

A World 2091

Chapter 2091: See Where Else You Can Run

What Xu Ming didn't know was... when he was silently "digging food" by himself, the entire inheritance place was completely boiling!

Three Realms Tower!

With the passage of time, the golden light of the Three Realms Pagoda did not weaken at all, but became more and more shining. Later, the dazzling golden light even turned directly into red, dyeing the sky of the entire inheritance land into blood red.

"Red light!"

"The Three Realms Pagoda actually glowed red? Doesn't that mean... the people in the pagoda have reached the third level of inheritance!?"

"The first time I entered the Three Realms Pagoda, I reached the third level of inheritance!?"

The inheritance in the Three Realms Pagoda is divided into five layers.

The first layer has no vision.

On the second floor, the Three Realms Pagoda will bloom with golden light—there are only few people who can reach the second floor inheritance in the entire inheritance land.

The third floor, blooming red light!

wow—

The red light only lasted for a moment and then dissipated suddenly.

This shows that in the Three Realms Pagoda, the inheritance of Jianyi has been suspended.

But even so, the place of inheritance is still boiling – you know, Jian Yi has only entered the Three Realms Pagoda for the first time, and has reached the third layer of inheritance! This has never happened in endless years!

“The place of inheritance... There is a super genius!” All the inheritors realized this and gathered around the Three Realms Pagoda, wanting to witness the super genius for the first time.

Not long after, the gate of the Three Realms Pagoda opened.

Jian Yi walked out of the Three Realms Pagoda with a reckless face, and saw that he was surrounded by inheritors, he couldn't help but be slightly puzzled.

“Um?”

But then, Jian Yi realized what was going on.

“Ha!” The corner of Jian Yi's mouth evoked a hint of arrogance and disdain, “Aboriginals are only aboriginals, after all, they have never seen anything in the world! It must be that my talent is too unbelievable, and when I accept the inheritance, the movement caused is too much. Great, so I am shocked by these indigenous geniuses!”

Jian Yi was very proud and full of superiority.

only...

Jian Yi didn't even think about it. He was a super genius cultivated by the Eternal Hall. Compared with a group of natives, what is there to feel superior to?

“Brother Jianyi, it's really hidden!” The Supreme Lord of the Sky who had spoken to Xu Ming before, was the first to come forward.

The other inheritors have also come together to get familiar with each other – after all, everyone can see that with Jianyi's talent, there is absolutely no limit in the future!

“Brother Jianyi, it’s a pleasure to meet!”

“Brother Jianyi, welcome to the land of inheritance! If you have any doubts, feel free to ask me!”

“Brother Jianyi...”

Jian Yi just dealt with it casually, and didn’t bother to pay attention to these inheritors. After all, with his arrogance, he doesn’t even bother to make friends with these native geniuses.

However, at this time, the voice transmission of the Supreme Lord of the Grey Sky caught Jian Yi’s attention.

“Brother Jianyi!” The Supreme Lord of Grey Sky said through a voice transmission, “You asked me to pay attention to whether there will be other people coming to the place of inheritance! Sure enough, not long after you entered the Three Realms Pagoda, someone came. To the place of inheritance!”

“Oh?” Jian Yi suddenly looked at the Supreme Being of the Sky, and said with a smile, “Brother Grey, can you take a step to speak!”

“Of course!” Supreme Venerable Grey Sky walked away with Jian Yi with a radiant face.

The other inheritors all looked enviously at the back of the Supreme Lord of the Grey Sky leaving—everyone knew that Jian Yi’s talent was against the sky! So, who else doesn’t want to become friends with Jian Yi like the Supreme Supreme Being?

...

Jian Yi came to the residence of the Supreme Lord of the Grey Sky.

“Brother Gray, you said just now that after me, there are other people who came to the place of inheritance?”

When Jian Yi was chased by the Qinglong messenger, he heard that someone took the opportunity to attack the treasure house of the Qinglong Army. Jian Yi took his time to think about it, and felt that that person should be Xu Ming.

Although Jian Yi had some doubts, how could Xu Ming's strength be so strong that he could take advantage of the emptiness and attack the treasure house of the Qinglong Army! But, besides Xu Ming, who else could it be? – So, it must be Xu Ming without a doubt!

And since Xu Ming attacked the Qinglong Army's treasure house, he should get the inheritance order, and he should also come to the place of inheritance – that's why Jian Yi just came to the place of inheritance and just got to know the Supreme Being, just ask the other party to help him pay attention to whether anyone else came to the place of inheritance.

And now, Jian Yi just came out of the Three Realms Pagoda, and he got the news as expected.

At this time, Jian Yi asked again: "Brother Grey, is that person's name Xu Ming?"

"Xu Ming?" Supreme Venerable Grey Sky was a little puzzled, "No! That person, called 'Barbarian', is just an Earth Supreme!"

"Barbarian ghost?" Jian Yi suddenly thought of Man Dun, "Barbarian clan, in the Three Realms universe, it is rare, they should all come from the barbarian king clan! – Humph! Man Dun is such a powerful genius, can there be another wild ghost?"

Jian Yi didn't think that two super geniuses could suddenly emerge from the barbarian king tribe!

"It looks like... the barbarian ghost is probably Xu Ming's disguise!" Jian Yi secretly said, "And the barbarian... should be a genius controlled by Xu Ming!"

It's just that Jian Yi didn't know that whether it was "Man Dun" or "Barbarian Ghost", it was actually Xu Ming!

Thinking about it, Jian Yi looked at Supreme Sovereign Grey Sky and asked, "Where is that savage ghost?"

Of course Jian Yi wanted to meet this "barbarian" for a while.

“This savage is a bit strange!” Supreme Venerable Grey Sky said, “I told him, in the land of inheritance, the greatest chance is the Three Realms Pagoda! But he is going to the Sea of Time! Do you think he is stupid? ?—If it is not unexpected Now the barbarian should be in the sea of time!”

“Sea of Time?” Jian Yi nodded slightly.

In the Eternal Hall, there is a place similar to the “Sea of Time”, and it should be better than the Sea of Time. Therefore, Jian Yi naturally doesn’t look down on the sea of time at all.

“Ha!” Jian Yi sneered disdainfully in his heart, “This Xu Ming, after all, came from the virtual universe, he has never seen anything in the world, and he actually regards a place like the Sea of Time as a treasure!”

“Grey eagle! Thank you!” After Jian Yi understood the information, he said goodbye to the Supreme Supreme.

“It’s just a small thing! It’s just a small thing!” Supreme Venerable Grey Sky continued to say that in the land of inheritance, he could only be regarded as a mediocre talent; now that he has the opportunity to make a good deal with Jianyi, he naturally has to seize the opportunity firmly, and seems very polite.

“Yeah!” Jian Yi nodded and left.

call out-

sea of time.

Jian Yi stood on the coastline, watching the tide of time, surging endlessly.

“Xu Ming?” Jian Yi looked at the sea of time, with a sneer on the corner of his mouth, “You really can hide! But this time... let’s see where you can run!”

Whoosh!

Jian Yi directly turned into a streamer and plunged towards the sea of time.

Chapter 2092: Where To Go

wow—

As soon as Jian Yi entered the sea of time, the divine sense swept away frantically, completely covering the layer of “double time flow rate”.

“No!”

As Jian Yi expected, there was no trace of Xu Ming on this floor. After all, twice the flow of time is too slow; since entering the sea of time, it is generally not possible to stay in an area where the flow of time is so slow.

Jian Yi continued to dive into the depths of the sea of time.

Triple time flow rate area.

“No!”

Ten times the time flow rate area.

“No!”

Ten thousand times the time flow rate area.

“No!”

When Jian Yi reached the “million times the flow of time” area, his brows were already wrinkled: “The flow of time here is too fast! I can’t bear it anymore...”

In the sea of time, the faster the flow of time and the higher the cultivation base, the greater the oppression from time and space!

At the beginning, when Xu Ming dived to this depth, he also felt a little oppression; but now, Jian Yi has dived to this level, but he is almost unable to bear it – this can also be seen that Jian Yi and Xu Ming gap!

“Under such great oppression, Xu Ming can still cultivate!?” Jian Yi felt incredulous.

“Look further down!” Jian Yi estimates that Xu Ming should be not far below; although he can’t bear it anymore, as soon as he gritted his teeth, Jian Yi continued to drill down – he’s already here, and he didn’t see it. Xu Ming, he is really not reconciled!

In the area of “1.5 million times the flow rate of time”, Jian Yi still did not find Xu Ming.

At this time, Jianyi already needs to burn the divine body to resist the oppression of time and space.

“Not yet!?” Jian Yi couldn’t believe it. “With Xu Ming’s talent, can he still dive deeper than me?”

Whoosh!

Jian Yi gritted his teeth and continued to drill down: “Humph! I don’t believe I can’t see Xu Ming!”

Two million times the time velocity region.

“Pfft!” Jian Yi finally couldn’t bear it anymore, and suddenly spurted out a mouthful of golden blood; even the divine body was damaged a little, and it was a little dim.

“Can’t go any further!”

The two million times the time flow area has already made the sword easy to be injured; if you force it down, you will lose your life!

“This Xu Ming, how can he drill so deep!?” Jian Yi thought gloomily as he walked up despondently, “He drilled so deep, and the pressure of time and space is so strong, how can he cultivate!?”

Jian Yi was really depressed.

Originally, he wanted to go to Xu Ming to show off his power – after all, in the inheritance land, except for the “invincible battle platform”, other places are not allowed to do it; therefore, Jianyi can only show off his power and show his power. However, Jian Yi never thought that he would go deep into the sea of time, and he didn’t even see Xu Ming’s face. Instead, he was injured under the oppression of time and space.

For Jian Yi, this is simply a great humiliation!

“Fortunately, no one knows!” Jian Yi secretly said, “Otherwise, this face is really lost!”

Whoosh!

Thinking about it, Jian Yi has already jumped out of the sea of time.

However, what Jian Yi didn’t expect was that as soon as he jumped out of the sea of time, he saw the sovereign of the sky – obviously, the sovereign of the sky was here to flatter him, so he deliberately waited on the coast beside the sea of time. on. However, Supreme Venerable Grey Sky did not know that his flattery went directly to the horse’s hoof; after all, he just happened to see Jian Yi’s embarrassing state.

“Brother Jian Yi, you came out of the sea of time so soon!” The Supreme Supreme Hui Tian saw Jian Yi and quickly went up to meet him; but then, Supreme Supreme Hui Tian was startled, “Brother Jian Yi, why are you injured? ?”

In the sea of time, he was injured without even seeing Xu Ming’s face. This is Jian Yi’s shame! Now, the Supreme Lord of the Grey Sky has spoken out about his shame, how can Jian Yi not be angry?

“Go away!” Jian Yi shouted directly and walked away.

The Supreme Lord of the Sky was stunned, not knowing what he had done wrong, and actually made Jian Yi angry.

...

The bottom of the sea of time.

Xu Ming naturally didn't know that Jian Yi actually went deep into the sea of time to find him; not to mention, Jian Yi was injured by the oppression of time and space, and ran away in despair – after all, Xu Ming was at the bottom of the sea of time, “ten million times as much. The area of “time flow rate”; and Jianyi, only to reach the “two million times the time flow rate” area, was already injured and could not continue to dive.

Under the sea of time.

A year in the outside world is 10 million years here.

Xu Ming devotes himself to digesting the energy of “the origin of the universe, truth” and “the origin of the universe, imaginary”. His true universe and the eight great limits of the virtual universe are constantly growing! Although, compared with the real universe, there is still a big gap; even compared with the universe of the Three Realms, Xu Ming's “self universe” is still very small... But to Xu Ming, it is a real improvement in the level of power!

Three years later... that is, after Xu Ming has experienced “30 million years”, he will finally digest all the origin of the universe that he “eats” in Jiaolongtan! And Xu Ming's cultivation has finally broken through!

“The middle ground is supreme!”

It didn't take long for Xu Mingcai to break through from “human supreme” to “earth supreme”, and then he broke through from “lower-level supreme” to “middle-level supreme”! The speed of cultivation is simply indescribable with horror!

“My strength...” Xu Ming felt his current strength, “I still haven't reached the level of ‘Upper Heavenly Supreme’, but still at ‘Middle Heavenly Supreme’! And... it seems that the gap is quite big!”

The gap between the “Middle Heaven Supreme” and the “Upper Heaven Supreme” is really not so easy to bridge!

but...

The gap is big no problem! Then continue to “eat”! – You must know that Xu Ming has just emptied the treasury of the Qinglong Army, and the treasures harvested are exchanged for level 23 and 24 hanging points, which is not a small amount!

And the 23rd and 24th level hanging points can be exchanged for “Universe Origin·Void” and “Cosmic Origin·True!”

eat?

Xu Ming can really eat!

“Little Hang!” Xu Ming shouted.

Immediately, Xiao Hua’s heart grasped it, and turned the 23rd and 24th hanging points into a steady stream of “Cosmic Origin·Void” and “Cosmic Origin·True”, pouring them into Xu Ming’s real universe and virtual universe Eight Great Limits!

then...

Xu Ming was overwhelmed again!

“Continue to digest!”

After eating one meal and digesting it, you can improve your cultivation and strength! I’m afraid... there is really no one who can practice as comfortable as Xu Ming!

However, Xu Ming also had to consider more issues when he was “digging food”—Xu Ming’s self-created “I am for the Universe” exercise only reached the third level; that is, waiting for Xu Ming’s

cultivation. After reaching the “Supreme Peak”, he can no longer continue to improve his cultivation! Unless... Xu Ming can create the fourth level of “I am the universe”!

“Where should I go on the road to the fourth floor?” Xu Ming was in deep thought.

Chapter 2093: Invincible Battle Platform

Under the sea of time, Xu Ming meditated ascetic.

In the place of inheritance, Jian Yi entered the “Three Realms Pagoda” again to accept the inheritance, and once again caused a shock!

“Purple Light!”

“This is the purple light that only the fourth-layer inheritance can have!”

“Jianyi has only entered the Three Realms Pagoda for the second time, and has reached the fourth floor of inheritance?”

“What a terrifying inheritance!”

“What a terrifying talent!”

In the land of inheritance, all the indigenous powerhouses looked at the Three Realms Pagoda shining with purple light in shock! —For endless years, there are only a handful of geniuses who can reach the fourth level of inheritance!

“I didn’t expect that we would be able to witness the birth of a super genius, which is a blessing!”

“That’s right! In my life, I’m afraid I won’t have the chance to reach the pinnacle of my practice and the realm of the supreme heaven; however, I am honored to see such a super genius like Jian Yi born out of nowhere!”

“I heard that there is another genius who entered the inheritance land around the same time as Jian Yi? What about others?”

“You mean a savage? – That rubbish, let’s not mention it!”

“Oh? Why is that?”

When the people surrounding the Three Realms Pagoda were shocked, they unknowingly talked about Xu Ming.

At this time, the Supreme Being of the Sky who knew about it stood up and sneered disdainfully: “That savage, as soon as he entered the land of inheritance, ran straight to the sea of time; moreover, he hasn’t come out yet!”

“What? Went to the sea of time?”

“You’re kidding me? What’s there to go to in the shabby place of Time Sea? What does he do in Time Sea?”

“The barbarian ghost and Jianyi entered the land of inheritance at about the same time; so, it has been tens of thousands of years since the barbarian ghost entered the sea of time, right? – Ten thousand years outside, in the sea of time, that is... hundreds of millions Years? Or billions of years?”

“Staying for hundreds of millions of years in that broken place in the sea of time?”

“Could it be that the savages have already died in the sea of time?”

Yes!

Time flies.

It has been tens of thousands of years since Jianyi entered the land of inheritance!

And for so long, Xu Ming has been staying in the sea of time! And... Xu Ming is at the bottom of the sea of time! The flow rate of time is as high as “ten million times”!

The “tens of thousands of years” in the place of inheritance, to Xu Ming, is “hundreds of billions of years”!

Hundreds of billions of years are undoubtedly short-lived to other Heavenly Sovereigns and Earthly Sovereigns; but to Xu Ming, it can be said to be his longest cultivation time! – Before, Xu Ming spent a long time of billions of years when he shuttled from the “virtual universe” to the “real universe”. But the billion-dollar era was just a flick of a finger for Xu Ming’s real body, and Xu Ming’s clone was actually not very capable of cultivation.

Therefore, in the true sense of cultivation, this time is definitely Xu Ming’s longest cultivation time!

And this is just the beginning of Xu Ming’s practice!

300,000 years later...

Jian Yi entered the Three Realms Pagoda for the third time.

wow—

Not long after he entered, the Three Realms Pagoda directly bloomed with colorful rays of light.

The endless colorful rays of light shone on the entire inheritance land, and shocked every strong person in the inheritance land; even those strong people who had been in retreat for endless years were all awakened from the retreat!

“Colorful glow!”

“The colorful glow that exists in legends but has never appeared!”

“Jianyi has reached the fifth level of inheritance!”

“He wants to fully accept all the inheritances of the Three Realms Great Venerable!?”

“hiss-”

Everyone was shocked!

There is no doubt that Jian Yi is definitely the most heaven-defying genius that has ever appeared in the Land of Inheritance!

none of them!

After tens of thousands of years, the colorful rays of light gradually dissipated; however, all the powerhouses were surrounded by the Three Realms Pagoda, and no one left.

“The colorful glow has finally dissipated!”

“I’m afraid Jianyi has accepted all the inheritance of the Three Realms Great Venerable!”

“How defiant!”

squeak-

The gate of the Three Realms Pagoda opened without warning.

Jian Yi’s figure appeared at the gate of the Three Realms Pagoda, detached and stalwart.

Immediately, the eyes of all the powerhouses around the Three Realms Pagoda fell on Jian Yi in awe, like a god.

“Ha!” Jian Yi sneered disdainfully, walked away without saying hello to anyone.

In Jian Yi's heart, he was very proud: "The inheritance of the Great Venerable of the Three Realms is indeed vast! I have passed it on three times before I fully accept his inheritance! Now, with my realm, my cultivation can break through at any time. 'Median Heaven Supreme'!"

You must know that when Jian Yi cultivated at the "Lower Heavenly Supreme", his strength had already surpassed most of the "Middle Heavenly Supreme"; if he would break through to the "Middle Heavenly Supreme", he would not say whether his strength could be comparable to that of the upper Heavenly Supreme. , but at least, at the level of the median heaven, it can definitely be said to be an invincible existence!

"However, I don't need to break through the cultivation base here!" Jian Yi secretly said, "After all, although the inheritance of the Three Realms Great Venerable is vast, it is still a lot worse than our Eternal Hall!"

The Eternal Hall is the undisputed number one force in the "True Universe"!

Even the "Dao Temple" that can represent the will of the universe to a certain extent will be suppressed by the Eternal Temple!

In the Eternal Hall, there is more than one Great Venerable! So... it's just the inheritance of the Great Venerable of the Three Realms, and the inheritance of the Eternal Hall, it's really incomparable!

"My cultivation base, before breaking through the 'Middle Heaven Supreme', I must go back to the Eternal Hall to accept some inheritances, so that my realm can reach the peak state! And... only in the Eternal Hall Only the best environment and the best resources allow me to break through to the median heavenly supreme in the most perfect state!"

Jian Yi thought while walking: "Besides... I should be able to leave the Three Realms Universe soon!"

The direction that Jianyi is heading at this time is the "Invincible Battle Stage"!

"As long as I pass the test of the invincible battle platform, I should be able to get the 'Tao Realm Contract' of the Great Master of the Three Realms!" Jian Yi secretly said, "At that time, I should also be able to gain some control over the universe of the Three Realms; Ming, it shouldn't be a problem!"

Jian Yi walked towards the invincible battle platform, feeling that everything was under control.

“Then, let me see the final assessment left by the Great Senior of the Three Realms!”

call out-

Jian Yi’s figure flashed, and he was already standing on the invincible battle platform.

“I’m on this invincible battle platform, facing all the geniuses in the Three Realms universe! As long as my record is undefeated, the “Tao Realm Contract” of the Three Realms Great Venerable is mine!”

Thinking of this, Jian Yi couldn’t help but get a little jealous – this is a “Dao Realm Contract” of a Great Venerable! It contains most of the treasures of a Great Venerable! This makes Jian Yi, how can he not be jealous?

Jian Yi stood proudly on the invincible battle platform, and the spiritual sense shrouded the entire inheritance land domineeringly, roaring: “Who, dare to come up to fight first?”

Chapter 2094: Target

“Who dares to be the first to fight?”

Jian Yi’s voice resounded directly throughout the inheritance. Except for special places such as Time Sea, Jian Yi’s voice can be heard everywhere.

On the invincible battle platform, Jian Yi’s eyes were deep: “If you want to get the ‘Tao Realm Contract’ of the Great Master of the Three Realms, the invincible battle platform is the only way!”

You must stand proudly on the invincible battle platform for ten thousand years, and no one will challenge it again, then you can be considered to have passed the assessment of the “invincible battle platform”; “Dao Realm Contract”!

And standing on the invincible battle platform for 10,000 years, then, in the entire inheritance land, all the strong people who are dissatisfied with Jian Yi will definitely come to challenge Jian Yi! That being the case, Jian Yi might as well be a little more arrogant and take the initiative to provoke the entire inheritance!

Sure enough, the powerhouses in the land of inheritance, especially the tyrannical mid-level Heavenly Supremes, were all angry after hearing Jian Yi's provocation.

"So arrogant!"

"This Jianyi dares to step on the invincible stage, and dare to provoke the entire inheritance land like this!?"

"Jianyi is still just the 'Lower Heaven Supreme', right?"

"That's right! Definitely the next Heavenly Supreme!"

"He is a lower-ranked Heavenly Sovereign, and dare to be so arrogant? Although, the inheritance he received in the Three Realms Pagoda has reached the ultimate level! However, he is so provocative of the entire inheritance land, where did he put our median Heavenly Sovereign?"

You must know that in the land of inheritance, everyone can board the invincible battle platform.

Like Jian Yi, although it is only the cultivation of the next Heavenly Supreme, but since he has stood on the invincible stage, he will face any opponent of cultivation! —There are other lower Heavenly Supremes in the land of inheritance. Naturally, no one refuses to accept Jianyi, and no one dares to challenge Jianyi; however, at the middle Heavenly Supreme level, I am afraid that few are convinced!

After all, the Median Heavenly Sovereign in the land of inheritance is also a genius and leader at the level of the Median Sky Sovereign. How could it be possible to bow to a lower Heavenly Sovereign?

"Go! Go to the Invincible Battle Stage!"

"A lower-ranked Heavenly Supreme, dare to be arrogant!"

“Humph! This Jianyi, if he breaks through to the mid-level Heavenly Sovereign, and then cultivates for hundreds of millions of epochs, then maybe he can really pass the test of the ‘Invincible Battle Stage’! But now he is on the Invincible Battle Stage, he It’s just looking for death!”

“Is it true that we, the median heavenly supreme, are allowed to knead?”

“Let him pay the price for his ignorance!”

In the inheritance land, almost all the powerhouses rushed towards the invincible battle platform. Those middle-ranked Heavenly Supremes naturally refused to accept Jianyi and wanted to challenge Jianyi; while those lower-ranked Heavenly Supremes and Earthly Supremes came to watch them one after another.

...

Xu Ming naturally didn’t know that Jian Yi caused such a big disturbance in the place of inheritance. After all, Jian Yi’s voice, although covering the entire inheritance land, could not cover the sea of time.

Time under the sea.

Under the “ten million times” time flow rate, Xu Ming has actually spent more than three trillion years!

Three trillion years!

Coupled with the constant supply of “Cosmic Origin·True” and “Cosmic Origin·Void”, Xu Ming’s “self-universe” has evolved to a bottleneck!

Whether it is the “God Body Universe” or the “Heart Universe Eight Great Limits”, they have already reached an extreme, and it is difficult to expand any further!

“Can’t continue to expand!”

Xu Ming's "self-universe" is actually not very strong; not to mention that there is a big gap with the real universe, even compared to the Three Realms universe, it is still incomparably weak!

However, this was completely within Xu Ming's expectations.

"My current cultivation base has reached the pinnacle of 'high-ranking supreme'; my 'self-universe' naturally cannot continue to expand! – This is the bottleneck in the realm!"

At Xu Ming's current state level, the power he can control has reached the limit; if his "self-universe" continues to expand, that is... the power surpasses the realm!

The power surpasses the realm. In layman's terms, it is to go crazy!

Therefore, due to the limitation of the realm, the evolution of Xu Ming's "self-universe" has also reached the extreme, and it is impossible to go further!

In order to break through this shackle, Xu Ming must raise his realm to a higher level!

Only when the realm has broken through can the "self-universe" break through the shackles!

If Xu Ming's realm can reach the level of "great respect", then his "self universe" will never lose to the universe of the Three Realms! However, Xu Ming's current state is only at the level of "Earth Supreme", and his "self universe" naturally cannot be compared with the universe of the Three Realms.

"Boundary..." Xu Ming couldn't help sighing.

The gap between the Supreme Being and the Supreme Being is really not that easy to bridge! Moreover, Xu Ming created his own cultivation technique, and he created his own cultivation technique against the sky. It would be even more difficult to cross this gap!

The road to the Supreme Being, Xu Ming has not yet explored.

“My realm is low, but my strength...” Thinking of this, Xu Ming had a smile on his mouth, “My strength should have reached the level of the ‘High Heaven Supreme’! Besides, I still don’t use the Boundary Breaker Spear. Down!”

Yes!

Supreme Heaven!

When Xu Ming was in the “Lower Earth Supreme” cultivation base, his strength had already reached the level of “Median Heaven Supreme”; now, Xu Ming’s cultivation has reached the “Higher Earth Supreme Peak”, and his strength has finally broken through the shackles and reached “The Supreme Heaven”!

Moreover, Xu Ming still has the Boundary Breaker Gun in his hand! Under the Great Senior, I am afraid there are very few people who can threaten Xu Ming!

Xu Ming is almost the highest level of strength in the entire real universe!

But it’s not enough!

Because—Xu Ming’s real opponent is not the “High Heaven Supreme”, but the “Great Venerable”!

Moreover, it is not a Great Venerable, but to face many Great Venerables alone!

The universe is vast, the strong are like Chen, and Xu Ming, there is no one side by side!

“It is said... Kunpeng Great Venerable and Eternal Great Venerable are both suppressing the existence of a cosmic era!” Xu Ming couldn’t help but think, “When they were born, even if all the other Great Venerables joined forces, they would not be able to threaten them in the slightest! Then... How strong are Kunpeng Great Venerable and Eternal Great Venerable!?”

Xu Ming didn’t know what the realm of Kunpeng Great Venerable and Eternal Great Venerable had reached!

However, Xu Ming's goal is to reach or even surpass Kunpeng Great Venerable and Eternal Great Venerable!

“Then think of a way to create the fourth layer of “I Am for the Universe”!” Xu Ming's eyes were resolute, and he did not feel shaken at all because he was confused about the way forward, “Creating the fourth level of “I Am for the Universe” At that time, it should be the time when my realm level reaches the ‘Heaven Supreme’!”

Swish!

Xu Ming stood up abruptly, his momentum soaring to the sky.

“It's time to leave the sea of time and go to other places in the land of inheritance! I don't know... Jianyi is in the land of inheritance, how is it?”

Chapter 2095: The Difference Between Clouds And Mud

The place of inheritance.

Invincible battlefield.

Jian Yi stood proudly with his hands behind his back: “Who else dares to come to power!?”

Since Jian Yi stepped on the invincible battle stage, there have been 14 “Middle Heaven Supreme Beings” on the battle stage to challenge him! But the shocking thing is... all the challengers are defeated!

Moreover, thirteen of the fourteen “Median Heavenly Supreme” powerhouses fell directly on the battlefield; only one escaped the battlefield in embarrassment because of his strong life-saving skills.

Now, no one even dares to step on the invincible stage again and challenge Jian Yi!

“too strong!”

“Jianyi is only the lower-ranked Heavenly Sovereign, why is his strength so tyrannical? Even the median Heavenly Sovereigns in the inheritance land are not his opponents!”

You must know that the place of inheritance is the place where geniuses gather; the median Heavenly Supreme in the inheritance land is even stronger than the median Heavenly Supreme in the four major legions!

And now, Jian Yi, with the cultivation of “Lower Heavenly Supreme”, crushes the median Heavenly Supreme in the land of inheritance, how can it not cause shock?

“Hahahaha...” Listening to the discussions around, Jian Yi couldn’t help laughing up to the sky, thinking to himself: How can these natives of the Three Realms universe understand what a real genius is?

At the same time, Jian Yi was more excited, thinking in his heart: “As long as I persist on the invincible battle platform for 10,000 years, I will be eligible to obtain the ‘Dao Realm Contract’ of the Great Master of the Three Realms!”

Ten thousand years is just a flick of a finger.

Moreover, Jianyi has now feared the group of indigenous geniuses in the inheritance land; I am afraid that in the next time, no one may dare to board the invincible battle stage again!

Jian Yi seems to have seen that the “Tao Realm Contract” of the Great Senior of the Three Realms is beckoning to him! —That is a treasure that is a treasure of the Great Venerable! How could Jian Yi not be excited?

Thinking of this, Jian Yi became more and more arrogant and arrogant, and provocatively said to the entire inheritance land: “In the inheritance land, there are so many middle-ranked heavenly supreme powerhouses, is there no one who dares to challenge me, the lower-ranked heavenly supreme?”

...

When Xu Ming walked out of the sea of time, he just heard Jian Yi’s arrogant voice: “In the place of inheritance, there are so many middle-ranked Heavenly Supreme powerhouses, is there not one who dares to challenge me, the lower-ranked Heavenly Supreme?”

“What’s the situation!?” Xu Ming was slightly startled, “It seems... when I was in seclusion in the sea of time, Jian Yi seemed to be very nervous in the inheritance land!”

If Brother Ming is not in the place of inheritance, then if you want to win, then you must!

But now, Brother Ming is in the place of inheritance, and Jian Yi dares to stand in front of him.

“Go and see!”

Xu Ming flew directly towards the invincible battle platform.

Sure enough, Xu Ming saw Jian Yi’s invincible arrogance on the invincible stage!

And Jian Yi also noticed Xu Ming’s appearance—however, what he saw was the identity of “Savage Ghost”.

“Huh?” Jian Yi was stunned for a moment, then a sinister smile appeared on the corner of his mouth, “You’re finally here... Xu Ming!”

Jian Yi directly called out the name of “Xu Ming”.

Xu Ming?

In the land of inheritance, many people already know the character “Barbarian”; however, seeing Jian Yi calling him “Xu Ming”, they can’t help but be a little puzzled and don’t know what the situation is.

Xu Ming, on the other hand, laughed without saying a word – neither admitting nor denying it!

After all, Xu Ming is still not sure whether the identity of “Barbarian Ghost” will die; so, as long as Xu Ming does not admit his true identity, then even if the identity of “Barbarian Ghost” dies, he will not die. Expose yourself to the “Infinite Resurrection” hanging!

Neither admit nor deny, let Jian Yi guess by himself!

Xu Ming walked up to the Supreme Venerable Grey Sky, who he knew, and asked, “What’s the situation?”

Supreme Venerable Gray Sky glanced at Xu Ming, but did not answer immediately, but said with some contempt, “You just came out of the sea of time?”

“Yes!” Xu Ming said truthfully.

“How can you stay in such a broken place in the sea of time?” The disdain on the face of the Supreme Lord of the Sky is even stronger – he is the Supreme Being of the sky, and he is a little contemptuous of the Supreme Being; After the supreme being of “Ghost” is inexperienced and inexperienced, he naturally looks down on it even more!

Therefore, the Supreme Lord of the Grey Sky couldn’t help but show contempt.

Broken place?

Xu Ming was a little speechless – who said that the sea of time is a broken place? You must know that in the outside world, in just the past 300,000 years, Xu Ming’s true cultivation has broken through from “Lower Heaven Supreme” to “High Heaven Supreme”!

Such a place is called a “broken place”?

But Xu Ming didn’t bother to explain anything – after all, a mediocre person like the Supreme Lord of the Sky can’t understand his existence!

However, although the Supreme Lord of the Grey Sky looked contemptuous, his heart was still very good. Looking at Jian Yi on the battle platform, and at Xu Ming beside him, he sighed: “Barbarian, don’t blame me for speaking badly—Jian Yi and you entered the inheritance land one after the other; however, The talent and potential that the two of you show is really the difference between clouds and mud!”

“Jianyi, when he first came to the place of inheritance, it caused the Three Realms Pagoda to bloom with golden light, which shocked the entire place of inheritance! Later, in a short period of time, he

completely accepted the inheritance in the Three Realms Pagoda, triggering a colorful glow! And now, on the invincible battle stage, with the cultivation level of ‘Lower Heaven Supreme’ I have killed many ‘Median Heaven Supreme’ and no one dares to raise their heads! – Such talent is truly shocking!”

“And you...” Supreme Venerable Grey Sky said, and looked at Xu Ming again, “It’s just that your cultivation base is low. After you came to the place of inheritance, you went straight to the useless sea of time, and even more so in the sea of time. Stay until now! It’s just rotten wood that can’t be carved! I even doubt, how did you come to the place of inheritance...”

The Supreme Grey Scorpion gave a rude lecture.

“Xu Ming!” At this time, on the invincible stage, Jian Yi called out the name “Xu Ming” again, “Don’t think that if you don’t admit it, I can’t be sure that you are Xu Ming! If you have the guts, then Step on the invincible battle platform to fight with me; if you don’t dare, then just be a tortoise! – Hmph! When I get all the inheritance of the Great Venerable of the Three Realms, I don’t believe it, and I can’t do anything about you!”

The challenge of Jianyi made other strong people in the inheritance land a little puzzled – but they saw that the “barbarian ghost” was only the cultivation base of the high-ranking supreme! You must know that no one even dares to set foot on the invincible battle platform, even the Heavenly Supreme Being; how could the weak Earth Supreme Being, “Barbarian”, take on the challenge of Jianyi?

However, the impossible happened!

Xu Ming smiled and said, “Exactly, I also want to see how powerful you are!”

With that said, Xu Ming walked directly towards the Invincible Battle Stage!

Chapter 2096: The Lamp Is Broken?

With that said, Xu Ming walked directly towards the Invincible Battle Stage.

Immediately, around the invincible battle platform, all the powerhouses were shocked.

“what!?”

“Does he really dare to go to the battlefield and challenge Jian Yi?”

“Even the Heavenly Supreme, who is the median, dare not set foot on the battlefield; the Supreme Being of the Barbarian District, dare to challenge Jianyi?”

“Looking for death, is this?”

Even the Supreme Venerable Hui Tian couldn't help but persuade him through voice transmission: “Barbarian, although you are a rotten wood that cannot be carved, it is better to die than live, there is no need to die...”

However, Xu Ming ignored the surrounding voices and walked straight to the invincible stage. As for these voices of doubt and ridicule, when Xu Ming steps on the stage, they will naturally disappear!

Swish!

Xu Ming took a step and jumped directly to the invincible battle platform.

However...

Just as Xu Ming was about to step onto the battle stage, an invisible barrier suddenly appeared around the invincible battle stage, rebounding Xu Ming back.

“Huh? What's the situation?” Xu Ming was slightly startled, “This invincible battle platform, won't let me go up?”

Jian Yi, Supreme Hui Tian Tian, and other powerhouses were also stunned; immediately, everyone reacted, and the mockery was even louder.

“Haha! Let me just say, how dare this savage, with a mere supreme cultivation base, dare to set foot on the battlefield; it seems... he already knew that he would not be able to enter the battlefield!”

“If you want to set foot on the Invincible Battle Stage, you must first accept the inheritance in the Three Realms Pagoda and bloom with golden light! This savage has never even been to the Three Realms Pagoda, so how can he be qualified to set foot on the Invincible Battle Stage?”

“Yeah! How did we forget about this! The savage must know that he can’t get on the battlefield, so he deliberately pretended to be there!”

“That’s right!”

“Hahahaha...” On the invincible stage, Jian Yi smiled unceremoniously, “Xu Ming!”

Jian Yi called the name “Xu Ming” directly.

“Did you know for a long time that you are not qualified to challenge me, so you pretended to challenge me?” Jian Yi sneered.

Not qualified?

Pretend?

Xu Ming couldn’t help but smile: “You wait!”

Saying that, Xu Ming turned around and left, heading straight for the Three Realms Pagoda.

“He wants to...” The powerhouses in the land of inheritance looked at Xu Ming curiously.

“He’s going to the Three Realms Pagoda?”

“Joke! Does he really think that the inheritance of the Three Realms Pagoda is so easy to accept?”

“That’s right! Jianyi only needs to stay on the invincible battle platform for 10,000 years at most! – Not to mention 10,000 years, even if it is given to the barbarian for 100,000 years, I am afraid that his ‘inheritance’ will not be able to make the Three Realms Tower bloom with golden light. !”

“Haha! It seems to be pretending again! It’s quite similar!”

The strong men sneered.

Jian Yi did not sneer, but looked at Xu Ming with a sneer – he knew that with Xu Ming’s talent, it would be easy for the Three Realms Pagoda to bloom with golden light!

“I hope... Xu Ming really wants to fight me!” Jian Yi sneered in his heart, “In that case, I happened to be on this invincible battle platform and solved him! I’m afraid... Xu Ming is not true. Want to fight with me!”

After all, in Jian Yi’s view, Xu Ming is only a supreme cultivation base, and I am afraid he will not dare to fight him!

dare not?

It can only be said that Jian Yi is still too ignorant and arrogant – Xu Ming is about to kill Jian Yi on the invincible battle platform!

Just when the powerhouses were thinking about each other, Xu Ming had already stepped into the Three Realms Pagoda.

“Look, the savages are in!”

“The first time I entered the Three Realms Pagoda, I would definitely not be able to accept much inheritance, and I’m afraid I will be kicked out soon!”

“That’s right! After all, it’s almost impossible for someone like Jian Yi to enter the Three Realms Pagoda for the first time to reach the second layer of inheritance! At least...it’s impossible to appear on the Supreme Being of the Barbarian Ghost!”

“Challenge Jianyi? Ridiculous! He is not even qualified to be on the invincible stage!”

However, the voices of the people did not fall—

Whoa!

The Three Realms Pagoda directly burst into an extremely dazzling golden light!

“what!?”

“what!?”

“what!?”

Everyone was shocked!

Everyone looked dumbfounded: “What’s the situation!?”

“Three Realms Pagoda... golden light?”

The golden light was extremely dazzling, but none of the powerhouses could believe their own eyes.

“This is the first time the barbarian ghost has entered the Three Realms Pagoda! Does this mean that as soon as he enters, he directly reaches the second layer of inheritance?”

“When did it become so easy to reach the second level of inheritance?”

“You must know... There are still many people among our Heavenly Supremes who have not yet reached the second level of inheritance!”

Some people even couldn’t help but think: Are we pigs?

If it wasn’t for pigs, why haven’t they achieved such a simple second-level inheritance?

Even Jian Yi’s expression changed at this time – although he had long expected that with Xu Ming’s talent, it would be extremely easy to reach the second level of inheritance! However, he never

imagined that Xu Ming had just entered the Three Realms Pagoda and reached the second level of inheritance!

“Xu Ming’s talent is really so terrifying!?”

Jian Yi refuses to accept!

After all, no matter what, Jian Yi is also a super genius cultivated by the Eternal Hall; in the entire “real universe”, he is definitely the top genius! How can he be willing to admit that he is far inferior to Xu Ming?

But... it’s useful if you don’t accept it! ?

Useless!

Soon!

wow—

The light from the Three Realms Pagoda turned directly from gold to red!

“what!?”

“This is...”

“how is this possible!”

“The third level of inheritance!?”

Xu Ming entered the Three Realms Pagoda, and in the blink of an eye, he reached the second level of inheritance; in the blink of an eye, he reached the third level!

And... when Jian Yi first stimulated the red light, it only lasted for a moment and then dissipated immediately; however, Xu Ming's red light was brilliant! – In such a comparison, a judgment is made!

“I...” Jian Yi felt extremely aggrieved, feeling like he was trampled on the ground by Xu Ming.

However, not long after-

The Three Realms Pagoda directly burst into purple light!

Inherit the fourth floor!

Xu Ming went all the way with sparks and lightningNot long after entering the Three Realms Pagoda, he directly reached the fourth floor of inheritance!

Jian Yi and the others were already shocked to the point of being stunned!

Many strong people couldn't help but think: Is the lamp of the Three Realms Pagoda broken?

After all, if it wasn't for the lights being broken, how could it be possible to jump from the golden light to the purple light in a short period of time!

However, the Three Realms Pagoda is the inheritance tower left by the Great Senior, how could it be broken?

However, just when the powerhouses suspected that “the light is broken”...

boom-

The entire Three Realms Pagoda burst into colorful light!

Moreover, this colorful light is much more dazzling than the colorful light before Jianyi!

The entire heritage land is silent!

Shocked to silence!

How can you play like this?

Do you know that this will make other strong people doubt life?

In fact, the powerhouses in the land of inheritance, including Jian Yi, have been shocked to the point of doubting their lives!

Chapter 2097: I Don'T Choose!

Xu Ming didn't see the shocking expressions of the powerhouses; but he didn't need to look, he had already guessed it – after all, the talent that Jian Yi showed before has already shocked the entire inheritance land; Now, Xu Ming's talent is many times better than Jian Yi's.

After a while, Xu Ming had already accepted the inheritance and walked out of the Three Realms Pagoda.

“The inheritance of the Great Venerable of the Three Realms is like that!”

As Xu Ming walked out of the Three Realms Pagoda, he secretly said in his heart—he was not trying to force him, but he really felt that the inheritance of the Great Venerable of the Three Realms could not be better.

“Compared to “Breaking the World”, it's far too far! Even compared to “I am the Universe” created by me, it's still far from the pattern!”

At present, Xu Ming has only created “I for the Universe” to the third level, that is, the “Earth Supreme” level, and has not created the content of the “Heaven Supreme” level. Therefore, Xu Ming can't say that “I am the Universe” is stronger than the inheritance of the Great Master of the Three Realms; but in all fairness, it is said that the inheritance is much stronger than that of the Great Master of the Three Realms!

In fact, it is!

In terms of layout, the Three Realms Great Senior lost too much to Xu Ming!

“However... the inheritance of the Great Venerable of the Three Realms is not useless! At least, in these inheritances, there are many mysteries of the Heavenly Sovereign level and even the Great Venerable level, which gave me a lot of inspiration and ideas!”

Of course, Xu Ming would not learn the inheritance of the Great Master of the Three Realms, but Xu Ming could rely on the inheritance of the Great Master of the Three Realms to perfect the “I am the Universe” exercise he created!

Stones from other hills, can learn!

Although, the inheritance of the Great Venerable of the Three Realms is far from the “beautiful jade” created by Xu Ming; but it is still a “stone from another mountain”, isn’t it?

If the Great Master of the Three Realms knew that his lifelong hard work fell into Xu Ming’s eyes, it turned out to be just a “stone from another mountain” that didn’t enter the flow, and he wondered if he could survive in anger.

Soon, Xu Ming went from the “Three Realms Pagoda” to the “Invincible Battle Stage”.

“Now, am I qualified to board the Invincible Battle Stage?” Xu Ming asked lightly, ignoring the countless pairs of shocked and dazed gazes around him.

The powerhouses in the land of inheritance were speechless for a while, thinking to themselves: Lao Tie, if you want to get on the invincible battle platform, you only need to reach the second level of inheritance, that is, “Three Realms Pagoda blooms golden light”! You have now directly reached the fifth layer of inheritance. This invincible battle platform is not as good as you want to go!

“Xu Ming!” Jian Yi looked at Xu Ming indifferently, and said coldly, “Isn’t it that you have completely accepted the inheritance of the Great Venerable of the Three Realms? But your cultivation level is only Earth Supreme! You are qualified to ascend The invincible battle platform is over, but for you, this is just a qualification to ‘send death’! -Xu Ming! I’ll be waiting for you here, do you dare to come up and die?”

Jian Yi deliberately provoked. In his heart, he was already thinking about how to force Xu Ming to hand over the Boundary-Breaking Spear and other treasures after he was on the battlefield.

“Humph!” Jian Yi thought fiercely in his heart, “Other places in the inheritance land are not allowed to do anything! However, as long as Xu Ming dares to step on the stage, I have a way to deal with him!”

Jian Yi naturally didn’t take Xu Ming in his eyes—even though Xu Ming’s performance was very defiant in terms of talent and strength; however, Jian Yi thought that he was also defiant!

In Jian Yi’s opinion, if Xu Ming has the same cultivation level as himself, then he really has to be afraid of Xu Ming; but now, there is a gap between “Earth Supreme” and “Heaven Supreme” between Xu Ming and him, so , how could Jian Yi put Xu Ming in his eyes!

You must know that Jian Yi is a super genius cultivated by the Eternal Hall!

“It’s just... Xu Ming will never have a chance to ‘the same cultivation level’ as me!” Jian Yi sneered in his heart.

Xu Ming did not show a trace of anger because of Jian Yi’s arrogance. After all, in Xu Ming’s view, Jian Yi’s current behavior is not arrogant, but stupid!

Challenging Brother Ming?

Is Brother Ming so easily provocative?

Xu Ming took one step at a time, calmly walking to the Invincible Battle Stage—this was the second time he had walked to the Invincible Battle Stage.

“Barbarian!” Supreme Venerable Grey Sky couldn’t help but said to Xu Ming, “Don’t go up! He is deliberately provoking you!”

Seeing Xu Ming’s potential, Supreme Grey Sky couldn’t bear Xu Ming to go up and die like this, so he persuaded him.

“I know!” Xu Ming said lightly.

“Then you’re still...” Huitian Supreme was speechless, “You are the ‘Earth Supreme’ cultivation base, but Jian Yi is the ‘Heaven Supreme’, how can you defeat him? – With your talent, you have accepted the Great Venerable. Inheritance, why not immediately enter the sea of time, let yourself break through to the realm of Heavenly Supreme, and then come back to fight Jianyi?”

“Because...” Xu Ming teased, “It’s not necessary!”

To clean up Jianyi, do you still need to let yourself break through to the realm of Heavenly Sovereign? – It’s really not necessary!

Having said that, Xu Ming has already stepped on the invincible battle stage!

“This...” At the same time as the Supreme Being was shocked, he couldn’t help shaking his head, “Too arrogant!”

Too arrogant!

The same voice resounded in the hearts of the other powerhouses—in their opinion, Jian Yi’s strength was called “invincible under the Supreme Heavenly Sovereign”! And the talent of this “barbarian” is against the sky, can it be possible to fight Jianyi with the cultivation of “Supreme Earth”?

It is impossible to fight!

“Xu Ming!” Jian Yi laughed, with an extremely ferocious smile, “You, I, finally stand on the same battle platform!”

Xu Ming did not speak, nor did he acknowledge the identity of “Xu Ming”.

Jian Yi continued: “For you I have prepared a lot of torture methods! Today, these methods can finally come in handy!”

“Really?” Xu Ming finally spoke up, and his eyes became a little more indifferent – this Jian Yi can be said to be the person Xu Ming wanted to kill the most!

but...

Xu Ming has learned from the inheritance of the Great Venerable of the Three Realms that in the Eternal Hall, there are some means to resurrect people from the long river of time! In other words, even if Xu Ming killed Jian Yi now, it was not a real killing; because, with Jian Yi’s talent, he would definitely be resurrected by the Eternal Hall!

“You can’t kill him so easily! Then...” Xu Ming looked at Jian Yi indifferently, he already had an idea in his heart.

Jian Yi also looked at Xu Ming indifferently, and grinned: “How is it? Do you want to take the initiative to hand over the Boundary-Breaking Spear and wait for the treasure, and then die happily? Or do you want to experience all kinds of torture and then be willing to hand over the treasure? ”

Seeing that Xu Ming didn’t speak, Jian Yi said again: “Of course, you can also try, with the Boundary Breaker Spear, can you fight me! But... the price of trying is to try all my torture methods! ”

Jian Yi didn’t take Xu Ming in his eyes at all; in his opinion, even if Xu Ming used the magic weapon, it would be impossible to threaten him: “Make your own choice!”

“No!” Xu Ming sneered and shook his head, “I won’t choose either!”

Chapter 2098: You Come To Kill Me!

“I don’t choose either!”

“None of them?” Jian Yi sneered, “Then I will help you choose!”

boom!

Jian Yi’s figure immediately burst into flames, and he quickly attacked Xu Ming.

Xu Ming laughed.

“weak!”

“too weak!”

Yes! In Xu Ming’s eyes, Jian Yi is too weak!

Jianyi, although at the level of “Middle Heavenly Supreme”, is almost an invincible existence; however, it is only at the level of Median Heavenly Supreme. However, Xu Ming is already at the level of “High Heaven Supreme”!

The levels are completely different!

The Median Heavenly Sovereign and the upper Heavenly Sovereign are like a gap, like a moat! Two levels, the gap is too big!

Because of this, Jian Yi was killing him with murderous aura, but in Xu Ming’s eyes, he seemed to be running over like a little bitch.

Xu Ming directly raised his slap and waved it towards Jian Yi’s face. It looked as if Jian Yi slapped Xu Ming’s slap with his face.

Snapped!

A crisp slap sounded on the invincible battle stage.

call out-

Bang!

Jian Yi was directly slapped away, and fell heavily on the battlefield.

“what!?”

“what!?”

“what!?”

Around the invincible battle platform, there is a lot of confusion.

“what’s the situation?”

“Jianyi was slapped by a barbarian?”

“Is Jianyi stupid? He was dignified by the Supreme Being, but was slapped by the Supreme Earth?”

“It looks like Jian Yi deliberately slaps the slap in the face of the savage ghost!”

“But it’s not right! Jian Yi obviously hangs all the Heavenly Supremes in our inheritance land, how can they be ravaged by one Earth Supreme?”

Everyone was talking in horror, and gradually, the eyes that looked at Xu Ming became more and more terrified.

In the end, the powerhouses in the land of inheritance came to a conclusion – the barbarians are too strong! Even so strong that it can crush the super genius Jianyi of the Supreme Heaven with the cultivation of the Supreme Earth!

“The strength of the barbarian ghost, I am afraid that it has reached the level of the supreme heaven?”

“How is this possible! Earth Supreme’s cultivation is comparable to the strength of the upper Heavenly Supreme? – Don’t tell me, I haven’t even heard of it!”

On the invincible stage, the battle between Xu Ming and Jian Yi continued.

Oh no! It's not so much a battle as it is... a one-sided devastation!

Snapped! Snapped! Snapped! Snapped! ...

Jian Yi was completely pressed to the ground by Xu Ming, and he was beaten so hard that he couldn't lift his head.

Around the battle stage, many strong people couldn't help but feel pity for Jian Yi – this unfortunate child, pretending to be X for a long time, as a result, he was beaten into a dog by the savage ghost.

How miserable!

clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap...

After I don't know how many stormy slaps, Xu Ming was a little tired and stepped on Jian Yi directly.

The soles of Xu Ming's feet "intimately" touched Jian Yi's cheeks, rubbing and rubbing, constantly rubbing on the smooth platform...

Jian Yi's face was twisted and deformed in the friction, but his eyes were dull: Who am I? Where am I? What have I been through?

However, Jian Yi's mouth was very hard.

"Xu Ming!" Jian Yi shouted coldly, his aura was very arrogant; it was as if he was not stepping on Xu Ming's foot, but he stepped on Xu Ming's foot, "I admit, your strength is very strong! But you have Just kill me if I can! I might as well tell you that even if I fall here, I will be resurrected again!"

Jian Yi finally had to admit that he was far inferior to Xu Ming in both talent and strength.

However, even if it is not as good, Jian Yi will not bow his head, because... Standing behind Jian Yi is the Eternal Palace! The largest force in the true universe "Eternal Temple"!

No matter how strong Xu Ming is and how defiant it is, can he still resist the majesty of the Eternal Hall?

In the Eternal Palace, the saying that “the Supreme Heavenly Sovereign is as many as a dog” may be a bit exaggerated; however, if the Eternal Palace sends a great lord at random, he can easily crush Xu Ming!

Therefore, although Jian Yi was stepped on by Xu Ming now, his expression was still very stubborn!

Xu Ming smiled and said, “I know you can be resurrected!”

In the Three Realms Pagoda, Xu Ming accepted almost all the inheritance of the Three Realms Great Venerable.

In fact, the inheritance in the Three Realms Pagoda is mainly prepared for the geniuses of the Three Realms universe; therefore, in the inheritance, in addition to various exercises and secret skills, there are also information about the forces of the real universe.

It was also in the Three Realms Pagoda that Xu Ming learned many secrets that he did not know. For example... There are means in the Eternal Hall, which can easily revive the fallen powerhouse. If a genius like Jian Yi dies, the Eternal Hall will definitely not be resurrected!

However, the information left by the Great Senior of the Three Realms is not omniscient. For example, there is one thing that even the Great Venerable of the Three Realms doesn't know, that is... Where are the Great Venerable Kunpeng and Great Venerable Eternal, who were once invincible in the real universe?

You know, the universe is divided into five “cosmic eras”!

Before Kunpeng Dazun was born, it was called “the first cosmic era”!

And when Kunpeng Dazun was born, it directly ended the first universe era and entered the second universe era!

When Kunpeng Dazun disappeared, the second universe era ended and entered the third universe era!

The birth of the Eternal Great Venerable opened the fourth universe era!

The Eternal Great Master disappeared, and the fifth universe era opened!

That is to say... The reason why the real universe is divided into five cosmic eras is entirely because of Kunpeng Dazun and Eternal Dazun!

The birth and disappearance of Kunpeng Great Venerable and Eternal Great Venerable have had a great impact on the situation of the entire universe! When they were born, the heroes bowed their heads and the universe was unified; when they disappeared, the heroes were divided and conquered from all sides! —The strength and deterrence of Kunpeng Great Venerable and Eternal Great Venerable can be imagined!

So now, the question is – what about people?

Where did these two invincible existences go?

“Do you know that I can be resurrected?” Jian Yi was stunned when he heard this~www.readwn.com~ and then sneered, “You learned about it in the Three Realms Tower?—Hmph! Then you are here to kill me! When I am resurrected, I will definitely seek revenge for you!”

You come to kill me!

Xu Ming had to admit that Jian Yi’s request was indeed a bit unique. but...

“Why should I kill you?” Xu Ming sneered.

“Don’t kill me?” Jian Yi said arrogantly, “That’s why you let me go? Haha! Don’t think that if you don’t kill me, I will be grateful to you! When I return to the Eternal Hall, I must ask the Great Venerable to take action, and You kill!”

Jian Yi can be said to be very arrogant! – If you kill me, I will be resurrected to take revenge; if you don't kill me, I will also seek revenge for you!

Xu Ming couldn't help laughing: "Who said I was going to let you go?"

"Don't kill me, don't let me go, what do you want to do?" Jian Yi couldn't help but wonder, "Do you want to suppress me? Hahahaha..."

Thinking of this, Jian Yi couldn't help laughing: "Xu Ming, I admit that my strength is not as good as yours! But, want to suppress me? Then you look down on yourself too much! – You think, only your strength, can you stop me from committing suicide?"

"With my little strength, maybe I really can't stop you from committing suicide!" Xu Ming said with a faint smile, "But... what if you add this treasure?"

Chapter 2099: 3 World Breakers

"But... what if you add this treasure?"

With a wave of Xu Ming's hand, a volume of atlas appeared in his hand, it was... Kun-feeding chart!

For a long time, Xu Ming thought that the two treasures, Kun Kun Tu and Feng Zhou Ding, were just "Supreme Soldiers of Heaven". After all... When Xu Ming got these two treasures before, he was told that these two treasures were far inferior to the "Boundary Breaker Spear"; and the Breaker Spear was a magic weapon, so Xu Ming subconsciously thought that the Kuntu He Feng Zhou Ding is just the Heavenly Supreme Divine Soldier.

However, after entering the Three Realms Pagoda to accept the inheritance and obtaining some secrets, Xu Ming found out that... Kuntu and Feng Zhou Ding are also divine weapons of breaking the world!

Yes!

Xu Ming has three world-breaking weapons in his hands!

The Kun-feeding map is a “suppression and seal” type of world-breaking magic weapon!

Feng Zhou Ding is a “hidden camouflage” type of magic weapon!

And the Boundary Breaker Spear is the best among the “attack” type of Boundary Breaker! It’s a top-notch world-breaking soldier!

You must know that even some of the existences of the Great Venerable Realm have only one world-breaking magic weapon in their hands; while Xu Ming has three world-breaking magic weapons, and one of them is a “superior world-breaking magic weapon”! In other words... Xu Ming is probably richer than many great masters!

Sure enough, Jian Yi’s expression changed a bit after seeing the picture of the Kun-feeding in Xu Ming’s hand.

“Kun feeding map!?” Jian Yi looked at Xu Ming in disbelief, “Kun feeding map is actually in your hands?”

Of course, Jian Yi was more frightened at this time! -After all, in terms of strength, Xu Ming is far superior to him; now, Xu Ming has the “Kun-feeding map” in his hands, it is really not difficult to suppress him!

Compared with death, Jianyi is more afraid of being suppressed and sealed!

If it is death, Jian Yi will definitely be resurrected by the Eternal Palace; but if it is suppressed and sealed, then the Eternal Palace cannot resurrect him at all – because Jian Yi is not dead, how can he be resurrected?

In that case, Jian Yi will probably be suppressed and sealed in the Kun-feeding map forever.

“Not good!” Therefore, Jian Yi’s first reaction when he came back to his senses was – self-destruction!

I would rather commit suicide than be suppressed and sealed by Xu Ming!

“Want to commit suicide?” Xu Ming suddenly laughed – he wanted to die, have you asked Brother Ming for permission?

boom-

Xu Ming directly urged the Kun-feeding map.

The terrifying coercion instantly swept the entire invincible battlefield, and time and space seemed to be stagnant.

Xu Ming’s strength was already crushing Jian Yi, and he used the “suppressing seal” type of world-breaking magic weapon. He was completely crushing Jian Yi, and he couldn’t even commit suicide.

“Come in, give it to me!” Xu Ming directly used the Kun-feeding picture to shoot Jianyi, and put Jianyi in the Kun-feeding picture! As long as it is received, the suppression and seal will be successful!

“No—” Jian Yi was horrified and shouted in horror, “Xu Ming! Let me go! If you dare to suppress me, the Eternal Palace will never let you go!”

“Ha!” Xu Ming smiled, “Let’s talk about it when the Eternal Palace can find me!”

call out-

Jian Yi was directly sucked into the Kun Kun map.

Jianyi’s strength, to put it bluntly, is at the level of the “median Heavenly Supreme”; while Kuntu is a world-breaking magic weapon! Jianyi was suppressed into the Kun-feeding map, how could there be a chance to struggle?

“Heh! You are in the Kun-feeding map, just stay honest!” Xu Ming sneered.

“No—Xu Ming! Let me out! Let me out!” Jian Yi’s voice became weaker and weaker in the Kun Feeding Picture.

Xu Ming directly put away the Kun-feeding map.

In this battle on the invincible battle platform, the outcome has also been determined.

“The barbarian... Really defeated Jian Yi?”

“How can the cultivation of the Supreme Earth have such a strong strength?”

The powerhouses in the land of inheritance felt extremely unbelievable, but they had to believe it.

“But... the conversation between Jian Yi and the barbarian just now seems a bit strange! Eternal Palace? They don’t seem to be geniuses in the Three Realms universe, but... outsiders!”

“Also, the identity of this barbarian seems to be fake! His real identity seems to be called Xu Ming!”

The powerhouses in the land of inheritance speculated that Xu Ming and Jian Yi were outsiders. However, their attitude towards “outsiders” was not as radical as that of the four major legions; even now that they knew that Xu Ming was likely to be an outsider, they did not show much hostility. After all... this place of inheritance of the Great Venerable of the Three Realms is not just for the geniuses in the universe of the Three Realms; if outsiders have a way to come to the place of inheritance, it is also a chance.

“Anyone going up to the challenge?”

“Challenge? Forget it! Even Jianyi has been ravaged to the point of being powerless to fight back; we are far from Jianyi. Going up to challenge is not going to die?”

“That’s right! Let’s take a good look and see if Xu Ming can get the ultimate chance!”

The Great Senior of the Three Realms had created a place of inheritance long before his fall. The original purpose of this place of inheritance was to cultivate geniuses in the Three Realms Mountain and the Three Realms Universe.

And now, these geniuses in the inheritance land obviously don't know what the word "Xu Ming" means! – They had already entered the land of inheritance before the fall of the Great Senior of the Three Realms; therefore, they did not know that it was Xu Ming who killed the Great Senior of the Three Realms.

Of course, after the fall of the Great Venerable of the Three Realms, the place of inheritance has also undergone some changes. For example, originally, as long as you are "invincible for 10,000 years" on the invincible battle platform, you can get the final reward of the land of inheritance; but now, after "invincible for 10,000 years" on the invincible battle platform, the final assessment will be opened. If you can pass the ultimate assessment, you can get the "Tao Realm Contract" of the Three Realms Great Venerable! —However, almost no one knows about this change in the place of transmission; the only ones who know about it are Xu Ming and Jian Yi.

Now, Jianyi has been suppressed and sealed; therefore, Xu Ming is the only one who knows.

Xu Ming glanced around and secretly said, "In the past 10,000 years~www.readwn.com~ no one should dare to challenge me! I will be on this invincible battle platform, and deduce the first chapter of "I am the universe". Fourth floor!"

The inheritance of the Great Master of the Three Realms left in the Three Realms Pagoda can still provide Xu Ming with some help. "Stones from other mountains can attack jade." Maybe Xu Ming could learn some mysteries from it and improve his self-created "I am the universe" exercise.

"He actually practiced directly on the invincible platform!"

"Isn't it a matter of every second?"

"That's it! It's only 10,000 years. With a flick of the finger, what can you cultivate?"

...

Time flies.

Xu Ming spent 10,000 years practicing on the invincible battle platform. The powerhouses in the land of inheritance have waited for ten thousand years around the invincible battle platform.

It's time for thousands of years!

Swish!

Xu Ming suddenly opened his eyes, and there was disappointment in his eyes, but also expectation-disappointment is that in just 10,000 years, he really failed to deduce anything; and what he was looking forward to was the "Tao Realm Contract" of the Great Master of the Three Realms, It's coming to him soon!

boom-

Suddenly, the invincible battle platform was enveloped by a vast coercion. Immediately afterwards, the figure of the Great Senior of the Three Realms began to condense directly above the invincible battle platform.

Chapter 2100: This Is Life!

The figure of the Great Senior of the Three Realms began to condense directly above the invincible battle platform.

When they saw this figure, the powerhouses in the inheritance land were shocked; at the same time, infinite piety erupted in their eyes.

"Three Realms Great Venerable!"

"Great Lord of the Three Realms!"

"It's the great Lord of the Three Realms that has come!"

The powerhouses in the inheritance land fell to their knees one after another; they thought that it was the Great Venerable of the Three Realms who came.

Xu Ming looked at this condensing figure indifferently. He knew that this was just an illusion left by the Great Venerable of the Three Realms; as for the Great Venerable of the Three Realms, Xu Ming had already killed it.

Soon, the figure of the Great Senior of the Three Realms was condensed, and he slowly landed on the invincible battle platform; the gaze he looked at Xu Ming was very dull.

“This illusion of the Great Venerable of the Three Realms should not know me!” Xu Ming secretly said, “After all, everything in this inheritance place was already arranged long ago! And before the endless years, the Three Realms The Great Senior doesn’t know, he will be killed by me! And... even if this illusion knows me, it doesn’t matter! I am now using Feng Zhou Ding to disguise my identity, he can’t recognize it!”

Xu Ming’s current strength has reached the level of “High Heaven Supreme”! – With his current strength, using the hidden camouflage class-breaking magic weapon “Feng Zhou Ding” to disguise his identity, even if he stands in front of the Great Senior, he will not be seen through! In front of him, it’s just an illusion of the Great Senior of the Three Realms, and it’s even more impossible to see through it!

“Young man!” The illusion of the Great Senior of the Three Realms looked at Xu Ming and said indifferently, “Remove the disguise! – Your disguise is very clever, even I can’t see through it now! However, I can feel that you are not the Three Realms. A being in the universe! So, you can’t deceive me if you pretend to be a being in the universe of the Three Realms!”

Every creature in the Three Realms universe is extremely devout to the Great Venerable of the Three Realms!

But now, the Great Senior of the Three Realms did not feel this piety in Xu Ming, so he naturally found out that Xu Ming was disguising his identity.

“Remove the disguise?” Xu Ming hesitated for a moment – he wasn’t sure if this illusion of the Great Senior of the Three Realms knew him.

If this illusion knew that it was he who killed the Great Senior of the Three Realms, wouldn’t it be over?

But... after thinking about it, Xu Ming decided to remove the disguise. Because, if you want to refine the “Dao Realm Contract”, you must use your real identity to refine it; therefore, without removing the disguise, Xu Ming still can’t get the “Dao Realm Contract” of the Three Realms Great Venerable.

“I hope... this phantom won’t recognize me!” Xu Ming gritted his teeth and removed his disguise, revealing his true colors.

At the same time, Xu Ming was always paying attention to the expression of the Great Senior of the Three Realms. Seeing that the Great Senior of the Three Realms did not respond, he was relieved.

“It seems... this illusion, I really don’t know, I killed the Great Senior of the Three Realms!” Xu Ming secretly said.

In fact, when the Great Venerable of the Three Realms left behind a place of inheritance, he did not have such precautions, which was quite normal. After all, the Three Realms Universe does not allow the powerhouse with the cultivation base of “Upper Heaven Supreme” to enter, that is to say, the highest person who can come to this place of inheritance can only be the “Middle Heaven Supreme” cultivation base!

Of course, the Great Senior of the Three Realms would never have thought that he would be killed by someone with a cultivation level below the “Middle Heaven Supreme”! Therefore, in the place of inheritance, naturally there are no more defensive means left; so now, the illusion left by the Great Master of the Three Realms is also stupid, and he has no idea that Xu Ming killed him, and he is still preparing Give the treasure to Xu Ming!

“Earth Supreme Cultivation?” The illusion of the Three Realms Great Venerable looked at Xu Ming and nodded with satisfaction. At the same time, he isolated the surrounding time and space, so that no one outside the Invincible Battle Stage could hear his voice, “I can cultivate with the Supreme Earth. , to this step, it shows that your talent is strong! Even when I was the Supreme Being, I am not as strong as you are now! – With your talent, you are qualified to get my ‘Dao World Contract’!”

Xu Ming’s eyes lit up: It’s finally coming!

The Dao Realm contract, I am afraid that most of the treasures of the Three Realms Great Venerable are hidden in it!

You must know that when Xu Ming killed the Great Venerable of the Three Realms before, his biggest regret was that he could not get the treasure of the Great Venerable of the Three Realms!

And now, Xu Ming is finally about to get the “Tao Realm Contract” from the Great Master of the Three Realms. I have to say – this is life!

The Great Senior of the Three Realms was destined to be a stepping stone for Xu Ming!

“But...” The Great Senior of the Three Realms said again, “If you want to get my ‘Dao Realm Contract’, you have to promise me a condition first!”

“What conditions?” Xu Ming was stunned for a moment – the only condition he could think of was to avenge the Great Venerable of the Three Realms!

This made Xu Ming feel a little pained – after all, the Great Senior of the Three Realms was killed by him! If the Great Master of the Three Realms asked him to take revenge, what should Xu Ming do? kill yourself?

However, if he did not agree to avenge the Three Realms Great Venerable, then the Three Realms Great Venerable would definitely not give him the “Tao Realm Contract”.

“Listen to what the Three Realms Great Venerable wants to say first!” Xu Ming secretly said.

Sure enough, the Great Venerable of the Three Realms continued: “My condition is... if you have the chance, help me to avenge me!”

“You are from outside the universe of the Three Realms. You should know that I have fallen! If I hadn’t fallen, you wouldn’t be able to get my ‘Dao Realm Contract’!” The Great Senior of the Three Realms looked at Xu Ming and continued, “However, If you want to get my treasure without paying anything, it is naturally impossible! Therefore, if you want to get my ‘Daojie contract’, you must first set up a karmic entanglement and avenge me! – Of course, I also know that the one who can kill me is an existence at the level of the Great Venerable! Therefore, I will not force you to do ~www.readwn.com~ revenge; I just need you to promise: if you have the opportunity, help me take revenge! ”

If you have the chance, help me get revenge!

This requirement of the Great Senior of the Three Realms can be said to be very low! If it were anyone else, he would have agreed without hesitation; however, Xu Ming couldn’t agree – kill himself? How to kill?

However, if you don't agree, it's obviously impossible to give yourself the "Tao Realm Contract" with the illusion of the Three Realms Great Venerable in front of you. For a time, Xu Ming didn't know what to do.

"Huh?" Seeing this, the Great Senior of the Three Realms could not help frowning slightly, "You refuse to agree to such a request?"

From the view of the Great Master of the Three Realms, his request was absolutely reasonable; he really couldn't understand, such a reasonable request, and the reward was his own "Dao Realm Contract", what was there to hesitate about Xu Ming in front of him! – No matter how the Great Senior of the Three Realms breaks his head, it is impossible to think that this Xu Ming, whose cultivation is only "high-ranking supreme", is his murderous enemy!

"I can agree to your request!" Xu Ming suddenly looked at the Great Senior of the Three Realms and said, "But... the Great Senior of the Three Realms, you also know that the power that can kill you must be extremely powerful, and maybe there will be resurrection. Such means of life-saving! So, if there is a chance, I can help you avenge; however, I will only avenge you once, if the other party has any means of resurrection, then I will not care about it!"
