

## **Almighty D 1421**

Chapter 1421: 305: Beat the crap out of him! (extra-curricular activities)3

The other party did not show any rejection status.

“However, there was no reply either.”

“However, although there was no reply, Zheng Wanyin heaved a sigh of relief.”

She had no choice but to not be blacklisted by Zhou Zuolong.

“As long as she was not blacklisted, it meant that Zhou Zuolong was still thinking of her as his granddaughter.”

“Grandpa did not delete my wechat,”Zheng Wanyin said.”

“Xie wanqiu nodded, knowing what to do.”

He knew that Zhou Zuolong would not give up on them so easily.

“She was Zhou Zuolong’s favorite woman, and Zheng Wanyin was Zhou Zuolong’s granddaughter!”

“After a while, they arrived at the entrance of the hotel.”

“Zheng Wanyin looked at Xie rongle. “Cousin, take Grandma to the side to rest for a while. I’ll go check in.””

“Okay.” Xie Rongle helped Xie Wanqiu to the lounge area in the lobby.

“Just as they sat down in the lounge area, someone looked over and pointed at them.”

“Why does that person look familiar?”

“She looks like Mr. Zhou’s stepmother!”

“”What do you mean she looks like her? She’s clearly that evil stepmother. She’s too shameless, forcing the original wife to marry into the family! It’s also because Mr. Zhou is kind enough to support them for so many years!””

“”Mr. Zhou had no choice. Didn’t you see how they slandered Mr. Zhou on the internet? Fortunately, Mr. Zhou fixed Ms. Wu’s suicide note. Otherwise, we would have misunderstood Mr. Zhou!””

“There should be a law. All cheating couples who interfere in other people’s marriages should be sentenced to death!”

“The crowd did not deliberately lower their voices, so Xie wanqiu heard it clearly.”

“She had been the wife of a wealthy family for many years, and this was still the best. She was being criticized behind her back.”

Her face felt as if it had been cut by a knife.

It was unbearable.

“However, she could not stand up and fight back.”

Xie wanqiu could only lower her head and pray for Zheng Wanyin to come over quickly.

“However, there was a problem with the payment process at the front desk. It was not until twenty minutes later that Zheng Wanyin jogged over. “Grandma, Cousin.””

“Xie wanqiu stood up and said, “Yinyin, let’s go quickly.””

Zheng Wanyin nodded.

“”That’s Zheng Wanyin, the toad who dreamed of marrying Fifth Master Cen!””

“What an ugly person. Why would fifth master Cen fall for that kind of person!”

“Isn’t it normal for an old and shameless descendant to be a little and Shameless?”

Zheng Wanyin bit her lip.

Just wait.

“The river flows east for thirty years, and the river flows west for thirty years.”

“After she successfully married Cen Shaoqing, she would definitely make all those who had insulted her pay the price!”

“Xie rongle listened to the discussions of the crowd, and his expression was a little ugly. She was with Zheng Wanyin and Xie wanqiu, would she also be criticized by others?”

“”Aunt, yinyin, let’s walk faster!””

The three of them quickly walked towards the elevator.

“Coincidentally, the elevator door was about to close when they went over.”

Zheng Wanyin jogged over and pressed the button. “Please Wait!”

The elevator door opened.

Inside stood three rich ladies with an imposing air. Behind them were a few bodyguards in black suits.

“Grandma, come in quickly!” Zheng Wanyin helped Xie wanqiu into the elevator.”

“Wait!” At this moment, a sharp female voice suddenly appeared in the elevator.”

“Zheng Wanyin looked up and saw that the person who spoke was Mrs. Fu, who was wearing sunglasses and a long black down jacket.”

“Normally, Zheng Wanyin would not take such a person seriously, but this time was different from the past.”

“What’s the matter?”

Mrs. Fu adjusted her sunglasses. “Please leave.”

“Why?” Zheng wanyin said angrily, “What right do you have to ask me to leave?””

“Mrs. Fu continued, “I’m sorry, but we don’t want to share the elevator with a few dogs.””

“That’s right,” Mrs. Fu said with a smile. “What if they get sick and bite us?””

Dogs?

These people actually called them dogs!

They were simply going too far!

Zheng Wanyin clenched her fists. "Who are you calling dogs?"

"Mrs. Fu, who was wearing sunglasses, turned to look at the bodyguards. "Please get these dogs out of Here!""

"Yes, Madam!"

"A few security guards immediately came out and pushed Zheng Wanyin, Xie wanqiu, and Xie rongle out of the elevator."

They looked at the constantly changing numbers on the elevator door.

Zheng Wanyin was so angry that she was about to have a heart attack!

"For the first time in her life, she was scolded by someone pointing at her nose like this."

Xie wanqiu and Xie Rongle's faces were also very ugly on the side.

Chapter 1422: 305: I'll torture the scum to my heart's content! (extra-curricular activities)<sup>4</sup>

Especially Xie Rongle.

"She felt that she had been wronged. She had clearly done nothing but stand together with Xie Wanqiu and Zheng Wanyin, yet she had been scolded like a dog."

“If it wasn’t for the sake of marrying Zhou Jinbei, she wouldn’t have been able to bear this injustice.”

“Xie wanqiu held Xie Rongle and Zheng Wanyin’s hands. “Rongle, yinyin, if you can’t bear it, you’ll mess up the big plan. Just Wait, one day, we’ll make them all regret it!” ”

The Cen family was the number one family in China.

“Once Zheng Wanyin married Cen Shaoqing, Zheng Wanyin would be the most honorable woman in the world.”

“When that time came, who wouldn’t suck up to Zheng Wanyin?”

Zheng Wanyin nodded.

Xie rongle nodded as well

“Soon, the elevator came down again.”

The three of them walked into the elevator and pressed the button for the floor.

“Soon, the elevator door opened.”

Zheng Wanyin opened the door and walked in.

“After entering the room, Xie wanqiu said, “Yinyin, find me a long cloth strip!” ”

“Why do you need a long cloth strip?”Zheng Wanyin asked doubtfully.

Xie wanqiu narrowed her eyes. "Hang myself!"

"Zheng Wanyin was stunned at first, but then she quickly reacted. "I don't have a long cloth strip. Can I use clothes?" "

""Yes."Xie wanqiu nodded and continued, "Remember to shoot a video for Zhou Zuolong later!" "

She did not believe that Zhou Zuolong would remain indifferent after seeing her hang herself.

"Got it!"

Xie wanqiu took out a dress and hung it on the steel pipe in the bathroom as if she was hanging herself.

"Zheng Wanyin took out her phone to shoot the video and cried, "Grandpa, Look! Grandma said that she wants to show her determination with her death. If you still don't come, Grandma will really hang herself!" "

""You and Grandma have been husband and wife for so many years. You Can't turn against each other just because of a few photos! Don't fall into other people's trap and do things that make the enemy happy! Grandma, I Beg You! Please, uncle and Grandma!" "

"After taking this video, Zheng Wanyin sent the hotel address to Zhou Zuolong. "

"Did you send it?"Xie wanqiu asked.

""Yes."Zheng wanyin nodded and continued, "Do you think Grandpa will really come?" "

""According to my understanding of him, he will be here in less than half an hour!" "

"That's Good!"

“Xie wanqiu continued, “I’ll rest for a while. You and Rongle go to the window to watch. When you see Zhou Zuolong enter the hotel, come and inform me immediately!” ”

“Okay.”

“After Zheng Wanyin left, Xie wanqiu took out her phone and sent Wu Youyu a message. ”

“In the blink of an eye, half an hour had passed. ”

There was still no movement from Zheng Wanyin and Xie rongle.

Xie wanqiu narrowed her eyes.

Could it be that there was a traffic jam on the road?

“Another half an hour passed. Just as Xie Wanqiu was getting anxious, Zheng Wanyin jogged over.

“Grandma!” ”

Xie wanqiu’s eyes lit up. “Is Zhou Zuolong Here?”

Zheng Wanyin shook her head. “He’s not here. He didn’t reply to wechat either. Grandma... What Should we do?”

What should we do?

How would Xie wanqiu know what to do!

She was also panicking right now.

“After a while, Xie wanqiu continued, “Go and buy some sleeping pills!” ”

“Sleeping pills?”Zheng Wanyin asked.

“Xie wanqiu nodded. “Yes, it’s sleeping pills.” ”

The act of hanging herself was too fake.

“She had to make a big scene and swallow some sleeping pills to stay in the emergency room. When that time came, Zhou Zuolong would definitely not be able to sit still. ”

“But sleeping pills are prescription drugs. Where can I buy them!”Zheng Wanyin said in a very awkward manner.

“Xie wanqiu raised her head and looked at Zheng Wanyin. “Yinyin, I know you definitely have a way.” ”

“Alright.”Zheng Wanyin nodded. “I’ll give it a try.”

Zheng Wanyin arrived at the hospital.

“After a very long time, Zheng Wanyin returned to the hotel. ”

“Xie wanqiu said, “Yinyin, did you get the sleeping pills?” ”

Zheng Wanyin nodded.

“Hurry up and give them to me.”

Zheng Wanyin took out the sleeping pills and handed them to Xie wanqiu.

Xie wanqiu took the bottle and unscrewed the cap. She poured the pills out and stuffed them into her mouth.

“This behavior gave Zheng Wanyin a fright. “Grandma, you really swallowed it!” ”

““If you didn’t really swallow it, how would it have any effect?” ”

“Zheng wanyin frowned and said, “Won’t someone die?” ”

““No, as long as I wash my stomach in time, there won’t be a problem. I’ve checked online,”Xie wanqiu continued, “After I swallow it, don’t call 120 immediately. Remember to call after half an hour!” ”

““Okay.”Zheng Wanyin nodded. “But, is it really okay?” ”

““Don’t worry, silly child. There won’t be a problem.”After saying that, Xie wanqiu stuffed all the pills into her mouth and swallowed them. ”

Chapter 1423: 305: I’m going to torture her to my heart’s content! (extra-curricular activities)5

“Half an hour later, an urgent police siren sounded from downstairs of the hotel. ”

Xie wanqiu was pushed into the 120 emergency ambulance.

“Zheng Wanyin was crying as she sent a video to Zhou Zuolong, “Grandpa, Grandma swallowed an entire bottle of sleeping pills. What should we do? Please believe her. She really hasn’t done anything to let you down. She’s already in this state, yet you still don’t believe her innocence? “Grandma was really wronged!” ”

“After a video was sent, Zhou Zuolong still did not reply.”

“The ambulance was very fast. In less than ten minutes, they arrived at the hospital. Xie wanqiu was pushed into the emergency room as she wished.”

“Zheng Wanyin continued to send the video. “Grandpa, Grandma was pushed into the emergency room. I’m so scared by myself. Can you please come and see Grandma?” ”

“However, there was still no reply from the other side.”

“With no other choice, Zheng Wanyin could only call Zhou Zuolong. However, as soon as the call was connected, it was hung up by the other side.”

““Yinyin, how is it? Did Zhou Zuolong pick up the call?”Xie rongle asked anxiously.”

“Zheng Wanyin shook her head. “No, I have a feeling that things are really not looking good this time...” ”

““That won’t happen. That won’t happen. Zhou Zuolong loves his aunt so much. Now that his aunt is in such a state, he definitely won’t ignore it! Maybe when he saw his aunt in such a state, he would immediately faint from anxiety. Let’s Wait a little longer, wait a little longer!” ”

“If Zhou Zuolong was determined to sever all ties with Xie Wanqiu, then what would she do? ”

How could she still marry Zhou Jinbei!

“With such a good husband like Zhou Jinbei in front of her, how could those country bumpkins from her hometown be worthy of her? ”

“In the current situation, other than waiting, Zheng Wanyin had no other choice.”

“Two hours later, Xie Wanqiu was pushed out of the emergency room. ”

“Zheng Wanyin immediately went up to her. “Grandma, Are You Alright?” ”

“Xie wanqiu was wearing an oxygen tube and looked very weak. “I’m-I’m fine. Is Zhou Zuolong Here?”It was not a pleasant experience to have her stomach pumped! In addition, Xie Wanqiu was getting older. After a round of torment, Xie Wanqiu almost lost half of her life. ”

“However, none of this was important. ”

The most important thing now was Zhou Zuolong!

Everything she had done was worth it in exchange for Zhou Zuolong’s sympathy.

Zheng Wanyin shook her head. “He didn’t come.”

He didn’t come?

“Xie Wanqiu’s expression was already ugly to begin with. After hearing those words, the last bit of light on her face disappeared without a trace. ”

“Zheng Wanyin quickly comforted her. “Grandma, don’t worry. Maybe Grandpa didn’t see it. He’ll definitely come and visit you tomorrow!” ”

“At this moment, Xie Wanqiu could only comfort herself in her heart. ”

Tomorrow.

Zhou Zuolong would definitely come tomorrow.

Zhou Zuolong valued her more than his own life. How could he just sit by and do nothing?

Very soon.

The next day arrived.

“The next morning, the first thing Xie Wanqiu did when she woke up was Zheng Wanyin. “Yinyin, has Zhou Zuolong come?” ”

“No.”Zheng Wanyin shook her head.

Why wasn't he here yet?

“Xie rongle said with a sad face, “From yesterday until now, he has been said to have shown up. Zhou Zuolong hasn't even replied to Yinyin's message. He can't really be determined to cut ties with you, right?” ”

“”Aunty, what are you talking about?”Zheng wanyin said, “Grandpa loves Grandma so much. He will definitely come! I believe in him!” ”

“At that moment, there was a knock on the door outside the ward. ”

Who was knocking on the door?

It was definitely Zhou Zuolong!

The three people's eyes lit up.

Zheng Wanyin was so happy that she cried. “I knew Grandpa would definitely come!”

“I’ll go open the door!” Xie Rongle ran to open the door.

“When he saw the person standing outside the door clearly, the smile on Xie Rongle’s face froze at the corner of his mouth.”

“He saw that the person who came outside was not Zhou Zuolong at all, but a young man in a suit and tie.”

“May — May I know who you are?”

“The young man looked up at Xie Rongle. “Hello, May I know if Ms. Xie Wanqiu is staying in this ward?” ”

“Yes.” Xie Rongle nodded.

“The young man continued, “I’m Mr. Zhou Zuolong’s —” ”

“Before the young man could finish his sentence, he was interrupted by Xie Rongle. “You were sent by my uncle, right? Come in, come in, my aunt is inside!” ”

The young man followed Zheng Wanyin’s footsteps.

“Xie Rongle said, “Aunt, uncle has sent someone to see you!” ”

Sent someone to see her?

“Hearing this, Xie Wanqiu was a little unhappy.”

Why didn’t Zhou Zuolong come himself?

What did he mean by sending someone to get rid of her?

Just wait.

“After this incident, she would definitely give Zhou Zuolong a good beating.”

“This is my aunt.” Xie rongle took people to the ward.

Chapter 1424: 305: I'll torture the scum to my heart's content! (extra-curricular activities)6

Xie wanqiu raised her eyelids. “Why didn't my old man come himself?”

“The young man politely said, “Hello, Madam Xie. My name is Wu Zhilong. I'm Mr. Zhou Zuolong's lawyer. This is the divorce agreement he asked me to bring for you.” ”

Divorce Agreement!

“Xie Wanqiu was stunned. She thought that Zhou Zuolong had sent someone to apologize to her and bring her back. She did not expect that the person who came was actually a lawyer! ... Moreover, he even brought the divorce agreement! ”

What was this?

“I won't Sign It!” Xie wanqiu turned her head. “I will never sign it even if I Die!”

“Wu Zhilong adjusted his glasses, “Madam Xie, you are considered to have cheated on your wife. Even if you are not willing to sign the divorce agreement, as long as Mr. Zhou appeals to the court, the judge will give you a divorce! “To tell you the truth, Mr. Zhou is already preparing to appeal.” ”

“So, my grandfather really wants to divorce my grandmother?” Zheng Wanyin asked with a pale face. ”

“Yes.” Wu Zhilong nodded. “So, Ms. Xie, you’d better hurry up and sign it. Don’t waste everyone’s time.” ”

“I didn’t have an affair, and I didn’t do anything to let Zhou Zuolong down. Those photos are all synthetic and have nothing to do with me!” Xie wanqiu said. ”

Wu Zhilong took out his phone and played a video. “So these are also made up?”

“Looking at the scenes in the video, Xie Wanqiu wished she could take out her phone and smash it! ”

“At this moment, Zheng Wanyin thought of the doll. She covered her mouth and said, “It, it, it turns out that the doll is a surveillance device!” ”

No Wonder Zhou Zuolong didn’t even want her anymore!

It turned out that Zhou Zuolong knew about the things that happened in the ward.

“When she thought of this, Zheng Wanyin’s blood flowed backwards. ”

What stupid things had she done!

She actually called Wu Youyu’s grandfather in front of Zhou Zuolong!

“Xie wanqiu had completely given up. She looked up at Wu Zhilong and said, “Even if it’s a divorce, Zhou Zuolong will still get half of the Zhou family’s assets. He can forget about sending me away just like that!” ”

She had followed Zhou Zuolong for so many years. She couldn’t just leave like that.

“You’re the one who’s at fault. You still want the family’s assets, not to mention that the current Mr. Zhou is penniless. Not only is he penniless, but he’s also carrying a loan of over 300,000 yuan! According to the marriage law, this is a joint loan between you and your wife. You have to repay 150,000 of the loan!” ”

“How can Zhou Zuolong be penniless? You’re Coaxing a child!”Xie wanqiu said.

“Wu Zhilong took a step forward, “It seems that you still don’t know that after old Mr. Zhou found out about your marital infidelity, he transferred all of his assets to Little Mr. Zhou. So, old Mr. Zhou is penniless now!”With that said, wu Zhilong handed Xie wanqiu a document. “This is the property certificate issued by the Notary Office.” ”

Xie wanqiu took the document.

As expected.

“Just as Wu Zhilong had said, Zhou Zuolong was now a penniless wretch. ”

“Wu Zhilong continued, “Of course, you can also choose not to sign the divorce agreement. “But I have to remind you that as long as Mr. Zhou files an appeal, your marriage will automatically be dissolved after three months. Of course, if Mr. Zhou continues to borrow money within these three months, you will have to repay half of this loan! “Don’t even think about borrowing money. You are now the party at fault. No matter how much money you borrow, the court will not judge Mr. Zhou to help you repay it.” ”

Whoosh!

Xie wanqiu’s face turned pale.

Ruthless!

Zhou Zuolong was really too ruthless.

“It was said that a husband and wife should have a hundred days of grace. She and Zhou Zuolong had been husband and wife for more than thirty years, but they actually ended up like this! ”

It was pathetic and laughable.

“Seeing Xie wanqiu like this, Wu Zhilong continued, “Madam Xie, I advise you to quit while you’re ahead. Otherwise, the gains will not make up for the losses!” ”

“Sign! I’ll sign!”Xie wanqiu bit her lips tightly.

“She had earned enough money from the Zhou family over the years. Even if they divorced now, she would not lose out! ”

Wu Zhilong handed the pen to Xie Wanqiu.

“Seeing Xie wanqiu sign the divorce agreement, Zheng Wanyin knelt down in tears. “No, no...” ”

“With this signature, she had nothing to do with Zhou Zuolong. ”

Xie Rongle’s face turned pale.

“After signing, Wu Zhilong put away the divorce agreement and walked out. ”

“Xie wanqiu looked at Zheng Wanyin. “Yinyin, don’t cry. Call your grandfather and ask him to bring us home.” ”

“Grandfather?”Zheng Wanyin froze.

Chapter 1425: 305: I’ll torture the scum to my heart’s content! (extra-curricular activities)7

“Xie wanqiu continued, “It’s Your Grandpa Wu.” ”

“Okay. Okay...”Zheng Wanyin took out her phone with trembling hands.

“Seeing that there were no benefits to be gained, Xie Rongle stood up and said, “Aunt, I’ve been out for so many days, so I’ll go back first.” ”

“Go back.”Xie wanqiu sighed.

“Hearing Xie Wanqiu’s words, Xie Rongle did not even pack his things and directly walked out of the ward. ”

“”When the tree topples, the monkeys scatter.”Looking at Xie Rongle’s back, Xie Wanqiu had a self-deprecating smile on her face. ”

“Not long after, Wu Youyu arrived. ”

“Grandpa!”

“Seeing Wu Youyu, Zheng Wanyin immediately stood up. ”

“”Yinyin, are you guys okay?”Wu Youyu asked with concern. ”

Zheng Wanyin shook her head. “Grandma has already signed the divorce agreement.”

“”I’m fine, I’m fine.”Wu Youyu held Zheng Wanyin in his arms and comforted her. “Good children. Grandpa will take care of you in the future.” ”

“Hearing Wu Youyu’s words, Xie wanqiu finally found some comfort.”

Wu Youyu brought Xie Wanqiu and Zheng Wanyin to their residence in the capital.

“Over the years, Xie Wanqiu had secretly given a lot of money to Wu Youyu, so Wu Youyu’s life was very comfortable. Not only did he have a property in his hometown, but he also had a villa in the capital.”

“In the evening, Wu Youyu held Xie Wanqiu in his arms and asked, “Wanqiu, how much property did that Zhou Zuolong give you?” ”

The Zhou family was not an ordinary family.

“According to Wu Youyu’s estimation, Xie Wanqiu now had at least seven-figure savings in her hands.”

“Thinking of those savings, Wu Youyu’s eyes were shining.”

“Speaking of this, the smile on Xie Wanqiu’s face immediately disappeared, and she told him the whole story.”

“When he heard that not only did Xie wanqiu not get a single cent, but she even helped Zhou zuolong repay the 150,000 yuan loan, Wu Youyu’s expression immediately changed. “Wanqiu, you’re not joking with me, right?” ”

“I want to joke with you too.”Xie wanqiu sighed. “But it’s true!”

““So, you’ve served that old fellow for so many years in vain?”Wu Youyu said angrily.”

““I haven’t been serving him in vain,”zheng wanyin continued, “Haven’t I given you a lot of money over the years?” ”

Wu Youyu didn't say anything. His heart was filled with anxiety.

"He had thought that Xie wanqiu would definitely get half of the airport, but who knew that he would end up losing everything."

What was going on?

"For the sake of money, he could tolerate this old B \* tch, Xie Wanqiu."

"Now, not only did Xie wanqiu not have any money, she even owed 150,000 yuan. Why did Wu Youyu have to tolerate her?"

"However, for Zheng Wanyin's sake, he could not directly turn against Xie Wanqiu."

"Wu Youyu let go of Xie wanqiu. "WANQIU, I suddenly remembered that I still have some matters to settle. I Won't be able to accompany you tonight." "

Xie wanqiu frowned. "Why are you leaving just like that?"

"I have something to attend to!" Wu Youyu said as he put on his clothes.

A woman's intuition told Wu Youyu that this matter was not simple.

"After Wu Youyu left, Xie wanqiu secretly followed Wu Youyu."

She saw Wu Youyu enter a hotel and even saw Wu Youyu hugging a young girl affectionately.

"When she saw this scene, Xie Wanqiu's eyes turned red."

Betraying her.

The man she loved the most had actually betrayed her.

“Moreover, from the looks of it, they definitely hadn’t been together for a day or two.”

She and Wu Youyu were childhood friends and had known each other since they were young.

“Later, because of money, Xie Wanqiu married her first husband.”

“After her first husband died in an accident, Xie wanqiu inherited a large sum of money from him. She thought that they could live an unusually happy life in the future.”

“However, Wu Youyu was not satisfied with the money. He designed Zhou Zuolong to sleep with Xie wanqiu.”

Fifty years.

A whole fifty years.

Xie wanqiu had been living for Wu Youyu for the past fifty years.

But Wu Youyu betrayed her.

The betrayal was so thorough.

“At this moment, Xie wanqiu only felt that her heart had been torn apart.”

Only now could she understand why Wu Lan would lie on the tracks.

But she would not be as stupid as Wu Lan!

She would not die alone!

Xie wanqiu narrowed her eyes and walked back without leaving a trace.

“The next day, Xie Wanqiu personally cooked a table full of delicious dishes and served a bowl of rice to Zheng Wanyin.”

“Zheng Wanyin’s face was very pale. “Grandma, I’m Not Hungry.” ”

“”A person’s iron rice is steel. If you don’t eat, you’ll be hungry. yinyin, you’re a strong child. Grandma believes that you won’t be defeated by this little difficulty in front of you. Eat more or less!” Xie wanqiu continued, “Grandma is already so old. If an accident happens one day, you must take good care of yourself.” ”

Chapter 1426: 305: I’ll torture the scum to my heart’s content! (extra-curricular activities)8

“Zheng Wanyin was feeling very uncomfortable at the moment. She did not understand the hidden meaning behind Xie Wanqiu’s words. She nodded and said, “Grandma, I’ll take good care of myself.” ”

“Xie wanqiu glanced at Zheng wanyin and said, “Have a good sleep after eating. Grandma will go down first.” ”

“Okay.”

“When they reached the door, Xie Wanqiu turned back to look at Zheng Wanyin. Her eyes were full of reluctance.”

“Downstairs, Wu Youyu had already returned. “WANQIU, did you cook all the good dishes on this table?” ”

“”Yes.”Xie wanqiu nodded. “To celebrate that we can finally be together, quickly wash your hands and eat!” ”

“Yinyin isn’t coming down to eat?”Wu Youyu asked.

“”That child is feeling terrible. I’ve already sent the food over just now,”Xie Wanqiu said. ”

“OH.”Wu Youyu nodded and washed his hands before coming over to eat.

“After watching Wu Youyu drink the soup and eat the dishes, Xie wanqiu began to eat. ”

“Halfway through the meal, Xie Wanqiu put down her chopsticks and handed Wu Youyu a photo.  
“Who’s This?” ”

Wu Youyu looked down and saw that he was hugging Zhang Qingqing in the photo.

“To Xie Wanqiu’s surprise, Wu Youyu’s reaction was not very intense. “You’ve discovered me.” ”

“Aren’t you going to explain yourself?”

Wu Youyu took another bite of the food. “Isn’t there only so much between a man and a woman? Is there a need to explain?”

Xie wanqiu slammed the table and stood up. “Wu Youyu! You have no conscience!”

“”If you can’t stand it, you can scram!”Wu Youyu seemed to have changed into a different person. His deep feelings were gone, leaving behind only coldness. ”

Xie wanqiu sneered.

“At this moment, Wu Youyu felt a pain in his stomach. Then, something warm surged up from his throat.  
“Urgh!” ”

Wu Youyu directly spat out a mouthful of blood.

“Retribution! Retribution!”Xie wanqiu laughed.

“Only then did Wu Youyu react. He looked at Xie Wanqiu in disbelief. “You, you tampered with the food?” ”

“Yes.”

“”B \* Tch!”Wu Youyu struggled to hit Xie wanqiu, but he spat out a second mouthful of blood and fell to the ground. ”

Xie wanqiu also began to spit out blood at this moment.

Only when she fell to the ground did she regret it.

Retribution.

This was all retribution.

Retribution for retribution!

“The next morning, Zheng Wanyin came down from upstairs and saw this scene. ”

“Xie wanqiu and Wu Youyu were both lying on the floor, their bodies stiff.”

“Ah! Grandma! Grandpa! What happened to you? ! What happened? !”

Zheng Wanyin screamed and staggered to call 911 and 120.

She never thought that Xie wanqiu and Wu Youyu would leave her in such a way.

The police and 120 arrived soon.

“After Wu Youyu died, because he had no children, anyone who was related to him would come to split the assets. On the other hand, Zheng Wanyin did not have any proof of kinship with Wu Youyu, before Wu Youyu died, he did not leave any suicide note. Not only did he not get a single cent, he was also accused of coveting the old man’s assets.”

...

“When she saw the news report about Xie wanqiu, old Mrs. Cen thought that she had seen wrongly. She ran over to Zhou Xiang and said, “Xiang Xiang, Xiang Xiang, quick, look. Is this Xie Wanqiu?” ”

“Zhou Xiang took the phone. She was a little surprised, but she was not surprised. “It’s her.” ”

It was not surprising for someone like Xie Wanqiu to end up like this.

““A wicked person deserves evil!”Old Mrs. Cen continued, “But it’s a pity to let her die just like that. A person like Xie wanqiu should be cut into a thousand pieces and sent to the eighteenth level of hell to taste every kind of torture in the world!” ”

“Zhou Xiang looked at Old Mrs. Cen in shame. “Mom, I’m sorry for what happened in the past.” ”

“It’s all in the past. You must not be muddle-headed again in the future!” Old Mrs. Cen looked at Zhou Xiang, she said very seriously, “If you do it again in the future, I’ll break off my mother-in-law-daughter relationship with you and let Shaoqing break off his mother-son relationship with you!” ”

“It won’t happen again. It Won’t happen again.”

“Old Mrs. Cen continued, “You are also not allowed to care about Zhou Zuolong anymore! That old fellow also brought this upon himself. No one is allowed to sympathize with him.” ”

“Yes.” Zhou Xiang nodded.

“After experiencing so many things, Zhou Xiang had long understood. ”

\* \*

On the other side.

The Cen family’s base.

“Zhou Dongyang was busy working in the construction warehouse. At this moment, the originally quiet construction warehouse was suddenly filled with alarms. Sharp sounds instantly filled every corner of the base. ”

“What’s Wrong?”

“Cen Jiang, Cen he, Cen Hu, and Cen Hai, the four brothers, came in from outside. ”

“Zhou Dongyang looked at the four brothers, his eyes filled with anxiety. “Quickly inform Miss Ye! The nuclear reactor has malfunctioned!” ”

Chapter 1427: 306: a slap in the face

The nuclear reactor had malfunctioned.

“Hearing this, the faces of the four brothers, Cen Jiang, Cen he, Cen Hu, and Cen Hai turned pale and immediately ran over. ”

“The space mothership was different from other aircraft. Not only was it big, but it also had to reach the speed of light. It was definitely impossible to use ordinary fuel as the fuel for the flight. Therefore, the nuclear reactor was used as the fuel for the flight. ”

“The base had a large number of nuclear reactors. If there was a malfunction and the nuclear reactor leaked, a large amount of nuclear radiation would be produced. The consequences would be unimaginable! ”

“Cen Jiang turned to look at CEN he, Cen Hu, and Cen Hai. “The three of you go and help Zhou Gong. I’ll contact Miss Ye!” ”

“After saying that, CEN Jiang continued, “Put on the radiation-proof isolation suit!” ”

“”Got it. Go quickly!”Cen He, Cen Hu, and Cen Hai ran inside. As they ran, they grabbed the isolation suit on the side and put it on. ”

Cen Jiang quickly walked out of the construction warehouse.

“The three brothers walked inside. “What’s going on, Zhou? Isn’t the nuclear reactor always under special management?” ”

“I’m not very clear about the specific situation either! Have you contacted Miss Ye?”Zhou Dongyang asked.

“Dajiang has already contacted her.”

Zhou Dongyang nodded and picked up the communicator at the side. “Is Xiao Wang around?”

“I’m here, Zhou Gong.”

“Zhou Dongyang continued, “Inform all the staff in Area C to immediately put on the radiation-proof isolation suit and prepare to evacuate at any time!”

“Alright! Arrange it immediately!” Xiao Wang replied.

“After instructing everyone to put on the isolation suit, Zhou Dongyang looked at the three brothers. “Erhe, Sanhu, Sihai, let’s go inside and take a look.”

“Okay.” The three brothers nodded.

On the other side of the base.

At the Tang family’s laboratory.

“Hearing the urgent alarm, Tang Xue stood up from her chair. “What’s going on?” She had stayed at the Cen family’s base for so many years, but this was the first time she had heard such an urgent alarm.”

“It seems like there’s a problem with area c.” Xu Guo pushed the door open and walked in with the documents in her arms.

Large Area C?

Wasn’t large Area C ye Zao’s territory?

“Ever since the base established the aircraft carrier project, Large Area C had been assigned to Ye Zao to manage.”

Large Area C occupied more than 100 mu.

“Before this, Tang Xue had been applying to Cen Shaoqing, hoping to get the authority to manage large area c.”

“Moreover, in the entire base, other than Tang Jia, no one else had the qualifications to do so.”

Who knew that ye Zhuo would appear out of thin air in the end!

Tang Xue narrowed her eyes. “What’s going on over there?”

“Xu Guo shook her head. “I heard them say that the alarm came from over there, but I’m not too sure what exactly happened. To sister Xue, this is the experiment report from last time. Take a look.” ”

“Tang Xue took the experiment report and was about to say something when the closed door was pushed open again. “Big News, Big News!” ”

“What happened to Xiao Lu?”Tang Xue put the experiment report aside and looked up at Xiao Lu.

“Xiao Lu clutched his chest and said breathlessly, “Do you know what happened outside? Why did the alarm sound?” ”

““What’s wrong, what’s wrong! Tell me quickly! Don’t keep me in suspense!”Xu Guo was an impatient person.”

“Xiao Lu took a deep breath, ”

“there was a gloating look on her face. “It’s the nuclear reactor at the aircraft carrier planning team that has malfunctioned!” Ever since Xiao Lu left the aircraft carrier planning team, she had been hoping for something to happen at Area C every day. ”

But this day had finally arrived!

“Hearing this, Tang Xue’s expression changed. “Nuclear reactor? Why would there be a nuclear reactor at their place?” ”

Nuclear reactors were also known as atomic reactors. They could maintain a controllable self-sustaining chain-type nuclear fission reaction to realize the use of nuclear energy.

“At present, there were very few people in China who could truly master nuclear reactor technology. Once the operation went wrong, it would cause destructive damage. ”

Who would have thought that Ye Zao would actually dare to store a nuclear reactor in the base.

Wasn’t this a joke to everyone in the base?

“Xiao Lu said, “Sister Xue, don’t you know? Ye Zao is going to use a nuclear reactor as the power raw material for an aircraft carrier!” ”

““Use a nuclear reactor as the raw material? Is she crazy?” Under normal circumstances, an aircraft carrier would use fuel oil or nuclear power as the power raw material. Who would have thought that Ye Zao would actually use a nuclear reactor! ”

Was she dreaming?

“Tang Xue frowned, her face full of worry. “Are you sure that she’s going to use a nuclear reactor as the raw material?” ”

“Xiao Lu nodded, “We all had training when we joined. Ye Zao did use a nuclear reactor as raw material for power. It was said that many people were against ye Zao at that time, but in the end, they all gave up. I didn’t expect that something would happen this time!” ”

Chapter 1428: 306: a slap in the face

“Using a nuclear reactor as power material, how could this not happen?”

It was thanks to ye Zao that he thought of it.

“Xiao Lu continued, “Sister Xue, I heard that if the nuclear reactor leaks, it will be very troublesome. How Do You Think Ye Zao will end this?””

“”Nonsense! This is simply nonsense!”Tang Xue continued, “Xu Guo, you and Xiao Lu stay in the laboratory. I’ll go out for a while. I’ll be back soon.””

“Got it.”Xu Guo nodded.

“Looking at Tang Xue’s back, Xiao Lu asked curiously, “What do you think Sister Xue is doing?””

“Xu Guo had been in the base for some years. “She should have gone to ask for help. After all, a nuclear reactor malfunction is not a small problem. Once it is leaked, the entire base will suffer!””

Xiao Lu was stunned. “It’s that serious?”

“What do you think!”

Xu Guo was right. Tang Xue had indeed gone to ask for help. She knew an expert who studied nuclear reactors. An expert would definitely be able to solve the problem of a nuclear reactor malfunction.

This expert was from the same generation as Tang Xue's grandfather. He was already in his eighties this year and had already retired for ten years. Only she had the face to ask for help from him.

"If it was someone else, it really wouldn't be possible."

"But halfway through, Tang Xue's footsteps slowed down, and her emotions also slowly calmed down."

No.

She couldn't ask for help so quickly.

"Someone like Ye Zhuo should let her learn a lesson. It was best to take this opportunity to drive her out of the Cen family base, so as to avoid causing more trouble and implicating the entire base."

"After thinking for a moment, Tang Xue turned around and walked towards Professor Yue's office."

...

"When Ye Zhuo received Cen Jiang's call, she was on her way to ZY Technology's press conference."

"Is there a problem with the nuclear reactor?"

"Yes, Miss Ye." Cen Jiang's tone was very anxious. "Big C area is already very busy. Please come over quickly!"

"Don't panic. I'll be right there." Ye Zao's eyebrows were still the same. The winter sunlight shone in from the window, casting a layer of cold light on her face."

“It was clearly a very faint voice, but it passed through the phone screen and made Cen Jiang feel inexplicably at ease.”

“After hanging up the phone, ye Zao turned to look at the driver. “Master, please go ahead to 1988 Yan ‘an Road.””

“The driver was stunned. “Young Lady, you’re not going to the airport?””

“”Yes, I have something urgent to attend to, so I won’t be going.””

“”Alright.”The taxi driver nodded. “1988 Yan ‘an Road, right?””

“”Yes.”Ye Zhuo continued, “Sir, I’m a little anxious, so I’ll trouble you to speed up a little.””

“The middle-aged driver said, “Young lady, it’s rush hour now. There are too many cars on the road, and I’m already at my fastest speed!””

“Although the speed was already very fast, it was still too slow for ye Zao.”

The nuclear reactor matter could not be delayed.

“Ye Zao continued, “I’ll have to trouble you to go faster.””

“The driver was a little impatient. “Young Lady, don’t rush me anymore. I’m already going as fast as I can. If it really doesn’t work, the steering wheel is here. You Drive.””

Ye Zao looked like she was not an adult yet. She probably could not even tell the accelerator from the brake. How could she drive?

The little girl nowadays only knew how to rush people with her mouth open. She did not know that it was impossible to drive fast in this kind of road condition.

“Pull over.” Ye Zao’s red lips opened slightly.

“The driver asked curiously, “You’re not going to sit?””

““I’ll drive,” ye Zao said.”

She’ll Drive?

The driver was amused when he heard this.

This little girl was really interesting. She even dared to say such words and leisurely pulled over.

He wanted to see if this little girl really dared to drive!

“The car has stopped. You Can Drive!” The middle-aged driver turned to look at ye Zao.

“When he turned around, the seat was already empty. Just as he was puzzled, someone knocked on the left window. The middle-aged driver turned around and saw that it was ye Zao.”

“The driver was stunned for a moment before he opened the door. “Young, Young Lady, are you serious?””

““Master, I’m in a hurry right now. I don’t have time to joke with you.” After he said that, he took out his driver’s license and handed it to the driver. “This is my driver’s license.””

The driver took the driver’s license and walked to the front passenger seat.

“When he sat in the front passenger seat, he was completely stunned.”

Ye Zhuo started the engine. "Put on your seatbelt."

"The middle-aged driver was stunned for a moment before he realized what was going on. He had been driving for so many years, but this was the first time someone had reminded him to put on his seatbelt."

This feeling was quite strange!

Chapter 1429: 306: a slap in the face

"The driver put on his seatbelt and said, "Little girl, I think you only dared to get your driver's license. Can you do it? Young people should not rush..." "

"Before he could finish his sentence, the car rushed out. "

It was so fast that it was like an arrow leaving the bow.

"This, this was too fast, right? "

The driver turned to look at ye Zao and gulped. His face was full of disbelief.

The little girl was quite a tiger!

"He had driven for so many years, but he did not dare to be like this. "

"Truly, a newborn calf was not afraid of a tiger! "

"Little girl, slow down. In the past, I had a friend who was just like you. When he was driving, he was really fierce. Guess What Happened Now?" "

“Huh?”Ye Zao turned the steering wheel with one hand and avoided a red sports car with a beautiful posture.

“The driver continued, “Now, the weeds on his grave are half the height of a person!” ”

“”Master, have you ever seen a racing driver?”Ye Zao asked. ”

“”No.”The driver was stunned for a moment and quickly reacted. “Little girl, do you mean that you are a racing driver?” ”

“Yes.”Ye Zhuo’s tone was indifferent.

“”Stop bragging, your driver’s license says that you’ve just turned 20 this year.”The driver smiled. ”

“Little Girls nowadays, when they bragged, they didn’t even bother to write a draft! ”

“”Race car driver?”The driver continued, “Why didn’t you say that you know how to fly a plane?” ”

“Ye Zhuo’s eyebrows were still the same, “I’ve never touched a plane before, but I’ve flown a spaceship before.”In the world that Ye Zhuo lived in, spaceships were common, just like the current high-speed rail, as long as he raised his head., he could see disc-shaped flying saucers and rectangular spaceships flying in the sky. ”

“As for airplanes, they had long been eliminated. ”

A spaceship? !

Why didn’t she say that she could fly?

“The driver was speechless. “Little girl, are you still dreaming?” ”

Ye Zao didn't say anything. He stepped on the accelerator and continued to accelerate.

The soundproof effect of the taxi's windows wasn't very good. The driver could even hear the sound of the wind and lightning.

Whoosh! Whoosh!

“At this moment, the driver turned his head to look ahead, his pupils suddenly dilating. “Slow down, slow down, slow down, don't just brag! We're about to hit! Slow down!” ”

But Ye Zao did not show any intention of slowing down.

They were about to hit!

The driver was so scared that he closed his eyes.

This morning was too unlucky!

How could he meet such a girl who only knew how to Brag!

“It's over, it's over! ”

“The car was moving so fast. He wouldn't die, right? ”

Amitabha.

Buddha bless!

The cold sweat on the driver's forehead almost instantly appeared.

"One second passed, two seconds passed, three seconds passed. "

The imagined pain did not come at the right time.

What was going on?

The driver opened his eyes curiously and saw that ye Zao had already avoided the car.

Strange.

It was really too strange.

She clearly did not slow down. How did she manage to avoid the car without making a sound?

"Just as the driver was slightly stunned, ye Zao swung her tail beautifully and directly left the cars in front of her behind. "

So handsome!

"The driver turned to look at ye Zao, his eyes filled with shock. "

"If he didn't see it with his own eyes, who would believe it was real? "

The driver quickly looked behind through the window and saw that the cars that ye Zao had overtaken had been left behind.

Chi —

Another beautiful tail swing and the car stopped in front of an abandoned factory.

Ye Zhuo unfastened his seatbelt and pushed the door open to get out.

The driver was still in a daze in the passenger seat.

“Ye Zhuo went to the other side and opened the door of the passenger seat. “Sir, how much is it?” ”

“Only then did the driver come to his senses. He looked at the meter and said, “18 yuan.” ”

It was just a starting price.

“Yan ‘an road was 35 kilometers away from the previous place. Normally, it would take at least 34 minutes to drive, but this little girl only took less than 10 minutes to drive there. ”

“Ye Zhuo took out 20 and gave it to the driver, “Keep the change.” ”

“The driver called out to ye Zhuo’s back, “Little girl, wait, wait a minute!” ”

“Ye Zhuo looked back slightly, “Is there anything else?” ”

““You, you aren’t really a race car driver, right?”The driver asked in disbelief. ”

“Yes.”Ye Zhuo nodded slightly.

“The driver swallowed his throat. Just as he was about to ask the second question, Ye Zhuo had already gone far away. ”

“She, she can’t really drive a spaceship, right?”

The driver scratched his head.

“Chapter 1430: 306: face-smacking, Big Burning Domineering cover-up! 4”

Ye Zhuo bypassed the abandoned factory and walked all the way to the main gate of the base.

“Because the Cen family’s base made secret weapons and had signed a confidentiality agreement, the entire base’s address had been crossed off the map. That was why they had built an abandoned factory in front of the base to cover their tracks.”

Area C.

Tang Xue brought Professor Yue and the base’s two elders to the construction warehouse.

These two people were elder Wu and elder Zhao.

Professor Yue’s expression was very ugly. “Where’s Cen Jiang? call him over!”

“Cen Jiang was the head of the large C area. Without Ye Zhuo, he was the head of the large C area.”

“Since such a big incident had happened, he naturally had to look for Cen Jiang immediately.”

“Now that the entire large C area had gone to the nuclear reactor, the matter was already in a mess. Professor Yue, Tang Xue, and elder Wu and elder Zhao had appeared at this time. It was obvious what

they were here for, the assistant said with some embarrassment, "Professor Yue, I'm really sorry. Our district chief is not here right now. Please wait for a moment!" "

""Wait for a Moment?" Professor Yue's face turned cold. "Do you know the consequences of a nuclear reactor leak? At that time, our entire base will suffer! Can you bear the consequences?" "

She had long known that ye Zao's space carrier plan would go awry.

"A little girl, who had just turned 20 years old, was lucky enough to get first place in the science and technology competition, but she already thought that she could build a space carrier! "

Wasn't this a fantasy?

Why would she use a nuclear reactor as raw material.

This was simply nonsense!

"Country C was the most technologically advanced country in the world. It had built a space carrier 30 times, but had not succeeded in ascending to heaven. What about a 20-year-old girl like her? "

"Most importantly, other countries used nuclear power or fuel oil as fuel to build their aircraft carriers. "

Professor Yue now suspected that ye Zao did not understand aircraft carriers at all. She was just talking on paper and joking about the resources of the CEN base.

"The assistant was shocked by Professor Yue. "Professor Yue, don't worry. I'll Contact District Chief Cen right away." "

"About a minute or two later, Cen Jiang came running over in his isolation suit. "

""Professor Yue, Elder Zhao, elder Wu! Why are you here?" "

“Elder Wu, who had been silent all this while, opened his mouth. “Dajiang, where’s Miss Ye?” ”

“Miss Ye isn’t here yet.”

“Did you inform her?” Professor Yue continued to ask.

Cen Jiang nodded. “We did.”

“Then why isn’t she here yet?” Professor Yue narrowed his eyes.

A glimmer flashed across Tang Xue’s eyes. Could it be that ye Zao heard that the nuclear reactor had malfunctioned and did not dare to come?

“However, thinking about it, it was normal. If the nuclear reactor was leaked, ye Zao would be in Big Trouble!”

“Cen Jiang continued, “Miss Ye is already on her way.” ”

“Tang Xue said, “District head CEN, could it be that your miss ye was scared away when she heard this news?” ”

“No.” Cen Jiang trusted ye Zhuo very much. “Miss Ye isn’t that kind of person.”

“Tang Xue continued, “I was just joking. Don’t take it seriously. In the entire base, who doesn’t know that Miss Ye isn’t the kind of person who would run away at the last minute! I also believe that she wouldn’t run away!” ”

“Cen Jiang could hear the hidden meaning behind Tang Xue’s words, but now wasn’t the time to argue. ”

“Professor Yue continued, “Quickly bring us to the nuclear reactor to take a look.” ”

“Cen Jiang nodded. “Everyone, follow me.” ”

The few of them followed Cen Jiang’s footsteps.

“Before long, they arrived at the nuclear reactor storage room. ”

“Under normal circumstances, nuclear reactors were built underwater because that was the only way to reach a critical point. ”

“But when the Cen family opened the door to the storage room, the few of them were shocked. Their faces were filled with disbelief. ”

“In the center of the storage room, there was a huge nuclear reactor apparatus. Through the apparatus, one could see that there was a scary blue light inside. The alarms on the apparatus were all red, there was a possibility of explosion leakage at any time. ”

“Seeing this situation, professor Yue’s face turned pale. “Nonsense! Nonsense! Who told you to reserve a nuclear reactor like this? Aren’t you waiting for something to Happen?” ”

“After saying that, professor Yue continued, “Cen Jiang, quickly arrange for someone to activate the emergency button. Seal the entire storage room and speed up the operation of the nuclear reactor!” ”

Speed up the operation of the nuclear reactor?

Professor Yue’s action was to shut down the nuclear reactor.

“Because the entrance to the nuclear reactor was not closed. Even if it was closed, the nuclear fission was still going on. Therefore, what they needed to do now was to speed up the operation and consume all the nuclear materials before the leak, in order to achieve a true shutdown! ”
