

A World 2131

Chapter 2131: Particle Universe

Break the “micro” limit!

The universe, from a macroscopic scale, is naturally the eight major dimensions of the real universe, the virtual universe, and those “small universes” that are attached to the real universe and the virtual universe. And from the microscopic small scale, the smallest structure is the “particle”!

For example, the divine body of a **** is composed of countless tiny particles.

Breaking the limits of the universe from a “macro” perspective is obviously not allowed by the will of the universe. For example, the giant kun in the first universe era can be said to have reached the ultimate in size, but it cannot escape the will of the universe in the end.

Therefore, Kunpeng Dazun went the opposite way and broke the “microscopic extreme”!

“Particles are already the smallest components in the universe!” Kunpeng Dazun continued, “I was thinking at the time, what would happen if the particles were divided into two?”

“Huh?” Xu Ming was shocked when he heard this.

Annihilate particles, very easy!

The divine body of the gods is made up of particles. Therefore, ordinary means of attack have no effect on the gods; the tiniest particles on the gods must be annihilated before they can cause damage to the gods. As early as when Xu Ming first stepped into the level of gods, he could easily annihilate them. particles too.

But...it was the first time Xu Ming heard of “dividing the particles into two”.

Particles either annihilate directly or remain intact. This is one of the rules of the universe!

Particles are the smallest things in the universe.

What's up with "half a particle"? This is already a manifestation of breaking the "microscopic extreme", and it is exactly what is not allowed by the rules of the universe's operation!

Therefore, it is very difficult for Xu Ming to "divide the particles into two"! Because this is not a matter of power level! If you want to "divide into two" particles without letting them annihilate, you must fight the rules of how the universe works!

"Then... what about dividing the particle into four and eight?" Kunpeng Da Zun said again, "Even... what if a universe was created directly inside a particle?"

"Particle Universe!!" Such a concept suddenly appeared in Xu Ming's mind, and he was shocked!

Particle Universe!

The tiniest particle in the body of a ***** is a universe inside!

Such exercises, let alone cultivation, just thinking about it, Xu Ming felt horrified!

terrible!

How many particles does a strong man have on his body?

Can't count!

It is much more than all the small universes in the eight large-scale virtual universes combined!

If it is true that every particle in the body is opened up into a universe, then how terrifying is this divine body composed of "particle universe"? Every move is the power of countless billions of universes!

"This... is the real "Kunpeng Nine Changes"!" Kunpeng Da Zun said very proudly, "Every particle on my body is a particle universe! With this, I can even confront the will of the universe head-on! In

the second universe In this era, I was absolutely invincible; wherever I was, even if it was the will of the universe, I had to shy away from it! Even the ‘universal cleanup’ that followed would not really be able to kill me...”

“His” Xu Ming was really shocked by Kunpeng Da Zun!

How bold is this!

How powerful is this!

You must know that the cultivation method of Kunpeng Great Venerable, but even Xu Ming has never thought of it! Now after listening to Xu Ming, he just wants to say: I rely on it! Can you still practice like this?

“And you...” Kunpeng Dazun looked at Xu Ming again, with a solemn look in his eyes, “Xu Ming, in fact, the “I Am for the Universe” exercise you created is not perfect, even better than my “Kunpeng Jiu” “Change” is even more against the sky!”

You must know how proud Kunpeng is? How can it be impossible for him to admit that he is inferior to others? At the beginning, even if the Eternal Great Venerable stood in front of the remnants of Kunpeng Great Venerable, Kunpeng Great Venerable did not think that his “Kunpeng Nine Changes” was inferior to the other party.

And now, Kunpeng Dazun’s words are to directly admit that “Kunpeng Nine Changes” is not as good as “I am the Universe”!

“What’s even more terrifying is...” Kunpeng Dazun said again with horror on his face, “Your practice is extremely inclusive! Just imagine...you have practiced “I Am for the Universe” first, and then practiced “Kunpeng Nine Transformations” , doesn’t it feel easy?”

Xu Ming’s “I am the universe” is equivalent to laying out the structure of “real universe” and “virtual universe”! If you practice “Kunpeng Nine Transformations” now, it is equivalent to inlaying “small universes” on top of the “real universe”!

Indeed, if Xu Ming practiced “Kunpeng Nine Transformations” now, it would be easier than practicing Kunpeng Dazun himself!

Because... When Kunpeng Dazun practiced “Kunpeng Nine Transformations”, it was equivalent to forcibly practicing without any foundation! And Xu Ming now has laid the foundation, and then he will practice “Kunpeng Nine Changes”.

It’s like building a tall building! Is it easy to build high-rise buildings when the foundation is not well laid ? Or is it easier to build tall buildings after laying the foundation?

Even, Kunpeng Dazun couldn’t help but envy Xu Ming because not only was Xu Ming easier to “build a building” than him, but after “building a building”, the foundation would be more stable than him; with the same cultivation, his strength would naturally be better than his. He is stronger!

At this moment, Kunpeng Dazun even felt that the “Nine Changes of Kunpeng” he worked so hard to create seemed to be a wedding dress for Xu Ming!

“I am the universe” with “Kunpeng Nine Changes”?

Perfect!

Therefore, Kunpeng Dazun does not need to ask Xu Ming any more. Do you still need to ask if you want to practice “Kunpeng Nine Changes”? Practicing for sure!

Kunpeng Dazun said directly: “Now, I will teach you the real “Kunpeng Nine Changes”!”

Xu Ming has heard so much, and of course he has already felt that the real “Kunpeng Nine Changes” is simply tailor-made for him! So without the slightest hesitation and hypocrisy, he said directly: “Okay!”

“The set of “Kunpeng Nine Changes” exercises I left in the ‘Kun Peng Tu’, although it is fake, but in fact, it is the introduction to the real “Kunpeng Nine Changes”!” Kunpeng Dazun laughed, “It records The way the divine power operates is exactly what it uses to break the microscopic extreme!”

“Yeah!” Xu Ming nodded silently.

At the beginning, when he practiced “Kunpeng Nine Changes”, he felt that this practice seemed a little strange. Later, when I came to the real universe, I heard that “Kunpeng Nine Changes” is the “exclusive exercise” of the Kunpeng family. Xu Ming didn’t think much about it, thinking that “Kunpeng Nine Changes” must be on the Kunpeng family in order to exert its greatest power. You can come.

Now it seems that the “Kunpeng Nine Changes” in the original Kun-feeding map was originally a seriously incomplete exercise. It’s just that no one knows about it except the Great Venerable Kunpeng.

“Then now, you can begin to accept the real inheritance of “Kunpeng Nine Changes”!”

Chapter 2132: Original Capital

“Then now, you can begin to accept the real inheritance of “Kunpeng Nine Changes”!”

...

Just when Xu Ming accepted the inheritance of “Kunpeng Nine Changes”...

Taoism.

Taoist Temple.

The Taoist Temple Master “Zihe Da Zun”, who was wearing a purple star robe, suddenly opened his eyes. On his face, there is endless piety and solemnity. At this moment, he is listening to the will of the universe.

“The vision is born again?”

“It can be determined that it is in the Thunder Extermination Domain, but the specific location cannot be determined?”

“Good! Good! The great cosmic will, I understand! I will let the eighteen ‘swords of will’ block the Thunder Destruction Domain and prevent any strong people from going out! I will also immediately carry the ‘eye of the universe’, Go to Thunder Extermination Domain to find and kill heretics!”

At this moment, the Great Venerable Zihe with the will of the universe is the strongest Great Venerable in the entire universe! Even compared to the Kunpeng Dazun of the second universe era and the eternal emperor of the fourth universe era, his strength is not much less!

The invincible super existence in the universe left the Taoist temple directly and went straight to the Thunder Destruction Domain.

With the treasure “Eye of the Universe”, even if Zihe Dazun searches the entire Thunder Extermination Domain, it won’t take long.

...

At this time, Lei destroys the domain, and Kunpeng is on the battlefield.

Kunyu Da Zun and Gu Hai Da Zun have already arrived at the entrance of the inheritance place. Looking at the closed entrance, the two had no choice but to wait.

“Kunyu!” Gu Hai said with a bad face, “Wolong Tianzun, but the Tianzun in our alliance! As the lord, what are you doing here? Are you trying to violate the contract and disregard your identity to our alliance? The Heavenly Sovereign within you?”

“Come on, Great Venerable Gu Hai!” Great Venerable Kunyu sneered, “Breaching the contract? I can’t bear the backlash from cause and effect! Moreover, I came here today to sincerely invite Supreme Venerable Wolong Tian to become the elder Keqing of my Kunpeng clan! ”

“Humph! Wolongtian Supreme is a strong person in our alliance. How could it be possible to be the elder Keqing of your Kunpeng clan?”

Since knowing that Wolongtian Supreme is suspected of being “Half-step Great Master”, Kunyu Great Master and Gu Hai Great Master have not calmed down!

Half-step Great Venerable, in the entire true universe, has a pivotal position! In particular, a half-step Great Senior who has just appeared will cause competition from all parties! There is no way, under the rules of the universe, there are some things that only a half-step Great Senior can do, but Great Senior cannot do it! For example, competing for the opening stone and the reincarnation stone!

You must know that the opening of the sky stone can make the “superior Tianzun” avoid the cleaning of the universe; and the reincarnation stone can make the “big master” avoid the cleaning of the universe! In the fight for these two treasures, the strongest can only be the participation of “Half-step Great Senior”, but Great Senior cannot participate!

Just imagine how much value an invincible “Half-step Great Venerable” will play when competing for the Heaven-opening Stone and Samsara Stone?

It can be said that... which great master has the support of a “half-step great master”, he can basically ensure that he escapes the “cosmic cleaning”! The meaning of a “Half-step Great Venerable” is naturally self-evident!

It is no wonder that after discovering the existence of Wolongtian Supreme, who is suspected to be a “half-step great master”, Kunyu Dazun and Guhai Dazun would not hesitate to confront each other, and even put on a war attitude.

“Gu Hai Da Zun, stop joking!” Kunyu Da Zun sneered, “Wolongtian Supreme, really is the powerhouse in your alliance? Haha! If there is really a ‘half step big man’ in your alliance Zun’, don’t you know? To put it bluntly, Wolongtian Supreme and your alliance are just a cooperative relationship! Since it is a cooperative relationship, why can only cooperate with your alliance and not with our Kunpeng clan? Treat each other sincerely, I believe that Wolongtian Supreme will definitely choose our Kunpeng clan!”

“Don’t think about it!” Great Senior Gu Hai said without hesitation.

“Oh! That’s not up to you!” Great Senior Kunyu sneered.

“Humph!” Great Senior Gu Hai coldly snorted.

The two sides confronted each other in silence.

At this time, the Great Senior Gu Hai said again: “The Great Senior Kunyu, I think, we should not confront each other! The Great Seniors of other territories, who have looked down on our Great Seniors of the Thunder Destruction Domain, think we are lunatics! If we are in It’s a joke for the Great Seniors of other territories to see it!”

“Heh!” Kunyu Dazun smiled noncommittally. He knew that there must be something behind Great Senior Gu Hai.

“Why don’t you do it like this!” Sure enough, Great Senior Gu Hai continued, “Great Senior Kunyu, you quit this competition! In return, I can promise you that our alliance will withdraw from the Kunpeng battlefield and will no longer attack!”

The reason why Guhai Dazun supported the “Alliance” behind the scenes and came to attack the inheritance of Kunpeng Dazun; the reason was to cultivate more top-ranked Heavenly Supremes. In this way, in the competition for Kaitian Stone, When reincarnation stone, can have advantage.

And if you can directly get the support of a “Half-step Great Venerable”, this is incomparable to how many “Top Heavenly Supremes” have been cultivated for Gu Hai Great Venerable! Therefore, if Kunyu Dazun really withdraws from this competition, Guhai Dazun is naturally willing to give up attacking the inheritance land and let the “Alliance” directly withdraw from the Kunpeng battlefield.

“Hahahaha...” Great Venerable Kunyu couldn’t help laughing when he heard the words, “Great Venerable Gu Hai, are you kidding me?”

“Huh?” Great Senior Gu Hai was slightly startled.

“Humph! This is also considered a condition for you?” Great Venerable Kunyu sneered, “The inheritance of Great Venerable Kunpeng should naturally belong to our Kunpeng clan! It is only right and proper that you let your rabble alliances withdraw from the Kunpeng battlefield! How can it be a condition?”

“Kunyu Great Venerable!” Gu Hai Great Venerable shouted coldly, “If you say that, then you can only start a full-scale war! I want to see who will end up in the hands of this inheritance land!”

The alliance side is the attacking side; the Kunpeng family is the defending side. Therefore, the power of the alliance side is indeed going to win a lot of Kunpeng clan.

If a full-scale war is truly waged at all costs, then, this inheritance land will really fall under the control of the alliance party led by the Great Venerable Gu Hai. How could Great Venerable Kunyu not know about it?

“Humph!” Great Senior Kunyu sneered noncommittally, and then said, “Why don’t you do this...”

“You say it!” said Great Venerable Gu Hai.

“You quit the competition for ‘Wolongtian Supreme’, and our Kunpeng clan directly quit the Kunpeng battlefield! From now on, this inheritance land will be under your control!”

It is equivalent to using the inheritance of Kunpeng Dazun to exchange “Wolongtian Supreme” with Guhai Dazun!

Chapter 2133: The Beginning Of The Practice

“This...” Great Senior Gu Hai fell into hesitation.

It has to be said that the conditions offered by the Great Senior Kunyu attracted him.

Whether it is competing for the land of inheritance or the “Wolongtian Supreme”, in fact, the ancient sea is to strengthen his power – with stronger power, to calmly deal with the “cosmic cleaning”!

As for the “Alliance” controlled by the Great Venerable Gu Hai, although the power is stronger than the Kunpeng clan, it is no easy task to really want to conquer the land of inheritance! Otherwise, the two sides would not have been in a stalemate on the Kunpeng battlefield for so long, and there would be no winner or loser.

Now, Kunyu Dazun is willing to take the initiative to give up the place of inheritance, which really makes Guhai Dazun quite moved.

“Okay!” After hesitating for a while, Great Senior Gu Hai said, “I quit competing for Wolongtian Supreme! But... If Wolongtian refuses to help you, then it has nothing to do with me!”

“You can quit the competition!” Kunyu Dazun said to himself, “As long as you withdraw from the competition, I have a way to ask Wolongtian Supreme to help me!”

This confidence, Kunyu Dazun still has it.

“That’s fine!” Great Venerable Gu Hai said.

The two great elders immediately entered into a contract.

The Great Master Guhai did not participate in the competition for the Supreme Being of Wolongtian, while the Great Master Kunyu ordered the Kunpeng family to withdraw from the Kunpeng battlefield and give up the place of inheritance.

It’s just, how does Da Zun Kunyu know that this “Wolong Tian Supreme” is actually Xu Ming! If he knew, it was impossible for Kunyu Da Zun to be as confident as he is now, let alone give up the place of inheritance.

...

At this time, in the inheritance land.

Xu Ming has accepted the complete inheritance of “Kunpeng Nine Changes” and has begun to try to open up a “particle universe”.

The real “Kunpeng Nine Changes”, the most difficult part is undoubtedly to open up the first “particle universe”! As long as the first particle universe is successfully opened, then it will spread like a virus, “infecting” every particle on Xu Ming’s body into a particle universe! – That is to say, as long as the first particle universe is successfully opened, it is basically equivalent to “Kunpeng Nine Changes”! What we need to do next is nothing more than to continuously supply energy into the body of God and support the viral spread of the particle universe in the body of God.

Moreover, Xu Ming had already practiced the “divine body universe”. If he practiced “Kunpeng Nine Changes” again, then the countless billions of particle universes on his body would form a whole in the body of God; in this way, the power might be even more powerful than Kunpeng Dazun’s own practice of “Kunpeng Nine Changes”. horrible!

“My cultivation base has reached the pinnacle of the Supreme Being, but I have not found the way to the Supreme Being...” Xu Ming secretly said, “Now it seems that the particle universe is my road to the Supreme Being!”

Xu Ming did not hesitate and devoted himself to the development of the “particle universe”.

Xu Ming’s divine power penetrated into the inside of a very ordinary particle in his divine body with incredible detail.

Although he was only manipulating one particle, Xu Ming felt that he was even more exhausted than killing a hundred high-ranking Heavenly Supremes in a row! -Because it’s so tiny! It’s more subtle than threading a needle and threading a thread. It directly broke the “microscopic limit” of the universe!

The extreme detail, the consumption of mental power, is extremely terrifying!

“space...”

Inside the smallest particles, there is no concept of space, because... the smallest particles represent the “smallest point” of space!

However, Xu Ming wanted to give the interior of the tiniest particles the concept of “space”! -Inside an extremely fine particle, an incomparably huge space is opened up!

The size of this space is comparable to a small universe! For example, the “Divine Phoenix Chaos Realm” where Xu Ming lived, also known as “Endless Chaos”!

Inside the tiniest particle of God’s body, a small universe comparable to “endless chaos” was opened up! How incredible is this? Even the Great Senior would not dare to imagine such a thing! However, Xu Ming is doing it!

buzzing...

With the continuous infusion of divine power, the “particle” controlled by Xu Ming, the internal space is also constantly expanding; even, it caused the vibration of the surrounding time and space.

Sudden-

Bang!

Without warning, this particle annihilated directly! – Breaking the “microscopic extreme” is against the rules of the universe; a little mistake is a failure!

“Failed... Moreover, the space inside the particle is not as big as the ‘God’s Domain’!”

Holy area...

When Xu Ming’s strength just reached the level of “God”, in his eyes, God’s Domain was undoubtedly an incomparably huge behemoth! However, as Xu Ming’s strength became stronger and stronger, God’s Domain became more and more “smaller” in his eyes.

At Xu Ming’s current state, God’s Domain can even be described as “trivial”! If Xu Ming took a casual step, it was the distance of billions of gods!

“continue!”

Failure once, for Xu Ming, there is no blow.

Moreover, there are hundreds of millions of particles on Xu Ming’s body; if one loses one, there is no difference at all!

Continue to open up the space inside the particle.

Continue to fail!

Come again!

Fail again!

...

Xu Ming failed millions of times in a row, but he failed to develop a “particle universe”!

“Kunpeng Nine Changes is really not easy to cultivate!” Xu Ming couldn’t help but secretly said.

Failing millions of times in succession, this is really the first time on Xu Ming’s cultivation path! You must know that in general secret techniques, Xu Ming succeeds all at once!

“Come again!” Xu Ming was not discouraged.

Know the power of “Kunpeng Nine Changes”!

I know more about the power of “Kunpeng Nine Changes” and “I Am the Universe”!

How could Xu Ming give up?

Kunpeng Dazun smiled and comforted: “In the beginning, after I created this practice, I failed hundreds of millions of times, and I succeeded in opening up the first ‘particle universe’! However, the first particle universe has become, This martial art has also been practiced!”

Kunpeng Da Zun is the creator of the practice, and has the deepest understanding of this practice. He started to practice after it was completely created, but he still failed hundreds of millions of times!

Kunpeng Dazun continued: “As for you...Xu Ming, your talent is indeed against the sky, but after all, “Kunpeng Nine Changes” is not tailor-made for you! I estimate that you will fail a billion or even ten billion times. !—You’re just getting started!”

A billion times?

Ten billion times?

Xu Ming begins to open up the particle universe once again!

And this time, inside the particle, the “space” given by Xu Ming was extremely stable! It has been expanding until it is several times larger than “Endless Chaos”, and there is no sign of it collapsing.

At the same time, the “time” inside the particle also began to flow!

space, become!

time, done!

The first “particle universe” was established successfully!

“This...” Kunpeng Great Senior was stunned.

He was still there saying that Xu Ming would fail a billion times, ten billion times... As a result, Xu Ming succeeded as soon as he finished speaking!

Kunpeng Dazun only felt that he was simply being slapped in the face!

Chapter 2134: Take Away The Universe

Kunpeng Dazun only felt that he was simply being slapped in the face!

“You did it on purpose, right?” Kunpeng Dazun couldn’t help saying.

is not that right?

After failing millions of times in a row, Xu Ming succeeded as soon as Kunpeng Dazun pretended to be X! Is this not intentional? Isn’t this a slap in the face?

But at this time, Xu Ming didn't have time to pay attention to Kunpeng Dazun – he successfully opened up a particle universe. Although he has completed a crucial step, it is only the beginning; next, Xu Ming also wants to let the “particle universe” virus spread to his entire divine body like this, transforming every particle in his body into a “particle universe”! In that way, every move of Xu Ming will trigger the power of countless billions of universes; it is conceivable that Xu Ming's strength will soar to a terrifying situation!

“When every particle on my body is transformed into the particle universe, that is when I break through and enter the realm of ‘Heaven Supreme’!”

Xu Ming's mental power was all concentrated in the transformation of the “particle universe”, and he didn't even hear Kunpeng's words.

“The Nine Changes of Kunpeng” is indeed the hard work of the great master of Kunpeng. When Xu Ming successfully opened up the first particle universe, this particle universe actually “infected” a particle next to it with an incredible mystery; the particle next to him naturally began to evolve into a particle universe.

The second particle universe, complete!

Immediately afterwards, the two particle universes “infected” another particle.

Two particle universes soon became four particle universes!

The four particle universes have become eight!

Eight, become sixteen...

Thirty-two...

Sixty-four...

The number of particle universes keeps doubling and growing!

Although, Xu Ming's divine body has countless billions of particles! However, even if there are hundreds of millions of particles, it is only a matter of time before all of Xu Ming's particles are transformed into the particle universe in the doubling of "infection".

And it won't be too long!

And what Xu Ming needs to do the most is actually when all the particles in the whole body are transformed into particle universes, using the "Great Universe of Divine Body" as the foundation, let these particle universes form a whole!

Countless billions of particle universes, forming a whole, I am afraid it will be even more terrifying than Kunpeng Dazun!

300,000 years later...

300,000 years was a long time for Xu Ming. However, in the long river of time in the universe, just 300,000 years is nothing at all.

Even the Great Senior Kunyu, who was waiting at the gate of the Land of Inheritance, was not impatient at all, but felt normal. For Great Senior Kunyu, waiting for 300,000 years was no different from waiting for three minutes.

And Xu Ming's "particle universe" transformation is finally coming to an end.

Half of the particles in Xu Ming's body have been transformed into "particle universe".

Half of it was transformed into the particle universe, what does this mean? – It means that you only need to "infect" one more time, and the other half of the particles will all become the particle universe!

"The last time!"

Xu Ming did not dare to take it lightly.

At the same time, he made all the particle universes run on a special trajectory within the “Great Universe of the Divine Body” – the entire “Great Universe of the Divine Body” is an extremely powerful and mysterious formation!

A formation formed by countless billions of particle universes!

“Xu Ming, you didn’t let me down...” Kunpeng sighed deeply, “But then again, how could the choice I made let me down?”

The gaze of Kunpeng Da Zun has never left Xu Ming’s divine body.

“Countless particle universes form a super array! This super array is another big universe...” Kunpeng Da Zun had to admit that Xu Ming practiced “I am the universe” and “Kunpeng Nine Changes” at the same time. Compared with his practice of “Kunpeng Nine Changes” alone, he is two levels stronger!

“It’s terrifying!” Kunpeng Great Senior was secretly shocked, “It’s stronger than Eternal Great Senior!”

Whether Kunpeng Dazun is willing to admit it or not, in fact, Eternal Dazun is indeed stronger than Kunpeng Dazun!

Although these two incredible beings are not in the same cosmic era, they have never really fought each other; however, it is estimated that the Eternal Great Sovereign with the cultivation base of “Lower Heavenly Supreme” is as powerful as Kunpeng with “Middle Heavenly Sovereign”. Your Majesty!

That is to say: Eternal Great Venerable, one realm and one level stronger than Kunpeng Great Venerable!

And now...

Xu Ming is two levels stronger than Kunpeng Dazun! It is one level stronger than Eternal Great Venerable! It is definitely the strongest existence at the same level since the era of the five universes!

“It’s done!”

boom! !

Suddenly, Xu Ming’s body trembled violently.

The real “Kunpeng Nine Changes” finally let Xu Ming really get started!

Moreover, countless billions of particle universes have also perfectly formed a super array, running in Xu Ming’s “divine universe”.

“Heaven Supreme Realm!” Xu Ming clearly felt the transformation of his own realm.

From the “superior earthly supreme” to the “lower heavenly supreme” at once!

And strength...

Xu Ming can clearly feel that his own strength has undergone an earth-shaking transformation!

If it was said that before Xu Ming still needed to rely on the “countercurrent of time” to kill the “top high heaven supreme”; then now, let alone the top high heaven supreme, even if it is a half-step great master, Xu Ming can be easily ravaged, no need to resort to plug-ins at all!

because...

Although Xu Ming is only the “Lower Heaven Supreme” cultivation base, his strength is already comparable to the Kunpeng Great Venerable in the “Upper Heaven Supreme” period! – Kunpeng Dazun, what kind of tyrannical existence is he? In the period of the Supreme Heavenly Sovereign, his strength was no less than that of many Great Venerables!

In other words, Xu Ming now has the strength of the “Great Senior” level!

And I am afraid that it is stronger than many Great Seniors!

If it is a weaker Great Senior, maybe he will be hanged and beaten by Xu Ming!

“Finally... I truly have the strength of the Great Senior level!” Xu Ming has been waiting for this day for too long! – You must know that those enemies of Gu Hanmo are all at the level of Great Senior! Without the real strength of the Great Senior, Xu Ming would not be able to confront Gu Hanmo’s enemies head-on!

And now, Xu Ming is qualified to face Gu Hanmo’s enemies!

And... what’s even more terrifying is that Xu Ming is only now at the cultivation level of “Lower Heaven Supreme”! If he waits for him to reach the Middle Heaven Supreme and the Upper Heaven Supreme, what will be the situation?

Xu Ming’s rule of a “cosmic era” has begun to kick off!

In the fifth universe era, there is no power that can stop Xu Ming’s rise! The only thing that can make Xu Ming jealous is the “will of the universe”!

“The Will of the Universe?” Xu Ming couldn’t help sneering in his heart, “I don’t know... When will we be able to use the ‘Seize the Universe’?”

The will of the universe is very powerful?

Annoying Brother Ming, Brother Ming directly tried to take over the universe! At that time, Xu Ming is the will of the universe!

Chapter 2135: It Should Be

“Success!”

What kind of eyesight does Kunpeng Da Zun have?

Even if he is here now, it is only a remnant of Kunpeng Great Venerable Master Kunpeng, but he can still feel the terrifying power contained in Xu Ming’s “divine universe”! – This is a more powerful force than him at the same level and the Eternal Great Venerable!

Great Venerable Kunpeng looked at Xu Ming with complicated eyes. He secretly said in his heart, “Maybe... he can really go to that step that neither I nor Eternal Great Venerable can reach!”

The Kunpeng Great Venerable and the Eternal Great Venerable were both absolutely invincible existences in their respective cosmic eras; even the will of the universe could not obliterate them! However, these two invincible existences always have regrets.

Kunpeng Dazun hopes that Xu Ming, who has studied “Kunpeng Nine Changes”, can take his place in the step that he cannot reach.

“If Xu Ming also fails...” Kunpeng Dazun thought helplessly. But he knew that even Xu Ming, the possibility of failure was far higher than the possibility of success!

That step is too hard to go!

That’s a step in a head-on battle against the “will of the universe”!

“Huh...” At this time, Xu Ming finally consolidated his cultivation and stopped cultivating.

Whoa!

Xu Ming opened his eyes.

His eyes were sharper than ever!

You must know that Xu Ming’s eyes today are made up of countless billions of “particle universes”; moreover, each particle universe is even bigger than “endless chaos”! – One can imagine how terrifying Xu Ming’s eyes must be!

Those exercises with endless galaxies and billions of stars in their eyes are nothing compared to Xu Ming’s eyes!

This is a pair of terrifying eyes!

If Xu Ming did not deliberately restrain himself, then even the Supreme Heavenly Sovereign could not withstand the pressure of his eyes!

“Xu Ming, “Kunpeng Nine Changes” is really suitable for your cultivation!” Kunpeng said with a smile. Suddenly, he seemed to think of something, “Your self-created “I Am for the Universe” exercise is extremely inclusive! If you can get the inheritance of the Eternal Great Venerable again, I am afraid that your strength will be able to break through again!”

The inheritance of the Eternal Great Venerable?

In the real universe, the reputation of the Eternal Great Venerable is probably even more prosperous than the Kunpeng Great Venerable! However, I have never heard of where there is a place for the inheritance of the Eternal Great Venerable.

Kunpeng Dazun said: “The place of inheritance of the Eternal Dazun is in the Eternal Hall! If you want to inherit the inheritance, you must have a good relationship with the Eternal Hall!”

“Uh...” Xu Ming was stunned.

Have a good relationship with the Eternal Hall?

Don't forget, Xu Ming is now being hunted down by the Eternal Palace!

“But it's okay, I have the ‘Feng Zhou Ding’!” Xu Ming smiled, “It's not difficult to get into the Eternal Hall!”

When Xu Ming returns to the Eternal Domain, then he will use Feng Zhou Ding to disguise himself as the unlucky “Jian Yi Tian Supreme”! Jian Yitian Supreme is the core disciple that the Eternal Hall has devotedly cultivated; presumably, as the identity of Jian Yitian Supreme, it should not be difficult to mix into the inheritance of the Eternal Great Venerable!

Kunpeng Dazun obviously guessed what was going on, and laughed without saying a word.

After a pause, Kunpeng Dazun smiled again: “My most precious exercise, “Kunpeng Nine Transformations”, has been obtained by you! My three most precious treasures, Kuntu, Feng Zhou Ding, and Breaking the World The gun has already been obtained by you! I have nothing to teach you here!”

Xu Ming couldn't help but feel a little grateful when he saw the remnants of Kunpeng Great Senior.

I have to say, from the virtual universe to the real universe, Kunpeng Great Senior has brought him a lot of opportunities! Without the Great Venerable Kunpeng, Xu Ming's strength would not have improved so quickly; moreover, when facing a powerful enemy, without the trump card of “Feng Zhou Ding”, Xu Ming might not be able to be as calm as he is now.

“Haha!” Seeing Xu Ming's gratitude, Kunpeng said with a smile, “You don't have to thank me! You will know in the future that the opportunities you got are all due!”

All should be?

Xu Ming was a little puzzled – chance, also divided into “should” and “should not”?

However, Xu Ming didn't think much about it.

“Now, it is not difficult for you to break through to the level of ‘Lower Heaven Supreme’ and all the way to the ‘High Heaven Supreme’ realm! As long as you continue to absorb power and expand the endless billions of particle universes; your cultivation level will naturally be You can reach the level of ‘High Heaven Supreme’!” Kunpeng Dazun said again, “Now, your strength is already at the level of ‘Great Supreme’! When you break through to the level of ‘High Heaven Supreme’, you will be invincible. Great Senior Realm, invincible in the entire universe! At that time... even if the will of the universe wants to deal with you, it will not be so easy!”

Kunpeng Dazun still doesn't know that besides his own strength, what is really scary about Xu Ming is his plug-in!

With the “Infinite Resurrection”, Xu Ming no longer needs to be afraid of any Great Senior! There is only the will of the universe, and Xu Ming needs to be afraid!

“Condense your breath and prepare to go out!” said the Great Venerable Kunpeng.

“Yeah!” Xu Ming nodded.

Xu Ming restrained his aura, but there was a deep murderous intent in his eyes – he has been in the real universe for so long. Xu Ming has never been able to find Gu Hanmo, nor can he take revenge for Gu Hanmo! And now, Xu Ming finally has the strength to do what he wants to do the most!

“Han Mo! Wait for me! I’ll be here soon!” Xu Ming stepped directly and walked outside the place of inheritance.

The situation of the real universe is about to be stirred by him!

...

The door to the place of inheritance.

Kunyu Da Zun always sat cross-legged. There was no trace of impatience on his face.

“I don’t know... What did this ‘Wolongtian Supreme’ get in the inheritance land?” Kunyu Dazun couldn’t help thinking.

The entrance to the Land of Inheritance is closed, this is the first time it has happened in endless years! Kunyu Dazun thinks about it with his toes, and knows that the inheritance that this “Wolongtian Supreme” is receiving is by no means simple!

“We must draw Wolongtian Supreme! If possible... it is best to get some inheritance information from him!” Kunyu Dazun has always wanted to get the true inheritance essence of Kunpeng Dazun! However, the entire Kunpeng clan, to put it bluntly, is just a group of servants raised by the Kunpeng Great Senior, so they are not qualified to obtain the true essence of inheritance!

Of course, in other words, even if Kunpeng Dazun is willing to pass on the essence to Kunyu Dazun, it is impossible for Kunyu Dazun to learn it!

The real “Kunpeng Nine Changes”, not everyone can learn it!

In the endless years, there are many strong people who have entered the land of inheritance, but Kunpeng Dazun has never found out who can learn the real “Kunpeng Nine Changes”.

Only Xu Ming!

Even... in the dark, “Kunpeng Nine Changes” seems to be tailor-made for Xu Ming!

boom-

Kunyu Da Zun was thinking about it, and the entrance to the inheritance land suddenly opened with a bang.

“Huh?” The Great Senior Kunyu was shocked, and immediately raised his spirit, “Wolongtian Supreme, coming out!”

Chapter 2136: Throw Him!

Xu Ming turned into a streamer and flew out of the place of inheritance.

As soon as he came out, Xu Ming saw an imposing figure waiting for him outside the exit.

“Huh? Your Highness!”

Xu Ming instantly sensed the identity of the other party.

Immediately afterwards, Xu Ming saw the other party’s face clearly, and couldn’t help but slightly startled: “Kunyu Dazun?”

Xu Ming couldn’t help being a little surprised.

He originally thought that Great Senior Gu Hai and Great Senior Kunyu would be outside the exit together, waiting for him to come out; but he did not expect that there was only one Great Senior Kunyu, but Great Senior Gu Hai could not be seen.

“It seems... There should be some kind of agreement between Kunyu Dazun and Guhai Dazun! Therefore, Guhai Dazun directly withdrew from the competition!” Xu Ming’s guess is not far from ten, “It’s really a narrow road for enemies!”

Although it was the enemy who had a narrow road and faced Da Zun directly, Xu Ming did not panic at all.

After all, Xu Ming has a “Feng Zhou Ding” disguised identity. With Xu Ming’s current strength, he didn’t worry about the disguise being seen through by the Great Seniors. Besides... Step back 10,000 steps, even if the Great Venerable Kunyu sees it through, so what?

To tell the truth, even if Xu Ming and Kunyu Dazun fight head-on, whoever will die is still unknown!

“Even if it’s a head-to-head fight, I’m not afraid of Da Zun Kunyu! What’s more, now I have no intention of calculating!” Xu Ming looked at Da Zun Kunyu with a hint of playfulness in his eyes, “The enemy’s road is narrow, see what I do plate you...”

Great Senior Kunyu didn’t even know that he was already being targeted by Xu Ming!

Xu Ming is not the kind of person who will never take revenge! – When Xu Ming was in the Eternal Domain before, it was because of Kunyu Dazun that Xu Ming was exposed to the eyes of many enemies, Dazun! If it wasn’t for the fact that he could just hide in the Three Realms Universe at that time, Xu Ming would at least reveal the trump card of “infinite resurrection”.

Xu Ming had no choice but to avenge this revenge!

Moreover, the reason why Xu Ming came to Lei Mieyu was mainly to avenge this revenge.

Now, Kunyu Dazun is standing in front of Xu Ming, which makes Xu Ming unable to help thinking about how to take revenge. After all... “Placing” a Great Senior is not an easy task, so of course you have to plan carefully.

“And... Kunpeng Great Senior’s remnants also have some opinions on these servants of the Kunpeng clan!” Xu Ming thought again.

You must know that the entire Kunpeng clan is nothing but the servants of the Kunpeng Great Venerable! The meaning of their existence is to serve the Great Venerable Kunpeng.

However, after Kunpeng Dazun left the real universe, these “slaves” regarded themselves as the “descendants” of Kunpeng Dazun! – No one is qualified to become the descendant of Kunpeng Great Venerable, at least these servants are definitely not qualified! Therefore, it is no wonder that the remnant of Kunpeng Dazun will have an opinion on the Kunpeng family.

“Master Kunpeng told me that if there is a chance, I will teach the Kunpeng family a lesson...” Xu Ming secretly said, “Actually, even if the King Kunpeng doesn’t say anything, I will also teach the Kunpeng family a lesson! Now that he has said this, then I must be taught a lesson!”

Of course, the Great Senior Kunyu didn’t know that the “Wolongtian Supreme” who he was trying to win over at all costs, had been thinking about how to “fuck him” as soon as they met.

Kunyu Dazun also greeted him with a smile and cupped his hands: “Wolongtian Supreme! Look forward to it for a long time!”

The attitude of the Great Venerable Kunyu completely shows that he wants to have an equal relationship with “Xu Ming” – you must know that it is very rare for a Great Venerable to treat a Heavenly Supreme with such a posture! Even this Heavenly Sovereign is suspected to be the existence of “Half-step Great Sovereign”!

Therefore, Da Zun Kunyu took it for granted that as soon as he made this gesture, he would definitely be able to get closer to the “Wolongtian Supreme” in front of him. Even, Wolongtian Supreme was moved, and he might be directly under his command.

Just when Kunyu Dazun fell into fantasy...

However, Xu Ming looked at Da Zun Kunyu and said deliberately, “Are you...?”

“Eh?” Great Senior Kunyu was stunned for a while, but couldn’t help but say, “You don’t know me?”

Of course Xu Ming knew Kunyu Dazun. However, he opened his eyes and said nonsense: “This deity has been in retreat for endless years, and I don’t know much about the powerhouses in the real universe!”

Xu Ming pretended that he didn't know that the other party was "the Great Master", and even directly called himself "the Master".

Sure enough, when the Great Venerable Kunyu heard the word "Prince", he couldn't help his face turn black – since he became the "Great Venerable", who would dare to call himself "Prince" in front of him? Even other Great Venerables wouldn't call him that!

And now, a mere "Half-step Great Venerable" dares to call himself "the deity" in front of him!

Da Zun Kunyu had the urge to slap the opponent to death!

"Hold back! Hold back!" Kunyu Da Zun constantly comforted himself in his heart, "Those who don't know are not guilty..."

Kunyu Dazun did have the urge to shoot "Wolongtian Supreme" to death, but he couldn't do it! Because... he really needs the help of a "Half-step Great Venerable"!

Without the help of the Great Venerable Half-Step, then, Great Venerable Kunyu, and the high-ranking Heavenly Supremes of the Kunpeng clan I am afraid that many people will not be able to survive the "Universe Cleanup" of the Fifth Universe Era!

Therefore, at this moment, even if the Great Venerable Kunyu is angry, he has to endure it—in his opinion, it should not be difficult for him to kill Wolongtian Supreme! However, killing Wolongtian Supreme, for him, except for a short time, there is no other benefit. Moreover, if Kunyu Dazun dares to kill Wolongtian Supreme, then the other "Half-step Dazun" will definitely die, and I'm afraid there will be no "Half-step Dazun" willing to help the Kunpeng clan in the future; They will also work together to target the Kunpeng family.

Therefore, no matter how arrogant the "Wolongtian Supreme" is, Kunyu Dazun must show a careless generosity.

"Hahaha..." Thinking of this, Kunyu Da Zun quickly put on a smile, "Brother Wolong lives in a secluded place, doesn't ask about world affairs, doesn't know me, it's normal!"

It has to be said that in order to successfully win over Wolongtian Supreme, Kunyu Dazun was simply shameless; in the blink of an eye, the title changed from “Wolongtian Supreme” to “Wolongxiong”.

“I—” Kunyu Dazun proudly introduced, “Kunpeng clan, Kunyu Dazun!”

“Oh—” Xu Ming suddenly made a sudden realization.

Seeing this, the Great Senior Kunyu thought that his prestige had already shocked the Wolong Heavenly Sovereign, so he quickly struck while the iron was hot: “Brother Wolong, I sincerely invite you to become the elder Keqing of my Kunpeng clan...”

At this time, Xu Ming’s deliberately elongated “Oh” finally ended. Immediately afterwards, Xu Ming said again: “Great Venerable Kunyu? You are the legendary... One of the ten weakest Great Venerables in the true universe, Great Venerable Kunyu?”

“Pfft!” Great Venerable Kunyu vomited blood directly.

Will you chat?

Did you meet and greet like this?

Chapter 2137: Smile On Face

Did you meet and greet like this?

At this time, Xu Ming was thinking, should he do it now and feast on him.

“It’s not that easy to kill at the Great Senior level!” Xu Ming was very clear in his heart, “Which Great Senior doesn’t have a bunch of life-saving means? Even if I make a move now, at most, I will be surprised and beat Kunyu Great Senior. Dayton; however, it is almost impossible to kill him!”

Although Xu Ming’s strength has reached the “Great Senior Level”, it is difficult to kill a Great Senior. And beheading can’t be killed, just beating, it has no practical meaning except for the breath.

“If you don’t make a move, it’s already! Once you make a move, you must let the Great Senior Kunyu hurt!” Xu Ming wondered how to make the Great Senior Kunyu hurt.

Xu Ming looked at Da Zun Kunyu, and said to himself: “Since Da Zun Kunyu is here to win me over, then I’ll just take the plan and go to the Kunpeng clan with him first! Then, I will slowly look for opportunities...”

Xu Ming couldn’t believe it. With his current strength, he would not find a chance!

Thinking like this in his heart, Xu Ming said with a smile, “I’m sorry, Da Zun Kunyu, I’m a person who speaks more directly! If there is anything wrong, look to Haihan!”

Great Senior Kunyu rolled his eyes when he heard it, and thought to himself: You also know that you speak more directly, right?

However, in order to win over the “Half-step Great Venerable” in front of him, Great Venerable Kunyu could only laugh apologetically, and said against his will, “Where is it! I like to make friends with a straightforward personality like Brother Wolong!”

I rely on!

Xu Ming also couldn’t help but complained in his heart – this Kunyu Great Zun’s face is really thick enough! In this way, we can get together, hot face and cold butt!

But... than shame, Brother Ming has never been afraid of anyone!

“Hahahaha...” Xu Ming smiled, “Kunyu Great Venerable, although you are one of the ten weakest Great Venerables in the true universe, but I am just talking to you, you friend, I made it!”

“Pfft!” Great Venerable Kunyu almost vomited blood.

One of the weakest ten Great Venerables, is it necessary to say this twice?

Moreover, what does it mean to “just say this to you, your friend, I gave it to you”? – No matter how weak I am, I am still a great master, right? When is it your turn to despise me?

Kunyu Dazun couldn't help but complained in his heart – I lost, I lost!

“Okay, Kunyu Da Zun, I've made you my friend! I still have something to do, so I'll go first!” Xu Ming was obviously trying to get hold of it, so he got up and left.

“Wait!” Great Senior Kunyu shouted.

He waited for so long at the entrance of the Land of Inheritance, and even sent Gu Haitian Sovereign away with all his blood, not to hear such words.

“Is something wrong?” Xu Ming said deliberately.

“Brother Wolong, I sincerely invite you to become the elder Keqing of my Kunpeng clan, you see...” Kunyu Dazun really needs the support of a “Half-step Dazun”, so he spared no expense, even time and time again. Put down your body.

“But...you Kunpeng clan, what benefits can you give me?” Xu Ming showed a little bit of a fox's tail.

Kunyu Dazun didn't think much about it. In his opinion, it is normal for both parties to negotiate the terms before reaching a cooperation with a Half-step Great Venerable.

“Brother Wolong, I sincerely invite you!” Kunyu Da Zun emphasized again, “Let's do it! I'll put my words here – our Kunpeng family, as long as it's something you can look at, as long as it's not too much, Just speak up!”

“Really?” Xu Ming's eyes lit up. The Kunpeng family has been passed down for a long time. As the saying goes, a camel that died of starvation is bigger than a horse; there is no shortage of good things in the Kunpeng family. !”

Xu Ming stared directly at the treasure house of the Kunpeng family.

After hearing this, Kunyu Grand Master couldn't help but tremble at the corners of his mouth – this Wolongtian Supreme's face is too thick, right? As soon as we came up, we set our sights on the treasure house of our Kunpeng clan.

However, at the level of Great Venerable Kunyu, unless it is a divine weapon of breaking the world, as for other treasures, they are only things outside the body after all. Therefore, Kunyu Dazun gritted his teeth and said, "It's easy to say! At that time, I will let Brother Wolong choose ten treasures in the treasure house of my Kunpeng clan!"

Pick ten?

Xu Ming smiled without saying a word—after entering the treasure house, if you want to get a few pieces, then Brother Ming has the final say! The treasure house that was emptied by Brother Ming is not a few!

Great Master Kunyu saw Xu Ming smiling but didn't say a word, thinking that the other party was still hesitating, he couldn't help but increase his stake: "Brother Wolong, if you have any other conditions, you can also bring it up to discuss!"

Xu Ming looked at Da Zun Kunyu, and couldn't help but secretly said: Too sincere!

If it weren't for the hatred between Xu Ming and Kunyu Dazun, maybe they could really cooperate well! It's a pity that Kunyu Da Zun is already Xu Ming's enemy.

"Brother Wolong, look...?" Kunyu Da Zun couldn't help but asked again.

"Okay!" Xu Ming smiled, "As for the other conditions, I haven't thought about it yet, I'll tell you when I think about it!"

Kunyu Dazun thought but with a smile on his face: "It's easy to talk! It's easy to talk! Come on, Brother Wolong, follow me to our Kunpeng clan first!"

The two got up and flew away from the Kunpeng battlefield.

"Huh?" Xu Ming couldn't help but be a little bit puzzled when he passed through a formation close to the place of inheritance, "Isn't this formation controlled by the Kunpeng clan? Why is the

Pavilion Master Lei Mie in there? Many other powerhouses in the extermination pavilion are also here?”

Grand Master Kunyu said: “Our Kunpeng clan has completely withdrawn from the Kunpeng battlefield!”

“Oh?” Xu Ming couldn’t help being a little surprised.

“Originally, the Great Senior Gu Hai also wanted to invite Brother Wolong! Only with this kind of blood will he be willing to withdraw from the competition!” Great Senior Kunyu said this to show his sincerity.

Xu Ming finally understood why he didn’t see the Great Venerable Gu Hai after he walked out of the place of inheritance! It turned out that the Kunyu Da Zun was at the expense of the Kunpeng clan’s withdrawal from the place of inheritance!

“Your price is a bit high!” Xu Ming couldn’t help but say, “Actually, Da Zun Kunyu, you don’t have to do this! Even if Da Zun Gu Hai is here, I will choose to be the elder Keqing of the Kunpeng family!”

Great Senior Kunyu rolled his eyes and cursed inwardly—is that right? I didn’t see it!

But this time, Kunyu Dazun really misunderstood Xu Ming!

Xu Ming did not talk nonsense! Indeed, even if Gu Hai Da Zun invited him, he would eventually choose Kunyu Da Zun! After all... Only by choosing the Great Senior Kunyu, can we find a chance to hurt him!

At this time, Xu Ming saw that Pavilion Master Lei Mie was flying towards him.

Xu Ming suddenly remembered that Pavilion Master Lei Mie still owes him a debt! After all, before, he helped the “Alliance” side and killed a lot of the Kunpeng clan’s great powers! The “remuneration” that should be received, of course Xu Ming will get it!

Chapter 2138: Envy

Two figures swiftly swept across the sky of Lei Mieyu. It is Xu Ming and Kunyu the Great.

Great Senior Kunyu secretly looked at Xu Ming speechlessly – just now, in front of him, Xu Ming took a “reward” from Pavilion Master Lei Mie; and that reward was for beheading their Kunpeng clan. The strong, the reward!

Although I already knew that this Wolong Heavenly Sovereign was helping the “Alliance” side before, but I witnessed this scene with my own eyes, and I have to invite this Wolong Heavenly Sovereign back to be the elder Keqing, so Kunyu Great Master is really a little bit. Awkward.

If it wasn't for the help of a “Half-step Great Venerable”, Kunyu Great Venerable would have even shot Xu Ming's heart to death.

At the same time, Great Senior Kunyu was even more certain: This Wolong Heavenly Sovereign is really not good at chatting!

But at this moment, Xu Ming noticed the strange look in Kunyu Dazun's eyes, and asked specifically, “Huh? Kunyu Dazun, why are you looking at me like this? Do you have any opinion on me?”

“...” Great Senior Kunyu, who was scolding Xu Ming in his heart, quickly looked solemn, and said, “Brother Wolong is joking!”

See you soon...

See you late...

Xu Ming was really impressed by Kunyu Dazun's face!

At the same time, the more Xu Ming realizes, how important he is to Kunyu Dazun, so the more he is “pampered and arrogant”!

“You really have no opinion?” Xu Ming tested the bottom line of Kunyu Dazun’s patience again and again, “I killed a lot of strong people in your Kunpeng clan, Kunyu Dazun, do you really have no problem with me?”

When Xu Ming spoke, he also pretended to be a little scared, as if he was afraid that Kunyu Dazun would have an opinion on him.

“Those people, it’s not a pity to die!” Kunyu said freely, “They can use their lives to witness the birth of Brother Wolong, which is their glory!”

“...” This time, Xu Ming was really convinced!

Really served!

The face of this Kunpeng Dazun is really too thick! It was so thick that Xu Ming was speechless!

It seems that it was because he found that Kunyu Dazun had no bottom line, so along the way, Xu Ming was too lazy to continue to test his bottom line.

And Kunyu Great Senior did not test Xu Ming – what he tested was Xu Ming’s strength.

When Kunyu Dazun raised the speed to the level of “Half-step Dazun”, he found that the Wolong Tianzun could easily keep up with him. He finally determined that this Wolongtian Supreme definitely possessed the “Half-step Dazun”. The strength is undoubtedly!

However, how could Da Zun Kunyu have thought that Xu Ming has hidden a lot of strength! If the two sides really speed up, then Kunyu Dazun may really be unable to beat Xu Ming!

Kunyu Dazun did not continue to test, for fear that Xu Ming would lose face.

As a result, the two flew towards the Kunpeng clan’s clan at the speed of the ordinary “half-step Dazun”.

For the speed of a half-step Great Venerable level, it is not difficult to traverse a territory, or even traverse the entire real universe. Not long after, Xu Ming and Kunyu Dazun came to the clan of the Kunpeng clan.

...

The Kunpeng family. Inside the clan.

clang-

clang-

clang-

The magnificent bell rang three times in a row, resounding throughout the entire clan.

In the clan, the strong men of the Kunpeng clan were all surprised.

“what’s the situation?”

“Is this the bell for the assembly of the whole clan?”

“Such a bell will not ring several times in a cosmic era! Could it be... is our Kunpeng clan encountering some kind of crisis, and we need to fight with the power of our clan?”

“Could it be that Kunyu Dazun started a war with other Dazun?”

In the Kunpeng clan, apart from the top powerhouses at the mid-level Heavenly Supreme and the upper Heavenly Supreme, few other clansmen knew that the Great Venerable Kunyu invited a “Half-step Great Venerable”. Therefore, when they heard such an assembly bell, they naturally would not have thought that this was to gather the whole clan to welcome the distinguished guests;

In the Kunpeng clan, Su Yan, the youngest “High Heaven Supreme”, has his eyes flickering at the moment, not knowing what he is thinking – he is the youngest High Heaven Supreme, and since the fifth universe era, the Kunpeng clan has the highest talent. The peerless genius!

In terms of talent, even if Su Yan is compared to the “Jian Yitian Supreme” in the Eternal Hall, I am afraid it is only slightly inferior! With his talent, no matter which superpower is placed in the real universe, it will definitely be cultivated as a direct disciple, and there will be a great master who will personally guide the practice.

In fact, Su Yan was indeed instructed by Da Zun Kunyu himself.

As the Supreme Being, Su Yan naturally knows some inside stories; he also knows that his master, the patriarch of the Kunpeng clan, “Kunyu Dazun”, is out doing what.

“It seems... Master has successfully invited the Wolongtian Supreme!” Su Yan secretly said in his heart.

At the same time Su Yan’s eyes flashed uncontrollably with a hint of jealousy: “The same is the Supreme Heavenly Supreme, but my identity is too different from that of the Wolong Heavenly Supreme. far too far...”

In front of the Great Venerable Kunyu, Su Yan could only be obedient and respectful; while the Great Venerable Kunyu was also a master, looking down at him from a height.

And that Wolongtian Supreme, who came to the Kunpeng clan for the first time, Kunyu Dazun directly asked the powerful people to go out to greet him! Even the powerhouses who were in retreat were called out by the assembly bell.

From this, it can be seen how big the identity gap between Su Yan and “Wolongtian Supreme” is!

“Humph!” However, in Su Yan’s heart, he snorted coldly with disdain, “Master is true! I have already said that, give me some time and some resources, and I will definitely be able to become a ‘half-step great master’! But , he obviously doesn’t believe my words... Humph! That Wolongtian Supreme, what’s the matter?”

Su Yan thought extremely arrogantly: “As the saying goes, there is a precedence for hearing the Tao! That Wolongtian Supreme was only a little earlier than me, so he became a half-step great!

Really speaking of talent, looking at the whole truth Universe, I don't believe I can find a few stronger than me!"

In Su Yan's view, Wolongtian Supreme has been practicing longer than him, so his current status is so much higher than his. If he was given the same training time as the opponent, he would definitely be able to crush the opponent.

So now, when Su Yan saw that their Kunpeng clan wanted to welcome the arrival of the Wolong Heavenly Sovereign, in addition to jealousy, he was dissatisfied!

It's just... how does Su Yan know that Xu Ming's real training time is simply unbelievably short and outrageous! – Not to mention giving him the same training time as Xu Ming, even if he was given ten times or a hundred times the training time of Xu Ming, he would not be able to keep up with Xu Ming's strength.

Chapter 2139: Empty Glove White Wolf?

Jealousy is jealousy, disobedience is disobedience.

Under the bell of the gathering of the clan, Su Yan still had to honestly go with the other strong men of the Kunpeng clan to greet the Supreme Wolongtian.

The Kunpeng family, from the "Heaven Supreme" down to the "Human Supreme", according to the level of cultivation and strength, lined up at the entrance of the clan, waiting for the arrival of the "Wolong Heaven Supreme".

"Humph!" Seeing such a solemn scene, Su Yan was very dissatisfied, "One day, I will let the entire Kunpeng family treat me with such an attitude!"

Geniuses have their own pride!

And this Su Yan is obviously extremely proud!

...

After the strong men of the Kunpeng clan had assembled, they waited for several hours. Finally, at the end of the sky, two figures appeared.

One of the figures is the Great Senior Kunyu. On the other hand, the strong men of the Kunpeng clan have never seen it with their own eyes, but it is undoubtedly the “Half-step Great Venerable” Wolongtian Supreme!

Seeing the appearance of Wolongtian Supreme, the strong men of the Kunpeng clan all greeted him.

“Oh?” Seeing such a grand battle, Xu Ming couldn’t help but startled slightly.

Kunyu Dazun smiled and said: “Knowing that Brother Wolong, you are coming, our Kunpeng clan will greet you with a sweeping couch!”

“Have a heart!” Xu Ming said.

“It should be!” Kunyu Dazun laughed.

Xu Ming couldn’t help but secretly glanced at Da Zun Kunyu – to be honest, Da Zun Kunyu was so enthusiastic that Xu Ming was a little embarrassed to attack him! Of course... I’m sorry, I’m sorry, I still have to start!

After all, Xu Ming came to Lei Mieyu to take revenge, not to “accept the influence”!

It’s not Brother Ming’s character to have revenge without revenge!

While thinking about it, Xu Ming had already swept across the sky and came into contact with the strong men of the Kunpeng clan.

Kunyu Dazun was on the side and introduced Xu Ming:

“This is Fu Xiaotian Supreme! He is the top heavenly Supreme of my Kunpeng clan!”

“This is the Supreme Being of Erlei, and the Supreme Being of the top-ranked Heaven!”

“This is Transcending Heaven Supreme...”

...

After the introduction of the top heavenly supreme beings, it was Su Yan's turn to be introduced.

“This is Su Yan! It's the top genius of our Kunpeng clan! Even if it is placed in the entire Thunder Extermination Domain, or even the entire real universe, his talent will probably be ranked first!” Kunyu Dazun introduced with a smile.

“Oh?” Xu Ming couldn't help but glance at Su Yan. Listening to the meaning of Kunyu Dazun, Su Yan's talent seems to be comparable to “Jianyi”?

Therefore, Xu Ming's first reaction was: Super genius of the Kunpeng family? Do you want to kill him?

Killing a super genius is definitely much easier than killing a strong man! Moreover, the Kunpeng clan would definitely be very distressed to lose such a super genius!

How did Su Yan know that Xu Ming was thinking about killing him the first time he saw him!

At this time, Su Yan was still depressed, the Great Senior introduced him so late. However, he quickly showed a smile and said, “Please also ask the Supreme Wolongtian to give more pointers!”

At this time, Su Yan didn't have the slightest arrogance, but only modesty.

Xu Ming couldn't help being a little surprised.

In his opinion, Su Yan doesn't seem like a humble person!

At this time, Kunyu Dazun continued to introduce other powerhouses.

Su Yan secretly looked at Xu Ming's back, and said in his heart: "I'm so humble, then, when I ask Wolongtian Supreme to teach me some of the essence of the inheritance, he will definitely not refuse!"

Su Yan's modesty was naturally purposeful.

With the introduction of Kunyu Dazun, Xu Ming also got to know many strong men of the Kunpeng clan.

However, Xu Ming would not be merciful just because of such a simple understanding! On the contrary, now that he has some understanding of the strong men of the Kunpeng family, it will be more convenient when he starts!

...

After the welcome, Xu Ming temporarily lived in the Kunpeng family. While consolidating his practice, he is also looking for opportunities to make a big vote in the Kunpeng clan!

However, just a few days after Xu Ming lived, the super genius "Su Yan" of the Kunpeng clan came to visit.

"Oh?" Xu Ming couldn't help being a little surprised to see this super genius come to visit him so quickly; but at the same time, he had already guessed what the other party was thinking – he should have wanted to learn something from himself!

Sure enough, after a few chats, Su Yan went straight to the topic: "Senior Wolong! You must have obtained the core inheritance of Kunpeng Great Venerable in the land of inheritance, right?"

"It's natural!" Xu Ming glanced at Su Yan and said deliberately.

Su Yan's eyes lit up when he heard the words, and he continued: "I also ask Senior Wolong to give me some advice! – I am a super genius in the Kunpeng clan, and it must be a perfect fit to learn the inheritance of Kunpeng Great Venerable!"

"Really?" Xu Ming looked at each other playfully.

“Of course!” Su Yan believed to himself.

“But...” Xu Ming sneered “Why should I teach it to you? ”

“I...” Su Yan continued, “Senior Wolong, I have always respectfully asked for advice with the etiquette of a junior! And... the inheritance left by the Great Venerable Kunpeng should belong to our Kunpeng clan; the inheritance you will get , teach me some, what does it matter!”

“This is your Kunpeng clan?” Xu Ming sneered, “Then you go to the place of inheritance to accept the inheritance! Why do you have to ask me?”

“I...” Su Yan was at a loss for words.

Of course, Su Yan has been to the place of inheritance. However, whether it was him or the other powerhouses of the Kunpeng clan, what they got in the inheritance land was only the most common inheritance, and there was no core inheritance at all.

Now that Su Yan sees that this Wolongtian Supreme has obtained the core inheritance, how can he not be moved?

“Senior Wolong!” Su Yan said again, “I can be a teacher! I respect you as a disciple! Moreover, when I become a great master of the true universe in the future, I will never forget your gift of teaching today! Senior Wolong, you can teach me all the inheritance that was obtained in the inheritance land!”

It has to be said that Su Yan made a good plan – he wanted to worship Xu Ming as his teacher, and then extract all the core inheritance from Xu Ming.

Isn’t this just trying to “white wolf with empty gloves” in Xu Ming’s place?

It’s just... how does Su Yan know that even if Xu Ming is willing to pass on the core inheritance to him, he will not be able to learn it at all! – The real “Kunpeng Nine Changes”, almost no one can learn it!

Moreover, taking a step back, even if Su Yan could learn it, why did Xu Ming teach him? – Is it just because he is a teacher?

Xu Ming has no interest in accepting the other party as a disciple!

“Apprenticeship?” Xu Ming smiled and said directly, “Forget it! I’m not interested in accepting you as a disciple, nor am I interested in teaching you any inheritance!”

Chapter 2140: Don’T Bully The Poor

“Forget it! I’m not interested in accepting you as a disciple, nor am I interested in teaching you any inheritance!”

Whether Xu Ming is willing to teach the other party or not, this is Xu Ming’s freedom.

However, what Xu Ming didn’t expect was that after he said these words, Su Yan seemed to be greatly stimulated, and his whole attitude changed all of a sudden.

“Wolongtian Supreme!” Su Yan looked straight at Xu Ming, and didn’t even call him “Senior Wolong” anymore.

“Oh?” Xu Ming couldn’t help but glance at the other party – this little bastard, it’s kind of interesting!

“Wolongtian Supreme!” Su Yan continued, “I’m here to ask for advice with sincerity! Moreover, I have already said that when I succeed in my studies in the future, I will definitely not forget today’s cause and effect! Besides, Kunpeng University The place of inheritance of your honor belongs to my Kunpeng clan. You got the inheritance in it, and you should pass it on to our Kunpeng clan! – I put down my dignity and ask you to teach in a low voice; but you have a little face. They won’t give it to me!”

Xu Ming was almost amused by Su Yan’s words!

Are you sincerely asking for advice? – You sincerely ask for advice, and I must teach you?

In the future, if you learn something, you will definitely not forget this cause and effect? – The problem is, Brother Ming doesn't want this cause and effect at all! To be precise, it is simply irrelevant to the cause and effect!

Also, should the inheritance obtained in the inheritance place be passed on to the Kunpeng clan? - Ah! Even the Great Venerable Kunyu wouldn't say such a thing! Moreover, in the land of inheritance, the remnants of Kunpeng Dazun clearly said that if he has a chance, he will teach the Kunpeng family a lesson!

Su Yan actually came up with such a rhetoric, and he said it plausibly, and his face is really thick enough!

As for Su Yan's face? —His face is a piece of shit! Even Da Zun Kunyu's face is not enough in front of Brother Ming!

Thinking of this, Xu Ming just left a word coldly: "Go away!"

"You..." Su Yan became more and more annoyed, "Wolongtian Supreme, don't you look down on me because I am not as strong as you now?"

look down on you?

Xu Ming sneered in his heart—you deserve to be looked down upon by me? If you don't take the initiative to come to the door, I don't even know who you are, okay?

"Humph!" Su Yan snorted again, "If I was stronger than you, would you treat me with such an attitude? Although I am not as strong as you now, it doesn't mean that I will never be as good as you..."

Snapped!

Xu Ming was too lazy to listen, he raised his hand and slapped Su Yan directly out of his residence: "Get out!"

“You...” Su Yan was so angry that he was about to explode! He is the top genius in the Kunpeng clan! Even when his cultivation base was still low before, the elders of the Kunpeng clan loved him and would not let him suffer any grievances.

Su Yan originally thought that although this Wolongtian Supreme was a “half-step great master”, it was the Kunpeng family after all, and the other party should give him a little face for this super genius. Unexpectedly, the other party not only gave him no face at all, but also slapped him out.

“Wolongtian Supreme, you are too deceiving!” Su Yan shouted angrily.

Deceiving too much?

Xu Ming didn’t even bother to say anything – this Su Yan, I’m afraid he hasn’t understood the situation; he thought that in the Kunpeng clan’s territory, Xu Ming must give him face! However, how does Su Yan know how much Kunyu Dazun paid to invite Xu Ming to the Kunpeng family; even Kunyu Dazun, he had to coax Xu Ming carefully, for fear that Xu Ming would be unhappy!

“Today’s humiliation, I, Su Yan, write it down!” Su Yan snorted coldly, “However, Wolongtian Supreme, please remember one sentence – thirty years of Hedong, thirty years of Hexi! Don’t bully the poor! ”

Don’t bully young poor!

Su Yan threw those words and walked away.

Xu Ming was dumbfounded—what’s the situation? Is it so arrogant?

Also “Don’t bully the poor young”?

“This sentence seems a little familiar... Where have you heard it before?” Xu Ming couldn’t help thinking.

But... is it okay to say harsh words in front of Brother Ming?

There is a price to pay for being cruel!

Of course, Xu Ming didn't even bother to take the shot himself – such a small role as Su Yan, is it worth letting Brother Ming take the shot himself?

After thinking about it, Xu Ming sent a message directly to Kunyu Dazun. The content of the communication was very simple, with only a few numbers: “I don't like Su Yan!”

Xu Ming didn't say why he didn't like it, nor what happened, just such a small number.

Kunyu Dazun did not ask why, but replied directly: “Brother Wolong, please rest assured, I will give you an explanation!”

“Okay!” Xu Ming cut off the communication directly.

Such a simple conversation between the two directly determined Su Yan's fate.

...

After cutting off the communication, the Great Senior Kunyu immediately summoned several elders of the Kunpeng clan.

These Supreme Elders, together with the Great Venerable Kunyu, followed the “Great Venerable Kunpeng”! However, among the few, only the Great Venerable Kunyu has achieved the Great Venerable Realm, and the few Supreme Elders are only the top Heavenly Supreme Beings, not even a “half-step Great Venerable”!

If the Kunpeng clan could have a “half-step great master”, then Kunyu great master would not need to beg Xu Ming so humbly!

“Several!” Kunyu Dazun went straight to the topic, “I asked you to come here this time to discuss how to deal with Su Yan!”

Kunyu Great Venerable, although he has absolute power in the clan, he also wants to give some face to a few Supreme Elders. After all, there are many places where Kunyu Da Zun still needs to use a few Supreme Elders; if you don't give them some face, it's easy to make the relationship stiff!

“Oh?”

“Su Yan?”

“What did he do wrong? To deal with him?”

Several Supreme Elders were a little puzzled.

“I don’t know exactly what it is!” Kunyu Dazun said, “But... he must have offended Wolongtian Supreme!”

“Offend Wolongtian Supreme?”

Several Supreme Elders immediately understood why the Great Senior Kunyu hurriedly called them over to deal with Su Yan!

“That must be dealt with!”

“If it is because of Su Yan that the Supreme Being of Wolongtian goes away! Then, Su Yan is the sinner of the ethnic group! Even if he dies ten times, it will not be enough to justify his crimes!”

“That’s right! Our Kunpeng clan really needs a ‘half-step great master’! If there is a half-step great master, the clan will not decline to this extent!”

“For some reasons, it is impossible for our Kunpeng clan to give birth to a half-step great and great! Now that we have finally invited Wolongtian Supreme, we must maintain a good relationship!”

“Other clansmen don’t know, but we know very well that the peak of our Kunpeng clan’s cultivation is the top heavenly supreme, and it is impossible to break through to the level of ‘half step great master’!”

Yes!

It is impossible for the Kunpeng clan to break through to the half-step Great Venerable, or the Great Venerable! -However, only Da Zun Kunyu and several Supreme Elders know about this; the rest of the clansmen don't even know about it!

Therefore, like Su Yan, who has been shouting in the ethnic group, with his own talent, he will definitely be able to become a "Half-step Great Venerable"; while Kunyu Great Venerable and several Supreme Elders did not take him seriously at all.

So now, several senior leaders of the Kunpeng clan will unanimously decide without hesitation to dispose of Su Yan—to give up a future "Top High Heaven Supreme". For the Kunpeng clan, the loss is not too big! After all, although the Kunpeng family does not have a "Half-step Great Sovereign", there are quite a few top-ranked Heavenly Sovereigns!

"Then how to deal with it?" asked the elder Taishang, "Although I offended Wolongtian Supreme, it is not enough to die! Otherwise, it will chill the hearts of other clansmen!"

Kunyu Dazun expressed his thoughts: "Just cut off all his cultivation resources! Then exile him to the sea of lei annihilation, to fight and earn resources for our Kunpeng clan!"
