Chapter 881: Contending

“200 million divine stones!”

As soon as the old man Tianxin finished speaking, there was a vigorous voice bidding.

This majestic voice came from the exclusive VIP room of the Golden Crow Guard. After the owner of the voice quoted the price, he directly registered his account number: “This person born with great luck, I ‘Cheng Chong’ is determined to win, I hope everyone will give me some thin noodles!”

Cheng Chong!

This name caused quite a stir in the auction venue. Because in the Golden Crow City, the word “Cheng Chong” is too loud!

The Golden Crow Guard Commander – Cheng Chong!

A ten-star **** with terrifying strength!

In the entire Golden Crow City, Cheng Chong is standing at the top!

At this time, there were only two people in Cheng Chong’s VIP room. One is Cheng Chong, and the other is the master of karma invited by Cheng Chong—the real master of Qidao!

Qi Dao Zhenren’s strength is even more terrifying than Cheng Chong! Because, Real Master Qidao has surpassed the ten-star level by comprehending the “causal order” and stepped into the “silver moon level”!

Cheng Chong invited the real person Qidao to come, just to ask the other party to take action to investigate the cause of death of his son “Cheng Yu”!

Of course, Qi Dao Zhenren did not do it in vain.

“Cheng Chong!” Qi Dao Zhenren stroked his goatee, and the other hand was slowly fanning the feather fan, a pair of immortal style bones, “My requirements are not too high, you take a picture of this born with great luck. Come down and give it to me, and I will help you set up a karma formation to investigate your son’s death!”

“Shenzhen Qidao!” Cheng Chong said sternly, “Don’t worry, I will definitely get this person born with great luck! If anyone dares to argue with me, even if I use tens of millions of Golden Crow Guards, I will grab it!”

Real Master Qidao sneered softly: “Your tens of millions of Golden Crow Guards are nothing but a joke in my eyes! I can break it with a single fan!”

“Shen Qidao, how can we be compared with you...” Cheng Chong smiled.

The silver moon level is an existence that completely surpasses the ten stars!

In particular, this real person of Qidao is good at cause and effect; if he does it, he really kills the invisible! – Even if Cheng Chonggui was the commander of the Golden Crow Guard, he would not dare to offend him easily; otherwise, he might not even know how he died!

The attack method of the cause and effect is the most bizarre and unpredictable!

...

Cheng Chong’s bid apparently stunned many people.

In other words, it was the name “Cheng Chong” that stunned many people.

Those nine-star gods and even ten-star gods who wanted to participate in the auction couldn’t help but hesitate after hearing Cheng Chongman’s threatening words – after all, the power of the Golden Crow Guard is too great! Commander Cheng Chong is even more difficult to mess with!

“Hahahaha...” A savage laughter sounded from another VIP private room, “Cheng Chong! The auction has just started, so you put such cruel words? – Is it because you don’t have many **** stones on your body, so you use this trick on purpose? what!?”

The identity of the owner of this arrogant laughter is naturally not simple, but... “Lu Shuai”, the young city owner of Golden Crow City!

Others are afraid of Cheng Chong, but he is not afraid of Lu Shuai! —Because his father, the city lord of Golden Crow City, is a Silver Moon-level existence! Moreover, the strength is likely to be higher than the real person of Qidao!

Lu Shuai, the crown prince, is naturally not afraid of heaven and earth in the Golden Crow City!

“Lu Shuai, don’t you mix things up blindly?” Cheng Chong was a little unhappy – the Golden Crow Guard and the City Lord’s Mansion were actually not quite right. If the person who came to the auction today was the city lord, then Cheng Chong would not dare to be presumptuous; however, today the city lord did not come, only Lu Shuai, the young city lord, came, and Cheng Chong didn’t have so much fear!

“Blindly mixing?” Lu Shuai’s voice became cold, “What, Cheng Chong? Only you are allowed to auction, not me!?”

Cheng Chongwohuo said: “I photographed this born with great luck, it’s useful! What’s the use of taking pictures of it?”

“I...” Lu Shuai smiled and said, “I think the luck of our City Lord’s Mansion is not strong enough. We took a photo to suppress the luck, what’s wrong? – 250 million divine stones!”

“You...” Cheng Chong was angry and helpless.

He can’t help this dandy young city lord!

With Lu Shuai taking the lead, the others who wanted to auction were no longer polite and bid.

“Two hundred and sixty million!” The price quoted was the “ascetic”, a well-known Qi Luck cultivator within the jurisdiction of the Golden Crow City.

However, ascetic people are not born with great luck; now, they have also encountered a huge bottleneck when they have cultivated to the ten-star gods. For a long time, the ascetic has wanted to “devour” a born with great luck in order to break through to the silver moon level!

“Two hundred and seventy million!” The next quote was “Danchen Mountain Lord”.

Danchen Mountain Master is good at alchemy; however, alchemy is actually a “work of luck” – with good luck, once the alchemy furnace is opened, the furnace is full of top-quality medicinal herbs;

Therefore, Danchen Mountain Master naturally attaches great importance to his own luck; he has always wanted to buy a natural air luck person and bring it with him to increase his own luck!

With high luck, his success rate in alchemy will definitely increase in the future.

“Twenty-eight million!”

“Twenty-nine million!”

...

There were constant voices coming from the various VIP private rooms.

The “treasures” of this level are auctioned, and those who participate in the competition are all gods in the VIP area. As for the gods in ordinary areas, it is basically impossible for anyone to buy them.

...

“Brother Ming...” Sisi watched nervously, her two pink fists clenched tightly.

“No hurry!” Xu Ming said lightly, “Right now, it’s just a test by all parties! The real auction has not yet started!”

Xu Ming planned to wait and see for a while; he would take another shot when all parties had tested it out.

“Yes...” Sisi replied.

Immediately, Sisi quietly voiced Xu Ming with some anxiety: “Brother Ming, you... how many divine stones are there!”

She was worried that Xu Ming’s divine stone would not be enough for auction.

Xu Ming stretched out a finger and said, “More than one billion divine stones!”

“Hey—” Sisi couldn’t help taking a deep breath.

Although she already knew that Xu Ming’s wealth was exaggerated, she only thought that Xu Ming only had five or six billion divine stones at most; how could she have thought that Xu Ming had more than one billion divine stones!

“How on earth did Brother Ming get so many divine stones...” Sisi couldn’t imagine.

What made Sisi even more shocked and speechless was that every transaction of Brother Ming was made in front of her. She has gone through so many transactions with her, but she doesn’t even know that Brother Ming has accumulated one billion divine stones!

“One billion divine stones, I should be able to photograph my sister...” Sisi felt that she really couldn’t repay Brother Ming!

After all, if Xu Ming didn’t help her auction, hundreds of millions of divine stones could be saved! If Xu Ming sold her again, it would be hundreds of millions of divine stones! – In other words, Xu Ming lost more than one billion divine stones for her!

How could Sisi not be moved by this! ?

“If Brother Ming is willing to accept my ‘promise’, then I will definitely convince my sister to make a promise to Brother Ming together!” However, Sisi is very clear, even if she wants to promise, Brother Ming I’m afraid neither will.

And With a woman’s acumen, Sisi can feel that the reason why Brother Ming came to God’s Domain is probably because of a certain woman!

“I’m really happy to be a woman of Brother Ming...” Sisi’s eyes were full of envy; but she knew that she didn’t have this blessing!

indeed!

Sisi has no such blessing!

After all, even if she is born with great luck, she is far from qualified to be a woman of Brother Ming!

“However...” Xu Ming said again, “I can’t spend all the divine stones! I can only use one billion divine stones at most to participate in the auction!”

After the auction is successful, does Xu Ming still have to keep some divine stones to hang? Otherwise, with Xu Ming’s strength, I’m afraid he wouldn’t be able to walk out of the Golden Crow City alive!

If the auction fails, Xu Ming will not give up, but will choose... grab!

Of course, grabbing is the last resort! It was not a last resort, Xu Ming could not use this method!

“Four hundred million!”

“Four hundred and ten million!”

“420 million!”

...

Yingying’s auction price continued to soar; soon, it exceeded the 400 million mark!

At this time, the only ones who were still bidding were Cheng Chong, the leader of the Golden Crow Guard, Lu Shuai, the young city master of the Golden Crow City, as well as the ascetic and Danchen Mountain Master; the others had already withdrawn from the auction.

Of course, there is Xu Ming!

Xu Ming hasn’t started bidding yet!

“500 million!” After the ascetic reported this price, there was a strong expectation in his eyes – this was the highest price he could offer! After all, he is just a loner. Although he is free and unfettered, in terms of wealth, he is far less powerful than someone like Cheng Chong!

“Five hundred and ten million!” Cheng Chong followed without hesitation.

“Alas...” The ascetic sighed and had to give up.

At this time, the ascetic even wondered if he should spend a little more energy to form a party to help him make money. After all, his own strength is actually not weaker than Cheng Chong; it is because he is alone that he is poorer than Cheng Chong.

“Alas...” Danchen Mountain Master also sighed, and he gave up.

but...

“600 million!” Immediately after, another voice overshadowed Cheng Chong’s offer, it was Lu Shuai, the boss of Shaocheng.

“You...” Cheng Chong was a little annoyed, “Lu Shuai, you have to fight with me to the death?”

“No!” Lu Shuai laughed, “I’m actually not very interested in this person born with great luck. It’s nothing more than idle boredom, so I can help you raise the price! Now the price is almost raised, you buy it! ”

puff!

Who asked you to help raise the price?

Cheng Chong almost shouted out a new offer in the depression of vomiting blood: “610 million!”

It was because Lu Shuai made trouble and raised the price that he spent an extra 100 million divine stones.

“But... it’s good to be able to buy a natural lucky person!” Cheng Chong secretly said, “This time, no one should rob me?”

This person who is born with great luck, he is going to give it to the real person, as a reward for the shot!

“610 million Divine Stones, the first time!” Tianxin old man routinely shouted for confirmation.

“610 million divine stones, the second time!”

...

“Brother Ming!” In Xu Ming’s VIP room, Sisi was extremely nervous.

“I understand!” Xu Ming said lightly, and then shouted at the outside, “650 million!”

650 million!

The auction venue suddenly fell silent.

Of course, everyone was not shocked by the price of 650 million; they were shocked that Xu Ming, an unknown person who appeared out of nowhere, dared to bid with Cheng Chong—this is a show of not giving Cheng Chong face. !

“Huh!?” Sure enough, Cheng Chong’s face suddenly sank.

Of course, when Cheng Chong was in the VIP private room, no one could see his face sinking.

“660 million!” Cheng Chong said in a gloomy voice, “I am Cheng Chong who is born with great fortune! I don’t know who is bidding with me, can you give me Cheng Chong a face, and stop arguing. It’s gone!”

“Haha!” Xu Ming said with a hearty smile, “I, Xu Ming, are also determined to win this person born with great luck! Commander Cheng Chong, can you give me a face and stop fighting! – 670 million!”

Xu Ming returned Cheng Chong’s words almost intact.

The name “Xu Ming” has also officially entered the vision of the Golden Crow City masters.

In the auction venue, whether it is the general area or the VIP area, there are discussions.

“Xu Ming?”

“Who is it? Never heard of this name!”

“Yeah! Where did it come from, how dare you go so far against Commander Cheng Chong!?”

“I don’t know if you really have the ability and background, or are you looking for death?”

“Xu Ming?” Lu Shuai, the head of the young city, thought with great interest, “Interesting! Interesting! – We have no one in Golden Crow City for a long time, so dare to give Cheng Chong face like this!”

In the eyes of most experts, this little-known Xu Ming is the kind of person who “doesn’t know whether to live or die”!

“Give you face!?” Cheng Chong snorted coldly, “What kind of thing are you, you want me to give you face? – Are you worthy?”

“Then what are you!?” Xu Ming counterattacked unceremoniously, “Since this is the case, let’s follow the rules of the auction, and the one with the highest price will get it!”

At this point, the maid Xiaodie was completely frightened! -Because Xu Ming was in the private room, Cheng Chong couldn’t see Xu Ming and didn’t know Xu Ming’s strength; however, Xiaodie knew Xu Ming’s strength!

Four-star gods!

That’s right, she can see it very clearly, it is the four-star god!

From Xiaodie’s point of view, a four-star god, who doesn’t know where he made his fortune and has a lot of treasures on his body, is already incredible. Unexpectedly, this four-star **** would dare to provoke the commander of the Golden Crow Guard...

What is “seeking death”?

What is “I don’t know what to do”?

Xiaodie finally got to know each other today!

And Xiaodie looked at Xu Ming, and unknowingly had a feeling of “seeing a dead person”.

It’s not that Xiaodie looks low, but you think about it with your toes, a four-star god, offends a high-level ten-star god, can there still be a way to survive?

Xiaodie even suspected that Commander Cheng Chong didn't need to take action personally, he could easily take care of Xu Ming by dispatching a random subordinate.

“Could it be that this VIP is a nouveau riche?” Xiaodie couldn't help but think again, “Yes! That must be the case! – This Sisi beside him should also be born with great luck; Those who are born with great luck, the luck is expected to be good, so it is very likely that they have dug up a treasure somewhere and become rich overnight!”

“But...” Xiaodie thought to herself again, “Even if he has the blessing of luck from a person born with great luck, his luck is good; but if he wants to kill himself, no one can save him!”

...

“Whoever has the highest price will get it!” Cheng Chong snorted coldly, “Okay, then I will win with you whoever has the highest price! – 680 million!”

In fact, Cheng Chong really wanted to slap Xu Ming to death; but in Wanwan Pavilion, he still wanted to give Wanwan Pavilion some face! Even if he really wanted to shoot Xu Ming to death, he would have to wait until he walked out of the Pavilion of Everything.

“Seven hundred million!” Xu Ming said without hesitation. The corner of Cheng Chong's mouth trembled.

Although he is the commander of the Golden Crow Guards, he controls tens of millions of Golden Crow Guards, and his family has a great career; but at this time, the divine stone on his body is less than 700 million! – He can't keep up with the price, unless... he is willing to use “Sacred Crystal”, or borrow some divine stone from others!

The divine crystal is the most essential part of a divine stone mine; there may not be a divine crystal in the entire divine stone mine! Therefore, Cheng Chong is absolutely reluctant to use it!

As for borrowing divine stones from others? – In Cheng Chong's opinion, in order to deal with an unknown person, he even borrowed a divine stone from others; he can't afford to lose this person!

“Good! Very good!” Cheng Chongyin sneered.

Afterwards, Cheng Chong asked in a low voice to Master Qidao: “Shenzhen, I’ll let him buy this born with great luck first; when he leaves the Wanwan Pavilion, I’ll rob him again, okay?”

Qi Dao Zhenren swayed the feather fan leisurely, and said indifferently: “I don’t care what method you use; as long as you can deliver the Innate Great Luck to me intact, no matter what!”

Chapter 883: Sisters Meet

Welcome, please remember the address of this site: , read it on your mobile phone, so that you can read the latest chapter of the novel “Crossing the World” at any time...

“I understand!” Cheng Chong’s eyes became cold.

The Golden Crow Guard was the second largest force in the Golden Crow City, second only to the City Lord’s Mansion.

Dare to offend Commander Cheng Chong in the Golden Crow City... Unless you are a Silver Moon-level existence, it is almost impossible to get out of the Golden Crow City alive!

To be cautious, Cheng Chong directly ordered to the generals in the Golden Crow Guard: “Immediately set up a super-large formation to block the entire Golden Crow City!”

Cheng Chong also took into account that Xu Ming might have trump cards such as teleportation and teleportation; therefore, he directly ordered the formation of an air-breaking formation, so that he could catch turtles in the urn!

But the question is... is Xu Ming really a “turtle”?

After explaining all this, Cheng Chong smiled grimly: “Xu Ming, right? Since you have to rob me of this born with great luck, then I have no choice but to give up my love... However, whether you can leave the Golden Crow City alive, I don’t care. I can guarantee it!”

“It won’t bother you anymore!” Xu Ming laughed.

“700 million divine stones, the deal!” As the old man Tianxin made the final decision, Yingying, who was bound on the auction table, had a look of despair on her face.

Yingying doesn't know yet, she will be reunited with her sister soon. She also thought that she had been traded like a commodity, and the future was dark.

At this time, the old black devil suddenly shouted in the auction hall: “Commander Cheng Chong, and everyone, I have something to say!”

“Oh?” Cheng Chong glanced at the old black devil – in his eyes, the leader of a small force like the old black devil is actually somewhat unworthy.

However, since the old black devil dared to speak out suddenly on such an occasion, it is estimated that there should be something important to say!

“You said it!” Cheng Chong said indifferently.

“Let's go to Commander Cheng Chong!” The old black devil respectfully said, “This Xu Ming is a bit of a festival with our Black Devil Palace! Before, I saw a woman beside him. Her appearance and temperament were all the same on the auction stage. This born with great luck is exactly the same!”

“What!?” Cheng Chong was taken aback.

Ascetic, Danchen Mountain Master and many other masters and experts were also stunned.

Looking at the entire Divine Realm, there may be quite a few gods with the same appearance and temperament; but within the jurisdiction of the Golden Crow City, especially in this small Golden Crow City, there should be very few!

In addition, before the auction of Yingying, the Ten Thousand Things Pavilion had said that Yingying also had a sister who was also born with great luck, but she was not caught.

Now, the old black devil suddenly jumped out and said, beside Xu Ming, there is a woman with the same appearance and temperament as Yingying... As long as what the old black devil said is true,

then it is basically certain that this person beside Xu Ming The famous woman should be Yingying's sister!

Yingying, whose eyes were empty and desperate, suddenly flashed a ray of hope in her eyes, and she was even more excited: "Sister, is that you?"

"Black Devil!" Cheng Chong said solemnly, "You didn't lie to me, did you?"

"How dare I deceive the commander!" The old black devil continued, "Also, at the Yibao Conference, many people should have seen the woman next to Xu Ming, and everyone can testify!"

Although, only a small part of the gods at the previous Yibao conference came to participate in the auction conference, but in this small part, there are still several who have met Sisi!

Immediately, several gods said one after another: "Indeed! I can prove that what the old black devil said is true!"

"I've seen it too!"

...

A single stone stirred up a thousand waves, and there were exclamations in the auction venue.

"In this case, aren't there two born with great luck beside this little-known Xu Ming?"

"yes!"

"With two people born with great luck, isn't this Xu Ming's luck going to go against the sky?"

"Haha, then he has to be able to control this luck! If he can't control it, the luck is too high, but it will be a disaster!"

...

There was constant discussion and sneering at the scene.

“Brother Ming...” Sisi knew that because of her own affairs, she had already brought huge trouble to Brother Ming!

Originally, the reason why Xu Ming wanted to leave the Golden Crow City in a hurry was because he was afraid that Commander Cheng Chong would find out and kill his son Cheng Yu himself.

Now, although this matter has not been exposed, Xu Ming has directly confronted Commander Cheng Chong because of the auction! – It’s really a narrow road for enemies!

“Is Brother Ming an opponent of Commander Cheng Chong?” To be honest, Sisi was not optimistic at all!

Thinking that because of her, Brother Ming and Cheng Chong faced each other directly, Sisi felt all kinds of remorse.

“It’s alright!” Xu Ming patted Sisi’s shoulder lightly and said with a smile, “It should come, it will come!”

Seeing Xu Ming say this, Sisi felt more and more remorse in her heart.

Immediately, Xu Ming said to the maid Xiaodie: “Remove the formation outside the private room, I will meet this commander Cheng Chong for a while!”

“Ah?” Xiaodie was startled and said in a hurry, “Okay! Yes!”

Xiaodie did not expect that under such circumstances, Xu Ming, a four-star god, would dare to face Commander Cheng Chong! – Where does this mysterious courage come from! ?

Even Xiaodie was a little worried that Cheng Chong, the commander, would take anger on her; after all, she was a maid for Xu Ming!

However, Xiaodie still followed Xu Ming’s order and honestly withdrew the formation in the private room.

As soon as the formation was removed, all the gods in the auction hall could see Xu Ming!

Then, everyone was stunned.

“what!?”

“Aren’t you kidding me? This is Xu Ming!?”

“This is the invincible Xu Ming, who dares not to give Cheng Chong commander face?”

“A four-star god!?”

“This is too... ridiculous, isn’t it? How dare a four-star **** be so arrogant in front of Commander Cheng Chong?”

Commander Cheng Chong’s expression is very complicated! Shocked, angry, cruel... Several expressions are intertwined.

To his shock, Xu Ming was actually a four-star deity!

Annoyed is that a mere four-star god, dare not give him face! This made him feel very embarrassed!
-Cheng Chong hopes that the other party is a nine-star ***** or a ten-star god, so that he will have more face!

And the cruel thing is... In Cheng Chong’s view, Xu Ming is dead!

At the same time, everyone also noticed Sisi beside Xu Ming. Sure enough, she had exactly the same appearance and temperament as Yingying, who was bound on the auction stage!

“It seems that this woman is likely to be the sister of the born with great luck on stage!”

“There are two born with great luck at the same time, it’s fun!”

“The blessing of luck brought by the two born with great luck is simply beyond what a mere four-star **** can bear! This Xu Ming is dead!”

Xu Ming could clearly feel that everyone looked at him as if they were looking at a dead person.

“It seems that in their eyes, I am doomed...” Xu Ming sneered in his heart.

With Xu Ming’s current strength and power point, Cheng Chong, who is a mere ten-star, really can’t threaten him! What Xu Ming was really afraid of was the master of karma invited by Cheng Chong!

Up to now, Xu Ming had not seen the Master of Karma; he could not be sure how strong the opponent was.

...

As for Sisi and Yingying, after the formation in the private room was removed, their eyes were always on each other.

“Yingying!” Sisi couldn’t hide her excitement.

“Sisi!” Yingying even had tears in the corners of her eyes, she didn’t know whether it was because of excitement or because she was worried about her sister’s current situation.

The two sisters, finally officially meet!

Chapter 884: Time Of Death

Welcome, please remember the address of this site: , read it on your mobile phone, so that you can read the latest chapter of the novel “Crossing the World” at any time...

After the surprise noise, the auction venue suddenly fell into an eerie silence.

)

Everyone seemed to be waiting—waiting to see how this arrogant four-star **** was cleaned up by Commander Cheng Chong; and also waiting to see what would happen to the two sisters who were born with great luck.

“Danchen Mountain Lord!” The ascetic suddenly shouted secretly.

“Oh? Ascetic, what’s the matter?” Danchen Mountain Master was a little puzzled.

“Danchen Mountain Master, do you and I want to join forces once?” The ascetic continued his voice transmission.

“Joining forces? How to join forces?”

“Look, there are two born with great luck here!” The ascetic said again, “After this Xu Ming leaves the Wanwan Pavilion, you and I will join forces to kill Xu Ming and **** the two born with great luck!”

Danchen Mountain Master thought for a while: “Don’t you exist when Cheng Chong and his Golden Crow Guard?”

The strength of the commander Cheng Chong is stronger than that of the ascetic and Danchen Mountain Master; although it is not as good as the two of them joining forces, don’t forget that the Golden Crow City is Cheng Chong’s home court!

“Cheng Chong only needs one born with great luck!” The ascetic analyzed, “At that time, if we are trapped and can’t get out, it’s a big deal to hand over a born with great luck! I think, Cheng Chong is not enough Really fight with us both; in this way, we can at least get a natural lucky person!”

“Well...” Danchen Mountain Master thought for a while, “He’s going to die, I’m not afraid!”

Ascetic and Danchen Mountain Master are all ten-star gods, and they are not vegetarians!

“But...” Danchen Mountain Master said again, “If there is only one born with great luck, how will we distribute it between us?”

The ascetic had long expected that the Danchen Mountain Master would ask this question: “It’s mine! – I want to be born with great luck, in order to swallow it up and improve my cultivation level; and you want to be born with great luck, it is nothing more than to improve alchemy. That’s all! I’ll compensate you with enough resources at that time, okay?”

“Yes!” Danchen Mountain Master readily agreed! – As long as you can get enough resources, then it doesn’t matter if the success rate of alchemy is lower!

Two ten-stars exist, and they are quietly united in this way.

...

“Tsk tsk tsk!” At this time, the young city master Lu Shuai also withdrew the private room formation and praised him, “Brother Xu Ming, what a trick! Admire! Admire!”

Lu Shuai did not dislike Xu Mingxiu, and directly called him a brother.

Xu Ming clenched his fists as a return gift.

“Brother Xu Ming!” Lu Shuai said again, “You will give me one of the two born with great luck; how about I protect you? – You can rest assured, I will not be like those treacherous people, who are born with great luck. Take it and devour it or something; I will only support her for a long time to improve the luck of my City Lord’s Mansion!”

Commander Cheng Chong, Ascetic, Danchen Mountain Master, etc., all changed their faces suddenly – if the City Lord’s Mansion intervenes to protect Xu Ming, it will be troublesome!

You must know that the City Lord’s Mansion is the strongest local snake in the Golden Crow City! Even if a Silver Moon-level existence came to Golden Crow City, they would not dare to provoke the City Lord’s Mansion at will!

As long as the City Lord’s Mansion protects Xu Ming, Commander Cheng Chong and the others really have no chance to attack Xu Ming!

“This kid, luck is so good, the young city master wants to protect him!” The ascetic said angrily.

“Looks like we’re out of play this time!” Danchen Mountain Master said with a wry smile, “Even Cheng Chong is still out of play!”

“This is not necessarily! Don’t forget, now behind Cheng Chong, there is a real person of Qidao standing! If the real person of Qidao is willing to come forward, I am afraid that the city owner will also sell some face!” The ascetic said, “It’s just that no matter what, we both There’s no drama! Alas... I’m happy for nothing!”

“yes...”

Others also lamented that Xu Ming was lucky enough to escape the catastrophe.

“Brother Ming!” Sisi secretly said, “Otherwise, you should give us to this young city lord! In this way, the young city lord should protect you!”

“What nonsense!” Xu Ming scolded.

Brother Ming, how could it be possible to give your followers to others as items!

However, this young city master Lu Shuai is also considered a kindhearted person.

Xu Ming cupped his hands and said with a smile, “Thank you, Young City Lord! But no need! – Just relying on Cheng Chong, you can’t keep me!”

Just rely on Cheng Chong, still can’t keep me!

Xu Ming’s tone is very flat, but it shows strong confidence and unquestionable.

When Commander Cheng Chong heard this, his face suddenly became ugly: “Huh! Boy, I won’t do it in the Wanwan Pavilion; when I get out of the Wanwan Pavilion, I want to see, what means do you have to make me unable to keep you!”

“Too arrogant!”

“Look how he will die in a while!”

“This kid is so crazy, even I want to smoke him!”

There was sighing in the auction hall.

You have seen a lot of arrogant and arrogant four-star gods. However, people who are crazy to Xu Ming’s level are truly unique and unique!

“Oh?” A strange color flashed in Lu Shuai’s eyes, “Could it be... he has some very remarkable cards?”

No matter what, Lu Shuai decided to watch it first to see how this good show would play out.

As for Xu Ming, he could only turn a deaf ear to the incessant sighing and discussions around him. He looked at the auction table, pointed at Yingying and said, “Old Tianxin, can I take her away?”

The old man Tianxin smiled and said: “Generally speaking, you should go to the backcourt to trade! However, if you want it now, you can; as long as you give me the **** stone first, you can take her away!”

“Okay!” Xu Ming threw a world ring without hesitation.

In the world ring, there are no more or less, just 700 million divine stones!

Elder Tianxin checked it, and after confirming that it was correct, he directly lifted the restriction that bound Yingying.

As soon as the ban was lifted, Yingying flew over and hugged Sisi tightly. At the same time, Yingying’s eyes still looked at Xu Ming curiously from time to time – Xu Ming, a four-star god, made her completely incomprehensible.

And Xu Ming, at the moment Yingying flew over, he clearly felt that the luck in his body was much stronger! It seems that it is not so far away from becoming a ***** with luck!

“This is the blessing of luck brought by those who are born with great luck!?” Xu Ming thought to himself.

But now is not the time to care about that.

Xu Ming smiled lightly: “Sisi, you advanced world rings!”

What awaits Xu Ming next is undoubtedly a ***** battle! Putting Sisi and Yingying outside will definitely distract Xu Ming; therefore, it is better to let these two sisters who have reunited after a long absence enter the world ring to have a good chat and talk enough!

Afterwards, Xu Ming and Lu Shuai clasped each other’s fists and walked directly outside the Pavilion of Everything.

All that needs to be done has been done! It is meaningless for Xu Ming to continue to stay here.

“Look, this kid is leaving!”

“Let’s go? Did he think he was going to leave? – Believe it or not, the Golden Crow City must have been blocked by space!”

“Isn’t this nonsense? Even if this kid has some teleportation treasures and teleportation treasures, he can’t leave the Golden Crow City now! He can only wait for the judgment of Commander Cheng Chong!”

Everyone watched Xu Ming walk step by step towards the gate of Wan Wan Pavilion, as if watching Xu Ming walking towards the gate of hell.

In the eyes of everyone, when Xu Ming left the Pavilion of Everything, it was his death!

Xu Ming walked calmly and quickly walked to the gate.

One step forward is outside the Pavilion of Everything.

Temple of the Holy Emperor.

call out-

A stream of light fell, and Xue Rong, the withered Lord of the Holy Emperor Palace, quietly returned to the Holy Emperor Palace.

“Palace Master, are you back?” Li Fang, the sanctimonious deity, ran to Xue Rong in a very dog-legged manner, nodding and bowing.

“Yeah!” Xue Rong nodded slightly—he didn’t care much about matters in the Holy Emperor’s Palace; some trivial matters were mainly handled by Li Fang.

“That’s right, Li Fang!” Xue Rong suddenly asked, “Recently, is there any life talisman that I need to review?”

“Does the hall master want to see it now? – I originally wanted to wait for the hall master to be free, and then send it to you!” As Li Fang said, he sank into the world ring and sorted out the life talisman paper inside. .

Xue Rong naturally couldn’t see what Li Fang was doing in the world ring.

“Palace Master!” Li Fang asked with some doubts, “Why are you personally responsible for such trivial matters as reviewing the Life Talisman? In the past, wasn’t it enough for me to be in charge?”

“I’m looking for someone!” Xue Rong said casually, “There are some things you shouldn’t know, so don’t ask!”

“Yes!” Li Fang was secretly curious as to who the Palace Master was looking for to personally examine the Life Talisman Paper.

Soon, Li facilitated all the life talismans in order, and then took them out.

As soon as the life talisman paper was taken out, Xue Rong’s expression changed immediately – he felt a familiar breath of life!

“This is...” Xue Rong hurriedly grabbed the whole bundle of Life Talisman Paper, and then directly pulled out Xu Ming’s Life Talisman Paper.

“Huh?” Li Fang was still wondering why the Palace Master had such a reaction. But as soon as the hall master took out Xu Ming’s life talisman paper, Li Fang’s expression changed suddenly – Xu Ming’s life talisman paper, of course he still remembers it!

“Could it be that that Xu Ming is the person that the hall master is looking for? The hall master does not hesitate to personally review the life talisman paper for him?” Li Fang was suddenly stunned, “If this is the case, and I deliberately deduct Xu Ming’s Life Talisman...”

Just thinking about the consequences, Li Fangguang felt that his legs were a little weak; he had faintly realized that he seemed to have influenced the hall master’s great event!

“Li Fang!” Sure enough, Xue Rong asked directly; however, Xue Rong’s voice was very calm and steady, and he couldn’t feel the slightest anger. “When did this life talisman get into your hands?”

“It’s...” Li Fang hesitantly tried to find a time to put it off.

“Tell the truth!” Xue Rong drank suddenly, “To be honest, I don’t blame you!”

“Yes... Yes...” Li Fang hesitated, “It was more than a year ago...”

over a year ago! ?

Xue Rong's eyes widened abruptly—in other words, more than a year ago, the Xu Ming that General Li Xiujie asked him to find had already come to the Golden Crow City, and even to the Palace of the Holy Emperor! And he didn't know anything about it!

“If General Li knew, Xu Ming had come to apply for the Star Medal more than a year ago, but I don't know; I'm afraid, General Li wouldn't let me go easily...” Xue Rongguang thought about Li Xiujie's cruel methods, feel terrible!

The eyes he looked at Li Fang were full of coldness, without the slightest emotion – a scumbag teammate!

“You gave me the life talisman paper more than a year ago?” Xue Rong asked coldly.

“Palace...Palace Master...” Li Fang's hair stood on end, he didn't know what to say to explain. If he had known earlier, the person the hall master was looking for was Xu Ming; then, even if he killed Li Fang, he would not dare to take Xu Ming's divine stone or detain Xu Ming's life talisman!

But then again, Xu Ming really wanted to thank Li Fang.

After all, if it wasn't for Li Fang who helped him “drag” for more than a year, Xu Ming would not have had the time to grow to be as strong as he is now, nor would he have had the chance to get so many divine stones!

In other words, it was Li Fang who “buried” Xu Ming for the time, allowing him to grow up to the strength of not being afraid of Xue Rong! – Of course, Xue Rong didn't know Xu Ming's strength progress this year, otherwise, he would definitely be even more crazy!

“Do you know what I want to do now?” Xue Rong stared at Li Fang, his eyes were burning, and he said coldly, word by word.

“No...I don't know!” Li Fang said tremblingly.

“I want to... kill you!” Xue Rong snorted coldly.

“No... No... Hall Master, I was wrong! Please forgive me...” Li Fang fell to his knees and kowtowed repeatedly.

“You’re wrong? Let me spare you?” Xue Rong sneered, “I can spare you, but who will spare me!?”

“Palace...Palace Master! Didn’t you say that as long as I tell the truth, you don’t blame me?” Li Fang never thought that he was only greedy for a little bit of money, why would he cause such a catastrophe!

puff!

Xue Rong showed no mercy. His five withered fingers suddenly turned into a steel claw, which instantly penetrated Li Fang’s head: “I don’t blame you, I just want to kill you!”

hiss... hiss...

A wisp of dark infiltrating breath penetrated Li Fang’s body, penetrated into every particle of him, and caused a great annihilation at the particle level.

Li Fang, die!

Xue Rong did not feel distressed: “Not enough to succeed, more than enough to fail! More than enough to die!”

Swish! Swish!

Xue Rong waved his hand at will, and there is no Li Fang in Jinwu City!

suddenly-

Xue Rong felt that the atmosphere of the whole Golden Crow City had changed.

Xue Ronglian walked out of the hall, frowning: “What happened? The Golden Crow Guards actually activated the Dangkong Great Array and blocked the entire Divine City!?”

The super-large sky-breaking formation is very different from the miniature sky-breaking formation, and it will not change the celestial phenomenon.

However, the effect of blocking the isolated space is beyond doubt! If the big formation is not broken, no one can escape the range of the big formation!

“Could it be... what happened to Cheng Chong?” Xue Rong was not interested in knowing, and shook his head and returned to the hall.

Xue Rong frowned and thought deeply, “I don’t know if Xu Ming has left the Golden Crow City! If he is still in the Golden Crow City, it’s easy to do, just find him, capture and kill him; If you go to the Golden Crow City, it will be a little troublesome...”

...

The gate of the Pavilion of All Things.

Under the gaze of countless mocking eyes, Xu Ming calmly stepped out of the door.

“Humph!” Commander Cheng Chong stood up with a “whoosh” Please wait a moment, Immortal Qidao, I’ll go and catch the born with great luck! ”

“Yeah!” Qi Dao Zhenren was indifferent, as if everything had nothing to do with him. The “cause and effect” between the surrounding heaven and earth seems to have no influence on him at all.

...

On the other side of the auction floor.

“Danchen Mountain Lord, go!” The ascetic said.

“it is good!”

The two got up quietly.

...

“Boy Xu Ming, don’t run away!” The old black devil rushed out of the Wan Wan Pavilion aggressively, “Before, I asked you to pick me up at the God Slaughtering Field for three tricks, and I will spare you from dying! I don’t think you need to enter the God Slaughtering Field. It’s all right here!”

The reason why the old black devil is so active in killing Xu Ming is to win Xu Ming and please Commander Cheng Chong! – In his opinion, killing a four-star **** can make a good relationship with the commander of the Golden Crow Guard; this is really worth it!

Chapter 886: Only 1 Shot

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh! ...

Thousands of figures followed and flew out of the Pavilion of Everything, eagerly watching, how Xu Ming would die.

These thousands of figures are all masters who participated in the auction conference; the weakest are also at the level of the seven-star gods! – The masters have all come out to watch the excitement, and the auction meeting will naturally not go on, so it can only be temporarily suspended.

“what’s the situation!?”

“What happened!?”

Around the Pavilion of All Things, passers-by who didn’t know the truth were shocked to see so many masters of seven stars or above suddenly appearing. After that, the eyes of all passers-by also followed the direction these seven-star experts were looking at, focusing on Xu Ming and the old black devil.

“A four-star god? An eight-star god?”

Passersby were a little curious.

“Did this four-star **** offend the eight-star god?”

“Four-star gods dare to offend eight-star gods? It’s just courting death!”

“Look, what’s going to happen...”

Lu Shuai, the master of Shaocheng, also walked out of the Wanwan Pavilion, and he looked at Xu Ming with interest.

At this moment, Xu Ming looked calm and relaxed, as if he didn’t care about the old black devil at all.

“I don’t know what means Xu Ming will have...” Lu Shuai narrowed his eyes slightly and guessed, “Xu Ming is only a four-star god, and with strength, it is impossible to defeat the old black devil! However, Xu Ming should have something to save his life. The treasure is here!”

In Lu Shuai’s opinion, the old black devil is really stupid, and he dares to run up and make the first bird! – Is this early bird doing such a good job?

“Humph!” Commander Cheng Chong, the ascetic, the Danchen Mountain Master, etc., all watched from the side, and were not in a hurry to take action.

They all pondered, let the silly bird, the old black devil, go up to explore Xu Ming’s reality first.

“Ha!” Xu Ming looked at the old black devil and smiled disdainfully, “Let me pick up your three moves? Then you have to have the opportunity to make three moves!”

A mere eight-star god, Xu Ming really didn’t take it seriously.

call out!

Xu Ming held a hand, and a long spear with flaming flames appeared in his hand; but above the flames, there was a strange cold – it was the artifact “ice gun”!

“Huh?” The young city master Lu Shuai was slightly startled, “Xu Ming actually showed his weapon? Besides, the spear in his hand is obviously just a very ordinary artifact, and there is nothing special about it! Could it be... Xu Ming wants to Shaking the old black devil?”

You must know that every star at the level of the gods is separated by an insurmountable gap! And between the four-star gods and the eight-star gods, there is a full four-star difference; it is not an exaggeration to describe it as “the difference between heaven and earth”!

Even Lu Shuai didn’t think that Xu Ming could defeat the old black devil with just one artifact spear!

Commander Cheng Chong and others also showed disdain on their faces, thinking, could it be that this Xu Ming is just a complete upstart with no trump card? In this case, like Commander Cheng Chong, he doesn’t even need to take action himself; his lackey, the “Black Devil”, is enough to settle this matter!

Commander Cheng Chong, the ascetic, and the Danchen Mountain Master were even gearing up to **** the world ring left by Xu Ming after his death! – In Xu Ming’s world ring, there are two born with great luck!

“Ah? Hahahahaha...” The old black devil was stunned for a moment, and then he laughed loudly, “Boy, are you going to use this broken gun against me?”

“Laugh!” Xu Ming said indifferently, “Laugh well! – When you finish laughing, it will be your death!”

Xu Ming’s indifference fell into the eyes of everyone around him, and can only be described in one word – madness!

Those onlookers who didn’t know the truth even sneered: “This four-star **** doesn’t understand at all, and he must maintain the minimum respect for masters; he dares to provoke an eight-star **** like this, he is dead!”

“If God does evil, you can still live; if you do evil, you can’t live!”

“Yeah! I originally sympathized with him, thinking that he was oppressed by this eight-star god... Now it seems that he is completely courting death!”

There were also some ignorant one-star gods who asked curiously, “Didn’t you say... that killing is prohibited in the Golden Crow City?”

“Killing is prohibited? It also depends on the situation! – Look at it, this four-star **** is dead today!”

...

Xu Ming turned a deaf ear to all these ignorant discussions around him. Because he knows that as long as he shoots the gun, all these voices will obediently shut up! —Oh, no, they must all have their mouths open in surprise!

“Good! Good! Good!” The old black devil can’t stand Xu Ming’s provocation, “Since you are looking for death so eagerly, I, the black devil, will do good deeds to fulfill you!”

Xu Ming reminded: “I suggest you, it’s better to show your weapons!”

Until now, the old black devil is still bare-handed and has no weapons.

Of course, it doesn’t matter to Xu Ming whether the old black devil has a weapon or not – just like an ant, whether it is holding a piece of grass or nothing, it will be trampled to death by a human!

The old black devil is that ant, and Xu Ming is that person!

“Bring on the weapon?” The old black devil sneered, “If I still want to light up the weapon against you, a four-star god, then I, the old black devil, might as well jump into the cesspool and drown!”

“That’s up to you!” Xu Ming was too lazy to say anything to the little ant, “Didn’t you say you want me to pick up your three moves? Go ahead!”

“Hmph! That’s what you want!” The old black devil snorted in a deep voice.

boom!

Suddenly, the phantoms of thousands of skulls erupted from the old black devil; they revolved around the old black devil.

The dark forces hidden between the heavens and the earth seem to be motivated and converge on the old black devil.

“Ten thousand claws!”

Those who are familiar with the old black devil and see him use this trick, they all secretly scolded him as “shameless”!

“This old black devil is really shameless, and he used a trick as soon as he came up!” Lu Shuai shook his head and sneered, “Although he doesn’t have a weapon, he’s probably more terrifying than a weapon!”

A dignified eight-star god, it is really shameless to use a unique trick on a four-star **** as soon as he comes up!

“Jie Jie Jie Jie...” The old black devil smiled sinisterly, “Boy, die!”

boom!

Thousands of phantoms of skulls converged on the black claws of the old black devil. The black claws instantly penetrated the void and blasted towards Xu Ming.

“If he doesn’t have any life-saving treasures, he will be dead!” Commander Cheng Chong looked at him indifferently.

“Ha!” At this moment, a smile crossed Xu Ming’s mouth.

It’s a disdainful smile.

Immediately, Xu Ming fired!

“The Five Forms of Reincarnation – Residual Blood!”

call out!

The spear is as fast as lightning, and the spear is extremely fierce!

The old black devil only felt a flash of blood before his eyes, and the long spear had penetrated his body. The incomparably sharp spear intent instantly annihilated every particle of the Black Devil at the particle level.

Only one shot!

Black devil, old ghost, die!

Chapter 887: Whirlpool Center

Bang!

The divine body of the black devil and the old ghost fell to the ground empty and weak, without the slightest breath.

On the surface, the old black devil seems to be safe and sound; but the deities who are watching can clearly feel that the old black devil has been annihilated at the particle level!

Every particle is eroded and annihilated, and it can't die anymore!

“hiss-”

“hiss-”

From all directions, there was the sound of sucking in the cold air.

All the gods, whether they are passersby with one or two stars, or masters with seven or more stars, or even ten-star masters such as Commander Cheng Chong, ascetic, Danchen Mountain Master... At this moment, all of them can't believe their eyes. !

Even sitting in the auction venue, there is a "Mr. Daoist" in the Silver Moon class who did not come out. At this moment, through the maintenance of causality, he saw Xu Ming's battle here.

He was also extremely shocked and unbelievable: "The mere four-star god, without the help of special treasures, actually killed the eight-star **** with one shot!?"

Incredible!

Incredible!

Unheard of!

However, in Xu Ming's view, this result is not surprising at all.

Although Xu Ming's cultivation is only a four-star god, and it is only a four-star elementary level; however, the ancient cultivator's style exercise "Thunderbolt Forging" that Xu Ming cultivates is slightly stronger than the normal Tiandao style. Therefore, just in terms of cultivation, Xu Ming should be able to compete with four-star middle-level gods.

Moreover, Xu Ming also created his own emperor-level secret technique "The Five Forms of Reincarnation"! With the power of emperor-level secret skills, fighting with two stars is no problem! – In this way, Xu Ming's strength has reached the six-star medium!

At the same time, Xu Ming spent another 1,600,000 level 9 hanging points to activate the "Invincible Combat Power System" and activated... 100,000 times the attack!

Yes!

100,000 times the attack!

At the level of the gods, for every star difference, the strength is ten times different! Then, Xu Ming's "100,000 times attack" is equivalent to surpassing five stars! Suddenly, Xu Ming's attack reached the terrifying eleven-star level! – In fact, among the gods, the highest is only ten-star gods, and there is no "eleven-star" star!

Eleven-star strength, to deal with the eight-star elementary black devil old ghost, the strength is thousands of times different, and it is still the most fierce "residual blood", and still has no heart... The death of the black devil old ghost can be said It is as it should be!

On the contrary, if the old black devil is not killed in seconds, this is not normal!

Xu Ming indifferently retracted his spear and said lightly, "I said, when you finish laughing, it will be your death!"

When you're done laughing, it's your death! – The same sentence, but now from Xu Ming's mouth, no one thinks it is arrogant, and no one thinks it is a joke!

At this moment, Xu Ming's cold and indifferent image was deeply imprinted in the hearts of the onlookers.

As Xu Ming had expected, the expressions of all the onlookers at the moment were – mouths wide open and eyes wide.

To use an idiom, it is called: jaw-dropping!

"His shot just now..." Although Commander Cheng Chong was reluctant to admit it, he had to admit that Xu Ming's shot was stronger than him!

"Too strong!" The ascetic and Danchen Mountain Master even started to back off!

Originally, they thought that Xu Ming was just a nouveau riche, a soft persimmon that was easy to pinch! But now, it is obvious that things are not so simple; Xu Ming's strength is not any ordinary four-star **** at all!

“What kind of four-star ***** is this, it’s definitely a super expert!” The onlookers exclaimed.

“Xu Ming is really...hidden!” Lu Shuai, the boss of Shaocheng, was also amazed.

At this time, Commander Cheng Chong came back to his senses: “He must have secretly borrowed some treasure to strengthen his own strength! Otherwise, it is impossible for the four-star gods to surpass the seven stars and burst into battle power beyond the ten-star! – I can easily knead him as long as I drag his treasure until the energy is exhausted!”

Commander Cheng Chong quickly determined the tactics – drag!

Cheng Chong’s strength is the top among the ten-star gods; he is still confident if he does not seek to win, but only wants to delay time!

And... Golden Crow City is also Cheng Chong’s home court! Here, although he can’t rely on the power of the city’s defense formation like the city lord, but... there are so many others!

boom! boom! boom! boom! boom! ...

At this moment, powerful auras erupted from all directions near the Pavilion of Everything!

These dozens of sudden bursts of tyrannical breath, the weakest are comparable to the old black devil; there are even a few, reaching the level of the nine-star god!

“It’s the generals of the Golden Crow Guard!” Lu Shuai, the chief of Shaocheng, immediately judged.

It turned out that when the auction was going on just now, Cheng Chong not only instructed his subordinates to block the entire Golden Crow City with a super-large air-breaking formation, but also summoned some Golden Crow Guard generals to ambush near the Pavilion of Everything.

Now, as soon as there are fluctuations in the battle at the gate of the Pavilion of Myriad Things, the generals of the Golden Crow Guards who are in ambush are no longer hidden, and they all come around.

Seeing dozens of eight-star and nine-star gods besieging Xu Ming, everyone was stunned!

“Dozens of eight-star and nine-star gods besiege a four-star god? Is this too exaggerated?” The onlookers were amazed.

“What is this exaggeration! Just now this four-star deity killed an eight-star deity in one shot. That’s an exaggeration!” Someone immediately retorted.

“Xu Ming!” Commander Cheng Chong shouted coldly, “I don’t care what trump cards and tricks you hide, today, under the siege of our Golden Crow Guard masters, you will die!”

boom!

Immediately, a golden sword appeared in the hands of Commander Cheng Chong.

“This...” The onlookers were shocked again, “Commander Cheng Chong is going to personally take action against a four-star god? This is too shameless and disregarding his image, right?”

“Why do you still treat this four-star ***** as a four-star god?”

“Also...” Everyone realized that Xu Ming should not be regarded as a four-star god, but a super master who surpassed ten stars!

“Master Danchen, shall we also wait for the opportunity to take action?” The ascetic said coldly.

“Okay!” Danchen Mountain Master didn’t hesitate much – even though Xu Ming’s current strength is exaggerated and abnormal, he has not reached the “Silver Moon” level after all.

As long as it is not at the silver moon level, Danchen Mountain Master has nothing to be afraid of; even if he can’t beat it, it is still no problem to escape!

...

“Um?”

Palace of the Holy Emperor Palace Master Xue Rong was also very surprised and walked out of the temple.

The Palace of the Holy Emperor and the Pavilion of Ten Thousand Things were not far from each other. Now that there is such a big movement in the Pavilion of Ten Thousand Things, it is natural to avoid the perception of Hall Master Xue Rong.

“So many powerful auras!” Xue Rong was secretly shocked, “What happened in the Wanwan Pavilion? – Go, go and see!”

call out!

Xue Rong also turned into a streamer, rushing in the direction of Wan Wan Pavilion.

...

At the same time, the top masters in the Golden Crow City—the City Lord of the Golden Crow City, the Deacon of the Virtual Heaven Realm, and the Deacon of the Slaughtering God Field, all rushed towards the Pavilion of Everything, just like Xue Rong.

Xu Ming suddenly became the vortex center of the entire Golden Crow City!

Chapter 888: River Of Knife Light

Outside the Pavilion of Everything.

Xu Ming dragged his spear behind his back, his eyes proudly swept across the circle of masters around him.

The Golden Crow Guard Commander Cheng Chong, five nine-star Golden Crow Guard generals, and thirty eight-star Golden Crow Guard generals surrounded Xu Ming.

Cheng Chong caressed the golden sword in his hand with a gloomy expression: “Boy, I don’t care what your identity or origins are... If you dare to provoke me in Golden Crow City, you will surely die!”

“Provocation?” Xu Ming sneered disdainfully, “Did I provoke you?”

The contradiction between Xu Ming and Cheng Chong, to put it bluntly, is that Xu Ming unceremoniously competed with Cheng Chong for the natural lucky person at the auction!

In fact, the auction should be the one with the highest price, which is understandable. However, Cheng Chong insisted that if Xu Ming dared to compete with him, he would not give him face, and he would be provoking his majesty.

“Humph!” Cheng Chong sneered, “I said you provoked me, and you provoked me! Now, even if you kneel down and beg for mercy, it’s too late! – Kill!”

Immediately, Commander Cheng Chong, as well as the other thirty-five Golden Crow Guard generals, burst out with awe-inspiring divine power.

Although Cheng Chong is domineering, he is not ignorant. When he saw that Xu Ming could kill the old black devil with one shot, he naturally did not dare to underestimate the enemy at all. He already regarded Xu Ming as an opponent of the same level as himself, or even stronger than himself!

Now to kill Xu Ming, Cheng Chong didn’t dare to be careless! Although... dozens of eight-star or above masters besiege a four-star god, this scene looks very funny!

call out! call out! call out!

The Golden Crow City is so big, and in a flash, the city owner Lu Luping, the deacon of the virtual world, Bu Shen, and the deacon of the Tushenchang Tu Shijie, these three top beings in the city, all arrived.

“Little handsome, what’s the matter?” City Lord Lu asked his son directly when he arrived.

Lu Shuai said: “The four-star **** surrounded by the Golden Crow Guards is named Xu Ming; he bid with Cheng Chong at the auction for a person born with great fortune, angering Cheng Chong, and the current situation is here! ”

“Oh?” City Lord Lu had an incredulous expression on his face, “He is a small four-star god, how dare he not give Cheng Chong face? – However, Cheng Chong is too big of a fuss, right? To deal with a four-star god, he actually put up such a formation. Combat!”

“Father!” Lu Shuai continued, “Don’t underestimate Xu Ming, he is not an ordinary four-star god!”

“Oh?” City Lord Lu had disdain and doubts on his face, “Even if it’s not an ordinary four-star god, how can it be so strong?”

Lu Shuai said again: “He just killed the old black devil with one shot!”

“What!?” City Lord Lu, of course, also saw the dead old black devil, “One shot to kill?”

Soon, City Lord Lu reacted: “Then Xu Ming must have secretly borrowed some treasure to temporarily strengthen his strength; when the energy of the treasure he borrowed is exhausted, it is estimated that he will not be much stronger than the ordinary four-star god. of!”

Deacon Pu of Xutianjie and Deacon Tu of Tushenchang also had the same idea with City Lord Lu: “Look, how long can he last under Cheng Chong’s siege!”

“Muxiu Yulin, the wind will destroy it! – This four-star **** is too arrogant!” City Lord Lu shook his head secretly.

“Father, should we help Xu Ming?” Lu Shuai suddenly said.

City Lord Lu frowned and pondered, and finally shook his head: “The Golden Crow Guards have a lot of power in the city. If I really fall out with Cheng Chong, it will only hurt both sides...”

...

“kill!”

At this moment, Cheng Chong took the lead in killing Xu Ming.

The other thirty-five Golden Crow Guard masters also formed a strange battle formation and moved towards Xu Ming in a strange position.

rumbling...

Cheng Chong's golden sword turned directly into a river of sword light. Every drop of river water is like a sword light; every vortex is composed of countless sword lights.

boom! boom! boom! boom! ...

The attacks of the other thirty-five Golden Crow Guard generals seemed to have turned into thirty-five streams; the streams merged into the River of Knife Light, making the attack on the entire river more terrifying and unpredictable.

"Cheng Chong has made a lot of progress!" City Lord Lu secretly sighed, "With this battle formation, even if I don't use the might of the defensive formation, I'm afraid I can't be his opponent!"

However, the Golden Crow City's defense formation could only cover the city of God. In other words, in the Golden Crow City, City Lord Lu is the strongest; but outside the city, Cheng Chong, who is still leading the Golden Crow Guards, is stronger!

Even City Lord Lu was shocked by the attack, can Xu Ming block it?

"Humph!" Of course Xu Ming also felt it. How terrifying is this river of sword light that combines thirty-five attack streams!

He didn't dare to be careless!

"Invincible combat power system, 100,000 times the combat power, open!"

1.6 million level 9 hanging points, directly deducted! —Although Xu Ming still has more than 300 million divine stones, that is, more than 300 million rank 9 hanging points; spending 1.6 million yuan seems to be nothing! But you must know that the battle between gods can be fought thousands of times in an instant; if you really want to let go of the fight, Xu Ming's hanging point will be spent in the blink of an eye!

If the hanging points are spent, Xu Mingke will really be tragic!

Therefore, Xu Ming didn't dare to hang up the flowers indiscriminately!

“The Heaven of Reincarnation Five Forms Collapses!”

Xu Ming decided to have a head-to-head fight and try the opponent's strength first!

boom! !

This is the ultimate power, the ultimate domineering shot! It directly hit the splendid river of knife light.

“Break it for me!”

rumbling...

When the river of sword light surged in front of Xu Ming, it was blocked by Xu Ming's “collapse of the sky”, and it was difficult to move forward at all.

However, after all, “Tian Beng” is only a momentary outbreak, and the river of sword light that gathered the attacks of thirty-six masters is continuous and turbulent! -In an instant, the power of “Tian Beng” was exhausted, but the River of Sword Light continued to rush towards Xu Ming.

“not good!”

Xu Ming didn't dare to take care of him, so he flew back again and again.

The River of Sword Light, like a tail, followed Xu Ming stubbornly. Once Xu Ming was submerged by the River of Sword Light, the consequences could be imagined.

Of course, Xu Ming already had a countermeasure, but Xu Ming was not in a hurry to use it, because... Xu Ming also noticed a few bad eyes, and UU reading www.uukanshu.com was watching him. Xu Ming is ready to wait for the master of these eyes to make another sudden explosion!

Before that, Xu Ming wanted to show his enemy to be weak!

...

Sure enough, among the gods on the sidelines, the ascetic and Danchen Mountain Master were already impatient.

“If we don’t make a move, Xu Ming will probably be killed by Cheng Chong! In that case, we won’t be able to capture the innate great luck person in Xu Ming’s world ring!” said the ascetic.

“Let’s do it!” Danchen Shanzhu directly stuffed a nine-colored medicine pill into his mouth, and the breath on his body burst out.

“kill!”

boom!

boom!

The two ten-star gods directly attacked Xu Ming.

Suddenly, there were as many as three ten-star gods besieging Xu Ming!

Chapter 889: Are You Xu Ming?

“Ascetic, Danchen Mountain Master has also shot!”

“Is that too much?”

“Three ten-star gods, thirty-five eight-star or above masters, besieging a four-star god... Even if it is placed in the entire God Realm, this is a big story, right?”

There were already onlookers, who quietly recorded the battle at this time with the technique of a water curtain.

If this battle spreads out, it should be a small sensation in the Chile Mansion, and even the Yanyan Continent.

boom!

boom!

Ascetic and Danchen Mountain Master’s aura, although not as strong as Cheng Chong’s commander, is also very tyrannical!

On the ten fingers of the ascetic, suddenly thousands of filaments appeared.

Threads of filaments pierced into the void, as if they wanted to draw something from Xu Ming! – Ascetic is a practitioner of Qi Luck, and Qi Luck Cultivation has a very special attack method; this move of his is to absorb the Qi Luck from Xu Ming!

No matter who it is, once the luck on the body is exhausted, it is the time when the body will die!

Or, on the other hand, once a person dies, his qi will return to zero! And if you don’t die in a big disaster, your luck will expand rapidly; that’s why, as the old saying goes, “If you don’t die in a big disaster, you will have good luck!”

“Huh?” Xu Ming was slightly surprised.

He could feel that his luck was fading away. Although this passage of time will not affect Xu Ming’s strength; but if you think about it with your toes, you know that this is definitely not a good thing!

call out-

Dan Chen Shanzhu directly shot a poison dart! – Medicine is three-point poison, so those who are good at refining medicine pills are often good at refining poison too! Just like Danchen Mountain Lord!

rumbling...

The river of knife light continued to rush towards Xu Ming.

However, Commander Cheng Chong was full of anger: “Ascetic, Danchen Mountain Master, what are you doing!?”

The ascetic laughed and said, “Commander Cheng Chong, there are two born with great luck anyway, so what’s the harm in dividing us into one?”

In fact, the ascetic prefers to take both of them!

“Ha!” Xu Ming, who was besieged by the masters, sneered at the corners of his mouth—could it be that they would be Brother Ming and I would die without a doubt?

“Who to kill first?” Xu Ming narrowed his eyes slightly, looking for his prey!

Soon, Xu Ming set the target: “Just kill the ascetic first!”

Between Xu Ming and the ascetic and Danchen Mountain Master, there was no grievance in the past and no enmity in the recent past; however, the other party even shot him – this made Brother Ming very angry!

Since he was going to start killing, Xu Ming didn’t plan to keep his hands!

“Million times of combat power, open!”

The invincible combat power system can open up to one million times the combat power!

However, it can only maintain one attack, and the consumption of hanging points is also very exaggerated! – For example, Xu Ming is now a four-star god, and once he activates “Million Times Combat Power”, he will consume 16 million points of level 9 hanging points!

boom!

As soon as the million-fold combat power was activated, Xu Ming’s combat power instantly soared to an exaggerated “twelve-star” level!

In fact, in the classification of gods, the highest is only “ten stars”, and there is no “twelve stars” at all. However, the combat effectiveness of Xu Ming’s attack is too strong, far beyond the ten-star category – although it can only last for one blow!

“what?”

Commander Cheng Chong, Ascetic, Danchen Mountain Master and other masters, of course, also noticed Xu Ming’s sudden surge in momentum. However, they are not very worried – because Xu Ming is caught in the siege of their three sides; no matter how strong Xu Ming is, he must break the siege first before he can threaten them?

It’s just...is that true?

“Ha!” Xu Ming’s mouth curled into a strange smile, and then suddenly—

Swish!

Xu Ming disappeared directly, and appeared behind the ascetic!

At this time, Xu Ming no longer intends to hide the secret of “Teleport”! – Killing all the enemies and earning enough points is the kingly way!

“Ascetic, suffer!” Xu Ming showed no mercy, and directly used the most powerful ultimate move “Remnant Blood”!

The ascetic's attack method is too disgusting, so Xu Ming intends to use him to sacrifice the gun first!

“Do not-”

Between lightning and flint, the ascetic had no chance to block or dodge at all.

boom!

The emperor-level secret technique “residual blood”, which contains the terrifying power of annihilation, directly penetrates the ascetic's divine body.

hiss-hiss-

The innumerable annihilation place penetrates into the particles of the ascetic, causing the annihilation of the ascetic at the particle level!

“Dangerous!” The ascetic immediately felt the threat of this shot, and finally knew why the old black devil was killed by a single shot just now! – Xu Ming's shot is too sharp; one shot, tearing apart every particle, is very terrifying!

“But... it's not that easy to kill me!” As a veteran ten-star god, the ascetic has been traversing the Golden Crow City and even the entire Scarlet Mansion for endless years. Naturally, there is a life-saving trick!

“The power of the atmosphere, possessed!”

wow—

The power of luck between heaven and earth is poured into the body of the ascetic, and into the inside of every particle! In an instant, every particle of the ascetic was sheltered by the heaven and earth of the gods.

hiss-hiss-

The power of annihilation contained in the “residual blood”, and the power of the ascetic’s great luck, are frantically consumed!

In an incomparably short moment, the battle was decided! – Xu Mingsheng! And the power of the ascetic’s atmospheric luck is exhausted!

However, although Xu Ming won, the annihilation power of this type of attack was not much left; only a few particles of the ascetic were annihilated, and they were exhausted! It is still 108,000 miles away from killing the ascetic!

“Failed!” Xu Ming was secretly shocked, “Ten-star gods, it really isn’t so easy to kill!”

You must know that this blow is almost the strongest blow that Xu Ming can break out, unless Xu Ming is willing to use the “Life and Destruction of the Five Forms of Reincarnation” of “killing a thousand enemies and self-destructing eight hundred”!

However, it is still a long way from killing the ascetic!

“Try to kill Danchen Mountain Master again!”

Swish!

With another teleportation, Xu Ming appeared behind Danchen Mountain Master! – Don’t ask why Ming brother always teleports behind others, the title of “Chrysanthemum Ming” is not a vain name!

boom!

Once again “million times the combat power”!

Another “residual blood”!

But right away, Xu Ming realized that he had chosen the wrong object again! —Danchen Mountain Lord is a super meat shield with high defense and self-replenishing blood!

As soon as Xu Ming's attack arrived, the Danchen Mountain Master directly swallowed a large amount of medicinal pills. The rich life force contained in the medicinal pill envelops every particle of him, making it difficult for Xu Ming to cause him much damage from the particle level!

"I'm going!" Xu Ming turned his attention to Commander Cheng Chong again.

However, Xu Ming gave up directly! – Commander Cheng Chong's strength is the strongest among the three ten-star gods, and probably the most difficult to kill!

"In this case..." Xu Ming decided to kill all the eight-star and nine-star gods who were in the way!

boom!

At this moment, another top existence of the Golden Crow City came!

"Holy Emperor Hall Master!"

As soon as Xue Rong, the master of the Holy Emperor's Palace, arrived, he recognized Xu Ming's breath of life!

"Are you Xu Ming?" Xue Rong asked coldly.

Chapter 890: Forgiveness Real Shot

"Are you Xu Ming?"

Xu Ming was stunned—this ten-star ***** who appeared out of nowhere actually recognized him?

"No need to answer, it's your breath of life, you can't go wrong!" Xue Rong continued to say coldly, "Suffer to death!"

hiss-

On Xue Rong's withered body, a rotten breath suddenly escaped.

Immediately afterwards, the rotten aura swept towards Xu Ming like smoke and dust.

“What's the situation?” Xu Ming was a little confused.

Commander Cheng Chong, the ascetic, and the Danchen Mountain Master did it to himself, Xu Ming could still understand—for the sake of the two born with great luck!

And this ten-star **** who suddenly appeared out of nowhere, also did it to himself, which made Xu Ming a little confused!

“Who are you!?” Xu Ming shouted coldly.

“You don't need to care who I am, as long as you can die with peace of mind!” Xue Rong's expression was extremely indifferent.

Xu Ming suddenly faced the siege of four ten-star gods, and everyone's methods were different! – Cheng Chong's attack is a frontal crush, Xue Rong is a large-scale rotten breath coverage, the ascetic is a special attack method of air flow, and the Danchen Mountain Master is a poison dart sneak attack!

Faced with such a siege, Xu Ming just wanted to say – no pressure!

Xu Ming has “teleportation” hanging on, no matter how dense a siege is, he can easily dodge it!

“Brother Xu Ming!” At this time, Lu Shuai's voice transmission reminded, “This ten-star **** who just arrived is the Hall Master Xue Rong of the Holy Emperor Hall, and his strength is not inferior to Cheng Chong, you have to be careful!”

The Lord of the Holy Emperor Temple?

Xu Ming became more and more confused – when did he offend the Hall Master of the Holy Emperor again? As soon as the other party came up, indiscriminately, he launched an attack on himself.

Suddenly, Xu Ming remembered something: “I heard... the headquarters of the Holy Emperor Palace seems to be in the Holy Emperor City...”

At Xu Ming’s current level, of course there is a way to learn some information about the “Holy Emperor City”!

The Holy Emperor City should be the one with the most special status among the countless divine cities in the divine realm!

The condition for entering the Holy Emperor City is to have a ten-star medal first. As within the jurisdiction of the Golden Crow City, there are very few who are qualified to enter the Holy Emperor City!

Moreover, there are many experts in the Holy Emperor City. It is said that there are several even the emperor-level existence!

“The headquarters of the Holy Emperor Palace is in the Holy Emperor City... and Li Xiujie is from the Holy Emperor City!” Xu Ming seemed to have thought of something at once.

“Xue Rong!” Xu Ming shouted, “Did Li Xiujie tell you to kill me!”

“Huh!?” Xue Rong was taken aback, obviously he didn’t expect that Xu Ming could guess so quickly; however, Xue Rong still refused to admit it, “I don’t know what you are talking about!”

“Ha!” Xu Ming certainly caught the strangeness in Xue Rong’s expression.

Moreover, regardless of whether Xue Rong admits it or not, Xu Ming has already passed the “exploration” and found it, and his guess is correct!

“Li Xiujie, ah Li Xiujie!” Xu Ming had never seen such a villain’s enemy, “It seems that your heart is really immortal! But, how do you know that you can’t kill me no matter what? !”

Xu Ming’s deity, hiding in the independent space of the endless continent, is as stable as Mount Tai!

Whoosh! Whoosh! boom! ...

At this time, the four ten-star gods joined forces to attack Xu Ming again.

A playful smile flashed on Xu Ming's face, and he teleported directly behind an eight-star god; "100,000 times the combat power" plus "residual blood", instantly killed!

Swish!

After the instant kill, Xu Ming directly put away his world ring – the Eight-star God is very rich, of course he can't let go of his world ring!

Moreover, Xu Ming is fighting now, and the one who fights is the **** stone!

"Huh!?" Commander Cheng Chong was furious, "You dare to kill my subordinates!"

"Ha!" Xu Ming sneered disdainfully, "If you dare to besiege me, you must have the consciousness of death! – The one who just died is only the first one; soon, every one of you will be just like him!"

"Arrogant!" Cheng Chong cursed angrily.

Without Chengchong and the others, there is really no way they can take Xu Ming!

Xu Ming, who can teleport, is as slippery as a loach! Their attack could not fall on Xu Ming at all!

Now, Cheng Chong and others can only pray that Xu Ming's "teleportation treasure" will run out of energy quickly! – Teleport treasures can only be used after instilling energy in advance; when the energy is exhausted, teleport treasures are useless!

However, how did Cheng Chong and others know that Xu Ming did not have the "incomparably precious teleportation treasure" they thought!

Xu Ming's teleportation depends entirely on opening and hanging!

It is really expensive to open the “100,000 times combat power” link, but it is very cheap to open the “teleport” link! – With Xu Ming’s current financial resources, there is no pressure to teleport hundreds of times around the Golden Crow City!

Therefore, Cheng Chong and others who want to drag Xu Ming’s “teleportation treasure” to exhaustion will be disappointed after all!

Swish!

In the blink of an eye, Xu Ming appeared behind another eight-star god, and took it away with a pistol, and at the same time confiscated his world ring!

Swish! Swish! Swish! Swish! ...

Xu Ming was constantly teleporting, and every time he teleported, he would always take away the life of an eight-star god!

In the blink of an eye, one third of the eight-star gods who besieged Xu Ming died!

And Xu Ming’s slaughter road continues!

“Li Xiujie is cheating on me!” Xue Rong couldn’t help scolding inwardly, “That’s what he said, Xu Ming, who just came to God’s Domain!?”

Which **** who has just come to the realm of the gods can have such a strong strength? Killing the eight-star gods is one shot at a time!

“This Xu Ming is really teleporting endlessly...” Xue Rong was secretly depressed, “He doesn’t stop teleporting, I can’t attack him at all!”

Dozens of masters besieged Xu Ming, but they couldn’t even touch the corner of Xu Ming’s clothes. Instead, Xu Ming killed ten eight-star gods!

“kill!”

“kill!”

“kill!”

Xu Ming in an explosive state, killing the eight-star gods is as easy as chopping melons and vegetables!

There are also several eight-star gods who want to escape because they feel the danger; Xu Ming is of course the priority to take care of such opponents! – After all, escaping an enemy is escaping a world ring!

And Xu Ming would never allow the World Ring to escape!

After all, is it easy for Brother Ming to earn some divine stones to support the war?

...

Inside the Pavilion of Everything.

The real Chidao, who had been watching the battle in secret, finally couldn't stand it any longer.

“A bunch of rubbish!” Qi Dao Zhenren stood up, still looking like an immortal, but his eyes were full of killing intent, “I can't even handle a mere four-star god... hum! All right!”

Thinking about it, Master Qidao slowly walked out of the Pavilion of Everything.

In fact, Real Man Qidao really doesn't want to do it himself! Because, a person like him who cultivates “one way of cause and effect”, once he makes a move, he will be entangled with some mixed causal power; and these mixed causal powers will slightly affect his cultivation!
