Chapter 571: Slaughter

kill!

kill!

kill!

There are countless alien races slaughtering human races, and any alien race will die properly!

Xu Ming almost gave up his defense, just one word – kill!

After being “dead” by a volley of soul attack, Xu Ming chose to continue his life and resurrected with full blood, blue and buff! – “Soul Possession” hanging, Xu Ming used the feeling of “resurrection” hanging!

Of course, this “resurrection” is just a “pseudo-resurrection”.

Because Xu Ming’s own soul never died; the only thing that died was the possessed soul summoned by Xu Ming.

If Xu Ming’s own soul was killed, there would be no way to “resurrect” it!

However, Xu Ming was hanging on the “Soul Possession”, and the possessed soul was used as a “meat shield”. Xu Ming’s own soul was very safe, and it was almost impossible to kill him!

Moreover, even if Xu Ming’s real soul is killed, it doesn’t matter – this is just a avatar of Xu Ming. Xu Ming’s deity is currently in the Wilderness Sect and Gu Hanmo’s soft jade and warm fragrance!

In other words, from the very beginning, Xu Ming was invincible in this battle! In any case, Xu Ming can’t really die!

No threat to life, Xu Ming naturally killed very recklessly.

boom!

boom!

...

With every shot, a slightly weaker Demon Daoist was slaughtered by Xu Ming; the treasure on his body also became Xu Ming's hanging point.

Although Xu Ming continued to “die” and continued his life, he spent tens of millions of level 6 hanging points. However, in this way, fighting to support the war, Xu Ming's hanging point has not decreased but increased!

This made Xu Ming kill more recklessly!

kill!

kill!

In just a moment, dozens of demon masters were slaughtered!

“Xu Ming!” Ruotian Demon Venerable was extremely furious—these slaughtered were all his brothers who were born to death!

However, the battle between ethnic groups is so cruel!

Xu Ming doesn't care if they are brothers or not, because if Xu Ming doesn't kill them, they will kill Xu Ming!

The demons want to destroy the human race, and the human race also wants to destroy the demons.

Want this kind of war to end, unless one side is completely destroyed!

“Xu Ming, your opponent is me!” Ruotian Demon Venerable danced wildly with a ferocious magic sword, chasing and killing Xu Ming.

However, Xu Ming took advantage of his speed and did not collide with him at all! – If the Heavenly Demon Venerable is strong, it would be too much effort to kill him! Or killing other demons is easy, it’s a one-sided slaughter!

Demon masters, all of them were terrified by Xu Ming!

No matter who it is, when encountering such an “unkillable” and powerful opponent, I am afraid they will be horrified and hopeless!

One after another, the demon masters fell under Xu Ming’s thunder spear!

Gradually, the formation of the demon army began to become chaotic. Many demon masters even gave up the soul attack; because they found that no matter how many soul attacks fell on Xu Ming, it would be the same!

Many experts from the Demon Race turned to attack Xu Ming.

However, at the same time, the number of material attacks that can attack Xu Ming is very limited; these weak attacks are absolutely no threat to Xu Ming!

Moreover, material attacks can easily hurt teammates! More material attacks did not fall on Xu Ming at all, but instead fell on his teammates...

Soul attack is ineffective against Xu Ming!

Material attack, it is difficult to pose a threat to Xu Ming!

With an invincible attitude, Xu Ming swept the entire demon army!

Hundreds of Dao Venerables of the Demon Race, under Xu Ming's spear, are like hundreds of piglets waiting to be slaughtered, allowing them to be slaughtered!

finally...

The demon army has completely collapsed!

“Escape!”

I don't know who shouted, and the hundreds of Demon Race troops fled in confusion and fled in all directions.

“Ha ha ha ha...”

Xu Ming's killing was on the rise, and the whole person turned into a lightning bolt. Wherever the Thunder Spear went, there were demon masters scattered!

“Xu Ming!” Ruotian Demon Venerable is going crazy!

He is the captain of this large team and the most powerful being!

However, he had no chance to show his strength at all! Because Xu Ming didn't fight him at all, he took advantage of his speed every time to throw him away and slaughter his teammates instead!

Shameless!

Ruotian Mozun is extremely crazy: “Xu Ming, don't run if you have the ability, fight with me one-on-one!”

As soon as he finished speaking, he did not expect that Xu Ming would kill him like lightning.

boom!

The spear that turned into a thunder dragon, tore apart the space, and arrived in front of Ruotian Demon Venerable in an instant.

“What!?” Ruotian Demon Venerable was terrified—Xu Ming suddenly killed him, which made him unprepared...

“Ahhh!” Ruotian Demon Venerable struggled to raise the magic knife horizontally to block the shot.

boom!

The long spear slammed on the magic knife and was blocked from castration. However, the Thunder Flood Dragon on the spear directly penetrated the blade surface and slammed into the body of Ruotian Demon Venerable.

“puff!”

With a single blow, Ruotian Demon Venerable spit out demon blood.

“What a sinister move!”

“Humph!” Xu Ming sneered disdainfully, “You are too stupid! – Besides, you are fighting for life and death, and you even say ‘insidious’? Don’t you think it’s funny?”

“Death!” Ruotian Demon Venerable slashed in anger.

Xu Ming dodged like lightning.

This ferocious magic sword is so big that it looks like a wall; therefore, it is not easy for Xu Ming to attack Ruotian Demon Venerable’s vital points!

Moreover, tricks like just now can only be used occasionally; once the opponent is prepared, there is not much effect!

boom! boom! boom! boom! ...

The ferocious magic knife is constantly splitting the space. Xu Ming, on the other hand, was constantly dodging and moving, waiting for an opportunity.

“Roar!” The two-headed flying beast that had been hiding behind Ruotian Demon Venerable actually spit out “saliva” at Xu Ming again.

“Damn it!” Xu Ming was furious, controlled the power of thunder, smashed his disgusting saliva, and flashed in front of the two-headed flying beast.

“die!”

The spear slashed furiously, and the terrifying power of thunder annihilated this disgusting two-headed flying beast.

Xu Ming attacked Ruotian Demon Venerable again – at this time, there was only Ruotian Demon Venerable left on the battlefield. The other demons had already fled far away, and they were fleeing in all directions; even if Xu Ming wanted to chase, he would not be able to chase down a few in a short while.

so...

Xu Ming is even more interested in killing the top half-step master of the demon race now!

Ruotian Mozun obviously also realized Xu Ming’s intention. However, his speed is slow, and it is impossible to escape in front of Xu Ming; therefore, he can only choose to fight.

“You can’t kill me!” Ruotian Demon Venerable roared frantically.

“Can’t kill?” Xu Ming calmly dodged Ruotian Demon Venerable’s frantic attack, like a poisonous snake, waiting for an opportunity to launch a fatal blow.

Suddenly, Xu Ming’s eyes turned cold.

boom!

The long spear turned into a thundering dragon, directly piercing the heart of Ruotian Demon Venerable.

Chapter 572: Yekhnara Erke

Desolate God somewhere abroad.

The top powers of the demon race are guarding the space passage here.

The demigod who arrived from the demons this time is the head of the “Ruo’s” clan – Demon Ruotong.

The Ruo clan was able to rank in the top three among the many clans of the demon clan, precisely because of the existence of Ruotong Demon!

As long as the demon of Ruo Tong is there, and Ruo’s clan is in the demon clan, no one will dare to deceive him!

Beside Ruo Tongmo, there are several other clan leaders, including the “Yehnara” clan.

Several demon powers are chatting.

“Ge Yi!” Ruo Tongmo suddenly shouted.

Ge Yi, whose full name is “Yehnara Ge Yi”, is extremely powerful! In the Eternal Demon Pit, he fought with the fearless elders of the human race for several days; in the end, no one was able to kill anyone.

Now, Ge Yi has not shot for hundreds of thousands of years, and his strength is deepening and unpredictable.

“If the patriarch!” Ge Yi was neither humble nor arrogant.

“Ge Yi, how has Erke’s injury been recovering recently?” Ruo Tongmo asked casually.

Millions of years ago, the Yehenara clan had a very high status in the demon clan. However, later, the patriarch “Erke Demigod” was seriously injured when he was roaming the Eternal Demon Pit and almost lost his combat power; as a result, the status of the Yehenala clan also plummeted.

In addition, in the Demon Race, it is the rule of Chiguoguo that the weak eat the strong.

“The patriarch’s injury?” Ge Yi shook his head, “I haven’t seen the patriarch for a long time...”

“Hey... Erke’s demigod is seriously injured, it’s a big loss for our demons!” Ruo Tongmo sighed, not knowing whether it was true or false.

Ge Yi said nothing.

Gradually, the gazes of several almighty people fell on the monument of life and death in front of him. There are thousands of names of Dao Zun of the Demon Race engraved on it, among them, Ruo Clan alone accounts for more than 500; and Yehenala Clan, there are only a pitiful more than 100.

Ruo Tongmo’s expression is a little proud – the clan is prosperous!

Suddenly, on the monument of life and death, there was a name that lost its light and dimmed.

“Someone died?”

The powerful people looked over quickly.

“Huh?” Ruo Tongmo was slightly startled, “It’s our Ruo’s!”

All the great powers have seen that this bleak name has the word “Ruotie” written on it.

Ruotie was the six-step Taoist of the Demon Race who was killed by the mad sword before.

Ruo Tongmo sighed slightly: “Ruo Tie, only 120,000 years old, is already a six-step Taoist; in the future, there is still hope to take a few more steps... Stepping into a half-step Taoist should be no problem! Sigh! , It’s a pity to die!”

However, Ruo Tongmo just sighed casually. As a demigod, he still doesn’t care much about the life and death of Dao Zun.

But then, there were six more names in a row, which dimmed.

“Huh!?” This time, Ruo Tongmo’s face became a little ugly.

If one Dao Zun dies, if Tong Mo can ignore it; but if seven die at one time, it will be a bit depressing!

You must know that there are only more than 500 Dao Zuns who entered the battlefield of the ten thousand clans; seven, already accounted for a certain weight.

In particular, when Ruo Tongmo saw that the name “Ruo Fengli” was also dimmed, he became even more depressed – Ruo Fengli, but he was more optimistic about it, even died!

Ge Yi and several other Taoist masters are powerful, but their mood is a little complicated; a little regretful, but also a little... gloating.

Especially Lord Ge Dao...

Usually, the descendants of their Yehenala clan were bullied a lot by Ruo clan; now, seeing Ruo clan shriveled, he couldn’t help feeling dark.

However, of course, Ge Yi did not dare to expose his “darkness” in front of Ruotong Mo; instead, he sighed with a distressed expression: “The mainstay of the five demons... What a pity! What a pity! ”

“Humph!” Ruo Tongmo snorted slightly, but said nothing.

“I think, if Feng left them, it should be bad luck, and he was besieged by the human race, so he fell!” Another Demon Race Taoist said.

Ruo Tongmo said coldly: “When you enter the battlefield of ten thousand races, you should be prepared to die; if you die, you can only blame them for their own lack of strength, and you can’t blame others! – As long as the strength is strong enough, then even in a crisis-ridden situation The battlefield of ten thousand races will only slaughter the human race, but will not be slaughtered by the human race! For example, Ruotian, Ruohai, etc. of our clan!”

When talking about Ruotian and Ruohai, Ruotongmo was still a little proud.

Ruotian, the top half-step master, and it is estimated that he is about to break through the limit of the half-step master; in the future, there is great hope for becoming a true master of Taoism! Moreover, what is commendable is that Ruotian still has a very good “commander talent”! – Ruotian, it can be said, is a relatively balanced all-rounder.

And Ruohai, although he doesn’t have the talent for commander-in-chief, his understanding of the Tao of Heaven is even higher! Now he is the ultimate half-trail master, and becoming a master in the future is almost a certainty!

“Ruotian, Ruohai, this time on the battlefield of ten thousand races, they will definitely be able to kill many human race Taoists!” Ruo Tongmo was slightly proud.

Soon...

Suddenly, another name dimmed.

“Huh!?” Ruo Tongmo’s face suddenly became wonderful, “Is that the kid?”

The little devil he was talking about was the demon beast beheaded by Xu Ming, and he was also a member of their Ruo clan.

“Isn’t that kid with Ruotian’s team? How could he die?” Ruotongmo couldn’t understand—it shouldn’t be!

“Could it be that it collided with the Terran army?” Ruo Tongmo shook his head That’s not right! – Ruotian’s army was clearly sent by me to the Buried Bone Mountains to find Xu Ming, the ‘million-year-old’ genius of the human race! There is no human army in the Buried Bone Mountains, so how did that little devil die! ? ”

If Tong Mo can’t figure it out, how did that kid die?

It’s just so inexplicable!

Immediately afterwards, another name dimmed, and it was also Ruo’s, a strange-shaped monster that followed Ruotian all day!

“I...” Ruo Tongmo’s bizarre eyes glared fiercely.

The demon beast, and this odd-shaped beast, are all ordinary half-step masters! —Suddenly, both of them died, and even Ruo Tongmo felt distressed!

And the point is, if you think about it and think about it, you can’t understand – why did they die in the Buried Bone Mountains!

Isn’t this a gutter capsize?

Immediately afterwards, Ruo Tongmo’s expression was wonderful...

He saw that the names of their Ruo clan’s genius on the monument of life and death were dimmed one by one, like a barrage of cannons.

Ten!

Twenty!

Fifty!

...

“I...Fuck!” After seeing it, Ruo Tongmo couldn’t help it anymore, and he was so angry that he slapped the case directly.

At this time, Ruo’s dead geniuses had already exceeded one hundred! And apart from the seven Ruo Fengli, the others are those Taoists who followed Ruotian!

“What’s going on!? What the **** is Ruotian doing!?” Ruo Tongmo was furious, “I gave Ruo’s Daoist to him to lead him, and he brought me this way!?”

If such a thing happened in Xueyuyuan, Ruo Tongmo would still understand; after all, there were often big melee fights in Xueyuyuan.

But now, it is in the Buried Bone Mountains!

How did these Dao Zun Ruo die!

Chapter 573: Helper

“Ruotian that trash!”

Ruo Tongmo gritted his teeth with a ferocious expression.

Demons are inherently ferocious; Ruotong Demon also emerged from countless **** killings. Although over the years, Ruo Tongmo has been in a high position for a long time, the fierceness of his body has been restrained a lot; however, when he got angry, even the surrounding Dao Masters could not help but shudder.

Ruo Tong Demon’s fierce name in the Demon Race is much more terrifying than the Howling Demon Demigod’s fierce name in the Demon Race!

Howling demigods just like to eat “others”, especially masters. And if Pupil Demon kills people, he doesn’t need any reason, just kill him if he wants to!

Even the Dao Master of the Demon Race was killed by Demon Ruotong!

“When that trashy Ruotian comes out, I’ll have to rip off his skin!”

If Hitomi says it can do it!

Seeing one Ruo Shi one after another, the names all faded away on the Causal Life and Death Monument, and Ruo Tong Mo was about to go mad.

And just then...

Ruotian’s name dimmed!

If the sky is dead...

boom!

Ruo Tongmo was so angry that he slapped the table in front of him with a slap, and the expensive and top-grade honorable case was directly smashed into powder with a slap.

He originally wanted to wait for Ruotian to come out and vent his anger on Ruotian; but now, if Ruotian died directly in the battlefield of ten thousand clans, who did he ask him to vent?

Although several Taoist masters on the side did not dare to speak rude words at this time, but they couldn’t help but gloat over the misfortune – “Ruo’s” has been too arrogant over the years; therefore, other clans are happy to see Go to Ruo’s to eat deflated.

Of course, while gloating over the misfortune, these Demon Race Taoists were equally puzzled—what happened to Ruotian’s large team in the Buried Bone Mountains? How could the casualties be so heavy?

All this, they can only know after the Dao Zun Ruo, who is with Ruo Tian, comes out!

...

Qin Yanhao, Yi Tianxing and other six people fled for more than 10,000 miles among the stacked mountain ranges, then flew directly into the sky, and then opened their speed and rushed towards the space channel of the human race.

“Go back and see if you can find any masters in the space channel!” Qin Yanhao shouted.

Around the space passage is the “safety zone” of the human race in the battlefield of ten thousand races. Many masters often rest there.

Although Qin Yanhao and others knew that Xu Ming had the strength of the ultimate half-step Taoist master, but after all, the enemy was numerous and powerful; so they planned to rush back to find some experts to help.

“Captain.” Yi Tianxing couldn’t help but said, “Let’s go back to find help now, is it too late?”

In battles at the Daoist level, winners and losers can often be decided between lightning and flint. When they hurried back and called for help, the battle on Xu Ming’s side would have been over long ago.

Qin Yanhao said, “Whether it’s too late or not, let’s do something! – Besides, if the team of the Demon Lord comes to the Buried Bone Mountains, we have to find a way to notify other Taoists of this news, right?”

Only then did Yi Tianxing react: “Yes! – If other Dao Zun encounters Ruotian Demon Lord, it will be unlucky!”

“Humph!” Crazy Sword’s eyes were filled with murderous aura, “It’s best... we can find a master and encircle the Ruotian Demon Clan’s team!”

only...

Qin Yanhao and a few people don’t know that in this world, there is no such person as “Ruotian Mozun”. And Ruotian Demon Venerable’s team was also killed by Xu Ming, and fled the Buried Bone Mountains in embarrassment.

Qin Yanhao and the others were flying wildly when suddenly, two figures rushed out from the depths of the forest in front of them.

“Be careful, someone!” Qin Yanhao shouted.

When he saw these two figures clearly, Qin Yanhao breathed a sigh of relief: “It’s okay, it’s from our human race!”

Two figures in front greeted them: “Qin Yanhao, why are you all in such a hurry? – Don’t you know that it is very dangerous to fly like this in the battlefield of ten thousand races? It is easy to be caught by alien races. Sneak attack!”

Qin Yanhao said with some doubts, “Dao-Zun Luo Sheng, Tao-Zun Yao Yu, why are you here?”

Yi Tianxing and others were also a little puzzled.

Luo Sheng and Yao Yu have a very high status among the Dao Venerables of the human race.

Their own strength is the Ultimate Half-Trail Master—although they are only very mediocre Ultimate Half-Trail Masters. However, the two of them have very high attainments in refining weapons and alchemy, which makes their status in the ethnic group almost equal to Ye Hai, the “first person under the Taoist Lord”.

With the strength of Luo Sheng and Yao Yu, they should usually be in places such as the Canned Sword Tomb and the Misty Flower Sea. Why did they appear in the Buried Bone Mountains?

Qin Yanhao and others were a little confused.

“We are here to find some special materials.” Luo Sheng said, “By the way, Qin Yanhao, where are you going? Also... I remember, Xu Ming and you are on the same team, right? What about others?”

Hearing Luo Sheng’s question, Qin Yanhao’s eyes lit up – he was flying in such a hurry, he was going to rescue soldiers; and Luo Sheng and Yao Yu, the two extreme half-step road masters, were not very good rescuers?

Even the army of Ruotian Demon Venerable dare not underestimate the two extreme half-step masters, right?

“That’s it...” Qin Yanhao continued, “We have met Ruotian from the Demon Race!”

“Ruotian Demon Venerable?” Luo Sheng was startled, “Is he alone, or...”

“His demon army is in the Buried Bone Mountains!” Qin Yanhao hurriedly said, “In order for us to leave first, Xu Ming stayed there alone to block the demon army!”

“What!?” Luo Sheng and Yao Yu both stared at each other, “You actually let Xu Ming stay there, and you escaped first?”

For some reason, Luo Sheng and Yao Yu’s eyes seemed to hide a trace of inexplicable joy.

Qin Yanhao’s face was full of shame: “Of course we didn’t want to leave! But... Brother Xu Ming, he actually has the strength of an ultimate half-step Taoist!”

“What!?” Luo Sheng and Yao Yu’s eyes widened, “Are you kidding us?”

“How dare you!” Qin Yanhao continued, “There is absolutely the strength of the ultimate half-step master! Moreover, among the extreme half-step masters, there are all very powerful beings! – We are worried that if we stay there, it will drag Xu Ming down. The hind legs, so I ran out and rushed back to find help!”

“Really...?” Luo Sheng and Yao Yu’s faces were full of disbelief; the inexplicable joy in their eyes turned into an inexplicable killing intent. .

However, whether it was “joy” or “kill”, they were all hidden so deeply that Qin Yanhao and the others would never notice them.

“Why don’t you rush back to find some help!” Luo Sheng shouted, “Let’s go! Hurry up and take us to Xu Ming!”

“This is the best!” Qin Yanhao also had this intention.

After all, Luo Sheng and Yao Yu are both extreme half-step masters; plus Xu Ming, the combat power of the three extreme half-step masters is enough to deter Ruotian Demon Venerable's army!

However, to be on the safe side, Qin Yanhao still said: "Dao-Zun Luo Sheng, Tao-Zun Yao Yu, I'm fast, I'll take you to Xu Ming alone! – Yi Tianxing, you continue to rush back and find a way to find other experts. help!"

"Okay!" Yi Tianxing and Mad Sword also knew that this was the best choice.

swoosh—

swoosh—

The two teams of men and horses were divided into two groups, each looking in the direction and flying away.

...

Deep in the Bone Mountains.

"Do not—"

boom!

Another Demon Race Dao Zun master turned to ashes under Xu Ming's thunder spear.

At this time, the time limit for "Soul Possession" came, and the soul of the mighty Thunder Heavenly Dao was directly pulled out of Xu Ming's body.

"Damn it!" Xu Ming cursed bitterly, "This group of demons escaped too far apart. After I killed Ruotian, I didn't kill a few people. The time limit for 'Soul Possession' has come!"

There were hundreds of demon masters who fled in all directions; of course, Xu Ming couldn't catch up and kill them all.

“Go back to Qin Yanhao and the others!”

Xu Ming was about to return home when suddenly, his expression became very strange.

“This...”

Chapter 574: 4Th Heaven

“This...”

Xu Ming looked strangely at his sea of consciousness.

At this time, deep in the sea of consciousness, a purple seed was slowly condensing and forming. On the surface of this purple seed, there are still faint electric snakes lingering.

“Thunderbolt species...”

Xu Ming was speechless.

Opened the “Soul Possession” once, and with the help of the summoned soul, I used the Thunder Heavenly Dao several times, and I unexpectedly condensed the Thunder and Lightning Dao...

“The fourth way of heaven!”

Xu Ming quickly found a place, turned on the “absolute stealth” hook, and gathered the lightning bolt seeds with peace of mind.

...

Whoosh! Whoosh! Whoosh!

At the end of the chaotic sky, three figures flew hurriedly.

“This is it!” Qin Yanhao looked at Luo Sheng and Yao Yu, “This is where Xu Ming and I separated!”

Luo Sheng and Yao Yu spread out their mental power and felt the surrounding space carefully.

“The space here does have very serious cracks!” Luo Sheng Daozun said with a strange light in his eyes, “Not long ago, there should have been a very fierce battle in this space!”

Just like the skin on the human body, when it heals after being injured, it will leave scars; after the space is torn, even if it “heals”, it will leave “scars”, and it will take some time for it to fully recover.

It’s just that the “scar” of space cannot be seen by ordinary people. Only the almighty above the Dao Venerable can use the tyrannical mental power to detect these “clues”.

But now, Luo Sheng and Yao Yu found that the surrounding space was densely covered with scars.

Of course Qin Yanhao also discovered this, and couldn’t help sighing: “It seems that there is a big battle between the Xu Ming brothers and the demon army here!”

But now, Xu Ming and the demons have disappeared, and Qin Yanhao and the others have no way of knowing the process and outcome of the battle.

“I don’t know how Brother Xu Ming is now...” Qin Yanhao’s face was full of worry.

“Let’s explore the surrounding space carefully to see if we can find some clues!” Luo Sheng said.

“That’s the only way!” Qin Yanhao nodded.

The “scars” of space can still provide some clues.

For example, following the direction of the “spatial scar” is likely to be the direction in which the battle position is shifted.

Suddenly, Qin Yanhao’s expression changed: “This piece of space is shattered very badly. There must have been some extremely fierce battle here!”

The space he detected was exactly where Xu Ming killed Ruotian Demon Venerable.

“Could it be...” Qin Yanhao couldn’t help but worry, “Is something wrong with Xu Ming?”

Although Qin Yanhao knew that Xu Ming had the strength of the ultimate half-step Taoist master, he was still worried that Xu Ming would suffer because he was too young and lacked combat experience.

“Don’t rush to think about the bad!” Luo Sheng shouted, “It’s just that the space is severely damaged, so it doesn’t explain anything!”

“Yes!” Yao Yu also said, “Maybe it was Xu Ming who killed his opponent!”

“I hope Xu Ming is fine!” Qin Yanhao sighed.

Luo Sheng and Yao Yu looked at each other secretly and secretly communicated with each other.

“Yao Yu, I see, Xu Ming is probably already dead here!” Luo Sheng sounded coldly.

“I think so too!” Yao Yu also said, “There are so many signs of space damage around here, obviously a very fierce battle is taking place here! I estimate that Xu Ming and the demons fought a battle, and then they were outnumbered. was beheaded!”

“Humph!” Luo Sheng sneered, “It’s best if he’s dead! If he doesn’t die, we have to find a way to kill him!”

“Check it out again to see if there are any traces!” Yao Yu said, “If we can’t be sure whether Xu Ming is dead or alive, then we will find an excuse to leave the battlefield of ten thousand clans and go out to take a look at the monument of life and death!”

Xu Ming's name is naturally engraved on the human race's causal life and death tablet.

...

After a few hours.

"call..."

Xu Ming, who had broken through the retreat, suddenly opened his eyes and let out a long breath.

"Finally planted the thunder and lightning, and consolidated the perception of the thunder and lightning!"

The realization of this wave of thunder and lightning came too suddenly!

You must know that Xu Ming's understanding of thunder and lightning is not high; before, he had no understanding of thunder and lightning. But now, he had accidentally planted the Lightning Dao Seed, which caught Xu Ming by surprise.

"Hey... I really learned another way of heaven by accident!" Xu Ming sighed.

But now, Xu Ming's comprehension of the Thunder and Lightning Heavenly Dao is only a step of Dao Jun; the bonus to combat power is naturally negligible.

Moreover, it is not easy for Xu Ming to further improve his understanding of the Thunder and Lightning Heavenly Dao!

After all, the Thunder and Lightning Heavenly Dao is the fourth Heavenly Dao of Xu Ming's perception; under the suppression of the "right wife" the Wind Heavenly Way, the "mistress" the Fire Heavenly Way, and the "third mistress" the Water Heavenly Way, the Thunder Heavenly Way, the "fourth mistress" It's a very bad day!

Leaving aside the influence of comprehension, Xu Ming comprehends the difficulty of Thunder and Lightning Heaven... It is ten times as difficult as comprehension of Water Heaven!

It is a hundred times more powerful than comprehending the Heavenly Dao of Fire!

It is a thousand times better than comprehending the Heavenly Dao of Wind!

If Xu Ming wants to be on the road of thunder and lightning, UU read www.uukanshu.com achieves the same insight as the Heavenly Dao of Wind, then at least a thousand times more energy is required! – Moreover, Xu Ming’s understanding of thunder and lightning is very general; therefore, the actual energy required is far more than a thousand times!

With that energy, Xu Ming might as well improve his understanding of the other three heavenly ways; in this way, the improvement of his own strength will be much higher!

After consolidating his understanding of Thunder and Lightning Heavenly Dao, Xu Ming said, “Little hanging, how many level 6 hanging points do I have now?”

Xu Ming slaughtered hundreds of Dao Zuns of the Demon Race, and converted all their treasures into hanging points; it was just that they hadn’t had time to count them yet.

Xiaohang replied: “The host currently has a total of about 30 million points of level 6 hanging points!”

“Thirty million points...” Xu Ming nodded with satisfaction, “Yes, it’s enough for me to summon the ultimate half-step master of the God’s Domain three times, and come to possess the soul!”

How strong will the ultimate half-step master of God’s Domain be?

Xu Ming is not clear.

But what is certain is that it is definitely stronger than “Dove Poison”, the direct disciple of the leader of the Shadow Alliance! – After all, only 8 million rank 6 hanging points at the level of Dove Poison can be summoned; and the ultimate half-step master from the realm of the gods needs 10 million!

“However... these hanging points, if you want to open up an independent space, it is still far from enough!” Xu Ming secretly said, “After more than a month, I am familiar with the situation in the Ten Thousand Races battlefield! It’s about time, Going to find the treasure left by the bitter old man!”

Whoosh!

Xu Ming stood up with a “swoosh”, and his mental power spread out, wanting to see if there were any aliens around.

“what-”

There were no aliens, but Xu Ming discovered Qin Yanhao, Luo Sheng, and Yao Yu.

Xu Ming came out directly from the hiding place and shouted, “Captain, why are you back?”

Chapter 575: Wait For A Chance

“Um!?”

Qin Yanhao was stunned for a moment, and then an uncontrollable joy broke out on his face: “Xu Ming, are you all right?”

Luo Sheng and Yao Yu looked at each other, and both saw a hint of surprise from the depths of each other’s eyes.

“It’s actually okay?” Luo Sheng secretly transmitted a voice to Yao Yu.

In the voice, there is a deep ruthlessness.

Yao Yu also transmitted his killing intent to Ling Ran: “This kid can actually escape from Ruotian Demon Venerable... It’s a bit of a skill!”

“When I was just exploring the space, I saw that the space was severely damaged. I thought he was killed after a fierce battle with the demon army!” Luo Sheng was a little disappointed.

“Fighting, it must have happened!” Yao Yu said, “But this kid, instead of being beheaded, escaped smoothly!”

“It’s a pity!” Luo Sheng sighed, “If he is beheaded by the demons, then we will have nothing to do with it! But now, he is not dead, we have to find a way to kill him...”

“It’s okay, we’ll find an opportunity later, join forces to sneak attack, and want to kill him, it’s not difficult!”

“Um!”

After some voice communication, Luo Sheng and Yao Yu put on a fake face again; with a “surprise” expression on their faces, they said, “Xu Ming, you’re fine, that’s great!”

Xu Ming glanced at Qin Yanhao, then at Luo Sheng and Yao Yu.

“I’m fine.” Xu Ming said, “Captain, why are you back?”

“It’s fine!” Qin Yanhao said, “I was worried that you would be outnumbered, so after I left, I flew all the way towards the space channel to see if I could find any help! I happened to meet Daozun Luo Sheng and Daozun Yao Yu on the way. They’re coming for you together!”

Saying that, Qin Yanhao also thanked Luo Sheng and Yao Yu: “Let the two run for nothing...”

“Where is it!” Luo Sheng waved his hand, “Xu Ming is a genius of our human race’s ‘tens of millions’. Knowing that he is in trouble, we should come here!”

Xu Ming took another deep look at Luo Sheng and Yao Yu, and was a little puzzled in his heart: “Didn’t these two people always look at me wrongly before? Why are they so enthusiastic today?”

The enthusiasm of Luo Sheng and Yao Yu is not only in their actions, but also in their expressions!

“Could it be... they regret having offended me before and want to take the opportunity to mend the relationship?”

When Xu Ming was secretly doubtful, Luo Sheng and Yao Yu were discussing intensely through voice transmission in private.

“Yao Yu, do you want to kill this kid now?” On the surface, Luo Sheng became more and more enthusiastic; but deep down, there was a dense murderous intention, “You and I will make a sneak attack together and kill him by surprise, absolutely let him be Life and death!”

As for Qin Yanhao, Luo Sheng didn’t take it to heart at all. Just a beginner and a half-walker, just slaughter it.

“Well...” Yao Yu pondered for a while, and said, “I’m actually curious, how did he escape from the hands of Ruotian Demon Venerable... Anyway, he has been found, so don’t rush to kill it, just wait and see what happens! ”

“Okay!” Luo Sheng’s eyes narrowed slightly, “Then let’s see what cards he has!”

Qin Yanhao had already asked Xu Ming with concern on his face: “Brother Xu Ming, after I left, how did you escape from being surrounded and suppressed by Ruotian Demon Venerable’s army?”

Luo Sheng and Yao Yu even pricked up their ears – this is what they care about.

“Escape?” Xu Ming said casually, “I didn’t escape!”

“Didn’t escape?” Qin Yanhao was a little puzzled. “If you didn’t run away, why would you... be okay? The demon army didn’t surround you?”

Luo Sheng and Yao Yu were also a little puzzled.

Xu Ming said lightly: “I didn’t escape, but... the army of demons... escaped!”

“What!?” Qin Yanhao was startled.

“What!?” Luo Sheng and Yao Yu were also startled.

You must know how terrifying the thinking ability of the half-step master is! But Xu Ming’s words made the three and a half step masters all stunned.

After a while, the three and a half trail masters reacted somewhat: “You said...the demon army escaped?”

“Yeah!” Xu Ming said depressedly, “If they don’t escape, I can kill a few more! Now, I’ve only killed more than 100 demons, it’s not fun!”

“Uh...” Qin Yanhao, Luo Sheng, and Yao Yu all looked at each other.

After a long while, Qin Yanhao said: “Brother Xu Ming, when did you become so... humorous?”

“Uh...” Xu Ming was speechless.

To be honest, why doesn’t anyone believe it?

In fact, one can’t blame Qin Yanhao and the three for not believing it, it was really what Xu Ming said, it was incredible!

With one’s own power, kill hundreds of demon army? – This kind of thing, even a weaker Taoist can’t do it! ?

Can Xu Ming do it?

impossible!

In other words, Qin Yanhao and the others could not imagine how Xu Ming did it! Since they can’t even imagine it, in their opinion, it is naturally... impossible!

“The demon army really escaped...” Xu Ming said speechlessly.

“Haha...” Qin Yanhao couldn’t help laughing, “Brother Xu Ming, you’re joking, you’re really good-looking! — Well, stop joking! I guess, you are Hemo The clan army left after a fierce battle, right?”

“Uh...let’s take it!” Xu Ming said Qin Yanhao thought that Xu Ming had admitted this sentence, and couldn’t help but smile: “I guess it is right!”

As for Luo Sheng and Yao Yu, of course they had the same idea as Qin Yanhao, and also felt that Xu Ming fled after a fierce battle with the demon army.

The two continued to secretly transmit voices.

“Yao Yu, do you want to do it?”

“Still... just wait!” Yao Yu thought for a while and said, “We can’t tolerate any mistakes this time! Once we do it, we must succeed! – We don’t know what kind of cards Xu Ming has, so let’s do it now, What an adventure!”

“Then... let’s find a way to follow him first?” Luo Sheng said.

“Yes! – Just follow along, and when he is going to stay somewhere for a while, we will activate the Karma Stone and notify Jiu Po!”

In the Ten Thousand Clan Battlefield, it is very difficult to communicate; for a slightly distant communication, even a karma stone is used!

Moreover, the Karma Stone can only send the position of the message to the “communiquee”. For example, it will take some time for Jiu Du to come over after receiving the summons from the Karma Stone; by the time he arrives, maybe Xu Ming has already left his place for a long time!

Therefore, Luo Sheng and Yao Yu must wait for Xu Ming to stay somewhere before they can activate the Karma Stone!

“Then follow him first!” Luo Sheng’s voice transmission was extremely sinister, “As long as Jiu Du comes, Xu Ming will surely die!”

Jiu Du, although he is only an extreme half-step Taoist, but because of his special bloodline, his real combat power can even beat the real Taoist head-on!

In addition, Jiu Du is the direct disciple of the Shadow Alliance leader “Ten Thousand Blood Eyes”, especially good at assassination. Once it is targeted, even the second-step Taoist can’t escape death!

“Yes! What we have to do now is to follow him; then, wait for the opportunity to activate the Karma Stone!”

Chapter 576: New Team

“By the way, Captain!” Xu Ming suddenly asked, “Where are Yi Tianxing and the others?”

Qin Yanhao said, “They all went back to the space channel to find helpers!”

“Oh...” Xu Ming thought for a while and said, “Captain, hurry up and go back so they don’t have to look for them! After all, the demon army has already escaped!”

“Haha...” Qin Yanhao laughed, “Brother Xu Ming, what a joke!”

Xu Ming is speechless – I’m really not joking!

However, Xu Ming also knew that he had defeated the demon army with his own power – this kind of thing, it is really hard to believe!

So, you can’t blame Qin Yanhao and the others for not believing in him.

Moreover, Xu Ming has gradually become accustomed to this kind of perversion of his own.

After laughing for a while, Qin Yanhao said, “Xu Ming, let’s stop wasting our time here! Come with me to find Yi Tianxing and the others. If you have anything to say, we can talk about it on the way!”

“Well...” Xu Ming pondered, and said, “Captain, I won’t go with you!”

“Oh?” Qin Yanhao was stunned for a moment, then realized, “Xu Ming, you plan to...”

“Yes, I plan to go on the battlefield of ten thousand clans alone!” Xu Ming said, “After all, I am already familiar with the situation in the battlefield of ten thousand clans!”

“Indeed!” Qin Yanhao nodded and said, “With your strength, it really doesn’t make sense to continue to form a team with us, it will only waste your time! That’s fine, then I’ll go back to the space channel alone, go to Find Yi Tianxing and them!”

“Xu Ming!” At this moment, Luo Sheng suddenly said, “How about you form a team with us!”

“To form a team with you?” Xu Ming looked at Luo Sheng.

“Yes!” Luo Sheng said, “You, me, Yao Yu... Our strengths are all at the limit of half-step master level! The three of us, joining forces, will surely be able to sweep the battlefield of ten thousand races!”

Yao Yu did not speak, but also looked at Xu Ming expectantly; obviously, Xu Ming was very welcome to form a team with them.

“Humph!” Luo Sheng secretly snorted with Yao Yu’s voice transmission, “As long as Xu Ming agrees to form a team with us, then we have a chance to inspire the Karma Stone!”

“Yeah!” Yao Yu also said, “Let’s see if Xu Ming will form a team with us!”

Xu Ming glanced at the two of them and became more and more puzzled – they would actually invite me to form a team?

You know, Xu Ming, Luo Sheng and Yao Yu have had a relationship. In the battlefield of ten thousand races, it is impossible for people who have had a knot to become teammates; after all, no one would be relieved to hand over their back to a person with a knot.

When things go wrong, there must be demons!

Xu Ming always felt that Luo Sheng invited himself to form a team, and there were some tricks hidden in it.

“What kind of tricks could it be...?” Xu Ming couldn’t help but ponder.

After thinking for a while, he still didn’t have a lot of clues; so, Xu Ming didn’t bother to think about it: “Xiaohang, help me investigate, Luo Sheng invited me to form a team, is there something tricky?”

Xiaohang reminded: “The content of the probe is too complicated. If you want to probe, you need to consume one million level 6 hanging points. Are you sure to probe?”

“Nima, one million? So expensive!?” Xu Ming couldn’t help but cursed.

One million level 6 hanging points is enough to summon the “Soul Possession” of the Ultimate Half-Trail Master once!

However, Xu Ming also knew that the content he wanted to investigate was indeed a bit complicated. After all, before Xu Ming, he usually just checked the location of the enemy.

and...

The higher the exploration cost, the more tricky it is!

A million is a million!

Xu Ming gritted his teeth: “Explore!”

Anyway, it was the hanging point earned by killing the Demon Race, so Xu Ming was not very distressed when he spent it.

Soon, Xiaohang fed back the information from the investigation: “Luo Sheng and Yao Yu are spies planted by the demon clan! Their mission in the Wanzu battlefield this time is to confirm your location, and then through the cause and effect of the body. Shi, pass your position to Jiu Po!”

“What!?” In the depths of Xu Ming’s eyes, a ruthless expression suddenly flashed.

Xu Ming naturally believed in Xiaohang’s investigation! Moreover, Xu Ming felt that Luo Sheng and Yao Yu’s actions were a little strange.

“It turned out to be a spy...”

The battle between the human race and the alien race is endless! And once there are spies in the ethnic group, everyone will kill them!

After knowing that Luo Sheng and Yao Yu were spies, Xu Ming directly sentenced them to death!

However, Xu Ming wasn’t ready to startle the snake for the time being.

because...

Compared with these two unfavorable little spies, Xu Ming is more interested in the “dove poison” behind them!

After all, Jiu Du is not only a direct disciple of the leader of the Shadow Alliance, but also a genius of the “Million Years” of the Monster Race! – The loss of a “million-year-old” genius is enough to make the entire demon clan feel distressed for a million years!

“It’s better...” Xu Ming pondered secretly, “Find a place to catch the dove poison... Kill it!”

Xu Ming is very confident in killing the dove poison – because Xu Ming has a lot of hanging points!

Xu Ming only needs to spend 10 million level 6 hanging points to summon a genius “soul possessed” from the divine realm, and he can easily kill the dove poison!

Between the light and the flint, Xu Ming thought of a lot. In the end, he smiled and said, “Okay, then the three of us will form a team!”

“agreed!”

Luo Sheng and Yao Yu were very excited, and their hearts were even more happy.

“Xu Ming, this idiot!” Luo Sheng secretly communicated with Yao Yu, “I actually accepted my team invitation! Haha, now, he is dead!”

“Absolutely dead! Under the Daoist, no one is the opponent of Jiu Po! Even Ye Hai, facing Jiu Po, can only flee in embarrassment! – Next, what we have to do is to find a suitable time, Activate the Karma Stone and send the location to Jiu Po!”

...

However, on the surface, Luo Sheng and Yao Yu pretended to be very enthusiastic: “Brother Xu Ming, if you accidentally offended something in the past, please bear with me! From now on, you and us are just The closest comrade-in-arms!”

brother?

comrade-in-arms?

Xu Ming couldn't help laughing.

If he didn't “explore”, maybe he would really be confused by the hypocrisy of the two.

However, Xu Ming still decided to accompany them to play and play: “What happened in the past, let's not mention it again! If there is anything I can't do, please bear with me!”

“Haha!” Luo Sheng laughed heartily, “They are all brothers of the human race, and the family doesn't speak two words!”

The family doesn't speak two languages?

Xu Ming sneered secretly: “Unfortunately, you and I are not family! You... are spies of the demon clan!”

On the side, Qin Yanhao, who had not left, also continued: “Brother Xu Ming, Daozun Luo Sheng and Daozun Yao Yu, they are all masters who have been on the battlefield for many years! You and them will make me feel more relieved! -Okay, Not much to say, I will rush back to find Yi Tianxing and the others!”

“Captain, be careful along the way!” Xu Ming still habitually called Qin Yanhao “captain”.

“You too be careful!”

Qin Yanhao said goodbye and went straight to the sky.

Chapter 577: Shock

After Qin Yanhao left.

Luo Sheng smiled and said, “Brother Xu Ming, what are your plans next?”

“I...” Xu Ming thought for a while, then said, “I want to go to the Canned Sword Tomb!”

“Remnant Sword Tomb...” Luo Sheng pondered for a while, “There, it is the place where the top masters go... However, with the strength of the three of us, even in the Remnant Sword Tomb, it is a relatively powerful team!”

Yao Yu also said: “During this period of time, we are tired of staying in the Buried Bone Mountains... Let’s go to the Canned Sword Tomb, where we can have a good fight!”

Xu Ming smiled noncommittally.

In fact, the reason why he wanted to go to the Canned Sword Tomb was because... the location shown on the old man Kusuan’s treasure map was exactly in the Canned Sword Tomb.

“lets go!”

The three of them identified the direction and headed straight towards the Canned Sword Tomb.

...

After Qin Yanhao left alone, he ran wild.

The road went smoothly, and I didn't encounter any aliens—the battlefield of ten thousand races was vast, and the Buried Bone Mountains were continuous; the probability of encountering aliens was actually quite low!

Soon, he arrived near the space channel of the human race.

At this time, Yi Tianxing and Mad Sword, who had just arrived in the space passage, were trying to find a way to help them. However, there are not many masters staying near the space channel. For a while, they have not been able to find any top masters.

“Yi Tianxing!” Qin Yanhao shouted.

“Huh? Captain?” The five Yi Tianxing were puzzled, “Why did you come back? What about Xu Ming? Did you find him?”

“I found it, Xu Ming is fine!” Qin Yanhao said, “You don't need to ask experts for help!”

“Huh-” Yi Tianxing's five people were all relieved, “It's fine!”

“Let's just say, as long as we don't hold back, the mere demon army will not be able to keep Brother Xu Ming!” Crazy Sword continued, “By the way, Brother Xu Ming, why didn't you come back with you?”

Qin Yanhao sighed: “Brother Xu Ming, he will not form a team with us in the future! – Now, he, together with Luo Sheng Daozun and Yao Yu Daozun, form a team of three!”

“Oh...” Yi Tianxing and others felt that it was normal.

After all, with Xu Ming’s strength, it is impossible to team up with them all the time.

“In this way, only the six of us will form a team!” Immortal White Feather sighed, “Without Brother Xu Ming, we will have to be careful when we fight against alien races in the future!”

“Yeah...” Everyone said in succession.

It was so cool to be on the battlefield of ten thousand races with Xu Ming.

“Let’s recuperate for a while, and then move on to another place!” Qin Yanhao said.

“It’s time to change...”

In the eyes of Qin Yanhao and others, there is a large army of demons in the Buried Bone Mountains; in this way, with their poor strength, they would not dare to set foot in the Buried Bone Mountains again!

“Captain, let’s sum it up and see where to go?” Yi Tianxing said.

Crazy Sword also said: “Now, Qin Yi has made amazing progress, and he is no longer a rookie who knows nothing; in some places where the battle is a little fierce, we can also try to break through, we are not afraid that he will hinder us. !”

Qin Yi smiled: “Uncle, I’ve made great progress, haven’t I?”

“Big?” Qin Yanhao glared, “Big ass! If it wasn’t for Brother Xu Ming, you would have died a long time ago as a fool!”

Qin Yi was suddenly depressed. But he also knew that Qin Yanhao was telling the truth; if Xu Ming hadn’t rescued him, I’m afraid he would have died in the first battle of the Wanzu battlefield.

Qin Yanhao said again: “By the way, let’s discuss here first, and then where should we go. I want to go out through the space channel first, and report to the great powers of the ethnic group about the terrifying strength of Brother Xu Ming!”

“It’s time to report it!” Crazy Sword also said, “The powerful people of the ethnic group may not necessarily know that Brother Xu Ming’s strength is so terrifying! If you let them know, you will definitely give Brother Xu Ming more cultivation resources! ”

...

Another direction of the Ten Thousand Races Battlefield.

The teams of demons that were fleeing in all directions, fled back to the space passage of the demons from all directions.

These demon masters had long been smashed by Xu Ming; as soon as they returned to the space passage, many people immediately followed the space passage and escaped from the battlefield of ten thousand clans.

swoosh—

A thin, red-haired figure was the first to escape to the battleship where the Demon Race Power was.

As soon as he came out, he felt an incomparably fierce momentum hitting his face, pressing him to kneel directly on the deck of the ship.

“Ruoguhong!” Ruotongmo’s imposing manner is extremely cold and severe. If it is some weaker Daoist, his soul may be frozen by this cold imposing manner, “Tell me, what happened!?”

“Patriarch...!” Ruo Kuhong said repeatedly, “It’s Xu Ming! It’s Xu Ming! – Xu Ming is too scary!”

“Xu Ming?” Ruotongmo’s pupils shrank Have you met Xu Ming? He also killed a lot of people? ”

“Yes!” Ruo Kuhong’s face had a look of horror, “I estimate that there are more than a hundred brothers who were slaughtered by him!”

“Damn it!” Ruo Tongmo couldn’t help scolding, “What did you all eat to grow up? An army of hundreds of people was slaughtered by a hairy boy?”

Ruo Kuhong was so frightened that the whole person fell to the ground: “Patriarch, Xu Ming is really scary! – Not only has his strength reached the limit of half-step Taoist master, but also our spiritual attack salvo has no effect on him at all. !”

“What!?” Ruo Tongmo glared, “Xu Ming’s strength has reached the limit of half-step Taoist master!?”

The surrounding Demon Race Taoist masters were also surprised.

“Yes!” Ruo Kuhong said very confidently, “Captain Ruotian has used a secret technique, but he is not even his opponent! – Definitely the ultimate half-step master’s strength!”

“Also, spiritual attack salvos have no effect on him at all?”

Speaking of this, Ruo Kuhong couldn’t help showing a look of horror: “Yes! Our spiritual attack salvo landed on Xu Ming, and it had no effect at all! – He doesn’t seem to be afraid of spiritual attack at all!”

Regarding this point, Ruo Tongmo was relatively calm: “Maybe, Xu Ming has some extremely precious spiritual defense treasure!”

Some powerful spiritual defense treasures can even be immune to some weaker spiritual attacks!

What shocked Ruotongmo the most was that Xu Ming, only thirty years old, already possessed the strength of the ultimate half-step master!

“Among the geniuses of the ‘tens of millions’ of the human race, it seems that there has never been someone as perverted as Xu Ming...” Ruotong’s demonic eyes flashed with murderous intent.

The stronger Xu Ming’s talent is, the stronger the killing intent of Ruo Tong Demon, and even the entire Demon Race, will be towards Xu Ming.

Chapter 578: Remnant Sword Tower

The Remnant Sword Tomb, located in the center of the Wanzu battlefield, is also the most violent and chaotic place in the entire Wanzu battlefield.

The sand and dust danced wildly in the sky, and the world was dark.

Three small figures appeared in this violent and chaotic place, it was Xu Ming, Luo Sheng, and Yao Yu.

“This is the tomb of the broken sword!” Luo Sheng said, “In the tomb of the broken sword, the space is distorted and deformed; even, sometimes, you clearly feel that you are going forward, but in fact, you have already turned a corner!”

“Yes!” Yao Yu also said, “So, in the remnant sword tomb, the weaker Daoist may get lost if he is not careful! Only if his strength is strong enough and his mental power is strong enough, he can ignore the space. Twist and find the right direction.”

“Oh...” Although Xu Ming knew that Luo Sheng and Yao Yu were uneasy and kind to him, he was still willing to learn some information about the Canned Sword Tomb from the two of them.

However, Xu Ming was still puzzled: “Didn’t you say that in the tomb of the broken sword, there is a broken sword with a height of ten thousand feet? Where is it?”

“You mean ‘Remnant Sword Pagoda’?” Luo Sheng laughed, “The Remnant Sword Pagoda is located at the very center of the Remnant Sword Mound. It’s still far from us!”

“Yes, it’s the Canned Sword Pagoda.” Xu Ming said, “I really want to see it!”

“Let’s go then!” Luo Sheng said, “But Brother Xu Ming should be careful. The closer you get to the Canned Sword Pagoda, the more likely you are to encounter a powerful alien enemy!”

“thanks for reminding!”

Xu Ming went to the Canned Sword Pagoda, not to meet the world, but... The location of the treasure shown in the treasure map left by the old man is in the Canned Sword Pagoda!

“The short-lived old man can actually hide the treasure near the Canned Sword Pagoda?” Xu Ming was a little puzzled.

The first thing he wondered was—how did the Bitter Old Man enter the battlefield of all races?

You must know that the rules of the battlefield of all races restrict the entry of the Dao Master and above.

And the old man who was short lived, left treasures to wait for the appearance of “life and death” when he was dying; then, how did the old man short of life put the treasure into the battlefield of all races?

“Could it be... to ask other Taoists to help hide them in the battlefield of ten thousand races?” Xu Ming couldn’t help but guess, “However, this is unlikely... How tightly can a Taoist hide treasures? It may be discovered and poached by other Dao Venerables—it’s impossible not to see such a risk!”

The more Xu Ming thought about it, the more puzzled he became.

However, since the location of the treasure was already not far ahead, Xu Ming of course wanted to check it out.

...

Remnant Sword Tomb, sand and dust violent.

In an extremely harsh environment, even the ultimate half-trail master, here, the range that can be seen by sight and the range that can be covered by mental power is very limited.

The three of them moved forward cautiously against the sandstorm. From time to time, they also use the dunes to hide their figures to prevent them from being discovered by aliens.

The three of Xu Ming kept looming in the incomparably violent sand and dust.

One day later...

“Is this the Remnant Sword Tower?”

Xu Ming stood under the broken sword tower that was more than ten thousand feet high and looked up.

This is an incomparably huge broad-blade remnant sword. The tip of the sword is inserted into the depths of the earth, while the hilt stands above the clouds. It looks like it has been damaged for countless years, like a scrap of iron.

“Ta, why is it like this?” Xu Ming looked puzzled.

Luo Sheng said: “This Remnant Sword Pagoda, it is said, was once the weapon of the true God Brahma! But for some unknown reason, it will become like this...”

“Weapon?” Xu Ming was surprised, “What a big weapon...”

“Is it big?” Luo Sheng shook his head, “The weapon used by the True God Brahma is, without a doubt, an ‘artifact’! Divine artifact can be big or small, and it’s just over ten thousand feet tall, it’s not surprising!”

“Uh... well...” But Xu Ming was still puzzled, “Since it’s a weapon, why is it called the ‘Remnant Sword Tower’?”

“Because, for a long time, someone has also entered the interior of this broken sword, knowing that the interior of this broken sword is a seven-story pagoda! – hence the name ‘the broken sword tower’!”

“Entering the interior of the broken sword? How did you get in?” Xu Ming asked curiously.

“Maybe you need some special token! But... you can definitely get in!”

“Oh...” Xu Ming said, his mind was quietly sinking into the Najie, watching the treasure map left to him by the Kushuang old man.

“The location shown on the treasure map is still ahead...”

Xu Ming followed the instructions of the treasure map and walked forward step by step; after a while, he almost hit the Canned Sword Pagoda.

“Huh? It’s still in front?”

Going forward, it is the Remnant Sword Pagoda! Do you want Xu Ming to hit the tower?

Xu Ming subconsciously reached out and touched the tower wall.

And the moment he touched the tower wall...

Whoa!

The entire ten-thousand-zhang-high Remnant Sword Pagoda shone in vain.

The stray light of Yi Cai formed a swallowing vortex, which swallowed Xu Ming in an instant.

“This...” Luo Sheng and Yao Yu were both stunned, “Xu Ming actually... was swallowed by the Canned Sword Pagoda?”

The two were stunned for a while before they realized that Xu Ming definitely had a token of entering the Canned Sword Pagoda on his body!

...

Inside the Remnant Sword Tower.

Empty, dark.

Xu Ming couldn't react for a while, how could he be sucked in by the Canned Sword Pagoda.

At this moment on the treasure map, the voice of the short-lived old man sounded.

"Haha, life and death, you are finally here!" The Kusuan old man obviously did something on this treasure map; Xu Ming had just been sucked into the Canned Sword Pagoda, this long-reserved voice, rang.

At this time, Xu Ming of course understood – this treasure map is actually a token for entering the Canned Sword Pagoda!

And the short-lived old man probably didn't leave any Taoist-level treasures for himself at all, but only deliberately used this treasure map to trick himself into entering the Canned Sword Pagoda.

Sure enough, the voice of the Kusuan old man continued to sound: "Remnant Sword Pagoda is an excellent place for training; the Remnant Sword Pagoda token is more precious than any Taoist-level treasures! Even if you take out ten half-artifacts, all It's hard to get a Canned Sword Pagoda token!—So, be sure to cherish this opportunity to practice!"

"Remnant Sword Pagoda is divided into seven floors. Each time you pass through the first floor, you can get huge benefits; if you can pass through the seventh floor, it is said that you can understand the true meaning of becoming a god! Of course, it is only said... After all, it is a long time. In the years, no one has ever been able to break through the seventh floor! Come on, life and death, I have given you the opportunity, I hope you can get as many benefits as possible in this remnant sword tower!"

After finishing speaking, the trace of the imprint left by the old man on the treasure map also dissipated directly. The treasure map also turned into fly ash and disappeared.

"Remnant Sword Pagoda...the true meaning of becoming a god..." There was a faint expectation in Xu Ming's eyes, "As soon as you come, break into it!"

...

Outside the Remnant Sword Tower.

Luo Sheng hesitated for a while, then said: “Yao Yu, Xu Ming entered the Canned Sword Pagoda, and he definitely won’t be able to get out in a short time! Otherwise, shall we stimulate the Karma Stone?”

Yao Yu thought for a while: “Okay! – In this way, when Doudou comes over, you can wait for the rabbit outside the Canned Sword Pagoda! As soon as Xu Ming comes out, he will be caught by surprise!”

Chapter 579: Lie To Me

When Luo Sheng turned his hand, a round smooth pebble appeared in his hand.

On the pebble, there are also perfect and mysterious lines, which contain the mystery of cause and effect, which is the “karma stone”.

click!

As soon as Luo Sheng exerted force in his hand, the karma stone cracked open with a “bang”.

At the same time, another place on the battlefield of ten thousand races – the sea of delusional flowers, the karma stone in Jiu Du’s hand also cracked open.

“Huh?” Jiu Du has blood-red long pecks, thick limbs, and plump wings behind his back; in his crimson eyes, a strange gleam could not help but flash, “I finally waited until the Karma Stone cracked. It’s gone!”

The karma stone cracked, which meant that there was already a trace of Xu Ming!

Jiu Du immediately sank his mental power into the cracked karma stone, and the mysterious causal connection guided him in the direction.

“It’s...” Jiu Du’s eyes looked into the distance, “Beside the Canned Sword Pagoda?”

Go over now!

swoosh—

Jiu Du unfolded his huge and mighty wings, and with a slam, the entire body was shot out with electricity.

...

Inside the empty and dark Remnant Sword Tower.

A hollow voice resounded in vain: “In the Cannon Sword Tower, all the treasures that come with it are forbidden, and those who violate it will be expelled! – Please choose your weapon!”

arms?

“Standard long gun!”

As soon as Xu Ming stretched out his hand, a silver-black spear appeared in his hand; the grade was very low, it was a standard low-grade venerable-level spear—only a low-grade venerable-grade spear could be used, obviously to test Xu Ming’s own strength, and The influence of foreign objects such as weapons on strength was suppressed as much as possible.

At this time, in front of Xu Ming, a human-shaped phantom gradually condensed.

This figure’s body shape and weapons are exactly the same as Xu Ming’s, but his facial features are a fog, and he can’t see anything.

As soon as the figure appeared, it rushed towards Xu Ming.

Knowing yourself, knowing your enemy, and winning a hundred battles—so, Xu Ming casually threw a probe into the past.

“One Step Dao Zun?”

too weak!

Xu Ming didn't even bother with the spear, so he slapped it and swept the figure away.

laugh-

The figure dissipated, but a pure energy remained.

This pure energy rushed into Xu Ming's body with a "swish" and rushed towards Xu Ming's soul.

hum—

This energy nourishes Xu Ming's soul like a spring rain. In just one breath, Xu Ming felt that his soul had grown a few points!

"Huh?" Xu Ming was startled, "What a powerful soul nourishing power!"

There is no doubt about the benefits of a strong soul—the stronger the soul, the easier it will be to comprehend the way of heaven; when the way of heaven is motivated, the power will be greater.

However, increasing the strength of the soul is more difficult than increasing the strength of the physical body!

And this pure energy actually directly increased Xu Ming's soul strength by a few points! – Visible effect is strong!

"This Remnant Sword Pagoda really has great benefits!" Xu Ming secretly exclaimed, "Even if there are no other treasures, the pure energy that nourishes the soul alone is a worthwhile trip!"

Xu Ming was not in a hurry to go to the second floor, but sat down directly with his knees crossed: "The soul has suddenly grown so much, I have to consolidate it well so that the foundation will not be unstable!"

...

Dove Poison has two mighty and powerful wings.

As soon as these two wings are unfolded, each of them is much larger than Jiu Du's body!

Such two large wings, of course, are not just on the surface, but also give Jiudu extremely fast speed!

Looking at the level of Dao Zun, I am afraid that it is difficult to surpass Jiu Po in speed! Even Xu Ming, if he didn't open "Soul Possession", his speed would be much slower than Dou Po!

swoosh—

Jiu Du soared unscrupulously at a high speed – in the battlefield of ten thousand races, he was not afraid of anyone, so he could naturally be unscrupulous.

In some places where the space is fragile, when the dove poison crosses, it will even tear the space directly!

Under such a rapid flight, in just an hour of effort, Jiu Du came to the Canned Sword Pagoda from the sea of delusional flowers.

However, when he came to the Canned Sword Pagoda, he only saw Luo Sheng and Yao Yu, but not Xu Ming.

"What's going on!?" Jiu Du coldly snorted, "Didn't you crush the Karma Stone and send it to me? – Where is Xu Mingren?"

"Dove Poison Demon Venerable!" Luo Sheng said respectfully, "Xu Ming has entered the Canned Sword Pagoda!"

"What!?" Jiu Du's voice suddenly became sharp, "What did you say!?"

"I said...Xu Ming went to the Canned Sword Pagoda..." Luo Sheng said cautiously.

boom!

Jiu Du kicked Luo Sheng directly, kicked him out, and smashed heavily on the Canned Sword Pagoda.

“Pfft!” Luo Sheng was directly kicked by this powerful kick, and he vomited blood; his eyes were full of disbelief, “Dove Poison Demon Venerable?”

Yao Yu on the side also said, “Demon Venerable Dou Poison, Luo Sheng... did he do something wrong?”

Unexpectedly, Jiu Du directly raised his foot and gave him a kick.

boom!

Luo Sheng and Yao Yu were both kicked and vomited blood, but they both dared to be angry and did not dare to speak, so they could only look at Jiu Du with aggrieved faces.

“Two idiots!” Jiu Du groaned angrily.

“Demon Venerable Dove Poison, didn’t we report Xu Ming’s location to you? Why are you still...” Luo Sheng asked in surprise.

“You guys reported That’s right!” Jiu Du sneered, “But why didn’t you report earlier!?”

“We didn’t find a chance...” Luo Sheng defended.

“Didn’t find a chance?” As soon as he heard this, Jiu Du was so angry that he almost rushed up and kicked a few more times, “I have long wanted to enter the Canned Sword Pagoda, but I have never been able to get the Candid Sword Pagoda token! Now... just because You two idiots didn’t find the opportunity, which caused me to miss the opportunity to enter the ruined sword tower! I rely on it!”

“This...” Luo Sheng said depressedly, “I didn’t know in advance that Xu Ming actually had a token of the Canned Sword Pagoda in his hand...”

boom!

Jiu Du flew again, directly kicking Luo Sheng's chest into a depression: "Idiot! How dare you find a reason!?"

This injury, of course, is nothing to Dao Venerable; but being kicked like this, Luo Sheng is naturally very ashamed and angry – after all, he is also an extreme half-step Taoist!

Also has dignity and temper!

"Demon Venerable Dove Poison, you really can't blame me for this... Besides, my mission is to find a way to provide Xu Ming's location, not to help you find the Cannon Sword Pagoda token!"

Jiu Du's crimson eyes were extremely contemptuous: "So... I kicked you, do you have an opinion?"

Opinion?

Of course Luo Sheng did not dare to have an opinion.

Even if you really have an opinion, you don't dare to say it in front of Jiu Du.

"No...no opinion!" Luo Sheng had no choice but to say.

"No opinion?" Jiu Du snorted coldly.

Then, very abruptly, he slammed directly into Luo Sheng's head.

boom!

The sharp claws burst through, like smashing a watermelon, smashing his head into pieces!

The defenseless Luo Sheng was instantly killed with a single claw!

“Humph!” Jiu Du’s eyes were cold and cold, “How dare you say that you have no opinion? Isn’t this lying to me? – The end of lying to me is death!”

Chapter 580: Sword Master Shocked

“The fate of lying to me is death!”

The poisonous eyes turned to Yao Yu again.

At this time, Yao Yu was so scared that his face turned pale!

“Luo...Luo Sheng just died like this?” Yao Yu felt something bad – Luo Sheng died, what about him?

“Yao Yu!” Jiu Du’s voice was cold, “Do you have any opinion on me?”

Yao Yu’s heart suddenly shook heavily.

Dare he say he has an opinion? – Of course not!

However, if he said “no opinion”, Luo Sheng is likely to be his role model!

Saying “has an opinion” is death; saying “no opinion” is also death—whatever you say, it’s death!

Yao Yu’s back could not help but break out in cold sweat.

“How to do how to do?”

He doesn’t want to die!

A traitor like Yao Yu is definitely a selfish person; and a selfish person is almost impossible not to be afraid of death!

“what-”

In vain, Yao Yu shouted violently, and his entire body shot and fled into the distance.

“Escape?” A deep disdain flashed in Jiu Du’s red eyes.

In the next instant, Jiu Du shot out; in the blink of an eye, he overtook Yao Yu in front of him.

boom!

With another slam, Yao Yu’s head was smashed to pieces like a watermelon, and he couldn’t die any longer.

In fact, Yao Yu himself was too timid. Otherwise, with his ultimate half-step Dao Master’s strength, even if he loses to Jiu Du, he can still support a few moves; however, because he is timid, he doesn’t even have the courage to fight, so he will die faster.

However, Yao Yu really has no choice; because, whether he chooses to fight or escape, there is only one result – death!

The strength gap between him and Jiu Du is too obvious!

“Humph!” Jiu Du sneered coldly and disdainfully, “These two traitors know too many things; moreover, their use value is almost exhausted!”

Traitors, if there is no use value, naturally it is time to die.

Jiu Du deliberately sought slander, in fact, he wanted to kill Luo Sheng and Yao Yu. No matter how the two answered, Jiu Du was going to kill them—this was also the order of the high-level demon clan.

Poor Luo Sheng and Yao Yu didn’t know that when they crushed the Karma Stone, they actually crushed their own lives.

After killing Yao Yu, Jiu Du returned to the Canned Sword Pagoda.

“Xu Ming actually got the crumbling sword tower token and entered the crumbling sword pagoda...” Jiu Du felt unwilling in his heart.

He has always wanted to enter the Canned Sword Pagoda to experience, but he has never had the chance to get the token.

“If only I could have known Xu Ming’s whereabouts sooner... Hmph!” Jiu Du snorted heavily, “That’s why I don’t have the chance, that’s all... However, although I can’t enter the Remnant Sword Pagoda and condense my soul; The other treasures Ming got in the Cannon Sword Tower will be mine after all!”

Jiu Du sat cross-legged directly beside the Canned Sword Tower, waiting for Xu Ming to come out of the tower, then shot and killed him.

...

Luo Sheng and Yao Yu had just died, and the names of the two of them dimmed one after the other on the monument of life and death of the human race.

“What!?” The sword master stood up in shock, “Luo Sheng and Yao Yu actually died?”

Luo Sheng and Yao Yu are both extreme half-step Taoist masters, and they have great hopes of becoming Taoist masters in the future. But now, all of a sudden, the two of them fell together, which made the Sword Master both shocked and distressed.

“What’s going on? With the strength of Luo Sheng and Yao Yu, in the battlefield of ten thousand clans, it is difficult for anyone to keep them... How could they all die one after the other?” The sword master was puzzled, ” Could it be that they encountered Dove Poison?”

From the Sword Master’s point of view, the only people who can easily kill Luo Sheng and Yao Yu on the battlefield of ten thousand races are the Yaozu’s Dove Poison.

The sword master guessed right, Luo Sheng and Yao Yu were indeed killed by the poison. But what he didn’t know was that the two were actually traitors, and there was a connection between the karma stone and the dove poison.

“Even Luo Sheng and Yao Yu are dead...” The sword master was secretly shocked; he began to doubt whether it was the right decision to let Xu Ming enter the battlefield of ten thousand clans, “In case Xu Ming encounters Dou Po...”

But then, the sword master’s eyes became firm again: “Golden God of War said that Xu Ming is a person with great luck! Since he is a person with great luck, it is not so easy to die; at least, the mere dove poison, I’m not qualified to let Xu Ming die! – If you don’t cut jade, you can’t make a weapon, so let Xu Ming accept the carving in the battlefield of ten thousand races!”

However, what the Sword Master can’t imagine is that it is still far from a small battlefield of ten thousand races to carve Xu Ming!

The battlefield of ten thousand races is nothing more than Xu Ming’s “pretend x playground”!

Suddenly, Zhan Wuwei’s expression suddenly changed, becoming very... weird.

“Sword Master, there is news from the Demon Race!” Zhan Wuwei said.

The sword master couldn’t help but look at Zhan Wuwei. Of course, he also found that Zhan Wuwei’s expression was very strange at this time, and he couldn’t help but wonder: “What news?”

“It’s about Xu Ming...” Zhan Wuwei said.

“Oh?” The sword master subconsciously glanced at the Causal Life and Death Monument, and saw that Xu Ming’s name on the stele was still shining, so he was relieved, “What’s wrong with Xu Ming?”

“Xu Ming... he met the demon army!” Zhan Wuwei said.

“Didn’t we already know this?” The Sword Master wondered.

The sword master had already learned from Qin Yanhao that Xu Ming encountered the demon army.

When he first learned about it, the Sword Master was also extremely surprised; he really did not expect that Xu Ming had the strength of an ultimate half-step Taoist master, and could actually retreat from the demon army.

“It’s a little different from what we know...” Zhan Wuwei said again.

“A little different?” The sword master became more and more puzzled. “What’s the difference? Tell me now!”

“Before, when Qin Yanhao came to report, didn’t he say that Xu Ming escaped from the demon army?”

“Yes!” said the sword master, “what’s the matter?”

Zhan Wuwei said strangely: “Qin Yanhao... he said the opposite...”

“Is it the other way around?”

“Yes! It’s the other way around!” Zhan Wuwei spread his hands, “It’s not that Xu Ming escaped from the demon army, but... the demon army escaped from Xu Ming...”

“The demon army escaped?” The more the Sword Master listened, the more inexplicable he became. “What’s going on? Hurry up and say it!”

“It’s like this...” Zhan Wuwei even told the news from the Mozu traitor one by one.

“What? Xu Ming killed Ruotian and other demon masters!?”

“What? Xu Ming rushed into the formation of the demon army, carrying a volley of spiritual attacks, killing hundreds of demon masters and fleeing!?”

The more the Sword Master listened, the bigger his eyes widened.

Zhan Wuwei said: “The news sent by the traitor of the demon clan should not be wrong! As for Qin Yanhao, he did not witness the battle with his own eyes, so he may not know the real situation of the battle!”

“Well...” The sword master pondered, “If Xu Ming really killed the demon army and fled, then we still underestimated Xu Ming’s strength!”

“Yeah...” Zhan Wuwei glanced at the two names Luo Sheng and Yao Yu that had faded away on the monument of life and death, and murmured, “Even if it is Dou Po, I am afraid that it may not be able to destroy the demon army, right? ”

...

Just when several human race experts were shocked, Xu Ming swept all the way up in the Canned Sword Pagoda.
