

A World 2141

Chapter 2141: Person Who Cannot Be Offended

Su Yan didn't know at all that his fate had been decided by Xu Ming's understatement.

Geniuses often think they are valuable and important! But in fact, in the eyes of the real powerhouse, genius is nothing at all!

Endless time, infinite years, there are too many geniuses emerging; however, there are only a handful of people who can grow into real powerhouses and be immortal in time!

Only the truly grown-up geniuses are qualified to be treated equally by the strong! As for geniuses who have not yet grown up, let alone the upper limit like Su Yan is destined to have only the existence of "top high heaven supreme". It won't be taken seriously either.

Su Yan's sad reminder is because he has not left the Kunpeng clan very much, and he has lived so well in the Kunpeng clan; so much that he has forgotten his identity, and he doesn't even know that he should maintain the due respect for the strong. Feelings!

...

Su's.

In the Kunpeng clan, it is only a very small branch clan.

The main line of the Kunpeng clan is the "Kun clan", which is a clan with endless glory; and the Su clan has no right to speak when facing the Kun clan!

However, since Su Yan was born, the situation of the Su family has changed a lot. Because of Su Yan, the cultivation resources obtained by the Su clan's branch are several times as much as before! This has led to – Su Yan's status in the Su Clan is very high!

call out-

After being driven out by Xu Ming, Su Yan returned directly to the Su Clan angrily.

“hateful!”

“Abominable Wolongtian Supreme!”

Su Yan’s figure swept across the sky, with a very ferocious expression.

“Even if you are the Half-step Great Senior, but you are only a guest Qing elder of our Kunpeng clan, what’s so arrogant? – Hmph! It’s true that I haven’t become the Half-step Great Senior, otherwise, you are in Kunpeng. There will be no place to live in a family!”

The more Su Yan thought about it, the more angry he became.

“Originally, I still wanted to have a good relationship with you! In this way, I will become a half-step great master in the future, and our two half-step great masters will join forces and our status in the Kunpeng clan will be very detached and unshakable. Even if it is the patriarch, you have to give us face! But... since you look down on others, then I have to let you know and look down on my fate!”

Su Yan has been cultivating all the way up to now, and has indeed been despised by many people, and it has had a great impact on him. Otherwise, his character would not be so extreme.

However, because Su Yan’s talent is really good, he quickly surpassed those who looked down on him; and those who used to despise him, later ended very miserably!

Su Yan still remembers that when he was young, because his talent had not yet been revealed, he was called by his fiancée to break off the marriage! At that time, although Su Yan was very weak, he still shouted “Don’t bully the poor young”, and under the encouragement of these words, he grew up rapidly, and soon killed the fiancée’s sect who broke off the marriage, and brought the whole sect together. The door is flat!

In Su Yan’s view, although he was “humiliated” by Wolongtian Supreme this time, he would definitely surpass Wolongtian Supreme under the inspiration of this humiliation!

“Wolongtian Supreme, you just wait!” Su Yan’s eyes were cold, “When I become the ‘Half-step Great Master’, I will make you pay for today’s affairs! When I truly become a great master When you are honored, I will make you regret what you have done to me today!”

Su Yan was secretly ruthless.

But... Su Yan didn’t know that he could never become a half-step Great Senior, let alone become a Great Senior! The upper limit of his strength is “Top High Heaven Supreme”! Therefore, he will never have the opportunity to surpass Xu Ming.

The Kunpeng family has a very large clan. Su Yan also flew for a long time before finally returning to the territory of the Su clan branch.

“Um?”

However, when Su Yan saw the situation in the Su’s branch, he couldn’t help but be slightly startled.

“What’s wrong? Did something happen?”

Su Yan saw that at this time, the clansmen in the Su clan were all gathered together, as if they were discussing something.

When Su Yan approached, the clan members of the Su clan flew towards him one after another.

“Could it be that I haven’t returned to the branch for too long, so the people of the branch miss me so much that they even greeted me?” Su Yan couldn’t help thinking.

Su Yan has rarely appeared in the branch. Most of the time, he will be with those strong and geniuses in the main line of “Kun”.

Now seeing that as soon as he returned home, the family members in the branch flew out to “greet”, Su Yan couldn’t help feeling very warm.

However...

Before this warmth could be maintained for a moment, it was interrupted by a cold drink from the branch patriarch “Su Wu”.

“Su Yan! Stop!” Su Wu shouted.

stop?

Su Yan couldn’t help but wonder what was going on.

“Stop!!” Seeing that Su Yan was still advancing, Su Wu couldn’t help but feel a little anger in his shout, and even directly pressed Su Yan with his aura.

Although Su Wu’s talent is not as good as Su Yan’s, he is an old-fashioned “High Heaven Supreme” after all, and he is not much worse than the top High Heaven Supreme! His aura oppressed the past, and Su Yan really felt a suffocating pressure.

“Su Wu!” Although Su Wu was the patriarch of the branch, Su Yan called him by his first name without showing any respect, “What do you mean?!”

Su Yan was angry and doubtful. Until now, he hadn’t realized what was going on.

“Su Yan!” Su Wu said directly, “From now on, you have been expelled from the branch of the Su clan! You are not allowed to step into the territory of the branch!”

“What!?” Su Yan was both angry and funny, “Expel me from the branch?”

You must know, since Su Yan was born, how much benefit has he brought to the branch of the Su family? And now, he actually said that he would be expelled from the branch?

Su Yan simply wanted to ask: Have you lost your mind?

“That’s right!” Su Wu’s tone was extremely cold, “From now on, you are not allowed to step into the territory of the Su clan branch! If you dare to step in, you will be killed!”

When Su Wu spoke, Su Yan really felt the killing intent.

Su Yan had no doubt that if he forced his way, the other party would definitely take action.

And this made Su Yan even more puzzled didn't know what was going on.

At this time, Su Yan's Taoist companion walked out from behind the branch patriarch, looked at Su Yan without any emotion, and said, "Su Yan, from now on, the relationship between you and my Taoist companion will be cut off! Nothing to do with it!"

"What?" Su Yan's eyes widened more and more, with a confused look on his face.

What is the situation?

It is rare to return home once, and it should be regarded as a "homecoming". As a result, even before entering the "home", he was first expelled from the branch, and then abandoned by the Taoist companion!

Su Yan didn't even know what he was going through.

At this time, Su Wu, the head of the branch clan, said again: "In addition, at the order of the Great Venerable Kunyu, let me inform you of one thing – you are about to be exiled to the sea of misery! Let you pack up and get ready to go! "

"What!? Exiled to the sea of misery?" Su Yan was even more confused.

Lei Exterminates the Sea of Bitterness, which is a gathering place for a group of lunatics.

Although, there are countless treasures in the sea of thunder. However, even if it is the Supreme Heavenly Venerate who enters the sea of bitterness of Thunder Extermination, it will be a life-and-death situation!

Su Yan couldn't believe it: "I am a super genius of the Kunpeng clan. Will the Great Senior be willing to exile me to the sea of bitterness?"

“This is an order from the Great Senior Kunyu himself!” Su Wu said coldly, “Don’t even think about running away, hurry up and meet the Great Senior!”

“I...” Of course Su Yan knew that it was impossible for the branch patriarch to lie about this kind of thing; moreover, he also knew that if the Great Senior really wanted to exile him, then it would be impossible for him to escape. However, Su Yan still couldn’t believe it, “What the **** is going on here?”

Seeing Su Yan’s confused look, Su Wu sighed: “It seems that you still don’t understand what’s going on! Well, let me remind you – you have offended someone you can’t offend!”

Chapter 2142: Malicious Report

Offended those who could not be offended!

Su Yan reacted immediately: “He? Wolongtian Supreme!?”

Immediately, Su Yan was deeply unwilling.

“why?”

“Although Wolongtian Supreme is a half-step elder, he is only an outsider in the end! Just because I offended an outsider, the Great Master wants me to be exiled to the sea of bitterness?”

“And I said, I Su Yan, sooner or later, will become a half-step Great Venerable!”

Su Yan growled hysterically.

However, the clansmen of the Su clan did not pay attention to him at all.

“Let’s go!” Su Wu sighed and expelled directly.

At the same time as the expulsion, Su Wu could only smile bitterly in his heart – as the patriarch of the branch, of course he knew the benefits that Su Yan brought to the branch! But there is no way, now Su Yan has offended people who cannot be offended; in order to save the branch, Su Wu can only follow the will of the Great Venerable and expel Su Yan from the branch!

Su Yan was expelled from the Su clan branch, so the main branch of the Kunpeng clan, as well as other branches, would naturally not be able to accommodate him. It is equivalent to – Su Yan was directly expelled from the Kunpeng clan!

From then on, in the real universe, Su Yan is equivalent to a lonely ghost!

Oh no!

To be precise, he is not as good as a lonely ghost! Because, he had to go to Lei Mie Kuhai to be tortured; moreover, even if he could survive from Lei Mie Kuhai, he would probably be used as a servant by the Kunpeng family in the future! —He knows the rules of the Kunpeng clan very well! If he dares to disobey, then the Great Senior Kunyu will never be merciful; the only thing waiting for him is death!

“No! I can’t die!” Su Yan’s eyes suddenly became firm, “I have to become a half-step great master, become a great master! I absolutely can’t die! Isn’t it Lei Mie Kuhai? I’ll go! Not only will I go, I will come out from the sea of lei annihilation with stronger strength!”

In the face of such a predicament, Su Yan was not defeated, instead, his fighting spirit ignited!

“Humph! When I become a half-step Great Venerable, I will make Wolong Heavenly Supreme Regret regret it! Let Su Clan’s branch regret it! Let Kunyu Great Venerable regret it!”

Su Yan’s face turned grim.

I have to say, this is a very persevering genius! The reason why Su Yan was able to achieve his current achievements is absolutely inseparable from his character!

call out-

Su Yan took a deep look at the tribesmen of the branch, turned around and left, ready to clean up, and then head to Lei Mie Kuhai.

However, halfway through, Su Yan suddenly remembered something.

“The Taoist Temple seems to be looking for heresy in the entire Thunder Destruction Domain...” Su Yan secretly said, “I don’t know what heresy they are looking for? However, it is said that as long as there is suspicion, it can be reported to the Taoist Temple!”

Su Yan already had some ideas in his mind.

“This Wolongtian Supreme, I have never heard of it before. Where did he come from, and now he suddenly appeared! Maybe it is a heresy!” Su Yan thought gloomily.

Of course, Su Yan also knew in his heart that the probability of Wolongtian Supreme being a heretic was very low!

“But what does it matter? I just need to tell the powerhouse of the Taoist Temple that Wolongtian Supreme is suspected of heresy; then, the powerhouse of the Taoist Temple will naturally come to check him!”

Su Yan is ready to “maliciously report” Wolongtian Supreme!

“Even if Wolongtian Sovereign is not a heretic, the powerhouse in the Taoist Temple will definitely investigate him thoroughly, and it can cause him some trouble!” Su Yan’s main idea was to disgust Wolongtian Sovereign, “and... like Even if a strong man like Wolongtian Supreme is not a heretic, he will definitely resist when he is investigated – after all, strong people do not allow others to spy on him at will! At that time, if there is a standoff with the Taoist Temple, then Just have fun!”

The more Su Yan thought about it, the brighter his eyes became.

“Best... The powerhouse that Dao Temple came to investigate is an impatient existence! In that case, as long as Wolongtian Supreme dares to resist, maybe Dao Temple will directly attack, or even kill...”

“Yes! Just do it!”

Su Yan has decided to report Dead Wolongtian Supreme!

only...

What Su Yan didn't know was that it was Xu Ming who caused the vision of the universe and was regarded as a heresy by the will of the universe!

This wave of his reports, although obviously malicious reports, just happened to be a crooked hit!

...

Xu Ming naturally didn't know that Su Yan, who was not in his eyes, actually had such sinister thoughts. If he had known, he would have slapped Su Yan to death a long time ago to avoid trouble later.

However, Xu Ming does not know this now. At this time, he had already found Dazun Kunyu, and discussed the conditions with Dazun Kunyu – after all, in order to win over Xu Ming, Dazun Kunyu made a condition that the treasures in the treasure house of the Kunpeng clan could be left to Xu Ming. Ming pick ten pieces!

In that case, Xu Ming certainly wouldn't be polite!

Of course, once Brother Ming enters the treasury, it is like a mouse falling into the rice vat; at that time, whether to remove ten pieces or just empty the treasury, UU read [www. uukanshu. com](http://www.uukanshu.com) is not easy to say! -Oh no! It's not "hard to say", but the treasure house will definitely be emptied!

"Although Kunpeng Dazun doesn't like the Kunpeng clan, I am afraid that many of his treasures were obtained by the Kunpeng clan! Most of them should be stored in the treasure house!" Xu Ming secretly said, "Now, it is time to help the Kunpeng clan. Zun, take the treasure back!"

Xu Ming thought righteously in his heart.

Not stealing, not stealing! Instead, help Kunpeng Dazun to recover the treasure!

“Master Kunyu, when you invited me before, did you take the conditions seriously?” Xu Ming and Master Kunyu sat opposite each other and asked with a smile.

There was a flash of pain on the face of Kunyu Dazun. There are many good things in the treasure house of the Kunpeng family! If you choose ten treasures, even the most powerful ones will be tempted!

However, feeling distressed, Kunyu Dazun can only smile and say: “Of course it’s true! My words, Kunyu Dazun, are hard to follow! – Brother Wolong, are you going to go to the treasure house and choose treasures now?”

“Go now!” Xu Ming said.

In fact, Xu Ming’s thoughts are: finish work early and finish work early! Lest you keep thinking about the treasures in the treasury!

Moreover, Brother Ming is still busy! After finishing the treasure house of the Kunpeng family, he will have to traverse the real universe, from Lei Mie Domain to Eternal Domain! – Now that Xu Ming’s cultivation has broken through to the realm of Heavenly Supreme, and his strength is already at the level of Great Venerable, it is time to visit the Eternal Hall!

Xu Ming needs to see and experience, whether the recognized “Eternal Temple”, the largest force in the true universe, is worthy of its name!

and...

It’s also time for Xu Ming to go to the Eternal Palace to meet his daughter Xu Yin! Even, maybe you can find clues about Gu Hanmo in the Eternal Hall!

“Then let’s go now!” At this time, Kunyu Dazun got up and said.

Chapter 2143: Empathetic

call out-

Guided by the Great Venerable Kunyu, Xu Ming flew past the Kunpeng clan's clan.

Several Supreme Elders of the Kunpeng clan couldn't help but feel jealous when they saw the direction Xu Ming was heading to – Xu Ming went to the treasure house of the Kunpeng clan. And these Supreme Elders obviously know that this Wolongtian Supreme can arbitrarily select ten treasures from the treasure trove.

You must know that even these Supreme Elders are not qualified to choose ten treasures in the treasury!

“Actually... this treasure trove is the core of our Kunpeng clan!” Kunyu Dazun said with a smile.

“Oh?” Xu Ming couldn't help but wonder.

There is no secret about the treasure house of the Kunpeng family. Moreover, Kunyu Dazun also intends to get closer to Xu Ming, so he introduced it.

“This treasure house was left to our Kunpeng clan by the Great Venerable Kunpeng!” Great Venerable Kunyu said, “It is not only a treasure trove, but also the foundation of our Kunpeng clan's existence through many cosmic eras without perishing! – The treasure trove is divided into two layers! The first floor stores the important treasures of the Kunpeng family; the outer layer is empty, but once our Kunpeng family encounters a major disaster, we will hide in the outer layer of the treasure house... As long as we hide in it, even if it is the entire real universe. If you join hands, you can't even break through!”

Kunyu Dazun said proudly: “It is also relying on this treasure house, so from the second universe era to the fifth universe era, although my Kunpeng clan has declined, it has not perished! The vast majority of the forces have long since lost their shadows! – Even when the Eternal Great Venerable was born and crushed the entire real universe, our Kunpeng family was not greatly affected!”

Kunyu Dazun spoke eloquently.

Xu Ming understood it – the treasure house of the Kunpeng family, “it's easy to get out and hard to get in”. That is to say, it is difficult to forcibly enter from the outside of the treasure house, even the Eternal Great Senior may not be able to do so; however, it is not difficult to get out of the treasure house, as long as you have the strength of the Great Senior, you can Force out.

Great power?

Xu Ming couldn't help laughing in his heart: Am I not the strength of the Great Master?

However, Kunyu Dazun would never guess Xu Ming's strength!

Not long after, Xu Ming came to the outside of the treasure house.

"Brother Wolong, go in and choose carefully!" In order to show generosity, Kunyu Dazun did not intend to follow up, but let Xu Ming go in alone.

Hearing this sentence, Xu Ming was even more happy in his heart – he was still thinking about how to enter the treasure house alone; he did not expect that Kunyu Da Zun was so "understanding" that he took the initiative to propose it.

The other party had arranged it so well, if Xu Ming didn't empty the other party's treasure trove, he would feel a little sorry for the other party's "cooperation".

"Thanks a lot then!" Xu Ming said meaningfully and entered the treasure house directly.

"Outer layer?" As soon as he entered the treasure house, Xu Ming observed it carefully. Just as Kunyu Great Venerable just introduced, the treasure house is divided into two layers, the inner and outer layers; and the outer layer is almost empty, with only some simple formations.

These formations will have a big impact on the ordinary high heaven supreme. But for Xu Ming at the level of the Great Senior, it is basically useless.

Xu Ming estimated that this was because Kunyu Da Zun was very confident in the treasure house, so he did not put any defensive measures in the treasure house. As for the shortcoming of the treasure trove, "it's easy to get in and out", in Kunyu's view, it's not really a shortcoming, because... Kunyu won't let other great lords enter the Kunpeng family's treasure house! And "exchange" refers to the level of the Great Senior; under the Great Senior, it is not easy to break out of the treasure house!

but...

Great Venerable Kunyu would never have imagined that the strength of this Wolong Heavenly Sovereign in front of him was already at the level of “Great Venerable”! If he knew, it would never be possible for Xu Ming to enter the treasury alone; even, he would not let Xu Ming enter the treasury at all!

After passing through the outer layer of the treasure house, Xu Ming easily entered the inner layer of the treasure house.

As soon as he entered the treasure trove, Xu Ming’s first reaction was: “Damn! Are the Kunpeng family so rich?”

It was not that Xu Ming had never entered the treasure house of the Great Venerable.

For example, Xu Ming has entered the treasure house of the Great Master of the Three Realms. Although it may not be the only treasure house of the Great Senior of the Three Realms, it should also contain more than half of the treasures of the Great Senior of the Three Realms.

But now, Xu Ming saw that the treasures in the Kunpeng family’s treasury were a hundred times larger than that of the Great Venerable of the Three Realms!

Yes!

hundred times!

But what Xu Ming didn’t know was that many treasures of the Three Realms Great Venerable were actually stored in the “Tao Realm Contract”. However, because the Great Senior of the Three Realms was directly killed by Xu Ming, the treasure house stored in the Dao Realm contract would never be taken out.

When the fifth universe era ends, those unowned treasures in the Taoist contract will be “recycled” into the origin of the universe by the will of the universe.

However, the treasures of the Kunpeng family were not stored in the “Dao Realm Contract”, but were all stored in their own treasure house.

Therefore, the Great Master of the Three Realms is not as poor as Xu Ming imagined; of course, it is impossible for the Kunpeng family to be as rich! It really counts the treasure of the Kunpeng clan is about “ten times” that of the Great Venerable of the Three Realms.

“As expected of the Kunpeng family that has been passed down since the Second Universe Era!” Xu Ming couldn’t help but marvel, “This... is probably called ‘Inheritance’!”

What Xu Ming likes the most is the Kunpeng clan, which has a profound background!

Because... Xu Ming will empty their heritage!

Are you strong?

Move away move away! All move away!

“So...where do I start moving?”

Xu Ming was in the treasury and moved around—he had to get acquainted with the situation in the treasury first. Once the shot is taken, it is necessary to use lightning speed to hide the ear, before Kunyu Dazun can react, he will instantly empty the treasure house, and then go straight out!

...

When Xu Ming “walked” in the treasury, several elders of the Kunpeng clan also came outside the treasury.

“Patriarch, in order to win over this Wolongtian Supreme, you are really willing to pay for it!” A Supreme Elder couldn’t help but complain with a hint of remorse.

The Great Senior Kunyu shook his head and said: “There is no way! You all know that we, the Kunpeng family, really need the support of a ‘Half-step Great Master’! Without the support of a Half-step Great Master, we would not be able to It will definitely survive the Great Cleanup at the end of the Fifth Universe Era...”

“Yeah!” The other Supreme Elders also sighed.

“The cleanup of the universe is getting more and more cruel...”

“In every era of the universe, the difficulty of getting through the cleaning of the universe is increasing!”

Speaking of this, several senior members of the Kunpeng clan couldn't help being a little silent.

Although the Kunpeng family has survived the “Great Cleanup of the Universe” three times, can they survive the fourth, fifth...tenth time?

Nobody knows!

If you can't survive the Great Cleanup of the Universe, then the end is death!

Chapter 2144: Witness

If you can't survive the Great Cleanup of the Universe, then the end is death!

“I hope this Wolongtian Supreme does not have too good eyesight and luck when choosing treasures! Don't pick out too precious treasures!” Kunyu Dazun secretly said.

In this regard, Kunyu Dazun is still relatively relieved. In his opinion, Wolong Tianzun is only “half-step Dazun”; and the most precious treasures in the treasure house can only be identified by Dazun – so, he does not think that the other party can pick out how good treasures !

only...

How could Da Zun Kunyu think that Xu Ming did not plan to choose any treasures at all, but planned to directly empty the treasure house!

“Great Master!” At this time, the elder of the Kunpeng clan asked, “Aren't you going to go in and take a look? What if... that Wolongtian Supreme took too much?”

“No need!” Kunyu Dazun said to himself, “As long as he takes one more piece, I can immediately perceive it! Besides, this is the treasure house of our Kunpeng clan, and it is also the real old nest of our Kunpeng clan, and I am here in person. So, is it possible that a mere half-step Great Venerable can set off some waves?”

but...

As soon as Kunyu Dazun’s voice fell, his face changed suddenly!

“What!? Courting death!!” Great Zun Kunyu was furious.

“What’s wrong?”

“What happened!?” Several elders even asked.

boom-

Before Kunyu Dazun had time to explain, a figure shot out of the treasury – it was Xu Ming!

Seeing this scene, the elders of the Kunpeng clan immediately understood what was going on! —In the treasure house, something must have happened! And it’s a big deal!

Sure enough, the Great Venerable Kunyu shouted angrily: “Wolongtian Supreme, what do you mean? You dare to empty the treasure house of my Kunpeng clan!”

Empty the treasury! ?

Several Supreme Elders were stunned there – they had guessed that something must have happened in the treasure house! However, at most, they just thought that the Wolongtian Supreme was greedy and took a few more treasures in the treasure house; they never thought that the other party would dare to empty the treasure house of the Kunpeng family!

Evacuate the treasure house of the Kunpeng clan in front of the Great Senior Kunyu? – What kind of **** is this?

This is too much to ignore the Kunyu Dazun and the Kunpeng family!

It's so arrogant!

Oh! Do not!

Not arrogant!

be stupid!

Stupid to the point of death!

Great Venerable Kunyu looked at Xu Ming with anger in his eyes, and sneered in his heart: "I really don't know how to live or die! Originally, this Supreme Being of Wolong Heaven is a half-step Great Venerable, if I do anything to him, it will inevitably cause The dissatisfaction of the other Half-step Great Venerables, or even the targets, can only be invited with courtesy. Even if they pay a big price, they must invite him to be the guest of my Kunpeng clan! But now... it is this Wolong Heavenly Sovereign who offended me first, and He also did something like evacuating the treasure house! Under such circumstances, it is only natural for me to take action against him! It is impossible for the other half-step Great Seniors to have any opinions!"

"Humph!" Thinking of this, Kunyu Dazun couldn't help sneering, "Just a half-step Dazun, this is the clan of my Kunpeng clan, can he still pull out my palm?"

The Great Senior Kunyu has decided to directly suppress this Wolongtian Supreme, it is best to forcibly enslave him! In this way, there is a servant of the "Half-step Great Venerable". In the next few cosmos eras, his Kunyu Great Venerable, and the entire Kunpeng family, don't have to worry about the cosmos cleanup!

A half-step Great Senior is enough for a force like the Kunpeng Clan to survive the cosmos cleanup.

"Wolongtian Supreme!" Kunyu the Great said coldly, "I show full sincerity and invite you to become the elder Keqing of my Kunpeng clan; even, I don't hesitate to let you choose ten pieces from the treasure house of my clan. Treasure—you must know that even the supreme elders of our clan are not treated like this! But... you took advantage of the opportunity to enter the treasury and evacuated the treasury of our clan? It would be too deceiving!"

Before the Great Venerable Kunyu spoke, he had even secretly sent a message to the other Great Venerables of the True Universe, asking them to come to their will and witness this scene—after all, next, he was going to take a shot at a “Half-step Great Venerable”, and he had to be a teacher. Notorious; otherwise, it will arouse the dissatisfaction of other Half-step Great Venerables!

In the real universe, no matter which Great Venerable it is, they would not dare to attract the attention of the Half-step Great Venerable! Otherwise, with the cooperation of the half-step Great Seniors, it is completely possible for a Great Senior to be unable to survive the Great Cleanup of the Universe!

It is precisely because of this that the Great Venerable Kunyu specially invited other Great Venerables to come down and be a witness for himself before he started! Moreover, when Xu Ming rushed out of the treasury, he did not stop him, but he did it deliberately; the purpose was to make it easier for the great lords to see the situation – after all, the will of the great lords could not penetrate into the treasure house of the Kunpeng family. Only by letting Xu Ming walk out of the treasury can the Great Venerable of the entire true universe see the situation clearly.

“The will of ten Great Venerables has come now!” Great Venerable Kunyu secretly said.

Although, this is not all the Great Venerables in the true universe; however, to witness this matter, ten Great Venerables come together to witness, it is enough!

And all the great respecters quickly understood what was going on.

“Haha! Kunyu! The treasure house of your Kunpeng clan was evacuated by a half-step great master?”

“The treasure house was evacuated by a half-step great master Such a shameful thing, you have the nerve to let us witness it?”

“Hahahaha... Kunyu, I have to say, this is the funniest joke I’ve seen since the Fifth Universe Era!” The Great Senior who spoke was obviously born before the Fifth Universe Era; his tone, has an old-fashioned look.

The will of the Great Venerable Gu Hai also came: “What!? Wolongtian Supreme, actually emptied the treasure house of the Kunpeng family?”

Immediately, Supreme Gu Haitian felt a little regretful, and secretly said in his heart: “If I had known that Supreme Supreme Wolong Tian was so stupid, I would have done such a thing; then, I would never have given Supreme Supreme Wolong Tian to Da Zun Kunyu. what...”

Gu Hai Da Zun had previously considered that if he wanted to invite Wolongtian Supreme, I am afraid that he would have to pay a small price; moreover, Kunyu gave up the inheritance to him, so he gave up Wolongtian Supreme.

But now, Gu Hai Da Zun found out that Wolongtian Supreme was so stupid that he dared to empty the treasure house of the Kunpeng family, and immediately regretted that he did not win Wolongtian Supreme—how he hoped that Wolongtian Supreme could come and move his treasure house. ; In this way, he can confidently take action against Wolongtian Supreme, and he can have a servant with the strength of “Half-step Supreme”!

“It’s a pity... such a good thing has made Great Venerable Kunyu catch up!” Great Venerable Gu Hai couldn’t help shaking his head.

“Oh?” Xu Ming naturally also noticed the will of the other great elders – after all, he is the strength of the great elder now, so he can clearly perceive the will of the other great elders.

“It seems... it’s more troublesome to get out this time!” Being locked in by the will of so many great masters, Xu Ming couldn’t help but secretly said.

“Wolongtian Supreme!” At this time, Kunyu Dazun shouted angrily and righteously, looking at his momentum, it was obvious that Xu Ming was going to be sentenced!

Chapter 2145: You Can Win, But You Don’T Have To!

“Wolongtian Supreme!” At this time, Kunyu Dazun shouted angrily and righteously, looking at his momentum, it was obvious that Xu Ming was going to be sentenced!

Xu Ming looked at it with a smile.

In fact, as early as when he planned to empty the treasure house of the Kunpeng clan, he had almost anticipated this scene, and he was also ready to challenge the Kunyu Great Venerable head-on.

The only thing that surprised Xu Ming was that Kunyu Dazun actually called so many “onlookers”.

“It’s said that the ugliness of the family cannot be made public! The Great Senior Kunyu doesn’t seem to have such a consciousness at all!” Xu Ming secretly said – the Great Senior, the treasure house was emptied by a Half-step Great Senior, isn’t this ugly?

Such an ugly thing, Kunyu Dazun actually called other top powerhouses in the real universe to watch?

However, although it was a little unexpected to Xu Ming, it had no substantial impact – after all, the Great Seniors who were watching were far away from here, and it was impossible to help the Great Senior Kunyu other than watching the play. .

“So...” Xu Ming glanced at Da Zun Kunyu maliciously, “For Da Zun Kunyu, it’s the difference between being raped by me in private, or being raped by me in public!”

Although Xu Ming’s strength is not that strong at the level of the Great Senior, but... I’m sorry, according to the previous judgment of “Kunpeng Great Senior”, he is just a little stronger than Kunyu Great Senior!

This is enough!

Enough to ravage Da Zun Kunyu!

“However... Under the watchful eyes of so many great masters, there is also Han Mo’s enemy! In this battle, I seem to be revealing my identity!” Xu Ming secretly said.

Although Xu Ming’s strength is stronger than Kunyu Da Zun; however, his strength is limited. In the real battle, Kunyu Da Zun will definitely use the “Boundary Breaking Weapon”; in that case, Xu Ming will have to use the “Boundary Breaking Gun”!

As soon as the Boundary Breaker Spear came out, no matter how much Xu Ming pretended to be, it was impossible to hide his identity! – After all, the Great Senior of the entire True Universe knows that the Boundary Breaker Spear is in Xu Ming’s hands. Moreover, the identity of Wolongtian Supreme appeared out of thin air; obviously, it was Xu Ming disguised!

“But it doesn’t make any difference!” Xu Ming secretly said in his heart, “Even if there aren’t these onlookers at the moment, but once I start a fight with Kunyu, it will definitely attract the attention of other great masters!”

In the real universe, fighting at the Great Senior level is not that simple!

If the two Great Seniors let go of the battle, the movement will even spread to the entire True Universe. In other territories, Tian Zhizun may not be able to sense that the Great Venerable of the Thunder Extermination Domain is fighting; but the existence of the same Great Venerable level can definitely be perceived!

Therefore, even if Kunyu Great Senior did not call out so many “onlookers” now; however, once Xu Ming made his move, it would still attract the attention of the Great Senior of the entire real universe!

It’s just that these attentions have come a little earlier!

“Wolongtian Supreme!” Kunyu Dazun is aloof, with a feeling that he has seized the moral commanding heights, “I sincerely invite you to become the guest of my Kunpeng clan; even, I don’t hesitate to let you enter the treasure house and choose ten treasures at will! I didn’t expect you to do such a stupid thing!”

Great Senior Kunyu snorted coldly, and continued: “If you are just an ordinary high-ranking Heavenly Sovereign, I will not talk nonsense with you at all, and I will not give you a chance to talk, so I will kill you directly! However, I Respect you as a ‘half-step great master’, so now, I will give you a chance to choose!”

“Oh?” Xu Ming teased and said, “Tell me, how do you choose?”

“Stealing the treasure house of my Kunpeng clan is a crime you should die for! Even if you are a half-step Great Venerable, it is no exception; now, with so many Great Venerables in the real universe here, they will definitely not think that I have handled it too much!” Kunyu Dazun said.

The onlookers who came to the will also said: “That’s right! Stealing the treasure house of a family is indeed a crime that deserves death!”

“Even if it is a half-step Great Senior, you can’t let it go!”

“really!”

...

These onlookers are not partial to the Great Senior Kunyu. Stealing a family’s treasure house is indeed a crime that deserves death!

“But...” Kunyu Dazun said again, “I will give you the second way, that is... sign a contract and unconditionally surrender to my Kunpeng clan! Our Kunpeng clan will give you the identity of an elder and enough respect; but , when our Kunpeng family needs you, you must serve us! – Compared with death, this condition should be very kind, right?”

This time, the Great Venerables who were watching did not speak, but were jealous in their hearts: Great Venerable Kunyu’s luck is so good! Bai picked up a half-step Great Venerable!

However, jealousy is useless! After all, this kind of “good thing” is not something that every Great Senior can encounter.

“Now, I’ll give you ten breaths of time to think about it!” Great Senior Kunyu said again. The ten-breath time, for the powers, has been extremely long, enough to deduce various things in their minds, “After the ten-breath, give me your answer! Or will be killed by me directly !”

Kunyu Dazun said unceremoniously.

Of course, in Kunyu’s heart, he actually did not want to kill the “Wolongtian Supreme”; after all, killing the Wolongtian Supreme would not do him any good. His purpose is to “enslave” Wolongtian Supreme.

However, the Great Senior Kunyu also knows that his attitude must not be soft; otherwise, it is impossible to surrender to him with the recklessness of “Half-step Great Senior”!

“Ten breaths?” Xu Ming couldn’t help but smile when he heard the words, “No need for ten breaths!”

“Oh?” There was a smile on the face of Kunyu Great Senior, “The person who knows the current affairs is Junjie! It seems that you have made a wise choice!”

Xu Ming smiled meaningfully: “No—I hope you can make a wise choice!”

Can you choose wisely?

Kunyu Dazun couldn't help but be stunned, not understanding what Xu Ming's words meant.

And just then-

call out!

Xu Ming didn't say a word, he just ran away!

Yes!

Run away!

Although Xu Ming was able to defeat the Great Venerable Kunyu; however, it was not necessary! – What is the benefit of defeating Kunyu Dazun for him? There is no benefit at all, and it also exposes their identity.

If so, why fight?

You can win, but you don't have to!

Of course, “no war” is the best! That way, you don't have to reveal your identity!

If you don't fight, then... run away!

And Xu Ming's sentence "I hope you have a wise choice" actually means very simple – if Kunyu Dazun does not chase him, then it is a wise choice! And if you catch up... Then, it's time for Xu Ming to teach Kunyu Dazun how to be a man!

Or, it's time to settle the general ledger with Kunyu Da Zun!

Chapter 2146: Tasteless

Xu Ming took off his legs and ran.

Seeing this, the Great Senior Kunyu smiled directly: "Run? – The speed is not slow! However, if this can make you escape from under my nose, then I, the Great Senior Kunyu, will not come out in the future. Mixed up!"

Da Zun Kunyu was full of confidence and smiled disdainfully.

A half-step Great Senior, also wants to escape from his subordinates?

"This Wolongtian Supreme is simply too naive!"

boom!

Kunyu Dazun's aura exploded directly. He didn't catch up either, but crushed Xu Ming with his aura.

"Half-step Great Senior, after all, it is only Half-step Great Senior, not the real Great Senior!" Kunyu Great Senior sneered, "Some Half-step Great Seniors claim to be able to save their lives under Great Senior! That's because... Great Senior is strong He didn't make a serious shot at all! If the Great Senior really made a serious shot, how could a half-step Great Senior be able to jump?"

"Let me stay!" Kunyu Dazun is confident, and his momentum can make this Wolong Tianzun's speed drop sharply, and recognize the strength gap between him and him, and then take the initiative to capture.

However...

To the surprise of the Great Senior Kunyu, when his aura was madly crushing the Wolong Heavenly Sovereign; however, the opponent's speed was not affected at all! -Impressive crushing, that is used by the strong to crush the weak! And Xu Ming, his own strength is not weaker than Kunyu Dazun, how can he be crushed by the other party's momentum?

"Huh?" Kunyu Da Zun couldn't help but startled – it seemed a little different from what he expected.

And the discussion of the Great Venerables onlookers made Great Venerable Kunyu's face even more ugly.

"Kunyu Dazun's imposing manner can't affect this Wolongtian Supreme?"

"Is Wolongtian Supreme's strength too strong? Or is Kunyu's strength not strong enough?"

"Wolongtian Supreme is only a half-step Great Venerable. No matter how strong his strength is, where can he get stronger..." The onlooker did not continue to say, but the meaning is already obvious: since it is not Wolongtian Supreme The strength is too strong, that is, the strength of Kunyu Dazun is too weak!

The Great Senior Kunyu's face was ugly, but he couldn't refute it – indeed, a Great Senior was crushed with all his might, but could not affect the speed of a Half-Step Great Senior. This is indeed a very humiliating thing! It's no wonder that the attitudes of the other Great Seniors are ridiculed and disdainful.

"If that's the case, then don't blame me for being ruthless!" Kunyu's eyes were cold, and his figure moved at this moment – since the momentum is useless, of course he has to do it!

boom!

The figure of Kunyu Dazun flew towards Xu Ming in an instant.

However this time...

call out-

Xu Ming's speed instantly soared! The Great Senior Kunyu is actually not as fast as Xu Ming!

"I..." Kunyu Da Zun had already exerted all his strength to move forward at full speed; however, he still saw that the distance between Xu Ming and him was getting wider and wider.

Kunyu Dazun was so depressed that he wanted to vomit blood: "Is this really just a half-step Dazun?"

Xu Ming didn't care so much! For him, he just doesn't want to play against Kunyu Da Zun; after all, he can win, but it's not necessary! So, just run!

"As long as I escaped and didn't use the Boundary Breaker Spear, then the other Great Seniors doubted at most. I suspected that I had the strength of the 'Great Senior', but I couldn't be sure of my identity!" Xu Ming secretly said, "As long as I don't If my identity is discovered by other Great Seniors, then I will be able to hide in the real universe for a while longer!"

How terrifying the speed at which Xu Ming's strength increased!

As long as he is allowed to hide in the real universe for a while longer, then, in the eyes of Xu Ming, what are those Great Venerable enemies?

Therefore, Xu Ming can't do it if he doesn't do it! —Even if he exposes his strength and causes suspicion, it is better than his use of the Boundary Breaker!

Although the Great Seniors who were watching were also shocked by Xu Ming's speed, but they, who were watching the fun and did not think it was a big deal, said in a light tone, "Great Senior Kunyu, you can't catch up with a Half-step Great Senior?"

"Kunyu Dazun's strength, isn't it a little watery?"

"In this way, within the real universe, it seems that there is no one who is weaker than the Great Senior Kunyu!"

“...” Kunyu Dazun is really speechless – the mouths of these onlookers are really poisonous! When you speak, have you considered my feelings?

“Forget it! It’s also time, it’s time to end this farce!” Kunyu Da Zun’s face became solemn.

You must know that if a Great Senior is really going to deal with a Half-Step Great Senior, then this Half-Step Great Senior will definitely die! Because... the great master can go against the flow of time!

Of course, going against the flow of time is something that is not allowed by the rules of the universe. As for the strong and powerful, it is only a small area of countercurrent time, and they do not dare to countercurrent too often, so as not to cause dissatisfaction with the will of the universe.

Generally speaking, when the Great Senior is dealing with the Half-Step Great Senior, there is no need to use the method of “countercurrent of time” at all! But now, Kunyu Dazun can’t catch up with Xu Ming, and he can’t even see the “tail lights” when he is about to be thrown by Xu Ming, and he doesn’t want to use other means, so he can only use “countercurrent of time”!

“Bring me back!”

call out!

Kunyu Da Zun directly used the supernatural power of “countercurrent of time”!

The time around Xu Ming immediately began to flow against it!

The onlookers all laughed.

“Look! Kunyu Da Zun has used the magical power of ‘Time Reverse Flow’!”

“To deal with a half-step Great Senior also use ‘time against the flow’? Kunyu Great Senior really lost this person!”

“Having said that! But... the magical powers that go against the flow of time can only be used when dealing with a half-step Great Venerable, when can you use them? You are also in the Great Venerable realm, so you won’t be afraid of your ‘going against the flow of time’ method! ”

The same is the realm of the Great Venerable, “the reverse flow of time” is invalid!

For example, when two great masters fight against each other – you can go against my time, then I can go against yours too! Moreover, when Da Zun is facing the reverse of his time, as long as he adds a “countercurrent of time” to himself, then under the double “countercurrent of time”, it is “negative and positive”; when time is reversed, naturally It is also invalid!

Therefore, in the eyes of the Great Seniors, the magical power of “countercurrent of time” is actually quite tasteless! It was also just like what the Great Venerable onlookers said: The magical powers that go against the flow of time can only be used when dealing with the Half-step Great Venerable, when else can they be used?

There is really no other place to use it!

“Huh?” Xu Ming was suddenly startled, “The time around me is going backwards!”

Going against the flow of time cannot affect consciousness. However, if it is an ordinary Heavenly Sovereign, even if they are consciously aware that they are in the “countercurrent of time”, there is nothing they can do; because they do not have any means to fight against the “countercurrent of time”!

But Xu Ming has it!

“It seems that I can only use ‘Time Reverse Current’ to hang up!” Xu Ming secretly said.

If Kunyu Dazun just wanted to kill himself while “time goes against the flow”, then Xu Ming actually doesn’t matter; because Xu Ming still has “infinite resurrection” hanging on! But obviously, Kunyu Dazun didn’t want to take the opportunity to kill himself, but to take the opportunity to enslave himself; in this way, Xu Ming can’t be indifferent!

“‘Time Against the Current’ hangs! Open!”

Chapter 2147: Come Here!

“‘Time Against the Current’ hangs! Open!”

Xu Ming’s “Time Against the Current” hangs in two places at the same time. One is his own body, and the other is the body of Kunyu Great Venerable.

Whoa!

Under the action of the double “time countercurrent”, the time countercurrent effect on Xu Ming disappeared instantly.

call out-

At the same time, Kunyu Dazun was caught in the reverse flow of time.

Because the two “time reverse” effects on Xu Ming and Kunyu Dazun appeared at the same time, so Kunyu Dazun couldn’t even react immediately, and he was caught in the “time reverse” – because he It seems that the flow of time on Xu Ming is still the opposite of his own! And he subconsciously thought that Xu Ming was in a “countercurrent of time”; the flow of time on Xu Ming was the opposite of his, so his time here was “downstream”!

It wasn’t until the Great Senior Kunyu found that the scenery around him was going backwards, and he realized: “Time is going backwards! I’m in the ‘countercurrent of time’!”

The Great Senior Kunyu was extremely horrified, he couldn’t even believe it!

You must know that “reverse the flow of time” is the exclusive privilege of the Great Senior! Even if it is a half-step Great Venerable, it is impossible to display it!

However, this Wolong Heavenly Sovereign in front of him actually displayed a “countercurrent of time”! ?

Bang!

The Great Senior Kunyu suddenly reacted, and also applied a “time reverse” effect on himself, and then looked at Wolongtian Sovereign in shock and anger: “You are the Great Senior!?”

“Heh!” Xu Ming glanced at Da Zun Kunyu, but he didn’t want to fight, and continued to run.

“Humph!” The Great Senior Kunyu removed the “countercurrent of time” on Xu Ming. He knew that, at the same level as the Great Senior, “countercurrent of time” would have no effect.

As for Xu Ming, he also removed the “reverse flow of time” on Kunyu Dazun’s body. It is too expensive to use the “reverse flow of time” hanging on a Dazun, and the key is that it has no effect, so it can save money. Then save it!

At this time, the Great Senior who was watching was also shocked.

“Your Majesty?”

“This Wolongtian Supreme, turned out to be the Great Venerable?”

“No! Should it be called ‘Wolong Dazun’?”

“In the real cosmos, when did a great master appear again, and it appeared silently and without warning!”

The news that the new Great Master “Wolong Great Master” appeared in the real universe instantly spread among all Great Masters. Apart from those Great Seniors who were in seclusion, other Great Seniors all turned their “eyes” on Xu Ming.

For a time, Xu Ming was under the watchful eyes of dozens of Great Venerables.

Even the Fallen Demon Lord who is in the virtual universe is now turning his attention to the real universe – the birth of a new great master. Such a major event will not occur several times in a cosmic era. Of course, the Fallen Demon Lord will pay attention!

“I don’t know... between the newly appeared Great Senior Wolong, and Great Senior Kunyu, who is stronger or weaker?”

“That’s naturally Kunyu Dazun is stronger! Although Kunyu Dazun is among the many Dazuns, he is considered the bottom in strength; however, this Wolong Dazun is just a newly promoted Dazun, and he wants to come along with the veteran Kun. There is still a gap between Yu Dazun!”

“It’s hard to say! If Great Senior Wolong has no strength, would he dare to focus on the treasure house of the Kunpeng family?”

“That’s true!”

“However, the one who wins in the end must be the Great Venerable Kunyu! Don’t you forget that the Great Venerable Kunyu has a World-Breaking Divine Weapon in his hands! And in the entire universe, there are only a few World-Breaking Divine Weapons, and everyone is I know; how can this new Wolong Great Venerable have a world-breaking magic weapon?”

“That’s true! Relying on the divine weapon of breaking the world, no matter what, the Great Senior Kunyu is already invincible!”

“Haha! However, if Kunyu Dazun can defeat this Wolong Dazun only by relying on the magic weapon of breaking the world; then, his face can be regarded as a shame!”

“Haha! Also!”

...

Listening to the discussions of the surrounding great lords, Kunyu lord said that it was impossible not to be angry. Even the Great Senior Kunyu regretted inviting these Great Seniors to witness – which of these Great Seniors watching is not too big of a problem to watch the fun?

Kunyu Dazun looked at the “Wolong Dazun” who was still running away, and couldn’t help but feel annoyed and angry: “I emptied the treasure house of my Kunpeng clan, and you still want to leave? Humph! This is what treats my Kunpeng clan as something. Now? What do you think of me, the Great Senior Kunyu? – Today, even if you are the Great Senior, you can’t escape!”

boom-

Kunyu Dazun was extremely furious and directly attacked Xu Ming.

At the same time, the heavy formations of the Kunpeng family were activated, constantly hindering Xu Ming's speed.

The fight between the Great Seniors, what kind of lightning and flint?

In the blink of an eye, Kunyu Dazun was already approaching Xu Ming.

"Huh?" Xu Ming couldn't help frowning, "I wanted to give you some dignity! Since you don't want dignity, then I'm welcome!"

boom!

Xu Ming's return to the horse was a shot.

Of course, the long spear in Xu Ming's hand at this time was just an ordinary Heavenly Sovereign Weapon, not a "Boundary Breaking Spear". After all, once the Boundary Breaker Spear is used, it is equivalent to revealing his identity; therefore, it is not a last resort, Xu Ming really doesn't want to use the Boundary Breaker Spear!

"Just because you are a newly promoted Great Senior, you dare to confront me head-on?" Kunyu Great Senior laughed instead of getting angry, and took the initiative to meet Xu Ming's spear. As if he had seen Xu Ming being used by himself Absolute power crushing.

boom! !

Finally, the combat power of the two Great Seniors really collided for the first time since the fight.

However, the result of this collision was completely opposite to what Kunyu Dazun imagined! - Unfortunately, it wasn't that he suppressed Xu Ming with his power, but he was suppressed by Xu Ming's power in turn!

boom-

One fight, Kunyu Great Senior was directly blasted away.

“Uh...” Xu Ming was slightly startled, “Is it so weak?”

When the other Great Seniors saw this, they couldn’t help but laugh.

“Ha ha ha ha...”

“The strength of Kunyu Great Venerable, among all Great Venerables, is still as weak as it is!”

“I was shot back by a newly promoted Great Senior? Hahahaha... Kunyu Great Senior is really embarrassed this time!”

“The next time the ‘Great Senior Ranking’ is released, Kunyu Great Senior will undoubtedly be ranked last! Even this newly promoted Great Senior will be ranked before him in terms of strength alone!”

“Haha... From now on, in the real universe, which other Great Senior would be afraid of Kunyu Great Senior?”

“really!”

...

The voices of the Great Venerables were like adding fuel to the fire.

Kunyu Dazun was already burning with anger, how could he bear such ridicule from all the Dazun?

“You...you...” Great Zun Kunyu looked at Xu Ming and was about to explode.

And Xu Ming, after this fight, looked at Da Zun Kunyu with disdain, and grinned: “Come here!”

“You...” Great Senior Kunyu wanted to kill him immediately, but he finally realized the strength gap between him and Xu Ming, so he didn’t dare to kill him immediately. Immediately, the Great Senior Kunyu smiled coldly: “It is also your honor to be able to die under my divine weapon!”

Chapter 2148: Say You Are Ignorant, You Still Don’T Believe It!

“It is also your honor to be able to die under my divine weapon!”

boom-

A large golden stick appeared directly in the hand of Kunyu Great Venerable.

This golden stick is engraved with countless mysterious and repeated inscriptions; each inscription uses the simplest lines to outline the most complicated rules of the universe.

The space trembled!

Time stands still!

This golden stick is the only divine weapon in the hands of Kunyu Great Venerable – Yuantian Stick!

“Even if you are the Great Senior, you are only a newly promoted Great Senior! You dare to be arrogant in front of me?” Yuan Tian stick”, this is a very shameless thing, “Since you are courting death... I will fulfill you!”

The onlookers who were scattered in the real universe all watched this scene with a smile.

“Haha! Kunyu Dazun really used his stick!”

“It won’t work if you don’t use it! Don’t you see that Kunyu Dazun is not the opponent of this newly promoted Wolong Dazun?”

“Being forced to do this by a newly promoted Great Senior, Kunyu Great Senior is really a joke among our Great Seniors!”

“Everyone said it quietly, don’t let the Great Venerable Kunyu hear it!”

...

Some ridicule, although not heard by the Great Senior Kunyu; however, there are also some ridicule, which the Great Senior Kunyu heard.

Great Venerable Kunyu could only vent all his anger at the Great Venerable Wolong in front of him: “Give me death!!”

Xu Ming looked at the slain Kunyu Dazun with some seriousness: “I don’t know... How much strength improvement can a world-breaking magic weapon bring to Kunyu Dazun?”

Although Xu Ming used the “Boundary Breaking Gun”.

However, you must know that when Xu Ming used the Boundary Breaker Spear before, his strength was still weak, and he couldn’t exert much of the power of the Boundary Breaker Spear at all. And Xu Ming’s cultivation realm has broken through to the level of Heavenly Supreme, and his strength has broken through to the level of Great Venerable. How powerful is a soldier!

However, Xu Ming can feel the power of the world-shattering magic weapon through Kunyu Dazun.

“If you can’t use the Boundary Breaker Spear, try not to use it!” Xu Ming secretly said.

boom-

In the blink of an eye, Kunyu Dazun’s big stick has been killed.

Under the shadow of the stick, Xu Ming felt as if the layers of time and space were oppressing him. However, the strength of Kunyu Da Zun has soared several times!

Yes!

several times!

“Hey—” Xu Ming took a deep breath, “Is this the power of the world-shattering magic weapon?”

The realm of Great Senior is already the pinnacle of cultivation! With a hundred feet of success, it is very difficult to go further; and a single “Yuantian stick” directly makes the strength of Kunyu soar several times!

How terrifying!

How appalling!

“Isn’t the Great Venerable who does not have a world-breaking magic weapon simply unable to resist the great lord who has a world-breaking magic weapon?” Xu Ming was horrified.

However, what Xu Ming didn’t know was that even the Divine Weapons of Breaking Worlds had grades. And the Yuantian stick in the hands of Kunyu Da Zun is only “low-quality” among the gods of breaking the world.

A low-grade world-breaking magic weapon already has such power; then, what about middle-grade and high-grade world-breaking magic weapons?

How powerful should it be?

Of course, the higher the grade of the world-shattering weapon, the more difficult it will be to exert its power! – For example, with the strength of Kunyu Dazun, even if he was given a top-grade world-breaking weapon, he would not be able to exert his full power. Therefore, in the hands of the Great Venerable Kunyu, a top-grade world-breaking divine weapon might not be as practical as the current Yuantian stick.

“Kill!” Although he felt a huge pressure, Xu Ming still went up to him, wanting to see if Kunyu Great Senior really doubled his strength, but it was just a mere appearance!

“Ignorance!” Seeing that Xu Ming was still taking the initiative to meet him, Kunyu couldn’t help laughing, “How dare you take the initiative to meet Xu Ming without a divine weapon? I really don’t know where you got the courage! – Even if you look at the whole truth In the universe, there are not many great masters who dare to meet my Yuantian stick without the divine weapon of breaking the world!”

“Pay the price for your ignorance!” Great Zun Kunyu grinned.

boom! !

Road to simplicity!

At the level of the Great Senior, the fight is already pure to the extreme, and it is endlessly changeable – for example, the Great Senior Kunyu, who had only collided with Xu Ming before, felt the strength gap between himself and Xu Ming, so he did not hesitate to change his moves and directly used Po. The world **** soldier “Yuantian stick”!

And this collision is just the second collision between Xu Ming and Kunyu Great Senior.

However, the result of this collision was diametrically opposite to the first!

This time, it was Xu Ming who was directly blasted away!

“Pfft!” At the same time Xu Ming was blasted away, golden blood splattered all over the sky.

“What!? The strength has improved so much!?” Xu Ming was extremely shocked!

At the same time, Xu Ming did not hesitate: “Run!”

call out-

With this blasted power, Xu Ming instantly tore apart the Kunpeng clan’s repressive formation, and continued to run away—as Xu Ming said before, he can win, but it’s not necessary! I have also foughtI have also felt the power of the world-breaking soldiers, and it is time to withdraw!

If you can't reveal your identity, why bother to reveal your identity?

“Run?” Great Zun Kunyu saw that the repression formation was torn apart by Xu Ming, and Xu Ming fled outside the formation in an instant, but he didn't care at all, “If you say you are ignorant, you still don't believe it!”

The corner of Kunyu's mouth evoked a disdainful smile: “The improvement of the world-shattering magic weapon is not only my strength, but all-round improvement of my strength!”

Although the Yuantian stick in the hands of the Great Senior Kunyu is a divine weapon that breaks the world based on strength; however, it also improves other aspects of the Great Senior Kunyu – such as speed!

Under the blessing of Yuantian Stick, the speed of Kunyu Da Zun is probably more than double the original speed!

Therefore, in the past, the Great Senior Kunyu could only rely on the suppression of the Great Array to catch up with Xu Ming's speed; but now, even without the Great Array, the Great Senior Kunyu can easily catch up with Xu Ming!

“Wolong Dazun, do you still want to escape?”

call out-

In a blink of an eye, Kunyu Da Zun was behind Xu Ming.

The onlookers also sneered: “This Wolong Great Venerable, is the new Great Venerable! I don't know how terrifying the world-breaking gods are!”

“Yeah! The World-Breaking Divine Soldier improves all-round strength! With and without the Divine World-Breaking Divine Soldier, the difference in strength is too great!”

“If Great Senior Wolong had known the horrors of the world-shattering magic weapon, he would not have dared to provoke Great Senior Kunyu, right?”

“I know now, but it’s too late! But... After all, the Great Senior Wolong is also at the level of Great Senior, and it is probably not easy for Great Senior Kunyu to kill him! It is estimated that the final result is that Great Senior Wolong will pay a heavy price. !”

Xu Ming looked at Kunyu Da Zun who was chasing him in an instant, and sighed secretly: “There is no way! It seems... it can only be exposed!”

Chapter 2149: Hold Him! !

“There’s no other way! It seems... it can only be exposed!”

Xu Ming really didn’t want to reveal his identity!

But no way! From the moment when Kunyu Da Zun used the world-breaking magic weapon, Xu Ming had no choice but to expose the world-breaking gun!

Thinking of this, Xu Ming couldn’t help but turn his head to look at Kunyu Da Zun, who had killed him behind him, with a cold look in his eyes: “Forcing me to reveal my identity... Let’s see how I deal with you!”

When neither side uses the world-breaking magic weapon, Xu Ming can hang and beat the great master Kunyu; then, when both sides use the world-breaking magic weapon, Xu Ming naturally hangs and beats the great master Kunyu!

However, Kunyu Great Senior did not know at all that he was about to face a great disaster, but he was extremely arrogant: “Wolong Great Senior, do you still want to resist? I advise you to capture it as soon as possible! – The more fierce you resist, the worse your end will be. awful!”

rumbling...

The Yuan Tian Stick mighty crushed the heavens and the earth, crushing it towards Xu Ming.

“Humph!” Xu Ming snorted coldly, no longer hiding. With a flip of his palm, Xu Ming’s most important treasure, the “Boundary Breaker Spear”, was already in his grasp!

boom-

The endless mighty power came without warning, and even directly overwhelmed the power of the “Yuantian Stick” of the world-shattering magic weapon!

“Go away!” Xu Ming swept across with a shot.

“What!?” Between the lights and flints, Kunyu Dazun didn’t have time to react to what happened. He only felt an inexplicable heart palpitations arise from the bottom of his heart, and he subconsciously turned from offense to defense in his hand, and quickly used Yuan Tian. Stick to resist the sweeping power of this gun.

boom! !

The Yuan Tian Stick was directly smashed and bent!

And the Great Venerable Kunyu was blasted back at a speed close to the “real universe limit”, and even his Great Venerable body was shaken and injured.

“What’s the situation!?” Great Senior Kunyu looked at Xu Ming blankly while terrified—he never thought that the Great Senior Wolong, who was being chased by him, would suddenly turn around and crush him!

In an instant, Kunyu Da Zun realized that the problem was the long spear that suddenly appeared in Wolong Da Zun’s hand!

“Breaking World Divine Soldier!?” Great Senior Kunyu reacted immediately.

Immediately afterwards, when the Great Senior Kunyu looked at the long spear in Xu Ming’s hand, the whole person’s expression was shocked!

...

The Great Seniors who were watching naturally did not guess this unexpected scene – in a flash, the situation turned sharply! From Kunyu Dazun hanging and beating Wolong Dazun to Wolong Dazun hanging Kunyu Dazun!

“Breaking World Divine Soldier!?”

“Definitely a world-breaking soldier!”

“Wolong Dazun even has a world-breaking magic weapon!?”

“How is that possible!? Looking at the entire universe, there are only a few pieces of the world-breaking magic weapon; we all know about each one! How could a world-breaking magic weapon suddenly appear in the hands of the Great Master Wolong?”

“No! This is...”

All of a sudden, all the onlookers widened their eyes and looked at the long spear in Xu Ming’s hand in disbelief!

“This is... a boundary-breaking gun!?”

“Kunpeng Da Zun’s Boundary-Breaking Spear!” The first person to react was naturally the Kunyu Da-zun, who was the closest to Xu Ming and who was most familiar with Boundary-Breaking Spear! – Kunyu Dazun was just stunned at first, so he didn’t react immediately; when he reacted, he naturally recognized the spear in Xu Ming’s hand!

“But...isn’t the Boundary Breaker Gun in Xu Ming’s hands? And Xu Ming, didn’t he escape into the Three Realms universe, and he has never heard of it? How could it appear in the hands of this Wolong Great Senior?” Kunyu Great Senior was puzzled. , and it is also the doubts of all other Great Venerables.

However, this trace of doubt only existed for a short moment, and then disappeared!

No one is a fool who can cultivate to the realm of the Great Venerable! In a short moment, all the Great Seniors figured out the cause and effect of the whole thing.

“Wolong Great Venerable, is a Great Venerable who suddenly appeared! Before this, in the real universe, I have never heard of the names of Wolong Great Venerable, or Wolong Heaven Supreme, Wolong Earth Supreme!”

“And Xu Ming, although he escaped into the Three Realms Universe, but... those Heavenly Sovereigns who entered the Three Realms Universe to hunt down Xu Ming were almost wiped out! Therefore, Xu Ming has probably come out of the Three Realms Universe!”

“Also... Xu Ming also has the ‘Feng Zhou Ding’, a hidden and disguised world-breaking magic weapon in Xu Ming’s hands, which can be disguised as any identity at will!”

“Finally, the timing of the appearance of Wolong Great Senior is so consistent...”

Things seem to suddenly become very clear!

This “Wolong Great Zun” who suddenly appeared is Xu Ming!

“Xu Ming!”

“He’s Xu Ming!”

The great lords were shocked and angry.

Also unbelievable!

“How long has it been?”

“Yeah! How long has it been...”

“The last time I saw Xu Ming, even with the help of the Boundary Breaker Spear, Xu Ming’s strength was considered weak at the level of Heavenly Supreme! And it’s been so long, when Xu Ming appeared again, he already had the strength of the Great Venerable!”

“hiss-”

“I seem to have seen the shadow of Kunpeng Great Venerable and Eternal Great Venerable in Xu Ming!” A Great Venerable who was born in the First Universe Era couldn’t help saying with emotion.

“It’s hard to imagine what kind of realm he will be when I see Xu Ming next time!”

“Could it be... he can reach the realm of Kunpeng Great Venerable, Eternal Great Venerable!?”

...

After using the Boundary Breaker Spear, Xu Ming no longer hides; he directly removed the disguise of “Feng Zhou Ding”, revealing his true identity.

Moreover, since he has already used the Boundary Breaker Spear, Xu Ming is not worried that he will not be able to walk away – he cannot stop himself with the help of the Great Senior Kunyu! After getting rid of the Great Venerable Kunyu, it is not difficult to get rid of the will lock of other Great Venerables; after all, those other Great Venerables are all far away, and few of them are Thunder Extermination.

“Xu Ming!”

“It’s really Xu Ming!”

Although it has been guessed that “Wolong Dazun” is actually “Xu Ming”; however, when they saw Xu Ming revealing his identity with his own eyes, all the Dazun were unavoidably shocked.

And those Great Seniors who have hatred with Xu Ming are almost crazy!

Yes!

crazy!

No matter who it is, it is impossible not to be mad after seeing his enemy grow so fast! – An enemy like Xu Ming is too terrifying! It is simply a “deadly” enemy!

Suddenly, those Great Seniors who had a grudge against Xu Ming roared frantically, “Great Senior Kunyu, help us hold back Xu Ming!”

“Yes! Hold him!”

“We’ll be here right away!”

“Hold him down?” After seeing Xu Ming using the Boundary Breaker Gun, Kunyu Dazun was actually a little cowardly; after all, he had already realized the strength gap between himself and Xu Ming. However, when he thought that Xu Ming had emptied the treasure house of their Kunpeng clan, he also greedily wanted to get the boundary-breaking gun in Xu Ming’s hands; moreover, in the view of Kunyu Da Zun, he only needed to hold Xu Ming, not to be with him. If Xu Ming decides to fight to the death, there should be no problem!

“Okay!” Kunyu Dazun thought for a while and said, “However, all the treasures on Xu Ming’s body will belong to me at that time!”

“no problem!”

“It’s natural!”

The great masters who had hatred with Xu Ming said one after another, and at the same time rushed towards the Kunpeng clan’s clan.

At the same time, an unusually domineering and arrogant voice resounded through the space and time: “I, Great Master Chimie! – I’m in Lei Jueyu now! Master Kunyu, you only need to hold Xu Ming for a moment, and I will soon be able to do so. Arrive!”

Chapter 2150: True Universe Limit

“I, Chi Mie Dazun! – I’m in Lei Mieyu now! Kunyu Dazun, you only need to hold Xu Ming for a while, and I’ll be there soon!”

Red Extinction Great Venerable!

Hearing this voice, Kunyu Dazun couldn't help but his eyes lit up.

Scarlet Extermination Great Venerable, even among Great Venerables, his strength is at the forefront! Looking at the entire universe, the strength of Chimie Da Zun should be able to rank in the top ten without controversy!

Yes!

The top ten powerhouses in the entire universe!

Like the Three Realms Da Zun and Kunyu Da Zun, although they are also in the realm of Da Zun, their strength is far worse than that of Chi Mie Da Zun!

and...

Among the great lords who joined forces to kill Gu Hanmo at the beginning, the great lord Chimie was one of them! And a very important one! -If it weren't for the strength of Chi Mie Great Venerable being too strong and hurting Gu Hanmo, then Gu Hanmo wouldn't be forced to the point of reincarnation!

It can be said that Chi Mie Da Zun is one of Gu Hanmo's main enemies!

Now, Great Master Chimie found Xu Ming, and saw Xu Ming's strength growing terribly, how could he let Xu Ming go?

"Just in Lei Mieyu? That's great!" Great Senior Kunyu was overjoyed.

Each of the eight realms of the true universe is vast. However, for the existence of the Great Senior, especially the top Great Senior like Chimie Great Senior, as long as it is in the same territory, it is still very fast to rush over!

“Great Senior Chimie, come here quickly!” Great Senior Kunyu continued, “I will definitely hold back Xu Ming!”

Among the great deities of the true universe, many want to see Xu Ming die! As for friends... Xu Ming really doesn't have any great friends!

Therefore, from the moment Xu Ming revealed his identity and strength, he could only face all the great masters of the real universe alone!

Enemy all over the world!

Almost all Great Seniors are enemies of Xu Ming!

“Stop me?” Xu Ming glanced at the Great Senior Kunyu, and sneered disdainfully – since he took out the boundary-breaking gun and exposed his identity, how could the Great Senior Kunyu be able to stop him?

“Humph!” Xu Ming snorted coldly, ignoring Great Venerable Kunyu, and immediately walked away.

“Xu Ming! Go away!” Kunyu Da Zun chased after him.

call out-

call out-

Although the strength of Kunyu Dazun is not as good as Xu Ming, even a lot weaker than Xu Ming; however, his speed is not much slower than Xu Ming – after all, in the real universe, there is a “speed limit”!

The closer you get to the “true cosmic speed limit”, the harder it is to increase the speed! Moreover, it is difficult to reach the true “true cosmic speed limit”, and it can only be extremely close to this limit!

And as long as you step into the Great Senior level, and have a world-shattering magic weapon in your hands, basically the speed can be close to the “real universe limit”!

Therefore, although Xu Ming’s strength is much stronger than Kunyu Dazun, but now he is followed by Kunyu Dazun, he really can’t get rid of it!

And if he couldn’t get rid of Kunyu Great Venerable, Xu Ming couldn’t get rid of the will lock of other Great Venerables.

“Jie Jie Jie Jie...” The Great Senior Kunyu smiled strangely, “Xu Ming, although I don’t know what chance you have, your strength has grown to such a level! But, you can’t get rid of me... Just wait for the Great Senior to be destroyed. Come, you will surely die!”

“Humph!” Xu Ming glanced back at the Great Senior Kunyu, and said secretly, “It seems that if we don’t deal with the Great Senior Kunyu first, we will not be able to leave this time... Humph! Since he is courting death, then I will fulfill him. !”

Originally, Xu Ming did not intend to kill Kunyu Dazun. But now it seems that it must be killed!

boom!

Xu Ming turned around without warning, and stepped heavily in the void. The void of the real universe that I stepped on trembled and roared, as if it was about to shatter!

Immediately, Xu Ming killed Kunyu Da Zun, who was chasing him, at a speed close to the “real universe limit”.

“What!?” Great Senior Kunyu paled in shock. He did not expect that Xu Ming would come back to kill him so quickly.

boom!

Kunyu Da Zun also stepped heavily in the void, turned around and fled – if he really fought, he was not Xu Ming’s opponent!

However, Kunyu Dazun's footsteps in the void are obviously inferior to Xu Ming in terms of power and speed – although, Kunyu Dazun and Xu Ming, the fastest speed can be close to the “real universe limit”; However, the “speed change” of the two sides is obviously different!

Xu Ming's change of speed obviously wants to crush Kunyu Dazun!

If Xu Ming's acceleration is compared to a super sports car; then, Kunyu Dazun is at most a tractor!

Moreover, when Xu Ming suddenly turned back, the distance between the two sides was not very far; in this way, Xu Ming approached Kunyu Dazun almost in an instant!

Fortunately, although the change speed of Kunyu Dazun is slow, it will not take too long to increase to close to the “true cosmic speed limit”!

“Xu Ming can't catch up with me!” Kunyu Dazun thought to himself as he accelerated desperately.

but...

Will Xu Ming let Kunyu Dazun accelerate comfortably?

boom-

The moment Xu Ming turned around, his will was already frantically oppressing the Great Venerable Kunyu. The infinite vision is constantly forming around the Kunyu Great Venerable, distorting the time and space, hindering the acceleration of the Kunyu Great Venerable.

Although Kunyu Dazun has tried his best to resist these obstacles, his strength is not as good as Xu Ming after all. Therefore, under the oppression of many visions, it is really not easy for him to accelerate to the limit of the real universe!

And Xu Ming, wouldn't give Kunyu so much time to speed up!

Swish!

In the blink of an eye, Xu Ming chased and killed Kunyu Dazun.

“No—” Kunyu Dazun looked terrified. “Want to hold me back?” Xu Ming snorted coldly, “Die!” ”

Before the Great Venerable Kunyu could open his mouth to beg for mercy, Xu Ming shot out angrily – this shot with rage and anger was much more powerful than the previous shot! Even, the Great Senior Kunyu could smell the breath of death!

boom-

Kunyu Da Zun only had time to resist in a hurry, and was pierced by this gun through the body of God! Even with the body of his great respect, the divine body was under this shot, and more than 10% of the damage was done!

You must know that it is very difficult for a Great Venerable Divine Body to be damaged by more than 10%! The 10% divine body of the Great Venerable is much more powerful than the combined divine bodies of thousands of Heavenly Supremes!

Moreover, it is not easy for Da Zun Kunyu to restore the damaged 10% of the divine body, and it takes a lot of resources to restore it! But now... the treasure house of the Kunpeng family has been emptied by Xu Ming, and the resources at Kunyu's own hand are probably not enough to restore the damaged 10% of the divine body; Years, let the body slowly recover! In this way, even when the fifth universe era ends, he may not be able to restore his divine body.

But now, Kunyu Dazun has no intention to feel sorry for the damaged 10% divine body! Because... Compared with the damaged divine body, what is more serious is that Kunyu Great Senior is facing the threat of death!

In the face of Xu Ming's pursuit, if one is not careful, the Great Senior Kunyu may even be in danger of falling!

“The Boundary-Breaking Spear is too strong...” Da Zun Kunyu hated and anxious – although he admitted that Xu Ming's own strength was stronger than him; but in his opinion, the most important thing was because of the “Boundary-Breaking Spear” Much stronger than his “Yuantian Stick”!

After all, the Boundary Breaker Spear was the weapon of the Great Venerable Kunpeng!

“If it wasn’t for the Boundary Breaker Spear, how could I be cornered by Xu Ming!?”
