

A World 2111

Chapter 2111: Back In Time (Part 1)

“Are you...ready to die?”

Xu Ming is not a kind person.

In fact, any strong person above the supreme realm cannot be of any kind, and they all come out of the blood.

Yinshan Ten Demons want to step on Xu Ming to become famous?

Yes, just come and step on it!

However, if the step fails, it is the price of life!

“Jie Jie...” The one-armed black-clothed powerhouse before smirked, “Wolongtian Supreme, since our Ten Demons of Yinshan dare to challenge you, we are naturally confident! If you really lose your life, we will also There is nothing to say, I can only blame myself for not being strong enough!”

The words of the one-armed black-clothed powerhouse may seem a little humble, but in fact they reveal a confidence that must be fought.

Of course Xu Ming heard it, but sneered disdainfully: “That’s good!”

With that said, Xu Ming looked at Elder Lei Gu and asked, “Can we do it here?”

“Yes!” Elder Lei Gu said with a smile, “In our Lei Mie Pavilion, there are formations everywhere! I can draw a formation here and let you compete!”

Elder Lei Gu actually wanted to take the opportunity to see how strong this Wolong Heavenly Sovereign is—after all, even if he is the same as the upper Heavenly Sovereign, there are strong and weak ones. The weak superior Heavenly Sovereign, who has just stepped over the shackles, can also bully the ordinary median Heavenly Sovereign; while the powerful superior Heavenly Sovereign can be close to the Great Sovereign!

The same is the upper heaven, the strength is different, and the status in the real universe is naturally different.

boom-

Elder Thunder Bone waved his hand, and a formation area was instantly drawn out.

Xu Ming and the Ten Demons of Yinshan directly entered the formation area.

Swish!

In Xu Ming's hand, a long spear appeared – not a boundary-breaking spear, but an ordinary “superior goddess of heaven”.

After all, with the lessons learned last time, Xu Ming dared not use the Boundary Breaker Spear at will. Moreover, it was only to deal with a few middle-ranked Heavenly Sovereigns. With Xu Ming's current strength, he didn't bother to use the World-Breaking Divine Weapon.

“Wolongtian Supreme!” the one-armed black-clothed powerhouse shouted, “We, the Ten Demons of Yinshan Mountain, have just practiced the combined attack formation technique left over by the Great Venerable in the ancient times! You are not wronged if you were defeated by the Great Venerable's means!”

defeat?

Xu Ming smiled: “I haven't lost yet!”

Besides, the Ten Demons of Yinshan wanted to test the combined strike formation they had just learned, so why did Xu Ming not want to try another method of his – “Time Going Backward”!

Time Reverse: Consume 24 levels of hanging points to reverse time and go back to the past!

The longer the time goes against the flow, the larger the area, and the stronger the target, the more hanging points will be consumed!

In the past, Xu Ming didn't have many level 24 hanging points, so he was reluctant to test this function; but now, Xu Ming has obtained the treasure of the Great Master of the Three Realms, and his level 24 hanging points exceeded 100 million, so he had the confidence to test the "countercurrent of time".

Moreover, Xu Ming always had to test this plug-in first, otherwise, wouldn't it be very embarrassing to use it unskilled and inappropriate when encountering a strong enemy in the future?

"When opening the 'Time Reverse Current' hang, you should try to keep a low profile and not be discovered!" Xu Ming secretly said.

It's easy!

As long as Xu Ming disturbed the time and space, he made his voice bigger, and then opened the "Time Reversal" link; in this way, outsiders would naturally be unable to detect the small-scale time reversal.

"kill!"

boom!

Xu Ming fired a shot, which directly set off a frantic vibration of the entire space and time in the formation, and the power was extremely terrifying.

In addition to the formation, except for the elder Leigu, everyone else felt a little pale under this tyrannical power – the power of the upper sky supreme level is not a joke!

However, the elder Leigu frowned slightly: "The strength of Wolongtian Supreme does not seem to be very strong at the level of the upper Heavenly Supreme?"

Elder Leigu is the Supreme Heavenly Supreme himself, so he naturally understands the strength of the Supreme Heavenly Supreme. He can also judge that Xu Ming's current power is actually at the bottom of the Heavenly Supreme level.

“Unless this Wolongtian Supreme has hidden strength!” Elder Lei Gu thought again, “However, looking at his appearance, it doesn't seem like he has hidden strength!”

At this time, Elder Lei Gu saw that the combined attack formation of the Ten Demons of Yin Mountain had also been formed.

“This combined attack formation...” Elder Lei Gu's pupils shrank, slightly surprised, “It seems to be the formation created by the fallen Great Senior Stormwind of the first era! This combined attack formation not only perfectly integrates the divine power of ten people, and it also doubled this power! – Interesting! Maybe, Yinshan Ten Demons can really successfully defeat Wolongtian Supreme!”

After seeing this combined strike formation, Elder Thunder Bone even felt that the chances of winning the Yinshan Ten Demons would be even greater!

“No wonder the Ten Demons of Yinshan dare to take the initiative to challenge Wolongtian Supreme! It turns out that they have the ability!” Elder Leigu thought to himself.

At this moment, Xu Ming's aura had already disrupted the entire space-time in the formation! Time and space are shattered, and the strong outside the formation will naturally never see the scene inside the formation.

“It's useless!” In the formation, the Ten Demons of Yinshan grinned, “What use can this little trick be?”

call out-

However, Xu Ming didn't pay any attention to it, he directly bullied himself and killed the one-armed black-clothed powerhouse.

The one-armed black-clothed powerhouse suddenly laughed. You must know that he is the core of this combined attack formation; Xu Ming took the initiative to kill him, isn't he attacking the strongest point of the formation?

When the Ten Demons of Yinshan saw this scene, they even felt that this Wolongtian Supreme was a little stupid!

Of course Xu Ming doesn't care what the Ten Demons of Yinshan are thinking now, because...he doesn't need to care about the thoughts of the dead!

“‘Time Against the Current’ hangs open!”

Xu Ming chose the scope of the countercurrent of time—just enough to completely cover the Ten Demons of Yinshan Mountain.

“Huh?” The faces of the Ten Demons of Yinshan suddenly changed in unison—they seemed to sense an extremely strange aura, but they couldn't tell what the aura meant.

Next up!

In this area where time is flowing against the flow of time, all the movements of the Ten Demons of Yinshan Mountain seem to have suddenly stopped for an extremely brief moment – as if a figure running at full speed collided with an invisible wall and suddenly stopped.

This stagnation is extremely short-lived!

Then, the movements of the Ten Demons of Yinshan Mountain began to reverse.

“This is...” The Ten Demons of Yinshan were extremely frightened, but their minds were still sober, and they were not turned back by time.

However, although the mind is sober, it is not at all useful. The Yinshan Ten Demons could only watch helplessly, all their movements were retreating, but they didn't have the slightest effort to struggle.

What they had said before, also reappeared in a reversed way.

“Is there any use for it to be able to make a little bit of it...”

In the entire time countercurrent area, only one person’s movements were not affected, and that was Xu Ming!

Chapter 2112: Back In Time (Part 2)

In the entire time countercurrent area, only one person’s movements were not affected, and that was Xu Ming!

Xu Ming unhurriedly came to the one-armed black-clothed powerhouse, as if he was waiting for something.

The one-armed black-clothed powerhouse could see Xu Ming standing in front of him, but he could not control his body—his body was in a state of “countercurrent of time”.

Suddenly, the one-armed black-clothed powerhouse seemed to have thought of something, and was extremely frightened in his heart, but he was still unable to control his body.

Bang!

Finally, Xu Ming waited – until the moment when the “joint strike formation” was just formed!

Against the flow of time, the combined attack formation disappeared directly—this was when the Yinshan Ten Demons had just entered the area of the formation, and the combined attack formation had not yet been established.

“kill!”

Xu Ming shot directly—he had to cherish the time, if he shot a little slower, the “countercurrent of time” would bring the Yinshan Ten Demons out of the battle formation; Xu Ming had to kill the Yinshan Ten Demons before that.

boom!

The upper heavenly supreme and the middle heavenly supreme are separated by the natural moat of strength! And now, the Ten Demons of Yin Mountain are unable to resist; with just one blow, Xu Ming beheaded the most powerful one-armed black-clothed powerhouse!

boom! boom! boom! ...

The other nine members of the Yinshan Ten Demons were also in no suspense, and they were all killed by Xu Ming.

After killing the Ten Demons of Yinshan Mountain, Xu Ming removed the “countercurrent of time” link.

“Huh?” Xu Ming was a little surprised. “Time has gone against the flow for so long, yet you don’t even use one level 24 checkpoint? The small checkpoint was returned to me for 5,000 level 23 checkpoints?”

The ratio of level 24 hanging points to level 23 hanging points is “1 to 10,000”. That is to say, this time, turning on the “reverse flow of time” hanging is equivalent to using only half of the 24-level hanging point.

“It’s more economical!” Xu Ming secretly said.

Of course, Xu Ming also knew that this was because the Ten Demons of Yin Mountain were only the median Heavenly Supreme. If the Ten Demons of Yinshan Mountain are all high-ranking Heavenly Sovereigns, then the consumption of hanging points is probably ten or a hundred times! If it is the Great Senior, the consumption of hanging points will be a terrible number!

“Furthermore... the state of time reversal will not affect the operation of the will!” Xu Ming thought again, “If it is the Great Senior, maybe he will have the means to resist the ‘time reversal’!”

Of course, Xu Ming hasn’t really played against the Great Senior, so it is not clear what kind of means the Great Senior has.

However, after this test, Xu Ming felt that the effect of “reverse the flow of time” was still very good! In the future, if he encounters an enemy with similar strength, Xu Ming may be able to directly kill the opponent if he turns on the “countercurrent of time”.

Of course, if you can keep a low profile, you should try to keep a low profile; if you can hide the trump card, you should try to hide it as much as possible. Otherwise, if others find out that Xu Ming is able to “reverse the flow of time”, it will inevitably attract attention.

“In any case, the ‘countercurrent of time’ link is still very powerful!” Xu Ming secretly said.

At this time, the extremely chaotic time and space in the battle formation began to gradually calm down. And the little trace of “reverse flow of time” just now disappeared completely in the chaotic time and space; now, even if the Great Senior arrives, it is impossible to see that the reverse flow of time has just happened here.

...

Out of battle.

“The time and space are finally calming down!” Elder Lei Gu secretly said, and at the same time was slightly dissatisfied, “Wolongtian Supreme is also true, why do you deliberately disturb the time and space? In this way, people outside our formation will not be able to see the battle situation?”

“Could it be...” Elder Lei Gu couldn’t help but think, “Could it be that Wolongtian Supreme was afraid of losing to the Yinshan Ten Demons, so he deliberately didn’t let us watch the battle scene?”

Elder Lei Gu thought for a while and felt that this possibility was very high. In his opinion, Wolong Tianzun probably didn’t want to lose in front of so many people, so he messed up time and space, so that he could leave some dignity of “superior Tianzun”.

“The time and space are disturbed before the battle begins? It seems that... Wolongtian Supreme is really afraid of the Ten Demons of Yin Mountain!” Thinking of this, the idea became more and more solid.

Most of the other powerhouses present had the same idea as Elder Thunder Bone.

“But... Time and space are about to return to calm so soon, which means that the battle inside is over! The battle is over so quickly, it should have been decided, but not life and death!” In the eyes of Elder Thunder Gu, such a short period of time Even if it is him, it is impossible to kill the ten demons of Yinshan Mountain; therefore, Wolongtian Supreme naturally cannot kill the ten demons of Yinshan Mountain.

On the other hand, it is not so easy for the Ten Demons of Yinshan to kill Wolongtian Supreme! — After all, the Supreme Heavenly Sovereign is not so easy to kill!

Since neither of them killed the other side, the result must be that the winner and loser were decided and the fight stopped.

“If there is no accident, the loser must be Wolongtian Supreme!” Elder Leigu thought with certainty.

However, when time and space completely returned to calm...

Elder Leigu was stunned!

The other powerhouses were also stunned.

Accident...appeared!

Elder Lei Gu looked at the inside of the formation in disbelief, with a confused expression on his face: “Where are the Ten Demons of Yin Mountain?”

Yes!

In the battle formation, the shadows of the Yinshan Ten Demons are no longer visible.

Yinshan Ten Demons... gone!

“Where did you go?” Elder Lei Gu still couldn’t believe his eyes. “The Ten Demons of Yin Mountain must be impossible to escape the battle formation, but they are gone. It can only be...”

Elder Lei Gu suddenly looked at Xu Ming in horror: “It was beheaded by this Wolong Heaven Supreme Being!”

You must know that the battle in the formation, but it only lasted for a short moment, then calmed down!

“Doesn’t this mean that even in such a short moment, Wolongtian Supreme has already killed the ten demons of Yinshan Mountain?” The more Elder Leigu thought about it, the more frightened he became. When the formation and strength are comparable to the Supreme Heavenly Sovereign, kill in seconds!!”

Thinking of this, the look in Elder Lei Gu’s gaze towards Xu Ming suddenly changed!

This battle has proved Xu Ming’s strength!

“It seems... Wolongtian Supreme didn’t want to expose his fighting methods, so he deliberately messed up time and space!” Elder Lei Gu suddenly wanted to understand why Xu Ming was disturbing time and space, “Although I don’t know what method Wolongtian Supreme used. , However, he has already used this battle to tell us that the strength he can burst out has reached the ‘top of the sky’!”

Only the “Top Heaven Supreme Peak” can effortlessly kill the Yinshan Ten Demons who have formed a combined attack formation.

boom!

The formation area used for battle dissipated with a bang.

Xu Ming walked out of the formation area indifferently.

There were awe-inspiring eyes all around.

Chapter 2113: Stepmother

Thunder Destruction Pavilion.

living room.

Elder Lei Gu received Xu Ming solemnly.

Xu Ming killed the ten demons in Yinshan in seconds, and he has already shown the strength of “the peak of the supreme heaven”! With such strength, even if compared to the current pavilion master of Lei Mie Pavilion, it is probably not far behind.

As for Fang Ping’s direct disciple who came with Xu Ming, and other Heavenly Supremes, they are not qualified to appear here.

Strength determines treatment!

“Brother Wolong!” Elder Lei Gu said solemnly, “We Lei Miede will give you a satisfactory account of Ke Feng’s matter!”

Although Ke Feng and Xu Ming only had brief contact, Ke Feng threatened Xu Ming more than once. If Xu Ming was just a middle-ranked Heavenly Supreme, then it would not be a big deal; however, Xu Ming showed the strength of the “High-ranked Heavenly Supreme Peak”, which was a big deal!

If you don’t give Xu Ming a satisfactory explanation, I’m afraid the entire Lei Mie Pavilion will not feel at ease.

“Yeah!” Xu Ming nodded casually. In his eyes now, Ke Feng is just a weak ant, and naturally he doesn’t care what kind of end Ke Feng will have. However, since Elder Lei Gu has already said such words, Ke Feng’s end will definitely not be much better.

At this time, the elder Lei Gu said again: “Our pavilion master of Lei Mie Pavilion and other elders have already learned about your situation and are rushing back; I will chat with you a little first!”

“Oh?” Xu Ming said in surprise, “In the entire Lei Mie Pavilion, there is only you, the Supreme Heavenly Sovereign?”

Xu Ming's implication is: Are you not afraid that someone will invade Lei Mie Pavilion?

Of course, Elder Lei Gu heard what Xu Ming meant and said with a smile: "Now, in the entire Lei Mie Pavilion, there is indeed only me, the Supreme Heavenly Supreme; moreover, my strength is not that strong among the Supreme Heavenly Supreme! However... no one dares to attack our Thunder Destruction Pavilion! The thunderstorm surrounding our Thunder Destruction Pavilion should not be underestimated; with me controlling the guard formation and mobilizing the power of the Thunder Storm, even if the Great Venerable exists, I would not dare to invade us easily. Lei Mie! As for the Supreme Heavenly Sovereign, I dare to say how many come and how many die!"

It is no wonder that Elder Thunder Bone is so confident. You must know that Lei Mie Pavilion has existed from the "First Cosmos Era" to the "Fifth Cosmos Era". If their guardian formation was not powerful enough, they would have already perished.

"The thunderstorm on the periphery is really powerful!" Xu Ming also said.

However, Xu Ming had no hostility towards Lei Mie Pavilion, and he did not intend to peep at the treasure house of Lei Mie Pavilion.

The two chatted for a while, and Elder Lei Gu suddenly said: "Brother Wolong, I don't know... What do you think about the Kunpeng family?"

"The Kunpeng clan left by the Kunpeng Great Venerable?" Xu Ming asked.

Elder Lei Gu said with a smile: "The Kunpeng clan is indeed created by the Kunpeng Great Senior! But... Kunpeng Great Senior has never regarded the Kunpeng clan as his own!"

"How do you say this?" Xu Ming couldn't help but wonder when he heard the words.

"Haha! It seems, Brother Wolong, you don't know the secret!" Elder Lei Gu smiled, "Just now that I'm free, I'll give you a good introduction!"

"Oh? There are secrets in this?" Xu Ming was also interested.

“Brother Wolong, what a great existence Kunpeng Great Venerable is, you must be aware of it, right?” Elder Lei Gu said.

Elder Lei Gu can control the guardian formation of Lei Mie Pavilion, and is definitely a very qualified elder in Lei Mie Pavilion. In fact, as early as the first universe era, when Lei Mie Pavilion dominated the entire Lei Mie domain, the elder Lei Gu was already the elder of Lei Mie Pavilion!

Moreover, Elder Leigu watched as the Lei Mie Pavilion was torn apart by the Great Venerable Kunpeng; even several Great Venerables in the Lei Mie Pavilion were beheaded by the Great Venerable Kunpeng. It stands to reason that the elder Leigu should hate the Great Venerable Kunpeng very much; but now, Xu Ming found out that the elder Leigu doesn't seem to have much hatred, on the contrary, he is full of respect for the Great Venerable Kunpeng, and even uses “great” to describe it.

In fact, although Elder Thunder Bone hates Great Venerable Kunpeng, he is even more in awe of Great Venerable Kunpeng's strength!

This is respect for strength!

“The Great Venerable Kunpeng is the most powerful existence since the five cosmos eras! Among the many Great Venerable beings, the only one who can compare with the Great Venerable Kunpeng is the Great Venerable Eternal!” Elder Leigu said respectfully.

“But—” Elder Lei Gu changed the subject and said, “Have you noticed that both Kunpeng and Eternal are no longer in the real universe; however, the Eternal Palace is still strong, and has dominated the entire Eternal Domain so far. Under the circumstances, the power of the Kunpeng clan is already relatively miserable!”

Of course, the Kunpeng family is still the top force in the real universe! The reason why Elder Leigu said “comparatively miserable” is also compared to the Eternal Hall and the Kunpeng clan when they were prosperous.

However, Xu Ming noticed one point in the words of the elder Leigu: Kunpeng and Eternal are no longer in the real universe!

“Not in the real universe?” Xu Ming couldn't help but wonder, and secretly said in his heart, “So, where are the Kunpeng and the Eternal Lord now? Could it be that there is a wider world outside the real universe?”

At this time, the elder Lei Gu smiled again and asked, “Do you know why the Kunpeng clan’s power is so miserable now?”

“Because...” Xu Ming thought about it and said, “The Great Senior Kunpeng left early, while the Great Senior Eternal left late!”

Xu Ming’s words are also reasonable. You must know that Kunpeng Dazun never appeared in the real universe as early as the third universe era; and the Eternal Dazun disappeared in the early days of the fifth universe era.

The Kunpeng Great Senior has been away for too long, and of course the Kunpeng family will weaken even more.

“This is also a reason, but not the main one!” Elder Leigu said, “The main reason is... Eternal Great Senior attaches great importance to Eternal Hall. Before leaving, he also left many means in Eternal Hall; relying on Eternal Great Senior The means left behind, at least until the end of the fifth universe era, absolutely do not have any power that can threaten the Eternal Hall! However, the Kunpeng Great Senior does not pay attention to the Kunpeng family at all, and even the treasures he left before he left, Inheritance, nothing is left within the Kunpeng clan!”

“Uh?” Hearing this, Xu Ming couldn’t help but be more and more puzzled – why did the Kunpeng Dazun treat the Kunpeng clan so badly? How to listen and listen, there is a sense of “stepmother”.

The Eternal Great Venerable treats the Eternal Hall like a “mother”.

“Actually it’s very simple...” Elder Lei Gu continued, “The Kunpeng clan, this entire clan, is equivalent to the servant group of Kunpeng Great Senior! Since it is a servant group, Kunpeng Great Senior naturally does not need to be nice to them, and there is no need to give What treasures did they leave behind!”

Chapter 2114: Kaitian Stone

“The Kunpeng family, this entire group, is equivalent to the servant group of Kunpeng Dazun! Since it is a servant group, Kunpeng Dazun naturally doesn’t need to be nice to them, and there is no need to leave them any treasures and inheritance!”

servant?

And it's still a "slave tribe"?

It means that the entire Kunpeng family are all servants?

Xu Ming couldn't help but be surprised.

"Brother Wolong, you don't know something!" Elder Lei Gu said, "What Kunpeng Great Venerable cultivated is the 'God Body'! Created a life for research; this kind of life created by Kunpeng Dazun has an extremely tyrannical divine body, that is, the Kunpeng clan!"

Create your own family to study the divine body?

Xu Ming couldn't help but marvel at Kunpeng's handwriting!

At the same time, Xu Ming also understood why Elder Lei Gu said that the entire Kunpeng clan is the slave clan of the Kunpeng Great Venerable. I also understand why Kunpeng Dazun treats the Kunpeng family like a "stepmother".

"So..." Elder Lei Gu said again, "Since the Kunpeng Great Senior did not leave the treasure and inheritance to the Kunpeng clan, this means that the Kunpeng clan is not qualified to inherit the treasures of the Kunpeng Great Senior – do you think so?"

Xu Ming nodded: "Indeed!"

Treasures and inheritance all belong to Kunpeng Great Venerable. Kunpeng Dazun will leave it to whomever he wants.

Since it was not left to the Kunpeng clan, of course the Kunpeng clan was not qualified to inherit the treasures of the Kunpeng Great Venerable!

What's more, your Kunpeng clan, the entire clan is just the servants of Kunpeng Dazun – servants, what qualifications do you have to inherit the master's treasure?

“But the Kunpeng clan doesn’t think so!” Elder Lei Gu sneered, “After the Kunpeng Great Senior left, the Kunpeng clan directly occupied the inheritance place that the Kunpeng Great Senior left in the Lei Destruction Domain! There are also the ruins left by the Kunpeng Great Senior. They also want to occupy the realm soldiers, but the treasures such as the Boundary Spear are in the virtual universe, and the Kunpeng clan have no such ability, so they reach out to the virtual universe!”

“There should be a lot of people coveting the inheritance left by Kunpeng Great Venerable? Are other forces in the real universe allowed to occupy the land of inheritance by the Kunpeng family?” Xu Ming couldn’t help asking.

“Naturally it is impossible to let them occupy it!” Elder Lei Gu said, “However, the place of inheritance is in our Thunder Destruction Domain, and the forces of the other seven territories cannot stretch their hands so long to reach our Thunder Destruction Domain. Come! Moreover, the Kunpeng family is not completely sealed off the inheritance land; if you want to enter the inheritance land, you only need to pay some treasures and you can enter!”

Xu Ming nodded secretly. In this way, it is naturally impossible for forces from other territories to attack the place of inheritance.

Elder Lei Gu continued: “And when the Kunpeng Great Senior left, it was also the time when the Kunpeng family was at its peak, and it was also the time when our other forces in Lei Mieyu were at their weakest! If you want to attack the land of inheritance, there is no such strength! – Time has been until the fifth universe era, and we have the strength to attack the land of inheritance! And we are attacking the Kunpeng family. One of the many forces of !”

Xu Ming listened, heard something, and said with a smile, “Elder Lei Gu, you should have a purpose in telling me this, right?”

Elder Lei Gu smiled: “Ming people don’t speak secret words! Brother Wolong, I hope you can help us Lei Miede and attack the Kunpeng clan together!”

To attack the Kunpeng family together?

Actually, Xu Ming really wanted to fight the Kunpeng clan. After all, he was smothered by “Kunyu Great Master”. Even if he doesn’t have the strength to seek revenge against Kunyu Great Master, it should be done with the Kunpeng clan first, right?

However, it is one thing for Xu Ming to fight the Kunpeng clan, and it is another thing to help Lei Miede fight the Kunpeng clan! – Want Xu Ming to help? It's no good! White wolf with empty gloves is impossible!

The elder Leigu continued: “With your strength, Brother Wolong, you can almost be said to be invincible on the battlefield! With the strength of the ‘High Heaven Supreme Peak’, other powerhouses are at most the same level as you, almost There can be no one stronger than you!”

It's almost impossible to have someone stronger than me?

When Xu Ming heard this, he immediately asked back, “Where's the Great Senior?”

“Great Senior?” Elder Lei Gu smiled and said, “The Great Senior of the Kunpeng clan would not dare to take action!”

“Oh?”

“Great Master, there is a world with Great Master!” Elder Lei Gu said, “The Kunpeng family has Great Master, and our alliance of major forces will not have Great Master? – The two Great Masters have already agreed that they will not interfere in this matter. Fight; the great master of the Kunpeng clan will never dare to take action! Otherwise, the great master behind our major forces will definitely cut off the Kunpeng clan's way to the ‘Open Heaven Realm’!”

Open Heaven?

Xu Ming was taken aback.

In the inheritance of the Great Master of the Three Realms, Xu Ming had seen the name “Opening Heaven Realm”, and also knew that there was another name for Open Heaven Realm: the end of the long river of time!

Elder Leigu continued: “So, Brother Wolong, as long as you are willing to go to the battlefield, you will definitely be the top powerhouse in the entire battlefield! There is almost no power that can threaten you!”

Xu Ming smiled: “Why should I go?”

Elder Lei Gu also smiled: “Haha! Brother Wolong, we Lei Mie Pavilion will naturally not let you work in vain! Moreover, we also know that for you, if you join the battlefield, it is equivalent to offending Kunpeng. A family; for this, we will definitely make up for it!”

“Haha!” Xu Ming smiled with satisfaction—what he wanted was these words! In fact, Xu Ming wished he could take the opportunity to beat up the Kunpeng family; but, since there was a chance to get some benefits, how could Xu Ming be polite?

“I have already sent a message to discuss it with the pavilion owner!” Elder Lei Gu said As long as you kill one upper heavenly supreme, or ten middle heavenly supreme, we will destroy the pavilion and give it to you A ‘Opening Stone’! Moreover, the Great Senior behind our various forces will also protect you and prevent you from being sought revenge by the Great Senior of the Kunpeng Clan! ”

The Kaitian Stone is actually of no use to the current Xu Ming; because Xu Ming’s true cultivation level is actually “Earth Supreme”. However, for the Supreme Heavenly Venerate and the Great Venerable, the opening of the Heaven Stone is absolutely very important!

Very very important!

Even, it can be said that “Opening the Sky Stone” is their life! – This is a treasure that is of great significance to the Supreme Heavenly Sovereign, and even the Great Sovereign! This kind of treasure, no matter which high-ranking Heavenly Supreme or Great Venerable, will only be too few, not too many!

Among the treasures of the Great Venerable of the Three Realms that Xu Ming obtained, there were also “Open Heaven Stones”, but there were only less than fifty pieces.

Even the Great Senior of the Three Realms has less than fifty pieces of the Heaven-opening Stone in his hand, which shows that the value of the Heaven-opening Stone is very high! And what Elder Lei Gu said, killing a high-ranking Heavenly Supreme would give Xu Ming a piece of Heaven-opening stone; this price is definitely more fair!

“Yes!” Xu Ming agreed happily.

Anyway, to take this opportunity to fight a dozen Kunpeng clan, and to take the incomparably precious “Kaitian Stone”, why would Xu Ming not do it?

Chapter 2115: Small

The pavilion master of Lei Mie Pavilion came back from the “Kunpeng Battlefield” in person. When he learned that Xu Ming had promised to help them Lei Mie Pavilion and fight against the Kunpeng clan together, Lei Mie Pavilion’s attitude towards Xu Ming was even better.

“Brother Wolong!” Lei Mie Pavilion said sincerely, “Our Lei Mie Pavilion lacks top experts like you, so our position in the entire alliance is very embarrassing!”

The situation of Lei Miede is indeed quite embarrassing.

Originally, Lei Mie Pavilion was a superpower that dominated the entire Lei Mie Domain; however, when Kunpeng Dazun was born, he directly killed all the top powerhouses in Lei Mie Pavilion—there was not one left, the top-ranked Heavenly Supreme. There are only three or two cats and dogs left.

There is no Great Venerable, and there are not many top-ranked Heavenly Supremes. What position can Lei Miede have in the alliance?

As now, in the Kunpeng battlefield, several deputy pavilion owners and elders of Lei Mie Pavilion have to fight on the front line in person. It’s not that they want to go, but if they don’t, then Lei Mie Pavilion will not have the top-ranked Heavenly Supreme to participate in the battle! – It’s impossible for the pavilion master to personally participate in the battle, right? If the pavilion master rushed to the front and hung up, wouldn’t it be even more embarrassing for Lei Mie pavilion?

Looking at the other forces in the alliance, at most ordinary elders went out to rush to kill; as for the deputy pavilion masters and high-level elders, they were all drinking tea and chatting with their feet in the battlefield base camp.

Now, with the participation of Xu Ming, a “high-ranking heavenly supreme peak” powerhouse, it is no wonder that even the pavilion master was so excited that he ran back from the Kunpeng battlefield!

Another reason why Pavilion Master Lei Mie came back was that he planned to take Xu Ming to the Kunpeng battlefield in person. After all, with Xu Ming's strength, if Pavilion Master Lei Mie didn't lead him personally, he would appear to have little respect for Xu Ming.

Pavilion Master Lei Mie, and several elders of Lei Mie Pavilion who came back together, after chatting a little with Xu Ming and hosting a banquet, they immediately got up and went to the Kunpeng battlefield together.

“Brother Wolong! This time, you are our Lei Mie Pavilion's special soldier! The first time you made a move, the Kunpeng clan's powerhouses didn't know much about your strength. Kill a few high-ranking Heavenly Supremes of the Kunpeng clan!”

The other elders also said: “Yes! We have to plan well, and we must make good use of your strange soldier!”

...

The Kunpeng battlefield is not located near the Kunpeng clan's old nest, but in other places in Lei Mieyu, that is, near the inheritance place left by Kunpeng Great Venerable.

call out-

call out-

Xu Ming and the pavilion master Lei Mie flew through the endless void with extreme speed.

Thunder Extermination Domain is a relatively chaotic domain, much more chaotic than the Eternal Domain that Xu Ming had been to before.

Last time, Xu Ming went from Yuwucheng to Lei Mie Pavilion, and this time, Xu Ming went from Lei Mie Pavilion to Kunpeng Battlefield; along the way, he saw countless robbery. If it was in the Eternal Domain, there would not be so many robbery and slaughter at all.

However, most of those robbery and killings occurred at the level of “human supremacy”, or even lower levels of strength. In the realm of Heavenly Supreme, it is almost impossible to encounter robbery; when other strong people see Xu Ming and the others, it is too late to escape.

“No matter where you are, the fate of the weak is sad!” Xu Ming secretly sighed, “Only the strong can truly control their own destiny!”

How strong do you need to be in order to “really control your destiny”?

Xu Ming still doesn’t know!

In the past, when Xu Ming was in the mortal world, he felt that the gods were very strong, and they were invincible existences! However, when Xu Ming arrived in the “God’s Domain”, he realized that the endless continent he lived in was actually just a speck of dust floating around the god’s domain; therefore, in the god’s domain, such a mortal world would be called a “dust world”.

Later, Xu Ming stood at the pinnacle of God’s Domain, but found that there was endless chaos outside God’s Domain. In the vast and endless chaos, God’s Domain is just a “chaotic world” that is so ordinary that it can no longer be ordinary; there are countless chaotic worlds that are more powerful than God’s Domain!

After that, Xu Ming roamed the endless chaos. Endless Chaos “One Hundred and Eight Thousand Domains”, each domain is made up of chaotic worlds like hundreds of millions of God’s Domains! However, when Xu Ming stood at the peak of the endless chaos, he saw that beyond the endless chaos, there was an unimaginable disorder; and the entire endless chaos was just a very inconspicuous one in the chaos.” small universe”.

Xu Ming roamed the borders of disorder and stood at the peak of the Eight Great Limits of the virtual universe, incarnated in billions and everywhere; however, after arriving in the real universe, Xu Ming was still not that powerful!

“Now, my strength has reached the level of the ‘high-ranking heavenly supreme’; I’m only one step away from the level of the power of the Great Senior!” Xu Ming thought to himself, “But it seems that...even if I reach the level of the Great Senior, I still can’t really Take control of your own destiny!”

Your Majesty, you are already at the peak of your strength!

But... Xu Ming saw that even the Great Senior still couldn’t seem to control his own destiny!

Gu Hanmo, who was the Great Senior in his previous life, has been reduced to the point of “reincarnation”.

Moreover, there are many examples of other Great Seniors who have fallen – such as Lei Miede, in the “First Cosmos Era”, the number of Great Seniors was quite large; however, not a single one of them died!

“I’m afraid... Only people like Kunpeng and Eternal, who are absolutely invincible in the real universe, can be called controlling their own destiny, right?” Xu Ming thought to himself, “But that’s not right! Kunpeng and Eternal are now people. What? – Anyway, they have never appeared in the real universe again, and I don’t know if they have fallen or gone somewhere; but no matter which of these two possibilities, it seems it all means that the Great Venerable Kunpeng and the Great Venerable Eternal are still unable to completely control their own destiny!”

Xu Ming had thought about this issue before, but he didn’t think about it carefully; but now, the more he thought about it, the more scared he felt!

This is a deep fear arising from one’s own insignificance!

It’s like, no matter how hard you try, no matter how strong you become, you can’t break free from the cage of heaven and earth!

The elephant is invisible, silently laughing at the insignificance of the practitioner.

Suddenly, Xu Ming seriously remembered another thing—is there a universe beyond the universe? If there is, does that mean that there may be a world that is more “higher” than the real universe? Perhaps, in that world, “Great Senior” is nothing!

“If the Great Venerable Kunpeng and the Great Eternal, went to such a world...” In Xu Ming’s mind, a picture couldn’t help but emerge: Great Venerable Kunpeng and Great Eternal, who were invincible in the real universe, in the “higher” world was beaten into a dog.

Of course, it could also be – there is no other world outside the universe! In that case, the disappeared Kunpeng Great Venerable and Eternal Great Venerable might have really controlled their own destiny!

Just when Xu Ming was immersed in his imagination, the voice of the pavilion master Lei Mie sounded: “Here it is! The Kunpeng battlefield is ahead!”

Chapter 2116: Raiders

“Here it is! The Kunpeng battlefield is ahead!”

Xu Ming looked up.

I saw at the end of the sky, endless mountain peaks, shrouded in a gray-red mist formation. Obviously, that is the Kunpeng battlefield that Lei Mie Pavilion said.

The master of Lei Mie Pavilion said: “The inheritance place left by the Kunpeng Great Venerable is in the center of this mountain range, and it is also the center of the fog formation! The base camp of our coalition forces and the base camp of the Kunpeng family are all in the mountains; but , the entrance to the land of inheritance has always been controlled by the Kunpeng clan!”

Xu Ming nodded secretly – there is no way to do this, after all, it is difficult to attack and easy to defend!

“This foggy formation was created by the Kunpeng clan?” Xu Ming asked.

“How is that possible!” Lei Mie Pavilion Master laughed, “If it was set up by the Kunpeng clan, then we would have removed this fog formation long ago, and it would not be so difficult to capture the inheritance land! – This fog The great formation was originally set up by the Great Venerable Kunpeng himself; in today’s real universe, I am afraid that no one can crack this formation! The Kunpeng family can hold the entrance to the land of inheritance, and this foggy formation is not without exception. relation!”

“Oh?” Xu Ming couldn’t help but look at Pavilion Master Lei Mie curiously.

Pavilion Master Lei Mie smiled and said, “Brother Wolong, you don’t know, in this foggy formation, in addition to a few safe formation eye positions, other places are not allowed to gather too many people!”

“Not allowed to gather too many people?”

“Yes!” Lei Mie Pavilion continued, “Within a certain range, it doesn’t matter if the number of people gathered is less than nine; once it exceeds nine people, it will be suppressed by the formation! The more people gathered, the more suppressed it will be. Strong; even, when there are many people, if someone is not strong enough, they will fall directly under the suppression of the formation!”

“This formation has such an effect?” Xu Ming was secretly surprised.

“So... you can imagine the role of a top powerhouse on the Kunpeng battlefield, right?” Lei Mie Pavilion said, “If you can’t gather too many people, the crowd tactics will be meaningless! A top boss Heavenly Supreme, can even sweep everything on the Kunpeng battlefield!”

“Yeah!” Xu Ming nodded silently, that’s true.

You must know that it is very difficult for a top-ranking Heaven Supreme Being to fall; because a strong person at this level must have his own means of life-saving, so how can he fall casually?

If you want to kill a top high-ranking Heavenly Supreme, either the Great Senior will take action; or, I am afraid that a large number of strong people will be involved in the siege together, so as to exhaust their life-saving means! However, in the Kunpeng battlefield, the more powerhouses gathered within a certain range, the stronger the suppression of the formation will be. Just imagine, if too many people within a certain range gather, who will fall first?

Must be the weakest ones!

In any case, the top-ranked Heavenly Sovereign is the least likely to fall under the suppression of the formation—because the strength is the strongest!

Therefore, the stronger the strength, the more advantageous it is in the Kunpeng battlefield! It’s no wonder that when Lei Miede found that Xu Ming’s strength was suspected to be “Top High Heaven Supreme”, he would be so enthusiastic about Xu Ming!

This is a killer on the battlefield! Of course be enthusiastic!

“Also, Brother Wolong, you have a huge advantage: not many people know about you!” Pavilion Master Lei Mie laughed, “Just think about how many people you can kill without the Kunpeng clan knowing you. what!”

Xu Ming also smiled: “I hope so!”

call out-

call out-

While speaking, Xu Ming and the others had already entered the range of the foggy formation.

Pavilion Master Lei Mie also introduced: “In this great formation, there are a total of nine formation eyes, and there is no limit to the number of people gathered! However, of these nine formation eyes, only the outer three are now controlled by the alliance; The three formation eyes are still the Great Senior in the alliance. Before reaching an agreement with the Kunpeng clan, they attacked with lightning speed! But... the other six formation eyes are still under the control of the Kunpeng clan; Especially the three formation eyes near the entrance of the inheritance land are controlled by the Kunpeng clan, so the entrance to the inheritance land is still controlled by the Kunpeng clan so far!”

Xu Ming understood.

To put it bluntly, the Kunpeng family has been able to control the entrance to the inheritance land because of the geographical advantage. On the other hand, the alliance side is trying to find a way to capture the geographical advantage that now belongs to the Kunpeng clan.

“Our base camp of Lei Mie Pavilion is located in the ‘third eye’!” said the master of Lei Mie Pavilion.

The third formation is the weakest of the three formations currently controlled by the alliance.

The base camp of Lei Miede is arranged there, and it can be seen that Lei Miede’s status in the alliance is not high.

But there is no way to do it, who said that Lei Mie Pavilion has no Great Venerable, and there are few top Heaven Supreme Venerables! -Although Lei Mie Pavilion is already a very powerful

behemoth compared to the general top-level forces; however, compared with the more than ten top forces in the current Lei Mie Domain, Lei Mie Pavilion seems a little weaker.

swoosh—

swoosh—

Soon, Xu Ming and several others entered the range of the third eye.

“Hey—there are quite a few strong people!” Xu Ming secretly exclaimed.

In the third eye, the strong people come and go.

Xu Ming looked around casually and saw that the weakest ones were almost all “Middle Heaven Supreme”, and he could hardly see the figure of “Lower Heaven Supreme”.

After all, if you dare to come to the Kunpeng battlefield, you must have considerable confidence in your own strength; at least, your life-saving ability is stronger! Without enough strength, coming to the Kunpeng battlefield is courting death!

The arrival of Xu Ming, Pavilion Master Lei Mie and others naturally attracted the attention of many powerhouses.

“Look, Pavilion Master Lei Mie is back!”

“The pavilion master Lei Mie seems to have brought a newcomer here!”

“Hey—this newcomer’s cultivation base is... High Heaven Supreme!”

“Oh? Has another high-ranking Heavenly Supreme joined the alliance?”

“What’s so surprising! Isn’t it the high-ranking Heavenly Sovereign that Lei Mie found? It must be just a very ordinary High-ranking Heavenly Sovereign. In this Kunpeng battlefield, it doesn’t play much role!”

The Supreme Heavenly Sovereign is undoubtedly a powerhouse in the true universe, and he is even qualified to establish a top-level force!

However, in the Kunpeng battlefield, the Supreme Heavenly Sovereign was nothing. After all, there are too many Heavenly Supremes here!

“Brother Wolong, let you be wronged!” The master of Lei Mie Pavilion said in a voice transmission, “Originally, with your ‘top-level heavenly supreme’ strength, you are willing to come to the Kunpeng battlefield, and all the strong here will come to welcome you! But , in order not to let the Kunpeng clan take precautions against you, we can only aggrieved you and let you be questioned by others...”

“It’s okay!” Xu Ming is very calm – in fact, his own strength is not at the level of “top high heaven supreme”; Heavenly Supreme” strength!

Pavilion Master Lei Mie reassured: “For the Qi Bing to work!”

“Yeah! For the Raiders!” Xu Ming said with a smile.

Chapter 2117: Reintroduce 1

The base camp of Lei Miede gave Xu Ming a grand welcome.

Although, for the sake of confidentiality, only a few strong people in the Lei Mie Pavilion know Xu Ming’s strength, and everyone else thinks that Xu Ming is just an ordinary high-level heavenly supreme; however, even if it is just an ordinary high-level heavenly supreme to join the battlefield, it is worth Lei Extermination Court welcomes you well.

Many powerhouses in Lei Mie Pavilion are fighting in the depths of the Kunpeng battlefield; there are only eight high-ranking Heavenly Sovereigns left in the base camp, including Xu Ming.

Pavilion Master Lei Mie introduced Xu Ming:

“This is the Golden Marrow Heaven Supreme!”

“This is Bai Huatian Supreme!”

“This is Feng Etian Supreme...”

After introducing everyone, Pavilion Master Lei Mie said again: “Wolongtian Supreme, in the future you will form a team with Feng’e Tian Supreme! Both of you are high-ranking Heavenly Supreme, together, in the Kunpeng battlefield. Not a weak fighting force!”

When Pavilion Master Lei Mie introduced Xu Ming before, he made everyone think that Xu Ming was just an ordinary high-ranking Heavenly Supreme; that’s why he said this now.

“Yes! Pavilion Master!” Feng’e Tian Zhizun is a female high-ranking Tian Zhizun. She looks weak, but her strength is not weak! Of course, compared to the other high-ranking Heavenly Supremes in the Kunpeng battlefield, she is not that strong.

However, Feng Etian Supreme has an excellent temperament and has never had a Taoist companion; so in the alliance, there are not a few strong people who pursue Feng Etian Supreme.

Even... even the Kunpeng clan wanted to capture Feng Etian Supreme Being alive. Of course, the purpose of capturing alive can be imagined.

For the sake of safety, Feng’e Tian Zhizun didn’t actually go deep into the Kunpeng battlefield; even if he wanted to go deep into the Kunpeng battlefield, there was usually a powerful superior Tianzun with her, which was equivalent to protecting her.

So now, although Supreme Feng Etian has already taken orders, he is actually a little puzzled, wondering why the pavilion master has arranged her with this “Wolong Tian Supreme” who has just come to the Kunpeng battlefield – after all, once Feng Etian Supreme has left Base camp, enter the Kunpeng battlefield; then, the Kunpeng clan really want to find a chance to capture her alive!

Feng’e Tian Supreme was actually thinking: With this Wolong Tian Supreme, can Wolong Tian Supreme protect her?

However, Feng Etian Supreme Venerable just thought about these words in his heart and did not say it.

On the other hand, Xu Ming had already understood the meaning of Pavilion Master Lei Mie—on the way before, Pavilion Master Lei Mie kept saying that he had a special weapon! Now it seems that this is what the pavilion master Lei Mie called the strange soldier; this Supreme Feng Etian seems to be the “bait” that pavilion master Lei Mie came up with.

Xu Ming suddenly felt some pressure. After all, he is not the real “Top High Heaven Supreme” strength; moreover, Xu Ming didn’t want to expose the secret of “countercurrent of time”. Therefore, if he really encounters a formidable opponent, Xu Ming has to find a way to hide his “countercurrent of time” hanging.

“At that time, in order to hide the secret of ‘countercurrent of time’, maybe I will feel wronged for this Feng’etian Supreme!” Xu Ming said in his heart, “just feel wronged”, for example, let Feng’etian Supreme be beaten by the enemy first; After Feng’e Tian Supreme was beaten away, Xu Ming turned on the “Time Reverse Flow” while no one would see it, and killed the enemy in one fell swoop! – During the whole process, Feng Etian Supreme Venerable will not have any danger to her life, but she will inevitably be beaten...

Thinking that Feng Etian Supreme, who had a great temperament and a beautiful appearance, would probably get a lot of beatings when he followed him, Xu Ming couldn’t help but cast a pitying look.

Feng Etian Supreme was chilled for a while by Xu Ming’s gaze, and suddenly had a bad feeling.

At this time, other uninformed powerhouses in Lei Mie Pavilion actually questioned the pavilion master’s arrangement – in their opinion, the pavilion owner’s arrangement seems to be a little dangerous to the Supreme Feng’etian! After all, without the protection of a powerful superior Heavenly Sovereign, Feng’e Heavenly Sovereign could easily be targeted by the Kunpeng clan’s powerhouses!

Thinking of this, Supreme Jin Sui Tian couldn’t help but question: “Pavilion Master, will this arrangement...”

When the depressed Feng Etian Supreme heard the words, he couldn’t help but cast a grateful look at Jin Sui Tian Supreme.

“It’s okay! That’s the arrangement! I know it!” Pavilion Master Lei Mie interrupted directly.

“Okay...” Jin Sui Tian Supreme did not dare to refute the decision of the pavilion owner after all. Since the pavilion owner said it so clearly, of course he could only silently shut his mouth.

And the grateful gaze that Feng Etian Supreme had just lit up could only dim.

...

This arrangement of Pavilion Master Lei Mie is not a big deal; after all, this is just a very ordinary arrangement of “combat partners”.

However, because Feng Etian Supreme was involved, this partnership arrangement quickly spread throughout the “third eye”.

“The Wolongtian Supreme, who just came to the Kunpeng battlefield, was actually arranged by the pavilion master Lei Mie in the same team with Feng’etian Supreme! Moreover, it was a team of two!”

“Two-person team? Kunpeng family, there are many strong people who are fighting Feng’etian Supreme’s idea? – This Wolongtian Supreme is very strong? Can it protect Feng’etian Supreme in the Kunpeng battlefield?”

“do not know!”

“I’ve seen that Wolong Heavenly Sovereign. His aura is very general, and he can’t feel the unique temperament of a super-powerful person! It should be a very ordinary high-ranking Heavenly Sovereign, right?”

“Very ordinary high-ranking Heavenly Sovereign? Is Pavilion Master Lei Mie confused? To put him together with Feng’e Heavenly Sovereign?”

“Could it be that the pavilion master Lei Mie saw that there were dragons and phoenixes in their names, so they put together a dragon and a phoenix? – Oh! How dangerous is the Kunpeng battlefield! What kind of child’s play is this arrangement!”

“Who went to Lei Mie Pavilion Master and said it?”

There were a lot of people talking about it, but there was no one who really asked Lei Mie Pavilion Master to talk about it.

After all, no matter how weak Lei Mie Pavilion is in the Kunpeng battlefield, it is still a top force with a profound background; the owner of Lei Mie Pavilion is also a top-ranked Heaven Supreme! In the base camp, the people who were chatting and talking were just ordinary high-ranking Heavenly Supremes—they dared to talk a few times, but if they really wanted to talk to the pavilion master Lei Mie, they were not qualified; Question the decision of Lei Mie Pavilion Master.

And these comments made Feng Etian even more depressed – she really couldn't understand why the pavilion master arranged her with the newly arrived Wolongtian Supreme? Doesn't Feng'e Tian Supreme think that Wolongtian Supreme can protect her; is it possible that she is expected to protect Wolongtian Supreme in turn?

Just when she was depressed, Feng'e Tian Zhizun received a message from the pavilion owner: "Feng'e Come and see me! It's about Wolong Tian Zhizun!"

Feng Etian's eyes suddenly lit up, and she secretly said, "The pavilion has changed his mind?"

Feng'e Tian Zhizun even walked towards the residence of Pavilion Master Lei Mie.

It just so happened that at this moment, Supreme Venerable Feng E Tian happened to meet Xu Ming, and was walking towards the residence of Pavilion Master Lei Mie just like her.

"Wolongtian Supreme!" Feng'etian Supreme shouted.

"Huh?" Xu Ming slowed down and walked side by side with Supreme Feng Etian.

"The pavilion master just sent a message, let me go over, and said he wanted to say something about you!" Supreme Feng'etian whispered, "It seems... we may not be able to fight the Kunpeng battlefield together!"

"Oh?" Xu Ming smiled and said, "Don't you really want to be on the same team with me?"

Feng'e Tian Supreme was slightly embarrassed and said: "No! It's just... my strength is relatively weak among the upper Tian Supreme, and you have just arrived on the Kunpeng battlefield; I am worried that it will be more dangerous for us to be together. ."

"Haha!" Xu Ming smiled and said nothing.

Soon, Xu Ming and Supreme Feng Etian walked into the residence of Pavilion Master Lei Mie together.

"You guys are here!" Pavilion Master Lei Mie laughed, "Feng Etian Supreme, I'll introduce you to Brother Wolong again!"

Chapter 2118: Not Necessarily Able To Cover

"Feng'e Tian Supreme, let me introduce Brother Wolong to you again!"

Brother Wolong?

Hearing this title, the thoughtful Feng Etian Supreme Venerable couldn't help being slightly startled. You must know that such a title carries a trace of "respect"; usually, such a title is used when the strength or status is similar to one's own, or even beyond one's own power.

Feng'e Tian Supreme couldn't help thinking: "Wolong Tian Supreme will be similar to the pavilion owner?"

Immediately, Supreme Venerable Feng Etian shook her head secretly in her heart, feeling that she was thinking too much. She didn't see anything powerful in this Wolong Heavenly Sovereign; moreover, if this Wolong Heavenly Sovereign was really powerful and had the strength of the top-ranked Heavenly Sovereign, how could she be assigned to a team?

You must know that the top-ranking Heavenly Supremes are usually alone; even if they want to form a team, they must team up with other top-ranking Heavenly Sovereigns—after all, for the top-ranking Heavenly Sovereigns, bringing Ordinary high-ranking Heavenly Supreme, not only does not help himself, but also drags his feet in the battle.

“It shouldn’t be the top-ranking Heavenly Sovereign!” Feng’e Heavenly Sovereign denied this conjecture, and at the same time thought, “Since it is not the top-ranking Heavenly Sovereign’s strength, then, he can make the pavilion master so respected, I am afraid that he has a great background. !”

Thinking of this, Feng Etian’s eyes couldn’t help but look more cunning.

You must know that with Feng Etian’s appearance, temperament, and strength, there is no shortage of suitors; however, why does she still have no Taoist companion? – It’s very simple, because she wants to find a top high-level heavenly Supreme, or an ordinary high-level heavenly Supreme with a background.

“I’ve never heard of this Wolongtian Supreme!” Feng’etian pondered, “Could it be that...he is a descendant of a certain Great Venerable?”

If it is the descendant of Da Zun, then it is definitely a high-ranking Heaven Supreme with background!

Thinking of this, Feng Etian looked at Xu Ming’s eyes, and there was a strange color that was difficult to detect.

Of course, these thoughts of Supreme Feng Etian are all between lightning and flint.

The pavilion master Lei Mie then said: “Brother Wolong, he is actually a ‘top high heaven supreme’!”

Feng’e Tianzun, who was imagining, couldn’t help but suddenly startled: “What!? The top-ranked Tianzun?”

Immediately, Feng Etian’s gaze changed again – there was shock, awe, and...expectation.

Yes!

expect!

The top-ranking Heavenly Supreme is better than the ordinary high-ranking Heavenly Supreme with background! – After all, the background is only a foreign object after all, and your own strength is the most critical!

Pavilion Master Lei Mie continued: “And this time, I asked you and Brother Wolong to form a team, which is actually a trick I came up with!”

“Qi Bing?” Supreme Venerable Feng Etian was slightly puzzled.

“Yes!” Lei Mie Pavilion said, “Few people know the strength of Brother Wolong. Not to mention the coalition, even within our Lei Mie Pavilion, only a few people know the strength of Brother Wolong! – The two of you form a team and go deep into the Kunpeng battlefield! While the Kunpeng clan still doesn’t know the strength of Brother Wolong, you will definitely be able to take the opportunity to kill a big one!”

Supreme Feng Etian understood the meaning of Pavilion Master Lei Mie, and his eyes suddenly lit up!

You must know that in the Kunpeng battlefield, even communication is difficult because of the foggy formation. In the base camp of the two sides, there is a way to communicate within the entire fog formation; but within the fog formation, it is almost impossible to communicate with each other. That is to say—if a top-ranking Heavenly Supreme that no one knows enters the battlefield, it can be killed!

And Xu Ming, is such a top-ranked Heavenly Supreme!

“Then the military exploits obtained in the Kunpeng battlefield...?” Feng Etian asked again.

Pavilion Master Lei Mie said with a smile: “You will naturally have a share in the merits of the war!”

Hearing the words, Feng E Tian Supreme couldn’t help but get even more excited – even if she didn’t have any military exploits, she was quite willing to join Xu Ming on the Kunpeng battlefield; after all, she could have a good relationship with a top high-ranking Heaven Supreme! And... maybe you can take the opportunity to develop into a Taoist companion?

What's more, there are military exploits that can be obtained now – it is no different from taking military exploits in vain!

“Wolongtian Supreme!” Feng’etian looked at Xu Ming, “After entering the depths of the Kunpeng battlefield, it will be up to you to take care of me!”

“Yeah!” Xu Ming nodded slightly.

However, what Xu Ming thought was actually – I may not be able to cover you!

After all, Xu Ming didn’t want to expose the secret of “Time Reverse Flow” in front of Feng Etian Supreme; and if he didn’t expose “Time Reverse Flow”, then Xu Ming’s strength was just an ordinary High Heaven Supreme! So... I really can’t cover Feng’e Tian Supreme!

Of course, no matter what, Xu Ming would not let the Supreme Being Feng Etian hang up in front of him; if the situation was really urgent, Xu Ming could only take the risk of exposing the “countercurrent of time”, but... It won’t die, but the possibility of being beaten is very high!

Thinking of this, Xu Ming looked at Supreme Feng Etian’s eyes, and couldn’t help but bring a hint of pity.

Feng Etian Supreme once again felt Xu Ming’s strange eyes, and once again had a bad premonition, always feeling that something bad was going to happen.

At this time, Pavilion Master Lei Mie specially explained: “Feng E, about Brother Wolong’s true strength, you just need to know it yourself, don’t tell anyone else!”

“I understand!” Supreme Venerable Feng Etian nodded again and again.

...

After walking out of the residence of Pavilion Master Lei Mie, Xu Ming and Supreme Feng Etian separated from each other.

Feng Etian Supreme is interested in Xu Ming, but Xu Ming is not interested in the other party. Although Feng'e Tian Zhizun is a high-ranking Tian Zhizun, his appearance, temperament, and strength are very good; however, it is impossible to arouse Xu Ming's interest.

Xu Ming walked directly towards his residence.

"Huh?" As he was walking, suddenly, a trace of doubt and dissatisfaction flashed in Xu Ming's eyes.

Xu Ming saw that there was a heroic high-ranking Heavenly Sovereign who was walking towards him. He seemed to have some malicious intentions, but it could not be said to be hostile.

"Wolong Tianzun?" The heroic upper Tianzun raised a arrogant smile, "Introduce myself, I, Xuantian Pavilion, Xuanying Tianzun!"

Xuantian Pavilion is also a superpower of Lei Mieyu; it is even better than Lei Mie Pavilion.

"Is something wrong?" Xu Ming asked directly without talking nonsense.

Xuan Yingtian Supreme smiled and went straight to the topic: "Brother Wolong, I hope, you don't go to the Kunpeng battlefield with Feng'e Tian Supreme's team! Go and talk to your Lei Mie Pavilion Master and disband your team, that's fine. ?"

Xu Ming smiled: "This seems to be an internal matter of our Lei Mie Pavilion. It seems to have nothing to do with your Xuantian Pavilion, right?"

Chapter 2119: Fear Of Misunderstanding

"This seems to be something inside our Lei Mie Pavilion. It seems to have nothing to do with your Xuantian Pavilion, right?"

Xu Ming's words were very direct, meaning – you Xuantian Pavilion, don't interfere in the affairs of our Lei Mie Pavilion!

Xuan Yingtian Supreme seemed to have anticipated this scene for a long time, and didn't mind it. He smiled and said: "It seems... Brother Wolong doesn't know much about the situation of Kunpeng's battlefield!"

"Oh?" Xu Ming waited for the other party to continue.

"On the Kunpeng battlefield, the strong are like clouds, and they are constantly fighting! Those who dare to enter the Kunpeng battlefield are generally the weakest who have reached the median cultivation base of the Supreme Heaven; Yes!" Xuanyingtian Supreme said, "However, under normal circumstances, it is relatively safe for the upper heaven to enter the Kunpeng battlefield; after all, each upper heaven has its own means of life-saving, and it is not so easy to fall!"

"Huh?" Xu Ming smiled, "You mean, I encountered an unusual situation?"

"That's right!" Xuan Yingtian Supreme said again, "I'm afraid Brother Wolong doesn't know, there are many strong people in the Kunpeng family who want to capture Feng'etian Supreme! Therefore, Feng'etian Supreme is generally strong and tyrannical. The strong teamed up to go out! If the strength is not enough, it will not only harm myself, but also harm Feng Etian Supreme!"

Xu Ming frowned deliberately, with an angry look on his face: "Then... Brother Xuanying means, my strength is not enough?"

In fact, when Xu Ming saw Xuanyingtian Supreme, he knew what the other party was here for. Xu Ming had already anticipated that this kind of thing would happen, so he was not angry, and he deliberately accompanies the other party to chat a few words.

"I don't mean this, I just want to remind Brother Wolong a few words! Or else -" Xuan Yingtian Supreme smiled and suggested, "I have dealt with the Kunpeng clan many times, and I also understand the situation of the Kunpeng clan! Generally speaking, as long as the strength is not weaker than me, it is enough to protect Feng'etian Supreme – otherwise, Brother Wolong, let's discuss it! It doesn't matter who wins or loses! After the competition, you have a good heart!"

After talking for a long time, Xuanyingtian Supreme finally expressed his meaning.

Although Xuan Yingtian Supreme said politely and said it was a discussion, but in fact, it is obviously a challenge, even a provocation – if you can beat me, you are qualified to bring Feng'e Tian Supreme into the Kunpeng battlefield. ; If you can't win, then you obediently disband the team with Feng Etian Supreme.

“There is a battle platform nearby, let’s go and learn from it now!” From beginning to end, Xuan Yingtian Supreme had a smile on his face and behaved very politely. It can be seen that he is also really worried about the safety of Feng Etian Supreme, so he has to confirm Xu Ming’s strength.

However, Xu Ming was not interested in discussing with him, and directly rejected: “No need!”

Xuan Yingtian Supreme couldn’t help but change his face – he didn’t expect that he had behaved so politely, but this Wolong Tian Supreme still didn’t give him face at all, and directly refused his discussion.

Xuan Yingtian Supreme couldn’t help but be a little annoyed: “Brother Wolong, just discuss, click until you reach it! If Brother Wolong does not want to be known by others, then we can also discuss in private, and I will never tell the outcome to others!”

Xuan Yingtian Supreme thought that Xu Ming was afraid of losing face to him, so he refused to learn from each other; therefore, he quickly added another sentence.

However, Xu Ming still shook his head without hesitation: “I’m not interested in learning from each other!”

Xuan Yingtian Supreme finally couldn’t bear it anymore, and his tone became a little bad: “Wolongtian Supreme, just a discussion so far, don’t you dare?”

Xu Ming couldn’t help sneering: “Then you can think I don’t dare!”

“You...” Xuanyingtian Supreme said angrily, “Wolongtian Supreme, I am kindly reminding you! When you enter the Kunpeng battlefield, no one will tell you to stop; if you don’t understand the situation clearly, enter the Kunpeng battlefield, You don’t even know how you died!”

“Really?” Xu Ming shook his head and smiled, “Then thank you for your kindness! Please let me go!”

Saying that, Xu Ming walked directly beside Xuan Yingtian Supreme.

“Damn it!” Xuan Yingtian Sovereign gritted his teeth. He didn’t expect that this Wolong Tianzun, who had just come to the Kunpeng battlefield, would dare to give him no face at all.

“Forget it, I can only talk to Supreme Feng’etian, she must also want to disband the team with Wolongtian Supreme!” Xuanyingtian Supreme said secretly, “I originally wanted to help Feng’etian Supreme to solve the problem secretly. Well, it didn’t work out...”

Supreme Xuan Yingtian felt that if he put himself in the shoes of Supreme Feng Etian, he would definitely be able to move the other party;

With this thought in mind, Xuan Yingtian Supreme Venerable found Feng Etian Supreme Venerable.

“Feng’e!” Xuan Yingtian Supreme said with concern, “Lei Mie Pavilion Master, did you arrange for you and the new Wolong Tian Supreme?”

“Yeah!” Supreme Venerable Feng Etian nodded silently, not paying much attention to Supreme Venerable Xuan Yingtian’s concerned attitude. After all, Supreme Feng Etian had just learned about Xu Ming’s strength, and was very satisfied with the arrangement of Pavilion Master Lei Mie!

At this time, Xuan Yingtian Supreme said again: “The pavilion master Lei Mie is really confused! How can it be arranged like this?”

Feng Etian Supreme said: “I think this arrangement is very good!”

“Very good?” Supreme Xuanyingtian shook his head and sighed, “Feng’e, I know you are saying this because you are putting the overall situation first! However, such an arrangement is too dangerous for you!—Let’s go, I’ll accompany you Let’s go to Pavilion Master Lei Mie together and let him change his mind!”

This time, Feng Etian Supreme finally discovered Xuanyingtian Supreme’s diligence; but the problem is his diligence is in the wrong place!

Supreme Feng Etian refused on the spot without hesitation: “No need! I’m quite satisfied with this arrangement!”

“You...” Xuan Yingtian Supreme is really angry and anxious – why don’t you understand my kindness?

“If there are no other things, Xuanyingtian Supreme can please do it!” Feng’etian said directly to see off the guest.

“I...”

Before Xuanyingtian Supreme could speak, Feng Etian added: “It’s not convenient for you to stay here with me, alone! I’m afraid Wolongtian will misunderstand...”

Afraid of Wolongtian Supreme Misunderstanding?

Hearing this sentence, Supreme Xuanyingtian almost vomited blood on the spot – Originally, Supreme Xuanyingtian thought that putting himself in the shoes of Supreme Feng’etian would make the other party moved. As a result... not only did he not move the other party, but he was also stabbed in the heart by the other party.

Leaving from Feng Etian Supreme, Xuan Yingtian Supreme only felt that his heart was so painful, as if the whole world had become dark.

However, how tenacious the will of the Supreme Heavenly Supreme is, although Xuanying Heavenly Supreme was somewhat hit, it will not be defeated so easily! He gritted his teeth: “It must be that Feng E hasn’t seen my heart! I will try harder to show her my heart, and she will definitely be touched by me!”

Chapter 2120: I Want Heroes To Save Beauty!

Xuan Yingtian Supreme went to Lei Mie Pavilion Master again.

However, with his strength and identity, he was not qualified to have an equal dialogue with Pavilion Master Lei Mie; he ran over to talk about Xu Ming, and was naturally blasted out by Pavilion Master Lei Mie.

“I don’t think it’s Xuan Yingtian Supreme’s turn to intervene in the matter of my Lei Mie Pavilion, right?”

Pavilion Master Lei Mie was rude.

After blasting away, Pavilion Master Lei Mie looked at the back of Xuan Yingtian's hurried departure, and sneered in his heart: "Where's the idiot X! There's nothing to do, come to destroy my strange soldiers!"

After Xuanyingtian Supreme was blasted out, he did not give up.

"I didn't expect that even Pavilion Master Lei Mie would be so unreasonable!" Supreme Xuan Yingtian thought angrily, "Humph! It's okay! The big deal, when Supreme Feng Etian leaves the base camp, I secretly follow behind to protect her! "

Xuan Yingtian Supreme has made up his mind – this wave of hospitality, he must give it to the end!

So, Xuan Yingtian Supreme squatted directly near the exit of the base camp, waiting for Xu Ming and Feng Etian Supreme to go out.

...

Xu Ming came to the Kunpeng battlefield, first to find the Kunpeng clan to settle accounts, and secondly to earn some treasures from Lei Mie Pavilion.

After learning about the situation on the Kunpeng battlefield, Xu Ming directly brought Feng'e Tian Zhizun and set off!

"Wolongtian Supreme!" Feng'etian looked at Xu Ming with a splendid look, "When you enter the Kunpeng battlefield, it is all up to you to protect!"

Xu Ming said, "I will try my best!"

as much as possible?

When Feng Etian Supreme heard these two words, the corners of her mouth couldn't help trembling – shouldn't she pat her chest and say, "I will definitely protect you well"? What the heck is "as much as possible"?

However, thinking of Xu Ming's strength as a "top-ranking Heavenly Supreme", Feng'etian couldn't help but smiled charmingly: "Wolongtian Supreme, you really know how to joke!"

at this time.

At the exit of the base camp, Xuan Yingtian Supreme naturally noticed that Xu Ming and Feng Etian were coming out.

"Huh? Are they going to enter the Kunpeng battlefield so soon?" Xuan Yingtian Supreme was slightly surprised. Seeing that Supreme Feng Etian was walking in his direction, Supreme Xuan Yingtian couldn't help but straighten his chest, trying to rely on his own temperament to attract the attention of Supreme Feng Etian.

But at this time, Supreme Xuanyingtian saw that Supreme Supreme Feng'e was smiling at Xu Ming charmingly.

Seeing this, Xuanyingtian Supreme was furious—you must know, Feng Etian Supreme had such an expression in front of him.

"hateful!"

"Beast in clothes!"

Supreme Xuanyingtian scolded Xu Ming in his heart: "This Wolongtian Supreme must have used some rhetoric to deceive Feng Etian Supreme! Otherwise, Feng E has always been so cold, how could she show such a charming look to him!"

It's just, how does Xuanyingtian Supreme know... Xu Ming has never hooked up with Feng'etian Supreme, but Feng'etian Supreme himself took the initiative to join up! Moreover, even if Feng Etian Supreme took the initiative to come forward, Xu Ming would not even care about it!

Fortunately, Xuan Yingtian Supreme did not know this. If he knew, he would definitely doubt his life with anger.

At this time, Feng Etian Supreme also discovered Xuanyingtian Supreme near the exit, but she didn't care. Now, in the eyes of the Supreme Heavenly Emperor Feng'e, there is no place for anyone other than Xu Ming; she is pondering with all her heart, how can she become a Taoist partner with Xu Ming, the "Top High Heavenly Supreme"!

As for Xu Ming, although he also saw Xuanyingtian Supreme, his attitude was even more dismissive – who is Xuanyingtian Supreme? Unfamiliar again! With Xu Ming's character, he was too lazy to pay attention to him!

In this way, Xu Ming and Feng Etian Supreme, as if they did not see it, very tacitly ignored Xuanyingtian Supreme.

Xuan Yingtian Supreme had planned to come forward to say hello, but seeing this scene, he vomited blood even more.

However, anger is anger, Xuanyingtian Supreme is still very rational! In order to protect the goddess in his mind, he waited for Xu Ming and the two to leave the base camp, then quietly left the base camp and followed them into the Kunpeng battlefield.

"Feng'e, don't worry, I will definitely protect you!" Xuanyingtian Supreme is now looking forward to a chance to "save the beauty by a hero", "As for Wolongtian Supreme...you'd better die on the Kunpeng battlefield. Come in!"

Xuan Yingtian Supreme had already regarded Xu Ming as his rival in love, and wished Xu Ming died directly in the Kunpeng battlefield.

...

The Kunpeng battlefield is full of fog, and the time and space are a little chaotic.

Coupled with the rules in the Kunpeng battlefield – within a certain range, too many powerhouses cannot be gathered; once the number of powerhouses exceeds nine, the more powerhouses gathered, the more the formation will suppress the entire range. powerful!

Therefore, the Kunpeng battlefield is undoubtedly a good place for ambush!

“Wolongtian Supreme, although you are powerful, you must be vigilant in this Kunpeng battlefield!” Feng’etian said, “As long as you walk out of our base camp, you may be ambushed at any time! Even, right in There may be enemy ambushes not far from the base camp; after all, the time and space of the Kunpeng battlefield is chaotic, and the enemy can ambush once, and then immediately flee away...”

Feng’e Tianzhi respectfully introduced the danger points in Kunpeng’s battlefield. After all, she was also worried that Xu Ming would be careless; moreover, if Xu Ming was careless, then she would be the one who died—because in her opinion, Xu Ming’s strength was “top-ranked heavenly supreme”, and even if he was attacked, it would be almost impossible for her to die. Might be killed; but she’s different, she might be attacked to death!

“I understand!” Xu Ming nodded and said, “In this Kunpeng battlefield, it’s not like he hasn’t fallen to the top-ranked Heavenly Sovereign!”

Hearing what Xu Ming said, Supreme Venerable Feng Etian was much more at ease, and immediately showed a relieved look.

rest assured?

Seeing Feng Etian’s supreme expression, Xu Ming couldn’t help thinking in his heart – this young lady seems to be relieved a little too early!

Xu Mingke was not at all worried about his own strength! After all, if the “countercurrent of time” is not exposed, Xu Ming’s strength is just that of an ordinary high-ranking Heavenly Supreme, not necessarily Feng’e’s Heavenly Supreme!

“Huh?” At this moment, both Xu Ming and Feng Etian looked behind them in unison – although they didn’t see anything, they already felt that someone was following them.

“It’s Xuanyingtian Supreme!” Feng’etian recognized the breath hidden in the dark, and couldn’t help but feel a little annoyed, “I didn’t expect that Xuanyingtian Supreme came out with us!”

Feng Etian Supreme is now focusing on Xu Ming, and being so entangled by Xuan Yingtian Supreme, she is of course a little unhappy – after all, she is worried that Xu Ming will be “misunderstood”.

However, with the other party following from such a distance, Supreme Venerable Feng Etian can’t do anything, so he can’t rush over to chase people, right? If you really want to do that, you will be ripped off!

Xu Ming didn’t care.

If you want to follow, let him follow!

Xu Ming and Feng Etian continued to move forward.

Xuan Yingtian Supreme also continued behind, following from a distance and secretly.

Suddenly, Xu Ming, Feng Etian Supreme, Xuan Yingtian Supreme, almost simultaneously sensed several auras, and rushed out from a hidden corner.

All three looked solemn: “Sneak attack!”

Xu Minglian looked in the direction the breath came from – there were three figures! Moreover, it is the three Supreme Heavenly Venerates!

Feng’e Tian Supreme also saw the figure of the sneak attackers: “It’s Kun Ya Tian Supreme!”

Feng Etian’s eyes suddenly lit up.

The three Kunya Heavenly Supremes are just ordinary high-ranking Heavenly Supremes! In Feng’e Tian Supreme’s view, there is Xu Ming, the top-ranking Tian Supreme, and he is unprepared. There is a great hope that all three Kunya Tian Supreme will be killed here!

Kill the three high-ranking Heavenly Sovereigns! But a lot of credit!

And Xuan Yingtian Supreme, who has been following, also has his eyes lit up – he does not think that Xu Ming can kill Kunya Tian Supreme and the others; on the contrary, he is likely to fall into a desperate situation under the siege of Kunya Tian Supreme!

But... Xuan Yingtian Supreme wants this kind of “desperation”! -Because, in such a “desperate situation”, he just has the strength to resolve the crisis and save the beauty as a hero!

“You can do whatever you want!” Xuan Yingtian Supreme was so happy! At the same time, he secretly approached Xu Ming’s position.

“Now, Kunya Tianzun and the others should not have discovered my existence! Otherwise, three to three, and both sides are high-rank Tianzun, with similar strength; in this case, Kunya Tianzun and the others should not be exposed casually. Hide...” Xuan Yingtian Sovereign analyzed secretly, “In this case, once I show up and join the battle, the three Kunya Sky Sovereign will definitely retreat immediately! After all, this place is very close to the base camp of our alliance, Kunya. If Tian Zhizun and the others are extremely confident, they will never dare to fight!”

Xuan Yingtian Supreme felt strongly that the opportunity of “heroes to save the beauty” was waving at him!
