

# A World 821

Chapter 821: Show Off Your Wealth

call...

call...

Between the Divine Realm and the world of billions of dust particles, a dense wind of destruction roared.

Any destructive wind can easily tear and annihilate the demigod power.

Xu Ming and another burly deity were blown together by the Ruin Gang Wind, and it was really fate!

“Go to God’s Domain?” The other party glanced at Xu Ming proudly.

“Yes!” Xu Ming smiled and clasped his fists, “You just came out of your own world of dust, and headed to the Divine Realm, right? – Under ‘Xu Ming’, what do you call your Excellency?”

“Wu Jian!” The burly deity looked at Xu Ming for a few times, there was a feeling of superiority in his eyes, and he said arrogantly, “Although I just came out of the world of dust, I’m not the same as you. !”

“Oh?” Xu Ming didn’t pay much attention to Wu Jian’s arrogance.

After all, he and the other party just met by chance. If you can talk, you can make a friend; if you can’t talk, it doesn’t matter.

“What’s the difference?” Xu Ming asked with interest.

Wu Jian said proudly: “I know more about God’s Domain than you!”

“Please give me some advice!” Xu Ming gave full play to the good character of “not ashamed to ask questions”.

“Humph!” Wu Jian became more and more proud, “Do you know how many gods there are in the Divine Realm?”

How many gods are there in the realm?

Xu Ming was startled: “I don’t know!”

Then, Xu Ming looked at Wu Jian in surprise: “Don’t you know?”

“Of course I...” Wu Jian’s nostrils turned to the sky, like a proud bull, “I don’t know!”

puff!

Xu Ming almost spurted blood – “I don’t know” and you still pretended to be like “know”?

Wu Jian said again: “But... in the realm of the gods, gods are everywhere! – The number of gods may even be more than the existence of demigods!”

“There are more gods than ‘under the demigods’?” Xu Ming was startled, “How is that possible!?”

“Nothing is impossible!” Wu Jian said proudly, “Think about it, the number of dust worlds is said to be ‘hundreds of millions’... No one knows exactly how many; but even if we say less, there are only one trillion dust worlds. Alright! In every dust world, only one \*\*\*\* will go to the God Realm! – Then, the God Realm will also have a trillion gods!”

And actually...

The number of dust worlds is far more than one trillion! It may be a trillion trillion, or it may be a trillion trillion... The exact number, no one knows.

Moreover, in every dust world, there is far more than just one god—like the Endless Continent, there are four true gods, Jiu Yu, Brahma, Erke, and Xu Ming! This is only from the “Jiuyu Era” to the present; then, how many gods have appeared in the unrecorded wild times before the Jiuyu Era?

Moreover, how many “local gods” will appear in the endless and vast God Realm?

When Xu Ming thought about it carefully, he was really terrified!

“Humph!” The look on Wu Jian’s face became more and more arrogant, “You don’t know anything about God’s Domain, and you dare to go to God’s Domain?”

Xu Ming couldn’t help but ask, “Why do you know so much about God’s Domain?”

Wu Jian said proudly: “In my hometown, there is an ancient ruin! After I became a god, I stayed in my hometown and spent hundreds of millions of years exploring the ancient ruins...”

“Hundreds of millions of years...” Xu Ming was stunned – he couldn’t understand, what a long time span!

“Hehe!” Wu Jian said more and more proudly, “Not only have I harvested all the treasures in the ancient ruins, but after a long time, I have also raised the second heavenly understanding to the level of a god! – My strength, even if it is placed in the God’s Domain, it won’t be at the bottom! And you...”

Wu Jian sneered disdainfully: “I see your vitality, you are quite young; you should have just broken through to the gods not long ago, right?”

Xu Ming said truthfully: “It’s just been over three years!”

“Sure enough!” Wu Jian shook his head and said, “You dare to go to the realm of the gods just after breaking through the gods. You are really courageous!”

“God’s Domain is dangerous?” Xu Ming couldn’t help asking.

“As far as I know from that ancient ruin, God’s Domain... the killings are constant!”

“Ah?” The killings continued, which was somewhat unexpected to Xu Ming.

“This is normal!” Wu Jian looked like he knew the realm of the gods like the back of his hand. “How many of them did not rise from slaughter if they were able to prove the Dao and become gods? – Killing gods gather in the realm of the gods, can the realm of the gods be peaceful?”

“Hmm...” It sounded reasonable.

Wu Jian said again: “I think your strength is still very weak, so, do you have any powerful life-saving treasures on you?”

“There is an artifact long spear!” Xu Ming said without hesitation, not at all worried about the other party robbing him.

“Only one attack artifact?”

“Um!”

The other artifacts were all converted into level 9 hanging points in the last battle with Erke. And the 9th level hanging point has been used up by Xu Ming.

“Tsk tsk tsk...” Wu Jian shook his head and sighed a few times, “Poor! Really poor!—Without strength and no life-saving treasure, would you dare to go to God’s Domain?”

“Forehead...”

Wu Jian said arrogantly: “If you are like you, when you come to the God’s Domain, if you encounter any danger, you can’t beat it, you can’t escape, you can’t escape, you will definitely die! – Are you going to the God’s Domain to die?”

“Uh...” Xu Ming actually wanted to say – I’m hanging up!

Wu Jian seemed to despise Xu Ming for being addicted, and said: “Look at me again! – In terms of strength, I have two heavenly ways that are at the level of gods, even in the realm of the gods, I am not a weak hand; in terms of treasures...”

wow—

As Wu Jian was speaking, suddenly his body shone brightly; his whole body, from head to toe, shone with the rays of colorful treasures.

Described in one idiom: Jewelry!

“Fuck me?” Xu Ming was dumbfounded, “So many treasures?”

“Hum!” Wu Jian is completely showing off his wealth in front of Xu Ming, “Tengyun crown, magic dragon armor, wisteria fists, Tiandao knee pads... I now wear more than ten pieces of equipment~www.readwn.com ~All of them are artifacts! Look at the inscriptions on my body again, this is not an ordinary inscription, but an artifact-level ‘skin’! Look at my teeth again...”

Having said that, Wu Jian really bared his teeth and said, “My set of golden teeth is also a divine weapon! Is it amazing? How about it? Are you dumbfounded?”

“Uh...” Xu Ming was speechless – even his teeth were divine weapons, they were truly “armed to the teeth”!

But Xu Ming also has a question – what is the use of Wu Jian’s artifact teeth? Could it be that he is going to bite?

Whoosh!

Wu Jian put away the colorful rays of light on the treasure again, and sneered: “Have you seen it? Like me, going to God’s Domain will make you feel safe!”

“Uh...” Xu Ming was speechless.

At this moment, Xu Ming saw that the space in front of him was rippling with layers of ripples; it was like a pebble thrown into a calm lake, making ripples.

“What’s going on?” Xu Ming was startled.

Chapter 822: Jinwu

“What’s going on?” Xu Ming was startled.

Wu Jian looked very calm, and said with contempt: “You don’t know this? It seems that you really don’t know anything about God’s Domain! – Let me tell you! The ripples in the layers are the ‘reception and lead formation’ of the Divine Realm!”

“Receiving a big formation?”

“Yes!” Wu Jian put on the face of an expert, “You should know that every world has a ‘world membrane wall’!”

“Yeah!” Xu Ming nodded slightly.

Indeed, the secret realm has a “secret realm membrane wall”, the \*\*\*\* country has a “divine country membrane wall”, and the dust world also has a “dust world membrane wall”.

The membrane wall is the boundary of a world.

“Since every world has a ‘World Membrane Wall’, then think about it, isn’t there a membrane wall in God’s Domain? – There should be a ‘God’s Domain Membrane Wall’ in front of us!” Wu Jian said, “However, the more the world is, the more The bigger it is, the thicker the membrane wall will be! – The membrane wall of the dust world, we want to penetrate, it is not difficult! However, the membrane wall of the God’s Domain is far from what we can penetrate!”

“Oh?” Xu Ming didn’t think of this—yes! The Divine Realm is so much vaster than the Mote World. Compared with the Divine Realm, the Mote World is really just a “mote”; then, the Divine Realm membrane wall will definitely be very strong and thick...

It is so thick that it is difficult for even ordinary gods to pass through!

“So...” Wu Jian continued, “The super power of the God’s Domain has set up countless reception formations all over the God’s Domain! As long as someone approaches the wall of the God’s Domain, the reception and induction formation will bring them into the God’s Domain. go!”

“I see...”

In the blink of an eye, Xu Ming and Wu Jian flew to the ripples in space.

Xu Ming only felt that a strange spatial fluctuation enveloped him. Immediately, as soon as his eyes bloomed, he couldn’t see anything clearly; but obviously, he should be moving rapidly in space.

After about a quarter of an hour, Xu Ming felt that the soles of his feet touched the ground with a “pop”.

“arrive!?”

At this moment, Xu Ming felt an incomparably terrifying coercion oppressing him. This oppression is aimed not only at the material level, but also at the soul and even the spiritual level.

Xu Ming, who had just arrived in God’s Domain, was caught off guard, and his feet softened and his body swayed; however, he immediately stabilized his body and did not fall.

However, Wu Jian is going to be much worse! -Although he has a little understanding of God’s Domain, his understanding is very limited; how can he know that the space coercion of God’s Domain can be so terrifying. One is not guarded, Wu Jian fell directly to the ground, and fell a dog to eat shit.

“I...” Wu Jian stood up immediately, his face turned into anger; he looked at Xu Ming angrily and shouted, “Why are you smiling?”

“I didn’t laugh...” Xu Ming did not laugh—because he was busy observing the situation around him, so how could he have time to laugh at Wu Jian?

Wu Jian was simply angry with himself, thinking that Xu Ming was laughing at him.

Xu Ming didn't bother to care, he felt it carefully: "The pressure of space here... It's so perverted!"

Very perverted!

Under such a strong space pressure, Xu Ming felt that it would be difficult for him to even fly! As for the speed, it will definitely be much slower than in the dust world!

and...

Xu Ming tried to release his mental power, but found that his mental power, which was strong enough to cover the entire endless continent, could only cover the hundred-zhang area of God's Domain!

"This is too suppressed..."

In such an environment, Xu Ming's strength is equivalent to weakening a lot!

However, Xu Ming was not the only one who was weakened; everyone in the Divine Realm was suppressed and weakened!

At the same time, Xu Ming couldn't help but wonder: "With such a strong coercion, how did those demigods and those under demigods survive in the realm of the gods?"

Xu Ming didn't know that the space coercion of God's Domain was different from person to person! The pressure that a demigod bears is much weaker than that of a god!

Then, Xu Ming observed the surrounding environment.

The sky at this time was very gloomy.

Under Xu Ming's feet is an ancient bluestone formation. Around him was a deserted forest.

The earth is black, and so are the rolling hills.

The black trees are bare, without a branch or leaf, and grow sparsely in the mountains and forests, which is very desolate.

“Is this the realm of the gods?”

Xu Ming originally thought that coming from the Endless Continent to God’s Domain should be “the countryman entering the city”; but now, Xu Ming has a feeling of “the countryman entering the mountain”, as if he came to a more desolate place.

Wu Jian was also a little puzzled. This was very different from the Divine Realm he imagined!

call out! call out! call out! call out! ...

At this moment, more than ten black shadows shot towards Xu Ming at high speed.

Xu Ming discovered that even his own vision was greatly affected after arriving in the God’s Domain. It’s hard to see the figure of a person hundreds of miles away.

Overwhelming too much!

However... the suppressed, mainly “perception” aspect. In terms of power, it was not suppressed much.

“Who are these people?” Xu Ming looked at him in surprise.

Soon, more than ten black figures flew close.

Xu Ming saw that these were more than ten soldiers in black armor. Every soldier is the breath of the gods.

“More than ten gods!?” Xu Ming was startled.

The gods are rare in the endless continent. Once the gods are born, they can crush an era!

However, Xu Ming had just arrived in the realm of the gods, and he saw more than ten gods before he stepped out of the formation base of the “reception and lead formation”!

There are too many gods in the Divine Realm, right?

“Not good!” Wu Jian’s expression suddenly changed.

Wu Jian’s own strength is not weak, and his equipment is also good; it can be said that he has barely had the capital to protect himself when he is in the realm of the gods – however, it also depends on the circumstances. If, like now, Wu Jian’s self-protection ability in the face of more than ten soldiers of the gods is completely a joke!

Whatever the other party wants to do with him can do whatever he wants!

call out!

Wu Jian moved very quickly, and instantly put all the artifacts on his body into the world ring – although in front of Xu Ming, Wu Jian showed off his wealth very shyly. But when faced with someone whose strength completely crushed him, Wu Jian knew very well: wealth cannot be revealed in vain!

boom! boom! boom! boom! ...

Soon, more than a dozen soldiers in black armor flew close, and each of them exuded a mighty aura. I wonder if they wanted to give Xu Ming a disgust.

Soon, more than ten soldiers of the gods landed on the bluestone formation.

At this time, Xu Ming saw that a flaming bird with wings spread high was engraved on the back armor of each \*\*\*\* soldier; looking at the shape, it should be “Golden Crow”.

“Golden Crow?”

Xu Ming was thinking, what is the meaning of this pattern.

## Chapter 823: Robbery

Among the more than ten black armored \*\*\*\*\* soldiers, the leader was a cold and arrogant young man with a pale face.

He casually glanced at Xu Ming and Wu Jian: “From the world of dust?”

“Yes! Yes!” Wu Jian replied repeatedly.

“Humph! You are lucky to be able to come to our ‘Golden Crow City’ territory!” The Leng Ao young man hummed.

Golden Crow City?

Of course, neither Xu Ming nor Wu Jian had heard of the Golden Crow City; they didn’t know whether it was really as lucky as the cold and proud young man said to be here.

The cold and arrogant youth continued: “The realm of the gods is full of slaughter. If you are in some chaotic city, a new \*\*\*\*\* like you will die if you say it’s dead! The surrounding area, which is under the jurisdiction of our Golden Crow City, is still peaceful and peaceful. Some.”

To die is to die?

Xu Ming was startled.

Wu Jian was deeply dissatisfied in his heart – he had cultivated two heavenly ways to the level of a god; he was dressed in gold and silver, covered with artifacts, and was very jewel-like. In terms of strength, it should not be at the bottom of the gods, so how could it be so easy to die?

The cold and proud young man glanced at Wu Jian: “Why, you are not convinced by what I said?”

Does Wu Jian dare to persuade him?

Repeatedly said: “Serve! Take!”

“Humph! Just take it!” The cold and proud young man raised a meaningful smile at the corners of his mouth, “Don’t think that it’s amazing to have some achievements in the small world of dust; the vastness and magic of God’s Domain is far beyond your imagination. !—Let’s not say anything else, just the dozen of us brothers; just one of them can easily kill the two of you!”

“Yes! Yes!” Wu Jian nodded his head like garlic. Of course, he could see that the strength of these more than ten gods and soldiers was very tyrannical, and it was far from what he could compete with.

After that, the cold and proud young man stared at Wu Jian for a few breaths, and revealed a more meaningful smile: “I was far away just now, and it seems that you have put away something?”

Wu Jian’s body trembled, and he couldn’t help breaking out a cold sweat behind his back. He even waved his hand and said, “No...no!”

Xu Ming watched from the side without making a sound, but he already had a premonition in his heart: “This Wu Jian... is really a tragedy!”

“No?” The Leng Ao young man was unhappy, “You mean, I’m blind?”

“I...” Wu Jian never expected that when he first arrived in God’s Domain, he would encounter such a thing; for a while, he didn’t even know how to say it.

The cold and proud young man sneered: “Come, bring your world ring and let me see it! What are you hiding? It looks like a treasure!”

Hand over the world ring?

Wu Jianhu’s body was shocked again – if he passed it, would the world ring still be his own?

“I...I...” Wu Jian continued, “My lord, I really don’t have any treasures...”

“Humph!” The Lengao young man’s imposing manner was cold, and he snorted coldly, and even the surrounding air seemed to freeze and become cold, “If you want to bring it, bring it here, what’s so much nonsense? Could it be... we are dignified ‘Golden Crow Guard’, Will you still be greedy for your treasures?”

The other dozen or so Golden Crow Guards also showed displeased expressions on their faces.

“I...” Wu Jian was speechless—this is Chi Guoguo’s robbery!

“My lord, I would like to offer a thousand divine stones on my own initiative, please let me go, okay?” Wu Jian smiled flatteringly.

“One thousand divine stones?” Xu Ming was slightly surprised—he exchanged all the divine stone fragments and artifacts into hanging points, which were only worth three hundred divine stones; and this Wujian turned out to be a thousand divine stones as soon as he opened his mouth. .

“No wonder he liked to show off his wealth in front of me just now, so he really has the capital to show off his wealth!” Xu Ming secretly said, “But... this poor baby... Don’t you know that high-profile showing off your wealth is often a bad end. Is it?”

“A thousand gods?” The young man Leng Ao was also slightly startled, thinking to himself, “Damn it, I caught a big fish today!”

The Leng Ao youth is really strange, how did the indigenous gods from this dusty world get so many \*\*\*\* stones. You must know that a thousand \*\*\*\* stones, not to mention in the dust world, even in the realm of the gods, is a considerable sum.

Moreover... Since Wu Jian is willing to use a thousand divine stones to beg to be spared, this means that his treasure must be more than a thousand divine stones!

As a result, the Leng Ao youth is even more reluctant to let Wu Jian go!

“Humph!” The Lengao youth snorted angrily, “What are you talking about? You said it as if we were going to rob you! – See clearly, we are the Golden Crow Guards, not bandits!”

Wu Jian secretly murmured in his heart: “If you don’t want to rob me, you won’t be staring at my world ring!”

Of course, he didn’t dare to say these words.

But let him hand over the world ring, he is even more reluctant!

“Huh? Still unwilling to pay?” The cold and proud young man’s face sank, “I seriously doubt that there is something shady hidden in your world ring! – Now, I will search you in the name of the Golden Crow Guard. !”

The Golden Crow Guard is the guard of the Golden Crow City. Within the jurisdiction of the Golden Crow City, the power is enormous!

“I...” Wu Jian had no choice but to take off his world ring honestly.

He knew that if he continued to resist, he might not even be able to save his life! After all, God’s Domain is not a place of harmony and tranquility, but a place full of slaughter.

Xu Ming watched secretly from the side, and sympathized in his heart: “This old man is really a tragedy! Just now he was showing off his wealth with me, but in the blink of an eye, he was about to be robbed and nothing left... Oh no, there’s still one bite left. good teeth...”

Xu Ming remembered that Wu Jian had put all the treasures on his body into the world ring just now; only the teeth of the artifact could not be collected in time.

“Humph!” The Leng Ao young man took the world ring with a sneer, his spiritual power penetrated into it, and he looked up.

Immediately, he was slightly startled, and a smile appeared on the corner of his mouth: “I’ll go, a great harvest!”

“That...that...” Wu Jian said cautiously, “Sir, after the search is over, can you give me the world ring?”

“Give it back to you?” The Leng Ao young man smiled playfully, “What to give back to you?”

Wu Jian’s heart skipped a beat. Although he had long expected that his treasure might not be guaranteed, he still had a bit of luck in his heart: “The Ring of the World...”

“World ring? You said this?” The cold and proud young man tossed the world ring in his hand, “Is this yours? Why don’t I remember it’s yours? – Besides, there are thousands of divine stones in my world ring. , Dozens of artifacts; you are an aboriginal from a dusty world, how could UU read [www.uukanshu.com](http://www.uukanshu.com) have so many treasures?”

The cold and arrogant youth directly said it was “My World Ring”.

“I...” Wu Jian wanted to cry but had no tears – what’s the matter, he was robbed as soon as he arrived in God’s Domain!

“Okay!” The Leng Ao young man smiled, “Welcome to the Divine Realm, this is the Golden Crow City! If there is nothing else, we will leave!”

Having said that, more than ten Golden Crow Guards are all ready to leave.

“Huh...” Xu Ming breathed a sigh of relief – if he didn’t leave, he would be robbed too!

“Let’s go?” Wu Jian was startled, and continued, “Sir, wait!”

“Huh?” The cold and proud young man turned around, “What? Is there anything else?”

“My lord, you rob me, I have no problem! But, you can’t just rob me...” After speaking, Wu Jian glanced at Xu Ming secretly, the meaning couldn’t be more obvious – you can’t just rob him One person needs both the rain and the dew!

Chapter 824: Slap The First Slap In God’S Domain

“I’m going!”

Xu Ming was stunned at first, and then he was extremely annoyed—this Wu Jian is too cheap! Originally, these Golden Crow Guards were going to leave, but he even reminded the Golden Crow Guards to rob him.

What is this!

Xu Ming angered from his chest, feeling his slap itch faintly.

“Oh?” The cold and proud young man stopped when he heard the words.

He first glanced at Xu Ming, then turned to Wu Jian and stared at him.

Wu Jian was stared a little hairy: “This... this lord?”

“What did you just say?” said the cold and proud young man.

“I said...you can’t just rob me...” Wu Jian said cautiously.

Bang!

The cold and proud young man lifted his foot and easily kicked Wu Jian to the ground.

“Sir...” Wu Jian was very aggrieved – he kindly “reminds” him, why was he kicked instead?

“Humph!” The Leng Ao young man said displeasedly, “You can eat the rice indiscriminately, but you can’t talk nonsense—when did I rob you?”

Wu Jian was immediately stunned.

Xu Ming was also stunned—why did he feel that the world of gods was much more shameless than the world of mortals?

Xu Ming had just arrived in the realm of the gods, and the shamelessness he saw followed one scene after another.

Xu Ming just wanted to say: urban routines are deep, I want to go back to the countryside.

Bang!

The cold and proud youth stepped forward and kicked again: “Make it clear, did I rob you?”

Wu Jian wanted to cry without tears: “No...no!”

“Humph!” The Leng Ao young man snorted coldly, “I remember it clearly, don’t talk nonsense next time!”

“Yes...Yes...” Although Wu Jian felt extremely aggrieved in his heart, Jin Wuwei came out at random, and his strength was much stronger than him. No matter how frustrated he was, he could only hold back.

The cold and proud young man turned his attention to Xu Ming again.

In fact, he didn’t have much interest in robbing Xu Ming. After all, Xu Ming looked “shabby” and didn’t look like a rich \*\*\*\*\* at first glance.

However, since I’ve already turned around, let’s rob by the way, this is called... rain and dew.

“Your world ring, let me check it!” Leng Ao young man tossed Wu Jian’s world ring and smiled evilly.

“Uh...” Xu Ming looked at the Leng Ao youth, then at the other dozen or so Golden Crow Guards, and came to a conclusion – he couldn’t beat it!

Not to mention more than a dozen, you can’t beat one!

After all, Xu Ming didn't even have a level 9 hang point now, so he couldn't open the hang battle at all. As for the ten or so Golden Crow Guards in front of him, judging from their aura, I am afraid that the weakest have three heavenly paths that have reached the level of the gods;

"This is a bit embarrassing..." Xu Ming pondered, what should he do, "Could it be that you really want to hand over the world ring?"

Of course this is not possible!

It doesn't fit Xu Ming's character either!

Besides, there is a super-large hydrogen bomb in the world ring! No matter how bad it is, the big deal is to throw the hydrogen bomb out.

"Why, you don't want to pay?" The Leng Ao young man sneered—he didn't believe that Xu Ming, a native who first came to God's Domain, resisted him.

"Well..." Xu Ming pondered for a while, and said, "Before handing over the world ring, I have a small request, I wonder if I can?"

"Heh!" The Lengao youth said with great interest, "Dare to talk about requirements in front of me? —Okay, I have a good harvest today, and I am in a good mood, you can talk about it!"

Wu Jian's complexion changed – the "good harvest" that the Leng Ao youth said, of course, was referring to the harvest from him.

Xu Ming pointed at Wu Jian, his eyes narrowed slightly: "I don't think he is very happy! I want to slap him!"

"Oh?" The Leng Ao young man couldn't help laughing, "Okay! Come on! – I'd like to see if you have the ability to whip him!"

"You dare!?" Wu Jian's eyes widened.

Snapped!

As soon as he finished speaking, Xu Ming's slap fell on Wu Jian's face.

"You..." Wu Jian was stunned, "How dare you..."

"You are very lucky..." Xu Ming ignored Wu Jian's anger, and said to himself very plainly, "This... is my first slap in God's Domain! It's very memorable!"

"You... go to hell!" Wu Jian burst out suddenly, rushing towards Xu Ming like a tiger.

Bang! !

But at this time, the Leng Ao youth flew again and kicked Wu Jian into the air.

"You..." Wu Jian was directly forced by the abuse, "Why did you kick me?"

"Why did you kick you?" The Leng Ao young man smiled indifferently, "Didn't you see that I was about to talk to this kid? – You came in to interrupt me, what's the matter?"

"He... he hit me!" Wu Jian was extremely wronged – he felt that he had suffered more in one day than in his entire life.

"The skills are not as good as others, and they were pumped, who is to blame?" The Leng Ao young man said with disdain.

"He attacked!" Wu Jian said again.

Bang!

The Leng Ao young man followed closely and stepped on Wu Jian's face, kicking all his artifact teeth.

“I’ll teach you a lesson, remember, in God’s Domain, there’s no such thing as a ‘sneak attack’! – It’s your ability to kill others!” The Leng Ao young man sneered; then, he waved his hand over the artifact teeth that fell on the ground. , “You actually hid an artifact that you didn’t turn in?”

“This...” Wu Jian was really about to cry, “This is just a pair of false teeth!”

“But it’s also an artifact!” The Leng Ao youth couldn’t help but say that even his teeth were left behind by Wu Jian.

“Haha!” Seeing Wu Jian being abused, Xu Ming felt very relieved, and couldn’t help but smile at Wu Jian, “What you did really relieved me! If you don’t rob me, I can treat you as a friend!”

“Ha ha...”

“Ha ha ha ha...”

Unexpectedly, Xu Ming’s remarks directly caused the Golden Crow Guards to burst into laughter.

“Take me as a friend?” The Leng Ao youth looked contemptuous, “Are you qualified to be my friend?”

The other Golden Crow Guards on the side also sneered: “Boy, do you know his identity?”

“My father, is the commander of the Golden Crow Guard!” The Leng Ao young man was arrogant. He tossed the world ring that he had robbed in his hand and sneered, “You are a native from the dust world, and you want to curry favor with me?”

to curry favor with you?

Xu Ming smiled – would Brother Ming curry favor with anyone?

“I wanted to give you a chance to be my friend!” Xu Ming sneered, “Since you don’t cherish it, then forget it!”

“Huh?” The cold and proud young man’s face sank, “How dare you speak wild words in front of me, you are courting death! – Originally, I planned to take your world ring today, forget it! But your words made me very unhappy; so ...you die here!”

There is also gloating in Wu Jian’s eyes: “This kid is really courting death!”

“kill him!”

The Leng Ao young man snorted coldly, and suddenly, more than ten Golden Crow Guards surrounded Xu Ming.

Xu Ming’s eyes were cold: “Very good! Very good...”

Xu Ming originally thought that when he first came to Divine Realm, he should keep a low profile; but now it seems that others will not give him the opportunity to keep a low profile!

Since you can’t be low-key, let’s be high-profile!

Chapter 825: Rabbit

The cold and arrogant young man’s eyes were cold: “Boy, you are very arrogant! However, I really don’t like someone being arrogant in front of me! – Don’t kill him too easily, torture him before killing him!”

“Yes!”

“Yes!”

The surrounding Golden Crow Guards all showed hideous expressions.

In God’s Domain, there are too many ways to torture the gods! Moreover, the vitality of the gods is tenacious, even if they are tortured hard, it is not easy to torture them to death, but it is fun!

In Wu Jian's eyes, the color of schadenfreude is even stronger: "The person who knows the current affairs is a hero! – This Xu Ming, who has just arrived in the realm of the gods, is so arrogant; he is really courting death!"

Xu Ming smiled.

Laugh a little weird!

"Want to kill me!" Xu Ming waved his hand, and suddenly another Xu Ming appeared beside him—it was Xu Ming's first avatar.

The first avatar is from the Heavenly Dao school. So far, he has not become a god, but a demigod!

But it is precisely because it is only a demigod, so... the first avatar is open, and it does not need a level 9 hanging point, only a level 8 hanging point!

That is to say: the first avatar can be opened unscrupulously!

"Huh?" The Leng Ao young man was startled, "Clone? This kid actually practiced clone!? – Moreover, it seems to be a very perfect clone technique, although it is only at the demigod level!"

At the same time, the Leng Ao young man couldn't help but wonder: "What did he do when he summoned a demigod clone?"

doing what?

The cold and arrogant youth will know right away!

call out!

The second avatar of the ancient cultivator school became a god, and disappeared in an instant, apparently entering the world ring.

What remained outside was Xu Ming's "first avatar of a demigod".

“Boy, what are you doing!?” The cold and proud youth shouted.

“What’s the trick?” Xu Ming laughed strangely.

In an instant, Xu Ming disappeared from the spot; at the same time, he had teleported and appeared in front of the Leng Ao young man, grabbed the world ring he was tossing, and snatched it over.

Before the cold and proud youth could react, Xu Ming teleported to the distance again.

“What’s the situation!?” The Leng Ao young man was completely stunned.

After being stunned for a while, he finally reacted: “Teleport...teleport!”

“Definitely teleportation!” The cold and proud young man’s face was both shocked and excited, “You actually have a teleportation treasure on your body!”

Even in the realm of the gods, there are very few people who can use the power of “teleportation”.

As for how precious the “teleport treasure” is, there is no need to say more! —Leng Ao young man saw that Xu Ming would teleport, and he didn’t even care about the world ring that was taken away by Xu Ming!

“However... this native has specially switched out a demigod clone to act, which means that his ‘teleport treasure’ should only be able to carry a demigod for teleportation!” The Leng Ao youth guessed, “a demigod-level teleportation treasure. , the value is much lower! However, no matter how low it is, it is also a teleportation treasure! If other forces in Jinwu City know that a native has a teleportation treasure, I don’t know how many people will come to fight for it!”

The cold and proud youth’s brain-boosting ability is really strong enough. However, he could never imagine that Xu Ming switched to a demigod clone just because...he didn’t have a level 9 hanging point.

The other Golden Crow Guards were also stunned at this time: “Teleportation treasure? – I’ve made a fortune! I must grab it!”

Wu Jian was even more surprised – he had never seen “teleport” at all, and he had never even heard of it!

“What kind of incredible ability is this!?” At the same time Wu Jian was shocked, he couldn’t help but feel a hint of remorse in his heart – he vaguely felt that it was a very wrong thing to pull Xu Ming into the water after he was robbed!

“Boy!” The cold and proud young man shouted, “Leave the teleportation treasure, and I will spare you!”

Teleport treasure?

“What kind of thing is this?” Xu Ming was startled, and then he reacted, “It seems that these Golden Crow Guards mistakenly thought that I had some teleportation treasure on my body!”

In this case, Xu Ming was also happy to tease them: “Want my teleport treasure?”

“Humph!” The Leng Ao young man hummed, “Don’t pretend to be calm, I know that the energy storage of teleportation treasures can only support your teleportation a few times, and it will be exhausted; by then, you will not let me rub it. Pinch? – So, hurry up and hand over the teleportation treasure, and I will give you a chance to live!”

“You guessed it right, the teleport treasure can really only support me a few teleports! But these few teleports are enough for me to escape!” Xu Ming said deliberately, “So, how could I take the teleport treasure, Together with my fate, in your hands?”

In fact, Xu Ming has some level 8 hang points; “Teleport” hangs, he can open it however he wants.

“Then what do you think?!” The cold and proud young man hummed again.

“I think...” Xu Ming smiled very strangely and raised his slap at the same time.

“Huh?” For some reason, the Leng Ao young man had an ominous premonition; he always felt that when Xu Ming raised his slap, nothing good would happen.

At this moment, the palm shadow flashed!

clap clap...  
clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap clap...

More than ten Golden Crow Guards, including the Leng Ao youth, were slapped in the face – Xu Ming’s exclusive “forced slap in the face”, no one can stop it! ?

“You...” The cold and proud young man was stunned!

How could he have thought that he would be slapped in the face by a native of the Dust World who had just come to God’s Domain! And, it hits so loudly! -Although it doesn’t hurt, it’s a shame!

The dozen or so Golden Crow Guards were also stunned—they were the Golden Crow Guards! Xu Ming’s slap hit not only their faces, but also Jin Wuwei’s face!

In the Golden Crow City, someone dared to hit the Golden Crow Guard in the face?

This is to rebel!

“You...” The cold and proud young man pointed at Xu Ming.

Snapped!

“What are you!” Xu Ming raised his hand, another “forced slap in the face”! -Although this is only his demigod clone, but once the “forced face slap” is hung up, even if it is a god’s face, it can be slapped!

“What kind of sorcery is this?” The Leng Ao young man couldn’t understand why a demigod clone could slap them in the face.

“kill!”

“Kill him!”

At this time, more than ten Golden Crow Guards finally reacted from their shock, and they all surrounded Xu Ming with murderous aura.

call out!

Xu Ming teleported directly to the distance!

“Chase! Catch up!” The Lengao youth roared, “The energy storage of the teleport treasure is limited, I don’t believe it, he can teleport a few times! – Catch up and use up the energy in his teleport treasure!”

“Kill!!”

The dozen or so Golden Crow Guards turned around again and attacked Xu Ming again.

However, Xu Ming smiled disdainfully, and then...

shhhhhhhhhhhhh...

Like a rabbit hopping, it teleported into the distance and disappeared without a trace.

Everyone was stunned – he really ran faster than a rabbit!

The Golden Crow Guards looked at their boss even more: “Young Master Yu, didn’t you say that he can’t teleport a few times? Now...”

Now I can’t even see the figure, how can I chase it...

“Humph! He can’t escape!” The Leng Ao young man said coldly, “The Golden Crow City is under the jurisdiction of our Golden Crow Guard; no one can escape from my ‘Cheng Yu’! – and that Aboriginal, he has used so many teleports so recklessly; his teleport treasure must have not much

energy left... Find it for me! Even if you dig three feet into the ground, find it for me! I'll see him at that time. How to run!"

"right!"

"This kid dares to slap me, we must find him!"

All the Golden Crow Guards said in succession.

"By the way, Young Master Yu, what should he do?" Someone pointed at Wu Jian and asked.

"Yu... Young Master Yu..." Wu Jian smiled timidly and flatteringly – of course he could tell that this Young Master Yu was in a very bad mood right now!

The cold and arrogant youth "Cheng Yu" waved his hand and said, "I killed him directly! If it wasn't for him, I wouldn't have turned around and robbed me, and I wouldn't have been slapped! It's all his fault, and I'll be slapped!"

Cheng Yu directly counted the slap that was slapped on Wu Jian's head.

"Yes! If it weren't for him, how could we be slapped with so many people? – Kill!"

Chapter 826: Inventory The Loot

jump! jump! jump! jump! jump! ...

Xu Ming was like a rabbit, jumping and teleporting thousands of miles all the way, before he stopped.

You must know that the space of the gods is extremely suppressed, and the speed of the gods is greatly affected. Wanli, this is already a very long distance in the Divine Realm!

“It should be safe now, right?” Xu Ming secretly said, “Damn, when I first arrived in God’s Domain, I ran into a robbery! – Fortunately, I brought my first avatar to God’s Domain; otherwise, I’d be in trouble today. , maybe it will really be robbed!”

Why did Xu Ming bring his first avatar to God’s Domain?

There is a very important reason: the first avatar is only a demigod. Once you encounter an irresistible danger, you can run faster than a rabbit with “teleport” on!

However, Xu Ming didn’t expect that the front heel had just reached the God’s Domain, and the rear heel would actually need to open the “teleport” to escape.

“God’s Domain is dangerous, this is true!”

Xu Ming still didn’t know that Wu Jian was dead; otherwise, he would be even more emotional.

“Damn, I escaped this way, I used a lot of hanging points...” Fortunately, Xu Ming robbed all the different races before, and some of them were level 8 hanging points; just spend a little bit, and it won’t hurt.

However, it is one thing to feel distressed or not, and it is another to be forced to teleport to escape!

“Golden Crow Guard, dare to kill me...” Xu Ming narrowed his eyes slightly, with cold killing intent in his eyes, “That cold and arrogant young man, his father seems to be the commander of the Golden Crow Guard?—Humph! I don’t care whether you lead or not, When I get familiar with the environment of God’s Domain, I must make a good reckoning with today’s account!”

Of course, Xu Ming is not in a hurry to take revenge now; after all, he is completely smeared at the realm of the gods, and he doesn’t know anything! Moreover, it is not too late for a gentleman to take revenge in ten years!

“Ten years?” Xu Ming sneered in his heart, “It’s just a slaughter of the gods, why do you need ten years? – Just wait!”

“But...” Xu Ming looked at the surrounding environment, just like when he first entered the God’s Domain, surrounded by black mountains and bad waters, “The God’s Domain is really desolate enough!”

In fact, it wasn’t that God’s Domain was desolate, it was just that Xu Ming had not yet reached the prosperous place.

“Find a place first and count the spoils!” The spoils Xu Ming said was naturally the World Ring he snatched from the Golden Crow Guard “Cheng Yu”.

The original owner of this world ring was Wu Jian who showed off his wealth in front of Xu Ming.

However, things are unpredictable! – Wu Jian, who showed off his wealth, was robbed of all his belongings as soon as he arrived in God’s Domain, and he even died in a foreign country; while Xu Ming “take over” Wu Jian’s entire net worth.

call out-

Xu Ming “switched” back to the No. 2 clone and flew rapidly through the dark mountains and forests. Soon, he discovered a dark cave in the mountains.

“Just here!” Xu Ming flashed and entered the dark cave.

In God’s Domain, spiritual power is suppressed very much, and the coverage distance is very small. Xu Ming hid in the dark cave. Unless someone came near the cave, he could not be found at all.

Xu Ming took out the “captured” world ring, refining it instantly, and infiltrated his spiritual power.

Seeing this, Xu Ming was stunned for a moment: “What can I do? That Wu Jian is really rich!”

Xu Ming took a look and saw more than 5,000 divine stones, dozens of divine artifacts, and many other strange objects in the world ring.

“I heard Wu Jian say that he spent hundreds of millions of years in the dusty world in his hometown, and he worked hard to explore a ruin before he harvested these treasures...” Xu Ming just wanted to say – that Wu Jian, also What a hardworking little bee!

Wu Jian worked so hard to collect “honey” for hundreds of millions of years, and now Xu Ming has taken it all in one pot.

“First, replace the \*\*\*\* stone with a hanging point!” Xu Ming is in urgent need of a level 9 hanging point! – If there was a hang-up point, Xu Ming really didn’t have to flee just now; maybe, he would just pull out his big gun and fight with the group of Golden Crow Guards!

Swish!

The more than 5,000 divine stones in the world ring disappeared in an instant, and were converted into more than 5,000 points for level 9 hanging points!

“Finally there is a hang point! My No. 2 clone can also hang up!” Xu Ming was very excited, he really wanted to run back to the group of Golden Crow Guards to fight!

However, Xu Ming is still sensible, knowing that it is not a wise move to have a head-on conflict with Jin Wuwei when he is new to the scene.

“Don’t worry! Let him live a few more days!”

Moreover, Xu Ming is sure that the other party will definitely come to him – after all, the other party mistakenly thinks that he has some “teleportation treasure” on his body, and he will definitely not be reconciled if he doesn’t come and take it away!

...

Xu Ming guessed right.

Beside the lead formation, after beheading Wu Jian, Cheng Yu directly ordered: “Go! Search the entire Golden Crow City area! I don’t believe it, I can’t find him!”

“Young Master Yu.” You Jin Wuwei asked, “Would you like to call some more brothers to come over and help you find it?”

“No! Don’t shout!” Cheng Yu directly vetoed, “The existence of teleportation treasures is of great importance; if there are too many people, it is easy to leak rumors! – Remember, only those of us know about this matter. , must not be leaked out! Otherwise, military law will deal with it!”

“Yes!”

“Yes!”

One by one the Golden Crow Guards are all serious.

Cheng Yu continued: “The kid who first came to God’s Domain will definitely not be able to run far, and it is impossible to run out of our Golden Crow City! – As long as we put in more effort, we can definitely find him! When we find it, I will give it to my brother. Each of us, remember a great achievement!”

“Young Master Xie Yu!”

“Thank you, Young Master Yu!”

More than a dozen Golden Crow Guards even thanked him, but also worried: “Young Master Yu, you said, when we find that kid, will he use the teleportation treasure to escape?”

“Impossible!” Cheng Yu said with great certainty, “It’s very difficult to teleport treasure’s energy storage! That kid must have used up his energy storage just now with a random teleportation! – As long as we find him, we will absolutely It’s easy to catch!”

“Young Master Yu is wise!” A group of Golden Crow Guards hurriedly flattered.

“Humph!” Cheng Yu snorted smugly That kid dares to slap us, and when I catch him, let’s see how I deal with him! ”

Cheng Yu gritted his teeth with hatred.

You know, he is so big that even his father is reluctant to slap him!

...

In a dark cave.

Xu Ming did not spend much time to count the spoils.

“Those who can change the hanging point have already been replaced. There are about 7,000 level 9 hanging points in total.”

With so many hanging points, Xu Ming finally felt a little “safe”!

“Now, once the ‘Invincible Combat Strength System’ is activated, no one can knead me! – I just arrived in God’s Domain, and I stood on my heels so quickly, not bad!” Xu Ming nodded secretly.

Then, Xu Ming looked at the artifacts in the world ring that could not be exchanged for hanging points: “Dozens of artifacts...enough to arm my two clones with jewels!”

Chapter 827: Natural Luck

When Xu Ming’s “Ancient Cultivation clone” walked out of the cave, he was covered in jewels and dazzling.

Of course, Xu Ming didn’t have the artifact teeth equipped; after all, Xu Ming didn’t have the habit of biting people, so he wouldn’t be able to use it if he was equipped.

“Uh... won’t this be too high-profile?”

Xu Ming remembered Wu Jian’s high profile showing off his wealth, and immediately put all the golden treasures on his body into the world ring for the time being.

Anyway, these artifacts have already been refined, and when Xu Ming encounters a battle, he can call it out and use it at any time.

“Walking in God’s Domain, you still have to keep a low profile!”

Xu Ming looked around the surroundings: “First, we have to find a way to find a place where there are people and learn about God’s Domain!”

...

Within the jurisdiction of the Golden Crow City, there are many forces, either overt or covert.

The most powerful forces, of course, are all within the Golden Crow City, such as the Golden Crow Guard and the City Lord’s Mansion.

The forces outside the Golden Crow City are generally relatively weak. Because only those “poor gods” who could not afford to live in the city would choose to settle outside the city.

Xu Ming flew for a day, and finally saw the human trail; oh, no, the “magic” miracle! —This is a bunch of odd-shaped buildings surrounded by mountains, it looks like a quiet mountain village.

“Uh... the gods of the gods live in this kind of place?” Xu Ming didn’t bother to care about this issue, anyway, it’s good to meet “people”!

Only someone can ask some questions about God’s Domain. Otherwise, Xu Ming would have no way of understanding God’s Domain.

Just as Xu Ming was about to fly over, he saw that from the other direction, two gods in blood-colored armor flew up to the top of the small mountain village with murderous aura.

“Huh? There seems to be something wrong with the atmosphere!” Xu Ming did not rush forward, but quietly lowered his body to observe the situation secretly.

“Everyone in Mohezhuang, get out of here!” One of the gods in blood-colored armor rolled over the small mountain village below in a mighty manner.

Soon, Xu Ming saw that one \*\*\*\* after another flew out from the small mountain village below—there were over a hundred!

“Over a hundred gods...” Xu Ming was really stunned.

On the Endless Continent, the gods are rare to see, and it is unknown how many generations will there be one! And in the realm of the gods, in any small mountain village, hundreds of gods can appear casually?

“God’s Domain, it really is ‘the gods are as many as dogs’...” Xu Ming couldn’t help but sigh.

At this time, Xu Ming saw a dark-skinned strong man with a giant axe on his back, flying to the front of the crowd, and bowed his hands humbly: “Two adults from Blood Sword Village, may I ask, do you have any orders?”

“Mohe!” said the blood-colored armored \*\*\*\* who had just shouted.

“Master Leng Ran!” The giant axe man, Mo He, said cautiously.

The blood-colored armored \*\*\*\* said coldly: “There should be one more person in your Mohezhuang? Why didn’t you come out?”

Mo He glanced back, and immediately confirmed that there was indeed one missing.

He said coldly: “Go, bring her out! Today, we are only here for her, and have nothing to do with the rest of you!”

“Father, you can’t!” Behind Mo He, a young man who was obviously a little thinner, even said privately. This young man is Mohua, the only son of the owner of Mohe Village, “Mohe”.

“Shut up!” Mo He glared at his son and said in a voice, “If you don’t hand her over, do you want the whole village to suffer?”

“But...”

Mo Hua wanted to say something, but was immediately interrupted by his father: “In God’s Domain, there are many women! Don’t harm our entire Mohe Village for one woman!”

“Bring Sisi out!” Mo He ordered.

“Yes!” Immediately, several gods were ready to rush down to find someone.

However, before they could rush down, a figure in white rushed out of the small village.

Xu Ming saw that this woman in white had a beautiful face; people could not help but feel pity when they saw it.

At this moment, there was a hint of despair in the eyes of the woman in white “Han Sisi”.

“Sister, where are you?” Sisi cried out in her heart.

She and her sister, after cultivating to become gods in the world of dust, came to the realm of the gods together. But I didn’t expect that God’s Domain is extremely dangerous – her younger sister was kidnapped not long after she came to God’s Domain; and she was about to be taken away by Blood Sword Village, no one could save her!

“I thought that if I joined Mohezhuang, I should be able to get shelter! But... in the face of the powerful Blood Sword Village, Mohezhuang did not dare to resist...” Sisi felt extremely bitter.

God’s Domain is much bloodier than Mote World; its strength is not as good as that of human beings, so it can only be slaughtered by others.

“Come out? You are conscious!” The blood-colored armored \*\*\*\*\* said “coldly”, “Then just follow me honestly! Don’t let me be rough!”

Sisi desperately glanced at the hundreds of gods in Mohe Village. Although most of these gods only understood one way of heaven and were weak, but if they could join forces, they would never be afraid of the two bandits from the Blood Sword Village. !

It's a pity that even the owner of the village, Mo He, was frightened by the reputation of the Blood Sword Village, and he didn't dare to resist at all.

At this moment, in Sisi's desperate eyes, she was extremely determined: "Humph! If they want to \*\*\*\* me at that time, even if I die, I won't let them succeed!"

Xu Ming looked at it from a distance, and a trace of doubt gradually appeared in his eyes: "The temperament of this 'Sisi' seems to be very special..."

As for what was special, Xu Ming couldn't say.

However, I can't say it's okay, Xu Ming now has a level 9 hang point, and he can open a "probe" hang!

"Xiaohang, help me find out what is different about this Sisi!"

Xiao Hang said: "Exploration requires a thousand points and a 9-level hanging point!"

"One thousand points!?" Xu Ming was shocked!

A thousand points and a 9th-level hanging point That is a thousand divine stones! -Is it too expensive?

Xu Ming can clearly remember that in order to collect a few hundred points to kill Erke at level 9, he did not hesitate to risk being "titled"! Therefore, Xu Ming even, the 9th level hanging point is not easy to come by, so don't spend it casually!

However, just to investigate Sisi, you need a level 9 hanging point; you can see how amazing the secrets of Sisi are!

Xu Ming gritted his teeth: "Explore!"

One thousand points were deducted from level 9 hanging points, and soon, the results of the investigation came back: "This person is a \*\*\*\*\* of the 'Fortune School'!"

“The luck school...” Xu Ming pondered, “I heard that the practitioners of the luck school are very rare and rare! But just like this, it’s not worth using 1,000 points of 9-level hanging points to investigate, right?”

Xiaohang continued: “More importantly, this person is a genius of great luck!”

Naturally lucky?

Of course Xu Ming had never heard of it: “What is a person born with great luck?”

Chapter 828: Let Go Of That Girl

“Those who are born with great luck are born with great luck! Moreover, what is even more terrifying is that the luck between heaven and earth will continue to converge on them!” Xiaohang explained, “Those who are born with great luck, even if they don’t need to practice. , the strength will continue to improve; it is easy to make the ‘air flow genre’ become a god!”

“So perverted!?” Xu Ming was stunned.

I have to say, God is really unfair!

No matter how many geniuses, cultivating exhaustively, they still can’t become a god. As for those who are born with great luck, they don’t have to do anything, just lie down and sleep, and they can become gods...

Compared with people, people will really be \*\*\*\*\* off!

but...

Xu Ming couldn’t help but say: “This person born with great luck, her luck doesn’t seem to be very good... Judging from her appearance, she will be forcibly taken away soon; the future fate is so hard to guess!”

Xiao Hang said: “Everything in the world has advantages and disadvantages! Those born with great luck will continue to gather the luck of heaven and earth and continuously improve their strength; but, sometimes, heaven and earth will bring them some irresistible ordeals!”

“Trouble?”

“Yes!” Xiao Hang said, “If you pass the tempering, you will become more dazzling! If you can’t pass, then...the body will die!”

“Uh...” Thinking about it this way, Xu Ming found out that those with great luck are really pitiful!

Although it will continue to gather the fate of heaven and earth, it will also suffer some irresistible ordeals! – It is said that it is irresistible. Do you think it is very likely that a person born with great luck will pass through?

very small!

Basically, almost all born with great luck will not die in the end! – This is a balance between heaven and earth.

“It’s actually like this...” Xu Ming was surprised, “For example, Sisi in front of me, I’m afraid it will be difficult to pass this ordeal, right?”

“No!” Xiaohang said very firmly, “She can definitely get through this ordeal!”

“Why?” Xu Ming couldn’t help asking.

“Because... you will definitely shoot!” Xiaohang said directly.

“Uh...” Xu Ming was speechless, “I’m not sure yet!”

Xu Ming is really not sure whether he should come to a hero to save the beauty. After all, this person born with great luck, although his face is extremely beautiful and pitiful; but... what does this have to do with Xu Ming?

have a finger in the pie?

Still no business?

Xu Ming was still hesitating.

“Don’t hesitate!” Xiaohang said, “I’ll tell you a little bit more information! – Bring the natural fortune person with you, and your own luck will be changed, and good things will happen again and again! There are enough of them; even if you don’t need to practice, you can become a \*\*\*\*\* in the ‘Qi Luck School’!”

The luck genre is such a miraculous and perverted genre!

“What!? There is such a good thing?” Xu Ming’s eyes lit up!

Not much to say – help! must be saved! In any case, you must save this “Sisi” to your side to support.

“Don’t come with us!?” The two bandits from the Blood Sword Village shouted coldly.

Sisi glanced at everyone again with hope, but no one dared to stand up and say a word. Immediately, Xiyi’s eyes went out, and turned into endless despair – into the hands of bandits, who knows what will happen!

“It’s time for me to debut, Brother Ming!” Xu Ming arrogantly said to himself, “Xiaohang, help me find out the strength of these two blood-colored armored gods!”

Know yourself and the enemy, and you will be safe in a hundred battles!

These two ordinary gods don’t cost much to investigate.

Soon, Xiaohang responded: “These two people are ordinary ‘Heavenly Dao School’ gods; both have three Heavenly Dao comprehension, reaching the level of God! However, they have not yet embarked on the road of Heavenly Dao fusion!”

Haven't started "Heaven and Dao Fusion" yet?

Xu Ming murmured: "Then the strength of these two blood-colored armored gods is not much stronger!"

Xu Ming estimated that the other party would not be much stronger than himself.

call out!

Xu Ming no longer hesitated, and in a flash, he rushed towards the two blood-colored armored gods. While rushing over, he shouted arrogantly: "The two \*\*\*\* of the Blood Sword Village, let go of that girl, kind of come at me!"

"Um?"

Xu Ming's shining appearance really attracted the attention of the two blood-colored armored gods.

"Damn it! I thought he was a super expert, dare to run out and meddle in his own business!" Leng Ran immediately scolded, "So, it's just a cat and a dog!"

With cold eyesight, of course, it can be seen that Xu Ming's aura is not very strong, and his strength is not expected to be strong.

Indeed – although Xu Ming is a \*\*\*\* of the "Ancient Cultivation School", his strength is slightly stronger than that of the "Heavenly Dao School" practitioners of the same level; however, it is not much stronger!

But... Brother Ming has hung up!

Once the "Invincible Combat Power System" is activated, how many times the combat power is, whatever Brother Ming has the final say! – Of course, the premise is that Xu Ming has enough hanging points!

Although Xu Ming only has a few thousand level 9 hanging points, it is more than enough to deal with two minions!

“A cat or a dog?” Xu Ming’s eyes narrowed slightly, and a trace of killing intent flashed – dare to call me a cat and a dog?

“You guys get out now, I can spare you!” Xu Ming was rarely arrogant once.

“Hahaha...” He smiled coldly, and laughed wildly, “What joke did you tell just now? Tell me again!”

Another blood-colored armored deity “Wei Hong”, although not as exaggerated as “Leng Ran”, the sarcasm in his eyes is also very strong.

The more than 100 gods in Mohe Village were startled for a while, and then they couldn’t help but laugh softly – laughing at Xu Ming’s ignorance!

“Ha! Where is this stupefied young man who dares to run out as a hero to save the beauty?”

“Dare to even manage the affairs of Blood Sword Village, this kid’s brain doesn’t seem to be very easy to use!”

There was a strong sarcasm in Mo He’s eyes: “Look, this kid dares to be arrogant in front of the Blood Sword Village, he will surely die!”

Even Xu Ming’s rescue target “Sisi” couldn’t help but persuade him kindly: “This strong man, I am very grateful that you can draw a sword to help you; however, the blood sword village is powerful, you should run away quickly!”

“I’ll go!” Xu Ming was speechless – he rarely jumped out of the hero to save the beauty once, but he was despised to the ground...

but...

“Being despised”, Xu Ming has experienced too much!

He also knows that all he needs to do now is to speak with his fists!

“I’m sorry I only said it once!” Xu Ming stared at Leng Ran and Wei Hong, “If you rolled fast enough just now, you would have saved your life! But you have to court death. ,Then there’s no way...”

call out!

Xu Ming held one, and the magical “ice gun” appeared in his hand!

Leng Ran was stunned for a moment, and then seemed to have seen something extremely funny: “Show your weapon? How dare you show your weapon in front of my Blood Sword Fortress? Hahahahaha... I really laughed at me, hahahahaha...”

Xu Ming’s eyes were cold: “Then you can die of laughter!”

boom!

The invincible combat power system, “100 times the combat power”, is on!

boom! !

Xu Ming’s speed was so fast that with just one shot, he was blasted so coldly that there was no \*\*\*\* left!

A hundred times the combat power, how can it be underestimated? Leng Ran was completely annihilated in particle form, and he couldn’t die any longer!

Chapter 829: Lucky Baby

Spike!

Absolute spike!

All the laughter at the scene stopped abruptly. Everyone’s eyes widened, and they looked at Xu Ming in disbelief – with just one shot, Leng Ran was instantly killed...

You know, Leng Ran has three Heavenly Dao comprehension that has reached the level of the gods; using the strength measurement system of the realm of the gods, it is already a “two-star” level existence, and it is barely considered a master!

However, this master couldn’t even hold Xu Ming’s gun.

So, how strong will Xu Ming be?

I’m afraid it is at least the “two-star” peak, right?

The eyes of everyone looking at Xu Ming have all changed, some are frightened, some shocked, some are stunned, some are... gloating.

“A person who dares to kill the Blood Sword Village, even if he is a two-star peak existence, or even a three-star existence, he will not be able to escape the pursuit of the Blood Sword Village!” In the depths of Mo He’s eyes, a very obscure gloating flashed, “But... I will definitely Find a way to keep him in Mohezhuang, and don’t let him go. Otherwise, once the masters of Blood Sword Village come and kill him, but they can’t find him, we, Mohezhuang, will suffer!”

Sisi was completely stunned, so shocked that she didn’t know what to say: “This...”

“You...” Wei Hong was stunned for a while, before showing panic, pointing at Xu Ming and saying, “How dare you kill the people from our Blood Sword Village!?”

“Aren’t you stupid?” Xu Ming couldn’t help sneering, “I killed everything, do you think I would dare to kill? – If I were you, I would definitely not stand here and talk nonsense, I would definitely run as far as possible. Far!”

“Huh!?” Wei Hong was stunned for a moment, but then he reacted—yes! Don’t run away, wait to die?

call out-

In an instant, Wei Hong turned into a stream of light, escaping into the distance.

Xu Ming looked at the direction Wei Hong was leaving, and a sneer appeared on the corner of his mouth: “But... I don’t want to let you go!”

The invincible combat power system, “100 times the combat power”, is open again!

boom!

In an instant, Xu Minghua, as a faster streamer, caught up.

“So fast!” Wei Hong was frightened and frightened, “Don’t kill me! Don’t kill me! – If you dare to kill me, our Blood Sword Village will definitely not let you go!”

“Hehe!” Xu Ming smiled disdainfully, “I won’t kill you, you Blood Sword Village, can you let me go?”

“Yes! Yes!” Wei Hong nodded again and again, “I promise, after I go back, I will never say that you killed Leng Ran! I promise!”

“But... I don’t believe your guarantee!” Xu Ming showed a sneer, “Also, as long as you are dead, how will the Blood Sword Village know who killed you?”

“No—” Wei Hong was terrified.

boom!

Another stunning spear flashed past, Wei Hong, die!

“Another spike!” Hundreds of gods in Mohe Village were shocked.

They are more and more certain that Xu Ming is a master, at least at the peak of “two stars”, and maybe even at the level of “three stars”!

“Humph!” Xu Ming put away Wei Hong and Leng Ran’s treasures.

These two shots of his seem to be an understatement, but both of them have turned on the “hundred-fold combat power”!

You must know that the combat power bonus of the “Invincible Combat Power System” can only maintain one blow! In the two shots just now, Xu Ming fired twice, consuming two hanging points!

Fortunately, the “one hundred times” combat power did not consume a lot of hanging points; with Xu Ming’s current strength, he only needed 100 points of level 9 hanging points at a time.

“After this battle, there should be a little profit, right?” Xu Ming opened Leng Ran and Wei Hong’s world rings with anticipation.

Then, Xu Ming was dumbfounded: “I rely on it? Apart from the artifacts and treasures, there are only 90 divine stones combined by the two of them? – Isn’t the Blood Sword Village a bandit in the God’s Domain? This bandit is too poor, right?”

Spend 200 points for level 9 points, but only earn 90 points for level 9 points – a loss!

“However, their artifacts and treasures should also be worth a little bit of hanging. It’s barely worth it!” Xu Ming secretly said.

At this time, Mo He flew forward with a flattering face, and looked at Xu Ming ingratiatingly: “This... this...”

When he opened his mouth, Mo He found that he didn’t know what to call Xu Ming. After thinking for a while, he learned the name Sisi used to call Xu Ming, and said with a flattering smile: “This strong man, dare to ask your honorable name?”

“Pfft!” Xu Ming almost vomited blood – a strong man like Mo He called himself a “strong man”, Xu Ming always felt strange.

“Xu Ming!” Xu Ming reported his name directly, without deliberately concealing his name – after all, his name was completely worthless in God’s Domain, and there was nothing to hide.

“Then I’ll call you Boss Xu Ming?” Mo He asked for a relationship as soon as he came up, “Boss Xu Ming, you see, you are so strong, can you join our Mohe Village and lead our Mohe Village?”

join in?

lead?

However, Xu Ming’s impression of this Mohe was not very good: “Your name is Mohe, right? – You don’t care about the two bandits who want to loot your Mohe Village?”

“Boss Xu Ming, I can’t help it...” Mo He smiled bitterly, “People from Blood Sword Village, how dare I resist...”

“So, you gave her away?” Xu Ming pointed at Sisi.

When Xu Ming first came to God’s Domain, he did have a lot of information he wanted to know. However, Xu Ming was really not interested in joining a force like Mohezhuang that had no blood or affection.

“It’s also for survival...” Mo He said helplessly.

“Ha!” Xu Ming sneered disdainfully, “I’m not interested in knowing whether you are here for survival or what; as for joining your Mohezhuang, I’m even less interested! However, I plan to stay with you for a while, Do you have an opinion?”

The reason why Xu Ming intends to stay for a while is that he wants to take the opportunity to learn about the Divine Realm, and the second is that he wants to fool Sisi over – after all, according to Xiaohang, Sisi is a “lucky baby”! Take it with you, you can add luck!

At this time, Sisi also recovered from the shock; she flew forward with some restraint: “Brother Xu Ming, thank you...”

Xu Ming showed a bright smile: “Call me ‘Brother Ming’!”

Xu Ming has already investigated, this Han Sisi has a good character in all aspects; if the other party wants, he can keep him by his side to boost his luck. Of course, if the other party is unwilling, Xu Ming will not force it.

“Yes Brother Ming!”

...

That night.

Mohe Village, Mohe’s residence, only Mohe and his son Mohua.

Mo He carefully propped up the formation barrier and whispered to his son, “Mo Hua, you rushed to the Blood Sword Village overnight and told them what happened today!”

In God’s Domain, space suppression is too strong; even long-distance communication has become extremely difficult. Therefore, communication basically relies on roaring.

“Ah?” Mo Hua was startled, “Isn’t this a self-inflicted snare? – As long as we don’t say it, Blood Sword Village may not know that Leng Ran and Wei Hong died here!”

“The Blood Sword Village may not know it, but it may be known! – If the Blood Sword Village knew, their two brothers died here with us; and at that time, Xu Ming had already left, wouldn’t our Mohe Village suffer?” Mo He shouted in a low voice, his tone was cold, “And... that Xu Ming, who dared to refuse to join our Mohe Village, he will die! – It’s not too late, let’s go! Otherwise, it will be too late when Xu Ming finds out that the abnormality is gone. It’s gone!”

Chapter 830: Yan Yan Continent, Chi Lie Mansion

At this time, Sisi’s residence.

Xu Ming and Sisi were alone in the same room.

Sisi’s mood at the moment is very nervous.

She originally just politely invited Xu Ming, the savior, to come in for a cup of tea. As a result, Xu Ming really came in unceremoniously...

Sisi was nervous, sweat dripping from her palms, and her heart was even more and more ups and downs: “Will he make some excessive demands on me? What should I do, or not?”

Because she was too nervous, Sisi didn’t even dare to look directly at Xu Ming, and didn’t know what to say.

“But...” Sisi’s cheeks couldn’t help blushing, “Brother Ming is really handsome...”

In the world of gods, handsome, of course, not only refers to appearance. In fact, the gods take the external appearance very lightly; because, with the means of the gods, they can easily change their appearance.

For the gods, the inner temperament is more important!

In Divine Realm, if there is only external appearance, but no inner temperament; then, with the aesthetics of Divine Realm, this is ugly!

Ugly!

Xu Ming’s appearance is actually quite ordinary; however, Sisi’s evaluation of Xu Ming is... very handsome!

“Sisi.” Xu Ming pointed to the stool beside him, “Don’t stand there, sit!”

Sisi’s body trembled: “Brother Ming, I can just stand!”

“Tell you to take a seat!” Xu Ming raised his voice and deliberately made a displeased look, “I have something to talk to you about!”

“Ah? Yes...” Sisi sat down cautiously, thinking—Brother Ming wants to talk to me about something? However, what can a master like Ming ge talk to me about?

After thinking about it, I feel that there is only one thing to talk about, and that is... the matter of men and women!

“What if...then what should I do...” Sisi’s deer was jumping around.

“Sisi!” Xu Ming looked at Sisi kindly.

“Sure enough!” Sisi couldn’t help but be startled again – she remembered that the “kind look” when the perverts she met in the past tried to plot against her.

actually...

Sisi thinks too much!

Brother Ming is a family man! He came to Divine Realm to find Yin Ran, not to pick up girls!

“Brother Ming, what’s the matter?” Sisi said cautiously as the deer rammed in her heart.

“I have something to ask you!” Xu Ming said, “Do you know much about God’s Domain?”

“Ah?” Sisi was stunned, she had thought that Xu Ming would ask her “Would you like to be my concubine” or something.

“Just ask that?” Sisi couldn’t help asking.

“Yeah! Is there a problem?” Xu Ming was really eager to know some information about God’s Domain. After all, his understanding of God’s Domain is really too little.

Moreover, all the information Xu Ming knew about God’s Domain was told to him by Wu Jian! – And Wu Jian seems to be “Knowledge of all things in God’s Domain”, and he seems to know God’s Domain very well; however, he has never been to God’s Domain. Moreover, Wu Jian was robbed and killed as soon as he came to God’s Domain!

Therefore, Xu Ming couldn’t believe what Wu Jian said about God’s Domain.

“Cough! No! No!” Seeing that she thought too much, Sisi couldn’t help blushing embarrassedly.

“What’s the matter? Do you want to drink water?” Xu Ming couldn’t help but look at Sisi in confusion—could it be that gods cough so easily?

“No, Brother Ming!” Sisi said, “Brother Ming, why do you ask me this question? – I’m in God’s Domain, I’m just a small person, how much can I know about God’s Domain?”

“Just tell me how much you know about God’s Domain!” Xu Ming said.

After thinking for a while, Xu Ming added: “I just came to God’s Domain, and I don’t know anything!”

“Ah!?” Sisi was shocked, “Brother Ming, you just came to God’s Domain? How is that possible! Your strength...”

“I have a little chance, so my strength is relatively strong!” Xu Ming said, “This point, you just need to know, don’t spread it!”

“Ah... yes!” Sisi said.

“Tell me how much you know about God’s Domain!” Xu Ming said.

“Yes! Brother Ming!” Sisi calmed down the shock in her heart, organized her words, and said, “I don’t know much about God’s Domain, but as far as I know, God’s Domain is divided into seven continents and two seas! ”

“Seven continents? Two seas?”

“Yes!” Sisi said, “Each of the seven continents is vast and endless; even a \*\*\*\* can hardly travel to any continent! And the two seas are far bigger than the seven continents!”

Sisi continued: “The seven continents are: Yanyan Continent, Golden Gang Continent, Sanctuary, Houtujie, Taiyin Continent, Extreme Day Continent, and Thunder Continent; the two sea areas are

Shura Sea and Storm Sea! – We The current location is Yanyan Continent, Chile Palace, and the jurisdiction of Jinwu City!”

“Yanyan Continent, Chile Mansion?” Xu Ming was curious.

Sisi explained: “Each continent in the Divine Realm is divided into many ‘fu’; as many as hundreds or as few as tens! And each government city leads many cities! – Our Golden Crow City is Chile. A small town under the command of the government!”

“So it is...” Xu Ming roughly formed a map of God’s Domain in his heart.

“So Sisi, have you heard of the ‘Holy Emperor City’?” Xu Ming asked expectantly.

The Holy Emperor City is the city where Yin Ran is located! Yin Ran’s father is the city lord of the Holy Emperor City!

“Saint Emperor City?” Sisi thought hard in her mind, and finally shook her head, “I haven’t heard of it, maybe it’s not the city under the command of Chile Palace...”

“Alas...” Xu Ming sighed – as expected, it was quite difficult to know Yin Ran’s location!

Xu Ming also tried to use “exploration” to probe, but he simply didn’t have enough hang points to detect Yin Ran’s position.

“But...” Sisi said again, “I heard that there is a place called the ‘Holy Emperor’s Palace’ in the Golden Crow City. I wonder if it has anything to do with the Holy Emperor City you asked about, Brother Ming?”

“Holy Emperor Palace...” Xu Ming remembered, “When I go to Golden Crow City in the future, I will ask someone to ask!”

Sisi said: “The experts in Golden Crow City are like clouds, I think, someone must have heard of this place in Holy Emperor City!”

“Um!”

...

Chatting and chatting Suddenly, Xu Ming felt that a figure had left Mohe Village.

“This is... Mo He’s son Mo Hua?” Xu Ming frowned slightly, “Where is he going?”

However, Xu Ming didn’t care too much and continued to chat with Sisi.

“Sisi, why did you join Mohe Village?” Xu Ming asked curiously.

“There’s no way...” Sisi said, “A weak \*\*\*\*\* like me, if you don’t join one of the forces, you can’t survive in God’s Domain!”

“Then why don’t you go to Golden Crow City?” Xu Ming asked.

Sisi sighed: “If I want to live in the Golden Crow City, I need to pay the \*\*\*\*\* stone every year. I... can’t afford it...”

“Forehead...”

The rules of survival in God’s Domain are much more cruel than those in the world of dust! Even if it is a god, if the strength is slightly weaker, it is difficult to survive here.
