Chapter 1191: 255: Zhao Xueyin has fallen into a trap. She has seen through her true colors. Si Lu was stunned! 7

...

On the other side.

“Father Zhao had just walked into his office when he received a call. “”Really?”” ”

“”””Alright, I’ll be there right away!”” ”

“After hanging up, Father Zhao could not care about anything else and immediately ran downstairs. ”

“When he reached downstairs, he saw Butler elder Zhang standing in front of the car. “”Master!”” ”

“Father Zhao asked impatiently, “”Where is he now?”” ”

“”””At the hospital.”” ”

“”””Take me there immediately!”” ”

“Old Zhang opened the car door. “”Then get in the car quickly.”” ”

Father Zhao got into the car.

“After getting into the car, Father Zhao kept urging the driver to drive faster. ”

“The driver turned around and said, ““Master, it’s already the fastest we can go.”” ”

“Old Zhang said, ““Master, don’t be anxious. We’ll be there soon.”” ”

Not worried?

How could he not be worried?

He had been waiting for this day for far too long.

“Father Zhao continued, ““Where did you find a Ye?”” ”

“Old Zhang said, ““It’s a coincidence. Da Cai had a small accident on the highway last night. I went to the hospital to see him this morning and happened to see the young master in the same ward! I saw that the young master’s eyes and brows looked very similar to yours, so I tactfully asked about his background. He said that he was an orphan... .”” ”

“Hearing this, Zhao’s father cried out. ”

Got It!

Finally!

“After all these years, he finally found his son. ”

“Seeing Father Zhao like this, old Zhang sighed, ““Master, don’t be sad, aren’t we going to see the young master now?”” ”

“““You don’t understand! I’m happy! Happy!”“Father Zhao beat his chest excitedly, “““I have a son! I, Zhao Zhenfei, finally have a son! My Zhao family is finally not extinct! Drive faster, old MA, drive faster!”“ ”

Father Zhao could not wait to fly to the hospital.

“““Old Ma, why did you stop?”“ ”

“The driver, old MA, said, “““There’s a red light ahead.”“ ”

“““Go! Go straight through! If anything happens, I’ll take responsibility!”“Nothing was more important than seeing his son. ”

Old Ma could only go through the red light.

“He sped up and finally, half an hour later, the car stopped at the entrance of the hospital. ”

“After getting out of the car, Father Zhao’s legs were weak. ”

He was too excited!

Old Zhang helped Father Zhao into the inpatient department.

“Through the door, Father Zhao saw a middle-aged man lying on the bed. ”

His figure was thin.

There was indeed a trace of him between his brows.

“Father Zhao covered his mouth. “““It’s him! It’s a Ye!”“ ”

“““Let’s go in and take a look!”“Old Zhang said. ”

“““Okay.”“Father Zhao nodded. ”

“When they arrived at the ward, Father Zhao grabbed the man’s hand and cried, ““A Ye! A Ye! Father has finally found you!”“ ”

The middle-aged man lying on the bed was a little confused.

“At this moment, Father Zhao suddenly let go of the man’s hand and quickly grabbed his other hand to roll up his sleeve. ”

Nothing.

Nothing.

“Father Zhao said in disbelief, ““Nothing! How come there’s nothing!”“ ”

“As a father, he would never forget the red birthmark on his son’s arm. ”

1

“He was worried that someone would make a fuss about it, so father Zhao never revealed that his son had a birthmark on his arm. ”

“Even the butler, Old Zhang, didn’t know. ”

“Old Zhang asked curiously, ““Master, what are you looking for?”“ ”

““It’s not a Ye, he’s not my a Ye...””father Zhao slid down the bed, his eyes gloomy. ”

Why did God treat him like this?

Why did he give him hope and disappoint him at the same time?

Why?

Father Zhao cried in despair.

Old Zhang frowned. How could Zhao Zhenfei tell that the person lying on the bed was not his son’s?

...

On Zhao Xueyin’s side.

“Ever since Lin Zhaoyang came to the Zhao family, there had been no other movements, which made Zhao Xueyin anxious. ”

What did master five mean?

She could not wait forever.

“If the mountain did not come, she would go. ”

“As Master Five’s chief assistant, Lin Zhaoyang must know what master five was thinking. ”

Zhao Xueyin narrowed her eyes and made a call to Lin Zhaoyang.

“When Lin Zhaoyang received Zhao Xueyin’s call, he immediately informed old master jin, ““Elder Jin, Zhao Xueyin asked me to meet her.”” ”

“Old Master Jin turned to look at Lin Chaoyang. ““When?”” ”

“Lin Chaoyang replied, ““Just now.”” ”

“Old Master Jin smiled and said, ““Zhao Xueyin finally can’t sit still anymore! Promise her, but the time and place will be up to you!”” ”

“Lin Chaoyang nodded. ““Then I’ll wait for your arrangements?”” ”

“““Yes.”” ”

“After saying this, Lin Chaoyang left the Jin family. ”

“After sending Lin Zhaoyang off, Grandpa Jin looked at Uncle Fu beside him. ““Go and help me with something.”” ”

“““Go ahead.”” ”

Grandpa Jin whispered into Uncle Fu’s ear.

“Hearing this, uncle fu said, ““Don’t worry, I will definitely handle this matter well.”” ”

“““Okay, go ahead.”” ”

Three days later.

Zhao Xueyin went to the place she had arranged with Lin Zhaoyang as promised.

It was a beautiful teahouse.

There was a beaded curtain between the tea table and the tea table.

“When Zhao Xueyin arrived, Lin Zhaoyang had not arrived yet. ”

“After waiting for about ten minutes, Lin Zhaoyang finally arrived. ”

“““Special Assistant Lin.””Zhao Xueyin stood up to greet him. ”

“Lin Zhaoyang said apologetically, ““I’m sorry, Miss Zhao. I’m ten minutes late.”” ”

“““It’s okay,””Zhao Xueyin said softly. ““I just got here anyway.”” ”

Being ten minutes late meant that fifth master was testing her.

“At a time like this, she obviously could not make things difficult for Lin Zhaoyang. ”

Just wait.

“Lin Zhaoyang was acting high and mighty now. When she became the fifth madam, Lin Zhaoyang would have a good ending. ”

“Thinking of this, the corners of Zhao Xueyin’s mouth curled up. ”

“Lin Chaoyang held the cup in front of him. ““Miss Zhao, I’ll replace the wine with tea first. I’ll punish myself with three cups.”” ”

““Special Assistant Lin, you’re being too polite!”” ”

“The moment the lawyer entered the teahouse, he saw Zhao Xueyin sitting there.”

“She was wearing a white dress, and the smile on her face was bright and moving.”

The lawyer was just about to go up and greet her when he saw Lin Chaoyang sitting opposite her.

This was Master Five’s special assistant.

Perhaps they were discussing a collaboration.

“After some thought, the lawyer did not go up and disturb them. Instead, he chose a seat next to them and sat down.”

“His and Zhao Xueyin’s seats were back to back, but there was a bead curtain between the seats. Zhao Xueyin could not see him, but he could hear their conversation.”

“After drinking three cups of tea, Lin Zhaoyang continued, ““Miss Zhao, your boyfriend didn’t come with you today?”” ”

““Boyfriend?”” Zhao Xueyin said, ““I don’t have a boyfriend, Special Assistant Lin, are you mistaken?”” ”

“Lin Zhaoyang was stunned. ““Isn’t Mr. Lawyer of Your Financial Group your boyfriend?”” ”

“Hearing this, the lawyer’s heart raced.”

His ears were also slightly red.

He was looking forward to Zhao Xueyin’s answer.

“Hearing this, Zhao Xueyin suddenly understood. ”

No wonder master five did not make any movements for a few days.

It was a misunderstanding.

He mistook the lawyer for her boyfriend.

“Zhao xueyin smiled and said, ““Special Assistant Lin, you misunderstood. The lawyer is not my boyfriend. We are not even ordinary friends. It has always been his wishful thinking.”” ”

“Chapter 1192: 256: Si Lui suddenly came to his senses! Face slapping, Master Five’s vest dropped all over the floor! 1”

Wishful thinking.

Not even considered as an ordinary friend?

“Hearing these words, Si lui was stunned. ”

The color on his face disappeared completely.

“At this moment, he almost thought he was hearing things. ”

Si Lui’s hand holding the cup was trembling.

He heard wrong.

He must have heard it wrong.

He and Zhao Xueyin were clearly in love.

How could it be considered wishful thinking?

The lawyer tried his best to calm himself down and took a sip of water from the glass.

The conversation next door was still going on.

“Li Chaoyang looked at Zhao Xueyin and calmly rolled up his sleeves. His tone was neither fast nor slow. “Miss Zhao, I know that many women in the workplace are unwilling to expose their relationships. I can understand if you say so!” ”

“Seeing that the misunderstanding was getting worse, Zhao Xueyin was very anxious. ”

The person she was going to marry was master five. She could not let a lawyer ruin all of her plans.

“She knew that the lawyer’s wishes would ruin things, but she did not expect that master five would also have a misunderstanding because of this. ”

No.

She could not let master five continue to misunderstand.

She had to clarify the matter.

“Zhao Xueyin continued, “Special Assistant Li, you misunderstand. I have nothing to do with the lawyer. For such a long time, it was really just his own amusement and wishful thinking.” ”

Li Chaoyang picked up his cup and took a sip of tea. “Are you sure it was Mr. Lawyer’s wishful thinking? But the rumors I heard in Shunxi Financial Group were not like that. Everyone said that you and Mr. Lawyer are a perfect match!”

Perfect Match?

What kind of perfect match was there between her and Mr. Si?

The lawyer was only working for the Zhao family.

“A worker, and he still wanted to be with her? ”

It was ridiculous!

“Zhao Xueyin raised her hand and tidied her hair, “To be honest, the lawyer has wanted to be the son-in-law of our Zhao family for a long time! He even tried every means to please my father. In fact, my father doesn’t really like him, but due to the friendship of the previous generation and the fact that my father is a soft-hearted person, it’s not good to ignore him. That’s why he hasn’t fallen out with him. Speaking of which, the lawyer is also a blind man. My father clearly doesn’t like him at all, but he’s full of confidence... .. ”

“At this point, Zhao Xueyin sighed, then, she said, “Actually, these unrealistic words were spread by the lawyer. I really have nothing to do with him. Rumors are scary. He just wants to use these rumors to confirm our relationship.” ”

Zhao Xueyin had never admitted her relationship with the lawyer in public.

“Then, why was there such a rumor spreading in the Shunxi Financial Group? ”

It was clearly the lawyer who let it spread.

Shameless.

The lawyer was simply shameless to the extreme!

He did not even look at himself in the mirror to see what kind of person he was.

“Li Chaoyang nodded, he said in disbelief, “I didn’t expect Mr. Lawyer to act like a gentleman, to actually do such a thing in the mainland. It almost caused me to misunderstand that the two of you are really a couple. However, this lawyer is indeed not good enough for Miss Zhao. When I thought that the two of you were a couple, I felt a wave of regret!” ”

Regret?

What did Li Chaoyang have to regret.

“The one who was truly regretful, master five. ”

It was just something that came out from Li Chaoyang’s mouth.

“Zhao Xueyin was very excited, but on the surface, she did not move, she pretended to be very regretful and said, “Actually, I did not expect the lawyer to be this kind of person! However, this is not strange. There is a saying that one can not tell a person’s heart from their face. Fortunately, I saw his true face in time, so there was no actual loss.” ”

Li Zhaoyang nodded and agreed with what Zhao Xueyin said.

One can not tell a person’s heart from their face.

“What a good phrase, one can not tell a person’s heart from their face. ”

The lawyer leaned against the back of the chair.

His face was pale.

He had never thought that he was this kind of person in Zhao Xueyin's heart.

"If he had not experienced it personally, he would not believe that these words were said by the kind and simple Zhao Xueyin."

This Zhao Xueyin was like a different person.

Extremely unfamiliar.

Laughable.

Simply laughable.

He naively thought that Zhao Xueyin had him in her heart.

They liked each other.

"In fact, in Zhao Xueyin's heart, he was a dispensable person."

Zhao Xueyin had been using him.

"Thinking about how he had fought Yang Wenhao a few days ago in order to protect Zhao Xueyin, the lawyer even regretted it. It was even worse than dying."

Yang Wenhao was right.

Idiot!

He was the real idiot.

“Chapter 1193: 256: the lawyer suddenly came to his senses! Face slapping, Grandpa Five’s vest dropped all over the floor! 2”

It was fine if he was stupid.

He still wouldn’t listen to good advice.

“For the sake of a Zhao Xueyin, he actually broke up with his friend of more than ten years.”

“The lawyer clenched his fists tightly, his entire body was trembling.”

“The lawyer tried his best to control his emotions, not letting himself cry out loud.”

Five years.

Five whole years.

“As the lawyer, he stayed by Zhao Xueyin’s side for five whole years.”

He did not expect such a result.

Was He Dreaming?

The lawyer closed his eyes.

“Behind him, Li Chaoyang’s voice continued to ring out. ”

““Since you already know the truth of the lawyer, don’t you want to clarify it within the consortium?”Li Chaoyang continued, “If this rumor continues for a long time, it will definitely affect Miss Zhao’s reputation. It will make those who admire Miss Zhao not dare to take the initiative to pursue her.” ”

People who admire her?

Li Chaoyang was definitely referring to master five.

Master five was going to take the initiative to pursue her!

“Thinking of this, Zhao Xueyin’s heart beat rapidly. ”

“In the whole of China, who could make master five pursue her personally? ”

Forget about pursuing.

“Some women, even if they were to fall head over heels for Master Five, master five would not even spare her a glance. ”

“For example, Ye Zao. ”

So what if ye Zao was so good looking?

He had found a boyfriend who was an imposter.

“When she became fifth master’s wife and the mistress of the Bai family, how could ye Zao compare to her?”

“I’ve clarified it.” Zhao Xueyin suppressed the excitement in her heart and smiled bitterly, “To be honest, those who spread rumors in the company a few days ago were all fired by me. “However, rumors don’t disappear in a short period of time. “However, I believe that after a long time, these rumors will fall apart.” ”

Yes.

The lawyer also knew about this.

A group of assistants on the 58th floor had been fired by Zhao Xueyin a few days ago.

The lawyer thought that these assistants were fired because they gathered to chat while working.

It turned out that gathering to chat was not the real reason.

The lawyer took a deep breath.

“Li Chaoyang nodded. “Since Miss Zhao has seen through the lawyer’s true colors, I don’t think there’s a need for an employee like the lawyer to stay in Shunxi Financial Group. Miss Zhao, what do you think?” ”

“Hearing this, Zhao Xueyin furrowed her brows. ”

What did Li Chaoyang mean by this?

Did he want her to fire the lawyer?

Li Zhaoyang was the fifth master's Special Assistant.

What he meant was definitely the fifth master's intention.

He was jealous.

The fifth master must be jealous.

"Otherwise, he would not have asked her to fire the lawyer. "

"Thinking of this, Zhao Xueyin was overwhelmed by the favor. "

"She never dreamed that one day, the great fifth master would be jealous of her. "

"Zhao Xueyin nodded, then, she said, "Special Assistant Li, to tell you the truth, I have been preparing for these things since a long time ago. It's just that I haven't found the right opportunity. When the time comes, I will immediately ask si lui to leave." "

"I see." Li Chaoyang nodded and continued, "Miss Zhao is a sensible person. There will definitely be great fortune in the future!" "

Li Zhaoyang's words were very obvious.

Great Fortune.

Her great fortune would definitely be to become the mistress of the Bai family.

"Now, it seemed that she was absolutely right to take the initiative to ask Li Zhaoyang out! "

“If she had not asked Li Zhaoyang out in time, she would never have known that master five had such a deep misunderstanding of her. ”

And she would never have known that master five still wanted to take the initiative to pursue her.

“Zhao Xueyin suppressed the excitement in her heart and raised her cup. She tried her best to be calm and said, “Then I shall rely on special assistant Li’s kind words.” ”

Li Zhaoyang also raised his cup and clinked it with Zhao Xueyin’s. “Miss Zhao is too polite. I will have to rely on Miss Zhao to take care of me in the future.”

“”Thank you for your favor, Special Assistant Li.”Zhao Xueyin downed the tea in her cup in one gulp. ”

“After chatting for a while, Li Zhaoyang suggested leaving. ”

“Zhao Xueyin said, “Special Assistant Li, it’s about time now. Why don’t we have lunch together?” ”

“Li Zhaoyang smiled and said, “Miss Zhao is too polite. DK Consortium’s annual meeting is in a few days. I have been preparing for the annual meeting these few days. When I have time, I will definitely treat Miss Zhao to a meal.” ”

The annual meeting of DK Consortium?

Why would Li Zhaoyang bring up the annual meeting for no reason?

Could it be that master five wanted to invite her to the annual meeting and announce her identity?

Yes.

That must be the case.

“Zhao Xueyin’s heart raced in an instant. “Since special assistant Li has something to do, I won’t keep you.” ”

The lawyer on this side could not hear anything clearly.

“Chapter 1194: 256: Si Lui suddenly came to his senses! Face slapping, Grandpa Five’s vest dropped all over the floor! 3”

His mind was buzzing.

“After a long time, he walked out of the teahouse. ”

He was in a daze.

The sky outside was gray.

“Before long, snowflakes started to fall from the sky. ”

Si lui stood on the busy street like this. The disappointment on his face formed a sharp contrast with the bustling street.

“Uncle Fu looked at Si Lui’s back and his face was full of heartache. Just as he was about to hand the umbrella over, a wrinkled hand blocked uncle Fu’s hand. ”

“Master?” Uncle Fu looked at Old Master Jin.

Old Master Jin shook his head. “Now is not the time.”

“Only then did Si Lui see Zhao Xueyin’s true face clearly. If Uncle Fu gave the umbrella to her rashly at this time, according to Si Lui’s suspicious personality, he would definitely misunderstand that everything was planned by them.”

“At that time, the losses would outweigh the gains.”

“Therefore, he still had to wait.”

He had to wait for Si Lui to figure it out on his own.

“But...” Uncle Fu felt sorry for Si Lui.

“I know you feel sorry for him, but now is not the time to feel sorry for him.” Old Master Jin continued, “Let that child wake up properly.”

“Uncle Fu also knew what Old Master Jin meant, so he could only give up handing the umbrella to Si Lui.”

Old Master Jin turned around and got into the car. “Let’s go back first.”

“Okay.” Uncle Fu nodded and followed Old Master Jin’s footsteps.

They got into the car.

“Old Master Jin made a call. “Hello, fifth master. Thank you.””

A deep voice came from the other side. “Has the matter been settled?”

“Old Master Jin continued, “It has already started to show results, but I still need fifth master to lend assistant LIN to me for a few more days.” ”

“When Old Master Jin asked Cen Shaoqing for help, Cen Shaoqing did not want to appear personally. Hence, Ye Zhuo suggested that assistant Lin appear. ”

“Old Master Jin thought that this method would not work. After all, it was Lin Chaoyang who was negotiating with Zhao Xueyin from the beginning to the end. Cen Shaoqing did not even show his face. ”

He did not expect that this method would be so effective!

“Sure.”.

“Old Master Jin continued, “I’ll have to trouble you to say thank you to miss ye for me.”If it wasn’t for Ye Zhuo’s help, he would still be like a headless chicken. ”

He had to admit that ye Zhuo was really amazing!

“After hanging up, Old Master Jin looked up at the driver. “Let’s go to the cemetery.” ”

“Okay.”The driver nodded.

“Soon, the car stopped at the entrance of the cemetery. ”

Grandpa Jin opened the door and got out.

Uncle Fu also got out of the car.

“Don’t follow me.”

Uncle Fu handed the umbrella to Grandpa Jin. "Take the umbrella."

Grandpa Jin took the umbrella and walked into the cemetery.

Not many people came to the cemetery at this time of year.

The entire cemetery looked empty and desolate.

It was also a little cold.

Old Master Jin held an umbrella and walked forward.

A row of footprints were left on the vast snowy ground.

"After walking for about ten minutes, old master Jin stopped in front of a tombstone."

There was a photo of a young woman on the tombstone.

The photo was very old.

It had the feel of a harbor-style beauty from the 1970s and 1980s.

"Looking at the woman in the photo, Old Master Jin's eyes were slightly red. After a while, he slowly said, "Alan, I'm here to see you." "

The only response he got was the whistling cold wind and the rustling snow.

"Alan, I'm sorry..." "

“That child, ruyu, looks so much like me. You must have felt worse than me back then, right?”

“Grandfather Jin stood in front of the tombstone for a very, very long time.”

He only turned around and left when the umbrella was covered with a thick layer of snow.

* *

The snow was getting heavier.

Si lui did not know how he returned to the Shunxi Financial Group.

He could not believe that what he had just experienced was real.

“Big Brother Si.” At this moment, Zhao Xueyin’s voice came from behind.

Si lui looked back.

Zhao Xueyin was still the same as usual. The smile on her face was always so gentle.

“Looking at that face, Si Lui’s face was full of self-mockery.”

“Seeing that lawyer Si’s expression was not right, Zhao Xueyin frowned slightly. “Big Brother Si, what’s wrong with you?”

“Nothing.” Lawyer si retracted his gaze. “I’m just a little tired.”

“Zhao Xueyin said very concernedly, “Big Brother Si, have you been too tired recently?”

“At this moment, lawyer Si had almost forgotten about the scene that had happened in the teahouse.”

He did not understand.

Why Could Zhao Xueyin Act so well.

“From the beginning to the end, they were two completely different people.”

Or was Zhao Xueyin just acting in the teahouse?

“If what Zhao Xueyin said in the teahouse was true, she would definitely find a way to fire her.”

“However, Zhao Xueyin didn’t seem to have any intention of firing him.”

“Chapter 1195: 256: Si Lui suddenly came to his senses! Face slapping, Lord Fifth’s vest dropped all over the floor! 4”

Right.

It was definitely just a show.

“Thinking of this, Si Lui’s eyes lit up again. “I’ve been a little tired recently.” ”

“Zhao Xueyin continued, “Then you should pay more attention to rest.” ”

““Okay.” Si lui nodded. “Xueyin, you should also pay attention to rest.” ”

“Zhao Xueyin smiled and said, “Don’t worry, I’m not a child anymore.” ”

“Speaking up to this point, Zhao Xueyin paused and continued, “By the way, Big Brother Si, are you free to get off work tonight?” ”

“I’m free.” Si lui nodded.

“Zhao Xueyin continued, “Then let’s go for a meal together?” ”

“Okay.”

“Then it’s settled. I’ll go back to the office first.”

“Okay.”

The lawyer watched Zhao Xueyin get into the private elevator.

“From the beginning to the end, Zhao Xueyin had never said anything about firing him, so he must have misunderstood Zhao Xueyin. ”

“If Zhao Xueyin really didn’t have him in her heart, she wouldn’t have asked him out for dinner tonight. ”

“Thinking of this, the lawyer felt much better. ”

“Soon, it was time to get off work. ”

Si lui went to the restaurant in advance to wait for Zhao Xueyin.

He even bought a diamond ring and flowers.

“After today’s incident, Si lui was a little flustered.”

He had to propose to Zhao Xueyin.

He couldn’t wait like this any longer.

“As time passed, Zhao Xueyin finally arrived late. “I’m sorry, Brother Si, the traffic was too heavy!” ”

“It’s okay.” Si lui handed Zhao Xueyin the tablet that he ordered. “I ordered these dishes. Do you want to add anything?”

“”No need.” Zhao xueyin smiled and said, “I like what you ordered.” ”

Si lui turned to look at the waiter. “Then these will do.”

“The waiter took the tablet with both hands. “Okay, please wait a moment.” ”

“Okay.” Si lui nodded.

Zhao Xueyin was still the same as before.

Si Lui’s heart slowly calmed down.

He should have trusted Zhao Xueyin. He should not have let his imagination run wild.

“Halfway through the meal, Zhao Xueyin put down her chopsticks and looked up at Si lui. “Big Brother Si, I have something to tell you.” ”

“Si lui smiled and said, “What a coincidence. I have something to tell you too.” ”

“Zhao Xueyin said, “Then you go first.” ”

““You go first,” Si lui said. ”

Could it be that Zhao Xueyin wanted to use this opportunity to chase him out of the Shunxi Financial Group?

No.

It wouldn't be.

He had to believe Zhao Xueyin.

Zhao Xueyin was definitely not that kind of person.

“Si lui took a deep breath, and his heart was in his throat. ”

He had loved Zhao Xueyin for so many years.

He didn't want to end up falling in love with a joke.

He didn't want to embarrass himself even more.

“Zhao xueyin nodded and continued, “Big Brother Si, you're a very talented person. This time, for me, you've been demoted four levels consecutively. I'm really sorry...” ”

It turned out that Zhao Xueyin did not want to chase him away.

Zhao Xueyin was concerned about him.

“Si lui heaved a sigh of relief and said with a smile, “It’s alright. I volunteered for all of this. I Don’t blame you.” ”

“Zhao Xueyin sighed, “Big Brother Si, although you don’t blame me, I can’t bear it in my heart. If it wasn’t for me, you wouldn’t have been so wronged! This is all my fault. Big Brother Si, I’ve let you down...”Zhao Xueyin blamed herself endlessly, there wasn’t any flaw on her face. ”

Even the lawyer was convinced.

“The lawyer reached out and held Zhao Xueyin’s hand. “Xueyin, I’m really fine. Don’t think that way. I’ve never thought that this is anything! As long as you’re fine, I’m willing to do whatever you want me to do.” ”

“Looking at the hand held by the lawyer, Zhao Xueyin felt a little disgusted. ”

But she couldn’t say it out loud.

She could only endure it.

Si lui was still useful to her.

She couldn’t offend Si lui to death.

“Zhao Xueyin said with red eyes, “Big Brother Si, I don’t deserve you to be so good to me!” ”

““Yes, you deserve it!”Si Lui’s tone was firm. ”

“Zhao Xueyin continued, “Big Brother Si, you are so talented. If you continue to stay on the 30th floor, you are simply wasting your talents. I Can’t bear to see you suffer such grievances. Why Don’t you resign? “If you leave the Shunxi Financial Group, with your talent, no matter which financial group you go to, you’ll be promoted to the position of chairman and above? “Why do you continue to stay in the Shunxi Financial Group and Waste Your Youth?” ”

Resign?

“To put it nicely, she was resigning. ”

“In fact, Zhao Xueyin was chasing her away. ”

“If the lawyer hadn’t heard the conversation between Zhao Xueyin and special assistant Li This Morning, he would have thought that Zhao Xueyin was sincerely doing him a favor. ”

Zhao Xueyin could not bear to see him suffer.

But now.

The lawyer only felt that the person in front of him was so unfamiliar that it made his heart turn cold.

“The lawyer smiled. “Xueyin, are you really doing me a favor?” ”

““Of course!”Zhao Xueyin continued, “Brother Si, do you want to continue staying on the 30th floor?” ”

“Chapter 1196: 256: Si Lui suddenly came to his senses! Face slapping, Master Five’s vest dropped all over the floor! 5”

““Yes,”si lui nodded, “As long as I can be with you, I’m willing to be a salesman on the second floor!” ”

Be with her?

Si lui was simply fantasizing!

“Zhao Xueyin’s eyes were full of sarcasm, which disappeared in a flash, then, she said, “But Big Brother Si, I don’t want you to suffer such grievances! Listen to me and leave the Shunxi Financial Group! I believe that you will do more after you leave the Shunxi Financial Group!” ”

“”Actually, you want to chase me away, right?”Si lui raised his head and looked at Zhao Xueyin without any expression in his eyes, “In your eyes, I’m just a fool who thinks too highly of himself!” ”

Zhao Xueyin was shocked.

All of a sudden.

How did si lui suddenly become like this?

What did he know?

“Zhao Xueyin said in disbelief, “Brother Si, what are you saying? In My Eyes, you will always be the best and best confidant! No one can replace you! Why do you think so? or did someone say something in front of you?” ”

“”Hehe,”si lui sneered, “Is that so? Since no one can replace me, then why did you chase me away?” ”

“Zhao Xueyin continued to explain, “I didn’t chase you away. Big Brother Si, why do you think so? ! I asked you to leave Shunxi Financial Group for your own good! I just feel that it’s too unfair to you! I Can’t bear to see you suffer like this! Why Can’t you understand?” ”

“The lawyer had been demoted four ranks in a row in the Shunxi Financial Group, so there was no possibility of promotion in the future. ”

“From the perspective of a bystander, her words were indeed reasonable.”

Unfortunately.

The lawyer was no longer the same lawyer as before.

Zhao Xueyin’s heart was also a little flustered.

She had an intuition.

Some things had already changed in the dark.

The lawyer had also changed.

“If this was in the past, the lawyer would definitely have agreed readily and would be extremely grateful to her.”

“All these years, the lawyer was like a marionette.”

“Zhao Xueyin told him to go east, he would never go west, Zhao Xueyin told him to go north, he would never go south.”

But now.

“Not only did the lawyer reject her, he even questioned her.”

“According to the lawyer’s IQ, he would never suspect her.”

Unless someone said something in front of the lawyer.

Who was this person?

Ye Zhuo?

“Other than ye Zhuo, Zhao Xueyin could not think of a second person.”

It was definitely ye Zhuo!

Ye Zhuo wanted to sow discord and turn the lawyer into her lap dog.

How Shameless!

“Zhao Xueyin’s eyes were red as she continued, “Big Brother Si, think about it carefully. Am I doing this for your own good? We’ve known each other for so many years. Don’t you know what kind of person I am?” ”

“”It’s precisely because of this that I love you so much! I trust you so much, but Zhao Xueyin, are you really worthy of me doing this?”The previous Si lui had never doubted himself. ”

The current lawyer did not want to doubt himself either.

“But things had come to this point, and he had no choice but to doubt his own judgment. ”

“Zhao Xueyin took a deep breath and looked at the lawyer, “It’s Ye Zhuo, right? It must be ye Zhuo! Ever since ye Zhuo returned, all of you have changed. You have changed, and so has Xiao Yu! All of you have changed! Big Brother Si, if you really think that I’m chasing you away, then think of it this way! In short, I have a clear conscience!” ”

Ye Zhuo.

Zhao Xueyin brought up ye Zhuo again at this time.

“Si lui suddenly remembered that the last time, it was under the same circumstances that his misunderstanding of ye Zhuo suddenly deepened.”

“Under Zhao Xueyin’s misdirection, he felt that everything was ye Zhuo’s fault. ”

“Si lui looked at Zhao xueyin like this, “This matter has nothing to do with President Ye! Don’t drag irrelevant people into it!” ”

““Even if it doesn’t matter, you’re still protecting her?”Zhao xueyin sneered, “Si Lui, you’ve really disappointed me!” ”

President Ye?

Si Lui’s attitude changed so quickly!

“A moment later, Zhao Xueyin took a deep breath, then, she said, “Brother Si, Don’t be deceived by Ye Zhuo!”! Ye Zhuo was a girl who relied on men to get to the top. She was the best at Bewitching People’s Hearts! You were kept in the dark by her. I can let you off with what I said just now. Please believe me. My heart has never changed for you, and I’ve never thought of chasing you away!” ”

“Okay!”Si lui nodded. “Then I’ll believe you this time.”

“Seeing this, Zhao Xueyin smiled. “Brother Si, thank you.” ”

“Si lui took out the flowers and the diamond ring, “Since your heart for me has never changed, then marry me! We’re not young anymore, and uncle also hopes that we can get together as soon as possible.”As long as Zhao Xueyin was willing to accept the flowers and the diamond ring, si lui would believe her. ”

“Chapter 1197: 256: the lawyer suddenly came to his senses! Face slapping, Grandpa Five’s vest dropped all over the floor! 6”

Zhao Xueyin was stunned.

The expression on her face was a little ugly.

What was the lawyer doing?

Proposing?

Why couldn’t he have any self-awareness at all.

Even a little!

“As long as the lawyer had a little self-awareness, he wouldn’t do such a ridiculous thing!”

“In the current situation, Zhao Xueyin could only temporarily accept the flowers from the lawyer and then think of a way to stabilize the lawyer’s emotions.”

“Just as Zhao Xueyin was about to reach out to take the flowers, a glimmer of light suddenly flashed in her eyes.”

This was the camera’s flash.

Someone was secretly taking pictures of her!

“Realizing this problem, Zhao Xueyin quickly looked around. When she looked around, her face was a little pale.”

Who was that?

Li Zhaoyang!

“Master five had already misunderstood her relationship with the lawyer. If she accepted the lawyer’s flowers under such circumstances, it would really be hard to explain.”

No.

Things could not go on like this.

She had to draw a clear line with the lawyer in front of Li Zhaoyang.

“”Marry you? What are you thinking? Why do you think I will marry you?”Zhao Xueyin looked at the lawyer, her eyes were full of sarcasm. “Why don’t you look at yourself in the mirror and see what kind of person you are! Which part of your body do you think is worthy of me?”The only person who was worthy of her.., was Master Wu! ”

“Besides Master Wu, no one else was worthy of her. ”

Since they had already fallen out.

Then there was no need to show any mercy.

They should constantly be in trouble.

“She was the daughter of the Zhao family, and Si lui was just a worker. Si lui was not worthy of her. ”

“You finally said it.”The lawyer laughed.

“Zhao Xueyin continued, “If you know what’s good for you, you should resign and leave. Otherwise, I’ll do it myself and embarrass everyone!” ”

“The lawyer took a deep breath. “You’ve wanted to do this for a long time, right?” ”

Zhao Xueyin lowered her voice. “You can only blame yourself for not knowing your place!”

“As long as the lawyer knew his place, he would not think that she liked him. ”

She had never said that she liked the lawyer.

All of this was because the lawyer was self-righteous.

““Yes, I was too stupid...”the lawyer’s mouth was full of self-mockery. “Zhao Xueyin, I have done so much for you. Aren’t you even a little touched?” ”

““You volunteered, why should I be touched?”Perhaps afraid that Li Chaoyang heard something, Zhao Xueyin’s voice was a little low. “Lawyer, to tell you the truth, I have tolerated you for a long time!” ”

“After saying this, Zhao Xueyin took her things and turned to leave. ”

Without a trace of hesitation.

Si looked at her back and fiercely smashed the Roses on the ground.

Bang —

Bright red petals scattered all over the ground.

“Si was so upset that he wanted to shout, but he had no choice but to suppress his emotions.”

““Sir, do you need help?”The waiter in the restaurant walked over and asked.”

““No need.”Si Lu took out a stack of RMB from his wallet and placed it on the dining table. Then, he turned around and walked out of the door.”

“The waiter picked up the diamond ring on the table. “Sir, you forgot to take your item.” ”

“Throw it away.”Si Lu said without turning his head.

His voice was not as energetic as before. It was weak.

It was as if he had been struck by something.

The waiter was stunned.

“Such an expensive diamond ring, and he threw it away just like that?”

“After a moment, the waiter quickly chased after him. “Sir...” ”

The lawyer turned around angrily. “I said throw it away! Don’t you understand human language?”

The waiter was shocked.

“Before she could react, the lawyer had already left the restaurant.”

The lawyer seemed to have returned to the morning.

He walked alone on the noisy street like a toy that had been abandoned.

“However, this time, he felt even worse than in the morning.”

“In the morning, he could even use his misunderstanding of Zhao Xueyin as an excuse to comfort himself.”

And Now?

What was he going to use to comfort himself?

“Ah!”

“The lawyer looked up at the sky and roared, venting out all his emotions.”

That night.

The lawyer didn't know how he got through it.

He probably didn't sleep at all.

“The next day, he went to the Shunxi Financial Group to go through the resignation procedures.”

“When the personnel department staff learned that he was leaving, they were all very surprised.”

“After going through the resignation procedures, the lawyer made a trip to the 58th floor.”

“As soon as he got out of the elevator, he saw Zhao Xueyin walking over. ”

Zhao Xueyin also noticed the lawyer at the first moment. Her eyes were full of disgust.

Why did the lawyer come again?

Could it be that he came to find her to apologize? To Beg for her forgiveness?

She had already made things clear yesterday. Why did lawyer Si still have to do this?

It was so disgusting!

“Zhao Xueyin furrowed her brows tightly, “Lawyer Si, Can’t you leave some dignity for yourself? Do you have to be so persistent? I’ve already told you that I don’t like you. All along, it’s all your wishful thinking. Why Can’t you understand? ! What do you want?”Zhao Xueyin could almost imagine the lawyer’s next reaction. ”

“Chapter 1198: 256: Si Lui suddenly came to his senses! Face-smacking, Lord Fifth’s vest dropped all over the floor! 7”

“Probably crying bitterly, he might even kneel down for her. ”

“Just as Zhao Xueyin was waiting for Si lui to kneel down for her, Si lui didn’t even look at Zhao Xueyin. He directly walked past Zhao Xueyin and walked forward. ”

“Zhao Xueyin was stunned, and her expression was a little awkward. ”

The lawyer wasn’t here to look for her?

Then why did he come to the 58th floor?

“A moment later, the lawyer’s voice came from the air. “President Ye, do you have time now?” ”

Ye Zhuo?

“Hearing this, the expression on Zhao Xueyin’s face became even more unsightly. ”

Ye Zhuo!

It was ye Zhuo again!

So the lawyer was here to look for ye Zhuo.

She knew that all of this was because of ye Zhuo.

“If it wasn’t for Ye Zao, lawyer Si wouldn’t have suddenly changed his heart. ”

Scum!

Slut!

“Zhao Xueyin bit her lip, her eyes filled with unwillingness. ”

Even though Zhao Xueyin didn’t like ye Zao.

“But when she thought of how lawyer Si had turned around and liked ye Zao, she felt extremely uncomfortable. ”

She thought that lawyer Si loved her.

So that was all.

Lawyer si followed ye Zao to the office.

“President Ye, I’m Sorry.” Si Lu bowed to ye Zao. “I was the one who misunderstood you in the past. I even did a lot of malicious things to slander you.” ”

Although apologizing wouldn’t solve anything.

“But now, other than apologizing, Si Lu couldn’t think of any other way.” ”

Ye Zao handed Si Lu a cup of coffee. “I don’t want to fuss over the past. I hope that you won’t make the same mistake again in the future.”

“Thank you.” Si lui took the coffee with both hands.

“Ye Zhuo looked at si lui and continued, “What are you going to do next?” ”

“I quit,” Si lui said. ”

Ye Zhuo was not surprised. He nodded slightly. “This is a good thing for you.”

“Mm.” Si lui took a sip of coffee and nodded.

“Ye Zhuo looked at si lui and continued, “Your Eyes tell me that you haven’t completely given up on Zhao Xueyin. You still have fantasies about her.” ”

The things that were hidden in the bottom of his heart were revealed by ye Zhuo just like that.

Si Lui was stunned.

“How did ye, Ye Zhuo see through it? ”

“Humans are not plants. Who can be heartless? You and Zhao Xueyin have been together for so many years. It’s normal that you can’t let her go for a while. But I still want to say that Zhao Xueyin isn’t worth it for you to be like this.”

Si lui sighed.

It wasn’t just that he couldn’t let her go.

He was also a little unwilling.

Five years.

“For five whole years, how did the innocent and kind girl in his heart become like that? ”

Perhaps.

Did she have any difficulties?

Si lui desperately tried to find an excuse for her.

“Ye Zhuo continued, “The reason why Zhao Xueyin treated you like this is entirely because of her nature. She didn’t have any difficulties. Do you know what happened between her and Jiang Xiaoyu?” ”

Si Lu shook his head.

Ye Zhuo flipped open the laptop with one hand. "Come and take a look at this."

Si Lu walked over.

"When he saw the surveillance footage on the computer screen, he was completely stunned."

"The surveillance footage was not long. It was a total of ten minutes, but Si Lu felt as if a century had passed."

Barking like a dog?

Si Lu had never known that Zhao Xueyin would insult Jiang Xiaoyu like this.

No wonder Jiang Xiaoyu hated Zhao Xueyin so much.

"In the past, the lawyer always thought that the reason Jiang Xiaoyu turned against Zhao Xueyin was because ye Zhuo was sowing discord among them. Now, it seemed that things were not like this."

"Previously, in order to protect Zhao Xueyin, he almost slapped Jiang Xiaoyu."

The lawyer pinched his fingers.

So.

What did he love these five years?

Disgusting.

It was simply disgusting to the extreme.

“Si Lu’s stomach churned, and he started retching towards the trash can.”

Ye Zhuo passed him a piece of dry tissue.

“Thank you.” Si Lu took the tissue, his face a little pale.”

“After a long while, Si Lu finally calmed down. “President Ye, I have treated you like that before, and even slandered you. Why can you still forgive me and show me these?” ”

“But do good deeds and Mo Wen will have a bright future,” ye zhuo continued, “Moreover, your nature is not bad. It is just that you have fallen in love with the wrong person.” ”

But do good deeds and Mo Wen will have a bright future.

These words struck the deepest part of the lawyer’s heart.

“Thinking of all the things that he had done in the past, the lawyer was simply ashamed and ashamed!”

Ten minutes later.

The lawyer arrived at the building of the Shunxi Financial Group.

It had snowed all day yesterday.

Today was a sunny day.

“Si lui looked up at the Sun, his eyes were full of warm light.”

From today onwards.

His life began to turn a new page.

In the tall building next to him.

“Old Master Jin looked at Si Lui’s figure with binoculars, his eyes were full of gratification. ”

Five years.

Five whole years.

He had finally waited for this day.

On the other side.

DK Jewelry Center.

“The Day After Tomorrow was the annual party held by DK Financial Group. Since master five liked her so much, he would definitely invite her to attend the annual party. Hence, Zhao Xueyin dressed up and attended the party, coming to the jewelry center to choose her jewelry. ”

“As the Empress of DK Financial Group, she naturally couldn’t attend the annual party too shabbily. ”

“She had to bring out the aura of the Empress of DK Financial Group and wear her own brand of jewelry to attend her own annual party, ”

zhao Xueyin chose a lot of jewelry in one go.

“At this moment, a slender figure came to the same shop.”

The man wore a plain-colored robe and held a string of Red Buddhist beads in his hand.

“As he walked, a powerful aura erupted, and all the passers-by turned to look at the prime minister.”

“Zhao Xueyin turned her head and saw the figure of the man. She was stunned at first, but then her eyes were full of disdain. “Store manager Ma.” ”

“Miss Zhao.” Manager ma immediately walked to Zhao Xueyin’s side.

“Zhao Xueyin’s gaze swept past Cen Shaoqing. “Manager Ma, how can you be a manager? ! What kind of place is DK Jewelry Center? Why do you put all kinds of random people in there?” ”

Although the Cen family was very powerful in the capital.

Zhao Xueyin was not afraid of Cen Shaoqing at all.

“No matter how powerful CEN Shaoqing was, he could not compare to master five! ”

She was now the Woman Behind Master Five. What could a fake CEN Shaoqing do to her?

“After all, this was DK Jewelry Center! It was Master Five’s territory! ”

A cat or a dog?

Manager Ma was stunned.

Who Did Zhao Xueyin say was a cat or a dog?

Could she be talking about... that master?

“At this moment, Zhao Xueyin’s eyes lit up as she saw a familiar figure. ”

It was Li Chaoyang.

“Special Assistant Li!”

Why would Li Chaoyang appear at this time?

“He must have heard that she was shopping here, so he specially came to receive her! ”

Zhao Xueyin was extremely excited.

“However, Li Chaoyang acted as if he did not see Zhao Xueyin. He directly walked to Cen Shaoqing’s side and respectfully handed him a document. “Fifth master, this is the Jewelry Center’s performance report for the past six months.” ”

“Chapter 1199: 257: trash, Zhao Xueyin was thrown out! The rightful heir of the consortium! 1”

Seeing this scene.

Zhao Xueyin was stunned.

Master Five?

Who Did Li Chaoyang Call Master Five?

Cen Shaoqing?

Could it be that Cen Shaoqing is the master five of DK Consortium?

How could it be!

How could CEN Shaoqing be master five!

I heard wrong.

She must have heard wrong.

The founder of DK Financial Group was surnamed Bai.

Cen Shaoqing was surnamed Cen.

How could he be Master Five? !

“At that time, Zhao Xueyin also suspected that these two people were the same person, and she even went to investigate the information.”

The information showed that Cen Shaoqing had nothing to do with master five.

So.

She must have heard it wrong.

“Zhao Xueyin almost lost her balance, and her face did not have any color. She tried hard to calm herself down.”

“Special Assistant Li, don’t joke around! How can he be Master Five!”

Cen Shaoqing reached out and took the document from Li Zhaoyang. His thin lips parted slightly. “Throw it out.”

“It was a very simple word, but it had an inexplicable sense of deterrence.”

He did not mention his name.

“But Li Zhaoyang immediately understood. He bent down and said, “Yes, Master Five.””

Master Five.

This time.

Zhao Xueyin heard it clearly.

Could it be that Cen Shaoqing was really master five?

She realized this problem.

Boom!

Zhao Xueyin felt as if she was struck by lightning.

Master Five?

Cen Shaoqing was master five?

“If Cen Shaoqing was master five, then what was she?”

What did she do in front of Master Five just now?

She called Master Five a cat and dog?

What should she do?

What should she do now?

“Thinking about what she had done just now, Zhao Xueyin was filled with regret.”

“Before Zhao Xueyin could react, two security guards walked over and lifted Zhao Xueyin up from both sides.”

Zhao Xueyin could not muster any strength.

“Before Zhao Xueyin could react, she was thrown out of the shopping mall by two security guards.”

It was the end of the year.

Many socialites were gathered outside the mall to buy jewelry.

“DK Jewelry Center was a large mall, but it was the first time someone was thrown out of the mall.”

“Who is that? Why is she thrown out?”

“It looks like it’s Zhao Xueyin.”

“Zhao Xueyin? No Way! You must have seen wrongly!”

““If that’s not Zhao Xueyin, then who is it?” ”

“How did Zhao Xueyin get thrown out?”

““She must have done something shameful! Why didn’t she look at this place? Isn’t there a saying that goes, ‘Heaven will punish those who are arrogant!’” ”

The crowd discussed animatedly and even took out their phones to take a video.

When had Zhao Xueyin ever been criticized like this?

Her lowered eyes were full of humiliation.

“In a moment, Zhao Xueyin stood up from the ground and ran forward quickly. ”

“As she ran all the way to the car, Zhao Xueyin immediately called Li Chaoyang. ”

She had to ask him clearly.

How did Cen Shaoqing suddenly become master five?

All of this must be a misunderstanding.

““Sorry, the number you have dialed is an empty number...” ”

The sound of an empty number came from the other end of the phone.

Empty?

How could it be an empty number?

Zhao Xueyin panicked and dialed again.

The notification was still empty.

“Zhao Xueyin opened wechat again, and Li Chaoyang’s wechat also disappeared.”

It was as if Li Chaoyang had never appeared in her life.

“Ah!”

Zhao Xueyin could not take this blow. She took the phone and smashed it hard on the windshield.

PA —

A big crack appeared on the windshield.

Cen Shaoqing was master five.

And Ye Zhuo was Cen Shaoqing’s girlfriend.

What was she then?

“Thinking of what she had done during this period, Zhao Xueyin felt that she was a joke.”

She had always thought that she could marry master five and become the Empress of DK Financial Group.

And Now?

Everything had become a mirage.

Master five had become CEN Shaoqing.

The court lady of DK Financial Group had also become ye Zhuo.

“Unwilling, humiliated, and upset, Zhao Xueyin had mixed feelings in her heart. She lay on the steering wheel and cried loudly.”

She had always been the most outstanding existence since she was young.

“But ever since ye Zhuo returned to Shunxi Financial Group, everything had changed.”

Her pride and self-esteem were slowly being destroyed by Ye Zhuo.

“At this moment, Zhao Xueyin suddenly thought of Si Lu.”

Si Lu liked her so much.

Si Lu would definitely help her.

Zhao Xueyin’s hands trembled as she picked up the phone.

“Although the screen of the phone was broken, it didn’t affect her usage.”

Zhao Xueyin opened her contacts and dialed.

““Sorry, the number you have dialed doesn’t exist.” ”

A cold electronic voice came from the other end.

It was very obvious.

The lawyer had blocked her.

Zhao Xueyin opened wechat again and added her as a friend.

“The lawyer had blocked her phone. It was probably just a momentary anger. As long as she took the initiative to add the lawyer’s wechat back, the lawyer would definitely forgive her.”

“Chapter 1200: 257: a piece of trash, Zhao Xueyin was thrown out! The rightful heir of the consortium!
2”

Zhao Xueyin searched the lawyer’s wechat.

His wechat profile picture and wechat name were still the same.

Linglong dice an Hongdou.

The profile picture was the lawyer's favorite cartoon character.

"Seeing the lawyer's wechat name, Zhao Xueyin heaved a sigh of relief."

She knew that the lawyer still loved her.

What was the next line of the exquisite dice?

Do you know the deep yearning.

Who Was this yearning for?

Of course it was her!

Zhao Xueyin clicked to add him as a friend.

She thought that the lawyer would agree soon.

However.

After a few minutes.

There was still no news from the lawyer.

Ding!

"At this moment, Zhao Xueyin suddenly received a message."

It must be the lawyer!

Zhao Xueyin opened her phone to take a look.

It was a system message.

[the other party has rejected your friend request.]

Rejected.

Si Lu actually rejected it.

Zhao Xueyin's face was filled with a mocking smile.

Ye Zao.

It was all ye Zao.

It must have been ye Zao who took advantage of the situation.

It was all ye Zao's fault!

"If it wasn't for ye Zao, she wouldn't have become like this all of a sudden. "

"Now, even the person who loved her the most had been snatched away by Ye Zao. "

Zhao Xueyin's face was full of malice. Her gaze was as if she wanted to eat someone. She fiercely hammered the steering wheel. "B * Tch! B * Tch! Why won't B * Tch Die!"

The atmosphere in the carriage was stifling and oppressive.

After a long while.

Zhao Xueyin finally returned to the Zhao family in a daze.

Just as she stepped into the hall.

Bang!

A vase was smashed in front of Zhao Xueyin and shattered into pieces.

Zhao Xueyin was so scared that she took a step back. She raised her head and looked at Father Zhao who was standing in front of her. "Dad..."

"Father Zhao was full of anger as he said, "You're a disgrace! You still have the face to come back! Why Don't you die outside!" "

Disgrace!

It was simply too shameful!

""What About Me?" Zhao Xueyin's mood was already very bad. When she returned home, not only did she not hear Father Zhao's comforting words, but instead, she was scolded. "All these years! Other than scolding me, what else can you do?" "

"Every time something happened, Father Zhao would immediately scold her. "

Or he would blame her for not being a son.

He was not worthy of being a father at all!

1

“Look at what you’ve Done!” Father Zhao placed the phone in front of Zhao Xueyin.

Zhao Xueyin lowered her head and saw herself on the phone screen.

Her pupils dilated and her eyes were filled with disbelief.

This was the photo of her being thrown out of DK Jewelry Center.

There were five photos in total.

The title was very eye-catching:

[explosive! The daughter of a famous financial group was thrown out of DK Jewelry Center! The reason is still unknown!]

“The number of views of this news was very high. In just two hours, more than 100,000 people had already seen it.”

The comments below were even more interesting.

[it is said that the daughter of a certain financial group tried to seduce Master Five of DK. She failed and was thrown out!]

[What Financial Group? It is the Shunxi Financial Group!]

[Shunxi Financial Group? I think I know who it is!]

[seduce? Damn! This is too explosive! Even master five dared to seduce her!]

[I didn't expect that the daughter of a financial group would do such a shameful thing.]

[seduction? Do you have any evidence? The keyboard warrior just opened his mouth?]

“[if it wasn't seduction, how could she be thrown out?] ”

“[at the scene, what the person above said wasn't wrong! Also, this financial group's daughter's surname is Zhao, and her name is ZXY. As for who she is, there's no need to say more, right?] ”

“[I know, I know, I know! Previously, this young lady claimed to be the number one beauty in the financial world. Ever since the official heir of the Financial Group returned, she has nothing to do with it anymore! She probably wants to be promoted, that's why she came up with this seduction.] ”

Father Zhao was an extremely shameless person.

“Without a son, he was once unable to raise his head in the circle. ”

“Now, Zhao Xueyin had done such a shameful thing. How could the Zhao family raise their head in the circle in the future? ”

Zhao Xueyin panicked.

She really panicked.

“She did not expect that the photo would be posted on the Internet, and she did not expect the popularity to rise so quickly. ”

““It's not like that, it's not like that!”Zhao Xueyin picked up her phone and smashed it hard on the ground. “It's not like that! Dad, listen to me!” ”

“Do you think you’ll be fine just because you smashed your phone?” Father Zhao was so angry that his face was red. “How many people are laughing at our Zhao family now? Seducing master five! and being thrown out by someone! You’ve completely disgraced my old face!”

It was said that it was extremely cold at the top.

“Therefore, all these years, Father Zhao had always been careful with his words and actions, and did not leave any small traces for the outside world.”

“In addition, Zhao Xueyin’s talent was not bad, and she was a model among socialites.”
