

A World 441

Chapter 441: , 36-Storey Babel Tower

Zhan Wuwei is leading the way like a dutiful tour guide, followed by more than a thousand geniuses.

“There are many palaces in the kingdom of God. However, most of the palaces are the residences of the powerful people.”

As he walked, Zhan Wuwei introduced him.

“Each of you will also be assigned a palace as a residence.” Zhan Wuwei said, “The longest, you have to stay in the kingdom of God for a thousand years! – But I hope you don’t have to stay for a thousand years. , you can get out of here!”

There are only two ways for Xu Ming and other more than 1,000 geniuses to leave the kingdom of God: first, to stay for a thousand years; second, to break through to the Supreme Daoist!

so...

No genius would be willing to stay here for a thousand years!

“I must break through to Dao Zun within a thousand years!”

“Yes! If you go out from the kingdom of God, it will be too embarrassing!”

“A thousand years is too long... Five hundred years! Five hundred years, I’m going out!”

The geniuses are gearing up.

Lin Chen’s eyes also flickered: “With my talent, it is not a big problem to break through Dao Zun within 50 years!”

For Lin Chen, if he didn't encounter any bottlenecks in his cultivation, fifty years would be enough!

Zhan Wuwei looked at this group of enthusiastic young people and smiled secretly: "Break through Dao Zun within a thousand years? How many can do it? The road of martial arts, the further you go, the more difficult it will be to walk..."

Of course, Zhan Wuwei only thought about these words in his heart and did not say them, so as not to damage the confidence of this group of geniuses.

"There are several places that are more important to you. I will show you!"

The crowd first came to the nine towers that were soaring into the sky.

"These nine towers are the Tongtian Towers!" Zhan Wuwei pointed out, "The nine Tongtian towers correspond to the nine heavenly paths of 'Gold, Wood, Water, Fire, Earth, Wind, Thunder, Yin and Yang'!"

"Is this the Tongtian Tower?" Xu Ming looked up.

There are nine Tongtian Towers, each of which is overflowing with the corresponding Heavenly Dao Secret Pattern.

Previously, when Xu Ming was tentatively designated as a "million-year-old" genius, the master of the Palace of Heaven and the others, the requirement was that Xu Ming would be able to break through the sixth floor of the Tongtian Tower within 30 years.

But later, Xu Ming was reluctant to apprentice, and he made a bet with the master of Soul Tiangong that I was tentatively designated as a "million-level" genius. If I can't do it, I don't want any genius level treatment from now on!

Zhan Wuwei continued to introduce: "Each Tongtian Tower is divided into thirty-six floors! If you can climb all the thirty-six floors, it means... one step away from the gods!"

"Hey—" Many geniuses took a deep breath.

gods...

What an ethereal noun it is!

Before entering the kingdom of God, many geniuses even doubted whether the gods really existed...

But now, from Zhan Wuwei's mouth, they heard the standard of becoming a ***** – as long as they pass through the thirty-sixth-floor Tongtian Tower, they are one step away from the gods.

Suddenly, the eyes of many geniuses became fanatical. Even Xu Ming is no exception.

“Break through the thirty-sixth floor of the Tongtian Tower? It sounds easy!”

“Yeah! It's only the thirty-sixth floor... Every ten years, if you break into the first floor, you will pass it in three hundred and sixty years!”

“I heard that the gods are immortal... I want to become a god! I want to become a god!”

“Hahaha...” Zhan Wuwei couldn't help laughing; every time he brought geniuses here, he could always hear these ignorant voices.

“Elder Zhan?” The geniuses couldn't help but look at Zhan Wuwei.

“Do you know how many floors Potian Palace Master has passed?” Zhan Wuwei suddenly asked.

“Palace Master Soul Heaven...?” The geniuses were slightly startled, and soon they responded, “You must have crossed the thirty-sixth floor, right?”

“Haha...” Zhan Wuwei shook his head and said with a smile, “No! Palace Master Potian has only crossed the 32nd floor, and he will never be able to make it again!”

“Ah—?” The geniuses all widened their eyes—even the Palace Master Soul Heaven only crossed the thirty-two floors?

Xu Ming was also surprised and secretly said in his heart: “It seems that although Palace Master Soul Tian is a demigod, he is not ‘one step away from the gods’; at least, there are still several steps to go...”

“Then... is there a great master who has passed the thirty-sixth floor?” Someone asked.

“Yes!” Zhan Wuwei smiled mysteriously, “Now, in the Kingdom of God, there is one!”

“There is one in the kingdom of God? Who is it?” The geniuses were eager to know.

This is not a secret either, Zhan Wuwei said directly: “Among the twelve palace masters, the one who is responsible for guarding the kingdom of God... Palace Master Ji Tian!”

Lord of the Heavenly Palace...

All the geniuses secretly remembered this great name.

“Elder Zhan!” A genius couldn’t help but ask, “Then how many floors did you pass through?”

“Thirty floors!” Zhan Wuwei said.

The 30th floor... That and the 32nd floor of Palace Master Soul Tian, it seems that the gap is not too big!

“Let me introduce you to the Tongtian Pagoda in detail!” Zhan Wuwei laughed, “The Tongtian Pagoda only tests the perception of the Tao of Heaven! – Once the Tao of Heaven is enlightened, one can pass through the first floor and enter the next layer; , with other means, it is impossible to break through!”

Having said that, Zhan Wuwei glanced at Xu Ming vaguely. Xu Ming’s understanding of the way of heaven is too low, I am afraid he can only break through the first floor, and even the second floor can’t be passed.

Zhan Wuwei continued: “Crossing the first floor requires a first-step Taoist master’s understanding of the heavenly way; to cross the second floor, you need a second-step Taoist... Six-step Taoist master can pass the sixth floor!...If you can pass the tenth floor , it means that the ‘saplings of the Tao’ will soon grow, and will soon enter the realm of Taoist...”

“Uh...” The geniuses compared their own understanding of the way of heaven, and suddenly found... it seems that they can’t get through a few floors...

“Dao Zun, you can only pass through the eleventh floor...”

“The Taoist can only pass through the twenty-first floor...”

“And starting from the thirty-first floor, you have to be a demigod to get through!”

After all the geniuses heard it, they fell into silence.

They found that trying to break through the thirty-sixth floor of the Tongtian Tower is completely... impossible!

Zhan Wuwei said with emotion: “If there are a few of you ~www.readwn.com~ who have passed through the twenty-first floor; then, we will ask the elders of the palace, and we will be relieved...”

Passing through the twenty-first floor is the realm of Taoist masters!

“Twenty-first?” Lin Chen clenched his fists and said firmly, “I can definitely get through!”

“Oh?” Zhan Wuwei looked at Lin Chen in surprise—it’s not easy to be so confident!

“I’ve already passed the sixth floor!” Lin Chen’s words were equivalent to announcing to everyone that he was already a Six-step Daoist!

“Breakthrough!?” Zhan Wuwei was also surprised – during the Dao Fate battle, Lin Chen’s understanding of the way of heaven was only a five-step Daoist!

“In the past six months, I have realized something and made a breakthrough!” Lin Chen said proudly.

Suddenly, he glanced at Xu Ming and sneered: “Xu Ming, now, you can’t even make it to the second floor, right? Give you another ten years, oh no, thirty years; you won’t be able to reach me today. The realm! – In terms of understanding of the Tao of Heaven and future achievements, you are far worse than me!”

Chapter 442: , Are You Not Niu X?

“In terms of understanding of the Tao of Heaven and future achievements, you are far worse than me!”

After saying this, Lin Chen also reminisced with satisfaction – not bad! Very powerfully said! penetrating! Xu Ming had absolutely no power to refute it!

All the geniuses couldn’t help looking at Xu Ming, wanting to see how he would deal with such humiliation.

Under everyone’s attention, Xu Ming suddenly laughed.

Yes, Xu Ming smiled.

Laughed very weirdly.

“Huh?” Lin Chen groaned in his heart, and suddenly felt something wrong.

“What are you laughing at!?” Lin Chen shouted sternly.

Xu Ming continued to smile strangely: “Have you broken through to the Six-step Daoist Monarch?”

“No... that’s right!” Lin Chen straightened his back, still arrogant.

“Oh...” Xu Ming groaned deeply.

Then suddenly—

Snapped! !

A slap slapped directly on Lin Chen’s face.

Lin Chen was immediately slapped—today was the first time he entered the Kingdom of God. Unexpectedly, Elder Ye Tianhun slapped him on the left face just now, and now Xu Ming slapped him on the right face again; Two red palm prints were branded on both sides of his cheeks, really... a good start!

Zhan Wuwei was also stunned for a moment – oh, looking at the little violent temper! Why did you make a move without saying a word?

However, Zhan Wuwei is asking the elders of the palace. When dealing with disputes between disciples, of course, the principle of “fairness and justice” must be adhered to.

Ignore it—that’s fair enough, right?

The other geniuses were even more stunned—Lin Chen... was slapped in the face again...

Chi Xue secretly said in his heart: “Brother Xu Ming is still as simple and rude as when he was in Feiyun Country...”

Who is Xu Ming?

That’s “The Palm God”!

If the palm of the hand does not make a move, everyone may have forgotten that slap from the four directions!

Lin Chen provoked him again and again, but Xu Ming didn't even bother him. Was it because he was afraid of him? -how is this possible!

Brother Ming, I just disdain to have the same knowledge as a cat and a dog!

However, this cat and dog slapped his nose on his face. At this moment, Brother Ming really couldn't bear it anymore! -Since you have to find a draw, that's good, Palm God will satisfy your wish!

"You..." Lin Chen was ashamed and angry, "How dare you hit me!?"

Snapped!

Xu Ming didn't say a word, just waved his hand and slapped again – since the meat has already been opened, there is nothing to be restrained! This slap must be slapped until Lin Chen is comfortable and obedient!

snort! I can't do anything, when I'm a sick cat?

"You still hit me!?" Lin Chen was shocked.

Snapped!

Xu Ming still didn't say a word – a slap was the best language for a palm god!

"Try it again!" Lin Chen was about to be mad – he had been paid tribute as a treasure since he was a child, how could he ever suffer such humiliation?

"Yo!?" Xu Ming finally couldn't help but say, "Have a backbone!"

And the end of showing off in front of the palm **** is...

Pa pa pa pa pa pa...

A series of crackling slaps, drawn very rhythmically. Even Xu Ming couldn't tell how many slaps he had slapped; however, it didn't matter how many slaps he slapped, as long as the slaps were pleasant and rhythmic, it was fine!

"Do you want to try again?" Xu Ming put away his slap and said.

If Lin Chen dares to continue to have the guts, then Xu Ming intends to listen to the song "Dongfeng Broken".

"You..." Lin Chen was very aggrieved, "Why did you hit me?"

The palm of the hand is out of the palm, do you still need a reason?

Obviously, no need! – If you want to smoke, you can smoke it!

Just now, Xu Ming became interested.

"Can't you break through the sixth floor of the Tongtian Tower?"

"Aren't you very savvy about the Tao of Heaven?"

"Don't you have great achievements in the future?"

"Aren't you Niu X?"

Xu Ming sneered disdainfully: "Then now, I'll smack you. If you have the ability, you can smack you back!"

Lin Chen really wanted to take it back...

But...he is quite self-aware! From the slap just now, he clearly felt the strength gap between himself and Xu Ming.

Lin Chen is very clear – he has no ability to withdraw.

“Humph!” Xu Ming snorted coldly, “Since I don’t have the skills, be more honest with me next time! If I keep chirping like this, I won’t be so kind!”

kindness?

Lin Chen used his mental power to perceive his face – he was sure that his face had been drawn so much that he didn’t even recognize his mother!

Is this called kindness?

“Alright, alright!” At this time, Zhan Wuwei jumped out and said, “You are all Terran elites, make small troubles, let’s stop here, don’t hurt the peace!”

“...” Lin Chen just wanted to cry when he heard it – Elder Zhan Wuwei, why didn’t you stand up earlier to preside over justice? Now that the fight is over, I just came out to round up the game, which counts as a few meanings...

However, even if Lin Chen was given ten courage, he would not dare to question Zhan Wuwei like this, so he could only swallow the pain in his stomach.

“Well... this time, the dispute between the disciples, I handled it, it should be fair and just!” Zhan Wuwei secretly evaluated himself proudly.

But actually...

In Zhan Wuwei’s heart, he favored Xu Ming.

After all, who kept Lin Chen chatting there all the time! Even Zhan Wuwei looks tired!

Therefore, from Zhan Wuwei’s point of view, Xu Ming burst into anger, which is reasonable!

“The Passing Test of the Tongtian Tower will be conducted every 50 years. The next time will be ten years later!” Zhan Wuwei changed the subject, “In addition to the test, you can also enter the Tongtian Tower for the test in normal times. As for the specific test, Taring will tell you!”

Zhan Wuwei led the geniuses to familiarize themselves with other places.

“This is the Divine Code Pavilion...”

Zhan Wuwei pointed to a quaint pavilion full of rhythm of books and said.

Walked some distance.

“This is the Tianlei battle stage. Every fifty years, a ranking battle will be held! The top disciples will have very important rewards!” Zhan Wuwei pointed to a martial arts arena and said.

Very important reward?

Xu Ming was a little curious – what was it, that Zhan Wuwei used “very important” to describe it.

“But...” Zhan Wuwei said again, “The next qualifying battle has nothing to do with you! When that time comes, you just need to go to the theater!”

Does it matter?

“Why?” All the geniuses couldn’t help asking.

“Because, the next qualifying competition will be held in five years!” Zhan Wuwei explained, “In just five years, you can’t improve your strength at all, so what can you use to compete with those old disciples who have been cultivating for hundreds of years? ?”

The battle of Taoism, UU Reading www.uukanshu.com is held every 50 years; but the genius who wins the battle of Taoism can stay in the kingdom of God for a thousand years – what does this mean?

It means that there are still many geniuses who won in the previous nineteen Dao Fate Battles, still in the kingdom of God!

Those geniuses have been practicing in the kingdom of God for hundreds of years! As Zhan Wuwei said—you newcomers, what do you use to compete with them for ranking?

“Five years left!” Many geniuses were dissatisfied, secretly clenching their fists and fighting spirits.

“I’m a genius of ‘10,000 grades’! I will definitely be able to get a good ranking!” Lin Chen blushed and gritted his teeth secretly—his face was red from Xu Ming before.

Zhan Wuwei didn’t say anything when he saw it.

After all, it is a good thing for young people to have fighting spirit. Anyway, after five years, they will recognize the reality.

“Is there a qualifying match in five years?” Xu Ming was slightly interested.

In five years, Xu Ming can already improve a lot!

Chapter 443: , 100 Days

“Last stop!”

The last stop that Xu Ming and other geniuses came to was a round gray building.

“Elder Zhan, could this be... Chaos Hall?” The redness and swelling on Lin Chen’s face had subsided slightly.

“Not bad!” Zhan Wuwei said solemnly, “This is the Chaos Hall!”

Lin Chen’s eyes suddenly lit up, obviously yearning.

However, most of the other geniuses have never heard of Chaos Hall.

Zhan Wuwei explained: “The Hall of Chaos is the place where the chaotic stone carvings are stored! -The nine chaotic stone carvings contain nine complete heavenly ways! Comprehending the chaotic stone carvings is equivalent to putting the entire heavenly way in front of you. By learning!”

“His-” The audience was full of voices sucking in cold air.

After listening to Zhan Wuwei’s explanation, the geniuses of course understood how precious the Chaos Stone Carving is!

Xu Ming also secretly said: “So, here, there are the chaotic stone carvings that Xiao Huang said...”

“Elder Zhan! Will we have the opportunity to comprehend the Chaos Stone Carving?” Many geniuses couldn’t wait to ask curiously.

“Yes!” Zhan Wuwei laughed, “Everyone has it!”

“Great!”

“Wow! I have a chance too?!”

“However...” Zhan Wuwei said again, “The time you can comprehend is very short! – Every ten years, only one day!”

“what?”

“Only one day in ten years?”

“The time to comprehend is so short? Isn’t that how many things you can’t comprehend?”

“What do you know?” Some geniuses said, “Our human race has so many great powers and so many geniuses; and the Chaos Stone Carvings only have nine pieces—of course, the time for everyone’s enlightenment is short!”

“I understand this, too! But... only one day in ten years is too short, isn’t it?”

“If it’s too short, you can give me the opportunity to comprehend—I’m not too short!”

“roll...”

Xu Ming was also full of expectations: “The chaotic stone carvings that contain the complete Heavenly Dao... If I open the ‘Epiphany’ and hang on to comprehend, the effect of comprehension will definitely be very good! Moreover, my genius level is tentatively set to be the ‘million grade’. ‘; The opportunity to understand the Chaos Stone Carving should be much more than other geniuses!”

At this time, Lin Chen said, “Elder Zhan, I’m a genius of ‘10,000 grades’. I should have more chances to understand the Chaos Stone Carvings, right?”

“Yeah!” Zhan Wuwei responded, “Every ten years, you have five days of enlightenment time!”

five days...

It doesn’t sound like much.

But when the other geniuses heard it, they immediately became jealous—they only have one day!

“And you two!” Zhan Wuwei pointed at Qin Ke and Yun Fan again, and said, “You are the geniuses of the ‘millennium level’. Every ten years, there are three days of enlightenment time!”

Qin Ke and Yun Fan’s eyes also lit up – three days, this is three times the treatment, and it’s not bad!

“Elder Zhan, what about me?” a “hundred-year-old” genius couldn’t help asking.

Zhan Wuwei shook his head: “The ‘hundred-year-old’ one, like everyone else, only has one day!”

“Alas...” Suddenly, the genius was disappointed. He was looking forward to being able to spend another day; after all, even if he thinks about it with his toes, he knows that one more day’s chaotic stone carvings will definitely have great benefits!

However, a strange look flashed in Lin Chen’s eyes, and he thought to himself, “Hey, Zhan Wuwei didn’t mention Xu Ming’s name? Does that mean that Xu Ming’s genius level is not ‘millennium level’ or ‘10,000 level’? It is estimated that the highest is only ‘100-year-old’!”

Xu Ming’s genius level is a secret, and only by asking the senior officials of the palace can he have the right to know. After all, the genius level of “Million Years” is too terrifying; once exposed, it is easy for Xu Ming to be assassinated by aliens.

But Lin Chen foolishly thought that Xu Ming’s genius level was much lower than his own.

“Hehe!” Lin Chen thought complacently, “The senior officials of the Asking Palace really have the vision, they must have seen Xu Ming’s potential, so he set his genius level very low!”

Forehead...

Lin Chen’s words are half right; that is – asked the senior management of the palace, he is indeed very insightful!

As for why Zhan Wuwei didn’t mention Xu Ming’s name, that’s because... he sent it to Xu Ming privately.

“Xu Ming, every ten years, you have one hundred days to comprehend the chaotic stone carvings!”

“One hundred days? That many?” Xu Ming replied in surprise.

You must know that Lin Chen, who is in the “10,000-year-old”, has only five days; but he has a hundred days... This treatment is really a high judgment.

Xu Ming noticed Lin Chen’s stern expression: “If you let him know the truth, I don’t know if he will be able to smile strong...”

It's a pity that Lin Chen didn't even have the chance to know the truth.

"Treasure the opportunity to comprehend the chaotic stone carvings!" Zhan Wuwei said, "No matter how much money you spend, you can't buy this kind of opportunity! You know, the great powers and geniuses of the entire ethnic group are all rushing for it. You want to comprehend it!—As a 'million-year-old' genius, the biggest advantage is that you have more time to comprehend the chaotic stone carvings!"

"Yeah!" Without reminding, Xu Ming also knew that he had to make good use of this hundred days of comprehension time.

...

After "touring" the Chaos Hall, Xu Ming and other geniuses are almost familiar with important places in the kingdom of God.

"Okay, my mission is completed!" Zhan Wuwei laughed and laughed, "Now, go to the 'residential area'; when you get there, someone will arrange for you to live there!"

Such trivial matters as food, clothing, housing, and transportation naturally cannot be handled by an elder-level figure like Zhan Wuwei.

All the geniuses followed their words and walked towards the "residential area".

On the way, some Holy Land disciples who knew the situation said: "There are countless vacant palaces in the kingdom of God. When the time comes, we will just pick one..."

Just arrived at the "residential area".

"Hey—isn't that Luo Sheng?" Xu Ming suddenly exclaimed among the geniuses.

I saw a Dao Venerable Master in a fiery red robe walking out of the residential area.

"It's really Venerable Luo Sheng!"

“Quick, quick! Go up and say hello!” Immediately there was a genius running over in a hurry.

“Dao-Zun Luo Sheng is the disciple of Elder Tie Ning! Not only is he superb at refining, but he is also very approachable...”

“Yes, yes! I have heard about Luo Sheng’s reputation!”

“I heard that as long as the materials are prepared, Taoist Luo Sheng will help to refine the artifact for free!”

“Yeah... So hurry up and make friends, and ask him to help refine a venerable weapon in the future!”

Immediately, a large group of geniuses swarmed around Luo Sheng Daozun.

Luo Sheng Daozun was not annoyed at all~www.readwn.com~ but responded with a smile:

“Everyone is the genius who won this year’s Taoism battle, right?”

“exactly!”

“Luo Sheng Daozun, I have heard of your name for a long time. It is better to meet you if you are famous!”

“Haha...” Luo Sheng shook his head and smiled, “There’s no such thing as a big name, but he’s just a blacksmith!”

Immediately, among the geniuses, there was another burst of exclamation: “Luo Sheng is so humble!”

“This is the demeanor of an array master! – Unlike some people, who have learned a bit of the three-legged cat formation technique and then show off everywhere!” These words were obviously alluding to Xu Ming.

After all, most of the more than 1,000 geniuses have been charged “tolls” by Xu Ming; they naturally have deep grievances against Xu Ming!

“Don’t shake half a bottle when it’s full...”

In the discussion, Luo Sheng Dao Zun frowned slightly, and said with displeasure: “By the way, among you, is there someone named Xu Ming? Where is he?”

Chapter 444: , Shameless

Xu Ming?

Immediately, the geniuses surrounding Luo Sheng all turned their attention to Xu Ming.

Xu Ming and Luo Sheng suddenly became the two focuses on the field.

“You are Xu Ming?” Luo Sheng walked quickly to Xu Ming, his face full of indignation.

Xu Ming looked at the other party calmly: “Yes!”

Luo Sheng said angrily: “Why do you refuse to worship my master, Elder Tie Ning? – Could it be that with my master’s strength, I can’t teach you?”

“Er...” Xu Ming was stunned.

He found that the situation in front of him seemed to be... a loyal apprentice, holding an injustice to the master?

At this time, the other geniuses around also understood why Luo Sheng angrily approached Xu Ming.

The geniuses sighed with emotion:

“I’ve always heard that Taoist Luo Sheng respects his master the most, Elder Tie Ning... I saw it today, and sure enough!”

“Extremely!—What I admire the most is not Luo Sheng Daozun’s craftsmanship, but Luo Sheng Daozun’s person!”

“Yeah! Luo Sheng’s graceful demeanor and way of life are all worthy of our learning!”

“Only a righteous person like Luo Sheng Daozun can study the formation path deeply!”

...

The surroundings were filled with compliments to Luo Sheng Dao Zun.

Suddenly, the conversation changed.

“Compared with Luo Sheng Daozun, Xu Ming is simply not worth mentioning!”

“Indeed! In terms of the formation level, Luo Sheng Daozun beat Xu Ming, more than a hundred times!?”

“The key is character! In terms of character, Daozun Luo Sheng has beaten Xu Ming again, more than a hundred times!?”

“That’s right, right! Xu Ming showed off his skills everywhere because he knew a little about the formation technique! He even set up an illusion formation to disrupt the battle of fate! This kind of evil is unheard of!”

“More than that!—Elders Tie Ning, seeing that Xu Ming has such a talent for dot formation, want to help him! But what happened? This Xu Ming, for some reason, rejected the good intentions of Elder Tie Ning and the others!”

“With a personality like Xu Ming, even if you have talent, you can’t achieve achievements like Luo Sheng Daozun!”

“What are you talking about?” Someone retorted what he just said.

“Am I wrong!” The one who had just spoken was dissatisfied.

“Of course it’s wrong! What is Xu Ming, how can he be compared with Luo Sheng Daozun? – No matter it is talent or character, he is not qualified to compare!”

A large group of geniuses who had paid the “tolls” and were able to win the battle of Taoism instantly turned into a group of shrews and accused Xu Ming of being useless. In doing so, they took the opportunity to vent their hatred for Xu Ming. Second, it is to flatter Luo Sheng.

Luo Sheng shouted again: “Speak! Why did you refuse to be a teacher and save my master’s face!?”

Xu Ming didn’t say anything, he just took a deep look at the other party – what a righteousness!

But Xu Ming always felt that there was a trace of viper-like coldness hidden in this “awe-inspiring righteousness”.

“Huh?” Xu Ming couldn’t help but wonder, “Could it be my illusion?”

At this moment, a cold sound transmission sounded in Xu Ming’s mind.

“Quack quack...” This sound transmission came from Luo Sheng. However, this sinister tone was quite different from Luo Sheng’s upright and arrogant image, as if they were two completely different people.

“I’ll go!” Xu Ming suddenly understood an idiom – sanctimonious!

“Damn, it’s too fake on the surface, isn’t it? – Oh no, it’s too real!”

It’s really hard for a person with a cold heart to keep a straight face at all times!

Xu Ming looked at Luo Sheng and said, “You are so open and secret, so you are not afraid that I will expose you?”

“Afraid? Why should you be afraid?” Luo Sheng Chuanyin sneered, “You’re going to expose it! – I’d like to see if anyone will believe you!”

“Uh...” Xu Ming was really shocked by the shamelessness of the other party – this level of shamelessness, I was convinced!

However, Xu Ming also knows that, as Luo Sheng said, even if he exposes his “differences”, few people will believe it! After all, Luo Sheng has already successfully seized the moral commanding heights – in the eyes of others, he is a gentleman, and he is a villain.

“Just tell me, what’s the matter with you?” Xu Ming hummed, “If you have something, just say it directly, don’t fuss! If it’s okay, I won’t play with you!”

“There is something! Of course there is something!” The upright Luo Sheng laughed coldly through voice transmission, “I saw you, so I came here to thank you!”

“Thank me? Thank me for what?” Xu Ming couldn’t help but wonder.

“Thank you for rejecting Tie Ning as your teacher!” Luo Sheng’s tone clearly showed no respect for Tie Ning.

“Huh?” Xu Ming became more and more puzzled – this is a bit incomprehensible!

“Humph!” Luo Sheng continued, “Don’t you know that every master, in his life, almost only accepts one or two direct disciples?”

“and then?”

“Humph! If you become Tie Ning’s direct disciple, then it’s almost impossible for me to become a direct disciple in my life! – But you rejected Tie Ning arrogantly and ignorantly, which gave me the opportunity to become a direct disciple again. Disciple’s hope; you say, should I thank you?”

“Oh... that’s the case!” Xu Ming suddenly realized, “In this case, you should really thank me! – Then, what treasure are you going to use to thank me? Shouldn’t it be just a verbal thank you?”

Luo Sheng's eyes widened – only then did he realize that Xu Ming was also quite shameless!

Two shameless people meet here. Next, it depends entirely on who is more shameless!

“Thank you for what treasure? Thank you for a fart!” Luo Sheng scolded.

“Luo Sheng, right? You're not being kind!” Xu Ming sighed, “I helped you so much, but you thanked me with a fart? – It's really a rabbit dead dog cooking, a bird doing everything. Hide! I won't be happy when you look like this!”

“Ha!” Luo Sheng sneered, “If you're not happy, what can you do?”

“Oh, I'm going!” Xu Ming shouted strangely, “You are provoking me!”

“Yes!” Luo Sheng's eyes deep ~www.readwn.com~ smiled very shamelessly.

Then, deep in Xu Ming's eyes, he also laughed shamelessly.

The two looked at each other and saw the shameless look in each other's eyes – this is obvious, it is to fight shamelessly!

Shameless?

Who was Xu Ming afraid of?

“Okay, you have successfully provoked me!” Xu Ming said coldly through voice transmission.

“So what?” Luo Sheng was shameless and arrogant.

However, Xu Ming was shameless and even more arrogant: “Actually, I have always regretted that I missed such a good opportunity to be a teacher! You say... If I am lost now, will Elder Tie Ning accept me as a disciple? Woolen cloth?”

Of course Xu Ming was talking nonsense with his eyes open.

However, Luo Sheng didn't think so. He was so shocked that his expression gradually became panic: "If Xu Ming really does this..."

Chapter 445: , Really Good Man

"If Xu Ming really does this and goes to apprentice again..." Luo Sheng thought in horror, "Then, the possibility of Tie Ning accepting him as a direct disciple is very high!"

Luo Sheng, who was still pretending to be X, instantly became stupid!

If Xu Ming became a direct disciple, what about him? – There is almost no possibility for him to become a direct disciple; in this life, he can only be a disciple.

"You...you..." Luo Sheng said in a dazed voice, "Don't you disdain apprenticeship?"

"Hey!" Xu Mingjian laughed, "I regret it now, can't I?"

"You..." Rosen was speechless.

"But..." Xu Ming said again.

Luo Sheng's ears perked up, he knew that, next, Xu Ming should talk about the key points.

Sure enough, Xu Ming said with a shameless smile: "But, I am a person who loves face very much; if I really want to go to apprentice again, I am a little embarrassed! But, you are provoking me like this, if I don't rob you as a direct disciple In terms of my face, it's even more difficult for me to get the chance! – What do you think I should do?"

"Huh?" Luo Sheng frowned, "What do you mean?"

"What I mean is very simple..." Xu Ming's tone was very mean, "Since I gave you the hope of being a direct disciple, then you should thank me, right? – But, your thanks is very insincere!"

“You...” Luo Sheng finally understood, “You want to take advantage of the fire!”

“Take advantage of the fire!?” Xu Ming’s tone sank, “What is taking advantage of the fire? Pay attention to the wording? I’m just asking for a due thank you, that’s all! – Okay, since you have such an attitude, we don’t We need to talk about it! When I look back, I will go to apprentice; anyway, it is not too embarrassing to ask Elder Tie Ning to be my apprentice!”

“Uh...” Luo Sheng was speechless for a moment—this is too shameless! Even if you don’t have a word, you go to the teacher...

“You... what treasure do you want!?” In the end, Luo Sheng gritted his teeth and became soft—it’s impossible not to accept softness! If he doesn’t accept the softness, Xu Ming will compete with him for the position of his direct disciple!

“What you said, I don’t like to hear it anymore!” Xu Ming said proudly, “What do you mean by ‘what treasure do I want’, it should be—what kind of sincerity can you show, okay?”

Hearing Xu Ming say this, Luo Sheng’s face suddenly became more and more ugly. He could hear the deep meaning of this sentence – Xu Ming obviously intends to speak loudly!

The voice transmission conversations between Luo Sheng and Xu Ming were all conducted in private. However, the change in Luo Sheng’s face was noticed by the geniuses around him.

Seeing Luo Sheng’s ugly face, all the geniuses said:

“Look, Daozun Luo Sheng is really loyal to his master, Elder Tie Ning! Xu Ming refuses to admit his mistake, and Daozun Luo Sheng is so angry that his face is black!”

“Yes, yes! Daozun Luo Sheng is indeed righteous!”

...

Listening to the voices around, Luo Sheng's face became more and more ugly – his face was black with anger, was it because Xu Ming refused to admit his mistake? no! It was because Xu Ming wanted to rob him!

“Xu Ming!” Luo Sheng said in a gloomy voice transmission, “Do you know the consequences of offending a Dao Venerable?”

“I don't know!” Xu Ming said in a “naive” voice, “Don't you dare to kill me in the kingdom of God?”

In the kingdom of God, one cannot help fighting, but killing is strictly prohibited! – If anyone dares to kill people in the kingdom of God, even if he is a Taoist, he will surely die!

“Okay! Okay! You have enough courage!” Luo Sheng said coldly, “I will give you a venerable tool as a ‘thank you’; this matter, let's stop here!”

“Exalted weapon?” Xu Ming really didn't care about any honorable weapon, “What grade?”

Luo Sheng gritted his teeth and said, “Excellent!”

Taking out a top-grade venerable tool was also quite distressing to Luo Sheng.

Even, Luo Sheng secretly regretted in his heart, regretting why he was being cheap, and came to Xu Ming to pretend to be X. Now it's good, I can't pretend to be X, but it has become a door-to-door treasure...

Dare to ask, is there anyone more stupid than him?

“A top-quality weapon?” Xu Ming was not satisfied at all, “Where did you send the beggar?”

“Xu Ming!” Luo Sheng shouted coldly, “Don't go too far! – Even many Dao Zuns don't have top-quality objects in their hands! Do you think they are too few?”

“Haha!” Xu Ming laughed, “A top-grade exalted artifact is indeed quite valuable! But... if I choose to apprentice, even if I get a hundred top-grade exalted artifacts, or even a half-divine artifact, it’s not difficult, right?”

“You...” Luo Sheng was dumbfounded.

But he had to admit that Xu Ming was right!

Of all the elders in the Palace, who has the most treasures? —There is no doubt that it is definitely Elder Tie Ning!

Even the twelve palace masters are not necessarily richer than Elder Tie Ning!

Then, as the direct disciple of Elder Tie Ning, will there be few treasures?

“You’d better say it directly, what do you want as a thank you!” Luo Sheng said in a low voice.

“I’m not embarrassing you!” Xu Ming looked like he was very talkative, “Give me a top-grade exalted weapon or a half-artifact, and I won’t go to apprentice!”

“Pfft!” Luo Sheng almost vomited blood?

A top-class warship?

Half artifact?

It’s too easy to say, isn’t it? – What do you think is the best-class venerable-class battleship and semi-artifact? Is it street cabbage?

You must know that a top-grade exalted weapon is more valuable than a hundred other top-grade exalted weapons! Even the Zhan Wuwei elders are complacent and show off because they have a top-grade exalted warship.

As for Luo Sheng, there is no top-quality exalted warship at all!

And the semi-artifact...the value is not inferior to the top-grade exalted weapon-class battleship! - Luo Sheng does have a semi-artifact on his body, but there is only one. It is a treasure bestowed by his master. How could this be given to Xu Ming as a gift?

“You... are you embarrassing me?” Luo Sheng was about to explode with anger.

Xu Ming continued with a shameless face: “If I go to apprenticeship and want to get a few demigods, it won’t be difficult...”

“I don’t have a top-quality exalted warship! I don’t have a semi-artifact!” Luo Sheng hummed ~www.readwn.com~ No? “Xu Ming glanced suspiciously, “Then if you have it, you are a dog!” ”

Luo Sheng’s mouth trembled imperceptibly, and he gritted his teeth and said, “Yes! If I had it, I would be a dog!”

“Well...” Xu Ming “believed” at this point, “But... an ordinary high-quality exalted weapon wants to send me away, this is absolutely impossible!”

Next, the two sides started a lightning-like sound transmission.

Xu Ming made it clear that he was a rogue anyway – if you don’t come up with a treasure that will satisfy me, I will go to apprentice!

Luo Sheng kept crying about being poor – I’m poor and have no treasures!

In the end, the two sides negotiated for a while, and happily reached a deal at the price of “20 ordinary top-quality artifacts”.

“Let’s go! Go to a place where no one is around!” Xu Ming made an excuse and dragged Luo Sheng over; his heart was filled with joy – such a good person, he even came over to give me treasures!

Chapter 446: , Do You Dare To Come In And Hit Me?

The two were in a corner and “happily” completed the transaction.

Although Luo Sheng painstakingly paid 20 pieces of top-grade exalted artifact, his face was not very good-looking; but at least, he also got what he wanted – the opportunity to become a direct disciple.

“Xu Ming!” Luo Sheng hummed, “Remember what you promised me, you are not allowed to go to apprentice again!”

“Don’t worry!” Xu Ming said with a satisfied smile – no matter whoever gets 20 pieces of the highest-quality exalted artifact for no reason, he will be in a good mood, “I travel in the world, relying on reputation!”

Reputation?

Luo Sheng snorted disdainfully, for Xu Ming’s shameless behavior, he really didn’t dare to believe his credibility.

“Farewell!” Luo Sheng snorted, turned around and left.

He really didn’t want to see Xu Ming again – the first time he met Xu Ming, he was robbed of 20 pieces of the highest-quality exalted artifact. Luo Sheng’s psychological shadow was about to come out!

But who is to blame? Who told him to think that Brother Ming was easy to bully, so he ran up to pretend to be a fool as soon as they met, but he pretended to be a fool.

“Don’t rush to leave, let’s talk a little more!” Xu Ming shouted “enthusiastically”.

“Talk about a fart!” Luo Sheng wanted to leave.

“Hey, don’t rush to leave, I still have some questions to ask you!” Xu Ming said.

“Speak!” Luo Sheng stared.

“What level of formation are you at now?” Xu Ming asked haha.

“Master Dao is in the middle!” Luo Sheng hummed.

The formation level of the Dao Zun level can be accurately divided into: Tao Zun lower, Tao Zun medium, Tao Zun high, and Tao Zun limit.

“Luo Sheng, I heard that you have been cultivating for tens of thousands of years, and you are only at the middle level of the formation path?” Xu Ming’s tone contained a trace of contempt, “Forgive me, just rely on your formation path talent, even if If I don’t go to apprenticeship, it is almost impossible for you to be a direct disciple!”

“Humph!” Luo Sheng snorted coldly, obviously he also understood that his talent in the formation path was indeed a little bit short, “However, I have a good talent for refining tools, and I have been able to refine high-quality exalted weapons! – Six years later At the ‘Artificial Refining Conference’, I will refine a high-grade venerable weapon on the spot and win the championship! At that time, Tie Ning sees that I have a good talent, plus I am usually respectful to him, he is likely to choose me Be a direct disciple!”

Luo Sheng’s meaning is almost – Tie Ning will have to be taller in the dwarf.

“Will there be an artifact refining conference in six years’ time?” Xu Ming secretly said, “If you have time, you can go and play...”

Although Xu Ming knew nothing about weapon refining now, it was unpredictable what would happen in six years. At that time, if Xu Ming really goes to the Item Refining Conference, it is really hard to say whether Luo Sheng can still win the championship!

...

Xu Ming’s residence in the Kingdom of God is a quaint Chinese-style attic.

Next to him is Chi Xue’s palace. A circle nearby is the residence of the disciples of the Holy Land of Stars.

“It’s time to start living in the kingdom of God!” Xu Ming stood on the balcony, leaning on the railing to look out.

The heavy clouds in the sky of the kingdom of God, and the threads of the law of heaven that are intertwined, are suffocatingly beautiful.

“Even if you just observe these threads of the Heavenly Dao often, your cultivation speed will be much faster than in the outside world!” Xu Ming thought to himself.

The Kingdom of God is definitely a super treasure!

Just like when Xu Ming first entered the kingdom of God, he was shocked by the thread of the heavenly way in the sky to the point of having an epiphany!

Of course, this kind of epiphany is hard to come by. Later, Xu Ming often looked up at the sky again, but he never had another epiphany.

“Now, my ‘The Way of Fire’ has also been planted. But...” Xu Ming frowned slightly, “The first thing I understood was the Way of the Wind; both the body and the soul experienced the origin of the wind first. Baptism... It will be easier for me to understand the heavenly way of wind; but if I understand other heavenly ways, I will be rejected!”

For example, now, Xu Ming clearly felt that comprehending the Heavenly Dao of Fire was ten times more difficult and obscure than comprehending the Heavenly Dao of Wind!

You must know that Xu Ming has the highest comprehension, but the Heavenly Dao of Fire, followed by the Heavenly Dao of Water, and the Heavenly Dao of Wind, is actually the third!

“Although my understanding of the Heavenly Dao of Fire is ten times more difficult, but...” Xu Ming calculated, “However, it is also much faster than other people’s cultivation speed!”

Therefore, even if it is ten times more difficult, for Xu Ming, the Heavenly Dao of Fire is still a path that can be walked.

If Xu Ming could control two Heavenly Dao at the same time, his strength would definitely be terrifying!

“Look back, go to Tongtian Tower and Chaos Hall to see and see...” These two places are undoubtedly important places for improving strength.

Just when Xu Ming was about to turn around and walk back into the attic... Xu Ming saw more than ten figures flying towards him quickly.

“Huh? Came for me?”

Among these more than ten figures, there is Xu Ming’s old acquaintance, Lin Chen.

“Isn’t this kid afraid of being beaten by me yet?” Xu Ming frowned slightly.

In the blink of an eye, more than a dozen figures flew to Xu Ming’s attic.

“Xu Ming!” Lin Chen shouted angrily.

“Isn’t this Lin Chen?” Xu Ming smiled indifferently, “I haven’t seen you for a few days, your face is recovering well! You can’t even see any palm prints!”

Lin Chen’s anger suddenly wilted – being slapped wildly by Xu Ming, this is undoubtedly his great shame!

Xu Ming was pondering, when does his slap need to be improved! At least, this palm print cannot be easily faded away.

“You are Xu Ming?” At this moment, the lion-like man beside Lin Chen snorted.

Judging from his aura, it was obvious that he was the leader of the crowd.

Xu Ming glanced: “Which green onion are you?”

The other party was not kind, so Xu Ming naturally didn’t need to be polite to him.

“Presumptuous!” Immediately, a younger brother shouted angrily, “This one is our famous Senior Brother Liu Zhentian in the Purple Moon Holy Land!”

“Liu Zhentian? Never heard of it!” Xu Ming sneered, “Besides, you are famous in the Purple Moon Holy Land, it’s none of my business!”

“Xu Ming!” Lin Chen snorted coldly~www.readwn.com~ Don’t be too arrogant! ”

Arrogant?

Xu Ming smiled: “Okay, let’s get straight to the point, these guys are here to give you a head start, right?”

“Tsk tsk...” Xu Ming sighed with contempt, “Lin Chen, you are really sorry for your title of ‘10,000 grade’ genius. If you can’t beat me, you can call for help!”

“Xu Ming!” The lion-like Liu Zhentian’s voice was like a dull thunder, “The mouth is quite powerful! But... I didn’t come to give Lin Chen a head start, but I heard that you are very arrogant, so I came here to kill your spirit! Let you know that you can’t be too arrogant!”

“Oh?” Xu Ming said with a startled smile, “Kill my spirit?”

“That’s right!” Liu Zhentian looked resolute, “Come out and let me take care of you!”

“Is that so?” Xu Ming smiled slyly and said cheaply, “Then what if I don’t go out? – Do you dare to come in and beat me?”

In the kingdom of God, trespassing on other people’s residences will be severely punished!

Chapter 447: , Comprehend Chaos Stone Carving

In the kingdom of God, trespassing on other people’s residences will be severely punished!

Liu Zhentian and others were suddenly speechless – they really didn't dare to go in.

But...

Xu Ming is too cheap and righteous, right? – Is it really good to be so cheap?

“You...” Liu Zhentian was stunned for a long time, not knowing what to do.

To say that at such a time, the brains of young people are more agile.

Lin Chen thought of a solution in a flash: “Senior Brother Liu, Xu Ming won't come out, so we'll stay here in shifts! I don't believe it, he won't come out all the time!”

Liu Zhentian's eyes suddenly lit up: “Good way!”

Immediately, he turned to Xu Ming and said fiercely, “You won't come out, will you? – Well, if you have the ability, you should never come out! If you come out, I won't hurt you!”

“Eh?” Xu Ming wasn't afraid of this powerless threat at all, “You guys have to squat outside, right? – Then you squat, just in time, I still need a few watchdogs!”

“You...” Liu Zhen was in a hurry, but he couldn't help Xu Ming.

“You guys help me take care of the door, I'll go in first!” Xu Ming said, turning around and entering the pavilion, leaving only Liu Zhentian and the others with a confused look.

“Senior Brother Liu, what should I do?”

“Want to wait, Brother Liu?”

Lin Chen and others all looked at Liu Zhentian. After all, it was this Liu Zhentian who called the shots in their group.

Liu Zhentian's face was gloomy, and after a long time, he said solemnly: "Wait! – When he comes out, he must be maimed!"

In the kingdom of God, killing is strictly prohibited, but fighting is not allowed!

"This kid, how dare you scold our watchdog! Wait for him to come out and beat him!"

"Yes! Squat down to his door!"

"Humph! As soon as you come out, you will be crippled!"

...

"Mutilate me?"

Inside the pavilion, Xu Ming just sneered disdainfully.

"Xiaohang, help me find out the strength of that Liu Zhentian!"

Since Liu Zhentian dared to help Lin Chen to get ahead, then his strength must not be weak. Half-step Taoist is for sure, but I don't know which level of half-step Taoist – after all, even if they are both half-step Taoist, the difference in strength can be very big!

The person who broke through the seventh floor of the Tongtian Tower was a half-step Taoist; the one who broke through the tenth floor of the Tongtian Tower was also a half-step Taoist – of course, the strength cannot be compared!

Immediately, Xiaohang responded: "Liu Zhentian, he is an ordinary half-step Daoist!"

Half-step Dao Zun is divided into: first entry, ordinary, peak, and extreme.

Ordinary half-step Taoist means that he can pass through the eighth floor of the Tongtian Tower, but cannot pass through the ninth floor.

Xu Ming pondered for a moment: “Looks like, I’m really not Liu Zhentian’s opponent!”

The strength of Xu Mingkai’s hanging up is stronger than that of the first half-step Taoist, but slightly weaker than the ordinary half-step Taoist; compared to Liu Zhentian, it is indeed slightly worse – at least that is the case today.

But tomorrow...

Not necessarily!

In every palace and pavilion in the residential area, there is a teleportation array, which is used to travel between the Chaos Hall and the residence. Because... Chaos Hall is completely sealed and has no doors!

To go to the Chaos Hall, you can only rely on teleportation!

The reason for this is to... protect privacy! —To be precise, to protect the privacy of a super genius like Xu Ming!

After all, ordinary geniuses only have one day every ten years to comprehend the chaotic stone carvings; even a “ten thousand grade” genius like Lin Chen only has five days every ten years.

And what about Xu Ming?

Every ten years, a hundred days!

If other geniuses knew about this, wouldn’t it be a mess? Moreover, the secret of Xu Ming’s “million-year-old” genius has also been exposed?

so!

In order to protect the privacy of a super genius like Xu Ming, the Chaos Hall has no door and can only be reached by the teleportation array at his residence! And everyone’s residence is a private territory that is strictly prohibited from trespassing – in this way, whoever stays in the Chaos Hall for a few days will not be known by others!

“Hey – the chaotic stone carvings of the Heavenly Dao of Wind, just no one is comprehending it!”

Xu Ming stepped directly into the teleportation formation and started teleportation.

The next moment, Xu Ming appeared in a dark and empty space.

Grey ground, smooth as a mirror.

In front of Xu Ming, there is an irregular stone carving that is ten feet high. Other than that, the entire space is empty.

“Xu Ming!” An ethereal but powerful voice suddenly sounded in the dark space.

Xu Ming knew that this was the artifact spirit of the Chaos Hall.

The ethereal and majestic voice continued: “Xu Ming, according to your authority, you can comprehend the chaotic stone carvings for 100 days. Start the timing now, please grasp the time!”

Xu Ming said: “After a day, send me directly.”

“Yes!”

Xu Ming had heard Zhan Wuwei say that when he comprehends the chaotic stone carvings, it is easy to forget the time. Immersed in comprehension, it is very likely that I feel that it is only a blink of an eye, but dozens of days or even more have passed – and the opportunity to comprehend the chaotic stone carvings is precious, of course, you can’t gobble it like this.

The best thing to do is to comprehend it for a day or a few days, and then think about it for a while. After you have mastered everything you have learned, you will come to the enlightenment again.

“‘Epiphany Mode’, turn it on!”

Xu Ming directly opened the “Epiphany” link. As for the “Second Learning” hanging, it is for the secret skills of the exercises. In this case, it is useless.

hum—

Xu Ming’s mental power directly covered the entire chaotic stone carving.

“This stone contains the complete Heavenly Dao of Wind?” Xu Ming felt very magical.

At first glance, Xu Ming only felt that this stone carving was very ordinary, as if it was a very ordinary weathered rock.

But at the second glance, Xu Ming sank directly into it.

“Amazing!”

“The frosted surface of this stone carving is the ‘erosion’ in the Heavenly Dao of Wind... It turns out... that’s what it is...”

“Huh? Is this ‘Blast’?”

Xu Ming was fascinated by his comprehension.

“This deep scar contains the extremely profound mystery of the ‘cut of the wind’... No! The inside of this deep scar...”

Xu Ming’s mental power was instantly drawn into the deep scar.

In Xu Ming’s field of vision, this deep scar was infinitely magnified – bigger than the whole world!

Every inch of this “deep scar world” contains the incomparably profound and profound mysteries of heaven and earth. The whole “deep scar” interprets the mystery of “wind cutting” to the extreme!

And the size of this deep scar on the Chaos Stone Carving ~www.readwn.com~ is less than half an inch!

“Amazing! It’s amazing!”

“Mysterious! It’s so mysterious!”

“It turns out that my previous understanding of the Heavenly Dao of Wind was so superficial!”

...

At this time, the “Way of the Wind”, which was deeply planted in Xu Ming’s sea of consciousness, was also quietly changing.

The entire “Dao Seed” is brewing and evolving.

suddenly-

Whoa!

Xu Ming disappeared directly from the Chaos Hall and reappeared in his pavilion.

“What? So soon, one day?” Xu Ming really felt that it was just a blink of an eye.

However, the vast and majestic wind of heaven that he has realized cannot deceive anyone.

Chapter 448: , Play Watchdog

“My Wind Heavenly Dao Comprehension...”

Xu Ming found that in the “blink of an eye” he felt, the realization of the Heavenly Dao of Wind went directly to the next level!

“The chaotic stone carvings are really amazing... When you comprehend, you completely forget time...”

“Hurry up and consolidate your perception!”

Xu Ming was completely immersed in it.

...

three days later.

“Haha, I broke through, Second Step Daojun!”

After just comprehending the chaotic stone carvings for a day, Xu Ming directly broke through from the first-step Taoist to the second-step Taoist!

You must know that the road of martial arts, the higher you go, the more difficult it is to walk!

It is no less difficult to upgrade from a first-step Taoist to a second-step Taoist than the sum of the difficulties of upgrading from a martial arts practitioner to a first-step master!

Now, Xu Ming has broken through to the second step Daoist; under the hanging, his strength is only stronger than Liu Zhentian!

“Huh—” Soon, Xu Ming noticed the situation outside the pavilion, “It’s been four days, and those watchdogs are still there? You really have patience!”

Xu Ming, who had just broken through and was in a good mood, smiled and said, “Just tease them!”

Xu Ming leisurely walked to the balcony, propped up the railing, and looked down at a group of watchdogs at the door: “Everyone is still there!”

The geniuses such as Liu Zhentian and Lin Chen suddenly raised their heads and scolded:

“Xu Ming! I rely on it!”

“You have a kind of kid, you didn’t come out for four days!”

“It takes four days to hide, you can do it!”

...

Xu Ming smiled and looked at the group of idiots below: “Hid? Who hid? – I just practiced in seclusion for four days! Unexpectedly, you all became watchdogs for four days!”

What?

Closed-door practice?

Liu Zhentian and others suddenly felt a deep pain in the egg: “Damn it, Xu Ming! We are waiting here, but you are actually practicing in seclusion inside!”

“Dare you **** ignore us? When we don’t exist?” Lin Chen shouted.

“Lin Chen!” Xu Ming’s eyes froze, “Keep your mouth clean! – Did the slap print fade away and you forgot the pain?”

“Damn it!” Lin Chen shouted angrily, “I just don’t clean it up, what can you do? You dare to come out and beat me?”

The voice just fell.

Snapped!

A slap transformed by the power of Heavenly Dao directly slapped Lin Chen’s face fiercely, leaving a blood-red palm print.

“Hit you...” Xu Ming sneered disdainfully, “Do I still need to go out? Just hit here!”

“You...you...” Lin Chen’s slap was really embarrassing enough – Xu Ming didn’t play cards according to the routine, but hid in the pavilion and played “long-range attack”.

Liu Zhentian’s face was extremely gloomy: “In front of me, you dare to beat Lin Chen!?”

“Oh?” Xu Ming glanced, then said nothing—

Snapped!

There was another palm print on Lin Chen’s face.

“Fuck him in front of you, what happened?” Xu Ming sneered.

Lin Chen’s second slap made me want to cry – you two are torn apart, why are you slapping me?

“You...” Liu Zhentian was even more impatient, feeling that his dignity was greatly provoked and humiliated; but, he had nothing to do with Xu Ming – because Xu Ming was standing within the confines of the pavilion.

And in the pavilion, is the “safety zone”. If Liu Zhentian dared to attack Xu Ming, it would be more serious than trespassing on other people’s residences.

so...

Lin Chen’s two slaps are nothing but slaps!

Liu Zhentian and others did not dare to attack Xu Ming at all.

“Xu Ming!” Lin Chen was about to go crazy – he worked as a watchdog outside Xu Ming’s door for four days, and he didn’t wait for Xu Ming to come out, but he received two slaps.

Xu Ming ignored Lin Chen directly, just like ignoring a small grinning puppy.

He looked down at Liu Zhentian and other more than ten people: “Do you have anything else to say? – If not, I will continue to retreat, and you continue to be watchdogs at the door!”

With that said, Xu Ming really wanted to go back to the house.

“I rely on!”

Liu Zhentian and others were both angry and anxious.

If Xu Ming just went back like this, wouldn't they be embarrassed and thrown home? – After being a watchdog for four days, Xu Ming came out and gave him two slaps, and then they continued to be watchdogs?

“Xu Ming, stop!”

“Xu Ming, if you don't come out today! In the future, don't come out again!”

“You have provoked the dignity of our Purple Moon Holy Land! Today, if you don't obediently come out on your knees to admit your mistakes, and then be honestly beaten by us; then, in the next thousand years, I promise that as long as you come out once, you will We will be crippled by our Purple Moon Holy Land once!”

“Yes! If you have the ability, you can hide in it for a thousand years!”

“Yes! Besides, after the thousand-year period expires, and you leave the kingdom of God, our Purple Moon Holy Land will never make you look good!”

“You'd better think clearly, don't be so arrogant! – It's up to you to choose whether to be maimed by us only today, or to be maimed once in the next thousand years!”

...

For a time, Liu Zhentian and other more than ten people shouted and cursed.

In the midst of shouting and scolding, Xu Ming really stopped and turned around.

“What you just said is true?” Xu Ming narrowed his eyes slightly, looking at the dozen or so cats and dogs below.

“Bullshit! Of course it’s true!”

“In our Purple Moon Holy Land, there are hundreds of disciples in the kingdom of God! If you really want to block you, it’s as easy as the palm of your hand!”

“Humph! Do you know that you are afraid?”

“If you know you’re afraid, get out quickly, kneel down and call me!”

...

A group of cats and dogs thought that Xu Ming was afraid, and they screamed even more.

“Hey...” Xu Ming sighed heavily, “Why do you have to force me?”

Xu Ming felt that his palm began to itch faintly again!

What to do with itching?

Pump it!

boom!

Xu Ming’s slap slapped directly towards Liu Zhentian, and the power of the heavens around him was instantly mobilized!

A palm transformed by Heavenly Dao swept towards Liu Zhentian's cheek like a gust of wind. This palm is clear and solid, and the lines on the palm contain the incomparably complex wind and heaven.

"This kind of trick, you want to deal with me too!?" A look of disdain flashed across Liu Zhentian's face;

"Boy, you're still a long way off!" Liu Zhentian sneered disdainfully.

"Really?" Xu Ming had actually expected this to happen – this move was indeed a little short of dealing with Liu Zhentian, who had passed through the eighth floor of the Tongtian Tower.

However, Xu Ming's goal was not Liu Zhentian at all, but...

clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap...

Suddenly ~www.readwn.com~ more than a dozen slaps from the power of the heavenly way appeared next to the cheeks of Lin Chen and other geniuses.

Before these more than ten geniuses could react, their little faces were slapped wildly...

After a burst of snapping noises, only Liu Zhentian was left with his face intact. The faces of more than ten other geniuses have been drawn so much that they don't even recognize their mothers in an instant...

The worst is Lin Chen!

This is not the first time he has been drawn so much that he doesn't even know his mother; moreover, this time, Brother Ming also "took care" on him – after all, he is an old customer, so of course there must be "discounts"!

"This..." Liu Zhentian looked at his younger brother who was in a state of collapse all around, and was immediately stunned.

"Liu Zhentian..." Xu Ming narrowed his eyes slightly.

The only person in the audience who was not drawn was Liu Zhentian – Brother Ming, will you spare his little face?

Quietly, Xu Ming's shadow was continuously elongated. Unconsciously, the shadow spread to Liu Zhentian's feet.

Chapter 449: , Meteor Shoots The Full Moon

Liu Zhentian didn't pay much attention to the shadow that spread over. He thought it was just a very ordinary shadow.

boom!

Another palm transformed by the power of heaven suddenly appeared near Liu Zhentian.

"It's useless!" Liu Zhentian still waved his hand very casually, and broke the illusory palm, "I've eaten more salt than you have eaten rice! This kind of trick of carving insects dares to stand in front of me. alley..."

Before Liu Zhentian finished speaking, this very ordinary shadow on the ground suddenly "lived"!

Demonic clone!

Xu Ming's demon avatar instantly appeared in front of Liu Zhentian.

"What the hell!" The unsuspecting Liu Zhentian was immediately startled.

And it is in this "in between"...

Snapped!

A crisp slap sounded, and there was a bright red palm print on Liu Zhentian's face – Liu Zhentian, who was powerful on the eighth floor of Tongtian Tower, still couldn't escape the fate of being slapped!

"You..." All this happened so suddenly, when Liu Zhentian reacted, the palm prints on his face were already bright as blood.

"You die for me!!"

boom! !

Liu Zhentian's palm, which was burning with fire, shot directly at Xu Ming's demon avatar – he did not dare to attack Xu Ming in the pavilion, but he could attack this avatar outside the pavilion.

"Just destroy your clone first!" Liu Zhentian thought fiercely.

However, at this time, Xu Ming's demonic avatar turned directly back into a very ordinary shadow.

Shadow is a kind of nothingness; is there anything that can attack the shadow? -No!

Liu Zhentian's palm slapped on the shadow and slammed into the air.

"Hahahaha..." Xu Ming laughed, "Is it fun!?"

"Xu Ming!" Liu Zhentian's eyes were splitting – this was definitely the stupidest moment in his life, "You are deliberately playing tricks on us!?"

"You just found out?" Xu Ming raised his brows, "Okay, I won't play with you anymore, I'll go back to retreat! – If you want to be watchdogs, just squat at the door and don't disturb me. Cultivation! Don't worry, you won't be squatting in vain; when I want to go out, I will definitely come out... Then, let's have fun!"

"Xu Ming, stop for me!" Liu Zhentian shouted with half of his face blushing – the blushing half of his face was the one that was slapped;

However, Xu Ming was not a bird or a bird, and walked inside happily.

“Xu Ming...”

“I rely on!”

...

Lin Chen and the others were extremely ashamed and angry.

At this moment, in the palace next to Xu Ming, Chi Xue was walking out of the house.

Chi Xue obviously heard the movement here, and when she walked out, she still had doubts on her face, quietly looking at what was happening on Xu Ming’s side.

“Huh?” Lin Chen’s eyes suddenly lit up, thinking about it.

“Senior Brother Liu! Senior Brother Liu!” Lin Chen hurriedly shouted.

“What’s the matter?” At this moment, Liu Zhentian was actually quite upset to see Lin Chen. After all, if it wasn’t for Lin Chen, he wouldn’t have been a watchdog for four days and received a crisp slap.

However, Lin Chen is a genius of “10,000 grades”, and his future achievements are limitless; therefore, although Liu Zhentian is unhappy, he does not dare to show Lin Chen’s face.

“I have a way to force Xu Ming out!” Lin Chen said again.

“Oh? – Tell me!” What Liu Zhentian hates most now is undoubtedly Xu Ming; what he wants to do most is undoubtedly to force Xu Ming out and beat him to death to relieve his hatred!

Lin Chen sneakily pointed at Chi Xue: “As far as I know, that female disciple seems to have a close relationship with Xu Ming! If we arrest her...”

The people present were all smart people. Lin Chen had already said this, and of course they understood what Lin Chen meant.

“To attack a female disciple?” Liu Zhentian frowned slightly, “This is too shameless, isn’t it? But... To deal with a shameless person like Xu Ming, we must use more shameless means!”

Having said that, Liu Zhentian made a color at Lin Chen.

Lin Chen naturally understood immediately.

However, Lin Chen is a proud son of heaven and a dragon and a phoenix, and he is very respectful; he is too embarrassed to do such a thing to a female disciple himself.

So, Lin Chen gave another little brother a color.

The other little brother was shameless and without any hesitation, he directly killed Chi Xue.

Although Xu Ming was walking in, his attention was still somewhat behind him.

“Huh?” After seeing Lin Chen and the others chatting for a while, a younger brother jumped up and rushed towards Chi Xue, Xu Ming couldn’t help but change his expression, “Are they thinking...?”

“I rely on!”

Realizing that the other party had the intention of using Chi Xue to blackmail him, Xu Ming couldn’t help being furious.

As the saying goes, family and friends are not in trouble – this is a matter between Xu Ming and Lin Chen, and if Chi Xue is involved, what’s the matter?

“You just want to force me out?”

Xu Ming couldn’t help but his face sank, and in an instant, the whole person flew out and was killed.

call out-

Xu Ming's figure flashed, and he passed over the heads of everyone, and appeared in front of the faceless little brother like a ghost.

Snapped!

With a slap, the little brother was pulled back directly.

boom!

Xu Ming stepped heavily on the land of the kingdom of God, and the entire ground around him shook violently with Xu Ming's anger.

"Xu Ming..." Liu Zhentian's voice was gloomy, "You are finally willing to come out!"

The corners of Xu Ming's mouth twitched slightly, and he sneered, "Your skin is really itchy!?"

"Itchy? – I think it's you who is itchy!" Liu Zhentian shouted coldly, "Dare to sneak attack and slap me... Today, I have to maim you!"

In Liu Zhentian's hand, a ferocious big knife suddenly appeared – this is a peerless killer, Liu Zhentian is carrying the knife, as if carrying a wall!

boom!

Liu Zhentian broke out with all his strength and killed Xu Ming—obviously, he did not dare to take it lightly for Xu Ming who could slap him.

But in his opinion, no matter how powerful Xu Ming is, he can't be stronger than himself! After all, he has been cultivating in the kingdom of God for over a hundred years, so how can he be a provocative boy who has just come to the kingdom of God?

“Liu Zhentian who broke through the eighth floor of the Tongtian Tower?” Xu Ming also wanted to know what the strength of the “eighth floor of the Tongtian Tower” was.

“Senior Brother Liu, beat him!”

“Senior Brother Liu, be careful when you start, don’t kill yourself! Otherwise, you will be in big trouble!”

“Senior Brother Liu, let him know, what does it mean that there are people outside people, and there are heavens outside of heaven!”

Lin Chen and others couldn’t help Xu Ming, they could only pin their hopes on Liu Zhentian.

“Senior Brother Liu, when he is subdued, the slaps the brothers received must be returned to him tenfold!” Lin Chen said fiercely.

“What’s wrong?” Chi Xue in the distance also stopped and looked at Xu Ming with some worry.

boom!

Xu Ming’s aura also burst out suddenly, the spear in his hand shot out like a shooting star.

However, Liu Zhentian’s big sword smashed over like a full moon.

Meteor shoots the full moon!

Chapter 450: , Is It Okay To Admit Defeat?

call out-

Of course, Xu Ming’s spear would not go head-to-head with a larger-than-human sword – after all, attacking the enemy’s strength with one’s own weakness would be a foolish act.

At the moment when the sword and gun touched, the spear was extremely strange, like a gust of wind, blowing from the surface of the sword.

This “gun wind” directly bypassed the big knife and blew towards Liu Zhentian’s heart.

“Huh? The Way of the Wind is really weird!” Liu Zhentian was secretly surprised.

Each way of heaven has its own strengths and weaknesses.

For example, the Heavenly Dao of Wind controlled by Xu Ming has the advantage of being erratic and strange, extremely fast, and has a relatively sharp attack; while the disadvantage is that it lacks power and defense.

For example, the Heavenly Dao of Fire controlled by Liu Zhentian is incomparably violent in terms of strength, but relatively weak in terms of speed and change.

“Humph!” Liu Zhentian is also a battle-hardened person who has encountered many opponents of the Heavenly Dao of Wind; naturally, this situation will not make him panic.

I saw Liu Zhentian block the huge blade in front of him; it was as if he had pulled a wall and blocked it in front of him.

Xu Ming’s spear was naturally unable to penetrate the past.

“Boy, I didn’t see it, your strength is good!” Liu Zhentian hummed, “However, in terms of actual combat experience, you are far worse than me! I want to win you, it’s as easy as the palm of your hand!”

“Really?” Xu Ming smiled strangely.

At this time, Xu Ming’s indefensible shadow slipped behind Liu Zhentian at some point.

Swish!

In an instant, the shadow switched to a demonic clone.

boom!

A shot that was as fast as lightning struck directly from behind Liu Zhentian.

In this gun, some of the mysteries of the Heavenly Dao of Fire are used very obscurely; this gun has both the strange speed of the wind and the violence and brutality of the fire.

Although the strength of the demon avatar is much weaker than the main body. But this shot still made Liu Zhentian feel a strong threat.

“I rely on!”

When encountering this kind of avatar secret technique, Liu Zhentian also had a headache.

“Get out of here!”

Liu Zhentian took a kick and lifted it on the gun barrel of the Demon Demon clone. Immediately afterwards, with the second foot, he followed the barrel of the gun and kicked the Demon Demon clone.

And at this moment, the demon avatar flashed again, hiding in order not to be attacked.

“Damn it! How to fight this?” Liu Zhentian’s eggs hurt.

call out-

The spear held by Xu Ming’s body was like a flexible cobra, and it bypassed the defense strangely and killed it.

“Fuck me?” Liu Zhentian could only continue to concentrate on his defense – after all, Xu Ming’s main attack was much stronger than his own attack!

But at this time, Xu Ming's demon avatar appeared behind Liu Zhentian again, forming a very standard "two-sided attack".

Xu Ming's main body attacked, and the demon avatar assisted in the harassment, but in just an instant, Liu Zhentian was in a hurry.

"How could..." Liu Zhentian was anxious, "I can't beat a newcomer?"

If Xu Ming's strength is a little weaker, then Liu Zhentian can completely use his strength to force Xu Ming to sweep away. But the problem is, Xu Ming's frontal strength is no weaker than him, and it is not something he can forcefully sweep.

Coupled with the harassment from time to time by the demon avatar, Liu Zhentian had to admit that he couldn't beat Xu Ming!

"Damn it! Why are you all still standing there? Why don't you hurry up and help!?"

After recognizing the reality, Liu Zhentian directly called for a helper!

As for dealing with a newcomer by bullying more and less, would it be embarrassing? – This is not what Liu Zhentian is considering now!

After all, it would be even more embarrassing to be defeated by a newcomer!

"Xu Ming, go crazy!"

"Kid, die!"

For a while, Lin Chen and the dozen other geniuses all shouted and rushed towards Xu Ming.

"Besieged?" Xu Ming secretly said, "It's really shameless!"

But... will Xu Ming be afraid of siege?

Another great advantage of cultivating the Heavenly Dao of Wind is that it can be more calm in the face of siege.

Whoosh!

I saw Xu Ming's figure flashed, and he appeared beside an unknown genius.

puff!

Before the genius could react, Xu Ming's spear had already penetrated his chest.

For a master Daoist, this injury, although not fatal, has already made him temporarily incapacitated.

"Xu Ming!!" Liu Zhentian was furious when he saw his younger brother being severely injured in front of him.

"Stop! Eat my knife!" Liu Zhentian chased after him with a knife, but...

A Daoist who has understood the way of fire, chases a Daoist who is in the way of wind? – Isn't this meant to be walked like a dog?

Liu Zhentian's clumsy speed could not keep up with Xu Ming's erratic pace.

Xu Ming directly ignored Liu Zhentian, shuttled among the geniuses, the main body and the demon avatars went into battle together, and when he found an opportunity, he was shot.

For a time, although Xu Ming was under siege, he felt like a duck in water and made the most of his advantages!

puff!

puff!

puff!

...

In just a short while, five or six geniuses were severely injured and lost their combat effectiveness.

Moreover, Xu Ming is very measured – only serious injuries, not killing people.

Murder in the kingdom of God is a capital sin!

“Xu Ming, stop!” Lin Chen tried his best to parry. Although he broke through to the Sixth Step Daoist Monarch, in front of Xu Ming, he still had almost no resistance.

There was no pity in Xu Ming’s eyes.

puff! puff!

Two spears, one in front and one behind, penetrated Lin Chen’s chest almost simultaneously.

The spear in front was naturally held by Xu Ming’s body; the spear in the back was the spear in the hands of the Demon Sha clone.

“Xu Ming! Stop!” Liu Zhentian also shouted anxiously, “Stop fighting! We both end here!”

“Stop fighting? Humph! Originally, I really didn’t want to fight with you, but you insisted on forcing me to come out! – Now that I’m out, I won’t fight after a few rounds?” Xu Ming He snorted and said ~www.readwn.com~ If you want to fight, you can fight, if you don’t want to fight, you can’t fight? How can there be such a cheap thing in the world? – No matter what, I have to make me happy! ”

make you happy?

How can Liu Zhentian dare to make Xu Ming happy... If he really wants to make him happy, I am afraid that the dozen people here are not enough to fight!

“Stop! Stop!” Liu Zhentian continued, “We admit defeat! – Can’t we admit defeat?”

The journey of Liu Zhentian and others in the past few days is really tragic enough!

First he served as a watchdog for four days, then everyone was slapped, and now, he was single-handedly killed by Xu Ming to admit defeat—the face of Ziyue Holy Land was really thrown home by them!

“Admit defeat?” Xu Ming sneered, “Could it be that if you admit defeat, I must accept it?”

“Then what else do you want!?” Liu Zhentian shouted angrily.

“I didn’t think about it! – I just planned to maim you all at once, so that you don’t always come to trouble me!” Xu Ming said as a matter of course.
