

A World 2151

Chapter 2151: Void Ladder

“If it wasn’t for the Boundary Breaker Spear, how could I be cornered by Xu Ming!?” Kunyu Dazun had no other thoughts at this time. His only thought was how to save his life.

At this time, far water cannot save near fire. It is obviously useless to count on the Great Venerable Scarlet Extermination.

escape!

At this time, Kunyu Da Zun can only bury his head and run away—his only chance of survival is to escape into the treasure house of the Kunpeng family! As long as you escape into the treasure house, you are safe!

boom!

boom!

boom!

How could Xu Ming be soft? The Boundary-Breaking Spear showed no mercy, one shot after another, drowning the Great Master Xiang Kunyu like a tide.

“Xu Ming! Xu Ming!” Kunyu Dazun repeatedly begged for mercy, “Hurry up! From now on, I will never care about the boundary-breaking gun in your hand; the grievances between us will be written off, okay!?”

“One write-off?” Xu Ming laughed, “The Boundary-Breaking Spear is mine; if you had the ability to get it, you would have taken it long ago! – Don’t worry about the Boundary-Breaking Spear anymore? What’s the condition?”

“Then...” Kunyu Dazun continued, “Then what conditions do you want?”

“Hahahaha...” Xu Ming laughed, “I have already emptied the treasure house of your Kunpeng clan, what else can you offer?”

boom-

Another shot!

“Pfft!” Great Venerable Kunyu vomited blood directly – I don’t know if it was shot by this shot or by Xu Ming!

However, in the eyes of Kunyu Da Zun, there was a look of joy – he had successfully escaped to the treasure house under Xu Ming’s pursuit.

call out!

The Great Senior Kunyu hurriedly dodged and fled into the treasure house.

“Huh...” Grand Master Kunyu sighed in relief, “It’s safe!”

You must know that the treasure house of the Kunpeng family is difficult to attack from the outside. It is precisely because of this that Kunyu Dazun can lead the Kunpeng family, which has been inherited from the second universe era to the present.

However, feeling the serious damage to the divine body, Kunyu’s face turned black at once: “The injury is so serious, and the body of the great respect is so difficult to recover... Even if the fifth universe era ends, I may not be able to recover. ...”

This time, Kunyu Dazun is really miserable! Not only was the treasury emptied by Xu Ming, but he was seriously injured. I am afraid that throughout the fifth universe era, the Kunpeng family will shrink.

Thinking of this, the Great Senior Kunyu couldn’t help but look at Xu Ming outside with some fear, and gritted his teeth in hatred: “Xu Ming! This hatred... I remember it!”

“Remember?” Xu Ming couldn’t help laughing. “What if you remember? Do you dare to stand in front of me?”

“You...” Great Senior Kunyu was at a loss for words. But Xu Ming was right – he really didn’t dare to stand in front of Xu Ming. Just now, he almost fell.

“Ha!” Xu Ming sneered disdainfully.

Once, in his eyes, Kunyu Dazun was considered to be a high-altitude existence, and he was simply unmatched. But now, Kunyu Dazun didn’t even have the courage to stand in front of him.

“I want to see if your tortoise shell can protect you!” With that said, Xu Ming raised his gun and fired at the treasure house of the Kunpeng family – he wanted to see if this treasure house was as big as Kunyu Dazun. It’s so sturdy!

boom!

Xu Ming mobilized the Boundary Breaker Spear with all his strength and slammed into the treasure house.

bang—

All I could hear was the impact point of the Boundary Breaker Spear and the treasure house, and a very low muffled sound was heard. Xu Ming was shaken back, but the treasure house remained motionless, and there was no trace of it.

“Sure enough, it can’t be broken!” Xu Ming sneered, no longer staying, just turned around and left.

Chi Mie Dazun and other top-level Dazun are still on their way. Xu Ming still has self-knowledge, but he doesn’t think that with his current strength, he can compete with those top lords.

“But... even if we can’t compete now, it’s too soon!” Xu Ming secretly said in his heart.

Xu Ming practiced “Kunpeng Nine Changes” and “I am the Universe” at the same time, not only turning every particle in the body into a “particle universe”, but also making countless billions of

particle universes together form a perfect The “big universe”! – Next, Xu Ming can make his strength grow by leaps and bounds simply by constantly absorbing energy.

Moreover, Xu Ming has just broken through to the lower heavenly supreme, that is to say, at least from “lower heavenly supreme” to “upper heavenly supreme”, Xu Ming will not get stuck in the realm! Therefore, Xu Ming’s strength will definitely explode in a short period of time!

Now, Xu Ming is only the cultivation base of the lower heavenly supreme, and he has already beaten Kunyu. Then, when Xu Ming reaches the cultivation of the upper heavenly supreme, it will not be difficult to hang and beat the top master, right?

In this case, Xu Ming certainly does not need to rush for a while!

Be cowardly first, and keep some trump cards first! When the strength has broken through, I will find the Great Venerable Chimie and wait for the calculation of the general ledger!

call out-

Xu Ming quickly left, and managed to get rid of the lock of the will of the great lords.

“Great Venerable Kunyu!” Great Venerable Chimie’s voice resounded loudly, “Hurry up and hold him back!”

Although the Great Lord of Chi Mie is also in the Thunder Mie Domain, it will take some time for him to come over. Now, the only person who can hinder Xu Ming is the Great Venerable Kunyu.

“Hold him?” Kunyu Da Zun, who was hiding in the treasure house, had a white eyeDo I dare to go out and drag him? ”

Just now, Great Senior Kunyu was almost killed by Xu Ming. Not to mention dragging Xu Ming, Kunyu Dazun even regretted it, why did he drag Xu Ming just now; if not, he wouldn’t be seriously injured now, or even nearly killed!

“You...” Great Senior Chi Mie was also very helpless. Of course he also knew that Kunyu Dazun would never dare to provoke Xu Ming again.

“Trash!” Great Senior Chi Mie couldn’t help scolding.

The other top Great Seniors could only watch, Xu Ming kept breaking free of their will locks – both of the same Great Senior level, the distance was too far to prevent Xu Ming from breaking free of the Will Locks.

And once Xu Ming was freed from the lock of will, it would be almost impossible to find Xu Ming in the vastness of the real universe.

Moreover, Xu Ming’s strength growth is so terrifying, who knows what kind of strength Xu Ming will be when he sees Xu Ming next time? -Every top Great Senior is afraid!

Yes!

Scared!

They can now be sure that Xu Ming has a talent that is not weaker than Kunpeng Dazun and Eternal Dazun – whoever encounters such a talent enemy, can he not be afraid?

It’s really scary!

If Xu Ming is allowed to grow to the level of Kunpeng Great Venerable and Eternal Great Venerable, then the entire universe will be dominated by Xu Ming! As for the enemies of Gu Hanmo, such as the Great Master Chimie, there is no way to go to heaven, no way to enter the earth, and they can only wait to die!

“Damn it...” Great Senior Chi Mie hated very much, but he couldn’t do anything about it.

But at this moment-

Just in the void where Xu Ming was heading, a ladder suddenly appeared one step at a time.

Around the void ladder, time and space have been distorted to the extreme. Every step is like an infinite space.

“This is...?” Xu Ming couldn’t help but look puzzled, and quickly changed his direction to avoid the void ladder.

Chapter 2152: Xu Ming, You Are Dead!

“This is...?” Xu Ming couldn’t help but look puzzled, and quickly changed his direction to avoid the void ladder.

However...

No matter how Xu Ming changed direction, the void ladder always followed him and always appeared in front of him.

“Huh?” Xu Ming frowned suddenly, “He’s coming for me!”

Xu Ming clearly felt the extraordinariness of this void ladder – every ladder is an infinitely far space; this kind of means of crossing the real universe, even the top Great Senior, I am afraid that it cannot be done!

“It looks like... the visitor is not good!” Xu Ming didn’t think that this void ladder that followed him would be a good thing.

After thinking for a while, Xu Ming gathered the power of countless billions of particle universes in his body onto the Boundary Breaker Spear; then, he directly blasted the void ladder in front of him with the spear.

boom! !

This shot was enough to inflict heavy damage on a powerhouse at the Great Senior level, but when it hit the sky ladder, it seemed to sink into the sea without causing any ripples.

“Huh?” Xu Ming’s expression became more and more solemn, “I can’t hide, I can’t break it...”

Xu Ming really had nothing to do with this void ladder.

Swish!

Xu Ming simply stopped his figure: “The soldiers will block the water and cover the soil. I want to see what kind of existence will descend on this void ladder!”

And as Xu Ming stopped, the void ladder also stopped, no longer moving.

This is, Xu Ming saw that at the end of the void ladder, two figures appeared.

One of the figures is the genius “Su Yan” of the Kunpeng clan.

Another figure is a strong man dressed in a purple Galaxy robe. This strong man has a breath as vast as the universe.

“So strong...” As soon as Xu Ming saw the purple galaxy robe powerhouse, his eyes suddenly became shocked.

This powerhouse is definitely stronger than any powerhouse Xu Ming has ever seen! Even the top ten “Scarlet Destroyer” in the entire universe are not as good as the other party!

“This is... the master of the Dao Temple, the Great Venerable Zihe?” Xu Ming had naturally seen the image of the Great Venerable Zihe, and knew the identity of the Great Venerable Zihe. However, Xu Ming was also a little puzzled, “Zihe Dazun, doesn’t seem to have any grudge against Han Mo? Why does he appear at this time?”

In Xu Ming’s eyes, the Taoist Temple should be regarded as a neutral force, and would not participate in the battle between the great masters of all parties; for example, the hatred between Gu Hanmo and the Great Lord Chimie, etc., the Taoist Temple would not care at all.

The only concern of the Taoist Temple is the stability of the universe!

“The stability of the universe?” Thinking of this, Xu Ming couldn’t help but be horrified, “Could it be that... the will of the universe has noticed me? And the Great Senior Zihe, did he act on behalf of the will of the universe?”

Xu Ming only guessed half right.

The Great Senior Zihe is indeed acting on behalf of the will of the universe. However, the will of the universe only determined that there are heresies in the universe, but did not know that Xu Ming was a “heresy”; Zihe Dazun didn’t come here because of Xu Ming’s presence here.

The reason why Zihe Dazun came is because of... Su Yan’s malicious report!

At that time, Su Yan’s idea was that no matter whether Xu Ming was a cosmic heresy or not; however, if he maliciously reported a wave, the Taoist Temple would definitely come to investigate Xu Ming, which would cause some trouble for Xu Ming. And if you dare to resist when being investigated by the Taoist temple, it will be even better – to resist the Taoist temple, even if Xu Ming is not a heretic, he will definitely be punished by the Taoist temple!

It’s just that Su Yan didn’t know – this wave of malicious reports of his just hit the wrong way!

Xu Ming, that heresy!

...

Other powerhouses, such as Chi Mie Da Zun, naturally also noticed the arrival of the Void Ladder.

“This is...” Great Senior Chi Mie’s eyes lit up, “Great Senior Zihe? He actually came in person? And... being able to use the Void Ladder, Great Senior Zihe is obviously acting on behalf of the will of the universe!”

The universe is so vast!

Even the top-notch Great Senior can only travel slowly in the real universe, and cannot use means like the “Void Ladder”! Only those who have been granted “privileges” by the will of the universe, like the Great Master Zihe, can ignore the rules of the universe’s operation and reach the time and space beyond the infinite distance in an instant.

Thinking of this, Great Venerable Chi Mie couldn't help but feel a little envious: "In terms of strength, Great Venerable Zihe is not much different from me! However, as the master of the Taoist Temple, he is blessed by the will of the universe, and even I would not dare to provoke him. !"

Of course, there are gains and losses! Although there are many benefits to joining the Taoist Temple, there are also many limitations – for example, Zihe Da Zun cannot participate in the battles in the universe!

If it is said that Zihe Da Zun was a wolf before he became the temple master of the Taoist Temple; then, after he became the temple master of the Taoist Temple, he was a dog—a dog beside the will of the universe! The will of the universe must be listened to honestly.

Of course, no matter which Great Senior, he didn't dare to laugh at Zihe Great Senior as a dog. After all... If you dare to laugh at Zihe Dazun on the bright side, then Zihe Dazun can use the power of the will of the universe to take revenge!

"Zihe Great Senior is coming, it seems that he wants to investigate whether Xu Ming is a heretic!" Chi Mie Great Senior suddenly lit up, "This Xu Ming, the growth of strength is so terrifying... If you say who is most likely to be in the universe Heresy, then it is very likely that it is him!"

Before seeing Zihe Dazun Chimie Dazun and other powerhouses, I really forgot about the "cosmic heresy". Seeing the appearance of Zihe Great Venerable, all the Great Venerables immediately suspected Xu Ming.

"If Xu Ming is a cosmic heresy, then things will be simple... Zihe Dazun took action on behalf of the will of the universe, and it would be as easy as the palm of your hand to kill Xu Ming! In this way, I will save myself from killing Xu Ming myself!" Chimie Dazun He secretly said, "Even if Xu Ming is not a cosmic heresy, but with the help of Zihe Dazun, I will have more time to rush over!"

call out-

Thinking of this, Chi Mie Da Zun moved forward with more effort and full speed: "Xu Ming, you are doomed!"

Chimie Dazun's eyes were red, as if hundreds of millions of worlds were burned down in his eyes.

...

“What should I do?” The moment he saw Great Senior Zihe, Xu Ming began to think about countermeasures.

Other powerhouses don’t know whether Xu Ming is a “cosmic heresy”; however, Xu Ming is very clear in his heart – Lao Tzu is a cosmic heresy!

escape?

Can’t escape!

war?

Not to mention that the Great Senior Zihe acts on behalf of the will of the universe, even if he does not act on behalf of the will of the universe, Xu Ming is not his opponent!

“Don’t worry!” Xu Ming secretly said, “Maybe, Zihe Dazun can’t find out that I am a cosmic vision!”

Xu Ming’s “Kunpeng Nine Changes” and “I am for the Universe” exercises are not so easy to see through! Maybe, Zihe Dazun can’t see anything, so he just left; that way, it would be better!

“Forbearance!” All Xu Ming can do now is forbearance!

boom-

The Great Senior Zihe took Su Yan and stepped through the void ladder step by step. Every step, their figure is to take the endless distant time and space.

Within a few breaths, the Great Senior Zihe walked out of the void ladder and landed in front of Xu Ming.

Chapter 2153: Not Heresy

“Xu Ming?”

The Great Senior Zihe looked at Xu Ming in front of him, but couldn't see the slightest expression on his face.

Su Yan, who came with Zihe Dazun, was also looking at Xu Ming.

Originally, Su Yan didn't know what the name “Xu Ming” meant. However, when he and Zihe Dazun came to the Kunpeng clan together, when Xu Ming revealed his identity, Zihe Dazun told him that when Xu Ming was in the virtual universe, he had beheaded the Three Realms. Respect! Moreover, in the real universe, Xu Ming still has many great enemies.

“It turns out... Wolongtian Supreme is Xu Ming!” After hearing about Xu Ming's deeds, Su Yan was jealous of Xu Ming's talent and sympathized with Xu Ming.

Of course Su Yan also thought of it, Xu Ming is very likely to be a “cosmic heresy”!

“I just wanted to maliciously report Wolong Tianzun, but I didn't expect that I might have discovered a cosmic heresy!” Su Yan was very proud, “If Xu Ming is really a cosmic heresy, then my credit is not small. Maybe, I can get a lot of rewards...”

Thinking of this, Su Yan looked at Xu Ming's eyes, and suddenly there was no hatred; instead, he felt that Xu Ming was a stepping stone on his way to the top.

“If I can really get the reward from the Great Venerable Zihe, then I really want to thank Xu Ming!” Su Yan thought to himself, “Hahaha... However, at that time, Xu Ming might have already fallen to Zihe. Great Senior's subordinates! I want to thank you, but no one is so grateful!”

At this moment, Su Yan was very proud. He looked at Xu Ming with a look of anticipation: “Xu Ming, ah Xu Ming! You must be a cosmic heresy!”

...

“Xu Ming!” Zihe Dazun said after looking at Xu Ming for a while.

“Grand Master Zihe!” Xu Ming also said. At the same time, Xu Ming pretended to be puzzled and said, “I don’t know why the Great Senior Zihe stopped me? If there is nothing, please let the Great Senior Zihe let me go. I am being chased by other Great Seniors!”

“Don’t worry!” Great Senior Zihe glanced at Great Senior Chi Mie, who was far away, and said, “Our Dao Temple will not interfere in the battle of the real universe! Great Senior Chi Mie wants to rush over, he still needs to For a while; before this, I have already found out whether you are a cosmic heresy!”

“Cosmic heresy?” Xu Ming laughed suddenly, “Zihe Dazun is joking! With my little strength, if it was a cosmic heresy, it would have been discovered by the will of the universe long ago? How can I live to this day!”

“Ha!” The Great Senior Zihe said with no expression, “I will find out if you are a cosmic heresy or not! But... To be honest, if I had known that the ‘Wolongtian Supreme’ was your Xu Ming, I would have known it earlier. I’m here to check on you! You’ve only been in the real universe for so many years, and you have such strength...”

The Great Senior Zihe didn’t go on, but the meaning was already obvious! There is no doubt that in his opinion, Xu Ming has a major suspicion.

“Okay!” Xu Ming smiled helplessly, “Then please ask Zihe Great Senior to check it out!”

Against Zihe Dazun? Xu Ming has no such strength! -Since there is no such strength, you can only bow your head first! Take a step by step, maybe, Zihe Da Zun can’t find out that he is a cosmic heresy!

Xu Ming still had some luck! After all, if it is really found to be a cosmic heresy, then Xu Ming will definitely have a lot of trouble in the future.

Zihe Dazun didn’t speak. His two eyes, which were billions of times deeper than the starry sky, looked straight at Xu Ming, as if he wanted to see everything about Xu Ming.

call out-

Zihe Great Senior’s eyes almost radiated substantive light, scanning Xu Ming’s body.

As for Xu Ming, he didn't resist at all, and let Great Senior Zihe's gaze penetrate into the depths of his divine body.

“'Kunpeng Nine Changes' is to cultivate a small universe inside the particle! However, from the outside, it is difficult to see the difference between the particle universe and ordinary particles.” Xu Ming secretly said, “As for the ‘I am the universe’ exercise, It is also very secretive, even if Zihe Dazun is the top existence in the universe, he may not be able to see any problems...”

Xu Ming still had some confidence in his divine body.

It is not so easy to see through Xu Ming's divine body!

“If Great Senior Zihe didn't find anything abnormal in me, he would have directly excluded me from the universe heresy... In this case, it will be much more convenient for me to do things in the future!” Xu Ming thought again.

The arrival of the Great Senior Zihe was a threat to Xu Ming, but also an opportunity?

If Zihe is excluded from the universe heresy, then the will of the universe will probably not be staring at Xu Ming in the future – this will be of great benefit to Xu Ming!

After all, what Xu Ming feared most was being targeted by the will of the universe.

call out-

The Great Master Zihe looked at Xu Ming's divine body several times, inside and out, and even set his eyes on Xu Ming's inner world.

And Xu Ming didn't stop him, and let Great Senior Zihe's eyes scan.

“Huh?” Great Senior Zihe stared at Xu Ming for a long time, slightly puzzled.

Seeing this, Xu Ming naturally understood that Zihe Dazun couldn't see any heresy in himself, and suddenly heaved a sigh of relief. At the same time, Xu Ming secretly slandered in his heart: "I thought Great Senior Zihe was so terrifying! It turned out to be just that kind of eyesight!"

Of course, Xu Ming hides it very well, and won't reveal the secret joy in his heart. Whoosh!

The Great Senior Zihe withdrew his gaze, and his eyes returned to normal.

"Zihe Dazun!" Xu Ming deliberately glanced at the direction that Chimie Dazun was rushing towards, then looked at Zihe Dazun again, and said, "How? , I'll leave first! If I don't leave, the Great Senior Chimie will rush over, and then I won't be able to run away!"

With that said, Xu Ming passed directly by the side of the Great Senior Zihe, and fled quickly—not only was he fleeing from the Great Senior Chimie, but he also wanted to leave the Great Senior Zihe quickly.

"Zihe Dazun!" At this time, Chimie Dazun's voice sounded in the surrounding space and time, "Why are you so careless? This Xu Ming is definitely a cosmic heresy, you can check it carefully. Check it out!"

Chi Mie Da Zun didn't want to see Xu Ming running away like this!

Moreover, the only one who can stop Xu Ming now is the Great Venerable Zihe!

"Zihe Dazun!" Xu Ming also said, "You Dao Temple, you can't interfere in the struggles of other people in the universe! If you continue to stop me, I can't escape, you are just interfering with me and Chi Destroy Great Senior and their battle!"

"Zihe Dazun..." Chimie Dazun said again.

"Shut up!" Great Senior Zihe shouted directly, "You want to use me to help you stop Xu Ming?"

"You..." Great Senior Chi Mie suddenly stopped talking – after all, Great Senior Zihe represents the will of the universe, even if you are rude to him, there is nothing he can do.

“What should I do, I don’t need you to teach me!” Zihe Dazun said again, “Xu Ming, let’s go!”

Xu Ming was overjoyed and left quickly: “Thank you!”

call out-

Xu Ming’s figure quickly escaped.

However, Great Senior Zihe’s eyes still stayed on Xu Ming.

Chapter 2154: Eye Of The Universe

However, Great Senior Zihe’s eyes still stayed on Xu Ming.

“It’s true that there is no heresy found on Xu Ming’s body...” Zihe Da Zun secretly said, “But this is just my initial investigation... If you give me some more time to investigate carefully, maybe I can find out. What heresy!”

Zihe Dazun still has a lot of doubts about Xu Ming! In the entire real universe, who is most likely to be a heretic; then, I am afraid that there are many powerful people, and they will say Xu Ming without thinking!

After all, Xu Ming is really too defiant! In the entire real universe, there is no genius who is more defiant than him! – You are not a heretic, who is a heretic?

“But now, there is no time for me to wash and investigate!” Zihe Dazun secretly said.

Dao Temple acts, although domineering, but there are also rules.

Just like now, Xu Ming is obviously being hunted down by other Great Venerables; if Great Venerable Zihe continues to stop Xu Ming, it will be meddling in other people’s struggles! – This is undoubtedly strictly forbidden by the Taoist Temple.

Moreover, the Great Senior Zihe could not stop Xu Ming first, and then stop the Great Senior Chi Extermination later; that would also be against the rules.

Therefore, within the rules, Great Senior Zihe could only let Xu Ming leave.

“But... since you’ve already met, and you haven’t checked it out, you don’t even want to leave!” Great Senior Zihe’s gaze fell on Xu Ming.

Zihe Da Zun, whose own strength ranks in the top ten in the entire universe, is also the master of the Taoist Temple, and can act on behalf of the will of the universe, so how can he not have any means?

“I didn’t want to use the Eye of the Universe!” Great Senior Zihe shook his head.

Swish!

Immediately, a vertical eye suddenly appeared between the eyebrows of Great Senior Zihe.

The vertical eyes suddenly opened, half of them were pure black, and the other half were flawless pure white. This glance seems to see through the endless time and space, cause and effect of the universe...

wow—

The eyes of the pupil of the universe instantly fell on Xu Ming.

“Huh?” Xu Ming, who was flying away, seemed to suddenly feel the gaze of the entire universe; at this moment, it seemed that the secrets of his whole body were exposed – of course, this was just Xu Ming’s illusion. For example, the existence of “Xiaohang” cannot be discovered even by the Eye of the Universe!

“Is this...?” The Great Senior Zihe stared at Xu Ming with the treasure “Eye of the Universe”.

At this moment, in the eyes of the Great Senior Zihe, Xu Ming seemed to be exuding a scarlet aura; and this was the sign of a cosmic heresy! Moreover, the scarlet aura on Xu Ming’s body is like a stormy sea; it is obvious that the cosmic heresy on Xu Ming’s body is extremely strong!

“Xu Ming! Sure enough, it’s you!” Zihe Great Senior suddenly shouted angrily, “Suffer to death... a cosmic heresy!”

...

infinitely far away.

The Great Seniors who rushed over quickly and the Great Senior Chimie stopped when they saw this.

“Cosmic heresy?”

“Xu Ming is indeed a cosmic heresy!”

“Now, Xu Ming has been discovered by Zihe Dazun, and he is dead!”

“Isn’t this nonsense? It’s definitely dead!” Great Senior Chi Mie laughed, “Even if it were me... if I were a cosmic heretic, I would be killed by Great Senior Zihe! As for Xu Ming, in Great Senior Zihe His subordinates are even less able to resist!”

“Not bad! Great Senior Zihe is now acting on behalf of the will of the universe! In the entire universe, I am afraid that no Great Senior can compete with the Great Senior Zihe at this time!”

“Just die! It also saves us trouble!”

All the great lords stopped and looked at Xu Ming playfully – in their eyes, Xu Ming was already a dead person!

...

“I’ve been discovered!” Xu Ming naturally felt the killing intent of the Great Senior Zihe.

call out-

The Boundary Breaker opened the time and space, and Xu Ming's speed instantly increased to close to the speed limit of the universe.

"Escape?" The corner of Zihe's mouth showed a disdainful sneer.

"Haha!" The other Great Seniors also burst into laughter.

"Does he still want to escape from Zihe Dazun's subordinates?"

"How naive!"

"No one can escape from the command of the Great Senior Zihe at this time! Unless...the original Great Senior Kunpeng, Great Senior Eternal!"

"That's too bad! Great Venerable Kunpeng, Great Eternal Great Venerable, even in the face of Great Venerable Zihe at this moment, there is no need to run away at all! In their cosmic era, even the will of the universe must respect them; as for Dao Hall, I don't even have the guts to go to their troubles!"

"It's a pity this Xu Ming!"

"Indeed... Originally, with Xu Ming's talent, he might be able to reach the realm of Kunpeng Great Venerable and Eternal Great Venerable! Unfortunately, he has gone the wrong way and has become a cosmic heresy, and he will soon be destroyed by Zihe Great Venerable. killed..."

Some of Xu Ming's enemies, such as Chi Mie Da Zun, all said: "It's good to die!"

They are really afraid that enemies like Xu Ming continue to grow!

"Dead! Die! Die!" Su Yan clenched his fists, wishing Xu Ming would die immediately.

Swish!

At this moment, Zihe Dazun moved!

Zihe Dazun's "speed change" is too fast! – Xu Ming's speed, from zero to close to the speed limit of the universe, also took a little time, although this time was very short. However, the speed of Zihe Dazun, from zero to close to the speed limit of the universe, did not take any time at all!

In just an instant, it is already close to the speed limit of the universe!

Oh no!

To be precise, it is not "close to the cosmic speed limit", but has really reached the "universal speed limit"! – As the spokesperson of the will of the universe, the Great Senior Zihe acts in time and space, like a fish in water, and will not be suppressed by the rules of the universe's operation at all; even, the rules of the universe's operation will in turn help the Great Master Zihe!

Xu Ming's speed is only "close" to the speed limit of the universe; while the speed of the Great Master Zihe really "reaches" the speed limit of the universe! – Between the two, the speed is not much different! However, this small speed gap was enough for Zihe Great Senior to catch up with Xu Ming!

Moreover, Zihe Dazun's "speed change" is much faster than Xu Ming! Therefore, no matter how Xu Ming changes direction, he will never escape!

Xu Ming, there is no way to escape!

Xu Ming naturally discovered this situation, he could only grit his teeth: "I want to see how powerful Zihe Great Senior is!"

boom!

Xu Ming's feet slammed heavily in the space, his body turned like lightning in time and space, and he turned around to kill Zihe Dazun.

boom!

The power of the Boundary-Breaking Spear had already shattered the endless void, and in an instant it arrived in front of the Zihe Great Venerable.

“Heh!” Seeing this, Zihe Great Senior just smiled disdainfully. I didn’t see any movement from him. I saw a black light shot out of his third eye, “Eye of the Universe”, towards the tip of the Boundary-Breaking Spear.

boom-

Xu Ming only felt that the Boundary Breaker Spear in his hand had received an incomparably huge impact, as if it was being crushed by the entire universe.

Bang!

Xu Ming’s whole person was like a kite with a broken string being blown away. Even the particle universe has been annihilated countless!

With just one look, Xu Ming has already been hit hard!

Chapter 2155: Heresy

With just one look, Xu Ming has already been hit hard!

“Okay!” Su Yan clenched his fists and shouted excitedly.

“Hahaha...”

“Dead!”

“Zihe Dazun takes action on behalf of the will of the universe, does Xu Mingan have the principle of immortality?”

“Definitely!”

Chimie Dazun, Kunyu Dazun and other Dazun who had hatred with Xu Ming were also gloating.

Xu Ming's sky-defying talent made them feel too threatened. Now, these Great Seniors can see Xu Ming being killed without having to take action in person. Of course, it is too late to be happy.

"Alas..." Inside the Eternal Hall. The female Great Senior who had mentioned Xu Ming was also paying attention to the situation on Xu Ming's side; but at this time, she could only sigh softly and shook her head, "It is regarded as a cosmic heresy, and it is also a cosmic heresy. The Great Senior Zihe personally took action... This is an unsolvable situation!"

As long as there is a chance of life, the female Great Venerable of the Eternal Palace will take the risk of offending the Taoist Palace and speak out to remind Xu Ming. But now, she can't see a trace of vitality: "Han Mo... I have done my best for the things you entrusted to me! Only this time, I really can't do anything!"

This female grand lord of the Eternal Hall is Gu Hanmo's friend; the relationship between the two is enough to support each other in life and death! And she is also the only person in the entire real universe who knows the identity of "Xu Yin".

"Xu Yin, the bloodline passed down by Xu Ming and his other Taoist companion Yin Ran... This matter, in the Eternal Palace, only I know; even Xu Yin himself has his memory sealed, so he doesn't know it. The female Great Senior said secretly, "Originally, when Xu Ming came to the real universe, in addition to looking for Han Mo, he also wanted father and daughter to recognize each other! But now it seems that they will never have the chance to recognize father and daughter again... The sealed memory of Xu Yin can only be revealed after he has reached the realm of the Great Venerable!"

"Alas..." The female Great Senior sighed helplessly again.

...

"Xu Ming!"

The eyes of the pupil of the universe always fell on Xu Ming.

At this moment, the figure of the Great Senior Zihe seemed to be as majestic as heaven and earth: "Accept the trial!"

call out!

A black long sword slowly spit out from the pupil of the universe.

The Eye of the Universe is a top-level divine weapon for breaking the world; and this black long sword is a subsidiary divine weapon in the Eye of the Universe – the Sword of Original Sin!

Holding the original sin sword, you can slay all the heresies in the universe.

Swish!

The Great Master Zihe held the original sin sword, and his figure just flashed, and he accelerated to the limit of the speed of the universe! —The Great Senior Zihe at this time is the strongest existence in the entire universe! Not to mention Xu Ming's struggle, even escaping is impossible!

“I can't beat it! I can't escape!” At the moment of the fight, Xu Ming had already fully understood the facts, and no longer took any chances, “There is no other way, only to expose the ‘Infinite Resurrection’ is dead!”

In front of the Great Senior Zihe, exposing the “infinite resurrection” hanging, then, it is equivalent to exposing the “infinite resurrection” hanging in front of the will of the universe! – This is simply provoking the will of the universe!

However, Xu Ming had no other way to go!

Moreover, Xu Ming had a feeling: “The will of the universe seems to have to follow the rules of the universe's operation, not omnipotent! Otherwise... the will of the universe is going to deal with me, and I'm afraid it has already killed me, so there is no need for such trouble, There is no need to send Great Senior Zihe!”

Therefore, Xu Ming can almost be sure that even if he uses “infinite resurrection” in front of the will of the universe, the will of the universe will have nothing to do with him!

Swish!

Thinking of this, Xu Ming directly put treasures such as the Boundary Breaker into the “Heart Universe” – these treasures must be put away first! Otherwise, even if Xu Ming could use “Infinite Resurrection” to revive him, the treasure would be lost.

And as soon as Xu Ming put away the treasure, the other Great Seniors naturally saw it immediately.

“Huh? Have you put away the treasure?”

“It seems that Xu Ming has given up struggling!”

“It’s normal to give up the struggle! After all... In the face of the pursuit of Zihe Great Senior, I’m afraid no one can escape!”

“However, Xu Ming is really ignorant. Could it be that he thought that if the treasures were included in the Taoist contract, they would not end up in the hands of the ‘Dao Temple’? – Haha! Many treasures without a master will eventually flow into the ‘Dao Temple’!”

...

The Great Senior Zihe looked at Xu Ming with cold eyes: “If you know to give up your struggle, you are still a little self-aware! Then, accept the trial with peace of mind!”

call out-

The original sin sword cut through time and space. The strange power contained in the sword shocked Xu Ming.

“This sword is a little weird!” Xu Ming thought about it, he would rather explode himself than be killed by this original sin sword!

When Zihe Dazun’s figure approached...

boom! !

Without hesitation, Xu Ming ignited the entire divine body—self-destruction!

“Huh?” Great Senior Zihe did not expect that Xu Ming would be so decisive, “Humph! It seems that he wanted to cause me some trouble before it was temporary! But... how does he know that I now represent the will of the universe; Just his self-destructing power can’t possibly hurt me at all!”

“died!”

“Blow up!”

“Humph! Finally dead!”

Great Venerable Chimie, Great Venerable Kunyu, etc. all had happy expressions on their faces. If a monster like Xu Ming continues to let him grow up, I’m afraid... none of these great masters who have hatred with Xu Ming can feel at ease! Seeing that Xu Ming had finally fallen, all the Great Seniors breathed a sigh of relief.

“It’s good to be dead!” Chi Mie Da Zun sighed, “If Xu Ming escapes this time, I’m really worried, the next time I see him again, he will already be at the peak of Da Zun, or even reach the original Kunpeng level. The height of the Great Venerable, the Eternal Great Venerable!”

“Great Venerable Kunpeng... Eternal Great Venerable...”

The great lords of the real universe seem to have remembered the fear of being dominated by these two invincible beings!

The age of the universe where Kunpeng and the Eternal are, they are the rules in the universe! Even if it is a Taoist temple, you must retreat three times!

“It’s good now! Xu Ming has fallen! It is impossible for him to become the next Kunpeng Great Venerable and Eternal Great Venerable!”

All the great lords were talking, and suddenly felt that the atmosphere was a little wrong – the great lord Zihe, still frowning. If Xu Ming had really fallen, Great Senior Zihe shouldn’t have this look!

“what happened?”

“Could it be that Xu Ming is not dead?”

“Impossible! Xu Ming has already fallen! All of us have seen it! What’s more... Xu Ming has fallen in front of Zihe Great Venerable!”

“That’s right! The Supreme Lord Zihe also has the most treasured ‘Eye of the Universe’! If Xu Ming hadn’t fallen, it would have been impossible for the Supreme Lord Zihe to not find Xu Ming!”

“Zihe Dazun, what’s the situation?” Chimie Dazun couldn’t help but asked through voice transmission.

I saw Zihe Dazun’s expression solemn: “The cosmic heresy still exists, it has not disappeared!”

Chapter 2156: This Enemy Is So Scary!

“The cosmic heresy, still exists, has not disappeared!”

As soon as the Great Venerable Zihe said these words, all the Great Venerables fell into silence.

After a long time, all the Great Venerables made a terrified questioning sound.

“what?”

“The cosmic heresy, still exists, has not disappeared!”

“Xu Ming is not dead?”

“How could he not die! We have clearly seen Xu Ming blow himself up!”

“That’s right! In front of the Great Senior Zihe, Xu Ming can’t live!”

...

Great Senior Zihe ignored these doubting voices, but said solemnly: “The cosmic heresy has indeed not disappeared! That is to say... Xu Ming probably has some means of resurrection!”

Resurrection means?

Immediately, the Great Venerable said: “In the realm below the Middle Heaven Supreme, there is indeed a means of resurrection to resurrect! However, in the realm of the Upper Heaven Supreme and Great Venerable, how can there be any resurrection means!”

“that is!”

“Even if there is a resurrection method, it is a fake resurrection method – it is not a real resurrection, but it is not really dead!”

“In front of Great Senior Zihe, how could Xu Ming have such a chance to ‘feign death’?”

“Indeed! What’s the trick of ‘feigning death’ to escape the eyes of Great Senior Zihe?”

“Zihe Great Venerable?”

The great lords asked in confusion.

“It’s not a method of suspended animation!” Zihe’s expression became more and more solemn, “Xu Ming is definitely dead! Moreover, he definitely has a real resurrection method! – Great Senior level, but has a real resurrection method? No wonder...no wonder Xu Ming is regarded as a heretic by the universe!”

“What should we do now?”

“Yeah! Great Zun Zihe! Xu Ming is a cosmic heresy! Just forget it?”

“I can’t do anything for the time being!” The Great Senior Zihe shook his head and said, “Unless I find Xu Ming again, and...don’t give him a chance to blow himself up, just kill him with the original sin sword! In that case, even if Xu Ming is resurrected There are means, but it will not help!”

But the problem is – Zihe Dazun can’t find Xu Ming at all!

From the moment Xu Ming blew himself up, the line of cause and effect between Zihe Dazun and Xu Ming was completely broken.

Moreover, although the will of the universe regards Xu Ming as a heretic, the will of the universe must also act within the scope permitted by the operating rules; otherwise, the entire universe will collapse in order!

The collapse of the cosmic order is much more terrifying than the emergence of a cosmic heresy!

And within the rules of the universe’s operation, even the will of the universe cannot easily find Xu Ming from the vast crowd.

That is to say... Whether it is the Great Senior Zihe, or the will of the universe, at this time, there is nothing to do with Xu Ming, and there is no way to take Xu Ming.

“Zihe Dazun!” Suddenly, Chimie Dazun said in a row, “You might as well contact the Will of the Universe and ask the Will of the Universe to check the Taoist contract that Xu Ming used! In that case, wouldn’t it be possible to find Xu Ming?”

Only the master of the Taoist Temple can contact the will of the universe.

Zihe Da Zun’s eyes lit up slightly: “This is also a way!”

You must know that the reason why the “Dao Realm Contract” for storing treasures is so magical that it can store and store treasures anywhere in the universe, even in the small universes of other great masters, is because the “Dao Realm Contract” is actually a relationship with A contract signed by the will of the universe. So... the will of the universe, naturally there is a way to lock a certain power through the “Dao Realm Contract”!

Of course, under normal circumstances, the will of the universe will not use the causal relationship in the “Dao Realm Contract” to lock in a certain power; however, if it is regarded as a heresy by the will of the universe, it would be embarrassing!

In order to eliminate heresy, the will of the universe can be very shameless!

Swish!

The Great Senior Zihe closed his eyes, and his mind was connected with the will of the universe.

In the time and space, there was a flash of strange fluctuations, apparently the will of the universe came, and he was talking to the Great Venerable Zihe.

After a while.

The Great Senior Zihe opened his eyes, shook his head and said, “No! I can’t find it!”

“Can’t find it?” Kunyu Da Zun couldn’t help but wonder, “Isn’t Xu Ming’s treasures such as the Boundary Breaker always stored in the ‘Dao Boundary Contract’? How can it not be found?”

The Great Master Zihe sighed: “Xu Ming is too cautious! He has already cancelled all the ‘Dao Realm contracts’! The treasures stored in the contracts have been emptied by him a long time ago!”

“what!?”

“what!?”

“Without the ‘Dao Realm Contract’, where can Xu Ming’s treasures be stored?”

“If he blew himself up, then his treasure should also fall out! Like a world-shattering magic weapon, it can’t be destroyed by Xu Ming’s self-destruction, right?”

“That’s right! Where’s Xu Ming’s treasure?”

Great Senior Zihe shook his head: “I don’t know either!”

What about Xu Ming’s treasure?

It’s simple! Xu Ming’s treasures were all transferred from the “Tao Realm Contract” to the “Heart Universe”.

Although Xu Ming blew himself up, his will was immortal.

If the will is not destroyed, the heart and the universe will not be destroyed. When Xu Ming hangs his resurrection with “Infinite Resurrection”, treasures such as the Boundary Breaker Spear will also be restored and sealed in the Heart Universe.

“But it’s okay—” At this time, Zihe Da Zun said again, “I have already blocked the entire Thunder Destruction Territory with eighteen swords of will! Xu Ming is definitely still in the Thunder Destruction Territory now! – Everyone Your Highness, are you willing to come to Lei Mieyu to help me search for Xu Ming’s trace?”

“it is good!”

“Can!”

“Eradicate cosmic heresies! Obligation!”

Those Great Seniors who had hatred with Xu Ming expressed their opinions one after another, and at the same time, went to the Thunder Extermination Domain from various territories.

However...

Many Great Seniors have not yet arrived at the Thunder Destruction Domain, and the face of the Zihe Great Senior has changed again: “Xu Ming has just broken out of the blockade of the Sword of Will and left the Thunder Destruction Domain! Now, which territory is he going to, I No way to know!”

The blockade of the Sword of Will can prevent the Supreme Heavenly Supreme from walking out of the Thunder Destruction Domain; however, it cannot stop the Great Venerable's pace! – Xu Ming rushed out of the Thunder Destruction Territory. This was not something that could be stopped by the blockade of the Sword of Will; at most, it could only make the Great Senior Zihe feel that Xu Ming had left the Thunder Destruction Territory.

But that's about it.

After Xu Ming left the Thunder Destruction Territory, which territory he went to was simply beyond the control of the Great Senior Zihe!

Moreover, Xu Ming also has the magic weapon "Feng Zhou Ding" who can disguise his identity! It can be said... As soon as Xu Ming walks out of Lei Mie domain, it is almost impossible to find him again, unless Xu Ming takes the initiative to expose it!

"Let's all go back!" Zihe Dazun sighed, "We can only wait for Xu Ming to show up again!"

Those Great Venerables who had hatred with Xu Ming were both unwilling and terrified: "Zihe Great Venerable personally took action, but Xu Ming escaped? Moreover, even in which territory Xu Ming is now, he can't Sure?"

As for waiting for Xu Ming to show up again...

Is it possible that Xu Ming will show up easily?

impossible!

When Xu Ming appears next time, who can know how his strength will grow? – Unimaginable situation!

Those Great Seniors who had enmity with Gu Hanmo couldn't help but regret at this time.

Having a grudge with Gu Hanmo, that is, having a grudge with Xu Ming.

With an enemy like Xu Ming, it's really terrifying!

Chapter 2157: The Road To Revenge

One of the eight realms of the true universe, the Flame Demon Sea.

A nameless almighty with a black blade on his back flew across the sea of flames.

No one has ever seen this mighty man.

Because it is anonymous, it will not attract attention.

And this nameless swordsman is exactly what Xu Ming disguised.

“Flame Demon Sea is indeed more chaotic than Eternal Domain and Lei Mie Domain!” Xu Ming secretly said, “Not long after I entered the Flame Demon Sea, I have seen more than a dozen battles! I’m afraid... Only Chaos Ridge will be more chaotic than Chaos Mountain. The Flame Demon Sea is even more chaotic!”

Killing... No matter in the real universe or the virtual universe, it is a very normal thing!

Only in the slaughter, can the real strong come out! In a peaceful greenhouse, it is impossible for a strong man to be born!

Just like Xu Ming, although he is not a murderer, he has experienced countless killings along the way, and it can be said that his hands are covered with blood.

However, although Xu Ming has killed countless people, he always holds in his heart: People don’t offend me, I don’t offend anyone! Just like now, Xu Ming is powerful, but he will not bully those who are weak.

The reason why Xu Ming appeared in the Flame Demon Sea was actually for revenge.

“People don’t offend me, and I don’t offend others! If anyone offends me, they will be repaid a hundredfold!”

Xu Ming had never been to the Sea of Flames before, but in the Sea of Flames, he had several enemies—to be precise, not Xu Ming's enemies, but Gu Hanmo's enemies.

These enemies are all in the realm of Great Venerable! And Xu Ming came this time to find the weakest "Seven Luminaries"!

"The Seven Lights Great Senior is weak, but I heard that he has spent a lot of energy searching for traces of Han Mo in the entire real universe!" Xu Ming's eyes were cold, "Now, I am in Lei Mieyu Domain. Having exposed his strength, I am afraid that the Seven Luminaries will search even more frantically!"

At the Great Senior level, the strength of Seven Lights Great Senior is the bottom, maybe even weaker than Kunyu Great Senior.

However, the weaker this kind of strength, the more jumping it is! In dealing with Gu Hanmo, the Seven Lights Great Senior was even more enthusiastic than the other Great Seniors.

"Humph!" Xu Ming snorted coldly in his heart, "I can't deal with Chi Mie Dazun and the others, can't I still deal with a Seven Lights Dazun?"

You must know that if the Great Senior Kunyu hadn't hid in the treasure house, he would have been killed by Xu Ming now! If Xu Ming can deal with the Great Venerable Kunyu, he will naturally be able to deal with the Great Venerable Seven Lights of the same level!

Moreover, the Seven Luminaries Great Senior does not have a "tortoise shell" to hide from! As long as Xu Ming gets close to him, he can basically announce his death!

"The road to revenge begins with the Seven Lights Great Venerable!" Xu Ming secretly said.

For a long time, it was the Great Venerable Chimie, Great Venerable Seven Lights and other hostile Great Venerables who were dealing with Xu Ming and Gu Hanmo. Now, Xu Ming should turn around and clean them up!

The Seven Luminaries Great Senior was the first stop on Xu Ming's road to revenge.

Xu Ming has already started to plan how to approach the Seven Lights Great Venerable quietly.

At this moment, a conversation on the ground below caught Xu Ming's attention.

...

It was a "Lower Heavenly Supreme" in the appearance of a young man, and his whole body was full of sword energy; but at this time, he was being stopped by another lower Heavenly Supreme and a higher Heavenly Supreme.

The young man with sword energy looked at the two who were blocking him with some fear, and shouted, "Ning Xiao, what do you mean by blocking me?"

"Hahahaha...the broken sword!" Ning Xiao laughed loudly, "What? Seven Lights Great Venerable is recruiting registered disciples, do you want to try it too?"

The Seven Luminaries are recruiting named disciples?

Xu Ming, who was listening in secret, couldn't help but light up slightly and continued to watch.

"You can go, why can't I go?" Can Jian said solemnly.

"Hahahaha..." Ning Xiao continued to laugh, "Although the Seven Lights Great Senior will only recruit one named disciple at a time, with your talent, it is almost impossible to be selected! But... Can Jian, do you remember, When I was in the sect, what did I say?"

"What?" Can Jian's expression changed slightly.

"I once said... With Ning Xiao here, you won't get any chance!" Ning Xiao had a sinister smile on his face.

"you-"

Before Can Jian had time to say anything, Ning Xiao continued: "Also...you don't even have a 'daoist', so you dare to go to the Seven Lights Divine Mountain to participate in the Seven Lights

Great Venerable to recruit registered disciples? I really don't know, should I say you? Ignorance, or should I call you stupid?"

"What do you mean?" Can Jian said directly.

"I mean...it's very simple!" Ning Xiao's eyes flashed with a hint of coldness, "Participating in the Seven Lights Great Senior to recruit registered disciples, the competition is fierce! A genius like you without the protection of a daoist, it is very difficult to die on the way. A normal thing...you say?"

Having said that, Ning Xiao's killing intent is already very fruity!

"You..." Can Jian's face changed suddenly, "You dare to kill each other!?"

"Naive!" Ning Xiao said with a sneer, "Same family cannibalism? Then you have to have evidence first!"

call out-

As soon as Ning Xiao finished his words, the high-ranking Heavenly Sovereign beside him, that is, his Taoist protector, immediately shot and killed Can Jian.

Although Canjian is a genius, his talent is not so defiant, and it is naturally impossible to bridge the huge gap between "Lower Heaven Supreme" and "High Heaven Supreme". Seeing Ning Xiao's Taoist protector make a move, Can Jian suddenly became disheartened.

Ning Xiao's face became even more sinister.

But at this moment-

boom!

A black blade of light slashed the world and instantly separated Can Jian from the Taoist protector Ning Xiao.

The daoist's attack slammed into the black sword light and shattered instantly!

“Super master!” The daoist's face suddenly changed, and he looked in the direction of the knife light in horror, “Maybe it may be the top high-ranking heavenly supreme!”

An unknown swordsman stepped into the void and came, it was Xu Ming.

Xu Ming smiled faintly: “Boy, let me be your Taoist protector!”

Can Jian was suddenly pleasantly surprised – such a super strong person willing to be his Taoist guardian is definitely a pie in the sky for him!

“Thank you for your love, senior!” Can Jian said repeatedly.

Of course, what makes Can Jian even more pleasantly surprised is that this super-powerhouse, who is suspected to be the top-ranked Heavenly Supreme, is willing to be his Taoist guardian, which shows that he is optimistic about his talent!

After all, why would a super strong person be willing to be the guardian of those geniuses? – To put it bluntly, this is actually equivalent to an “investment”! Once the protected object of the Dao Protector becomes the registered disciple of the Seven Lights Great Venerable; then, the Dao Protector will naturally get a lot of benefits.

When Ning Xiao saw this, his face suddenly became extremely ugly: “This senior, are you trying to interfere in the affairs of our Yanshen Sect?”

The Yan Shenzong is still very powerful in the Flame Demon Sea.

Even the top-ranked Heavenly Sovereign would not dare to offend the Yan Shenzong easily.

“Interfering with your Yan Shenzong's affairs?” Xu Ming glanced at the other party and smiled, “Naive! Then you have to have evidence first!”

Chapter 2158: 7 Yao Dazun

“Naive! Then you have to have evidence first!”

“You...” Ning Xiao immediately showed panic.

The Taoist protector beside Ning Xiao was even more furious: “This fellow Taoist, you are too arrogant, right?”

boom!

The Taoist slammed at Xu Ming with one move, and at the same time pulled up Ning Xiao, turned around and fled – although he believed that he was not Xu Ming’s opponent, he did not think that he would not even be able to escape!

It’s just... how does he know that Xu Ming’s true strength is at the level of the Great Senior!

“Ha!” Xu Ming couldn’t help laughing when he saw the other party’s shot, “I wanted to scare and frighten it, but I didn’t expect to dare to shoot? Well... Since I don’t know whether to live or die, let’s send you on the road!”

Just two ants!

wow—

Xu Ming just waved his hand at will, and the two ants instantly turned into nothingness; moreover, it was impossible for the Yan Shenzong to find out how the two ants died.

“Let’s go!” Xu Ming glanced at the stunned Can Jian, and said with a light smile.

“Predecessor... Senior!” Can Jian continued, “Can Jian is just a name I thought of for myself, my real name is...”

“You don’t have to tell me your real name!” Xu Ming interrupted directly, “Don’t ask me what my name is! – From now on, I will be your Taoist protector; when you reach the Seven Lights Divine Mountain, the relationship between you and me will be yours. The cause and effect is over!”

Xu Ming just wanted to use his identity as a “daoist” to infiltrate the Seven Lights Divine Mountain in order to make a sneak attack on the Seven Lights Great Venerable.

So, in a sense, Xu Ming is actually using Cannjian; however, for Cannjian, is it not a chance? -If it hadn't been for Xu Ming, Can Jian would have died and disappeared by now!

“Senior!” Can Jian said solemnly, “When I become the registered disciple of Seven Lights Great Venerable, I will never forget the kindness of my predecessors!”

“No need! I don't need it!” Xu Ming said indifferently, “Also, you can't become the named disciple of the Seven Lights Great Venerable!”

Xu Ming is going to kill the Seven Lights Great Venerable! The Seven Lights Great Venerable is about to die, so where did he receive any named disciples?

However, when Can Jian heard this, it was a different feeling. He also thought that this unknown senior swordsman was not optimistic about his talent!

“Senior!” Can Jian said, “My talent will definitely be able to become the registered disciple of the Seven Luminaries!”

Xu Ming shook his head and said nothing.

For today's Xu Ming, being a daoist is actually quite a game in the world.

You must know that with Xu Ming's strength, he is definitely an emperor-like existence in the entire universe! If it weren't for the fact that there were too many enemies, too strong, and more importantly, he was regarded as a heretic by the will of the universe; then, Xu Ming would have established a sect in the real universe, and he would be even more prestigious than the Seven Luminaries!

Now, with the strength of the Great Senior, Xu Ming disguised himself as a Taoist protector, what is it if it is not “playing the world”?

“Let's go!” Xu Ming urged.

...

Seven Luminaries Sacred Mountain, countless powerful people worship.

With Xu Ming as the protector, Can Jian arrived at the Seven Lights Divine Mountain all the way, naturally he did not encounter any threat.

“A lot of powerhouses...” Standing at the foot of the Seven Lights Divine Mountain, Can Jian couldn’t help but wonder secretly.

Although the Yanshen Sect can be regarded as a major force in the Flame Demon Sea, but compared to the Seven Lights Divine Mountain, it is not a level of existence at all.

There are so many powerhouses in the Seven Lights Divine Mountain that the Yanshen Sect can’t compare at all!

Those who can climb the Seven Lights Divine Mountain are the existences of the “Heavenly Supreme” realm!

Can Jian looked at the densely packed Heavenly Sovereign, like a line of ants, ascended the Seven Lights Divine Mountain like a pilgrimage, and said with emotion: “This scene reminds me of the first time I climbed the mountain gate to seek Taoism when I was a mortal. the scene...”

Hearing this, Xu Ming couldn’t help but stunned slightly, and a flash of nostalgia flashed in his eyes – he couldn’t help but think of the scene when he first set foot on the “Wild Sect”.

It was also in the Wilderness Sect that Xu Ming and Gu Hanmo got married.

“Seven Lights Great Venerable...” Xu Ming had killing intent in his eyes, “The road to revenge starts from you!”

Immediately, Xu Ming and Can Jian also set foot on the Seven Lights Divine Mountain.

Can Jian looked at the strong man on the Seven Lights Divine Mountain and exclaimed in a low voice from time to time:

“That is Hongyuntian Supreme! It is said to be the top high-ranking Heavenly Supreme! Thirty million years ago, he defeated ten high-ranking Heavenly Supremes with one enemy, and he became famous since then!”

“That’s Jing Yetian Supreme! It’s also a top-ranked Heavenly Supreme Powerhouse!”

“That is Xuanfengtian Supreme...”

Xu Ming stared blankly.

At this time, Can Jian couldn’t help but ask: “Senior! With your strength, you should have already shaken the sea of flaming demons? Could it be that there is no strong person you know here?”

Xu Ming glanced coldly at Can Jian.

Can Jian suddenly didn’t dare to speak: “I’m talking too much!”

“Hahahaha...” At this moment, a laughing voice sounded beside him, it was a strong man in white, “Megatron Flame Demon Sea? Hahahaha... What kind of strength is this swordsman? Half-step great master? Dare to claim it Megatron Flame Demon Sea?”

Others on the side echoed: “That’s right! Don’t even look at where this place is Dare to make nonsense? Even if the top-ranked Heavenly Supreme arrives here, he wouldn’t dare to claim to be a supernatural sea of flames, right? ”

Xu Ming didn’t speak, didn’t do anything, just left – he was here to deal with the Seven Lights Great Venerable, he shouldn’t risk his identity for the sake of these few ignorant rats.

Seeing that Xu Ming left without saying a word, the others ridiculed even more.

Can Jian is full of apology: “Senior... I said the wrong thing again!”

“It doesn’t matter!” Xu Ming said indifferently, “Now we have arrived at the Seven Lights Divine Mountain! As I said, when we arrive at the Seven Lights Divine Mountain, the cause and effect between you and me will be over!”

“Senior!” Can Jian continued, “I haven’t repaid your kindness yet! I will definitely become the named disciple of Seven Lights Great Senior!”

“You can’t make it!” Xu Ming smiled meaningfully, “Also, I don’t have any kindness for you! As for the kindness that saved your life, you have already paid it off!”

What Xu Ming was referring to was, of course, using the broken sword to easily enter the Seven Lights Divine Mountain.

As for Can Jian, he still didn’t understand what Xu Ming meant: “I paid it off? How could it be! Senior, I haven’t even started to pay it back!”

“I said it’s paid off! It’s paid off!” Xu Ming said lightly.

suddenly-

The originally noisy Seven Lights Sacred Mountain became quiet in an instant.

“The Seven Luminaries... have come!”

wow—

Immediately, countless gazes were devoted to the Seven Lights Great Venerable.

The Seven Lights Great Venerable exudes a holy light, and it is a matter of course to accept the worship of thousands of strong people.

Only Xu Ming had coldness in his eyes. However, with Xu Ming’s strength and disguise, as long as he doesn’t take the initiative to reveal it, even at such a close distance, the Seven Lights Great Senior would never even think of finding him!

“Seven Lights Great Senior...” Xu Ming quietly observed the formation of the Seven Lights Divine Mountain, waiting for the opportunity to take action.

Chapter 2159: This Idiot!

“Everyone came from afar to come to my Seven Lights Sacred Mountain to participate in the grand event, I am very grateful!” Seven Lights Great Venerable smiled, said some polite words, and then went straight to the topic, “As everyone knows, my Seven Lights Sacred Mountain, every 100,000 epochs, will meet Recruit a group of guest ministers! And I will also recruit a named disciple!”

The 100,000 Era is naturally extremely long for ordinary gods. However, even for the domain master and the world master, it is not a long time; for the ordinary supreme, it can be described as “short-lived”.

And for the high-ranking Heavenly Supremes and Great Venerables on the Seven Lights Divine Mountain at this time, the 100,000 Era is even more of a snap!

The Seven Lights Great Venerable continued: “Whether it is a guest minister or a named disciple, as long as you enter my Seven Lights Divine Mountain, you will naturally be blessed by my Seven Lights Divine Mountain from now on! – High Heaven Supreme, as long as you want, you can become a guest of my Seven Lights Divine Mountain! The next Heavenly Supreme, there is hope to become my named disciple!”

Seven Lights Great Venerable accepts named disciples, only “Lower Heavenly Supreme”, not the middle Heavenly Supreme and Upper Heavenly Supreme!

Because, the cultivation path of the Middle Heavenly Supreme and the Upper Heavenly Supreme has basically been fixed; the future achievements have also been basically fixed! Even if the Seven Luminaries Great Venerable made a move, it would be difficult to improve the future achievements of the Middle Heaven Supreme and the Upper Heaven Supreme.

Of course, if it is the kind of person with good talent, who is expected to become a half-step Great Venerable, or even the Great Venerable’s Median Heavenly Sovereign and Upper Heavenly Sovereign, then even Great Venerables will rush to accept them as disciples!

“If you want to become my named disciple, please fly up! I will choose one of you to become my named disciple!” Seven Lights Great Senior said somewhat casually.

For him, recruiting named disciples is a matter of randomness.

Every time the grand gathering of the Seven Lights Divine Mountain, there will be countless geniuses who want to become his named disciples; and the Seven Lights Great Venerable, just pick one of them at random.

Swish! Swish! Swish! ...

Immediately, tens of thousands of geniuses from the lower heavens flew up; among them, there was naturally a broken sword.

In fact, the lower-ranked Heavenly Supremes who came to the Seven Lights Divine Mountain are far more than this number; however, those who dare to recommend themselves and want to become the named disciples of the Great Honored are all quite confident in their talents!

call out-

Seven-colored rays of light erupted in the eyes of the Seven Lights Great Senior;

With the realm of the Seven Lights Great Venerable, all the realms and talents of geniuses are naturally invisible; even if there is any hidden trump card, it cannot escape the sharp eyes of the Seven Lights Great Venerable.

“Huh?” Suddenly, when Seven Lights Great Senior’s eyes fell on Can Jian’s body, he couldn’t help but let out a slightly surprised voice, “What a strong sword intent! What a strong talent for kendo! Such a genius is rare!”

Immediately, the Seven Luminaries had a choice.

Immediately, the gaze of the Seven Lights Great Senior swept over the other geniuses, and seeing that the talents of other geniuses were mediocre, he directly announced: “My named disciple is—he!”

call out-

In the direction of Seven Lights Great Senior's finger, a ray of light instantly fell on Can Jian's body.

"Me? Is it really me?" Although Can Jian was quite confident in his talent, when the Seven Lights Great Senior really pointed his finger at him and chose him as his named disciple, he couldn't help but be pleasantly surprised.

And other geniuses, as well as the surrounding powerhouses, also cast envious glances in the past – to be able to become the registered disciple of the Great Senior, the future is naturally unlimited! Not to mention the strength, it is certain to become the top powerhouse among the Supreme Heavenly Sovereign, even if it becomes the "Top High Heavenly Sovereign"; moreover, with the identity of "Great Senior Disciple", in the future, in the true universe, how many Dare to provoke?

It can be said that becoming a named disciple of the Great Senior is already on the road to prosperity!

Feeling the envious gazes around him, Can Jian couldn't help but feel light.

"You stay there, come to me after the event is over!" Seven Lights Great Venerable said again.

"Yes!" Can Jian continued.

At this time, Can Jian couldn't help but look at Xu Ming, and said, "Senior, am I right? I will definitely become the named disciple of the Seven Lights Great Venerable!"

However, what surprised Can Jian was that Xu Ming answered him with the same sentence: "No! You can't become the named disciple of the Seven Lights Great Venerable!"

"I..." Can Jian only felt that the unknown senior swordsman was a little unreasonable, "Senior is joking! The Seven Lights Great Senior has already selected me as a named disciple, why can't I become it? -Senior, you too Don't worry, I made a promise before that as long as I become Da Zun's named disciple, I will definitely repay the kindness of my predecessors!"

Xu Ming smiled and shook his head, but said nothing.

At this time, the Seven Lights Great Venerable invited those high-ranking Heavenly Sovereigns who wanted to become “King Qing” to come to him.

Swish!

Xu Ming’s figure moved without hesitation; he and hundreds of other high-ranking Heavenly Supremes flew towards the Seven Lights Great Venerable.

“It turns out that the senior wants to be the Keqing of the Seven Lights Divine Mountain...” Seeing this, Can Jian couldn’t help but secretly said, “Although I am a registered disciple of the Seven Lights Divine Mountain, I am afraid that my status is not much higher than the Keqing... No wonder the senior said that I don’t need it. I will repay! When he becomes the guest of the Seven Lights Divine Mountain, he naturally does not need my repayment!”

Can Jian seems to understand the thoughts of this unknown senior swordsman.

“Hahahaha...” The Seven Lights Great Senior laughed and got up, “I am very happy that you can become the guests of my Seven Lights Divine Mountain!”

Cultivating named disciples requires a lot of resources; however, Ke Qing does not need many resources. With the addition of hundreds of high-ranking Heavenly Supremes at once, the Seven Lights Great Venerable is naturally also happy; the attitude towards these guests, . com is also somewhat enthusiastic.

“Everyone, please take your seats there!” Seven Lights Great Senior pointed to a pile of seats not far from him and smiled.

call out! call out! call out! ...

One after another, the newly joined guest ministers all took their seats towards the pile of seats.

Only Xu Ming continued to fly towards the Seven Luminaries.

“Huh?” Seeing this, Seven Lights Great Senior could not help but frown slightly, “I’ll let you sit there!”

Although the Seven Lights Great Venerable is still more polite to the guests, but after all, he is the Great Venerable, and it is impossible to be polite. Seeing that he has already spoken, the swordsman in front of him is still flying towards him. Displeased – he doesn't need a disobedient guest!

“Leave right away, you won't be seated!” Xu Ming said with a half-smile.

“Leave right away?” The Seven Lights Great Senior did not understand the meaning of this sentence for a while – didn't he join the Seven Lights Divine Mountain and become a guest minister? Why did you say you're leaving now?

At this time, Xu Ming was not far away from the Seven Lights Great Venerable!

“This idiot!” Xu Ming sneered in his heart – at such a close distance, Xu Ming was embarrassed to say it was a sneak attack! This is simply equivalent to putting the knife on the neck of the Seven Lights Great Venerable, waiting for Xu Ming to drop the knife!

but...

Xu Ming wouldn't mind, beheading the Seven Lights Great Venerable was too easy!

boom! !

Xu Ming exploded instantly!

The black blade on his back, directly under his momentum, flew to the endlessly distant sky, and disappeared in an instant.

And what Xu Ming is holding in his hand is the Boundary Breaker Spear!

“You...” The Seven Lights Great Venerable suddenly split his eyes. Only then did he realize who was the person in front of him, “Xu...Xu Ming!?”

Xu Ming's eyes did not contain any emotion except killing intent: “Die!”

Chapter 2160: You Can'T Keep Me!

“Die!”

Because the distance was too close, Xu Ming's Boundary Breaking Spear was in front of the Seven Lights Great Venerable in an instant.

At this time, the Seven Lights Great Venerable had time to take out his world-shattering magic weapon to resist.

boom-

The strength of the Seven Lights Great Senior is equal to that of the Great Senior Kunyu. Compared with Xu Ming, it is a level weaker! You must know... Even the Great Senior Kunyu was almost killed by Xu Ming when he was prepared. What's more, now, the Seven Lights Great Senior was attacked by Xu Ming without any precautions?

With a single shot, the Seven Luminaries Great Senior was directly blasted away, and slammed into the formation of the Seven Lights Divine Mountain, causing the entire formation to crack. And the divine body of the Seven Luminaries Great Venerable was directly and seriously injured!

“Xu Ming!!” The Seven Lights Great Venerable roared, “Anyway, you are also the Great Venerable! How dare you use such an indiscriminate sneak attack?”

“You never attacked?” Xu Ming sneered.

Xu Ming didn't care about the words of the Seven Lights Great Venerable. To be able to reach the level of the Great Venerable, the means are definitely more ruthless than the other; in comparison, Xu Ming can be said to be very simple and kind, right?

Now, the Seven Lights Great Master actually opened his mouth to scold Xu Ming for being “indiscriminate”, which is simply shameless!

“Let’s talk about it...” Xu Ming said again, “Even if I don’t sneak attack, can you be my opponent? I’m afraid that you will run away when you see me from a distance, and you don’t even have the courage to stand in front of me! ”

boom-

Xu Ming fired another shot.

“Pfft!” With this shot, the Seven Lights Great Senior was injured even more seriously.

“Xu Ming! Xu Ming!” Seven Lights Great Senior continued, “This is the first time you and I have met. There should be no unresolved grievance between you and me! Why don’t we sit down and talk about it?”

“Ha!” Xu Ming just sneered, ignoring the rhetoric of the Seven Lights Great Venerable; the boundary-breaking gun in his hand was even more unceremonious, shot after shot, angrily blasting at the Seven Lights Great Venerable.

The Seven Luminaries wanted to escape! But what... The difference in strength between him and Xu Ming is really big, plus he was seriously injured by Xu Ming’s sneak attack, and he didn’t have the life-saving means like Kunyu Dazun – in Xu Ming’s rampant bombardment. Under the bombing, he had no chance to escape at all!

“Everyone, come and save me!” The message of the Seven Lights Great Senior was instantly passed to every great master in the real universe, “Xu Ming is in my Seven Lights Divine Mountain, you want to kill me!”

Swish! Swish! Swish! ...

Immediately, the spiritual thoughts of the Great Venerables descended on the Seven Lights Divine Mountain.

“Xu Ming is actually in the Seven Lights Divine Mountain?”

“How bold! Xu Ming even dared to appear in the eyes of our great esteemed!”

“Not good! It seems that the Seven Lights Great Senior can’t hold it anymore!”

With the eyesight of all the Great Venerables, it can naturally be seen that the Seven Lights Great Venerable is in danger at this time.

Sudden-

A void ladder came directly from the infinitely distant time and space, leading directly to the Seven Lights Divine Mountain.

The majestic voice of the Great Master Zihe resounded loudly: “Xu Ming! How dare you show up? You just don’t know whether to live or die! – Great Senior Seven Lights, hold on to Xu Ming for a moment! As long as you hold on, you will die. Not you, but him!”

“Drag?” The Seven Lights Great Venerable heard the words, but he wanted to cry without tears – now he was beaten by Xu Ming and couldn’t even lift his head, let alone drag Xu Ming!

Seven Lights Great Senior could only pray: “Zihe Great Senior, come quickly...”

At this time, the only one who has hope to save the Seven Lights Great Venerable is the Great Venerable Zihe!

“Zihe Dazun!” Xu Ming sneered, “It’s useless! When you come over, I’ll be gone!”

boom! boom! boom! ...

Xu Ming’s attack fell more and more violently on the Seven Lights Great Venerable.

“No—” Seven Luminaries felt the coming of death. Rao is because he is in the realm of the Great Senior, and he feels extremely powerless.

“Time Reverse Flow!” Seven Lights Great Senior quickly performed “Time Reverse Flow” in an attempt to save his life.

However, when he just performed “Reverse Time”, Xu Ming also directly started “Reverse Time”. If the countercurrent of time on both sides is offset, there will be no effect – both are at the level of the Great Senior, and the method of “countercurrent of time” will not work!

“Xu Ming! You are deceiving people too much!” Seven Lights Great Senior gnashed his teeth.

boom-

The phantom of the real river of time appeared directly above the Seven Lights Divine Mountain.

The figure of the Seven Lights Great Senior hurriedly fled to the real river of time – he wanted to jump into the vortex of the real river of time, and escaped to a place in the past to hide; in this way, he might be able to escape Xu Ming’s pursuit. kill.

“Huh?” Looking at the phantom of the real river of time, Xu Ming’s face finally changed slightly – the other great masters did not know that Xu Ming was not in the realm of great masters; however, Xu Ming himself knew that he was not a great master!

It’s not the Great Senior, and Xu Ming can’t use some Great Senior-level means.

For example, “Back in Time”. Xu Ming himself does not have the means to “counter the flow of time”. It can only be displayed by relying on plug-ins.

Another example is to enter the real river of time, Xu Ming can’t do it – only the great master can enter the real river of time and travel to the past and the future.

“I can’t let him escape into the real river of time!” Xu Ming secretly said.

Once the Seven Luminaries are allowed to escape into the real river of time, then Xu Ming will not be able to kill him! After all Xu Ming cannot enter the “real river of time”! – Of course, other Great Seniors don’t know about this, only Xu Ming himself knows.

“Kill!” Xu Ming’s killing intent was even stronger. All the ultimate moves are frantically vented to the Seven Lights Great Venerable.

The real river of time is above the Seven Lights Divine Mountain, and it is not far from the Seven Lights Great Venerable. However, even this not-so-distant road made Seven Luminaries feel that it was longer than the distance he had traveled in his entire life.

Moreover, the Seven Lights Great Senior is constantly approaching the real river of time, but for some reason, he feels as if he is getting further and further away from the real river of time, as if he will never be able to reach the real river of time!

“It’s near!”

“It’s near!”

Seven Luminaries Great Senior’s eyes are full of desire.

However, the closer he is to the real river of time, the more difficult it is to walk.

finally-

Just when the Seven Lights Great Senior was about to arrive at the River of Time, it was finally difficult for him to advance half a step! The icy boundary-breaking spear penetrated his chest, annihilating every particle of his divine body and destroying his inner world...

Bang!

Seven Lights Great Senior suddenly turned into nothingness.

“No—” Seven Lights Great Venerable roared silently, but to no avail!

Seven Luminaries Great Senior, die!

Since the Great Venerable of the Three Realms, another supreme being has fallen in the universe!

“Xu Ming!!” At this time, the majestic figure of Zihe Da Zun finally stepped over the sky ladder and arrived at the Seven Lights Divine Mountain.

“Hahahaha...” Xu Ming laughed and put away the boundary-breaking gun, “Zihe Dazun, you can’t keep me!”

Laughing loudly, Xu Ming’s divine body also began to annihilate at the same time – without giving Zihe Dazun any chance to fight, Xu Ming committed suicide!

“You...” Zihe Great Senior was really helpless. He committed suicide at the first sight, and he had no chance to use any means to deal with Xu Ming.
