Chapter 2161: Fax Universe

“Seven Luminaries Great Senior... has fallen!”

The Seven Lights Divine Mountain fell into a long silence.

Today is the grand event of the Seven Lights Divine Mountain. In the entire Flame Demon Sea, and even in other territories of the real universe, I don't know how many powerful people come to the Seven Lights Divine Mountain because of its fame; the reason is to worship the Seven Lights Great Venerable, become a named disciple of the Seven Lights Great Venerable, or become a guest of the Seven Lights Divine Mountain. . But now... Seven Lights Great Venerable has fallen!

In front of the entire Seven Lights Divine Mountain, the Seven Lights Great Venerable was beheaded by a Great Venerable who appeared out of nowhere...

“Who is Xu Ming?”

Many strong people have questions in their hearts.

The name of Xu Ming had spread to every great master in the real universe long before billions of years ago; after all, the death of the great master of the Three Realms in the virtual universe at that time was related to Xu Ming.

However, the death of the Great Venerable of the Three Realms is a matter of the Great Venerable level; those ordinary Heavenly Supremes are not qualified to know the true cause of death of the Great Venerable of the Three Realms. Therefore, in the Seven Lights Divine Mountain at this time, naturally no one knew the character “Xu Ming”.

“Among the great masters of the true universe, is there Xu Ming? Why have I never heard of it?”

“I really never heard of it!”

“But... even the Seven Lights Great Senior was killed by him! This Xu Ming must be at the Great Senior level!”

“Could it be a newly promoted Great Venerable? The reputation hasn’t spread to our Heavenly Supreme level? – But it’s not right! Even a newly promoted Great Venerable, when he was in the Heavenly Supreme Realm before, must have already been full of prestige. The real universe; but why, we have never heard of a powerful Heavenly Sovereign whose name is Xu Ming?”

“However... the strength of this Great Senior Xu Ming is really tyrannical! Seven Lights Great Senior is under his command, and he has no resistance at all, and he can’t even escape into the real river of time...”

“Right! Now that the Seven Lights Great Venerable has fallen, what should we do?”

On the Seven Lights Divine Mountain, all the powerhouses were discussing and looking at each other in dismay – the Seven Lights Great Venerable has fallen, will this grand event continue?

“Zihe Dazun!” The strong man in charge of the Seven Lights Divine Mountain, even directed at Zihe Dazun above the sky, cast his eyes for help.

The Great Senior Zihe glanced down at the Seven Lights Divine Mountain, and just said, “The Great Senior Seven Lights has fallen!”

Immediately, Great Senior Zihe left immediately.

Without the Seven Lights Sacred Mountain, where the Great Senior sits, he is not qualified to be looked at by the Great Senior Zihe.

The strong man in charge of the Seven Lights Sacred Mountain originally still had the mentality of luck and hoped that the Seven Lights Great Venerable was still alive; after all, the Great Venerable and the strong man did not fall so easily. However, after hearing the words of the Great Venerable Zihe, the powerhouses of the Seven Lights Divine Mountain suddenly became disheartened.

Without the Seven Lights Great Venerable, they have to think about what the Seven Lights Divine Mountain will do in the future!

After all, when the Seven Lights Great Venerable was in charge, the Seven Lights Divine Mountain had bullied many other Heavenly Supremes; and among those Heavenly Supremes, there were naturally strong powerhouses! With the Seven Lights Great Venerable there, even if the Heavenly Supreme Being was bullied, they would not dare to seek revenge on the Seven Lights Divine Mountain; but now, the Seven Lights Great Venerable is no longer there, one can imagine that soon, the Seven Lights Divine Mountain will usher in revenge. .

Moreover, there are many treasures in the Seven Lights Divine Mountain. Now that the Seven Lights Great Venerable is not in charge, these treasures will definitely be targeted by those who are interested.

Therefore, the next days of the Seven Lights Divine Mountain will never be easy.

Thinking of this, some of the guests of the Seven Lights Divine Mountain have quietly started to leave – as the saying goes, the tree falls and the hozen is scattered. The Seven Lights Great Senior is the big tree of the Seven Lights Divine Mountain; now that the Seven Lights Great Senior has fallen, those hozens will naturally disperse.

Even the former guests began to leave, so other guests, as well as the newly joined guests, naturally began to leave. In this regard, the Seven Lights Divine Mountain did not say anything – they are too busy to take care of themselves now, how can they have the energy to pay attention to the departure of these people.

Can Jian stood blankly in the crowd, the ecstasy of being accepted by the Seven Lights as a named disciple has long since vanished; now, in Can Jian's heart, in addition to being overwhelmed, he is still overwhelmed.

“Seven Lights Great Sovereign...” Can Jian never thought that he had just become Seven Lights Great Sovereign's named disciple, and as a result, Seven Lights Great Sovereign died... Moreover, the one who killed Seven Lights Great Sovereign was his “Daoist” .

“The strength of that senior Xu Ming is really...” Can Jian sighed, “Unfortunately, when I got along with senior Xu Ming before, I didn't ask for advice; as for now, I have missed this opportunity!”

At this time, Can Jian couldn't help but remember what Xu Ming said to him before: “You can't become the registered disciple of the Seven Lights Great Venerable!”

At that time, Can Jian was still unconvinced, thinking that with his talent, he could definitely become the named disciple of the Seven Lights Great Venerable. Later, when he was accepted as a named disciple by the Seven Lights Great Venerable, he even felt proud.

But now, Can Jian understood the meaning of what Xu Ming said to him before: “It turns out that Senior Xu Ming said that I could not become the named disciple of Seven Lights Great Senior, not because of my talent, but because of... Seven Lights Great Zun will be beheaded by him!”

Can Jian suddenly felt extremely terrified.

And near Cannjian, the white-clothed powerhouse who had mocked Xu Ming before was completely bloodless at this time.

“My mouth is cheap...” The white-clothed strong man couldn’t be more remorseful. At that time, he even came up to ridicule Xu Ming and asked Xu Ming what he was, and he dared to call it the Megatron Sea of Flames. Now, seeing the Seven Luminaries being beheaded by Xu Ming, the white-clothed powerhouse understands... It turns out that “Megatron Flame Demon Sea” is a humble statement, even if it is “Megatron Real Universe”, it doesn’t matter. Go!

“I hope senior Xu Ming can remember the villain’s past!” The white-clothed powerhouse only hopes that senior Xu Ming can let him go as a fart; otherwise, even the Seven Lights Great Senior will be beheaded, he What does it count?

In fact, this white-clothed powerhouse was purely frightening himself – as Xu Ming, since he didn’t take action against him when he left, he would naturally disdain to settle accounts later in the fall. In other words, just relying on the ordinary high-ranking Heavenly Supreme, the white-clothed powerhouse is not worthy of Xu Ming making a special trip to deal with him.

...

With the Seven Lights Sacred Mountain as the center, Xu Ming’s name quickly spread throughout the entire Flame Demon Sea, and then spread to the eight major territories of the entire True Universe.

Those Great Seniors who have hatred with Gu Hanmo, the strength is good, at least they are not afraid of Xu Ming at the moment; but those who are similar in strength to the Seven Lights Great Senior and Kunyu Great Senior are beginning to endanger themselves – after all, Xu Ming Ming

has already beheaded the Seven Lights Great Venerable, so he is not sure which Great Venerable he will find next.

As a result, these weaker Great Seniors were either grouped together, or temporarily hiding under the shade of a powerful Great Senior.

You must know that the Great Venerables have always seen the head of the dragon but not the tail; in this way, for a while, in the real universe, it is even more difficult to see the trace of the Great Venerable.

but...

The initiator of all this, Xu Ming, had already left the Flame Demon Sea and came to the Eternal Realm.

Moreover, Xu Ming's identity is no longer Xu Ming; instead, he used Feng Zhou Ding to disguise himself as "Jian Yi".

"Eternal Palace, here I come!"

Chapter 2162: 1 Family With 3 Great Honors

call out-

Eternal domain.

Xu Ming's figure flew across the endless sky.

"Now... I'm afraid everyone is already in danger for those weak Great Seniors, right?" Xu Ming could fully imagine how much impact he had on the Great Seniors of those hostile forces by beheading the Seven Lights Great Seniors. , and how much impact it had on the entire real universe.

Before beheading the Seven Lights Great Venerable, Xu Ming's name was not very loud in the real universe; but now, the entire real universe has already known, and since then, there will be another

Great Venerable powerhouse standing at the peak of the universe! And it is still the stronger one in the Great Senior Realm!

What's even scarier is... Xu Ming's potential!

Now, in the real universe, there are already many people discussing whether Xu Ming will reach the level of Kunpeng Great Venerable and Eternal Great Venerable! If Xu Ming really achieves it, then the pattern of the entire universe will be shaken!

However, Xu Ming naturally wouldn't care about these discussions in the real universe.

"Those Great Seniors, I'm afraid that I will continue to attack and assassinate? Even, maybe they have already laid out the plan, just wait for me to show up!" Xu Ming smiled secretly, "But well... such a thing as a sneak attack, do it. The first time was the best, but the second time was much worse! I didn't bother to waste time and continued to attack those great masters!"

For revenge, Xu Ming is really not in a hurry!

Xu Ming's strength has grown too fast! In particular, Xu Ming's current realm has just broken through to Heavenly Sovereign, which is the soaring period of his strength. Just imagine that Xu Ming, who has just broken through to the next Heavenly Sovereign, can already hang or even kill Great Sovereign; then, wait for Xu Ming When his realm reaches the peak of the Supreme Heavenly Sovereign, looking at the entire universe, how many other Great Seniors can be his opponents?

At that time, Xu Ming can completely let go of his hands and feet and take revenge! With the "infinite resurrection" hanging, no enemy will be able to resist Xu Ming's slaughter!

Even if the Dao Temple's Great Venerable Zihe made a move, he couldn't stop Xu Ming!

At that time, it is time for the real "big reckoning"!

...

Xu Ming traversed the Eternal Domain all the way.

“The last time I was in the Eternal Domain was when I first arrived in the real universe!” As if it was just yesterday, but Xu Ming’s strength has indeed undergone a qualitative transformation, “At that time, my strength was not very weak. , but in the entire real universe, it is definitely not strong! At that time, I was not even out of the scope of Shenyu City, and I was approached by the Three Realms Universe!”

Shenyu City, in the entire Eternal Domain, is just a small piece of land. And City Lord Shenyu, in the Eternal Domain, is nothing at all!

Xu Ming couldn’t help but chuckle: “I saw City Lord Shenyu before, although it wasn’t too much of a fear, but after all, I still looked up! But... Now let me see City Lord Shenyu, the other party is probably not even qualified to talk to me. It’s gone!”

Xu Ming is already at the level of the Great Senior. An ordinary Heavenly Sovereign like City Lord Shenyu is indeed not even qualified to talk to him.

Of course, even if City Lord Shenyu saw Xu Ming now, he would never recognize him! After all, Xu Ming had disguised himself as Jian Yi.

The endless land passed under Xu Ming.

Xu Ming’s direction was to go straight to the Eternal Palace.

“Eternal Palace...” Xu Ming had a look of anticipation in his eyes, “I can finally meet Xu Yin... I don’t know what she will look like when she grows up.”

When Xu Yin was first born, he was brought to the Eternal Palace by Gu Hanmo and his memory was sealed. Therefore, Xu Ming really doesn’t know what Xu Yin looks like now.

“Only now, I can’t face Xu Yin with my real identity...” Xu Ming secretly said.

His true identity is already the public enemy of the entire universe; not only are there many great enemies, but even the will of the universe is aimed at him. Therefore, Xu Ming really couldn’t meet Xu Yin in his real identity.

“But... even if I use my real identity, Xu Yin doesn’t know me!”

Daughter doesn’t know her?

Xu Ming could only laugh dumbly.

However, Xu Ming did not regret it.

Although it may be a safer choice for Xu Yin to keep Xu Yin in the virtual universe; but in that case, Xu Yin’s achievements will definitely be much worse – after all, the cultivation conditions of the virtual universe are not comparable to the real universe. It is not as good as the “Eternal Temple”, the first force of the true universe. And Xu Yin, unlike his father Xu Ming, has a plug-in.

There is no plug-in, and there is no platform. If you really want to grow up, you have to go through endless killings, almost ten deaths and no life, and finally there is hope – it’s just “hope”!

Facts have proved that Xu Ming was cruel and sent Xu Yin to the Eternal Palace, and there was nothing wrong! No, Xu Yin reached the level of “Heavenly Supreme” earlier than Xu Ming!

Moreover, Xu Yin was praised by the Eternal Hall as: He is expected to become a great master!

At that time, the father and daughter, plus Gu Hanmo, will all be the Great Senior... That is the Three Great Seniors of the family! Looking at the real universe, who would dare to provoke it? — Compared with this the “short-lived” separation between father and daughter is really nothing.

and...

“I can’t see my daughter right away!” Thinking of this, Xu Ming was inexplicably nervous, and his heart felt a little pounding.

“Huh?” Suddenly, Xu Ming was slightly startled, and looked at a divine city in front of him with some doubts, “Is that...?”

Based on the location, Xu Ming knew that the divine city ahead was a “disorderly city”. However, what puzzled Xu Ming was—

“Disorder City is more prosperous than Shenyu City, but it’s not a big city in the Eternal Domain, is it?” Xu Ming looked puzzled, “But now, in Disorder City, how can there be so many Heavenly Sovereign?”

Yes!

Many days supreme!

Xu Ming’s spiritual thoughts shrouded the past, and there were tens of thousands of Heavenly Supremes!

Moreover, the vast majority of them are still “High Heaven Supreme”!

“How can there be so many Supreme Beings?” Xu Ming was really surprised.

It is rare to see so many high-ranking Heavenly Supremes gathered together! If there is nothing to say here, Xu Ming would not believe it.

“Since you happened to be passing by, then go and see if you say anything!”

From the perspective of cultivation, Xu Ming is also “Heavenly Supreme”! Moreover, it is a strong and outrageous Heavenly Sovereign!

“If there is a big chance here, hehe...” Xu Ming was already laughing in his heart as he landed towards Disorder City – there is no great master here, if there is any chance, then Xu Ming will not enter it in minutes. In your arms?

After all, the tens of thousands of Heavenly Sovereigns here are not enough for Xu Ming to kill with a single slap!

The “Great Senior” level is not just kidding with you!

Whoosh!

Land near Discord City.

As he kept getting closer to Disorder City, Xu Ming gradually felt a strange aura in time and space.

Chapter 2163: Do You Dare To Come To Disorder City?

As he kept getting closer to Disorder City, Xu Ming gradually felt a strange aura in time and space.

“This is...?” Xu Ming couldn’t help but be a little confused.

He found that as he kept approaching the City of Chaos, in time and space, the power of the rules of the universe was constantly weakening; moreover, the extent of the weakening was very exaggerated!

Xu Ming continued to move forward.

finally...

In time and space, the power of the rules of the universe has weakened to the extreme! Here, there are no rules for the operation of the universe!

“How is this going?”

You must know that the rules of the universe’s operation are everywhere; even in the small universe opened up by the Great Senior, there is still the influence of the rules of the universe’s operation! In the past, Xu Ming had never heard that there were no rules for the operation of the universe at all; at most, it was just an existence like Kunpeng Dazun that temporarily blocked the rules of the universe’s operation!

And now, Xu Ming is sure that this time and space really has no rules for the operation of the universe at all!

As if, here, is a black hole! – The black hole of the rules of the universe!

“I’ve never heard of it before, Disorder City has such a special feature!” Xu Ming confirmed. After all, if he had heard of it before, it was impossible for him not to know!

Moreover, the gathering of so many Heavenly Sovereigns here also shows that there is absolutely something unusual happening in Disorder City.

Thinking of this, Xu Ming couldn’t help but become more and more curious, and his figure also sped up by a few points.

...

Jian Yi, in the Eternal Domain, is quite famous.

After all, Jian Yi is a genius cultivated by the Eternal Palace, the first force in the real universe; and, on weekdays, Jian Yi is also quite high-profile and publicized in the Eternal Realm... In this way, at least the Heavenly Supremes of the Eternal Realm do not There are really not many people who know Jianyi!

At this time, Xu Ming was disguised as Jian Yi; therefore, as soon as he entered Disorder City, he was discovered by other Heavenly Supremes.

Many Heavenly Sovereigns were a little surprised.

“Hey—isn’t this Jianyi?”

“Yeah! It’s really Jianyi!”

“Didn’t Jian Yi enter the Three Realms universe? Didn’t he say... the group of Heavenly Sovereigns who entered the Three Realms universe have all fallen?”

“You don’t know anything about this, but it’s not true! – To be precise, all the Heavenly Sovereigns who entered the universe of the Three Realms, except Jian Yi, have all fallen!”

“Oh? Only Jian Yigou survived? So now Jian Yi is... escaping from the Three Realms universe?”

“I can’t say that! In fact, as far as I know, the Supreme Beings who entered the Three Realms Universe, even if they fell, will be resurrected by the Supreme Beings!”

After recognizing Jian Yi, many Heavenly Sovereigns were talking privately through voice transmission.

Xu Ming naturally couldn’t hear the voice transmissions of the Supremes these days. Of course, even if he heard it, he wouldn’t care; after all, these people were talking about “Jian Yi”, not Xu Ming himself. Even if the discussion goes to heaven, what’s the matter with Xu Ming?

However, what Xu Ming didn’t expect was... it really had something to do with him!

boom!

Not long after Xu Ming walked into Disorder City, an arrogant figure stopped in front of him: “Jian Yi! You dare to come to Disorder City!”

“Huh?” Xu Ming couldn’t help but startled slightly. Seeing that the visitor was not good, he couldn’t help but muttered, “Looks like... is Jian Yi’s former enemy? And the hatred is not shallow!”

But the problem is...

“Who is this? I don’t know!” Xu Ming couldn’t help but think silently, “And... I don’t know, what kind of enmity is between him and Jian Yi!”

Encountered the “enemy”!

But I don’t know who the other party is!

Moreover, Xu Ming didn’t know how he should treat this “enemy”? – Should I kill it? Shouldn’t it be killed?

kill it?

As the saying goes, the enemy of the enemy is the friend! —Xu Ming and Jian Yi are undoubtedly enemies! Kill Jianyi's enemies? Xu Ming always felt that something was a little weird!

Don't kill it?

But the other party came to him provocatively, if he didn't kill it, it didn't seem to be Jian Yi's character! Maybe, what else will be revealed – Xu Ming is going to the Eternal Hall soon! Xu Ming didn't dare to take it lightly when dealing with the behemoth of the Eternal Hall, and he didn't want to add any twists and turns.

"I don't want to kill him! I hope this guy doesn't come to court for death!" Xu Ming couldn't help but secretly said.

Xu Ming was pondering that he didn't know the other party, and he didn't know what kind of attitude to treat them with; but at this time, the enthusiastic "onlookers" helped Xu Ming.

"Look! Isn't that Mo Hengtian Supreme? How did he stop Jian Yi?"

"Mo Hengtian Supreme is this to provoke Jianyi?"

"Haha! You don't know anything about this! It is said that... Moheng and Jianyi have a big feud! The two once fought each other when they were exploring a secret realm, and Moheng was killed by Jianyi! It was later. Only when a powerful man took action, he resurrected Moheng from the real river of time!"

"Oh? Is there such a secret?"

...

Xu Ming suddenly understood.

It turned out that the one who stopped him in front of him was Mo Hengtian Supreme, and he was also killed by Jian Yi!

Knowing the identity of the other party Xu Ming also understood how to deal with it.

“Would you like to kill him again?” Xu Ming secretly said, “Anyway, there is a great master behind him! Even if you kill him again, he should be resurrected!”

Thinking of this, Xu Ming felt that even if he killed this demon, he would have no psychological burden – who would let you be resurrected? If you can be resurrected, you deserve to be killed!

Sovereign Mo Hengtian naturally didn’t know that in such a short time, the fake Jian Yi in front of him had already harbored bad intentions towards him.

“Jianyi!” Mo Hengtian Supreme shouted again, “You attacked and killed me in the secret realm, I have never forgotten this hatred... Your core disciple of the Eternal Hall, in other places in the Eternal Realm, I dare not seek revenge for you; but if you dare to come to Discord City, you are seeking death yourself!”

The coercion of the Eternal Palace radiates the entire Eternal Palace, except for the Disorder City – it is not that the Eternal Palace cannot suppress the Disorder City, but it disdains to suppress it! Just as in the Eternal Domain, leaving a “land outside the law”.

Moreover, the Eternal Palace has also clearly stated that if the disciples of the Eternal Palace were born in the Disorder City, the Eternal Palace would not take revenge for it!

Therefore, the disciples of the Eternal Hall rarely come to Disorder City. And Mo Hengtian Supreme was so excited to see Jian Yi in Disorder City—this is a good opportunity for revenge! Not only can he take revenge, but he will not be held accountable by the Eternal Palace afterwards.

only...

Mo Hengtian Supreme did not know that the Jian Yi in front of him was not Jian Yi at all; but, like him, it was Jian Yi’s enemy.

call out! call out! call out!

At this time, three more figures flew at an extreme speed and stood beside Mo Hengtian Supreme, all looking at Jian Yi with hatred. Obviously, these three are also enemies of Jian Yi.

Xu Ming couldn't help but secretly said: "Jianyi's enemies are quite a lot!"

Chapter 2164: About Xu Yin

"Jian Yi, you are not too timid!"

"Disorder City, you dare to come?"

"Ha ha!"

The three who had just arrived all looked at "Jian Yi" with malicious intent, as if beasts were looking at their prey.

"Moheng! Let's get rid of him now, lest he take the opportunity to slip away!"

It is rare to find a chance to take revenge, these three Heavenly Supremes naturally want to solve Jian Yi immediately, so as not to have too many dreams at night.

"Just kill him like this?" Supreme Mo Hengtian glanced at Xu Ming, with a meaningful smile on his mouth, and said to the three Heavenly Supremes next to him, "Will it be too cheap for him? And... this sword Yi, there are other uses!"

The three Heavenly Supremes next to him heard the words and immediately understood the meaning of Moheng, and they all showed meaningful smiles.

At this time, Supreme Mo Hengtian looked directly at Xu Ming and said with a sneer, "Jian Yi, you should have seen it, it's easy for me to kill you now!"

Xu Ming was expressionless and did not speak.

Mo Hengtian Supreme continued: "But... I can give you a chance to live!"

“Ha!” Xu Ming finally laughed and asked back, “You are so kind? – If you have something to say, just say it!”

“Hahaha...Okay! Then I’ll tell you straight!” Supreme Mo Hengtian laughed a few times, and then said coldly, “In the beginning, you were able to kill me because of a sneak attack! But...in the Eternal Domain, there are Many voices think that my strength is not as good as yours, so I will be killed by you!”

“Humph!” Supreme Mo Hengtian snorted coldly and continued, “I am not as strong as you? Will my strength be inferior to you? Do I want to lose face? – Today, I will justify myself! Let all the voices of doubt see Look, who is stronger than who!”

“Oh?” Xu Ming smiled, “Then what do you want to do?”

“A battle in disorderly battle stage!” Mo Hengtian Supreme sneered, “No matter whether you win or lose, I will let you live, how about that?”

Supreme Demonic Hengtian knew that even if he killed “Jian Yi” now, it would be of little significance. After all, Jian Yi is the core disciple that the Eternal Hall has devotedly cultivated. Even if he is killed, he will definitely be resurrected.

Therefore, Mohengtian Supreme took “not killing Jianyi” as a condition, and wanted to fight Jianyi in the disorderly battle platform to right his name.

However, Xu Ming always felt that there seemed to be something wrong with this: “In order to rectify the name, invite me to the stage for a fair fight? And also promise not to kill me?”

However, for a while, Xu Ming couldn’t figure out what was wrong.

But it doesn’t matter!

After all, Xu Ming is just a “fake sword easy”.

If you can’t figure out what’s wrong, then don’t think about it, or you’ll be done?

“No!” Xu Ming refused directly, “No way! I’m not interested in setting foot on the stage of disorder with you!”

“Are you afraid!?” Mo Hengtian said excitedly.

“If I agree to your conditions, then I’d be afraid!” Xu Ming sneered, “I am Jianyi, right here! If you have the ability, you can kill me! But... it’s hard to say who will kill who!”

“You...” Mo Hengtian Supreme didn’t know what to do for a while. He wants Jian Yi to fight against him on the Discord Battle Stage, naturally there is his conspiracy – he must, on the Disorder Battle Stage, defeat Jian Yi!

After thinking about it for a while, Mo Hengtian Supreme said again: “As long as you are willing to step on the stage of disorderly battle, I can tell you a message!”

“I’m not interested in knowing!” Xu Ming said directly, “If you want to do it, do it quickly!”

“I’m really not interested in knowing?” At this time, Supreme Mo Hengtian smiled meaningfully, “No! You must be interested in knowing! Because this news is about... Xu Yin!”

Xu Yin?

Xu Ming’s pupils shrank slightly.

“As long as you step onto the stage of disorderly battle, I can tell you about Xu Yin immediately!” Supreme Mohengtian added.

“Okay!” Xu Ming said in a deep voice, walking directly to the chaos stage, “Then see you on the stage!”

...

Eternal City.

It is a divine city near the Eternal Temple.

At this time, outside the Eternal City, on an inconspicuous hilltop, ten Great Seniors gathered!

You must know... the entire universe, all the Great Venerables, both openly and secretly, add up to no more than a hundred! And this inconspicuous mountain top has ten great masters—that is, one-tenth of the top existences in the entire universe, all here!

If people know the identities of these ten Great Venerables, it will be even more incredible!

Among the ten Great Venerables, there are the Eternal Hall Master, the Deputy Hall Master, the Supreme Elder, as well as the Great Venerable from other forces, but the strength ranks among the top ten in the entire universe!

Even the Great Senior Chimie and the Great Senior Zihe would seem ordinary if they came here at this time.

However, at this time, the expression of the Eternal Palace Hall Master was not very good-looking. He looked at the black-robed Great Venerable who was opposed to him, and said coldly, “Long Ye Great Venerable, what do you mean?”

Great Lord of the Night...

A very common name!

but!

But Chang Ye Da Zun is almost recognized as the number one powerhouse in the true universe! It is the existence closest to the realm of Kunpeng Great Venerable and Eternal Great Venerable!

Even if Zihe Dazun used the will of the universe as an aid, or if the Eternal Hall Master activated the treasure left by Eternal Dazun, I am afraid it is only at the same level as Changye Dazun! – It can be seen how terrifying the strength of Chang Ye Da Zun, who is recognized as the number one powerhouse in the true universe!

As for the Great Lord of Scarlet Extermination...Although he also claims to have the strength to be ranked in the “Top Ten of the True Universe”. However, once facing the Great Senior of Changye, I am afraid that he will not be able to hold up a few tricks at all!

The Eternal Hall Master, the Great Master Changye, the Great Master Zihe!

These three great deities represent the tops of the three “pyramids” of the true universe respectively!

The Eternal Hall Master represents the inheritance left by the Eternal Great Venerable!

The Great Master of Changye represents the pinnacle of all other forces in the true universe.

Zihe Da Zun represents the will of the universe.

“Eternal Hall Master!” The Great Master Changye smiled, “My meaning is very simple – the inheritance left by the Eternal Great Master is the supreme treasure of all practitioners! My generation of monks, cultivation is not easy, your Eternal Hall, and Why should I treasure myself? I just want to see the inheritance left by the Eternal Great Venerable!”

Although the Eternal Great Venerable is no longer there, the Eternal Palace is still the undisputed largest force in the real universe, and no force dares to provoke the Eternal Palace.

but...

No force dares to provoke the Eternal Palace, it does not mean that all the forces are united, and they dare not provoke the Eternal Palace – this is not, the Great Lord of the Night is united with other Great Venerables of the true universe, so he dares to come to force the palace.

And this Eternal Hall Master, although he holds the inheritance of the Eternal Great Venerable, is extremely powerful, and is not even afraid of Zihe Great Venerable and Changye Great Venerable; but, after all, he is not the “Eternal Great Venerable”, not the kind of person who crushes the whole The invincible realm of the universe!

Therefore, in the face of the persecution of all the great masters of the entire universe united, the Eternal Palace Master must also act cautiously.

“Humph!” The hall master of Yongheng snorted coldly, “Lord Changye, when you were in the ‘Fourth Cosmos Era’, you didn’t see the Great Eternal! Why didn’t you ask him to watch the inheritance?”

“Hehe!” Great Senior Chang Ye was not annoyed at all, he sneered, “Isn’t Great Senior Eternal no longer there now?”

In the words of the Great Master of the Night the threat is too obvious!

“And... it’s getting closer and closer to the opening of the ‘Opening Heaven Realm’! You also know that this time the ‘Opening Heaven Realm’ is different from before, it is likely to be the last time to travel to the fifth universe era. The opportunity at the end of the long river is here!” Great Senior Chang Ye said meaningfully, “Eternal Palace Master, are you sure you really don’t give me any face at all?”

Another threat!

The Eternal Palace Master also fell into contemplation.

To know...

The two treasures, Kaitian Stone and Samsara Stone, can only be found in the “Open Heaven Realm”!

The opening of the sky stone can let the “superior Tianzun” avoid the cosmic cleaning and live to the next cosmic era; the reincarnation stone can let the “big master” avoid the cosmic cleaning.

In every era of the universe, the “Open Heaven Realm” will appear many times. However, the “Reincarnation Stone” will only appear when the “Open Heaven Realm” appears for the last time in a cosmic era!

If... all the forces of the entire universe are united to prevent the Eternal Palace from obtaining the Reincarnation Stone; then, the situation of the Great Venerables of the Eternal Palace is really embarrassing!

Although there are still many reincarnation stones left by the Eternal Great Venerable in the Eternal Hall, everyone understands the principle of “sit and eat the mountain and the sky” – if it is really besieged by all the top forces in the entire universe, then it will not pass. In a few cosmic eras, the Eternal Hall will probably decline to the point where it is almost the same as the current Kunpeng clan.

And the Great Senior of Changye, it is precisely this point, so he is here to threaten the Eternal Palace Master calmly.

“Hey—” Suddenly, Great Senior Chang Ye exclaimed in surprise, “Interesting! Jian Yi of your Eternal Hall actually appeared in Disorder City!”

“Jian Yi?” The Eternal Hall Master heard the words, and even threw his Spiritual Mind towards the Disorder City, which is far away.

Chapter 2165: Underdraw

“Jian Yi?” The Eternal Hall Master heard the words, and even threw his Spiritual Mind towards the Disorder City, which is far away.

Disorder City.

Disorderly battlefield.

“Jian Yi” and Mo Hengtian Supreme have already entered the battlefield.

Of course, no one could recognize that this “Jian Yi” was actually fake, it was disguised by Xu Ming – including the Eternal Palace Master and Chang Ye Great Venerable, they couldn’t recognize it.

“Jian Yi walked out of the Three Realms Universe, and he went straight to Discord City without saying a word!” The Eternal Palace Master couldn’t help but frown slightly; Character, now that you know it, you will definitely join in the fun!”

“Eternal Palace Master!” At this time, Great Senior Long Ye said, “Let’s play a game, how about it?”

“Gambling?” The Eternal Palace Master looked at the other party with some puzzlement, not knowing what medicine he was selling in the gourd.

“This Jianyi is also a genius that your Eternal Hall has cultivated with all your might!” The Great Master Changye laughed. Even he knows that Jian Yi is a genius cultivated by the Eternal Hall; it can be seen how much effort the Eternal Hall has spent on Jian Yi.

“And...” The Great Senior of Changye continued, “I heard that Jian Yi once killed Mo Heng! – It’s better than this, let’s take this battle between the two of them as a gamble! If Mo Heng defeats Jian Yi, Then, please lend me the inheritance of the Eternal Great Venerable, how about it?”

“What if Jian Yi defeated Mo Heng?” The Eternal Palace Master asked along the other side’s words.

“Then...” Chang Ye Da Zun smiled and said, “I can promise that in the fifth universe era, I will never come back to the Eternal Hall to make trouble!”

The fifth universe era is no longer looking for trouble... However, there is also the sixth universe era and the seventh universe era!

However, this is indeed a big concession from the Great Senior of Changye!

Therefore, after listening to the Eternal Hall Master, he couldn’t help but fall into contemplation; obviously, the conditions of the Great Senior Long Night are still acceptable in his opinion.

Of course, the Eternal Palace Master is not stupid, and he also needs to consider Jian Yi’s chances of winning. He also knew that although Jian Yi had killed Mo Hengtian Supreme, he was not defeated directly, but by stealth; therefore, it is hard to say who is stronger or weaker between Jian Yi and Mo Heng!

and...

“The Great Senior Chang Ye took this as a bet, which shows that he is quite confident in the strength of Mo Heng!” The Eternal Palace Master couldn’t help but glanced at the Great Senior Chang Ye, thinking in his heart, it was difficult to make a choice for a while.

Chang Ye Da Zun laughed and said nothing – if he was not sure, how could he propose such a bet?

In fact, when Jianyi first appeared in Disorder City, someone had already reported the situation to the Great Senior of Changye. As for Mo Hengtian Supreme, he vowed to say that he was killed by Jian Yi because he was attacked; if he fought head-on, he would definitely not be weaker than Jian Yi!

not to mention...

Where is Disorder City?

In Disorder City, the power of the rules cannot be used; the only thing that can be used is the power of the divine body! – And Mo Hengtian Supreme, is a Heavenly Supreme who specializes in cultivating the divine body! In Disorder City, his advantage is naturally magnified countless times!

Therefore, when Great Master Changye proposed his gamble, he was almost certain to win! Moreover, Great Senior Long Ye is sure that the Eternal Palace Master will take over this gamble; after all, under the coercion of their parties, the current situation of the Eternal Palace is actually quite difficult.

“Jian Yi!” After a moment of contemplation, the Eternal Palace Master’s voice sounded directly in Xu Ming’s mind.

“Huh?” Xu Ming couldn’t help but startled slightly; however, feeling the tyranny of this spiritual sense, he basically guessed the identity of the other party.

“Are you sure about fighting Moheng?” The Eternal Palace Master asked directly.

grasp...

Is not this nonsensical? Certainly have a grasp!

Xu Ming’s real strength is at the level of the Great Senior; to deal with a Demon Hengtian Supreme is completely bullying children! How can you not be sure?

Although Discord City cannot use the power of the rules; but, don't forget, Xu Ming also specializes in cultivating the divine body! —His advantage in Disorder City is the greatest! I am afraid that many Great Seniors in Disorder City are not Xu Ming's opponents!

After thinking about it for a while, Xu Ming said directly: "Full of confidence!"

"Full of confidence?" The Eternal Palace Master didn't seem very satisfied when he heard this answer, "Jian Yi, this time, the stakes are very important! Don't be blind and arrogant as usual!"

Obviously, Eternal Palace Master's impression of Jian Yi is not very good. However, the Eternal Palace Master did not know that this Jian Yi was not Jian Yi, but Xu Ming.

Xu Ming thought for a while and said, "I have a chance in the Three Realms Universe, so my strength has made a big breakthrough!"

Hearing this, the Eternal Hall Master was obviously more relieved—although he didn't like Jian Yi's arrogant character, he was quite clear about Jian Yi's talent and strength. I heard that Jianyi has made a big breakthrough in the Three Realms Universe, and I have a lot of confidence in JianyiI have a big grasp, and the Eternal Palace Master has a decision in his heart. , said: "Okay! Long Ye Dazun, I'll take over this game!"

"It's so good!" Chang Ye Da Zun laughed.

Neither of them said that they wanted the other party to sign a contract or something. Obviously, at their level, they are already standing at the top of the pyramid. If they say it, it is the best contract!

Moreover, at the current level of the two of them, the causal contract and the like are no longer binding on them.

"We must win this battle!"

The same words sounded in the ears of Xu Ming and Mo Hengtian; of course, they were from different people.

...

“Moheng!” Xu Ming stood proudly on the battlefield, looking at the Supreme Being of Mohengtian. What he cares about is not the outcome of this battle, after all, there is no suspense at all; “Big Zun” fights “Tian Zhizun”, it is completely adults bullying children.

Xu Ming is concerned about the news about his daughter Xu Yin.

“I’ve already set foot on the stage of disorder with you now, should you tell me about Xu Yin?” Xu Ming said coldly.

“Haha! Don’t worry!” Supreme Mo Hengtian sneered and provocatively said, “If you can defeat me, I will tell you!”

While speaking, Mo Hengtian Supreme had a playful look on his face, and it seemed that he had settled for Xu Ming.

At the same time, Supreme Lord Mo Hengtian secretly said in his heart: “This battle is under the attention of the Great Lord Changye. I have to win beautifully and show my strength! Only in this way can I get the cultivation of Great Lord Changye...”

“Oh?” Xu Ming looked at Mo Hengtian Supreme’s playful expression, and his palms were slightly itchy—this expression was so twitchy!

“You will tell me if you beat you?” Xu Ming narrowed his eyes slightly, and his eyes fell on Mo Hengtian Supreme’s twitchy face.

Chapter 2166: Temple Of Discord

“Going to war!”

The Eternal Hall Master, Chang Ye Great Senior, and the Great Seniors on both sides are all paying attention to this battle.

“Moheng won this battle, it should be as stable as Mount Tai!” Chang Ye Da Zun secretly said. He is relatively clear about the strength of Mo Hengtian Supreme – in terms of strength, Mo Hengtian Supreme may not be ranked among the countless Heavenly Supremes in the true universe; There really aren’t many Heavenly Supremes who can surpass Moheng! Among them, “Jianyì” is definitely not included!

In the eyes of the Great Master Changye, he is definitely the master of the Eternal Palace.

...

“You will tell me if you beat you?” After Xu Ming’s eyes were “positioned” on Mo Hengtian Supreme’s face, he finally moved.

boom-

Xu Ming’s slap slammed directly at the Supreme Being of Mohengtian!

In order to hide the strength, the speed of this slap is not very fast!

“What!?” When Supreme Demonic Hengtian saw “Jian Yi”’s move, he was amused – how dare Jian Yi kill him with his bare hands? Isn’t this looking for abuse?

“Dare to fight with my divine body!?” Mo Hengtian Supreme Zhengchou didn’t have a chance to show his tyrannical divine body, and seeing “Jian Yi” killing him with his bare hands made him really happy, “Now, If I don’t show my divine body well, I’m sorry for such an opportunity!”

Thinking of this, Mo Hengtian Supreme also directly killed Jian Yi with his bare hands.

The Great Senior Chang Ye, who was fighting in the endless distance, was also amused, and even couldn’t help but say: “Eternal Palace Master, this Jian Yi of your Eternal Palace seems to be a little over your head! Haha... If he comes up, he will If you go all out, you may still have a chance to win; but now, you have actually chosen to fight with the Supreme Demonic Hengtian...”

The face of the Eternal Palace Master was also a little ugly. Obviously, he also believes that the strength of “Jian Yi” is not in the physical combat.

but-

Before Chang Ye Da Zun could finish his words, his throat seemed to be blocked by something, and he could no longer speak.

I saw that “Jian Yi” and Mo Hengtian Supreme were constantly approaching... When Mo Hengtian’s iron fist was waving, he was directly caught by “Jian Yi” with a single palm; , instantly lost power.

“What!?” Mo Hengtian Supreme was horrified, and his expression suddenly became extremely frightened. He even wanted to withdraw his iron fist, but found that his iron fist was tightly bound, and he couldn’t draw it at all.

Subconsciously, Mo Hengtian Supreme’s other palm also slammed towards “Jian Yi”.

At this moment, an even more terrifying scene happened – I saw that “Jian Yi” did not use his second hand, but used the hand that hooped the iron fist to grab the other iron fist of the Supreme Mohengtian again.

In this way, “Jian Yi” grabbed the two iron fists of Mo Hengtian Supreme with one palm – just like a strong adult grabbing the two arms of a child.

And Demon Hengtian Supreme, struggling like a child, but couldn’t get out no matter what.

“...” The Great Senior Chang Ye, who was bragging, was stunned and speechless.

The Eternal Hall Master’s eyes brightened: “It seems... Jian Yi really got a big chance in the Three Realms Universe! He said before that he had ‘full confidence’, but I still don’t believe him; it seems that I was preconceived and too Despise him!”

Although the Eternal Palace Master felt that “Jianyi” seemed to be a little different from before, he just thought that Jianyi had a chance in the Three Realms Universe, and didn’t think much about it.

At this time, “Jian Yi”, also known as Xu Ming, had raised his slap with his other free hand.

“Uh...” Mo Hengtian’s hands were hooped, but when he saw “Jian Yi”‘s raised slap, he suddenly realized something, and even his eyes showed panic, and exclaimed, “Jian Yi! You dare to insult me!?”

Snapped!

Xu Ming didn’t pay any attention to Mo Hengtian Supreme’s terrified scream, and his slap still fell.

Snapped!

“If you beat you, just tell me, right?”

Snapped!

“Hurt you, right?”

Snapped!

In this way, Xu Ming controlled Mo Hengtian Supreme with one hand, while the other hand slapped his slap on Mo Hengtian Supreme’s face.

silence!

Around the disorderly battlefield, there is a dead silence!

The Great Lord of the Night, the Eternal Hall Master, is also deadly silent!

“I...” Mo Hengtian Supreme was completely stunned – he had no idea what he had experienced.

“How could this be? How could this be?” Mo Hengtian looked at “Jian Yi” in horror while slapped in the face. He couldn’t turn his mind around – he was indeed killed by Jian Yi, but he always thought that he It was because he was attacked that he was killed by Jian Yi; if he fought head-on, he would definitely be able to crush Jian Yi!

Because of this, he also specially pulled Jianyi to the “Disorderly Battle Stage” to correct his name.

Now... it’s really “renamed”!

However, it is not to rectify the name of Mo Hengtian Supreme, but to rectify the name of “Jian Yi” – it turns out that Jian Yi wants to kill Mo Hengtian Supreme, even if there is no sneak attack, it is easy.

clap clap clap...

After an unknown number of slaps, Xu Ming stopped, shook his tired hands, and said, “Now, can you tell me about Xu Yin?”

“I...” Mo Hengtian Supreme just hesitated for a moment, and Xu Ming’s slap fell like a tide.

After another slap, Xu Ming asked again: “Speak up or not? – If you don’t speak again, then you will die!”

Xu Ming didn’t believe it. After he showed his strength, he couldn’t find out about Xu Yin in Disorder City.

“I said! I said!” Supreme Supreme Demon Hengtian continued—he obviously knew that Great Senior Chang Ye had placed a heavy bet on him; if he was killed now, I am afraid no Great Senior would be willing to Whoever resurrected him was truly dead!

In the past, Mo Hengtian Supreme just felt that Jian Yi sneaked up on him, so he refused to accept Jian Yi; now, he has been subdued by Jian Yi, and it seems that it is not difficult for him to bow his head. Therefore, as soon as he felt the threat of death, he even said: “Xu Yin got a lot of opportunities in the Temple of Discord; now, I am afraid that he is being chased by many other Heavenly Supremes!”

“Huh?” Xu Ming’s face sank when he heard the words.

Xu Yin is being hunted down?

“That... can I go?” Mo Hengtian Supreme said again.

“Go away!” Xu Ming directly slapped Mohengtian Sovereign out of the battlefield, ending this meaningless battle.

Xu Ming’s slap was not only slapped on Mohengtian Supreme’s face, but more like a slap on Changye’s face.

“Humph!” The Great Senior Chang Ye, who was fighting outside the endless distance, got up and said, “Let’s go!”

After saying that, he brought a few Great Seniors, turned around and left.

The Eternal Hall Master was full of smiles, and he said goodbye with a smile: “Long Ye Da Zun, walk slowly!”

This gambling game not only relieved the current embarrassing situation of the Eternal Hall, but also slapped the face of Chang Ye Da Zun! -The mood of the Eternal Hall Master is of course very good.

“I spent so much resources on Jian Yi and tried my best to cultivate him. It seems... it really didn’t go to waste!” Eternal Palace Master couldn’t help thinking.

It’s just, how does the master of the Eternal Palace know that the real “Jian Yi” has long been suppressed; this one is not the “Jian Yi” cultivated by the Eternal Palace at all.

...

“The Temple of Disorder?”

After Xu Ming learned about Xu Yin’s news, the information about the “Temple of Disorder” couldn’t help but emerge in his mind.

Chapter 2167: The Bottom Of The Real Universe

After Xu Ming learned about Xu Yin's news, the information about the "Temple of Disorder" couldn't help but emerge in his mind.

The Temple of Disorder... As early as the first universe era, it already existed in the real universe.

In the distant first universe era, all things were born, and the universe was chaotic. The Temple of Disorder, I don't know where it came from, suddenly rose in the real universe; even, the power has grown explosively, and in a very short period of time, it has become the largest force in the "first universe era"!

It is said that the powerhouses of the Temple of Discord once wanted to hunt down the "overlord-level" super alien beast at that time – Kun!

That is, the terrifying beast whose size reaches one-tenth the size of the Thunder Destruction Domain!

However, that hunting operation naturally ended in failure.

Later, for some unknown reason, the powerhouses of the Temple of Discord disappeared one after another; by the time of the "Second Universe Era", no one had seen the powerhouses of the Temple of Discord again. However, the palace of the "Temple of Disorder" has been left behind forever. Even after several "cosmic cleanings", it has not disappeared, but has always existed in the real universe.

And the location of the Temple of Discord is exactly under the city of Discord!

"Isn't the Temple of Discord always closed and inaccessible?" Xu Ming couldn't help but think, "It turns out that the Temple of Discord has opened, no wonder there are so many strong people in this city of Discord! And... I'm afraid there are more Powerhouse, have you entered the Temple of Discord?"

The Temple of Disorder is undoubtedly a place of great opportunity in the true universe!

Now that the Temple of Disorder is open, naturally many Heavenly Supremes will come to look for opportunities!

“However... I heard that only Heavenly Supreme can enter the Temple of Discord! Even the most powerful, the most powerful, will be isolated by the invisible power of the Temple of Discord and cannot enter!”

The Temple of Disorder, after all, is a palace that even the “Cosmic Cleanup” cannot remove, so it naturally has its strengths. It is normal for the Great Senior to be unable to enter.

However, thinking of this, Xu Ming smiled: “The Great Senior cannot enter? Isn’t that my world?”

Although Xu Ming has the strength at the level of “Great Master”, his cultivation is a genuine “Heavenly Supreme”, and he is only a “Lower Heavenly Supreme”! Therefore, Xu Ming can naturally enter the temple of disorder.

Moreover, if you cannot enter the Temple of Discord, then you will feel the repulsive force from the Temple of Discord long before you enter the “Disorder City”. Xu Ming did not feel any repelling force, which also showed that he could enter the Temple of Disorder.

“It’s not too late! I don’t know what Xu Yin encountered in the temple of disorder, I have to enter the temple of disorder quickly!” Xu Ming secretly said.

At the same time, Xu Ming was full of expectations: “Finally... do you want to see Xu Yin?”

The separation between father and daughter is already a billion epochs!

Although, even if Xu Ming saw Xu Yin, the father and daughter could not recognize each other for the time being. After all, Xu Yin’s memory is sealed in the deepest part, and it can only be revealed after she has reached the realm of great masters. Besides, even other great masters can’t reveal her sealed memories. . However, for Xu Ming, being able to see his daughter is already a satisfaction.

...

Before Xu Ming came to Discord City, the Temple of Discord had been open for a while. Therefore, it was not difficult for Xu Ming to find the entrance to the Temple of Discord.

call out-

call out-

The entrance to the Temple of Disorder is a deep passage in the center of Disorder City.

The deep passage leads directly to the endless depths of the ground.

When Xu Ming came here, several Heavenly Sovereigns flew into the passage one after another.

Here, there is no conflict. After all, the place to compete for the opportunity is in the Temple of Discord; now I haven't even touched the door of the Temple of Discord, so naturally there will be no one foolishly looking for trouble.

"Look! That's Jian Yi!"

"Jianyi of Eternal Palace!"

"What about the Eternal Palace? When you come to the Disorder City, you can't use the power of any rules, but only the power of the divine body; even if it is a genius of the Eternal Palace, I don't believe that he is much better than me!" said.

Tian Zhizun next to him quickly interrupted him and reminded in a low voice: "Don't talk nonsense! This Jian Yi's divine body is not simple; he just hanged Moheng Tian Zhizun on the disorderly battlefield!"

"What!? Even Mo Hengtian Supreme was hanged and beaten by him?"

"Is Jianyi so strong?"

Immediately, at the entrance of the deep passage, many Heavenly Sovereigns cast awe at Xu Ming.

Originally, there were still several Heavenly Sovereigns, thinking about entering the Temple of Disorder, and looking for this Jianyi to start; after all, the other party is the genius of the Temple of Eternity, and there must be a lot of treasures on his body. But now, after hearing that Jian Yi actually hanged Mo Hengtian Supreme, those who wanted to attack "Jian Yi" have put away their ill will.

“Ha!” Xu Ming couldn’t help but chuckle in his heart, “I didn’t expect it to help Jian Yi earn a lot of prestige!”

Although Jian Yi had some reputation in the past, it was mainly because of the title of “Genius of the Eternal Palace” that was more bluffing; as for his own strength, those high-ranking Heavenly Sovereigns were not very jealous. Especially in Disorder City, no one took Jian Yi seriously.

But now, after hearing that Jian Yi had beaten Mohengtian Supreme, all the Heavenly Supremes looked squarely at “Jianyi” – this was a face-up to the strength of “Jianyi”!

“However... this prestige means nothing to Jian Yi!” Xu Ming laughed again in his heart.

It really doesn’t make sense!

The current Jianyi has been suppressed by Xu Ming; moreover, Xu Ming will never release Jianyi.

It can be said that Jian Yi is already a dead man! However, Xu Ming was worried that killing Jian Yi would be discovered by the Eternal Palace; therefore, he did not kill Jian Yi for the time being.

call out-

Without any hesitation, Xu Ming flew directly into the deep passage and headed straight for the endless depths of the real universe. Xu Yin is now being chased and killed in the Temple of Disorder; Xu Ming must of course rush over as soon as possible.

boom!

After flying into the deep passage, seeing no one around, Xu Ming burst into his speed – although he didn’t dare to burst into the speed of the Great Venerable, it was also much faster than the ordinary High Heaven Supreme!

swoosh—

Xu Ming’s figure quickly escaped to the ground.

“What a deep passage!” Xu Ming couldn’t help thinking.

You must know that the underground of the real universe is limited by the “rules of the universe’s operation”. The deeper you go into the depths of the ground, the stronger you will be suppressed; therefore, even the Great Senior cannot go too deep into the ground of the true universe.

But now, Xu Ming felt that he had penetrated deeply, but he was still not being suppressed in any way.

“This temple of disorder is really not simple!” Xu Ming paid more and more attention to the temple of disorder, “Also, it’s a bit strange... The few Heavenly Supremes who entered the passage before were not much earlier than me! Logically speaking, with my Speed, it should have caught up with them long ago; but why, I didn’t even see half a person?”

While Xu Ming was puzzled, the space-time in front of him suddenly twisted violently.

Chapter 2168: Source World

While Xu Ming was puzzled, the space-time in front of him suddenly twisted violently.

Whoa!

A terrifying time-space distortion force acts on Xu Ming.

Xu Ming did not resist, and let this twisting force drag him into the depths of time and space.

Immediately afterwards, Xu Ming felt like he was stuck in a quagmire, and the time and space around him distorted wildly. When the time and space returned to calm, Xu Ming found that he was in an incomparably huge palace; and beside him was a huge pillar supporting the palace.

This is a round black giant pillar. However, because this giant pillar is too thick, even if it is a circle, in Xu Ming’s eyes, it seems to be an endless wall.

As for the height of this giant pillar, it is even more indomitable. Even Xu Ming's strength could not spy on how tall this giant pillar was.

And beyond the distant time and space, Xu Ming could vaguely see that there were some giant pillars of the same size, either black or white.

Xu Ming felt that he was in a forest composed of giant pillars. These giant pillars are almost indistinguishable except for the color of black and white; Xu Ming is here, and he can't tell the direction at all.

"Where should I go to find Xu Yin?"

Xu Ming was immediately at a loss.

They were all the same giant pillars, Xu Ming didn't even know where to go, let alone looking for Xu Yin.

"I came in in a hurry!" Xu Ming sighed, "If I had known, I should have learned more information in Discord City before coming in!"

Before, Xu Ming had only heard a little about the Chaos City and the Temple of Chaos, and had no detailed understanding at all; let alone what would happen after entering the Temple of Chaos. Xu Ming also thought that the temple of disorder and the temples he had wandered before would be similar.

But at that time, Xu Ming was busy entering the Temple of Discord and came to find his daughter Xu Yin; so, without knowing more, he came in directly.

Now that he came in, Xu Ming was suddenly dumbfounded – in all directions, except for the identical giant pillars, they were still identical giant pillars! Where does this make him run?

"But... it's not a big problem!" Xu Ming's mouth evoked a wicked smile, "Find someone casually, hang them for a while, don't you know everything?"

You must know that the Great Senior Realm cannot enter the Temple of Disorder. Therefore, Xu Ming is absolutely invincible here!

An absolutely invincible existence, of course, can walk sideways!

“Um?”

At this moment, Xu Ming felt that a breath was rapidly approaching in his direction.

Xu Ming couldn't help laughing: “Whatever you really want, come here!”

Xu Ming was about to find someone to “torture” him, but someone came to the door on his own initiative!

Xu Ming couldn't help but gear up.

call out-

Soon, this breath appeared in Xu Ming's field of vision.

“A female cultivator?” Xu Ming couldn't help frowning slightly.

However, Xu Ming did not intend to “torture” because the other party was a female cultivator.

How cruel is the path of cultivation? There is no distinction between men and women! Besides... how many female cultivators can cultivate to the realm of Heavenly Sovereign, who did not come out of the **** sea of slaughter?

Therefore, for female nuns, there is nothing to sympathize with or despise.

Whoosh!

Soon, the female nun came to Xu Ming.

This is a female cultivator in white, and her body naturally exudes a moving aura.

“You’re... Jian Yi!?” The white-clothed female cultivator’s gaze fell on “Xu Ming”, and she was slightly startled—obviously, she also recognized Jian Yi.

“Oh? You know me?” Xu Ming raised his brows.

“Jian Yitian Supreme – in the Eternal Realm, or even the entire real universe, how many Tian Supreme do you not know?” The white-clothed female cultivator couldn’t help laughing, “But... I am a nameless and weak woman, but I will definitely not be caught. Jian Yitian Supreme Knows!”

“I am ‘Xinhuatian Supreme’!” The white-clothed female cultivator said immediately, “Jian Yitian Supreme, you just entered the Temple of Discord? – I have entered the Temple of Discord, and it has been some time! If you have anything wrong You can ask me anything you know, and I will tell you everything!”

Xu Ming was still thinking, should he destroy the flowers and torture them? Unexpectedly, as soon as this “Xinhuatian Supreme” came up, he took the initiative to say: I know everything!

“Uh...” This made Xu Ming unable to start for a while.

People all say “know everything”, so it’s still torture!

Of course, Xu Ming doesn’t know what others say, so he just believes. But it doesn’t matter – Xu Ming believes it for now! Even if the other party is really malicious, in front of Xu Ming’s absolute strength, everything is false!

“Know everything?” Xu Ming said with a smile.

“Yes!” Xin Huatian nodded immediately.

“Then...” Xu Ming looked directly at the other party, “Do you know about Xu Yin’s news?”

“Xu Yin?” Supreme Xin Huatian was slightly startled and said, “I heard that she is also in the Temple of Discord and is being hunted down!”

Xu Ming continued to ask: “Then do you know where she is now?”

“I don’t know about that!” Supreme Xin Huatian shook his head, “I only know that she was hunted and killed as soon as she walked out of the ‘source world’! What’s the specific situation I don’t know. After all, my strength is low, and I don’t dare to participate in those things!”

When Xin Huatian Zhizun spoke, he secretly glanced at Xu Ming, as if he was observing Xu Ming’s reaction.

“The strength is low?” Xu Ming couldn’t help but sneer when he heard these four words – with Xu Ming’s realm, how could he not see that the strength of the Supreme Being of Xin Huatian, even if he could only use the power of the divine body, in ” The “High Heaven Supreme” level is also very strong!

And she, in front of Xu Ming, said that her strength was low?

However, Xu Ming didn’t care about this detail either. After all, in Xu Ming’s eyes, the strength of the Supreme Being of Letters and Paintings is indeed low and not worth mentioning.

What Xu Ming was more interested in was another word: “Original Realm?”

“You don’t know the source world?” Xin Huatian Supreme was a little surprised.

“I haven’t paid attention to the Temple of Discord before!” Xu Ming said casually.

“That’s no wonder!” Xin Huatian Supreme heard the words, and didn’t feel that there was any problem, “Your Eternal Hall has resources, and many geniuses do not pay attention to the Temple of Disorder! And I, who have no background in major forces, only I can take advantage of the opening of the Temple of Discord and come to fight for some resources!”

“Let’s put it this way...” Xin Huatian seemed to complain, and continued, “In this temple of disorder, almost all the opportunities are in the ‘source world’! And the reason why Xu Yin was hunted down was also because She got a big chance in the source world!”

“Oh?” Xu Ming thought for a while, “Then take me to the source world first!”

Since he didn't know Xu Yin's specific clues, Xu Ming could only go to the source world first to see if he could find any clues about Xu Yin.

"Okay!" Xinhuatian Supreme responded immediately. At the same time, in the depths of her eyes, there seemed to be a flash of cunning.

Chapter 2169: Stop Pretending!

Xu Ming followed Xinhuatian Supreme, shuttled through this incomparably huge temple of disorder.

In the palace, except for the giant pillars that reach the sky, there is nothing else; however, after Xu Ming flew a distance, he understood how the Supreme Being of Xinhuatian knew the direction.

"This sky-reaching giant pillar is black and white; the distribution of black giant pillars and white giant pillars is different!"

With Xu Ming's memory, he naturally easily recorded the distribution of the giant pillars in black and white, and formed a map in his mind.

"I don't know, how big is this temple of disorder?"

Just when Xu Ming was puzzled, Supreme Xin Huatian said, "The source world is ahead! At the same time, it is also the center of the Temple of Chaos!"

"Oh?" Xu Ming looked around, but there were still giant pillars in black and white. However, in the next instant, Xu Ming felt that there was an incomparably deep aura coming from the high sky ahead.

"This is...?" Soon, Xu Ming saw a huge ball of light in the black and white giant pillar forest; that incomparably deep aura came from this ball of light.

"That's the 'source world'!" Xin Huatian said, pointing at the huge ball of light.

Xu Ming ignored Xin Huatian Supreme, but let go of his spiritual sense and probed the surrounding time and space. He wanted to find clues about Xu Yin from the causal lines left in time and space.

How tyrannical is Xu Ming's spiritual sense; Hexin Huatian Supreme is a completely two-level existence! Therefore, when Xu Ming let go of his spiritual sense to explore time and space, Xin Huatian Supreme couldn't find it at all.

"Huh?" Xu Ming couldn't help frowning slightly, "There is no causal line in time and space!?"

In the Temple of Disorder, the rules of the universe are suppressed to the extreme, and only the purest power can work here. Therefore, even Xu Ming could not find the cause and effect line.

"This is troublesome!"

If a causal line can be found, even if it is only a very subtle thread, Xu Ming can follow the causal line to find Xu Yin; but now, there is no causal line, so how can Xu Ming find it?

Xinhuatian Supreme obviously did not notice, Xu Ming has quietly probed the time and space.

She looked at the "Origin Realm" and smiled: "In the Temple of Discord, all the opportunities are in the Source Realm!"

As she spoke, she quietly observed Xu Ming's reaction, but found that Xu Ming seemed to be completely indifferent to her words.

"Do you have any clues about Xu Yin?" Xu Ming asked.

"No! I only heard that after Xu Yin walked out of the source world, he was chased by other Heavenly Supremes; as for what happened after that, I don't know!" Xinhuatiansun shook his head; ... Jian Yitian Supreme, I advise you, don't go to Xu Yin!"

"Oh?" Xu Ming narrowed his eyes slightly and looked at the other party.

"Excuse me to be blunt—" Xin Huatian said with a smile, "Although you are a genius in the Eternal Palace, those who chased and killed Xu Yin were all very powerful! Even if you really found Xu

Yin Now, it's impossible to save Xu Yin from those Heavenly Sovereigns! And... in the Temple of Discord, no one cares that you are from the Eternal Palace; maybe, if other Heavenly Sovereigns knew that you had entered the Temple of Discord, they would still think about it. I'm going to kill you!"

Xinhuatian Supreme obviously did not know that "Jianyi" had already shown his strength in Disorder City. If she knew, I'm afraid she wouldn't dare to talk to "Jian Yi" in this way.

However, Xu Ming didn't care about Xin Huatian Supreme's attitude. What he is more concerned about is what Xin Huatian Supreme said – those Tian Supreme who chased and killed Xu Yin, all of them are powerful!

Obviously, Xu Yin is probably in danger now! How can Xu Ming not be anxious?

"Xu Yin was hunted down, you can't save it!" Xin Huatian said again, "I advise you, don't think about it! You might as well enter the source realm and look for opportunities! If you can stay in the source realm If you get a big chance, it will definitely be of great benefit to your strength improvement!"

"Original realm?" Xu Ming glanced at the origin realm high in the sky, without thinking at all.

Even if there is a big opportunity in the source world, he can't have the slightest interest now. After all, her daughter Xu Yin is in danger!

"Do you have a map of the Temple of Discord?" Xu Ming asked, looking at Supreme Xinhuatian.

The Supreme Being Xin Huatian was slightly startled, and said, "You still refuse to give up? – Why bother? Don't leave it alone, you have to die!"

"Give me the map of the Temple of Discord, and I owe you a favor!" Xu Ming said directly.

Xu Ming's favor, this is even more useful than an ordinary Great Venerable's favor!

"Jian Yitian Supreme..." Xin Huatian's beautiful eyes gradually turned cold, "Do you have to be ignorant?"

at this time-

“Ha ha ha ha!”

“Hahahaha! Xinhuatian Supreme, I see, you should stop pretending! Every time you pretend to be a good person, and then attack again, are you tired?”

Two voices came from above Xu Ming Immediately after, two figures with tyrannical breath walked out of the source world.

“Huh?” Xu Ming was stunned for a moment, then smiled, and said in his heart, “Hiding in the source realm can evade my detection, and I didn’t even find them just now!”

However, it doesn’t matter.

With absolute strength, Xu Ming ignores all ambush!

“Humph!” At this time, Xin Huatian Supreme no longer looked like before, but became cold and frosty, “Just you guys talk too much! Every time you want to ruin my good deeds!”

“Bad you, what a good thing!” Two tyrannical breaths approached quickly; these were two burly high-ranking Heavenly Sovereigns, “Why do you need so much nonsense like you! Just force him into the source world, wouldn’t it be good? Dare If you don’t go in, just kill him directly, and you can get a lot of treasures from him!”

Obviously, these two Heavenly Supremes did not take “Jian Yi” in their eyes at all.

“Humph!” Xin Huatian Supremacy snorted coldly, then looked at Xu Ming, no longer bewildered as before, but said very directly, “Go in, or...die!”

Saying that, the three of Xin Huatian Zhizun looked at “Jian Yi” jokingly; they seemed to want to see a terrified look on the face of this super genius of the real universe.

However, Xu Ming disappointed all three.

On Xu Ming's face, instead of the slightest panic, there was a hint of playfulness on his face, and he said with a smile: "It would be great to have this earlier, why bother? It's a waste of both your time and mine!"

"Hahaha! Interesting!" The most burly Tian Zhizun did not hear the playfulness in Xu Ming's words, and said with a wicked smile, "Since you are so interesting, then... do you choose to enter the source world, or choose to die?"

"I choose..." Xu Ming sneered, his giant palm crushed time and space, and at the same time suppressed Xiang Xinhuatian Supreme and the three of them.

Chapter 2170: You Are Here To Kill Me!

Xu Ming sneered, the giant palm crushed time and space, and at the same time crushed Xiang Xinhuatian Supreme three.

"court death!"

"act recklessly!"

"Ha ha!"

The three of Xin Huatian Supreme all laughed at the same time; obviously, they did not expect that the super genius "Jian Yi" of the Eternal Hall in front of them would dare to shoot at them.

"Jian Yitian Supreme, where do you think this is?" Xin Huatian sneered.

"If it were in other parts of the real universe, we would still be afraid of you for three points! But here is the Temple of Disorder, and we can only use the power of the divine body!"

"No matter how talented you are, when you arrive at the Temple of Discord, you have to kneel for me honestly!"

boom-

Xin Huatian Zhizun shot directly and greeted Xu Ming's huge palm. As for the other two Heavenly Sovereigns, they didn't even bother to do it.

"Ha!" Xu Ming couldn't help laughing, "It seems... the news of Discord City hasn't reached the Temple of Discord at all!"

"The news of Chaos City?" Supreme Xin Huatian couldn't help but wonder, and asked subconsciously, "What news?"

"Mohengtian Supreme, do you know?" Xu Ming laughed while crushing his giant palm.

"Magic Hengtian Supreme?" Xin Huatian heard this name, and for some reason, a bad feeling rose in her heart.

Demon Hengtian Supreme, she naturally knew it.

In other places in the real universe, Mo Hengtian Supreme is actually not that strong; however, because Mo Hengtian's main cultivation is the divine body, so in Chaos City and Chaos Temple, his strength is definitely the most powerful. Top presence!

Even if the three of Xinhuatian Supreme add up, in Disorder City or the Temple of Disorder, I am afraid they can only be tied with Demon Hengtian Supreme.

Now, hearing "Jian Yi" inexplicably took out the name Mohengtian Supreme, the three of Xinhuatian Supreme couldn't help but feel an inexplicable sense of danger while they were puzzled.

"Why do you mention him?" Xin Huatian said coldly.

"It's nothing!" Xu Ming laughed, "I just want to tell you, in Discord City, the Supreme Being of Mo Hengtian was beaten into a dog by me!"

"what!?"

"what!?"

“what!?”

The three of Xin Huatian Supreme were extremely horrified.

At this time, Xu Ming’s attack has arrived!

boom!

With this palm, Xu Ming crushed the Xin Huatian Supreme who resisted him. The other two Heavenly Sovereigns, who were watching proudly from the side, then hurriedly shot; however, let alone when they shot in a panic, even if they shot with all their strength from the beginning, they would not be able to resist Xu Ming!

boom!

Shoot it with one palm, like endless time and space rolling down! The three of Xin Huatian Supreme were shot to the ground, like dead dogs, unable to stand up.

Sovereign Xin Huatian’s face suddenly turned pale, and she realized what a terrible existence she had provoked! But...too late!

“Die!” There was no trace of pity in Xu Ming’s eyes. Shooting the three high-ranking Heavenly Supremes to death is like shooting three ants to death for him today.

“No—” The three of Xin Huatian Supreme shouted in panic.

However, Xu Ming had no intention of stopping.

“I have news about Xu Yin! I have news about Xu Yin!” Xin Huatian said.

“Oh?” Xu Ming was stunned and stopped quickly.

Then, he looked at each other indifferently: “Speak!”

“I...” Xin Huatian gritted his teeth and said, “Let me go first, and I’ll talk about it! Otherwise, I’d rather die than say anything!”

The temple of disorder, without the power of order, without the power of cause and effect, naturally, here, oaths and so on have no meaning!

Therefore, even if Xin Huatian Zhizun really knew Xu Yin’s news, he would not dare to say it directly! Because, in the Temple of Disorder, there is no way to use oaths to bind other people; then, once Xin Huatian Supreme speaks out, she has no value, and life and death are no longer under her own control.

“Would you rather die?” Xu Ming’s eyes narrowed slightly. He used a tyrannical spiritual sense to quietly envelope Xinhuatian Supreme and observe the other party; therefore, Xu Ming could judge that Xinhuatian Supreme did not lie this time, and she probably really knew Xu Yin’s news.

Of course, it cannot be ruled out that Xin Huatian Zhizun’s acting skills are so good that even Xu Ming was deceived.

“Humph!” Xu Ming snorted coldly, turned his eyes to the other two Heavenly Supremes beside him, and asked, “How about you? Do you know the news about Xu Yin?”

“I... don’t know!” said the most burly Tian Zhizun.

“I don’t know?” Xu Ming sneered, slapped it with a palm, and wiped it out in an instant – since he didn’t know Xu Yin’s news, he was worthless! Moreover, if he dared to hit his head, it was only natural for Xu Ming to kill him.

“What about you?” Xu Ming looked at another Heavenly Supreme.

The Heavenly Sovereign hesitated for a moment and said, “I know! I know! However, you have to let me go first, and I will say it!”

“You...” Xu Ming sneered, and slammed it down with a palm, killing him directly, “You know what!”

Xu Ming's powerful spiritual sense was quietly shrouded, and when he felt the other party speak, he hesitated for a while; obviously, there was a lot of possibility that he was lying! In this case, Xu Ming would naturally not show mercy.

Now, only Xin Huatian Supreme is left.

Xu Ming glanced at the other party and said, "I can let you go! But, after I let you go, how can you tell me about Xu Yin!"

"I can send a message to tell you!" Xin Huatian Supreme even said Yes! you go! "Xu Ming said lightly.

call out-

Xin Huatian Zhizun glanced at Xu Ming, and there was a flash of joy in the depths of his eyes. Without any hesitation, he got up and left.

However... When Supreme Xin Huatian left, he didn't know that there was an incomparably tyrannical, Great Venerable-level divine sense that had been quietly locking her in.

When Xin Huatian Supreme went out a long way and almost got rid of Xu Ming's spiritual lock, Xu Ming finally moved.

Whoosh!

Xu Ming unhurriedly followed behind Xinhuatian Supreme. With the means of his Great Senior level, his tracking will not be discovered by Xin Huatian Sovereign.

"Can we talk now?" Xu Ming asked.

"Wait for me to go further!" Xin Huatian Supreme Communication said.

After a while, Xu Ming asked again, "Can we talk now?"

Xin Huatian pondered, he ran out so far, “Jian Yi” should not be able to catch up no matter what, and suddenly became arrogant, “Speak? Say what!”

“Are you kidding me?” Xu Ming’s voice was low.

“What about you!?” Xin Huatian said with a sneer, “Don’t say I don’t know Xu Yin’s news at all, even if I do, I won’t tell you! I’m afraid you don’t even know how to get out of the temple of disorder. Right? If you have the ability, you are here to kill me!”

“Heh!” Xu Ming couldn’t help laughing immediately – sure enough, Xin Huatian Supreme’s acting was so good that he deceived him.

But it doesn’t matter!

From beginning to end, Xu Ming never believed in Xin Huatian Supreme; his spiritual sense had always been locked on to each other!

Just when Xin Huatian Supreme said, “You are here to kill me”, Xu Ming’s figure instantly accelerated.

Not long after Xin Huatian’s voice fell, Xu Ming had already appeared in front of her: “You called me to kill you?”
