“Chapter 1021: 229: Aunt Lang finally knows the truth of the past, tears in her eyes! 2”

“Old Lady Lin did not have time to think too much and nodded. “Okay, okay! Then let’s go quickly!” ”

Ye Zhuo pushed Old Lady Lin out of the door.

“Just as they reached the door, they saw Lin ze come in from outside. “Grandma.” ”

“Ah Ze is here.”

Ye Zhuo looked up slightly. “Are dad and uncle back?”

Lin Ze nodded. “Dad is already back! Uncle is still on the way. He should be arriving soon.”

“OH.”

The siblings pushed Old Lady Lin towards the east courtyard.

Lin Jincheng was standing in the courtyard chatting with Ye Shu.

“The couple was chatting about something as they wore smiles on their faces, especially ye Shu, who almost bent over with a smile. ”

“” Alright, Alright, stop smiling!” Lin Jincheng reached out and patted ye Shu’s back. “Look, I’m not smiling anymore!” ”

“Ye Shu stopped laughing and continued, “I don’t know what these two kids are up to! I asked them, but they didn’t say anything. They insisted on waiting for you to come back!” ”

Lin Jincheng raised his head and looked outside the door. “They’re here.”

Ye Shu turned around and indeed saw ye Zhuo and Lin Ze walking over.

The husband and wife immediately went forward to welcome them.

“Mom!”

“Old Madam Lin nodded. After so many days, when she saw Lin Jincheng and ye Shu again, Old Madam Lin still couldn’t help but feel guilty. “Jincheng, Ah Shu.” ”

Lin Jincheng took the wheelchair from ye Zhuo’s hands and smiled. “What do you siblings have to say? So Mysterious!”

“Ye Zhuo said, “Uncle isn’t here yet! Don’t be anxious.” ”

“With that said, Ye Shu became even more curious. ”

Ye Shu wasn’t the only one who was curious. Lin Jincheng was also very curious.

“About ten minutes later, ye Sen rushed in from outside the door. ”

“Uncle!”Ye Zhuo and Lin Ze immediately went up to greet him.

“Ye Sen smiled and said, “What big news do you siblings have to announce? Why are you in such a hurry to call me back?” ”

Lin Ze pulled ye Sen to sit down on the sofa.

“Ye Zhuo brought over a cup of tea. “Uncle, don’t worry. Have a sip of tea first.” ”

Ye Sen took a sip of tea.

“Ye Shu and Lin Jincheng couldn’t sit still anymore. They turned to look at Lin Ze and Ye Zhuo. “Now that your uncle is here, what’s the matter? Quickly tell us!” ”

“Ye Zhuo hesitated for a moment before continuing, “It’s about my mother’s background.” ”

Lin Jincheng was stunned.

Ye Shu was also stunned.

“A moment later, ye Shu asked in puzzlement, “Background? Is there something wrong with my background?” ”

Lin Ze took out the paternity test. “Take a look at this.”

Ye Shu took the paternity test and frowned slightly.

“What’s This?”Lin Jincheng looked over curiously. “Paternity test? Whose paternity test?”

“Ye Zao explained, “It’s my mother and Aunt Lang’s paternity test. Actually, my mother’s biological parents aren’t Yun Jing’s ye Dahai and Zhang Cuihua. Aunt Lang is her biological mother.” ”

The cup in Ye Sen's hand fell to the ground.

Tea splashed everywhere.

“Zao Zao, are you joking?”

How could it be?

How could ye Shu be someone else's daughter?

“Ye Zao looked serious. “Uncle, I'm not joking.””

“How... How is that possible?” Ye Sen frowned.

“Seeing the words on the appraisal results, Ye Shu was stunned.”

“Even if ye Dahai and Zhang Cuihua treated her badly, she had never thought that she was not their biological daughter.”

But this seemed to explain why ye Dahai and Zhang Cuihua treated her badly.

Because she was not their daughter at all!

Lin Jincheng was also slightly stunned.

“Old Lady Lin was still rather calm. She raised her head to look at Ye Zhuo. “Zhuozhuo, are you referring to Aunt Lang as ye Langhua?””

“That's right.” Ye Zhuo nodded slightly.

“Upon hearing this, Old Lady Lin’s face was filled with astonishment. ”

She had never expected that ye Shu was actually ye Langhua’s daughter.

“”So, Ah Shu is... half a month?” ”

“Realizing this question, Old Mrs. Lin turned pale with fright. ”

“Of course, the person who was even more surprised was ye Sen. ”

He had always treated ye Shu as his biological sister...

“But now, Ye Shu had actually become someone else’s daughter. ”

What about him?

Would he not be ye Shu’s younger brother in the future?

Would he not be Lin Ze and ye Zhuo’s uncle?

“Thinking that they would not be family in the future, Ye Sen felt very uncomfortable. ”

“Ye Zao walked to Ye Sen’s side. “Uncle, don’t worry. You will always be our uncle!” ”

“”Zao Zao is right.”Lin Ze walked to Ye Sen’s side and held his arm. “No matter what happens, you will always be our uncle.” ”

“Seeing the siblings like this, Ye Sen was very touched. His eyes reddened as he hugged Lin Ze and ye Zhuluo. “Big nephew, big niece, thank you.” ”

“Chapter 1022: 229: Aunt Lang finally knows the truth of that year, tears in her eyes! 3”

“Ye Shu also reacted at this time. “Ah Ze and burning are right. Ye Sen, no matter what happens, you are my brother, the children’s uncle, and a part of this family!” ”

Her brother-sister relationship with Ye Sen was not fake.

“When she was fourteen years old, she returned to ye Dahai and Zhang Cuihua’s side. At that time, Ye Sen was only in his teens. Ye Dahai and his wife did not like ye Sen. Ye Sen and ye Shu hugged each other for warmth, even though they were only fifteen years apart, however, Ye Sen was practically raised by ye Shu. ”

“Sister...”Ye Sen’s nose twitched.

“If it was not for ye Shu, his sister, Ye Sen would not have gotten to where he was today. ”

“”Alright, stop crying.”Ye Shu took a tissue to help ye Sen wipe his tears. “You’re not allowed to say thank you either. We’re family. It’s too distant to say thank you!” ”

“Ye Sen’s tears turned into a smile. “Sister, you really know me! You even know what I’m thinking in My Heart!” ”

“Ye Shu patted ye Sen. “Of course. Otherwise, how could I be your sister? How could I not know what you’re Thinking?” ”

“Ye Sen looked at Ye Zao, then he said, “Zao Zao, what’s Up With that Aunt Lang? Why did she throw your mother away back then? Since she already threw her away, what does it mean to want to take your

mother back now?" Ye Sen was not from Beijing, he did not know the story of Aunt Lang. In that era, there were many families that valued sons over daughters. Ye Shu was also a girl, so he subconsciously felt that Aunt Lang had thrown away Ye Shu because she valued sons over daughters. "

"Old Lady Lin had the most say in this matter. After all, she was the witness of this matter. "

She had personally witnessed how Ye Langhua had turned from a talented girl in the capital to the current state.

"Uncle, don't be anxious. Let me tell you," old Mrs. Lin said slowly, "The Aunt Lang that burning spoke of was called Ye Langhua. More than thirty years ago, Ye Langhua was a talented woman who was well-known throughout the capital. Not only was she talented, but she was also extremely beautiful, causing many scholars to dream about her. "Unfortunately, she didn't have good taste. She didn't meet a good person. In today's terms, it's like Miss Meeting a Phoenix Man." "

"The Phoenix Man's name is Xi Muwen. Xi Muwen was born..."

"Old Madam Lin spoke slowly, and her thoughts seemed to return to thirty years ago in an instant. "

"Later, after Ye Langhua's only daughter disappeared for half a month, Ye Langhua's hair turned white overnight, and her mind became a little unclear. Later on, elder Ye fell ill because of this incident, and he passed away in less than two months. Ye Langhua was already exhausted from the loss of half a month, and after elder Ye's accident, he completely defeated Ye Langhua... "... "..." "

"Ye Sen frowned as he listened to the whole story. He sighed deeply and said, "There must be something hateful about a poor person. If I were Ye Langhua, I definitely wouldn't let the Phoenix man take away my family's property!" "

"Uncle! "You're thinking the same thing as me!" Old Mrs. Lin continued, "Even though I didn't do well in the past, I definitely wouldn't be as useless as Ye Langhua!" "Xi Muwen, that ungrateful wretch, ate the Ye family's money and used the Ye family's money. If it wasn't for Ye Langhua, would he be able to live a good life today? "But he didn't know how to be grateful. Instead, he used the Ye family's money to raise a mistress and an illegitimate daughter!" "

“In Old Mrs. Lin’s view, Yang Jiao was a mistress and XI Weiyue was an illegitimate daughter. ”

“Xi Muwen had taken everything from the Ye family, but ye Langhua had turned a blind eye and was immersed in his own world, unable to extricate himself. ”

What kind of big deal could this be?

No wonder she had been deceived!

“Lin Jincheng frowned and continued, “But I heard that the Xi family has already found half a month? If Ah Shu is half a month, then who is the one in the Xi Family?” ”

“”Aunt Lang has been deceived,”ye Zhuo continued, “This is all XI Muwen’s scheme.” ”

Old Madam Lin looked up at Ye Zhuo. “Could it be because of the Shunxi Financial Group?”

Ye Zhuo was stunned. “You know about the Shunxi Financial Group?”

“Old Madam Lin nodded. “So, it really is because of the Shunxi Financial Group?” ”

“”Yes,”ye Zhuo continued, “Xi Muwen wants Xi Weiyue to join the Shunxi Financial Group. Aunt Lang has already written a recommendation letter to let Xi Weiyue become grandfather Ye’s heir.” ”

“What?”Old Madam Lin was stunned. “Make that illegitimate daughter the heir of Old Master Ye? Is Ye Langhua crazy? Doesn’t she know that half a month is fake?”

“Chapter 1023: 229: Auntie Lang finally found out the truth, tears in her eyes! 4”

“Ye Zhuo shook his head slightly. “Elder Zhang should have told her, but she didn’t believe it, so elder Zhang Found Me.””

Old Madam Lin frowned. “Muddle-headed! Really too muddle-headed!”

“Seeing how muddle-headed ye Langhua was, old madam Lin thought back to her past self.”

She must have been even more hateful than the current ye Langhua.

...

On the other side.

At the Xi family home.

“Because elder Zhang was unwilling to help, Aunt Lang personally came forward and called the director of the Shunxi Financial Group, the lawyer.”

The lawyer was a very efficient person.

She promised Aunt Lang that she would definitely come to the Xi family home today to take Xi Weiyue back to handle the succession procedures.

The lawyer had not arrived yet.

“The XI family all sat in the hall, waiting for the lawyer to arrive.”

The agreed time was 11 am.

It was already 10:30 am.

Xi Muwen smoked one cigarette after another.

“Xi Weiyue was also a little anxious, afraid that something would go wrong again.”

“A mother knows her daughter like a mother. Yang Jiao patted Xi Weiyue’s hand. “Weiyue, don’t worry. Don’t worry about your aunt. Director si will definitely arrive on time.””

“Aunt Lang smiled. “Yes, Weiyue. You Don’t have to worry.””

Xi Weiyue nodded.

“At this moment, Aunt Lang’s phone suddenly rang.”

“”Hello, elder Zhang.” Aunt Lang picked up the phone.”

“”Lang Hua, where are you now?” Elder Zhang’s voice came from the phone screen. “I have something very happy to tell you!””

“You can tell me over the phone.”

“Elder Zhang continued, “The results are out! The matriarch of the Lin family, Ye Shu, is Xiao Banyue! You two are biological mother and daughter!””

“What?” Aunt Lang took the phone and walked outside.

“Seeing Aunt Lang like this, the three people in the room looked at each other. Xi Weiyue used her eyes to signal for Jiang Yan to go out and take a look.”

Jiang Yan immediately understood and walked out of the door.

“She saw Aunt Lang holding her phone, and her expression was a little ugly. “Appraisal? What did you guys use to get the appraisal? Why didn’t I know?””

“Little Half Moon was clearly beside her, but Zhang Laofei said that ye Shu was only little half moon.”

This made Aunt Lang very disgusted!

“She did not want to go back to the financial world in the first place, so she did not want to go back to the financial world even more!”

“When she heard this, Jiang Yan, who was listening from the corner, felt her heart skip a beat.”

It’s over!

Could it be that elder Zhang had found the real half a month?

“Jiang Yan’s face was slightly pale, and her hand that was holding onto the door frame was trembling.”

“Elder zhang said, “Take your hair and half a month’s hair. Lang Hua, I’m really not lying to you! Ye Shu was really half a month! There were still many secrets in the past. Losing half a month was also because of Xi Muwen’s intention. These words could not be clearly said on the phone. Come out for a moment, let’s meet and talk.””

“Aunt Lang said directly, “Elder Zhang, how many times do you want me to say it? It’s impossible for me to return to the financial world! “From now on, let Weiyue take my place! “It’s fine if you’re not willing to help me deliver the recommendation letter. I’ve already contacted the director myself! “Just die and let me return to the financial world!””

“At the end of her sentence, Aunt Lang hung up the phone.”

Elder Zhang frowned when he saw the phone being hung up.

How Stupid!

How Stupid!

Cao Wei turned to elder Zhang when he saw the phone being hung up. "What did Auntie Lang Say?"

"Elder zhang said, "She doesn't trust us anymore! Let's go to the Lin Family First!""

"Okay."Cao Wei nodded.

The two of them set off for the Lin family home.

Xi family home.

11 am sharp.

The lawyer arrived at the Xi family home on time.

"When he heard the Butler's announcement, Xi Muwen immediately stood up from his chair. "Weiyue, let's go out and welcome the chairman.""

"The lawyer was the chairman of Shunxi Financial Group. Even though XI Weiyue's starting point was grandfather Ye's heir, she was still a newcomer after all, so it was not wrong for her to rope in more servants."

Xi Weiyue stood up as well.

The two of them walked out of the door and saw a tall figure pushing open the car door and getting out.

The person was dressed in a neat hand-cut suit and wore a pair of gold-rimmed glasses. His facial features were very exquisite and his aura was strong. He looked like he was about twenty-seven or twenty-eight years old. One look and one could tell that he was an elite in the business world!

“This is the chairman of the company, right?” Xi Muwen walked forward.

The lawyer closed the car door and turned to look at Xi Muwen. “You’re Mr. Xi?”

“Xi Muwen nodded. “This is my daughter, Xi Weiyue.””

“Hello, chairman Si. I’m Xi Weiyue. Please guide me in the future.” Xi Weiyue generously extended her right hand to the lawyer.

“The lawyer sized up Xi Weiyue. His eyes were full of scrutiny. His gaze was a little heavy as he said, “Hello, Miss Xi.””

“Chapter 1024: 229: Aunt Lang finally knows the truth of the past, tears in her eyes! 5”

“Xi Weiyue frowned slightly, subconsciously feeling that this lawyer was not easy to get along with.”

“She graduated from a prestigious university, had a lot of work experience, and had even founded her own company. Logically speaking, the lawyer should not be so cold.”

What Xi Weiyue did not know was that talent was everywhere in the financial world.

People like her were even more powerful!

Aunt Lang had pushed Xi Weiyue to become grandfather Ye’s successor. The lawyer had thought that she was such an outstanding person!

So it turned out!

She was just so-so.

“At this moment, the lawyer’s phone vibrated.”

“The lawyer looked up at Xi Muwen. “I’m sorry, I’ll reply to a message first.” ”

“Xi Muwen quickly nodded. “Chairman Si, please do as you please.” ”

The lawyer turned around and started to reply. [ I’ve seen her. Her aptitude is average. ]

“After replying to the message, the lawyer turned around again and continued, “Where’s Aunt Lang?” ”

““She’s inside.”Xi Muwen made a ‘please’gesture. “Chairman Si, please follow me.” ”

“Okay.”The lawyer followed Xi Muwen’s footsteps.

They came to the hall.

Si lui walked directly to Aunt Lang’s side. “Aunt Lang.”

“He was obviously addressing her respectfully, but a mocking look flashed across his eyes.”

“Ye Langhua was famous when she was young, but now?”

She was still trash!

This kind of person was not worthy of respect at all.

“If ye Langhua was not grandfather Ye’s daughter, Si lui would not have come here.”

“No matter what, grandfather Ye was the founder of the Shunxi Financial Group.”

“Aunt Lang stood up and said, “Si Lu, let me introduce you. This is my biological daughter, Xiao Banyue.” ”

“Si Lu turned to look at Jiang Yan and frowned. Then, he reached out to Jiang Yan and said, “Hello, Miss banyue, I’m Si Lu!” ”

“Jiang Yan was born in a normal family and had only interacted with the Xi family recently. When she saw a business elite like Si Lu, she could not help but feel nervous. “Mr. Si, Mr. Si...” ”

Is this really ye Langhua’s biological daughter?

“Even though Si Lu did not know what ye Langhua was like when she was young, he knew that the daughter of a talented woman who was famous throughout the capital should not look like this. ”

Even Xi Mu Wensheng’s daughter was more generous than Jiang Yan.

“However, Si Lu did not say much. He just needed to do his job well. “Aunt Lang, please give me the recommendation letter.” ”

“This is the letter of recommendation.”Ye Langhua handed the lawyer an envelope.

“The lawyer took the envelope and turned to look at Xi Weiyue. “Miss XI, if you’re ready, then let’s go.” ”

“In a place like the Xi family, the lawyer could not stay for even a second.”

“So Soon?” Yang Jiao did not expect the lawyer to leave without even drinking his saliva.

Xi Muwen looked at Yang Jiao unhappily.

What a woman’s opinion!

Xi Weiyue was going to do something important!

Yang Jiao immediately shut up when she received Xi Muwen’s gaze.

“Xi muwen smiled and said, “It’s neither fast nor fast. They are insensible women! Chairman si, Weiyue is already prepared. You can just take her away.” ”

“Lawyer si stood up and looked at Aunt Lang. “Aunt Lang, then we’ll be leaving first. If there are any problems, please send me a message.” ”

““Okay.” Aunty Lang stood up to send them off. “It’s Weiyue’s first time in the financial world. If she does anything wrong, please bear with her.” ”

““Don’t worry, it’s what we should do.” The lawyer nodded. ”

The few of them walked to the door

“Yang Jiao was very reluctant to part with Xi Weiyue. She held Xi Weiyue’s hand and said, “Weiyue, you must come back to visit mom more often when you have time.” ”

“Xi muwen frowned and said, “Alright, Alright! Why are you crying like that! Weiyue is going to do something big!” ”

Yang Jiao sniffed.

“Xi Weiyue smiled and comforted her, “Mom, don’t worry, I’ll definitely come back to visit you often.” ”

“”MMM, you must remember to come back often.” ”

“Xi Weiyue then turned to look at Aunt Lang and Jiang Yan. “Aunty, Sister Banyue, I’ll be leaving first then. You guys stay at home and be well.” ”

“Go.” Auntie Lang nodded.

“After greeting everyone, xi Weiyue got into the car. ”

“As they watched the car leave, Xi Muwen and Yang Jiao’s eyes were filled with hope. ”

They believed that Xi Weiyue would definitely lead the XI family to a new peak!

“On this side, elder Zhang brought Cao Wei to the Lin family. ”

Ye Shu had just found out about her background and was still in a daze.

“Seeing ye Shu, elder Zhang sighed, “They look alike! They really look alike! They are exactly the same as Lang Hua when she was young!” ”

Ye Shu was stunned for a moment.

“Ye Zhuo took the initiative to introduce, “Mom, this is elder Zhang.” ”

Chapter 1025: 229: Aunt Lang finally knows the truth of the past. Tears in her eyes! 6

Only then did ye Shu react. "Hello!"

"Hello, Child." Elder Zhang held ye Shu's hand. "Child, you look exactly like your mother when she was young." "

Old Madam Lin looked at elder Zhang and then looked behind him. She asked curiously, "Why are you the only one here? Where's Lang Hua?" "

"After all, it was a joyous occasion for mother and daughter to reunite. How could a mother not come?" "

Could it be that ye Langhua was so happy that she fainted?

Elder Zhang Sighed and told Old Mrs. Lin what had happened.

"After listening to the whole process, old Mrs. Lin was very angry. "Let's go to the Xi family now!" "

"Go to the Xi family for what?" Elder Zhang was stunned.

"We're going to the Xi family to get justice for Ah Shu!" Old Mrs. Lin continued, "Ah Shu is Lang Hua's biological daughter, why should Xi Muwen get what he wants!" "

"Those who were in the middle were confused, but those who were not were clear. "

Old Mrs. Lin also understood ye Lang Hua. She felt that the current ye Lang Hua was the same person she was back then.

She needed someone to wake her up.

“Okay, I’ll go with you!” Elder Zhang stood up and pushed Old Mrs. Lin’s wheelchair forward. ”

“Old Lady Lin turned to look at Ye Shu. “Ah Shu, wait at home! Don’t worry, we’ll be back soon!” ”

“Before ye Shu could say anything, the elder pushed Old Lady Lin’s wheelchair far away. ”

Lin Jincheng reached out and put his hand on ye Shu’s shoulder. “Just let them go. It’s been so long. Mom also wants to do something for you.”

“Okay.” Ye Shu nodded.

“Ye Sen frowned unhappily, “Ye Langhua is acting like my sister is going to throw herself at her!”! The paternity test was already out, but she still didn’t believe it! No wonder she was cheated so miserably 30 years ago! She learned from her mistakes. Why does she even have half a mind?” ”

“If it were anyone else, they would have fainted from joy when they finally found their daughter who had been lost for more than 30 years! ”

But Ye Langhua did not believe that ye Shu was her daughter!

This was ridiculous to the extreme!

“Ye Zhuo agreed with Ye Sen’s words, but she was still a junior, so it was not appropriate for her to interfere in such matters. ”

She was only responsible for investigating the ins and outs of the matter.

“Next, it was up to Ye Shu to decide. ”

“Lin Ze did not say anything either. He turned to look at ye Sen. “Uncle, shall we go upstairs?” ”

The rest of the time was left to Lin Jincheng and ye Shu to discuss.

“Okay.”Ye Sen nodded and followed Lin Ze’s footsteps.

The Lin family and XI family were an hour away by car.

“When the housekeeper came to look for Auntie Lang and said that the Lin family’s old lady was looking for her, Auntie Lang frowned slightly, but she did not refuse to meet her. She looked up at the housekeeper. “Go Tell Old Lady Lin to meet her at the nearby Lucky Star Teahouse.” ”

“Okay.”The housekeeper nodded.

“Hearing the conversation between Aunt Lang and the housekeeper, Jiang Yan walked over and said, “Mom, why don’t I go with you?” ”

“Aunt Lang shook her head and said, “You haven’t fully recovered yet. You should rest at home first.” ”

The main reason was that she did not want to let little half a month suffer any more grievances.

The Lin family’s old lady was a shrewd person. There was nothing good that could come out of her mouth.

“Alright then.”Jiang Yan nodded.

“After arriving at the Lucky Star Teahouse, Aunt Lang realized that it wasn’t just Old Lady Lin who had come. It was also elder Zhang. ”

“Seeing this scene, Aunt Lang had an idea. ”

It seemed that they had come because of the financial world.

“Aunt Lang walked over. “Elder Zhang, Old Lady Lin.” ”

“Old Lady Lin looked at Aunt Lang and said with a smile, “Lang Hua, speaking of which, we’re all on the same side. You can just call me by my name!” ”

“Aunt Lang smiled and sat opposite the two of them, “I know why you are here today. Elder Zhang, I have already told you many times that I will not return to the financial world. Moreover, I have already passed the recommendation letter to the lawyer. The lawyer has already brought Weiyue back to the financial world! Just give up on this idea!” ”

“Old Lady Lin Glanced at Aunt Lang, “Forty years ago, you were like this. Forty years later, you’re still like this! “Ask Elder Zhang, did he come to you because of the financial world? “He came to you because of half a month! “Since I’m here today, I won’t beat around the bush with you. My daughter-in-law, Ah Shu, is the real half a month, the fake XI family! It’s XI Muwen’s fake! You! Quickly wipe your eyes clean!” ”

“Seeing ye Langhua like this, old madam Lin could understand the Lin family from before. ”

1

“Back then, they must have been like her now, wanting to slap ye Langhua awake. ”

Chapter 1026: 229: Aunt Lang finally knows the truth of the past. Tears in her eyes! 7

“Aunt Lang continued, “Half a month is by my side now! I have eyes. I Can See! “I know that Ye Shu is very outstanding and Zhonghua is even more outstanding. If the mother and daughter join the financial world, they will definitely be able to put Shunxi Financial Group on the right track! “But you can’t deprive me of the right to recognize my biological daughter just because of your own interests!””

Old Mrs. Lin slammed the paternity test on the table. "Look at this for yourself!"

"I don't want to look at these meaningless things!"

"Elder Zhang narrowed his eyes. "Lang Hua, if you don't want to look at that, then look at this. These are all the details of how Xi Muwen brought Xiao Banyue to Yun capital back then. After you look at these, you'll understand everything!""

These were all the information ye Zhuo had found.

Aunt Lang looked up at elder Zhang. "Do you think this is interesting?"

"Elder Zhang was helpless as well, "Lang Hua, we really didn't lie to you! Look at this information. After you read it, you'll understand everything! The person who really lied to you is Xi Muwen. He wants to use you to officially let the Xi family enter the financial world!"

"Old Madam Lin continued, "To put it in layman terms, you're Xi Muwen's stepping stone!"

"Auntie Lang did not think this topic was interesting. She had lost half a month for thirty-six years. For the rest of the time, she only wanted to spend time with half a month."

"I'm sorry, I still have something to do, so I won't be joining you two for tea." Auntie Lang stood up."

Old Lady Lin was about to say something when elder Zhang shook his head at her.

"Ye Langhua was currently in a rage. No matter what she said, she would not listen."

"Elder Zhang picked up the document bag on the table and caught up with Aunt Lang. "Langhua, take this with you! If you ever want to see it, take it out and have a look! Don't worry, I Won't Disturb You Anymore!"

Auntie Lang looked at elder Zhang and hesitated before accepting the folder. "I hope you're a man of your word."

Elder Zhang nodded.

"After Auntie Lang left the Teahouse, she went straight back to the XI family home."

"When she saw Auntie Lang return, Yang Jiao immediately went up to her. "Sister, you're finally back! After you left, you had a high fever for half a month!""

"When she heard that she had a high fever for half a month, Auntie Lang was anxious. "Why did you suddenly have a fever?""

"I don't know either. Go and take a look!"

Aunt Lang came to Jiang Yan's bedroom and saw that Jiang Yan was lying on the bed.

The maid was taking Jiang Yan's temperature. The thermometer showed that Jiang Yan had a fever of 39 degrees.

Aunt Lang turned to look at Yang Jiao. "Go and fetch some water. I'll help Little Half Moon dry her body. It'll help to lower her temperature physically!"

"Okay." Yang Jiao immediately went to fetch water.

"Soon, Yang Jiao brought the water over. "Sister, why don't you stop running around in the future! You've been running a fever for half a month since you left. This means that Xiao Banyue can't Leave You!""

"Aunt Lang didn't say anything and focused on wiping Jiang Yan's arm. At that moment, the scene from 36 years ago suddenly appeared in front of her eyes."

“At that time, Xiao Banyue was only three years old. A three-year-old child poured water for her and accidentally burned her left arm.”

“Because the injury was quite serious, the Doctor said that it would definitely leave a scar when she grew up.”

“However, there was no trace on Jiang Yan’s arm. There was no trace of a scar at all.”

Aunt Lang frowned slightly. Could it be that she remembered wrongly?

It was her right arm that was burned?

“Aunt Lang changed her right arm and rolled up her sleeves, but there was still no trace on Jiang Yan’s right arm.”

What was going on?

Could it be...

This was really not half a month?

“Aunt Lang tried hard to calm herself down. She looked up at Yang Jiao and said, “Yang Jiao, help me take care of her for half a month. I have something to do in my room. I’ll come over immediately!””

““Okay, you go ahead.”Yang Jiao nodded.”

Aunt Lang came to the room and opened the document bag given by elder Zhang.

“Just as she opened the document bag, a seven-inch black-and-white photo fell out. Aunt Lang picked it up and looked at it with tears in her eyes.”

“The child in the photo was about seven or eight years old, but she still looked a little like when she was young.”

Half a month...

That’s right.

This was her half a month!

Chapter 1027: 227: Mother and daughter recognize each other and disqualify Xi Weiyue as the heir! 1

“Aunt Lang held the photo, her hands trembling slightly. ”

“Tears dripped down from her eyes, dyeing the photo instantly. ”

Aunt Lang put down the photo and found a color photo in the file bag.

The girl in the photo was about eleven or twelve years old. She leaned on an old man and smiled very happily.

“Because she was at the age of tooth replacement, she was missing two large incisors, which made her look especially funny. ”

“Although she had changed as a girl, Ye Shu’s eyebrows and eyes could be seen in this photo. ”

It turned out that ye Shu was really her daughter.

Aunt Lang burst into tears.

I'm sorry.

It's all my fault.

"If she had listened to elder Zhang and Cao Wei earlier, she wouldn't have ended up like this."

It was all her fault.

It was all her fault!

Aunt Lang tried her best to hold back the sadness in her heart as she took out a stack of documents from her document bag with trembling hands.

The documents clearly recorded XI Muwen's itinerary after he lost half a month back then.

"Xi Muwen first went to sea city, then went to Yun capital from sea city."

"Finally, he returned to the capital from Yun Capital."

"During this period, Xi Muwen stayed in Yun capital for a whole three days."

"When Xiao Banyue went missing that year, Xi Muwen was indeed not in the capital."

"However, Aunty Lang never thought that Xiao Banyue's disappearance had something to do with Xi Muwen."

They were biological father and daughter!

Biological father and daughter who were connected by blood!

“No matter how bad Xi Muwen was, he would never lay a hand on his own flesh and blood.”

It wouldn't!

It wouldn't!

“Aunt Lang's heart was in a mess. She poured out everything in the document bag and said in a trembling voice, “USB, where's the USB!” ”

“According to the information, when the fanatic from back then took a video at Yunjing train station as a memento, he accidentally took a photo of Xi Muwen.”

“Now, the video was in the USB in the document bag.”

Ye Zhuo had spent quite some time before he found this video on the old photos website of Yunjing.

Aunt Lang did not believe that Xi Muwen would lay a hand on her own daughter.

The only thing that could prove Xi Muwen's innocence now was the USB drive.

“As long as she opened the USB drive, she would be able to see whether that person was Xi Muwen or not.”

“However, Aunt Lang searched the entire document bag, but she could not find the USB drive mentioned in the information.”

Could it be a mistake?

There was no USB drive at all.

“Just as Aunt Lang heaved a sigh of relief, she suddenly saw a black USB drive on the ground.”

Aunt Lang bent down to pick up the USB flash drive and inserted her trembling hands into the computer.

“Soon, the video was played.”

“Although the pixels from thirty-six years ago could not be compared to the current ones, the color quality was still relatively clear.”

“After the video was edited, three seconds later, she saw a handsome man carrying a child walking out of the crowded train station.”

“The child was probably in a deep sleep, so her face could not be seen clearly.”

“However, Aunt Lang immediately recognized it.”

The man carrying the child was Xi Muwen.

It really was Xi Muwen.

“To prevent herself from seeing wrongly, Aunt Lang manipulated the video and watched it a few times.”

“However, the scene did not change.”

This man was Xi Muwen.

The child in Xi Muwen's arms was half a month old.

"Even if Xi Muwen changed the ye group into XI group, she didn't think much of it."

"At that time, she only wanted to find half a month and didn't have the heart to manage the group. Even if Xi Muwen didn't do anything to the ye group, someone else would have done something to the ye group."

Instead of letting outsiders take the ye group away.

It was better to let Xi Muwen come.

Xi Muwen was the son-in-law of the Ye family after all.

"So, she had never taken this matter to heart."

"Even if others called her stupid, she didn't care."

Because all of this was her own choice.

"If she hadn't lost half a month, none of this would have happened."

Aunt Lang blamed herself for losing half a month.

"So, she was willing to accept all the consequences."

Including XI Muwen turning the Ye Group into XI group and taking over the Ye family's property.

All of this was the punishment she should have received.

“But now, it seemed like all of this was Xi Muwen’s conspiracy. ”

Just like what elder Zhang said.

He sent half a month away to get everything that belonged to the Ye family.

This was because Xi Muwen knew that half a month was the fate of ye Langhua and elder Ye.

“If anything happened to half a month, ye Langhua and elder ye would completely collapse. ”

“As expected, after the first half of the month was lost, Ye Langhua and elder ye fell one after another... ”

Xi Muwen was a heartless person!

“When she thought of this, Aunt Lang’s heart ached so much that she couldn’t breathe. ”

Chapter 1028: 227: Mother and daughter recognize each other and disqualify Xi Weiyue as the heir! 2

“She had never dreamed that Xi Muwen, as the biological father of her child, would actually be so ruthless to the three-year-old little half moon.”

It made her blame herself for thirty-six years and suffer for thirty-six years.

“Thirty-six years later, she finally managed to find Little Half Moon, yet she was almost deceived by Xi Muwen and missed her biological daughter.”

“Thinking about how she had been toyed with by Xi Muwen all her life, Aunt Lang’s face was filled with self-deprecating laughter.”

She was too stupid.

She was used.

“In the end, she was separated from her mother and grandfather Ye died a tragic death.”

Aunt Lang regretted it too much.

She had never regretted it so much in her life.

“If time could be reset, she would definitely not have chosen Xi Muwen.”

Unfortunately...

She could not have it all over again.

“Auntie Lang tried her best to calm herself down. She could not let the Xi family see anything wrong yet. After organizing all the information, she wiped the tears off her face and pretended like nothing had happened, she walked out.”

“From now on, she had to be strong!”

“In that instant, Auntie Lang seemed to have changed.”

“In a moment, Auntie Lang returned to Jiang Yan’s room and pretended that nothing had happened. “Yang Jiao, how is Little Half Moon?””

Yang Jiao looked up at Auntie Lang and was stunned.

Why did she feel that this old hag seemed to have changed?

“Yang Jiao narrowed her eyes. When she looked up again, she felt that Auntie Lang was no different from usual.”

Could it be that she had seen wrongly?

“Yang jiao smiled and said, “Sister, don’t worry. She just took her medicine and now she’s asleep again.””

“Hearing that, Aunt Lang heaved a sigh of relief. “That’s good. Yang Jiao, it’s been hard on you! Ever since Little Half Moon came back, you’ve put in a lot of effort!””

““Sister, why are you still treating me like an outsider!”Yang Jiao held Aunt Lang’s hand and said, “Little Half Moon is your and Mu Wen’s daughter. That’s my daughter! Shouldn’t I treat my own daughter well? You mustn’t treat her like an outsider!””

“If it were in the past, Aunt Lang would definitely be grateful to Yang Jiao. She would think that Yang Jiao was a good person, to actually treat Xiao Banyue as her own child.”

But now.

It wouldn’t be like that.

She could only blame herself for being too stupid. She couldn’t see through Yang Jiao’s disguise before.

But now...

Yang Jiao's face was full of flaws.

"She clearly hated her to the core, yet she still pretended to smile at her and call her sister."

Disgusting!

It was absolutely disgusting!

"Actually, Yang Jiao and Xi Muwen did this for two reasons."

One was to let Xi Weiyue become grandfather Ye's successor and smoothly join the Shunxi Corporation.

"Secondly, she still had a gold mine map in her hands."

"As long as she successfully obtained these two things, Xi Empire's position in the capital city would undergo an earth-shattering change."

It was her fault that she had not noticed these things before.

"The more Aunt Lang thought about it, the more uncomfortable she felt. She wished she could just kill Yang Jiao to vent her anger. To cover up her anger, she held Yang Jiao's hand, with red eyes, she said, "Yang Jiao, you've treated Xiao Banyue better than I've treated her. I don't even know how to thank you! Thankfully, when my father left, he left me with something...""

Yang Jiao's eyes lit up when she heard that.

Something?

Could it be that the thing this old hag was talking about was the gold mine map.

At least this old hag had a conscience and knew to give the gold mine map to her.

Aunt Lang could see the change in Yang Jiao's expression.

It seemed like her guess was right.

Xi Muwen and Yang Jiao were here for the gold mine map and the Shunxi Financial Group.

"Currently, Xi Weiyue had successfully joined the Shunxi Financial Group. The reason they left her in the Xi family was to get their hands on the gold mine map!"

"Then, Aunt Lang's tone changed, she continued, "But I know that you two aren't the kind of people who covet wealth and glory. Some things are just white and yellow to you, but other than that, I really have nothing else to give you.""

"Yang Jiao immediately held Aunt Lang's hand. "Sister, look at what you're saying! As long as it's something you give, how can we, husband and wife, dislike it!""

Aunt Lang nodded. "As long as you don't dislike it."

"I don't dislike it, I definitely won't dislike it." Yang Jiao hurriedly nodded, afraid that Aunt Lang would regret it in the next second."

"Aunt Lang narrowed her eyes and turned to look at Yang Jiao who was lying on the bed. She continued, "Didn't you say that you've already taken the fever medicine for less than half a month? Then why is her face still so red?""

"Yang jiao smiled and said, "The effect of the fever medicine is not that fast! Just Wait a little longer and the fever will go down!""

Chapter 1029: 227: Mother and daughter recognize each other and disqualify XI Weiyue as the successor! 3

“Aunt Lang nodded, as if she suddenly remembered something, “Oh right, Yang Jiao, I still have some things to take care of. You stay at home and help me look after half a month. I’m going out for a while. If the situation becomes serious in half a month, you must call me and tell me!” ”

“”Okay, sister, go do your work quickly!”Yang Jiao did not suspect anything. ”

“After saying goodbye to Yang Jiao, Auntie Lang returned to her room, took the documents with her, and left in a hurry. ”

“Just as she left, Auntie Lang called Elder Zhang. ”

“Hearing elder Zhang’s voice, Auntie Lang was instantly devastated. “Elder, elder Zhang...”if she had listened to elder Zhang’s words earlier, things would not have turned out this way. ”

“”Lang Hua, what’s the matter?”Elder Zhang asked. ”

“Auntie Lang said in a stifled voice, “Elder Zhang, I’ve looked through the information you gave me! I know everything now. I’m sorry, I misunderstood you before. Ye Shu is my half a month, I shouldn’t have disobeyed you...” ”

“When he heard this, elder Zhang was overjoyed. ”

He was really afraid that ye Lang Hua would never be able to see Xi Muwen’s true colors and would continue to be wrong.

Elder Zhang was very excited that ye Langhua could wake up.

“Then, Aunt Lang continued, “Where Are You Now? I’m here to look for you!” ”

“Elder Zhang continued, “I’m still at the hotel.” ”

“”Okay, then I’ll come over right away.” ”

Aunt Lang hung up the phone and looked up at the driver. “Go to the Wood Forest Hotel!”

“Okay.”The driver nodded.

The speed of the car was very fast and they arrived at the wood forest hotel in half an hour.

Aunt Lang had just gotten out of the car when she saw elder Zhang and Cao Wei waiting at the entrance of the hotel.

“Aunt Lang is here!”Cao Wei said excitedly.

“Elder Zhang nodded. “It’s her! It’s Lang Hua! Come, let’s go quickly!” ”

The two of them immediately walked in Aunt Lang’s direction.

“When she saw elder Zhang, Aunt Lang immediately knelt down and said with red eyes, “Elder Zhang! It was all my fault before. I misunderstood you!” ”

“Elder Zhang was shocked and immediately helped Aunt Lang up. “Quickly get up! Quickly get up! You Child, what are you doing!” ”

“”Elder Zhang, I’ve let you down...” ”

Elder Zhang Sighed. "Everyone makes mistakes! It's not too late for you to turn back now that you know the truth!"

"Aunt Lang's face was full of tears. "Elder Zhang, thank you! Can you take me to meet Little Half Moon Now?" "

"Sure." Elder Zhang nodded.

"Then let's go quickly!" Aunt Lang couldn't wait to fly to Ye Shu's side.

"Cao Wei said, "I'll go get the car! Elder Zhang, wait for me here with Aunt Lang." "

"Go."

Cao Wei went to get the car.

"Not long after, Cao Wei drove over. "

Elder Zhang and Aunt Lang got into the car.

"The car was very fast, and they arrived at the Lin family manor in a short while. "

At the Lin Family Manor.

"When she heard that Aunt Lang had come, Old Lady Lin was very puzzled. Ye Langhua had clearly not believed that ye Shu had come half a month ago. "

Why had she suddenly come now?

Could it be that something had happened?

Old Lady Lin turned to look at Auntie Wang. "You didn't see wrongly. Is it really ye Langhua?"

Auntie Wang nodded. "It's absolutely true. There's no way I could have seen wrongly."

Old Lady Lin was a little worried. She was worried that ye Langhua was here to cause trouble for ye Shu. "Push me to the east courtyard."

"Okay."

"Just as Auntie Wang pushed Old Lady Lin to the east courtyard, she saw elder Zhang, Auntie Lang, and Cao Wei walking in."

"The moment Auntie Lang stepped into the east courtyard, she saw the courtyard filled with Lily of the valley orchids."

A familiar fragrance instantly filled her nostrils.

Aunt Lang's emotions burst at this moment.

"Right now, she only hated herself for not listening to elder Zhang earlier."

Wasting so much time.

"Lang Hua!" Old Lady Lin called out to Ye Lang Hua.

"Elder sister." Ye Lang Hua turned around and looked at Old Lady Lin with a face full of guilt.

"Old Lady Lin continued to ask, "Have you read that information?" "

“Ye Langhua nodded and said in a raspy voice, “I’ve seen it! I’ve seen it all! Ah Shu is only half a month old. I’ve let the child down...” ”

Old Lady Lin heaved a sigh of relief. “It’s good that you know! Then quickly go in! Ah Shu is inside!”

It was not easy for them to be separated for so many years!

“From a mother’s perspective, Old Lady Lin could understand ye Langhua. ”

“When ye Shu heard the sound, she walked out and saw this scene. ”

“Although she had only met Aunt Lang once, the old lady’s appearance was deeply imprinted in her mind. ”

“However, what happened today was too sudden for ye Shu. ”

It was as if she was dreaming.

Chapter 1030: 227: Mother and daughter recognize each other and disqualify Xi Weiyue as the heir! 4

“She had never felt that ye Dahai and his wife were not her biological parents, so she had never expected anything from them. ”

“For a moment, Ye Shu was stunned as well. She stood there, not knowing how to react. ”

“Aunt Lang looked at Ye Shu. The tears that had already stopped suddenly surged again, and memory fragments appeared in front of her eyes one after another. ”

Every scene was half a month's smiling face.

Every scene could overlap with ye Shu's face.

She was too muddle-headed!

Too muddle-headed!

"The child looked so much like her, but she did not realize it at all."

"When she first met Ye Shu, she should have thought that ye Shu was half a month old."

"Aunt Lang wanted to hug ye Shu, but her feet seemed to be filled with lead, and she could not take even half a step forward."

"After a while, Aunt Lang finally reacted. She walked over to Ye Shu's side and hugged her. She was so excited that she started babbling incoherently. "Ah Shu, Xiao Banyue, child, I'm sorry..." "

"Aunt Lang had a thousand words to say, but at this moment, other than apologizing, she could not say anything else."

Her heart was filled with both happiness and pain.

She had mixed feelings.

Perhaps only someone who had experienced this kind of emotion could truly empathize with it.

"If she had seen Xi Muwen's true face earlier, she would have been able to reunite her mother and daughter earlier. She would not have wasted so much time..." "

“Being hugged by Auntie Lang like this, Ye Shu’s eyes were slightly red. As a bystander, after hearing Auntie Lang’s story, she knew that it had not been easy for Auntie Lang all these years. “Don’t Cry...” ”

“After a while, Auntie Lang managed to control her emotions and followed ye Shu into the house. ”

Lin Jincheng called Elder Zhang and Cao Wei into the house.

“Ah Shu, I should have found you a long time ago. It’s all my fault. I shouldn’t have listened to XI Muwen’s words. He’s simply unscrupulous! “He could even do this to his own daughter!” Auntie Lang sobbed. “Thank God, thank God you’re okay...”. “...”. “...” ”

“Ye Shu frowned slightly and continued, “You said that I lost it when I was three years old, but I have no impression of you at all! For the sake of caution, Aunt Lang, why don’t we do another paternity test?” ”

Ye Shu was very nervous now.

“If it was a blunder, wouldn’t it be awkward? ”

“A three-year-old child already had his own memories, but ye Shu did not remember anything about Aunt Lang. ”

“That’s right! You’re My Little Half Moon! This time, I won’t admit my mistake again!” Aunt Lang held ye Shu’s hand tightly, unwilling to let go. ”

“Ye Shu still felt that this matter was a little precarious. Just as she was about to say something, a clear and shallow voice sounded in the air. ”

“The reason why you don’t have any memories from before you were three years old is because XI Muwen specially left you outside to freeze for a night before he brought you to Yun Jing. That night caused you to have a high fever, and XI Muwen purposely did not give you any fever medicine. His original intention was probably to burn your brain. Unexpectedly, after your fever subsided, other than losing your memory, that high fever did not cause any other side effects.” ”

Xi Muwen was very smart.

He knew that half a month would definitely look for ye Langhua after she woke up.

“The three-year-old child was eloquent, and half a month was smart. She knew ye Langhua’s name, knew her home address and phone number, and even knew to call the police.”

“As long as there was a chance, she would very likely call the police to find it herself.”

“Therefore, Xi Muwen would not rest until half a month turned into a fool.”

“When she heard this, Ye Langhua raised her head to look at ye Zao with a face full of disbelief. “Zao Zao, what did you say?” ”

“Ye Zao continued, “If you don’t believe me, you can take my mother to the hospital to get a brain CT..” ”

Ye Langhua covered her mouth and almost cried out loud.

““Crying won’t solve any problems,”ye Zao continued, “You should cheer up and let Xi Muwen’s family of three get what they deserve. In fact, you should have done this thirty-six years ago!” ”

“Ye Zhuo had always been a vengeful person. If she was ye Langhua, she wouldn’t have waited until now.”

“Elder Zhang’s eyes lit up. “I think Miss Ye is right! Langhua! Xi muwen, that scum, made the two of you suffer for so many years. You should let them get what they deserve!” ”

“Ye Langhua had been curled up in her turtle shell for thirty-six years. At this moment, she no longer had the arrogant look she had back then. Looking at Ye Zhuo now, she seemed to see herself back then.”

Ye Langhua's gaze became firmer bit by bit. She nodded slowly. "Alright!"
