, if it was him who shot , it may be him who died!

Thinking of this, City Lord Shenyu couldn't help but feel fortunate.

“Huh?” At this time, Xu Ming cast a glance at the City Lord of Shenyu – City Lord of Shenyu and Lang Yatian Supreme came together! Now that the Supreme Being of Langyatian is dead, Xu Ming naturally has to focus on the Lord of Shenyu City!

Shenyu City Lord was startled, and without any hesitation, he continued, “Xu Ming, although you have the Boundary Breaker in your hands, if we really fight for life and death, I'm not necessarily afraid of you; It will be bigger! However, I don't want to be your enemy—I just show the way for the Supreme Lord of Lang Yatian, there is no conflict between you and me!”

The City Lord of Shenyu really did not want to be an enemy of Xu Ming.

Although he was jealous of the Boundary-Breaking Spear in Xu Ming's hands, he knew better that with his strength, he could not keep the Boundary-Breaking Spear at all—the Boundary-Breaking Spear was not something that the “Lower Heavenly Supreme” could possess!

Therefore, even if the Boundary Breaker Spear is in the hands of the God Feather City Lord, it is a misfortune rather than a blessing for him! The City Lord Shenyu is very clear about this, so he will not be the enemy of Xu Ming for the Boundary Breaker Spear!

Since City Lord Shenyu doesn't want the Boundary Breaker Spear, then... as he said, there was no conflict between him and Xu Ming before!

“Really?” Xu Ming smiled noncommittally – he didn't hear anything, he just believed it Believe it or not, I'm leaving! “Shenyu City Lord said, turned and left – this is the best statement!

Xu Ming watched City Lord Shenyu leave, but he didn't make a move!

Of course, Xu Ming is not afraid of City Lord Shenyu, but, for Xu Ming, there is no benefit to taking action against City Lord Shenyu – there is no treasure in City Lord Shenyu that Xu Ming really wants!

Therefore, there is no benefit to attacking City Lord Shenyu, and it may expose the “infinite resurrection”. In this case, if City Lord Shenyu does not take the initiative to take action against himself, Xu Ming will not take action against City Lord Shenyu!

Each other’s well water does not make river water!

but...

Shenyu City Lord just flew out not far, but suddenly turned around.

Chapter 2047: Few People Know

? City Lord Shenyu just flew out not too far, but suddenly turned around.

“Um?”

Xu Ming immediately became vigilant and was ready to take action at any time.

“Haha! Don’t be nervous!” Shenyu City Lord smiled, “I have no other intentions, I just want to remind you a word!”

“What?” Xu Ming asked.

“Remind you... Be ready for the endless pursuit!” said the Lord of Shenyu City.

“What do you mean?” Xu Ming frowned suddenly.

Shenyu City Lord said again: “Langya Heavenly Sovereign, but the Heavenly Sovereign of the ‘Eternal Palace’! Although he is only the ‘Lower Heavenly Sovereign’, you must know that even the ‘Higher Heavenly Sovereign’ of other forces would not dare to kill the Eternal Palace. The ‘Lower Heaven Supreme’; once killed, he will face the revenge of the Eternal Hall!”

After a pause, City Lord Shenyu continued: “Eternal Palace, I won’t tell you who is right and who is wrong! Eternal Palace is right; the enemy of Eternal Palace is wrong! What’s more... Lang Yatian

Supreme is originally in Eternal Palace. The almighty sent out to kill you, you have killed the Supreme Lord of Langyatian now, how could the Eternal Palace not take revenge? – If I am not mistaken, you are now under the surveillance of Eternal Palace! No matter if you escape to the real universe It is impossible to escape the pursuit of the Eternal Hall!”

The Eternal Hall is the strongest force in the entire universe!

none of them!

So... in the rules of the Eternal Hall, there is no “who is right and who is wrong”, only “whoever goes against me will perish”!

And now, Xu Ming is the person who goes against the Eternal Palace!

Shenyu City Lord said again: “Don’t look at you have a breaking gun in your hand, you can kill Lang Yatian Supreme with one shot; but in the eyes of the real almighty in the Eternal Palace, you are nothing at all! The Eternal Palace only needs to send out a Being a ‘higher heavenly supreme’ can easily kill you!”

Xu Ming couldn’t help frowning deeper.

He knew that what City Lord Shenyu said was the truth! With his current strength, it is impossible to compete with the “High Heaven Supreme”!

Once the “High Heaven Supreme” arrives, Xu Ming will be killed without any resistance!

“Could it be that... it can only be exposed that the ‘Infinite Resurrection’ hangs up?” Xu Ming never expected that killing a Langyatian Supreme would lead to so much trouble; if he had known earlier, Xu Ming might not have used the Boundary Breaker, Will choose to expose the “infinite resurrection” hanging!

After all, exposing only one hole card is better than exposing two hole cards at the same time, right?

“And...” City Lord Shenyu said again, “Your troubles are not just from the Eternal Hall!”

“Why?”

“Do you know the origin of the Boundary Breaker Spear?” asked Shenyu City Lord.

Xu Ming shook his head.

The Lord of Shenyu City said: “The Boundary-Breaking Spear is the weapon used by the Great Venerable Kunpeng! The Kunpeng family has always regarded the Boundary-breaking Spear as a treasure of the clan! I am afraid that soon, the Kunpeng Clan will know that the Boundary-breaking Spear is in your hands. , and will come after you! – So, it’s not just the Eternal Palace that is chasing you, but also the Kunpeng family! But...”

The Lord of Shenyu City sneered: “But... the pursuit of the Kunpeng clan, you don’t have to care too much!”

“Oh?” Xu Ming wondered, “Why?”

“Haha! It’s very simple – because the pursuit of the Eternal Palace will definitely come before the Kunpeng family! And you, it is impossible for you to survive the pursuit of the Eternal Palace!” Shenyu City Lord smiled, “In that case, the Kunpeng family What does it have to do with you? Of course you can ignore it!”

Shenyu City Lord said, turned and left, his voice drifted in time and space: “Then I wish you... can live for a while longer!”

Xu Ming fell into deep thought: “It seems that there is indeed trouble!”

Before, Xu Ming did not expect that just killing a Langyatian Supreme would be equivalent to stabbing a hornet’s nest.

“Take a step and see a step! Soldiers are coming to block the water and cover the soil!” Xu Ming sighed and said secretly, “If there is really no way, we have to expose the ‘infinite resurrection’ and hang it!”

“Infinite Resurrection” is already Xu Ming’s last trump card!

Xu Ming really didn't want to easily expose this last trump card!

Immediately, Xu Ming's eyes turned to Yue Qun – even if he continued, Xu Ming had to face the pursuit of the Eternal Hall; but before that, the grievances between him and Yue Qun had to be resolved first!

...

Eternal Temple.

An eternal existence suddenly opened his eyes.

In his eyes, it seems to reflect the entire universe! In one eye, is the real universe; in the other eye, is the virtual universe!

“what!?”

This timeless and eternal existence is murderous in vain.

“Someone dares to kill the Heavenly Sovereign of my Eternal Hall!?”

It has been a long time, endless years, and the Heavenly Sovereign who has no Eternal Hall has fallen!

because...

Looking at the real universe, no one dares to kill the Heavenly Sovereign of the Eternal Hall!

Even the “Great Venerable” powerhouses of other forces would not dare to casually kill the Heavenly Sovereign of the Eternal Hall! – You must know that if the Eternal Hall is really willing to pay the price, it even has the ability to kill the “Great Senior”!

Of course, the status of the Eternal Hall is extremely detached, and it is almost impossible to have any conflict with the great masters of other forces.

“The one who fell... is the Supreme Lord of Langyatian!” The eternal existence of the ancient times, his expression softened a little, “Fortunately, it is only the ‘Lower Heaven Supreme’, if you pay a big price, there may be hope of resurrection!”

Yes!

The Eternal Hall even has the means to revive the “Lower Heavenly Sovereign”!

Of course, this kind of method that is almost contrary to the “rules of the real universe” is undoubtedly extremely expensive, and it may not be successful! Even, because the price is too high, the Eternal Palace may not be willing to resurrect the Supreme Being of Langyatian!

“Humph! Let me see, who is so daring to kill the Heavenly Sovereign of my Eternal Hall!”

This eternal existence doesn’t care who is right and who is wrong at all; he only needs to know who killed the Supreme Being of Langyatian and then sent someone to take revenge, that’s all!

Whoa!

Eternal existence waved. In front of him, a mechanical ball with an extremely complex secret pattern appeared.

Every secret pattern on the mechanical ball seems to be the rules of the true universe!

This... is a world-shattering magic weapon!

Moreover, among the world-breaking gods, it is also the top treasure! Compared to the Boundary Breaker Spear in Xu Ming’s hands, I’m afraid it won’t be much weaker!

The eternal existence drives the mechanical sphere.

Soon, the picture of Xu Ming killing the Supreme Being of Lang Yatian was reflected in the eyes of this eternal existence.

“Um?”

Eternal existence soon figured out how Langyatian Supreme died.

“This person is...” The Eternal Existence was slightly shocked, “Xu Ming!?—He actually came to the real universe?”

The name “Xu Ming” may not have much fame in the real universe, and few people know it. Like “Jian Yi”, if he hadn’t had a grudge against Xu Ming before, he wouldn’t have known the name “Xu Ming” at all.

but...

Almost all of the “rare people” who know the name “Xu Ming” are Da Zun!

Yes!

Almost all of them are great!

Don’t forget... It was Xu Ming who killed the Great Senior of the Three Realms!

Chapter 2048: The Attention Of The Greats

?Don’t forget... It was Xu Ming who killed the Great Senior of the Three Realms!

“Great Master” powerhouse, almost will not fall!

In the endless long years of the fifth universe era, there are only two fallen Great Seniors! One is the Great Senior of the Three Realms, and the other is... Gu Hanmo!

However, Gu Hanmo is not really lost – after all, she succeeded in reincarnation!

Therefore, in the entire fifth universe era, there is actually only one “Great Master of the Three Realms” who has truly fallen!

The Great Senior of the Three Realms was beheaded by Xu Ming, and the name “Xu Ming” was naturally well known by the Great Seniors. However... it is only limited to the Great Venerable level; as for the Great Venerable, even the high-ranking Supreme Beings are not qualified to participate in the affairs of the “Great Venerable” level, nor are they qualified to know the true cause of death of the Great Venerable of the Three Realms.

This has resulted in the fact that the name “Xu Ming” is rarely known, but almost all those who know it are the Great Master!

As for Jian Yi, he only knew about Xu Ming, but he did not know that Xu Ming killed the Great Master of the Three Realms; otherwise, he would not have dared to send the Supreme Being of Langyatian to deal with Xu Ming!

“Um?”

Soon, this eternal existence noticed the spear in Xu Ming’s hand.

“This is... the Boundary-Breaking Spear? Isn’t the Boundary-Breaking Spear supposed to be in the hands of Grandpa Taihao? Why did it appear in Xu Ming’s hands?” The ancient eternal existence was a little puzzled, “And... why did Xu Ming want to kill me in the Eternal Palace? The Sovereign of Langyatian?”

This ancient and eternal existence probed again, and quickly figured out the ins and outs of the matter.

“It turned out to be Jian Yi, who sent Lang Yatian Supreme to kill Xu Ming! But... even if our Eternal Palace first shot Xu Ming, but Xu Ming dared to kill my Eternal Palace’s Heavenly Supreme, he should die!”

Eternal Palace, will not tell people right or wrong!

If you dare to kill the Supreme Being of Eternal Palace, you should die for your sins!

It's that simple!

"Innocence!" the eternal existence shouted to the void.

In an instant, a black-robed "Supreme Heavenly Supreme" appeared and bowed respectfully: "Great Lord!"

"This causal line, you take it!" This ancient and eternal existence directly peeled off a causal line from the mechanical sphere; this causal line is exactly where Xu Ming is always connected, "Go! Ming beheaded, and brought the Boundary Breaker Spear back to the Eternal Hall!"

Although Xu Ming beheaded the Great Venerable of the Three Realms, in the eyes of the Great Venerables – it was just the "will of the universe" that used Xu Ming's hand to kill the Great Venerable of the Three Realms; he would not think that Xu Ming possessed the beheading. The strength of the great lord.

Therefore, the eternal existence of the Eternal Hall did not even plan to deal with Xu Ming personally, but only sent a "higher heavenly supreme"; because according to his judgment, to deal with Xu Ming, a "higher heavenly supreme" It's more than enough!

"Yes!" Wu Xie Tian Supreme took the order.

...

Of course Xu Ming didn't expect that just beheading a "Lower Heavenly Supreme" would have such a big impact, even... It was even more serious than what Shenyu City Lord told him, and it directly caused the existence of the "Great Venerable" level. attention!

Xu Ming would never have thought that once the Boundary Breaker Spear was used in the real universe, it would be impossible to hide from the Kunpeng family!

Just when Xu Ming used the Boundary Breaker Spear...

Thunder Extermination.

The leader of the Kunpeng clan “Kunyu Dazun” opened his eyes instantly!

“It’s a Boundary Breaker!”

“I feel the cause and effect of the Boundary-Breaking Gun, which has appeared in the real universe!”

The Great Senior Kunyu was suddenly shocked: “Could it be that Gong Taihao came to the real universe? Impossible... Gong Taihao should not dare to come to the real universe!”

Immediately, Great Senior Kunyu’s spiritual thoughts spread wildly in the direction of the cause and effect he felt.

The time and space of the real universe is extremely terrifying to suppress! Even... even the Spiritual Mind of the Great Senior cannot cover the entire real universe! However, if the spiritual sense is condensed into a line and extended in one or several directions, it can extend to any corner of the real universe!

But now, Great Venerable Kunyu’s Spiritual Mind, like a tentacle, spreads in the direction of cause and effect at a speed that cannot be limited by time and space.

Soon, Kunyu Dazun’s spiritual thoughts arrived at Xu Ming’s place.

“Huh?” Kunyu Dazun was also taken aback, “Xu Ming? When did he come to the real universe? Why is the Boundary-Breaking Gun in his hand? Also... Since the Boundary-Breaking Gun is in his hand, then the Kun map And Feng Zhou Ding, is it also in his hands?”

Great Senior Kunyu looked suspiciously, but did not make a sound.

And Xu Ming, naturally, could not perceive that he was being watched by a great being.

“The Boundary-Breaking Spear is the treasure of our Kunpeng Clan! Although... the Great Senior level, the Boundary-Breaking Spear cannot be used; however, it should be controlled by the Heavenly Sovereign of our Kunpeng Clan!”

The Boundary Breaker Spear was once the weapon of Kunpeng Great Venerable!

However, Kunpeng Dazun has left restrictions on the Boundary Breaker Spear, and it is impossible to touch the Boundary Breaker Spear at the Great Senior level. Otherwise, the Boundary Breaker Spear would have been taken away by the Fallen Demon Lord for so long in the virtual universe.

“And Kuntu and Fengzhou Ding are also very important treasures to our Kunpeng family!”

In other words, Xu Ming probably has three treasures that make the Kunpeng family feel important!

“But...” Great Senior Kunyu frowned again and thought, “Even if I go with Tian Zhizun now, I will not be able to win the Boundary-Breaking Spear! After all, the Eternal Domain is the absolute sphere of influence of the Eternal Hall; since the Boundary-breaking Spear appears In the Eternal Domain, the Eternal Palace is absolutely not allowed to be interfered by other forces!”

The Kunpeng family believed that the Boundary Breaker should belong to them! However, this is just what the Kunpeng family thinks so! – Eternal Palace doesn’t think so!

Kunyu Dazun couldn’t help feeling depressed!

Go to the Eternal Domain and compete with the Eternal Palace for the Boundary-Breaking Gun? I’m afraid... as soon as he appeared in the Eternal Domain, he was besieged by the Great Venerables of the Eternal Palace!

In terms of strength, the Kunpeng family, which has been weakened, is far inferior to the Eternal Palace!

“But...” Kunyu’s eyes suddenly lit up, and he had a countermeasure, “What if many great masters entered the Eternal Domain together?”

Thinking of this, the Great Venerable Kunyu spread his spiritual thoughts one after another to the places where many Great Venerables were located; many of them still had grievances with Xu Ming.

“Everyone!” Great Senior Kunyu shouted directly.

“Oh? It’s the Great Senior Kunyu!”

“Kunyu Dazun, I don’t know why you are looking for us?”

Kunyu Dazun continued: “Xu Ming has come to the real universe! Are you interested?”

“what?”

“Xu Ming has come to the real universe?”

“How did you know? Why didn’t I get any news?”

“Where is he now?”

All the great respects, especially the great masters who have grievances with Xu Ming, how can they not be interested in Xu Ming? Even, many great masters want to capture Xu Ming and study it carefully, what means does Xu Ming have!

After all, Xu Ming’s strength in the virtual universe far exceeds the absolute limit of the virtual universe! This is very unreasonable!

“Want to know where Xu Ming is?” Kunyu Dazun laughed, “I can tell you about Xu Ming, but… you have to promise me a condition first!”

The condition of Kunyu Dazun is very simple – he is not interested in Xu Ming, but he is interested in the Boundary Breaker Spear in Xu Ming’s hand, as well as the Kuntu and Feng Zhou Ding that may exist!

Chapter 2049: No Way To Heaven, No Way To Earth

“Xu Ming?”

“Xu Ming dares to come to the real universe?”

“The Boundary Breaker Spear is actually in Xu Ming’s hands?”

...

The news of Xu Ming’s appearance in the real universe had spread to the Great Venerable level almost instantly.

call out! call out! call out! call out! ...

One after another, the will of the Great Venerable spread in the direction of Xu Ming.

Soon, Xu Ming was surrounded by the will of the Great Venerables.

Although there is not much coercion even for the will of the Great Venerables because of the endless time and space; however, dozens of Great Venerables are watching at the same time, and many of them are Great Venerables who have enmity with Xu Ming. The surrounding time and space inevitably feel oppressive.

“Xu Ming?”

“Xu Ming!”

“Jie Jie Jie Jie...”

A series of strange and detached voices lingered around Xu Ming.

“Jie Jie Jie Jie...Xu Ming, your courage is really not small! I didn’t expect that you would actually dare to come to the real universe!”

“Xu Ming... Since you’ve arrived in the real universe, you shouldn’t let us knead it!”

“Ha ha ha ha...”

...

Feeling the gazes and ridicule of the great elders, Xu Ming’s face was ugly. He really did not expect that using the Boundary Breaker to kill the Supreme Being of Lang Yatian would cause such a big trouble.

“Hahaha...Xu Ming, you’re finished! You’re finished!” Yue Qun knew that Xu Ming couldn’t let him go, so he didn’t ask for mercy at all, and directly mocked Xu Ming.

“I don’t know if it’s finished, but you... definitely finished!” Xu Ming sneered disdainfully, dropped his gun, and instantly killed Yue Qun.

As for the other members of the Yuezhi clan, Xu Ming did not do anything. After all, the other clansmen and Xu Ming had almost no grudges, and no matter what, they were also the Moon Demon’s clan; since the Moon Demon didn’t want to kill the same clan, Xu Ming was too lazy to kill.

“Let’s go!” Xu Ming said with the Moon Demon.

He wants to leave this place of right and wrong quickly.

call out-

Xu Ming took the Moon Demon and left quickly.

only...

No matter where Xu Ming flies, the spiritual thoughts of each Great Venerable are like flashlights, always shining on Xu Ming.

“Escape?” The spirits of the great lords converging together, burst into laughter.

One by one, the Great Venerable, like a giant, looked down at the little ants crawling on the ground.

“Escape? You can escape!”

“Haha... If this can make you escape, don’t we, the Great Venerable, all practice on dogs?”

“Naive ants!”

One after another, the Great Seniors even “negotiated” how to deal with Xu Ming directly in front of Xu Ming.

“Now, the Eternal Palace has sent Wu Xie Tian Supreme to kill Xu Ming!”

“Supreme Wuxie Heaven, among the ‘Supreme Heavenly Sovereign’, can be called the top! Since he shot, even if Xu Ming has the Boundary Spear in his hand, he will definitely die, there is no suspense!”

“Everyone!” At this time, Kunyu Dazun said, “Xu Ming will die, this is an inevitable thing, it makes no difference whether you see it or not! I told you about Xu Ming, not for you to come to the show. Instead, let you help me to retrieve the treasure of our Kunpeng clan!”

“Master Kunyu, don’t worry!”

“That’s right! Our Great Seniors can’t use this Boundary Breaker Spear, so we won’t be interested! Since we agreed to help you retrieve the Boundary Breaker Spear, our Great Venerables will do our best!”

“Yes! Besides, we don’t just want Xu Ming to die! It’s better to capture Xu Ming alive and see what secrets he has!”

“right!”

“Since that’s the case, which of our great masters will take action and go to capture Xu Ming?”

Hearing this, Xu Ming’s expression suddenly changed – if the Great Senior really shot himself and came to capture him, then Xu Ming might not have the strength to resist!

But then, another Great Venerable said:

“It’s not right! The Great Venerable of the Eternal Hall did not make a move, but just sent the Supreme Heavenly Supreme; if any of our Great Venerables took action, I am afraid that the Great Venerable of the Eternal Hall will also take action!”

“Indeed! If the Great Venerable of the Eternal Hall takes action, then things will escalate; maybe, he will be enmity with the Eternal Hall! Moreover... Eternal Domain, but the absolute territory of the Eternal Hall; in the Eternal Domain to face the Great Venerable of the Eternal Hall. , just asking for trouble!”

“I don’t want to quarrel with the Eternal Palace because of this!”

Eternal Hall!

These three words, in the real universe, have absolute deterrent power!

Enough to make the “Great Senior” fear it!

Even... even the Great Senior of the “Dao Realm” dare not provoke the Eternal Hall! – You must know that the Great Master of the “Tao Realm” can act on behalf of the will of the universe!

Even if you can act on behalf of the will of the universe, you must be afraid of the “Eternal Palace”! It can be seen how tyrannical the Eternal Hall is!

What an incredible existence is the “Eternal Great Venerable” who founded the Eternal Hall!

“Then send the Supreme Heavenly Sovereign to go!”

“That’s right! The Eternal Palace sent the Supreme Heavenly Sovereign, then we will also send the High Heavenly Sovereign! I believe that the Eternal Palace is not willing to upgrade the battle to the level of ‘Great Venerable’! As long as it is a battle at the level of ‘Heavenly Supreme’, That’s just normal friction, it doesn’t matter much!”

“Yes!”

In the real universe... the conflict at the level of “Great Venerable” and the level of “Heavenly Supreme” have completely different meanings!

For the top forces, the conflict at the “Heavenly Supreme” level is just a petty fight; while the conflict at the “Great Supreme” level is just a face-to-face!

There is no Great Senior who wants to tear his face with the Eternal Hall; but if you make a little trouble, you can make a trouble!

“Then all of our great masters will send the upper heavenly supreme!”

“Yes! They have sent the Supreme Heavenly Sovereign! In the end, whether Xu Ming was beheaded by the Eternal Palace or captured by us; whether the Boundary-breaking Spear was taken away by the Eternal Palace or fell into the hands of the Kunpeng clan, it all depends on his ability. And chance – Kunyu Dazun, is this okay?”

“Yes!” said the Great Venerable Kunyu, “As long as all of you send the Supreme Heavenly Supreme, the Eternal Palace will definitely not be able to compete with you!”

...

The conversations of these great elders all sounded directly in the time and space around Xu Ming, and they were all deliberately told to Xu Ming.

And Xu Ming understood it too – it seemed that the Kunyu Great Venerable of the Kunpeng clan had called the other Great Venerables to deal with him.

“Kunyu Dazun...” Xu Ming remembered that he, the Kunpeng clan and Kunyu Dazun should have no grudges. Since it’s not because of grievances, it’s because of the Boundary Breaker Spear on him!

“Humph!” Xu Ming sneered in his heart, “The Kunpeng clan must think that the Boundary-breaking Spear, Feng Zhou Ding, and Kuntu are the treasures of their clan! But... these treasures, since they are my inheritance, have nothing to do with them. relation?”

If these three treasures really should belong to the Kunpeng family; then, at the beginning, Kunpeng Da Zun would leave these three treasures directly in the Kunpeng family, and why would they stay in the virtual universe?

It can be seen... Kunpeng Dazun doesn’t really want the Kunpeng family to get these three treasures!

However, these are not issues that Xu Ming needs to consider now.

At this time, Xu Ming was facing an extremely difficult situation – the spiritual senses of the great venerables had been monitoring his every move! This made it impossible for Xu Ming to escape from the eyes of the great lords no matter where he fled!

“Feng Zhou Ding can hide my causal line and make me directly become another person...” Xu Ming secretly said.

It’s like “transformation”.

Once transformed, even the Great Senior, it is difficult to recognize Xu Ming.

But the problem is—Xu Ming is being watched by the spirits of all the great lords! Playing “Transformation” under the eyes of all the greats

Moreover, as long as Xu Ming “transforms”, the other great masters can immediately confirm that in addition to the “Boundary Breaker Spear”, Xu Ming also has “Feng Zhou Ding”.

“I can’t escape the minds of the great masters...”

“I can’t change myself into another person...”

Xu Ming couldn’t help feeling a little helpless.

“Although... the Great Venerables won’t take action against me personally! But even if it’s the ‘High Heaven Supreme’, it’s not something I can handle now!”

Xu Ming really felt that there was no way to heaven and no way to earth!

“Could it be that... the ‘infinite resurrection’ can only be exposed?” Xu Ming was ready to reveal the last trump card, “I don’t know...the ‘infinite resurrection’ hanging, what kind of effect will it have!”

Chapter 2050: Suicide Casually?

? “Infinite Resurrection” is almost Xu Ming’s last trump card!

Swish!

Xu Ming put away the boundary-breaking gun directly.

Because of the “Dao Realm Contract”, once the Boundary Breaker Spear is put away, it will directly enter a special time and space; in this way, even if Xu Ming dies, no one else will be able to get the Boundary Breaker Spear!

“In this way, I won’t be afraid that the Boundary Breaker Spear will be lost!” Xu Ming secretly said, “Even if I die, I’ve only exposed the trump card of ‘Infinite Resurrection’, and I won’t lose much else!”

Now that he is ready to reveal his last trump card, Xu Ming naturally wants to minimize his losses!

Like a boundary-breaking gun, it is absolutely impossible to fall into the hands of others.

“What!?” Great Senior Kunyu was shocked when he saw it, “It’s the Taoist contract! Xu Ming directly stored the shattering gun back into the Taoist contract!”

This will not work!

How do you get the Boundary Pistol?

“You can’t kill Xu Ming! You have to capture it alive!” Great Senior Kunyu continued, “Only then can we force him to hand over the Boundary Breaker Spear!”

“Jie Jie Jie Jie...” The other Great Seniors sneered, “Don’t worry! I won’t let Xu Ming die so easily!”

“Haha! Ridiculous! He thought that if he hid the Boundary Breaker Spear, we would have nothing to do with him?”

“If he honestly handed over the treasures such as the Boundary Breaker Gun, we might be able to make him die happily! Now... hum! There are too many things that are more terrifying than death! Xu Ming will just wait. Enjoy!”

“That’s right! When he’s almost done enjoying it, he will naturally hand over treasures such as the Boundary Breaker Gun!”

The Great Venerables did not let Xu Ming hear these conversations. After all...they were worried that Xu Ming would commit suicide in fright after listening to it! In that case, all of their great lords will be busy working in vain! And the Kunpeng family will never be able to get the Boundary Breaking Spear, as well as the possible Feng Zhou Cauldron and Kun Tu!

...

suicide?

Xu Ming really planned to commit suicide under the eyes of the great masters!

He had just found out with Xiaohang, what kind of effect the “Infinite Resurrection” hanging is! - Because of the “infinite resurrection” relationship, after Xu Ming died, he would not really die! His will will exist in an extremely special state; this “special state” is not only invisible to the great masters, but even...even the will of the universe and the rules of the true universe can’t be detected!

The power of “Invincible Plug-In Ultimate Edition” is not for fun!

is really strong!

Invincible!

In other words... After Xu Ming died, no one would know that Xu Ming was still alive!

and...

After his death, Xu Ming, who exists in a special state, can’t move his body by himself, but he can decide when he will be “resurrected”! For example, if Xu Ming wants to wait ten years and eight years to be resurrected, then he will be resurrected after ten years and eight years; if Xu Ming wants to wait for ten eras to be resurrected, then he will be resurrected after ten eras!

and...

Xu Ming doesn’t have to be resurrected at the same place! He can choose freely, and within a period of time before his death, any “space-time coordinate point” that he has appeared will be resurrected!

For example, now, if Xu Ming committed suicide, then he could wait ten or eight years before being resurrected in Shenyu City, or resurrected in Qinghai City... It is impossible for other great masters to know when Xu Ming was resurrected! Unless I see Xu Ming next time!

“Invincible!”

With the “infinite resurrection” hanging, Xu Ming can really be fearless!

Of course, Xu Ming can’t be too arrogant or too arrogant! After all, Xu Ming didn’t know what means the Great Venerables had. What if a certain Great Venerable happened to have the means to

restrain “infinite resurrection”? —For example, the Eternal Hall, even the powerhouse with the cultivation of “Lower Heavenly Supreme” can be resurrected! If the Great Senior of Eternal Hall had nothing to do and ran over to resurrect Xu Ming, wouldn’t Xu Ming be directly held in his hand by the Great Senior of Eternal Hall?

So, keep a low profile!

Don’t be too arrogant and arrogant!

“Then... find a place with better feng shui, and commit suicide first!” Xu Ming secretly said – he didn’t want to wait until the high heavenly supreme killed him, and then died, there might be some danger!

Moreover, although each of the great masters deliberately whispered in Xu Ming’s ear, only the “superior heavenly supreme” to deal with Xu Ming, and there is no “big master” level powerhouse, but how does Xu Ming know whether it is true or not?

What if those great masters deliberately fooled Xu Ming? What if there is a “Great Master” to deal with Xu Ming? – Of course, Xu Ming thought too much about this! There is really no Great Senior, come over to deal with him! After all, from the point of view of other Great Venerables, it is more than enough to send the “High Heaven Supreme” to deal with Xu Ming!

“Moon Demon!” Xu Ming suddenly shouted, “Let’s just let it go!”

“Huh?” Moon Demon was startled, “Why?”

“Because... the feng shui here is good!” Xu Ming suddenly smiled strangely, and deliberately said to the Great Venerables, “I can’t deal with the Supreme Heavenly Supreme! Rather than waiting for those High Heavenly Supremes to judge me , it’s better... I’ll give myself a treat! I’m going to die here!”

“Xu Ming, you...” The Moon Demon understood—Xu Ming planned to commit suicide!

The Great Seniors were stunned when they heard it.

Kunyu Dazun couldn't help but persuade: "Xu Ming, don't think about it! It's better to die than live!"

"Haha..." Xu Ming laughed, "I'm not stupid! You didn't intend to let me live!"

"Xu Ming!" a cold voice shouted coldly, "Don't think that you committed suicide, we will have nothing to do with you! As long as you are willing to pay some price, we can still resurrect you from the real river of time. When the time comes... hum! We will make your life worse than death! You should be honest, we can make you die happily!"

Resurrect me from the real river of time?

Xu Ming was stunned—he had never thought of this before!

"It seems... after committing suicide, we must go to a farther place to revive as soon as possible!" Xu Ming thought to himself, "By that time, I have already been resurrected, and they will not be able to resurrect me from the real river of time! "

After all, if Xu Ming is already in a "alive" state, then there must be no way to resurrect another Xu Ming – the paradox of cause and effect, this kind of thing is not allowed to happen!

Thinking of this, Xu Ming was completely unafraid.

"Resurrect me?" Xu Ming sneered loudly, "Don't think I don't know, there must be a price to revive me from the real river of time, right? And it may not be able to be resurrected successfully! Otherwise... you will also Don't threaten me, let me not commit suicide! Hahahaha..."

What Xu Ming said was absolutely correct!

Want to resurrect a strong man from the real river of time, easier said than done? Especially someone like Xu Ming, who is not only powerful, but also obviously has countless secrets hidden in his body, the difficulty of resurrection is even higher!

even...

Reviving Xu Ming was even more difficult than resurrecting a Heavenly Supreme!

“You...” As soon as Xu Ming said these words, all the Great Venerables were a little speechless – they did not expect that Xu Ming would choose suicide so decisively!

“Moon Demon, just leave by yourself!” Xu Ming said again, “As the Great Venerables, I’m too lazy to take action against you!”

“I...” Of course the Moon Demon knew that those Great Seniors existed and had no interest in taking action against him at all; however, seeing Xu Ming about to commit suicide, how could the Moon Demon bear to leave? – After all, she owes Xu Ming a lot!

“Let’s go!” Xu Ming said, “It doesn’t make sense for you to stay here!”

“I...” Of course the Moon Demon knew that what Xu Ming said was true, he gritted his teeth, “Xu Ming, I’m leaving...”

As he said that, a flash of determination flashed in the eyes of the Moon Demon, and he was about to turn around and leave! But she had already made up her mind that when she became stronger, she would definitely “revenge” Xu Ming – of course, the revenge in her heart was not to kill a certain Great Venerable or demolish the Eternal Hall, she knew I don’t have that power! But at least, the Moon Demon has decided that even if he fights for his life in the future, he will kill some of those Great Seniors’ subordinates!

Kill a few, count a few!

It can be regarded as revenge for Xu Ming!

“Go!” Xu Ming was very calm – he just “suicide” casually he will be resurrected when he turns around, why not calm down?

Moreover, Xu Ming has already planned that after resurrection, he will use Feng Zhou Ding to transform himself into another person, and then come back to the Moon Demon to explore the treasures of the Great Venerable of the Three Realms!

Thinking of this, Xu Ming’s eyes turned fierce, and he was ready to explode!

“Humph! Twenty seconds later, he’s still a good guy!”

but...

Just when Xu Ming was about to commit suicide, a sound transmission sounded directly in Xu Ming’s mind – this sound transmission obviously came from a certain Great Senior, otherwise, it would be impossible not to be discovered by other Great Seniors!

And... the owner of this sound transmission is actually a female Great Venerable!

“This is...?” Xu Ming couldn’t help but be stunned.
