

A World 971

Chapter 971: No Difficulty Tower

Talk about something in the realm of trouble?

Xu Ming was very interested to hear it.

“Do you know where the Realm of No Difficulty is?” the tablet spirit asked directly.

Xu Ming thought for a while and said, “The Realm of No Difficulty is a treasured cultivation place for the Heavenly Dao school, and a place of refuge!”

“Wrong!” Bei Ling said, “It’s all wrong!”

After a pause, the stele spirit continued: “The real use of the Wudi Stone is to allow the geniuses of the God Realm to come to the Wudi Realm. However, in the God Realm, the Wudi Stone is used as a life-saving treasure! – Many of those who come to the Realm of No Difficulty are not geniuses at all, but just come to take refuge!”

“As for the cultivation treasures of the Tiandao school you mentioned...” The tablet spirit said again, “The reason why everyone thinks so is that there are two inheritance monuments in this city without difficulty. However, have you ever thought about why only There are inheritance monuments at the star level and silver moon level, but there is no inheritance monument above the king level?”

“Um...why?” Xu Ming asked curiously, “Isn’t it because the heritage monument above the king level is too valuable?”

The stele spirit sneered: “Even if the value is high, for a great master, as long as he is willing to make it, he can make it! – The reason why there is no king-level inheritance stele is because the master hopes to come to the world of no difficulty. The gods, don’t be too old!”

“Oh...” Xu Ming nodded slightly.

Indeed, the gods of the star level and the silver moon level are generally much younger than the king-level existence!

And there is no king-level inheritance monument in the world of no difficulty, so naturally it will not attract the existence of the king-level.

The tablet spirit continued: “What is really precious in the world of no difficulty is not these two inheritance monuments at all, but the exit of the world of no difficulty – the tower of no difficulty!”

“No Difficulty Realm is a place where ‘it’s easy to come in and go out’! – If you want to leave the Realm of No Difficulty, you must at least pass through the third floor of the No Difficulty Tower! However, the rules of the No Difficulty Tower are extremely cruel; Even the masters of this class may not be able to pass the first floor!”

Xu Ming was a little shocked—even the tenth grade Yinyue might not be able to pass the first floor?

“What kind of strength do you need to pass through the third floor and leave the Realm of No Difficulty?” Xu Ming couldn’t help asking.

“Generally speaking, with the strength of a half-step king, you should be able to pass the third floor. However, if your opponent is strong, you may need the strength of the first-level king to pass!” said the monument.

Although, the king level exists, generally will not enter the free world; however, there are also some silver moon level masters, after entering the free world, break through to become the king level.

Therefore, in the world of no difficulty, there are still some king-level people!

“Oh... that’s fine!” Xu Ming thought to himself.

“With your talent, you can hone your skills in the Realm of No Difficulty, and it’s not difficult to pass the third floor of the No Difficulty Tower! But, what I want to say is...” After talking nonsense for a long time, the monument finally got to the point. “After passing the third floor, you must not leave the Realm of No Difficulty directly; I suggest you to challenge the fourth floor of the Pagoda

of No Difficulty!—In the Realm of No Difficulty, the truly precious inheritance is above the fourth floor of the Pagoda of No Difficulty; but , After endless years, no one can get that inheritance!”

Xu Ming’s eyes lit up – the words of the tablet spirit were completely deliberately tempting him to go to the fourth floor and above of the Tower of No Difficulties!

But... Xu Ming admitted that he was indeed attracted!

“Above the fourth floor of the No Difficulty Pagoda?” Xu Ming thought to himself, “I want to see, what precious inheritance is there!”

“By the way, the monument!” Xu Ming asked, “What kind of strength do you need to break through the fourth floor and above?”

“I don’t know about this...” The tablet spirit said, “However, as far as I know, breaking through the fourth floor and above seems to be linked to age; the younger you are, the easier it is to break through the fourth floor and above!”

“Eh?” Xu Ming’s eyes lit up again.

The younger you are, the easier it is to break into the fourth floor and above? —Xu Ming just wanted to say, with his “Fangling” who is less than a hundred years old, when he went to the fourth floor and above of the Tower of No Difficulties, did he have to “lie down”?

Next, the tablet spirit chatted with Xu Ming about some things in the world of no difficulty.

The Realm of No Difficulty is mainly divided into three areas – the City of No Difficulty, the Continent of Suffering, and the Tower of No Difficulty.

Wudi City is where Xu Ming is now. It is strictly forbidden to do anything in Wudi City; anyone who dares to do it will be killed by the formation in Wudi City!

Outside Wudi City, is the vast Continent of Suffering. In the Continent of Suffering, it is not forbidden to fight; at the same time, there are countless opportunities waiting for the experiencers to obtain.

At the end of the Continent of Suffering is the exit of the Realm of No Difficulty – the Tower of No Difficulty.

When the chat was almost over, it was almost time for Xu Ming to leave the Heritage Monument!

“Okay, get ready, get ready to leave the inheritance monument!” The monument said, “We’ll... say goodbye!”

The inheritance monument that Xu Ming has entered now is a star-level inheritance monument; and Xu Ming’s cultivation base has broken through to the silver moon level, and he will naturally not be able to enter this star-level inheritance monument next time.

Therefore, the stele spirit said “farewell”, which is not wrong at all. But, it always sounds weird.

“Hey! Wait!” Xu Ming suddenly shouted, “That’s not right!”

“What’s wrong?” The monument asked curiously.

“In the inheritance monument, the time for an inheritance is two hours, right?” Xu Ming asked.

“good!”

“But...” Xu Ming said, “I only accepted the inheritance for about an hour, and then I have been chatting with you! The time in the inheritance monument is so precious, you actually took me and chatted for an hour – this chatter One hour, don’t tell me, you also count my inheritance time?”

“I...” Stele Spirit was speechless, “But, the inheritance you accepted in this one hour is much better than the inheritance of others in ten hours!”

“This is because my talent is good!” Xu Ming said boldly, “If I accept another hour of inheritance, my strength will definitely be stronger!”

The tablet spirit heard Xu Ming’s meaning a little, and said directly: “Just say, what do you want?”

“Hey!” Xu Ming smiled, “No matter what, you should compensate me for half a free inheritance opportunity?”

“I knew you were going to say this!” The stele snorted, “Forget it, forget it, my inheritance this time doesn’t count the number of your inheritances, okay?”

“Alright! Alright! Alright!” Xu Ming nodded as if pounding garlic. Of course it’s OK! – This inheritance, let his cultivation level go straight from the demigod to the silver moon level, not counting the number of inheritances! In this way, Xu Ming can go to the Silver Moon Grade Heritage Monument next door and receive another inheritance for free!

Whoa!

At this moment, two hours have just arrived.

A strange wave swept through Xu Ming and sent him out of the inheritance monument.

The stele spirit watched Xu Ming leave, and smiled secretly in his heart: “This kid, the genius of the monster, I have never seen it before! Moreover, he is still so young; maybe, he can really get the real inheritance left by the master. ...I give him some small conveniences within the scope allowed by the rules, it doesn’t matter!”

Yes, this inheritance opportunity was deliberately given to Xu Ming by the stele spirit.

However, it’s not that you can give it if you want to; like this time, Xu Ming really only accepted the inheritance for about an hour, so the number of inheritances of the stele was not counted. Otherwise, even if the monument wants to send small benefits, it will not be able to send it.

Chapter 972: Provocative

Outside the Inheritance Monument, hundreds of gods have been surrounded by this time.

There are many gods who were not here before; however, when I heard that a peerless monster was born, they all came to watch.

“Really? A demigod became a ten-star ***** after only one inheritance?”

“Of course it’s true! We’ve all seen it with our own eyes, how can it be fake!”

“This is too evil, isn’t it?”

“There should be a limit to evildoers! How could there be such evildoers?”

“unbelievable!”

The masters who have been in the Realm of No Difficulty for a long time can’t believe that this is true.

only...

The star-level inheritance monument can only show the cultivation base of ten-star gods at the highest. Therefore, these onlookers still don’t know that Xu Ming’s real cultivation base is not a ten-star god, but a Yinyue rank one!

A demigod, one inheritance, to be precise, half an inheritance, directly broke through to the first rank of Yinyue! —How appalling!

And now, this appalling thing is about to be revealed in front of all the onlookers!

...

“It will be two hours soon, he is about to come out!” Yue Xiaoxian stared at the inheritance monument, his eyes were full of killing intent – he couldn’t bear it, his enemy was so powerful!

The slender figure who had been making things difficult for Xu Ming also had a cold stern look in his eyes: “Since everyone has been offended, the best solution is to make him dead!”

No matter how perverted the monster, as long as he dies, he is nothing!

Suddenly, the lean figure sent a voice transmission to Yue Xiaoxian: “Brother Yue, I think you have a grudge against this Xu Ming, right?”

Yue Xiaoxian looked at the lean figure, and the two of them tacitly sneered.

At this moment, a figure was walking out of the star-level inheritance monument.

“coming!”

“Out!”

“What kind of peerless evildoer is he?”

All eyes were suddenly focused on this handsome figure; everyone wanted to look at him, what a demeanor of a peerless evildoer.

Then, almost at the same time, everyone’s eyes were stunned!

Incredibly unanimous!

“what!?”

“Didn’t you say it’s a ten-star god? Why is it a silver moon?”

“I was a demigod before I went in? After two hours, I became a silver moon when I came out?”

“how is this possible?”

In the minds of all the onlookers, three words roared—impossible!

However, the reality is clearly in front of them. No matter how they can’t believe it, they can only believe it’s true!

“What kind of qualification is this!”

“It’s outrageous!”

The aptitude of an ordinary genius makes people jealous; the aptitude of a super genius makes people look up! And something like Xu Ming has already made it difficult to even look up! – They can’t look up at all, how unbelievable Xu Ming’s aptitude is!

“If such aptitude spreads out, I am afraid that even the entire Divine Realm will be a sensation!”

“It must be a sensation!”

“With his enchanting aptitude, he will become an emperor-level existence in the future, and there is no suspense! It is even possible to surpass an emperor-level existence!”

All the onlookers, looking at Xu Ming, were filled with deep awe.

When Xu Ming walked out of the inheritance monument, the onlookers could not help but retreat for a distance; it was as if there was a halo around Xu Ming, preventing them from getting close.

“Xu... Xu Ming...” Xiong Shan looked at Xu Ming in disbelief; how could he have thought that he had accidentally met such a super evildoer.

“Xiong Shan!” Xu Ming smiled and said, “I just broke through and urgently need to find a secluded place to retreat and practice, so I won’t tell you!”

“Go to retreat, don’t worry about me!” Xiong Shan said excitedly – he did not expect that Xu Ming, a peerless evildoer, would be so kind to himself; this made Xiong Shan feel a little flattered.

Xu Ming cupped his hands again, separated the crowd, and left quickly.

There are many quiet empty houses in Wudi City; therefore, Xu Ming is not worried that there is no place to retreat.

After Xu Ming left, the gods onlookers cast their awe-inspiring gazes in the direction of Xu Ming's departure – this is a genius to the point of fear!

...

Consolidating his cultivation was not difficult for Xu Ming.

Three days later, Xu Ming had completely consolidated his cultivation. His strength has also increased a little, and it is more powerful than when he just broke through!

“Cool!”

The feeling of soaring strength is really cool!

“I have another chance to inherit for free! When I accept the inheritance of the Silver Moon, my strength should be able to soar again!”

Thinking about it, Xu Ming pushed the door and went out.

However, just as he pushed open the stone door and removed the isolation formation in the room, Xu Ming saw a figure he didn't want to see.

“Yue Xiaoxian!”

Xu Ming narrowed his eyes slightly: “What are you doing here?”

“Xu Ming!” Yue Xiaoxian said with a sneer, “It's amazing! When you first came to the Realm of No Difficulties, you were brilliant! Now, in the entire City of No Difficulties, I'm afraid no one doesn't know you, Xu Ming, right?”

“You are here just to talk nonsense?” Xu Ming snorted coldly.

“No no no!” Yue Xiaoxian looked gloomy, “When I was in the Yanyan Mountain, I heard that you like to slap! So now, I’m here to taste it, what does your slap feel like!”

With that said, Yue Xiaoxian put his face close to Xu Ming, and pointed his finger at his own face, provocatively said, “Come on! Give me a try!”

Actively looking for a draw?

Xu Ming’s eyes narrowed into slits, and he shot with murderous intent.

However, Xu Ming didn’t think that Yue Xiaoxian came to take the initiative to find a lottery!

“In Wudi City, there is a formation to monitor; whoever dares to do it in the city will be killed! This Yue Xiaoxian, I am afraid that he wants me to act on him on impulse; in this way, I will be killed!” Xu Ming thought to himself.

“What, Xu Ming? My face is close, don’t you dare to smoke?” Yue Xiaoxian provoked again.

“Haha!” Xu Ming sneered disdainfully, “Yue Xiaoxian, don’t think I don’t know what you’re trying to do! – Smack you? You dirty my hands!”

After speaking Xu Ming ignored Yue Xiaoxian and walked away.

Yue Xiaoxian’s eyes were on fire, and his blue veins burst out: “This kid, he was not fooled! It seems that it is not so easy to kill him!”

Xu Ming walked towards the square of Wudi City.

But after walking for a long time, I saw another figure that I didn’t want to see – it was the slender figure “Ying Yao” who had been making things difficult for Xu Ming.

Ying Yao walked up to Xu Ming and provocatively said: “Xu Ming, right? – After you came to the Realm of No Difficulty, you offended me everywhere; before you were only a demigod, my lord doesn’t remember villains, and I don’t care about you! Now, you are already at the silver moon level, can you dare to go out of the city with me and settle the grievances between us?”

“I offend you everywhere?” Xu Ming looked at the lean figure in disbelief – it was obviously the other party, so he offended Xu Ming everywhere, okay? Now, he even went to Xu Ming, and to say such a thing, he is really thick-skinned!

Ying Yao continued provocatively: “You dare to be arrogant in front of me, don’t you even have the courage to leave the city now?”

Chapter 973: Silver Moon Grade Inheritance Monument

“You dare to be arrogant in front of me, don’t you even have the courage to leave the city now?” Ying Yao continued to provoke.

“Want me to leave the city?” Xu Ming sneered.

“Do you dare?” Ying Yao looked directly at Xu Ming.

“I don’t want to waste time on you! I’ll keep you alive for a few more days, don’t rush to find death!”

After speaking, Xu Ming didn’t look at the other party’s ugly face, and left.

Want to die?

It also depends on whether Brother Ming has time to kill you!

Brother Ming is now preparing to go to the Silver Moon Grade Inheritance Monument, accept the inheritance, and improve his strength; how can he be willing to delay his own strength improvement because of such a trivial matter as “killing Yingyao”?

Besides...

Xu Ming concluded that either Ying Yao or Yue Xiaoxian, since he wanted to “seek death”, he would definitely not give up! After a few days, they will still come together to die!

That being the case, Xu Ming will kill them in a few days!

...

Not long after Xu Ming left.

“Ying Yao, what’s the matter?” Yue Xiaoxian came over and said in a low voice, “He dare not go outside the city?”

“Yes! This cowardly bastard!” Ying Yao cursed bitterly, his face twisted, and then said, “What about you just now? Didn’t you trick him into attacking you?”

“He’s not that stupid yet!” Yue Xiaoxian snorted.

“Then what should we do now?” Ying Yao asked again.

“Wait!” Yue Xiaoxian’s eyes were cold, “I don’t believe it, he will never leave Wudi City! – As long as he leaves the city, he has just broken through to the silver moon level, and we want to kill him, as if to death As easy as an ant!”

“Yes!” Ying Yao also showed a ruthless expression.

Both are very ruthless and decisive! Since you have already offended Xu Ming, then you will do nothing and kill Xu Ming, otherwise everything will be gone! – No matter how unparalleled the world is, as long as he dies, he is nothing!

However, neither Yue Xiaoxian nor Ying Yao can imagine how strong Xu Ming is!

When they went to kill Xu Ming, it was like an egg hitting a stone!

...

Soon, Xu Ming came to the heritage monument.

Outside the Silver Moon Grade Heritage Monument, there is a powerful master waiting in line. And the star-level inheritance monument, still no one cares.

After all, in the Realm of No Difficulty, the star-level gods are very few; the vast majority are silver-moon-level masters.

Xu Ming glanced at this stern master, slightly surprised – this master has the strength to become a king in half a step! Such strength, even in the world of no difficulty, is top notch!

The sharp master also saw Xu Ming, and there was a rare smile on his cold face: “Brother Xu Ming, hello!”

“Huh?” Xu Ming was slightly startled – the other party actually recognized him!

“Are you...?” Xu Ming also asked politely.

“Let’s go to the ‘No Difficulty Alliance’ Yan Xu!” The stern master’s attitude is quite low – although in his opinion, Xu Ming’s current cultivation base is far inferior to himself; however, he knows very well how evil Xu Ming’s talent and aptitude are. , surpassing him is probably only a matter of time.

Therefore, Yan Xu completely regarded Xu Ming as a person of the same level as himself; even, he was even slightly better than him!

No Difficulty Alliance?

Xu Ming had just arrived, and of course he had never heard of this force. However, if Xu Ming thought about it with his toes, he could guess that this should be one of the top “civil forces” in the world of Wu Difficulties; otherwise, it would be impossible to name it with the words “Alliance Without Difficulties”!

“It turned out to be Brother Yan Xu!” Xu Ming shook hands.

“Brother Xu Ming, do you also want to enter this Silver Moon Grade Heritage Monument?”

“Yes!” There is nothing to hide.

“Oh...” Yan Xu didn’t ask more. In his opinion, Xu Ming’s aptitude is so evil, and it’s normal to be rewarded with a chance to inherit. It’s not surprising.

“By the way, Brother Xu Ming, since you also want to enter the Silver Moon Grade Heritage Monument, you should come first!” Yan Xu made a “please” gesture.

“No no no!” Xu Ming was taken aback – this is too enthusiastic!

He quickly declined and said, “First come, first come, I’ll be in line behind Brother Yan Xu!”

Yan Xu shook his head and said with a smile, “I suddenly don’t want to enter the Silver Moon Grade Heritage Monument today, brother Xu Ming, I’ll go first!”

Saying that, Yan Xu actually folded his fists and walked away.

“Uh...” Xu Ming had no choice but to stand beside the inheritance monument. However, Xu Ming remembered Yan Xu’s little favor; if the other party had any difficulties in the future, as long as it wasn’t too troublesome, Xu Ming would still be willing to help a little.

After about two quarters of an hour, the master who was originally in the Silver Moon Grade Heritage Monument came out.

Xu Ming and the other party nodded slightly and said hello, and then directly entered the interior of the Silver Moon Grade Heritage Monument.

Soon, Yan Xu ran back to the inheritance monument.

He looked at the Silver Moon Grade Inheritance Monument and thought to himself, “I wonder if Xu Ming will create any miracles this time!”

Yan Xu wanted to see if Xu Ming would create any miracles; as for him accepting the inheritance, he wasn’t interested at the moment.

“Now, Xu Ming’s cultivation is the first grade of Yinyue!” Yan Xu looked at the silver-moon-level inheritance monument that only lit up a section, and waited silently.

...

Inside the Silver Moon Grade Heritage Monument, there is an empty void, like a starry sky.

“Huh?” Xu Ming looked around, this place was very different from the star-level inheritance monument.

“How will the inheritance begin?”

Xu Ming was curiously looking forward to it. Suddenly, hundreds of millions of stars in the surrounding starry sky sprinkled on Xu Ming.

Xu Ming’s whole person, wrapped in hundreds of millions of stars, shone brightly.

“The vast order of the universe...” Xu Ming felt the hundreds of millions of stars around him in horror.

Each of these billions of stars is more vast and complex than the nine heavens combined. And there are hundreds of millions of stars like this, and they are only the cosmic order of the silver moon level, and there is no one above the king level; it can be seen that the cosmic order is much more complicated than the nine heavens!

The order of the universe is more direct to the essence of this world than the nine heavens!

Xu Minglian felt these starlights attentively looking for the fit point between himself and these starlights.

“Break the law with force...”

If you want to truly break the law with force, you must not only possess the power that is tyrannical to the extreme, but also understand some of the mysteries of “law”.

Knowing what is “law” and what is order will make it easier to break it.

“So vast! So mysterious!”

Unconsciously, Xu Ming was immersed in the mystery of the order of the universe; a wise smile appeared on his face.

“How can I use the mystery of the universe order to enhance the power of my ‘fire of heaven’?”

Here in Xu Ming, the power of the Heavenly Dao of Fire has been cultivated by him to a realm beyond order! The Heavenly Dao of Fire under his control will be able to break the law with force and break the order of the universe.

even...

One day, we will be able to break through this universe!

Chapter 974: Leave

No trouble city.

Inheritance monument.

Yan Xu looked expectantly to see if Xu Ming would create another miracle in the Silver Moon class inheritance.

“Silver Moon-level inheritance is much more obscure and esoteric than Star-level inheritance; Yinyue 1st rank to Yinyue 2nd rank is even more difficult than 1-star gods to ten-star gods!” Yan Xu thought to himself, “I don’t know, Can Xu Ming be promoted to the second rank of Yinyue if he inherits it once...”

In Yan Xu’s opinion, if Xu Ming can really pass the inheritance once and be promoted to the second rank of Yinyue, it is even more terrifying than directly breaking through from a demigod to the first rank of Yinyue!

After all, the mysteries of the Heavenly Dao contained in the Silver Moon Grade are too vast and profound! Compared with the star level, it is more than a hundred times a thousand times more profound!

“In the beginning, when I upgraded from the first-grade Yinyue to the second-grade Yinyue, I used up ten inheritances!” Yan Xu said to himself.

And Yan Xu’s results are already very good!

Soon, two quarters passed.

The Silver Moon Grade Inheritance Monument remained unresponsive, and only displayed the first grade of the Silver Moon.

Yan Xu watched calmly—this situation was completely within his expectations.

However, when the fifth quarter of an hour passed.

boom!

The second segment of the Silver Moon Grade Inheritance Monument also lit up.

“The second paragraph is on?”

“Second Grade Silver Moon!?”

Yan Xu was extremely shocked—it was only five quarters of an hour, and Xu Ming actually arrived at the second rank of Yinyue!

This greatly exceeded Yan Xu’s expectations!

You know, one inheritance, but two hours, sixteen quarters of an hour! —Yan Xu was still thinking about whether Xu Ming could be promoted to the second rank of Yinyue in one inheritance; but now he saw that Xu Ming completed the promotion in only five quarters of an hour!

“Too perverted...” Rao Shiyan Xu didn’t want to compare Xu Ming at all, but seeing Xu Ming so perverted, he couldn’t help but sigh.

“Wouldn’t he... be promoted to the third rank of Yinyue after one inheritance?” Yan Xu couldn’t help thinking in horror.

time flies.

After two hours, when Xu Ming came out of the Silver Moon grade inheritance monument; Yan Xu was completely numb.

“Silver Moon Fourth Grade...” Yan Xu looked at Xu Ming, looking at a pervert.

A super pervert!

In just two hours, it has soared from the first rank of Yinyue to the fourth rank of Yinyue... Fortunately, there are not many gods next to the inheritance monument, otherwise, it will definitely cause a sensation again.

“Brother Xu Ming...” Yan Xu didn’t know what to say anymore.

Xu Ming’s strength soared and he was in a good mood; he smiled and looked at Yan Xu: “Huh? Brother Yan Xu, why are you still here? -Are you going to enter the inheritance monument?”

Yan Xu smiled bitterly and said, “My mood is too shocking right now, I’m not at all calm, and it’s not suitable for entering the Heritage Monument at all...”

“Cough cough!” Xu Ming was embarrassed – I really didn’t mean to shock you!

Yan Xu calmed down his shocked mood a little, and looked at Xu Ming sincerely: “Brother Xu Ming, I invite you to join our No Difficulty Alliance!”

Join the Wu Difficulty Alliance?

Xu Ming thought for a while, then shook his head and said, “Thank you, Brother Yan Xu, for your kindness, but I don’t need it anymore!”

“Brother Xu Ming!” Yan Xu hurriedly said, “I admit, your talent is very enchanting, and you will definitely become a superpower on the side of Megatron in the future; therefore, you may not necessarily see us as the All-Difficult Alliance! However, Xu Ming Brother, I have to remind you; in the Realm of No Difficulty, if you don’t join a certain faction, it will be very difficult to mix!”

Xu Ming smiled and said, “Brother Yan Xu, you may have misunderstood. I don’t mean to dislike your Wu Difficulty Alliance! It’s just... I should be leaving the Wudi Realm soon!”

“What!?” Yan Xu looked at Xu Ming in shock, “Brother Xu Ming, you have just come to the Realm of No Difficulties, and you are leaving? – This City of No Difficulties is the cultivation treasure of the Heavenly Dao School; if you leave, you will never return. No more! Moreover, if you want to leave the Realm of No Difficulty, you must have at least the strength of a half-step king; although your talent is enchanting, your current strength...”

“Haha, Brother Yan Xu, I understand everything you said!” Xu Ming said, and stopped talking.

Of course Xu Ming understood.

It is true that the City of No Difficulty is the cultivation treasure of the Heavenly Dao school; but the problem is that the number of inheritances of the inheritance monument is too difficult to obtain! —According to Xu Ming’s knowledge, it would take at least a thousand years to obtain an inheritance count!

A thousand years... For other gods, of course, it is nothing, it is simply a matter of flick of the finger; but for Xu Ming, it is too long!

You must know that Xu Ming has practiced until now, but it has not even been a hundred years!

and!

Xu Ming has to rush to the Holy Emperor City to find Yin Ran! A thousand years is too long, he can't wait at all!

Since it is impossible to get the next chance of inheritance, it is meaningless for Xu Ming to continue to stay in the world of no difficulty. It is better to leave early!

As for the strength needed to leave the Realm of No Difficulty... Xu Ming doesn't have to worry about it at all! After Xu Ming's strength has soared again, even at the king level, he is not weak!

"You all understand?" Yan Xu sighed and didn't say anything more. But in his opinion, Xu Ming is too arrogant!

...

Xu Ming stayed in Wudi City again for half a month. After consolidating his strength by leaps and bounds, he quietly left the city.

The exit of the Realm of No Difficulty is in the "Tower of No Difficulty". And if you want to reach the Tower of No Difficulty, you must first pass through the entire Continent of Suffering!

"Xiong Shan is not in the city..." Xu Ming originally wanted to say goodbye to this new friend; however, the other party was not in the city, and Xu Ming could not contact him, so he had to leave a letter as a farewell.

When walking out of the city gate, Xu Ming noticed two small tails behind him.

"Oh! These two people, as expected, can't help but want to die!"

These two little tails are not Yue Xiaoxian and the lean figure "Ying Yao", who else could they be?

The two consecutive provocations had already provoked Xu Ming's killing intent. Now that Xu Ming is about to leave the Realm of No Difficulty, of course he doesn't mind fulfilling their wish to die.

Xu Ming pretended not to notice the two of them, and walked out of the City of No Difficulties calmly.

...

“He’s out of town!” Yue Xiaoxian’s eyes were narrow and murderous.

“Yes!” Ying Yao said coldly, “Are we going to kill him now?”

As long as you leave the area of Wudi City, you can’t help but kill again.

“No hurry!” Yue Xiaoxian raised his mouth slightly and sneered, “Since he has walked out of the city of no difficulty, he will surely die! But... I won’t let him die so easily! When he is farther away from the city, I will have to torture him and kill him to vent my anger!”

“Jie Jie Jie Jie!” Ying Yao also sneered.

...

“Oh? Brother Xu Ming is out of the city?” When Yan Xu got the news, he hesitated for a while, and got up and left Wudi City.

In Yan Xu’s view, with regard to Xu Ming’s cultivation, I am afraid that he will be “distressed” on the Continent of Suffering before he even arrives at the Tower of No Difficulty. When Yan Xu went out of the city, he was actually preparing to protect Xu Ming secretly.

Chapter 975: What’S The Last Word

call out-

A stream of light quickly crossed the sky above the Continent of Suffering; it was Xu Ming who was heading to the Tower of No Difficulty. This article is hosted by www.lwxs520.com starter

“The Continent of Suffering... It seems that there is no hardship in sight!”

Xu Ming flew all the way and saw nothing but the endless gray-brown earth. This made Xu Ming unable to help but wonder – the continent of suffering! What about the ordeal?

“But...” Xu Ming glanced behind him, “These two little tails are really annoying!”

Xu Ming didn’t fly fast.

Behind him, Yue Xiaoxian and Ying Yao followed Xu Ming unhurriedly. As they followed, the two of them shouted, “Xu Ming, run! Run!”

“Jie Jie Jie! Run fast! Otherwise, when we catch up with you, it will be your death!”

“Ha ha ha ha!”

Yue Xiaoxian and Ying Yao both looked like they were determined by Xu Ming, as if they were playing a game of cat and mouse.

“Two idiots!” Xu Ming shook his head and chuckled, “They thought they were cats!”

Xu Ming glanced at the surrounding terrain: “This place is very far from Wudi City, and there are mountains and forests below – choose this place!”

Swish!

Suddenly, Xu Ming stopped.

call out! call out!

Yue Xiaoxian and Ying Yao flew to both sides of Xu Ming in the blink of an eye.

“Run! Why didn’t you run?” Ying Yao looked at Xu Ming and sneered.

Yue Xiaoxian also looked at Xu Ming intriguingly: “What? Knowing that he can’t run, so he took the initiative to stop and die?”

Xu Ming glanced at the ignorant two and smiled: “Do you have any last words?”

Do you have any last words?

When Ying Yao heard the words, he was stunned for a moment, then furious: “Boy, you are already dying, how dare you be arrogant!”

“Humph!” Yue Xiaoxian also snorted coldly, “I don’t know what’s dead or alive, and my mouth is mad!”

Xu Ming was expressionless, not angry at all – these Yue Xiaoxian and Ying Yao are dead! And two dead people, what’s there to be angry about?

In a dark place not far from Xu Ming, a hidden figure quietly paid attention to the situation on Xu Ming’s side.

This hidden figure was Yan Xu who kindly followed to protect Xu Ming.

Yan Xu listened to Xu Ming’s conversation, and was speechless in his heart: “How arrogant... Brother Xu Ming is a silver moon fourth rank, and now facing a silver moon sixth rank and a silver moon eighth rank, how dare you be so arrogant ...”

In Yan Xu’s view, Xu Ming, who is only the fourth rank of Yinyue, naturally cannot be the opponent of any of Yue Xiaoxian and Ying Yao.

“Could it be...” Yan Xu suddenly thought, “Could it be that Brother Xu Ming already knew that I was protecting him secretly, so he was so reckless?”

After thinking about it, Yan Xu felt that it should be impossible: “Even the two masters of Yinyue 6th rank and Yinyue 8th rank will definitely not be able to find my track; what’s more, it’s only Brother Xu Ming of Yinyue 4th rank. !”

However, where did Yan Xu think that Xu Ming had discovered him as early as the moment he left the city. As for Yan Xu, he didn't even know that Xu Ming had always locked him in.

"Xu Ming!" Yue Xiaoxian sneered, "Originally, I wanted to wait for you to escape for a while, and then I would take action against you! Since you took the initiative to stop and seek death, then I will send you on the road as soon as possible!"

"Stop and seek death?" Xu Ming smiled, "Yue Xiaoxian, why don't you think about it, why am I so calm?"

Yue Xiaoxian sneered disdainfully: "It's just a bluff! – Anyway, you will die today! After you die, no matter how evil your talent is, it doesn't make any sense! Hahahaha..."

Xu Ming smiled without saying a word – really ignorant!

"Boy!" Ying Yao shouted, "You're already dying, you can still laugh? I hope you can continue to laugh after I take action!"

With that said, Ying Yao was about to kill Xu Ming.

And right now!

rumbling...

The gray-brown ground beneath Xu Ming suddenly trembled.

"What's going on?" Xu Ming was a little puzzled, "There seems to be something going on in the ground?"

However, the rock of the Torment Continent has a strong barrier to the spiritual power; Xu Ming also cannot penetrate the spiritual power to the ground to see what happened.

On the other hand, Yan Xu, who was hiding in the dark, flashed a hint of surprise in his eyes: "It's a coincidence that someone has endured hardship here!"

The suffering continent is vast. Where Xu Ming stopped casually, it happened that someone was going through hardships. It was indeed a coincidence.

Click!

Click!

Suddenly, the ground of the Tormented Continent cracked open. Immediately afterwards, a figure rushed out from the cracked ground.

“Huh?” Xu Ming took a closer look and couldn’t help but be taken aback, “Isn’t this Xiong Shan?”

“Uh?” Xiong Shan had just been freed from the ordeal underground, and his mind was still a little confused. Looking at Xu Ming, Yue Xiaoxian, and Ying Yao above his head, he couldn’t help but wonder why they were here.

“Brother Xu Ming?” Xiong Shan flew to Xu Ming’s side, “Are you...?”

“Haha, Brother Xiong Shan!” Xu Ming smiled, “I couldn’t find you in the city, so you came here!”

“Brother Xu Ming, the two of them?” Of course Xiong Shan knew about the feud between Xu Ming, Yue Xiaoxian, and Ying Yao, and he said worriedly, “Hurry up and escape to Wuyan City, and I’ll help you stop for a while! ”

“Oh?” Xu Ming glanced at Xiong Shan somewhat unexpectedly.

He did not expect that this friend who had met by chance would be willing to stand up at such a critical juncture; this moved Xu Ming very much.

However, Xu Ming smiled and said, “Don’t worry! Before I left the city, I knew they were following me! Just the two of them can’t help me!”

Only then did Xiong Shan realize that Xu Ming’s cultivation was already the fourth grade of the Silver Moon.

While secretly shocked, Xiong Shan continued: “Brother Xu Ming, the speed of your cultivation is really terrifying; but, you are only the fourth rank of the silver moon, how could it be the sixth rank of the silver moon, or even the silver moon? Yue Bapin’s opponent? – Run away!”

“Xiong Shan!” At this moment, Yue Xiaoxian shouted, “Now, it’s a personal grievance between us and Xu Ming! If you leave immediately, I will not deal with you; but if you continue to stand beside Xu Ming, we will have to kill you together. !”

Xiong Shan ignored Yue Xiaoxian, but voiced Xu Ming more and more anxiously: “Xu Ming, hurry up! Before they are prepared, I can stop them for a while; otherwise, you will have no hope of escaping!”

Xu Ming took a deep look at Xiong Shan, and said with a loud laugh: “Xiong Shan, I remember your favor! But don’t worry, just the two of them are far from being able to deal with me!”

“Hahahaha...” Yue Xiaoxian and Ying Yao seemed to have heard some big joke.

“Xu Ming, you are more arrogant than I thought!” Yue Xiaoxian sneered.

Ying Yao even punched Xu Ming directly: “I’m too far behind to deal with you? – I want to see if my punch can knock you down!”

Chapter 976: Too Weak!

boom!

Ying Yao’s punch turned all the nine heavenly ways into “the heavenly way of Yang”, and even some orderly power was gathered in it; the power of one punch far exceeded the realm of breaking the law with force.

“Huh?” Xiong Shan’s face changed suddenly, and then he reflexively met Ying Yao, and at the same time even shouted through voice transmission, “Brother Xu Ming, run away! I’ll block him for a moment!”

“Haha!” Xu Ming smiled happily, this Xiong Shan is really a good friend.

“Brother Xiong Shan, don’t panic!” Xu Ming’s palm lightly placed on Xiong Shan’s shoulder.

With such a light touch, Xiong Shan felt that the power of the whole person seemed to have disappeared.

“This...” Xiong Shan was shocked and confused again. Between the lights and flints, he couldn’t figure out what secrets were hidden in Xu Ming’s palm.

Immediately afterwards, Xu Ming gently pulled Xiong Shan back and pulled him behind him. Afterwards, Xu Ming’s other palm, like slapping a mosquito, slapped Ying Yao, who didn’t know whether to live or die.

“Huh?” Seeing that Xu Ming dared to care so much, Ying Yao couldn’t help but look ferocious, “Looking for death!”

“Kill!” Ying Yao arrogantly killed Xu Ming.

Xu Ming was extremely calm, and his palm instantly became bigger than a human being. His palm patted Ying Yao “gently”.

Snapped!

Ying Yao’s divine body was shattered by a palm. Every particle of the divine body suffered annihilation at the particle level—how tough the sixth-grade Yinyue divine body was; however, it couldn’t stand Xu Ming’s palm.

Only one fight, Ying Yao, die!

“What!?” Yue Xiaoxian was extremely shocked.

“What!?” Xiong Shan was also shocked.

“What!?” Yan Xu, who was hiding in the dark, was even more horrified, “Destroying the sixth rank of Yinyue with one palm... Although I can do it, I can’t do it as easily as Brother Xu Ming!”

“Xu...Xu Ming!” Xiong Shan was completely stunned. His god-level was originally a bit rough; now it is even more unimaginable why Xu Ming, the fourth-grade Yinyue, could kill the sixth-grade Yinyue with one palm.

“Hey—” Yue Xiaoxian was frightened and frightened—he couldn’t kill Yinyue Rank 6 with one palm, but Xu Ming did it; does this mean that Xu Ming’s strength is stronger than him?

“Impossible! Impossible!” Yue Xiaoxian roared frantically in his heart, and the cold long sword in his hand was killing Xu Ming directly.

The corner of Xu Ming’s mouth evoked a sneer of disdain. Then, he stretched out ***** in the shape of scissors.

call out-

Yue Xiaoxian’s long sword turned into a gloomy poisonous snake and instantly came to Xu Ming’s eyes.

Xu Ming was not in a hurry, his ***** pointed at the long sword, and he clamped it very calmly.

“Looking for death!” Yue Xiaoxian’s face was hideous – in his opinion, even if Xu Ming’s strength was stronger than his, but to make such a response, it was an act of courting death.

Immediately after...

Bang!

Yue Xiaoxian only felt a sudden pain in the palm of his hand, and then he found that his sword was caught by Xu Ming’s two fingers!

“what!?”

This scene was even more shocking and eye-popping than when Xu Ming killed Ying Yao with one palm.

“How is that possible!?” Yue Xiaoxian couldn’t believe it – he was a dignified silver moon eighth-rank, but his full blow was actually caught by Xu Ming, a silver moon fourth-rank, with two fingers!

This is simply a disgrace!

Xu Ming was expressionless, shook his head and sighed: “It’s too weak! It’s even weaker than the top silver-moon-level beings I killed on Xingluo Island...”

At this time, Yue Xiaoxian suddenly showed a horrified expression: “Not good!”

Immediately, Yue Xiaoxian hurriedly turned around and fled, not even throwing away the weapon caught by Xu Ming. He was completely frightened by Xu Ming’s strength. At this moment, he only had one thought – escape!

“Want to escape?” Xu Ming sneered.

Although Xu Ming’s cultivation is only the fourth rank of Yinyue; at least, his strength is comparable to the “middle-level king”! —Let alone Yue Xiaoxian, even the original owner of Xingluo Island, the “King of Xingluo”, would not be able to escape in front of Xu Ming!

“It would be a joke if you escaped!” Xu Ming’s eyes suddenly became strange.

call out!

A silent soul attack instantly disappeared into Yue Xiaoxian’s body.

Bang!

Yue Xiaoxian’s soul was directly shattered! – Although his divine body is still intact, his soul is shattered, and he can no longer die!

“Too weak...” Xu Ming couldn’t help shaking his head.

Although, soul attack is not Xu Ming's strong point. However, Xu Ming's strength is strong enough, coupled with the fact that he has created his own emperor-level secret skills, and the fighting level is also high enough; so, even if it is not a strong point, it is an easy thing to kill a Silver Moon 8-Rank who is much weaker than himself!

"Finally, these two annoying flies have been dealt with!" Xu Ming had never paid attention to the two of them.

"Xu...Xu Ming?" Xiong Shan looked at Xu Ming with a feeling that his brain was not enough, "Xu Ming, your Heavenly Dao Liu clone was only a demigod not long ago, right?"

Xu Ming smiled and said, "Don't you know?"

"I know! But... I can't believe it!" Xiong Shan's expression was very exciting, "Not long ago, he was only a demigod, and in a blink of an eye, you can kill Yinyue Eighth Grade..."

Xu Ming smiled and said, "I have some luck, so it's special!"

"Your fortune... is too perverted!" Xiong Shan didn't ask much, he knew that every cultivator has his own secrets. And Xu Ming's encounter must be his big secret.

"Haha!" Xu Ming smiled, and then turned towards the surrounding void, shouting loudly, "Brother Yan Xu, since you're here, why don't you come out and see?"

"Yan Xu?" Xiong Shan had obviously heard of Yan Xu's reputation. After all, Yan Xu's reputation in the world of no difficulty is still very loud.

"Hahahaha..." There was a loud laugh in the distance, and then a figure emerged from the shadows, it was Yan Xu, "Brother Xu Ming, you must have discovered me long ago? – I followed you all the way, look It's overkill!"

Xu Ming went up to meet him and said with a serious face, "Brother Yan Xu is actually protecting me in secret, I am very grateful!"

“Don’t, don’t! I can’t be thankful for you!” Yan Xu continued.

Xu Ming didn’t say much – this thank you, just keep it in your heart, there’s no need to talk about it.

“But...” Yan Xu looked at Xu Ming as if he was perverted, “Brother Xu Ming, your strength is too terrifying...”

Xu Ming smiled and said, “I seem to have mentioned my strength to you before, but you don’t believe me...”

“How do you tell me to believe it?” Yan Xu said bitterly, “Even now, I still can’t believe it!”

“Haha...” Xu Ming laughed, “So now, I said that I want to leave the Realm of No Difficulties, is there any problem?”

“Of course there’s no problem! – If you go to the No Difficulty Tower, I’m afraid your opponents will cry!” Yan Xu said.

“Oh?” Xu Ming was not very clear about the rules of the Tower of No Difficulties.

“The rules of the No Difficulty Tower are very simple, you will know it when you go!” Yan Xu said, “With your strength just be a little careful, pass the third floor of the No Difficulty Tower, and leave the No Difficulty Tower. Difficult world, no problem!”

“Yeah!” Xu Ming nodded.

In fact, Xu Ming’s goal this time is not to break through the third floor of the Pagoda of No Difficulty and leave the Realm of No Difficulty; it is to break through the fourth floor and above of the Pagoda of No Difficulty to see if he has the fate to accept the real ” inherited”!

“By the way, Brother Yan Xu, I have something else I want to trouble you with!” Xu Ming suddenly said.

“I understand, you’re talking about this Xiongshan brother, right?” Yan Xu pointed at Xiongshan and said with a smile, “Don’t worry, he will be a member of my No Difficulty Alliance in the future; in the No Difficulty Realm, no one dares to bully him!”

Xiong Shan’s eyes suddenly lit up—of course he wanted to join the Wu Difficulty League; but with his strength, under normal circumstances, the Wudimeng League would not want him!

“Thank you very much!” Xu Ming clasped his fists and said, “If we can see each other again in the God’s Domain in the future, we must get drunk and rest!”

“Okay!” Yan Xu’s eyes flashed with excitement – isn’t everything he is doing now to have a relationship with Xu Ming? Now it seems that Xu Ming has accepted his love!

Chapter 977: Enter The Tower Of No Difficulty

The continent of suffering is endless and vast.

The so-called tests in the Torment Continent were all aimed at the Silver Moon level, and naturally they would not pose any threat to Xu Ming. After beheading a few strange-shaped beasts, Xu Ming finally arrived at the end of the Continent of Suffering, which is also the exit of the Realm of No Difficulty – the Tower of No Difficulty!

“finally reached!”

Xu Ming looked at the black seven-story pagoda in front of him.

This pagoda is not tall, only a few dozen feet; the pagoda’s aura is also very simple, without the slightest coercion.

However, Xu Ming knew that inside the pagoda, there must be something special.

“No Difficulty Tower!”

Xu Ming flew forward.

As he kept getting closer to the pagoda, Xu Ming felt that the surrounding space was constantly distorting; and the black pagoda he saw in his eyes was also constantly changing its shape.

The pagoda sometimes becomes hundreds of millions of miles tall, and sometimes it becomes smaller than the dust; sometimes it becomes a short “fat pier” shape, and sometimes it becomes extremely thin-Xu Ming knows that these are all due to the distortion of space. It was so powerful that when the light was transmitted to his eyes, the distortion in his eyes also occurred.

“What a clever time-space distortion method!” Xu Ming carefully felt the changes in the surrounding space.

Although Xu Ming knows nothing about time and space, he has already reached the realm of “breaking the law with force”, and naturally he can also feel the mystery of time and space changes.

It took about half an hour to fly, because the space was distorted too much, and Xu Ming could not know how far he had flown.

Suddenly, a dazzling white light flashed in front of Xu Ming’s eyes; when he regained his vision, the surrounding scene had completely changed, turning into a beautiful and peaceful valley.

The seven-story pagoda is in the center of this valley; however, it is no longer the color of darkness. The whole pagoda is overflowing with brilliance, which is extremely dreamy and beautiful.

At this moment, Xu Ming remembered a poem – Willows, Dark Flowers, Bright Another Village!

In the valley, there are already nine figures.

Of these nine figures, the weakest is the tenth grade Yinyue, and there is only one; the other eight are all half-step kings!

Xu Ming couldn’t help but look at it for a while: “What a strong lineup!”

These nine figures also saw Xu Ming for the first time, and they all showed joy: “Finally wait until the tenth, you can enter the Tower of No Difficulties!”

“Uh...” Xu Ming was a little surprised – to enter the Tower of No Difficulty, you still need ten people to make a pot?

Immediately afterwards, all nine figures noticed Xu Ming’s cultivation level; then, everyone was stunned!

“Silver Moon Fourth Grade?”

“Isn’t this kidding me? Yinyue fourth-grade, dare to come to the No Difficulty Tower?”

“Did he come to die?”

...

“Boy!” A burly figure asked with a sneer, “Did you go to the wrong place?”

Wrong place?

Xu Ming looked at him: “This is the Tower of No Difficulties, right?”

“That’s right! But your cultivation...” The burly figure was only halfway through when he was stopped by another master voice transmission, telling him not to continue talking.

Xu Ming didn’t pay attention, just said with a smile: “Since it’s the Tower of No Difficulties, then it’s not wrong!”

Did you go wrong?

All nine figures looked at Xu Ming in shock.

The burly figure just now couldn’t help but ask, “Are you really here to break through the No Difficulty Tower?”

“What’s wrong? Is there any problem?” Xu Ming asked in confusion.

“Don’t you... don’t understand the rules for breaking through the No Difficulty Tower?” The burly figure asked again.

Xu Ming said a little “stupidly”: “I just came to the World of No Difficulties, and I really don’t understand the rules of breaking through the No Difficulty Tower!”

“Oh...” In the eyes of the nine figures, a clear look appeared.

“It turns out that I don’t understand the rules, no wonder...” The nine figures said to each other through voice transmission.

“It’s really lucky! I was able to meet a fourth-grade Yinyue competitor!”

“In this case, if we break through the No Difficulty Tower, it is equivalent to one less competitor!”

“Ha ha...”

Of course Xu Ming didn’t know that these nine figures had already regarded him as a “gift”. However, even if Xu Ming knew the thoughts of the nine people, he would not care; because... no matter what the rules of the Tower of No Difficulty were, Xu Ming could crush it with absolute strength!

At this time, the tenth-grade Yinyue with the weakest cultivation base among the nine said, “Since everyone has gathered, let’s enter the Tower of No Difficulty!”

“it is good!”

“it is good!”

Others spoke up.

Of course, Xu Ming also had no objection. However, Xu Ming found that the existence of the eight half-step kings seemed to be a little afraid of this silver moon tenth rank.

Half-step king, afraid of Yinyue tenth grade? – Quite unusual!

“I’m afraid this tenth-grade Yinyue has extraordinary strength!” Xu Ming secretly said in his heart, and slightly raised some vigilance.

When ten people walked to the main entrance of the seven-story pagoda...

boom!

A dazzling colored light suddenly radiated from the main entrance of the pagoda; an invisible pressure radiated from the door, oppressing Xu Ming and others.

“Walk!”

“Go in!”

Xu Ming and other ten masters looked at each other; then, almost simultaneously, they turned into streamers and rushed into the gate.

...

No Difficulty Tower.

The first world.

“Huh? What about the others?”

Xu Ming saw that in front of him was an incomparably long and narrow corridor, dark and deep, with no end in sight. The wall of the corridor was made of black jade; however, Xu Ming knew very well that he would definitely not be able to break the wall.

The other nine had disappeared without a trace.

“I’m afraid... the other nine people are also facing a corridor, right?” Xu Ming guessed.

At this time, a magnificent voice sounded above his head: “Through this corridor, you can reach the second layer of the world and get rewards! The sooner you pass, the more rewards!”

“It is so!”

Whoosh!

Xu Ming did not suppress his speed, and shot out the electricity – the sooner you reach the second floor, the more rewards! Even for rewards, Xu Ming must not keep a low profile!

call out-

You must know that Xu Ming’s strength is comparable to that of a middle-level king! His speed soared, naturally far exceeding the masters of the other nine corridors.

“I don’t know... In this deep corridor, what kind of test will be encountered?”

Sure enough Xu Ming flew for a quarter of an hour, and a magnificent voice sounded above his head again: “Ahead, your opponent will appear! The opponent’s strength is equal to your cultivation base!”

“Uh...” Xu Ming was speechless—the opponent’s strength was equal to my cultivation?

Xu Ming’s cultivation base is Yinyue fourth-grade, so his opponent is not the strength of Yinyue fourth-grade?

Is there still a challenge for such an opponent?

Not at all!

But... Xu Ming likes it!

“Roar-” Soon, in front of Xu Ming, a strange beast with fangs and claws appeared, which was the strength of Yinyue Fourth Grade.

The alien beasts are fat, directly blocking the entire corridor. Needless to say, if you don’t kill this alien beast, you will definitely not be able to pass through the corridor.

“Roar! Die!” The alien roared.

In the face of this strange beast, Xu Ming’s speed did not decrease at all; he was ready to... directly hit it!

Chapter 978: Kindness 1 Point

boom!

Flesh and blood fly!

The poor beast encountered Xu Ming, who was many times stronger than it; not only was it hit with flesh and blood, but the impact of the collision caused it to suffer a massive annihilation at the particle level.

Yinyue Fourth Grade, hit and killed!

“Walk!”

Without turning his head, Xu Ming rushed towards the depths of the deep corridor.

At this time, the other nine tower breakers have not yet flown to the alien beast! When they encounter a strange beast, it will definitely not be as easy as Xu Ming, but will have to go through a hard and fierce battle.

call out-

Without a doubt, Xu Ming was the first to arrive at the end of the corridor.

“Congratulations, you are the first to pass the first layer of the world, and you will be rewarded with five bottles of spiritual marrow!” The magnificent voice sounded again, and at the same time, five small jade bottles fell from the sky.

“Five bottles of divine essence!?” Xu Ming’s eyes lit up.

You must know that when Xu Ming received King Xingluo’s treasure, he only got one bottle of Spiritual Essence; but now, just by passing through the first floor of the Pagoda of No Difficulties, he actually got five bottles of Spiritual Essence!

Five bottles of spiritual marrow, that’s 10,000 drops!

“There are so many rewards on the first floor. I don’t know if the second floor will give me even more surprises!” Xu Ming thought to himself, stepping up the ten thousand steps at the end of the corridor and walking towards the second floor.

The second floor of the No Difficulty Pagoda is an incomparably vast desert world with no end in sight.

The wind danced wildly, raising thousands of feet of yellow sand; the entire vast world was immersed in the dusky sandstorm.

“No one else is here yet!”

Xu Ming was not anxious, he stood with his hands behind his back, closed his eyes, and waited for others to come up.

...

After about a quarter of an hour.

In the first layer of the world, the silver moon tenth-grade master finally arrived at the end of the corridor.

“Haha, it’s finally here! I, Zuo Bai, must be the first to reach the finish line!” The silver moon tenth-grade master “Zuo Bai” laughed loudly.

No wonder Zuo Bai has such confidence! You must know that although his cultivation level is only 10th grade Yinyue, his strength is stronger than that of ordinary half-step kings – like those eight half-step kings, they are not his opponents!

And the opponent that Zuo Bai encountered was only the tenth grade Yinyue; therefore, in his opinion, he must be the “number one” without a doubt!

As for Xu Ming... Zuo Bai has directly ignored Xu Ming’s existence!

“Congratulations...” A magnificent voice sounded.

Hearing the word “Congratulations”, Zuo Bai’s face suddenly burst into a smile – in his opinion, he must be congratulated because of his good grades.

But then, the smile on Zuo Bai’s face froze.

“Congratulations, the second time you pass the first layer of the world, you will be rewarded with three bottles of spirit essence!”

Three small jade bottles slowly fell from the sky.

Three bottles of spiritual marrow, a full 6,000 drops. However, Zuo Bai looked at the three bottles of divine essence, but he did not have the joy that he should have when he obtained the treasure, but instead revealed Ling Lie’s killing intent.

“Second... I’m actually only second...” Zuo Bai’s eyes were extremely cold, “Someone dared to grab my first throne!”

In Zuo Bai’s eyes, “No. 1” has already been set by him, and no one is allowed to interfere!

“Who is so ignorant of life and death?” Zuo Bai collected three bottles of spirit essence and stepped up the ten thousand steps step by step to the second layer of the world, “Humph! The second layer of the world is a world of slaughter; , then I’ll kill him and rob him of his treasure!”

With full of killing intent, Zuo Bai stepped into the second layer of the world.

Then, Zuo Bai was stunned.

“It’s you!?”

Zuo Bai’s eyes widened, looking at Xu Ming, his heart was unbelievable, and he couldn’t accept it: “I actually… was robbed of the No. 1 throne by a silver moon fourth rank?”

If the one who stole his first throne was a half-step king, Zuo Bai would still be able to accept it a little; Just as uncomfortable.

It’s so **** frustrating!

“Uh, you’re finally here?” Xu Ming didn’t seem to see Zuo Bai’s ugly face, and smiled, “I’ve been waiting for you for a long time!”

I have been waiting for you for a long time!

Xu Ming’s words undoubtedly gave Zuo Bai another critical blow.

If it is said that Zuo Bai’s mood just now was like eating ten mouthfuls of Xiangxiang; then now, his mood is like eating a hundred mouthfuls of Xiangxiang! – It’s the feeling of being able to eat and hold on!

“Boy!” Zuo Bai looked at Xu Ming coldly, “No wonder you dare to come to the Tower of No Difficulties, so you have some skills! In such a short time, you have passed the first floor; I am afraid, your real The strength is not lower than the seventh rank of Yinyue, right?”

Zuo Bai quickly figured out why Xu Ming crossed the first floor earlier than him.

In his opinion, Xu Ming is only a fourth-grade Yinyue, and his flying speed must be much slower than him; then the only explanation is that Xu Ming took a very short time to solve the alien beast guarding the gate, and even directly Spike! – So, Zuo Bai quickly calculated that Xu Ming's strength was not lower than the seventh rank of Yinyue. Only in this way, Xu Ming can take away the first throne that “belongs” to him.

“Yinyue fourth-grade cultivation base has the combat power of Yinyue seventh-grade; your background is also extremely strong!” Zuo Bai sneered, “If you can become Yinyue tenth-grade in the future, I am afraid not. Will be weaker than me now! What a pity! What a pity!”

“What a pity?” Xu Ming couldn't help but asked curiously.

“Unfortunately...you have no future!” Zuo Bai sneered.

Xu Ming's eyes froze slightly: “You want to kill me?”

“That's right!” Zuo Bai admitted directly, “Although the second layer of the world can't be done right now; but when everyone arrives, the killing will begin! – You dare to grab my first throne, Moreover, your strength is the weakest among all people; you said, if I don't kill you, who will I kill?”

“So that's how it is...” Xu Ming understood Zuo Bai's thoughts.

However, Xu Ming didn't take Zuo Bai's threat to heart in the slightest – Zuo Bai's strength is slightly stronger than the ordinary half-step kingship, but even the threshold of the first-level kingship is still there. Didn't touch it! However, Xu Ming is already a middle-ranked king!

Zuo Bai wanted to kill Xu Ming?

This is not called “killing”, this is called “seeking death”!

Zuo Bai said again: “If you kneel in front of me now and beg for mercy, maybe I will be a little more merciful to you!”

Be kind?

Xu Ming smiled and asked, "Can you not kill me?"

"Don't kill you? How is that possible!" Zuo Bai sneered, "Be kind to you, so that you can die happily!"

"Is that so..." Xu Ming smiled meaningfully, "If you kneel down and beg for mercy now, then I can be a little more merciful to you!"

"You... seek your own death!" Zuo Bai snorted coldly, and then stopped talking.

However, Zuo Bai had already begun to ponder in his heart, how could he torture Xu Ming a little harder in order to vent his hatred.

Chapter 979: Kick The Iron Plate

After half an hour, another person came to the second floor.

"Ji Ran!" Zuo Bai glanced indifferently, seeing that Ji Ran was the third to arrive, and there were no surprises. After all, Ji Ran's strength is second only to him among the nine people, and there is not much difference.

However, Ji Ran was obviously surprised, because he found that Xu Ming, the fourth silver moon, had arrived before him!

"Zuo Bai!" Ji Ran pointed at Xu Ming and asked, "Is he the second?"

Zuo Bai looked ugly: "He is the first!"

"What!?" Ji Ran looked shocked, unimaginable.

However, after the shock, Ji Ran looked at Xu Ming with only pity in his eyes. Because in his opinion, no matter what number Xu Ming got, it is impossible to leave the second floor alive.

The second floor is a world where one side kills!

After that, people arrived in the second world one after another.

boom!

When the ninth person reached the second floor, a low and huge roar suddenly appeared in the sky.

A terrifying twisting force was formed above the distant sky; the endless yellow sand in the second-layer world was rolled into a huge vortex, slowly turning like a grinding disc. In the center of the vortex, a huge cyan beam of light blasted down, connecting the heaven and the earth.

“What is that?” Xu Ming looked puzzled.

But Zuo Bai, Ji Ran and other old drivers knew that it was the passage to the third-layer world.

But at the same time, Zuo Bai and others also had doubts in their hearts: “Don’t the passage to the third floor appear only after ten people have arrived? Why does it appear after only nine people have arrived?”

At this time, the magnificent voice sounded again: “Among your group of ten people, one person has died on the first floor!”

“I see!”

“It is so!”

Zuo Bai and others thought about it.

“That unfortunate ghost is too weak, right? You can’t even break through the first floor, and you dare to come to the No Difficulty Tower?”

“It’s not weak! It should have just broken through to the half-step kingship, and then rushed to break through the No Difficulty Tower; but I don’t know, if you just break through, you will be very disadvantaged in the first-layer world!”

“Anyway, if one dies, it will be easier for us to break into the second floor!”

“Haha! Indeed! On the second floor, only eight people can survive! – If he hadn’t died on the first floor, then in the battle on the second floor, two people had to die; and now, one death is enough. !”

die one?

Who to die?

Everyone looked at Xu Ming with bad intentions – since only one person needs to die, then who else can die if this Silver Moon 4th Rank is not dead?

“Hahaha...” Zuo Bai couldn’t help grinning excitedly, “None of you should do anything, this kid is mine! I have to torture him!”

Although Zuo Bai’s cultivation is only 10th grade Yinyue, his strength is stronger than the average half-step king! The other half-step kings didn’t want to conflict with Zuo Bai on the second floor; after hearing the words, they all stepped aside, leaving the battlefield to Zuo Bai and Xu Ming.

“Boy, now you know you’re afraid?” Zuo Bai sneered and looked at Xu Ming.

afraid?

What is Xu Ming afraid of?

Xu Ming just wants to laugh now – laughing at how ignorant Zuo Bai is!

“However, even if you’re afraid, it’s already too late!” Zuo Bai continued with a sneer, “Just now, I gave you the opportunity to kneel down and beg for mercy; however, instead of cherishing it, you also uttered wild words and utter nonsense!—Now , even if you kneel down and beg for mercy, I won’t let you die comfortably!”

“Really?” Xu Ming glanced indifferently and sneered, “But I’m still very kind! I still give you the opportunity to kneel down and beg for mercy, it’s up to you to seize it!”

“Arrogant!”

“Insanity!”

The other half-step king masters, listening to Xu Ming’s arrogant words, couldn’t help but think.

As for Zuo Bai, seeing Xu Ming so calm and arrogant, for some reason, a tingling feeling flashed in his heart. But then, Zuo Bai felt that he was over-hearted! – The other party is only a Yinyue 4th rank. Even if he is perverted, how can he threaten him?

Thinking of this, Zuo Bai couldn’t help but feel a little annoyed and angry: “I was... almost fooled by him!”

“Boy, how dare you be so arrogant when you are about to die!” Zuo Bai shouted angrily, his figure turned into an afterimage, and he shot towards Xu Ming. His two palms directly imitated Sen Leng’s bone claws, “Boy, I hope you can be so stubborn after a while!”

Xu Ming’s eyes narrowed slightly: “The way of the sky is too cloudy?”

Obviously, Zuo Bai took the route of “breaking the law with force” with the help of the way of the sun.

“Dare to kill me with bare hands?” Xu Ming couldn’t help sneering in his heart, “It seems that Zuo Bai didn’t take me seriously at all!”

“Humph!” Xu Ming groaned angrily, his fists ignited with flames and smashed towards Zuo Bai’s bone claws.

“arrogant!”

“ignorance!”

Seeing this, the surrounding half-step seal kings sneered.

Zuo Bai's face was even more ferocious: "Boy, even if you are courting death, you don't need to be so impatient, right?"

boom!

In an instant, Zuo Bai's two cold bone claws appeared in front of Xu Ming.

Among the bones and claws, the Tao of the Clouds of Heaven is the foundation, and the mysteries of countless laws of heaven and order are integrated. The bone claws pressed over, even making Xu Ming feel as if he was entangled by hundreds of millions of spider silks, and even his movements became a little slow.

"Heh! A bit of a doorway!" Xu Ming used his power, and with a slight shock, he completely dissipated the power that was entangled in him.

"What!?" Zuo Bai was horrified. He didn't expect that some of the mysteries contained in his claw could be broken so easily.

Immediately afterwards, a scene that made Zuo Bai even more terrified happened!

boom!

Zuo Bai's two bone claws collided with Xu Ming's flame fists – the bone claws were blown away!

Moreover, it wasn't just Zuo Bai's bone claws that were blasted away! Even the divine power on Zuo Bai's hands was completely annihilated from the particle level and turned into nothingness!

In just one collision, Zuo Bai destroyed both arms. Although, the arm can be re-condensed immediately with divine power; however, the re-condensed arm is definitely very different from the original arm!

"What!?" Everyone looked at this scene in horror.

No one expected Zuo Bai and Xu Ming's collision would end like this!

"I kicked the iron plate!" Zuo Bai's face turned pale, and he ran away.

only...

It is too naive to know that I am afraid and to run away only now!

"Kill!" Xu Ming was murderous.

"Forgive me! Forgive me this time!" Zuo Bai begged for mercy loudly, while taking out his sharp sword, preparing to resist Xu Ming's attack.

"Now you know to beg for mercy? It's too late!" Xu Ming pulled out his spear and smashed it in a mighty rage.

Poor Zuo Bai, although he was slightly stronger than the ordinary half-step kingship, but he didn't even touch the threshold of the first-level kingship, so how could he resist Xu Ming's full-strength attack?

With one shot, Zuo Bai directly turned into powder; every particle on his body was annihilated from the particle level, and he couldn't die any longer!

Spike!

Chapter 980: 16 Numbers

No Difficulty Tower.

The second world.

"hiss-"

“hiss-”

Between heaven and earth, apart from the sound of endless yellow sand swept across, there were only the exclamations of half-step king conferring masters.

“Zuo Bai was killed by... a shot?”

Everyone subconsciously stayed far away from Xu Ming.

You know, Zuo Bai is the most powerful being among them! Even Zuo Bai was killed with a single shot, so the rest of them were killed by a single shot against Xu Ming?

“This Xu Ming’s strength is too terrifying!”

“One shot kills Zuo Bai, his strength is probably already at the level of a king!?”

“Isn’t he Yinyue Fourth Grade?”

“Silver Moon Fourth Grade? – He must have used some method to hide his cultivation!”

“Have you seen the mystery of his shot just now?”

“I didn’t see it clearly! However, he must have taken the route of breaking the law with force!”

“The route of breaking the law with force, the attack is relatively stupid. As long as we stay away from him and don’t get close to him, there shouldn’t be too much danger!”

“Yes! The seven of us are all half-step kings! Even if he is king-level strength, it is not so easy to kill us!”

The seven half-step king masters spoke to each other through voice transmission. Although their conversation sounded emboldened, in fact, the seven people had already been intimidated by Xu Ming’s shot just now.

“Humph!”

Xu Ming glanced at the seven people with disdain.

The opponent who has been frightened is not worth his attention at all.

At this moment, the majestic voice resounded again above the dome: “There are only eight people left in the second-layer world, meeting the conditions for the third-layer world! Killing is prohibited from now on, everyone, please enter the blue beam of light!”

Whoosh! Whoosh! Whoosh! ...

Hearing the words, the seven half-step king masters were relieved and rushed to the blue beam of light in the distance.

Xu Ming calmly put away Zuo Bai’s legacy and flew towards the blue beam of light.

“This Zuo Bai is quite rich!” In Zuo Bai’s inheritance, there are four bottles of spirit essence, and there are countless other treasures.

call out!

Xu Ming flashed his body, but did not enter the blue beam of light.

Although it was the moment of “no killing”, the other seven half-step king masters still looked at Xu Ming with great fear; in the huge blue beam of light, they were all far away from Xu Ming.

Xu Ming sneered disdainfully—if he wanted to kill these seven people, why would it be so difficult? You must know that these seven people are only half-step kings, not real kings; Xu Ming really wants to kill them, just spend some level 10 hanging points and open a “life and death book” to hang it!

Xu Ming now has ten bottles of Spiritual Essence in hand, even if it is a level 11 hanging point, there are a lot of them; even if he spends a level 10 hanging point, he is not at all distressed.

“Killing is forbidden now, don’t rush to do it first; go to the third-layer world first and see what’s going on!” Xu Ming secretly thought.

Immediately afterwards, Xu Ming only felt a twist in time and space; after the misty light flashed in front of his eyes, Xu Ming appeared in a new world!

“the third floor?”

Xu Ming looked around and observed the situation around him.

Whoosh! Whoosh! Whoosh! Whoosh! ...

As for the other seven half-step king crown masters, they all flew back in the opposite direction of Xu Ming, staying far away from Xu Ming.

In the blink of an eye, Xu Ming had already figured out his situation.

Xu Ming was now on a crimson earth, with endless fire clouds rolling in the sky, with no end in sight.

In the distant sky, from time to time, large groups of skyfires fell, hitting the end of the earth. Even though Xu Ming was separated by thousands of miles from the end of the earth, he could still feel the overwhelming and unstoppable power of the falling fire from the sky.

“If the fire fell from my head these days, I’m afraid it would kill me instantly!” Xu Ming was silently shocked.

At the same time, Xu Ming discovered that there were actually eight masters about 100,000 miles away from him. The eight masters all stared at their side.

“Are they...?” Xu Ming was a little puzzled – he didn’t understand the rules in the Tower of No Difficulty, so he didn’t know that those eight masters were the last group to enter the Tower of No Difficulty.

The eight masters in the distance are extraordinary! One of them even reached the strength of the first-level kings; the remaining seven were half-step kings.

“Huh?” When the eight experts saw Xu Ming and the others, they were all stunned, “What’s the situation? There is actually a fourth-rank Silver Moon who came to the third-layer world alive?”

Immediately afterwards, an incredible scene for these eight masters happened. They saw that the seven half-step kings who came up with Xu Ming were all far away from Xu Ming, like a mouse seeing a cat.

The eight masters in the previous batch were not fools, so they naturally guessed Xu Ming’s extraordinaryness.

“I’m afraid this silver moon fourth rank is a little tricky, you have to be careful of him!”

Xu Ming narrowed his eyes slightly and looked around calmly: “Including me, there are 16 people in total, and the weakest have half-step kingship strength! I don’t know... What kind of rules will this third-layer world be!”

Xu Ming didn’t care what kind of rules it would be! – In front of his power to crush everything, no matter what the rules are, they are clouds!

rumbling...

Just as Xu Ming waited silently, the endless fire clouds rolling in the sky suddenly turned blood red.

The blood-red fire clouds that filled the sky were disgusting to look at; the intense killing intent boiled over, constantly impacting the willpower of Xu Ming and others. Several half-step kings with weak willpower, their eyes were red with murderous redness, and their minds were a little sluggish.

Of course, to Xu Ming, this killing intent was nothing.

In the blood-red fire cloud, huge black numbers suddenly appeared. There were a total of sixteen numbers, each of which was as pitch-black as ink, and exuded monstrous murderous intent, which seemed to draw out the murderous emotions of Xu Ming and others.

The sixteen numbers are: one, two, three, four...fifteen, sixteen!

Under the impact of the killing intent of these sixteen numbers, even the only king who exists, his will is somewhat unclear at this moment, and his eyes are full of murderous light.

The one with the most sober will is undoubtedly Xu Ming! – The monstrous killing intent slammed into Xu Ming's will, as powerless as a mayfly shaking a tree.

“What do these sixteen numbers mean?” Xu Ming waited curiously.

After a while, the magnificent voice sounded again: “Congratulations, you have successfully reached the third floor! As long as you pass the third floor, you can leave the No Difficulty Realm, or enter the higher fourth floor to accept the test!”

Xu Ming listened silently.

The grand voice continued: “The content of this test depends on both strength and luck! Then, let's see how your luck is!”

rumbling...

The sixteen black numbers with monstrous killing intent in the sky began to twist and merge.

Finally, sixteen black numbers, fused to form a huge new number: One!
